06/02/2017 :08/02/2017:

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man-if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.
08/05/2017:
Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me

Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of

the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:

Subject: FW: Contact phone number for Mr. Stanley Curtis
Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.
Many Thanks

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man -if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.
08/05/2017:
Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems. with eating because of what they keep all doing to me!
My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

I realise how irresponsible the Enfield Councils and the Enfield Homes treat their clientele, as each day goes by that I require their reasonable person's attendance and then assistance in fixing the disrepair emergency problems. in my home as my health does not matter to their staff!

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man-'f they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:

20/03/2017:
I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.
08/05/2017:
Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

  t/c I spoke with Simon's mother [she is not too well with bad back] because Simon will not talk to me. Simon believes that since he met me, I caused him to be in hospital. Mother informed me that Simon was working at the moment; she said he was doing his own work Mother informed me that Simon's court case is on **17 Nov 2016** She said that Simon wants to move from current property and will require support from EIP. He believes that if he moves,

he will not have the kind of problems. he is going through. I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from

Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She

confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.

concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council

and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.
Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.
He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.
Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Summary!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems. with eating because of what they keep all doing to me!
My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!
I await the date to get booked for my repairs to take place explaining a date that would stay needed so for a reasonable person to access my property to complete the urgently needed

repairs, so for them to get completed, with efficiency, but to my disadvantage I get left helpless by no correct follow ups of the Enfield Council and the Enfield Homes teams!

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as

Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Referral Details **03/11/2016**:
Organisation making referral: Community Safety Unit
History **03/11/2016**:
■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

07/11/2016:

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

08/11/2016:

I tried calling the Witness Care Unit again at Holbom station to no avail -1 then got a call back from police Holbom asking if I had tried to contact them -1 was then put through to Thomas Jones Witness Care Officer — from this point the communicative lines was open for progress. Tom also said the OIC is DC Campbell attached to Edmonton Police station. And that he will email him to contact the victim to reassure him.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Dear Lorraine,
We do not have any further statements as of yet, I will continue to chase the CPS for full disclosure. Would it be possible to rearrange the telephone conference with Simon for Thursday afternoon? Something urgent has come up and I now need to leave the office this afternoon. Can we say 3pm on Thursday again and I will have more time to discuss everything with him then.
Thank you.

Threats and intimidation (General)
Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on **4/10/16,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it,

threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away,
CAD No. 3309/4 Oct. 2016.
On **11/12/16,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 **Oct. 2016.**
On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend

court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Dear Courtney
Please see attached the 2 statements from Simon friends for the date of the 14/08/**2016** I am sorry about the delay but my back went and have been in bed for some days so did not get time to scan the statements until today to send to you., could you please let me know if Simon needs to do a statement for himself if so, I will get that done today. Also have you now got the other documents for the case of the 04/10/**2016** and if so, could these be sent over to us along with any other documents we have not got yet. There is still the issue of the police running out of time for the case of the 14/08/**2016**, they went well over 24 hours due to how they dealt with things on the 04/10/**2016** when his bail to return was is there any update as to what is happening with this issue, I feel that even when he was arrested on the 04/10/**2016** the bail to return could have still have been dealt with while they were looking into the arrest of the 04/10/**2016** and only delayed that due to knowing they were going to run out of time and this is the reason they never restarted the timer as they had to wait for doctors to check Simon was fit for interview and this alone took over 6 hours I believe this is why they only ever started the timer for the new arrest of the 04/10/**2016**.

Dear Lorraine,
We do not have any further statements as of yet, I will continue to chase the CPS for full disclosure. Would it be possible to rearrange the telephone conference with Simon for Thursday afternoon? Something urgent has come up and I now need to leave the office this afternoon. Can we say 3pm on Thursday again and I will have more time to discuss everything with him then.

Dear Lorraine,
Simon does not need to draft his own statement, which is my job to do from the instructions I took from him the other day. I will get this to you soon. With regards to further case papers, we have not received anything yet. I have made a request for the custody record however the officer in the case papers as named officer in the case does not seem to think

he's actually dealing with the matter so I will have to make further enquires in order to obtain it.

DIRECTIONS ORDER

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms. and conditions are hereby attached at pages 1-24.

4. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

5. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

7. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

8. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being

referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

11. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems. with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats, and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby.

14. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore, and shouted abuse and threats at him and his family and accused them of making noise.

15. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

17. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems.** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems. between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply." The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later." A report of this incident is at page 55 of the exhibit bundle.

24. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police, and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life." A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

2. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

3. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

4. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man-'f they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of

the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:

intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**
It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.
The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.
There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.
On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.
Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.
My son is scared to go home due to what the neighbours are doing, saying, and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.
On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I

asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.
Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.
I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.
On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.
In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

2014 and **2015**

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset.
Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were

sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbors have put any complaints in and what they have said he has done and on what date.
- I would like a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

Re: Formal Complaint 08/12/12/016
To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done.
I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.
The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.
My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since, he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and, in the day, due to what the neighbours are doing.
I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.
It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.
When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.
It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.
I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

Subject: FW: Contact phone number for Mr. Stanley Curtis
Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.
Many Thanks

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Subject: FW: Contact phone number for Mr. Stanley Curtis
Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**

It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.
On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.
Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.
My son is scared to go home due to what the neighbours are doing, saying, and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.
Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.
On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front

door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention

team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

1. I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 0780.
2. I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
3. I would also like full dates and times that my son's neighbors have put any complaints in and what they have said he has done and on what date.
4. I would like a full report of any police reports that have been given to Enfield Council by the police about my son.
5. I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. Organisation making referral: Community Safety Unit
History **03/11/2016**:
■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

08/11/2016:

I tried calling the Witness Care Unit again at Holbom station to no avail -1 then got a call back from police Holbom asking if I had tried to contact them -1 was then put through to Thomas Jones Witness Care Officer — from this point the communicative lines was open for progress. Tom also said the OIC is DC Campbell attached to Edmonton Police station. And that he will email him to contact the victim to reassure him.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: 16/11/2016: 16/11/2016:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr. Curtis said that he has had no further problems. from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

Disrepair!

I treat the council officials with respect in the believe that they must act in a natural manner when dealing with incident relating to their clients, but they act Inferior with bios decisions against me, resulting in no logic or fair gain at the conclusion of incidents, once put in receipt of true official evidence and this is at my loss of life without any wrong doings from myself!

