DIRECTIONS ORDER

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.

The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

On **2nd July 2017 at 5:18pm,** my family and I was going out to visit some friends and as we were about to exit the block, the Defendant popped his head out of his front door and asked me when I was going to hand over the money to him. I told him that I was not going to give him any money and that he should go and work so that he could earn some money. As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

26. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

5 Enfield Council 2nd Housing Possession Order: Only Place in the Diary / 06/02/**2019** Till 10/06/**2019** / Witness Statement of **M S LUDMILLA LYAVOO** in Support of This Application Dated **03/01/2018** - "**Page 1** I, Ms. LUDMILLA LYAVOO, of the London Borough of Enfield, Silver Street, Enfield EN1 3XA make this statement believing it to be true and understand that it may be placed before the court. The Claimant's anti-social behaviour team instructed our +legal services to issue an application for an injunction under the Anti- Social Behaviour, Crime and Policing Act **2014**. **4.** An ex-PARTE application was made and the Court made an interim injunction order against the Defendant on 9th August **2017**. The matter was re-listed for a return hearing on 21st August **2017** but adjourned to 25th September **2017** where the Defendant attended with his legal representative. The Defendant indicated that it wished to defend the claim and some directions order was made. **5.** The parties were ordered to file their directions questionnaire by 23rd October **2017**; however, this deadline was overlooked by me and the Court made an order on 06th November **2017** asking the Claimant to file a completed directions questionnaire by 4pm on 17th November **2017**. A copy of the Order can be found under exhibit L11. **6.** On 17th November **2017** at 11 ;59, I sent an email to the Court on the following address: enauiries@edmonton.countvcourt.asi.Qov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2. **7.** Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on 16th November **2017**, Mr. Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of my email correspondence to Mr. Onwusiri can be found in exhibit LI3. **Page 3 8.** I then received an order from the Court dated 13th December **2017**, advising me that a judge has considered the file and having seen that the questionnaire was received on 20th November **2017**, has decided to apply the sanction as set out in the order dated 06th November **2017**. As a result, the Claim was struck out and the interim injunction made on 09th August **2017** was discharged. A copy of the order is attached under exhibit LI4. **9.** Upon receiving the above order, I emailed the Defendant's solicitors Mr. Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on 17th November **2017**. Mr. Onwusiri was fully aware of this fact as he was copied into the email. A copy of my email to Mr. Onwusiri dated 15th December **2017** can be found under exhibit LI5. **10.** On 14th December **2017**, Ms. Zena Ndereyimana on behalf of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions questionnaire was emailed to the Court on 17th November **2017** and provided evidence in support. The email requested that the Court reconsider the order dated 13th December **2017** as the Claimant has complied with the earlier directions order made on 06th November **2017**. A copy of the email correspondence to the Court can be found in exhibit LI6.**11.** The Claimant has received no response from the Court following the email it sent out

on 14th November **2017**.**12.** On 03rd January **2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on 21st December **2017**. The application was only received by the Claimant on 27 December **2017** and as l was on annual leave, the application notices only came to my attention on 03rd January **2017**, so I was not able to respond. **Page 4 13.** It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was duly filed at Court on 17th November **2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on 20th November **2017** while clearly it received it electronically on 17th November **2017**. I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on 17th November **2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated 02nd January **2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs. **14.** I am also instructed that since the Court made the interim injunction order on 09th August **2017**, the Defendant's anti-social behaviour has ceased towards the neighbors and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated. **15.** As a result of the above, we would like the Court to set aside the orders made on 13th December **2017** and 02nd December **2018.** The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application." DIRECTIONS ORDER

13. It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017.**
I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs.

14. I am also instructed that since the Court made the interim injunction order on **09th August 2017,** the Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them. As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018.** The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application.

Dear Ms. Cordell,
Re: Mr. Simon Cordell -109 Burncroft Avenue - COM 1885.
I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016.**
I will respond to the issues you raised as follows;
1. Anti-Social Behaviour Order
We are aware that the police applied for an Anti-Social Behaviour **Order (ASBO**) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue. **We are aware that your son is appealing against the ASBO and we are therefore unable to comment further.**
2. CCTV
We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016 to** remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by LEMMY NWABUISI, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. concerns a breach of tenancy conditions and will be addressed separately from this complaint.

3. Allegations of Anti-Social Behaviour

You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son. One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers.

We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on **14th August 2016.** This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with LEMMY NWABUISI prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

November **2016**

in relation to the letter sent by LEMMY NWABUISI on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed and another meeting will be arranged to facilitate this in due course.

1. Subject Access Request (SAR)

The SAR that you have submitted is being responded to separately in accordance with required timescales.

2. Communications

We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times. We confirm that she spoke directly with Mr. Simon Cordell by telephone on **22nd November 2016.**

3. Housing Options

As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed. We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a transfer on the housing register.

He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for transfer will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. OPERATIONAL REFERENCE NO./PTI URN: 01YE0355816 DEFENDANT: Simon CORDELL (D.O.B. 26/01/1981)
Dear A. PARMAR

I am writing this letter due to the letter of discontinuance you sent to my solicitors dated the 15/11/**2016**.
I asked my solicitors to obtain my custody records for when I was arrested on the 14/08/**2016** for Threats to kill, where I was taken to Wood Green Police station as Edmonton police station was closed due to ongoing work being carried out, which has never been supplied by the CPS or police to myself or my acting solicitors before this case was discontinued, for this case I was bailed until the 04/10/**2016** as they classed me as unfit for interview.
I was charged on the 05/10/**2016** for Section 4 POA for this case. The Office in charge of this case was PC Campbell PC 205732 he was the person that interviewed me for both the case of the 14/08/**2016** and the 04/10/**2016**.
On the 04/10/**2016** I was again arrested just before I was due to go to Edmonton Police station for the bail to return for the above case this time for Criminal damage, I was interviewed for both cases by the above-named police officer and charged on the 05/10/**2016** for both dates the charges where Section 4 POA and Criminal damage I have also asked for my custody records for the 04/10/**2016** and this has also not been supplied to myself or my acting solicitors.
I would still like a copy of the custody records so they can be filed with my paper work and was wondering if you could send me a copy of the custody records for the whole of my detention for the 14/08/**2016** and the 04/10/**2016** I would be most grateful if this could be done.
I believe custody record no for the 14/08/**2016** is 01YD 6024 16 but I am not sure of the custody record no for the 04/10/**2016**.
I have also never had any paperwork for the Criminal damage charge and again would like copies of these and the statement from the person who said I done what I did. As my solicitors was only ever served the paperwork for the case for the 14/08/**2016**.
I like to keep all my paper work on file so without the missing papers work I cannot do this; I believe due to being charged I do have a right to the paper work and would be grateful if this could be sent via this email address, I hope you can help in this matter.
If you cannot help in this matter, could you please let me know via this email address lorraine32@blueyonder.co.uk
Regards
Mr. Simon Cordell

Reason - Not enough evidence to provide a realistic prospect of any conviction. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

07/11/2016:

I spoke to Sabran Witness Service Highbury & Islington court she advised pre-court trial visit are. no longer arranged directly by them. I will have to go through Citizens Advice national contact centre I she gave me a number however; I was getting no response on the number given 0208 733 6422.1 also called 101 and was given another number 0206 733 5480 - again a voice recording with no one to take the call. I contacted the call centre again and was given another number with on digit difference to the previous 0208 733 6423 Clair Lockwood. A voice recording again I therefore left a message requesting a call back.

08/11/2016:

I tried calling the Witness Care Unit again at Holbom station to no avail -1 then got a call back from police Holbom asking if I had tried to contact them -1 was then put through to Thomas Jones Witness Care Officer — from this point the communicative lines was open for progress. Tom also said the OIC is DC Campbell attached to Edmonton Police station. And that he will email him to contact the victim to reassure him.

16/11/2016:
I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.
16/11/2016: **16/11/2016**: **16/11/2016**:
Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.
17/11/2016:
Visited Mr. Curtis and Karen to hand deliver incident diaries.
28/11/2016:
Copy of the letter sent to Mr. Cordell giving him until **25/11/2016** to remove the CCTV he installed on the internal communal door attached.

Joint home visit conducted with Lemmy. Mr. Curtis said that he has had no further problems from Simone Cordell however, he was aware of altercations between Simone Cordell and other residents in the block. Mr. Curtis said he will still maintain his own logs and call the police and the council if necessary. The camera directly outside of Simone Cordell flat has been removed however, we notice that there was a camera in the communal area pointed toward the staircase - we need to find out who the camera belongs to.

Subject: FW: Contact phone number for Mr. Stanley Curtis
Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as **Steve/Pat obtained an ASBO** against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

not may be able to assist.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

06/02/2017 :08/02/2017:

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox, and I said yes. He asked why I did not stop when he ran after me, and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

History **03/11/2016**:

■ request I contacted the victim explained the reason for my call – Mr. Stain Curtis did have some reservations about going to court. Therefore, I have arranged to conduct a visit scheduled for Friday **04/11/2016** at 2:30 pm then we discuss the matter further.

03/11/2016:

Research conducted on Northgate - shows that Sarah Fletcher is the housing officer. I spoke to Sarah who is aware of issues with Simon Cordell and the action against him - however, she said she needs to gather more information as she has had a member's enquiry from Waltham Forest. As to our view about Mr. Curtis she has not had any complaints or court action. Therefore, it is possible that the legal process has been taken by the police.

04/11/2016:

Phone call made to the Witness Service from the victim's home - to possible arrange a pre-court trial visit to no avail.

I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr. Curtis alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!

After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. He told SC that he was a musician and that he does not want anything to do with his issues. Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises. Mr. Quinton stated that on **M** 04/10/2016, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on **4/10/16,** he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, **CAD No. 3309/4 Oct. 2016.**
On **11/12/16,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was

coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

DIRECTIONS ORDER

1. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.
2. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.
3. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.
4. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

2. On **6th August 2016,** the Defendant threatened and shouted abuse at Mr. and Mr. Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

3. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

6. On **11th November 2016,** my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

7. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. A file note of the incident is at page 34A of the exhibit bundle.

9. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

10. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

11. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

12. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

13. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

16. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

17. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

18. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

A copy of the file note is pages 56-57 of the exhibit bundle.

20. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

21. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

22. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.
30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

2. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

3. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

4. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances

before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.

Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.

Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, **CAD No. 3309/4 Oct. 2016.**

On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied, 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife, and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature

of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.
08/02/2017:
I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mr. Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a Voice message for him.
07/03/2017: 27/07/2017:
I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

Mr. and M.s Mathiyalagan attended the Civic Centre to report incidents that happened over the Christmas and Hew Year period. Mr. Mathiyalagan stated the following,

Q.
23/12/2016 at about 3.43pm - Mr. Cordell banged on his front door while door while his wife was at home alone with their young daughter and shouted abuse at her and asked her to go to the bathroom and turn off the tap. He also removed their electricity fuse thereby cutting off power supply. He stated that the incident was reported to the police, CAD 5753/
R.
23 December 2016 and they were advised to contact the council.
S.
26/12/2016 at about 12.30pm - Mr. Mathiyalagan stated that he and his family was going out and that as they got to the first floor, he saw Mr. Cordell running up the stairs towards them with a towel tied round his waist. He stated that Mr. Cordell started shouting abuse at them and accused them of tampering with his water supply and stopping the water. He stated that he tried to explain to him that there may be a problem with the water supply to the whole block as they also have the same problem with their water supply but Mr. Cordell will not listen and continued to accuse them of tampering with his water supply. He and his wife told him to please go away and leave them alone but he continued to swear and shout abuse at them. They then walked away.
T.
03/01/2017 at 10.47pm - Mr. Mathiyalagan stated that Mr. Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping

on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging. Mr. Mathiyalagan stated that the constant harassment from Mr. Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims. of anti-social behaviour and to see if they rehouse them.

Dear Concetta Nobile
Thank you, for the update and information you will need I have my driving licence but since 08 June **2015** the paper part is no longer needed so I do not have this so do not have both parts only the card. I have bills to show my address dated within the last 3 months so that should not be a problem. As for the information I have asked for it is all the information that is held by Enfield Council within all
2726,
departments. This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself. The minutes from the meeting that was held about me by Enfield council on the 15/12/**2016** with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend. Any phone calls made by myself or my mother on my behalf to Enfield Council All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all my piping for my heating system. All my housing benefit and anything to do with my rent account and council Tax. Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction. If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld. As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released. If you could get back to me about the ID, I would be grateful and get this emailed across to you so that this can be dealt with.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I

told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

Thank you, for the update and information you will need I have my driving licence but since 08 June **2015** the paper part is no longer needed so I do not have this so do not have both parts only the card.
I have bills to show my address dated within the last 3 months so that should not be a problem.
As for the information I have asked for it is all the information that is held by Enfield Council within all departments.
This would not be limited to just things that I have put in this would also include any data that the police have passed to Enfield Council about me. Any meetings that were held with police and any other body and Enfield Council about me. and any other government body that has passed information to Enfield Council about myself.
The minutes from the meeting that was held about me by Enfield council on the 15/12/**2016** with regard to the formal complaints that was put in. I did request minutes were taken when I was told I could not attend.
Any phone calls made by myself or my mother on my behalf to Enfield Council
All that were put in for Enfield Council to address this would include all comments made on any such report such as I have removed all

my piping for my heating system.
All my housing benefit and anything to do with my rent account and council Tax.
Any complaints that have been put in about me this would include any neighbours or police or any other body that Enfield Council has received about me, I do understand that some sections names would need to have redaction added for names and addresses but the date and body of the complaint should be kept. and if it a governing body such as the police names or IDs should not need redaction.
If Enfield Council has any data, I want this subject access request to cover this data and if any data is going to be withheld, I would like to know this and the reason why it is being withheld.
As for dates this request would go back as far as possible with any data Enfield Council holds within all departments being released.

  The Enfield Homes and the Enfield Council staff let the tenants of 113 - 117 and 111 Continue to victimize me by-
  Today the normal daily routine took place of the already named attacking me in my bath room after they involved had woke me up by jumping above my head when they were trying to illegally beat me down!

Whenever I am in my front room and I sit on my main living room sofa to relish the tranquillity and quite that I should in my own rented home I cannot because I get brutally assailed by the occupiers of 117 and now the new occupier of 113 George Quinton of Burncroft Avenue by them banging and jumping above my head with malefactor intent!
I keep getting Disrespected by the Original occupiers of 117 - 111 - 113 and now the new tenant of 113 George Quinton by them slamming their water taps on and off at a fast rate for hours at a time and cannot get any rest or do any studying in this rented flat and the council and police will; not protect me when I call or email them asking them to, I continue to record the evidence in audio and video!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

03/01/2017 at 10.47pm - Mr. Mathiyalagan stated that Mr. Cordell followed him and his family up the stairs as they returned from a family outing and was shouting at them about deliberately banging on the pipes and making noise. He also stated that the person sleeping on his sofa was banging on the floor, talked about saving him from getting beaten up by local youths, stated that he caught him and his wife making noise inside their bathroom, called him a lying cunt and asked him to swear on his baby's life that he was not banging. Mr. Mathiyalagan stated that the constant harassment from Mr. Cordell is making it difficult for them to continue living at Burncroft Avenue and wanted to know if I can contact Waltham Forest to see if they can rehouse them. I promised to speak to Waltham Forest and explain to them that they are victims. of anti-social behaviour and to see if they rehouse them.

MR. SIMON CORDELL

DIRECTIONS ORDER

06/02/2017 :08/02/2017:
I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:
Telephone call from Mr. Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:
I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door

and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.
08/05/2017:
Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Your Horner

I am written this letter after yesterday 17/01/**2017** being in court and felt as did 3 other people there is no point carrying on with this Appeal as you have already made you mind up before even hearing the Appeal.

This is not the only time you have brought up the conditions the lower court set Mr. Cordell when they granted the ASBO order on the 04/08/**2015** after the full hearing.
We felt you was only worried about the conditions so in fact had made your mind up there was only issues with the conditions when in fact you have not even heard the Appeal. So why are you even talking about the conditions and what you believed where problems with the conditions that where set by the lower court, before even hearing the Appeal.
There was more worrying issue such as my son having a solicitor and an acting barrister for the Appeal hearing and legal Aid in place for the acting solicitors.
Your Horner knew after the last solicitor was removed from record by yourself on the 21/09/**2016** when we had notified the court, we were going to be late to court by 5 or 10 minutes due to traffic, by the time we got to court you had already removed the solicitors while we were not there from record.
We were told this by the acting barrister the solicitor had sent who waited at court till we got there to inform us you had granted their application they could be removed from record.
We were told by the barrister to wait at court that you would call us into court to talk to us which we did and was called into court around 16:00 hours as you were dealing with other trial.
On being called into court you were told by the Respondent Barrister this was not the only time the solicitors had put an application to be removed from record this had been done on the 19/02/**2016** again just before the trial was due to start on the 22/02/**2016** and had been dismissed by His Honour Judge Morrison sitting that day and notes put by His Honour Judge Morrison, If any attempt is made to repeat this application the Court will require it to be made in person by the Senior Partner of Michael Carroll & Co. You said you could not force a solicitor to act against their will, but no acting Senior Partner of Michael Carroll & Co was in court.
We at this point we asked for an adjournment of the 3-day Appeal hearing that was due to start on the 26/09/**2016** to get a new solicitor put in place which you refused to do and stated my son could do this himself, there was great concern with this due to my son's learning problems not being able to read and write and health problems which you was aware of.
In fact, my son could not even attend court due to this on the 26/09/**2016** due to what this had done to him and made him so ill I had to write a letter to yourself which on the 26/09/**2016** had to be addressed by you.

22,

Letter-to-Judge-18-01-2017.doc

At that hearing I told you I had spent days calling solicitors trying to get one put in place and no one would take the case on due to this being at appeal stage and how much legal Aid paid for appeal hearings and I was being told we would have to pay private to get a solicitor so my son could have a barrister put in place for the appeal hearing to act for him, you said due to the letter I had written you had 3 option open to you and believed this would go to judicial review.

1. Carry on with the Appeal hearing in the hope my son would turn up the next day 27/09/**2016**.
2. Dismiss the Appeal.
3. Adjourn the Appeal to a later date.

You choose to adjourn the Appeal to a later date to start on the 16/01/**2017**
Issues were also raised about the bundles we were working from which were old Respondent bundles and files being missing. We had worked that out when waiting to be called into court with the Respondent barrister. You order that the solicitor hand the bundles over to us that day. And set a date for us to come back to court to check we were all working from the same bundles. I believe this date was the 14/10/**2016**.

Upon getting the bundles from the solicitors it was noted that my own son's bundle had not been updated since Dec **2015**. I tried to add the documents that were missing myself and make new indexes up but knew there were still missing documents. It was also noticed that the Respondent bundles we were working from there was around 13 missing statements we had never seen before all dated before the full hearing on the 03/08/**2015** and 04/08/**2015** at the lower court that we had never seen before.
On the 14/10/**2016** you were informed of this and ordered the solicitors to attend court I believe this date was for the 19/10/**2016** the Appeal hearing date was also changed to start on the 17/01/**2017** for 3 days.
I tried again to contact the solicitors to work out what was missing so I could add it and they did not get back to me.
On the 19/10/**2016** the solicitors did not turn up at court which you were not please about I had tried to add and index as much documents as I could but could not be sure 100% if I had all the missing documents.
A new date was set when again you ordered the solicitors to attend and had also contacted the new company Miss Ward worked for. Later that day Miss ward contacted me, and we meet to go over my son's bundle to check the documents and see if there were

any missing documents left that needed to be added. Miss ward believed I had covered all the documents.
Each time this was in court after the 26/09/**2016** I informed you I was having a great deal of trouble finding a new solicitor to take this case on due to it being at appeal stage. On the 19/12/**2016** I wrote a letter to you saying I had tried everything and could not get a new solicitor and asking if the court could help. I got a reply from you from the court on the 21/12/**2016** stating.
Good afternoon
Your emailed was placed before HHJ Pawlak who replies:
'We cannot help

1. The Appellants solicitor came off the record at your request not at the direction of the Court
2. This is the Appellants appeal and it first came before the Court in January **2016**
3. The Appellant has had long enough to find a solicitor and/or counsel
4. The Court cannot force a solicitor to act against his will for a client.'

Point 1: is incorrect my son did not ask for his solicitors to be taken of record.
Point 2: I believe is also incorrect as this was listed before the court on 26/10/**2015**.
Point 3: I was doing all I could to find a solicitor and/or counsel. I also cannot force a solicitor and/or counsel to take an appeal case on and I could not afford to pay for one if I could have paid for one, I would have done so long ago.
On the 12/01/**2017** late in the day as I did not give up trying to get a new solicitor to take this case on, I was given a number for a company called MK-Law I broke down on the phone to them as they were the 1st solicitors who even wanted to hear about the case after I said it was at appeal stage.
They were willing to act as long as legal aid was put in place. I got an email sent to them on the 13/01/**2017** re transferring legal aid as I believed it was still in place with the old

Letter-to-Judge-18-01-2017.doc
solicitors from what I had been told by the court. They were also going to need time to get all the bundles and go over them and meet with my son. I do not have an office or an office printer to copy all the bundles and I was only sent one copy from the Respondent due to all the issues with the bundles.
On the 16/01/**2017** I know that MK-Law contacted the court about legal aid.
On the 17/01/**2017** the appeal hearing was due to start and MK-law sent a Barrister to the court to address the matters of legal aid and ask for a court adjournment so they had time to get the bundles in order have time to go over them and meet with my son and deal with the appeal in the correct way how it should be done.
There were issues with legal aid, and it was said it was granted but the old solicitors were saying it was revoked Legal aid was of little help as they could only say if it had been revoked or not.
You refused the court adjournment and said you would give MK-Law the 17/01/**2017** to get updated with the case and meet my son and get the bundles in order and could not see a problem with legal aid. And the Appeal would start with them or not on the 18/01/**2017**.
seeing as we did not get out of court until around 13:00 hours yesterday this was down to half a day to be ready for this appeal hearing on the 18/01/**2017**.
How is a new solicitor want to get involved in a case when they have not even had time to go over it in the correct way so once again my son has been left with no acting solicitors and is meant to deal with this on his own? My son has learning problems and health problems how is he meant to cope with this?

