Noticing the Errors on?
My Criminal Record!
Paying for PNC Record "Missing: --

- Because I noticed that there are errors on my criminal record for failing to surrender and other offences on my recorded that I never committed I and my mother attended to the courthouses that issued them in the beginning as I disputed the so-called guilty offences that were claimed to have taken place.
- The reason I noticed the errors in the first place other than I never committed them enrolled around the gazebo case files from Woolwich Crown court because I got remanded to prison in the start of the proceedings, for failing to surrender, being present on my criminal record.

Errors on my PNC Record: --

- On the 12/**02/2014** Emails again got sent to westminster.gov@hmcts.gsi.gov.uk
- regarding failing to surrender on my PNC, criminal Record.
- Westminster sent the memorandum of conviction via an email after my request to the courthouse; I received this email on the **17/02/2014** not too long after us paying for it.
- When I received the email, I acknowledged that it demonstrated what I claimed all about and that it was in error.
- The failing to surrender got dismissed by the court a long time beforehand, so it should have never of been placed on my PNC record and this error on my criminal record is why I got sent to prison, due to no fault of my own.
- I know it should not be on a copy of my Police Record, stating that I got found guilty of this offence.
- In understanding this error and knowing that many more were on my record to which I disputed knowledge about I continued in my search for answers; Then on the **19/02/2014** more Email's got sent to another courthouse such as; Highbury Corner Magistrates Court, to have all my PNC records checked, for cases that were heard by Enfield Court which Edmonton Police dealt with.
- This took time to address as there where a list of Records I wanted checked.
- While waiting for my replies from the courthouses regarding my criminal recorded being in error so I felt depressed because of all the ongoing in my life so I attend to the local doctors to explain how the police court case and bail conditions deterred, my life away from being in harmony.

To Whom It May Concern:

- I am writing this email after a call that was made to the City of London Magistrate Court on the **10/02/2014** about a list that is on my PNC that is incorrect.
- I was told to write this email including as much information as I could to get this updated.
- I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done.
- I was told on the **10/02/2014** when I called due to the date that it would be down to the police to update this.
- You would have only forwarded the information to the police to get this updated.
- The Error is for a case that was heard on the **03/03/2008** at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the **25/01/08.**
- The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record.

- This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for.
- I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for.
- This print out was done by the police on or around the **26 June 2013** for the Woolwich case.
- I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record.
- I was told on the **10/02/2014** when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record.
- I am there for asking for the court transcript to be sent to me if there are costs for this, please email me back with the cost for this to be sent to me and I will get this paid to the court.
- Please see attached file for the page in my PNC record which is there in error I have highlighted the case.
- If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks
Mr Simon Cordell

Hi Josey

- I just been emailed from the court the outcome of the city of London case fail to surrender as you will see from attached copy that has been sent over to me today from the court this case was dismissed.
- I had to pay £5.00 to get this from the court so I will email you the copy of the receipt also and the email I sent to court to get this dealt with I will send this over so you have copies of it.
- So, on Simon bail for this case there should be no fail to surrender, as he has never failed to surrender to the police or the court.
- Also, there are some other things on the PNC that I want to look into as there are some other errors, I am sure, but I wanted to get this one dealt with 1st as this was causing a problem.
- Also, Simon has looked over the section 8 and there are some errors with the dates Jemi put March and not May in 2 places also he put in section 2, 21. arrested win connections I think that should have been with and not win.
- Not sure if you corrected this with the one you sent over to the court.
- Also is it 9.30am Simon needs to be at court tomorrow can you let me know please.

Many Thanks
Lorraine

Hi Lorraine

- Thank you for the information.

- I have forwarded this to the barrister, Andy Locke who is covering the hearing tomorrow.
- I asked for the case to be removed from the list for two weeks as I have yet to hear back from the Insurance company and the prosecution, but the court went ahead and listed it. Simon must attend by 11am. His case is fourth on so if he arrives at court for 10.30am he will be in plenty of time.
- I will send a chaser email to the Trevor Allaway this evening. He is in court 7.
- If the insurance file and the disclosure from the police comes back favourably then coupled with the confirmation that Simon has no convictions for failing to surrender, I will try again to get his bail conditions relaxed but I stress I can only do this once I am in receipt of the disclosure and this will be dependent on what the disclosure reveals.
- I can then compile all the case papers for the defence and assess whether we can make a request for the prosecution to review the prosecution against Simon.
- I think that they will proceed regardless but I will try once I am in receipt of all the information and if this information assists the defence and undermines the prosecution.
- I will arrange an appointment with Simon for this weekend / early next week and I hope to have some disclosure before the.
- Any questions please do not hesitate to come back to me.

