Summary!
My Heart has authentically commenced to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and the estate members flushing the toilet assailing me when I am in the bath tub and getting divested all so playing with the dihydrogen Monoxide taps and banging above my head damaging my work studies and private family life and making me a Vulnerably susceptible person!
I have additionally had an abundance of quandaries with victualing because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

5

I get tortured by not getting a fair accommodation from my landlords in rehabilitating the damp, sound and heating concerns within my domicile!

I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. Backgrounds facts

3. This matter was allocated to the Claimant's Legal Services department in **August 2017,** following many complaints received from some of the Claimant's employees and residents living in the same block as the Defendant. The Claimant's anti-social Behaviour team instructed our legal services to issue an application for an injunction under the Anti-Social Behaviour, Crime and Policing Act **2014**.

4. An ex-parte application was made and the Court made an interim injunction order against the Defendant on **09th August 2017. DIRECTIONS ORDER

13. It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017.**

I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the

Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court.
The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs.
14. I am also instructed that since the Court made the interim injunction order on **09th August 2017,** the Defendant's anti-social Behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated.

6. The Defendant went away and returned half an hour later, he lifted our letterbox flap, stuck his mobile phone through the letterbox and started to record my family while swearing and shouting abuse. This went on for about ten to fifteen minutes. The matter was reported to the police, **CAD No. 5121 of 2/1/18.**

7. On **3rd January at 9:30am,** I was inside our flat with my wife and daughter when the Defendant came and started banging on our front door. I went and asked him what the problem was, and he stated that my wife was banging on the floor yesterday for about an hour. I told him that my wife was not banging on the floor, that she was trying to assemble a cupboard, but he called me a liar and continued to shout and swear at us. He threatened to kill us and burn down our property and stated that we will not be safe no matter where we are. The Defendant then forced his way into our fiat, but my wife managed to push him out and double-locked the door. I called the police and they came and advised us to report the matter to the council, **CAD No. 2098 of 3/1/18**. The officers refused to listen to the audio recording of the incident and advised that we should ask the council to rehouse us.

8. The recent abuse and threats to kill from the Defendant have made it difficult for us to live in our own home. My wife is afraid to stay in our flat alone with our daughter or leave the flat alone without me or my cousin accompanying her. The Defendant's Behaviour is also causing a Jot of distress and anxiety not only to me and my wife but also to our three-year- old daughter.

They have reported that they are afraid to live in their own home because of the Defendant's recent threats to kill. Mr. Mathiyalagan have also stated that his wife and three-year-old daughter are afraid to stay in the flat on their own or leave the flat alone without him or his cousin accompanying them. He **Page 13** - stated that the recent threats from the Defendant have made it difficult for them to live in their own home and that

they are constantly having to double lock their front door for fear that the Defendant may break into their flat again. **ORDER SOUGHT FROM THE COURT** Request that the Claim and interim injunction order of **09th August 2017** be reinstated **12.** The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order. **13.** The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the time the incident was reported by Mr. Mathiyalagan, they were not aware of the injunction although it was served to a different department. The Defendant also denied the incident and Mr. Mathiyalagan could not prove that the incident took place. The police have now referred this incident to an investigating officer and created a crime reference number 5200 37618. **14.** The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018** but the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. The police advised that had the injunction been in place, the Defendant **Page 14** - could have well been arrested in light of Mr. Mathiyalagan being able to evidence the incident by way of the audio recordings. **15.** The recent incidents and death threats are extremely serious and I have concerns that the Defendant may escalate his actions further. Mr. Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible. Declaration from the Court that the injunction order has been effective throughout the period of **13th December 2017** to present. **16.** The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim. **17.** The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017**. **18.** However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated **02nd and 3rd January 2018** and enclose a new claim for an injunction for the Court's consideration. **Page 15** – Permission to bring and serve an application for the Defendant's committal under CPR 81. **19.** In the event that the Court agrees to reinstate the injunction and to make a declaration that the Defendants has acted against the terms of the injunction dated **09th August 2017**, it is the Claimant's intention to bring an application for committal against the Defendant. Therefore, we would like permission from the Court to bring and serve an application for the Defendant's committal under CPR 81 for breaches of the terms of the injunction for the incidents dated **11th November 2017**, **02nd and 3rd January 2018. Statement of Truth** I believe the facts in this Witness Statement are true. **Dated** this **08th January 2018** **16** - This is the **exhibit LN1** of the witness statement of Lemmy Nwabuisi **dated** **08th January 2018**. **CLAIM NO: D02ED073**. **Defendant**."

could have well been arrested in light of Mr Mathiyalagan being able to evidence the incident by way of the audio recordings.

20. The recent incidents and death threats are extremely serious and i have concerns that the Defendant may escalate his actions further. Mr Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible.

Declaration from the Court that the injunction order has been effective throughout the period of 13th December 2017 to present

21. The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim.

22. The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017.**

23. However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated **02nd a**nd **3rd January 2018** and enclose a new claim for an injunction for the Court's consideration.

Permission to bring and serve an application for the Defendant's committal under CPR 81.

19. In the event that the Court agrees to reinstate the injunction and to make a declaration that the Defendants has acted against the terms of the injunction dated **09th August 2017**, it is the Claimant's intention to bring an application for committal against the Defendant. Therefore, we would like permission from the Court to bring and serve an application for the Defendant's committal under CPR 81 for breaches of the terms of the injunction for the incidents dated **11th November 2017, 02nd and 3rd January 2018.**

3. On **2nd January 2018 at 6:30pm**, my wife was inside our flat trying to assemble a cupboard that was bought from Ikea.
Our three-year-old daughter and my cousin who was asleep at the time were also in the flat.
Suddenly my wife heard someone banging on our front door and she went to the door with her phone and overheard the Defendant shouting that there was noise coming from our flat.
My wife told him that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor.
The Defendant then stood outside our front door for more than twenty minutes swearing and shouting abuse at my wife.

Insofar as the contents of this witness statement are within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge. **I Will Say as Follows 1.** I am employed by the Claimant as an in-house lawyer and have been so employed **since September 2016**.1 have had the main conduct of this claim. **2.** I am making this witness support in support of the Claimant's application notice dated **03rd January 2018**, seeking to set aside the orders made by the Court respectively on **13th December 2017** and **02nd January 2017**. - **Claimant** - **Page 22** - **Backgrounds facts 3.** This matter was allocated to the Claimant's Legal Services department **in August 2017**, following many complaints received from some of the Claimant's employees and residents living in the same block as the Defendant. The Claimant's anti-social behaviour team instructed our legal services to issue an application for an injunction under the **Anti- Social Behaviour, Crime and Policing Act 2014**. **4.** An ex-parte application was made and the Court made an interim injunction order against the Defendant on **09th August 2017**. The matter was re-listed for a return hearing on **21st August 2017** but adjourned to **25th September 2017** where the Defendant attended with his legal representative. The Defendant indicated that it wished to defend the claim and some directions order was made. **5.** The parties were ordered to file their directions questionnaire by **23rd October 2017;** however, this deadline was overlooked by me and the Court made an order on **06th November 2017** asking the Claimant to file a completed directions questionnaire by 4pm on **17th November 2017**. A copy of the Order can be found under exhibit L11. **6.** On **17th November 2017** at **11 ;59**, I sent an email to the Court on the following address: enauiries@edmonton.countvcourt.asi.Gov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2. **7.** Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on **16th November 2017**, Mr. Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of my email correspondence to Mr. Onwusiri can be found in exhibit LI3. **Page 23** - **8.** I then received an order from the Court dated **13th December 2017**, advising me that a judge has considered the file and having seen that the questionnaire was received on **20th November 2017**, has decided to apply the sanction as set out in the order dated **06th November 2017**. As a result, the Claim was struck out and the interim injunction made on **09th August 2017** was discharged. A copy of the order is attached under exhibit LI4. **9.** Upon receiving the above order, I emailed the Defendant's solicitors Mr. Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on **17th November 2017**. Mr. Onwusiri was fully aware of this fact as he was copied in to the email. A copy of my email to Mr. Onwusiri dated 1**5th December 2017** can be found under exhibit LI5. **10.** On **14th December 2017,** Ms. Zena Ndereyimana on behalf

of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions questionnaire was emailed to the Court on **17th November 2017** and provided evidence in support. The email requested that the Court reconsider the order dated **13th December 2017** as the Claimant has complied with the earlier directions order made on **06th November 2017.** A copy of the email correspondence to the Court can be found in exhibit LI6. **11.** The Claimant has received no response from the Court following the email it sent out on **14th November 2017**. **12.** On **03rd January 2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on **21st December 2017**. The application was only received by the Claimant on **27 December 2017** and as l was on annual leave, the application notices only came to my attention on **03rd January 2017**, so I was not able to respond. **Page 24** - **13**. It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017**. I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs. **14.** I am also instructed that since the Court made the interim injunction order on **09th August 2017**, the Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated. **15.** As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018**. The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application. **Page 25** - **Statement of Truth Signed**... **Dated** this 03rd January **2018**. My flat is located two floors above the Defendant's. I live there with my wife and children. I have been housed to this Property with my family on **11th September 2014** by Waltham Forest District Council. The Property was given to me as a temporary accommodation. - **Page 6** – **2.** I make this Witness Statement in support of the Claimant's application for committal as the Defendant is in breach of the

Injunction Order with Power of Arrest made against him In the County Court at Edmonton on **09th August 2017**. **3.** The Defendant's abusive Behaviour towards my family and I stopped for some time after the Claimant obtained the injunction against him although he continued to make general comments towards us whenever he sees me or my wife entering or leaving the block. **4.** On **11th November 2017** between **11:30am** and **12pm,** my wife was at home when the Defendant came up to our front door, opened the letterbox and peeped through it to see who was inside our flat. He started swearing and shouting abuse and banging on the door as soon as he saw my wife. He then ran downstairs when my wife went to get her mobile phone to record the incident. My wife telephoned the police and reported the incident, **CAD No.** 3230 of **11/11/2017.** The police attended about two hours later, went and spoke to the Defendant and came informed my wife that he denied coming to our front door, **5.** On **02nd January 2018** at **6:30pm**, my wife was inside our flat trying to assemble a cupboard that we bought from Ikea. Our three-year-old daughter and my cousin who was asleep at the time were also in the flat. Suddenly my wife heard someone banging on our front door and she went to the door with her phone and overheard the Defendant shouting that there was noise coming from our flat. My wife told him that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside our front door for more than twenty minutes swearing and shouting abuse at my wife. - **Page 7** – 6**.** The Defendant went away and returned half an hour later, he lifted our letterbox flap, stuck his mobile phone through the letterbox and started to record my family while swearing and shouting abuse. This went on for about ten to fifteen minutes. On the other recordings, I could clearly hear a person whom I also believe to be the Defendant shouting, swearing and making death threats to Mr. and Mrs. Mathiyalagan. **11.** Mr. and Mrs. Mathiyalagan have stated the Defendant's behaviour is causing him and his family a lot of distress and anxiety. They have reported that they are afraid to live in their own home because of the Defendant's recent threats to kill. Mr. Mathiyalagan have also stated that his wife and three-year-old daughter are afraid to stay in the flat on their own or leave the flat alone without him or his cousin accompanying them. He **Page 13** - stated that the recent threats from the Defendant have made it difficult for them to live in their own home and that they are constantly having to double lock their front door for fear that the

Defendant may break into their flat again. **ORDER SOUGHT FROM THE COURT** Request that the Claim and interim injunction order of **09th August 2017** be reinstated **12.** The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order. **13.** The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the time the incident was reported by Mr. Mathiyalagan, they were not aware of the injunction although it was served to a different department. The Defendant also denied the incident and Mr. Mathiyalagan could not prove that the incident took place. The police have now referred this incident to an investigating officer and created a crime reference number 5200 37618. **14.** The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018** but the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. The police advised that had the injunction been in place, the Defendant **Page 14** - could have well been arrested in light of Mr. Mathiyalagan being able to evidence the incident by way of the audio recordings. **15.** The recent incidents and death threats are extremely serious and I have concerns that the Defendant may escalate his actions further. Mr. Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible. Declaration from the Court that the injunction order has been effective throughout the period of **13th December 2017** to present. **16.** The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim. **17.** The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017**. **18.** However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated **02nd and 03rd January 2018** and enclose a new claim for an injunction for the Court's consideration. **Page 15** – Permission to bring and serve an application for the Defendant's committal under CPR 81. **19.** In the event that the Court agrees to reinstate the injunction and to make a declaration that the Defendants has acted against the terms of the injunction dated **09th August 2017**, it is the Claimant's intention to bring an application for committal against the Defendant. Therefore, we would like permission from the Court to bring and serve an application for the Defendant's committal under CPR 81 for breaches of the terms of the injunction for the incidents dated **11th November 2017**, **02nd and 03rd January 2018. Statement of Truth** I believe the facts in this Witness Statement are true. **Dated** this **08th January 2018** **16** - This is the **exhibit LN1** of the witness statement of Lemmy Nwabuisi **dated** **08th January 2018**. **CLAIM NO: D02ED073**. **Defendant**."

Incidents of anti-social Behaviour

11. On **14th November 2017** Mr Mathiyaiagan telephoned me to report an incident that occurred at 11:30am on **11th November 2017.** He reported that his wife was alone inside their flat when the Defendant came to their front door, opened the letterbox and peeped through it to see who was inside the flat. Mr Mathiyaiagan stated that the Defendant started swearing and shouting abuse and banging on his front door as soon as he saw his wife. He then ran downstairs when his wife went to get her mobile phone to record the incident. He stated that his wife called the police, CAD No. 3230 of **11th November 2017** and the police attended and went and spoke to the Defendant and came and informed his wife that he denied coming to their front door. A file note of this report is under exhibit LN02.

12. On **5th January 2018** Mr and Mrs Mathiyaiagan met with me to report recent incidents that occurred on **2nd and 3rd January 2018.** Mr Mathiyaiagan reported that on **2nd January 2018** at 6:30pm, his wife was inside their flat trying to assemble a cupboard, she was with their 3-year- old daughter and a cousin who was asleep at the time. He stated that suddenly his wife heard someone banging on their front door. She went to the door with her phone and overheard the Defendant shouting that there was noise coming from their flat. His wife told the Defendant that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside his front door for more than twenty minutes swearing and shouting abuse at his wife. Mr Mathiyaiagan stated that the Defendant went away and returned half an hour later, he lifted his letterbox flap, stuck his mobile phone through the letterbox and started to record his family while swearing

and shouting abuse at his wife. This went on for about fifteen minutes. The matter was reported to the police, CAD No. 5121 of **2nd January 2018.**

13. Mr Mathiyalagan also stated that on **3rd January 2018** at 9:30am, the Defendant came to his front door and started banging on the door. He went and asked him what the problem was and he complained that his wife was banging on the floor the previous day for about an hour. He explained to the Defendant that his wife was not banging on the floor, that she was trying to assemble a cupboard but he called him a liar and continued to swear and shout abuse at him and his wife. Mr Mathiyatagan also stated that the Defendant threatened to kill him and his family and said to him that they will not be safe from him no matter where they are. Mr Mathiyalagan stated that the Defendant then forced his way into their flat but his wife managed to push him out and double-locked the door. He called the police, CAD No. 2098 of **3rd January 2018** and police officers attended and advised them to report the matter to the council. A file note of this report is under exhibit LN3.

14. Mr Mathiyalagan stated that him and his wife recorded the incidents on their mobile phones and played the recordings to me. One of the recordings dearly showed a person whom l believes to be the Defendant looking through Mr Mathiyalagan's letterbox with a mobile phone on one hand. On the other recordings, I could clearly hear a person whom I also believe to be the Defendant shouting, swearing and making death threats to Mr and Mrs Mathiyalagan.

15. Mr and Mrs Mathiyalagan have stated the Defendant's Behaviour is causing him and his family a lot of distress and anxiety. They have reported that they are afraid to live in their own home because of the Defendant's recent threats to kill. Mr Mathiyalagan have also stated that his wife and three-year-old daughter are afraid to stay in the flat on their own or leave the flat alone without him or his cousin accompanying them. He

ORDER SOUGHT FROM THE COURT

• Request that the Claim and interim injunction order of 09th August 2017 be reinstated

16. The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order.

17. The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the time the incident was reported by Mr Mathiyalagan, they were not aware of the injunction although it was served to a different department. The Defendant also denied the incident and Mr Mathiyalagan could not prove that the incident took place. The police have now referred this incident to an investigating officer and created a crime reference number 5200 37618.

18. The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018** but the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. The police advised that had the injunction been in place, the Defendant

could have well been arrested in light of Mr Mathiyalagan being able to evidence the incident by way of the audio recordings.

19. The recent incidents and death threats are extremely serious and i have concerns that the Defendant may escalate his actions further. Mr Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible.

Declaration from the Court that the injunction order has been effective throughout the period of 13th December 2017 to present

20. The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim.

21. The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017.**

22. However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated 02nd and **3rd January 2018** and enclose a new claim for an injunction for the Court's consideration.

Defendant was due to allegations of verbal abuse, threats, harassment and intimidation made against him by some of his neighbours.

6. I make this Witness Statement in support of the Claimant's application dated **08th January 2018.** This is my second witness statement in the above proceedings.

Backgrounds to the case

7. The Claimant obtained an interim injunction against the Defendant on **09th August 2017** under claim number D02ED073. On **13th December 2017,** the Court made an order striking out the Claimant's claim on the basis that it failed to file its direction questionnaire on **17th November 2017** as directed. The Court stated that it received the Claimant's questionnaire on 20th **November 2017** and therefore ordered that the Claim be struck out and that the interim injunction order be discharged.

8. The Claimant's solicitor emailed the Edmonton County Court on **14th November 2017** asking that the Claim be reinstated as it had filed its direction questionnaire on 17th November at 11.59 and was therefore within time. The email has not been responded to until today.

9. On **03rd January 2018,** the Claimant filed an application notice at the Court by email asking for the Claim to be reinstated. The application was filed after the Court served an order dated **02nd January 2018** ordering the Claimant to pay the Defendant's legal costs. A copy of the application notice can be found under exhibit LN01.

10. Mr Mathiyalagan who is one of the Defendant's neighbours and resident at Flat 117 Burncroft Avenue, Enfield contacted me and complained about further incidents of anti-social Behaviour he was subjected to by the

That I did after having had to wait post interview and having the matter referred to the duty Sergeant by Officer Tahir Razzaq; meet and serve the above-named defendant with the aforementioned documentation in the presence of five officers in the doorway of holding cell 9.

8. That at the time of service the aforementioned defendant admitted his identity to me as Simon Cordell, namely an adult male of mixed race, possibly in his mid-20's, approximately 5'10" tall and slim build.

9. This statement is true to the best of my knowledge and belief and I make it knowing that, if it were tendered in evidence, I would be liable to prosecution if I wilfully stated in it anything which I know to be false or did not believe to be true. **10/01/2018.**

WITNESS STATEMENT OF MS LUDMILLA IYAVOO

Ms Ludmilla lyavoo, of the London Borough of Enfield, Silver Street, Enfield EN1 3XA make this statement believing it to be true and understand that it may be placed before the court.

Insofar as the contents of this witness statement are within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of my knowledge.

I WILL SAY AS FOLLOWS

1. I'm employed by the Claimant as an in-house lawyer and have been so employed since September **2016**.1 have had the main conduct of this claim.

2. I am making this witness support in support of the Claimant's application notice dated **03rd January 2018,** seeking to set aside the orders made by the Court respectively on **13th December 2017 and 02nd January 2017.**

Backgrounds facts

1. This matter was allocated to the Claimant's Legal Services department in **August 2017**, following many, complaints received from some of the Claimant's employees and residents living in the same block as the Defendant. The Claimant's- anti-social Behaviour team instructed our legal services to issue an application for an injunction under the Anti-Social Behaviour , Crime and Policing Act **2014**.

2. An ex-parte application was made and the Court made an interim injunction order against the Defendant on **09th August 2017.** The matter was re-listed for a return hearing

on **21st August 2017** but adjourned to **25th September 2017** where the Defendant attended with his legal representative. The Defendant indicated that it wished to defend the claim and some directions order was made.

3. The parties were ordered to file their directions questionnaire by **23rd October 2017;** however, this deadline was overlooked by me and the Court made an order on 06th November **2017** asking the Claimant to file a completed directions questionnaire by 4pm on **17th November 2017.** A copy of the Order can be found under exhibit U1_.

4. On **17th November 2017 at 11:59,** I sent an email to the Court on the following **address:** enauiries@edmonton.countvcourt.asi.Qov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2.

5. Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on **16th November 2017,** Mr Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of mv email correspondence to Mr Onwusiri can be found in exhibit LI3.

8. I then received an order from the Court dated **13th December 2017,** advising me that a judge has considered the file and having seen that the questionnaire was received on **20th November 2017,** has decided to apply the sanction as set out in the order dated **06th November 2017.** As a result, the Claim was struck out and the interim injunction made on 09* August **2017** was discharged. A copy of the order is attached under exhibit LI4.

9. Upon receiving the above order, l emailed the Defendant's solicitors Mr Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on **17th November 2017.** Mr Onwusiri was fully aware of this fact as he was copied into the email. A copy of mv email to Mr Onwusiri dated **15th December 2017** can be found under exhibit LI 5.

10. On **14th December 2017**, Ms Zena Ndereyimana on behalf of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions

questionnaire was emailed to the Court on **17th November 2017** and provided evidence in support. The email requested that the Court reconsider the order dated **13th December 2017** as the Claimant has complied with the earlier directions order made on **06th November 2017**. A copy of the email correspondence to the Court can be found in exhibit LI6.

11. **The Claimant has received no response from the Court following the email it sent out on 14th November 2017.**

12. On **03rd January 2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on **21st December 2017.** The application was only received by the Claimant on **27th December 2017** and as I was on annual leave, the application notices only came to my attention on **03rd January 2017**, so I was not able to respond.

DIRECTIONS ORDER

13.lt was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017.** I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now Incurring more costs.

14. I am also instructed that since the Court made the interim injunction order on **09th August 2017,** the Defendant's anti-social Behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated.

15. As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018.** The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application.

DIRECTIONS ORDER

"Not Relevant to Day**!"**

2. On **3rd January at 9:30am**, I was inside our flat with my wife and daughter when the Defendant came and started banging on our front door. I went and asked him what the problem was, and he stated that my wife was banging on the floor yesterday for about an hour. I told him that my wife was not banging on the floor, that she was trying to assemble a cupboard, but he called me a liar and continued to shout and swear at us. He threatened to kill us and bum down our property and stated that we will not be safe no matter where we are. The Defendant then forced his way into our flat, but my wife managed to push him out and double-locked the door. I called the police and they came and advised us to report the matter to the council, CAD No. 2098 of 0**3/01/2018.** The officers refused to listen to the audio recording of the incident and advised that we should ask the council to rehouse us.

3. The recent abuse and threats to kill from the Defendant have made it difficult for us to live in our own home. My wife is afraid to stay in our flat alone with our daughter or leave the flat alone without me or my cousin accompanying her. The Defendant's Behaviour is also causing a lot of distress and anxiety not only to me and my wife but also to our three-year- old daughter.

10. What information will you be relying on, in support of your application?
the attached witness statement "marked yes"
the statement of case
the evidence set out in the box below "marked yes"
If necessary, please continue on a separate sheet
The Claimant was ordered by the Court on **06 November 2017** to file and serve a copy of Its direction's questionnaire by no later than **17 November 2017.** The Claimant did so and emailed a copy of its questionnaire to the Court's enquiry Inbox on **17 November 2017 at 11:59.** However the Court made an order on **13 December 2017** applying the sanction of **06 November 2017** order on the basis that it only received the hardcopy of the directions questionnaire on **20 November 2017.** The Court when making this order disregarded the fact that the questionnaire was effectively filed by the Claimant by email on 17 December and therefore within the deadline. The Claimant emailed the Court on **14 December 2017** with evidence that it had effectively filed his allocation questionnaire on **17 December** and asking that the Claim and injunction order be reinstated but received no response to this correspondence as to date.
Furthermore, the Defendant's solicitors filed an application notice on **21 December 2017,** asking that the Claimant pays the Defendant's costs as a result of the claim being struck out. The application was made without notice. The Court considered the application on **02 January 2018 and** made an order that the Claimant pays the Defendant's legal costs on a standard basis. The Claimant therefore makes this application to set aside the Court orders dated **13 December 2017** and **02 January 2018.**

Backgrounds facts

6. This matter was allocated to the Claimant's Legal Services department in **August 2017**, following many, complaints received from some of the Claimant's employees and residents living in the same block as the Defendant. The Claimant's- anti-social Behaviour team instructed our legal services to issue an application for an injunction under the Anti-Social Behaviour, Crime and Policing Act **2014**.

7. An ex-parte application was made and the Court made an interim injunction order against the Defendant on **09th August 2017.** The matter was re-listed for a return hearing on **21st August 2017** but adjourned to **25th September 2017** where the Defendant attended with his legal representative. The Defendant indicated that it wished to defend the claim and some directions order was made.

8. The parties were ordered to file their directions questionnaire by **23rd October 2017;** however, this deadline was overlooked by me and the Court made an order on 06th November **2017** asking the Claimant to file a completed directions questionnaire by 4pm on **17th November 2017.** A copy of the Order can be found under exhibit U1_.

9. On **17th November 2017 at 11:59,** I sent an email to the Court on the following **address:** enauiries@edmonton.countvcourt.asi.Qov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2.

10. Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on **16th November 2017,** Mr Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of mv email correspondence to Mr Onwusiri can be found in exhibit LI3.

13. I then received an order from the Court dated **13th December 2017,** advising me that a judge has considered the file and having seen that the questionnaire was received on **20th November 2017,** has decided to apply the sanction as set out in the order dated **06th November 2017.** As a result, the Claim was struck out and the interim injunction made on **09th August 2017** was discharged. A copy of the order is attached under exhibit LI4.

14. Upon receiving the above order, l emailed the Defendant's solicitors Mr Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on **17th November 2017.** Mr Onwusiri was fully aware of this fact as he was copied into the email. A copy of mv email to Mr Onwusiri dated **15th December 2017** can be found under exhibit LI 5.

15. On **14th December 2017**, Ms Zena Ndereyimana on behalf of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions questionnaire was emailed to the Court on **17th November 2017** and provided evidence in support. The email requested that the Court reconsider the order dated **13th December 2017** as the Claimant has complied with the earlier directions order made on **06th November 2017**. A copy of the email correspondence to the Court can be found in exhibit LI6.

16. **The Claimant has received no response from the Court following the email it sent out on 14th November 2017.**

17. On **03rd January 2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on **21st December 2017.** The application was only received by the Claimant on **27th December 2017** and as I was on annual leave, the application notices only came to my attention on **03rd January 2017**, so I was not able to respond.

DIRECTIONS ORDER

13.lt was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017**. He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017.** I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now Incurring more costs.

14.1 am also instructed that since the Court made the interim injunction order on **09th August 2017,** the Defendant's anti-social Behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated.

15. As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018.** The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application.