Friday 4th Nov 16. And emotional support was provided. At the time he was having problems. remembering the timeline of dates pertaining to incidents, said he was quite friendly with Simon Cordell - leading up to current events - and was somewhat perplexed as the sudden change in the attitude of the accused.
Mr. Curtis and other alleged residents felt the problem could have something to do with a resident named Miss who has since moved Mr. made reference to Simon Cordell boasting in having something to do with her departure.
Mr. was trying to recall events and said it could have been in the month of July, when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr. did not call the housing or police to report the threat. His friend, another resident who did not want his name mentioned, said that it was it was on
DD.
6th July. Mr. A| could not quite remember when the second incident occurred but said that it was around mid-September. Simon Cordell approached Mr. m outside his flat, when Mr. | was on his way to the fields and threatened him. A lady called Karen also a resident of Burncroft witness the threat and asked Mr. Cordell to the leave him alone.
With encouragement from other residents - Mr. called the police a few days after the threat to make a report.
Mr. A the police a lot of police some with riot gear-entered his flat with officers posted to the front and rear of the building. They managed to coax Mr. Cordell out of his flat and arrested him.
The case has since been heard in court and Simone Cordell pleaded not guilty. He has been bailed with conditions - to stay away from Mr. | and also not to enter the Burncroft area.
Mr. is required to stand witness in court on the

EE.
17th Nov 2016. However, Mr. is feeling quite anxious and feels there may be reprisals to him giving evidence. I asked Mr. if he would like me to attend the hearing in support he said yes, he would not mind. I also visited another resident Christine to get her account of things.

28. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

29. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms. and conditions are hereby attached at pages 1-24.

30. The reports concerning the Defendant’s alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against

an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.**
However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

31. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**
33. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a

screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

34. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

37. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems. with the Defendant's behaviour, and that on **4th October 2016,** the Defendant

aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

38. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

39. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby.

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

40. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

41. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

42. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

43. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

44. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

46. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

47. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems.** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

48. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems. between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

50. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block

of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

51. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

52. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

53. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat, but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and

would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

H. The Defendant is in breach of the following conditions of his tenancy agreement;

I. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

2. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. 6. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

7. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

8. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

DIRECTIONS ORDER

04/11/2016
Home visit conducted on Friday 4-th Nov 16.
And emotional support was provided.
At the time Stain Curtis was having problems. remembering the timeline of dates pertaining to incidents and said he was quite friendly with Simon Cordell - leading up to current events and was somewhat perplexed as to the sudden change in the attitude of the accused.
Mr. Curtis and alleged other residents felt the problem could have something to do with Debra Andrews a resident named she has since moved Mr. Curtis made a reference to Simon Cordell boasting in having something to do with her departure.
Stain Curtis was trying to re call events and said it could have been in the month of July, - when Simone Cordell shouted abuse and swore at him and threatened to burn his flat down Mr. Curtis did not call the housing or police to report the threat.
His friend, another resident who did not want his name mentioned said that it was on 6th July.
Mr. Curtis could not quite remember when the second incident occurred-but said that it was around mid-September.
Simon Cordell approached Mr. Curtis outside of side his flat, when Mr. Curtis was on his way to the fields - and threatened. him. A lady called Karen also a resident of Burncroft

witness the threat and asked Mr. Cordell to the leave the old an alone with encouragement from other residents – Mr. Curtis called the police a few days after the threat to make a report.
Mr. Curtis said the police a lot of police some with riot gear entered his flat with officers posted to the front and rear of the building.
They managed to coax Mr. Cordell out of his flat and arrested him.
The case. has since been heard in court and Simone Cordell pleaded not guilty.
He has been bailed with conditions - to stay away from Mr. Curtis and also not to enter the Burncroft area. Mr. Curtis is required to stand as a witness in court on the **17th of Nov 2016.**
However, Mr. Curtis is feeling quite anxious and feels there may be reprisals to him giving evidence, I asked Mr. Curtis if he would like me to attend the hearing in support, he said yes, he would not mind. I also visited another resident Christine -to get her account of things. Action Contact the witness service and arrange a pre-court trial visit and other assistance. Possibly arrange transportation on the day of the hearing+ and for the pre-court trial visit. Any other assistance/support we can provide Mr. Curtis

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:

Visited Mr. Curtis and Karen to hand deliver incident diaries.

28/11/2016:

I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen.

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**
It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.
The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.
On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.
Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.
On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.
Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.
I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of

my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

Dear Ms. Cordell,
Re: Mr. Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016,** and **8th December 2016.**
I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.

2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.
3. Allegations of Anti-Social Behaviour
You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.
We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th**

August 2015. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.
We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.
We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.
Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.
He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.
Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme,

where tenants can be supported in moving to a private rented home. Further information can be found online using the URLs below:

Summary!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and

local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems. with eating because of what they keep all doing to me!
My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Subject: complaint against police
Good afternoon, Lorraine,
Apologies for missing your telephone call. I am aware that the IPCC have directed a re-investigation into Simon's complaints. I moved to a different unit within the Directorate of Professional Standards a number of months ago and so this case will be assigned to a different investigating officer (IO). There does not appear to be a new IO assigned at this time but as soon as an officer receives the case, they will establish contact with you and discuss how they intend to proceed. Please be assured that an officer will be in touch with you in due course.
Regards
Jeanette

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**
It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.
The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.
There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.
On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.
Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.
My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.
On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.
Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.
On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been

going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious

breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. R
16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him

that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 Oct. **2016**.

On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He

stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

3 Enfield Council 1st Injunction Order: Si Sarah Fletcher Tel Call History / Said to have gotten Served 09/08/**2017**. – "Si Note: Sarah Fletcher from the council claims. that on 22nd November **2016** during a telephone conversation between you, Mrs Cordell your mother and Ms. Sarah Fletcher, Neighbourhood officer, Ms. Fletcher reported that she overheard me threaten her by saying 'I'm going to do her over' and then I' am going to take her job just for

fun'. She made this statement to cover up the true conversation in the middle of setting me up and refusing to protect me and move me from my damaged home." **This is a copy of the Council's memo of a telephone call on that day: --** I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move. I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases, but my position remains as per the letter I sent That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake, so it did not need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up, so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about the previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I

am goanna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me. Sarah Fletcher Neighbourhood Officer."

during a telephone conversation with my former colleague MS. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna get do her over, I'm goanna take her job just for fun' referring to MS. Fletcher. A file note of the incident is at page 34A of the exhibit bundles.
13. I hereby attach a case history detailing incident of reports from Mr. Mathiyalagan about the abuse, threats, and persistent intimidation by the Defendant. The case history is at pages 35". to· 40 of the exhibit bundle L1.
It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort family and intimidation by the Defendant.
Examples are that the Defendant banged on his front door while his wife was alone at Home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**
It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.
The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.
There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.
On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.
Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.
My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.
On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.
I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal

and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016.**
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016.** There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until **now 2016.**
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
- "Include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up."

