**** IMPORTANT NOTICE ON EMAIL COMMUNICATIONS ****

Thank you for your email, which has been received by the court. Depending on the nature of your email you may receive a response via email or post.

What documents can be sent by email?

You can send all letters and documents relevant to the case including adoption cases. However, due to the sensitive nature of adoption work the court will only send emails to **secure email accounts**. **If a hard copy of a document has been filed at court by DX or Post, an electronic copy should not be sent. As yet please note** that court bundles are **not** part of this process and will not be printed.

For more information regarding e-mails please go to the following

http://www.justice.gov.uk/courts/email-guidance What is a secure email account?

An email account is considered secure when security measures are in place to make sure the data in the email can't be accessed by users without the relevant approval. Any account that ends in the following is considered secured: gsi, pnn, gsx, gcsx, gse, cjsm, and nhs.net.

What emails will HMCTS accept?

To make sure we operate this service as efficiently and effectively as possible there are exemptions.

All Civil and Family process, applications and documents will be accepted by email as long as when the entire email is printed out it is not more than 50 pages. This should include the email, all attachments (including any documents embedded in another) and enough copies to serve on required parties.

Please note that:

1. A page is one side, so 50 pages equals 25 pieces of paper printed on both sides.
2. Do not use more than one email to take any step in a case which requires a document or documents to be filed.

DOCUMENTS FOR HEARINGS IN ACCORDANCE WITH
CIVIL PROCEDURE RULES PD, 5B.2. FAMILY PROCEDURE RULE PD 5B

You have received an order to attend court for a hearing.

It would greatly assist the court staff if you could ensure documents you file into court have a hearing date endorsed on the covering letter, paperwork, or email.

This will then enable the court staff to identify the document is placed on file in readiness for the hearing.
Please note, if the court is unaware of the pending hearing, when you file your documents, this may result in the document not reaching the court file in time for the hearing.
Can processes that carry a fee be sent by email?
In both Civil and Family cases court processes that carry a fee can also be received by email and processed by court staff. However, the same conditions as above must apply and in addition the party issuing the process must either quote a Fee Account number, or the party who wants to pay has a valid credit or debit card. If you wish to pay using this method, please say this on the

2.

email and include a contact number for the Court to contact you to take payment.

What is Fee Account?

This is a Direct Debit function that is quick, safe and easy to use. It is available for solicitors and large organisations. Once you have set up an account all you need is to provide your fee account number within the body of the email. The fee will then be deducted from your account. For more information and to apply for Fee Account please visit www.justice.gov.uk/courts/fees/payment-by-account**.**
Any document submitted that breaches any of the above terms will remain unprocessed. This is in line with Court Practice Directions 5BPD.1 - 5BPD.9.3.
When you email the court **the subject line of your mail must contain** (in the following order): -

3. The claim numbers
4. The title of the claim (abbreviated if necessary) **
5. The subject matter (e.g., defence)
6. If relating to a hearing the date and time of hearing **in bold black**
7. The judge's name, where the correspondence/document is for their attention

**If your email is in relation to a family matter, please refer to the initials only.
Your message should also contain the name, telephone number and email address of the sender. Correspondence and documents may be sent as either text or attachments. Where there is a practice form, it must be sent in that form by attachment. The complete email (including any attachment(s)) must not exceed 10Mb.

THE MAYOR AND BURGESSES OF THE LONDON BOROUGH OF ENFIELD

SIMON CORDELL

Thank you for your email of 12 December 2019. I am sorry you have had cause to complain about the service you have received from the Court. It is my role in accordance with HMCTS complaints procedure to investigate your complaint.
I have fully investigated the matter. The order of 6 December 2019 has been incorrectly drawn. The claimant had sent to the Court a draft order which was referred to a Judge and approved. I have sent by Royal Mail a copy of the amended order for your records.
Your request to view the Court file was referred to a Judge who has made the following comments:

'Defendant is entitled only to copies of orders and statements of cash, plus other documents as listed in Civil Procedure Rules Practise Direction 5.A 4.2A (page 264 of 2019 Green Book).'
If you ask the court to make copies of documents or provide a copy of a document already provided there will be a Court fee applicable. Please refer to the EX 50 Civil and Family Court Fees booklet for further information.
Please highlight the documents you require from the Court file and we will inform you of the Court fee due.
Please accept my apologies for the administrative error and for any inconvenience this has caused. I hope that this is a satisfactory conclusion to your complaint.
If you are unhappy with my reply, you are entitled to escalate your complaint and request a review by writing to **Ms J Billyack**, Operations Manager, at The Civil and Family Court at Edmonton, 59 Fore Street, Edmonton, London N18 2TN.
Yours sincerely,

Dear Mr, A Mustafa
Thank you for the below reply regarding the complaint submitted.
I do feel some points have not been addressed, which I will list within this email.
The draft order, which the claimant had drawn up for the court to seal, was incorrect, where is stated the (The claim be adjourned generally with liberty to restore)
The letter my son's acting solicitors received from the claimant regarding the case was stated they had been instructed to discontinue the claim, not what the draft order sent to the court stated, the claim be adjourned generally with liberty to restore.

I will enclose a full copy of the letter sent by the claimant acting solicitors, to my son's solicitors, which was then forwarded to my son and me.
It would see that the claimant waited for legal aid to be removed from my son's acting solicitors and then drafted a court order that was completely different from what had been stated in their letter. Now the claimant's case is a live case for however long they want it to be, and not discontinued they had stated in their letter. Unless the Judge has changed that within the amended order that you have sent in the royal mail to me.
I did ask in my complaint for the order to be set aside, as I do not feel that the claimant's case should be allowed to stay a live case for however long they want with no end date attached to the court order.
Can you please update me regarding this issue as soon as possible if the wording on the court order is still with (The claim be adjourned generally with liberty to restore)?
Please see attached letter.

Dear Sir / Madam,

Re: LB Enfield v Simon Cordell Claim NO: F00ED222 Hearing: 12 December 2019 at 2pm t/e 20 mins at Edmonton County Court

We write further in this case. We would be grateful if you could advise us on whether you are still instructed by Mr Cordell.

The possession claim is listed for a direction's hearing on 12 December 2019.

We write to advise you that we are instructed to discontinue the claim on the basis that each party bears their own costs as there have been no recent incidents of antisocial behaviour. The situation will be monitored but for the time being it is not this authority's intention to proceed with the possession claim.

We request that you seek instructions and revert to us as soon as possible so that a suitable worded consent order maybe agreed.

Yours faithfully,

Kulwinder Johal,

  Thank you for your email received via resolver, I am sorry to hear that you remain dissatisfied with the service you have received from the court in relation to this case.

I should explain that this letter represents the second stage of the complaints process.
If you are not satisfied with my reply, you can write to HMCTS Correspondence and Customer Service Team for review.
I have now undertaken a review of your case, and all correspondence relating to your complaint on the information held by The Civil and Family Court at Edmonton and concluded no administrative error was made by the court staff at Edmonton County Court in the handling of your case.
I am unable to offer you any payment of costs in the matter as explained below: -
The circumstances under which HMCTS can offer financial compensation. It should first be established that there has been a maladministration by court staff.
Maladministration
Meaning generally that an error has been made in the performance of our administrative duties which has resulted in a loss.
I note that you feel my colleague's Mr Mustafa's email dated 2 January 2020 still did not address your concerns. It would also seem you are not happy with the way the District Judge has dealt with your case. Though you may feel unhappy with the conduct of the judge's decision, you cannot use HMCTS complaints procedure to complain on the handling of a case by a Judge or to challenge a Judicial Decision.
12,
I have nothing further to add to Mr Mustafa's letter. As Operation Manager, I am unable to comment or intervene in matters that have been subject to judicial decision. The judiciary are independent, and it is important that I do nothing to undermine this.
Please be assured that your comments are appreciated. We understand the importance of excellent customer service and your views are invaluable in helping us to continue to improve the service we provide.
Once again, I apologise for the inconvenience you have experienced and trust that further dealings you may have with The Civil and Family Court at Edmonton will be of a higher standard and without delay.
J Billyack
Operations Manager
In the Civil and Family Court at Barnet, Edmonton, and Willesden.
If you are not satisfied with my reply, you can write to: -
HMCTS Customer Service Team, 6th Floor, 102 Petty France, and London SW19 9AJ or **email** customerinvestigations@hmcts.gsi.gov.uk.
The team will respond within 15 working days.
Judicial decision
We only handle the administration for courts and tribunals. We are always impartial, and we do not have any influence over a Judge's decision. We cannot comment or review their decision for you
Appeal Judge's decision
If you are complaining about the conduct of the judiciary you can write to Judicial Conduct Investigation Office.