Dear Emmanuel,
There's a mistake from the Court as the order should not be discharged and will without a doubt be reinstated in due course. If your client is found to be in breach of the terms of the injunction, we reserve the right to take further actions against your client. Your client should continue to respect the terms of the order as we have advised the court that the order has been discharged due to an Internal admin. Error, I hope he will be advised of our position.
Kind regards

Hi Jamie
thank you for the document but can I please ask something has PC G notebook been edited in anyway as from the images they really look to have been edited, I have shown a few people what you sent me and each have said the same thing. Also, I knew PC G said my son was arrested because he would not give his address, which is clearly wrong because my son did give his address and it is clearly in the notebook. I just told you the wrong court as I was thinking he said this in the appeal case at the crown court when my son won his case, But it was not it was in the lower court when PC G said this as I just checked both the appeal case notes and the lower courts clerk notes, and it is clearly in the lower court clerks notes when PC G said this, so when the appeal came, he changed what he said to the reason why my son was arrested.
(See below clerk notes lower court) I established his name – had difficulties with his address. In the end arrested him as he would not provide his address. At Peckham custody he provided details I issued penalty notice. I believe if you check the clerk court notes you will see this clearly. So why was my son arrested unlawfully?
Why did he even tell the appeal judge he did not have a notebook?
Seeing as we never had any of PC G's statements could I get them, the one that he made when he got back to the police station, the one that should have come when we were told about a court date. and if I am allowed the statement he wrote in regards to the complaint, I sure he must have made a statement when the 1st investigation was ongoing when he was still a police officer before he left, and any other information that can be given, maybe the police officer statement that was with PC G on that day and maybe his notebook, also the inspectors who was called to the road side and never done anything, maybe his statement and notebook, as there was more than one officer that day and they should have an account what happened.
3677,
I also cannot understand why when my son was arrested why no one can found the custody record as I would like that. And any other reports or information I am allowed.
Regards
Lorraine

Hello Lorraine,
I apologise for my delayed reply. The report is still awaiting what we call a Reg 19 determination, once that's made, I'll send the report to you. I apologise for the delay. Re the additional material, a redacted copy of the relevant pages of PC G's pocket book are attached. If you could have a look at the original report, in particular what documents it refers to, and let me know what you're not in possession of I'd be grateful.

Hi Jamie

thank you for the document but can I please ask something has PC G notebook been edited in anyway as from the images they really look to have been edited, I have shown a few people what you sent me and each have said the same thing. Also, I knew PC G said my son was arrested because he would not give his address, which is clearly wrong because my son did give his address and it is clearly in the notebook. I just told you the wrong court as I was thinking he said this in the appeal case at the crown court when my son won his case, But it was not it was in the lower court when PC G said this as I just checked both the appeal case notes and the lower courts clerk notes, and it is clearly in the lower court clerks notes when PC G said this, so when the appeal came he changed what he said to the reason why my son was arrested.

(See below clerk notes lower court)
I established his name – had difficulties with his address.
In the end arrested him as he would not provide his address.
At Peckham custody he provided details I issued penalty notice.
I believe if you check the clerk court notes you will see this clearly. So why was my son arrested unlawfully?
Why did he even tell the appeal judge he did not have a notebook?
Seeing as we never had any of PC G's statements could I get them, the one that he made when he got back to the police station, the one that should have come when we were told about a court date. and if I am allowed the statement, he wrote in regards to the complaint, I sure he must have made a statement when the 1st investigation was ongoing when he was still a police officer before he left, and any other information that can be given, maybe the police officer statement that was with PC G on that day and maybe his notebook, also the inspectors who was called to the road side and never done anything, maybe his statement and notebook, as there was more than one officer that day and they should have an account what happened. I also cannot understand why when my son was arrested why no one can found the custody record as I would like that. And any other reports or information I am allowed.

I, Mr. Lemmy Nwabuisi, of PO BOX 50, Civic Centre, Enfield, EN1 3XA make this statement believing it to be true and understand that it may be placed before court. Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my personal knowledge it is true to the best of mv knowledge. **I Will Say as Follows 1**. I am employed by the London Borough of Enfield as an Anti-Social Behaviour Coordinator in the Community Safety Unit. I have held this employment since August 2016. My role as an Anti-Social Coordinator consists of investigating and dealing with reports of anti-social behaviour involving council and non-council tenants. My involvement with the **Page 10** - Defendant was due to allegations of verbal abuse, threats, harassment and intimidation made against him by some of his neighbours. **2.** I make this Witness Statement in support of the Claimant's application dated **08th January 2018.** This is my second witness statement in the above proceedings. **Backgrounds to the case 3.** The Claimant obtained an interim injunction against the Defendant on **09th August 2017** under claim number **D02ED073.** On **13th December 2017**, the Court made an order striking out the Claimant's claim on the basis that it failed to file its direction questionnaire on **17th November 2017** as directed. The Court stated that it received the Claimant's questionnaire on **20th November 2017** and therefore ordered that the Claim be struck out and that the interim injunction order be discharged. **4.** The Claimant's solicitor emailed the Edmonton County Court on **14th November 2017** asking that the Claim be reinstated as it had filed its direction questionnaire on **17th November at 11.59** and was therefore within time. The email has not been responded to until today. **5.** On **03rd January 2018**, the Claimant filed an application notice at the Court by email asking for the Claim to be reinstated. The application was filed after the Court served an order dated **02nd January 2018** ordering the Claimant to pay the Defendant's legal costs. A copy of the application notice can be found under exhibit LN01. **6.** Mr. Mathiyalagan who is one of the Defendant's neighbours and resident at Flat 117 Burncroft Avenue, Enfield contacted me and complained about further incidents of anti-social behaviour he was subjected to by the **Page 11** - Defendant, ft is also to be noted that Mr. Mathiyaiagan provided evidence in support of the initial injunction order **Incidents of anti-social behaviour- 7.** On **14th November 2017** Mr. Mathiyaiagan telephoned me to report an incident that occurred at **11:30am on 11th November 2017**. He reported that his wife was alone inside their flat when the Defendant came to their front door, opened the

letterbox and peeped through it to see who was inside the flat. Mr. Mathiyaiagan stated that the Defendant started swearing and shouting abuse and banging on his front door as soon as he saw his wife. He then ran downstairs when his wife went to get her mobile phone to record the incident. He stated that his wife called the police, CAD No. 3230 of **11th November 2017** and the police attended and went and spoke to the Defendant and came and informed his wife that he denied coming to their front door. A file note of this report is under exhibit LN02. **8.** On **05th January 2018** Mr. and Mrs. Mathiyaiagan met with me to report recent incidents that occurred on **2nd and 3rd January 2018.** Mr. Mathiyaiagan reported that on **02nd January 2018 at 6:30pm,** his wife was inside their flat trying to assemble a cupboard, she was with their 3-year- old daughter and a cousin who was asleep at the time. He stated that suddenly his wife heard someone banging on their front door. She went to the door with her phone and overheard the Defendant shouting that there was noise coming from their flat. His wife told the Defendant that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside his front door for more than twenty minutes swearing and shouting abuse at his wife. Mr. Mathiyaiagan stated that the Defendant went away and returned half an hour later, he lifted his letterbox flap, stuck his mobile phone through the letterbox and started to record his family while swearing **Page 12** - and shouting abuse at his wife. This went on for about fifteen minutes. The matter was reported to the police, CAD No. 5121 of **02nd January 2018. 9.** Mr. Mathiyalagan also stated that on **03rd January 2018 at 9:30am**, the Defendant came to his front door and started banging on the door. He went and asked him what the problem was and he complained that his wife was banging on the floor the previous day for about an hour. He explained to the Defendant that his wife was not banging on the floor, that she was trying to assemble a cupboard but he called him a liar and continued to swear and shout abuse at him and his wife. Mr. Mathiyalagan also stated that the Defendant threatened to kill him and his family and said to him that they will not be safe from him no matter where they are. Mr. Mathiyalagan stated that the Defendant then forced his way into their flat but his wife managed to push him out and double-locked the door. He called the police, CAD No. 2098 of **03rd January 2018** and police officers attended and advised them to report the matter to the council. A file note of this report is under exhibit LN3. **10.** Mr. Mathiyalagan stated that him and his wife recorded the incidents on their mobile phones and played the recordings to me. One of the recordings dearly showed a person whom l believes to be the Defendant looking through Mr. Mathiyalagan's letterbox with a mobile phone on one hand. On the other recordings, I could clearly hear a person whom I also believe to be the Defendant shouting, swearing and making death threats to Mr. and Mrs. Mathiyalagan. **11.** Mr. and Mrs. Mathiyalagan have stated the Defendant's behaviour is causing him and his family a lot of distress and anxiety. They have reported that they are afraid to live in their own home because of the Defendant's recent threats to kill. Mr. Mathiyalagan have also stated that his wife and three-year-old daughter are afraid to stay in the flat on their own or leave the flat alone without him or his cousin accompanying them. He **Page 13** - stated that the recent threats from the Defendant have made it difficult for them to live in their own home and that they are constantly having to double lock their front door for fear that the Defendant may break into their flat again. **ORDER SOUGHT FROM THE COURT** Request that the Claim and interim injunction order of **09th August 2017** be reinstated **12.** The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order. **13.** The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the

time the incident was reported by Mr. Mathiyalagan, they were not aware of the injunction although it was served to a different department. The Defendant also denied the incident and Mr. Mathiyalagan could not prove that the incident took place. The police have now referred this incident to an investigating officer and created a crime reference number 5200 37618. **14.** The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018** but the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. The police advised that had the injunction been in place, the Defendant **Page 14** - could have well been arrested in light of Mr. Mathiyalagan being able to evidence the incident by way of the audio recordings. **15.** The recent incidents and death threats are extremely serious and I have concerns that the Defendant may escalate his actions further. Mr. Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible. Declaration from the Court that the injunction order has been effective throughout the period of **13th December 2017** to present. **16.** The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim. **17.** The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017**. **18.** However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated **02nd and 03rd January 2018** and enclose a new claim for an injunction for the Court's consideration. **Page 15** – Permission to bring and serve an application for the Defendant's committal under CPR 81. **19.** In the event that the Court agrees to reinstate the injunction and to make a declaration that the Defendants has acted against the terms of the injunction dated **09th August 2017**, it is the Claimant's intention to bring an application for committal against the Defendant. Therefore, we would like permission from the Court to bring and serve an application for the Defendant's committal under CPR 81 for breaches of the terms of the injunction for the incidents dated **11th November 2017**, **02nd and 03rd January 2018. Statement of Truth** I believe the facts in this Witness Statement are true. **Dated** this **08th January 2018 16** - This is the **exhibit LN1** of the witness statement of Lemmy Nwabuisi **dated 08th January 2018**. **CLAIM NO: D02ED073**. **Defendant**."

16. The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order.

17. I WILL SAY AS FOLLOWS

1. I am the tenant of Flat 113 Bumcroft Avenue, Enfield, EN3 7JQ. My flat is located two floors above the Defendant's. I live there with my wife and children. DIRECTIONS ORDER

6. I make this Witness Statement in support of the Claimant's application for committal as the Defendant is in breach of the Injunction Order with Power of Arrest made against him In the County Court at Edmonton on **9th August 2017.**

7. The Defendant's abusive Behaviour towards my family and I stopped for some time after the Claimant obtained the Injunction against him although he continued to make general comments towards us whenever he sees me or my wife entering or leaving the block.

8. On **11th November 2017** between 11:30am and 12pm, my wife was at home when the Defendant came up to our front door, opened the letterbox and peeped through it to see who was inside our flat. He started swearing and shouting abuse and banging on the door as soon as he saw my wife. He then ran downstairs when my wife went to get her mobile phone to record the incident. My wife telephoned the police and reported the incident, CAD No. 3230 of **11/11/2017**. The police attended about two hours later, went and spoke to the Defendant and came informed my wife that he denied coming to our front door.

9. On **2nd January 2018 at 6:30pm**, my wife was inside our flat trying to assemble a cupboard that was bought from Ikea. Our three-year-old daughter and my cousin who was asleep at the time were also in the flat. Suddenly my wife heard someone banging on our front door and she went to the door with her phone and overheard the Defendant shouting that there was noise coming from our flat. My wife told him that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside our front door for more than twenty minutes swearing and shouting abuse at my wife.

10. The Defendant went away and returned half an hour later, he lifted our letterbox flap, stuck his mobile phone through the letterbox and started to record my family while swearing and shouting abuse. This went on for about ten to fifteen minutes. The matter was reported to the police, CAD No. 5121 of **02/01/2018.**

11. On **3rd January at 9:30am**, I was inside our flat with my wife and daughter when the Defendant came and started banging on our front door. I went and asked him what the problem was, and he stated that my wife was banging on the floor yesterday for about an hour. I told him that my wife was not banging on the floor, that she was trying to assemble a cupboard, but he called me a liar and continued to shout and swear at us. He threatened to kill us and bum down our property and stated that we will not be safe no matter where we are. The Defendant then forced his way into our flat, but my wife managed to push him out and double-locked the door. I called the police and they came and advised us to report the matter to the council, CAD No. 2098 of 0**3/01/2018.** The officers refused to listen to the audio recording of the incident and advised that we should ask the council to rehouse us.

12. The recent abuse and threats to kill from the Defendant have made it difficult for us to live in our own home. My wife is afraid to stay in our flat alone with our daughter or leave the flat alone without me or my cousin accompanying her. The Defendant's Behaviour is also causing a lot of distress and anxiety not only to me and my wife but also to our three-year- old daughter.

Statement of Truth

Meeting with Mr and Mrs Mathiyalagan 117 Burncroft Avenue, Enfield, EN3

Mr and Mrs Mathiyalagan attended the Civic Centre to report recent incidents that occurred on **2nd and 3rd January 2018.** Mr Mathiyalagan stated that on **2nd January 2018 at 6:30pm,** his wife was inside their flat trying to assemble a cupboard with their three-year-old daughter and his cousin who was asleep at the time. He stated that suddenly his wife heard someone banging on their front door. She went to the door with her phone and overheard Mr Cordell shouting that there was noise coming from their flat. His wife told Mr Cordell that she was trying to assemble a cupboard, but he called her liar and accused her of deliberately banging on the floor. Mr Mathiyalagan stated that Mr Cordell then stood outside his front door for more than twenty minutes swearing and shouting abuse at his wife.

Mr Mathiyalagan stated that Mr Cordell then went away and returned half an hour later, lifted his letterbox flat, stuck his mobile phone through the letterbox and started to record his family while swearing and shouting abuse at his wife. This went on for about fifteen minutes until his wife threatened to call to call the police. The matter was reported to the police, **CAD No. 5121 of 2nd January 2018.**

Mr Mathiyalagan also stated that on **3rd January 2018 at 9:30am**, Mr Cordell came to his front door and started banging on the door and was swearing and shouting abuse at him and his wife. He went and asked him what the problem was, and he complained that his wife was banging on the floor the previous day for about an hour. He explained to him that his wife was not banging on the floor, that she was trying to assemble a cupboard, but he called him a liar and continued to swear and shout abuse at him and his wife. Mr Mathiyalagan also stated that Mr Cordell then threatened to kill him and his family and bum down his property and said to him that they will not be safe from him no matter where they are.

Mr Mathiyalagan stated that Mr Cordell then forced his way into their flat by either using an object to open or by pushing it very hard, he is not sure how he did it, but his wife managed to push him out and double-locked the door. He called the police, **CAD No. 2098**

of **3rd January 2018** and police officers attended and advised them to report the matter to the council.
Mr Mathiyalagan stated that him and his wife recorded the incidents on their mobile phones and played the recordings to me. One of the recordings clearly showed a person whom I

I am employed by the London Borough of Enfield as an Anti-Social Behaviour Coordinator in the Community Safety Unit. I have held this employment since August 2016. My role as an Anti-Social Coordinator consists of investigating and dealing with reports of anti-social behaviour involving council and non-council tenants. My involvement with the **Page 10** - Defendant was due to allegations of verbal abuse, threats, harassment and intimidation made against him by some of his neighbours. **2.** I make this Witness Statement in support of the Claimant's application dated **08th January 2018.** This is my second witness statement in the above proceedings. **Backgrounds to the case 3.** The Claimant obtained an interim injunction against the Defendant on **09th August 2017** under claim number **D02ED073.** On **13th December 2017**, the Court made an order striking out the Claimant's claim on the basis that it failed to file its direction questionnaire on **17th November 2017** as directed. The Court stated that it received the Claimant's questionnaire on **20th November 2017** and therefore ordered that the Claim be struck out and that the interim injunction order be discharged. **4.** The Claimant's solicitor emailed the Edmonton County Court on **14th November 2017** asking that the Claim be reinstated as it had filed its direction questionnaire on **17th November at 11.59** and was therefore within time. The email has not been responded to until today. **5.** On **03rd January 2018**, the Claimant filed an application notice at the Court by email asking for the Claim to be reinstated. The application was filed after the Court served an order dated **02nd January 2018** ordering the Claimant to pay the Defendant's legal costs. A copy of the application notice can be found under exhibit LN01. **6.** Mr. Mathiyalagan who is one of the Defendant's neighbours and resident at Flat 117 Burncroft Avenue, Enfield contacted me and complained about further incidents of anti-social behaviour he was subjected to by the **Page 11** - Defendant, ft is also to be noted that Mr. Mathiyaiagan provided evidence in support of the initial injunction order **Incidents of anti-social behaviour- 7.** On **14th November 2017** Mr. Mathiyaiagan telephoned me to

report an incident that occurred at **11:30am on 11th November 2017**. He reported that his wife was alone inside their flat when the Defendant came to their front door, opened the letterbox and peeped through it to see who was inside the flat. Mr. Mathiyaiagan stated that the Defendant started swearing and shouting abuse and banging on his front door as soon as he saw his wife. He then ran downstairs when his wife went to get her mobile phone to record the incident. He stated that his wife called the police, CAD No. 3230 of **11th November 2017** and the police attended and went and spoke to the Defendant and came and informed his wife that he denied coming to their front door. A file note of this report is under exhibit LN02. **8.** On **05th January 2018** Mr. and Mrs. Mathiyaiagan met with me to report recent incidents that occurred on **2nd and 3rd January 2018.** Mr. Mathiyaiagan reported that on **02nd January 2018 at 6:30pm,** his wife was inside their flat trying to assemble a cupboard, she was with their 3-year- old daughter and a cousin who was asleep at the time. He stated that suddenly his wife heard someone banging on their front door. She went to the door with her phone and overheard the Defendant shouting that there was noise coming from their flat. His wife told the Defendant that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside his front door for more than twenty minutes swearing and shouting abuse at his wife. Mr. Mathiyaiagan stated that the Defendant went away and returned half an hour later, he lifted his letterbox flap, stuck his mobile phone through the letterbox and started to record his family while swearing **Page 12** - and shouting abuse at his wife. This went on for about fifteen minutes. The matter was reported to the police, CAD No. 5121 of **02nd January 2018. 9.** Mr. Mathiyalagan also stated that on **03rd January 2018 at 9:30am**, the Defendant came to his front door and started banging on the door. He went and asked him what the problem was and he complained that his wife was banging on the floor the previous day for about an hour. He explained to the Defendant that his wife was not banging on the floor, that she was trying to assemble a cupboard but he called him a liar and continued to swear and shout abuse at him and his wife. Mr. Mathiyalagan also stated that the Defendant threatened to kill him and his family and said to him that they will not be safe from him no matter where they are. Mr. Mathiyalagan stated that the Defendant then forced his way into their flat but his wife managed to push him out and double-locked the door. He called the police, CAD No. 2098 of **03rd January 2018** and police officers attended and advised them to report the matter to the council. A file note of this report is under exhibit LN3. **10.** Mr. Mathiyalagan stated that him and his wife recorded the incidents on their mobile phones and played the recordings to me. One of the recordings dearly showed a person whom l believes to be the Defendant looking through Mr. Mathiyalagan's letterbox with a mobile phone on one hand. On the other recordings, I could clearly hear a person whom I also believe to be the Defendant shouting, swearing and making death threats to Mr. and Mrs. Mathiyalagan. **11.** Mr. and Mrs. Mathiyalagan have stated the Defendant's behaviour is causing him and his family a lot of distress and anxiety. They have reported that they are afraid to live in their own home because of the Defendant's recent threats to kill. Mr. Mathiyalagan have also stated that his wife and three-year-old daughter are afraid to stay in the flat on their own or leave the flat alone without him or his cousin accompanying them. He **Page 13** - stated that the recent threats from the Defendant have made it difficult for them to live in their own home and that they are constantly having to double lock their front door for fear that the Defendant may break into their flat again. **ORDER SOUGHT FROM THE COURT** Request that the Claim and interim injunction order of **09th August 2017** be reinstated **12.** The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order. **13.** The Claimant's legal department contacted the police on **05th January 2018** and enquired as to

the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the time the incident was reported by Mr. Mathiyalagan, they were not aware of the injunction although it was served to a different department. The Defendant also denied the incident and Mr. Mathiyalagan could not prove that the incident took place. The police have now referred this incident to an investigating officer and created a crime reference number 5200 37618. **14.** The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018** but the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. The police advised that had the injunction been in place, the Defendant **Page 14** - could have well been arrested in light of Mr. Mathiyalagan being able to evidence the incident by way of the audio recordings. **15.** The recent incidents and death threats are extremely serious and I have concerns that the Defendant may escalate his actions further. Mr. Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible. Declaration from the Court that the injunction order has been effective throughout the period of **13th December 2017** to present. **16.** The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim. **17.** The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017**. **18.** However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated **02nd and 03rd January 2018** and enclose a new claim for an injunction for the Court's consideration. **Page 15** – Permission to bring and serve an application for the Defendant's committal under CPR 81. **19.** In the event that the Court agrees to reinstate the injunction and to make a declaration that the Defendants has acted against the terms of the injunction dated **09th August 2017**, it is the Claimant's intention to bring an application for committal against the Defendant. Therefore, we would like permission from the Court to bring and serve an application for the Defendant's committal under CPR 81 for breaches of the terms of the injunction for the incidents dated **11th November 2017**, **02nd and 03rd January 2018. ORDER SOUGHT FROM THE COURT

• Request that the Claim and interim injunction order of 09th August 2017 be reinstated

38. The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order.

39. The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. 10. What information will you be relying on, in support of your application?
the attached witness statement "marked yes"
the statement of case
the evidence set out in the box below "marked yes"
If necessary, please continue on a separate sheet
The Claimant was ordered by the Court on **06 November 2017** to file and serve a copy of Its direction's questionnaire by no later than **17 November 2017.** The Claimant did so and emailed a copy of its questionnaire to the Court's enquiry Inbox on **17 November 2017 at 11:59.** However the Court made an order on **13 December 2017** applying the sanction of **06 November 2017** order on the basis that it only received the hardcopy of the directions questionnaire on **20 November 2017.** The Court when making this order disregarded the fact that the questionnaire was effectively filed by the Claimant by email on 17 December and therefore within the deadline. The Claimant emailed the Court on **14 December 2017** with evidence that it had effectively filed his allocation questionnaire on **17 December** and asking that the Claim and injunction order be reinstated but received no response to this correspondence as to date.
Furthermore, the Defendant's solicitors filed an application notice on **21 December 2017,** asking that the Claimant pays the Defendant's costs as a result of the claim being struck out. The application was made without notice. The Court considered the application on **02 January 2018 and** made an order that the Claimant pays the Defendant's legal costs on a standard basis. The Claimant therefore makes this application to set aside the Court orders dated **13 December 2017** and **02 January 2018.**

I asked whether his wife recorded the incident and he said, that Mr. Cordell left when his wife went to get her mobile phone. He also stated that there were no witnesses as his wife was alone in the flat at the time. I asked whether his wife showed a copy of the injunction and power of arrest to the police officers that attended, and he said no that she did not. I advised him that in future, they must show the court order to the police as the officers that will attend may not be aware of the injunction. Lemmy Nwabuisi / ASB Co-Ordinator / File Note."

Mr Mathiyalagan stated that Mr Cordell started swearing and shouting abuse and banging on his front door as soon as he saw his wife. He then ran downstairs when his wife went to get her mobile phone to record the incident. He stated that his wife called the police, CAD No. 3230 of **11th November 2017** and the police attended and went and spoke to Mr Cordell end came and informed his wife that he denied coming to their front door and therefore they are unable to take any action against him.
I asked whether his wife recorded the incident and he said, that Mr Cordell left when his wife went to get her mobile phone. He also stated that there were no witnesses as his wife was alone in the flat at the time. I asked whether his wife showed a copy of the injunction and power of arrest to the police officers that attended, and he said no that she did not. I

advised him that in future, they must show the court order to the police as the officers that will attend may not be aware of the injunction.

He stated that he has 'stripped' our computers and obtained personal information about us. He made references to my company accounts, the university I attended and the course I studied. He also stated that he knows where all our houses are and that we are not safe. **7** The matter was reported to the police, **Crime Reference:** 5200718/18 and the Defendant was arrested at about 8:00pm on 9th February 2018 and released on bail on **10th February 2018** pending further investigation. 4 I make this Witness Statement in support of the Claimant's application to vary the interim injunction order of **09th January 2018.** This is my second statement in the above proceedings.

Background:

5 On **9th January 2018** at about 12:18pm, the Defendant telephoned me and accused me of killing his baby. He accused me of forging documents to get an Anti-Social Behaviour Order (ASBO) against him thereby making him a prisoner inside his own home and that this is now personal between us. He stated that he knows where I live in Enfield and that me and my family are not safe from him. He also stated that he has watched me leave the office and have followed me home, that he can 'get me' any time he likes and that I should watch my back.

6 The Defendant telephoned me again about thirty minutes later and left a voice message for me. He again accused me of killing his baby, that I was biased against him and that l was a criminal. He mentioned one of my colleagues by name and stated that he knows that she has a flat in Winchmore Hill and that she fives in Edmonton. He stated that he has 'stripped' our computers and obtained personal information about us. He made

references to my company accounts, the university I attended and the course I studied. He also stated that he knows where all our houses are and that we are not safe.

7 The matter was reported to the police, Crime Reference: 5200718/18 and the Defendant was arrested at about 8:00pm on **9th February 2018** and released on bail on **10th February 2018** pending further investigation. He is due to report back to Woodgreen Police Station on **5th February 2018.**

8 The interim injunction order which was made by the Court on **09th January 2018** excludes the Defendant from causing distress and harassment to the Claimant's employees. However, the interim injunction order is limited to the area of Burncroft Avenue, Enfield, EN3 and not necessary to my personal address or workplace. In view of the Defendant's past conduct I have concerns that he may attempt to harass me and my family and would like the order to be varied to exclude the Defendant or his associates from approaching me at my work and home address.

Statement of Truth
I believe the facts in this Witness Statement are true.