Regards
Josephine

To Whom It May Concern:

- I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around **25/06/2013.**

- I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.
- I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases.
- I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.
- If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.
- If the information could be emailed to me, I would be grateful as I am next in court on **March 2014** and would like this information of any errors so I can show the judge.
- Please see below the lists of cases I would like information on.

Dear Mr Cordell,

- Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check.
- Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

To Whom It May Concern:

- I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around **25/06/2013.**
- I would be very grateful if you can pull up the following records so I can check them with
- the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.
- I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases.
- I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.

615,

- If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.
- If the information could be emailed to me, I would be grateful as I am next in court on **March 2014** and would like this information of any errors so I can show the judge.
- Please see below the lists of cases I would like information on.

There were six different records that were not in the court registry: --

- The day was the **13/03/2014** and my mother helped me at my request and did so and in return she attended to the Enfield Magistrates Court for me to pick up information about my criminal record being in error, as got requested of me by the courthouse from my previous request.

- When my mother arrived, she got told that there were six different records were not in the court registry and contained on my criminal record, it also got explained by the court employee that if the six dates on my record were not in the court registry, as they were not, then they were never herded before in court.
- The lady working in the court continued to tell my mother she had seen nothing like this before and said it got worrying, I am still trying to address this, but no one seems to be able to help.
- I questioned to others; how can there be six different records on my PNC, yet they have never been to court?

Dear Mr Cordell,

- Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check.
- Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

- I would be very grateful if you can pull up the following records so I can check them with

- I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases.
- I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.

To Whom It May Concern:

- I am writing this email after a call that was made to the City of London Magistrate Court on the **10/02/2014** about a list that is on my PNC that is incorrect.
- I was told to write this email including as much information as I could to get this updated.

- I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done.
- I was told on the **10/02/2014** when I called due to the date that it would be down to the police to update this.
- You would have only forwarded the information to the police to get this updated.
- The Error is for a case that was heard on the **03/03/2008** at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the **25/01/08.**
- The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record.
- This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for.
- I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for.
- This print out was done by the police on or around the **26 June 2013** for the Woolwich case.
- I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record.

407,

- I was told on the **10/02/2014** when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record.
- I am there for asking for the court transcript to be sent to me if there are costs for this, please email me back with the cost for this to be sent to me and I will get this paid to the court.
- Please see attached file for the page in my PNC record which is there in error I have highlighted the case.
- If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks Mr Simon Cordell DOB 26/01/1981

- Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

To Whom It May Concern:

- I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around **25/06/2013.**
- I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.
- I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases.
- I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.
- If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.
- If the information could be emailed to me, I would be grateful as I am next in court on **March 2014** and would like this information of any errors so I can show the judge.
- Please see below the lists of cases I would like information on.

To Whom It May Concern:

- I am writing this email due to needing some information about my son.
- I have written a large number of emails and also contacted many people but cannot found a way to get my sons PNC record corrected.
- One case we have known about for some time and was told it would be correct, but it never has.
- We have his PNC record from the police case that he was found not guilty for in **2014**.
- The problem is when looking over his PNC record, I saw more errors so contacted the courts.
- I have the memorandum of conviction, which does show the case was dismissed but, on the PNC, it says he was found guilty of this offence.
- I have also contacted one other court about a number of records on his PNC that did not seem correct, it took them around 6 weeks to check, as they have to recheck a few times to make sure.
- However, they also seem very confused as 5 cases they do not have any records for the cases every been heard at the court, that are on my sons PNC record.
- Also, not all the records were checked as when I sent over the list to be checked there was a few dates missed out of my email to the courts to the persons that was doing the checks.
- I still have to check other records with other courts, but this is a great concern, and these mistakes needs to be addressed I just cannot find the right people to go to that can address these matters.
- I have been to the police and the 2 courts have been told of these errors, yet they do nothing and these records are still on my sons record which are having a great effect on his life.
- These records go back to around 1997 to 2009.
- And as said above I have not done a full check with the courts on all the records that are on the PCN, as I know other things are wrong.
- My son feels he has suffered due to these errors re bail and the court looking at these records when he has been in front of the courts.