At this point I will only say the above is untrue, once I have the information including all dates, times, and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours."

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no

CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is

addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk

To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done.
I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.
The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.
My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since, he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and, in the day, due to what the neighbours are doing.
I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.
It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.
When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.
It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.
I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**.
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
"Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".
At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she **passed away in 2007,** he got a new **dog same bred and since 2006** there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006,** until now **2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:

• “Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy”.
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell’s front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?
In fact I feel it has protected Mr. Simon Cordell’s neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell’s own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Telephone call received from Mr. Cordell **22/11/2016.**
I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake, so it did not need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then

put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015.** Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I'm goanna do her over" and then "I'm goanna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

54. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

55. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms. and conditions are hereby attached at pages 1-24.

56. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support

as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

57. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

63. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems. with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

64. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

65. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby.

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

66. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

67. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

68. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

72. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

73. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and

because **she suffered from mental health problems.** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

74. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems. between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

75. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

76. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police, and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence

about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

77. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

78. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

11. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Telephone call received from Mr. Cordell **22/11/2016.**

I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake, so it did not need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie,' who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the

opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015.** Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I'm goanna do her over" and then "I'm goanna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Sarah Fletcher Neighbourhood officer from the council claims. that on

22nd November 2016

during a telephone conversation between her, myself, and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

This is not true.

The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.

The Council's memo of a telephone call on that day:

Is forged and therefore incorrect and is not supported by self and mother to be true facts that have been documented with a fair prosses by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim.

While also set out to avoid disciplinary action for the statement makers and hardworking colleague's incompetence leading to negligence and gross misconduct, set out against myself and then on afterwards having a negative effect also within my loved one's life's.

All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm's way.

From the of start of themselves handling my case load of an official work load.

Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell

Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm?

The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.

When doing so we noted down the precise time of 01:04Pm

I did get transferred by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.

Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having wile renting my home.

1. That my mother had been contacting her and her team, while also contacting other official persons with relevance since the date of

00/00/**2015**

And this had continued up a till date and without any fair follow ups as company protocol states is mandatory.

And due to this lack of concern I had continued to suffer for a much further time frame than ever would have been if her and other persons jobs were followed correctly.

This history was very full, and it was difficult to get a word in because he was so worked up so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.

He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.

I told him that I could not comment about the previous action taken.

He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden.

He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today.

He said that he wanted me to give him 'points' so that he could move.

I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points.

I explained that a **transfer** was unlikely based on what he had told me so far but that I could look into the position for him.
He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him.
I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today.
He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.
I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in
2015
Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".
I informed Mrs Cordell that I had overheard these remarks and that I was ending the call.
She said that her son had now left the room and she was talking to me.
I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

1 Mother to MP Joan Ryan: Alev CAZIMOGLU, Paul Buck Ridge, MP Joan Ryan Office Team. / (Case Ref: JR5802) / **Time** 19:07 – "Thank you for the updated email, there does seem to be some misleading information within it. My son wanted to stay voluntarily in hospital and he was willing to do this, but due to the doctors not getting the section 3 they wanted, they then discharged my son the following day with no support in place because they needed the bed. Yes, my son does have a care coordinator **(SOOHAH APPADOO, North Locality Team)** when my son was discharged SOOHAH APPADOO did not know he was not on duty that day so therefore knew nothing about it, the next day I called him and he said for me to try to get my son to see him which I am doing, but at this time with my son left in that flat it is not helping at all due to what the Neighbours are doing, it also seems. Every time I send any emails, they are not replying to them. I have never said my son needed supported accommodation, not even in court, due to the fact I knew my son would not accept it. What I did say to the Judge was that I feel due to my son's health a 2 bedroom would be better, that way the family can stay with him and help him. So, I do not know where Enfield Council is getting, I have asked for support accommodation as I never have and I have also never said I was their career. I also have emails I have sent to Enfield council stating this. As I have said I have written to the Judge and I am addressing things as Enfield Council is misleading people, and this needs to stop. I have all the emails and reports and letters to prove what I am stating. Enfield Council has had since the 09/08/**2018** to move my son yet they have not there was no reason why Mr. Cordell not to have been moved. And I see by the replies there does not seem to be anything regarding moving my son, still if Enfield Council was going to move my son why have they not said this in any of their replies to you? It seems. to also state that there were not possession proceedings to be commenced regarding Mr. Cordell by Enfield Council, so why do I have the emails from LUDMILLA LYAVOO, Solicitor Corporate Team, Legal Services, Enfield Council, Silver Street, Enfield, EN1 3XY stating "Finally I would refer to the letter before claim/warning letter which was sent to you on Monday 15th October **2018** Mr. Cordell has clearly breached the warning. We are now

instructed to commence possession proceedings." Dated 18/10/**2018** Maybe Enfield Council is not aware of the emails I have but there is misleading information coming from somewhere. Even in court Enfield Council was misleading the judges regarding my son's health, and since the court case of the 09/08/**2018** not once has Enfield Council been bothered to see if my son is ok, why is it because they never wanted to help? Not once since **2015** has Enfield council asked my son's side to anything regarding what the Neighbours are doing, they have just done what they wanted and time after time said there was no contract from us to the courts and my son did not have any health problems, well I do have every email and letter and on the 09/08/**2018** the judge saw this and told me to keep everything. Where has Enfield duty of care been since **2014** as there has been none, Enfield Council just done what they wanted went one sided and never wanted to hear anything we had to say. Is this the way duty of care is meant to be to a valuable person? As for my son believing that Enfield Council is against him and the police are also this is not a lie. show me anything Enfield Council has done to help my son I don't think Enfield Council would be able to show anything as all they have done is believed what they wanted without once looking at anything my son has to say or the evidence my son has got Enfield Council has been told time and time again, we have got evidence yet what have they done nothing. Enfield Council even called me a liar regarding what I said I had sent them. Called me a liar about my son's health. seems. We are liars to Enfield Council and that is what Enfield Council wants to think. Show me out of the around 280 calls made to the police by my son regarding the Neighbours and what they were doing begging for help how many times did the police come out to my son to even try and help let me see 3 or 4, yet wow when the Neighbours call the police are out in force, if it was not for the CCTV in my son's flat and being able to show the police my son had not left his flat my son would be in prison now, and when we ask the police to do anything regarding the proved calls from the Neighbours where false they done nothing. My son was meant to have had a Neighborhood police officer setup for him more than once yet nothing come of that, even the call I had with Borough Commander Chief Superintendent Helen Millichap and she said she would sort it and get one it has never happened she was even meant to have got back to me but never has, that was in July **2018** but I have heard nothing since. Enfield Council sending so much information over to the Mental health team, why please tell me why as it was all to keep my son in hospital so they did not need to do anything to help. Enfield Council has the power to ask Adult social service to get involved yet they failed to even do that. Why has my son not gotten a social worker yet my son is meant to be this bad person? Where has all the help been because as far as I see every government, body has just turned their backs on us, it did not matter how much we asked for help nothing was done yet there was this valuable person living in hell yet nothing was done. I have tried so hard and begged for help yet I am still sitting here without any help writing to everyone to try and get some help. As the judge said to Enfield Council on the 09/08/**2018** take responsibility, more than once, but even that is too hard for Enfield Council to do. I would also like Lemmy Nwabuisi to take off dealing with anything related to my son and have nothing do with my son again, as he has failed in his job to investigate anything my son or I had to say regarding anything. When is my son going to be moved from hell, he is living in can Enfield Council reply to that? And in the meantime, I will be working with the court to get the information and maybe some help of advice on what to do next. Please do not show this email to Enfield Council or anyone that will pass it over to Enfield Council."

