POLICE REPORT

Defendant(s)

Name/Organisation Name	Simon CORDELL
Plea	Not Guilty

1. Summary of the Key Evidence

Circumstances:

On Saturday 02nd August 2025, police attended the above CAD as the victim called police stating that her neighbour threatened to blow up her car, This was written on the CAD "IM GOING TO BLOW UP YOUR CAR - ILL BLOW IT UP TO THE OTHER SIDE OF THE STREET" "NO ONE WILL KNOW IT WAS ME". The victim stated that the suspect has threatened violence a few times.

Officers went to victim address and spoke with her, she stated that she has been having ongoing issues with her downstairs neighbour, the suspect. She stated that today she had come back from shopping with her children and she noticed the suspect outside, she took her children inside and locked the door. She left to go back downstairs but was concerned about the suspect, he then came out of his property and started speaking she originally ignored him and then he goes 'you hear me', not in response to him the victim said "what?" And then he has said 'I will blow up your car, I will blow it to the other side of the street.' Then the suspect said "if you come and ask me, I will tell you I didn't do it."

The victim has closed the communal door to put space between herself and the suspect, the victim has walked towards her car to get a nappy bag, the suspect has opened the door and was shouting stuff at the victim as the victim was walking towards her car. The victim states that she wasn't paying attention to what the suspect was shouting at her and she was trying to get to her car as quick as possible. The victim stated that the suspect was in blue checkered Pj's.

She also stated that earlier in the year sometime in January (victim is unsure of exact date) he was banging on her door shouting that she was making noise and shouted 'I'll punch you up, I'll slap you up and your daughter'. He also made threats to her children's dad. Another day in January (victim is unsure of exact date) she had an issue with her door and it needed to be replaced she stated he had come to her door and began threatening her believing she lived on top of him and was causing noise but her property is not on top of his. He threatened her stating he would hit her child and rip her unborn baby from her stomach. This incident was captured on a video camera from the victim.

We attended the suspect address at 109 Brancroft Avenue and he had come to the door but refused to answer the door. He was making verbal threats to

officers about what would happen if they enter. A van unit was called, we gave the suspect ample opportunity to open the door but he refused. PC 1543NA arrested the suspect through the door, he still refused to answer the door, so the door was forced open by Police using S.17 PACE to effect an arrest.

There was a tussle in the address, which is reflected in officer's statements. He was arrested and placed in rear stack. He stated he had a surgery so was taken to hospital to get checked out.

The victim is currently pregnant, lives with her young children and has been put in fear by the suspect who has displayed unpredictable behaviour.

This statement relates to my neighbour at Burncroft avenue, EN3 7JQ

I am the above named individual and reside at location known to police.

The incident I am about to describe occurred on Burncroft avenue, the address is a block of flats and there are 6 flats within the block and 2 flats per floor.

In January my neighbour Simon (109) was banging on my door shouting that I was making noise, I'll punch you up, I'll slap you up and your daughter. He also said he would do the same thing to my children's dad. I took a video of this and sent this to the police.

In January I was getting a new door fitted, I've taken my daughter to school. I've come home; the door was taken off the hinges by the contractor. Simon has come upstairs and i was in the living room and I could hear him, Simon was asking the contractor if the guy that lives opposite from me (113) was home. I've gone to the door, and he has started to accuse me of banging on the floor and keeping him awake at night. I've explained that I don't live above him then he has then shouting saying that he would hit me, hit my eldest daughter and drag my unborn baby out my stomach. I kept telling him to move from the door, he then went to say he's got videos of me on a website about being corrupt. As I've called the police on that occasion, he has said call the fucking police I don't care.

On Saturday 2nd August 2025 I was driving into the estate where my block of flats is, as I'm driving in, I have seen my neighbour who I only know as Simon, he resides at Burncroft avenue. Whenever I come into the estate the first place, I look is the bottom of my block, to see if he is outside. If he is I know that he would try and intimidate me, shout at me or something is going to happen.

As I have driven in and drove around the bend, I could see him from the side staring at my car. I've driven into the small car park on the left and parked my car. I've got out my car to see if he was still there or not, once I've seen he is not there I've walked my two kids upstairs. I've had to go back downstairs to grab my children's nappy bag I told my eldest daughter if the baby wakes up to call my phone. I've locked the door and taken the key with me as I'm walking down the stairs I hear another door, Simon has got to the bottom of the stairs before me, he was saying stuff but facing away from

me. So I wasn't paying any attention and he has turned around and been like 'you hear me', not in response to him I was like what? And then he has said 'I will blow up your car, I will blow it to the other side of the street.' Then he was like if you come and ask me, I will tell you I didn't do it.