- Issues from the start of this case from when it started in **2014**
We have never been given any discloser which has been asked for many times.
The whole case relies on hearsay.
We know the Met police hold information on their systems that prove my son never done this and this has been said many times. This is being covered up.
PNC has information on it that is incorrect which has been said in the lower court and appeal court many times.
Statements of police have information in them that can be proven to be incorrect.
Witness statements being written and signed for by police.
CAD timelines being incorrect and so much redaction with them and covering up they have nothing to do with this case.
The list above is only a few of the issues yet this was meant to be a fair trial in the lower court and this appeal.
There are beaches of my son's ECHR which both the court and the police have to follow, and this has not been done in this case.

25,
Letter-to-Judge-18-01-2017.doc
You know my son has health problems and the stress that is being put on him is not making these health problems any better he should not be subjected to what has been going on in this case.
I feel I only have one option left and that is to take this to judicial review due to what has gone on from the start of this case to date.

To Whom It May Concern:

I am writing this down for Simon Cordell to an incident that happen 12/09/**2014** around the Time off around 12:00pm Of concern to all of many factors such as British Standards relevant to good business practice.
Human Rights, Laws protecting our community governed by the United Kingdom well as many other relevant factors. as of date prior explained in this chapter what happened leading up to events today at address. 109 Burncroft Avenue EN3 7JQ on the 12/09/**2014**
Mr. Simon Cordell was at home making plans for positive future development in regard to his company and future proposals as well as relevant documents and data,
To the surprise of a knock on his front door, this was a surprise because he has no intercom and was expecting no visitors.

At this point Mr. Simon Cordell opened his door a little to see what the police wanted to talk to him about, once the door was opened a little, they then said to him that they wanted to serve some documents on him at which point Mr. Simon Cordell replied he was not willing to accept anything and closed the door.
Upon closing his close he told the police he was not being rude but he was not willing to accept receipt of any documents due to him having learning difficulties as noted on the police national police system and other governing services, which he then heard the lady police officer say through the closed door I was again looking through the keyhole watching what the police officers was doing I heard the " Lady police office say what should we do to the man police officer said just put it on the floor in front of the door and he took some letters from the lady police officer and posted them into my letter box"
The Man police officer posted 4 pages of papers in Mr. Simon Cordell letter box and the lady police officer put a large blue file on Mr. Simon Cordell front doorstep outside.
My son then called me and told me what had happened but due to a death in the family I was unable to attend his address until today the 13/09/**2014** when I got to Mr. Simon Cordell address, I saw the blue folder that the police had left at his front door which was in plain view of anyone. It had been opened and left opened so anyone could have looked into it.
I was shocked to see that inside the document there was full details of Mr. Simon Cordell and also other people names under the data protection act the police should have never left this folder outside Mr. Simon Cordell address which would give anyone access to it.
I am going to the police station to hand this back to them as it was never served on Mr. Simon Cordell and he will not accept it from the police. I am not sure if any papers are missing from the folder as I said it was opened on the floor when I got there.
I believe that the police when Mr. Simon Cordell did not accept the documents, they should have taken them back with them and arranged for signed delivery or tried to again serve them on Mr. Simon Cordell as the file is far too big to put into a letter box.
This is also a complaint due to the data protection issues that the police could have avoided by not leaving the folder on a doorstep that anyone had access to. The folder would have never fitted in a letter box and I do not feel that the police putting 4 bits of paper in a letter box is serving
27,
anyone the full paperwork which should have been done and not just left it on the doorstep for anyone to see and read and take data out of it if they so wished, this is a beach of the data protection act.
I have taken pictures of the folder and I am disgusted that the police could just leave a folder with such data on a doorstep.

Mr. Simon Cordell will not accept the file or paperwork that was put in his letter box and there for have not be rightly served.
I would like this issue looked into and to be informed if there is any paperwork missing from the folder which have full details and information to Mr. Simon Cordell and other people.
Regards
Miss L Cordell

Your Horner HHJ PAWLAK
I am written this letter after yesterday 17/01/**2017** being in court and felt as did 3 other people there is no point carrying on with this Appeal as you have already made you mind up before even hearing the Appeal.

38,
I have taken pictures of the folder and I am disgusted that the police could just leave a folder with such data on a doorstep.
Mr. Simon Cordell will not accept the file or paperwork that was put in his letter box and there for have not be rightly served.
I would like this issue looked into and to be informed if there is any paperwork missing from the folder which have full details and information to Mr. Simon Cordell and other people.
Regards
Miss L Cordell

DIRECTIONS ORDER

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.

The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

26. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about

ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

I believe the facts in this Witness Statement are true.

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment to me and other residents.

BACKGROUND

3. The problems that I have encountered with this tenant have been a regular occurrence since the commencement of my tenancy. The Defendant would come to my flat three or four times a week, on occasion this would occur more frequently whereby he would extend this harassment to not only myself but to my visitors also often following them as they would leave the building. He would often play loud music after which he would become very argumentative and bang on my door accusing me and my visitors of maliciously making loud noises to annoy him.

4. The Defendant would often make threats to me and on one particular occasion the Defendant said to me, 'he is on a curfew for 12 days, but he would come 'after me' once this is over'.

5. The Defendant had also made accusations claiming that the noises I was allegedly causing had resulted in the sudden death of his child.

6. On another occasion on the **9th October 2016** the Defendant came to my flat banging on the door and when I answered immediately started shouting at me. He then went downstairs and about ten minutes later he approached my moped which was parked outside the building and started smashing it with a wooden stick. The damage that caused was to my vehicle was significant and prevented me from using it for some time and caused me to lose my job through lack of transport which was a requirement of my employment. The damage to the motorcycle was damage to tyres, the side panels, the headlights both front and rear along

with both the breaks and the mirrors. The matter was reported to the Police who attended and arrested the Defendant. A crime reference number was obtained relating to this incident and I will be happy to provide this at the hearing when I attend. I also have a recording of conversation - between the Defendant and I where he admitted having caused damages to my moped. The recording will be provided at the hearing.

7. A further incident occurred with the Defendant around **January 2017** whereby he came to my front door and started shouting and complaining about noise and that he was being wrongfully accused by the Police and accused myself and other tenants of 'being out

to get him'. I asked him to leave but he refused to do this, so I then left my flat to stay at my friends as the Defendants behaviour had scared me. When I returned to the property a couple of days later, superglue had been inserted into the front entrance door lock preventing me from gaining access, this also caused the key to break.

8. This was reported to the council and an order was required to gain entry to my property. This was recorded under works order reference number 1814013/1.

9. Due to the erratic and abusive behaviour of this tenant I have been forced to flee my property because I feel scared and uncomfortable and I have not returned since. As a result of this I have also fallen into arrears, I am now facing homelessness.

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

4. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

5. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

11. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. 15. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. 24. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

These letters are exhibited at pages 63-70 of the exhibit bundle. 30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care. **5.** The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem. **6.** The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block. **7.** I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.

I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. Disrepair!

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitans constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Child's protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral behaviour of criminal attempts, as for the child protection Act 1989 states that in section 27 of that act it requires all local authority as a must to assist in the protection of children, since the young child's birth the child legal no there and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life itself, as the Article 2 of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. The overseeing authorities should have contacted the Social Services the earliest opportunity in pursuit of the Social Workers Act 1981!

Dear Martin
As you know the case in **2013** when the police lied to KGM about my Son Simon Cordell, this case is still ongoing under complaint re the police officer. As part of their investigation, they were meant to have contacted you to get a report of the 1st phone call that was made on that day which was to you by Simon where Simon passed his phone to the police officer for you to speak to and you told the police officer Simon was insured and the police officer never said anything about any tools. It was after this the police officer felt the need to contact KGM

and say what he did to make Simon insurance void so he could do what he wanted. This was not done by the 1st investigation and a reinvestigation in now ongoing. I was wondering if you kept the audio of phone calls made to Broadsure and if so, could a copy be made of that call. If not, could you write something up so it could be passed to the investigating officer. As I sure notes should still be on file. If you could get back to me in regards to this I would be most grateful.

MR. SIMON CORDELL

DIRECTIONS ORDER

06/02/2017 :08/02/2017:
I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:
Telephone call from Mr. Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:
I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.
05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.
08/05/2017:
Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Home visit to Ms. Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms. Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr. Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates

I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr. Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates Bola Quadri has already put in place a safe guard alert.

Home visit to Ms. Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri
Home visit to Ms. Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved.

Hi Dolly,
Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense. We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.
We will try and get around to see her when were back on duty on Monday.
Kind Regards

Good afternoon, Mark,
Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.
As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services. However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.
She advised that she had reported this to the police a few times but, wasn't taken seriously. I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.
Thank you for your support and assistance

Good afternoon, Louise,
Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.
Ms. Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP
She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The mean concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violet and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her. It was on this basis that a decision was made to move her out immediately.
Hope the above information is useful.

Hi Louise,
Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.
Good news that it looks like she might be able to get help to move.
For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.
Best wishes,

Hi James,
I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.
I do not know anything about Mr. Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.
Deborah was much calmer this morning and I reassured he that if she has any concerns to contact me.
With regard to the camera not he is not allowed it to be train on anything else other that his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Hi Louise,
I hope you are well.
Since **15/01/2016** we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.
Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?
Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.
While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing

towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!
Best wishes,
James

Dear Sarah,
Thank you for your email and updated information. This incident yesterday J am assuming that this is a different incident from 15/1/16 where Mr. Cordell approached Ms. De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.**2016**. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr. Cordell trying to prevent her or following her.
In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?
Please can you confirm if she has expressed this to staff at St John of God? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
As you are aware, Debbie has said that she is not coping and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take?
Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safe guarding plan, I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert?

Dear Sarah,
Thank you for your email and updated information. This incident yesterday I am assuming that this is a different incident from 15/1/16 where Mr. Cordell approached Ms. De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence.
In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation.
Please can you confirm if she has expressed this to staff at St John of God? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?
Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater?
With regard to the Safe guarding plan, I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger.
Regards
Louise

Hi Louise
I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.
Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.
In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which
Page 18 of 21
he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.
Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.
I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.
I look forward to hearing from you at your earliest convenience.
Regards
NB: Please can you forward this message to your line manager.

Dear George & Bola,
Thank you for your email, I have only copied you both as there is other information on Mr. Cordell that urgently needs to be considered.
I received an email informing me that a mental health warrant had been granted for Mr. Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.
Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.
Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it is a quick jab, in and out no one speaks with you.
With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms. Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms. Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms. Andrews.
Transferring Ms. Andrews into another independent accommodation without fully assessing her current needs and the full support required should to be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Threats and intimidation (General)
Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

16/12/2016: I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems started soon after he moved into the block in April **2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 4/10/16, he was sleeping when SC started to bang on his ceiling but he ignored him. SC then came up and started kicking at his door and he still ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, **CAD No. 3309/4 Oct. 2016.**
On 11/12/16, SC came up to his flat 3 times to shout abuse and complain about noise from his flat.
Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then

explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.
About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.
Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.
He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

Dear Jean,
We received a phone call from a Mr. John Bates on behalf of his friend Mr. Stanley Curtis. He explained that Mr. Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him. We are aware of Simon Cordell as Steve/Pat obtained an ASBO against him for illegal raves etc. I believe he is also a council tenant (I need to check)
Could you initially contact Mr. Curtis - obtain his address and the reasons he is going to court? Also ascertain what support he needs. It is not an open case as such but depending on your findings we

16/11/2016: I received a call from Thomas Jones - Witness Care he advised that the CPS have dropped the case of Curtis v Cordell. Reason - Not enough evidence to provide a realistic prospect of any conviction. In further discussion Thomas said DC Campbell was of ill - has now returned; however, he said he will contact Mr. Curtis in relation to the current position of the matter. I asked Tom if the CPS will be writing to Mr. Curtis directly - he said they should to advise accordingly. Tips given to report further incidents and keep records.

16/11/2016: Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105). Christine stated that she witnessed the September when Mr. Cordell threatened Mr. Curtis. She stated that she was with her neighbour Karen when they heard Mr. Cordell shouting and as they came out to see what was happening, she saw Mr. Cordell shouting at Mr. Curtis. She alleged that he was shouting abuse and threats and that Karen told him to leave Mr. Curtis

alone, that he is an old man. Mr. Cordell then started shouting abuse and threats at Karen. Christine stated that she is not prepared to give a statement and that she will not keep incident logs.
We then met with Karen outside the block. She stated that she and Christine witnessed the incident that happened in September. She stated that Mr. Cordell was shouting abuse and threats at Mr. Curtis and that she told him to leave Mr. Curtis alone as he is an old man and that Mr. Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr. Cordell was to attack her when she is with them. She is happy to make a statement and will log any further incidents.

My asking you to speak again. **05:51** How are you doing Lauran, **05:52** I'm I am just trying to get a case resolved that I've seem to have ongoing. There is a serious miscarriage of justice and it was, I'm can I give you the case number. **06:03** Yes, please **06:03** Hey, how you doing? And the case number is A**2015**0064 **06:10** is thatA2. **06:10** A for Alpha **2015**00 (500) 64. **06:22** Is that a Magistrates Court number, sorry? So, have you got another number that begins with eight one or eight seven one seven? **06:27** no, this was in Wood Green. No, I actually, this isn't the correct number. Can I give you my name and do it through the number because it changed for the appeal date? The case number did. So, can I give it to you for the Appeal please. **06:38** all right. **06:39** My name. **06:40** Have you been even to them? have you been to the magistrate's court? **06:42** Yeah. **06:43** I went to this magistrate's court and when I went to this magistrate's court, I kept. I went, I, I had a case put against me for the organization of a legal raves. So, it stated illegal inside of it, I never got arrested for the organization of illegal raves. So, I think that was a serious miscarriage in justice, that I weren't arrested for something that was illegal Me and my barrister, come to court in Highbury and Islington and what we understood is that we were fighting against defending myself against the organization of illegal Raves, I copied the Facebook accounts of the people that I was being accused of being, which I still have here now. And I kept trying and I didn't want to submit them in to the, into the files until the Crown Prosecution file **2011** I requested for MG6 b or e in regards to all criminal prosecutions of all of the people that was dealing with me. **07:30** And there's a bloke called Robert Taylor who was the barrister. He falsified all of the paper. He was also under criminal investigation for another case for holding someone illegal. Now I have a court number here and is it, okay, if I give this to you with a pen and you have a pen **07:44** Yep. **07:44** It's, it's called the clarity of Highbury Corner Court, magistrates commissioner of the place of Metropolitan 2007 1wlr1272 2006 EWHC 1869 and what that says is a case can't rely solely on hearsay and they agreed for that in Civil Litigation and criminal and also for **ASBO'S**. And this happened in Highbury Corner Court. Now when I went to court, I noticed that each police officer had done four statements in a second perspective, pretending to be like Um, writing for the victims. and there's no victims. Signatures at the bottom of none of the victim's statements. So, I kept asking for the witnesses to attend court and no witnesses would attend to the Highbury and Islington Court. now. **08:39** Ok, Sorry, just to stop you there. I'm not legally trained so I can only ask can only, I can only help you with some details

of the case can I take your name and then I can look to see what's going I can look to see what's going on, ok. **08:52** My name is Mr. Simon Paul. Cordell. My Christian name is Paul and my last surname is Cordell, C.O.R.D.E.L.L. Now being held illegally in my house. I've got a nine year. I've got five years for the injunction order itself that they put on me illegally when there's no victim statement or signatures. Everything was hearsay in the whole file. Yeah. Plus, on top of everything being hearsay all the timestamps to the 999 calls to the CADS are wrong. Yeah. Plus, in inside the paperwork it says that white males and females commit the offense. Yeah. Now I'm an IC3 so I can't fit an Ic1 profile So, they knew it wasn't me. Now I've got these Facebook profiles here and I built a website called horrific corruption.com and I have put everything inside of it, that has happened. Made brand new pdf books for it all, I had 30 appeal dates **09:46** and 20 appeal dates at wood green crown court and Wood Green crown court failed me and my Human Rights as well as this court. You had no, there was no witnesses in the court and you were illegally holding me in my house. Now if I got arrested for the organization of illegal raves, I could get six months maximum sentence and do three months inside prison and three outsides. Now somehow, I've got a standalone **Asbo,** not even a CBO, so it's not supposed to be a criminal prosecution under the Organization of Illegal Raves and somehow, I got five years plus the two years for the injunction order, which makes seven years curfew plus on top of the seven-year curfew, I've read a year for another case that I just won prior to that as well from the same court as here. So, in total, I'm riding an eight-year curfew now it says lady howl and Prince Philip, who are who do the supreme crown court in their film It says that they can't even detain an erm, detain somebody that's going to blow up this country for that long inside of a house, let alone somebody less dealing with a civil dispute over music. Yeah. Now I'm very upset that I'm being held illegally in my house right now and at this court's authorized for it all to happen. Yeah. I'm documenting my report down every single day and everything that's happened to me in the meantime from my impact statement, from my recovery of my damages, that I am suffering throughout and it's been a continuation of foul play or breaches, a process and a breach of trust under the criminal attempt Act. Yeah, that has been found. It's been played from this court now I would like to, I would like to call a statutory Duty in the court and no is now, and I'd like you to help me issue that if you'd be great, if you'd be kind enough to do so. And I would like to be able to call this back into the court as an EGM meeting an emergency application. I'd like you maybe now if you, **11:35** OK, I can't do anything over the phone I'm afraid **11:39** Yes, but can you put me onto the court manager? **11:41** I don't have the power. **11:41** Can you put me onto the court manager. **11:42** we don't have one, they don't have the power for that. **11:44** The Clark? **11:45** Oh, they don't have the power for that. **11:48** The Clark. **11:48** Everything. Everything has to be submitted in writing to the court. **11:51** Yes, I can. I can accept that everything has to be submitted **11:54** but if I come to the court today year, or I come to the court tomorrow with my evidence that I've been set up by the judges in this court. In your courthouse. Yes. And that they understand the laws from the case number that I just gave you from 2006 that no case can rely solely on hearsay evidence without first hand witnesses. I requested the witnesses, I'm right. I shouldn't be riding a nine-year curfew if they didn't have enough for a criminal conviction in the beginning and to arrest me. Yeah. They shouldn't have. They shouldn't have given me nine years otherwise now on top of the nine years that I'm riding yeah. That I'm supposed to be riding, I'm not, I, I've, I understand that a standalone **Asbo** is not supposed to be a form of punishment, but I understand that I've got a 10 o'clock curfew and a curfew is used, people get that for early release from prison. **12:41** Yeah. Early release from prison. It's a form of punishment. So how if they involve a stand, uh, uh, a curfew inside of a standalone **Asbo** if they didn't have enough for a criminal conviction and to follow after with a CBO Asbo. Yeah, I'm very upset with that. I'm being held in my house every day and I've got lots of other government members now. I've had

another possession order put on me since then after that possession Order I have had an injunction order put on me then another injunction order and then another injunction order and all my neighbors attack me in my house continuously because to cover up the missing signatures I was phoning up all of the 999 call centers saying to them that you're missing your signatures and you're missing all this stuff. Then I was recording all the conversations, the minutes to the meetings cause you your, your, your, your servant for the full fall for the queen now and you're being paid a wage. **13:29** So this is classed as a meeting so I am aloud to take the recordings of these meetings in a digital format, I can give you the case number. So, I'm recording all these conversations and, and transcribed them up afterwards. You know, I made over a hundred phone calls to the court um, to the police station explaining to them about their missing signatures and about and requesting all the MG, all of the Crown prosecution **2011** files. I requested everything correctly and they've just they have just, they started to spread that I had a disease in the public to scare me out of the country. And, and I've never had nothing wrong with me. I've got all my medical notes and everything there to prove this, to cover up this case, now that I'm talking to you about, they, they use a use, my partner and me and my partner have never argued. **14:11** She's not my partner no longer, but we never ever, ever argued throughout all of this happening. So, we've still got I've got emails of me and her talking till **2016** that we never argued. Yeah. And texts in my phone, I put into my report year, and we've never had it, me and her have never had a dispute. Then Sally Gilchrist, the head of the Metropolitan Police legal executive who was dealing with all of my cases and all the paperwork. She come to all your court, all the court cases. She, she started spreading all this stuff about my personal data and they've tried to attempt to put an attempt to murder me. Yeah. It's more than hate crime. Yeah, it's, it's an issue. They've tried to, to do that. There's a breach of our personal data in the beginning and it was an attempt to cover up what's going on. In this case, this court has turned. **14:53** Ok. **14:53** This court has turned its phones off for how long. **14:56** Mr. Cordell. **14:56** Can we call this back into the court please? **14:59** Sorry, I can try and put you through, but there's no guarantee that I think that someone will answer pick up the phone **15:05** How long has these court numbers, **15:07** I accept that **15:08** We are very busy at the moment. **15:09** It's an emergency. Meeting. **15:11** We've only taken over the calls for Highbury, within the last six months. **15:15** Year because Highbury. **15:15** we deal with all the calls. **15:21** How long, Go on sorry. **15:21** We deal with all the courts for every magistrate court in London, so we've taken over their calls where we're an outsource call center. We're not based in Highbury Magistrates Court. We're not based in any magistrate's court. **15:29** Because they turned their phone lines because I was phoning them about all of this and recording it in the beginning. I except that. **15:35** ok, So. **15:35** So, now. I know that. Okay. Okay. Like I except that I can understand what you're saying. Thank you for explaining that to me. **15:40** So, what I'm advising, what I'm saying as well, what I'm advising you to do. If you want. Any application you have, any application you have to make to the court has to be made in my writing. That's the only that the best you have to go before the legal advisors. It's not down to the court managers whether they can accept the hearing. They have to go before someone that is legally trained in the court. **15:57** I Except that this is how I use, I've got the contract that use lot have got now, because I was recording the conversations and over what I'm just explained to you and what they've done to me and my partner to cover all of this up and that why now they turned the phones off to the courtroom and now today I phoned for the first time in ages to check because I've been dealing with these other possession orders and an injunction orders that I have had overturned and I noticed it was back on. So, I'm thinking I'm going through to the court and that's why I've been a bit more so if I've been, if I've been more than what I was when your job's worth, I apologize to you for that. **16:29** So, what I will do if you can just hold the line for a second for me, please. **16:30** I will, I'll do that cause he just hold the line for me. I'll see if I can put