Hi Alev
Further to your enquiry regarding Simon Cordell. Please see the update below from Debbie Morgan. SC was discharged from hospital on **15/11/2018** having been detained under the Mental Health Act for the purpose of assessment of his mental health. SC did not believe he required to be in hospital or wish to accept the proposed treatment that was offered. As there is insufficient grounds or risk for further detention or to take any further intrusive measures against his will, he has been discharged. SC does not believe he has a mental illness that requires him to take treatment or to maintain on-going engagement with mental health services. He appears disappointed with services in which he perceives to have received from both housing and metropolitan police believing he is being targeted for things he has not done. His assessment has not elicited he has care needs warranting supported accommodation or a package of care to sustain independent living as he can be adequately supported through universal services. He presents with adequate daily living skills and can live in general needs housing. He appears to be young man who has.
2566,
particular beliefs, which may lead to him having differences in opinion with others, which may impact on relationships with others; particularly those in positions of authority. His mental health/psychological state therefore remains fragile; however, the risk is not such that he can be forced to engage with services. He was offered follow-up by mental health services in the community to which he declined, although agreed he can be contacted by nurses from the ward to check on progress following discharge. He has been allocated a care coordinator. (SOOHAH APPADOO, North Locality Team - 0208 379 4142)
who will continue to try to engage him to build a relationship?
SC describes his main presenting need to be that of his relationship with particular neighbours within his block, whom he believes to be intentionally causing him a nuisance by way of making noise, and reports feeling disbelieved and unfairly treated by the housing department and police. He therefore wants to be moved from his current accommodation. His mother approached the ward Consultant for a supporting letter to provide to housing for a 2-bedroom property citing she is his main carer. As there is no evidence to suggest SC requires to be looked after due to having care needs requiring a live-in carer her request was declined, she was advised to suggest housing put their request in writing should this be housing's request. Mental Health would support relocation to alternative accommodation to reduce further tensions between the residents within the block. Hi mother advised that SC has/or is in the possess of eviction, and that he was discharged from hospital with no support which does

not seem to be the case. Support has been offered which has been declined and will continue to be offered to assist in managing the current situation or avoid and/or mitigation a situation of eviction.

Summary!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems. with eating because of what they keep all doing to me!
My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**
It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.
The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.
There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.

On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.

On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.

In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher

could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.
- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.

- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016.**
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016.** There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until **now 2016.**

You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007 he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.

Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**

It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats

and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection

act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk

Re: Formal Complaint **08/12/12/016**
To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done.
I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.
The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.
My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.
I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.
It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.
When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.
It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.
I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Dear Ms. Cordell,

Re: Mr. Simon Cordell -109 Burncroft Avenue - COM 1885.

I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016.**
I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.
2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.
3. Allegations of Anti-Social Behaviour
You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26th January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.
We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th

August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.
We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.
We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.
Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.
He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.
Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**
Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**. I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

4th October **2016**

The Enfield Councils History
FOI Indexed

Mr. Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**.

You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
"Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".
At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".
Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she passed away in **2007,** he got a new dog same bred and since **2006** there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006,** until now **2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

them until **2016**
as since **2014**

The Enfield Councils History

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held Jan **2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help. My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**. The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police. There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act. On the 14/08/**2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.
2570,
said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15

hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated. When he was arrested on the 14/08/**2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the 04/10/**2016** when he was due to go back to the police station to be interviewed. On the 04/10/**2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home. Both cases for the 14/08/**2016** and the 04/10/**2016** were dropped by the CPS this was done on the 15/11/**2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested. My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out. On the 16/11/**2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me. Since the 16/11/**2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the 21/11/**2016** and I was told that Sarah Fletcher would 100% call me that day. On the 22/11/**2016** I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/**2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the 14/08/**2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/**2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her. I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later. When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

2571,

Son said he wants to appeal against it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really

upset. Sarah Fletcher also said that there had been complaints put in about my son but said it was not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbors. After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems. Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. I feel at this time Enfield Council is doing nothing to help my son, they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

• I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
• I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
• I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
• I would a full report of any police reports that have been given to Enfield Council by the police about my son.
• I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Re: Formal Complaint 08/12/12/016
To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done. I know Formal Complaints are ongoing regarding letters written on the 24/11/**2016** and 05/12/**2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**. The last time we spoke to someone regarding moving my son was on the 22/11/**2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/**2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back. My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since, he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and, in the day, due to what the neighbours are doing. I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer. It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son. When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him. It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done. I would like someone to email me via lorraine32@blueyonder.co.uk with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.
Dear Lemmy Nwabuisi and any other person who is copied in this letter. I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/**2016** which was received on the 01/12/**2016**. I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to. The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the 06/12/**2016** at 14:00 hours at Enfield Civic Centre. I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/**2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate. I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO. However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated 29/11/**2016**. There has been complaints put into Enfield council since **2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing. Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

2576,

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**. You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done. "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October **2016**, you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up". At this

point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours". Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected. When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me. Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal. Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since 2006, until now **2016**. It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?

My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

2577,

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".

