This statement relates to my neighbour at 109 Burncroft avenue, EN3 7JQ I am the above-named individual and reside at location known to police.

The incident I am about to describe occurred on Burncroft avenue, the address is a block of flats and there are 6 flats within the block and 2 flats per floor.

In January my neighbour Simon (109) was banging on my door shouting that I was making noise. I'll punch you up, I'll slap you up and your daughter. He also said he would do the same thing to my children's dad. I took a video of this and sent this to the police.

In January I was getting a new door fitted, I've taken my daughter to school. I've come home; the door was taken off the hinges by the contractor. Simon has come upstairs, and I was in the living room, and I could hear him, Simon was asking the contractor if the guy that lives opposite from me (113) was home. I've gone to the door, and he has started to accuse me of banging on the floor and keeping him awake at night. I've explained that I don't live above him then he has then shouting saying that he would hit me, hit my eldest daughter and drag my unborn baby out my stomach. I kept telling him to move from the door, he then went to say he's got videos of me on a website about being corrupt. As I've called the police on that occasion, he has said call the fucking police I don't care.

On Saturday 2nd August 2025 I was driving into the estate where my block of flats is, as I'm driving in,

I have seen my neighbour who I only know as Simon, he resides at 109 Burncroft avenue. Whenever I come into the estate the first place, I look is the bottom of my block, to see if he is outside. If he is I know that he would try and intimidate me, shout at me or something is going to happen.

As I have driven in and drove around the bend, I could see him from the side staring at my car. I've driven into the small car park on the left and parked my car. I've got out my car to see if he was still there or not, once I've seen he is not there I've walked my two kids

upstairs. I've had to go back downstairs to grab my children's nappy bag I told my eldest daughter if the baby wakes up to call my phone. I've locked the door and taken the key with me as I'm walking down the stairs I hear another door, Simon has got to the bottom of the stairs before me, he was saying stuff but facing away from

me. So, I wasn't paying any attention, and he has turned around and been like 'you hear me', not in response to him I was like what? And then he has said 'I will blow up your car; I will blow it to the other side of the street.' Then he was like if you come and ask me, I will tell you I didn't do it.

I've closed the communal door to put space between us, I've walked towards my car to get the nappy bag he has opened the door and was shouting stuff at me as I'm walking towards my car, I wasn't paying attention to what he was shouting at me I was trying to get to my car as quick as possible. I've got to my car and got what I needed and looked if he was still by the door, he wasn't by the door, so I've started walking back home, once I got into my flat. I called the police.

Because of his behaviour I am worried to leave the house with my children. I have been getting other people to drop things off for me. I try my best to stay as far away from him as possible but every time I see him, I know that something would happen, there has been incidents **when I am at the shop, he** would stare at me but would not say anything, trying to intimidate me. I feel unsafe in my own home and fear for me and my children because of his threats, every time I make a complaint a feel that it is put down to his mental health. I am concerned that only if he touches me or my children that something would be done.