you through, if I can't put you through, I'll come back to you. And as I said, I can't, I can't, physically can't do anything, but you need to send something in writing to the court. If you want to go down to the court you can do. But you have to go down when the public councils open. but I can't, there is no guarantee that I can put you through to someone because they are very busy. Can you just hold the line for one second for me? You'll hear some music and I'll just see what's going on. Okay, thank you. **16:56** Thank you. **17:49** Right, thank you. **19:24** Hello. **19:25** Hello, Highbury Corner Court how can I help you. **19:25** Hello, can I just go through a case with you? So, may I ask who I' am speaking to? **19:30** Miss Mill's. **19:30** Miss Mill's I am the customer service. **19:31** How are you doing Ms. Mills? My name is Mr. Simon Cordell **19:34** Hmm, Hmm. **19:36** and I have an issue with the court and a miscarriage of justice as the court is illegally detaining me in my house at present and it's an emergency. Matter, that I would like to be able to call back before the court, Hm, a load of police officers fraudulently built an application in Highbury and Islington Court and we'll out of it and brought, well presented it into Highbury and Islington Court. There were no witnesses that attended the court. And I've gone over the paperwork. It basically says is what it's basically says to the organization of illegal raves. I never got arrested for anything that was illegal. The maximum sentence if you did get arrested it would be six months, do three month's insides. Somehow, they put a standalone as **Asbo** against me, which is for non-criminal offense I went to court to defend myself against the claim, which was the organization of illegal raves. They couldn't prove illegality in the court, but somehow, I've ended up with a five-year curfew and two years for the injunction order, which is seven years plus. I've ridden a year for another case which I one, which is eight years of my life. I'm on curfew right now **20:38** Have you emailed the court, **20:40** I've spoken to, I spoke to the court on numerous occasions in regards to it, but at the time the court, **20:45** so what was, what was you advised. **20:47** my advice, was at the time, we just. **20:49** No, what was the deal? What was the advice given to you? **20:52** at the time was to go through to go through the appeal stages? So, I took it to wood green crown court and I went through the approval stages and we had 20 different dates in the crown court. I still never at the end of it all managed to actually have a trial in regards to my claims They just kept trying to say, oh, I'm going crazy. And I kept winning by the doctors and proving there was nothing wrong with me. What each police officer actually done is they, they pretended that um, say, you've got, say there was two parties on two roads that are half a mile away from each other. The police knew that one party was going on for six months prior. Now that, that that was one had been going on six months prior is opposite police No, opposite of a train station. **21:32** Now another party, got closed down in Essex and because it, I wasn't involved in none of this, I was in my house. Yeah. And that's the truth. Because the other party, got closed down in Essex, a police officer called Adrian combs, landed in the field and spoke to the people and served them in abatement notice, which I have a copy of here now, which he says he served Chris lurcher Lewis. Yeah. And he owns Hippie Fest Party, which I'm being accused for now. Straight after that, the police, this police officer, sent them Metropolitan Police to Chris lurchers profile and they took his profile out of it because his white and put mine in it and then they scribbled all over it. I'm a black boy on the block all in the application. Now I noticed year, that all of the 999 call all of the CAD calls the timestamps go backwards and forwards for it. **22:19** So I know noticed that um, they, they're all for progress way. So, because they are all for progress way, which is this, which is the other party to where the boy moved to. So now what the police done is they took all the crown road parties and put them into the folder and redacted most of the crown road name out of there and pretended that they were progress way so they made up the 999 calls for this other building and used another party that was going on that day, but they forgot to take out the x 2 y locations. And on some of the pages they forgot to take out crown road. Now when I asked, when asked under oath if they're sure that every party in that folder is actually progress

way, they swear under oath in your court in that courthouse. Now I've got the transcripts here that approve that, but now I've done my homework. You can see they're all really crown road and there really was no calls to progress way, which they've sent me up. Now they have each done four statements each and at the bottom of their statements. Therefore, therefore the members of the public that are supposed to be kept up overnight, that's what this is all about. None of them have put their statements, their signature at the bottom of them. So, there's each four police. **23:23** Hello, can I. Hello Mr. Cordell. I know that you are explaining to me and I'm working in the customer service department, right? What you're telling me, um, what is it you exactly want that I can transfer you. **23:32** I need. **23:32** Because I've got quite a few calls coming through **23:36** Yeah. have you got the new, the new one the London north mc@justice.gov.UK? **24:04** London north. **24:04** Because, we changed up our email address. **24:07** Yeah, because now all the phone numbers because I was making lots of recordings. **24:10** Let me finish. **24:11** Yeah, because a lot of it has changed up now. So, what I'll give you is the new email address. **24:19** I have got that already. I just got it on Google just now. **24:22** London North MC @justice.gov.uk **24:27** Ok. I have got that already. but can I not have. **24:27** Hold on, hold on because what I'm trying to explain to you is that we. because we don't do thing over the phone now, thing have all change up. So, what you just told me, so you could just put it in an email, **24:40** Can I not just come into the courthouse itself. **24:41** No, it's not like that. Everything's all changed up now. **24:46** I got an official report here, which is thousands of pages and I can't send that to yourselves. **24:50** Yes but I know, but you need to do it **24:50** Yes but I know, but you need to do it, before you come up, we cannot deal with anything because everything is done by appointments. So, this is what I'm trying to explain to you. **24:59** Yeah, I am listening to you. **24:59** If he can just, if you just email and everything what you just said to me. **25:04** Yeah. **25:04** Okay. Put a contact telephone number. **25:07** ok. because we did not contact you by telephone. We will respond to your, um, email address. Okay. But you just have to bear with us throughout because we are a bit shorter staff. It's coming up to the summer holidays. I know that shouldn't be a problem. You know, it shouldn't be a problem. **25:23** I'm illegally detained in my house and I can't go out because of the police officers that have set me up for this. **25:30** I know. I hear you; I hear you. **25:30** Yeah, I followed them up and I'd been making phone calls. **25:32** Mr. Cordell. **25:32** May, I say something to you madam, I know you've listened to a lot. Yeah. Madam and I appreciate your time so far and I know you are an important lady and that you need to help a lot of other people. But in true in all truth, I was speaking to the court's making recordings and they turned off their whole phones to the whole court just to avoid this case. Yeah, now, they've just been turned back on. That's why the court phones got turned off. I've got hundreds of recordings explaining this and going through the, I've got formal complaints in regards to, **25:58** I do understand. **25:59** they say that I'm a, white person in the paperwork? It says that I'm a white people. White females or males committed the crime. I'm an IR3 black 3. **26:07** Yes, but hold on. Hello Mr. Cordell, I know that your frustrated and that you want to get your point across, but unfortunately what you're requesting, I don't deal with it, where customers, **26:19** Can I speak to the Clark manager? **26:21** Yeah, but that's what I'm saying there all in court now it's half past two. **26:24** It's an emergency. Matter it a tier one level offence. **26:26** We do not deal with things like that. **26:26** Year, but there is corruption within your offices. **26:30** There's is corruption within there and it's an emergency application. If, if I'm telling you that I'm illegally being detained, I can prove that right now. **26:36** Hello, Mr. Cordell are you going to listen to me? **26:38** Yeah. **26:40** To get you sorted and to help your situation. I do not want to give you false information. **26:44** Yeah, and I respect that. **26:44** and when you come here or say anything, it's not going to be dealt with they need to look through your paperwork, discuss it and take it from there. They might have to have an appointment and its down to them whether or not if you have an appointment or

they class this as an emergency. You need to do everything by email. Everything has changed from the last time you've come here or attended court. This is the procedures and that's why I'm trouble. **27:11** How long does it take for the, what is the, um, the response time for an email served to the court. What is the mandatory time frame? **27:18** its normally between, Seven, seven days. But as I said to you earlier, Ron. **27:24** there is a hold back. **27:24** put on router, a rotter on emails is coming up to this time of the year. Now people are taking their annual leave. Okay. So, it's a little bit, a little bit short of staff. So, it might be a little bit longer, but I feel outside the ICU, send that email to us and puts at the top bit, wait for subject, puts it as emergency stroke urgent, Alright. **27:49** Okay. **27:50** And send it to the court I know I'm giving you all the information that that liable to you. **27:53** I understand. **27:55** Okay. **27:56** Thanks for everything. **27:57** put it in your email. **27:59** Okay. **27:59** And then we take it from there. **28:01** Okay. Well, thank you for your time today. **28:03** Thank you. Take care and enjoy your day. **28:08** Right. Okay."

05:44 Good afternoon, Lauran Speaking how can I help.

05:46 Hello. How are you doing? My asking you speaking again.

05:48 My name is Lauran.

05:51 How are you doing Lauran,

05:52 I'm I am just trying to get a case resolved that I've seem to have ongoing. There is a serious miscarriage of justice and it was, I'm can I give you the case number.

06:03 Yes, please.

06:03 Hey, how you doing? And the case number is A**2015**0064

06:10 is thatA2.

06:10 A for Alpha **2015**00 (500) 64.

06:22 Is that a Magistrates Court number, sorry? So, have you got another number that begins with eight one or eight seven one seven?

06:27 no, this was in Wood Green. No, I actually, this isn't the correct number. Can I give you my name and do it through the number because it changed for the appeal date? The case number did. So, can I give it to you for the Appeal please.

06:38 all right.

06:39 My name.
06:40 Have you been even to them? have you been to the magistrate's court?
06:42 Yeah.
06:43 I went to this magistrate's court and when I went to this magistrate's court, I kept. I went, I, I had a case put against me for the organization of a legal raves. So, it stated illegal inside of it, I never got arrested for the organization of illegal raves. 07:30 And there's a bloke called Robert Taylor who was the barrister. He falsified all of the paper. He was also under criminal investigation for another case for holding someone illegal. Now I have a court number here and is it, okay, if I give this to you with a pen and you have a pen.
07:44 Yep.
07:44 It's, it's called the clarity of Highbury Corner Court, magistrates commissioner of the place of Metropolitan 2007 1wlr1272 2006 EWHC 1869 and what that says is a case can't rely solely on hearsay and they agreed for that in Civil Litigation and criminal and also for **ASBO'S.** And this happened in Highbury Corner Court. 08:39 Ok, Sorry, just to stop you there. I'm not legally trained so I can only ask can only, I can only help you with some details of the case can I take your name and then I can look to see what's going I can look to see what's going on, ok.
08:52 My name is Mr. Simon Paul. Cordell. My Christian name is Paul, and my last surname is Cordell, C.O.R.D.E.L.L. Now being held illegally in my house. I've got a nine year. So, in total, I'm riding an eight-year curfew now it says lady howl and Prince Philip, who are who do the supreme crown court in their film It says that they can't even detain an erm, detain somebody that's going to blow up this country for that long inside of a house, let alone somebody less dealing with a civil dispute over music. Yeah. Now I'm very upset that I'm being held illegally in my house right now and at this court's authorized for it all to happen. Yeah. I'm documenting my report down every single day and everything that's happened to me in the meantime from my impact statement, from my recovery of my damages, that I am suffering throughout, and it's been a continuation of foul play or breaches, a process and a breach of trust under the criminal attempt Act. Yeah, that has been found. It's been played from this court now I would like to, I would like to call a statutory Duty in the court and no is now, and I'd like you to help me issue that if you'd be great, if you'd be kind enough to do so. And I would like to be able to call this back into the court as an EGM meeting an emergency application. I'd like you maybe now if you,

11:35 OK, I can't do anything over the phone I'm afraid.

11:39 Yes, but can you put me onto the court manager?

11:41 I don't have the power.

11:41 Can you put me onto the court manager.

11:42 we don't have one, they don't have the power for that.

11:44 The Clark?

11:45 Oh, they don't have the power for that.

11:48 The Clark.

11:48 Everything. Everything has to be submitted in writing to the court.

11:51 Yes, I can. I can accept that everything has to be submitted

11:54 but if I come to the court today year, or I come to the court tomorrow with my evidence that I've been set up by the judges in this court. In your courthouse. Yes. And that they understand the laws from the case number that I just gave you from 2006 that no case can rely solely on hearsay evidence without first hand witnesses. I requested the witnesses, I'm right. I shouldn't be riding a nine-year curfew if they didn't have enough for a criminal conviction in the beginning and to arrest me. Yeah. They shouldn't have. They shouldn't have given me nine years otherwise now on top of the nine years that I'm riding yeah. That I'm supposed to be riding, I'm not, I, I've, I understand that a standalone Asbo is not supposed to be a form of punishment, but I understand that I've got a 10 o'clock curfew and a curfew is used, people get that for early release from prison.

12:41 Yeah. Early release from prison. It's a form of punishment. So how if they involve a stand, uh, uh, a curfew inside of a standalone Asbo if they didn't have enough for a criminal conviction and to follow after with a CBO Asbo. Yeah, I'm very upset with that. I'm being held in my house every day and I've got lots of other government members now. I've had another possession order put on me since then after that possession Order I have had an injunction order put on me then another injunction order and then another injunction order and all my neighbours attack me in my house continuously because to cover up the missing signatures I was phoning up all of the 999 call centres saying to them that you're missing your signatures and you're missing all this stuff. Then I was recording all the conversations, the minutes to the meetings cause you your, your, your, your servant for the full fall for the queen now and you're being paid a wage.

13:29 So this is classed as a meeting so I am aloud to take the recordings of these meetings in a digital format, I can give you the case number. So, I'm recording all these conversations and, and transcribed them up afterwards. You know, I made over a hundred phone calls to the court um, to the police station explaining to them about their missing signatures and about and requesting all the MG, all of the Crown prosecution **2011** files. I requested everything correctly and they've just they have just, they started to spread that I had a disease in the public to scare me out of the country. And, and I've never had nothing wrong with me. I've got all my medical notes and everything there to prove this, to cover up this case, now that I'm talking to you about, they, they use a use, my partner and me and my partner have never argued.
14:11 She's not my partner no longer, but we never ever, ever argued throughout all of this happening. So, we've still got I've got emails of me and her talking till **2016** that we never argued. Yeah. And texts in my phone, I put into my report year, and we've never had it, me and her have never had a dispute. Then Sally Gilchrist, the head of the Metropolitan Police legal executive who was dealing with all of my cases and all the paperwork. She come to all your court, all the court cases. She, she started spreading all this stuff about my personal data and they've tried to attempt to put an attempt to murder me. Yeah. It's more than hate crime. Yeah, it's, it's an issue. They've tried to, to do that. There's a breach of our personal data in the beginning and it was an attempt to cover up what's going on. In this case, this court has turned.
14:53 Ok.
14:53 This court has turned its phones off for how long.
14:56 Mr. Cordell.
14:56 Can we call this back into the court please?
14:59 Sorry, I can try and put you through, but there's no guarantee that I think that someone will answer pick up the phone
15:05 How long has these court numbers,
15:07 I accept that
15:08 We are very busy at the moment.
15:09 It's an emergency. Meeting,
15:11 We've only taken over the calls for Highbury, within the last six months.
15:15 Year because Highbury.
15:15 we deal with all the calls.
15:21 How long, Go on sorry.
15:21 We deal with all the courts for every magistrate court in London, so we've taken over their calls where we're an outsource call centre. We're not based in Highbury Magistrates Court. We're not based in any magistrate's court.
15:29 Because they turned their phone lines because I was phoning them about all of this and recording it in the beginning. I except that.
15:35 ok, So,.
15:35 So, now. I know that. Okay. Okay. Like I except that I can understand what you're saying. Thank you for explaining that to me.
15:40 So, what I'm advising, what I'm saying as well, what I'm advising you to do. If you want. Any application you have, any application you have to make to the court has to be made in my writing. That's the only that the best you have to go before the legal advisors. It's

not down to the court managers whether they can accept the hearing. They have to go before someone that is legally trained in the court.
15:57 I Except that this is how I use, I've got the contract that use lot have got now, because I was recording the conversations and over what I'm just explained to you and what they've done to me and my partner to cover all of this up and that why now they turned the phones off to the courtroom and now today I phoned for the first time in ages to check because I've been dealing with these other possession orders and an injunction orders that I have had overturned and I noticed it was back on. So, I'm thinking I'm going through to the court and that's why I've been a bit more so if I've been, if I've been more than what I was when your job's worth, I apologize to you for that.
16:29 So, what I will do if you can just hold the line for a second for me, please.
16:30 I will, I'll do that cause he just hold the line for me. I'll see if I can put you through, if I can't put you through, I'll come back to you. And as I said, I can't, I can't, visicley can't do anything, but you need to send something in writing to the court. If you want to go down to the court you can do. But you have to go down when the public councils open. but I can't, there is no guarantee that I can put you through to someone because they are very busy. Can you just hold the line for one second for me? You'll hear some music and I'll just see what's going on. Okay, thank you.
16:56 Thank you.
17:49 Right, thank you.
19:24 Hello.
19:25 Hello, Highbury Corner Court how can I help you.
19:25 Hello, can I just go through a case with you? So, may I ask who I' am speaking to?
19:30 Miss Mill's,
19:30 Miss Mill's I am the customer service.
19:31 How are you doing Ms. Mills? My name is Mr. Simon Cordell.
19:34 Hmm, Hmm.
19:36 and I have an issue with the court and a miscarriage of justice as the court is illegally detaining me in my house at present and it's an emergency. Matter, that I would like to be able to call back before the court, Hm, a load of police officers fraudulently built an application in Highbury and Islington Court and we'll out of it and brought, well presented it into Highbury and Islington Court. There were no witnesses that attended the court. And I've gone over the paperwork. It basically says is what it's basically says to the organization of illegal raves. I never got arrested for anything that was illegal. The maximum sentence if you did get arrested it would be six months, do three month's insides. Somehow, they put a standalone as Asbo against me, which is for non-criminal offense I went to court to defend myself against the claim, which was the organization of illegal raves. They couldn't prove illegality in the court, but somehow, I've ended up with a five-year curfew and two years for the injunction order, which is seven years plus. I've ridden a year for another case which I one, which is eight years of my life. I'm on curfew right now.
20:38 Have you emailed the court,
20:40 I've spoken to, I spoke to the court on numerous occasions in regard to it, but at the time the court,
20:45 so what was, what was you advised.
20:47 my advice, was at the time, we are just.
20:49 No, what was the deal? What was the advice given to you?

20:52 at the time was to go through to go through the appeal stages? So, I took it to wood green crown court, and I went through the approval stages, and we had 20 different dates in the crown court. I still never at the end of it all managed to actually have a trial in regard to my claims They just kept trying to say, oh, I'm going crazy. And I kept winning by the doctors and proving there was nothing wrong with me. What each police officer actually done is they, they pretended that um, say, you've got, say there was two parties on two roads that are half a mile away from each other. The police knew that one party was going on for six months prior. Now that, that that was one had been going on six months prior is opposite police No, opposite of a train station.
21:32 Now another party, got closed down in Essex and because it, I wasn't involved in none of this, I was in my house. Yeah. And that's the truth. Because the other party, got closed down in Essex, a police officer called Adrian combs, landed in the field, and spoke to the people and served them in abatement notice, which I have a copy of here now, which he says he served Chris lurcher Lewis. Yeah. And he owns Hippie Fest Party, which I'm being accused for now. Straight after that, the police, this police officer, sent them Metropolitan Police to Chris lurchers profile and they took his profile out of it because his white and put mine in it and then they scribbled all over it. I'm a black boy on the block all in the application. Now I noticed year, that all of the 999 call all of the CAD calls the timestamps go backwards and forwards for it.
22:19 So I know noticed that um, they, they're all for progress way. So, because they are all for progress way, which is this, which is the other party to where the boy moved to. So now what the police done is they took all the crown road parties and put them into the folder and redacted most of the crown road name out of there and pretended that they were progress way, so they made up the 999 calls for this other building and used another party that was going on that day, but they forgot to take out the x 2 y locations. And on some of the pages they forgot to take out crown road. Now when I asked, when asked under oath if they're sure that every party in that folder is actually progress way, they swear under oath in your court in that courthouse. Now I've got the transcripts here that approve that, but now I've done my homework. You can see they're all really crown road and there really was no calls to progress way, which they've sent me up. Now they have each done four statements each and at the bottom of their statements. Therefore, therefore the members of the public that are supposed to be kept up overnight, that's what this is all about. None of them have put their statements, their signature at the bottom of them. So, there's each four police.
23:23 Hello, can I. Hello Mr. Cordell. I know that you are explaining to me and I'm working in the customer service department, right? What you're telling me, um, what is it you exactly want that I can transfer you.
23:32 I need.
23:32 Because I've got quite a few calls coming through
23:36 I need to be able to get back, I'm illegally being detained in my house right now. Supposed to ride another two and a half years illegally being detained in my house. I like to call an emergency application back into the court, a Stationary Declaration of notice.
23:48 well you need to email us with that. Um, you, have you got our email address.
23:53 I've, I've w I've got an email for the court.
23:57 Yeah. have you got the new, the new one the London north mc@justice.gov.UK?
24:04 London north.
24:04 Because, we changed up our email address.

24:07 Yeah, because now all the phone numbers because I was making lots of recordings.
24:10 Let me finish.
24:11 Yeah, because a lot of it has changed up now. So, what I'll give you is the new email address.
24:19 I have got that already. I just got it on Google just now
24:22 London North MC @justice.gov.uk.
24:27 Ok. I have got that already. but can I not have.
24:27 Hold on, hold on because what I'm trying to explain to you is that we. because we don't do thing over the phone now, thing have all change up. So, what you just told me, so you could just put it in an email,
24:40 Can I not just come into the courthouse itself.
24:41 No, it's not like that. Everything's all changed up now.
24:46 I got an official report here, which is thousands of pages and I can't send that to yourselves.
24:50 Yes but I know, but you need to do it
24:50 Yes but I know, but you need to do it, before you come up, we cannot deal with anything because everything is done by appointments. So, this is what I'm trying to explain to you.
24:59 Yeah, I am listening to you.
24:59 If he can just, if you just email and everything what you just said to me.
25:04 Yeah.
25:04 Okay. Put a contact telephone number.
25:07 ok. because we did not contact you by telephone. We will respond to your, um, email address. Okay. But you just have to bear with us throughout because we are a bit shorter staff. It's coming up to the summer holidays. I know that shouldn't be a problem. You know, it shouldn't be a problem.
25:23 I'm illegally detained in my house and I can't go out because of the police officers that have set me up for this.
25:30 I know. I hear you; I hear you.
25:30 Yeah, I followed them up and I'd been making phone calls.
25:32 Mr. Cordell.
25:32 May, I say something to you madam, I know you've listened to a lot. Yeah. Madam and I appreciate your time so far and I know you are an important lady and that you need to help a lot of other people. But in true in all truth, I was speaking to the court's making recordings and they turned off their whole phones to the whole court just to avoid this case. Yeah, now, they've just been turned back on. That's why the court phones got turned off. I've got hundreds of recordings explaining this and going through the, I've got formal complaints in regards to,
25:58 I do understand.
25:59 they say that I'm a, white person in the paperwork? It says that I'm a white people. White females or males committed the crime. I'm an IR3 black 3.
25:59
26:07 Yes, but hold on. Hello Mr. Cordell, I know that your frustrated and that you want to get your point across, but unfortunately what you're requesting, I don't deal with it, where customers,
26:19 Can I speak to the Clark manager?

