Re: Mr Simon Cordell - 1 0 9 Burncroft Avenue - COM 1885.

1+ I write with reference to your letters of complaint dated 24th November **2016** copies of which were received via email on 24th November **2016**, 5th December **2016** and 8th December **2016**. I will respond to the issues you raised as follows.

2+ Anti-Social Behaviour Order We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on 4th August **2015** against your son in relation to activities that happened at locations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.

3+ CCTV We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on 18th November **2016** giving him until 25th November **2016** to remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on 29th November **2016** by Lemmy

22/ Between the dates of **25/05/2024** and **00/00/2024** it is said that Mr. Ian Davis Attempted to Murder the Now Claimant [✝🏷️] by

Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. This matter

- concerns a breach of tenancy conditions and will be addressed separately from this complaint.

4+ 3. Allegations of Anti-Social Behaviour You referred to alleged issues that your son was having with his neighbours; however, you· did not specify which neighbours and or provide a specific time frame when these complaints were made. We have checked our records since 4th August **2015** and found two records of telephone complaints received from your son. One on 20th August **2015** and again on 26th January **2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers. We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on 4th August **2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has

5+ been at least one previous complaint against your son from another neighbour prior to the ASBO. We are aware of the alleged incident that happened on 4th October **2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations. We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on 14th August **2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours. Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

Page 2692,

6+ in relation to the letter sent by Lemmy Nwabuisi on 29th November **2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received.

7+ Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation.

8+ We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond.

9+ It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

10+ Subject Access Request (SAR) The SAR that you have submitted is being responded to separately in accordance with required timescales.

Communications

11+ We are aware that you left messages for Sarah Fletcher on three occasions between 16 and 21 November **2016** and she was not available at these times.

12+ We confirm that she spoke directly with Mr Simon Cordell by telephone on 22nd November **2016**.

13+ Housing Options As a single resident living in a one-bedroom property, the Council considers that you son is suitably housed.

14+ We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a **transfer** on the housing register.

15+ He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.gov.uk. His eligibility for **transfer** will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted. Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Further information can be found online using the URLs below:

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours. The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on

04th October 2016

you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up. It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy. If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

2701,

2.2.1 Anti-social behaviour, nuisance and noise disturbance.

We will consider all legal remedies available to us to deal with anti-social behaviour, domestic abuse, harassment, rate crime, nuisance, gang activity and other criminal activity where this is supported by sufficient evidence. If we take legal action, we will ask the court to give us an order against you for the legal costs we have incurred.

Condition 10. You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social.

Condition 11. You must install any radio and/or video equipment or carry out any physical measures to respond to any nuisance or anti-social behaviour which you are suffering from without first consulting us.

2.2.3 Harassment and hate crime.

Condition 16. You must not harass or threaten to harass anyone because of their age, colour, culture, disability, ethnic origin, gender, gender reassignment, HIV status, nationality, race, religion, sexual orientation or for any reason.

2.2.6 Other unacceptable behaviour

Condition 21. You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the police.

2.15 Pet(s) and animal(s)

Condition 76. You have the right to keep one pet, or animal such as a cat, a dog, small bird, fish, non-poisonous insect, spider, small snake or lizard, rabbit, hamster, guinea pig, mouse, gerbil or domestic rat as long as they do not cause damage to the property, or nuisance or annoyance to anyone in your locality.

Condition 81. If your pet(s) or animal(s) is/are causing a nuisance, annoyance or disturbance to others, or is/are being treated inappropriately or cruelly, we

2702,

will take action and give written notice asking you to remove it/them from your home.

It is very important that we meet with you to discuss these very serious allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield,

EN1 3XY at 2pm on Tuesday, 6th December **2016** to discuss this matter.

Please ask to see Mr Lemmy Nwabuisi from the ASB Team, Community Safety Unit at the reception when you get to the Civic Centre.

2+ I wrote to you on 29th November **2016** regarding these reports you to meet with me at the Civic Centre on 5th December **2016** to discuss the allegations made against you, copy attached. I understand these have now been dealt with.

Dear Ms Cordell,

Re: Simon Cordell

1+ I am writing in response to your emails dated **17th** and **20th December** 18 where you have raised that you feel that some of the information provided in my letter to **Joan Ryan MP** dated **12th December 2018** is incorrect.

2+ I have therefore asked for legal clarification on the points raised.

3+ I accept that the order made by the Edmonton County Court on **9th August 2018** did not actually record that your son submits a housing **transfer** application on the condition that he engages with mental health team. However, you agreed that you would engage with the Enfield Mental Health Unit Team, so your son could receive assistance with his mental health conditions and housing.

4+ I understand that you.

