		• We Request complete disclosure of all the Body-worn footage from the above police officers who attended my home on: 02/08/2025 1+ <u>NA30L was assigned to CAD 6844/02082025, NA22L called for a van to facilitate the transport and so on as well as fair time to re review!</u> • The police officers statement as Exhibited below in short proves more happened to me than just what the one Police officers BWF that is disclosed misleads viewers into believing, if the police officer PC George WILSON – WALLIS got my name right. <u>PC George WILSON – WALLIS</u> WITNESS STATEMENT Date: 02/08/2025 After this I got off him and called for boarding up for his front door whilst other officers delt with Samual, after a while he came out of the property and we began to move him to the van to which <u>Samual sat on the ground</u> in protest stating <u>he wants a ambulance, officers began to explain to him that we were going to take him to hospital in a van however</u> Samual refused, <u>at this point members of the public came and started speaking to officers</u> and Samual. <u>After a while longer an ambulance came and took Samual inside of it and out of my care.</u>				
6.	<u>ECG/01</u>	0 <u>ECG/01 - BWV Of the Arrest of CORDELL For Breach of Tag.</u> 1+ We request a copy of exhibit <u>"ECG/01"</u> as disclosed attached to the Body-worn footage case from all attending officers on 14/08/2025 <u>As well as: --</u> 2+ All the Body-worn footage from all attending officers for the Breach of Bail Case on 26/08/2025				

7.		<u>MGO UM 999 URL</u> <u>999 Recording:</u> • REDACTED. Audio recording of the emergency 999 call made to police on 2nd AUGUST 20:36hrs by Rebecca O'HARE, reporting that her neighbour has threatened to blow up her car. • O'HARE states her neighbour has threatened her with violence a few times to her and police are doing nothing. O'HARE states she knows his first name is Simon. Details from the call are logged on CAD6844/02AUG25. 1+ An answer to why this Exhibit and another in Case Ratio files Exhibited as disclosed have the same <u>MGO UM</u>, title and the reason as to why the exhibits have the same extensions with the same terminology as "um" and its definition and deminer! 2+ The other file with the same Exhibit reference number is: <u>MGO UM</u> VIDEO URL as the Interview at Wood Green Police Station! 3+ <u>We Request a complete copy as disclosed</u>
8.		<u>Transcripts ABE Interviews:</u> 1+ <u>We Request for the Missing ABE Transcripts to be Disclosed:</u> that are crucial for the prosecuting team to prove that Rebbeca O 'Hare is a in need of safeguarding from the defendant as the absinth of these files in this case proves he is really the vulnerable person and his legal right are being breached.
		<u>Streamlined Forensic Reports:</u> <u>We request an Explanation for the Lack of Forensic Reports: -</u> <u>No forensic reports have been disclosed or produced in relation to this case. This absence is significant because:</u> 1+ Forensic reports are normally required to evidence risk assessments, particularly where GPS tagging or restraining orders are considered upon conviction. 2+ Without such reports, there is no documented basis for imposing restrictive measures such as electronic monitoring or restraining orders. 3+ The lack of forensic evidence undermines the prosecution's ability to demonstrate necessity or proportionality of these measures. 4+ It raises procedural concerns, as risk assessments are a standard safeguard to ensure that restrictions are justified and lawfully applied. <u>Disclosure Request: -</u> <u>We therefore request confirmation and disclosure of:</u> 1+ Any streamlined forensic reports that should have been prepared in connection with risk assessment. 2+ Any documentation relating to GPS tagging or restraining order recommendations. 3+ An explanation from the prosecution as to why such reports are absent, and whether they were ever commissioned.
		<u>Pre Cons = Acro / PNC Record:</u>
		<u>Custody Suite CCTV Showing:</u> <u>We request the CCTV Footage taken at the Wood Green Police Station of the:</u> 1+ Booking-In Process 2+ Interview Room Access (Or Lack Thereof)