I just finished doing up my bedroom

While in it I keep getting attacked by Ozzy's and his loggers also Richard and 117 Burncroft Avenue Tenants, as if in to say you are not allowed in here leave now or we will hurt you. What did happen was that 117 Burncroft Avenue started hitting the floor above me on purpose and then Ozzy's female logger started laughing with the man she stays with in the bedroom they then also started to hit the wall to push me away from being inside of my own bed room.

Hi Lorraine,
The case papers are created and managed on an electronic online system. For some reason when this was sent to the CPS the case papers have not all correctly sent over. The reason it has taken a little while is because I have not had a chance to properly review the papers until now due to the daily demand of answering 999 calls and investigating numerous other crimes.

I apologise for any inconvenience caused and I appreciate yours and Simon's cooperation. I am on annual leave until 12/07/2019 and will be in touch as soon as I have any case updates.
Kind regards,

Dear PC Alex DAVIS
I am just replying to your below email as something is worrying me.
When my son was arrested on the 26/05/2019 he was then interviewed in the early hours of the 27/05/2019, at that point after interview the file was sent to the CPS for a decision, around 10:30 hours me and my son's solicitors attended again for a next interview for something else and when we asked for an update regarding the 1st interview we were told by PC Law that there was something wrong with the servers and that the CPS did not get the file to make the decision and that the file had to be sent over to the CPS via email due to the issue with the server and it was going to be done on that date.
We had the interview and as I was leaving I asked if a decision was going to be made in time due to the 24 hours nearly going to be ended, which I was told yes, but on the way home I got a call to come back to the police station due to my son being released on bail as it would have taken too long to get a decision and the time would have run out, again I was told the file would be sent to the CPS, and my son was released on a 28 day bail to return so yesterday when we came to the police station with Simon I was shocked when you called and said Simon was going to be released under investigation as the case needs to be sent back up to the CPS for a decision.
19,
May I ask at this point why the file has not been sent to the CPS already and a decision made?
Regards
Lorraine Cordell

Hi Lorraine,
As discussed on the phone Simon is now released under investigation as the case needs to be sent back up to the CPS for a decision which means he is not required to attend the police station until requested by me once a decision has been made.
I want to thank you and Simon once again for your cooperation and patience.
Kind regards,

Dear PC Davis
I am writing this email as I have not heard from you regarding the bail to return today for my son Simon Cordell, when my son was released from the police station we were told by PS NICOLAOU and PC Law in custody my son would not need to return today, that if my son was charged, he would get a letter before this date to go to court, or if it was NFA we would also be told before this date. I also asked which was confirmed I would be updated of the outcome via this email or a phone call.
Over the last days I have sent emails and PC Law did reply to me and told me that you were the officer in charge, and you would get back to me, I know you have been given the messages and she told me that she would pass them over to you, but I have had no replies I also know my son's solicitors have contracted you also getting no reply.
The police are well aware my son does not leave his home and finds it very hard to do so.
Could you please get back to me regarding this issue via this email or my phone number is 07807 333545 or could you contract
20,
Mr Cordell's solicitors and let them know the outcome, if my son is to be charged all we need to know is the court date that he will need to attend court, I do not see why my son would need to attend the police station to be told this which would cause him more stress.

Dear GoDaddy Customers,
As COVID-19 continues to spread, there's nothing more important to us than the well-being of our customers and employees.
To help you keep your venture going, we've pulled together free products, resources and tools from trusted sources.
You'll find videos and articles specific to your challenges and a community of small businessowners to support you with creative solutions that are working.
You can find everything here, including Fogue Studios & Gallery's great example of adapting its business to continue to sell fine art.
Our GoDaddy Guides continue to answer the phones and chat, 24/7. No question is off-topic or too small (though there may be increased wait times since they're working from home, and you might hear kids and dogs). Call us if you need help. We're here for you.
Our services are up and running so your online business can remain open — so you can reach your customers and they can connect with you.
Lastly, please take good care of yourself and your loved ones. Stay safe. Stay healthy. Be patient and kind. There is no better time to strengthen our bonds, to stand together (digitally), to help each other through this storm, and come out the other side stronger.

