This is the Gazebo Case and because the police and CPS keep extending the bail conditions **I.E.** Court dates even aloe the case, they brought to court was wrongly charged and going to be of a non for a guilty conviction due to police corruption, **I.E.** The interviewing police officer manipulating the true events to gain a wrongful guilty conviction by being the first arresting officer and lying about the amount of damage caused and disregarding important facts like 3 people being prior arrested and NFA'D for the same crime on a date before the date to which he was claiming for our client to have caused the damage to the property then in question and also, due to our

client finding out this hidden and relevant information because he was being wrongly accused and detained away from his freedom, did he and others manage to contact the insurance company then being also claimed against for the 1st hidden event to then be provided with that intel including pictures of the damage and police officers name in charge for them to be able to work out that it was the same interviewing officer setting him up in the interview room as he was in charge of both investigations and new of our client's innocence for the accusations he brought to court.
It is correct to say that 3 quarters of the way through the lengthy and unruly court proceedings and police proceeding did our client take it upon himself to contact his doctor to explain to him of the damage being caused to his life by the "Police and CPS Keep Extending the Bail Conditions and Wrongfully!" and this was because of the way the case he won was making him feel,

  CASE HISTORY
  24/01/2017: On the 24/01/2017 My mother had requested my personal Data held about myself on the Enfield Councils computer system and so on to delivered to ourselves and this is the date that the information got taken out of there computer systems.
  Y
  01/03/2012: March 12- 1st contact with MH services following arrest after a bad trip of taking LSD & alcohol, mental state assessed remained in custody of police - no MH input
  Z
  02/03/2014: March 14 - 2nd contact, assessed by team psychiatrist, presented with anxiety & suicidal thoughts in context of social stressors due to pending court case leading to stress. Discharged form MH services, suicidal thoughts are longstanding from early childhood and present at times of high stress, not 'A typical' of other forms of suicide as relates to thoughts as opposed to wish to die and usually found in context of those presenting with early childhood trauma as a way of expressing emotions.
  A.1
  00/11/**2014**: **Nov 14 -** Mental Health Act assessment, not detained in hospital, discharged from mental health services. Presented highly volatile, angry & paranoid about motives of others, presented in context of social stressors due to on-going issues with police & court process - mother reported he has been targeted by police causing him stress??
  He has a medical history of Crohn's disease which may impact on mood stability particularly if not compliant with treatment and monitoring of symptoms. All assessments completed by mental health services have found no evidence of serious mental illness, he appears to be a very angry young man who has had an extremely difficult and traumatic early childhood which is likely to explain his distrust of people in authority (e.g. police) and being angry at others and at the world....

End of Asbo Court Order - 04/08/2020

The Forged Asbo conditions placed upon me finished but I could never go out ever again to a party in case I got set up again by the police and the Council!

End:

- **The Asbo dates**
  1) The Date was the **12/09/2014** when the named Police Officer as **PC Sophie Theodoulou** abused her police powers by Leaving officially classified documentation in a public place in knowing what she was doing was against the rules to which she was entrusted.
  2) It is also said that Sophie Theodoulou then later forged a statement to cover up the true events to which she made occur on this date.
  3) It would be a very unlikely situation for the 4 attending police officer who attended at 109 Burncroft Avenue Enfield, on the 12/09/1014 not to of had their body cams on record when serving the Asbo order on this date.
  4) A complaint was issued and served directly to the Edmonton police station and other complaints have not stopped being made ever since in regard to what really happened.
  5) The serves of their post were contended as to being served in accordance to post.
  6) The file was accepted by the Edmonton police station as lost property found in a public place but yet no follow ups accord that highlighted the failures committed by these police offices.
  7) When the file was requested from lost property the police said they had lost it in the property room and therefore could never return it.
  8) Instead of the correct follow up by police officials, management left manipulative messages through the 999 calling systems introductive messages that the property room could no longer be talked about over the telephone.
  9) PC Sophie Theodoulou Lied and said that she Served the First Asbo Folder and mad a backdated statement that was submitted in the **year of 2015** to cover up her tracks and make the Asbo look like it was in accordance to law when she and others clearly knew the truth of it not being.

  End of Asbo Court Order - 04/08/2020

  - Once the Forged and abusive Asbo conditions placed upon our client had finished he still could never go out ever again due to knowing the truth about how corrupt the government systems can be, meaning to him that if he were to ever go back out to a party again he faces proving them to be in the right when they clearly are not a person being set up by the police, CPS, Councils or any government bodies is area in law that that we must not acceptance to be such as tolerable behavior within our society in any circumstances and must be punishable by law.

On Friday 12th September **2014** I attended the address of Simon Cordell in BUMCROFT Avenue EN3 with A/PS 556YE PETRUCCI, PCSO NASSEER and PCSO TILLEY.
1 knocked on Simon Cordell's front door at 1230 hours and he opened the door and asked what we wanted; I asked him if he was Simon Cordell, to which he replied, "Yeah." I stated to him that I was here to issue him with a summons to attend Highbury Corner Magistrates Court on 6th October **2014** at 1:30pm. Mr. Cordell stated, "What is this for?" I informed him that it was for an ASBO; I showed him the summons and the folder and as I went to hand him the folder and the summons Cordell stated, "I'm not accepting that, I'm not having that." Cordell then placed the folder on the floor, outside his door, in the hallway. I stated to him that he does not have to accept it and that I have already informed him of the date, time and where to go. Mr. Cordell then shut the door before I could hand him the summons, so I posted it through his letter box. Mr. Cordell was also told to inform his solicitor of this.
Mr. Cordell was a light skinned, mixed race male, with short black hair and was of medium build.

1+ And with one of the reasons being to cover up the truth of what had occurred within the Asbo and most of the prior involvement the Government officials had with our client to which also lead to mutable others persons complaining to the Police, CPS & Court House on his behalf and by methods such as verbal conversations, Emails & Telephone conversations which identified serious inaccuracies like the fraud we exhibit and the fact of our client being innocent and foully treated.

- **Additional Notes Are:** --
  1) History: No
  2) This is the first piece of evidence that is present for the **19/11/2014** by us and in the RIO Notes

3) The Exhibited as exhibit 1 for the 19/11/2014 was received after a subject access request was granted by the NHS Services on the **26/01/2019.**

4) The data contained in the RIO report that we requested is not complete with the complete intel that the NHS hold or held so, the released intel becomes misleading to the true events that occurred on this date in question with part of the reason being that presented in ***Exhibit 6*** is ***point 3+ of the 19/11/2014:*** **--** which is an exhibit that was extracted from the RIO Records of our Client that demonstrate that the NHS Hold more data that is relevant to this day and with the reason being the statement made in Exhibit 6 / point 3+ of the 19/11/2014 states as follows: --

   a) **Extracted Snippet from Exhibit 6 - Point 3+ Of The 19/11/2014, Which Is This Same Day:** -- "We attended the flat around 17.30. There were police outside. They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress."

5) **The Extracted Snippet clearly demonstrates:**

   a) The file or files that are missing due to a doctor prior being able to see them and make his report assumptions from them.

   b) Relates to the memories of what really happened between our client and his mother to do with this very same incident that complies with the doctors' notes and not the notes left for us to read on this day, **I.E. "Complaints from Neighbors Due to Simon Screaming."**

   c) The date we received the files was at the start of the year of 2019, which leads to doubt about their Certification.

   d) If our client never put the doctor's assessment notes into the 19/03/2015 due to them showing the day's true events, then what we would have seen on this date it just notes setting his mother up.

   e) From the start of the Enfield Council and the doctor's involvement with our client how they manipulated the true events in his life to criminalize him as a criminal in knowing that they were setting him up and to also be able to use the NHS mental Health Services powers governed under the Mental Health act 1969 for wrongful self-gain to any extent when depriving him of his life property and/or wellbeing. It is evident that Dawn Allen and Dera Morgan both fabricated true facts to create a mental health record than address true facts that were made official to themselves to convict Mr. Simon Paul Cordell by using past records that should not have been shared and that they and other continued to manipulate any true event while creating fake events against him there on afterwards, so it is heron said that to believe in the accuracy of the very same records that they developed from the start while they and others defaced true fact as make it impossible to determine the true events from those frauded records but neither the less as we continue to proceed we become faced with files that have been deliberately removed.

   This is Exhibited in

13) Both Ozzie's and our Clients flats run ajar to each other sharing a complete wall that run through their front r

14) The cost of finding out the truth was worse than losing a large amount of money.

- I was to find out how much this was a lie.
- I was angry with Ozzie because he caused a lot of unneeded stress on my relationship, for so many years prior and he kept breaking promises to fix the problem.
- So, when the police arrested me in the burglary case and I got put on the bail conditions I had gone to Ozzie house and spoke to him, I took a seat in his flat with him, so to sort out the problems in mine and my partner's life's, I did this so to address Ozzie with the issue.
- I explained myself in full and how this was having an effect on us.
- After coming home, I had been upset due to what had got explained to me, by my new partner at that point in time.
- What I was to find out later was that Ozzie had been listening through the walls of my upset.
- I still to date cannot believe what he has done to me, and my loved ones, he had made an emergency 999 phone call to the police about overhearing me in my own home and then the police called the doctors to arrive for the first time in my life and this was not the only time the doctors would visit me.

		➢ Allegations state that I became paranoid about my mother to whom I and my mother disputed, the home treatment team attended my home address on this date and made a call to my mother. ➢ When the home treatment team turned up to my flat the police was already there, the home treatment team phoned and spoke to my mother asking her, if she understood why the police was there, which she replied to them no, she also explained to the home treatment team that the police kept coming into my flat for no reason. ➢ The Home treatment team then talked to the police and left my mother on hold. ➢ My mother heard what got said by the police to the home treatment team as too why they were at my address again. ➢ The police said they got a phone call: stating that I was shouting, they gave the home treatment team 3 different door numbers to my entrance door, which were all wrong. Not one person admitted that they understood who made the 999 calls to the police. ➢ The Home treatment team told the police to leave. ➢ On this day I was fine until the police turned up at my flat once again. ➢ I was not shouting or upset, so do not really, believe someone called the police, worried about me or if they did, they were setting me up. ➢ Due to how the police are with me, I got upset and would not open the door, so I sometimes shout to the police in these situations, through the	

door, as I feel safer, the police do not leave me alone, so why would I open my door when I am on my own, I always feel safer waiting until someone I have contacted gets to my flat, so they can see what is going on.

- Home treatment team told my mother I seemed to upset for them to talk to and she told them it was no wonder the police are going to his flat all the time when he has done nothing wrong.

1) hjj

In short, the files exhibited within this day were requested and received in the year of 2019.
The now claimant mother telephoned her son and told him what was going on with the doctors contacting her and wanting to do a Mental Health assessment. she even provided recording equipment in his home because of this and that's how the assessments were recorded.

The now claimant knows that on this day he came back to his home after having a conversation with his then partner and laid on his front room floor and shouted allowed to himself that he was upset with Ozzie his next-door neighbour because if he had stopped renting his flat out like he had promised to and Shaked our clients hand ion an agreement to then he would have still been in the same relationship and not have met anyone knew.

1+ The parties named within this document may be held accountable for any civil or criminal wrongdoing that can be proven to have been committed against our client.

2+ Notably, an official form, specifically the "Enfield Crisis Resolution and Home Treatment team Referral Form," was unjustly leveraged against our client.

3+ **Crisis Care Practices**
Compliance with specific crisis care practices is mandatory when completing an Enfield Crisis Resolution and Home Treatment team Referral Form. It is alleged that these regulations were intentionally violated, particularly in regard to providing accurate information. Our exhibited evidence strongly suggests that the professionals involved in the referral, application, and assessment purposefully jeopardized the life of Mr. Simon Paul Cordell by fabricating events. This manipulation of facts points directly to their culpability in terms of providing accurate information.

4+ **Accurate Information**.
Furthermore, it is alleged that the professionals knowingly neglected to ensure the accuracy and currency of the information utilized and presented in the Official Crisis Referral Form. They manipulated true events to construct a negative profile against our client, ultimately undermining his well-being and quality of life. This improper and illegal misuse of their professional powers reflects an abusive manner of conduct.

5+ **Relevant Details When Applying to The Courts:**

		6+	**Relevant Details During and After the Official Assessment Took Place!** The lack of inclusion of crucial details in the referral, application, and assessment further highlights the professionals' misconduct. They failed to document the true series of events and overlooked evidence that demonstrated our client's innocence. Instead, they incorporated negative hearsay that had clearly been manipulated by themselves and their colleagues.	
		7+	These actions, which can now be proven to stem from fabricated facts, when Dawn Allen and Co painted our client who was an innocent member of the public asking for their help into a perpetrators and members of his neighbors who were the true perpetrators into the victim as now it has become clear that our client was not the wrongdoer. Consequently, the relevant details regarding our client's health, condition, symptoms, and recent incidents leading to the crisis were omitted, disregarding the importance of providing fair, specific, and concise information.	
		8+	**Risk Assessment**: When the Accused as liable Assess the risk level carefully. If the person is in immediate danger or poses a risk to themselves or others, clearly indicate this on the form. Include any relevant information about suicidal thoughts, self-harm, or violent behavior.	
		9+	**Consent**: Obtain consent from the person in crisis (if possible) before submitting the referral. Explain the purpose of the referral and the involvement of the Crisis	

	Resolution and Home Treatment team. **10+** **Urgency**: Indicate the level of urgency. If the situation requires immediate attention, mark it as urgent. Otherwise, provide relevant context regarding the timeline for intervention. **11+** **Collaboration**: Collaborate with other professionals involved in the person's care. If the crisis is related to an existing mental health condition, share relevant information from their treatment history. **12+** Remember that crisis resolution and home treatment teams aim to provide timely and effective support to individuals experiencing mental health crises but instead tried to deprive our client of his wellbeing and / or life. **13+** It is also said that if the official guidelines were followed within protocol, then this would have ensured that our client would not have been abused with a referral process frauded to be used like a knife out of a kitchen cupboard draw.

1+ Mother, Lorraine: 0208, Father, Ben: 07415

2+ We spoke initially with mother on phone.

3+ She reiterated that Simon has suffered years of harassment by the police for past offences. Not all true.

4+ She has spoken with him today and he has been extremely angry with her and the father.

5+ We stated to mother that we will be tactful and say only that the family were concerned.

6+ We attended the flat around 17.30. There were police outside. They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress.

7+ We spoke with the officers and explained that we were from the mental health services.

8+ They stated that they had not properly spoken with him and observed him to be holding a small gas cannister, possibly sniffing nitrous oxide for recreational purposes.

9+ We all jointly spoke with his mother, and she requested that CRHT do not attempt to see him following this as it will antagonise the situation.

10+ 19.30: Spoke with Lorraine. She stated that a friend is currently with him, and he is calmer.

11+ The coincidental timing of the police attending has caused him to blame Lorraine for calling police.

Subject : RE : Complaint Simon Cordell
To Whom It May Concern:
Complaint.

- I am writing this email to many issues with my address of 109 Burncroft Avenue, Enfield, EN3 7JQ, over many years now I have had big issues with damp to my flat, I believe there is a wide area of concern being that.
- I believe there are leaks to pipe work in other flats above and beside me.
- This is causing the conditions I am living in and the flat is very dump.
- I have had large amounts of work done to try and stop this to my flat but believe due to other flats having issues this is causing my flat to suffer and this is causing my heath to suffer.
- My flat has been unliveable due to the damp and the issues just being covered up and not repaired in the way in which they should.
- Since some major work was carried out in my flat for damp, they had to remove the radiators in my flat also due to leaks in pipe work under the floors.
- These were never replaced once the work was completed, so I have had to live for years now with no heating.
- When they come to do a lot of work to my flat, they had to take the flooring up in my bedroom, and bathroom, they had to replace part of it, due to the leaking pipes the floor and joist have very badly bowing and rioting.
- But due to them not fixing the leaks the rest of my floor in my bedroom has now started to sink, so I know the problem has not been fixed, also the smell of damp as soon as you enter the bedroom is very bad. and this is also still ruining my belongings, I have already had to replace everything, and I am not willing to keep replacing due to things not being done, correctly.
- I have had around 12 surveyors to my flat each time them saying they would sort heating out for my flat and other things which has never happened therefore I have been living at my flat with no heating since the large amount of work was done.

- I have made many phones calls each time they just say they would send a surveyor again to look what needed doing but how can they keep doing this and not correct the problems, until around Jan of **2015** all the information was on their system about all the problems this now seems to be missing,
- I am told people will call me back, but the calls never come.
- The last set of surveyors sent was around Nov **2014** and all work was planned to be done, the person came to see how much pipe work was needed, but no one has come to do the work, and when I call all I get told it is being looked into.
- When work was also carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm,
- I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning due to a faulty boiler and the Carbon Monoxide alarm not working.
- when they did come out in Nov **2014,** I was left with no boiler for weeks until parts could be ordered, work was also meant to be done to rewire the incorrect rewiring of the alarms this has again not been done and I feel very unsafe.
- They also repaired a new dump section to my wall, but due to them not fitting the under-laying problems with other flats this has again come back.
- I believe to leaking pipe work.
- I have told the council many

1770,

- times about the other flats but nothing has been done and this is causing my heath to suffer badly this is
- now just not good enough.
- They were also meant to repair my back-door window this is not just a back door it has windows each side to it.
- That has a large hole around the window frame where you can see outside. this was also meant to be fixed and has not been the other day I got up to a large amount of water on the floor due to the hole around the frame of the window and it had been raining this has happened more than once due to this and it is raining.
- also, the window in my bedroom does not lock and needs a new hinge.
- Also, where the police kicked of my front door, I give the CAD number to get this address as my front door is not safe nothing again has been done to sort this.
- Also, the new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around, and I feel unsafe.
- I just want a home to live in and to be warm and not have all these problems and for them to be addressed but I am getting nowhere, so the only option I have left is to put this complaint in.
- If I did not pay my rent, you would soon get me out of the flat, but when it is repairs that need done nothing gets done.
- I am paying full rent for a flat I cannot use right; I have to sit there with covers on just to try and keep warm this is no way to live, and I had enough of nothing being done.
- I would like a reply to this complaint within the next 14 days as I feel I have waited long enough for work to be carried out on my flat. could you please reply via this email, and also confirm you have my email?

To Whom It May Concern:
Complaint.

1+ I am writing this email to many issues with my address of 109 Burncroft Avenue, Enfield, EN3 7JQ, over many years now I have had big issues with damp to my flat, I believe there is a wide area of concern being that. I believe there are leaks in pipe work in other flats above and beside me. This is causing the conditions I am living in and the flat is very dump. I have had a large amount of work done to try and stop this in my flat but believe, due to other flats having issues, this is causing my flat to suffer, and this is causing my health to suffer. My flat has been unlivable due to the damp and the issues just being covered up and not repaired in the way in which they should. Since some major work was carried out in my flat for damp, they had to remove the radiators in my flat also due to leaks in pipe work under the floors. These were never replaced once the work was completed, so I have had to live for years now with no heating. When they came to do a lot of work to my flat, they had to take the flooring up in my bedroom, and bathroom, they had to replace part of it, due to the leaking pipes the floor and joists have very badly bowing and rioting. But due to them not fixing the leaks the rest of my floor in my bedroom has now started to sink, so I know the problem has not been fixed, also the smell of damp as soon as you enter the bedroom is very bad. and this is also still ruining my belongings, **I have already had to replace everything,** and I am not willing to keep replacing them due to things not being done correctly. I have had around 12 surveyors at my flat each time they say they would sort heating out for my flat and other things which have never happened therefore I have been living at my flat with no heating since the large amount of work was done. I have made many phone calls each time they just say they would send a surveyor again to look at what needed doing. But how can they keep doing this and not correct the problems? Until Jan of **2015** all the information was on their system about all the problems this now seems to be missing, I am told people will call me back, but the calls never come. The last set of surveyors sent was around Nov **2014** and all work was planned to be done. The person came to see how much pipework was needed, but no one had come to do the work, and when I called them all, I got told it was being looked into. When work was also carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning due to a faulty boiler and the Carbon Monoxide alarm not working. When they did come out in Nov **2014,** I was left with no boiler for weeks until parts could be ordered, work was also meant to be done to rewire the incorrect rewiring of the alarms this has again not been done and I feel very unsafe. They also repaired a new dump section to my wall, but due to them not fitting the underlaying problems with other flats this has again come back. I believe in leaking pipe work. I have told the council many.

Page 1770,

2+ times about the other flats but nothing has been done and this is causing my health to suffer badly; this is now just not good enough. They were also meant to repair my back-door window, this is not just a back door, it has windows on each side to it. That has a large hole around the window frame where you can see outside. This was also meant to be fixed and has not been. The other day I got up to a large amount of

water on the floor due to the hole around the frame of the window and it had been raining, this has happened more than once due to this, and it is raining. Also, the window in my bedroom does not lock and needs a new hinge. Enfield Council state they were not involved in the ASBO case but if they were not involved why is Enfield Council name on the ASBO files which were in front of the court why are there statements from Enfield Council in the ASBO files which can be proven.
There are reasons I believe I was never helped by Enfield Council with the issues with the neighbours the above is one of them.

I was still being victimised by the already mentioned: --

- On the 11th of April a 24-hour assault of cruel inhuman treatment took place against me because I was still being victimised by the already mentioned. Stan and Debra had now breached my human rights on a day to day and night to night basis this was while they were always both drunk together, this got done to an extent off an attempted manslaughter charge that would be in accordance to section 18 of that Act and would also include proof of clear intent for reasons such as; sport and/or "Cruel Inhuman treatment.
- I know this as I had rapidly, told them all involved that I had not been tricked by their evil banging on the floorboards and walls, even with or without foreign objects being used at different times by them; on numerous instances this contained the use of their feet and hands inclusive of other objects and fixtures.
- Together they would work in collaboration to maintain a 24-hour assault on myself to get overseen and managed, I continued to defend myself even more and with any extra time of peace that I got given I read into the Anti-Social Behaviour Order Case files I noticed, that these people that created the application were not good police officer's, they were criminals.
- I needed to safeguard myself from their actions and after contemplating on what would be the best way forward for me and anyone involved, I called the Metropolitan police 999 call centre again to ask for more advice and security and this is a copy of that conversation that got recorded then transcribed.

Intro: Welcome to the Metropolitan police introduction: --

Police Officer: Hello, police officer, what is the reason for calling us.
Simon: hello I would like to put a complaint in, and I was just wondering if you could help me do this please.
Police Officer; yes, is it a complaint against police?
Simon: yes, that is correct.
Police Officer: yes, I can take the complaint.
Simon: I would like to; can you forward an email to Jane Johnson please?
Police Officer; Jane Johnson.
Simon; yes, superintendent for Edmonton police station the commissioner.
Police Officer; let me just have a look, just one second.
Police Officer; Jane Johnson yep supper chief superintendent
Simon: yes, that is correct.
Police Officer: yes, that is ok, is this complaint that has already got made or is it that you need to make a first one?
Simon: this is just a fresh email to herself it is more of a request than a complaint at the present time but it may turn into an official complaint depending on how she decides to discipline her officers that she represents.
Police Officer; ok.
Police Officer: and that is too Jane Johnson ok go ahead with the continence and I will get the email sent to you.
Simon: my name is a Mr Simon Paul Cordell.
Police Officer; Paul Cordell
Police Officer; Cordell
Simon: yes, that is correct madam.
Simon; and.
Police Officer; and your contact number 0208-245.
Simon: yes, that is correct.
Police Officer; right go ahead.
Simon; and the issue is of concern that I have her signature at the bottom of an Asbo Order a standalone Asbo Order and there has been a lot of corruption represented in side of it, that she has instructed, a Steve Elsmore too complete an application for an Anti-Social Behaviour Order for the organisation of illegal raves and in that application there are lots of police corruption and foul play where the evidence has gotten manufactured, now I am asking her to oversee her officers that she has instructed to make such an application and then to cheek the time stamps relating to the Cad's and to check the Urn numbers that run consecutively, over an annual year period when they should not, I am asking her to oversee this and to inform me of my case being manufactured and for this it will get dropped or I am calling her, herself to the court as a witness and I will investigate myself against her also for her actions and decisions.
Police Officer; OK.
Simon; to what is allowed to happen, she is basically, the boss of all the police and she is charge of Steve Elsmore, she has told Steve Elsmore to create an application and either she told Steve Elsmore to manufacture the application in such a way and or to falsify information contained within it or she does not know that Steve Elsmore has done that and I would like her to know that Stave has done that and I would like her to decide to whether she is going to suspended him right now and give the case to somebody else to handle or what she will do and I would like her to contact me back at Re_wired@ymail.com as soon as practically, possible.
Simon: I know I was going fast, but did you manage to get the full gist of what I am explaining to you, madam.
Police Officer: yes, I got the jest I made the points for you.

Simon; so, she will contact me back at Re_wired@ymail.com as soon as practically, possible regarding how she will represent this case, because at the present time I am being held captive within my own home because she is not doing her job correctly.
Simon; I have handed in an Article six twice now sine this case started in the courts with a complete copy, if she would like to get a copy of the court case she can and contained within this is a copy of the Article six with all the drafted corruption inside it and also, I have handed in three complaints, three official complaints that get issued in the police PNC computer this will also show this information.
Police Officer; OK.
Simon: and if she would like to hold a meeting with me, I would be happy to come to the police station and show her the evidence I have.
Simon: either she is a part of the corruption, or she is separate from the corruption and for her to be separate she must do her job correctly, and this must mean that I am not being held captive in my own home.
Police Officer; ok.
Simon: to laws that do not even exist.
Police Officer; right ok.
Police Officer; what I will do for you right now Simon is getting this email sent over to her right now, please can you confirm your email address again Re_wired@ymail.com.
Simon; thank you.
Police Officer; ok good buy.
Simon: you have a good day.