Will Say as Follows - 1. I am employed by the London Borough of Enfield as an Anti-Social Behaviour Coordinator in the Community Safety Unit. I have held this employment since August 2016. My role as an Anti-Social Coordinator consists of investigating and dealing with reports o1 anti-social Behaviour involving council and non-council tenants. My involvement with the - **Page 13** – Defendant was due to allegations of verbal abuse, threats, harassment and intimidation made against him by some of his neighbours **2.** I make this Witness Statement in support of the Claimant's application dated **08th January 2018**. This is my second witness statement in the above proceedings. - **Backgrounds to the case - 3.** The Claimant obtained an interim injunction against the Defendant on **09th August 2017** under claim number **D02ED073**. On **13th December 2017**, the Court made an order striking out the Claimant's claim on the basis that it failed to file its direction questionnaire on **17th November 2017** as directed. The Court stated that it received the Claimant's questionnaire on **20th November 2017** and therefore ordered that the Claim be struck out and that the interim injunction order be discharged. **4.** The Claimant's solicitor emailed the Edmonton County Court on **14th November 2017** asking that the Claim be reinstated as it had filed its direction questionnaire on **17th November at 11.59** and was therefore within time. The email has not been responded to until today. **5.** On **03rd January 2018,** the Claimant filed an application notice at the Court by email asking for the Claim to be reinstated. The application was filed after the Court served an order dated **02nd January 2018** ordering the Claimant to pay the Defendant's legal costs. A copy of the application notice can be found under exhibit LN01. **6.** Mr Mathiyalagan who Is one of the Defendant's neighbours and resident at Flat 117 Burncroft Avenue, Enfield contacted me and complained about further incidents of anti-social Behaviour he was subjected by the - **Page 14** – Defendant. It is also to be noted that Mr Mathiyaiagan provided evidence in support of the initial injunction order. - **Incidents of anti-social Behaviour - 7.** On **14th November 2017** Mr Mathiyaiagan telephoned me to report an incident that occurred at **11:30am** on **11th November 2017**. He reported that his wife was alone inside their flat when the Defendant came to their front door, opened the letterbox and peeped through it to see who was inside the flat. Mr Mathiyaiagan stated that the Defendant started swearing and shouting abuse and banging on his front door as soon as he saw his wife. He then ran downstairs when his wife went to get her mobile phone to record the incident. He stated that his wife called the police, **CAD No.** 3230 of **11th November 2017** and the police attended and went and spoke to the Defendant and came and informed his wife that he denied coming to their front door. A file note of this report is under exhibit LN02. **8.** On **05th January 2018** Mr and Mrs. Mathiyaiagan met with me to report recent incidents that occurred on **02nd and 03rd January 2018**. Mr Mathiyaiagan reported that on **02nd January 2018 at 6:30pm**, his wife was inside their flat trying to assemble a cupboard, she was with their 3-year- old daughter and a cousin who was asleep at the time. He stated that suddenly his wife heard someone banging on their front door. She went to the door with her phone and overheard the Defendant shouting that there was noise coming from their flat. His wife told the Defendant that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside his front door for more than twenty minutes swearing and shouting abuse at his wife. Mr Mathiyalagan stated that the Defendant went away and returned half an hour later, he lifted his letterbox flap, stuck his mobile phone through the letterbox and started to record his family while swearing - **Page 15** – and shouting abuse at his wife. This went on for about fifteen minutes. The matter was reported to the police, **CAD No**. 5121 of **02nd January 2018**. - **9.** Mr Mathiyalagan also stated that on **03rd January 2018 at 9:30am**, the Defendant came to his front door and started banging on the door. He went and asked him what the problem was, and he complained that his wife was banging on the floor the previous day for about an hour. He explained to the Defendant that his wife was not banging on the floor, that she was trying to

assemble a cupboard, but he called him a liar and continued to swear and shout abuse at him and his wife. Mr Mathiyalagan also stated that the Defendant threatened to kill him and his family and said to him that they will not be safe from him no matter where they are. Mr Mathiyalagan stated that the Defendant then forced his way into their flat, but his wife managed to push him out and double-locked the door. He called the police, **CAD No**. 2098 of **03rd January 2016** and police officers attended and advised them to report the matter to the council. A file note of this report is under exhibit LN3. **10.** Mr Mathiyalagan stated that him and his wife recorded the incidents on their mobile phones and played the recordings to me. One of the recordings clearly showed a person whom I believe to be the Defendant looking through Mr Mathiyalagan letterbox with a mobile phone on one hand. On the other recordings, I could clearly hear a person whom I also believe to be the Defendant shouting, swearing and making death threats to Mr and Mrs. Mathiyalagan. **11.** Mr and Mrs. Mathiyalagan have stated the Defendant's Behaviour is causing him' and his family a lot of distress and anxiety. They have reported that they are afraid to live in their own home because of the Defendant1 s recent threats to kill. Mr Mathiyalagan have also stated that his wife and three-year-old daughter are afraid to stay in the flat on their own or leave the fiat alone without him or his cousin accompanying them. He - **Page 16** – **12.** stated that the recent threats from the Defendant have made It difficult for them to live in their own home and that they are constantly having to double lock their front door for fear that the Defendant may break into their flat again. - **Order Sought from The Court** - **13.** Request that the Claim and interim injunction order of **08th August 2017** be reinstated. **14.** The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order. **15.** The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11th November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the time the incident was reported by Mr Mathiyalagan, they were not aware of the injunction although it was served to a different department The Defendant also denied the incident and Mr Mathiyalagan could not prove that the incident took place. The police have now referred this Incident to an investigating officer and created a crime reference number 5200 37618. **16.** The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018**, but the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. The police advised that had the injunction been in place, the Defendant - **Page 17** – could have well been arrested in light of Mr Mathiyalagan being able to evidence the incident by way of die audio recordings. **17.** The recent incidents and death threats are extremely serious, and I have concerns that the Defendant may escalate his actions further. Mr Mathiyalagan and his family do not feel safe anymore and on that basis, it would be of great assistance if the Claim and injunction order be reinstated as soon as possible. **18.** Declaration from the Court that the injunction order has been effective throughout the period of **13th December 2017** to present. **19.** The interim injunction order was discharged purely because of a technicality, however had the Court realised that the Claimant had filed the questionnaire on time, it would not have struck out the Claim. **20.** The Court should note that the Defendant started to act anti-socially again, soon after he was notified by the Court that the interim order, has been discharged. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017**. - **21.** However, in the event that the Court cannot make such a declaration, we would ask the

Court to make a new injunction order to cover the recent incidents dated **02nd and 03rd January 2018** and enclose a new claim for an injunction for the Court's consideration. - **Page 18** – Permission to bring and serve an application for the Defendant's committal under CPR81. **22.** In the event that the Court agrees to reinstate the injunction and to make a declaration that the Defendants has acted against the terms of the injunction dated 09th August 2017, it is the Claimant's intention to bring an application for committal against the Defendant. Therefore, we would like permission (torn the Court to bring and serve an application for the Defendant's committal under CPR 81 for breaches of the terms of the injunction for the incidents dated **11th November 2017**, **02nd and 03rd January 2018**. - **Statement of Truth** - I believe the facts in this Witness Statement are true. **Signed** - **Dated** this **08th January 2018**."

2. I make this Witness Statement in support of the Claimant's application dated **08th January 2018. This** is my second witness statement in the above proceedings.

Backgrounds to the case

3. The Claimant obtained an interim injunction against the Defendant on **09th August 2017** under claim number D02ED073. On **13th December 2017**, the Court made an order striking out the Claimant's claim on the basis that it failed to file its direction questionnaire on **17th November 2017** as directed. The Court stated that it received the Claimant's questionnaire on **20th November 2017** and therefore ordered that the Claim be struck out and that the interim injunction order be discharged.

4. The Claimant's solicitor emailed the Edmonton County Court on **14th November 2017** asking that the Claim be reinstated as it had filed its direction questionnaire on **17th November at 11.59** and was therefore within time. The email has not been responded to until today.

5. On **03rd January 2018,** the Claimant filed an application notice at the Court by email asking for the Claim to be reinstated. The application was filed after the Court served an order dated **02nd January 2018** ordering the Claimant to pay the Defendant's legal costs. A copy of the application notice can be found under exhibit LN01.

6. Mr Mathiyalagan who Is one of the Defendant's neighbours and resident at Flat 117 Burncroft Avenue, Enfield contacted me and complained about further incidents of anti-social Behaviour he was subjected to by the

the initial injunction order.

Incidents of anti-social Behaviour

7. On **14th November 2017** Mr Mathiyaiagan telephoned me to report an incident that occurred at **11:30am** on **11th November 2017.** He reported that his wife was alone inside their flat when the Defendant came to their front door, opened the letterbox and peeped through it to see who was inside the flat. Mr Mathiyaiagan stated that the Defendant started swearing and shouting abuse and banging on his front door as soon as he saw his wife. He then ran downstairs when his wife went to get her mobile phone to record the incident. He stated that his wife called the police, CAD No. 3230 of **11th November 2017** and the police attended and went and spoke to the Defendant and came and informed his wife that he denied coming to their front door. A file note of this report is under **exhibit LN02.**

8. On **5th January 2018** Mr and Mrs Mathiyaiagan met with me to report recent incidents that occurred on **2nd and 3rd January 2018**. Mr Mathiyaiagan reported that on **2nd January 2018 at 6:30pm**, his wife was inside their flat trying to assemble a cupboard, she was with their 3-year- old daughter and a cousin who was asleep at the time. He stated that suddenly his wife heard someone banging on their front door. She went to the door with her phone and overheard the Defendant shouting that there was noise coming from their flat. His wife told the Defendant that she was trying to assemble a cupboard, but he called her a liar and accused her of deliberately banging on the floor. The Defendant then stood outside his front door for more than twenty minutes swearing and shouting abuse at his wife. Mr Mathiyalagan stated that the Defendant went away and returned half an hour later, he lifted his letterbox flap, stuck his mobile phone through the letterbox and started to record his family while swearing

and shouting abuse at his wife. This went on for about fifteen minutes. The matter was reported to the police, CAD No. 5121 of **2nd January 2018.**

9. Mr Mathiyalagan also stated that on **3rd January 2018 at 9:30am,** the Defendant came to his front door and started banging on the door. He went and asked him what the problem was, and he complained that his wife was banging on the floor the previous day for about an hour. He explained to the Defendant that his wife was not banging on the floor, that she was trying to assemble a cupboard, but he called him a liar and continued to swear and shout abuse at him and his wife. Mr Mathiyalagan also stated that the Defendant threatened to kill him and his family and said to him that they will not be safe from him no matter where they are. Mr Mathiyalagan stated that the Defendant then forced his way into their flat, but his wife managed to push him out and double-locked the door. He called the police, CAD No. 2098 **of 3rd January 2016** and police officers attended and advised them to report the matter to the council. A file note of this report is under exhibit LN3.

10. Mr Mathiyalagan stated that him and his wife recorded the incidents on their mobile phones and played the recordings to me. One of the recordings clearly showed a person whom I believe to be the Defendant looking through Mr Mathiyalagan letterbox with a mobile phone on one hand. On the other recordings, I could clearly hear a person whom I also believe to be the Defendant shouting, swearing and making death threats to Mr and Mrs Mathiyalagan.

14. The Claimant has in its application notice dated **03rd January 2018** provided evidence that it filed its questionnaire on time. As such the Claim should have never been struck out and the Court is asked respectfully, to reinstate the Claim and the injunction order.

15. The Claimant's legal department contacted the police on **05th January 2018** and enquired as to the reasons why no arrests were made to the Defendant on **11lh November 2017** while a civil injunction was in place. The police officer looked at the file notes and explained that at the time the incident was reported by Mr Mathiyalagan, they were not aware of the injunction although it was served to a different department The Defendant also denied the incident and Mr Mathiyalagan could not prove that the incident took place. The police have now referred this Incident to an investigating officer and created a crime reference number 5200 37618.

The Claimant also advised the police of the incidents dated **02nd and 3rd January 2018, but** the police confirmed that they could not take actions as at the time of the incidents the civil injunction was discharged by the Court. Unfortunately, because the Claim was struck out the Claimant and the police are currently not able to take any actions against the Defendant. It is on that basis that we would like to ask the Court for a declaration that that the interim injunction order has been effective since **13th December 2017** and that the Defendant has been in breach of the interim injunction order dated **09th August 2017.**

21. However, in the event that the Court cannot make such a declaration, we would ask the Court to make a new injunction order to cover the recent incidents dated 02nd and 3rd January 2018 and enclose a new claim for an injunction for the Court's consideration.

Barnet, Enfield and Haringey Mental Health NHS Trust **4340961671 11214451** **Simon Cordell** **26/01/1981** **Lives on his own** **Murder threat**
09/01/2018 **109 Burncroft Avenue EN3 7JQ** **Mixed race** **Unemployed** _____ This decision can only be made by forensic medical examiners or custody nurse practitioners employed by the Met Police. **Reason for arrest**

Mr Cordell has alleged to have contact a council worker and left a message on their phone stating he knows where the council worker lives, will kill him and his family and set fire to his house and was arrested for suspicious threats to kill.

Background

Mr Cordell under the care of Enfield early intervention team based at Lucas house and he use has a care coordinator called Goodie. Mr Cordell currently has diagnoses of unspecified non organic psychosis. He was admitted to St Ann's hospital under section 2 of the MHA in August **2016**. He was discharged from hospital after 2 weeks of admission through the mental health tribunal. He has been prescribed anti psychosis medication but has refused to comply with his medication. Mr Cordell believes that he does not suffer from mental illness; he was discharge from services due to non-engagement. He is currently under Sliver Street CMHT and he not been attending his last appointment. Assessment in custody I saw Mr Cordell in his cell this afternoon after he was referred to us. I last saw Mr Cordell at Edmonton police station **2016** two week after he was discharged from inpatient admission. At that time when 1 saw him, he was expressing some strange ideas about his neighbours are jealous of him been in a newspaper about him organising illegal parties. He also spoke lengthy about a website he built and people are using the website to advertise their business and to raise funds for charities. He has express conspiracy theories

41

Barnet, Enfield and Haringey Mental Health NHS Trust

about the police and authorities. His care coordinator at the time Goodie told me that Mr Cordell has always expresses conspiracy theories about the system including the police and the council. Mr Cordell was pleasant on approach and he remembers seeing me previously which help to establish a rapport.

Appearance & Behaviour:

Mr Cordell was appropriately dressed and his personal hygiene appears relatively good

Speech:

His speech appears slightly pressured and rapid, he was coherent and spontaneous, he was easily interrupted whilst talking. He has lots of ideas of some of his activities that he is involving like organising parties, setting up charities and helping people in the community.

Mood:

He rated his mood fluctuating, subjectively hyperactive from school. He denied feeling low or depressed.

Thought:

Mr Cordell has presented with paranoid and suspicious view about the police and the council working together to suppress him with an ASBO, preventing him to undertake his activities like parties on the park and other activities.

Perception:

Mr Cordell denied hearing voices or having delusional perceptions. However, he has some paranoid and conspiracy ideas about the police and council but these are not psychotically driven. Mr Cordell seems to have a paranoid personality which can led to overvalued ideas.

Insight: intact

To self: denied any thoughts or intentions of self

To others: Poses risk to authorities like the council staff due to the nature of his arrest, however, he does not pose any immediate to a member of the public.

Impression

Mr Cordell is a 36 years mixed race male with previous contact with mental health service but his engagement with service has been poor. He has a brief admission in **2016** but was discharged on tribunal two weeks after admission and has not been engaging since then. Mr Cordell has always presented with strange ideas and conspiracy theories about authorities. At the moment in time, Mr Cordell has not presented with any acute symptoms of psychosis that will warrant further assessment in custody under the MHA. Mr Cordell has been interviewed by the police and he was for his outcome of the interview. Officer has issued his section 18 to searched his house as he admitted I the interview to have recorded his victims whilst he has been talking to them.

CONDITIONAL BAIL TO POLICE STATION GRANT

NOTES

- The applicable bail period (ABP), initially means the period of 28 days beginning the day after the person's arrest. There are cases where this may be extended to three months beginning with the person's bail start date on the authority of a senior officer. If the investigation is being conducted by the Serious Fraud Office, then the initial ABP will be three months.

- Further extensions to the ABP can be authorised by a magistrate's court, or if the case is exceptionally complex by a senior police officer.
- Your initial ABP ends on (enter date). However, this date could be different to your actual bail date. You should ensure that you attend on the date/time shown above.

- The ABP is suspended if the case is submitted to CPS for a charging decision until the date of its return. The ABP will be extended by the number of days that the case was with the CPS.

- You will be informed in writing if your ABP or bail date is amended.
- A person is normally bailed for 28 days; however, a custody officer can set a different or additional time at which the person is to attend the police station to answer bail.

- Your bail date has been varied (choose those applicable)
- To align with another bail return date as the person is already on pre-charge bail for another offence.
- The custody sergeant feels an earlier charging decision is likely
- To accommodate any requests from the person or their legal representative or to accommodate any policing requirements.

New Speaker:	00:54	And your name is?
Speaker 2:	01:06	Mr. Cordell Simon Cordell.
Speaker 1:	01:08	Okay. Um, let me have a look. Right, It went up to the judge and did not come back down yet.
Speaker 2:	01:19	Um, what do you mean what did, what would you would that mean?
Speaker 1:	01:22	Well, it's gone up to the judge.
New Speaker:	01:23	What today.
New Speaker:	01:23	No, no. it went up on the 1st of June
Speaker 2:	01:28	on the 1st of June and who
New Speaker:	01:28	Hm, hm.
Speaker 1:	01:31	It can take a while before it comes, comes back down. [inaudible] ifey [inaudible] let's see, um, I think a claim about a lettering and that was sent up to the judge.
New Speaker:	01:39	A letter came in from who.
New Speaker:	01:39	From the claimant.
New Speaker:	01:42	From.
New Speaker:	01:42	London Borough of, who is it the London Borough of who is it London Borough of Haringey Enfield oh, Enfield
Speaker 2:	01:49	Enfield. Lemmy and so forth
New Speaker:	01:49	yes.
New Speaker:	01:49	And do you know what, um, the last actual writ, what the actual order was on the 30th.
New Speaker:	01:54	I will have a look 30th of what?
Speaker 1:	01:56	Um, May.
New Speaker:	02:02	**[Staff Noise in the Background] Your dead.**
New Speaker:	02:02	The last order here was the 14 of May,
New Speaker:	02:02	**[Staff Noise in the Background] [inaudible]**
Speaker 2:	02:03	14th of May and that is
Speaker 1:	02:05	Bear, with me bear, bear with me two seconds. So, I can get into it.
New Speaker:	02:15	Uh, they claimant wanted the older to be amended. Wishes to amended the application yes, and that went up I think the oldest upon; Da, da, da, da, da, [inaudible]
Speaker 2:	02:31	To my understanding, yeah.
New Speaker:	02:34	Hm.
New Speaker:	02:34	That the application has never been put onto me, what actually initially happened is there was a lady judge and she, she brought the court into the um, to the courtroom just as you come around the stairs. Like there's a little court room on the left there and you go for a little room and then going into the courtroom,
New Speaker:	02:49	Ok.
New Speaker:	02:49	she basically dealt with the case. I was just wondering if you could help me by telling me what Judges they are and telling me what court numbers they are as well.

because I'm building my report and I want to put all of this information in it and on first time Lemmy put a first application in which is from Enfield council and he falsified the paperwork inside off all of that and I have all the evidence for it, 100% to prove. that he, he that he will get done for his target in Malice which is a 12-year sentence.

Speaker 2: 03:14 Yeah. And I would like that to be brought forward to him yet. And what my problem is, I explained to this judge, she was like an um, she was like a fair skin coloured um, lady. And I explained to her in that courtroom what Lemmy had done, she decided to abuse her position as a judge. And she forced upon, she let them force the paperwork through the court, eventually I kept proven what I was saying was right and I think a few others, what she'd done is she let other judges deal with the case in between. Now she's the one that initially opened up this file and allowed Lemmy to do these things. Now, Lemmy has continuously lost the cases and the points and the judges have dropped it out for silly reasons like time limits and that because they know if I get to trial I'm going to show the truth and it's goanna cause a lot more trouble than what it's worth, for Lemmy and that and now Lemmy and that seem to keep forcing the paperwork through that every time the judge strikes the whole application out he would just change the dates on it and then he'll repay for it to go back through again.

Speaker 2: 04:13 And then they reusing the same thing, less abuse, a process, unfair process. And, and that's been allowed to continue by the directors of your court and served.

New Speaker: 04:20 [Staff Noise in the Background] [inaudible].

New Speaker: 04:20 And I'm concerned about what judges have actually allowed this to happen. Now the other day I had the police come here and they tried to Nick me and activate the injunction. I was on the phone to a gentleman called Paul who was being quite polite. He was being very polite, thought helping me and speaking to me and just doing what's right from both parties, basically [inaudible]. And then what I've noticed was that the police come in and try to activate the injunction and took me to the police station. I've proved that the claims were wrong anyway and fabricated, but I've also got video evidence proving that I wasn't served. That someone come into the affidavit of service from one letter box and they have accepted that and they've told me that then not going to activate the injunction for that and let me come back home afterwards.

Speaker 2: 05:02 So now I'm concerned that this judge, knew this judge, she goes, she, she allowed this to happen in the

		beginning now on the 30th I was supposed to have another man judge, but I think he seen how much trouble there and told her to clean up her own mess. She's gone into court and she's waiting. [inaudible] and let a new barrister in. She's pretending she was all friendly to me, but her true intentions were to try to kill me in that courtroom and abuse our powers and get me in prison when she knew the truth from the beginning and throughout and she's been informed by all the charges of what is happening on her case that she opened up and allowed to happen. Now I want this Judge struck off the register yes and I don't play about, yeah, I've already got the Directors of Enfield and Wood Green going to court with me and we're going to the Old Bailey and I was going to leave this court alone, but I'm at a stage where I'm going to Sue this court and prosecute against this court as well now. Yeah, for what they're doing to people and what's not what's not right. It's a lower court and they shouldn't be abusing their powers in such a way. So, I was wonder if you can help me with the list of the judges that have dealt with my cases and I'll give you another claim number as well.
Speaker 1:	06:03	Right. You need what you need to do. Write in. you will have to write in.
New Speaker:	06:07	Ok.
New Speaker:	06:07	And the date that you had to hearing or the orders done, you need to write in and say right. I need the list of the judges that actually dealt with my case.
Speaker 2:	06:17	Can you tell me who the lady judge is now? You can just tell me off the computer. You can see her; I will come down to the offices if I have to with all of the paperwork and we will cause a big commotion down there.
Speaker 1:	06:26	Right, were is the order What was the last order that you got with a name on it?
Speaker 2:	06:29	The last order Yeah. Is there was a lady that attended what went into the court? She opened up the first injunction opened up all the upper injunctions. Now she has allowed this to happen thought in my name now.
New Speaker:	06:41	Yes, have you got the order in front of you.
New Speaker:	06:41	Year I have made all brand new books for the orders.
New Speaker:	06:45	Yeah, but what I am saying is that the order in front of you would have the names of all the judges that done dealt with it.
New Speaker:	06:50	Na
New Speaker:	06:51	That's what I'm saying
Speaker 2:	06:51	Na, what it has is, Na what it has is; I have got a book here for litigation and process, the English legal process and I've got a book to fill out. Any applications, civil law and co and everything. Now, I can, I've got the civil

		litigation **2016** and 17 book in front of me and it shows me where the stamps and the Seals should be how to fill out the forms and what should be happening,
Speaker 1:	07:11	but we're not talking about that. You want to know what Judges that actually dealt with your case.
Speaker 2:	07:17	That's who, that's who opened. That's who signed, signed, sealed. That could be the court clerk. That can be any person.
Speaker 1:	07:23	No, no, no. That's right. What you have to do, like I said, you have to write in.
Speaker 2:	07:28	I've got it in front of me now, in front of me right now, and the paperwork, you tell me any page or I should go to the first pages of any application. I made all special PDF books for them.
New Speaker:	07:36	**There dead.**
New Speaker:	07:36	Yes so now. Like if you go to adobe and InDesign and that, you can just wait an Epub book. Yeah. Now I've made brand new websites sick of the range the best of every angry calling.
New Speaker:	07:46	**There dead.**
New Speaker:	07:46	I've made all brand new digital books I've put them all up, we're there all interactive so things can jump out at the books and show them where their Frauded everything and I've done the whole lot the court is going to get ripped apart by a policed by IPOC, in a minute
Speaker 1:	07:59	Sir, I have to cut this call because I'm on the counter and somebody is waiting for me. What you need to do, you have to write in and ask for all the judges that dealt with your case, your list of their names. Yes
Speaker 2:	08:11	It's this injunction order on me now
Speaker 1:	08:13	you got another injunction order have you before that, year
Speaker 2:	08:15	No, I've won every case.
Speaker 1:	08:17	Okay, so what's the, what's the name on that injunction order that you have got
Speaker 2:	08:20	I've got, I've got here now two case numbers and I won each one. I won the first case number in your
Speaker 1:	08:27	Ok, let’s just do this one that you gave me.
New Speaker:	08:30	There all ruined.
New Speaker:	08:30	There ruined.
New Speaker:	08:30	What is the name of this judges that you got on the order? What's the name of it?
Speaker 2:	08:36	**There dead.**
New Speaker:	08:36	I've got about seven of them on the application. It says in the Edmonton County Court claim EEO, blah blah, blah. The London borough, Mr. Simon Cordell, the district judge Leftham sitting at the County Court.
New Speaker:	08:45	Ok, that is one.
New Speaker:	08:45	Yeah,
New Speaker:	08:45	Ok, what is the other order that you have got there.

New Speaker:	08:45	I've got loads of them.
New Speaker:	08:50	yes. But this is what's happening. It's.
New Speaker:	08:53	Yes, but what you need to do sir is highlight on your order that you have all of your orders highlight the Judges
Speaker 2:	09:00	I have Yeah, I've done that already.
New Speaker:	09:01	Right.
New Speaker:	09:01	and I've copied all of their pictures and then I've got a.
New Speaker:	09:05	Yes, but again you a hostage. Right
New Speaker:	09:05	wall of shame and I've put them in the wall of shame on their diaries. I've got every person that's in this application, I've got their names, but more judges than that have dealt with me. More judges have dealt with me.
New Speaker:	09:17	Okay.
Speaker 1:	09:17	You've got lesson that is one of the Judges that have deal with you. yes.
New Speaker:	09:18	Pardon, yes
New Speaker:	09:18	Was another judge there?
New Speaker:	**09:23**	**[Staff Noise in the Background] Yes.**
New Speaker:	09:23	Yes, there has been a lot of Judges.
New Speaker**:**	09:26	And what is the other order. What was the name of that judge on the other order?
Speaker 2:	09:29	If I go to massive books hang on let me get it out for a second, give me one second yes. This is the next order here. The first Injunction Order book here I have got them here in all brand-new folders. So, the first injunction order when I open it, what happened is, Lemmy has put a copy. You got a copy of Caron's statement because they are all now Indexed. Lemmy's harassment. Lemmy, John Ivons statement in Wood Green crown court. And you have the initial copy, the initial claim forms, which would go in oversley.
New Speaker:	**09:56**	**[inaudible].**
New Speaker:	09:56	Because I'll put everything all indexed and everything we done brand **new pages** there brand new top of the range books.
New Speaker:	10:01	Hello
Speaker 1:	10:02	But what you do need to do, is look at the orders just the orders I don't want to hear about claim forms get the orders together.
New Speaker:	10:09	ok.
New Speaker:	10:09	and then tell me the names of the judging.
Speaker 2:	10:15	Notice of discontinuation, hang on one second. Case history this is because Lemmy has put too much in here.
New Speaker:	10:18	**Your Dead.**
New Speaker:	10:18	What I'm goanna to do is go through them all myself now and let you explain to me after to go from one myself.

Speaker 1:	10:26	Yeah. write the name of the judges all of the judges. And then call us back.
New Speaker:	10:31	I will do that thank you.
New Speaker:	10:31	Yes. All right then. Bye. Bye. Bye.