Together, we will.
P.S. We appreciate your input. Tell us how we can help.

COVID-19 Safety and Changes at DPR Wholesalers

As a **Home & Hardware** business, government advice is that we are able to continue to trade. However, we take the health & safety of our team, customers, and the wider community very seriously. Due to the COVID-19 pandemic we have taken the difficult decision to **TEMPORARILY CLOSE** our store.

We will be closed on Saturday 28th March 2020 - UNTIL FURTHER NOTICE. We will keep you updated via email, twitter and our website regarding our re-opening and operating procedures.

Operating procedures until Friday 27th March 2020

In the meantime, we will be open as usual but have made some changes to the way we work to try and minimise the risk of transmission:

- We ask that if you feel unwell or are displaying any of the symptoms of COVID-19 such as a temperature of 37.8 degrees or higher, a sore throat or cough you stay away from the premises for a minimum of two weeks after these symptoms have passed.
- All customers that wish to enter the premises must wear protective gloves and masks provided upon entry and keep them on until they leave.
- We will allow only one-person entry per registered account.
- We ask that you complete your visit as quickly and efficiently as possible, if customers fail to do this, we may need to restrict the number of people we allow inside the premises at one time.
- Please keep conversations with our staff and other customers to a minimum.
- All customers must stay at least 2 meters away from our staff and each other at all times.
- Failure to comply with above will mean we cannot serve you and you will need to leave the premises immediately.

We thank you for your understanding and patience during these uncertain times. DPR Wholesalers Ltd

Master the Plot Points that Matter
What comes easiest to you when working on your novel? For me, it's writing specific scenes. I often have a clear vision for what I want my characters to say and do in a certain moment. Mapping out an overarching plot, on the other hand? Not my strong suit.
Speaking to some of my writer friends, I know that others feel differently. Some writers love thinking about the plot of their story. But executing the mechanics of that plot on a scene-by-scene basis isn't nearly as fun for them.
In this newsletter, we're talking all about plot. We have articles about everything from the four plot mistakes you might be making to the difference between plot, story, and structure... and why that difference matters.
Plus, at the end, we have an invitation to our next Pro Writing Aid Write-In. Join us as we work on mastering suspense together, live.

  Stain Had Passed Away!

  Today I woke up early so that I could work on the report and what did happen was that I could hear a person inside of Stains flat 111 Burncroft Avenue.
  I had already heard people moving stuff out of the flat over the past few weeks.
  what I thought had occurred to Stain was that around the date of the 14th February 2020 Stain had overheard my conversations and realized that Katie was coming to visit me and after all the problems that he had caused us that he might have felt some shame and decided to go and stay at a family members house or friends.
  I had worked out that he had not been staying on the estate at Christine's house who is his good friend.
  Back to today, while in my bathroom I heard a person taking stuff out of the flat of 117and I decided to ask them what was going on with Stain and his rented flat of the Enfield Council.
  When I opened my front door, I saw a person that I understand to be Christine's Daughter, who is also named Christine.
  I asked her politely does she know what is going to be happening to the flat is Stain coming back or a family member of his or is it going back to the Council and to a new tenant.
  She replied by saying that Stain had died.
  I was shocked to hear this and asked her how.
  She told me that he had gone into hospital because of breathing problems., this led to me being a bit more curious as to what had happened especially with the new coronavirus going around. after listening some more I found out he had just come down with a bad chest infection and when the doctors and nurses decided to put a Chobe down his thought, they seemed to have hurt him and he had problems eating food afterwards, this led to him becoming weak and passing away.
  We spoke for a little while with my self-getting invited into Stains flat.
  while we were talking, I helped her lift some heavy boxes that she had packed which led to me asking her what she intended to do with a few of the over bits left over in the premises

still like the sofa because I knew a person who lives on the estate that might be interested in them. we agreed it would be ok for my friend to have them if he needed them. I went and found my friend and me and Christine the daughter help moved them into his property. Shortly after we all said goodbye to each other, and I came back into my home.
I made a phone call to my mother and partner and explained what had taken place, then I continued to work on my report upset for what myself and Stain went through and to know that he was gone forever.

