Wendel refused to use my statements i sent and tried to get me to build new ones in the meeting

Speaker 1:
I've been talking to them Wednesday like me and to Andrew Bennington. They gave me some legal advice in towards my case which obviously I respect and I'm curious of and I was unsure of it, of the legal advice and I believed otherwise so I've done some checks online afterwards and I've 100% confirmed that I should have been arrested and charged the other day like I said and I wasn't I wrote over an email and I've sent the minutes of the meeting I had with Wendell and no one's replied back to me.
I'm in court in six days and I'm supposed to have my witness statement, all witness statements taken and none of my witnesses have been contacted and they're all still waiting for their section 9.

Speaker 2:
Okay, can I take your full name and date of birth please.

Speaker 1:
Mr. Simon Paul Cordell, ******

Speaker 2:
It is Six days till trial and I'm as none of the witnesses and none of I which I wanted to confirm with this law because I would have liked the case to be dismissed if I'm legally in the right habit to commit. Just like this.