- Please if this email has not gone to the correct place as I found this email on google could you please help me and tell me where I would need to go to get something like this addressed.

Dear Ms Cordell

- Thank you for your email but your matter is not for the Independent Monitor.
- We would suggest that you contact the police force that put the information on the PNC record

Many thanks

To Whom It May Concern:

- I am writing this email due to needing some information about my son.
- I have written a large number of emails and also contacted many people but cannot found a way to get my sons PNC record corrected.
- One case we have known about for some time and was told it would be correct, but it never has.
- We have his PNC record from the police case that he was found not guilty for in **2014**.
- The problem is when looking over his PNC record, I saw more errors so contacted the courts.
- I have the memorandum of conviction, which does show the case was dismissed but, on the PNC, it says he was found guilty of this offence.
- I have also contacted one other court about a number of records on his PNC that did not seem correct, it took them around 6 weeks to check, as they have to recheck a few times to make sure.
- However, they also seem very confused as 5 cases they do not have any records for the cases every been heard at the court, that are on my sons PNC record.
- Also, not all the records were checked as when I sent over the list to be checked there was a few dates missed out of my email to the courts to the persons that was doing the checks.

- I still have to check other records with other courts, but this is a great concern, and these mistakes needs to be addressed I just cannot find the right people to go to that can address these matters.

Re: Attention of Flo
Thank you for taking the time to talk to me today about my son Simon Cordell
DOB:

- As said on the Phone I am still having problems getting my recorded corrected on the PNC database,
- I will need a letter to confirm the court has done the checks on the records I have asked to be checked and that there is in fact no register in the courts file for some of the cases.
- As said on the phone my son is also due to appeal in your court on the **10/03/2015** if I could get the information needed in a letter by this date, I would be most grateful. as the printout that was given to me by Benedicta is not enough.
- There were dates that did not have any register at the court when they were checked before by Benedicta.
- I have included some new dates as I believe it would be your court that deals with these also. I am sorry that you will need to do a lot of work again to deal with this.
- Please also see attached document from Benedicta she put stars by the ones which was not in the register of the court.

Lorraine Cordell

The Asbo's wrong Verdict

- Got advertised in the News Papers While I awaited my appeal!
- The newspapers.
- Mutable Newspaper Articles were published with wrongful claims that I got given an Asbo under the applicant's case, stating Man given ASBO for organising illegal raves (From Enfield Independent.) Do you hate things in life?
- In any similar way, to what I do?
- When people do not say sorry?
- In return for this happening to me, I ended up feeling like a leprechaun which had got robbed and was therefore without his pot of gold.
- While looking into the court case paperwork, when at my home address one day, trying to study, so that I could defend myself, I remember a different occasion, when I was looking at the local newspaper, while trying to get my head around all the banging that I got induced towards from members of my neighbours.
- When reading the paper, I noticed a copy of an article that got contained in my local newspaper.
- What I read was about my person and was unjustified to get printed as a true and fair description of the truth events.
- In fact, it got worse than unjustified as it was incorrect information that slandered my character.
- The published articles in the newspapers that had gotten copied from the metropolitan police website and were in regards to the Anti-Social Behaviour Order application that the police had been pursuing in court against me, they stated that I got given an Anti-Social Behaviour Order for organizing illegal raves.
- The case against me for the Anti-Social Behaviour Order regarding "the organization of illegal raves" never got proven, correctly, and this is because the judge could not find any illegal accept, that I the defendant was guilty of, as the application claimed to be for, but somehow, some way even low wrong in law the district judge sitting the court found me guilty of acting in an antisocial way.
- In the newspapers it stated the following also: — "Cordell is well-known for organizing illegal raves in Enfield and across London."
- I have never got arrested for anything that nature mentioned, so find this to be untrue and in other words, this would be a lie inclusive as since I had never arrested, I got so upset that my address got put into the metropolitan police website as I had requested and received a copy of the court transcripts of the day of the trail which prove that I am right, so had set the wheels in motion for the appeal proceedings.
- This led to the real problems I had to get worse and get out of control; I understood that members of my neighbours and members of the police made me suffer towards.
- My life got turned upside down as a figure of speech, by my name getting darkened and put into all the local newspapers stating that I had got found guilty for illegal raves when the judge clearly stated that no illegality got proved. A full assault took place against me by members of my neighbours and I was looking for a solution to the problems.
- The stress that has accumulated because of the problems in this document that I highlighted in any readers' vision are Unfair to have taken place against me and the problems being of such a high level of importance is of even further relevance to how this case should not have got dealt with.