I have already put an appeal in my formal complaint dated the 24/11/**2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious

information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the 14/08/**2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/**2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in **2013** when it was installed? Why has it taken them until **2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door. It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since **2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

2578,

Mr. Daniel Ellis has said that my formal complaint should be addressed by the 14/12/**2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner. I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also

believe it will help to clear up much information that you have included in your letter. I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated 24/11/**2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@blueyonder.co.uk or my address which is included in the letters dated 24/11/**2016**.

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held Jan **2017**. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help. My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**. The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police. There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf. I do already know there

is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act. On the 14/08/**2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

2582,

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated. When he was arrested on the 14/08/**2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the 04/10/**2016** when he was due to go back to the police station to be interviewed. On the 04/10/**2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home. Both cases for the 14/08/**2016** and the 04/10/**2016** were dropped by the CPS this was done on the 15/11/**2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested. My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out. On the 16/11/**2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me. Since the 16/11/**2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the 21/11/**2016** and I was told that Sarah Fletcher would 100% call me that day. On the 22/11/**2016** I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/**2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the 14/08/**2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/**2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her. I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later. When I got home, I showed

my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

2583,

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours. After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems. Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down. I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

• I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
• I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
• I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
• I would a full report of any police reports that have been given to Enfield Council by the police about my son.
• I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr. Simon Cordell

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/**2016** which was received on the 01/12/**2016**. I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to. The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the 06/12/**2016** at 14:00 hours at Enfield Civic Centre. I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate. I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO. However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated 29/11/**2016**. There has been complaints put into Enfield council since **2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing. Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

2598,

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**. You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.

• "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October **2016**, you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
• "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".
Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected. When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal. Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since 2006, until now **2016**. It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.
2599,
Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the 24/11/**2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious

information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the 14/08/**2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/**2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in **2013** when it was installed? Why has it taken them until **2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door. It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since **2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

2600,

Mr. Daniel Ellis has said that my formal complaint should be addressed by the 14/12/**2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner. I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also

believe it will help to clear up much information that you have included in your letter. I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated 24/11/**2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@blueyonder.co.uk or my address which is included in the letters dated 24/11/**2016**.
Regards

Re: Formal Complaint 08/12/12/016
To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done. I know Formal Complaints are ongoing regarding letters written on the 24/11/**2016** and 05/12/**2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**. The last time we spoke to someone regarding moving my son was on the 22/11/**2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/**2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back. My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing. I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer. It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son. When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him. It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done. I would like someone to email me via lorraine32@blueyonder.co.uk with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Dear Mr. Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on **29th November 2016** regarding these reports and invited you to meet with me at the Civic Centre on **6th December 2016** to discuss the allegations made against you, copy attached. I received a letter from your mother dated **24th November 2016** in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money. Intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions, and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the

t/c received from Lorraine, and she reported that Simon said to her that he was willing to engage with EIP and just that he did not wish to take medication. I informed Lorraine that medication is but one of many interventions on offer from EIP. I informed Lorraine that it was important for Simon to be reviewed by doctors from time to time and I need to have contact with him to monitor his mental state and mood. I also said to Lorraine that it would be helpful if Simon called me directly and that would indicate his commitment. Lorraine requested if appointments could be at Simon's place? I told Lorraine that it was possible to see Simon at his place, but he must also be able to come to Lucas House or another designated place to be seen. I offered to book appointment to see Simon and Lorraine said he will have to speak with Simon first and contact me for appointment.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to

SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 **Oct. 2016.**
On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and

his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

MR. SIMON CORDELL

DIRECTIONS ORDER

Telephone call received from Mr. Cordell **22/11/2016.**
I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his. I explained that he was in breach of his tenancy

conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake, so it did not need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015.** Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I'm goanna do her over" and then "I'm goanna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell

was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:
I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**
It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.
My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan **2017**.
The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.
I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.
On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours.

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.
When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.
On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.
My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems. they really do not want him to live there and will do anything they can to get him out.
On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.
Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team, but it seems. all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.
I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.
On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.
In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it is a matter of emergency, I speak to her.
I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.
When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset.
Sarah Fletcher also said that there had been complaints put in about my son but said it not

the right time to address this and that would be addressed at a next time, so it seems. that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014 and 2015** about my son's neighbours.
After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013 to 2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems. as it was emailed, and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it is on their systems.
Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.
I feel at this time Enfield Council is doing nothing to help my son they do not even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.
- I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.
- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.
- I would a full report of any police reports that have been given to Enfield Council by the police about my son.
- I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Dear Ms. Cordell,
Re: Mr. Simon Cordell -109 Burncroft Avenue - COM 1885.
I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016,** and **8th December 2016.**
I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.
2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.
3. Allegations of Anti-Social Behaviour
You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20th August 2015** and again on **26th January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.
We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.
We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.
Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.
He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Telephone call received from Mr. Cordell 22/11/2016.
I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm. The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing options/how to move. I took the call - he sounded agitated and said that he had a few things that he wished to discuss with me. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the

camera as the communal area was his. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as this belonged to the Council. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case. I responded that I could not comment about other cases but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive to the privacy of other residents in the block as it points at the outer communal door and should be removed by **Friday 25th November** or the Council will remove it and charge him for the cost of doing so. He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed. His voice was raised throughout the exchange, and I had to ask him to calm down and lower his voice more than once. He then said that he wanted to move on to finding out about moving to another address. He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up so I let him relay the information to me as it seemed like he wanted to get it off of his chest. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him. I told him that I could not comment about previous action taken. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today. He said that he wanted me to give him 'points' so that he could move. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 11yrs ago by being given points. I explained that a transfer was unlikely based on what he had told me so far but that I could look into the position for him. He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015.** Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I'm goanna do her over" and then "I'm goanna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Dear Mr. Cordell,
Re: CCTV camera on inner communal/fire door
It has been brought to my attention that you have fitted a security camera onto the inner communal / fire door on the ground floor of our building. This is in breach of tenancy conditions as it has been fitted without permission.
Please arrange for the camera to be removed by Friday **25th November 2016.** Failure to remove the camera by this date will result in the Council arranging for the removal of the camera and carrying out any necessary repairs to the structure of the building for which you will be charged, and we may take action against you for breach of tenancy conditions.
• 1; Please contact me on or before 5.00pm on Friday **25th November 2016** to advise that the camera has been removed or we will proceed with the action as advised above.
Yours Sincerely,

Threats and intimidation (General)
Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

06/12/2016: Letter of complaint received from Mr. Cordell's mother; copy attached.
R
16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 Oct. **2016**.
On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then

explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Subject: FW: Contact phone number for Mr. Stanley Curtis
Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen.

