Yes, this is 519. and I've got a statement here that I want to submit to yourselves. I've updated my website, we're all fresh and new to everything now, so it's been understood.

That's why I used it with that link. It was at horrificcorruption.com Yes, I've got them sitting there. Because I think that these statements are made from, when I've checked them, they're made from the day before, so say the allegations first that took place, and second, for some reason, one of the pre-statements now says that you made that statement in the first reading, and your statements are now online.

(2:19 - 2:53)
Also, her statement was based on her racial, and it clearly shows that, because the two sections talk about me on a past occasion, which has now been over a fraction of the first statement, which is admissible, just under the basis that the whole thing is talking about me, and other things that have nothing to do with the ongoings of the case. And then, I've also got another statement of the latter, and I've used that for the first of the latter to report as a witness to the true ongoings. Okay, I think that's all I can say.

(2:54 - 3:03)
Okay. Okay, I'll stay away from you. Thank you, have a good day, sir.

(3:04 - 3:05)
Bye.