Dear Dawn Allen

- I have been sending you so many emails, yet I am getting no reply nothing is being done, my son is having so many issues with the neighbours he has asked for help, yet nothing is being done.
- My son went up to the neighbours and asked if they would please stop banging all the time, and about the water issues with the pipes banging, very, badly, in his flat, but they are still doing it and will not stop, people who also have been in my son's flat have also heard what is going on, even they are saying they don't know how he is coping with this.
- On the top floor, they have wooden flooring this does not help and can something please get done.
- lady that lives at 113 is also causing a great deal of problems and she keeps coming to my front door asking for money to buy a drink, she is also banging very, badly, and my son's health is suffering due to this, I don't know why you have not replied to my emails and are just leaving things when we are asking for help, you are the council officer for my son's area please can this get addressed.

Dear Dawn Allen

- I do not understand why all my phone calls and emails are not getting addressed.
- I have really tried and so has my son;
- we have been making calls all the time to try and get something done and I have sent a lot of emails including a complaint email dated **01/07/2015**.
- I still have had no reply to my son and also, I have tried to talk to the neighbours which have done nothing they still keep on.
- My son health is st1ffering due to what has been ongoing for a long time.
- We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing.
- I also went to 117, but I believe they were not at home so did not speak to them about the issues.
- I went to Debbie at 113 to try and talk to her, but she just started to shout at me through the door.
- I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad and you can clearly hear they are doing this is not just so1neone living their life as no1mal people would.
- You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor.
- Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes but this has not helped she just acts like nothing is going on.
- Debbie has now started to go to my other neighbours at 111, and they are drinking and now 111 is also banging.
- I don't know if it is due to Debbie liking my son and when he and his partner ended in **Mid-2013.**
- She was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more.
- when my son was with his partner, she used to co1ne to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it.
- She was also writing my son letters and putting them through his door, the letters are not really readable.
- The main problem with Debbie seemed to start when she came to 1ny son's front door and saw a girl in his flat she saw the girl on more than once and I think this upset her.
- Since this time things have got worse and worse, and my son's health is really suffering.
- Please cam something be done as we really do not know what to do any longer, if you cannot do anything about the neighbours in the block can you please see if you can move my son as he cannot take any 1nore, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health. Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.

Regards
Mother

The funfair being present: --

- July **2014** is around the time of the funfair being present in the local park attached to our housing estate; date.
- I had gotten locked in my flat wrongly, for one year for the gazebo case and an additional six months for the interim order by this stage of my life and thought that time I got assaulted by my neighbours, Stain Debra and the Mathiyalagan Markandu and friends, they together mentioned had been banging so loud at me, that it seemed as if in they were trying to get other involved who live on my estate, by way of making them believe that they were better than me and that I am the worst of society.
- Luckily, other people than the ones already involved on my estate did not get involved neither did their loved ones, so When the funfair arrived in the local park ajar from our housing estate it seemed as if in, they would bang louder hoping for them to get involved by coming to my home address, I believe that it is lucky that this did not happen, I had prevented any bad misfortunes from happening and brought the welder for my security gate and then reinstated the gate commission of use.

As part of their duty of care, they should have taken reasonable steps to ensure their safety and security. Their inaction could be seen as a breach of that duty. 2. **Fabrication of False Claims**: The staff's creation of false claims and their attempt to process them as court applications is highly irregular. Fabricating claims undermines the integrity of legal proceedings and obstruct justice. This behavior could be legally actionable. 3. **Contempt of Court**: Refusing to comply with a court **ORDER TO REHOUSE MR. CORDELL IS** a serious matter. It may amount to contempt of court, which carries legal consequences. The court's orders must be followed promptly and in good faith. 4. **Communication Failures**: The staff's lack of responsiveness to phone calls and emails from the victim's mother is concerning. It demonstrates a lack of professionalism and may violate basic communication rights. In summary, Mr. Cordell's situation involves potential legal violations related to negligence, fabrication of claims, contempt of court, and communication failures.

	Members of the police, Enfield Council, and Mental Health Doctors deliberately allowed members of the public to use their rented homes from them as tools to harm Mr. Simon Cordel who is an individual who also rents his home from them on a UK housing estate. The following occurred • The police and Enfield Council have created a forged Anti-Social Behavior Order (ASBO) that unlawfully confined him to his house, despite their claims to the contrary. • When he is at home on this illegal curfew, both the neighbor's flat next door and the two flats above him repeatedly bang on the walls and floors, intentionally tormenting him with drills, creaking noises, and loud banging. • They even follow him from room to room, inflicting harm. Despite reporting this, no fair intervention has occurred because the initial issue arose when the police and Enfield Council fabricated the ASBO against him and spread news to the fact that he had been made guilty by using their media departments and resources. • By demonstrating their corruption, he has proven his innocence, yet they persist in their unjust actions, effectively silencing him. • This situation has persisted for years without proper investigation, as it remains unmonitored by relevant authorities. Multiple individuals have attested to its factual accuracy when communicating with the Council, police, and doctors.

Dear Dawn Allen

- I do not understand why all my phone calls and emails are not getting addressed, I tried and so has my son, we have been making calls all the time to get something done and I have sent a lot of emails including a complaint email dated **01/07/2015** which I still have had no reply to my son and I also tried to talk to the neighbours which have done nothing they still keep on.
- My son health is suffering due to what has been ongoing for a long time. We tried to get help from the council as if the council speaks to them, maybe they will stop what they are doing,
- I also attended to 117, but I believe they were not at home so did not speak to them about the issues.
- I attended to Debbie at 113 to talk to her, but she shouted at me through the door. I tried and said to her through the door could she let me speak, but she was just screaming at me so I went back down to my son flat the banging is terrible and you can clearly hear they are doing this is not just someone living their life as normal people would.
- You can even hear her following my son around in his flat banging;
- If he does not even want to take a bath because he can hear her above, him banging on the floor.
- Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes but this has not helped she acts like nothing is going on.
- Debbie has now gone to my other neighbours at 111, and they are drinking and now 111 is also banging.
- I don't know if it is due to Debbie liking my son and when he and his partner ended in Mid-**2013** she was hoping something would come of this as she came to my son's flat door a lot more. when my son was with his

partner, she used to come to his door maybe once a week for money, but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it.

- She was also writing my son letters and putting them through his door, the letters are not readable.
- The main problem with Debbie seemed to start when she came to my son's front door and saw a girl in his flat, she saw the girl on more than once and I think this upset her. Since this time things got worse and worse, and my son's health is suffering.
- Please cam something gets done as we really, do not know what to do any longer, if you can do nothing about the neighbours in the block can you please see if you can move my son as he cannot take any more, he needs to rest and sleep which is impossible, this is unfair what is going on to my son's health.
- Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue which I do not understand why.

Regards

Asbo Trial Date Mag

- This is the Day at Court for the trial of the Anti-Social Behavior Order Case and the Verdict got made Guilty against me in error!
- On the **03** & **04/08/2015** at the Highbury Corner Court the Asbo trial case, got said to be part proven on the 04th 08/**2015**.
- On this date of trial, I never got found guilty in my opinion, and others, such as my mother and barrister under true and fair Acts of law under the grounds of the application that the prosecution had brought into motion, but somehow, I seemed to have received a punishment, so I travelled home and looked into the case files even more than I had beforehand as I knew that I had not committed the crimes that I was being accused of.

- I noticed the following to be wrong and in clear error: -
  1.
  2.
- They got all the law's and do not use them right: -
- I had noticed the governing officials as explained thought growing up, but this finally, became a growing concern when reading the Anti-Social Behaviour Order application that got said to get served on me under the law, to which I disputed from the start of the proceedings, at first, in the Anti-Social Behaviour Order case I had not noticed a lot of fraudulent inconsistencies contained, in its folder, right until I had noticed the time stamps were in error and this was because I understood that I had never committed the crimes or public offence I was being questioned and accused of on the days that the police brought proceedings in motion towards.

1
The Asbo's wrong Verdict
- Got advertised in the News Papers While I awaited my appeal!
- The newspapers.
- Mutable Newspaper Articles were published with wrongful claims that I got given an Asbo under the applicant's case, stating Man given ASBO for organising illegal raves (From Enfield Independent.) Do you hate things in life?
- In any similar way, to what I do?
- When people do not say sorry?
- In return for this happening to me, I ended up feeling like a leprechaun which had got robbed and was therefore without his pot of gold.

- While looking into the court case paperwork, when at my home address one day, trying to study, so that I could defend myself, I remember a different occasion, when I was looking at the local newspaper, while trying to get my head around all the banging that I got induced towards from members of my neighbours.
- When reading the paper, I noticed a copy of an article that got contained in my local Newspaper.
- What I read was about my person and was unjustified to get printed as a true and fair description of the truth events.
- In fact, it got worse than unjustified as it was incorrect information that slandered my character.
- The published articles in the newspapers that had gotten copied from the metropolitan police website and were in regards to the Anti-Social Behaviour Order application that the police had been pursuing in court against me, they stated that I got given an Anti-Social Behaviour Order for organizing illegal raves.
- The case against me for the Anti-Social Behaviour Order regarding "the organization of illegal raves" never got proven, correctly, and this is because the judge could not find any illegal accept, that I the defendant was guilty of, as the application claimed to be for, but somehow, some way even low wrong in law the district judge sitting the court found me guilty of acting in an antisocial way.
- In the newspapers it stated the following also: — "Cordell is well-known for organizing illegal raves in Enfield and across London."
- I have never got arrested for anything that nature mentioned, so find this to be untrue and in other words, this would be a lie inclusive as since I had never arrested, I got so upset that my address got put into the metropolitan police website as I had requested and received a copy of the court transcripts of the day of the trail which prove that I am right, so had set the wheels in motion for the appeal proceedings.
- This led to the real problems I had to get worse and get out of control; I understood that members of my neighbours and members of the police made me suffer towards.
- My life got turned upside down as a figure of speech, by my name getting darkened and put into all the local newspapers stating that I had got found guilty for illegal raves when the judge clearly stated that no illegality got proved.
- A full assault took place against me by members of my neighbours and I was looking for a solution to the problems.
- The stress that has accumulated because of the problems in this document that I highlighted in any readers' vision are Unfair to have taken place against me and the problems being of such a high level of importance is of even further relevance to how this case should not have got dealt with.

The Newspaper articles: --

➢ After the Newspaper articles got wrongly, published I noticed that Debbie's attitude and Stains had really, changed against me for the worst, and this includes the Mati lagan family and this reminded me of the stories I had heard before of wild tales of evil witches and evil sources, but I never felt as if they were true till the adults around me turned evil towards me, the weird thing is that I had just met people who made them characters seem so real to me and it was them named neighbours.

- Soon after the Anti-Social Behaviour Order case; got said to have got proven against me at court; I noticed after the newspaper articles that had got published about me and from the letters that I had received from Debbie that her attitude and Stains had changed in a negative factor towards me.
- Other neighbour's had now also at this moment in time banged on the floor board and walls with Stan and Debra to my further surprise at my person, this was now happening, they were using the floor as if it was an offence weapon or a belt being wrongfully; used to hit a person, this is Clear tortious acts of crime that no one should ever have to go through, this happened to me, in every room I walk into in my own home, "I could not go anywhere and be safe" I found that any place I stand in my flat she or others was above me, taking furious assaults upon me.
- I could always notice the other family above her flat joining in I could not even get in the bath or take my close off, I felt as if I was Debbie's children that have got taken away from her by social services, I was being abused in a sense of a clear insight, like she had gone mad hitting me, this could happen over 70 times a day and continued on for over a 1000 days, this still happens up to date were the Mathiyalagan family, who still live above me, who are not secure tenants as I am would not see reason to the issues and still to date have not changed their characters, as they always continue with the same actions and mind frame of making me a victim to their actions, together them mentioned neighbour's all achieved this by way of using the floorboards and other house fixtures as weapons, they continued to find ways to have a negative effect on my life.

What they did to me, is and was brutal and illegal: --

- And now an even bloodier tail of truths; because together then they all where really, trying to kill me; their behaviour always contained and contains the following occurrences: -
- A clear continually, slamming of the water tap on and off as if a person was making repetitive beats to intimidate anybody, this includes above the kitchen and bathroom living quarters of my flat, to an extent that the developing manufactures of them products never intended them to get used in such a manner as weapons, this caused all the fixtures and pipes attached to the water supply in the building to come loose of their fixtures so for them to have a larger than ever before negative banging effect.
- The people mentioned also use objects, that they have picked up on purpose and then they drop them on the floor, this got done from a height and caused intentionally, making some of the loud continual banging sounds I complain about and refer to, I have the most incidents on video as I record them and it Shows that it gets achieved with wrong intent, this had a bad effect on my health and still does to date, they wake me up taping on purpose and continue all day till I sleep.
- The top floor had and still has overlay wooden flooring when this is a clear breach of the tenancy agreement, let alone somebody using that flooring to affect my way of life, my human rights also clearly state the same in many sections such as: -
  1. **Article 2;** the right to life: -

2. **Article 3;** the right from torture: -
3. **Article 5;** the right to freedom and security: -
4. **Article 13;** the rights to a private family life.

At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense. We believe she was suffering from mental health issues. On another occasion we popped round to see her, and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better		This was the real first date that was known about Debra to the Enfield Council and their Neighbourhood watch team.

	After that we have had no further calls from the lady We will try and get around to see her when were back on duty on Monday. Kind Regards **Classification:** PROTECT Good afternoon, Mark, Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked, and threatened to kill by her neighbour at 109. As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop. She advised that she had reported this to the police a few times but, wasn't taken seriously. I will appreciate if you could stop over at to reassure her that the matter is being dealt with and to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue. Thank you for your support and assistance Doliy Ogunseye Anti-Social Behaviour Officer **58,** In light of the above, h a s been identified as one of many cases involved in this process. - My neighbour makes a complaint regarding my neighbours attacking me on this and without any fair investigation taking place in fact I got my claims disbelieved and so did that of my family and friends who are also witness and some victims to what I was forced to undergo.
- The Enfield Council and that of their sub partner company the neighbourhood watch team of the Enfield Borough.
- Date and it gets addressed right away with you going to her home and switching the blame.
- By this date I and others had made umpteen complaints about the neighbours spanning backwards in the last 6 months which you can see from the emails, this is not including the numerous amounts of phone calls being made. (which were made and noted in emails sent)
- Why does the involved government authority's feel it lawful to ignore me and not address my issues?
- And when a neighbour of mine has an issue with me,
- The speed and number of times the government officers have acted within is wrong and done in such a way that it is obvious that staff willingly disadvantage me
- The government official's behaviours who delt with my ongoings was more than an unmoral and unfair. The staff's actions were to help themselves only and endangered my life while tarnishing any future prospects of a fair standard of life.
- This disregard shows a lack of responsibility for stationary duty's and shows you wanted to victimise me and make me suffer the way I have been for all this time. Also, this shows a complete lack of due care towards Mr Cordell.

Dear Dawn Allen

1. Was meant to be sending a surveyor out to see how the pipes have been laid for my heating system, this has not been done.
2. When work was carried on my flat re doing the electric, they wired in fire alarms and a Carbon Monoxide alarm, I made many calls to say these had not been fitted correctly, and due to this got carbon monoxide poisoning and ended up in hospital due to a faulty boiler and the Carbon Monoxide alarm not working. when they did come out in Nov **2014,** I was left with no boiler for weeks until parts could be ordered as they had to cap the boiler off, work was also meant to be done to rewired the incorrect rewiring of the alarms this has not been done and I feel very unsafe as I feel if my boiler went wrong again the Carbon Monoxide alarm would not go off.
3. Window in my bedroom does not lock and needs a new hinge.
4. The new toilet wish was fitting is not secure I have had this repaired once already but it still is moving around and I feel unsafe.
5. The Sink has come away from the wall in bathroom.
6. After major works being done to my flat for damp the smell of damp as soon as you enter the bedroom is very bad.
7. They fixed damp in my front room and this is still not died out due to them not fixing the reason for the damp.
8. I was told that the guttering was causing the damp in my flat and needed doing someone came around months ago and told me the works was due to be done this has never been done.
9. The pipes bang in the flat really bad I was told it was the main stop cock that needed replacing the pipes are still banging badly so this cannot have been done. When the man came out to do my heating the council had told them I had removed all the pipes from my home, the man was stocked to see them all still in place and could not understand why he had been told this. I have had so many surveyors come to my flat and say work is going to be done but it never is I think this is most of the list that still needs to be
done.

E. 111 Banging on the kitchen wall!
F. Whenever I contact the complaints departments, they made my issues of concern invisible!
G. A Drastic turn around in the decision that the Enfield council and the Enfield Homes came to since the start of the announcement when I put them into receipt of my Disrepair issues needs to get addressed and then fixed needs to get reanalysed, so in an effect I do not suffer any longer!

Summary!

- My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what the Mathiyalagan family stain and Debra with the police and local council members are getting away with each day holding me hostage with no first hand witness and the estate members flushing the toilet attacking me when I am in the bathtub and getting undressed all so playing with the water taps and banging above my head damaging my work studies and private family life and making me a Vulnerable person!
- I have also had a lot of problems with eating because of what they keep all doing to me!
- My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

- I continue to stay overwhelmed by the circumstances that I get made to live in by the Enfield Council and the Enfield Homes department's months after they have gotten notified about my issues of concern and as a knock-on effect, I have no other option other than to suffer because of the staff's neglect towards my life!

Time Spent Building.

- In the background of everything going I continued working on creating a new and up to date event Risk Assessment and I continued to Study and finish at the Time Start: 07:00 Am and Time End: 03:30 Pm!

Attended? Dawn Allen TMO and CRN Sola Quadri Home visit to advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. **She explained** that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few		

		months, ago which has since been repaired but, the damage alleged had occurred. **Ms also recalled an incident when the perp spat in her face.** It's been one issue after the other she advised **55,** The recent event which took place a **week ago.** **She was on her way out to attend her appointment with her CRN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't taken seriously as they assumed, she was drunk at the time of the call.** She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised that it was not the first time this would happen to her. Her GPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. I felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the fiats and cause more problems than usual. I advised that I contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a			

	surveyor to visit her flat and see what assistance nan be offered I further advised that her case will be investigated, and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates Bola Quadri has already put in place a safeguard alert.

- For a fact this would not have been able to have occurred due to the simple fact that the accused incident had not happened until the **30/09/2015** / **28/09/2015** and 100% means that the council history was created after this date, to cover up what had really happened and was allowed to continue.
- On the **30/09/2015** / **28/09/2015** my mother and I both sent an email to Dawn Allen explain what had really happened on this date, and this was never added to the Enfield Councils History due to information providing a fair account of the true ongoing that situated on the **28/09/2015** that proved my innocence.
- On the **22/12/2016** Debra Andrews made up information was explained in brief to I and my mother by Geoffrey Mann but not in full as he understood that he was Dawn Allen's Team Leader and he held an obligation of responsibility for what he had allowed to continue to proceed to myself and the way that the Official paperwork had been fabricated behind mine and my mother's back while we were making Official complaints in respect of the ongoings at the same time.
- Debra Andrews at this stage was a Super bad acholic who had been diagnosed as a Mental Health High Risk Patient suffer, she had also had children in her past, and the Government had taken custody and visiting rights away from her.
- I am not too sure of the reasons to why this had happened to her but in the years that I had gotten to know her before she had no intention of ever seeing them again and she just would not give up drinking acholic drinks to get them back
- No Council History was built for Debra Andrews that contained the emails my mother and I had both been sending to the Enfield Council.
- **The Enfield Council Responded to My Mother for the First Time 00/00/201**
- **Perpetrator Simone Cordell**
- Dawn Allen and her team labelled me a perpetrator without no fair investigating even when the doctors warned her of Debra Andrews behaviour on the **18/09/2015** while my mother was also sending complaints about her and others copying her cruel behaviour towards myself
- Dawn Allen and her careers were not honest when being complacent with Debra's past Mental Health history and acholic dependences and not to forget the fact that she had her own light skin children taken away from her for their own safety
- **Dawn Allen And None of The Government Teams Had Ever Met Me or Spoken To Myself.**

24/09/2015

Good afternoon Louise,

- Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
- Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
- Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
- She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her.

- The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police.
- He has on a few occasions threatened to kill her and petrified the life out of her.
- It was on this basis that a decision was made to move her out immediately.
- Hope the above information is useful.
- Thank you

- Please can you contact me regarding this case as I would like an update and the full reasons as to her vulnerability and why we have put her up in the hotel?

Thanks, you

Formal Complaint
Dear Louise Brown:

- I believe you are the person dealing with the complaints put in due to the behaviour of Debbie who lives at number 113 Burncroft Av EN3 7 JQ.
- My son Simon Cordell is the person who lives at 109 Burncroft Av EN3 7 JQ.
- Yesterday the 15**/10/2015** you attended my son Simon Cordell flat with 2 police officers.
- Why would you turn up at someone flat with 2 police officers and not even ask or set up a meeting to do this?
- Could I please ask why a meeting was not set up to see him, and you just turned up at his flat with the police?
- I am the person looking after my son and have been in contract with the council and was meant to have been there at the meeting, so this was meant to have been arranged not that you just turn up with police.
- You said you was in the area and had the case file for this so just attended, when was you given the case file for you to address on what date? As I believe it was some time ago, yet we have had no contact from you.

- You asked my son what had been going on, yet you took no notes or a report of anything my son was saying.
- How is this addressing the issue when you did not even take notes at what was meant to be called a meeting, may I ask what was the point of this meeting?
- You did not want to look at any of the videos that my son had recorded re what had been going on and what Debbie had been doing.
- You did not want to look at any of the evidence my son had, the letters Debbie was putting in my son's door in one letter she even put £20 in there which was posted back in her door as my son did not want her money, the videos my son had recorded, nothing so how are you doing your job.
- You did not want to hear about the attack on my son, when Debbie was at the bins and my son walked be hide her to the main door and when she turned around and saw my son she started screaming and attacking my son.
- You said to my son Debbie had not been in her address for the last 2 weeks that she had been in a hotel.
- And asked my son if he knew this how is my son meant to know this?
- I think you told him this because he said the things had been better the last few weeks, but there were still problems.
- Which if you had looked at the Videos you would have seen things from the last 2 weeks, but you did not do this did you.
- When you left you made my son give his word, he would not hurt Debbie, like Debbie is the victim here and not my son.
- My son has never hurt Debbie so why would you make him give his word he would not hurt her?
- Debbie is the person who attacked my son not the other way around here.
- Which was reported?
- You have given Debbie support moved her to a hotel like she is the victim yet failed to support my son in any way here, yet he is the victim of what Debbie is doing.
- Not took a report does not ask anyone what has been going on, as there is witness as to what Debbie is doing.
- My son's friends and I have heard what is going on and what Debbie is doing.
- I even went up to Debbie's door to try and speak with her, she asked who was at the door and I said I was Simon’s mum and would like to speak to her to try and sort the issue out what was going on, that if we spoke maybe we could sort this out, she just started shouting so many things at me and sounded drunk, I left and went down to my son flat and said she would not speak to me,
- I was there around 3 hours after that and Debbie did not bang once or doing anything, yet the 2 hours I was there before going up to her flat to speak to her the banging was ongoing and was making my son so upset, we could not do the work I was there for that is why I went up to speak to her.
- I believe my son has been to her door 2 times and ask her to stop well he begged her to stop She just started shouting and then called the police, one of these times my son friend Katie was there, and heard what Debbie was doing and spoke to the police when they came to my son door.
- Katie goes to my son's flat a lot along with a friend called Nash and a few other people each of these people have heard what Debbie is doing.
- Debbie has been to my son's door more than once when Katie has been at my son's flat offering my son cans of alcohol which my son refused as he does not drink and asking my son for money and other things.
- So please don't make this out as if it is my son that is causing the problem here as that is how you made him feel yesterday.
- We are the ones who put the reports in from around a year ago yet you have done nothing to support my son the 1st time you even went to see him was the **15/10/15** yet you been out to see Debbie and seem to have given her support.
- Yet each time I told the council how ill this is making my son, where is his support?
- Am I of the understand you said to my son that you believe Debbie has feelings for my son and this is the reason you believe Debbie is acting the way in which she is?
- My son has never acted in a way to make Debbie think my son had any interest in her, he has only every helped his neighbours, which is the type of person my son is.
- Has Debbie said she has feeling for my son?

- And as Debbie has already attacked my son unprovoked is, he in any harm from a next attack?
- This is making my son ill, but you don't care about how ill this is making my son do you or you would have addressed the issue when contact was made with the council about this issue.
- You have said you are moving Debbie back in, but what has been done to the so-called feelings you think Debbie has got for my son have they just gone away? We know Debbie has mental health issues and she is an alcoholic, and that she needs help, but I am sorry this is making my son ill and something does need to be done as it has been going on to long now and you have done nothing.
- My son has lived in his flat even before Debbie moved there and he has never caused a problem.
- In fact, he has only ever tried to help his neighbours.
- I would like to know what has been done to address this and what is being done to help my son.
- I do not think you have addressed this in the correct manner, and I feel that you feel Debbie needs more support due to her being vulnerable, but have you asked if my son is vulnerable what heath conditions, he has nope you have not and I feel it is due to him being a male and Debbie a female, I feel as if you think males can't be vulnerable.

Dear Jackie Gubby

- When the surveyors came around there was a list of jobs that they said needed to be done.
  1. The electrics needed sorting and the detectors (this has now been done they sent someone out nearly right away after the surveyors came and done the report)
  2. Bathroom sink (repaired now)
  3. Bathroom toilet (repaired now)
  4. Heating pipes not been covered that are running all round the walls and down the walls. (Now it is winter my son has his heating on but has burned himself more than once walking past the pipes as they are so hot, this is bad being left like this as it is a danger due to how hot the pipes get. (Not done)
  5. Bedroom floor (not done)
  6. Bedroom window (not done)
  7. Front room window/door frame (surveyors said that the water was still coming in due to the outside step and this needed to be sorted) (Not
  8. done)
  9. Pipes banging all the time (the surveyors saw this when they came out) (Not done)
  10. Wall still wet in front room (we have been told this is due to the guttering needs to be renewed which was meant to be done,
  11. 111 has guttering in his back garden that has fallen off the roof some time ago, but now what also has been noticed is that in the main hallway water is dripping down the walls leaving puddles of water on the stairway which people have to walk up and down this is a danger for people they could have an accident, believe this is due to the guttering needs to be replaced or the roof. (Not Done)
- I am sure there was also some other jobs that needed to be done the surveyors that came the day you were meant to have come took a full list and wrote everything down.
- So how is none of these jobs on the system that have not been done? It seems once again things have not been put on the system.
- Why should we have to keep calling for jobs to be done when they were already meant to have been done, and surveyors and inspectors have been out more than once over the years why are they not on the system, as it seems someone is not doing their job.