If you do not wish to continue using our automatic renewal service, you can cancel automatic renewal by visiting the Renewals and Billing page in your GoDaddy account.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

Further to the letter we sent you on the 27th June 2019 (copy attached), we are writing to confirm that we will be extending the single point of contact for another 12 months from the date of this letter.

During the past 12 months, you have failed to follow the single point of contact detailed in the original letter and on the 23rd June 2020, you phoned the council, repeating the same issues you have previously raised, despite having been told in previous correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively.
We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

Dear Karen Hale

I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?

If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious and Unreasonable I would be most grateful.

Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

- I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
- The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.
- The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
- And the only other time I have had contact is due to repairs that needed doing to my sons flat.

  Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards
Lorraine

We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

Dear Karen Hale

I have not had a reply from the below email dated the 24/06/2020, which I would like a reply to or at least a reply to state you will not reply to me.

My son has also tried to have contract with you, and you have not replied back to him, we have been given you as a single point of contact, yet there is no contract from you.

There is major issue with the letter that has been sent via Jeremy Chambers dated the 24/06/2020 and I am very concerned regarding its content.

We would also like to appeal against the decision to restrict contact dated the 24/06/2020, but before I can summit my appeal in full, I need the information below as the letter states we have 28 days in which to appeal so if my request can be dealt with as soon as possible I would be grateful.

But I am making you aware an appeal is going to be submitted, there could you please reply.

Regards

Dear Karen Hale

I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?
If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious and Unreasonable I would be most grateful.
Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

- I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
- The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.

62,

- The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
- And the only other time I have had contact is due to repairs that needed doing to my sons flat.
  Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards
Lorraine

Dear Karen Hale
I have not had a reply from the below email dated the 24/06/2020, which I would like a reply to or at least a reply to state you will not reply to me.
My son has also tried to have contract with you, and you have not replied back to him, we have been given you as a single point of contact, yet there is no contract from you.
There is major issue with the letter that has been sent via Jeremy Chambers dated the 24/06/2020 and I am very concerned regarding its content.
We would also like to appeal against the decision to restrict contact dated the 24/06/2020, but before I can summit my appeal in full, I need the information below as the letter states we have 28 days in which to appeal so if my request can be dealt with as soon as possible I would be grateful.
But I am making you aware an appeal is going to be submitted, there could you please reply.
Regards

74,
Dear Karen Hale
I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?
If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious and Unreasonable I would be most grateful.
Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

- I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
- The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.
- The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
- And the only other time I have had contact is due to repairs that needed doing to my sons flat.
  Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards
Lorraine

Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 07/08/2020
Objective 1: Complete Claim.
Objective 2: Be successful in accomplishing the claim.
To Whom It May Concern:
I am writing this letter regarding a call that was made on the date of the **06/08/2020,** I have been asked to send this letter over to explain that I have been preparing the official documentation that will be forwarded to the relevant departments as part of my claim against the Enfield Council / The Enfield Neighbourhood team including others E.g., Police and Doctors.
Due to the large amount of documentation that is involved to complete the listed objectives and myself being just one person this has taken a massive amount of my time and is still in possess.
To aid in a speedier claim I have invited the Enfield Council and Insurance companies involved to help me document my evidence on a numerous number of different days, which the lack of support from officials involved has led myself to completing the claim on my own as of so far.
My evidence does show case already the actions that have been taken against me wrongly and saving time is why I have tried to arrange prior meetings.
90,
Si-Email-insurance-2020 (1).doc
I would like this letter dated the 10/08/2020 to be registered as the start of my claim and would explain that I need further time form the date of this letter for my documents and evidence to be completed and put in order.
Once all my documents and evidence are completed, I am asking yet again if a meeting can be set up for the documents and evidence to be looked at due to the very large amount that will come with this claim, with my mother and myself present as I am the victim and would like to explain my evidence in person to another's.
Yours faithfully
Mr Simon Cordell - 07/08/2020

13. The organisation of Illegal Raves

A. The Asbo's Simulated History

Just to stipulate a small part of what I can prove has taken place to myself due to no fault of my own is:

1. When the Asbo got created it was after the date of **00/00/2014** the day after an accused incident took place on a second occasion at Mill Mash Lane.
2. Just prior to Mill Mash Lane Another Incident is accused to have taken place at Progress way Enfield on the dates of the **06&07&08/06/2014**

What can be proved about Progress Way in relation to my claim is.