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. 16/12/**2016**: 11/01/**2017**:
I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 **Oct. 2016.**
On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was

coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive

issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. History **03/11/2016**:
■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

07/11/2016:

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

08/11/2016:

I tried calling the Witness Care Unit again at Holbom station to no avail -1 then got a call back from police Holbom asking if I had tried to contact them -1 was then put through to Thomas Jones Witness Care Officer — from this point the communicative lines was open for progress. Tom also said the OIC is DC Campbell attached to Edmonton Police station. And that he will email him to contact the victim to reassure him.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.

28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr. Curtis said that he has had no further problems. from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Threats and intimidation (General)
Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away,
CAD No. 3309/4 Oct. 2016.
On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature

of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**
Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016.**
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016.** There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council

doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until **now 2016.**
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if

Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as

possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk

concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4th August 2015** and found two records of telephone complaints received from your son. One on **20th August 2015** and again on **26th January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met

police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

The Enfield Councils History
FOI Indexed

Mr. Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**.
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
"Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".
At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".
Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she **passed away in 2007,** he got a new **dog same bred and since 2006** there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006,** until now **2016.**

It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?

In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection

act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

80. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

81. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the

Defendant's tenancy agreement and terms. and conditions are hereby attached at pages 1-24.

82. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

83. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. 84. On **6th August 2016,** the Defendant threatened and shouted abuse at Mr. and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness

statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

85. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

86. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

87. On **28th September 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

88. On **11th November 2016,** my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being

referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

89. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems. with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

91. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

92. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

93. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

94. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

95. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

96. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

98. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

99. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems.** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

100. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems. between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, “you will not resolve the problem as I am restricting their water supply”. The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later”. A report of this incident is at page 55 of the exhibit bundle.

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

102. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

103. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

104. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

105. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

12. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

13. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

14. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016.**

On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just

had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

Dear Mr. Cordell,
Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour
I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.
I wrote to you on **29th November 2016** regarding these reports and invited you to meet with me at the Civic Centre on **6th December 2016** to discuss the allegations made against you, copy attached. I received a letter from your mother dated **24th November 2016** in which she stated that she does not believe, that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.
The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money. Intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.
These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the

Dear Daniel Ellis
Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back yet no one still has so I still do not know what is going on if anything about moving my son.

Dear Daniel Ellis
Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back yet no one still has so I still do not know what is going on if anything about moving my son.

Lorraine Cordell

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016.**
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016.** There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council

doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

The Enfield Councils History

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until **now 2016.**
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if

Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as

possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**.
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
"Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".
At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".
Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

Loud and aggressive banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of criminal actions!

Stain has now banged on the kitchen wall for weeks at a time with intent of victimising me on a full 24-hour assault in collaboration with the other named in the address of 113 and 117!
A full investigation is supposed to take place within the first stages of my complaints once the Enfield Councils and the Enfield Homes got put in receipt of the emergency issues, I claim about but they keep on failing me!
There is also the issue of the lack of security due to old and in Modern-fitted main communal external door system's, so as living tenant to be able to see who comes in and out of the building, the locking system is faded on the buttons and any person can make out the entry code not having a security front door causes problems. with security for the block of flats this issue and the Mould on the walls and ceilings me unneeded stress inclusive of the heating and sound issues I have raised with them!

Re: Formal Complaint 08/12/12/016
To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.
The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.
My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since, he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and, in the day, due to what the neighbours are doing.
I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.
It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.
When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.
It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.
I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

In the Evening and of the Night!
The Enfield Council and the Enfield Homes employees aloud the occupiers of 117 and 111 Continued to victimizing me by: --
The original tenants of 117 and 111 Continue to victimize me also now with the new tent George of 113 by!
In the Morning when I woke up at time**:** 6:00Am, 117 Continued to victimizing me by Banging above the Barth to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains! I then after went to the community hall today to help out! When I got back home I continued to get assaulted by the occupiers of 113 – 117 and 111 of Burncroft Avenue They banging loud and hard while at a fast continual rate with objects onto the internal main buildings walls and floors, so to intimidate surely me and maybe others living close by whom may be present to an extent only worthwhile for the perpetrators selfless glory, In them perpetrators knowing that their behaviour would only leave all those getting victimized towards getting left by their wrongful actions as to being put into a state of a mental health patient and not rightfully with this occurring within mine and their rented or paid for homes!

Summary!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first

hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems. with eating because of what they keep all doing to me!
My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Dear Mr. Cordell,
Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour
I write with regards to reports of anti-social behaviour, intimidation, harassment, and threatening behaviour made against you by your neighbours.
I wrote to you on 29th November **2016** regarding these reports and invited you to meet with me at the Civic Centre on 6th December **2016** to discuss the allegations made against you, copy attached. I received a letter from your mother dated 24th November **2016** in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.
The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions, and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the

Dear Mr. Cordell,
Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour
I write with regards to reports of anti-social behaviour, intimidation, harassment, and threatening behaviour made against you by your neighbours.
The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016**, you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.
It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.
If these allegations are true, they are in breach of the following terms. and conditions of your Tenancy Agreement:

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it,

threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away,
CAD No. 3309/4 Oct. 2016.
On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Mr. Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ **24/11/2016**
Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016.**
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016.** There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until **now 2016.**
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
- "Include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also

alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up."
At this point I will only say the above is untrue, once I have the information including all dates, times, and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours."

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she passed away in 2007, he got a new dog same bred and since **2006** there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?
In fact I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors, or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints

re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk

Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.
Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006,** until now **2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.
In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy."

I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not **acted on in 2013** when it was installed? Why has it taken **them until 2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors, or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, **as since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?
I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

107. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms. and conditions are hereby attached at pages 1-24.

108. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. 110. On **6th August 2016,** the Defendant threatened and shouted abuse at Mr. and Mrs Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

115. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems. with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

116. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was

present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

117. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats, and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby.

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

118. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore, and shouted abuse and threats at him and his family and accused them of making noise.

119. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

120. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal

details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

121. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

122. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse, and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

123. On **2nd July 2017,** Mr. Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

124. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

125. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems.** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

126. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems. between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply." The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later." A report of this incident is at page 55 of the exhibit bundle.

127. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

128. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police, and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life." A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

129. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

130. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

131. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat, but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

5. 15. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water

supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

16. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

17. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Mr. Quinton stated that the problems. started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 **Oct. 2016.**
On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man-if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and

I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

I understand these have now been dealt with.
The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money. Intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.
These are very serious breach of tenancy conditions, and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the

Subject: FW: Contact phone number for Mr. Stanley Curtis
Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.
Many Thanks

enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of

She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:
■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:

Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

MR. SIMON CORDELL

DIRECTIONS ORDER

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I

refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems. with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin, and me.
The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
The Defendant has slashed my car tyres, damaged my fuse box, and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported.

42. On **9th June 2017,** my cousin returned from work late at night and as he opened the main communal door, the Defendant came out of his flat and started to shout abuse at him. was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

46. On **28th June 2017 at 11:45am,** the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. I told him that I was not going to give him any money and that he should go and work so that he could earn some money. As we left the block, the Defendant came running after us and was shouting abuse, swearing at me, and said to me that I should pay him some money if I want him to leave me

and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth.

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

49. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife, and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard, and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Statement of Truth

I believe the facts in this Witness Statement are true.

Re: Formal Complaint 08/12/12/016
To Whom It May Concern:
I am once again writing an email to all the above in the hope something will be able to be done.
I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.
The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.
My son is having a nightmare in his flat since he moved back there, he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.
I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.
It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.
When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems. Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems. that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.
I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.
Regards

Dear Ms. Cordell,
Re: Mr. Simon Cordell -109 Burncroft Avenue - COM 1885.
I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016,** and **8th December 2016.**
I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.
2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. intimidated, stalked her, and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

Organisation making referral: Community Safety Unit
History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. 16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell

was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

stated that soon after he moved into his flat, he went around to SC's fiat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on
M
04/10/2016, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, CAD No. 3309/4 **Oct. 2016.**
On
N
11/12/2016, SC came up to his flat 3 times to shout abuse and complain about noise from his flat. Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are I am off curfew in 12 days, when I am, I am coming for you he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied You know what, I am a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then

explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street.
His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his fiat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Threats and intimidation (General)
Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away,
CAD No. 3309/4 Oct. 2016.
On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted

further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

DIRECTIONS ORDER

I make this Witness Statement in support of the Claimant’s application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did

not have any problems. with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin, and me.
The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
The Defendant has slashed my car tyres, damaged my fuse box, and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported.

My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

27. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

16/12/**2016**: 11/01/**2017**:

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to

SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police, and they came and took him away, CAD No. 3309/4 **Oct. 2016.**
On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and

his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mrs Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

06/02/2017 :08/02/2017:
I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man-if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:
Telephone call from Mr. Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:
I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of

taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. I feel that Enfield Council has had long enough to address some of the thing why would it take this long to arrange a meeting and only just start to discuss the issues in all the formal complaint letters that have been sent. My son is being let in a situation that is affecting his heath due to what is going on and it seems. Once again, he is just getting left with nothing being done and they have only just started to discuss this. Dear Daniel
Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?
My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his heath to go downhill and this cannot be allowed to go on any longer. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems. everything is being blamed on my son when my son has done nothing wrong. I do know there are issue that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable.

Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not if the data has started to be processed so I will get all data. Could you please update to this?
Regards

Dear Lorraine,
Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint. Those teams. will be working closely together after the meeting on Thursday to provide our response. Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break. If I have any further news for you, I will try and let you know.

Dear Daniel
Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?
If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said. No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as since **2014** no reports have ever been taken from my son as to what has been on going and how he is suffering?
I also still have not heard anything from the person dealing with the subject access request and would like an update. And I would like to know if anything is being done to move my son out of the situation he has been left in since **2014**.
As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his heath. It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in. which has said it is affecting his heath. I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation

my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?
2667,
I would be most grateful for an update.
Regards
Lorraine

Dear Daniel
Thank you for the update but why has this taken so long to arrange?
if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?
My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his heath to go downhill and this cannot be allowed to go on any longer. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems. everything is being blamed on my son when my son has done nothing wrong. I do know there are issue that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not if the data has started to be processed so I will get all data. Could you please update to this?

Dear Lorraine,
Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint. Those teams. will be working closely

together after the meeting on Thursday to provide our response. Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break. If I have any further news for you, I will try and let you know.
Kind regards,

She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)

History **03/11/2016**:
■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.
03/11/2016:
Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.
04/11/2016:
Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016.** I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016.** There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met

police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

The Enfield Councils History
FOI Indexed

Mr. Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until **now 2016.**
You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.
- "Include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up."

At this point I will only say the above is untrue, once I have the information including all dates, times, and complaints in order from my subject access request it will be at this time I will address each point of concern above.
You have also stated:
- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours."

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in 1999, he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.
When Mr. Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr. Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.
Mr. Simon Cordell does not leave his dog all day and night she is always looked after, if Mr. Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.
Mr. Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr. Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems. beyond belief Mr. Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006, until now 2016.**
It seems. totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a **sudden in 2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only **now in 2016** causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise. In fact, the dog that lives a few rows up barks more and makes more noise than Mr. Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule bark when someone comes into the building to Mr. Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr. Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr. Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr. Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.
You have also stated:
• "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".
I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.
But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr. Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr. Simon Cordell flat itself. When Mr. Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera were facing

Mr. Simon Cordell's front door there would be no problem with that this is at this time being acted on.
It also seems. that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?
In fact, I feel it has protected Mr. Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been affected in the block Mr. Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors, or windows. And only showed part of the ground floor communal area leading up to Mr. Simon Cordell's own front door.
It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr. Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr. Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?
As said in my formal complaint the police do not like Mr. Simon Cordell and this has been for many years when the police go to Mr. Simon Cordell flat, he feels safer that the CCTV is there as it shows what the police are doing to Mr. Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?
As stated, these allegations are very serious and I would like them addressed as soon as possible but until I have the information, I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as **since 2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr. Simon Cordell address this.
Mr. Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Mr. Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr. Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr. Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr. Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being

done about addressing a move for Mr. Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.
I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr. Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.
I have also asked that any letters sent to Mr. Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**
Dear Lemmy Nwabuisi and any other person who is copied in this letter.
I am writing this letter on behalf of Mr. Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.
I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr. Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.
The 1st point I will address is the meeting you have set up for Mr. Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.
I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016**, also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.
I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information, I will have to take this up with the ICO.
However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council **since 2014** about Mr. Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr. Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr. Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr. Simon Cordell's heath yet still choose to do nothing.
Yet as soon as Enfield Council gets reports against Mr. Simon Cordell you are willing to address these complaints. Once again, I will say I feel this is due to reports the police have put in to Enfield Council about Mr. Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr. Simon Cordell which Mr. Simon Cordell knew nothing about until after the fact, and the colour of Mr. Simon Cordell skin, why Enfield council have done nothing to address any issue Mr. Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr. Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr. Simon Cordell had no complaints put in about him until now **2016**.