  Telephoned and spoke to Lorraine. Advised that we will offer a non-urgent appointment from EAS. Loraine reported her concern that we would be tell her son about her reporting her son and that this would damage their relationship for good. Reported that about three years ago she called an ambulance when her son was vomiting and he is still complaining and talking about it.

Reported that her son has been in trouble with the police since the age of 14 said he was addicted to driving. Many charges and cases over the years. Feels that the police have victimised her son and her other children because they are mixed race. Reported that they are appealing against some of the charges and his name being publicised in the papers which is due in court in February next year.
Lorraine reported that she visits her son almost every day to check on him and make sure he has food in the house. Reported that he is eating but not as regularly as before, some weight loss, has IBS but is drinking well. Reported that he talks about the TV talking to him and also when they are out when she scratches her head or something, he believes that she is sending messages and becomes paranoid that someone will harm him. Reported that he has lots of friends but stops no longer goes out with them and also does not have them come around his home. Reported however he does have a scrambling bike that he goes out on and has injured his ankle and wrist but refuses medical attention. Reported that he has been suspicious about doctors since his childhood and having tonsillitis.
Reported that his mood does fluctuate but most days she will get text messages from him talking about killing himself when his name is cleared in next year after the court case, no current plans or intent.
Asked if she believes her son will see professionals if they visit, said she believes that he will shout but otherwise not aggressive, feels he will agree to be seen as a follow up following his assessment last year. Feels he needs some help and support but uncertain what her son needs.
Whilst talking to Lorraine her mobile phone rang, and she spoke to the person said it was Maggie Garrod AMHP. Said she has been phoning them, and they called her back yesterday and that they have told them that she should have a carers assessment as she is finding it difficult to cope. Reported that they had also told her that her son should be seen urgently. Agreed to speak to the AMHP office.
Discussion with AMHP manager Debbie Morgan. **Informed reported that Lorraine had spoken to Maggie and Lorraine had been advised about the carers centre in Enfield and also advised to go along with whatever plan there is with the assessment service.**

From description from mother does not appear to be crisis, is eating and drinking and no active plans to and, gradual deterioration in mental health over the past year.
Plan to offer assessment with EAS medic and Social Worker. Patient already known to Community Safety Officer, and this may be a route into the assessment given the concerns raised by other residents. Community Safety Officer already informed. EIS also informed as may be and psychotic illness.

36,

- It is my view that Mr Cordell's detention was not in the interests of his health as I did not identify evidence of mental disorder during the visit.
- I did not believe that Mr Cordell's detention was necessary for his safety, Mr Cordell denied experiencing any suicidal ideation and could I not identify other risks to safety apart from possible substance misuse which could not be used as the basis of detention without clear evidence of a mental disorder associated with the substance misuse issues.
- I also did not think that the threshold for detention on the basis of safety was met, he was having conflict with neighbour this conflict did not appear to be driven by any mental disorder.

Patient's name: Simon Cordell

Date of assessment: 03/02/2016

Consultation with Nearest Relative and process of identifying the Nearest Relative

- I identified Mr Cordell's Nearest Relative as his mother Lorraine Cordell.
- Mr Cordell lives alone and is single.
- As far as I could ascertain he did not have any children and was not in relationship.
- His father was the older of his parents, but when I phoned his mother

On 03.02.16

- she informed me that he was in regular contact with Mr Cordell and did his shopping for him.
- I therefore formed the view that she provided care and was the Nearest Relative.
- I phoned Lorraine at around 09:30hrs

on 09.02.16

- and she advised that in her view use of a warrant and the Mental Health Act assessment were unnecessary as he would give professionals access if he had received an appointment letter.
- She said that he had a court case in February but would not elaborate on this.
- Lorraine said that she thought that the involvement of mental health services was unnecessary as Mr Cordell was not in her view experiencing any mental health difficulties and had not experienced any mental health difficulties for a number of months.
- I was surprised that Lorraine stated that she did not think that Mr Cordell as the recent referral to mental health services had been triggered by a referral that she had made.

Consultation with Assessing Doctors

- Both assessing Doctors declined to make medical recommendations and were in agreement that there was no clear evidence of any mental disorder during the assessing.
- 7 Views of others consulted
- Prior to the assessment the police present advised me that were aware of conflict between Mr Cordell and his neighbour.
- They advised that the soundproofing between the two properties was poor.
- The police officers advised me that they were aware that on one occasion Mr Cordell had threatened to strangle his neighbour.

Mental Capacity Act 2005

- No Capacity Act issues identified during the assessment.

Reason for decision to make the application (including choice of Section)

- Given that Mr Cordell's diagnosis and treatment plan were not clear at the time of the assessment the assessment was for possible detention on section 2.
- It was my view that Mr Cordell did not meet the statutory criteria for detention.
- It was not clear that he was suffering from a mental disorder of a nature because at the time of the assessment it was unclear if whether or not he had a mental disorder.
- He did not meet the criteria for degree as there was no clear evidence that he was experiencing symptoms of mental disorder.
- Patient's name
- Simon Cordell

Date of assessment: 03/02/2016

- If not admitted to hospital, outline immediate plans for alternative to admission and how those plans will be co-ordinated/

Progress Notes

EAS/ECRHTT entry.

- Joint assessment conducted together with Dr Cushion from the Enfield **Assessment Services at patients' home.**
- **We could not gain entry to his flat and therefore we had to make a telephone call to his mother** who we asked to give us a code for access to communal door of the property.
- Same given as 0123.
- His mother is called Lorraine, and her phone number is 02082457454.
- Upon knocking on the door to his flat there was fierce barking of his dog from the flat.
- He was suspicious of people knocking on the door and **asked, Dr Cushion Who are you?**
- We calmly introduced ourselves and called out purpose for our attendance.
- We then asked him to put his dog away and let us in.
- He complied without any issues.
- The front door was secured with a heavy-duty metal door and as soon as he opened the door, he instantly bombarded us with volumes of information, about who he is, he talked about what the police have done to him, explained what his neighbour is doing to him (following him about) and what he is doing to clear his name regarding his **assumed criminal or police records.**
- This pattern continued even when we sat down to interview him.
- He would not allow continuous flow of conversation; he had rapid speech; he was disruptive and jumping topics.
- **He had many volumes of files to refer to and try to prove his points and assumed mistreatment by the police and misdiagnosis by the medical professionals.**
- However, he could be interrupted without him becoming angry.
- He could not facilitate conclusive dialog or interview no matter what method of interviewing we employed.
- We kept going around the circle without end.
- He appeared to be mentally disordered and without understanding of his illness (not insightful).

- We advised and offered him support for his mental disorders which he declined saying that he is not ill and will not take medication.
- His mother reported family history of mental illness.
- His grandmother suffered from schizophrenia.
- This could be the start of his schizophrenia acerbated by drug use.
- Finally, we had to summarise purpose of our home visit.
- We told him that we had attended in order to address his medical as well as social issues:

Medical:

- We told him that after the interview, we felt that he needed support/treatment for his mental disorders.
- **We explained and offered him home treatment which he declined.**
- **I do not think that he would engage with the HTT.**
- **If he continues to take drugs, he will continue to deteriorate in mental state and being paranoid about harm to him from others including the police and neighbours**

Social issues:

- A 34-year male of mixed race, white, black (mother is white, and father is black).
- He was known to CAMHS as a child.
- He accessed mental health services in **2008, 2012**, **2013**, **2014** and this year with no records of previous admission.
- **He admits to using skunk cannabis daily supplied by people.**
- **He pays for drug supply with his benefit money and support from his mother.**
- **A well-known person to police.**

Relationships:

- Isolated for more than two years, he said. According to Simon, he is not allowed to go out to certain areas by the police and in particular industrial places.
- He said that he has no friends.
- However, his mother has regular contact with him.
- She does his shopping for him.
- Activity of daily living.
- He told me that he can cook for himself.
- I checked that his kitchen was clean and there was some activity of previous cooking.
- There was food in the fridge.
- Although his flat is full of equipment, computers, industrial printers, speakers, and others, his flat is reasonably clean and orderly.
- His bedroom is not too bad either, has makeshift wall robe he made by himself and I could see that an attempt had been made to make the bed after night use.

- He was cleanly shaven with no signs of self-neglect

Accommodation.

- Mother supports him with money too.

Social inclusion.

- He does not want to work or go for training.
- Said that his grandparents left a lot of money for the family.
- He said, "lam alright"
- Factors having significant impact on Mr Cordwella€ms wellbeing.

Mental health and emotional wellbeing;

- he continues to deteriorate in mental state as currently not under treatment and using skunk cannabis

Conclusion/impression:

- Mr Cordell is not accepting that he is ill.
- He would not engage with the HTT.
- Mr Cordell need to be referred to the EIS as showing early signs of psychosis.
- A referral for MHA assessment to admit him in hospital for further assessments and treatment would help reduce risk of further deterioration in mental state but Mr Cordell is not deternable in his current mental state.
- No immediate social work role for now.
- The interview did not determine and Mr Cordell could not identify social issues having signification impact on his wellbeing.

Plan

- We gave him our 24-hour contact number to phone mental health services if in emergency (02087023800).

T/C to Simon's mother, who is his de facto carer:

- She said Simon's grandmother (her mother) had a diagnosis of BPAD and was detained formally multiple times: later her diagnosis was changed to SCZ and she responded well to Clozapine.
- She is realistic about Simon's potential engagement and aware that things may not progress smoothly.
- She is keen to have support for herself and a carer's assessment while Simon is under the care of EIS - I told her about Enfield Carer's Centre.
- She gave history that that large metal gate has gone up again recently: and that in her view Simon has been deteriorating for the past year.

- Mother is very keen that Simon does not know she made the referral to mental health services.
- Since his father called the HUB, they have had no contact.
- She is Simon's main support at the moment and has concerns that Simon knowing of her involvement would damage this relationship and negatively impact on him.

- EAS Joint HV with me and Jameson Simwanza SW after sending out letter From RIO notes
- Disrupted childhood: CSE in paedophile ring, violent father, adolescence in care, under CAMHS

2012 –
- diagnosed with anxiety related to court case for burglary

2014-
- had MHAA - found not to have major mental illness

2015-
- 05-year ASBO for organising illegal raves- not allowed to enter industrial or disused premises between 10pm and 7 am

2015-
- November - mother made referral via HUB- she reports gradual deterioration in mental health over the last year.
- Simon was angry when his father made contact with the HUB in **2014** and does not want it known she instigated the referral.
- Today
- Simon consented to be seen and let us in.
- He was clean, well nourished, well kempt and dressed casually.
- He put the dog in the back garden.
- One bed council flat
- There was a massive heavy-duty metal door like that of a prison cell (over 7 feet tall) behind his own front door, which Simon said he's made and installed recently.
- There were tools lying about on the floor and he has worked in construction in the past.
- He didn't give us a reason for making the door.
- He hasn't gone out for months- mother does all shopping

History from Mr Cordell
- Chaotic historian, jumping about topic to topic, but happy to talk especially about his grievances chiefly with the police and the wMann upstairs.
- He said there is a widespread conspiracy to destroy his good name and possibly ultimately to kill him.
- This is organised by the police with a policeman in Essex called Big Bad (unheard) as its source, in league with "Storm" a global agency who manage the UK's 999 calls.
- The police are putting things about him all over the internet (there has been local reporting of his ASBO) and are putting subliminal messages about him through his own TV and other people's.
- As part of this, he says they have falsified all his records - the proof of which he gave as a list of CADS (relating to one of the illegal raves he'd arranged) which as they were not written down in sequence of their numbers, could not be a true record and thus in his view proof of a conspiracy.
- He said he has evidence on tape of the police talking about him and plotting against him, which he offered to show us, **although in fact there were no such sound files on his computer.**
- **He couldn't really explain how he'd heard this material.**
- He was keen to show us other written "evidence " **from the police, which were all notes Simon had made in files on his computer.**
- Simon said the wMann in the flat above has been stalking him, is aware of all his movements around the flat, and when he is in the bath, takes off his clothes or on the loo, begins stamping on the floorboards.

- The history we have is that he made threats to her and she was moved for her own safety: **he still feels she is upstairs.**
- Said he had CCTV footage from cameras in his flat of her stalking him - **he could not show us any cameras.**
- Simon got out several boxes of papers which he said related to the conspiracy together with his plan for his own business and his plans for a global charity for children.
- The flat was full of equipment for printing and other things.
- Simon said he had spent" a quarter of a million" on his businesses including 20 000 on each of two printers.
- Has thoughts of killing himself "when I eventually clear my name."

From previous notes
- -Tried to hang himself at the age of 16 when in a young offender's institution and needed to be resuscitated.
- He was moved to a high security hospital and kept in seclusion on a number of occasions. He says he was seen regularly by a psychiatrist called Dr Caplin from "the safe project" (probably CAMHS.
- -He says there was a second occasion where he tried to hang himself when in a cell after he was sentenced Said attended NMUH A and E **2014** after drinking liquid nitrous oxide with intent to die

Forensic history
- Long history police contact from juvenile, mostly connected with driving, theft-? in prison on remand in past Smokes 1-2 spliffs most days, no other drugs, alcohol or tobacco SH
- 1 bed council flat, no debts, ESA, food in fridge, flat cluttered but clean MSE
- Clean, open manner, engaged well, incongruently cheerful, very polite
- Appeared euthymic- did not appear particularly elated: idea of harming self "when name is eventually cleared" but currently has no thoughts of self-harm or harming anyone else
- Pressure of speech but able to repeatedly interrupt without irritability

Thought disordered:
- Tangential, circumstantial, preoccupied
- Paranoid delusions relating mainly to police and wMann upstairs: delusions of reference
- His comments about hearing having police talking about him on tapes may be elaboration of auditory hallucinations No evidence commands or passivity

Insight: articulate:
- does not think he has a mental health problem: Said he'd had all these problems for the last year, especially in the last few months but felt they were getting worse.
- He has withdrawn from all social contact except with his mother.
- Impression
- FEP, possibly with mood element history at least several months

Strengths:
- Significant part of personality intact at present, was willing to engage with us today Maternal support

Risks:
- isolation, self-neglect if mother withdraws support, potential risk harm to self but trigger factors not clear (past self-harm attempts as teenager appear to have related to court appearances)

Plan

- Declined medication and engagement with CRHTT (as he didn't want to give his story again)
- We talked about referral to EIS and my view that he would find seeing someone regularly helpful: he said if I made the referral he would engage- saying he would be too polite to refuse.
- He seemed to find our conversation today a relief and thanked us for coming.
- I did not feel he would meet criteria for detention today under the MHA and that I would refer for assertive approach from EIS as a more proportionate response.
- Referral via email to Simon Clark

Your Right to Buy

Department for Communities and Local Government

Dear Simon,

- Right to Buy update
- Right to Buy discounts
- Housing associations take up Right to Buy
- Housing and Planning Bill 2015
- Help to Buy: ISA
- Own your home campaign
- Spending Review 2015
- And finally...

Right to Buy update

It's been a while since our last update and we wanted to bring you up to speed with some exciting new changes. Helping people own their own home through Right to Buy is at the very top of our agenda. We are also firmly committed to making sure that more affordable homes are being built to meet demand.

Right to Buy discounts

The discounts for 2016/17 will be the same level as they are now – that's **up to £103,900** if you live in London and **up to £77,900** everywhere else in England.

Housing associations take up Right to Buy

In October we announced the historic voluntary agreement with housing associations, which will give 1.3 million more households the chance to buy their home at Right to Buy level discounts.

Ahead of the main scheme, five housing associations – L&Q, Riverside, Saffron, Sovereign and Thames Valley – have just launched a voluntary Right to Buy pilot for tenants in 25 areas.

Riverside L&Q Saffron Housing Trust sovereign THAMES VALLEY HOUSING

Tenants eligible for the pilot should register their interest now as there will be a limited number of sales under this pilot. Successful tenants will be able to progress up to the point of sale, but will not be able to complete until the Housing and Planning Bill (see below) becomes law.

If you think you, or someone you know could be eligible to buy their Housing Association home under this pilot **click here.**

Housing and Planning Bill 2015

The Housing and Planning Bill began going through Parliament in October. It sets out the major legal changes that the Government is proposing to encourage both home ownership and home building. This includes the changes needed so that the Right to Buy level discounts can be offered to more

3,

housing association tenants. We will keep you up to date as the Bill passes its key milestones.

Help to Buy: ISA

The Government's new Help to Buy: ISA, set up to help people save for a deposit for their first home, launched on 1 December. If you're a first-time buyer you can save up to £200 a month towards your first home with a Help to Buy ISA and the Government will boost your savings by 25%. That's a £50 bonus for every £200 you save, up to a maximum Government bonus of £3,000 towards buying your first home. In practice, this means if you save £12,000, the Government will boost your total savings to £15,000.

You can also save an additional £1,000 when you first open an account, meaning you can save £1,200 in the first month and get a top up from the government of £300.

You can find all the information you need on the Help to Buy **website.**

Own your home campaign

If you find that you're not eligible for Right to Buy, have a look at other government schemes available to help you own your own home. **OwnYourHome.gov.uk** has information on schemes such as Help to Buy, shared ownership and Self Build.

This website is part of a campaign to make sure people know about all the schemes available to help them onto the housing ladder. Commenting on the campaign, Housing and Planning Minister Brandon Lewis MP said:

"We want to ensure that anyone who works hard and aspires to own their own home has the opportunity to do so. Already more than 230,000 households have been helped into homeownership through Government-backed schemes since 2010, but we want to go further."

"That is why we have launched the new Own Your Home campaign, so you can find out what Government support may be available to help you own a home of your own. And I would urge anyone who believes ownership is out of reach to visit the Government's **Own Your Home website** and take a second look. There is a wide range of support on offer."

Spending Review 2015

In the Spending Review at the end of November the Government announced the biggest affordable house building programme since the 1970s. The affordable housing budget will be doubled to £8bn from 2018/19 and the Government will deliver at least 400,000 affordable homes over the next few years, including:

- 200,000 Starter Homes
- 135,000 new Help to Buy Shared Ownership homes and
- 10,000 Rent to Buy homes.

The Government will also create a London Help to Buy scheme with a 40% equity loan maximum (elsewhere the limit is 20%), release enough land owned by public bodies to build 160,000 homes, and provide £310 million of funding to deliver 15,000 homes at Ebbsfleet, the first garden city in the UK for nearly 100 years.

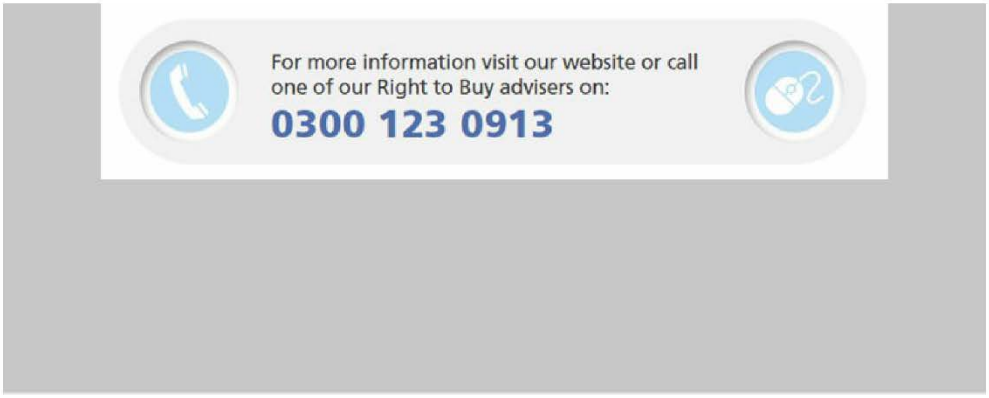

And finally...

Why not have a look at whether you could become a homeowner through Right to Buy in 2016? There is plenty of help available and we've just released three online videos about Right to Buy that might give you the start you need: **Own Your Home Youtube Channel**

Yours sincerely,

The Right to Buy Team

Dear Ned Johnson,

- Thank you for the reply email and the update.
- I have other information due to investigations I have done and due to speaking to people within the area. That it was not just the one date in **April 2014** there were events at Crown Road.
- The dates I have been given that events took place at Crown Road are:
  1. 12th / 13th April **2014**
  2. 19th / 20th April **2014** (confirmed)
  3. 26th / 27th April **2014**
  4. 03rd / 04th May **2014**
  5. 17th / 18th May **2014** (confirmed)
  6. 31st / 01st May and June **2014** (confirmed)
  7. 06th 07th 08th June **2014** (confirmed)
  8. 13th / 14th June **2014** (confirmed)
- Some of these dates have already been given that events took place within the FOI I requested.
- Also, you say you did not serve a Noise Abatement Notice on the squatters / occupiers, as it would have had no benefit to do so as you would not have been able to take anyone to court, and I do understand that the council was working with the owners of the building to deal with this problem.
- But I am sure if you had served a Noise Abatement Notice to the squatters / occupiers / Building, it would have covered not just to take someone to court. It would have covered the council to have seized sound equipment and due to this stopped the events far sooner with a Noise Abatement Notice in place on the building then not having served one at all.
- I believe that is the reason a Noise Abatement Notice can be served on occupiers / Buildings under Environmental Protection Act 1990 section 80

Dear Ms. Cordell,

- Thank you for your email;
- I have rechecked our database and indeed,
- I did make a mistake and missed one complaint which was received by our Residential Noise Team on **20/04/14,** it was the only complaint received by the Council prior to the ones listed in the FOI response sent to **289,**
- you.
- The officer who received the complaint tried to contact the customer who made it on several occasions but was unable to do so and as such we were unable to verify the complaint.
- The next complaint received was then on **18/05/14** as stated in my original response.

- We did not receive any further complaints after **June 2014** in regard to the Man Building and therefore as far as we were aware the matter had been resolved.
- A Noise Abatement Notice was not served on the squatters as we would not have been able to verify any names given, if indeed they would have given a name and it would have been unenforceable as it is extremely unlikely that we would have been able to take anybody to court who was squatting.
- The line taken was to pursue the owners of the building who then needed to evict the squatters and secure the premises, which they did; serving a Noise Abatement Notice would have had no effect on the owners as they were already taking the necessary steps to stop the problem.

Yours sincerely

Dear Ned Johnson

I am writing this email due to a FOI request I put in some time ago.

It has come to my attention that some of the information you have given me in incorrect and was wondering if you could comment on this.

In my FOI request you said that Crown Road information started on the 18/5/**2014**, but I have found newspaper information that this started much earlier than this.

I have a newspaper that is dated the 25/04/**2014** which was printed after a 15-hour rave took place there on the 19/04/**2014**, which is much earlier than the 18/05/**2014** as the date you gave me that this started.

290,

http://www.enfieldindependent.co.uk/news/11172103.Residents_fume_over_15 hour rave

And one that was in printed on 9 September **2014** a paper saying The MAN building, in Crown Road, on the junction with Southbury Road, Enfield, has also been used for illegal raves and parties in the last few months which these words would say the events was going on much later than June **2014** that you have given in the FOI request.

http://www.enfieldindependent.co.uk/news/11459487.Listed building wrecked by graffiti/

I still also cannot understand why an abatement notice order was not put in place due to the number of events that took place there. I do understand on the days of the events it could be classed as unsafe due to the amount of people, but this site was being squatted and there would have been far less people there during the weeks when these events were not going on. And cannot understand why an abatement notice order was not put in place during the time when these events were not going on.

On the 6th 07th and 08th June **2014** the council were aware an event was ongoing at Crown Road.

On the 6th 07th and 08th June **2014** the council were aware an event was ongoing at Progress way.

On the 08th June the council attended with police to Progress Way to serve paperwork this was not served to any persons within the site of Progress Way.

But if you were with police, which your team was why was paperwork not tried to be served at Crown Road site also as your team was aware off an event also going on there.

Dear Ms. Cordell,
In terms of the number of events there was one further rave that took place on 25th March **2013** at Progress Way, other than this occurrence I have provided you with the dates and locations of all the illegal raves/parties that are recorded on our database as well as all other
data we hold that you requested. The rave on March 25th, 2013 was attended by the Out of Hours Noise Team, assistance was requested from the police but they were unable to help on that occasion.
The events at Crown Road were over a period of several weeks not months, during which time we were in regular contact with the new site owners who worked to get the site secured and the power turned off. The Out of Hours Noise Team undertook observations of the noise during
291,
the event on May 31st/June 1st but did not visit the party as the team decided that it was unsafe to do so due to the nature and location of the event and provided information to the daytime officer who ensured the owners undertook the necessary works.
The complaints received on Sunday June 8th were all received after the council's Out of Hours Service had finished at 03:00 and therefore no response was possible.
The Out of Hours Team respond to all complaints received but will only visit a premise where it is safe for them to do so and in the case of illegal raves/parties quite often there are officer safety issues which prevent visits at nighttime during the event, unless police support can be gained. Following illegal raves/parties we do make every effort to get a building secured as soon as possible to prevent the same thing happening again.

Dear Ned Johnson
Thank you for the reply to the freedom of information act I put in.
I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested.
To information is regarding Disused or abandoned buildings or any industrial estates buildings or open-air land.
For the dates all of **2013** to date.
This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.
All information would cover all wards boundaries for Enfield Council.
292,
Information is also needed for some areas within the Enfield Council borough.
The information would cover if police were in attendance, if calls were made to the Environment & Street Scene Department by police, and any police officer information that the Environment & Street Scene Department holds about any police officer.