Burncroft Avenue, Enfield, Middlesex EN3 7JQ. With the above-named defendant responded from behind the front door and as on my previous attendance at the address asked, "who is it". After having identified myself as I had done so on my previous attendance and the nature of my attending and with the defendant stating he had no wish to open the door to me and therefore refusing to accept service personally of the aforementioned envelope containing the documents referred to in this my statement; I did ask on more than one occasion if the defendant would oblige by opening the front door. That I did after having being refused access to personal service at the address and with the letterbox to the address quite clearly being obstructed by what left like a 'wooden plate' proceed to find a fixing for the sealed envelope addressed to the above-named defendant containing the aforementioned documentation. That I did continue to affix the envelope whist the defendant continued to speak in what could be best described as in a nonsensical manner as the conversation bore no relevance to my attending the address or the nature of my attendance. The defendant continues^ to speak about the 'unlawful' act I was performing by affixing with a cable tie the sealed envelope in a plastic wallet to the external door hinge of 109 Burncroft Avenue, EN3 7JQ. That I did whilst performing this act explain to the defendant that by his refusing to open the door to me and by sealing access through the letterbox that by effecting 'lodgement' at the address in this manner was the only course of

action left open to me. That I did having re-affirmed this to the defendant and his saying "what if someone takes this off in five minutes" state by virtue of our conversation and his knowledge of my action did not excuse his not wishing to be informed of the Claimant attempting to effect service upon the above-named Defendant. That I did at approximately 9.35.am affix with a cable tie in a plastic wallet attached to the side hinge 'barrel' of the door frame of 109 Burncroft Avenue, EN3 7JQ a sealed envelope addressed to the defendant in order that its content would have come to the attention of the Defendant.

2. This statement is true to the best of my knowledge and belief and I make it knowing that, if it were tendered in evidence, I would be liable to prosecution if I wilfully stated in it anything which I know to be false or did not believe to be true.

Speaker 1:	00:09	Good afternoon customer services Justine speaking. How may I help you?
Speaker 2:	00:12	Hello, who am, I’m speaking to Justine. It's Mr Cordell speaking and I'm phoning because I found a whistle blowing policy, the procedure that sort of Enfield Council and he has told me to phone up on and that this is the fraud line and that you will be able to handle any fraud that is outside or dealing with an employee for the company. I have proof beyond reasonable doubt that an employee is acted beyond, beyond what the company's procedures and that he has breached his contract that he has signed into with yourselves. He's invaded my privacy and breach my right to life and he has put me in threat of my life. He's not acted within fair process and acted in a bios manner towards me. I've had to make her web; I've had to make a website and I've actually put his voice recordings on and the evidence up on the website and I'd like to be able to go through this with a person. Is that possible please?
Speaker 1:	01:11	Yeah. shh. hold the line just give me a second what I can do sir is I can transfer you throw to HR department.
Speaker 2:	01:23	To what department may I ask?
Speaker 1:	01:25	HR.

Speaker 2:	01:26	HR. Okay. Okay. Human Resources. Is that where you're are and in regards to,
Speaker 1:	01:32	yeah. Human Resources yes.
New Speaker:	01:32	Non auditable
Speaker 2:	01:36	And who is it that we'll be speaking to?
Speaker 1:	01:38	That is the general line for human resources so they can check the employee.
Speaker 2:	01:44	What about a, okay. Okay. Okay. Human Resources is normally had Julia macnega. Is that correct? Resources. Operations Julia macnega. Enfield 0208-83793970. Eight three seven nine three nine seven zero
Speaker 1:	01:59	I am just looking now just let me check this now for you quickly
Speaker 2:	02:03	Julia macnega.
Speaker 1:	02:06	What's the name?
Speaker 2:	02:07	He's Julia macnega. J. U. L. I. A. - M. I. M. N. A. G. H. Is it possible to speak to her please?
Speaker 1:	02:20	Yeah, she, she's it is her but she is in a conference call at the moment. She's on the other line.
Speaker 2:	02:26	Okay. What is it put out? I'm happy to wait for her. Is it possible to speak somewhere else in the meantime then? Like James Rolfe, James Rolfe the director of resources or with Ian Davis is even better. The chief executive, I've been speaking to heather Littler, I have recordings of her and she is completely fouled the whistle blowing policies. When I've informed her of what her employees below her doing, I'm very concerned. She's putting me a fear of my life and I would like her or some investigate it at the same time.
Speaker 1:	02:55	What's her name?
Speaker 2:	02:56	I'm heather Littler is the chief executive admin and she's, she's, she's, she's a secretary I believe yourself, but she's, she's at the, um, at the chief executive level. I've been speaking to her so I can speak to Ian Davis in Regards because he's the director of the company and uh, and the recordings of what she's been promising me are just void of, of disheartened promise's, and.
New Speaker:	03:20	ok.
New Speaker:	03:20	I feel that I've been let down completely. I'd like to speak to Ian Davis himself or somebody at director, if that is possible. Christine Webster, the risk assessment management PR for the company because the company should be risk assessed and all procedures should be risk assessed. And I don't feel that my case has been treated. We've been in procedures either. So even speaking to Christine Webster, head of internal audit and risk management would do me fine at the present.
Speaker 1:	03:46	Yeah, she, she is in a meeting as well. I am just checking let me just check if she would be out soon just a second fast.

Speaker 2:	03:53	I'm pretty close to having to come down to the term to the civic centre myself and make this much more formal than what we are actually having and I believe that that's going to cause a lot of problems for people around the Christmas period if I do so. So, if we can deal with this behind closed doors in a more informative way, I make sure that both parties yourselves and you and your employees are happy and the, I'm happy. I'm happy too. I'm, I'm happy to do a settlement in some form of manner, but you seem to have solicitor firms in place and I'm concerned about them or I'm at a stage where I would like Pacific members that are acting as subcontractors for, for the Civic Enfield Civic Centre as their legal department such as Limidia Luviu. I believe that she's corrupt and acted in misconduct as well. I'm with foul play yeah, and when she's been informed, she's not acted under the whistle blowing procedures or any of that and in accordance to the company's memorandum or statue of Article.
Speaker 1:	04:51	Okay. I'm just checking Ian Davis for you sir but he has been away for two hours.
New Speaker:	04:57	Okay.
New Speaker:	04:57	umm
Speaker 2:	04:58	I'm sorry, the I'm on track. I'm speaking. I'm sorry. I'm going through this with yourself I know that It's not something you would like to do
Speaker 1:	05:04	it's a Lot of information. I'm trying.
Speaker 2:	05:07	I'm not even started if I had to explain. Do you have Google available to yourself?
Speaker 1:	05:12	Are we doing? Yes.
Speaker 2:	05:13	If you could go to a website called horrific corruption.com and I'm just going to turn that on it. Take me less than six seconds for you and I can show you the corruption and audio of some of it. What I have put up and the videos of what I'm suffering through and.
Speaker 1:	05:29	Right, are you talking about the Video's
Speaker 2:	05:30	Some of it is videos or audio evidence? I've actually made a full report and official report of every day of my sufferings and the neglect that I have suffered because the reasonable persons that represent Enfield Council and Enfield Homes have failed in their obligations towards me. I'm very concerned about this and I'm very concerned that the way that I'm still being treated at present and the employees are still working inside of the company in dealing with people's personal data other than mine.
Speaker 1:	05:58	Right, so that's a great cost of troubles, yes, towards you.
Speaker 2:	06:03	I'm just turning on the switch here. If you have Google available, it's just going to take me two seconds.

Speaker 1:	06:06	We do but I won't be able to view these videos, sir
Speaker 2:	06:10	you don't have to view the videos. You can just have a look; a brief looks over that. The actual website itself and actually see I'm just, I'm turning it on right now. It's going to be on in less than six seconds. Horrific corruption.com and this is my concerns and they're official and then there are at large that they still haven't been being apprehended and been dealt with to an extent where I feel satisfied and I'm at a stage where I might have to promote this into the general public and I'm concerned that this can cause even further problems. And dis May and I would like to be able to have this dealt with as constructively and positively in an even quick and informative way and time as possible.
Speaker 1:	06:51	Right, Yeah. Just a second, sir. I'm just trying to check who I can transfer you to who can deal with the matter the Ian Dave's has been away for two hours but he's going to be free at four o'clock.
Speaker 2:	07:11	Is it possible that, do you actually have control of his diary? Is it possible that we can arrange a time that I can actually call?
Speaker 1:	07:17	We not doing this here? Uh, no. If you could call us back then we can try and transfer you. Um, otherwise I won't be able to do it.
New Speaker:	07:27	Okay.
New Speaker:	07:27	Let me just check the other people for you. You're said about Christian Webster as well.
New Speaker:	07:31	yes that is correct.
New Speaker:	07:31	Christian Webster. She is still in a meeting.
Speaker 2:	07:40	Bob Chunkdick. C. U. N. D. I. C. K.
Speaker 1:	07:57	Yeah, Bob
Speaker 2:	07:57	Bob, Bob and then C. U. N. D. . I. C. K. Chung Dick.
Speaker 1:	08:04	Yes. I can see this person he's been away for 25 minutes.
Speaker 2:	08:08	Counter fraud manager.
Speaker 1:	08:10	I watched three
Speaker 2:	08:14	Ian Davis sounds just like the sort of person that I really do need to be speaking to in regards to these issues. So, if I do try again at four o'clock would it be possible for you to explain to him that I will be calling at four o'clock
Speaker 1:	08:26	eh, you have to call, call back and explain your issue again sir.
Speaker 2:	08:30	Yeah I'm happy to. I'm happy to explain that but is it, is there a way that we can actually get a message on to his desk or a message to him that I am going to be called in at 4:00 for him possibly if he can arrange and fit me in Within his schedule.
Speaker 1:	08:45	Year we don't do this here. No unfortunately because we are customer services. We are not sending messages

		through the system to order so you need to call us back and we come transfer you, we've this met matter yes.
New Speaker:	08:59	ok.
New Speaker:	08:59	I could try Bob Cundick. He's been away, but maybe he will pick up the phone. Eh, let me, let me check. Unless she wants to call us. Back
Speaker 2:	09:09	I will attempt to call you back about four o'clock and speak to Ian Davis directly and see how we can get along. in resolving these issues.
New Speaker:	09:14	No problem.
New Speaker:	09:14	As discreetly as possible.
Speaker 1:	09:17	Yes. Solve the issue.
Speaker 2:	09:19	Okay. Well, I've left the website on for half an hour if you have some time. Yeah. Um, to be able to go throw it.
New Speaker:	09:24	I will have a look yes.
New Speaker:	09:24	At horrific corruption.com. Okay. Well, thank you. Have a good day, madam.
Speaker 1:	09:29	Okay, you to thank you, sir. Thank you. Bye. Bye.

Speaker 1:	00:02	So, you want to speak to someone about the Whistle blowing policy is that correct?
Speaker 2:	00:03	Yeah. About the whistle blowing policy about fraud in the company. I want to speak to somebody because employees have not acted reasonably. They've actually with misconduct, gross misconduct and negligence towards my life and the forced processing information and I'm even receiving the letter as recently as yesterday. That's been falsified and I can prove it and I want something done about it.
Speaker 1:	00:29	Okay. Who did you speak to um, did you speak to Jen Middleton outlay?
New Speaker:	00:35	Who.
New Speaker:	00:35	She is our legal person
Speaker 2:	00:36	to who? Jane.
New Speaker:	00:37	Yeah.
New Speaker:	00:37	Jane I thought. I thought that Jeremy Chambers Something, Jeremy.
Speaker 1:	00:43	She works for Jeremy Chambers
Speaker 2:	00:44	Jeremy Chambers has already been done for most gross misconduct himself. Is that not, correct? I've already had to put him in my website and he was transferred over for sexual assault and now they're predator me in knowing that I'm an innocent man and a and he's been given a second chance in that company. I'm not even done anything wrong. Yeah, I can prove my innocence and they keep attacking me. Every letter I'm getting is with Jeremy signature and he's letting this Lumina who I can prove they falsified all the timestamps, all the information and falsified a Possession Order and went to still my home. Yeah, that they've held me in my house from an ASBO case that they know is Illegal and

		they know that there are threats in the Asbo and they're sending me the Threats, like if you.
New Speaker:	01:22	[Indictable].
New Speaker:	01:22	attend court and discuss we're goanna re - man and that's what they keep doing. Use lot keep re - manning. Or as they, as they say, people are getting, getting, getting allowed to leave the companies without no disciplinary action happening. New people are coming in place. Then the new people are attacking me and this continues to happen. I want something done about it and my lives in danger because of Enfield Councils employees
Speaker 1:	01:43	Have you gone to the police If your life is in danger.
New Speaker:	01:44	The Metropolitan.
New Speaker:	01:44	You need to report that to the police.
New Speaker:	01:44	The Metropolitan police and the Enfield Council together
Speaker 1:	01:50	Because the Council can't protect you
Speaker 2:	01:52	Yeah. May, I'm asking the council I'm not. What I'm explaining is the council can; the council can, can, can put misconduct or gross misconduct and take the employees that they know are acting fraudulently in the company. They shouldn't be in the company if I can prove they're acting fraudulently. They're touching people's personal data such as mine and others. This is against the law and the ruling for what the mandatory company was out and the mandate, the mandate was to Act in the company to achieve. In the beginning what I'm saying is there's fraud in the company. I can prove it. Lemmy forcefield a possession order. He completely falsified all the claims in it and sent it to my address. I phoned him and I had recordings of all of this. They also together in the metropolitan police and the Enfield Council held a meeting inside the civic centre in **2014** and it took Steve ELLs more who I've gotten your release in the release forms from use lot.
Speaker 2:	02:43	Saying that Steve, Steve, and a gentleman or maybe a lady called Pat in your offices made the Asbo and what they'd done is they never had no true victims, or no members of the public, they falsified an Asbo and called it the organization of illegal raves and advertised this in the newspapers about me, but no one even arrested me. All of the signatures are forged. All of their timestamps are false. It says that white people commit the crime. I'm not even white. Yeah, I'm, I've been trying to prove to Enfield council for the last five years that I'm not white and you are legally holding me because use lot have falsified an Asbo application and forgot to arrest me and, and everything that's wrong with it. Now because of that, your employee people like, Lemmy

who started in October, **2016** he's coming straight into the company overlooking everyone else work and all the emails of complaints that have gone in and he's falsifying a possession order and going to steal my house and make me pay court costs and everything else. And he is asking for custodial sentences. Now you've got keep phoning up the doctors. You phoned up the doctors again yesterday and asked for the doctors to come to my address today.

Speaker 2: 03:44 Why are you putting the phone down?

Speaker 3: 03:49 Okay.

Speaker 2: 00:30 Hello, you're through to the Director of the Environment's office at the London borough of Enfield though I am unable to take your call at the moment. Please leave your message with contact details and we will get back to you as soon as possible. Good bye after the tone. Please record your message. Speaker 3: 00:54 Hello.

Speaker 1: 00:54 Hello. I believe that I'm ever going to speak be speaking to a Heather Littler or an Angela Hugue who represents the chief executive's team for the Enfield council and I just was in the conversation with Angela on the phone. This was our third conversation. I have recorded the other two recording. She's transferred me over to a non-existent number and today when explaining to her my listed priorities of emergency graded issues, she has been rude and uncourteous towards me and put the phone down. In understanding that she is being paid a salary to prevent these things from happening that I'm talking about the telephone number that I am phoning on is the 3910 number I believe. And if you check your own whistle blowing the Enfield Councils whistle blowing policies. Yeah. Which are published online for

Speaker 1:	01:52	any member of the public to take hold of, you will notice that your number is the number within side of - That whistle blowing policy that I am phoning now. So, I do not understand why you are not acting in accordance to the whistle blowing policy that you set to protect people like me from people that are, that are acting in your company's name when they're act fraudulently or unfairly in, in a breach of process. Yeah. Please. Can you contact me back act fairly, and not act rudely towards my needs and to what is going on here? This is informal of yourselves and you are, I don't know what more else I can continue. It's very easy to continue. Listen to this. Please can somebody contact me back and take what is happening and very seriously.

  t/c received from Simon he said he got my letter inviting him for assessment he thanked me for concern shown towards him and made it clear that he did not have mental illness [and would not attend for assessment] he spoke a lot about his disagreement with the Police and justice system - in fact nothing new from past dealings with him. he said he did not need mental health, thanked me and wished me Happy New Year he ended the phone call before I could ask him for current contact number. Simon was loud and appeared "paranoid" as usual however there was no apparent evidence of psychotic symptoms plan. feedback to team and will recommend referral to be closed

Disrepair!

I await the date to get booked for my repairs to take place explaining a date that would stay needed so for a reasonable person to access my property to complete the urgently needed repairs, so for them to get completed, with efficiency, but to my disadvantage I get left helpless by no correct follow ups of the Enfield Council and the Enfield Homes teams!

Speaker 1:	00:07	Hello. Hi. It's me against [inaudible] the clients at the moment.
Speaker 2:	00:11	Hello.
New Speaker:	00:11	Hello Hi it is me again Sorry for [inaudible] at the moment.

New Speaker:	00:11	Okay. Should I attempt to call back a bit late on this afternoon?
Speaker 1:	00:15	You can call there or as I said, if there is something that you want our company to be aware of. What I suggest you do is send an email. Would you have an email?
Speaker 2:	00:23	If I put if I write this to, what I've got here now is an official report yet from every day.
New Speaker:	00:28	**[Your dead]**
New Speaker:	00:28	Okay.
New Speaker:	00:28	and if I send that official report to you, I've got every email from Enfield Council every text.
New Speaker:	00:34	**Okay. [Your dead]**
New Speaker:	00:34	I've got all my medical notes, I've got everything in that report. Yeah.
New Speaker:	00:37	**[Your dead].**
New Speaker:	00:37	And I'm telling you if I served that report to anybody, it's goanna cause problems. The impact that it's goanna cause in the backlash afterwards is goanna be massive. because I'm going to, I'm, I'm requesting to go to JR for this case here in a minute. I'm going to Juristically Review. The judge doesn't have jurisdiction over the case that Luminida is dealing with.
New Speaker:	00:55	**[Your dead].**
New Speaker:	00:55	I'm going to be serving my, I'm going to be serving my paperwork in my response bundle and once it's served then there is no turning back. Yeah. So right now,
Speaker 1:	01:05	well, what I suggest just again just to get the attention of the head office, you know like.
New Speaker:	01:09	[inaudible]
New Speaker:	01:09	because at the moment I said I am an assistant.
New Speaker:	01:12	Yeah. I can appreciate that.
New Speaker:	01:12	So, I cannot make
Speaker 2:	01:15	no matter what you have statutory duties you have to be a reasonable person. You work for a company head. That company head, you are employed. So, no matter what, as an employee for that company you, you have said so now I have told you something important about was is happening, like corruption within your department. It's down to you as the assistant to call the EGM. Meeting or an AGM. Meeting an annual general meeting or an emergency general meeting in regards to what is happening within your company. This is your statutory duties. Do it's a part of our tort law and it means that you have to do this under our Magna Carta, yeah. Which means that we have the right.
Speaker 1:	01:51	Okay. Yeah. I understand what you're saying and I agree with it, but it, so I can give you my email or the main Company email
Speaker 2:	02:00	I don't want to take your Email. I don't want to take your email. I don't want to do that. I just, I would just

like a little, I just like somebody to please go over to case files and I'd like somebody to understand that since **2014** to 16 I've been sending the council emails and every MP, they're all in my report, hundreds of asking them to protect me. They chose to in entangle my personal data under DPA.

Speaker 1: 02:21 I'm sorry. I understand. If I, again, just to make it simple and just to make it more efficient, I would suggest,

New Speaker: 02:30 Calling somebody back latter.

New Speaker: 02:30 Well, you can call back later. I'm not sure if she's going to be available or if she isn't or if she is available. I'll pass her on to you about again. Meanwhile, why you wait why don't try again. Why don't you, whatever you want to say over the phone, why don't you put it down on email? As simple as you can and just send it over.

Speaker 2: 02:45 Because once it's served to you in an email, it's, it's called an official document and official documents. Something has to be done about it. We're talking right now off the records between ourselves. Then we can clean up the mess with minimal impact. If I serve you thought people's jobs are definitely getting taken. Emails are dangerous. And every email that I'm sending, every email you send me back, I'm going to copy them emails and put them into my report and I'm going to do my problem statements below them.

Speaker 1: 03:14 Okay, well you can try and call back latter exactly as you wish

Speaker 2: 03:18 Okay. Well, I'm goanna let, I'm goanna let you have a good day and I'll for I'll get in contact with Sonya. And if I can't get in contact with her by phone. I'll be coming into the office.

Speaker 1: 03:26 Okay. You have a good day, sir.

New Speaker: 03:28 Ok you to Bye.

New Speaker: 03:28

New Speaker: 03:28 08: deleted

Speaker 4: 03:28

Speaker 3: 25:57 mm [inaudible]. [inaudible] [inaudible]. [inaudible] no, I'm [inaudible]. Huh? Whoa, Whoa, Whoa, Whoa, Whoa.

Speaker 4: 29:44 I'm being told for my ankle. There's nothing wrong with it. There's nothing. Oh, my mental health must ability. There's nothing wrong. There's no break time. The doctors have agreed, read the papers and said, yeah, they can't take me away with nothing wrong with my mental health. Yes, I am physically suffering or mentally suffering. Yes. Under article three of month human rights, anything that he's deep ratings, humiliating amounts too amounts. The truth that there is nothing. There is not one mental health work wrote in the article free. Did you know that? You just look at the

		faces of the article three on human rights and just look at it. Yeah. You don't see the food demeanour of it, but do you know when you write physical or mental health mental sufferings amount to show that in article three then you see the full detail and then you read did not one part where it says, you can only be crazy for this to happen or have mental health issues for this to happen.
Speaker 4:	30:51	Oh mommy, you're in another world of all these laws I'm telling you. Oh, I'm sick of it. If you write in your human rights article free. Yeah. If you just read the facelift of it, he started to say too much. But if you write physical or men to software rooms and now to tool shop, yeah. Then you see the full article free and what we represent and what it says is that if any state official, anyone deed humiliates the needed to be littles, any party, you have to be [inaudible]. I have to fucking be labelled. I don't agree with that one. Yeah. Yeah. Be little [inaudible]. It says the couple of things that I bet. Yeah, but none of them. I'm mental health. Oh, you must have mental health. The feel like this problem that feel like they're, none of them say that. Yeah, but I still waiting in my slides. If you feel demeaned, you mediate the graded or whatever way. That's how I feel. I feel them three not mental health issue. Yeah. Depression, depression, eight don't have to be a mental health issue. The person is just knowing that something is being done to you. It causes anxiety. It causes suffering. Yes. Neglecting suffering. Yes. I'll accept that one button. Anything that would be fucking mental health. I do not know why you fucking [inaudible] evil. You couldn't like fucking right and you don't understand what you represented us. You're trying to crush me on what meal for the rest of my fucking life. You see me and my name was number than
Speaker 3:	30:51	
New Speaker:	33:45	[inaudible].
Speaker 4:	33:51	Okay.
New Speaker:	34:31	Hello how are you doing. Is this Emmanuel speaking.
New Speaker:	34:31	Blank.
New Speaker:	34:31	Hello how are you doing
New Speaker:	34:31	Blank
New Speaker:	34:31	It's Mr Cordell speaking. I was just wondering if you had five minutes to go through something with me.
New Speaker:	34:43	Blank.
New Speaker:	34:43	Yeah. Do you have five minutes at the moment to go through something or shall I call you back? At a more convenient time.
New Speaker:	34:51	Blank.
New Speaker:	34:51	Um, basically I appreciate it. I appreciate it that your solicitor firm represented me and that you helped me

		and I'm sorry that for first of all that the claimant has served your solicitor firm. I think that's disrespectful of them and I don't think it's a good business practice. You didn't have legal aid in place to be representing me again and I think that is out of order for them to do that. It just shows how, um, how, Bios they are and how determined they are to breach stationery duties, um, basically, after you, um, you represent me. I did continue to go home and I did continue to act within the constraints of the United Kingdom's laws
Speaker 4:	35:29	I didn't go upstairs and cause problems Um, I'll stayed quiet and I just continued to build my report, my defence that I have been building. because I would like to go to the Supreme Court and have a lot of errors in law rectified and I would like to go to Prince Philip and Lady Howl. Under my equality rights and so forth and show the unfair processing that has happened thought this case and then basically when doing that and while sitting down in my house the neighbours who were initially attacking me in the beginning. That the Council would not protect me from. That my mum has sent you profile of in the way of emails before.
New Speaker:	36:05	Started to attack me again.
New Speaker:	36:08	So, I phoned up the Metropolitan Police and like I have done on every other occasion and in that conversation BT a BT handler passed me over to the call centre of nine, nine, nine, at Bow and I explained to them that I am being attacked in my house as I was speaking to you lease will you send someone to my house and like in many other recordings before they showed me neglect and you can hear the bagging in the recordings and she said, no, I'm not; were not coming out to help you. I said look I have just been released from the police station for accusations of what I have been going thru with you again.
New Speaker:	36:36	and basically, I'm recording this and you can hear them in the background attacking me. She put the phone down, she did and then BT picked up the phone call that the call handler put down and BT said that this is out of order what they're doing to you and I have got that on recording and now I know that I can prove my innocence and when I went upstairs what actually happened is that I recorded it when I went

Speaker 1:	00:01	Now, I know that there is a lot of history behind this case. What you have been laid down as the initial incident is not the start of these problems.
New Speaker:	00:07	t is just the starting of it. I also understand that you have been quite concerned about my mental health and that you think that because of this, because of what is actually happening to me that I should be explaining that. Yeah. This has had detration on my Mental Health but from me understanding the laws of the land that I represent I understand that under my article 3 of my Human Rights.
New Speaker:	00:28	If a person just write Article 3 in; it will just come up with the layman terms the short summary, but you actually write; physical or mental sufferings will amount to Torture and then you will see that the acceptance of the key elements to what can happen to a person when someone is degraded by another person that that can become Torture, it doesn't mean that person's mentally ill to be mentally ill in any form of way. I have been checked by the doctors 130 times on different days now, since this has happened.
New Speaker:	00:56	And every time the doctor have said that there is nothing wrong with me and that I am very sane in the mind and that they've never been up to hold any section anything any section 3 or anything else on me.
New Speaker:	01:11	After my assessments that they have done and they have looked at my paperwork and they have read it in black and white and they have said that you are right Simon this is illegal what they are doing to you.
New Speaker:	01:19	Yeah,, They're detaining me in my house for seven years for something that I never done. The first Asbo the Council have made four applications against me now,
New Speaker:	01:31	The first Asbo, which was forged, now that first Asbo is missing the signatures at the bottom of it there is no victims in the whole Asbo application and now I am ridding seven years for it. Yeah, the maximum sentence under the Raves Bill if you were arrested for it, is six months So if they didn't have enough evidence under the under criminal conviction to arrest me and to get me into prison. How have they extended the time limits and they couldn't understand the Standalone Asbo.
New Speaker:	01:58	There was multiple things that were wrong with the application and they realized how much trouble they was in when I was winding up the call centre at first and this is why they have done this scheme because I was calling the call centre explaining what was inside of the folder.
New Speaker:	02:14	I understand that Lemmy in createn a possession order.
New Speaker:	02:15	In **2016** for instance, which is one claim that said are, some tires have been done and one claimant that said that I told him that I am going to get him in the park.
New Speaker:	02:21	After two years of them attacking me and me doing nothing. Me acting in self-defence two years later telling these people to get away. The police won't protect me and no one else will and that was the minimum that I could do to protect myself from them and what they've been getting away with. Yeah.
New Speaker:	02:41	As the emails prove. Now basically I know that

New Speaker:	11:59	End of call.
New Speaker:	13:27	right. Okay. [inaudible] [inaudible] [inaudible]
Speaker 1:	21:20	yeah, that's a struggle. [inaudible] let's talk about men in the world. Conditional things I want to represent. Scare me. I'm next [inaudible]. I'm just telling you what that said. Just like in the PIP. Keep on telling me no, you must. Yeah. I'm Brian and [inaudible].
Speaker 2:	26:43	[inaudible]
Speaker 1:	26:50	[inaudible].
New Speaker:	26:49	New phone call to the court
New Speaker:	26:49	
Speaker 3:	27:01	Hello is this Edmonton County Court?
New Speaker:	27:02	It is Yes. How can I help?
New Speaker:	27:04	Basically, I have a few questions to ask. I'll have a case number. Is it possible I can give you the case number?
New Speaker:	27:08	Of course.
New Speaker:	27:08	is E.0.0.E.D.0.4.9.
New Speaker:	27:10	Ber with us for one moment.
New Speaker:	27:10	Ok, Thank you.
Speaker 4:	27:28	And who am I speaking to please
Speaker 3:	27:29	Mr. Simon Cordell.
New Speaker:	27:33	Hi how can I help.
New Speaker:	27:33	Basically I have a few queries. Basically, I have the claimant, which is Enfield council trying to put another injunction order against me though your courts. They've put forth, this is the fourth application that they've put on me illegally and they're holding me hostage in my house. Under the first Asbo.
New Speaker:	27:49	application, which doesn't have no victims signatures at the bottom of it and also that it um, all the timestamps are wrong in it. They're saying that I'm an IC1, male in it. Then the nine, nine, nine callers are now, I'm riding seven years in my house illegally being detained because of it. And I basically kept phoning up and trying to get people to act reasonable like reasonable people under those statutory duties and they and going through the complaints procedures and they kept, they kept, um, they kept abusing their positions and avoiding disciplinary action and avoiding releasing me from my home.
Speaker 3:	28:23	Now because of this, they have continued the same company, head Enfield council have put another three applications on me since a possession order which they never had moved victims in its statements, either and then they put an injunction order on me after that to cover that up and another [inaudible] and the judge threw that out. Then they'd just put another in junction order on me illegally emergency applications. But none of them will call the emergency application in the court to get the, the missing signatures rectified and me release from being illegally detained in my house on the first application that they made in **2014** and now I don't think that the court has to, I've wrote a response bundle. I've kept a diary every day of everything that's happened.
New Speaker:	29:02	Hm.
New Speaker:	29:02	and I've kept all of my text messages for all my partners between me and my partners because they have caused the sex scandal in mine and my partner's name when

name, they'd beat him up and done the same. No, I'd be phoning them saying, this is out of order. I put in under the prosecution the Crown Prosecution files in the right to a Fair Trial in the Right to a Fair and Speedy Trial.