I had been on police curfew alongside other harsh bail conditions at my home address from the dates of 00/00/2013 till I won the case on the 00/00/2014.

The Metropolitan Police Force and my local Council both understood about my bail conditions, as I had been working with them both doing local events in my surrounding parks, while I had taken on the keys from my local community hall and was managing

95,

Si-Email-insurance-2020 (1).doc

the local community's & facility's, The Enfield Council and police both attended while I was at work.

At the same time, I had been working with other charity's and committing my time to my own dreams of building g a large-scale event.

On the dates of **06&07&08/06/2014,** another person named as (A) who I had not seen for over a year prior due to the police curfew and other bail conditions that I had been placed on had gotten spoken to by a police officer named (B) about not putting on an event in Hertfordshire.

police officer named (B) served a dispersal order / notice on person named as (A) while also informing Metropolitan police of the possibility of a after event taking place in London. I was aware of none of the following until after served the Asbo application and requesting such information.

In the early hours of the morning of the 07/06/2014 at the time of around 1300 hours I received a phone call of a young male friend named as (C), at the time I had been having a family drink in the pub/hall with my cousin as it was his leaving party.

My friend named as (C), invited me to come and visit them at where they were residing what was close to my location in my local borough as they were having a celebration. This was the first point of time when I understood that my friends were next to where I live. I agreed to go and visit this friend for the first time in other 1 year.

I drove my car to go and see my friends and took my partner of the time with me.

When we arrived at the secured premises, the police were present at the gates and asked me if I had organised any of the then and there present. Me and my partner both explained no and gave our reason for attendance Progress way and that was to see friends, and this was allowed.

On the same industry site as progress way, in fact next doors to progress way was a new building that I did not know was a police patrol centre that had just been built.

What can get proved from the Asbo application is on the 07/06/2014 the first cad of the day is missing CAD 943, and this is Crown Road Cad 1012 was next

Cad 1047 is the 3rd call made to Bow call centre "MetCCC." The person who made this telephone call to the emergency services was a police officer with name of Pc Shinick while on duty and this cad becomes the main cad linked to Progress Way.

Bow call centre "MetCCC" arranges for police officers to attend the location after the time of 01:59, while asking Pc Shinick while on duty if he has contacted the Enfield Civic Centre regarding this matter. All communication after this was done by way of text.

Police Officer 206372 a Steve Elsmore who was attached to **the Anti- Social Behaviour Team** as part of the **Community Safety Unit**, **Based at Enfield Civic Centre**. Had prior to these dates of the **06&07&08/06/2014 Progress Way** had been receiving a lot of phone call

as so had the Metropolitan police about other premises that they oversaw named as **the Man Building on Southbury rd.**

96,

Si-Email-insurance-2020 (1).doc

My mother also put a subject access request into the council in purist of information about the Man Building on Southbury rd.

As noted in the Asbo **CAD 0000** the Man Building had a fragile roof, meaning that the police and the Enfield Council could not go into the building in all the moths that it had been squatted due to health and safety reasons and this took place while I was on curfew. Eventually, I have gone home and had no problems with the police and /or the council on the 07/

Enfield Neighbours' anger over 15-hour rave in Southbury Road

Charlie Peat / Friday 25April **2014** / News Follow @ Enfield Andy Chaz

Ravers took over abandoned business building for more than 15 hours,

The former HAN building in Crown Road, on the junction with Southbury Road, was the venue for an illegal party that began on Saturday night.

According to residents in Anglesey Road, adjacent to crown road, the loud noise and disturbance continued until 3pm the next day.

One resident, who wanted to remain anonymous, said that the 15-hour rave was "ridiculously loud/'

He said: "It was so loud the whole house was shaking like an earthquake was happening. There are no clubs or bars near us, so this was quite a shock. We understand that sometimes it could be loud late at night but for it to continue until 3pm the next day Is not right. "I walked along to check out what was going on, it was ridiculously loud. Things were getting smashed up in the building and people were spray painting everywhere." Police say they attended late on Saturday evening and returned the following day and music was still being played.

