**Appeal Bundle Overview**

**Defending Applicant:** Mr. Simon Paul Cordell.

**At**: The Wood Green Crown Court for Appeal.

**Case Number**: 01YE1267925.

Dear Thomas,

Thank you for agreeing to review and act in relation to my appeal against conviction.

This bundle has been organised to provide a structured overview of the evidence, correspondence, witness material, disclosure issues, and appeal documents that I have gathered throughout these proceedings. For much of the case I was required to act as a litigant in person and therefore created indexes, chronologies, summaries and evidential reviews to assist with understanding the case and preserving important material.

I fully appreciate that I am not legally qualified and that some of my observations or conclusions may ultimately prove to be incorrect. I therefore ask that the material be viewed primarily as an organised collection of evidence, records, chronology documents, correspondence and issues that I believe require consideration as part of the appeal.

1. **Suggested Starting Point:**

   For a quick understanding of my case, I suggest reviewing the following documents first:

   A. **Appeal Witness Statements,**

      1) **Located Within**: 2 Stage 2 The Appeal Files → 02. Appeal Stage Simons Witness Statements.
      2) **The Principal Statements Are**:
         - **Statement 1:** Main Defence Files and Sent & Received Correspondence.
         - **Statement 2:** Background To My Complaints and Concerns Raised Prior To the Allegation.
         - **Statement 3:** Records Supporting My Statements.
         - **Statement 4:** Rebecca O'Hare Three Different Statements.
         - **Statement 5:** Officers Arrest Timeline and Evident Procedural Inaccuracies.
         - **Statement 6:** Absence of Intent and Recklessness as well as Procedural Breach.
         - **Statement 7:** Key Screenshot, Just Eat Timing and Flat 115 Evidence.
         - **Statement 9:** Case Ratio Extract Created Date.

         These statements collectively explain my account of events, the background to the allegation, the supporting records, disclosure concerns and the principal grounds upon which I dispute the conviction.