This information would also include any calls that were made from the Environment & Street Scene Department to police in relation to any Disused or abandoned buildings or any industrial estates buildings or open-air land that the Environment & Street Scene Department felt could have a problem with.
There is also an issue with the information in your email

1. 18/5/14: 3 calls after event
2. 19/5/14: 6 calls after event
3. 21/5/14: 1 call after event

But have not given the date of the event itself, are the below layout ones was when events have taken place as it just has calls at the end of the dates could you please clarify

4. 31/5/14: 2 calls
5. 1/6/14: 6 calls

Also, in your email it seems that there was more of a problem with crown road over some months but from how I am reading your email it seems no one ever attended from the Environment & Street Scene Department on any of the dates in your list can this also be clarified in more detail.
I know you have until the 10/03/**2015** to supply the information I have asked for. But I do feel your email was very incomplete, I do hope that I have not got to wait 20 more days now as I need all the data by 10/03/**2015** and I did ask for all information and I feel that has not been given.
Could you get back to me via email as to the time it will take to get all the information I have asked for within my request?
Regards
Lorraine

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.

While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,
James

	Dear Jackie Gubby Would it please be possible for you to give me a call on 0208 245 7454? Yesterday I got a call from the repair team in regard to a leak my son had in his flat from the flat above. They had to have a repair team out and shut my son lighting of in his bathroom due to the water leaking into the electrics and blowing out all my son's electrics. Today I got a call from the council saying they believe the leak is coming from the flat above 113 which would be 117 which is privacy owned and someone would be coming to see my son today from 117. The people from 117 have been to see my son today and have had someone check there flat and they are 100% the leak is not coming from there flat. And that they believe it is coming from 113 which is Debbie's flat the person my son has been having trouble with for over a year now and the council have done nothing about this. The people from 117 have tried to speak to 113 but she won't open the door to them to see where the problem is coming from. Just a little while ago my son saw Debbie care worker and he spoke to them and told them again what has been going on and he cannot take it any longer, the care worker told my son that Debbie will not even let them into the flat any more. Something has to be done as this has caused my son heath to go downhill badly and this cannot go on anymore. I am getting no replies to any complaints that have gone in and the ASB team are doing nothing. I have booked a date to see my son's local MP also now as this is having a huge effect on my son's heath, and due to the council doing nothing I don't know where else to turn any longer. I have just called the repair team and spoke to a lady Linda, who has tried to call 113 Debbie and could not take to her, so she is sending a letter out to 113 Debbie, Regards Lorraine Cordell **From:** Jackie Gubby [**Mail To:** Jackie.Gubby@enfield.gov.uk] **Sent:** 03 November **2015** 13:03 **To:** Louise Brown; Lorraine Cordell **Subject : RE :** Simon Cordell Complaint [SEC=PROTECT] **Classification:** PROTECT Dear Ms Cordell I am not aware of any outstanding repairs to your son's property. I received an email informing me that a **mental health warrant had been granted** for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations. Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council. Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it is a quick jab, in and out no one speaks with you. With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process, and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation

	either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews. Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support.

Home MHA assessment Recording!
Page Number: **Update Page Number** 1,
A Home MHA assessment got completed and Simon got assessed as to be not detainable.
This is the wrong date in the report?
On the 02/02/**2016** is when they used the section 135 warrant to come to my home with police. On this date I been at home and had no visit of the medical team, as for this was the date when the section 135 of the Mental Health Act
The Beeping sound starts of interview: --
"Muttering"
Simon: all of your people are not coming into my house.
"Muttering"
Mother: Three two doctors and one social worker.
"Muttering" "Continues."
Mother: How do I turn this television down?
Katie: I am not sure.
Mother: Simon it will not work out when you are talking outside.
Katie: Simon stops shouting.
Simon: I want to go through all the corruption.
Katie: Simon, Simon.
Katie: Mother! how do you shut the door.
Mother: Shut what door.
Katie: That door.
Mother: Oh, hold on, how do you turn this down I am turning it up.
Simon: How are you all doing welcome to my home, I am not too happy.
Sam: There is a few of us, I am afraid!
Simon: I understand.

Sam: Where is the best place for us all to sit?
Simon: Take a seat anywhere you are all welcome to sit anywhere there are seats available for everybody.
Sam: Then we will explain why we are here.
Simon: I am not impressed with your "referring to Elan" I see you and meet you before and I see what happened to you before.
Mother: How many people are coming in what's needed, to make this assessment.
Mother: The police said that they will wait outside.
Unheard voic**e:**
Katie: No, he didn't.
Mother: No, he didn't he said that the police would wait outside.
Sam: OK.
Simon: I am not impressed with how use lot are using your Mental Health powers to obtain, a warrant to come into my house under false allegations, stating of facts that are not true to get it.
Simon: you may take a seat anywhere you are welcomed in now and like to take a seat.
Sam: OK.
Simon: You got welcomed in now like I would rather you lot take a sit rather than I take a sit.
Sam: OK.
Simon: Take a sit, sir please.
Mother: No Sam, can I talk to you for a moment you said the police was waiting outside.
Simon: The police are not coming into these premises, you're not coming in, and you can get out.
Sam: Simon.
Simon: It's a breach of conditions.
Simon: I am explaining to the police.
Katie: You will get nowhere.
Simon: Because right now I got conflicting cases going on with the police, and I do not want that having an effect on the ongoing because of this.
Mother: His got serious issues with police cases at the moment.
Sam: Could we leave the door ajar and have the police at the entrance, is that OK with the police officers.
Sam: Yes, just leave the door open with the police not coming in, OK.
Katie: His exaggerated because of the police.
Simon: That is correct in practice and that is how it should be, that is professional.
Sam: OK.
Sam: OK.
Sam: OK, sure.
Sam: So, Simon the reason that we're here today is that concerns have go raised.
"Noise in the background made."
Sam: Oh, what's that?
Katie: Oh, it's all right, it's part of the printer.
Sam: OK.
Sam: A bout your Mental Health and we have gotten asked to carry out something called a Mental Health Act assessment, so were her to decide whether or not you need to get detained.
Simon: Section 1 or 2 or 3 and maybe a 4 of the acts in an Emergency.
Sam: Err yes.
Simon: I understand your procedures.
Sam: In order for that to happen and we have decided nothing yet that is why we want to talk to you.
Simon: There is no way that you can decide without being able to make an assessment off the case.
Sam: Let's just explain the legal situation first thing you can do you hip hop or so myself.
Mother: Let him, just talk to Simon.
Sam: Two Doctors so there is: -
Doctor: Albazaz
Sam: and~

Doctor: Amin
Simon: How you both doing.
Sam: For in order for the section to go ahead, they would both need to make medical recommendations and I would need to agree.
Sam: Err but we really just want to find out about how your mental health is two days.
Mother: So, who are all the other people?
Sam: They are from.
Aman: I am from the Mental Health team.
Simon: So, I met you the other day, and I spoke to you on the phone and I got through, I got large concerns about yourself.
Alena: Yes OK.
Simon: Because this is how I will prove that you put wrong statements of facts in to get this yesterday I spoke to you and I spoke to you two days ago and did I not say to you and you said to me, at 14:22 I got you on the recording and I will play your voice to you in a second.
Mother: You do not need to.
Simon: And I would like you to honest did I not say to you that you got allowed access to my house whenever you would like on the phone last week and the week before.
Alena: Yep yes and that is in your notes.
Simon: So how has this court order got obtained under the grounds that I have not given you access, the form got filled in and when you fill that form in to get this court order it's supposed to get filled in their statement off facts of truth and that gets said under oath to a judge, someone has filled that incorrectly and you have just, absolutely, admitted that I have said that it's OK for you as I have given you permission to come into my house now.
Simon: So that court order is a breach of violations.
Sam: That is the other thing we got a warrant to come into the flat.
Simon: No, the warrant is self is valid by a judge, but the fulfilment of that warrant is incorrect.
Simon: Am I correct in practice, madam.
Alena: You have said that I can come to the house the issue is seeing the doctors.
Doctor Xxxx: We came last week, and you did not allow us in.
Mother: Hold on can I, say something.
Simon: May I say some think to you two days before that before you attended my premises for a month prior, I had a gentleman phoning me called Goodie, I was speaking to him and we were making good relations.
I liked this person attitude I liked how he was talking to me, and I thought maybe this person might help me prospect and go forward in my life, so we were building good relationships.
we arrange a meeting for him to come around to my address his says OK his coming round his going to bring a friend a colleague, I said that is perfect he said his bringing Sandra with him.
They both coming to this house and I invite them into my home.
It was tidy and it smelt clean they check the fridge and that then they took a sit down on the chair.
Sandra sits where your sitting today yes Allan two minutes later her phone rings she gets up and she walks into the hall way and then she is on the phone in the corridor yes, this door is slightly, left ajar and Goodie took a seat here.
I talk to Goodie and I showed him my business plan and I started to show him things that I am doing in my life and things like how I am going to help this community and I am going to be a good tenant and resident of the United Kingdom, he seemed happy and said that he was amazed, I am amazed Simon, to see the good things that you are doing and to see all the management systems and to see all the files that you have here.
Five minutes later the woman walks back in and she goes Goodie we got to leave, so she stops the interview that me and Goodie are having and they both leave the premises.
Two days later Goodie says to me, hold on before he left, I shook hands with Goodies and Goodie said: when I get back in four weeks, I am going to be your case handler Simon.
I am going on holiday and in four weeks, I am going to come back and I am going to visit you: in four weeks, I said Goodie that will be nice to see you again in for weeks, yes, OK.

Simon: Two days later you're self-Alan and another woman named Sandra turned back up to my front door unannounced, the woman who was so rude, when she come in and cut our interview.
Katie: No notification at all.
Simon: She writes no notes down, she took no information.
Katie: Why did you not contact him?
Simon: now can I speak to yourself and I explained to you lot at the door that I do not feel comfortable that you have turned up un-announced, I have got a visitor coming to my house and I do not want them to know my personal life, right now I am trying to make a good impression of myself to people and not show them that you are here, this could be a business prospect or a business chance I might have in the future, so you lot might tarnish that chance for me by being here, so please can you make your self-announced when you're turning up to my address, which is fair and you took offence and you threatened me I have you on camera as well because I explained to you that you was on it and I said to you, you said to me, that I will get an order and I will bring the police and come into your house I said you do not have the right to use your Mental Health powers like that.
Doctor Xxxx: I think I explained to you that where not disputed to be the facts I told you if you not allow us access.
Mother: But he has allowed you access his allowed two sets of Doctors
Doctor Xxxx: Not too me.
Mother: No but he allowed two doctors.
Simon: No let him speak, let him speak because I will listen to him no go on sir.
Simon: Sorry mother.
Katie: No stop.
Doctor Xxxx: I told him that I am the independent psychiatrist, and we were there to carry out a Mental Health assessment and you insist that we only talk to you outside and you did not want us to come in so we told you.
Katie: So, should you not notify him beforehand.
Doctor Xxxx: with the mental health assessment, we do not need, I do not have to.
Simon: They do not have to the amp do not have to do that because they're two separate bodies.
Sam: Si I think if you got complaints about what has happened up till now that is fine and you can make that.
Simon: Procedures.
Simon: No, it's not just complaints it's you are in my house right now under a statement that this woman has clearly, just said to you has gotten filled out wrongly, and being handed to a judge to breech my private and family life.
Sam: Well we have used the warrant to gain access today.
Simon: Yes, but she is admitting that that warrant has been full filled wrong.
Simon: She is admitting they filled it out wrong so to breach my Human Rights.
Sam: What I would like to focus on is your Mental Health at the moment and if you need any help with your Mental Health and what is going on with you, can we talk about that for now Simon?
Simon: Sir I am happy to talk with you, sir I am happy to talk with you, I am happy to talk to a degree with yourself and I am just going to go this with you.
Sam: Because how what is your own view about your Mental Health.
Simon: My own, Health, my Mental Health, I am of good Health right now I am of good mind, body and soul, right now if you would like to see the work that I am doing I will show you what I am committing myself to every single day I can show you what I do myself, I feel an offence with the way things have gone because I was building good relationships with Goodie there two separate departments and one does need to refer the other one to yourself to come into this house Sharon has not been.
Mother: Sharon,
Simon: Sharon.
Mother: No Sandra, sorry.
Simon: Has not had permission of the department of Simon Clark, whom is the manager and Debbie is the manager of the other one they did not have the correct protocols in place for Sandra to be able to go and get this court order, but even low I will continue with what you are saying let's just forget about that it's finished.

Sam: At the moment you are talking quiet, fast, I know there is a lot of strangers that have come into your home and it must be a difficult situation.
Simon: I will speak fast.
Sam: Is this how you.
Katie: He is frustrated.
Sam: But is that, is this the usual self?
Simon: This is how I will find myself and I will explain my self, if I find somebody who is of a higher profession and gets paid the living wage the same as you do when and got the education took to be able to look after myself or another member of the public I respect you the amount of time it would have taken you to do that and the hardship it would take for you to get that stage so I know that I am educating myself and that I am of a lower education to you so I believe that you should be able to understand and keep up the pace your time is valuable to yourself and valuable too me, so I want to use that to its most efficient as possible if you want me to slow down and speak to you slower.
Sam: If you could slow down because it would also show us that ability to be calm because that would make us be able to understand your mental Health at the moment.
Mother: Yes, but he speaks fast.
Sam: He always speaks very, so this is Simon's usually personality.
Mother: Yes, he speaks fast.
Simon: I might be a bit happier in general.
Sam: Yes, this is a difficult situation right now I appreciate that right now.
Simon: What is a difficult situation right now?
Sam: The Mental Health assessment.
Simon: The only difficult situation is the that this is being paired off on too me, in such a way, when I am sitting here right now every day working my hardest righting files to look after every other member of the public and I am being treated, differently, I am an equal to your self's and we are all equals.
Doctor: We can understand all that we can understand all of that, but there Is concern raised about you that is why we are here, to assess the situation to see how and if you need any help or if we could offer any help, that is the reason too, why we are here.
Sam: How is your sleep at the moment?
Sam: Sorry to interrupt you Doctor.
Doctor Xxxx: So, it is because there is concern about you and that is why we are here.
Sam: How is your sleep at the moment?
Simon: But why are their concerns about me at the moment if I have not spoken to my doctor in years and use lot are the only people that seem to have that concern and that concern got based on this gentleman who has come to my door and I never gave him access.
Doctor Xxxx: No before that.
Simon: Before that, the only other concern was that you lot came here on the 8th December **2016** and there was no issue there I explained to your self's and everybody got comfortable and you all left me and if there was a concern, you would have raised that yourself s as professionals.
Doctor Xxxx: Tell us about your neighbours.
Simon: My neighbours I got a letter of every single one of my neighbours here right now I got a letter from my next doors I got a letter of them; I got a letter of every person here now saying that I have lived here for eleven years.
Doctor Xxxx: Please allow me to talk to please when we talk, listen to us and we will do the same to you.
Simon: Yes, for sure year for sure OK.
Doctor Xxxx: Yes please, yes so there is concern about you regarding the neighbours you feel that the neighbours are harassing you.
Simon: Who?
Mother: No that is totally, wrong.
Sam: I think it would be better if you let Simon talk.
Doctor: No let him sort this.
Simon: The only issue that I have had with my upstairs neighbour.

Doctor: No please let him talk.
Simon: The only issue that I have had with my upstairs neighbour is that she is under your team of assessments, she accepts money from you and she is supposed to have a network in place such as your self's, now I have been living in this house for eleven years she moved in here seven years ago, when she come here she was already an alcoholic the alcoholism takes perception takes over the perception off her Metal Heath she was paying for herself to be drunk, you lot have got duty of care of her, she would not get a liver transplant in them situations that is why she does not really get much help at the age she is of your self's I expect because there is other people who deserve the chance a lot more than what she does.
Sam: Have you had any difficulties with her.
Simon: Now what she does I have not had no conflicts with her.
Sam: OK.
Simon: But I have always helped her I pick her up and take her shopping when she would have her stuff coming in and I would lift her shopping upstairs, I would carry it up to her house I would see her and I would always be polite to her and say hello, blah, blah, blah I would lend her a £10.00 I would never let her In this house because I could feel something was wrong with her yet.
Katie: She used to knock and ask for money.
Simon: She used to knock on my door every day knocking, knocking, and knocking.
Simon: My last girlfriend used to be so paranoid for 13 years because of the amount she was knocking on my door and she is another female but I would never let this woman into my house I would keep her at arm's length I knew that she was an alcoholic so I would keep a few beers in my fridge for her I do not drink alcoholic myself I am t a total.
Doctor: Have you ever had any conflict with her have you ever threaten her.
Simon: Why would I threaten her I would never threaten another person.
Doctor Xxxx: Never.
Simon: I got a letter of her right here that I am the best neighbour in the world I will show you them.
Doctor Xxxx: Were.
Katie: She is causing problems.
Mother: He is having problems with her in the sense that.
Simon: She won't leave me alone.
Mother: basically, she won't leave him alone.
Simon: She keeps stalking me under the criminal justice act 1997.
Mother: She keeps putting the letters through his letter box.
Doctor: OK.
Mother: And basically, I have been trying to deal with the council with that and there is a year's worth of emails.
Simon: And she is always drunk.
Doctor: What is the content off the letters?
Simon: I have some here, right now loads of them.
Mother: she is sorry, she is sorry for
her behaviour of keep on banning.
Simon: No, I am total I like to look after other people.
Doctor Xxxx: We understand that in the past we have had some anti depression with depression and you.
Simon: I do not think that there is a person in this room that has not felt depression once before in their life's them self's.
Sam: No, No that's right.
Doctor Xxxx: No, no talking about Mental Health issues, so you had depression.
Simon: When I was a kid, I hard upbringing in North London, Enfield but as you can see here right now,
I have worked hard to keep myself up a float.
Doctor Xxxx: Yes, yes, that is good.
Simon: I keep myself clean I keep myself with everything I need.
Doctor Xxxx: Have you taken any medication?
Simon: I got no need to take any medication.

Doctor Xxxx: Not in the past Simon.
Simon: No, I have never taken medication.
Doctor: Have you ever taken any medication?
Doctor: How was your desperation cured?
Simon: How was my depression cured, I meet and let the beautiful people in my life and they have helped me along the road and every time somebody else might go somebody else new might come along and help me.
Doctor: And has recently, had you been feeling low in mood and depressed?
Simon: Recently, I wanted to get my civil liberties back because they have got tarnished by the police because a section 63 what to a degree what they done is set me up for being my friends to black boys funny and
I then knew that I could have not committed the crimes that I am being accused me of and another police officer knows this and he is coming as a witness a superintendent is coming to talk.
"shh"
Doctor Xxxx: What crime are they.
Mother: We do not want the police to hear.
Simon: Listen there are serious issues there in a lot of trouble.
Sam: I mean we are not here to talk about all the criminal aspects, we are really concerned
about are your mental.
Simon: I am Mental.
Sam: What I want to do.
Simon: I am defiantly, not mental.
Sam: Questions that we ask everybody to help us understand your mental Health at the moment do you, have you got any racing thoughts do you find your thoughts going very quick.
Simon: No all I do is working every day on my business plan if you want to see that I will show you.
Sam: that is fine and answer, their questions afterwards.
Sam: How is your sleep at the moment Simon?
Simon: I sleep perfectly, 8 hours a day some time nine hours a day and that is at the most and I stay up latter in the night, I work better on the computer at night times when It is quite and everybody is not making so much noise and there is not so much banging about because I am doing a lot of writing so I stay up late sometimes it can change I can stay up latter at nights but I then come back to the day time and make sure that I manage and everything my life so to make sure that all my paper work and ever think Is In correct order, like what I need to do, then I can go back to my place of work my place of comfort
which is there sometimes?
Doctor: Are you eating?
Simon: yes, I am eating.
Sam: how is your appetite are you eating OK and any I know you said.
Simon: I am a size 36 jeans.
Sam: Are you feeling any low mood at all?
Simon: I want my civil liberties given back to me.
Mother: A bit stressed, but it's due to the court case.
Sam: OK.
Simon: A Section 63 should not be, I basally won my case in court and I won it In court and the judge knew I won it because the facts of the matter are a section 63 you must have trespass for it's a key element for that law to exist, I do not have tress pass on my criminal record so I explained this to the judge so she said do you know what you are right, then what she done, was said: do you know what you are right then what she has done I got the transcripts what she done was breaching my human rights she told me that there is no difference between private air and public air.
Mother: No know what she actual turned around her exact words was that, basically, the applicant the case got based on illegality by the applicant.
Simon: They darkened my name in the newspaper.
Mother: Yes.
Sam: Yes.

Sam: I just popped out to the police officers to let them know everything is all right so the only other thing, sorry to Interrupt that so the only other thing have you threatened any cops so I know you're stressed at the moment has it ever affected you to the point, where you have felt life Is not worth living or other things.
Simon: No, I want to continue with all the things that I am writing, I when I show you what I am writing.
Sam: OK.
Simon: Wait a second, I got to wait for my computer to turn on.
Simon: Then you might be able to understand me.
Simon: This Is all the things I have been doing in my life I have been building a festival I been building my constitution, learning everything that I need like getting all the systems that I need In place the health and safety files all of my food safety all the files I need to look after any other person all the support programs that are in the areas and stuff like that that can get done every think is all categorized then I got all like adult and youths files and all my continuance plan I got everything that I need I got all my disability rights and all the rest of it.
Doctor Xxxx: Can you tell us exactly, what your work is all about.
Simon: I built a festival, and I built err a website and that website is going too; basically.
Simon: Built a company that I can manage that is a worth it and I will be able to.
Katie: Is an entertainment company.
Simon: Yes, it's an entertainment company.
Simon: But at the same time; I built a charity; basically, I got the business directory and what I have done is written a constitution I wrote the memorandum of articles and articles of association so what I can do is define different people in different areas so rather than just having a community hall where someone like a government would sponsor to the public or to somebody a team of people of beatifies, so I made my website so I can have six different beatifies "Directors" in different places across London.
Doctor: How long have you been building?
Simon: I have been building my company for about 10 years in total it takes time like the website.
Mother: Well his been building it.
Doctor: Hold on please.
Doctor Xxxx: How have you managed to get any jobs.
Simon: What do you mean within the website?
Doctor Xxxx: Anywhere.
Simon: Yes, I have had jobs, but it was in slow little pieces and I got shut down by the police as I explained, in the transcripts I got a judge saying to me, that I have to have permission to have private party's like in my house.
Katie: It's an addiction.
Mother: I am sorry does anyone want a cup of tea or something.
Sam: And team: No were fine thanks.
Doctor: What do you do with the big printers?
Simon: There for part of the company.
Simon: There for graphics.
Simon: I will show you now.
Katie: You know the sign writing that you `put on vans.
Sam: Oh yes, I know.
Sam: It for poster's and things.
Katie: yes.
Mother: Yes, posters and flyers and all that type of thing.
Sam: And like things for a festival.
Katie: Yes.
Mother: Yes.
Sam: OK.
Simon: No what It for is I got my catering trailer and so forth, which is going into my catalogue and is over there.
Sam: yes.
Simon: There are loads of sections and it is a bit hard to through with you.
Simon: You can have a look at it yourself; this is what I have been doing.

Sam: Hmm.
Simon: This is what I have been doing, this is the formation of the company which has to go to the commissioner and the director for CIC Company, now what this does is show how I am going to register the company and my interest in the company and how I would do it.
Simon: This is a description off company in which it intends to help.
Simon: Too Smooth's business directory it is a CIC Community Interest Company Association representing residents living in the whole of the United Kingdom and those who are signed as a member to its online functions, this got achieved by governing its members who will get signed into the use of the Too Smooth Business Directory and form. Too Smooth Business Directory gets hosted within the World Wide Web.
Simon: I will show you it I got a business directory, and I got my own LTD company section, what I will do is donate the business directory section to 6 directors.
Doctor Xxxx: So, what your company can do is help people in the whole of the United Kingdom and those who are signed a member to it functions.
Simon: Yes, that is correct.
Doctor: So, who gave you the authority to do such a thing?
Simon: Who gave me the authority?
Simon: Who gave me the authority if I own my own building it's up to me, if I want to sponsor it, if I wanted to sponsor you some think I got the right to sponsor it if I own it is up to me.
Simon: I own my own website I built the code behind my own website.
Doctor Xxxx: No sorry I am just asking you how you can delusion that you can represent the residents of the whole United Kingdom.
Simon: What it does what you can yes this is the form that you can have I will show you quickly, now yes what you have to do is have to fill out this form here, now what I am doing is letting six other people help manage my company.
Now normally, you would have them six people defined in one area which would be just this area but because I got the internet and I am governing the internet I can have six separate directors one for this borough one for this estate one up in south, then one there and that means that there all managers in different areas, so that makes it so that I have a constitution and defined what sections I want, because I am not governing just one building like the old community halls used to do I have done the whole of the United Kingdom.
Simon: So now I got six people that are all directors that will all have access to a section of my business directory now what they have is they have the power to give the rest of the residents on the estates a login now they can all long in and it has a face book link and the rest and they can click on that to the Donor cause to be a Donor to any cause selected so one person say there is 33 boroughs in the surrounding areas I would have 6 of the boroughs that are company directors yes so this will be one my mum would hopefully be one I would be one for these estates and there would be another one for another area and another one for another area and they will all have log-ins.
Sam: So, it is a way of expanding your business.
Simon: No, it's not a way of expanding my business what it does is expand a Business in the Community, not for myself. because what I do is give this to beneficial which is the commissioner of charity's for England and Wales, this is who I am writing this to now asking him or her and showing them this is my proposal to you this is what I built and this is how I want to help people and with this I will be one of the first people to govern the internet and I will sponsor my business directory to the people and that is how I move on.
Doctor: And then what is the benefit of this business of the people.
Simon: I will show you what they can do this is coming along and they can add a business card to a business card directory so that they can show other people their business new starting business and existing company profiles.
Mother: Here let me show you the website.
Simon: Why just let me just do what I am doing for a sec.
Mother: Then you can show them the business directory.
Simon: Look if you would like to take a read through it, but it is not something that will take five minutes, it has taken a lot of work and a lifetime of work at that, so to be able to build it for the people exactly, how I want it done.