I've closed the communal door to put space between us, I've walked towards my car to get the nappy bag he has opened the door and was shouting stuff at me as I'm walking towards my car, I wasn't paying attention to what he was shouting at me I was trying to get to my car as quick as possible. I've got to my car and got what I needed and looked if he was still by the door, he wasn't by the door, so I've started walking back home, once I got into my flat. I called the police.

Because of his behaviour I am worried to leave the house with my children. I have been getting other people to drop things off for me. I try my best to stay as far away from him as possible but every time I see him I know that something would happen, there has been incidents when I am at the shop, he would stare at me but would not say anything, trying to intimidate me. I feel unsafe in my own home and fear for me and my children because of his threats, every time I make a complaint a feel that it is put down to his mental health. I am concerned that only if he touches me or my children that something would be done.

I am the above-named person. This is my third statement in regard to an incident that was reported to police on the 2nd of August 2025 concerning my neighbour who has harassed me – SIMON.

This is a clarification statement.

The block of flats on BURNCROFT AVENUE is made up of 6 flats within the block and 2 flats per floor. SIMON lives on the floor below me but not directly underneath me.

In my original statement I stated that in January my neighbour SIMON was banging on my door shouting that I was making noise, I'll punch you up, I'll slap you up and your daughter. He also said he would do the same thing to my children's dad. This actually occurred on the 29th of DECEMBER, and I believe this was an error by the officer taking the statement as I did say it happened in DECEMBER. I remember because I came back from my mother's house where I had been over Christmas. I woke up at 0615 as I am a type 1 diabetic and had low blood sugar. I was lying down waiting to retest my sugar levels when I heard the communal door open and then banging on my front door and shouting. I knew it was SIMON as I recognise his voice due to him having shouted at me so many times. I then went to the peephole and saw it was him. In my original statement I stated that I took a video of this and sent this to the police, but I actually had a video of a different incident which occurred when I was getting a new door fitted. I believe this was a mix up by the police officer taking the statement at the time.

I mentioned that in JANUARY I was getting a new door fitted when SIMON came to my front door and started shouting that he would hit me, hit my eldest daughter and drag my unborn baby out my stomach. He was stood outside the threshold of my front door in the communal hallway. I was stood inside my flat the entire time. This is the incident that I filmed and sent to police, and I have since seen that I actually filmed that video on the 3rd of FEBRUARY 2025 and not in JANUARY. It is hard to hear what is said on the video, but I believe he said he would hurt me and my unborn child as he was walking from my front door back into the communal corridor.

I would like to clarify that the incident which occurred on Saturday 2nd August 2025 occurred in the communal building corridor on the staircase. This is where SIMON said, "I WILL BLOW UP YOUR CAR" and "I WILL BLOW IT TO THE OTHER SIDE OF THE STREET." He also said, "WHEN YOU COME AND ASK

ME ABOUT IT, I'LL TELL YOU IT WASN'T ME" and "I'LL COME AND LOOK FOR YOU AT YOUR NEW HOUSE."

I would like to add an incident which happened between SIMON and me. In 2021 I called 101 because of him too. I was about to walk down the stairs to take my daughter outside when SIMON came to the bottom of the stairs. I looked down. He looked up. He started going off saying "YOU'RE A HORRIBLE PERSON" " YOU'RE A SHIT MUM" "WHEN YOUR DAUGHTER IS NOT THERE, I AM GOING TO COME LOOKING FOR YOU". I waited for him to go and then left to my friend's house.

On the 14th AUGUST 2025, I was assigned arrest car posting attached to a unmarked police car with 2246NA and 2312NA, call sign NA151E. When I attended an arrest enquiry CAD 2742/14AUG25 applies. Regarding the defendant who we know to be Simon Paul CORDELL was wanted for Breach of Court Bail - TAG Unavailable Install, Tag order issued by HCMC on 4th AUGUST 2025. CORDELL breached his conditions on 5th and 6th AUGUST 2025 by not being available at his home address on two occasions which is part of a court bail order imposed by Highbury Corner Magistrates Court on 4th AUGUST 2025.