26:21 Yeah, but that's what I'm saying there all in court now it's half past two.
26:24 It's an emergency. Matter it a tier one level offence.
26:26 We do not deal with things like that.
26:26 Year, but there is corruption within your offices.
26:30 There's is corruption within there and it's an emergency application. If, if I'm telling you that I'm illegally being detained, I can prove that right now.
26:36 Hello, Mr. Cordell are you going to listen to me?
26:38 Yeah.
26:40 To get you sorted and to help your situation. I do not want to give you false information.
26:44 Yeah, and I respect that.
26:44 and when you come here or say anything, it's not going to be dealt with they need to look through your paperwork, discuss it and take it from there. They might have to have an appointment and its down to them whether or not if you have an appointment or they class this as an emergency. You need to do everything by email. Everything has changed from the last time you've come here or attended court. This is the procedures and that's why I'm trouble.
27:11 How long does it take for the, what is the, um, the response time for an email served to the court. What is the mandatory time frame?
27:18 its normally between, Seven, seven days. But as I said to you earlier, Ron.
27:24 there is a hold back.
27:24 put on router, a rotter on emails is coming up to this time of the year. Now people are taking their annual leave. Okay. So, it's a little bit, a little bit short of staff. So, it might be a little bit longer, but I feel outside the ICU, send that email to us and puts at the top bit, wait for subject, puts it as emergency stroke urgent, Alright.
27:49 Okay.
27:50 And send it to the court I know I'm giving you all the information that that liable to you.
27:53 I understand
27:55 Okay.
27:56 Thanks for everything.
27:57 put it in your email.
27:59 Okay.
27:59 And then we take it from there.
28:01 Okay. Well, thank you for your time today.
28:03 Thank you. Take care and enjoy your day.
28:08 Right. Okay.

2 **Enfield Council 1st Injunction Order:** Witness Statement of **John Irving** **Dated 28 July 2017** / Said to have gotten Served 09/08/**2017**. – "**Page 1** I, Mr. John Irving, of 117 Burncroft Avenue, Enfield, EN3 7JQ (Leaseholder) make this statement believing it to be true and understand that it may be placed before court. Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to tie best of my knowledge. **I WILL SAY AS FOLLOWS** I am the landlord of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. The flat is located just above the Defendant's. The Property is currently let to Mr. Mathiyalagan and it is being occupied by him, wife and his children. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment **Page 2** and alarm to me, my tenants and other residents on Burncroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply. **Background 3.** In the evening of **12 July 2017,** I met with one of the Council's in-house legal surveyors, Mr. Neville Gray with regards to an ongoing low water pressure issue. Mr. Gray attended my property (**Flat 117**) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful. **4.** At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr. Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since **27 December 2016**. Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure. **5.** The Defendant lives in Flat 109 and in conjunction with his mother/mediator, was contacted by Mr. Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasing agitated by the raised voices and approaches towards Mr. Gray. I could **Page 3** see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr. Gray called for the police to attend. **6.** I wish to add that on a previous visit to the property on **26 January 2017**, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: you will not solve the problem as I am restricting their water supply'. This was mentioned to me in front of an independent witness, a plumber who was attending with me. and alarm to me, my tenants and other residents on Bumcroft Avenue, Enfield, EN3 7JQ. The application also seeks access to the Defendant's Property to enable the Claimant to carry out checks on the Defendant's water pipes which are possibly affecting my tenant's water pressure and supply.

Background

3. In the evening of **12 July 2017,** I met with one of the Council's in-house legal surveyors, Mr. Neville Gray with regards to an ongoing low water pressure issue. Mr. Gray attended my property (Flat 117) at 11am on the day and agreed that the water pressure was not adequate. An attempt was made to gain access to the two flats immediately below, including the Defendant's but this was unsuccessful.

4. At approximately 17.00 hrs the same day I was contacted by the managing agent informing me that there was now no water at the flat. I contacted Mr. Gray and we both decided to attend the Property out of hours. I arrived at the flat to discover that water had been totally cut off for approx. 30 minutes, but surprisingly shortly after our arrival a supply was resumed and with good pressure. This despite the fact that low pressure had been a continual problem since **27 December 2016.** Thames Water and plumbers have attended my property on at least 5 occasions but could not find a reason for the low pressure.

5. The Defendant lives in Flat 109 and in conjunction with his mother/mediator, was contacted by Mr. Neville Gray with the intention of inspecting his flat. However, this was declined by the Defendant. Although I was inside the block, (on the landing), I watched the discussion from the open window. It was obvious the Defendant was becoming increasing agitated by the raised voices and approaches towards Mr. Gray. I could

see that he was not comfortable with the situation, and he backed off. He seemed to be very vocal with an aggressive manner, which was intimidating; at this point Mr. Gray called for the police to attend.

6. I wish to add that on a previous visit to the property on **26 January 2017**, to resolve the low water pressure, the Defendant had informed me that he was restricting the supply and stated: you will not solve the problem as I am restricting their water supply'. This was mentioned to me in front of an independent witness, a plumber who was attending with me. As I was leaving my Property, I saw the Defendant in the communal hallway and asked whether he could reinstate the water pressure to my tenant's property, however he responded by saying I cannot do anything at the moment I will sort it out later. Yes, I am dealing with on behalf of my son have been from the start. So, if everything can be done via this email, I would be grateful. I will look at the attached document today, but do believe you have had contact with Martin Jerkins and he confirms that the Police officer did not say about any tools or Mr. Cordell going around doing odd jobs on that call. Good morning,
You are correct, I am to re-investigate the matter. I look forward to working with you to bring this matter to a satisfactory conclusion. Early in December I wrote to Mr. Cordell though received no reply. I wrote to him again in early January though again received no reply. If you're dealing with this matter on his behalf then that explains it. Am I to assume I'm to communicate with you going forward?
I've attached the letter I sent to Mr. Cordell. I'd appreciate it if you could respond to my request at your earliest convenience. Any questions please do ask.

Stain has now banged on the kitchen wall for weeks at a time with intent of victimising me on a full 24-hour assault in collaboration with the other named in the address of 113 and 117!
A full investigation is supposed to take place within the first stages of my complaints once the Enfield Councils and the Enfield Homes got put in receipt of the emergency issues, I claim about but they keep on failing me!
There is also the issue of the lack of security due to old and in Modern-fitted main communal external door system's, so as living tenant to be able to see who comes in and out of the building, the locking system is faded on the buttons and any person can make out the entry code not having a security front door causes problems with security for the block of flats this issue and the Mould on the walls and ceilings me unneeded stress inclusive of the heating and sound issues I have raised with them!

I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing Intimidation, harassment to me and other residents.

BACKGROUND

. The problem with the Defendant started a few months after we moved into the property, after the Defendant approached me asking me to write a letter of support in relation to a problem, he was having with the lady that used to live at Flat 113 Bumcroft Avenue. I refused to write the letter and told the Defendant that I do not want to get involved as I did not have any problems with the lady. Since then, the Defendant has made living in this block difficult for me and my family. He has been very aggressive to my family and I and has continuously intimidated, threatened and harassed my wife, cousin and me.

. The Defendant have repeatedly accused us of making noise inside our flat even though our flat is situated two floors above his and the person living directly below us have never complained to us about noise. He has shouted abuse at us, damaged our properties and aggressively demanded money from me. My family and I are constantly living in fear and my wife are frightened to stay at home and has had to accompany me to work on several occasions and stayed in the car with our young daughter until I finish work.

. The Defendant has slashed my car tyres, damaged my fuse box and has physically threatened to hit me with a piece of wood. He has a big dog that he brings out with him without a lead when he approaches us, and he has used the dog to intimidate us. He also allows the dog to bark and run freely inside the communal hallway and staircase without a lead. I have reported

was happening, the Defendant went back into his flat. We then called the police, they attended, and we explained what happened. The police then went and knocked on the Defendant's door, but he refused to let them in.

19. On **28th June 2017 at 11:45am,** the Defendant confronted my wife outside the main entrance door as she was going to pick up our daughter from school and demanded to talk to her. My wife told him that she cannot stop to speak with him as she was on her way to collect her daughter from school, but the Defendant ran after my wife, stood in front of her and started to shout at her. The Defendant told my wife that he knows all our personal details including our full names, date of birth and bank details. The Defendant demanded that we should pay him some money and that my wife should tell me to come and talk to him. The Defendant also accused my wife of making noises inside our flat.

20. On **30th June 2017 at 11:45am**, the Defendant confronted my wife as she was leaving the block to go and pick up our daughter from school and accused her of slamming the door. My wife denied slamming the door and the Defendant called her a liar and proceeded to swear and shout abuse at her.

21. On **2nd July 2017 at 5:18pm,** my family and I was going out to visit some friends and as we were about to exit the block, the Defendant popped his head out of his front door and asked me when I was going to hand over the money to him. I told him that I was not going to give him any money and that he should go and work so that he could earn some money. As we left the block, the Defendant came running after us and was shouting abuse and swearing at me and said to me that I should pay him some money if I want him to leave me and my family alone. The Defendant also said to me that he has all our personal details including phone numbers, date of birth

and bank details and that I must pay him to have them back. I told him that I will not pay him and to do whatever he likes with the details.

22. The constant verbal abuse, swearing, intimidation and aggressive behaviour from the Defendant towards my family and I have made it difficult for us to live in our own home. The fear of not knowing when we will be confronted with vile and aggressive behaviour as my wife and I go out or return to our home has caused us severe stress and anxiety. My wife is afraid of leaving our flat on her own due to fear that the Defendant will confront and shout abuse at her. We are having to tip-toe inside our flat for fear of being accused of making noise even though we live two floors above the Defendant. The Defendant has caused us immense hardship by vandalising my property and although I cannot prove it, I am certain that the Defendant was responsible for slashing my car tyres, damaging my meter cupboard and removing my electricity fuse several times and restricting water flow to my flat, Also, I no longer park my car outside my block in Bumcroft Avenue because of the car being vandalized. I now park a few streets away, about ten or fifteen minutes from my home instead of outside my block which is about a minute from my flat. I do not see why we should have to live this way.

28. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

29. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

30. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the

Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

31. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

32. On **6th August 2016,** the Defendant threatened and shouted abuse at Mr. and Mr. Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

33. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a

screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

34. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

36. On **11th November 2016,** my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

37. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant

aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

38. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

39. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

40. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

41. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

42. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

43. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

44. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. 45. On **2nd July 2017,** Mr. Mathiyalagan reported that the Defendant confronted him with his dog barking and without a lead as he was going out with his family at

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

46. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

47. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

48. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

50. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block

of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

51. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

52. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

53. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and

would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

O. The Defendant is in breach of the following conditions of his tenancy agreement;

P. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. 8. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

9. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

10. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived Burncroft Avenue in temporary accommodation provided Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr. Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts. **H.** **28/11/2016:** Copy of the letter sent to Mr. Cordell giving him Until to remove the CCTV he installed on the internal communal door attached.

I visited Mr. Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response.

Dear Jamie Newman,

Thank you for the below email.

I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr. Cordell was spoken to by the police officer, Mr. Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr. Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it was confirmed the police officer did in fact have a note book, Mr. Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr. Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong. and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr. Cordell asked for an inspector to be called due to what the police officer had said to the

insurance company. Mr. Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the vane, all it would have took was for the inspector to check the van at that time, he would have then seen something was really wrong as there was no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me please let me know.

Good morning,
You are correct, I am to re-investigate the matter. I look forward to working with you to bring this matter to a satisfactory conclusion. Early in December I wrote to Mr. Cordell though received no reply. I wrote to him again in early January though again received no reply. If you're dealing with this matter on his behalf then that explains it. Am I to assume I'm to communicate with you going forward?

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

And taking complaints from people on the 3rd floor saying the issue is within Mr. Cordell's flat when it is not and they know it. Dear Mr Cordell,

Re: Allegations of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

I wrote to you on 29th November 2016 regarding these reports and invited you to meet with me at the Civic Centre on 6th December 2016 to discuss the allegations made against you, copy attached. I received a letter from your mother dated 24th November 2016 in which she stated that she does not believe that it is justified to hold the meeting before your formal complaint and subject access request is dealt with. I understand these have now been dealt with.

The Enfield Council, Community Safety Unit, Anti-Social Behaviour Team have continued to receive various allegations from your neighbours against you concerning alleged nuisance and anti-social behaviour towards them. The allegations include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation, making threats towards your neighbours and tampering with the electricity and water supply to their flat.

These are very serious breach of tenancy conditions and it is very important that we meet with you to discuss these allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield, EN1 3XY at 2pm on Thursday, 9th February

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up. .

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

Hello Ms. Cordell,

Thank you very much for your email, the content of which is very illustrative. I can confirm I have made contact with Mr. Jenkins and can also confirm according to Mr. Jenkin's recollection the officer did not mention their being tools in Simon's van. Regarding the officer's notebook, as you're aware the officer did make use of one on the day in question, of course its content will form part of my investigation. Going forward, I note that in their appeal findings the IPCC made direct reference to a transcript in your possession concerning a phone call between Broadsure Direct and KGM. Can you please send me a copy?

Dear Jamie Newman,
Thank you for the below email.
I believe you have spoken to Martin Jenkins and he has confirmed with you that when Mr. Cordell was spoken to by the police officer, Mr. Cordell used his phone to call Martin Jenkins and Martin Jenkins confirmed he told the police officer Mr. Cordell was insured to drive, and also the police officer never said anything about any tools to him on that phone call. I also made calls that day as my son also called me what was going on. I have asked many times to see a copy of the police officer note book, as until I saw the report from Jeanette Reilly, and it

was confirmed the police officer did in fact have a note book, Mr. Cordell always said he took notes but the police officer even said in court he never and it was only the ticket he had used that day. The reason for asking for a copy is due to the fact of the name my son give and it is stated in his note book a name was given, then it seemed to change to Mr. Cordell saying he was homeless, but the police officer would have done checks of the name given, which I believe the note book proves my son give his correct name as there was no reason for him not to have done as he never done anything wrong. and this would have been confirmed when the police officer done his police checks. There is also one other issue and that is when Mr. Cordell asked for an inspector to be called due to what the police officer had said to the insurance company. Mr. Cordell was telling the inspector that the police officer had lied to his insurance company about tools being in the vane, all it would have taken was for the inspector to check the van at that time, he would have then seen something was really wrong as there were no tools and would have seen this, and this could have been addressed there and then without the need for my son to have been arrested. If there is anything you need for me, please let me know.
Regards
Lorraine Cordell

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

The council officers told me not to enter my bedroom because of the hazardous damp and mushrooms growing on the walls and on my bed linen and on the mattress, I don't know what I will do next how am I going to replace all of this property of mine this is unfair and not my fault!

If I can get this back today, I would be most grateful, as it has been asked for before. Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbors have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health, which is being caused by his neighbors and Enfield Council doing nothing I feel my son is only being setup due to issues and the color of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this."

Dear LEMMY NWABUISI
I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

1. Complaint from A on date and Tim**e:** Body of complaint from A.
2828,
2. Complaint from B on date and Tim**e:** Body of complaint from B.
3. Complaint from C on date and tim**e:** Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and failed to supply any other information. If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the

neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health, which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Lorraine Cordell

Dear Gary Quan
It is not a PNC check I want I all information that the police hold on me whenever the police have had contract
with me, which has been a lot. A PNC check will only show limited information as to if I was changed and found guilty, any NFA's, and found not guilty. I want a lot more data than that as I want everything that the police hold on me. Which I believe is your department that deals with this. I will also be putting in a request to ACRO but that will be on top of the request I have asked in my application to you. If you look at the application the data I want is listed right after that on page number 1 and 2 that data is not a PNC check, I do understand it is a large amount of data I am asking for as I want everything the police hold on me across all systems.

Thank you for your email, I had a look at your application form, it looks like a PNC (Police National Computer) Check is better suited to deal with the information you're looking for. This is done through ACRO. You can apply for one online on their website www.acro.police.uk.

Dear Ms. Cordell,
Thank you for your email.
I will put the complaints in the format you have requested and emailed same to you by Friday **10 February 2017** and a copy will be sent to Mr. Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr. Cordell. In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr. Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr. Cordell to refrain from doing this? He should contact his neighbourhood officer, the Anti-Social Behaviour Team, or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Dear Sarah Fletcher
After Mr. Cordell got the hand delivered letter yesterday, he called the out of hour's team. Miss GACCEY Ref no T1484282 Who told him they were going out last night to him. Which they did and confirmed that the low water pressure is not coming from his flat, Mr. Cordell also has low water pressure and a full report was made up last night by the out of hours team. I will also say in the last 3-week Mr. Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr. Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr. Cordell's flat. I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr. Cordell when the problem is not within his flat. And taking complaints from people on the 3rd floor saying the issue is within Mr. Cordell's flat when it is not and they know it. This needs to stop and Enfield council needs to address what is going on here. The neighbours are not leaving Mr. Cordell alone. It seems as if Enfield Council is fast enough to blame Mr. Cordell for everything that is going on and I believe this is due to a number of issues including the colour of Mr. Cordell skin. I am still waiting for the Subject access request also I will also be replying to Mr. LEMMY NWABUISI letter I got

Ticket number for today's call is 1775790/1 I spoke to a lady called Linda. Who confirmed this is not down to Mr. Cordell Flat that is causing the low water pressure? It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat. Yet you fail to notify us of this and it seems my son is still getting the blame. It also seems that Enfield Council sent M&N out to 117 to try and sort the low water pressure out and 117 refused access on the 03/02/**2017** and now M&N has closed down the job for Enfield Council. After getting an email today from LEMMY NWABUISI it seems he is not being updated, and the blame is still going toward my son. Why is Enfield Council not doing anything about this? Why does Enfield Council seem to be hiding the fact and not dealing with the issue?"

Dear Sarah Fletcher

I am writing this email as I had no reply to the below email. Today I have made a call to repairs to check what is going on with this low water pressure which 117 has put a complaint in regarding my son Mr. Cordell causing this. Ticket number for today's call is 1775790/1 I spoke to a lady called Linda. Who confirmed this is not down to Mr. Cordell Flat that is causing the low water pressure?

It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat. Yet you fail to notify us of this and it seems my son is still getting the blame. Dear Sarah Fletcher
After Mr. Cordell got the hand delivered letter yesterday, he called the out of hour's team. Miss GACCEY Ref no T1484282 Who told him they were going out last night to him. Which they did and confirmed that the low water pressure is not coming from his flat, Mr. Cordell also has low water pressure, and a full report was made up last night by the out of hours team. I will also say in the last 3-week Mr. Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr. Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr. Cordell's flat. I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr. Cordell when the problem is not within his flat. And taking complaints from people on the 3rd floor saying the issue is within Mr. Cordell's flat when it is not and they know it. This needs to stop and Enfield council needs to address what is going on here. The neighbours are not leaving Mr. Cordell alone. It seems as if Enfield Council is fast enough to blame Mr. and I believe this is due to a number of issues including the colour of Mr. Cordell skin.

Mr. Cordell has not been up to his neighbors at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son's flat) The other day also another neighbor got around 7 of his friends to come and intimidate, and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbors are stating in their

Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr. Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbors into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbors' complaints always get followed up instantly, I wonder why? Dear Ms. Cordell,
Thank you for your email.
I will put the complaints in the format you have requested and emailed same to you by Friday 10 February **2017** and a copy will be sent to Mr. Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr. Cordell. In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr. Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr. Cordell to refrain from doing this?
He should contact his neighbourhood officer, the Anti-Social Behaviour Team, or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

2. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

3. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

4. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was

fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

5. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. 6. On **6th August 2016,** the Defendant threatened and shouted abuse at Mr. and Mr. Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

7. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

8. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

9. On **28th September 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his door and threatened and shouted abuse and swear words at him and his wife. The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

10. On **11th November 2016,** my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

11. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the

neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

12. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

13. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats, and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby.

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

14. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

15. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and

neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

16. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

17. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

18. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. He said to her that he knows all her personal details and that of her husband including their full names, date of birth, phone numbers and bank details. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

20. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

21. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

22. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

23. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

24. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the

council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

25. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

26. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

27. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

v. The Defendant is in breach of the following conditions of his tenancy agreement;

w. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. 30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

11. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

12. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

13. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

16 Enfield Council 2nd Injunction Order Indexed: Received on the 25/06/**2018** / LEMMY NWABUISI Email Steve Stirk Council surveyor - "**From:** Steve Stick. **Sent:** 10 May **2017** / 08:42. **To:** LEMMY NWABUISI. **Subject:** 109, BURNCROFT AVENUE ENFIELD, EN3 7JQ. Further to my conversation today please note the following, I carried out a joint with Sarah back in January regarding low water pressure to 117 While on location the following was noted: - Kitchen internal wall has been partly removed. 3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door. While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters. This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from 117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant. It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get

into any form of conversation with this tenant given that two members of staff were present and the confrontational attitude towards not only us but the other resident, I believe we need to action this event to try and stop any further escalation from this tenant. Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs Steve Stirk, Maintenance Surveyor, Technical Services, Repairs and Maintenance Enfield Council Edmonton Centre N9 0TN. **Tel:** 020 8375 8023 **Tel:** 0800 40 80 160 **Email:** steve-stirkpgofietd.Eov.uk. **Web:** www.enfield.gov.uk. LEMMY NWABUISI
From: Steve Stick.
Sent: 10 May 2017 / 08:42
To: LEMMY NWABUISI
Subject: 109, BURNCROFT AVENUE ENFIELD, EN3 7JQ
Further to my conversation today please note the following,
I carried out a joint with Sarah back in January regarding low water pressure to 117 While on location the following was noted
Kitchen internal wall has been partly removed
3 large industrial type printers found with assorted inks and cleaning liquids Internal gate installed to front door
While all these items could be used in normal day to day interests the tenant made claims he was actively involved in planning and conduction events and the equipment was used to produce marketing leaflets and posters.
This Monday we has reason to attend 113 to carry out a full lock change given accusation from the tenant that his lock had been glued so was unable to gain access the tenant claim the damaged was caused by 109, (this cannot be confirmed) as the tenant did not attend both Sarah and myself did go in and while there was confronted by the tenant from 109, the tenant for about twenty minutes would not leave us alone and became increasingly aggressive despite attempt to explain to him that we had not come to see him or indeed were able to comment of any of his accusations on how Enfield had ruin his lie were putting him in danger by leaving him in his flat, during this confrontation the tenant from

117 passed through the passage and the tenant from 109 stated he was going to ruin his life and generally became more irate towards the tenant.
It is clear that we are unable to allow this to continue as the body posture from 117 was defensive and did not wish to reply or get into any form of conversation with this tenant Given that two members of staff were present and the confrontational attitude towards not only us but the other resident I believe we need to action this event to try and stop any further escalation from this tenant
Lastly I would recommend that we need full access to 109 to assess what is the true cause of the low water pressure to the flats above given the items found in the flat as well these need to be removed as does the internal gate please advise so I can carry out a full inspection as this is a complaint from the lease holder as they have very little water flow in the flat above and given the nature of the conditions and life style of 109 we are unable to show if he has caused the issue, on a housing point the internal wall that has been partly removed needs to be put back as it is a breach of fire regs

I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if

there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block. I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response."