I am rewriting Glastonbury and others management system' and this means I am looking at the big people behind me and how they archived what they wanted to achieve I am achieving exactly, the same goals, but I am just doing it today in today's modern world and that is it.
Sam: You mentioned before that before all of this happened that you were getting on well with Goodie is that some correct Simon, how would you be if you did not go the hospital today, would you get prepared to meet with Goodie again?
Simon: If I did not go to hospital.
Simon: Well year I would be happy to meet Goodie again but it depends under what grounds there is no reason for me to worry about meeting him over than the fact being that I am just a good person doing the correct things.
Katie: Is he not on leave at the moment.
Woman: In the background: Yes.
Sam: Yes, I understand Goodie is on leave at the moment.
Mother: He is on leave.
Mother: He has already agreed to meet Goodie again.
Sam: OK
Simon: "Referring to the doctor" If you would like to read a bit more sir, you just seem real interested and I love it when people are interested in my work yet.
Sam: I am just going outside to see how the police are.
Mother: If you show him the website.
Simon: He would, probably, understand a bit more.
Simon: Have you seen the website before?
Katie: No one would.
Simon: OK, I will show the website now.
Katie: Basically, you can hire out sound equipment.
Doctor: So why have the police stopped him.
Mother: and what he wants to do is community events, he has done a couple in **2013**, like he has done Ponders End festival with the council he done, Lock to Lock.
Simon: what I own at present is an LTD company which Is Too Smooth Ltd, which is my Hire of provisions company now what I want to do is keep Too Smooth Ltd as an umbrella company I want to be able to maintain my limited foundation under that and manage a charity in co-Hurst it Is for the community, what they can do is advertise in the business directory its like118 but It is a digital business directory.
Doctor: So, the charity is a business directory.
Simon: Yes, that is what it is.
Simon: And what they can do is you can come along and advertise your business, what you would do is set fee and that money will go to a chatty bar at the top and It goes to the local community.
Simon: This is another folder that I have built this is a charity that I have been building.
Simon: And this is also what I have been building for Bliss a sponsored walk that I have been building for a company called Dem's working alongside Bliss.
Simon: "Referring to another binder".
Sam: Simon I just wanted to ask you a few more and I know its 100 questions and you got all these strange people in your living room, but if I could ask you a few more questions, do you?
ever hear voices when no one is around.
Simon: No.
Sam: And the police I know you got these ongoing court cases and I do not want you to talk about the specifics of them, but do you think the police have a kind of conspiracy going or something going on with the polic**e:**
Simon: I will show you one or two things that are going on at the moment.
Simon: These are the letters going on with Debbie I will go through a couple off them with you so you can see a bit off everything that we have talked about.
Simon: Take a look at this “I show letters of Debbie."
Mother: Keep your voice down Simon.

Simon: The National call centre is a million-pound centre, yet and Met cc time stamps can't go backwards. For other start what colour am I, can every one answer me what colour am I mixed race would everyone agree that I am mixed race or light skin for a start year now I would like to show you one little snip lit, here this is a 999 call.
Mother: Sh.
Simon: This is a 999 call, and this is what I have got accused of, caller states on the day there were about 20 people pulling into this estate, I was in this house on this date yet I could never have done it, I could never have done It, I have not even done a house party for nothing for years, caller looks like they're planning to an illegal rave, caller states they have brought in alcohol and carrying decks, caller states they are carrying box's.
Katie: Who's that at the door?
Mother: I am just doing it because he is talking about the court case.
Katie: His not doing anything wrong.
Simon: Please stop for a Sec.
Simon: Caller states he can see them bring boxes into the building and states there defiantly all there.
Simon: Caller states they are all males and females and are all white people.
Katie: They're trying to listen to you outside.
Mother: They're coming in and they can hear him.
Simon: All white people.
Mother: You're trying to hear what he is saying and talking about his accepting a court case.
Doctor Xxxx: Yes, that is bad.
Simon: So that is impossible for me to have done as I am mixed race.
Simon: So that is one bad quite think yes, but let me go to something else that is even worse that is a bigger problem yet.
Sam: I would Amal your part of the team could Goodie come.
Amal: It could be the way Goodie could come here or you could come to them.
Simon: Then what does this do this tarnishes my medical record, then when people what to see me looking after other people in life, it looks dead, Because right now I got the cleanest name in the world apart from the police darkening my name in on the website to which I have not because I have the transcripts I will prove that in a couple of weeks.
Sam: But Simon it won't all this is.
Simon: but I will have a clean name again, and I do not want my name on no mental health charts.
Sam: But.
Simon: It won't all this is.
Sam: There is a difference between people carrying out an assessment to see if they have a Mental Health problem.
Simon: Yes, but this is an assessment right now.
Sam: Yes, this is an assessment.
Simon: But what we are talking about is as if I have a problem and now you want me to go to meetings.
Sam: No but to have a proper understanding is whether or not, you got the illness.
I need to see you a few times and for you to see a doctor.
Simon: Do you understand what that would do to your career if someone were to do that to you right now saying that, would put you under if someone come along and done that to you and your living, right now her then that would tarnish the rest of your career
Sam: Unnecessary Simon because there is a difference between.
Simon: I am working hard.
Sam: I can see you have a really strong business face. What is there a difference between you being assessed and people cheeking that you are OK?
Simon: But it will not be the same as every time you have already done this. Sam**e:** No all I am saying is that is a few, perhaps have a meeting with one off the doctors in Goodies team.
Simon: Why would you want that from me?
Sam: Because doctors have a Pacific skill to do a proper further assessment.

Simon: Well I feel that is what you done today and you know that you are intelligent and you know that you will leave me.
Sam: Well but I think it.
Simon: And you will know that I am healthy as anything.
Sam: Well I just think that tit is just not in you want, it will be in a period of times over a period of time.
Simon: So, you say I need another assessment then another one in a few months, what you're telling me is that it will not tarnish the rest of my life.
Sam: No because it may not be.
Simon: So, I will not get my medical record and it going to say Simon should not look after 50 kids today because his slightly, mentally, ill.
Doctor: Simon.
Sam: Simon is not having a diagnosis which has some different thought no one was diagnosing you with any mental illness at this point there has been concerns raised so it is just a matter of people wanting to do a further assessment and this is part of it and what I think we would like to do after today is for you to see someone.
Simon: I will take your advice for a little while.
Simon: As long as you're not sectioning me and you are not a doctor.
Doctor: Simon, Simon because of all the things like this you could get shot up again "Muttering" from the services if the team follow you and see you for a couple I do not know for how long.
Sam: If you do not see people and they have just got these concerns the people will just worry about you.
Simon: But there is no reason to worry about me.
Sam: Well it is just because they haven't had the chance the opportunity to do a report and assessment.
Simon: I got my court case coming up soon and I cannot wait to prove my innocents and then finish the rest of what I am doing and put every one right once justice gets done, I will be happier more than I am.
Doctor: So, this is it you are most likely most likely most likely you will get discharged at the end of this if they cannot prove that you are mentally, ill.
Sam: Health services in the future, they can have a look and they will receive a copy of the assessment OK, what I need to do is just have a quick chat.
Katie: His had no problems in his life.
Simon: Yes, I have had no problems in my whole life and I am 35 years old.
Sam: That is fine.
Katie: It is just how everyone going about it if you go about it the wrong way you will get defensive and that has happened.
Sam: Yes, I can understand that people coming into your room with some really negative issues from mental Health services.
Katie: It is not just that.
Sam: OK.
Katie: It is not just that this guy has gone mad.
Katie: It was unnecessary to bring all the police today to be honest.
Sam: I know well, I walked into this situation for the first time today.
Katie: There dread, so you know no previous.
Sam: Previous.
Sam: What I would like to do is just have a quick word outside with the doctors just too quickly, decide what we want to do and come in and let you know which will take a couple of minutes
OK.
Sam: OK.
Sam: Simon we are just going to pop outside with the doctors for a couple of minutes and then we will come back and let you know the outcome of the Mental Health assessment OK.
Simon: You have left your bag here.
Sam: I am coming back in I am not leaving it, but you can hang on to it, I am sure it will stay safe here.
Doctor: Have you been out on your motorbike?
Simon: No not for a little while now.

Mother: No, he has not been using it.
Simon: I have just been staying indoors and relaxing for a little while, but I have kept it as an asset to be able to sell when I need to make some thinking constructive with it.
Marry: Simon my name is Mary I am one of the senior Parton's in the home treatment team.
Colin: I am Colin
Simon: How are you both?
Marry: Both of us work in the home treatment team.
Simon: It must be a hard team to work in some time.
Mother: Can I ask a quick question.
Marry: Yes.
Mother: Err due to the conditions that he got put under by the police he will not go out because he feels low the police are, constantly, on him and he's worried.
Katie: Is worried that he will get put into prison.
Mother: So, he will not go out until all of this appeal is over with and everything else and he gets his life back.
Simon: I have gotten set up, and I have done nothing wrong.
Katie: Simon, Simon, Simon.
Mother: His got an assessment tomorrow with ESA and his no going to go up there until it is there anything the mental health team can do.
Simon: Have you got the warrant.
Mother: Yes.
Mother: And can say can you write on that and give us a copy that It never got executed and that he allowed you entry.
Sam: I suppose the best thing to say, well it is up to you, you let us in so I can suppose we can say that and then send it back to the court.
Katie: Yes.
Mother: Yes, but can I keep a copy of it please.
Sam: Yes, will give you a copy.
Mother: Yes wonderful, thank you.
Simon: Would use lot like a drink.
Marry: No thanks.
Gentlemen's voice: In answer to your question and I do not have a clear answer "Muttering"
Mother: No, it is not basically, he is on six conditions at the present moment until this goes to the appeal.
Katie: It is not a curfew, but it is because he may not go to places.
Mother: Like to go out down the motorway after 10:00 pm his not allowed onto industrial estates and can't even stop at a petrol station `
Simon: I have been looking at her for over three years and I have not even got found guilty or arrested.
Mother: His got an appointment tomorrow I have contacted them and said that it will need to get rearranged and I told them that he was getting an assessment today.
Marry: Yes.
Mother: Hmm you suggested that I have contact with them.
Marry: Hmm, Hmm.
Mother: And basically, they asked me to update them today as too, what is going on err, they're open till 8:00 pm tonight.
Marry: Hmm.
Mother: High bury and Islington.
Katie: High bury.
Marry: Islington.
Simon: I am barred from the whole of the central London.
Mother: Err the building because it is classified.
Katie: His not allowed in any form of industrial estate like you know where. Salisbury is and toys r us Great Cambridge RD he can't go to the McDonald's after 10:00 pm or anything.

Simon: I cannot go MC Donald's or any think. "Muttering"
Simon: If I go into any night club I need permission any night club if I walk into a house party and you got more 20 people in your house I can go to prison the problem is normal you have got private air and public air I got freedom of speech in this house this is my private air and that Is what I believe this is our human right and what crated our statues of liberty's as human beings, now what they have done because the buildings are in side there treated as people private homes and that Is their way of living so now what they have done is breach all my human rights and all the rules and regulations and say that private air and public air are the same and that is what they have do to give me this application.
Simon: Now what the judge has written is she has written I may not have no private birthday parties in this house today if I give you an amp and you take an amp to your house if you have 20 people listening to music on that amp in your house then I can go to prison I full fit for your actions
Carl: Does it say 20?
Simon: Yes.
Katie: Yes.
Mother: Yes, but that is written in the section 63.
Simon: But they're not allowed to do that in a house in a house I allow as many people as I want like normally, you can have as many people as you want in here.
Simon: Section 63 is for outdoors unless tress pass has taken place, but they want to use it in to do me I am standing up for everybody.
Mother: It's absolutely, wrong and there is an appeal, but the appeal taking
Marry: If it is your own place you can do what you want.
Katie: No, his not allowed, under the.
Marry: What is that a section 63.
Katie: I do not know the sections I know what the Asbo restrictions cover.
Sam: Hmm Simon I will shore that you are pleased to hear, that you are not going to get put under a section of the mental health Act today. Cheers in the room: -
Sam: You are not going to the hospital what would in courage you to do is to meet up with goodies and see the doctor in the Goodies team because what I think is If we got some thinking on file to say that there has been an assessment no Mental Health illness got found, so next time someone phones up we got that on our record because if you get some contact to say that there is concern about Metal Health we have a duty of care to check what is happening.
Simon: A duty of care.
Sam: So, have the assessment getting out of the way.
Simon: So now that you have said that this is exactly, the point that I wanted to raise her upstairs your team has a duty of care of her, now these letters are the letters that she has been writing me, I was in a 13 year relationship and she was stalking me, following me around but I never paid her too much bother to me, because I did not have all the court dates and orders on me so I was not in my house all the time.
Simon: Eventually, anyway I broke up with my partner and this woman wrote me letters suddenly, this shows how drunk she was and her mental state of mind in the letters.
Simon: She is like dear Simon I thank you for your support through alcoholism.
Simon: So, she is admitting that she is always drunk.
Simon: I was a where that I knocked on your door and borrowed money approximate £7 around 8 times.
Simon: So, you can see that I am always giving her money.
Simon: I am always giving her money.
Katie: That is because she is asking for it.
Simon: Yes, she is knocking on the door.
Simon: And then she is like I do not have the way or the means of stalking you.
Simon: So, she clearly, understands that she is stalking me and I am saying to her please can you stop what you are doing to me, she keeps writing it when she is drunk, it is my life.
Simon: Now because of the case I am spending 24 hours a day in my home, do you know what she does, sir she comes here and she gets the tap in her flat that the manufacture intended it to get built for a purpose and that is

not in the way she uses it, what she is doing is sitting there at the tap and I mean she sleeps at the tap " Description of her using the tap" going bang, bang, bang what it was like is someone, had turned the pressure up by the stop cock.
Doctor: Can I stop you there please.
Simon: What it is I cannot even take my clothes off in my own home as she will stamp and follow me bang, bang, bang, bang on the floor all the way into the bathroom.
Mother: He has so many witnesses I been trying to get the council to help with no luck.
Sam: Have you raped I mean, surely, the housing officers know that the.
Mother: I have been I have been.
Simon: the police will do nothing.
Mother: I have been trying to deal with it, I have gotten emails upon emails upon emails that I have sent begging the council to deal with lady upstairs.
Mother: Even when I am here, she follows me into the bathroom.
Simon: There are loads of them here she writes me so many letters so many letters.
Simon: Yes, and none of my friends can take their clothes off in this house or nothing ` because of what she has been doing.
Mother: It feels like she is continuing on top of your banging.
Simon: What she does every time she hears a computer keyboard; what she does is she will stand there and she will; (Mr Simon Cordell makes a loud banging sound.)
Sam: And it sounds like there is no sound proofing here at all low.
Mother: No there is not.
Simon: I cannot even work in this house because of her I mean I have been sitting down in this house for the last year still just waiting for her to stop banning and this can cause my sleep pattern to mess up a bit from time to time still.
Sam: No, I am fine, I am fine.
Mother: And I got emails upon emails asking the council to address it because it is not fair on him, he feels as if he has no privacy in ` his own home.
Simon: Look Simon, thank you I think I have sorted it and I believe you and would bend over not to make an emissary of your life sorry I cannot see leaving just the wedged head board.
Katie: There are plenty of people who have been here she has done it too me.
Simon: This is how drunk she is when she wrote this.
Katie: You can hear her.
Louise Brown: Do you live in this block too?
Katie: No but I am always here I am, here a lot and I am also here a lot when mum is not here, I mean a lot of things have happened.
Louise Brown: yes.
Katie: So, it is not like he is making things up as it has gotten seen by a lot of other people and no one does anything as it is a council place for him.
Katie: I even told him that he should move away from here.
Louise Brown: Hmm.
Simon: But do you know what she means by the wedged head board yes like I said a Christmas last Christmas I brought her a box of chocolates yes and I gave everyone in the block a present yes times where hard for me as this time because I had not been up too much because I had been on curfew for two years all ready at that stage yes in this house Simon so I brought t them their boxes of chocolates then In a couple of months later in February she did all this banging on the tap on purpose and stamping bang, bang, banging but just before that she knocked on my door one day and asked me to go upstairs into her flat and help move her bed out this was the first time I had been into her flat I have not been in that flat for years since she has lived there but I still went up there as a gentleman I went up there and I went in to her house and the house smelled right it was clean but it did not just smell clean so I felt funny as I am one of them people that as if "She is lazy why is her house not clean" how could she invite me In to her house like that so I quickly moved the bed fast and UN-done it and got it out of

the house and got out and got straight back to my own house yes and that is why she wrote that funny bit about the head board .
Simon: You are being the best neighbour in the world Debbie and this is the sort off letters she keeps putting into my front door.
Mother: Even the council ` has turned around and said that she has a fashion-nation with my son, but they're not doing nothing and it's driving him, he cannot even go into the toilet and have a
bath as she is on top of him banging continued.
Louise Brown: Hmm OK.
Mother: Even when I am sitting here and I go to the toilet and she does not even know that it is me and she does the same too me, and It makes you feel and the council are really not doing nothing about it what so ever.
Louise Brown: Hmm.
Mother: He knows that she has got problems.
Louise Brown: And this has been going on for how long a long time.
Mother: A year.
Louise Brown: Oh right.
Mother: And I put a complaint in because Dawn Alena is his council officer.
Louise Brown: Yes.
Mother: I was making phone calls and saying to Dawn Alena, please try to address this you know please it's going to far now.
Louise Brown: Yes.
Mother: And she wouldn't come out she wouldn't deal with it and wanted Simon to come up and visit her and basically, I put a complaint in and the they said that they're going to put it over to the anti-social team and they wouldn't do anything then a Louise brown took up the case after months of not doing any think and I am writing emails upon emails and then they come out she did not take one note and he has video tapes recordings and every think and you can hear it and you can hear the taps were she was using the taps and they had the pressure up so high the noise that come into his flat was terrible the noise she was just turning it on and off on and off on and off.
Mother: He could not even sleep propel.
Louise Brown: How old is she Simon?
Simon: She is four years old now.
Mother: How old is Debbie.
Simon: Oh, she is about 12 years older than me I would say.
Louise Brown: 12.
Katie: Oh, what the dog.
Simon: Oh no the dog is four, four years of age.
Louise Brown: Arr.
"Muttering" 45:14 till 45:34
Katie: She might be older than that.
Mother: And like I put a complaint in because the Anti-Social Behaviour team was not dealing with it and they was not taking the issue seriously, and that got put in October of last year and we have not heard a thing, so I keep asking them when are we going to get a response from the formal complaint that got put in because you are not addressing thing correctly.
Louise Brown: And nothing.
Mother: nothing she phoned because I think she made a mistake, because he phoned Louise, and it now I mean Debbie was going off constant banging and he could not work or any think and it is annoying to him so he phoned Louise up and he always gives out my number so she phoned me by mistake and I turned round and said to Louis I said I said She said is Simon Cordell there I said no who is it she said it Louise Brown.
Louise Brown: I am Louise brown.
Mother: Oh, so you are Louise brown can you tell me why you have not responded to my formal complaint I sure you have and I know.

"Muttering" and I have not deleted them err, yet in another email you will have a response fast and directly, but it is still going on now and it is now February and sill nothing.
Marry: No response.
Louise Brown: It can take up to four months later.
Mother: Yes, I Know.
Louise Brown: Any way.
Mother: And I have even been up because he has knocked on her door a few times when she was bad and really banging the council has
"Muttering" So that you do not hear it so badly, so bad when she is constantly, banging.
Mother: I mean, even the other day he had his entire bathroom ceiling flooded, and it knocked his entire electric out and he had to call the Emergency.
Louise Brown: Yes, the Emergency.
Mother: And he went upstairs to say to her you have got a leak, and it is all Flooding through my bathroom then and then the council come out and then she well it seems she has cleaned the mess up.
Louise Brown: Hmm.
Mother: And they have re-laid the whole of her pipes like they have re-laid his heating because they were having issues with the heating systems so they re-laid the pipes over the wall.
Katie: You can see them on the walls over there.
Louise Brown: Yes.
Mother: And he turns around, and they turned around, then they phoned me and they said has the ceiling dried out yet as they had to disconnect the whole light.
Simon: My bathroom light is disconnected right now.
Mother: And.
Louise Brown: Yes.
Mother: And then I contacted them back the next day, and I said to them the ceiling is still too wet to re connect that back up it would be dangerous.
Katie: So is there still no electric in the bathroom.
Mother: And I said you will need to leave to your going to need to let it dry out before you come and reconnect it back up, then I got a phone call from them say now they believe the leak is coming from 117 that is the third floor up.
Mother: Because it is privately, leased, and their going to come down and speak to Simon today, so I said OK, no problem because they have then got to pay for the damage that got then done.
Louise Brown:
Mother: Err so the people from 117 come down and they said we have got no leak we have had someone come in and check and there is no leak.
Katie: Simon.
Doctor: See you

Dear all,
He told me to take notes, told me to take down the time and date of our call.
I have had a very irate call from Simon Cordell. He says that he has been informed by his mother that a warrant has been granted to access his flat. He says the mother received a call from someone earlier today to inform her and she has told Simon.
Extremely unhappy, says he is going to come here with his solicitor - took down our address. Says he has always said he would see me (this is true). Although refused me, the doc and AMHP access the other week.
Demanding I find out the nature of the warrant and what do I know about it. Asking to see me this afternoon. He wants a call back in half an hour.
He is due for a MHA assessment tomorrow at 10am. Police are coming.

The mother has clearly disclosed details of the assessment tomorrow to Simon. We are going to walk into a very hostile situation.
I believe he may have CCTV cameras outside his flat facing the street as he mentioned to me previously that he saw someone sitting in their car (although this could be part of his paranoia).
He does have CCTV in the entrance hallway.
Could the police/assessing team please for warned. Maybe we need to meet around the corner rather than park outside his flat.
Thanks,
Amal Pomphrey

DIRECTIONS ORDER

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burhcroft Avenue.

3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

4. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the**

	elderly tenant was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26. **5.** The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

Simon believes that since he met me, I caused him to be in hospital. Mother informed me that Simon was working at the moment; she said he was doing his own work Mother informed me that Simon's court case is on **17 Nov 2016**. She said that Simon wants to move from current property and will require support from EIP. He believes that if he moves, he will not have the kind of problems he is going through. I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

At the time he was having problems remembering the timeline of dates pertaining to incidents, said he was quite friendly with Simon Cordell - leading up to current events - and was somewhat perplexed as the sudden change in the attitude of the accused.
Mr Curtis and other alleged residents felt the problem could have something to do with a resident named Miss who has since moved Mr referred to Simon Cordell boasting in having something to do with her departure.
Mr was trying to recall events and said it could have been in the month of July, when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr did not call the housing or police to report the threat.   On 11th November 2016, my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him, and threatened to bum down the elderly neighbour's flat. The report continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

Simon Cordell's
The 1st Injunction Order Dated: 00/00/2014
INDEX

Sarah Fletcher from the council claims that on
22nd November 2016
during a telephone conversation between you, Mrs Cordell your mother and Ms. Sarah Fletcher , neighbourhood officer, Ms. Fletcher reported that:
she overheard you threaten her by saying 'I'm going to do her over' and then I' am going to take her job just for fun'.

This is a copy of the Council's memo of a telephone call on that day: --

1.	I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm.
2.	The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move.
3.	I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.

		4.	He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera	
		5.	as the communal area was his.	
		6.	I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.	
		7.	He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases, but my position remains as per the letter I sent That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.	
		8.	He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed.	
		9.	His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once.	
		10.	He then said that he wanted to move on to finding out about moving to another address.	
		11.	He proceeded to give me a full history of his experiences with the police	
		12.	and previous housing management	
		13.	and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong.	
		14.	This history was very full	
		15.	and it was difficult to get a word in because he was so worked up	
		16.	so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.	
		17.	He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.	
		18.	I told him that I could not comment about the previous action taken.	
		19.	He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and	
		20.	was able to go home as of today.	

21.	He said that he wanted me to give him 'points' so that he could move.
22.	I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points.
23.	I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him.
24.	He said a lot about his perceived victimisation by his neighbours
25.	and expressed that he felt that I should I have a duty to protect him.
26.	I explained that I had a responsibility to all residents living at Burncroft Avenue
27.	and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him
28.	but suggested that we leave that for today.
29.	He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.
30.	I apologised for this and explained that I have been very busy,
31.	but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her
32.	she said that there was a written note recorded on our files in **2015**
33.	Mr. Cordell asked her what I was asking her and when she replied that I was querying permission
34.	I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".
35.	I informed Mrs. Cordell that I had overheard these remarks and that I was ending the call.
36.	She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.
37.	Sarah Fletcher Neighbourhood Officer.

They gave me an eating disorder by this stage: --

After speaking to many friends and family who have witnessed the on goings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother's phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I

lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them.

2. Particulars of Breaches (8) **Reply:** Sarah Fletcher neighbourhood officer from the council claims that on **22nd November 2016** during a telephone conversation between her, myself and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'. This is not true The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event. The Council's memo of a telephone call on that day: Is forged and therefore incorrect and is not supported by self and mother to be true facts that have been documented with a fair prosses by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim. While also set out to avoid displinary action for the statement makers and hardworking colleague's incompetence leading to negligence and gross misconduct, set out against myself and then on afterwards having a negative effect also within my loved one's life's. All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm's way From the of start of themselves handling my case load of an official workload. Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm? The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately. When doing so we noted down the precise time of 01:04Pm I did get transferred by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long. Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having wile renting my home.