You have written in your letter multiple things to be addressed which Mr. Simon Cordell was meant to have done.

"Include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **4th October 2016,** you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up."

At this point I will only say the above is untrue, once I have the information including all dates, times, and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours."

Mr. Simon Cordell has had one dog only at his flat, when Mr. Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr. Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.
Many Thanks

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats, and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children, and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

The already Complained about Loud and truculent banging in the bathe room got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of malefactor actions!
Then the already named keep on victimizing me with intent of using the same repeated items. of the building fixtures to have tortures effects on me within my rented home is unfair living circumstances!

Threats and intimidation (General)

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called, and the perpetrator was arrested.

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems. started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he has got a load of issues with the police and that he was trying to.

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not

sure how many times he hit it. He then called the police, and they came and took him away,
CAD No. 3309/4 Oct. 2016.
On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

132. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

133. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms. and conditions are hereby attached at pages 1-24.

134. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

140. On **11th November 2016,** my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him, and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

141. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems. with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

142. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was

present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

143. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats, and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby.

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

144. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore, and shouted abuse and threats at him and his family and accused them of making noise.

145. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

146. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal

details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

147. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

148. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse, and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

149. On **2nd July 2017,** Mr. Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

150. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

151. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems.** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

152. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems. between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply." The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later." A report of this incident is at page 55 of the exhibit bundle.

153. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

154. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police, and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life." A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

155. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

156. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

157. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat, but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

JJ. The Defendant is in breach of the following conditions of his tenancy agreement;

KK. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

LL. **Condition 21** - "You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents,

PP. **Condition 53 -** "You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy".

6. I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

18. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water

supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

19. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

20. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments.

in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

- **Subject Access Request (SAR)**

The SAR that you have submitted is being responded to separately in accordance with required timescales.

- **Communications**

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

- **Housing Options**

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. I write with reference to your letters of complaint dated 24th November **2016** copies of which were received via email on 24th November **2016**, 5th December **2016,** and 8th December **2016**. I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on 4th August **2015** against your son in relation to activities that happened at locations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated

that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man-if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

Summary!
My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems. with eating because of what they keep all doing to me!

My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

DIRECTIONS ORDER

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems. with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin, and me.
The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.
The Defendant has slashed my car tyres, damaged my fuse box, and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported.

was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

46. On **28th June 2017 at 11:45am,** the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

47. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

As we left the block, the Defendant came running after us and was shouting abuse, swearing at me, and said to me that I should pay him some money if I want him to leave me and my family alone. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

49. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife, and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard, and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

Statement of Truth

I believe the facts in this Witness Statement are true.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

DIRECTIONS ORDER

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems. with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin, and me.

The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.

The Defendant has slashed my car tyres, damaged my fuse box, and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported.

was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

68. On **28th June 2017 at 11:45am,** the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

71. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife, and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard, and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

DIRECTIONS ORDER

06/02/2017 :08/02/2017:
I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mrs Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:
Telephone call from Mr. Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:
I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me

until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

1 Enfield Council 1st Injunction Order: Witness Statement of John Irving Dated **28 July 2017** / Said to have gotten Served 09/08/**2017**. – "**Page 1** I, Mr. John Irving, of 117 Burncroft Avenue, Enfield, EN3 7JQ (Leaseholder) make this statement believing it to be true and understand that it may be placed before court. Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to tie best of my knowledge. **I WILL SAY AS FOLLOWS** I am the landlord of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. The flat is located just above the Defendant's. The Property is currently let to Mr. Mathiyalagan and it is being occupied by him, wife, and his children. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment **Page 2** and alarm to me, my tenants and other residents on Burncroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply. **Background 3.** In the evening of **12 July 2017,** I met with one of the Council's in-house legal surveyors, Mr. Neville Gray with regards to an ongoing low water pressure issue. Mr. Gray attended my property (**Flat 117**) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful. **4.** At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr. Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since **27 December 2016**. Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure. **5.** The Defendant lives in Flat 109 and in conjunction with his mother/mediator, was contacted by Mr. Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was

inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasing agitated by the raised voices and approaches towards Mr. Gray. I could **Page 3** see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr. Gray called for the police to attend. **6.** I wish to add that on a previous visit to the property on **26 January 2017**, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: you will not solve the problem as I am restricting their water supply'. This was mentioned to me in front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying I cannot do anything at the moment I will sort it out later. This information has previously been reported to the Claimant.
Statement of Truth I believe the facts in this Witness Statement are true. **Signed Name:** Mr. John Irving**. Dated this** 28 day of July 2017."

and alarm to me, my tenants and other residents on Bumcroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply.

Background

3. In the evening of **12 July 2017,** I met with one of the Council's in-house legal surveyors, Mr. Neville Gray with regards to an ongoing low water pressure issue. Mr. Gray attended my property (Flat 117) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful.

4. At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr. Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since **27 December 2016.** Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure.

5. The Defendant lives in Flat 109 and in conjunction with his mother/mediator, was contacted by Mr. Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasing agitated by the raised voices and approaches towards Mr. Gray. I could

see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr. Gray called for the police to attend.

6. I wish to add that on a previous visit to the property on **26 January 2017**, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: you will not solve the problem as I am restricting their water supply'. This was

mentioned to me in front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying I cannot do anything at the moment I will sort it out later. This information has previously been reported to the Claimant.

Dear Mr. Cordell,

Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour
I write with regards to reports of anti-social behaviour, intimidation, harassment, and threatening behaviour made against you by your neighbours.
I wrote to you on 29th December 2016 to arrange to meet with you on 6th December 2016 to discuss these reports, but you cancelled the meeting. I wrote to you again on 31st January 2017 to arrange to meet with you on 9th February 2017, you also cancelled the meeting. I then wrote to you again on 16th February 2017 to arrange to meet with you on 22nd February 2017 and again you cancelled the meeting. I have enclosed all three letters for your information.
It is unfortunate that you have repeatedly refused to meet with us to discuss this matter and look at ways to resolve the problems. between you and your neighbours. The allegations made against you by your neighbours, if true, are very serious breaches of your tenancy conditions. It is important that we meet with you to discuss these allegations and give you the opportunity to respond to them.