New Speaker: 35:26 I served that to the judge and I said to the judge, um, look under I want, I'm requesting MG2, MG3, MG4 MG5, MG6, MG6E and MG6E is any person's criminal record that is dealing with my caseload. And they refuse to give this to me. And this bloke was doing exactly the same thing.

New Speaker: 35:46 to somebody else at the same time yeah,, and they didn't pull him off and put somebody else on his caseload, that is illegal what they have done, they have got no victims signatures, all the time stamps to the call centres go backwards in time, in the course. And in the paperwork, they have opened up. Every paper that they have found on the computer they have opened them up, which had been in there for a year, which are the incidents, they were all good things and edited them and then they wrote are he is a black bastered. Brown boy on the block they have scribbled all over it about my ethnics and then they used these things once they've opened them and putting them into the application, the judge, they couldn't get a judge to get me.

New Speaker: 36:23 with the injunction order they served the Injunction outside of my front door and never served it to me correctly yeah, not this second one the first one they left it outside.

New Speaker: 36:23 So mum, I got my mum to come down and bring it to lost property. Edmonton, she handed it into the lost property and got a receipt for it yeah, all stamped Edmonton. One blue folder found outside Simon's door and was never served properly.

Speaker 1: 36:42 Now all of a sudden that only had four victims in it. Saying that they got keep up overnight yeah, that's what this is all about. and why I got seven years for people got keep up overnight. Now I went to the, when I see the folder, I've been in my house for a year prior working for Bliss Charity, I was building a mode constitution and a CIC Association. I was working for Durant's Park festival, Ponders End Festival.

New Speaker: 37:01 I had gone completely legit.

New Speaker: 37:01 so they couldn't they wanted to pull me back, so they accused me of all the people while I was on curfew for the first that year. Yeah, for another case that I won, they threw all loads of there is six people I there in their incidents. Now three of them. I know the people they are associates that run off and done their own thing and left me on curfew while I was in my house basically. And then that I have got to protect and then three of them could be your children.

Speaker 1: 37:26 So I went to my Facebook and then I copied the event profile pages, proving that I never though these events. Now, I refused to give them to the police, because I did not want to be a police informant and I don't do their lines of investigation for them anyway, and I kept showing this Robert Taylor, who was the Barrister that are in the picture of that Bristol spotlight, that I was showing you about what was going on but I would not give him the Facebook accounts.

New Speaker: 37:44 And they kept doing it, Now I have got all the

New Speaker: 39:32 And you too

You are correct, I am to re-investigate the matter. I look forward to working with you to bring this matter to a
satisfactory conclusion. Early in December I wrote to Mr Cordell though received no reply. I wrote to him again in early January though again received no reply. If you're dealing with this matter on his behalf then that explains it. Am I to assume I'm to communicate with you going forward?
I've attached the letter I sent to Mr Cordell. I'd appreciate it if you could respond to my request at your earliest convenience. Any questions please do ask.

TC received from Simon to say that he wants to make a complaint about how he was sectioned and generally not happy with the service that he got when he was admitted to St Ann's Hospital last year. He was asking for names of doctors and I informed him that he should call during the daytime and also gave him **Method of raising a complaint: patient.experience@beh-mht.nhs.uk.**
Noted that he was recently discharged from EIS as not willing to engage as well.
He thanked me for this and said that he will be following up on this.

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eaten because of what they keep all doing to me!
My dog has eaten its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Dear Tahir Razzaq
My son Simon has been trying to contract you now for over a week, also his solicitor has also tried to contact you.
Simon Cordell DOB: 26/01/2018 is due in court tomorrow he also has his bail to attend the police station to see you, his solicitor said the court takes priority over the police station so, if at all possible, could you rearrange his bail as he will not be able to attend the police station on the 05/02/2018 as he will be at court.
You do have his solicitor's contract and I am sure his solicitor will again try to contact you tomorrow; my son is also going to try and call you again in the morning as he was told that is the next time you are on duty.

NOTES

The applicable bail period (ABP), initially means the period of 28 days beginning the day after the person's arrest. There are cases where this may be extended to three months beginning with the person's bail start date on the authority of a senior officer. If the investigation is being conducted by the Serious Fraud Office, then the initial ABP will be three months.
Further extensions to the ABP can be authorised by a magistrate's court, or if the case is exceptionally complex by a senior police officer.
Your initial ABP ends on (enter date). **However, this date could be different to your actual bail date. You**
should ensure that you attend on the date/time shown above.
The ABP is suspended if the case is submitted to CPS for a charging decision until the date of its return. The ABP will be extended by the number of days that the case was with the CPS.
You will be informed in writing if your ABP or bail date is amended.
A person is normally bailed for 28 days; however, a custody officer can set a different or additional time at which the person is to attend the police station to answer bail.
Your bail date has been varied (choose those applicable)

Mr Nwabuisi was managing the investigation of complaints of anti-social Behaviour, threats and - **Page 84** – intimidation involving Mr Simon Cordell. **5** I make this affidavit in support of the Claimant's application for the Defendant's committal on the basis of a breach of the Order made on **09th January 2018. 6** The Defendant was served personally on **10th January 2018** while he was in custody at the Wood Green Police Station. The documents were served personally by the process server, **7** On **24th January 2018** the Defendant contacted me at work twice by telephone on an anonymous number. The first call was at approximately **16:50** and stated he was Simon Cordell. He said that Lemmy Nwabuisi must go to prison, he also stated to have stripped our computers without us knowing, he also added to have in his possession one of my colleagues' emails, named Miss Jeans. The Defendant further added to have the emails that witness protection had sent to him. I then proceeded to tell the Defendant that I was going to terminate the phone call and I put the phone down. **8** The Defendant telephoned me again at approximately **16.53** on an anonymous number and left a voice recording the contents of which are as follows: **9** "It's Mr Cordell, I think that you are putting the phone down on me when I'm explaining to you what the people that you're in charge of are doing illegally to me. 2. I make this affidavit in support of the Claimant's application for the Defendant's committal on the basis of a breach of the Order made on **9th January 2018.**

3. The Defendant was served personally on **10th January 2018** while he was in custody at the Wood Green Police Station. The documents were served personally by the process server.

4. On **24th January 2018** the Defendant contacted me at work twice by telephone on an anonymous number. The first call was at approximately 16:50 and stated he was Simon Cordell. He said that Lemmy Nwabusi must go to prison, he also stated to have stripped our computers without us knowing, he also added to have in his possession one of my colleagues' emails, named Miss Jeans. The Defendant further added to have the emails that witness protection had sent to him. I then proceeded to tell the Defendant that I was going to terminate the phone call and I put the phone down.

5. The Defendant telephoned me again at approximately 16.53 on an anonymous number and left a voice recording the contents of which are as follows:
"It's Mr Cordell, I think that you are putting the phone down on me when I'm explaining to you what the people that you're in charge of are doing illegally to me. Lemmy understood what he was doing, I've recorded every conversation with Lemmy since the day the witness care team told you lot that I have no case to answer against Mr Mathiyalagan and you decided to make a possession order. That possession order says that I've got a possession order for having printers in my house which are legal to have, and I have them in the back garden now cause you lot won't tell me what

conditions I'm in breach of, basically I've got Lemmy on recording he admits to doing certain things and I'm 100% sure he should got to prison for what's happened and you as his manager should do something about this you're the one advising him to do it and I'm goanna see you at court and I'm goanna serve you lot my official report, I'm taking this case up to judicial review cause this lower court doesn't have the ability to deal with this case and the fraudulent activity and the sentences you lot should get 25 years you should be getting for ? in public office, that is more than 2 life sentences that's what I believe that you lot deserve for breaching your statutory duties and the evidence I've got on you, I'll be contacting, I'll see you in court"
The voice mail would be made available to the Court. The Defendant's acts constitute acts of harassment and intimidation and he is therefore in breach of paragraph 4 of the interim injunction Order.
4. On **9th January 2018** the Defendant telephoned Lemmy Nwabuisi and accused him of killing his baby, he also stated that he knew where Lemmy lived and that him and his family were not safe and that he should watch his back.
5. On **9lh January 2018,** in a telephone message left by the Defendant for Lemmy Nwabuisi, Mr Cordell referred to me as 'Kanichiwa' and stated that he knew I had a

property in Winchmore Hill and that I lived in Edmonton. The contents of the voicemail are as follows:
"You killed my baby, It's a very simple thing you are biased Lemmy yeh, you went to Westminster you are supposed to be good at fucking litigation, you are a criminal, there are no signatures on the first ASBO and I am being held hostage in here, you can go into your offices, Pat and Steve say it in your release forms to each other and Kanichiwa and all your managers

6. The Defendant was arrested for threats to kill and released on bail. He is due to report back to the police station on **05th February 2018 at 09:0,0am.** His bails conditions are as follows: 'not to contact directly or indirectly Lemmy Nwabuisi and not to engage in threatening conduct that is likely to cause physical or verbal abuse to the employees of the London Borough of Enfield', it is clear that in view of the phone calls and threats he made to me on **24th January 2018, the** Defendant has also breached the terms of his bail conditions.

7. We would therefore ask the Court to consider the application in light of the recent incidents and to commit the Defendant to an arrest.

DIRECTIONS ORDER

5. As the Court may be aware an interim injunction order was made ex-parte against the Defendant. Two applications for committal were made on **05 February and 20 April 2018** on the basis that the Defendant has breached some of the terms of the order. The matter has been listed for a hearing in the Edmonton County Court on **30 May 2018** to consider the two committal applications, the hearing is also a return hearing, the time estimate for that hearing is of two hours.

6. I make this second Witness Statement in support of the Claimant's application notice dated **10 May 2018** seeking to 1) Ask the Court for permission that the two committal applications dated **05 February and 20 April 2018** be dispensed with personal service on the basis that the Defendant has refused to accept service personally following our process server attempts to serve on **02 May 2018** arid 2) To ask permission from the Court to amend the committal application **dated 20 April 2018** to include an additional breach of the interim injunction order by the Defendant on **01 May 2018.** I would like the application notice to be considered ideally on papers but if not at the next hearing on **30 May 2018.**

Backgrounds to the case

7. The Claimant obtained an interim injunction against the Defendant on **09 January 2018.** Two committal applications were made against the Defendant on **05 February** and **20 April 2018** on the basis that he has breached the terms of the interim injunction by making threats to me and another employee of Enfield Council. There were also incidents where the Defendant have physically assaulted one of his neighbours and acted in a threatening and intimidating way towards them. The two committal applications were sent to the Defendant by the Court by post but the

Claimant failed to personally serve those two applications. A Court hearing took place on **01 May 2018** to consider the committal application dated **20 April 2018;** however, District Judge Taylor adjourned the hearing of the application to **30 May 2018** to allow the Claimant time to personally serve the committal application.
Attempted service of the two committal applications dated 05 February and **20 April 2018.**

8. After the hearing of **01 May 2018,** the Claimant instructed a process server Mr Andy Philippou to personally serve the two committal applications on the Defendant. Mr Philippou attended the Defendant's address (109 Bumcroft Avenue, Enfield, EN3 7JQ) on **02 May 2018** and knocked repeatedly on the door but the Defendant, having identified himself as Simon Cordell, stated that he did not wish to open the door and therefore refused to accept personal service of the committal applications. A witness statement of attempted service from Mr Andy Philippou is attached to this witness statement under exhibit 'LM1'.

9. On the basis of the Defendant's refusal to accept personal service of the documents, the Claimant would like to make an application to dispense with personal service of the two committal applications pursuant to CPR 81.10(5)(a) which states that the Court may dispense with personal service of the committal application if it considers just to do so.

10. Additional breach of the interim injunction order following an incident which occurred on **01 May 2018**

11. A Court hearing on this matter took place on **01 May 2018** and the Defendant displayed aggressive and threatening Behaviour against me, one employee at Enfield Council Ms Balbinder Kaur Geddes and Mr

Mathiyalagan who is one of our witnesses in the committal applications. Such Behaviour was also displayed towards District Judge Taylor and members of staff and security of the Edmonton County Court.

1. On the day our case was called at 10.10am and the hearing proceeded in the Defendant's absence. The Defendant and his mother eventually arrived at 10.25am. As he came into the Court room, he kept on saying 'I'm not meant to be here, this is not meant to happen'. He then shouted out that the judge was conniving with me and Enfield Council as we wanted to keep him prisoner in his own home. He also stated that the County Court had no jurisdiction to hear the case and he wished to be heard by a jury. District Judge Taylor then responded by saying that this was a civil matter and he cannot use a jury. The Defendant then turned to me and waived a file of paper at me and said to me that he knows that I went to Westminster University, he also threatened that he was going to destroy me. He also accused me of killing his baby and of destroying his life. He continued to shout abuse and swore at everyone including the judge.
2. As the Defendant continued to act disrespectfully, District Judge Taylor asked the Defendant to calm down; he responded by calling her a corrupt judge, told her to shut up and swore at her. He was coming towards Mr Mathiyalagan (one of the Claimant's witnesses in the injunction and committal application) in an aggressive manner so I stood up between them to stop any risks of altercations. Two security guards were called and entered the Court room who asked the Defendant to calm down and to sit

down. However, he became even more agitated and asked for their name, he also said that he will find out where they live and will come after their families. At that point District Judge Taylor ordered a short adjournment to allow the Defendant to calm down.

While waiting in the corridor outside the Court room, the Defendant kept on shouting abuse at me, Mr Mathiyalagan and other people waiting in the Court corridor. I then decided to go to the other side of the Court waiting area with Ms Geddes Kaur and Mr Mathiyalagan to avoid further abusive Behaviour from the Defendant; however, we could still hear him from the other end of the Court.

3. The Judge called the parties back in and directions were made including adjourning the hearing to **30 May 2018**. As I left the Court building with Ms Kaur Geddes and Mr Mathiyalagan, the Defendant and his mother Lorraine Cordell were waiting outside of the Court entrance, on the other side of the road. The Defendant started shouting and abusing us. I then spoke to the Defendant and said to him that he was ruining people's life by his conduct. The Defendant tried to come after us, but his mother held him back. Because of his threatening and aggressive conduct, I had to take a different direction to my car to avoid the Defendant and ensure that the persons who were with me were safe. Ms Kaur Geddes was a party to the incident and a separate witness statement in support of the application notice is being provided by her.

4. The above incident constitutes a clear breach of the injunction order and I would like this to be added to the committal application dated **20 April 2018** and that it be considered at the hearing on **30 May 2018.**

She didn't act with courtesy for in regards to my emergency graded issues, my emergency graded issues or like less than five minutes ago I started to get attacked again in my house. It doesn't matter if it's a continuing issue or it's a matter that's not issued. These people attacked me in my house upstairs. They have a baby upstairs, a child under the child protection Act 1935 I'm telling you that they are acting, they're not acting, they're not acting sane, or they're not acting stable as legal guardians under the child protection.

Speaker 4:	05:40	Mr. Cordell, will you just give me a minute to talk. Listen to me. In the Cads that I can see in front of me, it says that my neighbours are attacking me.
Speaker 2:	05:47	Yes. My neighbours are viciously assaulting me. Yeah. Which is with criminal intent under the 1941 Act I, yeah,
Speaker 1:	05:55	When did they assault you.

New Speaker:	05:58	Were did they assault you?
New Speaker:	05:58	In my own house less than 10 minutes ago. Yes.
New Speaker:	06:03	Ok.
New Speaker:	06:03	Yes, And I have it on camera cause I have a camera in my front room and a camera in my bedroom. A camera in my toilet. I've got a camera in every room in my house, record in what is happening.
New Speaker:	06:13	OK, and I've got audio recording in every room what is happening.
New Speaker:	06:16	[inaudible].

New Speaker:	07:25	
Speaker 2:	07:29	Hello, police what is the emergency
Speaker 3:	07:34	Hello how are you doing.
New Speaker:	07:34	Fine thank you.
New Speaker:	07:34	If I am getting Um, Banged at if I keep getting attacked in.
New Speaker:	07:37	**There dead.**
New Speaker:	07:37	my house and I keep phoning yourselves.
New Speaker:	07:38	**They are all dead.**
New Speaker:	07:38	**Were dead.**
New Speaker:	07:38	**There dead.**
New Speaker:	07:38	yes
New Speaker:	07:38	or somebody to come and take a statement off me.
New Speaker:	07:40	Uh,
New Speaker:	07:40	is that, is that so serious enough incident to be able to call yourselves?
Speaker 2:	07:47	Well yeah, if an event has taken place or your life is in danger, yes,
Speaker 3:	07:50	yeah. I keep getting attacked in my house. I'll keep getting attacked. Yeah, I've got loads of videos of it I've been recording it. I've been asking the police to take statements. They keep covering it up I've had the police recently come to my house and I recorded that conversation as well. I was just speaking to somebody like yourself. I showed the police officer some of the video evidence and that of what they're doing to me and my house and it's making me have, it's having a bad effect on my health today. Again, not being attacked at 11 seven, 11 minutes past seven and I've got that on recording again. I would like someone to come and take a statement of me and to take the video evidence that I've got and to arrest these people. And is that something that we can arrange to happen, please?
Speaker 2:	08:29	If you hold on for a minute; he was attacked today at 07:11 or 12
Speaker 3:	08:35	11 minutes past seven.
Speaker 2:	08:37	Okay.
Speaker 3:	08:39	No, 11 minutes past six sorry 11 minutes past six. Sorry.

New Speaker:	08:41	Ok
Speaker 2:	08:53	So you see these people, how they actually get into your house.
Speaker 3:	08:56	What they actually do is they live above me.
New Speaker:	08:58	Hmm.
New Speaker:	08:58	and say like their toilets above my toilet. If I'm, if I'm being like recently, I've been being sick in my toilet for other reasons to do with the police.
New Speaker:	09:06	Um.
New Speaker:	09:06	And I keep being sick every morning, in my toilet and whenever I' am being sick in my toilet, there above my head, flushing their toilet stamping above my head. Whenever I sleep in my front room, if I wake up, they're bagging above.
New Speaker:	09:16	Hmm.
New Speaker:	09:16	my head. I can't even sleep in my bedroom in case somebody throws a petrol bomb through my window and it lands on, onto my bed onto me. because they've put, they've let my block be that vulnerable and what they're doing, they're adults attacking me. A younger generation.
New Speaker:	09:30	ok
Speaker 2:	09:37	Have you even spoken to these people
Speaker 3:	09:52	I have tried to communicate with them and I have knocked on their front door as a responsible person and I've got the video evidence of that. But what, what happened is, um, basically the police threw a load, police the police, the police allowed people to attack me to cover up a load or missing signatures. They didn't have victims. They're holding me in my house for seven years for a case that I never done I copied the Facebook profile proven I never done it. I'm basically to allow to cover up. They've allowed members of my neighbours to attack me started, they put a sex scandal out in mine and my partner's name and now all these members of the neighbours and started to attack me. Me and my partner have never argued. We've never had a problem together. And now basically these people have been left to attack me.
Speaker 3:	10:33	I keep reporting it to yourselves when I've knocked on their front door. I'm like, I was knocking and speaking to them and recording it and asking them that, why would you do this to me? I have helped you in the past. I've been a good person to use lot, your adults to me please can you respect me? Sort of being in my own home. You're not even secure tenants. I'm a secure tenant. Yeah. You're just living in temporary accommodation. That's another man's flat that you're living in, that you're damaging and your adults. Yeah, and basically, they kept attacking me and that and now

		all of a sudden, they've, they've lied and they've went I built, basically. because I had one. Basically. basically, what happened is I won. I got arrested for Three. They four different neighbours attacking me. I've got arrested for three of them and basically, I've got taken to court and I won all the Three cases while I won all the three cases.
Speaker 3:	11:15	The crown prosecution told the Council that I had won the case, that I'd won all the Three cases. They sent a gentleman out called, Lemmy to my address and he kept threatening me saying to me, well I don't have a meeting with him in regards to the three cases that got NFA'd. He's going to put a possession Order into my flat. Now. He because I'm because I am refused to go and get entrapped into something that he's not police officer. He, they're not criminal their civil cases. They're criminal allegations that I got arrested for. He basically put a purse. He said,
New Speaker:	11:45	[inaudible].
New Speaker:	11:45	Because I wouldn't go to the civic centre. He forced um. a possession orders out of them first statements and when I went to court,
Speaker 2:	11:53	can I get, can I get someone to come and see you on Monday?
Speaker 3:	11:56	On Monday my life is a bit more important than Monday. I respect that. You even gave me a day. I'm, I'm grateful that you have even gave me a date
Speaker 2:	12:03	Alright that is the closest I have got on that call. Let me see if there's anything on the other car,
New Speaker:	12:07	Just to get someone to, I've got good evidence here, its 100% they are 100% goanna get arrested. I've got a report, I have documented a diary every day and I'm not
Speaker 2:	12:16	okay. can get someone to come and see you this evening at either eight or nine.
New Speaker:	12:18	Yeah, that'd be perfect for somebody to do that.
New Speaker:	12:22	Which one.
New Speaker:	12:22	I'm eight o'clock would do perfectly.
New Speaker:	12:24	Eight O'clock ok, just bear with me
Speaker 3:	12:35	and will somebody actually takes a statement of me?
Speaker 2:	12:37	Yeah, they will be coming to take a statement from you.
New Speaker:	12:37	Okay, I will be grateful if you do that. Thank you.
New Speaker:	12:41	Okay. just bear with me um, its 10/18 at 20:00 hours uh,
New Speaker:	12:44	okay. Right. That's being done. for you do you want the reference number,
New Speaker:	13:14	Yes is that possible please.
New Speaker:	13:14	yep, CHF 31196.
New Speaker:	13:14	chf 31196 / 24/02/2018.
New Speaker:	13:14	yeah, so they are coming to one 109 Burncroft Avenue Year.
New Speaker:	13:27	Yes, that's correct thank you.

Speaker 1:	04:40	Uh, uh, uh, uh,
Speaker 2:	04:51	Met police what is your reason for your call please.
Speaker 3:	04:54	Hello. Yesterday I phoned up the metropolitan police nine, nine, nine and explained that I was being assaulted in my house. Um, and they said that they were goanna send police officers to my house to take a witness statement off me and take my evidence and they agreed

		a time of eight o'clock and nobody attended. And I'm still here waiting today to do my statement and hand my evidence over. I was just wondering if you could help me and find out exactly what's happening.
Speaker 2:	05:21	Okay. Um, is it Mr. Cordell?
Speaker 3:	05:24	Yes, that's correct.
Speaker 2:	05:28	I am having a read through the report bear with me.
Speaker 3:	05:30	Thank you.
Speaker 2:	05:49	Okay, so, the operator that you spoke to yesterday about 20 past 6.
New Speaker:	05:55	6, Yeah.
New Speaker:	05:55	They booked an appointment for you. but there seems to be, I think they made an error. In booking the wrong appointment card. Um, it wasn't made on face book with X.Y. Um, I think maybe it got book, with officers in Hillingdon or Ealing and oversley you in Enfield.
New Speaker:	06:25	Yes, that is correct.
New Speaker:	06:25	I think they have made an error there because yeah, they did set an appointment but; please confirm appointment I can see a supervisor was looking at it, please confirm that he lives in a caravan site X to Y. So, then it came to the attention of the Lambeth supervisor um,
Speaker 3:	06:50	what centre is this known I'm speaking to?
New Speaker:	06:52	You have come through to Hendon.
New Speaker:	06:52	To Hendon, ok.
New Speaker:	06:52	Um,
New Speaker:	06:52	Is it possible to get another appointment? Rearrange, but today?
Speaker 2:	07:05	Yes. Yeah, I we'll do [inaudible]. We had the wrong Borough up [inaudible].
New Speaker:	07:26	Okay. The, the supervisor seem to have spot the error early on and then it was booked with an officer that come and [inaudible] evening, yesterday, evening, um
Speaker 3:	07:50	to know what priority the issue is being given
Speaker 2:	07:56	at the moment. It's on a grading of extended.
Speaker 3:	08:02	Ok And what does that account for may I ask?
Speaker 2:	08:07	that they would normally deal with it within 48 hours.
New Speaker:	08:09	Okay.
New Speaker:	08:14	Okay, So it was sent back to the attention of offices in Enfield and a local officer, have you had dealings with the police before?
Speaker 3:	08:25	I've spoke to the police on numerous occasions in my life. I don't so, much have of a criminal record. I got time spent from when I was juvenile,
Speaker 2:	08:35	okay. Um, well one our offices from Enfield said that they, it was passed to him and he said that you would not be attending because of some of the previous communications that you've had with police that he would not be attending in person. And, uh, that if you wanted to follow this up any further that you would

		have come into the police station and make the report rather than us setting an appointment for you.
Speaker 3:	09:02	I think that's very unfair that, um, that would actually, that, that that's how it's got to be dealt with. I have a home and I'd like somebody to come and take a statement off me at my home. I think there's more than enough police resources available to staff available to be able to send somebody to my home. They send police to my home on any other occasion when somebody else accounts for something. So, the first time I've ever asked the police to actually do some thinking, and this is my first ever statement I've ever made against anybody and it's a massive problem getting it taken off of me. I don't think it's fair that I'm suffering every day and I'm going through the pain that I am in with my heart and that no one's taking my evidence.
Speaker 3:	09:42	I have very strong evidence and is incriminating towards people and I want prosecution brought against them in a fair line of investigation. I don't feel that fit to go into the Edmonton Police Station. My health hasn't been up to too much. I can see, I can forward over a letter from um, DWP and from everywhere else. Cause I suppose to go for do you know when, you're on DWP or something like that. You're supposed to go and get your health assessment to make sure that you are unwell. Um, they've all agreed that I don't have to leave my house anymore because they've noticed that there's missing signatures on my, Asbo. It's put me in fear of walking down my hometown street before my curfew starts that, I've got for seven years, eight years of my life, I've got a 10 o'clock curfew and I'm not.
Speaker 3:	10:28	So like right now I'm scared to come out my house before 10 o'clock because of the fraudulent evidence that I have that can prove the corruption in the metropolitan police force. So, and my mental health assessment has agreed that they will come home and they do home visits. The doctors have agreed that there's an error in the paperwork and the doctors have come here and said that there's nothing wrong with my Mental Health or Mental stability and that this is a serious issue that the police need to raise, raise and address. So, I'm asking you please, can you send somebody to my house? Under these grounds.
Speaker 2:	11:02	Okay. I don’t have the authorities to override that of a local police officer. So, what I would have to do is raise this with a supervisor or an Inspector.
New Speaker:	11:15	Ok.
New Speaker:	11:15	as a complaints.