Listed building 'wrecked' by graffiti (From Enfield Independent)

Vandals have "completely wrecked" an abandoned building by painting graffiti on the front and squatting inside.

The NAN building, in Crown Road, on the junction with Southbury Road, Enfield, has also been used for illegal raves and parties in the last few months.

Formerly used as a car factory, the Grade II listed building closed down more than a year ago and **Enfield Borough Council is now looking for a new owner.**

David Cockle, the chairman of the Enfield Society, has been left concerned by the way the way the building has fallen into disrepair.

He said: 'It once had a very nice, manicured garden - but now it's just been completely wrecked. It's a huge shame.

"I recently discovered that squatters have been on site and It's generally in a deplorable state, ft doesn't give a good impression to people visiting the area for the first time.

"It's such a high-profile site and one we should be proud of, but now it just looks awful.1'

Earlier this year, people in nearby Anglesey Road, said their houses were "shaking like an

The party included loud music and continued until 3pm the next afternoon - a total of 15 hours.

Graffiti tags have now been emblazoned on the front of the building, which has been boarded up.

Mr. | added: "For a listed building to be left like that, it's terrible

"The plants and shrubs are overgrown too - it's sad to see it so run down.

"It used to be such an attractive building. 1M

1) As prior mentioned when the Asbo got created it was after the date of **00/00/2014** the day after an accused incident took place, on a second occasion at Mill Mash Lane.

Police Officer 206372 Steve Elsmore created the Asbo application on the date of the 00/00/2014 and when he done this in the police NPCADS that is in connection to the council's neighbourhood team and themselves.

He got a Unic reference number for the second incident in the Asbo that is accused to have taken place at Mill Marsh Lane.

Steve Elsmore continued to search the NCS and went to the year of 2010. He found two pieces of police intelligence that had been No Further Actioned, in fact I have never been arrested for any of the following two Crimit/Cads/Reports.

Crimit/Cads/Reports

1. 12.1. Canary Wharf 12/01/2013

Crimit/Cads/Reports

2. Rays Nightclub 2010

Because Steven Elsmore understood what he was going to do when creating the Asbo application that got put against me was a criminal activity, he took caution in covering up his tracks.

He took the information / context out of the Crimit of **Crimit/Cads/Reports**

8. Cannery Wolf 2010

and placed in into a fresh unicq Crimit that he took out of the national police computed aid dispatch system 50 after creating Mill Mash Lanes Cad that he used to create the Asbo and he also changed the police officers name and other related details to names of his pleasure.

The reasons for him to do this was to protect the original police officers who are not attached to the boroughs of North London and to keep these illegal activities to a minimum of people involved.

The Crimit/Cads/Reports

9. Rays Nightclub 2010

Was never used in the Asbo application.

The illegal activities never stopped at this point, Steven Elsmore continued to search the NPCADS for more intelligence that he could manipulate to his and his colleague's own advantages. Steven Elsmore continued his frenzy of eager sensation

He imputed into the Asbo application out of the police national computer aid dispatch system some of the cads related to the prior week of Progress Way that were in relation to

Complainant "a" said it was a warm evening and we had to keep the windows shut because of the noise. The next day we could not even go out into the garden because of the noise. It kept me and my husband up all night and made us very anxious the next day. The illegal rave totally ruined our weakened" This concluded what complainant 'A" said regarding this matter.

NOSP - Simon Cordell

I never got told: --
I did ask my mother to write to the council.
The reason that I asked my mother to write to the Enfield Council was due to members of my neighbours attacking me while I illegally get held in my flat by the Enfield Council and the Edmonton Police officials on a curfew and to me this is getting tortured against my own free will Even low, I had asked my mother to help me stop theses illegal attacks against my person, I never did get told by my mother that she was sending emails
And this was while I was on Bail conditions not to go back to my own home!
This copy of the possession order against me has 25 incidents that I got accused of, but there was also another copy that did get served and processed on the same day which is contained in the email book at page numbers:
New Email Book:
Old Email Book: 944
And this accounts for 31 incidents that I am getting accused off.