1. That my mother had been contacting her and her team, while also contacting other official persons with relevance since the date of 00/00/**2015**
And this had continued up a till date and without any fair follow ups as company protocol states is mandatory.
And due to this lack of concern I had continued to suffer for a much further time frame than ever would have been if her and other persons jobs were followed correctly.

I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today.
He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.
I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in
2015
Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".
I informed Mrs Cordell that I had overheard these remarks and that I was ending the call.
She said that her son had now left the room and she was talking to me.
I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

  You have also stated:
  • "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very

	uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy". I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security. But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on. It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy? In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors, or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door. It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy? As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also? As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this. Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

  RE: Formal Complaint dated **24/11/2016**
  To Whom It May Concern:
  I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7 JQ.
  Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**
  It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
  My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the I PCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7 JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the

15/11/2016 with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100°/o call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the
18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Mother authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 000
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.

- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Dear Mr Cordell,
Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour
I write with regards to reports of anti-social behaviour, intimidation, harassment, and threatening behaviour made against you by your neighbours.
The reports include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October **2016**, you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.
It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.
If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

  Re: Formal Complaint **08/12/2016**
  To Whom It May Concern:
  I am once again writing an email to all the above in the hope something will be able to be done. I know Formal Complaints are ongoing regarding letters written on the **24/11 /2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated **08/12/2016**
  The last time we spoke to someone regarding moving my son was on the **22/11 /2016** after calling with no call back from Sarah Fletcher , or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.
  My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and, in the day, due to what the neighbours are doing.
  I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.
When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since 2014 with my son's neighbours and what they are doing to him.
It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.
I would like someone to email me via lorraine32@blueyonder.co.uk with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his heath to go downhill and this cannot be allowed to go on any longer. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong. I do know there are issue that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said. No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as **since 2014** no reports have ever been taken from my son as to what has been on going and how he is suffering? I also still have not heard anything from the person dealing with the subject access request and would like an update. And I would like to know if anything is being done to move my son out of the situation he has been left in **since 2014**? As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his heath. It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in. which has said it is affecting his heath. I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the

	situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?   As for the information I have asked for it is all the information that is held by Enfield Council within all departments.
  This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about me.
  The minutes from the meeting that was held about me by Enfield council on the **15/12/2016** with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend.
  Any phone calls made by myself or my mother on my behalf to Enfield Council
  All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system.
  All my housing benefit and anything to do with my rent account and council Tax.
  Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.

	If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld. As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released. If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.   Dear Concetta Nobile
  Thank you, for the update and information you will need I have my driving licence but since 08/06/2015 the paper part is no longer needed so I do not have this so do not have both parts only the card.
  I have bills to show my address dated within the last 3 months so that should not be a problem.
  As for the information I have asked for it is all the information that is held by Enfield Council within all departments.
  This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about me.
  The minutes from the meeting that was held about me by Enfield council on the **15/12/2016** with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend.
  Any phone calls made by myself or my mother on my behalf to Enfield Council
  All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system.
  All my housing benefit and anything to do with my rent account and council Tax.
  Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.
  If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld.
  As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released.
  If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.
  Regards
  Simon Cordell

I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person. **1.** Complaint from A on date and **Time:** Body of complaint from A. **121,** **2.** Complaint from B on date and **Time:** Body of complaint from B. **3.** Complaint from C on date and **time:** Body of complaint from C And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply any other information. If I can get this back today, I would be most grateful, as it has been asked for before. Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads needs fixing, 117 which is the top floor has laid wooden

	flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/2017 as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this. Regards Lorraine Cordell

The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in the flat and the Defendant said to him 'you will not solve the problem as I am restricting their water supply'.   Subject : RE : Anti-Social Behaviour Allegations against Mr Simon Cordell [SEC=OFFICIAL]
  Dear Lemmy Nwabuisi
  Thank you for the reply to my email and I look forward to getting the information by the **10/02/2017** I know that Dionne Grant is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave.
  Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat)
  The other day also another neighbour got around 7 of his friends to come and intimidate and harass my son for no apparent reason.
  We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints.
  As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues.
  Does this mean you have seen evidence which substantiates 117 complaints?
  Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested.
  Mr Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations.
  We just need to see if any of the other complaint has been addressed by the police.
  In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why?
  You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there?
  It is not Mr Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

	Regards Mother

He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the mau-'f they are causing noise disturbances arid he said they are not. He also requested that Mr Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block. I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat- I then went and knocked at flat 113 but there was no response • **The Enfield Gov / Email's Issue: 04** **Page Numbers:** **From:** Mother [mail**to:**lorraine32@blueyonder.co.uk] **Sent: 08/02/2017 - 10:38** **To: Lemmy Nwabuisi** Lemmy.NWABUISl@enfield.gov.uk **Sarah Fletcher** Sarah.Fletcher @enfield.gov.uk **Sally Mcternan**

Dear Lemmy Nwabuisi
Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr Cordell's door knocked he was not expecting anyone but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for. He does know which neighbour the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number.
Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to my son's door and say they were the council?
This is getting way too much now, and Enfield Council needs to do something about it before my son gets hurt.
My son is lucky he does not open the door to people and calls before opening his door to see who it is and does not go outside his flat as I feel something would have already happened to him.
And yes, we are keeping full history of what has been ongoing.
Regards
Mother

  Dear Ms Cordell,
  The allegations are from at least three residents of Burncroft Avenue.
  They have alleged that he is coming up to their front door to shout abuse and threats and they have provided evidence to back up their allegations. Some of them have also alleged that he has confronted them outside the block and on different occasion have followed them up the communal staircase shouting abuse and threats and on at least one occasion have tried to prevent them from going up to their flat. They have also provided evidence to back up the allegations.
  I am aware that some of these incidents have been reported to the police and it is up to the police to deal with them as they see fit. However irrespective of whether the accusations were dismissed by the police or not, they are very serious allegations and if true, constitutes a breach of tenancy conditions and they need to be addressed by the council. It is therefore very

important that we meet with Mr Cordell to discuss the allegations made against him and give him the opportunity to respond to them.
We are not aware that Mr Cordell's neighbour allegedly "got around 7 of his friends" to intimidate and harass him for no apparent reason. Mr Cordell did not report the incident to the council, and I will advise him to report it through the appropriate channel and provide the name and address of the neighbour to enable us to investigate and take appropriate action. He should also report the matter to the police.
With regards to your concerns regarding the nature of the flooring in the two flats above your son's. We have inspected one of the flats and we have made an appointment to inspect the second flat. I will arrange for a noise impact assessment to be carried out as soon as we complete our initial investigations to determine the level of noise transmission and make appropriate recommendations if necessary. We will need access to Mr Cordell's flat to enable us to investigate this matter and we will contact him in due course to arrange access.
You have stated that it is not Mr Cordell that is harassing his neighbours and that it is his neighbours that is harassing him. Could you please ask Mr Cordell to provide evidence of this to enable us to investigate and take appropriate action if necessary.
Kind Regards

Mr Mathiyalagan telephoned to report that Simon Cordell aggressively banged on his front door and accused them of making noise. He stated that he also shouted abuse and threats and swore at them

➢ **Si Notes.**

I had just come back to my home from being at my mother's house due to being on bail conditions

Sarah Fletcher and her team had met the Mathiyalagan's on the **11/11/2016** and let them make up claims about me. She also went on a fishing exploration to aid in building a case against me while not doing a fair investigation into what had been explained to her prior, by going to stains house after Lemmy went there on the **04/11/2016** and he realised that I had not been arrested for any Stain Case as prior thought by the telephone call made to the Enfield Council on the **31/10/2016** and in knowing that Stain could not recollect any dates of any relevance.

I had also made a phone call to Sarah Fletcher while at my mother's house on the **22/11/2016** to express my concerns about what gets done to me illegal in my rented home by their other clients, she also, manipulated the true events of the phone call in her notes.

a. She said that it was safe for me to go back home and that there was no reason for them to help me or to get an emergency transfer, in knowing that she had met the Mathiyalagan's on the **11/11/2016**

b. XX

c. To my understanding Sarah Fletcher took over Dawn Allen's position in job, while Dawn Allen got moved into another department in the same company after what she had done to me. I understand this because I made phone calls to their place of work and asked questions. Part of the reason that I am explaining this is that she already understood that my mother had put complaints in first.

Dear Mr. Cordell,
Re: Allegations of Anti-Social Behavior, Harassment, Intimidation and Threatening Behavior
I write with regards to reports of anti-social behavior, intimidation, harassment, and threatening behavior made against you by your neighbors.
I wrote to you on **2981 December 2016** to arrange to meet with you on **6th December 2016** to discuss these reports, but you cancelled the meeting.
I wrote to you again on **31st January 2017** to arrange to meet with you on **9th February 2017**, you also cancelled the meeting.
I then wrote to you again on **16th February 2017** to arrange to meet with you on **22nd February 2017** and again you cancelled the meeting.
I have enclosed all three letters for your information.
It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbors. The allegations made against you by your neighbors, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.
I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, **22nd March 2017** to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you.

Sorry for the time it has taken for me to get back to you, but I have been having work done in my home so have had no access to my main computer which hold all my emails and have been working from my

mobile which is not the best option. And I won't have access to my main computer till most likely Monday as work is still ongoing.
I do however feel that all the data has not been supplied that I have asked for, this was the same in **March of 2016** I knew then we did not get all the data we asked for and an email was writing in regard to this, but no one got back to me.
Also, in the data you have sent there is hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded?
There is no call data. No meetings data that government bodies had meetings regarding Mr Cordell, the list goes on.
I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regard to Mr Cordell.
All police data and any letters that have been sent from police or to police.
You seem to have asked for Mr Cordell l1ealth records who was this asked from and who gave the data?
There seems to be a long list of information that is missing both from the request in **March 2016** and the request that was submitted on the **24/11/2016**
Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it.
There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the neighbours was doing to Mr Cordell, I have also requested all my phone records as it seems there is no lists of all the calls I made on behalf of complaints regarding Mr Cordell's neighbours. As it also seems there is missing calls that Mr Cordell made hi1nself regardi11g what his neighbours was doing to him, lucky for me I do keep all emails, but it seems Enfield Council does not and to try and get the111selves out of trouble due to not doing what they were meant to this data is missing.
I will give 14 days for this to be corrected and if it has not I will have no other option but to go to the ICO.
Regards
Mother

Dear Lemmy Nwabuisi, I will get back to you with a date.
But I am very upset at what is on file within the subject access request it seems as if you put everything onto Mr Cordell and large amounts of data is missing.
Like the information about Deborah Andrews this is incorrect, and the only reason we have found out about this is due to the subject access request.
But there are lots of emails that are missing that I sent about Deborah Andrews and what the neighbours were doing, that are dated before any complaints went in from Deborah Andrews and the neighbours. yet nothing was done for Mr Cordell about this.
Also, there is missing dates and times of complaints, as to when things were meant to have happened and what time they were meant to have happened why?
I do have many issues, with the report and why no emails are in the subject access request that was put in by me that are dated well before the neighbours put complaints in yet Enfield Council done nothing about this, There is also no phone calls I made or my son made, but as soon as the neighbours put complaints in these were taken up right away by Enfield Council.
I will get back to you with a date I am due to see someone on the 09/03/2017 when I will be showing them all the information. So, it will need to be after this date. Dionne Grant has also got until the 02/03/2017 to deal with the subject access request and if I have not heard anything by this date, I will pass this on to the ICO.

While inside the Defendant flat, they observed that the Defendant had installed an iron security gate inside his front door. It also appeared to them that the wall between the Defendant kitchen and living room seemed to have been removed thereby creating an open plan effect. Much of the property was taken up with industrial type printers, boxes and folders and there were dog feces in the Defendant's back garden. **24/02/2017** • **File note 24/02/2017** Simon Cordell - 109 Burncroft Avenue, EN3 7JQ Following reports of continued low water pressure/supply to 117 Burncroft Avenue (second floor) despite information from Thames Water indicating that they had attended and that supply

	to the block 109-119 Burncroft Avenue was of a sufficient bar pressure, I tried to coordinate access to all flats on the right-hand side of the block, potentially affected by the issue: 109, 113 and 117. I wrote and hand delivered letters to all 3 of the properties requesting access for the Council Surveyor to visit and assess the water pressure in each on **Friday 24th February 2017** between 10am and 12pm. I spoke by telephone with Mr Irving, the leaseholder of 117; who had instigated the water pressure complaint who agreed that he would attend and give access. I spoke by telephone with Mr George Quinton, the tenant of 113, who agreed that he would give access. I spoke by telephone with Lorraine Cordell, mother of Simon Cordell, the tenant of 109 who said that no one was available to give access. I attended with Steve Stirk, surveyor, on **Friday 24th February 2017 at 10am.** We were given access to 117 and Steve Stirk investigated the water pressure to the taps in the kitchen and bathroom. We were unable to gain access to 113 as the tenant was not home -1 called and left voicemail messages for the tenant but did not get any further response. Steve Stirk suggested that we knock at 109 just on the off chance that someone was home. Mr Simon Cordell answered the door and, once Steve Stirk had explained that we were investigating the low water pressure/supply issue to the block, he allowed us into the property. While Steve Stirk checked the water pressure in the kitchen, I introduced myself to Mr Cordell. He then became quite agitated and proceeded to regulate me with the same issues that he had relayed to me during our previous telephone conversation including issues about his neighbours, the police and the Council conspiring to ruin his life as well as his work arranging community music events. He did not give me much of an opportunity to respond and kept talking over me when I tried to do so. Steve Stirk then went and checked the bathroom taps which he discovered were all already open (water running in wash basin; water running in bath which was full and going down overflow). We then thanked Mr Cordell for his time and left the property. Outcome: It is unclear whether Mr Cordell running all of the taps constantly is linked to the issue of low water pressure as he is on the ground floor and 117 is 2 floors up (we had been unable to check the pressure in 113). Steve Stirk to liaise again with Thames Water about the issue and to consider separation of the water supply to the ground floor flat. **made some observations whilst in Mr Cordell's property, 109 Burncroft Avenue which are of some concern:** There is a security gate installed on the inside of the front door. 	I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours. I wrote to you on **29/12/2016** to arrange to meet with you on **05/12/2016** to discuss these reports but you cancelled the meeting. I wrote to you again on **31/01/2017** to arrange to meet with you on **09/02/2017** you also cancelled the meeting. I then wrote to you again on **15/02/2017** to arrange to meet with you on **22/02/2017** and again you cancelled the meeting. I have enclosed all three letters for your information. It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 3pm on Wednesday, **22/03/2017** to discuss this matter. You should contact me on 02083795354 to rearrange the meeting if this date is not convenient for you. Please note that if you fail to attend or call to rearrange this meeting, then we will have no option but to serve a notice of seeking possession against your tenancy without further warning. The council may also take further tenancy enforcement and/or legal action against you if further substantiated allegations are made against you. Kind Regards Yours Sincerely Lemmy Nwabuisi ASB Team

The letter requested that the Defendant attend the Council office to discuss the nuisance reports being received from his neighbours. By the time he returned to the office, the Defendant had telephoned him several times. Lemmy Nwabuisi telephoned the Defendant back and the Defendant asked whether he was the person that posted a letter through his letterbox and Lemmy Nwabuisi said yes. The Defendant asked why he did not stop when he ran after him and Lemmy Nwabuisi stated that he had another visit and did not have the time to stop and talk to him. The Defendant stated that he will not attend the meeting at the Civic Centre or any of the council offices as he is unable to leave his flat and that the meeting should take place in his flat. Mr. Nwabuisi offered to have the meeting at a neutral venue and suggested the local library or at his mother's house, but the Defendant refused saying that he have done nothing wrong and accused Lemmy Nwabuisi of taking sides with his neighbours. **17/03/2017**

  Subject : RE : Anti-Social Behaviour Allegations against Mr Simon Cordell **[SEC=OFFICIAL]**
  18/03/2017
  Dear Lemmy Nwabuisi
  I'd like to apologise for the late reply to this email, I've just come out of hospital after undergoing two operations and only got released from hospital late on the 17 March 2017.
  You stated in your letter to Mr Cordell, that the first letter you wrote was dated 29 December 2016, and that you set a meeting for 6 December 2016 this is incorrect, as the date for the meeting was set for 6 January 2017, yes, this meeting was cancelled, you've then
  116,
  stated you wrote a letter on 31 January 2017 to arrange a meeting for 9 February 2017, this meeting was also cancelled, the reason these two meetings were cancelled was due to the ongoing complaint that was being addressed by Enfield council that still needs addressing but due to the data that came back from the subject access request and it not being completed properly this letter still needs to be reply to, there was also a subject access request that was put in to Enfield Council that we was waiting to be addressed and to receive the data back which as you are aware did take a considerable amount of time, and also the complaint also was delayed in a reply. As stated to you via email we felt it was unjustified to hold a meeting when there was an ongoing complaint, and a subject access request that we were waiting for, as you are aware there are still issues regarding the subject access request, which does need to be addressed.
  You then stated that she wrote again on 16 February 2017 and arranged a meeting for 22 February 2017 which was also cancelled, but you was also notified there was still issues with the subject access request, and that I had a meeting regarding the issues which was set for the 9 March 2017, I stated to you that I would get back to you with a convenient date for the meeting to take place, but due to illness things have got delayed.
  You have also stated that it is very unfortunate that there have been repeated refusals to meet in regards to the issues with the neighbours, I feel that this is very misleading we have not refused once to have a meeting with you, but due to ongoing issues meetings have had to be cancelled with a justified reason, so how you can take this as a refusal is beyond me, we have kept you informed at every stage of every letter that you send out giving you reasons as to why the meetings could not take place. Therefore, I do not understand how you can interpret this as a refusal.
  You will also be aware that my son does have health problems and that he does not leave his flat, not once have you thought in all the letters that you sent out how someone that does not leave his flat is going to be able to attend a meeting at the Civic Centre, therefore I am asking for the meeting to take place at Mr Cordell's home address, due to Mr Cordell's health, arrangements will need to be made that someone is at the meeting with Mr Cordell, and under no circumstances will Mr Cordell be addressing the issues while he is on his own.
  You have also stated that if Mr Cordell does not attend or set a new date that you will be putting an application seeking possession of his home, it seems that Enfield Council have already made their mind up that Mr Cordell is guilty of what has been alleged in the complaints, you

	also state that if any further allegations are made against Mr Cordell that you can take legal action, since your last update with the dates has there been any more allegations against Mr Cordell? Next week I have a number of hospital appointments so it will really be hard to do the 22 March 2017, if you could get back to me with some dates that the meeting can take place at Mr Cordell's home address, I would be most grateful. or if there is any problem with this, please let me know. Regards Miss L Cordell

Subject : RE : Antisocial Behaviour Allegations against Mr Simon Cordell **[SEC=OFFICIAL]**
Classification: OFFICIAL
Dear Ms Cordell,
Thanks for your email. I sorry to hear and learn that you, have been unwell, I wish you speedy recovery. The first letter I wrote to Mr Cordell was dated
29/11/2016
29 November 2016
and not
29/12/2016
29 December
so, apologies for the mistake and the first meeting was
06/12/2016
06 December 2016
and not
06/01/2017
06 January 2017
as you stated in your email below. I am not aware that Mr Cordell is unable to leave his flat due to health reasons as he has not provided us with a letter from his Doctor to support this claim. Also, when Mr Cordell telephoned me on
17/02/2017
17 February 2017
following my letter to him dated
16/02/2017
16 February 2017
he informed me that he will not come to the Civic Centre or the council offices in Edmonton Green because there are gang members looking for him in these areas. I cannot recall him saying anything about him not being able to leave his flat due to health reasons. Also, Mr Cordell chased my car down the road when I went to deliver my last letter to his flat on
17/03/2017
17 March 2017
this is not the attitude of someone who cannot leave his flat for health reasons. I am inviting Mr Cordell to a formal meeting to discuss the allegations made against him and due to the serious nature of the allegations, the meeting will have been held in the council offices with a minute taker present. However, if Mr Cordell presents a letter from his doctor stating that he is unable to leave his flat for health reason, then we can discuss an alternative venue. I am happy for Mr Cordell to bring someone with him to the meeting.
Kind Regards

It will also be noted on his file under the mental health team he won't leave his flat. And I cannot understand how you said on the phone today that you knew nothing on my son's health, as clearly it is in the limited subject access request, I got from Enfield Council under the ASB teams' information as you requested if he was known to the mental health team. Information you have asked for please see below: Barnet, Enfield and Haringey Mental Health NHS Trust The doctors name he was under when he was sectioned in **August 2016**, Dr Julia Cranitch, Haringey Assessment Ward, St Ann's Hospital. When he left hospital, he was under the home treatment team support and referral to community team. Early Intervention: Goodie Adama: Locum CMHN Locum Community Mental Health Nurse Early Intervention for Psychosis Lucas House 305-309 Fore Street London. N9 As stated on the phone I have many emails to backup that complaints was put in on behalf of my son regarding what the neighbours was doing, well before any complaints was put in by the neighbours, yet nothing was done by Enfield Council, each email even states the neighbours was not letting him sleep and this was having a large impact on his health, this is what has upset me so much, as phone calls was being made emails sent, even my son was making calls, but you seem to have nothing of anything that was submitted so where has it all gone, please can you look into this and get back to me as I really do not understand how so much can be missing from Enfield Councils systems? I am grateful that you called me back today and we were able to speak, sorry if I sounded loader on the phone but since the operation as I said my voice and throat are very sore, I believe due to the tube they put down their when they were doing the 2nd operation. I am grateful that you will deal with this, and you cancelled tomorrow's meeting when we spoke, and you seemed to have some idea of what was going on which you seem to have not known before, I will await a reply from you as to how we can deal with this. 	• **Report made to the Enfield Council** **05/05/2017** Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his. flat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was· scared for his wife and daughter.' I advised him to call the police. **05th May 2017** it is claimed that I threatened one of my neighbors by saying that I will ruin his life and that I was going to the police with the evidence that I have off all the illegal activities of him. Sarah Fletcher in the stairway with another gentlemen then had together been in the flat 113 while it had been empty and started to play above my head were I had seat to work on my computer, I knew that the flat should be empty because George had just moved out so I waited for a little while so that I can make sure that what was being done to me was deliberant then I went upstairs to find these two coming out. I confronted them both about when the work was to be completed that they had noticed had been wrong to be playing with it. When talking to them in the hallway Mathiyalagan come down the stairs with a black bag full of rubbish and I looked at him in front of the council workers and said I am going to send you to prison for what you are doing to me and that will ruin your life do you want that, in a polite voice. The council officers tried to question me by turning my words around but then I corrected them in the meaning of my inherited English Enfield council claim that we received a report that on 5th May **2017** you threatened, one of your neighbors by saying that you will ruin his life and that you were going to the police to present evidence about his illegal activities.

There is **129 Days** in between **10/02/2017** & **19/06/2017** • **WARNINGS FROM MY HEART: --** My heart hurts me, so bad, it hurts me, so, so, so much, it feels like the Mathiyalagan family and co, with Co including Mr. Stan Curtis and Deborah Andrews, not to forget George Quinton can do what they want to me as they clearly where all out of control and without any authority in sight, even when mutable amounts of phone calls got made to them all about the problems that I had to face because of them all involved, continued to victimise me, they all used there floorboards or other house fixtures to have a negative effect on me, some of what they done to me included such hatred, as the continual slamming on and off the water taps hours at a time, while using there cooking pots and pans to hit the wall's, they done this so loud to put me in fright of my life, it was like there chosen weapons of choice to them; Morning; Evening and of night, whether a full moon or not, all day long, they just simply keep on banging, and banging, and banging, no matter how many time I asked them, to stop, doing the evil things that they were subjecting me towards, nothing ever did change, right up until my heart just would not stop hurting me, it was like they all were having a private Pidherney; which gave them, versatility, enthusiasm, agility and unconventional methods of behaviour. While I got left to have my own epiphany; in turn creating a cartoon version, of the true events that they put me through. I noticed in my mirage of a brief reflection inside of my epiphany, that they were hitting me across my heart with the wooden floor boards, and this was happening, continuously to me,

	like they were all dancing around a bomb fire, dancing around, and dancing around, in furious circle's, all together and as happy as could be, while they keep going around in a circle hitting me with their floorboards, and to me; the bad part is, that I' am the person in the middle of that's bomb fire, who got set on fire; at the end of the epiphany; I come back from my vision; and therefore I knew that by this stage, I must do something about it, as they just simplify wanted to kill me dead and I could not allow for this to happen, I knew that I needed to survive, somehow some way.