Please see attached notes of interview - The complainant is really frightened for his family - Mr. Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts **H.** **28/11/2016:** Copy of the letter sent to Mr. Cordell giving him Until to remove the CCTV he installed on the internal communal door attached. **I.** **25/11/2016** Copy of the letter sent to Mr. Cordell giving him Until to remove the CCTV he installed on the internal communal door attached. **J.** **06/12/ 2016: 06/12/2016:** Copy of the letter sent to Mr. Cordell giving him Until to remove the CCTV he installed on the internal communal door attached. **K.**

I visited Mr. Mathiyalagan at 117 Burncroft Avenue today to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole fiat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them, we not complained of noise and that he will be the one that will be affected if there are excessive notices from his flat'. He also stated that he has asked the man if they are causing noise disturbances and he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response.

Mr. Cordell has not been up to his neighbors at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. We will be asking for evidence which substantiates your allegations as to what the neighbors are stating in their complaints. As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr. Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaints have been addressed by the police. In fact, my son has put a lot of complaints about his neighbors into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbors' complaints always get followed up instantly, I wonder why? Dear Ms. Cordell,
Thank you for your email.
I will put the complaints in the format you have requested and emailed same to you by Friday 10 February **2017** and a copy will be sent to Mr. Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr. Cordell. In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr. Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr. Cordell to refrain from doing this?
He should contact his neighbourhood officer, the Anti-Social Behaviour Team, or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Dear LEMMY NWABUISI
Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 me son Mr. Cordell's door knocked he was not expecting anyone, but went and shouted who was it without opening his door. the male replied I am from the council about

the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for. He does know which neighbour the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number. Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to me?
2868,
son's door and say they were the council?
This is getting way too much now and Enfield Council needs to do something about it before my son gets hurt. My son is lucky he does not open the door to people and calls before opening his door to see who it is, and does not go outside his flat as I feel something would have already happened to him. And yes, we are keeping full history of what has been ongoing.

with, but we are still waiting for the data.
2870,
I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.
Could you please forward me a list of dates and times these complaints were put in, and list them in an order?
like this so we know if more complaints have been put in by one person.

1. Complaint from A on date and Time: Body of complaint from A.
2. Complaint from B on date and Time: Body of complaint from B.
3. Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and
failed to supply any other information.
If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health, which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Dear LEMMY NWABUISI
Thank you for the reply to my email and I look forward to getting the information by the 10/02/**2017**, I know that **Dionne Grant** is now dealing with the subject access request as Concetta who was dealing with it has had to
take some leave. Mr. Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate, and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints. As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints?
Due to the complaints and how they have been set out this should be a matter for the police and my son
should have been arrested.

We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there? It is not Mr. Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get

Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr. Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there? It is not Mr. Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get

Perpetrator has been harassing complainant for a while in relation to alleged noise nuisance. Yesterday evening the perpetrator was banging on the ceiling (the complainant lives above perpetrator) and then came upstairs and tried to kick the door in. He was very aggressive, shouting through the door. He then went outside, dragged the complainant's motorcycle from its parking space and started smashing it up. The police were called and the perpetrator was arrested.

I met with Mr. Quinton today at the Civic Centre to discuss his complaints against Mr. Simon Cordell. Mr. Quinton stated that the problems started soon after he moved into the block in **April 2016**. He stated that soon after he moved into his flat, he went around to SC's flat to introduce himself. After he introduced himself, SC said to him that there is some kind of war going on between him and other neighbours. SC also told him that he's got a load of issues with the police and that he was trying to

sue them because he felt that they were treating him unfairly. He told SC that he was a musician and that he does not want anything to do with his issues.
Straight after he moved in, SC will come up to his flat at least once a week to shout at him and complain about loud banging from his flat and knocking pipes. SC would accuse him of making noise on purpose to wind him up and he will always explain to him that it is not true, that he does not make any banging noises inside his flat and that he cannot explain why the pipes were making knocking noises.
Mr. Quinton stated that on 0**4/10/2016,** he was sleeping when SC started to bang on his ceiling, but he ignored him. SC then came up and started kicking at his door and he still

ignored him. SC then went downstairs, dragged Mr. Quinton's motorbike from where he parked it, threw it on the ground and started to hit it with what he believed to be a mop pole, he is not sure how many times he hit it. He then called the police and they came and took him away, **CAD No. 3309/4 Oct. 2016.**

On **11/12/2016,** SC came up to his flat 3 times to shout abuse and complain about noise from his flat.

Mr. Quinton explained that the first time, he was running a bath when SC came and knocked on the door to complain about knocking pipes. He did not open the door and he shouted abuse at him and his friends and called them homophobic names. He later came back again to bang on his door and shout further abuse. He also made threatened him and his exact words are 'I'm off curfew in 12 days, when I'm, I am coming for you', he shouted further abuse and walked off. Mr. Quinton stated that he is not sure why he came back the second time, but he assumed that it was because of the pipes again. He later came back again the third time and this time he opened the door because he has had enough. SC complained about noise from his flat and he told him that he was not making any noise. SC then went on to tell him that he has been away for a long time and that his family was coming to look after his dog. He asked SC if he knew anything about his bike and SC replied 'You know what, I'm a grown man I'm not goanna lie, it was me that smashed your bike and I was gutted that the stick broke and I couldn't smash it up more'. He then asked SC about his tyres which was punctured with a knife and he denied cutting them. He then explained to SC that the knocking pipes has nothing to do with him and that he does not bang or make deliberate noise and he advised SC to play his music over the noise if it happens again as there is nothing he can do about the pipes and the noise as it is the nature of the building. SC said cool, fair enough and walked off and as he walked off, he turned around and gave him a dirty look.

About a week later, 2 of his friends left his flat and a short while later he heard SC running out of the front door. Soon after one of his friends called and told him that they have just had a confrontation with SC in the street. His friend informed him that SC ran up to them in the street and confronted his friend Jazz about the knocking pipe noises from his flat. Jazz told SC that it has nothing to do with him. SC then head-butted Jazz and as Jazz fell on the floor, SC jumped on top of him and started to punch him. His other friend Jevon who was with Jazz at the time pulled SC off Jazz and held him until 2 Turkish men came and separated them.

Mr. Quinton stated that the police did not contact him to update him on what action was taken against SC regarding his smashed bike. He stated that he has recording of SC admitting to smashing up his bike and played the recording to me. Although it was very faint, but you could make out what sounded like SC talking about smashing the bike. He stated that he wants to sue SC for criminal damage, he also wants to take out a restraining order against him and possibly an injunction.

He stated that his friends Simon Cocks (07393285528), Julian Jackson (07387277163) and Jazz Bramble (07375651241) are willing to provide witness statements and will attend court to give evidence on his behalf. He also wants us to find out why what action the police took regarding his smashed bike.

08/02/2017:

I did an announced visit to Mr. Quinton at 113 Burncroft Avenue following recent email from Mr. Cordell concerning noise disturbances from the flat as a result of wooden flooring but there was no response. I then telephoned Mr. Quinton and left a voice message for him.

07/03/2017: 27/07/2017:

I telephoned Mr. Quinton for updates on any recent incidents, and he stated that there has been none as he has been staying at his flat. He stated that he has been staying with friends and family and only goes back to his fiat to check his letters.
He stated that he will give a witness statement and will attend court if required to do so.

I interviewed the Complainant. He reported that the issues have been ongoing for about 18 months (He, his wife and daughter have lived at Burncroft Avenue in temporary accommodation provided by Waltham Forest DC for 2.5yrs). Please see attached notes of interview - The complainant is really frightened for his family - Mr. Cordell is very aggressive and has previously kicked him in the nose/face and threatened to hit him with a piece of wood; his wife is so scared that she accompanies him to work and waits in the car with their daughter for his shifts.

DIRECTIONS ORDER

06/02/2017 :08/02/2017:
I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:
Telephone call from Mr. Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:
I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.
By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:
Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.
08/05/2017:
Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

Dear Ms. Cordell,
Thank you for your email.

We have made enquiries with the Repairs Team and our contractors and they have advised that they did not send a contractor to 109 Burncroft Avenue this morning. We do not know who knocked on Mr. Cordell's door and I can confirm that no Council official went to his flat at 8am this morning. Could you please provide the vehicle registration number to enable us to take up the matter with the police to try and identify who this person is.
I have also attached an anti-social behaviour incident diary for Mr. Cordell to log any further incidences of noise disturbances and anti-social behaviour from his neighbours. He should please return completed logs to me by 23 February **2017**. You also mentioned that you are keeping a full history of what has been going on, could you please forward a copy to me so that I can investigate accordingly.

Dear LEMMY NWABUISI
Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr. Cordell's door knocked he was not expecting anyone but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for.
He does know which neighbour the person was talking to as I do. But at this time, he feels too unsafe to give the person's door number.

Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to my son's door and say they were the council?
This is getting way too much now, and Enfield Council needs to do something about it before my son gets hurt.
54,
My son is lucky he does not open the door to people and calls before opening his door to see who it is and does not go outside his flat as I feel something would have already happened to him.
And yes, we are keeping full history of what has been ongoing.
Regards
Lorraine Cordell

Dear LEMMY NWABUISI
Thank you for the reply to my email and I look forward to getting the information by the 10/02/**2017**, I know that **Dionne Grant** is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave.
Mr. Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure. (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate and harass my son for no apparent reason. We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints. As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested. Mr. Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations. We just need to see if any of the other complaint has been addressed by the police. In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son. Is anything ever going to be done or does he need to live being tormented, intimidate, and harassed by the neighbours with nothing being done by Enfield Council every day he lives there? It is not Mr. Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Dear Ms. Cordell,
Thank you for your email.
I will put the complaints in the format you have requested and emailed same to you by Friday 10 February **2017** and a copy will be sent to Mr. Cordell's address. I will also schedule another appointment as we need to discuss these allegations with Mr. Cordell.
In the meant time, we are continuing to receive reports from the residents of 117 Burncroft Avenue that Mr. Cordell is coming up to their front door to shout abuse and threaten them. Could you please ask Mr. Cordell to refrain from doing this. He should contact his neighbourhood officer, the Anti-Social Behaviour Team, or the Enfield Council noise team if he has any complaints about noise disturbances or any other type of anti-social behaviour against his neighbours instead of confronting them. If the behaviour persists then the council will have no option but to take out an injunction against him to stop him from harassing his neighbours.

Dear LEMMY NWABUISI
I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.
Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

1. Complaint from A on date and Time: Body of complaint from A.
2. Complaint from B on date and Time: Body of complaint from B.
3. Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply.
56,
any other information.
If I can get this back today, I would be most grateful, as it has been asked for before.
Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the
neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.
As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health, which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago.
We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.
Regards
Lorraine Cordell

Dear Ms. Cordell,
Thank you for your email.
We have made enquiries with the Repairs Team and our contractors and they have advised that they did not send a contractor to 109 Burncroft Avenue this morning. We do not know who knocked on Mr. Cordell's door and I can confirm that no Council official went to his flat at 8am this morning. Could you please provide the vehicle registration number to enable us to take up the matter with the police to try and identify who this person is.
I have also attached an anti-social behaviour incident diary for Mr. Cordell to log any further incidences of noise disturbances and anti-social behaviour from his neighbours. He should please return completed logs to me by 23 February **2017**. You also mentioned that you are keeping a full history of what has been going on, could you please forward a copy to me so that I can investigate accordingly.
Kind Regards

[SEC=OFFICIAL]
Dear LEMMY NWABUISI
Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr. Cordell's door knocked he was not expecting anyone, but went and shouted who was it without opening his door. the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for.
He does know which neighbour the person was talking to as I do. But at this time he feels too unsafe to give the person's door number.
Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to my son's door and say they were the council?

DIRECTIONS ORDER

28. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

29. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

30. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

31. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in

s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

33. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

34. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

and his wife. The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

37. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

38. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

39. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

40. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

41. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

42. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

43. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

44. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

46. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

47. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

48. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water

pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

49. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

50. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

51. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The

neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

52. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

53. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

CC. The Defendant is in breach of the following conditions of his tenancy agreement;

DD. **Condition 10** - "You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social."

II. **Condition 53 -** "You must keep the inside of the property, the fixtures and fittings and glass in the property in good repair during the tenancy"

I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. January 2017 inviting him for a meeting on **9th February 2017, 16th February 2017** for a meeting on **22 February 2016** and **16th March 2017** for a meeting on **22nd March 2017**. These letters are exhibited at pages 63-70 of the exhibit bundle.

30.1 have enquired with the Mental Health Team whether the Defendant is currently known to the team and was informed that he is no longer under their care.

14. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

15. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

16. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Dear LEMMY NWABUISI
I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data. I have asked for the dates these complaints were put in and yet have had nothing about the dates and times. Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

1. Complaint from A on date and Time: Body of complaint from A.
2. Complaint from B on date and Time: Body of complaint from B.
3. Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints, and
failed to supply any other information.

If I can get this back today, I would be most grateful, as it has been asked for before. Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer. As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health, which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago. We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.
Regards
Lorraine Cordell

"Dear LEMMY NWABUISI, I was wondering if you will still be sending the information I have asked for re the dates and times and body of complaint today as you said you would? I do need this as I have had the subject access request today, I am going over this in detail but the dates and times of each complaint is not clearly marked and it seems there is some really incorrect information that does need addressing. I am also having some problems so it may take me a while to go over some of this and get back to you as I am using my mobile, as today I was meant to have been having my ceiling replaced and when they started to take my old ceiling down, it seems it could be asbestos so they have had to shut off the whole of my down stairs off. so, I won't have access to my main computer with all my files on, until they come and confirm or not, they are due around today just not sure what time. and if it is confirmed not sure what I will be able to do as it is the weekend now and I will not access to downstairs which could be a problem as that's where my bathroom and kitchen is. But I really want to get this all listed and need the information from you to be able to do this. a friend said they can loan me a laptop if it is confirmed as asbestos or maybe there will be a way to get my computer out as not sure if I will be able to stay here. If you can get back to me as soon as possible with the information I would be most grateful. Regards."

He alleged that the previous day on **4/10/16,** Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. He alleged that Simon then went downstairs dragged his motorbike from where he parked it and started smashing it up. He then called the police. He also stated that Mr. Cordell had previously slashed his motorbike tyres with a knife, that he did not report it as he did not see him do it.
3. On 31st October **2016** telephone call received from another resident on behalf of **Complainant C**. He alleged that **Complainant C**'s neighbour, Simon was using threatening, abusive and insulting words towards **Complainant C**. Stain Curtis (responsible)
Mathiyalagan (Responsible)
All-Day and All-Night!
The Enfield Homes and the Enfield Council staff let the tenants of 113 - 117 and 111 Continue to victimize me by-: --
Stain knocked on my letter box and woke me up again this Morning, when he is leaving his premises, like a person playing the game called knock down ginger!
Then the Loud and aggressive banging in the bathroom got worse and this got achieved by the new tent of 113 and the **original** tents of 117 slamming objects on to their floors with evil intent of criminal actions!
At the night time Stain played with his front door locks to try and scare me again!
The occupiers of 117 the Mathiyalagan family and also Stain Curtis off 111 Burncroft Avenue continue to Slamming the water tap on and off, and now with George Quinton also involved I continue to document their Hate Crime towards me and report it to the relevant persons without any fair process of support and this is causing damage to my health and the buildings fixtures at an unacceptable rate!
Jumping on the floor above me when I am studying
They all mentioned in the addresses of 113 and 117 Burncroft Avenue keep Dropping articles on to their own wooden flooring to make loud banging noises!
Stain banged on the kitchen wall again with intent of victimising me on a full 24-hour assaults!
117 keep slamming their own living room, window continually opened and closed like to explain a person making competitive beats out aloud!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

When I first moved into this property and never understood the problems of disrepair, I was contempt and therefore happy while I enjoy the enjoyment out of the rented premises but since I noticed the issues, I raise of concern to the Enfield Council in Enfield homes correct departments and received no correct follow-ups I feel further if satisfied and disheartened in believing that the problems will ever get a dress in their responses time!

1 MP3: To 999 Call Centre / Talks of **ASBO** – "**Outgoing call. Metropolitan police recording introduction**: -- **Police Officer:** hello police how can I help. **Simon:** hello someone needs to stay on the phone to me and keep talking to me because, I am going to end

up killing myself because of what these corrupt coppers are doing to me and I have got evidence in saying that I am correct in what I am saying, my name is Simon by the way. **Police Officer:** "muttering un auditable." **Simon:** and I have been locked in my house for two and a half year's proof, trying to proof to the police that I am not a white person yes, that I am of mixed race and that I could not have committed the offence that they are setting me up for, yes and I am at a stage I can't take it, they keep avoiding disciplinary action by pro longing the case in knowing that I cannot put a complaint in against them and that no one will deal with anything. **Simon:** I have put article six's in yes and now Jane Johnson who is supposed to be intendent has been transferred to, somebody needs to do some think about this case, I have been phoning you lot up for so long just asking to get one descent police officer to oversee Steve Elsmore work and see the applicant's case that he has put against me and no one will do it, it is not fair I should not be held hostage in my house. **Simon:** this is making me suicidal. **Police Officer:** you are being held hostage in your house. **Simon:** yes I am being held hostage under section 63, which is to do with outdoors, under the crime and disorder act 1994, which is to do without door events and all the incidents that I am in question for are for indoors and I was not even involved in them, for the organisation of illegal raves, I was not even found guilty at the court and my name has been tarnished in the newspapers, they have now pulled it out of the Metropolitan police website, it is not fair these police officers sat around a table and made false information reports, they do not have 101 police note books for none of the incidents that I am in trouble for, they have not signed none of their 101 book's I am freaking out. **Simon:** and I am recording ever conversation that we all have, I have recorded about 20 I have so many, and I have got loads and loads of tapes, yes and I have got all of the court transcripts proving that I am right and that I was not found guilty, I got the court submissions proving that I was not found guilty right. **Simon:** someone needs to do some think I have got video tapes of cops coming into my house which shows that they are endangering my life and that all my neighbors are banging at me because of the information that the metropolitan police put into their website, this is not fair somebody needs to take this police officers Stevens Elmore's work of him and over see it and stop hold me hostage in my house it's incorrect madam I know that you might this might not be your problem but you represent the Metropolitan police force even as a civilian a civil person you are still representing them and this is why I am having this conversation with yourself. **Police Officer:** so, it, it Burncroft Avenue that you live in then. **Simon:** yes, madam that is correct it is Burncroft Avenue that I live. **Police Officer:** and who do you live there with. **Simon:** on my own. **Simon:** I am sitting here. **Police Officer:** and what is your name. **Simon:** my name, my name is Mr. Simon Cordell some body can't leave these police officers running around dealing with other people's lives and I am here clearly proving that they are corrupt, they sit down together and made the information reports and back dated the created dates so that the whole lot of them went back other one year, I can check and every Urn number goes up numerically in order for one day when they were all logged into the police computers when they done it, then they created the Cad numbers and I can prove all the CADS were made and then they made the witness statements and the witness statement are not even real to their address, I could go to all the address alongside wood grove avenue right now and knock on all the doors and no one would tell me that they put any witness statements in to the police. **Police Officer:** err. **Simon:** I should not be in my house I shouldn't feel like this when all it would take, I have heard that Jane Johnson was the supper intendent and she is supposed to see all of the police officers in Edmonton police station and now I believe that she was as corrupt as the police officers that she instructed to make the application and that is why her signature is at the bottom of all the pages and that is why she has not done any think over one hundred and forty days that I have been screaming that I am right and now she has been transferred. **Simon:** I believe that now there is a Colin Anderson and I want him to oversee