Dear Benedicta Odjida
Mr Simon Paul Cordell
DOB 26/01/1981

- I am writing this Email due to some work you curry out in February/March **2014** in regard to looking up records that are on my PNC record.
- There was a list that took some time for you to go over, and then my mother Lorraine Cordell came to the court to pick them up once you had looked every up.
- Since this time, we have been trying to get this addressed as there were a number that was not in the court record, you gave my mother a print out that you had done with stars on the ones that was not in the courts register, please see attached document.
- Since this time, we have been dealing with Flo at Highbury Corner court to get a letter done by you to say you did in fact look at the court register and did not find these records on the court register.
- My Mother and I have sent many emails to Highbury Corner Court and have gone to the court and spoke with Flo and we see to not be able to get this issue addressed.

- Therefore, my mother came to Enfield court on the 15/09/**2015** to see if she could speak to you, but you were on leave so she asked for your direct email, I am writing this email directly to you to see if this issue can be addressed and a letter written saying you looked at the courts registers and did not find the ones marked on the list you gave my mother.
- As it seems the printout you gave her is not enough and it does need a court headed letter to show in fact the work that you carried out looking into my data the court holds.
- Could you please look into this issue and let me know if a court headed letter can be made up and if so, my mother Lorraine Cordell could come to the court and pick it up, if you could let me know by replying to this email, I would be most grateful.

Regards
Simon Cordell

Dear Mr. Dear Forster

- Could you please put this email in front of the legal adviser, the alleged erroneous entries on my PNC as you have put it, are made up from the court as the police would not be able to put records on a person's PNC record without a case being put in front of the courts.
- My Mother has asked the court to check all the registries at the court against the records the police hold on my PNC record.
- This showed the errors and as you said to my mother at the court if a case is not listed at the court, then it was never heard at the court.
- There are 5 errors of no listing on my PNC that the court does not have in the court register how can this be?
- My mother has been to the police who do not want to address this issue therefore she came to the court as the court should hold all records.
- By the legal adviser not wanting to write a letter showing my records have been checked by the court what is this saying.
- why should a person be able to ask the court to check their records, yet the court does not want to get involved in errors they found?
- This is a miscarriage of justice; the court has not found records in the court registries that are on my PNC record, yet the court does not want to do anything about it.

Simon Cordell

Dear Mr Dear Forster

- Could you please put this email in front of the legal adviser, the alleged erroneous entries on my PNC as you have put it, are made up from the court as the police would not be able to put records on a person's PNC record without a case being put in front of the courts.
- My Mother has asked the court to check all the registries at the court against the records the police hold on my PNC record.
- This showed the errors and as you said to my mother at the court if a case is not listed at the court, then it was never heard at the court.
- There are 5 errors of no listing on my PNC that the court does not have in the court register how can this be?
- My mother has been to the police who do not want to address this issue therefore she came to the court as the court should hold all records.
- By the legal adviser not wanting to write a letter showing my records have been checked by the court what is this saying.
- why should a person be able to ask the court to check their records, yet the court does not want to get involved in errors they found?
- This is a miscarriage of justice; the court has not found records in the court registries that are on my PNC record, yet the court does not want to do anything about it.

Regards
Simon Cordell

Dear Mr Cordell,

- Further to your request for a letter from the court regarding the alleged erroneous entries on the PNC, the legal adviser has stated that the court cannot supply this information: you must make your request through the police.