		3+ Presence And Removal of Appropriate Adult 4+ Full custody CCTV logs from 02/08/2025 to 04/08/2025 when the charge swap happened.
		<u>Correctly Dated and signed MG11 Witness Statements and Police Officer's Statements Including Police Officers Original Notebook Entries, with the Relevance of themselves to these proceedings Attached and also the reasons to why not if not possible!</u> 1+ Rebecca O ' Hare. 2+ 05. PC Chan. 3+ 06. PC Obsiye. 4+ 07. PC Williams. 5+ 08. PC Wilson Wallis.
		<u>Case Ratio Files and Web-Folder:</u> 1+ Created dates and modified dates confirmed.
		<u>MG4 Charges Sheet That Contains the Following History Showing: -</u> <u>About</u> 1+ Casefile Reference: 01/YE/12679/25
		<u>Disclosed File by the CPS:</u> https://everyoneologinto.me/01.%2002-08-2025-Another-Case/04.%20Original-CPS-Case-Archive%20(1)%2001-09-25/12.%20Simon_CORDELL_Charges_pdf.pdf
		1+ <u>Direct Answer:</u> The missing CCCJS offence code for “ <u>Intentional Harassment, Alarm Or Distress (Public Order Act 1986, S.4A)</u> ” is <u>PU08466 Offence Code</u> and is the reason in the custody detention logs for being detained by police under <u>Casefile Reference: 01/YE/12679/25</u> dated the <u>02/08/2025</u> , so why has the criminal charges in the charge sheet and the CCCJS Offence Code been swapped without a fair legal process.
		<u>The First Wrongly Alleged Criminal Police and CPS Charge:</u> (a) Proves that the reason for arrest was the Harassment Act 1997 as the MG11 statements also prove! This charge must not be present as it was dropped by the CPS as the Police detention custody logs also prove. The two different dated offences were modified and turned into one date after the case was dropped. I am not defending myself against this charge as it is already no further actioned and illegally submitted. 1+ <u>Harassment (fear of violence)</u> • <u>CCCJS Code:</u> PH97009 • <u>Law:</u> Protection from Harassment Act 1997, s.4 • <u>Description:</u> Conduct that causes another to fear violence will be used against them.
		<u>The Second Wrongly Alleged Criminal Police and CPS Charge:</u> 2+ <u>Threats to destroy or damage property</u> • <u>CCCJS Code:</u> CD71043 • <u>Law:</u> Criminal Damage Act 1971, s.2 • <u>Description:</u> Threatening to damage or destroy property without lawful excuse, intending the victim to fear the threat will be carried out.
		<u>The Third Wrongly Alleged Criminal Police and CPS Charge:</u> 3+ <u>Intentional harassment, alarm or distress</u>

		• CCCJS Code: PU08466 • Law: Public Order Act 1986, s.4A • Description: Using threatening, abusive, or insulting words or behaviour with intent to cause harassment, alarm, or distress. <u>Why This Matters</u> (a) Your CPS charge sheet listed only two codes (PH97009 and CD71043), leaving out the PU08466 code for the Public Order Act offence. (b) Including this missing code strengthens your disclosure request because it shows the CPS paperwork was incomplete or inconsistent. (c) You can now reference all three CCCJS codes in your application, making it procedurally clear that one was omitted. 1+ Sources: OffenceCode.uk – Public Order offences
		<u>Urn Numbers for Each Criminal Offence</u> 1+ Proving a legal caution took place for each criminal offence and arrest sheets.
		<u>Legal Aid certificate 2012</u> <u>For Each Criminal Offence:</u> 1+ <u>2012 Act Legal Aid documentation for</u> the Caution leading to arrest in the police statements for <u>Harassment Act 1997</u> at the scene. <u>Case Urn:</u> 01YE1267925. 2+ <u>2012 Act Legal Aid documentation for</u> the booking in at wood green police station as custody logs show for: was <u>Public Order Act -Sec 4a - Int. Harass/Alarm/Distress.</u> <u>Case Urn:</u> 01YE1267925. 3+ <u>2012 Act Legal Aid documentation for</u> Illegally substituted Criminal Charge without legal process <u>Threats to Cause Criminal Damage Act 1971.</u> <u>Case Urn:</u> 01YE1267925
		<u>Police Station Custody Logs:</u> 1+ That show new urn after first two criminal offences were dropped under <u>Custody Reference:</u> 01YD/5612/25 = Custody Station Wood Green 01YD. As this will show a further arrest and new detention clock, as well as fair legal process that is said to not have happened! 2+ Any <u>Additional Redacted Custody Record Logs</u> to be disclosed.
		<u>Internal CPS and police Communications Regarding:</u> 1+ Charge substitution of threats to cause criminal damage and the original charge of harassment as well as section 4a.
		<u>Disclosure Logs Showing:</u> 1+ When all Case materials were created and served
		<u>Any unused material:</u> 1+ That may Still being withheld from the defence bundle.
		<u>BWF Of the Third Statement Taker of Rebecca O'HARE As Well as Police Notebooks That Are Time Stamped and Dated.07/08-2025: -</u> 1+ <u>From:</u> PC AVIGDOR 2916NA
		<u>Serco GPS Records:</u> 1+ Of all alleged breaches and monitoring activities!

Any Proof of Mental Health Diagnosis:

1+ With reasons being:

- Page 7 of the custody record which shows the custody health care professional's mental health assessment of Mr. Simon Cordell during his time at Wood Green police station and states they withheld there notes!
- The Health Care Professional recommends that CORDELL has an Appropriate Adult due to psychosis when this is not proved or stated by Simon himself!
- Police officers are the ones who seem to have maliciously entered the allegations themselves with no evidence.

Explain why pc Chans body worn footage shows him as separated from pc PC 01 P243682 Obsiye and starts outside of the block of flats and not him getting out his car or van with her, when he states he was upstairs looking after the child while PC 01 P243682 Obsiye was taking the statement of Rebecca O'Hare. He clearly states he went downstairs with her and went straight to my front door and no mention of him going outside again ads the video starts...,