Speaker 3:	11:16	So what are you trying to explain to me if, if, if somebody tries to attempt to murder me in my house, which is what is happening right now, people are to, my neighbours are attempting to murder me and I'm recording every day and making a diary and report every day. You are saying to me, because I've had dealings with the police before. Yeah. That use lot will not attend my house even if someone's trying to kill me and then it gets graded as a 48-hour issue. Is that what you're explaining to me?
Speaker 2:	11:46	I can only give you feedback of what was taken yesterday [inaudible].
Speaker 3:	11:48	Can you tell me who the supervisor is that has drafted that and set that, that that is what you're explaining to me. Can you explain to me who actually has said that? What supervisor it is please?
Speaker 2:	12:01	the officer who said that they wouldn't be attending um, his shoulder number is five, nine, nine. 599
Speaker 3:	12:10	And who is that police officer?
New Speaker:	12:11	Yankie, Echo
Speaker 3:	12:12	Yankie, Echo. And who is that officer?
Speaker 2:	12:15	PC. Hurfwood,
Speaker 3:	12:17	Pc Hurford attached to Enfield or Edmonton.
New Speaker:	12:30	Um, bear with me.
New Speaker:	12:30	I've got all of my medical care assessments and the agree in the, I don't have to leave. I leave, wouldn't leave. I went to a private psychiatrist just to make sure to get statement a safe, stable, letter of my stability, mental stability and they've gave me a letter and I showed them the paperwork that I'm upset about that is illegally detaining me in my house and somebody recordings that I have. I've got recordings, of calling your call centre up loads of them, and again, I've got more than one of different assistants in each one's going. Your black bastard you've been robbed, there's nothing you can do about what's happening to you. I've got so many recordings of different things that's, I've got the line manager, the person that fraudulently made all of the paperwork with the missing signatures, victim signatures, there's no victims, yeah,
Speaker 3:	13:08	Then they forged all your Cads centre and they made, because there was no real nine, nine, nine calls to progress way. They've added like sixth progress way events in there and each one of them, the timestamps are wrong for every event. That's at progress way, they all go backwards to each other. Like Cad 500 is at say 10 o'clock then Cad 565 is at nine o'clock on the same day. That's impossible. It happens to every event at progress way. Then I, I've, I've never shown the police it, but I've copied all the Facebook profiles of the, of the

events that they tried to accuse me off. So, I've got the proof of that and I've spoke to a police officer called Adrian Combs who, who owns big boss limited and he's the Essex superintendent. He's gave me a personal letter and all of his notes, which I've never shown the metropolitan police.

Speaker 3: 13:54 He says that he's, he's, he called Chris lurch Lewis over in the field. He knows that Chris Lurture Lewis, is the organizer of the event that I've been accused and set up for and what he's done is gave me a letter of all of these notes saying he gave that to metropolitan police saying that he gave Chris an abatement notice and then the metropolitan police have taken my Chris's picture out and set me up for it. Yeah, they created all the Cads for progress way, which weren't where real. Then they used all of another event on the same day at crown road. They used all of the Cads for that and put them in. They blocked loads of the X to Y locations out in some and the Crown Road. So, you can't tell. But then on some of them they forgot to one blocking so you can tell that their Crown Road and under oath on the day in court when we are Steve Elesmore, the developer of the cases is surely every event is progressed way.

Speaker 3: 14:40 He swears under oath that he never put nothing else in there from Crown Road in there and there was no other party on that day. It's unfair that I've been set up like and I just want the things addressed, I'm illegally being detained in my house. I just, I, I'm not asking him for police officers to have to file prosecution for corruption. I'm not, I don't intend to have to go to the police station and file this report. What my intentions are is the police made an error in saying that there was, um, a section one for four one the doors of the parties that I never throw so in them excepting that they never said there's no breaches under the licensing Act. So, I'm asking them to do is to go back and say, yeah, there was an error in law and that error in law was that there was a section on the doors and they hadn't, the police have no right in these buildings unless they can prove that money's being made.

Speaker 3: 15:26 A commercial companies being run, which no one's attempted to do. So, this way the coppers are safe, I'm safe and everyone can move on. But even though I put this offer on the table, everyone spits it back in my face and now I've been recording me offering this offer from the beginning of time that I've noticed the missing signatures are most the timestamps. I know I've never done the events I have got the paperwork; I've got all of this evidence then they cause. Then they have caused a sex scandal in mine and my partner's name afterwards

just to scare me out of the country when me and my partner have never argued. I still talk to her to do this date now and she will come to any place the same as I would we have never argued over nothing and I never gave her nothing as has been portrayed out in the general public, which is a breach my Personal Data Act. I just want these things addressed and this is why these police won't attend my house. Now from this record in here, I've transcribed this conversation with me and you. Are you still their Madam?

Speaker 2: 16:19 I'm,

Speaker 3: 16:20 and now I have recorded this conversation. I'm recording it and I recorded many more. You've been a very kind lady to me and anyone that's been kind to me I've shown full courtesy towards like I've not asked for their names at the end of the compensations or their details and I'll just end this conversation and most I'm still like, I'll still transcribe it up and put it into my report. Now I've made an official report and it's got every single day in detail. With all my problem, statements, questions, factful info I have took all my phone evidence of me talking to this girl. Never arguing and what we were talking about while this was going on. Yeah, and everything. I've took all of all of them emails between me and all of the companies and all I have built it on his hard evidence, and video evidence, of what my neighbours are doing to me after I carried and loved for them. I've never done nothing bad to none of my neighbours. I've never stole nothing with my state. I've never done nothing. I've never had a party. I have never sold a bag of draw from my house. I've never done nothing wrong other than work hard in my flat, so I don't know why, I'm being treated like this.

Speaker 3: 17:19 I just want.

New Speaker: 17:19 ok.

New Speaker: 17:19 someone to help me and to resolve. I don't want the coppers to have to leave their jobs. I don't want to, I just want it the keys to a park and I wanted to, I don't even have my own children. I can't even have my own kids in my own flat at the moment. I had another woman that come here. We had a child in her stomach and she was happy to live with me and be with me and they let this other gentleman, he's a big man who sleeps on their sofa or upstairs. They let him banging me every single thing and my girlfriend had a miscarriage and all the paperwork here to prove it. They killed my unborn child in woman's stomach since they accused me of this disease and now, they still sit in there every day like yesterday attacking me and I'm not doing nothing wrong.

Speaker 3:	17:57	I'm, I'm, I've acted respectful. I'm not, I'm not the first thing anyone knew that I, that I use to be like, I might lose my temper a bit easier. I haven't lost my temper throughout this and it's been going on for four or five years now. I don't, I just want someone to come and look at my evidence to take what's going down into rectify the problems with the minimum impact on society and myself. I've built a website and I've uploaded my report to my website and I'm ready to go public with it and it's going to cause massive problems and I don't need these problems. That's the problem. I'm noticing.
New Speaker:	18:34	um.
New Speaker:	18:34	a lot of them go on. Thank you for listening.
Speaker 2:	18:37	Its alright, Okay.
New Speaker:	18:37	I will log the details of your complaints and I have um flagged it for the attention of um, our date time Inspector.
New Speaker:	18:40	ok.
New Speaker:	18:40	Who will have to be senior officer that reviews this. Okay, so the message has been passed to them now as a formal complaint, err, they will get back in contact with you. I can't unfortunately give err, an exact time, but I can tell you that it has to be received by them. So, if it's gone out of my hands and has been received, by at the moment Its being looked at by our CPC,
New Speaker:	19:12	ok.
New Speaker:	19:12	The senior officer that covers Enfield Borough. If I can give you a reference number for the complaint that you've made today,
New Speaker:	19:18	Ok thank you.
New Speaker:	19:18	the references is Charli, Alpha, Delta,
Speaker 3:	19:26	Charli, Alpha, Delta,
Speaker 2:	19:29	three four double nine.
Speaker 3:	19:31	3499
Speaker 2:	19:33	Oh, today's date, 25th of February,
New Speaker:	19:38	2018
Speaker 3:	19:38	I appreciate today and thank you for taking the time to listen to me.
New Speaker:	19:41	That's ok.
New Speaker:	19:41	I just hope that somehow just from talking to people and we can close this, problem up behind closed doors. I had good intentions I have built a model constitution. I've got better paperwork here. The Malcolm X, I've got 100% in traditional words, 100% in grammar up a hundred percent in everything. I'm a master at what I do. Yeah, and I've wrote all new policies. I've got all the Glastonbury's management system here. I've got all of Isle of White's management system. I've got trusted and that's why I'd once had problems dealing with me

		because every test say you have to go and do a test for CD or for NSI or to be able to do call handling, I've got folded, dedicated just for your job and it shows me all the HM books and all the safety.
Speaker 3:	20:19	Just like I've got the same for an electorate, electrician. Every test that you'd go to college to do, I put the folder with all the answers in them all so I can look after everybody. I've got basically a city and I've got entrusted in that by big people and I've had to rewrite my own policy so I don't have plagiarisms I'm plagiarism in it mand I've got everything I need to go above 500 people. All I want to do is pay my taxes and hope that other people we can do something that's going to be left behind. Like something that's a 10 if I can get a circus tent, the error in law without the police getting done for corruption, they're not can get a diary, I can attend at the civic centre, I can get released back into the community with a couple of patrol coppers in a tent and we can start maybe over in some cinema films in it. Start analysing the park and doing what we need to see to seek to maybe be able to get the park ready for an event yeah, I'm not asking for a lot. I've done the hard work and I've done the right things. throughout that kid's being protected upstairs till now and they're bad people and I don't see why I should protect them. And not be allowed to child in my own flat. I'm going to go anyway. Thank you for listening to me Madam
Speaker 2:	21:29	that's all right. They'll give you a call back on your mobile number.
New Speaker:	21:32	Okay.
New Speaker:	21:32	Shortly.
New Speaker:	21:32	okay.
New Speaker:	21:32	and it may come up as the withheld number.
New Speaker:	21:38	Ok I understand that.
New Speaker:	21:38	but it has been passed.
New Speaker:	21:38	Thank you very much. take care for now.
New Speaker:	21:41	Bye.
New Speaker:	21:41	Bye

The main terms of the order are summarised as follows: **2** The Defendant, Mr Cordell, be forbidden (whether by himself or by instructing or encouraging or permitting any other person: **a. Clause 3**: from engaging or threatening to engage in conduct that is likely to cause physical violence and verbal abuse to the claimant's employees, tenants to the block of flats at Burncroft Avenue, Enfield. **b. Mr and Mrs. Mathiyalagan have been the victim of several incidents of harassment, intimidation and a serious assault on **45/03/2018.** Despite the matter being reported to the police, they have failed to take actions against the Defendant to enforce the terms of the injunction. **4** The incidents are supported by the affidavit of Mr and Mrs. Mathiyalagan dated **20/04/2018.** - **5** The most recent incident took place on **45/03/2018**; the Defendant assaulted Mr Mathiyalagan who then tried to defend himself. Mr Mathiyalagan sustained personal injuries to his face and had to some of his teeth removed as a result of the assault. The injuries are supported by the ambulance officers' report, dentist records and letter from a GP which are exhibited in Mr Mathiyalagan affidavit dated **20/04/2018** and supporting this application. **6** The Police arrested the Defendant, interviewed him and released him. **7** On **01/03/2018,** Mr Mathiyalagan stated that his wife was inside the bathroom giving their daughter a shower while his cousin was in the living room, he was at work. At about 11am, the Defendant came to their front door and started rattling the letterbox and knocking loudly on the door. His wife went to the door and asked who it was, and the Defendant replied, 'why are you shouting'. His wife told - **Page 103** – him that she was not shouting and that she was inside her bathroom giving her daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to his wife and daughter and made them scared for their safety. His daughter started crying because of the commotion and loud banging. The Defendant left after his wife asked his cousin to call the police. Mr Mathiyalagan stated that he telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. He stated that he did so in the morning of **Tuesday 06 March 2018. - 8** On **26/02/2018**, Mr Mathiyalagan stated that he returned from work at 11:30pm and went to the kitchen to get something to eat; his wife and daughter were already asleep. At about 11:45pm, while he was in the kitchen, he heard loud banging noises on his front door and rattling noises on his letterbox. He thought that his cousin had returned from work and was knocking on the door to be let in, he went to the door and spoke in his language but there was no response. He then opened the door and saw the Defendant standing outside his front door.

As soon as the Defendant saw him, he ran away. The matter was referred to the police, but no actions took place. **a.** It is submitted that the Defendant should have been arrested, kept on remand and brought back to the County Court pursuant to CPR 65.47 which states as follows: **b.** This rule applies where a person is arrested pursuant to – a power of arrest attached to a provision of an injunction; or a warrant of arrest. **c.** The judge before whom a person is brought following his arrest may deal with the matter; or adjourn the proceedings. **d.** The Police are aware of the injunction order as they have been served with a copy of the same. However, they have failed to enforce the terms of the interim injunction. **e.** The Claimant is therefore bringing an application for the Defendant's committal."

1. On **09/01/2018** the Court made an interim injunction order against Mr Cordell (the Defendant), attaching a power of arrest. The main terms of the order are summarised as follows:
The Defendant, Mr Cordell, be forbidden (whether by himself or by instructing or encouraging or permitting any other person:

Clause 3: from engaging or threatening to engage in conduct that is likely to cause physical violence and verbal abuse to the claimant's employees, tenants to the block of flats at Burncroft Avenue, Enfield.
Clause 4: From engaging or threatening to engage in conduct that is likely to cause intimidation, harassment, alarm and distress to the Claimant's employees, tenants and visitors to the block of flats at Burncroft Avenue, Enfield.
Clause 5. From engaging or threatening to engage in conduct that is likely to cause nuisance and annoyance to the claimant's employees, tenants and visitors of flats at Burncroft Avenue, Enfield.
Clause 7: A power of arrest is attached to the above paragraphs.
2. The Defendants have committed several breaches by committing several acts of anti-social Behaviour against his neighbours. Mr and Mrs Mathiyalagan have been the victim of several incidents of harassment, intimidation and a serious assault on **45/03/2018.** Despite the matter being reported to the police, they have failed to take actions against the Defendant to enforce the terms of the injunction.
3. The incidents are supported by the affidavit of Mr and Mrs Mathiyalagan dated **20/04/2018.**
4. The most recent incident took place on **45/03/2018;** the Defendant assaulted Mr Mathiyalagan who then tried to defend himself. Mr Mathiyalagan sustained personal injuries to his face and had to some of his teeth removed as a result of the assault. The injuries are supported by the ambulance officers' report, dentist records and letter from a GP which are exhibited in Mr Mathiyalagan affidavit dated **20/04/2018** and supporting this application.
5. The Police arrested the Defendant, interviewed him and released him.
6. **On 01/03/2018,** Mr Mathiyalagan stated that his wife was inside the bathroom giving their daughter a shower while his cousin was in the living room, he was at work. **At about 11am**, the Defendant came to their front door and started rattling the letterbox and knocking loudly on the door. him that she was not shouting and that she was inside her bathroom giving her daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to his wife and daughter and made them scared for their safety. His daughter started crying because of the commotion and loud banging. The Defendant left after his wife asked his cousin to call the police. Mr Mathiyalagan stated that he telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. He stated that he did so in the morning of **Tuesday 06 March 2018.**

7. On **26/02/2018,** Mr Mathiyalagan stated that he returned from work at 11:30pm and went to the kitchen to get something to eat; his wife and daughter were already asleep. **At about 11:45pm,** while he was in the kitchen, he heard loud banging noises on his front door and rattling noises on his letterbox. He thought that his cousin had returned from work and was knocking on the door to be let in, he went to the door and spoke in his language but there was no response. He then opened the door and saw the Defendant standing outside his front door. As soon as the Defendant saw him, he ran away. The matter was referred to the police, but no actions took place.

8. It is submitted that the Defendant should have been arrested, kept on remand and brought back to the County Court pursuant to CPR 65.47 which states as follows:

1. This rule applies where a person is arrested pursuant to –
2. a power of arrest attached to a provision of an injunction; or
3. a warrant of arrest.
4. The judge before whom a person is brought following his arrest may deal with the matter; or
5. adjourn the proceedings.

9. The Police are aware of the injunction order as they have been served with a copy of the same. However, they have failed to enforce the terms of the interim injunction.

10. The Claimant is therefore bringing an application for the Defendant's committal.

DIRECTIONS ORDER

Incident of 15 March 2018

On Thursday, **15th March 2018,** my wife and I took our 3-year-old daughter to school and as we came out of the block, we saw the Defendant standing outside the main entrance to Block 109-117 Burncroft Avenue. As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. t could not remember the Defendant's exact words but there were lots of swearing words like 'fucking family, fucking bastards' and lots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car, but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off.

7. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to the ground. The Defendant then sat on my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying, and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself, but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self- defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my wife and I called the police and ambulance service.

8. The Defendant's mother Lorraine Cordell turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son.

9. The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an assessment of my injuries. A written report of my injuries can be seen in **exhibit MM1.**

10. The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all I kept on doing was to defend myself. I was held in a cell overnight and bailed the next day.

11. As a result of the assault, I had to have 3 teeth removed and replaced with dentures. A written report from my dentist can be seen in **exhibit MM2.**

12. The Defendant was also arrested, interviewed on the same day but released. I don't understand how this could have happened, while I am being a victim of his assault was kept in a cell overnight. The Anti-social Behaviour team made enquiries to find out why the D. was not charged with breaching the terms of the injunction order and they were told that no charges were made on the basis that I had apparently provoked the Defendant. This is untrue as all I did on the day was to ignore him to take my daughter to school.

Incident **01 March 2018**

13. My wife was inside the bathroom giving our daughter a shower while my cousin was in the living room, I was at work. At about 11am, the Defendant came to our front door and started rattling the letterbox and knocking loudly on the door. My wife went to the door and asked who it was, and the Defendant replied why are you shouting'. My wife told him that she was not shouting and that she was inside her bathroom giving our daughter a

shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to my wife and daughter and made them scared for their safety. My daughter started crying because of the commotion and loud banging. The Defendant left after my wife asked his cousin to call the police.

14. We telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. I did so in the morning of **Tuesday 06 March 2018.**

Incident 26/02/2018

15. I returned from work at 11:30pm and went to the kitchen to get something to eat; my wife and daughter were already asleep.

16. At about 11:45pm, while I was in the kitchen, I heard loud banging noises on his front door and rattling noises on his letterbox. I thought that my cousin had returned from work and was knocking on the door to be let in, I went to the door and spoke in my language but there was no response. I then opened the door and saw the Defendant standing outside of my front door. As soon as the

Defendant saw me, he ran away. The matter was referred to the police, but no actions took place.

15. I requested to be moved out of the estate as that they and their 3-year-old are afraid to stay there. My wife and daughter have been left terrified, as confirmed by a written letter from my GP Dr Swedan as seen in exhibit MM3.

16. I contacted my local authority the London Borough of Waltham Forest and asked that I be rehoused somewhere else, they are trying to find me a suitable alternative temporary accommodation, but the process is taking long.

17. I would therefore ask the Court to consider the application in light of the recent incidents and to commit the Defendant to an arrest.

12. My wife was inside the bathroom giving our daughter a shower while my cousin was in the living room, I was at work. At about 11 am, the Defendant came to our front door and started rattling the letterbox and knocking loudly on the door. My wife went to the door and asked who it was and the Defendant replied 'why are you shouting’. My wife told him that she was not shouting and that she was inside her bathroom giving our daughter a shower. She asked him why he came to her front door, that he was not allowed to be there but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to my wife and daughter and made them scared for their safety. My daughter started crying because of the commotion and loud banging. The Defendant left after my wife asked his cousin to call the police.

13. We telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. I did so in the morning of Tuesday

family. As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. t could not remember the Defendant's exact words but there were lots of swearing words like 'fucking family, fucking bastards' and lots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car, but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to

the ground. The Defendant then sat on my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying, and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself, but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self- defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my wife and I called the police and ambulance service. - **Page 114** – **14** The Defendant's mother Lorraine Cordell turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son. **15** The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an assessment of my injuries. A written report of my injuries can be seen in exhibit MM1. **16** The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all I kept on doing was to defend myself. Incident of 15 March 2018

13 On Thursday, **15th March 2018**, my wife and I took our 3-year-old daughter to school and as we came out of the block, we saw the Defendant standing outside the main entrance to Block 109-117 Burncroft Avenue. As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. t could not remember the Defendant's exact words but there were lots of swearing words like 'fucking family, fucking bastards' and lots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car, but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to the ground. The Defendant then sat on

my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying, and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself, but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self- defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my wife and I called the police and ambulance service.

14 The Defendant's mother Lorraine Cordell turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son.

15 The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an assessment of my injuries. A written report of my injuries can be seen in exhibit MM1.

16 The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all I kept on doing was to defend myself. I was held in a cell overnight and bailed the next day.

17 As a result of the assault, I had to have 3 teeth removed and replaced with dentures. A written report from my dentist can be seen in exhibit MM2.

Speaker 1:	00:00	They're making me really ill, I'm getting woke up by getting stamped on from above my head this morning I was laying down if my front room, they go directly with, they know I'm asleep and stand above and start stamping above me. I know in my, in my, um, Human Rights under Articles 3. It says that mental or physical

		sufferings will amount to torture so it doesn't matter if it's physical or mental torture, as long as it's something and I have explained to the people. I do not like the way that you're treaten me please will you stop.
New Speaker:	00:28	hm.
New Speaker:	00:28	now I'm concerned because they forged an Asbo application and an injunction against me. The judge wouldn't accept it. He threw It out, they put another one in with fraudulent paperwork.
New Speaker:	00:37	Hm.
New Speaker:	00:37	The council did and I'm concerned to see if I have got them conditions on me now and that's what I'm trying to find out of yourself. Do I have an injunction Order or any other conditions on me?
Speaker 2:	00:44	I would not be able to confirm that over the phone I am afraid you will need to go into the police station with ID and ask at the front counter because of data protection I cannot just give that information out
Speaker 1:	00:54	I can give you my personal details and fulfil the requirements
Speaker 2:	00:57	That does not matter whether you can give that information to me over the phone because I cannot verify who you are so for protection reasons because anyone can call up
Speaker 1:	01:06	Yeah,, but all I am asking is; all I'm asking is if there; it isn't, Data Protected or anything isn't. It says,
New Speaker:	01:10	It is.
New Speaker:	01:10	it says, it says, it says on crime stoppers. If it's because you've advertised it in the newspapers. If Simon and Simon and breaks any of these conditions, phone Nine, nine, nine and tell you lot so. You've asked the whole wide world already to tell you this personal information that you are on about.
New Speaker:	01:25	But I can no verify that you are Simon.
New Speaker:	01:25	Yeah, but this, this is public information. It's already in the newspaper.
New Speaker:	01:32	[inaudible].
New Speaker:	01:32	Your company, the company that you represent.
New Speaker:	01:35	[inaudible].
New Speaker:	01:35	put it in the newspaper?
New Speaker:	01:37	Can you listen to me. If you want to know if
New Speaker:	01:37	I won't go into Edmonton police station.
New Speaker:	01:39	Will you listen to me.
New Speaker:	01:39	I won't going into Edmonton police station.
New Speaker:	01:41	[inaudible].
New Speaker:	01:41	They're holding me illegally they are illegally detaining me in my house right now.
New Speaker:	01:44	Ok I will pass that on for you.
New Speaker:	01:44	They illegally detaining in me now with missing signatures.

New Speaker:	01:44	Ok I will pass that on for you now. But if you want to get this information
New Speaker:	01:44	Am I allowed to? is it illegal for me to act in self-defence.
New Speaker:	01:44	Why are you acting in self-defence.
New Speaker:	01:44	I've just explained to you I keep getting assaulted and use lot keep on telling me that you're not going to protect you and you're not going to take a statement from me. I'm telling you that I have got witness statements. I'm telling you that I have got other people that stayed in my flat that were also being victimised to what they're doing. yeah,
Speaker 2:	02:06	Are you sure that this is not a matter for [inaudible]
Speaker 1:	02:09	no, I've, I've, I've got, I've got cameras in every single room of my house. In my front room and in my kitchen. What they are doing is with criminal intent under the 1941 Act, somebody should go into that house on the soccer and they should freeze the house as a crime scene. They using things as intent. They leaving them there they have got wooden flooring and there not supposed to and they are dropping articles onto the wooden flooring The Council will not take the wooden flooring out. The whole flat has been destroyed. It isn't even, they're flat. They're not secure tenants. I'm a secure tenant. They're just living under the statue of Merton. The statue of Merton is the first law that was ever passed in this country. Yeah.
New Speaker:	02:48	Ok I will get someone to call you in regards to this, ok.
New Speaker:	02:48	So it's my life only worth a phone call is my protection only worth a phone call.