	(8) On 22nd November **2016** during a telephone conversation between you, Mrs Cordell your mother and Ms Sarah Fletcher, neighbourhood officer, Ms. Fletcher reported that she overheard you threaten her by saying 'I'm goanna do her over' and then 'I'm goanna take her job just for fun'.	**1. Particulars of Breaches (8)** **Reply:**
2. Particulars of Breaches (8) **Reply:** Sarah Fletcher neighbourhood officer from the council claims that on 22nd November **2016** during a telephone conversation between her, myself and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'. This is not true The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.		

The Council's memo of a telephone call on that day:
Is forged and therefore incorrect and is not supported by self and mother to be true facts that have been documented with a fair prosses by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim.
While also set out to avoid displinary action for the statement makers and hardworking colleague's incompetence leading to negligence and gross misconduct, set out against myself and then on afterwards having a negative effect also within my loved one's life's.
All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm's way
From the of start of themselves handling my case load of an official workload.
Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell
Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm?
The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.
When doing so we noted down the precise time of 01:04Pm
I did get **transfer**red by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.
Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having wile renting my home.
1. That my mother had been contacting her and her team, while also contacting other official persons with relevance since the date of 00/00/**2015**
And this had continued up a till date and without any fair follow up's as company protocol states is mandatory.
And due to this lack of concern I had continued to suffer for a much further time frame than ever would have been if her and other persons jobs were followed correctly.
2.
3.
4.
5.
. 1.20pm.
The call was **transfer**red by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move.
I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.

He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block.
He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his.
I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.
He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases,
but my position remains as per the letter I **sent:** That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.
He then said that the camera was fake, so it didn't need to be removed.
I responded that it did still need to be removed.
His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once.
He then said that he wanted to move on to finding out about moving to another address.
He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full, and it was difficult to get a word in because he was so worked up so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.
He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.
I told him that I could not comment about the previous action taken.
He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden.
He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today.
He said that he wanted me to give him 'points' so that he could move.
I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points.
I explained that a **transfer** was unlikely based on what he had told me so far but that I could look into the position for him.

He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him. I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today. He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her. I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015** Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun". I informed Mrs Cordell that I had overheard these remarks and that I was ending the call. She said that her son had now left the room and she was talking to me. I repeated that I would be ending the call and that she should put what she wanted to say in writing to me. Sarah Fletcher Neighbourhood Officer.

NOTES TO PARAGRAPH 4. Before the Court will grant-an order on any of the Grounds 1 to 8 or 12 to 16, it must be satisfied that it is reasonable to require you to		

leave. This means that, if one of these Grounds is set out in paragraph 3 to this Notice, you will be able to argue at the hearing in Court that it is not reasonable that you should have to leave, even if you accept that the Ground applies.
Before the court grants an order on any of the Grounds 9 to 16, it must be satisfied that there will be suitable alternative accommodation for you when you have to leave. This means that the Court will have to decide that, in its opinion, there will be other accommodation which is reasonably suitable for the needs of you and your family, taking into particular account various factors such as the nearness of your place of work, and the sort of housing that other people with similar needs are offered. Your new home will have to be let to you on another secure tenancy or a private tenancy under the Rent Act of a kind that will give you similar security.
There is no requirement for suitable alternative accommodation where Grounds 1 to 8 apply.
If your landlord is not a local authority, and the local authority gives a certificate that it will provide you with suitable accommodation, the Court has to accept the certificate.
One of the requirements of Ground 10A is that the landlord must have approval for the redevelopment scheme from the Secretary of State (or, in the case of a housing association landlord, the Housing Corporation). The landlord must have consulted all secure tenants affected by the proposed redevelopment scheme.
5. Court proceedings for possession of the dwelling-house can be begun immediately. The date by which the tenant is to give up possession of the dwelling-house is Monday the 24th of August **2017**.

NOTES TO PARAGRAPH 5
Court proceedings cannot be begun until after this date, which cannot he earlier than the date when your tenancy or license could have been brought to an end.
This means that if you have a weekly or Fortnightly tenancy, there should at least 4 weeks between the date this Notice is given and the date in this paragraph.
After this date, court proceedings may be begun at once or at any time during the following twelve months. Once the twelve months are up this Notice will lapse, and a new Notice must be served before possession can be sought.