There is **129 Days** in between **10/02/2017** & **19/06/2017** • **File Note** **09/05/2017** Simon Cordell — 109 Burncroft Avenue, EN3 7JQ Further to ongoing issues related to water pressure/supply to the block at 109 - 119 Burncroft Avenue particularly to the right-hand supply affecting 109,113 and 117, I visited the block on **Monday 8th May 2017 at 11am with Steve Stirk, surveyor**, and .an MCP locksmith. The purpose of this visit was to gain access to 113 Bumcroft Avenue so to assess the water pressure/supply to this property. Several attempts had been made previously to do this, but the tenant was not there to give access so a 'forced' entry was made and the locks subsequently changed (the tenant had been notified previously that we would be taking this action if he did not provide access). We entered the property so that Steve Stirk could test the water taps in the kitchen and bathroom. There was no flooring laid except for a rug in the living room (the kitchen was

	accessed through here) and the floorboards made a significant amount of noise as we stepped on them. The resident from the property underneath, Mr Simon Cordell, heard us in the property and came upstairs. Steve Stirk and I were outside the property at this point as the locksmith started to undertake the work to install new locks on to the door (he was inside the hallway). Mr Cordell proceeded to 'rant' at Steve Stirk and me about his perceived victimisation by his neighbours. He was very agitated and loud - recounting his experience with the police, previous housing management, a previous partner, a previous neighbour and allegations of anti-social behaviour made against him- Steve Stirk tried to explain that we were there to deal with a specific issue and that this was not the time or place to address these concerns. Mr Cordell did not want to listen and became fixated on Steve Stirk being 'dismissive' towards him (Mr Cordell's words). He went on at length about his upstairs neighbours, both past and present on first and second floors, 'banging' hammers deliberately above his head. He continued to go on, in his agitated state, about how he had been treated by the police and previous housing managers who had promised him that they would re-lay the floor of flat 113 but had not done so. At this point the resident from 117, Mr Mathiyalagan Markandu, came down the stairs on his way out of the building. As he came down past us Mr Cordell focussed his attention on him and said to him: 'I'm going to the police station now with my evidence about you and I'm going to ruin your life'. Mr Mathiyalagan Markandu did not respond and proceeded to walk past and go down the stairs and out of the building. Both Steve Stirk and I commented to Mr Cordell that the way he had behaved was threatening in nature and was not acceptable. Mr Cordell responded, 'it's not a threat it's a fact'. He then continued to repeat his history with the police and previous housing management. I asked Mr Cordell to calm down and tried to explain that some of these issues could have been addressed by attending the meeting that Lemmy Nwabuisiin the CSU team had tried to convene with him. He. said that he was not prepared to attend such a meeting but wanted to speak to me, his housing officer, now. I explained that as Steve Stirk had already said that we could not address his issues there and then I suggested that a meeting could be convened with both the CSU and neighbourly teams to look at some of the issues with Mr Cordell. He indicated that he would be willing to do this if we came to his home to do so. Sarah Fletcher Neighbourhood officer

	Sent: 10 May 2017 / 08:42 **To:** Lemmy Nwabuisi **Subject:** 109, BURNCROFT AVENUE ENFIELD, EN3 7JQ Further to my conversation today please note the following, I carried out a joint with Sarah back in January regarding **low water pressure** to 117 While on location the following was noted Kitchen internal wall has been partly removed 3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters. This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant. It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant Given that two members of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs Steve Stirk Maintenance Surveyor Technical Services, Repairs and Maintenance Enfield Council Edmonton Centre N9 0TN Tel: 020 8375 8023 Tel: 0800 40 80 160 Email: steve-stirkpgofietd.Eov.uk Web: www.e rtfjelri. soy.uk "Enfield Council Is committed to serving the whole borough fairly, delivering excellent services and building strong communities". 66 Enfield Council Case History Against Me

19/06/2017	• **NOSP goes up to** 31 allegations from here • **NOSP - Simon Cordell** **Date:** 19/06/2017 **Time:** N/a I had asked my mother to write to the Enfield Council and the police for some time prior to this date about more than one reason. The reason I asked my mother to do this for me was because a lot of disturbing things had started to taken place against my person. One of the reasons at this time in my life I had requested my mother's help to write correspondence to the council and police was because of my next door neighbours who all had started to attack me in my own home and this was when I had been on Asbo conditions so, I had decided to staying out of troubles way E.g. the police and stay indoors till I had got the conditions taken of me thought the period that I had to fight the case in court proceeding to prove my innocence. I did not realise at this time in my life that the Enfield Council was the company who also, built the Asbo against me. Due to coming across official paperwork laying in a community area, were any person had access to the documentation. • **The Enfield Gov / Email's Issue:** NOSP - Simon Cordell Possession **"From Council History"** **19/07/2017** **NOSP** **s**erved on Mr. Cordell today at 4.05pm with Enfield Highway DWOs, copy attachment **/ Page Numbers:** 3267,3268,3269,3270, 3271,3272,3273,3274, 3275, 3275 + 1, **3276,** 3277,3278,

NOTES TO PARAGRAPH 4.

Before the Court will grant an order on any of the Grounds 1 to 8 or 12 to 16, it must be satisfied that it is reasonable to require you to leave. This means that, if one of these Grounds is set out in paragraph 3 to this Notice, you will be able to argue at the hearing in Court that it is not reasonable that you should have to leave, even if you accept that the Ground applies.

Before the court grants an order on any of the Grounds 9 to 16, it must be satisfied that there will be suitable alternative accommodation for you when you have to leave. This means that the Court will have to decide that, in its opinion, there will be other accommodation which is reasonably suitable for the needs of you and your family, taking into particular account various factors such as the nearness of your place of work, and the sort of housing that other people with similar needs are offered. Your new home will have to be let to you on another secure tenancy or a private tenancy under the Rent Act of a kind that will give you similar security.

There is no requirement for suitable alternative accommodation where Grounds 1 to 8 apply.

If your landlord is not a local authority, and the local authority gives a certificate that it will provide you with suitable accommodation, the Court has to accept the certificate.

One of the requirements of Ground 10A is that the landlord must have approval for the redevelopment scheme from the Secretary of State (or, in the case of a housing association landlord, the Housing Corporation). The landlord must have consulted all secure tenants affected by the proposed redevelopment scheme.

Court proceedings for possession of the dwelling-house can be begun immediately. **The date by which the tenant is to give up possession of the dwelling-house is Monday the 24th of August 2017.**

NOTES TO PARAGRAPH 5

Court proceedings cannot be begun until after this date, which cannot he earlier than the date when your tenancy or license could have been brought to an end.

This means that if you have a weekly or fortnightly tenancy, there should at least 4 weeks between the date this Notice is given and the date in this paragraph.

After this date, court proceedings may be begun at once or at any time during the following twelve months. Once the twelve months are up this Notice will lapse, and a new Notice must be served before possession can be sought.

	I am writing this email as I have just spoken to my son Simon Cordell, and I believe a meeting has been set for the 26/07/**2017** at 12:00 at your office. We would still like to have the meeting, but could the location be changed to my home 23 Byron Terrace N9 7DG. I think it would be too much for my son to come to the office. If you could get back to me, I would be grateful. Regards Lorraine

I have inquired with the Mental Health Team whether the Defendant Is currently known to the team and was informed that he is no longer under their care.     Stain was allowed to attack me.
    I never got arrested for Stain, but I did for his friends Christine and Carron, because Christine and Carron had set me up by lying and saying I went in my back garden and looked up at the 2nd floor window and threatened Carron and her children, I never even went in my garden on this date and never had any such conversation. This was to help stain and the rest of my neighbours in my block of flats get away with what the police and council had that them get my neighbours do to me without any fair investigation.

    Stain always goes

Speaker: 00:00 Thank you for calling. You're welcome to Edmonton County Court our telephone lines are open from 9Am till 5Pm Monday to Friday. The court building is open from 9:00 AM to 4:00 PM please be advised we operate a telephone counter appointment system, which is designated for urgent work.
Speaker: 00:16 Good morning, Edmonton County Court how can I help.
Speaker: 00:22 hello. How are you doing?
Speaker: 00:24 I am good you.
Speaker: 00:24 Okay. Feeling a bit better.
Speaker: 00:32 How can I help.
Speaker: 00:32 I was just wondering if you can tell me an update to where a case stands that's being held in your court
Speaker: 00:38 Right. Have you got a case number?
Speaker: 00:39 The case number is just right about here one second if fact two seconds because it keeps changing. I think it might be E.0.0.
Speaker: 00:50 Hm.
Speaker: 00:50 E.D.0.4.9.
Speaker: 00:50 His got it
Speaker: 00:52 E..0. E.D.0.4.9.
Speaker: 00:54 Ber, with me for one moment.
Speaker: 00:54 **[Staff Noise in the Background] All staff laughing together and - You're dead.**
Speaker: 00:54 **[Staff Noise in the Background] Ha, ha, ha, ha.**
Speaker: 00:54 **Ha, ha, ha, ha**
Speaker: 00:54 **[Staff Noise in the Background] Settle down.**
Speaker: 00:54 **[Staff Noise in the Background] Yes, yes**
Speaker: 00:54 And your name is?
Speaker: 01:06 Mr. Cordell Simon Cordell.
Speaker: 01:08 Okay. Um, let me have a look. Right, It went up to the judge and did not come back down yet.
Speaker: 01:19 Um, what do you mean what did, what would you that mean?
Speaker: 01:22 Well, it's gone up to the judge.
Speaker: 01:23 What today.
Speaker: 01:23 No, no. it went up on the 1st of June
Speaker: 01:28 on the 1st of June and who
Speaker: 01:28 Hm, hm.

Speaker: 01:31 It can take a while before it comes, comes back down. [inaudible] ifey [inaudible] let's see, um, I think a claim about a lettering and that was sent up to the judge.
Speaker: 01:39 A letter came in from who.
Speaker: 01:39 From the claimant.
Speaker: 01:42 From.
Speaker: 01:42 London Borough of who is it the London Borough of who is it London Borough of Haringey Enfield oh, Enfield
Speaker: 01:49 Enfield. Lemmy and so forth
Speaker: 01:49 yes.
Speaker: 01:49 And do you know what, um, the last actual writ, what the actual order was on the 30th.
Speaker: 01:54 I will have a look 30th of what?
Speaker: 01:56 Um, May.
Speaker: 02:02 **[Staff Noise in the Background] Your dead.**
Speaker: 02:02 The last order here was the 14 of May,
Speaker: 02:02 **[Staff Noise in the Background] [inaudible]**
Speaker: 02:03 14th of May and that is
Speaker: 02:05 Bear, with me bear, bear with me two seconds. So, I can get into it.
Speaker: 02:15 Uh, they claimant wanted the older to be amended. Wishes to amend the application yes, and that went up I think the oldest upon; Da, da, da, da, da, [inaudible]
Speaker: 02:31 To my understanding, yeah.
Speaker: 02:34 Hm.
Speaker: 02:34 That the application has never been put onto me, what actually initially happened is there was a lady judge and she, she brought the court into the um, to the courtroom just as you come around the stairs. Like there's a little court room on the left there and you go for a little room and then going into the courtroom,
Speaker: 02:49 Ok.
Speaker: 02:49 she basically dealt with the case. I was just wondering if you could help me by telling me what Judges they are and telling me what court numbers they are as well. because I'm building my report and I want to put all of this information in it and on first time Lemmy put a first application in which is from Enfield council and he
falsified the paperwork inside off all of that and I have all the evidence for it, 100% to prove. that he, he that he will get done for his target in Malice which is a 12-year sentence.
Speaker: 03:14 Yeah. And I would like that to be brought forward to him yet. And what my problem is, I explained to this judge, she was like an um, she was like a fair skin coloured um, lady. And I explained to her in that courtroom what Lemmy had done, she decided to abuse her position as a judge. And she forced upon, she let them force the paperwork through the court, eventually I kept proven what I was saying was right and I think a few others, what she'd done is she let other judges deal with the case in between. Now she's the one that initially opened up this file and allowed Lemmy to do these things. Now, Lemmy has continuously lost the cases and the points and the judges have dropped it out for silly reasons like time limits and that because they know if I get to trial I'm going to show the truth and it's goanna cause a lot more trouble than

what it's worth, for Lemmy and that and now Lemmy and that seem to keep forcing the paperwork through that every time the judge strikes the whole application out he would just change the dates on it and then he'll repay for it to go back through again.
Speaker: 04:13 And then they are reusing the same thing, less abuse, a process, unfair process. And, and that's been allowed to continue by the directors of your court and served.
Speaker: 04:20 [Staff Noise in the Background] [inaudible].
Speaker: 04:20 And I'm concerned about what judges have actually allowed this to happen. Now the other day I had the police come here and they tried to Nick me and activate the injunction. I was on the phone to a gentleman called Paul who was being quite polite. He was being very polite, thought helping me and speaking to me and just doing what's right from both parties, basically [inaudible]. And then what I've noticed was that the police come in and try to activate the injunction and took me to the police station. I've proved that the claims were wrong anyway and fabricated, but I've also got video evidence proving that I wasn't served. That someone come into the affidavit of service from one letter box, and they have accepted that, and they've told me that then not going to activate the injunction for that and let me come back home afterwards.
Speaker: 05:02 So now I'm concerned that this judge, knew this judge, she goes, she, she allowed this to happen in the beginning now on the 30th I was supposed to have another man judge, but I think he seen how much trouble there and told her to clean up her own mess.
She's gone into court and she's waiting. [inaudible] and let a new barrister in. She's pretending she was all friendly to me, but her true intentions were to try to kill me in that courtroom and abuse our powers and get me in prison when she knew the truth from the beginning and throughout and she's been informed by all the charges of what is happening on her case that she opened up and allowed to happen. Now I want this Judge struck off the register yes and I don't play about, yeah, I've already got the Directors of Enfield and Wood Green going to court with me and we're going to the Old Bailey, and I was going to leave this court alone, but I'm at a stage where I'm going to Sue this court and prosecute against this court as well now. Yeah, for what they're doing to people and what's not what's not right. It's a lower court and they shouldn't be abusing their powers in such a way. So, I was wonder if you can help me with the list of the judges that have dealt with my cases, and I'll give you another claim number as well.
Speaker: 06:03 Right. You need what you need to do. Write in. you will have to write in.
Speaker: 06:07 Ok.
Speaker: 06:07 And the date that you had to hearing or the orders done, you need to write in and say right. I need the list of the judges that actually dealt with my case.
Speaker: 06:17 Can you tell me who the lady judge is now? You can just tell me off the computer. You can see her; I will come down to the offices if I have to with all of the paperwork and we will cause a big commotion down there.
Speaker: 06:26 Right, were the order What was the last order that you got with a name on it?

Speaker: 06:29 The last order Yeah. Is there was a lady that attended what went into the court? She opened up the first injunction opened up all the upper injunctions. Now she has allowed this to happen thought in my name now.
Speaker: 06:41 Yes, have you got the order in front of you.
Speaker: 06:41 Year I have made all brand-new books for the orders.
Speaker: 06:45 Yeah, but what I am saying is that the order in front of you would have the names of all the judges that done dealt with it.
Speaker: 06:50 Na
Speaker: 06:51 That's what I'm saying
Speaker: 06:51 Na, what it has is, Na what it has is; I have got a book here for litigation and process, the English legal process and I've got a book to fill out. Any applications, civil law and co and everything. Now, I can, I've got the civil litigation **2016** and 17 book in front of me and it shows me where the stamps and the Seals should be how to fill out the forms and what should be happening,
Speaker: 07:11 but we're not talking about that. You want to know what Judges that actually dealt with your case.
Speaker: 07:17 That's who, that's who opened. That's who signed, signed, sealed. That could be the court clerk. That can be any person.
Speaker: 07:23 No, no, no. That's right. What you have to do, like I said, you have to write in.
Speaker: 07:28 I've got it in front of me now, in front of me right now, and the paperwork, you tell me any page, or I should go to the first pages of any application. I made all special PDF books for them.
Speaker: 07:36 **There dead.**
Speaker: 07:36 Yes so now. Like if you go to adobe and InDesign and that, you can just wait an Epub book. Yeah. Now I've made brand new websites sick of the range the best of every angry calling.
Speaker: 07:46 **There dead.**
Speaker: 07:46 I've made all brand-new digital books I've put them all up, we're there all interactive so things can jump out at the books and show them where their Frauded everything and I've done the whole lot the court is going to get ripped apart by a policed by IPOC, in a minute
Speaker: 07:59 Sir, I have to cut this call because I'm on the counter and somebody is waiting for me. What you need to do, you must write in and ask for all the judges that dealt with your case, your list of their names. Yes
Speaker: 08:11 It's this injunction order on me now
Speaker: 08:13 you got another injunction order have you before that, year
Speaker: 08:15 No, I've won every case.
Speaker: 08:17 Okay, so what's the, what's the name on that injunction order that you have got
Speaker: 08:20 I've got, I've got here now two case numbers and I won each one. I won the first case number in your
Speaker: 08:27 Ok, let's just do this one that you gave me.
Speaker: 08:30 There all ruined.
Speaker: 08:30 There ruined.
Speaker: 08:30 What is the name of this judges that you got on the order? What's the name of it?

Speaker: 08:36 **There dead.**
Speaker: 08:36 I've got about seven of them on the application. It says in the Edmonton County Court claim EEO, blah blah, blah. The London borough, Mr. Simon Cordell, the district judge Leftham sitting at the County Court.
Speaker: 08:45 Ok, that is one.
Speaker: 08:45 Yeah,
Speaker: 08:45 Ok, what is the other order that you have got there.
Speaker: 08:45 I've got loads of them.
Speaker: 08:50 yes. But this is what's happening. It's.
Speaker: 08:53 Yes, but what you need to do sir is highlight on your order that you have all of your orders highlight the Judges
Speaker: 09:00 I have Yeah, I've done that already.
Speaker: 09:01 Right.
Speaker: 09:01 and I've copied all of their pictures and then I've got a.
Speaker: 09:05 Yes, but again you a hostage. Right
Speaker: 09:05 wall of shame and I've put them in the wall of shame on their diaries. I've got every person that's in this application, I've got their names, but more judges than that have dealt with me. More judges have dealt with me.
Speaker: 09:17 Okay.
Speaker: 09:17 You've got lesson that is one of the Judges that have deal with you. yes.
Speaker: 09:18 Pardon, yes
Speaker: 09:18 Was another judge there?
Speaker: 09:23 [Staff Noise in the Background] Yes.
Speaker: 09:23 Yes, there has been a lot of Judges.
Speaker: 09:26 And what is the other order. What was the name of that judge on the other order?
Speaker: 09:29 If I go to massive books hang on let me get it out for a second, give me one second yes. This is the next order here. The first Injunction Order book here I have got them here in all brand-new folders. So, the first injunction order when I open it, what happened is, Lemmy has put a copy. You got a copy of Caron's statement because they are all now Indexed. Lemmy's harassment. Lemmy, John Ivons statement in Wood Green crown court. And you have the initial copy, the initial claim forms, which would go in oversley.
Speaker: 09:56 [inaudible].
Speaker: 09:56 Because I'll put everything all indexed and everything we done brand new pages there brand new top of the range books.
Speaker: 10:01 Hello
Speaker: 10:02 But what you do need to do, is look at the orders just the orders I don't want to hear about claim forms get the orders together.
Speaker: 10:09 ok.
Speaker: 10:09 and then tell me the names of the judging.
Speaker: 10:15 Notice of discontinuation, hang on one second. Case history this is because Lemmy has put too much in here.
Speaker: 10:18 **Your Dead.**
Speaker: 10:18 What I'm goanna to do is go through them all myself now and let you explain to me after to go from one myself.

			Speaker: 10:26 Yeah. write the name of the judges all of the judges. And then call us back. **Speaker:** 10:31 I will do that thank you. **Speaker:** 10:31 Yes. All right then. Bye. Bye. Bye.

Enfield Council Fraud Line - 11_01_2018.mp3 **1.** **Speaker:** 00:09 Good afternoon customer services Justine speaking. How may I help you? **Speaker:** 00:12 Hello, who am, I'm speaking to Justine. It's Mr Cordell speaking and I'm phoning because I found a whistle blowing policy, the procedure that sort of Enfield Council and he has told me to phone up on and that this is the fraud line and that you will be able to handle any fraud that is outside or dealing with an employee for the company? I have proof beyond reasonable doubt that an employee is acted beyond, beyond what the company's procedures and that he has breached his contract that he has signed into with yourselves. He's invaded my privacy and breach my right to life, and he has put me in threat of my life. He's not acted within fair process and acted in a bios manner towards me. I've had to make her web; I've had to make a website and I've put his voice recordings on and the evidence up on the website and I'd like to be able to go through this with a person. Is that possible please? **Speaker:** 01:11 Yeah. shh. hold the line just give me a second what I can do sir is I can **transfer** you throw to HR department. **Speaker:** 01:23 To what department may I ask? **Speaker:** 01:25 HR. **Speaker:** 01:26 HR. Okay. Okay. Human Resources. Is that where you are and regarding, **Speaker:** 01:32 yeah. Human Resources yes.

Speaker: 01:32 Non auditable
Speaker: 01:36 And who is it that we'll be speaking to?
Speaker: 01:38 That is the general line for human resources so they can check the employee.
Speaker: 01:44 What about a, okay. Okay. Okay. Human Resources is normally had Julia macnega. Is that correct? Resources. Operations Julia macnega. Enfield 0208-83793970. Eight three seven nine three nine seven zero
Speaker: 01:59 I am just looking now just let me check this now for you quickly
Speaker: 02:03 Julia macnega.
Speaker: 02:06 What's the name?
Speaker: 02:07 He's Julia macnega. J. U. L. I. A. - M. I. M. N. A. G. H. Is it possible to speak to her please?
Speaker: 02:20 Yeah, she, she's it is her, but she is in a conference call at the moment. She's on the other line.
Speaker: 02:26 Okay. What is it put out? I'm happy to wait for her. Is it possible to speak somewhere else in the meantime then? Like James Rolfe, James Rolfe the director of resources or with Ian Davis is even better. The chief executive, I've been speaking to heather Littler, I have recordings of her, and she is completely fouled the whistle blowing policies. When I've informed her of what her employees below her doing, I'm very concerned. She's putting me a fear of my life and I would like her, or some investigate it at the same time.
Speaker: 02:55 What's her name?
Speaker: 02:56 I'm heather Littler is the chief executive admin and she's, she's, she's, she's a secretary I believe yourself,
but she's, she's at the, um, at the chief executive level. I've been speaking to her so I can speak to Ian Davis in Regards because he's the director of the company and uh, and the recordings of what she's been promising me are just void of, of disheartened promise's, and.
Speaker: 03:20 ok.
Speaker: 03:20 I feel that I've been let down completely. I'd like to speak to Ian Davis himself or somebody at director if that is possible. Christine Webster, the risk assessment management PR for the company because the company should be risk assessed and all procedures should be risk assessed. And I don't feel that my case has been treated. We've been in procedures either. So even speaking to Christine Webster, head of internal audit and risk management would do me fine at the present.
Speaker: 03:46 Yeah, she, she is in a meeting as well. I am just checking let me just check if she would be out soon just a second fast.
Speaker: 03:53 I'm close to having to come down to the term to the civic centre myself and make this much more formal than what we are actually having, and I believe that that's going to cause a lot of problems for people around the Christmas period if I do so. So, if we can deal with this behind closed doors in a more informative way, I make sure that both parties yourselves and you and your employees are happy and the, I'm happy. I'm happy too. I'm, I'm happy to do a settlement in some form of manner, but you seem to have solicitor firms in place, and I'm concerned about them or I'm at a stage where I would like Pacific members that are acting as subcontractors for, for the Civic Enfield Civic Centre as their

legal department such as Limidia Luviu. I believe that she's corrupt and acted in misconduct as well. I'm with foul play yeah, and when she's been informed, she's not acted under the whistle blowing procedures or any of that and in accordance to the company's memorandum or statue of Article.
Speaker: 04:51 Okay. I'm just checking Ian Davis for you sir but he has been away for two hours.
Speaker: 04:57 Okay.
Speaker: 04:57 umm
Speaker: 04:58 I'm sorry, the I'm on track. I'm speaking. I'm sorry. I'm going through this with yourself I know that It's not something you would like to do
Speaker: 05:04 it's a Lot of information. I'm trying.
Speaker: 05:07 I'm not even started if I had to explain. Do you have Google available to yourself?
Speaker: 05:12 Are we doing? Yes.
Speaker: 05:13 If you could go to a website called horrific corruption.com and I'm just going to turn that on it.
Take me less than six seconds for you and I can show you the corruption and audio of some of it. What I have put up and the videos of what I'm suffering through and.
Speaker: 05:29 Right, are you talking about the Video's
Speaker: 05:30 Some of it is videos or audio evidence? I've made a full report and official report of every day of my sufferings and the neglect that I have suffered because the reasonable persons that represent Enfield Council and Enfield Homes have failed in their obligations towards me. I'm very concerned about this and I'm very concerned that the way that I'm still being treated at present, and the employees are still working inside of the company in dealing with people's personal data other than mine.
Speaker: 05:58 Right, so that's a great cost of troubles, yes, towards you.
Speaker: 06:03 I'm just turning on the switch here. If you have Google available, it's just going to take me two seconds.
Speaker: 06:06 We do but I won't be able to view these videos, sir
Speaker: 06:10 you don't have to view the videos. You can just have a look; a brief looks over that. The actual website itself and actually see I'm just, I'm turning it on right now. It's going to be on in less than six seconds. Horrific corruption.com and this is my concerns and they're official and then there are at large that they still haven't been being apprehended and been dealt with to an extent where I feel satisfied and I'm at a stage where I might have to promote this into the general public, and I'm concerned that this can cause even further problems. And dis May and I would like to be able to have this dealt with as constructively and positively in an even quick and informative way and time as possible.
Speaker: 06:51 Right, yeah. Just a second, sir. I'm just trying to check who I can **transfer** you to who can deal with the matter the Ian Dave's has been away for two hours but he's going to be free at four o'clock.
Speaker: 07:11 Is it possible that, do you actually have control of his diary? Is it possible that we can arrange a time that I can call?
Speaker: 07:17 We not doing this here? Uh, no. If you could call us back, then we can try and **transfer** you. Um, otherwise I won't be able to do it.