Speaker 1:	00:00	No, I want to know what he is going on about I am furious?
Speaker 2:	00:05	Uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh, uh,
Speaker 1:	01:09	Hello, CID.
New Speaker:	01:11	Hello, how are you doing?
New Speaker:	01:11	I am good thank you?
New Speaker:	01:11	Is it possible to speak to DC Rakesh please?
New Speaker:	01:17	Who Sorry,
New Speaker:	01:17	I think it's DC Rakesh.
New Speaker:	01:22	Oh right who is calling.
New Speaker:	01:22	Mr.
New Speaker:	01:22	He is not at his desk right now. I will see if he's in the office.
New Speaker:	01:24	Mr. Cordell.
New Speaker:	01:25	Oh alright hold on one second.
New Speaker:	01:25	Or even if it is possible to speak to his line manager. Who is, his Line Manager?
New Speaker:	01:30	Hold on for a second and let me find out for you.
New Speaker:	01:33	Thank you.
Speaker 3:	03:42	[inaudible] [inaudible] [inaudible]
Speaker 1:	04:08	Hello, DS Sharp speaking.
New Speaker:	04:08	Hello how are you doing DS Sharp. It's Mr Cordell speaking.
New Speaker:	04:11	How can I help you.
New Speaker:	04:11	may I ask if you have any involvement in my caseload load at present that is in Wood Green Police station.
New Speaker:	04:19	I am the supervisor for the case?
New Speaker:	04:20	You're the supervisor for the case. Hello how are you doing?
New Speaker:	04:21	yep, How can I help you.
New Speaker:	04:22	I've put a few concerns about this case. Yeah. The case is that right now you're trying to put an application, you're trying to, um, someone's put a CFS, a call for service, which is Lemmy a council official while he was at work is accusing me of threats to kill yeah, I understand that Threats to kill is a noncustodial sentence.
New Speaker:	04:39	That's not the case.
New Speaker:	04:39	and that its, Threats to kill unless. Threats to kill is a non-custodial sentence unless an offensive.
New Speaker:	04:45	That's not correct.
New Speaker:	04:45	weapon, unless an offense,
New Speaker:	04:47	That's not correct.
New Speaker:	04:47	unless an offensive weapon is used in it.

New Speaker:	04:49	Do you want me to repeat to you that that is not correct.
New Speaker:	04:49	Ok may I say something to you sir.
New Speaker:	04:52	ok.
New Speaker:	04:52	A couple of weeks ago, I was arrested for the same accusations in your police station.
New Speaker:	04:58	Si Note: [It's a 10 year sentence with an offensive weapon and without it is recommended that you get 6 months' probation or everyone would be ridding 10 years = Common sense]
Speaker 1:	04:58	I went to the courts and I won the case in the courts and I got all the case.
New Speaker:	05:03	Mr. Cordell how can I help.
New Speaker:	05:03	
New Speaker:	05:03	I've got the case papers here for threats to kill. Yeah. In that police station.
New Speaker:	05:07	What can I do for you today.
New Speaker:	05:07	and the Maximum sentence, what I'm concerned, this is what I'm trying to explain to you. I'm just trying to, because you grade your priorities as a police officer, you grade E the grade D so and so. And you're a DC, so you would understand how, how you prioritize your caseload.
New Speaker:	05:20	No I am a DS.
New Speaker:	05:20	AR, DS. yes. Yes. So, so now what I'm trying to explain to you, sir yeah. Is, yeah, is that a little while ago before this case here happened. It's the same case. Yeah. It's just a continuation. This is the backlash of what's going on that you're dealing with. Yeah. So now I've been writing a diary since 2006 every day I've done this diary.
Speaker 1:	05:38	I've took every email and every text, every government officials got sent to me and my mother. Yeah. We have sent my mother; we have sent the Council and use police. We sent the Council over a hundred emails from **2014** to 16 explaining that I was getting assaulted in my house. I took video evidence enough to go over 10 statements of witnesses in my house while this was happening. I've got over a hundred videos in my house now. Yeah. The over condemning. Yeah, 100% any person that sees and beyond reason would that they're going to prison for what they've done to me. Yeah. Now I've been writing to Lemmy and to all the rest of his team's lit. Rob leek, the executive director, Joann Ryan, and everyone's been emailing each other in between these emails.
Speaker 4:	06:16	And who are these people, who are these people that you are supposed to have email addressed.
Speaker 1:	06:20	Rob Leak Is the executive director of Enfield Island Village of Enfield Civic Centre and now he is on £50,000 pounds more than the prime minister in there

		yeah, Now, if you look at his, if you write Rob leak into the Google, you'll see a picture of him pop up yeah,, Rob Leak pop up, and you see him hanging over a picture of a massive building that they building a new establishment in **2015** by **2015** in between **2015** in **2014** yeah. How initially started, yeah. With these people acting in joint circles was a woman I initially got arrested. Yeah. for burglary case.
Speaker 4:	06:55	Right Mr. Cordell I'm just going to interrupt you there because I'm extremely busy.
Speaker 1:	06:58	Yes, I am. I'm explaining it to you, sir. So, I'm recording this conversation and you're a DS.
New Speaker:	07:01	and I'm being held,
New Speaker:	07:02	What's **2014** got to do with me.
New Speaker:	07:02	I'm being held hostage in my house right now by, by the police officers. Fraudulent activities. Yeah. Now these, these, these, it takes the council and the police to make an application. Yeah, to make an Asbo Order. They both went to the civic centre. On the third page it says that they had to do this under the criminal evidence Act. Now they forged that Asbo because all the timestamps in the call centre go backwards. CAD 500 happens at two o'clock then CAD 565 happens at one o'clock now this happens throughout the paperwork in order to CAD numbers. They, when they copy them out the paperwork, it says our white people committed this crime. White males and females. I'm not white male so I couldn't have done these crimes yeah, on every building they accept that section was on these buildings yeah, that section, the police officers in their own personal statements say that there's sections on all the doors and that's why they never arrested nobody.
Speaker 1:	07:52	Now what initially happened is someone from our hierarchy has pushed an order an told Jane Johnson, the borough commander to tell someone to initiate this. Now I've got Jane Johnson, and all these recordings on phone call and I'm saying we're putting Jane Johnson, into protection because of you per spiting down the phone, you want our commanding office. I've got all the recordings all transcribed up and I don't have them just on my computer here. I passed to move to my family and my families passed them over to other people. We're dealing with a lot of ex coppers online in a forum who were being showing all this paperwork to bear of them and they're disgraced by what's going on here.
New Speaker:	08:26	Mr. Cordell can I speak for a moment here.
New Speaker:	08:26	Yes, of course you can sir.
Speaker 4:	08:28	My understanding is that I appreciate that there is a lot of history to all of this and there's a lot of matters that you err, you know, you've had involvement with

		council officials and this that and the other but, Okay. our job here is only to investigate what the allegation is against yourself, which you are aware of because you've been, in custody for it
Speaker 1:	08:44	May I say something under the police reforms Act. 200, 1963 which you initially signed set up the first police officer Bill, you do a constitution. Yeah, that constitution there is only six limited companies in this country. You can have CIC association and a limited.
New Speaker:	08:57	Mr. Cordell.
New Speaker:	08:57	You are under limited company. Your constitution says that you will protect anybody yeah, what you are there under that police reforms to protect any CFS caller, any person asking for your services, now if I give you a grade listed high priority and I say to somebody is getting raped over there and it's more important than what way do you have to grade your priorities and you have to do what you've got to do. Yeah, now I'm telling you are being raped by these people and I'll put the evidence. I'll be in your police station since **2014** and no one, I have recorded about hundred phone calls and no one went to come to taking a statement of me until up a till **2016** yeah,
New Speaker:	09:35	Mr. Cordell
New Speaker:	09:35	I got seven years. Listen to this yeah, Section 63 is for? Outdoor events only. Yeah. For the organization of illegal Raves yeah, unless trespass takes place. Yeah. I went to court and I have got the transcripts here and, in the court, they couldn't prove the legality. My barrister, the through.
New Speaker:	09:50	Mr. Cordell.
New Speaker:	09:50	Wrote his submissions on his own now, Now, I am ridding seven years now, now, I am ridding seven years.
New Speaker:	09:56	If you don't stop shouting at me I am going to put the phone down
New Speaker:	09:56	I'm not showing, I'm tongue tied, I'm tongue tide, I'm tongue tied and I got pressured speech. it’s my disability, it's my disability.
New Speaker:	10:02	I need you to calm down.
New Speaker:	10:02	I'm not calm, I'm, I'm just tongue tied.
New Speaker:	10:06	what do you need. Can I ask you a question, what do you mean by the raped you?
Speaker 1:	10:10	What they've done is physical under, under, under Article 3 of my human rights, the right not to be treated or to be degraded by any other state, official or any other person, any physical or mental, mental sufferings would amount to torture. now torture is of your highest degrees in your states of laws that you represent is the highest priority of all it's next to perjury? Yeah. Now I'm showing you that these people are sitting in my

		house. They're using, they're using fixtures from their house floors to bang at me on the floor with intent yeah, there coming back and using them over and over again the day I got released from your police station the other day. I come back home and they were chasing me, in my house bang, bang. If I played the video to now, you're coming. They're all going into prison for life. Yeah. It isn't a joke. What they're doing to me, in this house and what you're trying to do yeah,
New Speaker:	10:52	When you are saying that you are bagging on the floors
Speaker 1:	10:55	And the council have let them do this because they have pushed a sex scandal out in mine and Shannon's name a sex scandal to cover up that use lot never had all the timestamps in that call centre that all your time stamps were wrong in that call centre. And all your signatures so you done a sex scandal in mine and Shannon's name.
New Speaker:	11:08	and now, if you look online yeah,
New Speaker:	11:12	Mr. Cordell.
New Speaker:	11:12	No, listen, listen to this, sir.
New Speaker:	11:13	Mr. Cordell if you will not listen to me.
New Speaker:	11:13	Write this one thing down,
New Speaker:	11:15	Mr. Cordell you either listen to me or I am going to put the phone down.
New Speaker:	11:15	Write this one thing down with a pen and paper and you're going to understanding how much trouble you on check. Check this online.

1 Enfield Council 2nd Injunction Order: 07/08/2018; Till **09/08/2018** / Witness Statement of Miss Revathy Mathiyalagan **Dated 20 April 2018** - "**Page 106** – **1.** Made on behalf of the Claimant. **2.** Witness Statement of Revathy Mathiyalagan. **3.** Dated **20 April 2018. 4. 20/04/2018**. **5.** CLAIM NO: **E00ED049.** In The Edmonton County Court / **Between**: - **{Claimant} The Mayor and Burgesses of The London Borough of Enfield -And- (Defendant) Mr Simon Cordell Affidavit of Mrs. Revathy Mathiyalagan**. - I, Mrs. Revathy Mathiyaiagan, of Flat 117, Burncroft Avenue, Enfield, EN3 7JQ make this statement believing it to be true and understand that it may be placed before court. Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my persona! knowledge it is true to the best of my knowledge. **- I Will Say as Follows - 1.** I am the tenant of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located two floors above Mr Cordell (thereafter 'the Defendant'). I live there with my husband Markandu and my child who is 3 years old. I have been housed to this Property with my family by the London Borough of Waltham Forest and have occupied the Property since **11 September 2016** the Property was given to me as a temporary accommodation. - **Page 107** – **2.** I make this affidavit in support of the Claimant's (my husband) application for the Defendant's committal on the basis of a breach of the interim injunction order made by the Edmonton County Court on **09 January 2018**. - **3.** I witnessed the terrible assault committed by the Defendant on my husband on **05 March 2018** and confirm the facts stated in my husband s affidavit dated **20 April 2018**. **4.** Mr Cordell harassed, abused and repeatedly punched my husband on his face, causing him to bleed and to break two of his teeth, I tried to stop him, but he would not listen to me. **5.** We contacted the police who arrested both Mr Cordell and my husband. My husband was kept by the police overnight while he was a victim of the assault. The police could see the facial injuries, bleedings and damages sustained to his face and teeth but decided to keep him at the police station while he was a victim of the assault. Surprisingly I heard that Mr Cordell was arrested, interviewed and released on the same day. The police decided not to charge him for some unknown reasons. **6.** I believe that the Police decision was wrong, as there is Clear evidence of assault, I was not interviewed while being a key witness to the incident. The Defendant should have been arrested and brought back to the Court following the breach of the injunction order so it could decide on his arrest. **7.** I fear for my family safety and feels that the interim injunction with the London Borough of Enfield obtained on **09 January 2018** is not providing me and my family protection as the police refuses to enforce the terms of the order despite clear evidence that Mr Cordell has breached the terms. - **Page 108** – The situation has left me and my family terrified. There's a letter from my GP which confirm that, as seen under **exhibit RM1.** - **8.** There were further incidents on **11 November 2017**. On **02-03 January 2018** - **01 March 2018** And **26 February** where Mr Cordell harassed me, but the police did nothing despite evidence of him breaching the injunction order. All they would do will be to attend the

Property, speak to him and leave without investigating the incidents. **9.** I feel let down by the system and constantly fear for my safety. I contacted my local authority (the London Borough of Waltham Forest) to be moved out of the estate as myself, husband and 3-year-old are afraid to stay there. However, Waltham Forest is not taking any actions at the moment. **10.** I feel that the existence of the injunction has not provided the adequate protection to me and my family. As things stand the Defendant feels that the injunction is ineffective as the lack of actions from the police currently encourages him to act badly towards me and my family. We therefore hope that the Court will support us and take appropriate actions following the breaches. **11.** I would therefore ask the Court to consider the application in light of the recent incidents, to commit the Defendant to an arrest and impose a sentence following his breaches of the injunction. DIRECTIONS ORDER

2. I make this affidavit in support of the Claimant's (my husband) application for the Defendant's committal on the basis of a breach of the interim injunction order made by the Edmonton County Court on
09 January 2018
05/03/2018
event witness wife of Mathiyalagan "REVATHY"
20/04/2018
affidavit
My police interview is on cd
3. I witnessed the terrible assault committed by the Defendant on my husband on **05 March 2018** and confirm the facts stated in my husband s affidavit dated
20 April 2018
4. Mr Cordell harassed, abused and repeatedly punched my husband on his face, causing him to bleed and to break two of his teeth, I tried to stop him, but he would not listen to me.
5. We contacted the police who arrested both Mr Cordell and my husband. My husband was kept by the police overnight while he was a victim of the assault. The police could see the facial injuries, bleedings and damages sustained to his face and teeth but decided to keep him at the police station while he was a victim of the assault. Surprisingly I heard that Mr Cordell was arrested, interviewed and released on the same day. The police decided not to charge him for some unknown reasons.
6. I believe that the Police decision was wrong, as there is Clear evidence of assault, I was not interviewed while being a key witness to the incident. The Defendant should have been arrested and brought back to the Court following the breach of the injunction order so it could decide on his arrest.
7. I fear for my family safety and feels that the interim injunction with the London Borough of Enfield obtained on
09 January 2018
is not providing me and my family protection as the police refuses to enforce the terms of the order despite clear evidence that Mr Cordell has breached the terms.

9. I feel let down by the system and constantly fear for my safety. I contacted my local authority (the London Borough of Waltham Forest) to be moved out of the estate as myself, husband and 3-year-old are afraid to stay there. However, Waltham Forest is not taking any actions at the moment.

10. I feel that the existence of the injunction has not provided the adequate protection to me and my family. As things stand the Defendant feels that the injunction is ineffective as the lack of actions from the police currently encourages him to act badly towards me and my family. We therefore hope that the Court will support us and take appropriate actions following the breaches.

Mr. Simon Cordell 109 Burncroft Ave Enfield EN3 7JQ 03/03/2018
• **Case Ref: EOOED049**
To Whom It May Concern:
I am writing this letter due to some confusion with the above case number, this case is with regards to an Injunction Order from, The London Borough of Enfield towards myself Mr. Simon Cordell.

1. On the 09/08/2017 case ref: D02ED073 the Claimant was granted an interim injunction order, this order I disputed, but due to the Claimant not doing what the court ordered this interim injunction order was discharged and struck out by the court on the 17/11/2017.
2. The Claimant tried on the 09/01/2018 to get case ref: D02ED073 reinstated which the judge did not allow.
3. On the 09/01/2018 the Claimant put the new application in for the issue of the same interim injunction order which the court had refused to reinstate, which the court granted case ref: EOOED049.

4. The Claimant have stated the interim injunction order of the 09/01/2018 was served to me on the 10/01/2018, which I am disputing this was served personally to myself on the 10/01/2018.
5. On the 05/02/2018 we were to attend court the judge was not happy that the interim injunction order had been served correctly due to there being no affidavit of service filed to the court, also there was other application the Claimant has submitted to the

754

83,

Si-Letter-to-court-03-03-2018.pdf

court which I had not seen, the Judge did on the 05/02/2018 ask the Claimant to complete a list of things please see below.

IT IS ORDERED THAT

1. The Claimant do by 4pm on 09/02/2018 file and serve an affidavit of service.
2. The Claimant do by 4pm on 09/02/2018 serve on the Defendant by first class post its application of 05/02/2018.
3. Matter be listed for further consideration of the order 09/01/2018 and the Claimant's application referred to above, on 30/05/2018 at 14:00pm (time estimate 1 hour).
4. The Defendant's address for service is 109 Burncroft Avenue, Enfield EN3 7JQ

I have received the new application and within the documents is a statement of affidavit of service which I am still disputing was served correctly.

Within the statement of affidavit of service from Andy Philippou, a Process Server of Global Investigation Services Limited, Earnscliff House, London N99AB, it states please see below.

"1. That I am over sixteen years of age.

1. *That I did on Wednesday 10 January 2018 at approximately 10.20.am attend at the offices of VLS Solicitors, Gibson House, 800, High Road, Tottenham, London N17 ODH in order to meet with the Defendant's Solicitor. That I did at approximately 10.30.am. meet and personally serve Suzanne Ozdemir (receptionist) of VLS Solicitors with the following:*
2. *An Injunction Order dated 09 January 2018 with Notice of Hearing on OS/02no18 at 2.pm*
3. *A General Form of Judgement or Order dated 09 January 2018 A Power of Arrest dated 09 January 2018 an N244Application Notice*
4. *A Statement of Lemmy Nwabusi dated 08 January 2018, with exhibits A Court Order •*
5. *A Statement of Ludmilla lyavoo dated 03 January 2018, with exhibits*

754

84,

Si-Letter-to-court-03-03-2018.pdf

6. *That I did on the same date at approximately 11.30.am and in the absence of a response from*
7. *the Defendant's address of 109 Burncroft Avenue, Enfield, Middlesex EN3 7JQ post through the*
8. *letterbox of 109 Burncroft -Avenue, Enfield, Middlesex EN3 7JQ copies of the aforementioned*
9. *documents in a sealed plastic wallet for the attention of the defendant.*
10. *That I did on the same date having had notification from the Claimant Solicitor of the Defendant's- arrest the previous evening attend at Wood Green Police Station in order to meet and personally serve the defendant with the aforementioned documents. That. I did after having had to wait post interview and having the matter referred to the duty Sergeant by Officer Tahir Razzaq; meet and serve the above-named defendant with the*

aforementioned documentation in the presence of five officers in the doorway of holding cell 9.

11. *That at the time of service the aforementioned defendant admitted his identity to me as Simon Cordell, namely an adult male of mixed race, possibly in his mid-20's, approximately 5'10" tall and slim build.*

12. *This statement is true to the best of my knowledge and belief and .1 make it knowing that, if it were tendered in evidence, I would be liable to prosecution if I wilfully stated in it anything which I know to be false or did-not believe to be true. ”*

As stated, this is a new interim injunction order dated the 09/01/2018 so why did the Claimant serve this to a solicitor who in fact was not dealing and new nothing about this application, and in fact is not representing in this new case.

I believe posting this in someone door does not class this application as it being served.

And I believe the police allowing a person into the police custardy area where I was being held in a cell and then allowing this person along with five police officers is wrong in law.

There is also the fact that Andy Philippou has stated he personally serve the defendant with the aforementioned documents in the cell and that I give my name.

This is untrue as I stated to the judge on the 05th February 2018, I would not allow the above person to serve me any documents while I was in police custardy, I stated that

755

85,

Si-Letter-to-court-03-03-2018.pdf

the police came to my cell with the person, and I stood by the CCTV camera in the police cell with my hands over my ears and started shouting so I could not hear anything that was being said. Due to me doing this the police closed the cell door and asked the person to leave the police station.

There is also the fact that the police had told me they were going to allow this person to serve me in the police station, my solicitor and mother was also told this, I had told the police I would not allow this to happen, which my solicitor also told the police I would not allow this. My mother also spoke to the officer in change and told him it was a breach of law to allow this, the police are getting involved in a civil court matter which I would not have any control over as I was classed as not a free person, and the police had total control, that the order should only be served at my home address or a business work place. The officer in change said he would talk to the custardy officer and let her know what he said, when he asked the custardy officer, he told the officer in charge he was going to allow this, which was then passed on to my mother and my solicitor.

At this point in time, I have asked the police for a subject access request of the CCTV and also all records of me bring in the police station.

I dispute that the interim injunction order was served on me personally at the police station.

I also depute the facts which the Claimant have put in this interim injunction order, since 2014 I have been left in my home with no help from the Claimant, many calls have been made many emails have been sent as well as complaints, but it would seem to be the case that the Claimant have ignored everything regarding me and only go on what the neighbours have said, I have been left to live in hell with what the neighbours are doing, I have to live in my own home with CCTV in every room so my movements are recorded, I record everything as this is the way I have been left to live like in my own home, because I am being blamed for everything that goes on in my block of flats.

755

86,

There is many emails which show I asked the Claimant for help regarding what is going on where I can sit down in my home and show the Claimant what is going on with my family

there with me, The Claimant has refused to come out and take any reports from me and tell me I have to go to them to do this but they have been told I do not cope well when I have to leave my flat, but it seems the Claimants have no problem with going to the neighbours when they say anything.
It is ironic that I was begging for help in many emails and phone calls before any complaints when into to the Claimants about me, yet I am left to deal with it on my own with no help when I was asking for help. But as soon as a complaint went in from the neighbour the Claimants act on it. I believe there is reasons for this, and I believe they will be fully seen by the court.
I have made so many calls to the police which I do have all the CAD numbers begging for help I just get told they won't get involved but as soon as the neighbours put a complaint in the police are there to arrest me.
I asked for help so many times the abuse is still ongoing every day by the neighbours, yet the council will take no reports, we were told to only have contact with the acting solicitors.
This has had a large impact on my health which the Claimants are well aware off. My mother has had to help write this to the court.
I am unsure if this order is in place or not, and when I made a call to the police over the last days, they have told me they do not believe it has been served correctly. Could the court please update me regarding this.
Regards
Mr S Cordell

Clause 3**: from engaging or threatening to engage in conduct that is likely to cause physical violence and verbal abuse to the claimant's employees, tenants to the block of flats at Burncroft Avenue, Enfield. **b. Mr and Mrs. Mathiyalagan have been the victim of several

incidents of harassment, intimidation and a serious assault on **45/03/2018.** Despite the matter being reported to the police, they have failed to take actions against the Defendant to enforce the terms of the injunction. **4** The incidents are supported by the affidavit of Mr and Mrs. Mathiyalagan dated **20/04/2018.** - **5** The most recent incident took place on **45/03/2018**; the Defendant assaulted Mr Mathiyalagan who then tried to defend himself. Mr Mathiyalagan sustained personal injuries to his face and had to some of his teeth removed as a result of the assault. The injuries are supported by the ambulance officers' report, dentist records and letter from a GP which are exhibited in Mr Mathiyalagan affidavit dated **20/04/2018** and supporting this application. **6** The Police arrested the Defendant, interviewed him and released him. **7** On **01/03/2018,** Mr Mathiyalagan stated that his wife was inside the bathroom giving their daughter a shower while his cousin was in the living room, he was at work. At about 11am, the Defendant came to their front door and started rattling the letterbox and knocking loudly on the door. His wife went to the door and asked who it was, and the Defendant replied, 'why are you shouting'. His wife told - **Page 103** – him that she was not shouting and that she was inside her bathroom giving her daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to his wife and daughter and made them scared for their safety. His daughter started crying because of the commotion and loud banging. The Defendant left after his wife asked his cousin to call the police. Mr Mathiyalagan stated that he telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. He stated that he did so in the morning of **Tuesday 06 March 2018.** - **8** On **26/02/2018**, Mr Mathiyalagan stated that he returned from work at 11:30pm and went to the kitchen to get something to eat; his wife and daughter were already asleep. At about 11:45pm, while he was in the kitchen, he heard loud banging noises on his front door and rattling noises on his letterbox. He thought that his cousin had returned from work and was knocking on the door to be let in, he went to the door and spoke in his language but there was no response. He then opened the door and saw the Defendant standing outside his front door. As soon as the Defendant saw him, he ran away. The matter was referred to the police, but no actions took place. **a.** It is submitted that the Defendant should have been arrested, kept on remand and brought back to the County Court pursuant to CPR 65.47 which states as follows: **b.** This rule applies where a person is arrested pursuant to – a power of arrest attached to a provision of an injunction; or a warrant of arrest. **c.** The judge before whom a person is brought following his arrest may deal with the matter; or adjourn the proceedings. **d.** The Police are aware of the injunction order as they have been served with a copy of the same. However, they have failed to enforce the terms of the interim injunction. **e.** The Claimant is therefore bringing an application for the Defendant's committal."

Evidence in support of the application notice dated20.04.2018 (part 10)

1. On **09/01/2018** the Court made an interim injunction order against Mr Cordell (the Defendant), attaching a power of arrest. The main terms of the order are summarised as follows:

The Defendant, Mr Cordell, be forbidden (whether by himself or by instructing or encouraging or permitting any other person:

Clause 3: from engaging or threatening to engage in conduct that is likely to cause physical violence and verbal abuse to the claimant's employees, tenants to the block of flats at Burncroft Avenue, Enfield.

Clause 4: From engaging or threatening to engage in conduct that is likely to cause intimidation, harassment, alarm and distress to the Claimant's employees, tenants and visitors to the block of flats at Burncroft Avenue, Enfield.

Clause 5. From engaging or threatening to engage in conduct that is likely to cause nuisance and annoyance to the claimant's employees, tenants and visitors of flats at Burncroft Avenue, Enfield.

Clause 7: A power of arrest is attached to the above paragraphs.

2. The Defendants have committed several breaches by committing several acts of anti-social Behaviour against his neighbours. Mr and Mrs Mathiyalagan have been the victim of several incidents of harassment, intimidation and a serious assault on **45/03/2018.** Despite the matter being reported to the police, they have failed to take actions against the Defendant to enforce the terms of the injunction.

3. The incidents are supported by the affidavit of Mr and Mrs Mathiyalagan dated **20/04/2018.**

4. The most recent incident took place on **45/03/2018;** the Defendant assaulted Mr Mathiyalagan who then tried to defend himself. Mr Mathiyalagan sustained personal injuries to his face and had to some of his teeth removed as a result of the assault. him that she was not shouting and that she was inside her bathroom giving her daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to his wife and daughter and made them scared for their safety. His daughter started crying because of the commotion and loud banging. The Defendant left after his wife asked his cousin to call the police. Mr Mathiyalagan stated that he telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. He stated that he did so in the morning of **Tuesday 06 March 2018.**

7. On **26/02/2018,** Mr Mathiyalagan stated that he returned from work at 11:30pm and went to the kitchen to get something to eat; his wife and daughter were already asleep. **At about 11:45pm,** while he was in the kitchen, he heard loud banging noises on his front door and rattling noises on his letterbox. He thought that his cousin had returned from work and was knocking on the door to be let in, he went to the door and spoke in his language but there was no response. He then opened the door and saw the Defendant standing outside his front door. As soon as the Defendant saw him, he ran away. The matter was referred to the police, but no actions took place.