the case because he is new and independent and he does not have anything to do with the application and all he has to do is look at the officer's work and he could clearly see that I am correct and that these officers should face disciplinary action and I should not have to wait another one hundred and twenty days and if I go to court in another one hundred and twenty days what happens when another one of them coppers says oh I got the toilet problem or he is ill again and he cannot attended court what is that another six months of my life again till I can get another court date they have been putting this off for long enough long enough avoiding disciplinary action and I am suicidal because of what they are doing to me and it is my right under article three of my human rights no police officer or state official should degrade me or make me feel humiliated even vesicle or Mental health. **Police Officer:** "silence." **Simon:** I am correct in what I am saying madam. **Simon:** and I really need a good police officers help right now. **Police Officer:** if you are suicidal, do you need an ambulance. **Simon:** no, I do not need an ambulance what I need I feel depressed because I am being held captive, what I need is a police officer to oversee Steve Elermore's case and to make sure that the application being brought against me is within the jurisdictions and constraints of the laws, for the people you represent which I am one of those people which helps pay your moorages, you lot are here for us the people not for yourselves, you lot work for us. **Police Officer:** "muttering." **Simon:** and I am telling you that one of your coppers that work for me is corrupt and I am giving you evidence. **Police Officer:** and if you do not leave your house, what do you do sir what do you do for a living. **Simon:** I was in the entertainment industry hire in sound equipment to lock to lock festival to Enfield Town Festival to kids with cerebral palsy I was doing Durant's park festival Enfield town festival I was also managing my community hall down the road plus I had the keys to club juice night club plus I had the keys to a few other place I was a valid member of my community and I was networking with the homeless and people in poverty at the same time exactly how Glastonbury and the rest of the festivals were created from people who were stuck in poverty. **Police Officer:** "muttering." **Simon:** Madam, and right now I am not allowed to hire any sound equipment to anybody or even hire any equipment to anybody even for a house party. **Simon:** in your house madam you have the maximum extent to your human rights the only law in our own houses that stops us for playing any entertainment to anybody else is under the licensing act 2003 is if you make profit with an intention of making a profit in your own home so I do not understand how no one has talked about profit in over a thousand pages that have been wrote to destroy my life, yes so how is it illegal if there is nothing in the licensing act that says that and under section 63 says it is omitted in it that in open air only in public only unless trespass has taken place I have never been arrested for trespass not even one of the police officers even talk about trespass in the application let alone profit the laws that they are supposed to be representing they did not even build the application under them grounds correctly I am being held captive by law and imposed with conditions that should have never been imposed on me. **Police Officer:** ok. **Simon:** someone needs to oversee this I am not asking for an ambulance I am asking for you to get one of these police officers and to oversee all of the corruption I have handed to different article six's in and I have handed them in at occasions at the court with all of the corruption clearly printed out and I have also made three or four complaints in through this process such as yourselves just the standard police complaints process and nobody wants to pay attention to what is correct to the reason that you all signed up and that was to help people and to do right by people. **Simon:** I understand that when being a police officer sometimes it might be hard when you all signed up because you feel like a whistle blower, grassing up on your other colleges but you are not you have got to remember why everybody is there. **Police Officer:** I am just having a look at that now. **Police Officer:** well, what where you accused of. **Simon:** I was accused of the organisation of illegal raves yes and it states illegal madam **Simon:** I am sorry if I seem a bit abrupt, I do not ever mean to be rude

or disrespectful to you as a person I just want to put that clear yes. **Police Officer:** ok. **Simon:** I do not have a problem with ever police officer I have been in trouble in my life and I have always had good relationships with the ground force no matter what trouble I get myself into but these police officers crossed the line here and they forgot what they really signed up for and I am a man that is standing for my rights right now yes. **Simon:** I was arrested for the organisation of illegal raves No sorry I was never arrested, I have not even been arrested, I do not have no similar previous convections of any similar sort yes and it says the organisation of illegal raves. **Simon:** if it states illegal and it is a criminal act under the section 63, I should have been arrested. **Simon:** I have never been arrested I don't even previous similar convictions. **Simon:** and as an **Asbo** there is two to four sorts of **ASBO'S** a county order a standalone **Asbo** order or a **CBO** Asbo order which is a an **Asbo** on conviction for criminal convictions they never put the **CBO** on me like they should of they put a standalone **Asbo** on me which is for civil proceedings but named it the organisation of illegal raves they should have just said the organisation of raves because when they put illegal into it, it means that the DPS and Cps now have a say in what is being said. **Police Officer:** **"Muttering you are dead."** **Simon:** and they are not following the correct protocols. **Simon:** yes, the whole case is upside down from the beginning of the go yes. **Police Officer:** but where the raves legal. **Simon:** pardon. **Simon:** no, no, no they are not "rave's" they are house parties they are house parties and if you go Google. **Police Officer:** and how many people were at this house party. **Simon:** yes, and if you go to Google, if any place is a place of residence madam yes. **Police Officer:** hum. **Simon:** like this is the law yes, if any place is a place of residence or you live in it or I live in it or a squatter or any other person is living in it you have the maximum level of your freedom of rights within your own house, if I choose to swear in my own house and a police officer comes in he cannot arrest me for swearing, all he can do is leave my house because I am aloud to swear in my own house, but In public he can arrest me for a civil matter or a breach of the peace, now, it is the same with the music we are allowed to play music in our own houses or any place or residence the only time that we are not a loud to play music in our own houses is when we are outside in public which is what section 63 says in open air yes these are places of homes and because of that what the police have to do to prove that they are illegal they have to prove any think is prove that profit has been made under the licensing act 2003 under appendix four, we are allowed to play music in our back gardens and in our houses that is it that is the law about it. **Police Officer:** only up till eleven o clock. **Simon:** no until any time that we want madam. **Police Officer:** no. **Simon:** since 2007, since 2007, no sorry since **2013** since January **2013** the 7th they put new laws into place, which say that they are de restricting the licensing act and what they mean by that is from 8 am till 11 pm there is no noise pollution limits no more decibel reading limits you're a loud to do plays and theatres and that outside and you don't really have to apply for temporary events notice any more. **Police Officer:** ha, ha. **Simon:** unless the police decide impose these conditions on you. **Simon:** I know for fact in your own home there is no noise limit all that can cause you a problem in your own home is if you continually do it over a consecutive period of time. **Simon:** what you have to do in your own home is run a company. **Simon:** in Face book ever person I n m y account says friend, that's what it says friends because they are all my friends. **Simon:** let's be real about this. **Police Officer:** how many friends do you have on Face book. **Simon:** how many friends have I got on Face book. **Simon:** what I am actually in trouble for yes this is straight yes, what I am actually in trouble for is that in **2013** I had a friend birthday party in Bianca Road yes, now and this was legal for me to do so because I got arrested the police came to my house and arrested me over a gazebo they took my passport off me and told me that I am not allowed to leave the country yes, for one year yes, told me, what they also did to me I had to sign on at the police station every day I had to be in my house on curfew from 8 0clock

£1000 pounds in surety, barred from central London after that case, I won my case yes, I proved my innocents yes, but what the police done was come a shoved an **Asbo** application outside of my house for the period of time that I was on my curfew accusing me of being seven of my friends companies Every Decibel matters he is his own company at company house you can go and check it at company house right now, go to Google and write Every Decibel Matters and I have got a letter of Every Decibel Matters director saying that I was not hired on these dates, they tried these Metropolitan police tried to turn me into a super grass and make me grass all of my friends for stuff for when I was on curfew yes, I am not in trouble for any think that I have really done wrong, yes I am in trouble for being seven other people, four of them I do not even know who they are but the other three I do no and are my good friends. **Police Officer:** Right. **Police Officer:** so how is this affecting your life I cannot even go on to an industrial estate right now. **Simon:** because I want to go I have been accused section 63 is for outdoor events only I got the transcripts here I got the transcripts of the court from trial I wasn't found guilty because I went there and explained to the judge that section 63 is for outdoor events only and all these are incidents I am being accused of are indoors, yes I didn't do any think wrong to cause alarm harm or distress while indoors yes and that is a fact yes the judge knew that I was right, yes, so she said I got it in the transcripts well I cannot find you guilty under the applicant's case but what I am giving you an **Asbo** for is because you had nitrous oxide in the car in **2013**, I was like you could not even prove that it was nitrous in the bottles yes I was like if you ever listen to all of these transcripts of these, police saying that we copied and pasted all of the information out of the police national computer, I learnt over Steven kings shoulder and I copied and pasted his statements without him knowing, it is all in the transcripts, there copying each other's statements and stuff and it's in the transcripts and that it's a joke. **Simon:** these ANCE between a charity because if I own am CHALOT are destroyed and I am trying to walk away from it and let me live my life and let them walk and still have their careers, they do not want their careers, they want to try and kill me other civil proceedings something I can't even go to prison for, If I was a copper, I would never risk my career over some think like civil proceedings over another person. 15;54 **Police Officer:** but how is it affecting you, what is happening right now I am not allowed to go out, I am not a loud to go onto an industrial estate after ten 0ccloc I can't even go on to a Mac Donald's a 24 hour Mac Donald's after ten 0clock because it is an industry estate I am not a loud to give a friend an amp because I seem to be liable or prosecutable for their my friends actions I should not be I am liable for my own actions not for friends actions, I should not have to have a charity as it seems to have been said in the newspapers to be a loud to do what is legal right in the beginning yes they are saying that there is a difference between a limited company and difference between a charity because if I own a limited company I am not a loud to do what is legal but if I own a charity I am a loud to do what is legal and they wrote that in the newspapers that is a joke what is the difference it is up to me. wherever I own a limited company or not charity they cannot force me about what I am a loud to do with what is legal from one to the other. **Police Officer:** yes, so how did it come a bout that it was raves. **Simon:** how did it. **Police Officer:** how many people were in attendance. **Simon:** it does not matter how many people are inside. **Police Officer:** yes, it does matter. **Police Officer:** what do you agree about these questions. **Simon:** madam I never being disrespectful what I am explaining to you yes is that I know the law, that I represent even if I am mixed race. **Police Officer:** why is it that every time I ask you a question you do not answerer it? **Simon:** what has been said to be a one of them at the most is 200 people at progress way that is what is said to be at the most yes but the building its self that the occupiers were occupying under section 144 LASPO can hold up to 6000 people now for as long as there are no licensed bars inside that place and there is only music being played to our friends, I would be a loud 6000 people in that building and there is not any think that the cops

can do. **Police Officer:** who owns the building. **Simon:** you are not even aloud to put a section 63 on a dispersal order on a person's home. **Police Officer:** who owns it low. **Simon:** who owns the building, whoever owns that building while it is under a section 144 LASPO while whoever is entitled to it. **Simon:** I was not involved. **Police Officer:** "mutter." **Simon:** Madam I am being had a go at for being every decibel matters and other names at no point it Too Smooth the company that I own been accused of anything other than running legitimate activities for the community I ant in trouble I was not there I was on curfew I might have attended for five minutes outside of the gates and said hello to my friends. Do you know what is even worse when the police officers were making the applicants case yes they blocked when you look at your police computers recording all of the information when you make yes when you are inputting a 999 call yes for Met CCC I know how it goes first, first you put recorded by ordinary or third party or whatever then they blocked all locations, LTTN locations and blocked everything else out, but the idiots forgot to block out the grid reference numbers out, now when we was in trial at the magistrates they got asked under oath are they shore that every incident here is progress way, they swear under oath because I have got it in the transcripts that ever incident is progress way when we were making the development now when you show them grid numbers it shows different locations all across the county, I could not have been in a hundred places at the same time these cops set me up now if you go to one of the main 999 call the first thing that the 999 caller that the 999 callers says is that I can see people entering a building and there all white males and females now the police officers go there and surround the building and they go into the building write every person's name down put it all in the police computer and then into my bundle so that it is all in my bundle every person's name that was really there, they hold them there hostage in their own place of occupation for eleven hours and when I turn up there on the eighth hour outside of the gates I do not even manage to get in there into the premises because it is all surrounded because the police have got the white people that they are referring to inside of the building and they have listed their names I get arrested outside I get taken to the police station and I don't even get booked in and get held captive for hours and then finally realised that is a joke they had them their hostage for eight hours and the 999 call saying it was all white people eight hours before I even got there and they forgot to block these silly things out of the applications case when they were building it, they have gave me the evidence to kill them. **Police Officer:** right Simon I am going to go now. **Simon:** so, what actual, why are you, go to were, this is what I would to do. **Police Officer:** I have got to take emergency calls that is what I am here for. **Simon:** I respect that do you know that I respect that yes, but like am I wrong in anything that I have explained to you, because you have challenged me with a few things yes right. **Police Officer:** yes, but you do not answer the questions you talk about these places being owned by people, their own for the time you are in it. **Simon:** there house parties do you know how many houses, I am in trouble for. **Police Officer:** there is not a house that can hold 6000 people so it is not a house, is it? **Simon:** it is a place of residence. **Police Officer:** yes. **Police Officer:** yes, but whose residence. **Simon:** it's a place of residence, you listen to this you may not like marmite but that don't mean that you can go and nick every one that does like marmite. **Simon:** the law is the law and if it is not writing down that it is a law that you are breaking and this ant, you lot cannot make up your own laws and your own thighs because you do not like something. **Simon:** and if it says that there is no limit to the amongst of people that you are a loud in your house party then there is no limit, that is it, just because you lot do not like it do mean you can. **Police Officer:** it doesn't have to be a house low does its **Simon:** no, it does not it has to be a place of residence madam a place of residence or fixed a bow. **Police Officer:** "mutter" what like a. **Simon:** it does not matter as long as it is a place of residence a fixed a bow were somebody is living and you can send your mail, you lot are happy as long as you have an occupier and he is living homeless

some were and you want to put bail conditions on him you are happy to bail them to that address quick another, you would bail them to a squat quick another or bail them to a place like that as quick as you could. **Police Officer:** "Silence no mutter." **Simon:** what they usually do is fixed a bow. **Police Officer:** "Mutter-what they usually do is fixed a bow." **Simon:** no, they do not if they give their door number and address, they get bailed to the door number and address if they want to be cockeye and give no field a bow to yourselves that is what you will write down but if they are smart and give you an address you will put that address down because that is what they have told you and that is their place of residence. **Police Officer:** yes, but we will go to that place to do the bail inquiry. **Simon:** yes, but as long as they are living there, there is no issues because they are illegally aloud to do so. **Police Officer:** that is correct they are. **Simon:** yes, see so there is no issue. **Police Officer:** but that is not what we are talking about we are talking about raves. **Simon:** no, we are not talking about raves we are talking about private house party's madam. **Simon:** private house parties. **Police Officer:** ok then. **Simon:** Simon I am sorry but I cannot continue this with you any longer. **Police Officer:** yes, but what I would like to know can Colin Anderson now who has taken over Jane Johnsons place oversee Steve Elsmore work. **Police Officer:** "Silence" **Police Officer:** officers are going to come and see you and have a chat with you. **Simon:** who is what today, coming to my house today. **Police Officer:** yes, yes. **Simon:** and that is one hundred presents yes. **Police Officer:** yes, I am sending officers to you. **Simon:** what is your name Madam. **Police Officer:** my name is Catherin. **Simon:** thank you Catharine I hope that you have a good day Catherin madam I am sorry if I have given you more than your jobs worth, I apologise. **Police Officer:** all right then thanks good bye. **Simon:** Good bye. **Police Officer:** bye."

Outgoing call

Metropolitan police recording introduction: --

Police Officer: hello police how can I help

Simon: hello someone needs to stay on the phone to me and keep talking to me because, I am going to end up killing myself because of what these corrupt coppers are doing to me and I have got evidence in saying that I am correct in what I am saying, my name is Simon by the way.

Police Officer: "muttering un auditable"

Simon: and I have been locked in my house for two and a half year's proof, trying to proof to the police that I am not a white person yes, that I am of mixed race and that I could not have committed the offence that they are setting me up for, yes and I am at a stage I can't take it, they keep avoiding disciplinary action by pro longing the case in knowing that I cannot put a complaint in against them and that no one will deal with anything

Simon: I have put article six's in yes and now Jane Johnson who is supposed to be intendent has been **transfer**red to, somebody needs to do some think about this case, I have been phoning you lot up for so long just asking to get one descent police officer to oversee Steve Elsmore work and see the applicant's case that he has put against me, and no one will do it, it is not fair I should not be held hostage in my house
Simon: this is making me suicidal.
Police Officer: you are being held hostage in your house.
Simon: yes I am being held hostage under section 63, which is to do with outdoors, under the crime and disorder act 1994, which is to do without door events and all the incidents that I am in question for are for indoors and I was not even involved in them, for the organisation of illegal raves, I was not even found guilty at the court and my name has been tarnished in the newspapers, they have now pulled it out of the Metropolitan police website, it is not fair these police officers sat around a table and made false information reports, they do not have 101 police note books for none of the incidents that I am in trouble for, they have not signed none of their 101 book's I am freaking out
Simon: and I am recording ever conversation that we all have, I have recorded about 20 I have so many, and I have got loads and loads of tapes, yes and I have got all of the court transcripts proving that I am right and that I was not found guilty, I got the court submissions proving that I was not found guilty right.
Simon: someone needs to do some think I have got video tapes of cops coming into my house which shows that they are endangering my life and that all my neighbours are banging at me because of the information that the metropolitan police put into their website, this is not fair somebody needs to take this police officers Stevens Elmore's work of him and over see it and stop hold me hostage in my house it's incorrect madam I know that you might this might not be your problem but you represent the Metropolitan police force even as a civilian a civil person you are still representing them and this is why I am having this conversation with yourself
Police Officer: so, it, it Burncroft Avenue that you live in then.
Simon: yes, madam that is correct it is Burncroft Avenue that I live.
Police Officer: and who do you live there with
Simon: on my own
Simon: I am sitting here.
Police Officer: and what is your name.
Simon: my name, my name is Mr. Simon Cordell some body can't leave these police officers running around dealing with other people's lives and I am here clearly proving that they are corrupt, they sit down together and made the information reports and back dated the created dates so that the whole lot of them went back other one year, I can check and every Urn number goes up numerically in order for one day when they were all logged into the police computers when they done it, then they created the Cad numbers and I can prove all the CADS were made and then they made the witness statements and the witness statement are not even real to their address, I could go to all the address alongside wood grove avenue right now and knock on all the doors and no one would tell me that they put any witness statements in to the police
Police Officer: err.
Simon: I should not be in my house I shouldn't feel like this when all it would take, I have heard that Jane Johnson was the supper intendent and she is supposed to see all of the police officers in Edmonton police station and now I believe that she was as corrupt as the police officers that she instructed to make the application and that is why her signature is at the bottom of all the pages and that is why she has not done any think over one hundred and forty days that I have been screaming that I am right and now she has been **transfer**red

Simon: I believe that now there is a Colin Anderson and I want him to oversee the case because he is new and independent and he does not have anything to do with the application and all he has to do is look at the officer's work and he could clearly see that I am correct and that these officers should face disciplinary action and I should not have to wait another one hundred and twenty days and if I go to court in another one hundred and twenty days what happens when another one of them coppers says oh I got the toilet problem or he is ill again and he cannot attended court what is that another six months of my life again till I can get another court date they have been putting this off for long enough long enough avoiding disciplinary action and I am suicidal because of what they are doing to me and it is my right under article three of my human rights no police officer or state official should degrade me or make me feel humiliated even vesicle or Mental health
Police Officer: "silence"
Simon: I am correct in what I am saying madam.
Simon: and I really need a good police officers help right now.
Police Officer: if you are suicidal, do you need an ambulance.
Simon: no, I do not need an ambulance what I need I feel depressed because I am being held captive, what I need is a police officer to oversee Steve Elermore's case and to make sure that the application being brought against me is within the jurisdictions and constraints of the laws, for the people you represent which I am one of those people which helps pay your moorages, you lot are here for us the people not for yourselves, you lot work for us
Police Officer: "muttering"
Simon: and I am telling you that one of your coppers that work for me is corrupt and I am giving you evidence.
Police Officer: and if you do not leave your house, what do you do sir what do you do for a living.
Simon: I was in the entertainment industry hire in sound equipment to lock to lock festival to Enfield Town Festival to kids with Cerebral palsy I was doing Durant's park festival Enfield town festival I was also managing my community hall down the road plus I had the keys to club juice night club plus I had the keys to a few other place I was a valid member of my community and I was networking with the homeless and people in poverty at the same time exactly how Glastonbury and the rest of the festivals were created from people who were stuck in poverty
Police Officer: "muttering"
Simon: madam and right now I am not allowed to hire any sound equipment to anybody or even hire any equipment to anybody even for a house party.
Simon: in your house madam you have the maximum extent to your human rights the only law in our own houses that stops us for playing any entertainment to anybody else is under the licensing act 2003 is if you make profit with an intention of making a profit in your own home so I do not understand how no one has talked about profit in over a thousand pages that have been wrote to destroy my life, yes so how is it illegal if there is nothing in the licensing act that says that and under section 63 says it is omitted in it that in open air only in public only unless trespass has taken place I have never been arrested for trespass not even one of the police officers even talk about trespass in the application let alone profit the laws that they are supposed to be representing they did not even build the application under them grounds correctly I am being held captive by law and imposed with conditions that should have never been imposed on me
Police Officer: ok
Simon: someone needs to oversee this I am not asking for an ambulance I am asking for you to get one of these police officers and to oversee all of the corruption I have handed to different article six's in and I have handed them in at occasions at the court with all of the

corruption clearly printed out and I have also made three or four complaints in through this process such as yourselves just the standard police complaints process and nobody wants to pay attention to what is correct to the reason that you all signed up and that was to help people and to do right by people
Simon: I understand that when being a police officer sometimes it might be hard when you all signed up because you feel like a whistle blower, grassing up on your other colleges but you are not you have got to remember why everybody is there?
Police Officer: I am just having a look at that now.
Police Officer: well, what where you accused of
Simon: I was accused of the organisation of illegal raves yes and it states illegal madam.
Simon: I am sorry if I seem a bit abrupt, I do not ever mean to be rude or disrespectful to you as a person I just want to put that clear yes.
Police Officer: ok
Simon: I do not have a problem with ever police officer I have been in trouble in my life, and I have always had good relationships with the ground force no matter what trouble I get myself into, but these police officers crossed the line here and they forgot what they really signed up for and I am a man that is standing for my rights right now yes
Simon: I was arrested for the organisation of illegal raves No sorry I was never arrested, I have not even been arrested, I do not have no similar previous convections of any similar sort yes and it says the organisation of illegal raves.
Simon: if it states illegal and it is a criminal act under the section 63, I should have been arrested.
Simon: I have never been arrested I don't even previous similar convictions.
Simon: and as an **Asbo** there is two to four sorts of ASBO'S a county order a standalone Asbo order or a **CBO** **Asbo** order which is a an **Asbo** on conviction for criminal convictions they never put the **CBO** on me like they should of they put a standalone Asbo on me which is for civil proceedings but named it the organisation of illegal raves they should have just said the organisation of raves because when they put illegal into it, it means that the **DPS** and **Cps** now have a say in what is being said
Police Officer: "**Muttering you are dead"**
Simon: and they are not following the correct protocols.
Simon: yes, the whole case is upside down from the beginning of the go yes.
Police Officer: but where the raves legal
Simon: pardon
Simon: no, no, no they are not "rave's" they are house parties they are house parties and if you go Google.
Police Officer: and how many people were at this house party.
Simon: yes, and if you go to Google, if any place is a place of residence madam yes.
Police Officer: hum
Simon: like this is the law yes, if any place is a place of residence or you live in it or I live in it or a squatter or any other person is living in it you have the maximum level of your freedom of rights within your own house, if I choose to swear in my own house and a police officer comes in he cannot arrest me for swearing, all he can do is leave my house because I am aloud to swear in my own house, but In public he can arrest me for a civil matter or a breach of the peace, now, it is the same with the music we are allowed to play music in our own houses or any place or residence the only time that we are not a loud to play music in our own houses is when we are outside in public which is what section 63 says in open air yes these are places of homes and because of that what the police have to do to prove that they are illegal they have to prove any think is prove that profit has been made under the