			Speaker: 07:27 Okay. **Speaker:** 07:27 Let me just check the other people for you. You're said about Christian Webster as well. **Speaker:** 07:31 yes that is correct. **Speaker:** 07:31 Christian Webster. She is still in a meeting. **Speaker:** 07:40 Bob Chunkdick. C. U. N. D. I. C. K. **Speaker:** 07:57 Yeah, Bob **Speaker:** 07:57 Bob, Bob and then C. U. N. D. I. C. K. Chung Dick. **Speaker:** 08:04 Yes. I can see this person he's been away for 25 minutes. **Speaker:** 08:08 Counter fraud manager. **Speaker:** 08:10 I watched three **Speaker:** 08:14 Ian Davis sounds just like the sort of person that I really do need to be speaking to in regard to these issues. Speaker: 00:02 So, you want to speak to someone about the Whistle blowing policy is that correct?
Speaker: 00:03 Yeah. About the whistle blowing policy about fraud in the company. I want to speak to somebody because employees have not acted reasonably. They've actually with misconduct, gross misconduct and negligence towards my life and the forced processing information and I'm even receiving the letter as recently as yesterday. That's been falsified and I can prove it and I want something done about it.
Speaker: 00:29 Okay. Who did you speak to um, did you speak to Jen Middleton outlay?
Speaker: 00:35 Who.
Speaker: 00:35 She is our legal person
Speaker: 00:36 to who? Jane.
Speaker: 00:37 Yeah.
Speaker: 00:37 Jane I thought. I thought that Jeremy Chambers Something, Jeremy.
Speaker: 00:43 She works for Jeremy Chambers
Speaker: 00:44 Jeremy Chambers has already been done for most gross misconduct himself. Is that not, correct? I've already had to put him in my website, and he was **transfer**red over for sexual assault and now they're predator me in knowing that I'm an innocent man and a and he's been given a second chance in that company. I'm not even done anything wrong. Yeah, I can prove my innocence and they keep attacking me. Every letter I'm getting is with Jeremy signature and he's letting this Lumina who I can prove they falsified all the timestamps, all the information and falsified a Possession Order and went to still my home. Yeah, that they've held me in my house from an ASBO case that they know is Illegal and they know that there are threats in the Asbo and they're sending me the Threats, like if you.
Speaker: 01:22 [Indictable].
Speaker: 01:22 attend court and discuss we're goanna re - man and that's what they keep doing. Use lot keep re - manning. Or as they, as they say, people are getting, getting, getting allowed to leave the companies without no disciplinary action happening. New people are coming in place. Then the new people are attacking me, and this continues to happen. I want something done about it and my lives in danger because of Enfield Councils employees
Speaker: 01:43 Have you gone to the police If your life is in danger.
Speaker: 01:44 The Metropolitan.
Speaker: 01:44 You need to report that to the police.
Speaker: 01:44 The Metropolitan police and the Enfield Council together
Speaker: 01:50 Because the Council can't protect you
Speaker: 01:52 Yeah. May, I'm asking the council I'm not. What I'm explaining is the council can; the council can, can, can put misconduct or gross misconduct and take the employees that they know are acting fraudulently in the company. They shouldn't be in the company if I can prove they're acting fraudulently. They're touching people's personal data such as mine and others. This is against the law and the ruling for what the mandatory company was out and the mandate, the mandate was to Act in the company to achieve. In the beginning what I'm saying is there's

fraud in the company. I can prove it. Lemmy forcefield a possession order. He completely falsified all the claims in it and sent it to my address. I phoned him and I had recordings of all of this. They also together in the metropolitan police and the Enfield Council held a meeting inside the civic centre in **2014** and it took Steve ELLs more who I've gotten your release in the release forms from use lot.
Speaker: 02:43 Saying that Steve, Steve, and a gentleman or maybe a lady called Pat in your offices made the Asbo and what they'd done is they never had no true victims, or no members of the public, they falsified an Asbo and called it the organization of illegal raves and advertised this in the newspapers about me, but no one even arrested me. All the signatures are forged. All their timestamps are false. It says that white people commit the crime. I'm not even white. Yeah, I'm, I've been trying to prove to Enfield council for the last five years that I'm not white and you are legally holding me because use lot have falsified an Asbo application and forgot to arrest me and, and everything that's wrong with it. Now because of that, your employee people like, Lemmy who started in October **2016** he's coming straight into the company overlooking everyone else work and all the emails of complaints that have gone in and he's
falsifying a possession order and going to steal my house and make me pay court costs and everything else. And he is asking for custodial sentences. Now you've got keep phoning up the doctors. You phoned up the doctors again yesterday and asked for the doctors to come to my address today.
Speaker: 03:44 Why are you putting the phone down?
Speaker: 03:49 Okay.

  Speaker: 00:30 Hello, you're through to the Director of the Environment's office at the London borough of Enfield though I am unable to take your call now.   Speaker: 00:54 Hello. I believe that I'm ever going to speak be speaking to a Heather Littler or an Angela Hugue who represents the chief executive's team for the Enfield council and I just was in the conversation

			with Angela on the phone. This was our third conversation. I have recorded the other two recording. She's **transfer**red me over to a non-existent number and today when explaining to her my listed priorities of emergency graded issues, she has been rude and uncourteous towards me and put the phone down. In understanding that she is being paid a salary to prevent these things from happening that I'm talking about the telephone number that I am phoning on is the 3910 number I believe. And if you check your own whistle blowing the Enfield Councils whistle blowing policies. Yeah. Which are published online for any member of the public to take hold of you will notice that your number is the number within side of - **Speaker:** 01:52 That whistle blowing policy that I am phoning now. So, I do not understand why you are not acting in accordance with the whistle blowing policy that you set to protect people like me from people that are, that are acting in your company's name when they're act fraudulently or unfairly in, in a breach of process. Yeah. Please. Can you contact me back act fairly, and not act rudely towards my needs and to what is going on here? This is informal of yourselves, and you are, I don't know what more else I can continue. It's very easy to continue. Listen to this. Please can somebody contact me back and take what is happening and very seriously. **Speaker:** 02:28 Okay. **6** • **Simon Cordell's MP3'S Indexed** **Stage 1** **1x Recording** **12/01/2018** 01m. 31. 4. On 24tri January 2018 the Defendant contacted me at work twice by telephone on an anonymous number. The first call was at approximately 16:50 and stated he was Simon Cordell. He said that Lemmy Nwabuisi must go to prison, he also stated to have stripped our computers without us knowing, he also added to have in his possession one of my colleagues' emails, named Miss Jeans. The Defendant further added to have the emails that witness protection had sent to him. I then proceeded to tell the Defendant that I was going to terminate the phone call and I put the phone down.

The Defendant telephoned me again at approximately 16.53 on an anonymous number and left a voice recording the contents of which are as follows:
"It's Mr Cordell, I think that you putting the phone down on me when I'm explaining to you what the people that you're in charge of are doing illegally to me. Lemmy understood what he was doing, I've recorded every conversation with Lemmy since the day the witness care team told you'z lot that I have no case to answer against Mr Mathiyalagan and you decided to make a possession order. That possession order says that I've got a possession order for having printers in my house which are legal to have and I have them in the back garden now cause you'z lot won't tell me what conditions I'm in breach of, basically I've got Lemmy on recording he admits to doing certain things and I'm 100% sure he should got to prison for what's happened and you as his manager should do something about this you're the one advising him to do it and I'm gonna see you at court and I'm gonna serve you lot my official report, I'm taking this case up to judicial review cause this lower court doesn't have the

The Defendant's acts constitute acts of harassment and intimidation, and he is therefore in breach of paragraph 4 of the interim injunction Order. -- **Si Note** + more I never took out. -- We would therefore ask the Court to consider the application in light of the recent incidents and to commit the Defendant to an arrest.

  Additional breach of the interim injunction order following an incident which occurred on 01 May 2018
  7. A Court hearing on this matter took place on 01 May 2018 and the Defendant displayed aggressive and threatening behaviour against me, one employee at Enfield Council Ms Balbinder Kaur Geddes and Mr
  145
  Mathiyalagan who is one of our witnesses in the committal applications. Such behaviour was also displayed towards District Judge Taylor and members of staff and security of the Edmonton County Court.
  8. On the day our case was called at 10.10am and the hearing proceeded in
  the Defendant's absence. The Defendant and his mother eventually arrived
  at 10.25am. As he came into the Court room, he kept on saying 'I'm not meant to be here, this is not meant to happen'. He then shouted out that the judge was conniving with me and Enfield Council as we wanted to keep him prisoner in his own home. He also stated that the County Court had no jurisdiction to hear the case and he wished to be heard by a jury. District Judge Taylor then responded by saying that this was a civil matter, and he cannot use a jury.
  The Defendant then turned to me and waived a file of paper at me and said to me that he knows that I went to Westminster University, he also threatened that he was going to destroy me.

He also accused me of killing his baby and of destroying his life. He continued to shout abuse and swore at everyone including the judge.
9. As the Defendant continued to act disrespectfully, District Judge Taylor asked the Defendant to calm down; he responded by calling her a corrupt judge, told her to shut up and swore at her. He was coming towards Mr Mathiyalagan (one of the Claimant's witnesses in the injunction and committal application) in an aggressive manner so I stood up between them to stop any risks of altercations. Two security guards were called and
entered the Court room who asked the Defendant to calm down and to sit down. However, he became even more agitated and asked for their name,
he also said that he will find out where they live and will come after them families. At that point District Judge Taylor ordered a short adjournment to
allow the Defendant to calm down.
148
10. While waiting in the corridor outside the Court room, the Defendant kept on shouting abuse at me, Mr Mathiyalagan and other people waiting in the Court corrid9r. I then decided to go to the other side of the Court waiting area with Ms Geddes Kaur and Mr Mathiyalagan to avoid further abusive behaviour from the Defendant; however, we could still hear him from the other end of the Court.
11. The Judge called the parties back in and directions were made including adjourning the hearing to 30 May 2018. As I left the Court building with Ms Kaur Geddes and Mr Mathiyalagan, the Defendant, and his mother Lorraine Cordell was waiting outside of the Court entrance, on the other side of the road. The Defendant started shouting and abusing us. I then spoke to, the Defendant and said to him that he was ruining people's life by his conduct.
The Defendant tried to come after us, but his mother held him back. Because of his threatening and aggressive conduct, I had to take a different direction to my car to avoid the Defendant and ensure that the persons who were with me were safe. Ms Kaur Geddes was a party to the incident and a separate witness statement in support of the application notice is being provided by her.
12. The above incident constitutes a clear breach of the injunction order and I would like this to be added to the committal application dated 20 April 2018 and that it be considered at the hearing on 30 May 2018.

- **Si Note:**
  This did not happen on this day what did really happen is I and my mother arrived at the court and we may have arrived late but that would be with good cause, my mother phoned the court to explain why we was late and that we would be arriving shortly.
  I was upset with what the Enfield councils' staff had been taking apart in and while also, supporting my neighbours to attack me.
  I knew that I had not committed any of the offences that I had been getting setup for and I understood why the council and police would not support me by doing a fair investigation and that was to aid in covering up what they had started e.g. the forged Asbo and other Court Orders and

			this was while slandering my name in the pubic to undermine me thought court proceedings that they had brought against me all fraudulently. I went to Court well prepared and so, did my mother but because of the abuse of legal process I knew that if I stayed quite I would get robbed of my home and Mental Sectioned and forced to take tablets that would make me think that the time went backwards or that I could see signatures that was not really present or make me believe that I had been banging on my neighbours front doors when I had not. What I had done was ask my mother to write to the Enfield Council and the Metropolitan Police Force to stop the bad things that was continuously getting done to me and the reason I done this was because I did not want to get in trouble partly because I had seen the paperwork that was inside of the Asbo folder and knew that I would be able to get compensation and that would help me sort a few things in my life out. As I walked into the court not attended any of the prior court cases. I was 100% sure of what he had been doing to me and that I had never done any of the things that he had been accusing me of. I had a clear understanding of the lead up that had brought me to the court and could also, see Lemmy and knew that he had set me up to try and get the Court application in mutable different ways. I knew that I could prove that I had not done anything wrong and could also evident that I had not been served by Video evidence. As angry as I felt for Lemmy and the Mathiyalagan's I felt for the Judge as I had made many telephone calls to the Edmonton Lower County Court prior to this and recoded them in respect of them allowing the applications to continue after the 1st Court application got struck out and I had explained to the about not getting legally served. To prevent them walking all over myself I stood up for what was right and spoke aloud to let more people than they would like to hear the ongoings at the time in a polite roundabout way. The Judge knew that I had them all were I wanted, and they had already tried the Mental doctor route to get out of things, but I had shut the avenue down. On the way out of the Court Lemmy and others had waited for me and my mother to leave the court and this is 100% what happened, when we was leaving the court Lemmy started on me I can't remember fully what he done I might have marked it up in the diary but the bottom line of things is that I never bit to him trying to lead me into trouble instead I crossed the road with my mother or she would have shouted at me and I did not need that of her in pubic in Edmonton but Lemmy seemed to imagen even more to help him try and get the Court Order that he wanted on me so, bad that he forged everything illegally.

STATE AS FOLLOWS: -

That I did on Friday:11 May 2018 a~ approximately 9.00.am attend in close proximity to the defendant's address supplied to me for him of 109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ.

The purpose of my attendance being to meet and personally serve the above-named defendant with a single envelope containing the following: That I did at the time of attendance having been unable to gain access to the building initially

attempt to gain the attention of the above-named defendant by tapping at the glass of the

downstairs window, with no response. At approximately 9.20.am after having gained access to the

building as a resident was leaving the building, I did knock at the front door of the defendant of 109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ. With the above-named defendant responded from behind the front door and as on my previous attendance at the address asked, "who is it". After having identified myself as I had done so on my previous attendance and the nature of my attending and with the defendant stating he had no wish to open the door to me and therefore refusing to accept service personally of the aforementioned envelope containing the documents referred to in this my statement; I did ask on more than one occasion if the defendant would oblige by opening the front door. That I did after having been refused access to personal service at the address and with the letterbox to the address quite clearly being obstructed by what left like a 'wooden plate' proceed to find a fixing for the sealed envelope addressed to the above-named defendant containing the aforementioned documentation. That I did continue to affix the envelope whist the defendant continued to speak in what could be best described as in a nonsensical manner as the conversation bore no relevance to my attending the address or the nature of my attendance. The defendant continues to speak about the 'unlawful' act I was performing by affixing with a cable tie the sealed envelope in a plastic wallet to the external door hinge of 109 Burncroft Avenue, EN3 7JQ. That I did whilst performing this act explain to the defendant that by his refusing to open the door to me and by sealing access through the letterbox that by effecting 'lodgement' at the address in this manner was the only course of action left open to me. That I did having re-affirmed this to the defendant and his saying "what if someone takes this off in five minutes" state by virtue of our conversation and his knowledge of my action did not excuse his not wishing to be informed of the Claimant attempting to effect service upon the above-named Defendant. That I did at approximately 9.35.am affix with a cable tie in a plastic wallet attached to the side hinge 'barrel' of the door frame of 109 Burncroft Avenue, EN3 7JQ a sealed envelope addressed to the defendant in order that its content would have come to the attention of the Defendant.

14/05/2018	• **The 2nd Injunction Order Indexed** **Page** 188 -107 OF 134 https://flipbooks.zapto.org/Flipbook8-2-PDF/ Before Deputy District Judge Genn sitting at the County Court at Edmonton, 59 Fore Street, London, N18 2TN. UPON hearing Solicitor for Applicant and Defendant not in attendance and not having notice of the application because of the history of Defendant evading service and the threats of violence to neighbours set out in the witness statement of Mr Nwabuisi and because of the urgency of the matter given there is a hearing listed for **30th May 2018.** **AND UPON** reading the Applicant's application **IT IS ORDERED THAT** **1**. Permission to Applicant to amend the application for committal. **2.** Permission pursuant to CPR 81, 10 (5)(b) to serve the amended application by email on Mrs Cordell, Defendant's mother because she has successfully brought previous proceedings to Defendant's notice having received previous applications by this means.
15/05/2018	• **URGENT** Dear Sirs Re: The London Borough of Enfield-v- Cordell- E00ED049 We write further to the Claimant's ex parte application which was considered by Deputy District Judge Genn on **14/05/2018** in the Edmonton County Court. The Claimant collected a copy of the Order, which was drafted shortly, after the hearing. However, **paragraph 2** of the order is slightly ambiguous and incomplete. It reads as follows: 'Permission pursuant to **CPR 81.10 (5) {b)** to serve the amended application by email on Mrs Cordell, Defendant's mother because she has successfully _brought previous proceedings to Defendant". The Claimant's application notice Issued on **14 May 2018** and considered by the Judge requested the following: **1)** The Claimant seeks permission from the Court to dispense with personal service of the applications dated **05/02/2018** and **20/04/2018** pursuant to **CPR 81.10 (5)** and. **2)** To dispense with personal service of the application notice dated **11/05/2016.** At the hearing it was explained to the judge that the Defendant has evaded personal service of the committal applications dated **05/02/2018** and **20/04/2018** and of the application notice dated **11/05/2018.**

			The witness statements provided with the application also support the position. It was further explained that as a result of the Defendant's conduct we would seek permission to have service of the application dispensed with. The Judge read the application and the Claimant's witness statements and agreed that service could not be effected and as a result agreed to have all 3 applications served by email upon the Defendant's mother Ms Lorraine Cordell, **pursuant to CPR 81.10(5)(b).** Therefore, what is missing from the Court order is an additional paragraph which gives the Claimant permission to serve BOTH committal applications (**05/02/2018** and **20/04/2018**) by email on Mrs Cordell. Such position was accepted by the Judge at the hearing but unfortunately is not reflected in the Court Order. This was requested in the application notice and agreed by the Judge, We would therefore like the order to be amended accordingly. We would be grateful if this letter could be passed on to the Judge to have the order amended accordingly. Please note that the next hearing on this case is listed on **30/05/2018**, **2pm** and we would be grateful if the order could be amended as a matter of urgency Yours faithfully, Ludminya lyavoo Lawyer For the Director of Law and Governance

The Asbo

The 1St Possession Order is when I found out about the emails that had been getting sent between the Council and my mother even low, I had asked her to help by contacting the police and the Council to help stop what my neighbours were doing to me while I was in my own home. I managed to get a few of the emails of my mother but they were all in images and not in date order, as she would not allow me access to her outlook account.
I had to put all the emails into date order by opening the images then OCRing the images to text, when doing this a lot of the images where so faint in print that I had to analyse the documents and manually repair the images to text by hand, while filing and indexing the information.
When I got set up by Cristine and Carron I got taken to the police station and then to the St Ann's Mental hospital **00/00/2016** and this is when I stopped working on my festival paperwork and started to put all my time into documenting down what was getting done to me. Soon afterwards I needed a filing system, and the government was undermining me behind closed doors so, I decided that I will build a website to show more people what was illegally getting done to me to help protect myself.
I turned the website on public view while in chase farm hospital to stop doctor Greenside and others robbing me of my life, just after the **25/10/2018.**
Once I got realised from the hospital and without ever having a Mental Health diagnosis.
I continued document my evidence down and placing it in my website. On the **26/01/2019** my birthday my mother gave me the missing emails and more information that had got requested from government computer that was held in my name. the emails that she given to me I had never seen prior, and these emails spread all over the years that I had already documented and were important to simulating my past events in my life rather than ruin my indexes and other work I rebuilt the lot again.

The 1St Possession Order

a. Once I had found out about what was going on I decided to give the telephone numbers on the paperwork and record the conversation with my dictator. I spoke to a man called Lemmy Nwabusi.
   In them conversations we talk about

- What my neighbours had been doing to me and what he could do about stopping them.
- The Asbo, Lemmy lied and denied ever knowing anything about the Asbo application. He done this so he could serve the possession order against me that he and his colleagues had just forged in aid of them robbing me of my home while allowing me to continuously get harmed by members of my housing estate and all while keeping me detained on Asbo conditions that was created in the same company, same department as he was then employed by, the Enfield Council.
  Lemmy Nwabuisihad spoken to my mother about the Asbo in emails prior to me chatting to him.
  I asked Lemmy Nwabuisiif he would go into the files in his office and find the Asbo files and take a close inspection of them and report his findings so, that the Asbo restrictions against my person could be removed.
  I mad e a reference towards the Victim statements without any signatures all wrote in a 3rd perspective view and the inaccurate time stamps in the Cads from the 999-call dispatch system.

  At the same time my mother was in communications with the Enfield Council by way of emails in respect of **xxxxx xxxxx xxxx**

My mother was chatting to a man named as Daniel Ellis who is an employee of the Enfield Council, and his position is **Communications and xxxxxx**
Daniel Ellis had gotten asked in an email subject access request for all information in respect of the Asbo to do with myself and the councils reply was they did not have anything to do with the Asbo and therefore do not have the files to do with it. This is a lie and can proved to be a lie for the following reasons.
After I had spoken to Lemmy Nwabuisihe went to the Asbo files and overlook all that I had explained to him and took one of the most horrible pages out of the application and placed it in the 1st Injunction order

This page had got given to my mother after I had walked out of the Lower Magistrates Court at the Highbury and Islington after hearing a guilty conviction.
The page had subliminal threat messages made from it. The Court clerk who put his name to the document and then after handed it to my mother had himself or allowed another member of staff to mod its context of text to say "Attend Court and Dis Us and We Will Re-Man." On the day that my mother was handed the document she even got upset and handed it back to the court clerk for it to get recertified to me understand she called the subliminal threats to me and any solicitor I asked to represent me who would notice the page on the first pages of the Appeal folders "Spelling mistakes" The paperwork was not amended when my mother requested for it to get done.

I never knew about this page until much later, when I was on bail conditions to stay at my mother's house because of the alleged Christine & Carron and Stain Case and the Georges Bike Case. When at my mother's house she had to go to my solicitor firm who was then on acting on my half, "Michal Carrols office" to collect the folders as they did not want to represent me through the whole case and tried to get taken of the records as my acting representatives twice at the courts.

I had not been allowed access to building the response folder at this stage as my solicitor dd not want me to attend her offices due to disagreeing about the way my case was getting managed.
I disputed with her the fact that I wanted to submit all the fraud that I could prove, and she did not and also, because she said that I was wrong about section 144 lasbos and the police needed to prove trespass to use section 63 of the raves bill 1994. Josie seemed to have convinced my mother that I was wrong in my point of law, and therefore my mother and Josie who was my solicitor built everything without me. I keep sending my mother proof of section 63 and the need for trespass to be present by way of email until she realised that I was correct and questioned Josie as can get seen by emails. 00/00/0000
Michael Carols

When my mother brought the Asbo folder home from my acting solicitors so, we could apply for Legal Aid for the Appeal stage.
I had a chance to add some files into it, so I spent the next day before my mother sent them away again to write a few documents of my own and I got my mother to place them into the response bundle and therefore they are contained in the back.
I still had not noticed the Subliminal Threat or the spelling mistakes as my mother called them, by this stage.
On the **17/11/2016** the alleged The Christine Carron and Stain Case and the Georges Bike Case were all dropped, and I was allowed to go back home but I still never went back until the **23/12/2016.**

In this time, I had
The Asbo placed against me illegally
My neighbours attacking me while I was in my home every day.
Got arrested For the Christine and Carron and Stain case when I had done nothing wrong and everything they had said was completely made up.
I got arrested and not interviewed or told why I was detained for 2 days and without a superior police officer extending my 24 hours stay and then taken to St Ann's Mental Hospital without reasonable cause, Because I never got interviewed once I got out of the hospital, I had to return to the Edmonton police station on police bail. In the morning of the day to return to the police station to find out who had set me up and what for I started to get attacked again by the neighbour in 113 Burncroft Avenue while in my Barth. I went up to his front door to be civilised, but he had no respect for my life and had been hurting me every day almost since he moved into the flat as he wanted to be a copycat killer and I was his victim. The police arrived at my front door and arrested me for criminal damage to George's bike. I got charged and taken to court and realised on bail conditions to live and reside at my mother's home while court proceedings continued.

for their lies and put into a mental hospital

When the 1st Injunction order was not served to myself, I received copies of the documents of my mother as they were emailed to my mother.

- **The 2nd Injunction Order**
Part of the reason that this application was created is because I made a telephone call to Lemmy who worked for the Enfield Council.
I made this phone call after winning the case at the Lower County Court on the 00/00/201

The police soon afterward arrived at my front door and arrested me.
While in the police station

Date of telephone call to Enfield Council employee Lemmy Nwabuisi
The Defendant has made threats to the Claimant's employees on **09th January 2018** by stating that he knew where they worked/ lived and threatening one of the employees that he should watch his black.
The employees are concerned by the threats made and would like the interim injunction order to be varied to prevent the Defendant from approaching the Claimant's employees at their place staffs work and personal address.
The application to vary is supported by the witness statements of Mr Mwabuisi dated 02,02.2018 and Ms Mudhub dated 05.02.2018 along a draft order.
The Defendant has breached the terms of the interim injunction order on 24.01.2018 by harassing and intimidating one of the Claimant's employees by calling her on her work number on two occasions. The telephone calls constituted threats, harassment and intimidation

causing the employee to put the phone down during the first phone call, but the Defendant continued to call again.
The Claimant therefore wants the Defendant to be arrested in light if those incidents.
The details of the telephone conversation is covered in i the affidavit of Ms Maudhub dated 05.02.2018.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

The medium of contact that you should use to correspond with the Council for future requests should be by email only and through your single of point of contact who will be Dionne Grant. These restrictions will be in place for a year and will then be reviewed accordingly. Should you wish to appeal this decision to restrict your contact, please contact Dionne Grant, Complaints and Access to Information Manager at: complaintsandinformation@enfield.gov.uk within 20 working days of this letter.

Yours sincerely

Dear Sir / Madam,

Re: Claim No: F00ED222
London Borough of Enfield v Simon Cordell

We write to inform that we have written to the Court asking that the Order dated 18 June 2019 of Deputy District Judge Harris striking out the Claimant claim, be set aside as the Court failed to put before the judge our letter requesting that the matter be restored.

We wait for a new order and directions from the Court.

Yours faithfully,

Paul Buckridge,

Dear Karen Hale
I was wondering if you sent a copy of this to my son via his address. Or has it just been sent to me?
If you could also, please send me a list of dates and times my son has called for the past year I would be grateful.
Regards
Lorraine

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

Further to the letter we sent you on the 27th June 2019 (copy attached), we are writing to confirm that we will be extending the single point of contact for another 12 months from the date of this letter.

During the past 12 months, you have failed to follow the single point of contact detailed in the original letter and on the 23rd June 2020, you phoned the council, repeating the same issues you have previously raised, despite having been told in previous correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively.
We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

  Importance: High
  Dear Karen Hale
  I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?
  If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious, and Unreasonable I would be most grateful.
  Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.
  - I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
  - The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.
  - The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
  - And the only other time I have had contact is due to repairs that needed doing to my sons flat.

  Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?
  Regards
  Lorraine