NA151E attended CORDELLS known home address 109 Burncroft Avenue, EN3 7JQ and no one answered the door to the address. Officers then attended CORDELLS known bail address at 7 Tennyson Close, Scotland Green Road, EN3 4SN but it was a no reply at the address. CAD 2569/14AUG25 applies.

Officers attended a further linked address to CORDELL at 280 Durants Road, Ponders End, EN3 7AZ. Officers knocked at the address and CORDELL opened the door with caution, I was able to identify CORDELL through a previous custody image photo. I asked him to come into the address and speak with CORDELL. I told CORDELL the time is 11:09hrs and he was under arrest and began telling CORDELL the caution, CORDELL slammed the front door on officers with force. Officer banged on the door to telling CORDELL to open the door. I requested further patrol units to attend the address due to CORDELL not complying with us on scene. After a few minutes, CORDELL opened the front door, 2246NA and I entered the address, as he was non-compliant and verbally aggressive towards officers, myself and 2246NA placed CORDELL in handcuffs, rear stack. CORDELL was resisting the handcuffs and I was telling CORDELL to relax whilst I explained to CORDELL the reason for his arrest and the caution; you do not have to say anything, but it may harm your defence if you do not mention, when questioned something which you would rather rely on in court, anything you do say may be given in evidence, do you understand, the necessity for his arrest was prevent disappearance and be presented in front of the court.

I requested cell space for CORDELL and a marked police van unit on the hurry up as CORDELL wasn't complying with officers. CORDELL requested for officers to lock his windows, doors and collect his mobile phone and door key from inside his property to escort him to custody. CORDELL was transported to Wood Green Custody by NA20E in a police van, cell 9 and arrived at custody at 11:55hrs.

Handcuffs were removed at custody as the detainee was calmer and compliant. The circumstances were conveyed to Sgt Khan who authorised detention under custody number 01YD/5922/25. This incident has been captured on my BWV, which I exhibited as ECG/01.

Date: Wednesday 26th August 2025

I am a police officer attached to U3:4 of TSG (Territorial Support Group) 3 Area. My core roles are tackling serious public order offences and proactive policing, targeting violent crimes involving weapons and drugs on a day to day basis.

During this statement I may refer to force used under the following legislation:

Common Law

“A person may use such force as is reasonable and necessary to defend themselves or another against attack”

Section 3(1) Criminal Law Act 1967

“A person may use such force as is reasonable in the circumstances in the prevention of crime, or in effecting or assisting a lawful arrest or offenders or suspected offenders or of persons unlawfully at large”

Section 117 PACE

“Where any provision of this act confers a power on a constable and does not provide that the power may only be exercised with the consent of some person, the officer may use reasonable force, if necessary, in the exercise of the power.”

On Tuesday 26th August 2025 I have been on duty as part of U343 with Inspector HORTON, Sergeant WARD, PC WHITE, PC KENNY, PC CHEUNG, PC AFREH-MENSAH JNR and PC SUDOOLLAH. At around 1945hours, we have attended 280 DURANT ROAD, EN3 7AZ to conduct an arrest enquiry for a Simon CORDELL dob 26/01/1981 who was wanted for breach of tag. CORDELL has breached his tag conditions as set out by the court where on

the 17th August 2025 he has failed to make self available upon visit, and on the 20th August 2025 at 02:18hours there has been a battery breach.

Upon arrival, I have knocked at the door to the address, I could hear voices coming from inside although mumbled I could make out what I believe to be two male voices. I have heard one of the males say who is it, I have responded saying it is the police, I have then heard from behind the closed door someone say what do you want. I have then asked for them to open the door, and I would speak to them. On saying this, I have heard one of the male voices say words to the effect of 'don't open the door, they are going to arrest me'. The door has then been opened, and I have seen a IC3 male, with a bald head at the door the IC3 male with a bald head has appeared to be trying to hide whom was behind him as he has tried to keep the door half closed. I have asked to speak with Simon, I have then seen another male popped from behind the IC3 bald male, who I instantly recognised from a custody image that I have viewed on way to the address. I have asked to come past the IC3 male, but he has continued to stand in between myself and Simon at this point I have closed the gap so that the door could not be closed. I could feel straight away that the door was being pressed against me as if it was being tried to shut on me. I have continued to try and reason with the IC3 male, but he has remained in the way asking why we was there, I have tried to explain that we were here to speak with Simon, and that because he was an adult I would need to speak with him directly. Whilst speaking with the IC3 male who I have noticed was wearing a NHS uniform on some descript, he has throughout continued to push the door against me, and at times Simon has joined him as well. I have tried to speak with Simon but throughout he has been shouting, a lot of which I could not make out as I was also being spoken at by the IC3 male. I have tried to keep my eyes on Simon, as I was mindful of him running out of the back and also the possible consequences of him running inside where he could possibly arm himself with a weapon. I have stated to them both that I could use force to gain entry if needed but did not want to do this and have throughout tried to reason with them both. After a minute or two, and on Simon appearing to become further agitated I have pushed past the IC3 male to take control of Simon. On doing this I thought that the risk posed to myself, and colleagues has raised to a high risk, I have that Simon was planning to do something to myself in trying to get away. I have seen that behind where Simon was going towards was a kitchen where there are multiple weapons available. I have chased