licensing act 2003 under appendix four, we are allowed to play music in our back gardens and in our houses that is it that is the law about it
Police Officer: only up till eleven o clock
Simon: no until any time that we want madam
Police Officer: no
Simon: since 2007, since 2007, no sorry since **2013** since January **2013** the 7th they put new laws into place, which say that they are de restricting the licensing act and what they mean by that is from 8 am till 11 pm there is no noise pollution limits no more decibel reading limits you're a loud to do plays and theatres and that outside and you don't really have to apply for temporary events notice any more
Police Officer: ha, ha
Simon: unless the police decide impose these conditions on you
Simon: I know for fact in your own home there is no noise limit all that can cause you a problem in your own home is if you continually do it over a consecutive period of time
Simon: what you have to do in your own home is run a company
Simon: in Face book ever person I n m y account says friend, that's what it says friends because they are all my friends
Simon: let's be real about this
Police Officer: how many friends do you have on Face book
Simon: how many friends have I got on Face book
Simon: what I am actually in trouble for yes this is straight yes, what I am actually in trouble for is that in **2013** I had a friend birthday party in Bianca Road yes, now and this was legal for me to do so because I got arrested the police came to my house and arrested me over a gazebo they took my passport off me and told me that I am not allowed to leave the country yes, for one year yes, told me, what they also did to me I had to sign on at the police station every day I had to be in my house on curfew from 8 0clock £1000 pounds in surety, barred from central London after that case, I won my case yes, I proved my innocents yes, but what the police done was come a shoved an **Asbo** application outside of my house for the period of time that I was on my curfew accusing me of being seven of my friends companies Every Decibel matters he is his own company at company house you can go and check it at company house right now, go to Google and write Every Decibel Matters and I have got a letter of Every Decibel Matters director saying that I was not hired on these dates, they tried these Metropolitan police tried to turn me into a super grass and make me grass all of my friends for stuff for when I was on curfew yes, I am not in trouble for any think that I have really done wrong, yes I am in trouble for being seven other people, four of them I do not even know who they are but the other three I do no and are my good friends
Police Officer: Right
Police Officer: so how is this affecting your life I cannot even go on to an industrial estate right now.
Simon: because I want to go I have been accused section 63 is for outdoor events only I got the transcripts here I got the transcripts of the court from trial I wasn't found guilty because I went there and explained to the judge that section 63 is for outdoor events only and all these are incidents I am being accused of are indoors, yes I didn't do any think wrong to cause alarm harm or distress while indoors yes and that is a fact yes the judge knew that I was right, yes, so she said I got it in the transcripts well I cannot find you guilty under the applicant's case but what I am giving you an **Asbo** for is because you had nitrous oxide in the car in **2013**, I was like you could not even prove that it was nitrous in the bottles yes I was like if you ever listen to all of these transcripts of these, police saying that we copied and pasted all of the information out of the police national computer, I learnt over Steven kings shoulder

and I copied and pasted his statements without him knowing, it is all in the transcripts, there copying each other's statements and stuff and it's in the transcripts and that it's a joke
Simon: these ANCE between a charity because if I own am CHALOT are destroyed and I am trying to walk away from it and let me live my life and let them walk and still have their careers, they do not want their careers, they want to try and kill me other civil proceedings something I can't even go to prison for, If I was a copper, I would never risk my career over some think like civil proceedings over another person.
15;54 **Police Officer:** but how is it affecting you, what is happening right now I am not allowed to go out, I am not a loud to go onto an industrial estate after ten 0ccloc I can't even go on to a Mac Donald's a 24 hour Mac Donald's after ten 0clock because it is an industry estate I am not a loud to give a friend an amp because I seem to be liable or prosecutable for their my friends actions I should not be I am liable for my own actions not for friends actions, I should not have to have a charity as it seems to have been said in the newspapers to be a loud to do what is legal right in the beginning yes they are saying that there is a difference between a limited company and difference between a charity because if I own a limited company I am not a loud to do what is legal but if I own a charity I am a loud to do what is legal and they wrote that in the newspapers that is a joke what is the difference it is up to me wherever I own a limited company or not charity they cannot force me about what I am a loud to do with what is legal from one to the other
Police Officer: yes, so how did it come a bout that it was raves.
Simon: how did it
Police Officer: how many people were in attendance.
Simon: it does not matter how many people are inside.
Police Officer: yes, it does matter.
Police Officer: what do you agree about these questions.
Simon: madam I never being disrespectful what I am explaining to you yes is that I know the law, that I represent even if I am mixed race.
Police Officer: why is it that every time I ask you a question you do not answerer it?
Simon: what has been said to be a one of them at the most is 200 people at progress way that is what is said to be at the most yes but the building its self that the occupiers were occupying under section 144 Lasbo can hold up to 6000 people now for as long as there is no licensed bars inside that place and there is only music being played to our friends I would be a loud 6000 people in that building and there is not any think that the cops can do
Police Officer: who owns the building.
Simon: you are not even aloud to put a section 63 on a dispersal order on a person's home.
Police Officer: who owns it low.
Simon: who owns the building, whoever owns that building while it is under a section 144 LAZBO while whoever is entitled to it.
Simon: I was not involved.
Police Officer: "mutter"
Simon: Madam I am being had a go at for being every decibel matters and other names at no point it Too Smooth the company that I own been accused of anything other than running legitimate activities for the community I ant in trouble I was not there I was on curfew I might have attended for five minutes outside of the gates and said hello to my friends.
Do you know what is even worse when the police officers were making the applicants case yes they blocked when you look at your police computers recording all of the information when you make yes when you are inputting a 999 call yes for Met CCC I know how it goes first, first you put recorded by ordinary or third party or whatever then they blocked all locations, LTTN locations and blocked everything else out, but the idiots forgot to block out the grid reference numbers out, now when we was in trial at the magistrates they got asked

under oath are they shore that every incident here is progress way, they swear under oath because I have got it in the transcripts that ever incident is progress way when we were making the development now when you show them grid numbers it shows different locations all across the county, I could not have been in a hundred places at the same time these cops set me up now if you go to one of the main 999 call the first thing that the 999 caller that the 999 callers says is that I can see people entering a building and there all white males and females now the police officers go there and surround the building and they go into the building write every person's name down put it all in the police computer and then into my bundle so that it is all in my bundle every person's name that was really there, they hold them there hostage in their own place of occupation for eleven hours and when I turn up there on the eighth hour outside of the gates I do not even manage to get in there into the premises because it is all surrounded because the police have got the white people that they are referring to inside of the building and they have listed their names I get arrested outside I get taken to the police station and I don't even get booked in and get held captive for hours and then finally realised that is a joke they had them their hostage for eight hours and the 999 call saying it was all white people eight hours before I even got there and they forgot to block these silly things out of the applications case when they were building it, they have gave me the evidence to kill them

Police Officer: right Simon I am going to go now

Simon: so, what actual, why are you, go to were, this is what I would to do

Police Officer: I have got to take emergency calls that is what I am here for

Simon: I respect that do you know that I respect that yes, but like am I wrong in anything that I have explained to you, because you have challenged me with a few things yes right

Police Officer: yes, but you do not answer the questions you talk about these places being owned by people, their own for the time you are in it

Simon: there house parties do you know how many houses, I am in trouble for

Police Officer: there is not a house that can hold 6000 people so it is not a house is it?

Simon: it is a place of residence

Police Officer: yes

Police Officer: yes, but whose residence

Simon: it's a place of residence, you listen to this you may not like marmite but that don't mean that you can go and nick every one that does like marmite

Simon: the law is the law and if it is not writing down that it is a law that you are breaking and this ant, you lot cannot make up your own laws and your own thighs because you do not like something

Simon: and if it says that there is no limit to the amongst of people that you are a loud in your house party then there is no limit, that is it, just because you lot do not like it do mean you can

Police Officer: it doesn't have to be a house low does it

Simon: no, it does not it has to be a place of residence madam a place of residence or fixed a bow

Police Officer: "mutter" what like a

Simon: it does not matter as long as it is a place of residence a fixed a bow were somebody is living and you can send your mail, you lot are happy as long as you have an occupier and he is living homeless some were and you want to put bail conditions on him you are happy to bail them to that address quick another, you would bail them to a squat quick another or bail them to a place like that as quick as you could

Police Officer: "Silence no mutter"

Simon: what they usually do is fixed a bow

Police Officer: "Mutter-what they usually do is fixed a bow"

Simon: no they do not if they give their door number and address they get bailed to the door number and address if they want to be cockeye and give no field a bow to yourselves that is what you will write down but if they are smart and give you an address you will put that address down because that is what they have told you and that is there place of residence
Police Officer: yes, but we will go to that place to do the bail inquiry
Simon: yes, but as long as they are living there, there is no issues because they are illegally aloud to do so
Police Officer: that is correct they are
Simon: yes, see so there is no issue
Police Officer: but that is not what we are talking about we are talking about raves
Simon: no, we are not talking about raves we are talking about private house party's madam
Simon: private house parties
Police Officer: ok then
Simon: Simon I am sorry but I cannot continue this with you any longer
Police Officer: yes, but what I would like to know can Colin Anderson now who has taken over Jane Johnsons place oversee Steve Elsmore work
Police Officer: "Silence"
Police Officer: officers are going to come and see you and have a chat with you
Simon: who is what today, coming to my house today
Police Officer: yes, yes
Simon: and that is one hundred presents yes
Police Officer: yes, I am sending officers to you
Simon: what is your name Madam
Police Officer: my name is Catherin
Simon: thank you Catharine I hope that you have a good day Catherin madam I am sorry if I have given you more than your jobs worth, I apologise
Police Officer: all right then thanks good bye
Simon: Good bye
Police Officer: bye

Waking me up by stamping above my head!
Loud and aggressive banging in the bathroom got worse and this got achieved by George Quinton and the Mathiyalagan family slamming objects on to their floors with evil intent of criminal actions!
Continually, repeating to flushing the toilet when I went into the bathroom, so to be sick in my toilet because they made me ill!
Dropping articles on to their own wooden flooring to make loud banging noises!
No one would stop them from abusing me!

It leaves me humiliated when any person visits my home and saw the damp issues with my rented property, I continue to have the same feeling when I want to speak in private in my home, as we have to whisper to keep our conversations private from the estate's other residents!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!
I stay calm even when I see the damage to my personal property that the damp is causing and this neglect breaks my heart in knowing that if the Enfield Council and Enfield homes where efficient within their timescales that I would not have to go through such sacrilege of my memorabilia and electrical belongings getting damaged even more than ever necessarily I am not sure what it is no re painful to me this all adds to the demotion of my health and the additional average daily routine stress unrightfully!

dealing with your case and you are not happy with the outcome of it. **Simon:** yes basically an officer, basically and the crown prosecution I have shown evidence continually showing the fact that I am being accused of an **Asbo** I have had an **Asbo** put against me I have proven that the **Asbo** was actually manufactured and fabricated in being made by all of the time stamps and that being incorrect, I ham being forced to trial I have handed in two article six's in I have loads of complaints I have been phoning up this number trying to speak to official people and civilians like I believe Jane Johnson was the superior of an Steve Elmore's who was the developer of the application and no one wants to oversee the case or take responsibility or take on the fact that I am not white like on the 999 call the actual person the actual person that made the 999 call he states that the people females and males were actually white in color and I am mixed race an ic3 and it is not hard for any police officer to pick up this case bundle and go to the page that I am referring to and see that I a m correct and not hold me captive any longer I have got now another hundred and twenty days till I can even get to a trial again I have been told I have been waiting one thousand and one hundred all ready. **Police Officer:** right ok. **Police Officer:** and what is it that you agree wanting me to try and do for you what is it then. **Simon:** I want somebody to oversee the Case I heard that there is a new Colin Andrews who has taken over Edmonton police station am I correct in believing that the superintendent now and that he should be able to oversee the conduct of any other police officer below his rank is that correct. **Police Officer:** I could not tell you who the super intendment was to be honest because I deal with the whole of London if you want to file a complaint about the officer's conduct then we can do that if you want. **Simon:** I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have already handed in article six's about showing that I cannot have a fair trial. **Simon:** I have done that bout the complaint keeps being suspended` every time I go to trial the case is being postponed because I have already handed in article six's about showing that I cannot have a fair trial so I am being forced to another trial in one hundred and twenty days again and when I get to that trial I am going to refuse to have a trial because I have handed in an article six showing corruption in the time stamps and the Urn's numbers and that they were continuously logging in one after the other and the created dates being changed I have shown evidence beyond reasonable doubt so I do not see why I should have to wait another one hundred and twenty days again for me to feel that I have to scream and shout article six to my human rights to be told that I cannot have another trial that it is going to be suspended for another six months again and this is what keeps happening I have been to court over ten times now so someone must be able to oversee this because I am clearly stating what is going to happen in a hundred and twenty days I am going to go to court and scream my article six to show that I am correct and write and they're going to supposed it for another six months again and this is my life that is going to waste because no one wants to act correctly within the constraints of the law that they represent. **Police Officer:** I mean whoever is the officer dealing with it I obviously get in contact with their line manage if you want me to do that well at the end of the day, we are subject to the crown prosecution services and what they decide but if you want me to cross this across the officer line manager then we can do that. **Simon:** well, who would the lie manager be for a Pc Steve Elsmore and a Jane Johnson herself? **Simon:** because Jane Jonson's signature is on it and so is Steve Elermore's as well as many other officers' signatures are on it. **Police Officer:** right, so Steve Elsmore, is one of them with a signature on there? **Simon:** well, yes, he is the developer of the application Jane Johnson instructed him to make an application and I was not even arrested for that and it states illegal. **Police Officer:** let's just start with this is Steve Elermore hum an Edmonton officer? **Simon:** yes, and he is the developer of the application. **Simon:** it is his logging on every page when he has been logging into the police nation computer and been manufacturing the evidence. **Simon:** the time stamps are wrong and I

have spoken to so many people and they have said that it is impossible for the time stamps to go backwards on cads, like you cannot have one cad at cad number 500, every hour the call center would most probably get over three hundred phone calls and that would work out to like one hundred and 50 calls for like every twenty minutes so you would know that if you have got a time stamp of 500 for instance if it is one hundred calls latter you should know that it should be at least twenty minutes after and not go backwards in time and that is what continually happens thought all of the CADS they go backward in time to each one. **Police Officer:** right, Steve Elermore's line manager is a person called Alan Steff. **Simon:** Alan Steff. **Police Officer:** yes. **Simon:** and who is Jane Johnsons line manager and can you tell me what department Jane Johnson has been transferred to please. **Police Officer:** I can tell you what she has listed herself as in reality she can be lots of different things. **Police Officer:** sorry, what was that a Jane Johnson. **Simon:** yes. **Police Officer:** is she going to be the same borough. **Simon:** yes, she was in the same borough I understand that she was supper intendent for Edmonton police station but I have been told that she has been transferred to Royal diplomatic protection but is there even a department called that. **Police Officer:** yes, and that is what she has come up as. **Simon:** she has come up as Royal diplomatic protection. **Police Officer:** yes. **Simon:** all right ok. **Simon:** and what is that department. **Police Officer:** parliamentary. **Simon:** parliamentary. **Police Officer:** yes. **Simon:** and what about a silly Gilchrist is she, I think that she is the legal executive director for the whole of the country how many legal executive directors are there to the country is she in charge of Hu guiles solicitors is that correct and she is in charge of this department and like bow and so forth. **Police Officer:** she is just the legal director of legal serves. **Simon:** yes, is that correct. **Police Officer:** that is what she has come up as. **Simon:** and is there any other directors of legal services because her signature is all over the paper work and I have been recording every one when I have been calling them and I have got her on recording as well as well as me sending emails to Jane and that asking them to oversee. **Police Officer:** "police officer cut the phone off." Victimizing me by Banging above the Barth to which I get into, once they understand that I have stopped running the water for my bath to be ready, this is after they wait for any other tail, tail signs that I have gotten undressed and soaked within the water, creating a brutal attack against my person in their wrongful self-gains!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!
The HHSRS and the housing Act 1985 inclusive of many other rights of mine and many other people's rights mean that these problems of disrepair must not get left by the Enfield Council and the Enfield Homes teams to carry on the way is does as it is causing me to have no enjoyment out of my flat and emotional distress!

In the Evening and of the Night!
The Enfield Council and the Enfield Homes employees aloud the occupiers of 117 and 111 Continued to victimizing me by: --
When awake 113 and 117 attacked me while being sick in my toilet and because of what they get away with doing to me in my home like today's event flushing their own toilets above mine when I am using it causes my heart to hurt me and is making my health desperate!
This attack against me continues once I get in to my Barth and while I am taking my cloths of and even when I am putting my close on
Today I got followed into my front room again and victimised by 113 and 117 tents even low I have never been of any negative concern to them, once sitting down in my front room thought the rest of the day they kept banging on the floor above my head!

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bathtub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eating because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

If what they do to me finally kills me then it would also kill a lot of other people in the process!

The Enfield Council and the Enfield homes have left the disrepair of the damp and heating issues for so long that the damp water shows on the electrical wiring systems and sometime causes them to overloaded making the electrical sockets dangers and causing further damage to my personal property, such as my TV that also has Mould growing over it, as much as I try my best to keep it clean and well ventilated!

Also, in the data you have sent there are hardly any dates or times, that complaints were put in why does Enfield Councils system not include dates and times information was recorded? There is no call data. No meetings data that government bodies had meetings regarding Mr. Cordell, the list goes on. I asked for all data that Enfield council holds, so all data should have been included and all audio call data and police data and meetings held and any other information that Enfield Council holds in regard to Mr. Cordell. All police data and any letters that have been sent from police or to police. You seem to have asked for Mr. Cordell health records who was this asked from and who gave the data? There seems to be a long list of information that is missing both from the request in **March 2016** and the request that was submitted on the 24/11/2016. Can this please be looked into and if you are withholding any data for any reason could you please let me know this and what data it is and why you are withholding it. There is also a lot of incorrect data that is being held and it seems that Enfield Council has chosen to put Mr. Cordell as the perpetrator, by the ASBT there is lists of emails that is missing that I have sent in regards to complaints as to what the neighbors was doing to Mr. Cordell, I have also requested all my phone records as it seems there is no lists of all the calls, I made on behalf of complaints regarding Mr. Cordell's neighbors. 2. On 5th October **2016** **Complainant B** reported that Mr. Cordell has been harassing him for a while in relation to alleged noise disturbances from his flat. 54. I make this Witness Statement in support of the Claimant's application for an injunction to stop the Defendant from causing intimidation, harassment and alarm to other residents and their visitors on Burncroft Avenue.

55. The Defendant is a secure tenant of the Claimant at 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ. His tenancy commenced on **14th August 2006.** I hereby attach a bundle of documents relating to this case as exhibit number **LN1.** A copy of the Defendant's tenancy agreement and terms and conditions are hereby attached at pages 1-24.

56. The reports concerning the Defendant's alleged anti-social behaviour towards his neighbours was first brought to my attention in **October 2016** when a case involving the Defendant and one of his neighbours was referred to me for investigation. The Defendant was reported to have caused frequent acts of harassment and anti-social behaviour against an elderly neighbour. The Defendant was arrested by the Police and bailed to a different

address. The matter was referred to the Highbury Corner Magistrates' Court on **05 October 2016** where a first hearing took place. The Defendant pleaded not guilty, and the trial was fixed for **17 November 2016.** However, the trial did not proceed due to insufficient support as **the elderly tenant** was unable to attend Court due to health reasons. A copy of a letter from the Magistrate Court is attached to this statement at pages 25-26.

57. The Defendant was previously known to the Claimant and an anti-social behaviour order was made on **4 August 2015** by the Magistrates Court to prevent him from knowingly using or supplying property, **personal** or **otherwise,** for the use in a rave as defined in s.63(1) of the **Criminal Justice Order Act 1994**. The order was made for a duration of 5 years. A copy of the Order is at page 27 of the exhibit bundle.

58. On **6th August 2016,** the Defendant threatened and shouted abuse at Mr. and Mr. Mathiyalagan tenants of 117 Burncroft Avenue. He aggressively, demanded money from him and threatened to beat him up. The Defendant also repeatedly swore at Mr. Mathiyalagan's wife, called her a 'witch1 and tried to stop the Mr. Mathiyalagan from going up the stairs to his flat by standing in front of him and blocking his advance by placing his hands on the staircase railings. Mr. Mathiyalagan has already provided a witness statement in support these proceedings to confirm that this incident happened. A file note of this report is exhibited at pages 28-30 of the exhibit bundle **LN1.**

59. On **8th August 2016,** Mr. Mathiyalagan reported that the Defendant aggressively banged on his front door, shouted abuse at him and his wife and accused them of making noise. Mr. Mathiyalagan reported to us that he believes that the Defendant used a screwdriver to damage the lock on his meter cupboard and removed the fuse box thereby cutting off their electricity supply. Mr. Mathiyalagan reported this incident to the police and

was given reference number CAD 7934/**August 2016.** A file note of this report is exhibited at pages 28-30 of the exhibit bundle.

60. On **27th September 2016,** Mr. Mathiyalagan reported that the Defendant confronted him as he returned to his flat with his wife and young daughter and threatened and swore at him and demanded money from him. A file note of the report is on pages 28-30 of the bundle.

The Defendant also aggressively demanded money from Mr. Mathiyalagan. A file of the report is at pages 28-30 of the exhibit bundle.