8. It is submitted that the Defendant should have been arrested, kept on remand and brought back to the County Court pursuant to CPR 65.47 which states as follows:

1. This rule applies where a person is arrested pursuant to –
2. a power of arrest attached to a provision of an injunction; or

3. a warrant of arrest.
4. The judge before whom a person is brought following his arrest may deal with the matter; or
5. adjourn the proceedings.

9. The Police are aware of the injunction order as they have been served with a copy of the same. However, they have failed to enforce the terms of the interim injunction.

10. The Claimant is therefore bringing an application for the Defendant's committal.

CONDITIONAL BAIL TO POLICE STATION GRANT
Form MCI 4 A Variation No
NOTES
The applicable bail period (ABP), initially means the period of 28 days beginning the day after the person's arrest. There are cases where this may be extended to three months beginning with the person's bail start date on the authority of a senior officer. If the investigation is being conducted by the Serious Fraud Office, then the initial ABP will be three months.
Further extensions to the ABP can be authorised by a magistrate's court, or if the case is exceptionally complex by a senior police officer.
Your initial ABP ends on (enter date). However, this date could be different to your actual bail date. You should ensure that you attend on the date/time shown above.
The ABP is suspended if the case is submitted to CPS for a charging decision until the date of its return. The ABP will be extended by the number of days that the case was with the CPS.
You will be informed in writing if your ABP or bail date is amended.

A person is normally bailed to 28 days; however, a custody officer can set a different or additional time at which the person is to attend the police station to answer bail.
Your bail date has been varied (choose those applicable)
To align with another bail return date as the person is already on pre-charge bail for another offence.

1. The custody sergeant feels an earlier charging decision is likely
2. To accommodate any requests from the person or their legal representative or to accommodate any policing requirements

The neighbours are on the top floor are doing work. They are hammering and causing noise. This caused a dispute between the subject and the builders. have attended the subject's address to try and mediate between them to prevent further disputes. The subject went into a 15-minute rant about how he was under constant attack by everyone, and how he perceived the banging by the builder to be an assault against him. The neighbour tried to come down and talk about when the work would finish but the subject started to shout at him. The subject stated that he has cameras set up all over his house and that he wanted the neighbour to come in and watch the footage of the aggressive hammering, when the neighbour declined, the subject started to shout about being mugged off. The subject would benefit from a visit from social services. He appeared to be having issues with his mental health. There was nothing to suggest that he was in immediate danger, and he was within his dwelling.

On Thursday,
15th March 2018

my wife and I took our 3-year-old daughter to school and as we came out of the block, we saw the Defendant standing outside the main entrance to Block 109-117 Burncroft Avenue. As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. I could not remember the Defendant's exact words but there were lots of swearing words like Tucking family, fucking bastards' and tots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off.

6. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to the ground. The Defendant then sat on my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self- defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my wife and I called the police and ambulance service.

7. The Defendant's mother turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son.

8. The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an assessment of my injuries, A written report of my injuries can be seen in exhibit MM1.

9. The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all l kept on doing was to defend myself. I was held in a cell overnight and bailed the next day.

10. As a result of the assault, I had to have 3 teeth removed and replaced with dentures. A written report from my dentist can be seen in exhibit MM2.

11. The Defendant was also arrested, interviewed on the same day but released, I don't understand how this could have happened, while I being a victim of his assault was kept in a cell overnight. The Anti-social Behaviour team made enquiries to find out why the D. was not charged with breaching the terms of the injunction order and they were told that no charges were made on the basis that I had apparently provoked the Defendant. This is untrue as all I did on the day was to ignore him to take my daughter to school.

Summary!

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eaten because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

Disrepair!

Incompetent is how I feel after trying to address the mutable amounts of incorrect issues with my flat after making arrangements with the Enfield Council and the Enfield Homes teams to rectify the problems of concern, and after they Finnish letting me down in their services, as I am the one who has to live in such dreadful rented conditions!

It is truly tragic that the Enfield Councils and the Enfield Homes inclusive of the Metropolitans constabulary left the occupiers of 117 Burncroft Avenue without any form of support in regards to their Childs protection when I notified them of my concerns and video evidence of the legal guardians consecutive while amoral Behaviour of criminal attempts, as for the child protection Act 1989 states that in section 7 of that act it requires all local authority as a must to assist in the protection of children, since the young child s birth the child legal no there and father have provoked a Critical emergency needed for the Mental stability of themselves to get questioned as for the complete absinth of the disregard for life its self, as the Article of the human Right Act 1998 explains within its context, as I am Confident that the child is in danger alongside many of my other witness towards the child's legal guardians stability and Mental stability. The overseeing authorities should have contacted the Social Services the earliest opportunity in pursuit of the Social Workers Act 1981!

Dear Anna Sokol
I have just spoken to the ICO and they have told me to put a case into them, as I have asked for an update and not been given one. I have been told by the ICO there is strict guidelines on the 40-day limits given to comply with the request staffing issues does not bare any Weight to be outside the 40-day's guidelines. Due to me needing this information due to a court case the ICO will be able to process my dispute much earlier than they would do due to this reason.
I read the email you sent me and the ICO believe it is very un-professional for an email to be sent like this when the guidelines for SAR are very clear.

To Whom It May Concern:
I am writing this email regarding Mr Simon Cordell and the bail to return tomorrow 05/04/2018 at 10:00 hours at Wood Green police station, I was wondering if my son Mr Simon Cordell still needs to attend the police station tomorrow 05/04/2018 at 10:00 hours as he is not very well. If you could give me an update, I would be grateful as we have not heard anything from his solicitors.

Dear Ludmilla Lyavoo
I understand when my son said in court where he wanted documents to be sent, but over Enfield Councils systems there is documents which state anything Enfield Council is sending to my son I have to be copied into it. Lemmy is well aware of this from a long time ago that anything Enfield Councils sends my son I have to be copied into it. Of cause anything I am copied into would not be classed as being served on my son, I should still be copied into everything and this should be on all Enfield Councils systems. We are still disputing the fact the order was served on my son correctly.

Good afternoon, Ms Cordell,
I'm afraid neither myself nor PC Hurford are the officers dealing with this. We were just the officers dealing with prisoners on that day. You'll need to call 101 and ask who the officer dealing is and what the update on the crime report is, whether it has been closed or is still open for investigation. I have tried to look this up for you but at present I cannot as the systems seem to be broken. I am on emergency response teams and this will be dealt with by whoever the officer in the case is. If it is still open for investigation, I imagine he'll have to turn up.
Kind regards PC Goy

CONDITIONAL BAIL TO POLICE STATION GRANT
Form MCI 4 A Variation No
NOTES
The applicable bail period (ABP), initially means the period of 28 days beginning the day after the person's arrest. There are cases where this may be extended to three months beginning with the person's bail start date on the authority of a senior officer. If the investigation is being conducted by the Serious Fraud Office, then the initial ABP will be three months.
Further extensions to the ABP can be authorised by a magistrate's court, or if the case is exceptionally complex by a senior police officer.
Your initial ABP ends on (enter date). However, this date could be different to your actual bail date. You should ensure that you attend on the date/time shown above.
The ABP is suspended if the case is submitted to CPS for a charging decision until the date of its return. The ABP will be extended by the number of days that the case was with the CPS.
You will be informed in writing if your ABP or bail date is amended.
A person is normally bailed to 28 days; however, a custody officer can set a different or additional time at which the person is to attend the police station to answer bail.
Your bail date has been varied (choose those applicable)

My Heart has really started to hurt me every day, I am having an early aged mild heart attacks because of what Debra Andrews and the Mathiyalagan Markandu family as well as stain Curtis and George Quinton get and got away with, inclusively of what the police and local council members are getting away with each day by holding me hostage with no first hand witness and then on allowing my estate members to carry out their hate crime in a cover up to send me crazy or to an early death by flushing the toilet below me and bagging at me causing me sufferings and no peace also letting the named attack me when I am in the bath tub and getting undressed and this does not stop their I continue to get assaulted with the water taps getting slammed on and off causing a loud bagging sound at a fast rate and slamming object and or jumping on the floorboards above my head damaging my work studies and private family life and making me a Vulnerable person!
I have also had a lot of problems with eaten because of what they keep all doing to me!
My canine has victualing its paws because of what 113 – 117 and 111 are getting away with I have taken pictures of the damage this is doing to us in this flat!

As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. t could not remember the Defendant's exact words but there were lots of swearing words like 'fucking family, fucking bastards' and lots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to

video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car, but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to the ground. The Defendant then sat on my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying, and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself, but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self- defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my wife and I called the police and ambulance service. - **Page 114** – **14** The Defendant's mother Lorraine Cordell turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son. **15** The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an assessment of my injuries. A written report of my injuries can be seen in exhibit MM1. **16** The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all I kept on doing was to defend myself. I was held in a cell overnight and bailed the next day. **17** As a result of the assault, I had to have 3 teeth removed and replaced with dentures. A written report from my dentist can be seen in exhibit MM2. **18** The Defendant was also arrested, interviewed on the same day but released. I don't understand how this could have happened, while I am being a victim of his assault was kept in a cell overnight. The Anti-social Behaviour team made enquiries to find out why the D. was not charged with breaching the terms of the injunction order and they were told that no charges were made on the basis that I had apparently provoked the Defendant. This is untrue as all I did on the day was to ignore him to take my daughter to school. - **Page 115** – **Incident 01 March 2018 19** My wife was inside the bathroom giving our daughter a shower while my cousin was in the living room, I was at work. **At about 11am**, the Defendant came to our front door and started rattling the letterbox and knocking loudly on the door. My wife went to the door and asked who it was, and the Defendant replied why are you shouting'. My wife told him that she was not shouting and that she was inside her bathroom giving our daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to my wife and daughter and made them scared for their safety. My daughter started crying because of the commotion and loud banging. The Defendant left after my wife asked his cousin to call the police. **20** We telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. DIRECTIONS ORDER

Incident of 15 March 2018
On Thursday, **15th March 2018,** my wife and I took our 3-year-old daughter to school and as we came out of the block, we saw the Defendant standing outside the main entrance to Block 109-117 Burncroft Avenue. As we walked towards my car, the Defendant followed us swearing and shouting abuse at us. t could not remember the Defendant's exact words but there were lots of swearing words like 'fucking family, fucking bastards' and lots of 'bad words. As we got in his car, the Defendant walked back towards the block. As I went to drive out, I saw the Defendant standing by the main door to the block and videoing me and my family with his mobile phone and swearing and shouting abuse at us. I got out of his car, brought out my mobile phone and started to video the Defendant who continued swearing. I stopped videoing Mr Cordell and turned to get back inside my car, but the Defendant pushed me to the ground from behind. The Defendant sat on top of me and started to punch me on the face and repeatedly banged my head on the ground. After a while, I managed to push him off.

7. I then went to my car to get something to defend myself and picked a piece of metal from my boot but I decided against using it, the Defendant rushed at me again and punched me in the face and I fell backwards to the ground. The Defendant then sat on my chest and started to punch me repeatedly on the face. By this time, my wife and daughter were crying, and my wife was screaming for neighbours to help but nobody came out. My wife tried to pull Mr Cordell off him as I was not able to defend myself, but she could not. She then grabbed the piece of metal from my boot and hit the Defendant with it as self- defence to stop him. Some neighbours come out of their flat after a while and the Defendant got off me and went into his flat. By then I was bleeding profusely on my lips and forehead and both my wife and I called the police and ambulance service.

18. The Defendant's mother Lorraine Cordell turned up as I was being attended to inside the ambulance and started to shout abuse at my wife and accused her of attacking her son.

19. The police took my mobile phone and my daughter's scooter that was inside my boot. The ambulance officers advised me to go to the dentist immediately to have my teeth attended to as two of my front teeth was broken and another two were wobbly. The ambulance carried out an assessment of my injuries. A written report of my injuries can be seen in **exhibit MM1.**

20. The police phoned me as I was driving to the dentist and asked me to return to the estate. I was then arrested for assaulting the D even though I never assaulted him but all I kept on doing was to defend myself. I was held in a cell overnight and bailed the next day.

21. As a result of the assault, I had to have 3 teeth removed and replaced with dentures. A written report from my dentist can be seen in **exhibit MM2.**

22. The Defendant was also arrested, interviewed on the same day but released. I don't understand how this could have happened, while I am being a victim of his assault was kept in a cell overnight. The Anti-social Behaviour team made enquiries to find out why the D. was not charged with breaching the terms of the injunction order and they were told that no charges were made on the basis that I had apparently provoked the Defendant. This is untrue as all I did on the day was to ignore him to take my daughter to school.

Incident **01 March 2018**

21. My wife was inside the bathroom giving our daughter a shower while my cousin was in the living room, I was at work. At about 11am, the Defendant came to our front door and started rattling the letterbox and knocking loudly on the door. My wife went to the door and asked who it was, and the Defendant replied why are you shouting'. My wife told him that she was not shouting and that she was inside her bathroom giving our daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to my wife and daughter and made them scared for their safety. My daughter started crying because of the commotion and loud banging. The Defendant left after my wife asked his cousin to call the police.

22. We telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. I did so in the morning of **Tuesday 06 March 2018.**

Incident 26/02/2018

23. I returned from work at 11:30pm and went to the kitchen to get something to eat; my wife and daughter were already asleep.

24. At about 11:45pm, while I was in the kitchen, I heard loud banging noises on his front door and rattling noises on his letterbox. I thought that my cousin had returned from work and was knocking on the door to be let in, I went to the door and spoke in my language but there was no response. I then opened the door and saw the Defendant standing outside of my front door. As soon as the

Defendant saw me, he ran away. The matter was referred to the police, but no actions took place.
15. I requested to be moved out of the estate as that they and their 3-year-old
are afraid to stay there. My wife and daughter have been left terrified, as confirmed by a written letter from my GP Dr Swedan as seen in exhibit MM3.
16. I contacted my local authority the London Borough of Waltham Forest and asked that I be rehoused somewhere else, they are trying to find me a suitable alternative temporary accommodation, but the process is taking long.
17. I would therefore ask the Court to consider the application in light of the recent incidents and to commit the Defendant to an arrest.

- Your reply
- Please tell us why you couldn't attend your consultation and why you couldn't contact us to re- arrange it. If you have recently moved address, please provide your new address details.

After my form was filled I got a date of the 02/12/2017 for a home assessment, the lady came on this date, but it seemed she did not bring the forms so that the assessment could be recorded, we were told a new date would be made for a home assessment and a letter sent to us in the post, it may take a little while to get the new date but one would come and the paperwork would be there this time to have it recorded, a recorded assessment was asked for and it was checked it was going to be recorded and we were told yes.
We waited for the new date and a letter came for an assessment for the 01/02/2018 but this was not a home assessment so a call was made and it seems a mistake was made so the request went in for the home assessment and we were told a new letter would come with the date.
About a week later a call was again made to check for any updates to the assessment centre, where my contact telephone number was also updated. We were told to wait for the letter with the new date we were not told on this date the home assessment was refused. We have never had a new date or letter form the assessment centre since the one dated for the 01/02/2018 which was cancelled by the assessment centre when the call was made to them to say about the home assessment.
After I got your letter dated the 15/03/2018 on the 23/03/2018 a call was made to the assessment centre on the 24/03/2018 to find out what was going on, Where we were told, it seemed after the home assessment date of the 02/12/2017 the file was sent back to the DWP I am not sure as to the reason why this happened as the assessment dated the 02/12/2017 never went ahead due to their fault with no paperwork for recording the assessment, I do not understand why the assessment centre did not do a new date for a home assessment and sent the file back to yourselves the DWP.
The lady on the phone was not able to tell me the reason the file was sent back to the DWP and a new date not set.

The DWP sent back the file in January 2018 to the assessment centre and it was then the new assessment date of the 01/02/2018 was made without anyone looking into the home assessment until after the call was made asking why a home assessment was not due to take place this call was made before the 01/02/2018 assessment date to the assessment centre,
It seems also that me knew phone number was not updated in there system as the lady said on the phone that a call was made to me and I was told the home assessment was refused on the 01/02/2018 and the 02/02/2018, I stated at this time how could I have been told it had been refused my phone number was not updated with my knew phone number on your system so how did someone call me and tell me. The lady then said sorry we tried to call you and got no reply, we stated you just said I had been told via
923
95,
hone the home assessment had been refused now you are saying you tried to call and got no reply how you can change what you are saying so easy. But I am sure when you call a cut of number it beeps to show it is cut of and no longer in use.
I was also told on the call that the DWP letter was wrong that had been sent to me stating about the missed date of assessment as being the 01/02/2018. I asked how is it wrong we had no knew dates for an assessment only the letter for the assessment of the 02/03/2018, they told us that a new date had been made of the 18/02/2018 for us to attend the assessment centre that a letter had been sent to me and a text sent to my old phone number, I was shocked when we were told this, as no knew letters had come and they had not updated there system with my knew phone number.
I told the lady I was not happy with what had gone on and asked her for an email address for a complaint to be filled, we were told they don't have an email address to send a complaint in and that they would send a complaint file pack out to us to deal with the complaint which we are now waiting on.
I do not understand why this has happened if the paperwork for having my assessment recorded on the 02/12/2017 my assessment would have gone ahead on this date. I do not understand why my file was sent back to the DWP after this and a new date was not setup. I do not understand why when the DWP sent my file back to the assessment centre it was not looked at and a home assessment addressed at this time. I do not understand why there system was not updated with my new phone number, and I do not understand why the new letter for an assessment of the 18/02/2018 has never been received as it seems that is the only letter that seems to have gone missing. and it would seem that the DWP date of the 01/02/2018 is the only date they have on their system or why would that date be put on your letter dated the 15/03/2018.
I do believe that something has gone wrong at no fault of myself, and I do believe good cause has been laid out in this letter why I did not attend the assessment centre on the 01/02/2018 and that being that this date was cancelled by the assessment centre after a call was made to them regarding why it was not a home assessment. I have not failed to call the assessment centre at any point.

Deon Benjamin

This man was closed to your service in January of this year due to non-engagement. We received a police notification regarding contact on
12/04/2018
(see uploaded docs for details). Neighbours dispute due to noise from building work. Sounds like he is oversensitive in keeping with a persecutory outlook. I tried to phone but his number is unavailable RiO entries show he is fairly adamant about not being seen by mental health. I am closing to EAS. Not sure if you want to try and make contact as Goodie may have some rapport with him.

The subject stated that he has cameras set up all over his house and that he wanted the neighbour to come in and watch the footage of the aggressive hammering, when the neighbour declined, the subject started to shout about being mugged off.
The subject would benefit from a visit from social services. He appeared to be having issues with his mental health. There was nothing to suggest that he was in immediate danger, and he was within his dwelling.

Disrepair!

I stay calm even when I see the damage to my personal property that the damp is causing and this neglect breaks my heart in knowing that if the Enfield Council and Enfield homes where efficient within their timescales that I would not have to go through such sacrilege of my memorabilia and electrical belongings getting damaged even no re than ever necessarily I am not sure what it is no re painful to me this all adds to the demotion of my health and the additional average daily routine stress unrightfully!

Disrepair!

The HHSRS and the housing Act 1985 inclusive of many other right of mine and many other people's rights mean that these problems of disrepair must not get left by the Enfield Council and the Enfield Homes teams to carry on the way is does as it is causing me to have no enjoyment out of my flat and emotional distress!

Re: Mr Simon CORDELL (11214451)
This man was closed to your service in January of this year due to non-engagement.
We received a police notification regarding contact on 12.4.18. (See uploaded docs for details). Neighbour dispute due to noise from building work. Sounds like he is oversensitive in keeping with a persecutory outlook.
I tried to phone but his number is unavailable.
RIO entries show he is fairly adamant about not being seen by mental health.
I am closing to EAS. Not sure if you want to try and make contact as Goodie may have some rapport with him.

Evidence in support of the application notice dated**20/04/2018** (part 10)

1. On **09/01/2018** the Court made an interim injunction order against Mr Cordell (the Defendant), attaching a power of arrest. The main terms of the order are summarised as follows:

The Defendant, Mr Cordell, be forbidden (whether by himself or by instructing or encouraging or permitting any other person:

Clause 3: from engaging or threatening to engage in conduct that is likely to cause physical violence and verbal abuse to the claimant's employees, tenants to the block of flats at Burn croft Avenue, Enfield.

Despite the matter being reported to the police, they have failed to take actions against the Defendant to enforce the terms of the injunction.

3. The incidents are supported by the affidavit of Mr and Mrs Mathiyalagan dated **20/04/2018.**

4. The most recent incident took place on **15/03/2018**; the Defendant assaulted Mr Mathiyalagan who then tried to defend himself. Mr Mathiyalagan sustained personal injuries to his face and had to some of his teeth removed as a result of the assault. him that she was not shouting and that she was inside her bathroom giving her daughter a shower. She asked him why he came to her front door, that he was not allowed to be there, but the Defendant ignored her and continued to bang and kick on the door. This went on for about 5 to 10 minutes and caused a great deal of distress to his wife and daughter and made them scared for their safety. His daughter started crying because of the commotion and loud banging. The Defendant left after his wife asked his cousin to call the police. Mr Mathiyalagan stated that he telephoned the police on 101 to report the incident and was asked to go and make a statement at Edmonton police station. He stated that he did so in the morning of Tuesday **06 March 2018.**

7. On **26/02/2018,** Mr Mathiyalagan stated that he returned from work at 11:30pm and went to the kitchen to get something to eat; his wife and daughter were already asleep. At about 11:45pm, while he was in the kitchen, he heard loud banging noises on his front door and rattling noises on his letterbox. He thought that his cousin had returned from work and was knocking on the door to be let in, he went to the door and spoke in his language but there was no response. He then opened the door and saw the Defendant standing outside his front door. As soon as the Defendant saw him, he ran away. The matter was referred to the police, but no actions took place.

8. It is submitted that the Defendant should have been arrested, kept on remand and brought back to the County Court pursuant to CPR 65.47 which states as follows:

- This rule applies where a person is arrested pursuant to -

24.11.2013 a power of arrest attached to a provision of an injunction; or

24.11.2014 a warrant of arrest.

- The judge before whom a person is brought following his arrest may-

(a) deal with the matter; or

(b) adjourn the proceedings.

9. The Police are aware of the injunction order as they have been served with a copy of the same. However, they have failed to enforce the terms of the interim injunction.

The Claimant is therefore bringing an application for the Defendant's committal.

Insofar as the content of this witness statement is within my own personal knowledge it is true and insofar as it is not within my persona! knowledge it is true to the best of my knowledge. **- I Will Say as Follows - 1.** I am the tenant of Flat 117 Burncroft Avenue, Enfield, EN3 7JQ. My flat is located two floors above Mr Cordell (thereafter 'the Defendant'). I live there with my husband Markandu and my child who is 3 years old. I have been housed to this Property with my family by the London Borough of Waltham Forest and have occupied the Property since **11 September 2016** the Property was given to me as a temporary accommodation. - **Page 107** – **2.** I make this affidavit in support of the Claimant's (my husband) application for the Defendant's committal on the basis of a breach of the interim injunction order made by the Edmonton County Court on **09 January 2018**. - **3.** I witnessed the terrible assault committed by the Defendant on my husband on **05 March 2018** and confirm the facts stated in my husband s affidavit dated **20 April 2018**. **4.** Mr Cordell harassed, abused and repeatedly punched my husband on his face, causing him to bleed and to break two of his teeth, I tried to stop him, but he would not listen to me. **5.** We contacted the police who arrested both Mr Cordell and my husband. My husband was kept by the police overnight while he was a victim of the assault. The police could see the facial injuries, bleedings and damages sustained to his face and teeth but decided to keep him at the police station while he was a victim of the assault. Surprisingly I heard that Mr Cordell was arrested, interviewed and released on the same day. The police decided not to charge him for some unknown reasons. **6.** I believe that the Police decision was wrong, as there is Clear evidence of assault, I was not interviewed while being a key witness to the incident. The Defendant should have been arrested and brought back to the Court following the breach of the injunction order so it could decide on his arrest. **7.** I fear for my family safety and feels that the interim injunction with the London Borough of Enfield obtained on **09 January 2018** is not providing me and my family protection as the police refuses to enforce the terms of the order despite clear evidence that Mr Cordell has breached the terms. - **Page 108** – The situation has left me and my family

terrified. There's a letter from my GP which confirm that, as seen under **exhibit RM1.** - **8.** There were further incidents on **11 November 2017**. On **02-03 January 2018** - **01 March 2018** And **26 February** where Mr Cordell harassed me, but the police did nothing despite evidence of him breaching the injunction order. All they would do will be to attend the Property, speak to him and leave without investigating the incidents. **9.** I feel let down by the system and constantly fear for my safety. I contacted my local authority (the London Borough of Waltham Forest) to be moved out of the estate as myself, husband and 3-year-old are afraid to stay there. However, Waltham Forest is not taking any actions at the moment. **10.** I feel that the existence of the injunction has not provided the adequate protection to me and my family. As things stand the Defendant feels that the injunction is ineffective as the lack of actions from the police currently encourages him to act badly towards me and my family. We therefore hope that the Court will support us and take appropriate actions following the breaches. **11.** I would therefore ask the Court to consider the application in light of the recent incidents, to commit the Defendant to an arrest and impose a sentence following his breaches of the injunction. DIRECTIONS ORDER

2. I make this affidavit in support of the Claimant's (my husband) application for the Defendant's committal on the basis of a breach of the interim injunction order made by the Edmonton County Court on
09 January 2018
05/03/2018
event witness wife of Mathiyalagan "REVATHY"
20/04/2018
affidavit
My police interview is on cd
3. I witnessed the terrible assault committed by the Defendant on my husband on **05 March 2018** and confirm the facts stated in my husband s affidavit dated
20 April 2018
4. Mr Cordell harassed, abused and repeatedly punched my husband on his face, causing him to bleed and to break two of his teeth, I tried to stop him, but he would not listen to me.
5. We contacted the police who arrested both Mr Cordell and my husband. My husband was kept by the police overnight while he was a victim of the assault. The police could see the facial injuries, bleedings and damages sustained to his face and teeth but decided to keep him at the police station while he was a victim of the assault. Surprisingly I heard that Mr Cordell was arrested, interviewed and released on the same day. The police decided not to charge him for some unknown reasons.
6. I believe that the Police decision was wrong, as there is Clear evidence of assault, I was not interviewed while being a key witness to the incident. The Defendant should have been arrested and brought back to the Court following the breach of the injunction order so it could decide on his arrest.
7. I fear for my family safety and feels that the interim injunction with the London Borough of Enfield obtained on
09 January 2018
is not providing me and my family protection as the police refuses to enforce the terms of the order despite clear evidence that Mr Cordell has breached the terms.

9. I feel let down by the system and constantly fear for my safety. I contacted my local authority (the London Borough of Waltham Forest) to be moved out of the estate as myself, husband and 3-year-old are afraid to stay there. However, Waltham Forest is not taking any actions at the moment.
10. I feel that the existence of the injunction has not provided the adequate protection to me and my family. As things stand the Defendant feels that the injunction is ineffective as the lack of actions from the police currently encourages him to act badly towards me and my family. We therefore hope that the Court will support us and take appropriate actions following the breaches.
11. I would therefore ask the Court to consider the application in light of the recent incidents, to commit the Defendant to an arrest and impose a sentence following his breaches of the injunction.