after Simon, to arrest him for the breaches where on doing so Simon, has flung his right arm towards me when I have gone to grab him which has hit me on the left shoulder area. I have immediately then taken control of Simon where I have taken him to the floor but landed on the sofa, where have shouted at him several times to calm down, Simon was continuing to resist officers. I have at 1950hours, told Simon 'YOU ARE UNDER ARREST FOR BREACH OF BAIL' I have then cautioned Simon. I have been unable to explain the full circumstances to Simon at this time due to his behaviour and resisting officers and fighting with us putting him into handcuffs. After a short time and with the assistance of other officers, Simon as been placed into handcuffs in a rear stack position where they have been doubled locked. Once under control we have stood Simon up where I have then explained why he was under arrest and provided the dates as mentioned above. I have also at this time arrested Simon for assault on an emergency worker as when trying to detain him he has swung out at me hitting me. Throughout Simon has persisted in acting verbally aggressive towards officers and even when in handcuffs he has continuing to tense up where it was necessary to control Simon. When speaking at officers and being animated spit has come from Simon's mouth, I have controlled Simon and forced his face away from me. I have warned Simon about this. I have asked Simon if he needed his shoes, and a jacket and any other property which he has asked for.

I have entered the property using Section 7 Bail Act, and Section 17 PACE to effect entry to arrest a wanted person.

Simon has been taken a caged van that had been requested that was waiting outside. Before placing Simon into the caged van, I have checked his handcuffs and loosened these as when initially placed on this was during a struggle. I have doubled locked them again. Simon has then been conveyed to Wood Green custody where the facts of the arrest have been relayed to the custody Sergeant who has authorised Simon's detention. I have had no further dealings with Simon after this.

Both Simon and the IC3 male, from opening the door to leaving was extremely obstructive towards police.

A Victim / Witness Personal Statement tells the criminal justice authorities dealing with your case what effect the crime has had on you and any concerns you have. It will supplement the information you have already provided to the police in the statement about the crime. The statement becomes part of the case papers and will be seen by all Criminal Justice agencies, i.e. Crown Prosecution Service, Defence, Magistrates and Judges. The information provided may be considered by the courts with regard to decisions of bail or sentence.

The Victim / Witness Personal Statement scheme has been explained to me. What follows is what I wish to say about this crime and the information provided relates to my personal view of how it has affected me.

Section 1:**Effects of Crime upon Victim / Witness**

Please complete the free text area, in each section applicable to you, to express the effects of this crime upon you.

Injury. State nature of injury received.

No physical injury.

Emotional. Are you suffering a reaction related to the crime?

(e.g. anxiety, stress, sleeplessness, fears of going out or any other relevant factor)

I feel unsafe in my own home and fear for me and my children because of his threats, every time I make a complaint a feel that it is put down to his mental health. I am concerned that only if he touches me or my children that something would be done.

Signature: Rebecca O'HARE (Signed over phone)

Social. Has the crime impacted upon your social activities?

(e.g. relationships with relatives, friends, colleagues)

Because of his behaviour I am worried to leave the house with my children. I have been getting other people to drop things off for me. I try my best to stay as far away from him as possible but every time I see him I know that something would happen, there has been incidents when I am at the shop, he would stare at me but would not say anything, trying to intimidate me.

Employment. Has the crime affected your work?

(e.g. your ability to perform in your occupation at the same level prior to the Crime. Can be Physical or Psychological)

Other. Any area not covered by the above.

(e.g. concerns in regard to bail of offender / is the offender known to you?)