62. On **11th November 2016,** my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous. He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him and threatened to bum down the elderly neighbour's flat. The report

continued that sometime around mid-**September 2016, one** of the Defendant's neighbours reported that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle **LN1.**

63. I had meetings with Mr. George Quinton, one of the Defendant's neighbours on **16th December 2016** and **11th January 2017.** He reported that he was experiencing problems with the Defendant's behaviour, and that on **4th October 2016,** the Defendant aggressively banged on his ceiling and accused him of making noise. The Defendant then went to the neighbour's flat upstairs and started kicking and banging on the front door and

was swearing and shouting at. him. The Defendant later went downstairs, dragged the neighbour's motorbike from where it was parked and started to hit it with a piece of wood. A file note of the report is at pages 32-34 of the exhibit bundle.

64. On **22nd November 2016,** during a telephone conversation with my former colleague Ms. Sarah Fletcher, the Defendant was heard saying to his mother, who was present with him, 'I'm goanna do her over, I'm goanna take her job just for fun' referring to Ms. Fletcher. A file note of the incident is at page 34A of the exhibit bundle.

65. I hereby attach a case history detailing incidents of reports from Mr. Mathiyalagan about the abuse, threats and persistent intimidation by the Defendant. The case history is at pages 35 to 40 of the exhibit bundle **LN1.** It shows that Mr. Mathiyalagan reported incidents too numerous to set out in this statement about abuse, threats, attempts to extort money and intimidation by the Defendant. Examples are that the Defendant banged on his front door while his wife was alone at home with their young daughter and shouted abuse at his wife and asked her to turn off the bathroom taps. He also removed his electricity fuse thereby

cutting off their power supply. Mr. Mathiyalagan reported the incident to the police and was given CAD 5753/**23 December 2016.** A file note of this incident is at page 37 of the exhibit bundle.

66. Other examples of aggressive and anti-social behaviour reported by Mr. Mathiyalagan were that on **21st January 2017,** the Defendant aggressively banged on his door, swore and shouted abuse and threats at him and his family and accused them of making noise.

67. On **9th June 2017,** the Defendant attacked Mr. Mathiyalagan's cousin in the communal hallway as he returned from work late at night by grabbing him on the arm and

neck thereby causing bruising to his arm and neck. The Defendant also snatched his mobile phone from him as he tried to record the incident.

68. On **16th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was exiting the main entrance at **11:55am** and said to her that he had her bank and personal details. He also reported that the Defendant told his wife that he wanted her and her husband to pay him some money.

69. On **23rd June 2017,** the Defendant came out of his flat with his dog and attacked Mr. Mathiyalagan's cousin as he returned from work at **11:35pm.** He reported that the Defendant punched his cousin twice on the chest, tried to push him out of the block and snatched his mobile phone as he tried to record the incident.

70. On **28th June 2017,** the Defendant confronted Mr. Mathiyalagan's wife as she was leaving the block at **11:45am,** swore at her, shouted abuse and accused her of making noise inside her flat. The Defendant demanded that they pay him some money and asked her to tell Mr. Mathiyalagan to come and see him.

5:18pm and asked him when he was going to hand over the money. He also reported that as they left the block, the Defendant ran after them swearing and shouting abuse and demanded that he must pay him money if he wants him to leave him alone. The Defendant also said to him that he has all their personal details. A report of the incident is at page 40 of the case history.

72. Case history notes exhibited at pages 41-46 show reports of similar aggressive and intimidating behaviour displayed to Mr. Mathiyalagan was being experienced by another tenant who wishes to remain anonymous because of fear of reprisal from the Defendant.

73. Similarly, further case notes exhibited at pages 47-52 show that another tenant **who wishes to remain anonymous** was being subjected to the Defendant's antisocial behaviour. She had to be moved from the block because of the harassment from the Defendant and because **she suffered from mental health problems** and was particularly vulnerable and unable to deal with the threats and harassment from the Defendant.

74. On **7th February 2017,** the Defendant approached the leaseholder of 117 Bumcroft Avenue and his plumber outside the block as they were attempting to resolve low water pressure issues affecting the flat. The Defendant informed the leaseholder that there were problems between him and his tenants but did not give specific details. The leaseholder explained to the Defendant that his tenants were experiencing low water pressure in their flat and that they were trying to fix the problem. The Defendant said to the leaseholder, "you will not resolve the problem as I am restricting their water supply". The leaseholder later asked the Defendant to increase the water pressure and the Defendant stated, "I cannot do anything at the moment, I will sort it out later". A report of this incident is at page 55 of the exhibit bundle.

75. On **24th February 2017,** the Claimants officers Sarah Fletcher and Steve Kirk attended the Defendant's property following reports of low water pressure in the

flats above his. While inside his flat they noticed that the Defendant have installed a metal security gate inside his front door. It also appeared that the Defendant may have removed the wall between his kitchen and living room thereby creating an open plan living space. A copy of the file note is pages 56-57 of the exhibit bundle.

76. On **8th May 2017,** the Claimant's officers, Ms. Fletcher, a Neighbourhood officer who has since left the Council and Mr. Steve Stirk, a surveyor visited the Defendant's block of flats following reports of low water pressure to flats 109, 113 and 117 Bumcroft Avenue. While the Claimant's officers were outside flat 113, the Defendant came up to them and started to complain about his perceived victimization by his neighbours, the police and the

council. While the Defendant was talking to the officers, Mr. Mathiyalagan came down the stairs and the Defendant said to him, "I'm going to the police station now with my evidence about you and I'm going to ruin your life". A file note of this report is exhibited at page 58 of the exhibit bundle and an email from Steve Stirk is at page 59.

77. On **14th May 2017,** yet another neighbour who wishes to remain anonymous reported that the Defendant aggressively banged on her door, shouted abuse and threats at her and falsely accused her of making noise and coming into his flat to attack him. The neighbour stated that the Defendant later followed her to her car as she was leaving the block shouting abuse and wanting to know where she was going. The neighbour also reported that the Defendant allowed his dog to roam freely in the communal area of the block without a lead. A file note of the report is at page 60 of the exhibit bundle LN1.

78. On **28th May 2017,** the Defendant was issued with a first instance Harassment letter by the police following allegations of harassment and threatening behaviour made to the police by his neighbour. A copy of the letter and the PC's statement are at pages 61-62 of the exhibit bundle LN1.

79. On **12th July 2017,** Mr. Neville Gray, the Claimants repairs surveyor attended the Defendant's flat to investigate reports of low water pressure to the flats above the Defendant's flat but the Defendant refused him access. Mr. Neville Gray attended the Defendant's flat again at about 5:39pm following reports from the leaseholder of flat 117 Burncroft House that the water supply had stopped completely, but the Defendant also refused him access. The Defendant later shouted abuse and swear words at Mr. Gray and would not allow him to approach his car. Mr. Gray has provided a witness statement in relation to this incident.

I have corresponded with the Defendant regarding the reports of anti-social behaviour made against him by his neighbours and invited him to meetings with his mother Lorraine Cordell, but he declined to attend. 17. The Claimant's operatives have had difficulties in accessing the Defendant's flat to inspect the state of the property and the unauthorised works and modifications which the Defendant is purported to have carried out without a written consent from the Claimant. The Claimant has also been unable to check whether the Defendant Is restricting water supply/pressure to the properties above his since **December 2016.** The Defendant has admitted to restricting the water supply but has refused to allow the Claimant's maintenance operatives access to his property to investigate and rectify the problem.

18. The Defendant has intimidated the residents in the entire block and because of his behaviour, we have received numerous complaints from residents, requests to be transferred from the block and we have had to move a vulnerable tenant from the block.

19. I have made attempts to engage with the Defendant, but he has not been cooperative and has continuously displayed abusive and threatening behaviour towards the Claimant's members of staff and his neighbours. A Notice of Seeking Possession has been served on him and possession action is being considered. However, in the meantime, this injunction is required to ensure that the other residents are not subjected to further intimidation and harassment by the Defendant. This application is being made without notice because if the Defendant were given notice, he would intimidate the witnesses in an attempt to prevent the order being made.

Dear Ms. Cordell,
Please see below as requested the details of recent allegations made against Mr. Simon Cordell. I have listed the complainants as **Complainant A**, B and C.

1. On 6th August **2016** **Complainant A** reported that Simon Cordell, his neighbour at flat 109 is threatening him and his wife and aggressively demanding money from him. He alleged that Mr. Cordell called his wife 'a bitch' and tried to stop him from going up the stairs to his flat. He also alleged that in July **2016**, someone used a knife to puncture his tyres, all 4 of them, that he believes that the tyres were slashed by Simon, that although he did not see Simon do it but he was quite certain that it was him. He also alleged that Mr. Cordell damaged the lock to his electric cupboard and removed his fuse box resulting in no electricity.
2. On 5th October **2016** **Complainant B** reported that Mr. Cordell has been harassing him for a while in relation to alleged noise disturbances from his flat. He alleged that the previous day on 4/10/16, Simon was banging on his ceiling and later came upstairs and started kicking his door and shouting aggressively. He alleged that Simon then went downstairs dragged his motorbike from where he parked it and started smashing it up. He then called the police. He also stated that Mr. Cordell had previously slashed his motorbike tyres with a knife, that he did not report it as he did not see him do it.
3. On 31st October **2016** telephone call received from another resident on behalf of **Complainant C**. He alleged that

74,

Complainant C's neighbour, Simon was using threatening, abusive, and insulting words towards **Complainant C**. He stated that he witnessed an incident that happened in September **2016** outside the block when Simon shouted abuse at **Complainant C** and made threats towards him.

4. On 4th November **2016** met with **Complainant C** to discuss his concerns following the report from another resident. He stated the first incident happened sometime in July **2016**, that he cannot remember the exact date. He alleged that he was approached by Mr. Cordell as he came out of his front door and he started shouting abuse at him and threatened to burn down his flat. He alleged that the second incident happened in September **2016**. He stated that he was on his way to meet a friend when Mr. Cordell came at him 'ranting and raving' and said to him 'I can get you over at the park, I know you go for a walk'. He stated that two other neighbours witnessed the incident and that one of them told Mr. Cordell to leave him alone. **Complainant C** also complained that Mr. Cordell have installed a CCTV on the internal communal door and that he believes that he is monitoring his every move. He asked that the camera be removed as it is making him to feel very nervous, vulnerable, and uncomfortable and is an invasion of his privacy.

Dear LEMMY NWABUISI
I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.
I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.
Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

1. Complaint from A on date and Time: Body of complaint from A.
2. Complaint from B on date and Time: Body of complaint from B.
3. Complaint from C on date and time: Body of complaint from C

And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply any other information.
If I can get this back today, I would be most grateful, as it has been asked for before.
Also, we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads need fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the
neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.
As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health, which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin. And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago.
We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.
Regards
76,
Lorraine Cordell

1 **MP3: To** 999 Call Centre. – "Outgoing call. / Talks of **ASBO** / **Metropolitan Police introduction. Police Officer:** Hello metropolitan police what is your reason for calling? **Simon:** hello I have a few reason's to call I have general questions to ask yourself, hum, basically my name and I Mr. Simon Cordell and I would like to find out, I put in to cad number recently on the 16th and the 11th I believe in regards to asking an Ian Raffiel, who is the Sergeant of Edmonton police station to call me in regards to his officers that he is in charge of and notes were put down on the cad and I still have not revived a call back within 24 hours and it has been three days now and I still have not revived a call back in regards to this, so I was just wondering if you could put another cad in again asking him to call me again, because I have yes still to get his call and can I get a Cad number for this call please. **Police Officer:** yes of course you can. Simon: that is possible? All so I have another question I would like to ask. **Police Officer:** yes, go on. **Simon:** I have been put on bail conditions no on conditions for my **Asbo** for an **Asbo** that has illegal been put against me it is forged and put against me basically I am being held for eight years in my house on well seven years on the **Asbo** two years on the injunction and five years for the **Asbo** in total that is seven years the maximum sentence and this was under the raves bill the maximum sentence that any one should get is six months in prison and a 20 grand fine but somehow I am riding eight years more than what most pedophile's and murders would get, hum I am quite upset about this but in my bail condition it says that I am not a loud on no industrial estate or that I am not a loud to do nothing of this nature now I would like to go to warehouse I would like to go out, I have not been a loud out for four years, I have not been allowed to go to out to anything, I would like to go to warehouse night club and I want to find out if I attend warehouse night club with my girlfriend then will I got to prison is that an arrest able offence. **Police Officer:** sir what I would advise you to do is speak to. **Simon:** Ian Rafael. **Police Officer:** yes Ian Rafael. **Simon:** Yes, he is the new one. **Police Officer:** he won't contact me back because he understands what is going to happen to the officers he is supposed to be in charge of, when Jane Johnson was in charge of them who was the last sergeant, she as a gold member team allowed access in to the police computers and allowed information to be forged, she was transferred straight away once I recorded her conversation and was transferred to royal diplomatic protection in Westminster but she basically has walked away from her duties of responsibility that she had at the time to the officers and to make sure there paper work was correct and now he is in charge of it, these officers are still on active duty I do not feel like I can leave my house I cannot even walk down my street because I feel that

these officers are going to attack me and further manipulate the truth and I am going to end up with a sentence because they would rather that to happen to me rather than lose their mortgages or pensions and face up to what they have really done them self's in fraud paper work the fraud paper work in my **Asbo**. **Police Officer:** sir, can I, just can we just- recorded some details, yes. **Simon:** Yes, that want to do. **Police Officer:** silence. **Simon:** Hello. **Police Officer:** sir, I am all on the computer and I am just typing away, just give me a minute and I will just see if I can get some answers for you. **Simon:** thank you. **Police Officer:** ok then. **Simon:** they should have just dropped it under the trespass and I would have just forgotten about the corruption, they never proved trespass in the buildings they had another chance. **Police Officer:** who is the person dealing with your case. **Simon:** well Steven Elsmore is the developer of the application he has done that under the order of. **Police Officer:** no, no, from a police perspective. **Simon:** yes Steven Elermore who is a pc and he has been told to create the application develop it under Sir Hogan Howl's Bernard the commissioner of England and Wales which is Sir Hogan Howl, his told him to do it, he has told Jane Johnson to tell Jane to tell her officers to do it, Jane has told her officers to do it then Steve Elsmore created it then Steve Elsmore went to the civic center and he spoke to Steve Elise and Steve Elis signed the forged paper work that Steve Elsmore created and they put the application against me I went to court under the grounds that trespass had not been proved under none of the incidents sighted in the application and basically I technically I won the case of what the applicant, what the respondent had put against me, Hum and when I walked out and went back home somehow it got advertised in the newspaper that I was found guilty for the organisation of illegal raves I had not even been arrested for some think that was illegal so I was quite shocked that this had happened to me and then basically at the end of it Steve Elsmore used a loud of cad paper work his used hum sergeant Chile's Miles his used Inspector Sergeant Skinner paper work loads of them a Douglas Skinner the list to them is endless to them and basically they forged all of the time stamps and added CADS in because all the call center like the 999 call center time stamps say cad five hundred happens every day and that has a time stamp of ten 0 clock cad five hundred and twenty five cannot have a time stamp of nine 0 clock earlier than the five hundred this happens continuously thought my paper work and then what made it even worse than that is that there is an inspector Hamill inspector Hamill actually went out side of the site of Progress he made ten he went there ten different times because his grid reference number has been put in there and he made ten different calls to 999 used his own personal mobile number and basically he created the cad outside now you can see if you look at the time stamps to the CADS and you actually look at the X TO Y location correspondents you can see that each ten of these are in accurately the same place but out of the ten different ones, ten different cad numbers that he created to set me up one of them they forgot to block his name out and it says inspector Hamill calling on duty now he made that and let's say one of the calls he made that at 1;59 and he was at grid number so, and so, now if you look at the other cad papers two minutes before that accurately the same grid reference number another call was made from that actually same place so basically he made a phone call put the phone down two minutes later he made another phone call to 999 of his mobile unless he, some one body was standing on his toes and made this other phone call and did not speak to him the evidence that I have is over whelming to the true facts to what really happened hum the time cannot go backwards and trespass has to be proved in side of a building and under the licensing act when you are inside of a building then it should be proved that a communal building is being run none of these police officers went to none of the building owners but I gave them my cv of all the good work that I had been doing in the community lock to lock festival kids with cerebral palsy, Enfield the list is endless I was the manager of my community hall and they went to every one of these places rather than go to a building owner and follow the true lines of investigation and they darkened all of my

contracts and my work now I cannot get no work with these people again and I am sitting her upset that there is not even a building owner in side of the whole application. **Simon:** hum I have got the folders what I got set up for is ten different events and I knew that I had not committed them and I was not the organizer to them so what I done at the time I copied, I went to all of the Face book profiles of the true organisers and I copied there whole face books so I have eight different folders here right now that I have never handed to yourselves and it of all the true organisers face book yes but I am not a super grass and I do not want to do the officers lines of investigations. **Police Officer:** Simon. **Simon:** yes. **Police Officer:** what I have. **Simon:** hello; **Police Officer:** what I have done is hum I have sent this through so hopefully someone will be calling you back shortly. **Simon:** I would appreciate that I do not even want. **Police Officer:** muttering; **Simon:** can I just get a cad number please I do not want your name I would just like a cad number to this call please if that is possible. **Police Officer:** yes; **Simon:** I have got to ride another four, I have ride four years of it I have got to ride another four years, I cannot even go out to a night club, I cannot do anything, I cannot do anything right now I went to court and I did not attended a few times just to give them time to do the right thing because I have respect for the officers I have respect for all police officers I used to have good communications with them all until this happened like I would save them I have got pictures of me on you tube at Notting Hill watching a loud of officers two woman officers getting attacked I had to run over and offered them over and told ever one if they throw another bottles I have done so much for the officers when the time the crunch has hit it I have done the right things. **Police Officer:** ok your cad reference number is 060194/24 Feb 17. **Police Officer:** **Simon:** thank you sir and I will be accepting a call back in 24 hours supposedly. **Police Officer:** I have notified the correct department and made them aware of your complaint and that you're requesting call back within 24 hours. **Simon:** ok thank you; **Police Officer:** ok you welcome. **Simon:** ok hope you have a good day sir. **Police Officer:** bye for now; **Simon:** bye; **End**"

I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man -if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man -if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.

06/02/2017 :08/02/2017:
I visited Mr. Mathiyalagan at 117 Burncroft Avenue to day to look at the flooring following email from Mr. Cordell concerning noise as a result of wood flooring in the flat. I noticed that there is laminate flooring in the whole flat and ceramic tiles in the kitchen. Mr. Mathiyalagan stated that the flooring was already in the flat when they moved in. He stated that they do not make noise deliberately and that any noise from his flat is household noise. He also stated that as far as he is aware that the person living below them-), we not complained of noise and that he will be the one that will be affected if there are excessive issues from his flat. He also stated that he has asked the man- if they are causing noise disturbances arid he said they are not. He also requested that Mr. Cordell should contact the council if he is being disturbed by noise from his flat instead of harassing him and his family by banging on his front door, shouting abuse at him and his wife, threatening them and confronting them when they come into the block.
I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his flat-
I then went and knocked at flat 113 but there was no response.
17/02/2017:

Telephone call from Mr. Cordell regarding the letter sent to him to attend the Civic Centre on **22/02/2017** to discuss the ongoing reports of harassment, verbal abuse and threatening behaviour made against him by his neighbours. File note of the telephone conversation attached.

20/03/2017:

I visited 109 Burncroft Avenue on **17/03/2017** to hand deliver to post a letter through Mr. Cordell's door and as I got into my car to drive off after posting the letter, Mr. Cordell ran after me shouting and screaming abuse. I did not stop to speak to him, and he ran after me until I turned left into Green Street. As he was running after my car, he was shouting at people passing by to stop the car.

By the time I returned to the office, Mr. Cordell had telephoned me several times. I telephoned him back and he wanted to know whether I was the person that posted a letter through his letterbox and I said yes. He asked why I did not stop when he ran after me and I told him that I had another visit and did not have the time to stop and talk to him. He stated that he will not attend the meeting at the Civic Centre or any of the council and that I should come to his flat. I offered to have the meeting at a neutral venue like the local library or even at his mother's house, but he refused and shouted to shout abuse and accuse me of taking sides with his neighbours. He denied doing the things that he is accused of doing and stated that he is the victim and that the council have refused to deal with his complaints against his neighbours. He stated that he has been suffering noise disturbances from his neighbours since he moved into his flat and that the council have refused to deal with it. He alleged that the council is conniving with the police to victimise him and threatened to put in a complaint - against me, He continued shouting abuse and will not let me say a word, I then advised him that I will have to terminate the conversation as we were getting nowhere.

05/05/2017:

Mr. Mathiyalagan telephoned me to report that Mr. Cordell went to his fiat while he was at work and his wife was at home with his cousin and daughter and started to bang on his door and shout abuse and threats. He stated that he was at work and was scared for his wife and daughter. I advised him to call the police.

08/05/2017:

Mr. Mathiyalagan telephoned to report an incident that happened this morning as he was leaving the block to go to work. He stated that as he walked down the stairs, he saw Me Cordell talking to 2 council officials and as he walked past, Mr. Cordell threatened him by shouting that he was going to ruin his life and that he was going to the police with evidence about him. He stated that he did not respond.

1 **Enfield Council Email: From** Sarah Fletcher / **Classification:** OFFICIAL PUBLIC / **Time** 16:49 - "Dear Ms. Cordell, Thank you for your email today regarding your son Mr. Cordell's tenancy at 109 Burncroft Avenue. I did attend site with the Surveyor this morning to look at the low water pressure situation at the block. We were only able to gain access to one of the two other flats and the surveyor suggested we knock at Mr. Cordell's on the off chance that someone was home. I honestly didn't expect anyone to answer as I had understood from you that no one was available. I am sorry if I misunderstood this and that you actually meant that you wanted to be present too. I will certainly try to take this into consideration in future. As I am sure that you may appreciate that for the Council to try and resolve this matter, we had to access three flats and to try to identify the cause it would assist in this process to access the three flats on one day if possible. Mr. Cordell did answer the door and very kindly did give us access so that the Surveyor could assess the pressure of water into his flat. Unfortunately, the visit was inconclusive as to the cause of the issues regarding the water supply to the block so the Surveyor is going to liaise again with Thames Water to try and move this forward. I would like to reassure you that we are just trying to resolve the issues related to the water pressure/supply to the block in the interests of all the residents affected by this including your son, Mr. Cordell. Kind regards, Sarah Fletcher, Neighbourhood Officer, Neighbourhood Team 2, Edmonton Centre."
