- **GROUNDS FOR TRIAL POSTPONEMENT**

Dear Sir/Madam,

a) I am writing to formally request a postponement of the upcoming trial in "**Case 2 – URN: 01YE1300125**, relating to the incident dated **26/08/2025**, currently listed for **"03rd February 2026**."
b) Below are my full grounds for requesting this postponement.

- **GROUNDS FOR TRIAL POSTPONEMENT**

01. **Factual Innocence**
    a) I did not assault any police officers, and the allegation is disputed in full.

02. **Fake RO Order Certificates Blocked Legal Aid Transfer**
    a) Tuckers Solicitors submitted "**Frauded Restraining Order Certificates While Deceiving The Court Proceedings And Me That They Were"** instead the required "**CRM14/CRM15 Self-Referral Forms**," which unlawfully prevented the transfer of legal aid in my name.
    b) I signed new legal aid transfer forms as ordered by the Judge and provided them to McLartys, but Tuckers refused to release or process the legal aid or address concerns and complaints.
    c) Legal Aid confirmed in writing that the **RO Certificates were fake** And "**Not Valid CRM14/CRM15 Self-Referral Forms, And Not Official Documents."**

03. **Court Hearing on 16/12/2025 – Misrepresentation of Documents**
    a) At court on **16/12/2025**, during the hearing for **Case 1 (02/08/2025)**, the court attempted to mislead me into believing the fake RO Certificates were legitimate self-referral forms.
    b) I had to return home and re-analyse the legal aid correspondence on **17th and 18th December 2025** to understand the truth.

04. **Court Closure Period and Personal Unavailability**
    a) I was unavailable from **19th December 2025**.
    b) Courts were closed from **24th December 2025 until 1st January 2026**, preventing any action, correction, or legal progress during that period.

05. **Sgt Smith's Actions Created the Second Case**

a) Due to Sgt Smith setting me up in the first police URN, the bail conditions were then misused to maliciously create this alleged assault case.
b) This forced me to defend myself in every hearing for both cases, inside and outside court, without legal representation.
c) I am one person, learning the law and producing all legal materials alone.

06. **Disclosure Failures**
a) The CPS and prosecution have not complied with disclosure requests.
b) Body-Worn Footage (BWF) has not been provided.
c) No defence statements have been fairly served.
d) No BWV has been shown to me.
e) No Medical / FME notes have been disclosed.
f) No MG05 Offence Report has been provided.
g) No advanced information has been disclosed.
h) No custody record has been disclosed.
i) No evidence of any assault occurring has been provided.
j) No case action / ratio folder has been disclosed.

07. **Grounds for Case 2 Review and/or Dismissal – Procedural Breaches**
a) I was not interviewed.
b) I was not booked in for the alleged assault.
c) I had no solicitor present.
d) I was not allowed to consult with my Appropriate Adult alone, which denied me the ability to understand or respond to the allegation.
e) Only police officer statements have been provided.
f) No clear description of what happened has been given.
g) I had no legal support.
h) Mandatory disclosure required to prepare my defence has still not been provided.

- Given the above, I respectfully request that the trial listed for "**03rd February 2026"** be postponed until the outstanding issues are resolved and full disclosure is provided.
- Please confirm the current status of disclosure and the prosecution's position in relation to "**Case 2 (assault, 26/08/2025)**."

Kind Regards
Mr. Simon Paul Cordell.