I'm fearful that I might face retaliation from him if nothing is done about this. I am supposed to feel safe in my own home but I am really fearful for myself and my children. I first made a report about him 4 years ago and it feels like this has been going on for such a long time.

Date: 30 Aug 2022

On 02nd of AUGUST 2025 I was in full uniform in a marked police van attached to call sign NA30L. My operator was PC George Wilson-Wallis 1456NA.

At approx. 2100hrs NA 22L PC CHAN 2464NA and PC OBSIYE 1543NA called for a van not on the hurry up but when I explained I was 20 minutes away they asked for us on the hurry up. CAD 6844/02AUG25 is the cad they were at whilst on route they asked if we had an enforcer on board which we did. Once we arrived at BURNCROFT AVENUE, I saw PC OBSIYE by the door to a block of flats PC Wilson-Wallis and I grabbed the enforcer and entered the block of flats. The enforcer was handed to PC CHAN and PC OBSIYE explained to the resident of 109 BURNCROFT AVENUE they were under arrest and cautioned them through the door as he refused to open it and was shouting insults and telling us to "FUCK OFF". PC CHAN has then forced entry with the enforcer but the resident and proceeded to kick the door back in our faces 3 times. PC CHAN has entered the address first followed by PC OBSIYE then PC WILSON-WALLIS and I was last in. I saw PC CHAN draw his taser and point it towards the back of the flat where I assume the suspect I now know to be SIMON CORDELL was standing. We have then all followed to the living room at the back of the flat where Simon has refused to comply with officers instructions and has tried to stop PC CHAN from handcuffing him. Simon has just been shouting "LOOK WHATS IN MY HAND LOOK WHATS IN MY HAND" I have then assisted PC CHAN with getting Simon into handcuffs. The whole time Simon has been resisting and trying to stop handcuffs being placed on. Simon has then continued to resist and has been taken to the ground. This has not stopped Simon from resisting and shouting abuse at officers especially PC CHAN and PC OBSIYE. Simon has stated he has just had a operation and officers have hurt him that he had stiches in his stomach and he needed and ambulance. Simon has been kicking out his legs, so we have placed him in leg restraints. Once she was able PC OBSIYE has asked for more units and for an ambulance. NA22N and NA1L have then showed up on the scene.

As Simon did not like us and was being more aggressive towards us and NA22L we have left Simon with NA22N and gone outside. Simon has eventually been taken in an ambulance to NMH.

I have not watched my BWV prior to writing this statement and it is true to the best of my knowledge.

04/08/2025 03:39	Risk Assessment	Sgt 01 P201985 Smith	A risk assessment of type Remand Assessment was completed by Sgt 01 P201985 Smith.

04/08/2025 03:39	Refuse Bail	Sgt 01 P201985 Smith	The detainee was refused bail for the reasons That the detained person has been arrested for an imprisonable offence and it is believed necessary to further detain in order to prevent the commission of a further offence., That it is believed to be necessary to further detain the person for their own protection. Continued detention was authorised on the grounds of . The defendant has had three separate incidents with the same victim now, all three being in 2025. The defendant knows who the victim is and where they live. There is currently no evidence to suggest that the defendant will stop harassing the victim as they live in the same flat block. The defendant appears to show signs of mental health issues, namely psychosis which is proving to be a risk factor towards the victim and their young children who all reside in the same flat block. The likelihood of the defendant abiding by bail conditions is also low. They have not listened to officers' lawful orders. Officers had to force entry into the defendant's property after the defendant refused to open their front door to officers. Assessing the behaviour shown in the video where the defendant is at the front door of the victim hurling abuse at them furthers a negative character reference for the defendant and their feelings and attitude towards the victim and their young children. Remanding the defendant will keep the victim and their young children safe. DP also has unmedicated psychosis which makes him a vulnerable adult. Releasing him while in a worked up state makes him liable to be unpredictable and not in the best frame of mind to look after his own well being. Detaining him also keeps him safe until court tomorrow . on 04/08/2025 at 03:36 by Sgt 01 P201985 Smith The detainee was informed of the grounds for continued detention Court appearance was scheduled at Highbury Corner Magistrates' Court, 51 Holloway Road, London, N7 8JA on 04/08/2025 at 10:00. The OIC did not inform the authorising officer of any documents or materials in their possession or control which appear to undermine the need to keep the suspect in custody.