5+ Agreed to submit a housing management **transfer** to be considered by the exceptions panel on **17/08/2018.** However, following a discussion held with Ms lyavoo, one of the Council's lawyers on **16th August 2018** you were advised that the application being unsupported by medical evidence, if successful, would only result in a **transfer** of a property on a like for like basis.

6+ You explained to Ms lyavoo that your son needed support and would benefit from a larger property, so someone could come and live with him, and you were advised that this type of application must be supported by medical evidence.

7+ As your son was given an appointment to see the Enfield Mental Health Team on,**31st August 2018,** you asked that you son's application be deferred until the next panel meeting which was to take place on **29th September 2018.**

8+ This was also confirmed in an email to Ms lyavoo on the same day.

9+ Unfortunately, you did not contact Ms lyavoo until **28th September 2018** at

- 4.20pm where you asked for an update **regarding your son's management transfer application.**

10+ You were aware that the panel meeting would take place on **29th September 2018** but only contacted Ms lyavoo less than 24 hours before the meeting.

11+ You also failed to provide Ms lyavoo with an update regarding the appointment I and whether you had managed to obtain the necessary medical evidence.

12+ Ms lyavoo contacted you on **12th October 2018** and advised you that the next panel meeting was to take place on **18th October 2018** and any applications would need to be submitted by **18th October 2018.**

13+ She also asked that you clarify the basis of the application and whether you were able to provide medical evidence.

14+ Unfortunately, you did not respond to' her.

15+ ln relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on **10th August 2018** and emailed her a draft order.

16+ Ms lyavoo did not hear from Ms Kerai, so she emailed her again on **13th August 2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge.

17+ Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions.

18+ As no response was forthcoming,

19+ Ms lyavoo had to email the order to the Court on **15th August2018** and she also copied Simon's case worker to the email.

20+ Ms Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions.

21+ Ms lyavoo indicates that the order was following guidance provided by District **Judge Dias.**

22+ The Court order does not propose to be verbatim or to be a summary of all arguments exchanged in Court.

23+ I apologise for the delay in responding over the **Christmas period** and I will contact you shortly to advise you about where any future enquiries on this matter should be addressed.

3+ I do know there is a pending court case for my son which Enfield Council has submitted to the court, but I do not feel that is a reason why emails / letters / complaints are not followed up, from my understanding when a complaint is submitted you are

on a time limited in order to make a reply yet even complaints are failing to deal or address complaint in a timely manner, I do not just write emails and letters for the fun of things I write them in order to get answer to what I am asking.

5+ The way in which my son has been treated is a disgrace by Enfield Council, not once in all these years has anyone from Enfield Council come t see my son and as his side to anything or look at all the data my son has got which will prove he has not done all the things that is being said.

6+ It seems all Enfield Council wants to do is court case after court case and mislead the courts as that has been done many times regarding my son, and when the court orders something Enfield Council fails to do that as well.

Subject: RE: Complaint **[SEC=OFFICIAL]**
Dear Heather, Littler

1+ Thank you for the below reply, but I fear just passing a copy of my correspondence will do very little, as I have been waiting for a reply just from one complaint since I believe the 05/12/2019, and there are multiple emails and letters going back to 2018 and the start of 2019 I have yet to have a reply from, also the SAR I put in on 25/11/2018 is still on going with really only data from 1997 included within a few documents I did get which I am writing emails for updates and getting no replies.

2+ So, you can see things are for some reason things are not being dealt with, Also I get no correspondence asking for more time, I write more emails to ask for an update but yet no replies so I think you can see that issues are not being dealt with in the correct way, and this has been like this for years not a few months, it is like I am wasting my time sitting and writing anything

as it seem Enfield Council are not addressing anything I have asked.

3+ This is why I have asked the Chief Executive's Unit to get involved as I feel I am getting nowhere, and that should not be the case I should at least get a reply. There are multiple issues, and it seems where my son is involved Enfield Council just pushes it under the table.

4+ As it seems you have just pushed this to the same teams that are not doing their job and have not done their job for some time, is there anyone else in Enfield Council I can take this to that is higher as it seems no one wants to do anything within Enfield Council,

5+ I also do feel that departments within Enfield Council have deleted multiple of my correspondence from Enfield Council systems so it looks like I am doing nothing, when in fact I am. Multiple beaches in data can also be proven regarding the sharing of my son's data, and multiple other beaches. I have been told to ask under what jurisdiction within law; Enfield Council is using to share data, and what security is being taken by Enfield Council when passing information over to other bodies within, yet I have had no reply to this also along with multiple other questions I have asked.

6+ I would like to know if anyone at Enfield Council is going to take anything serious?

Regards
Lorraine Cordell

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

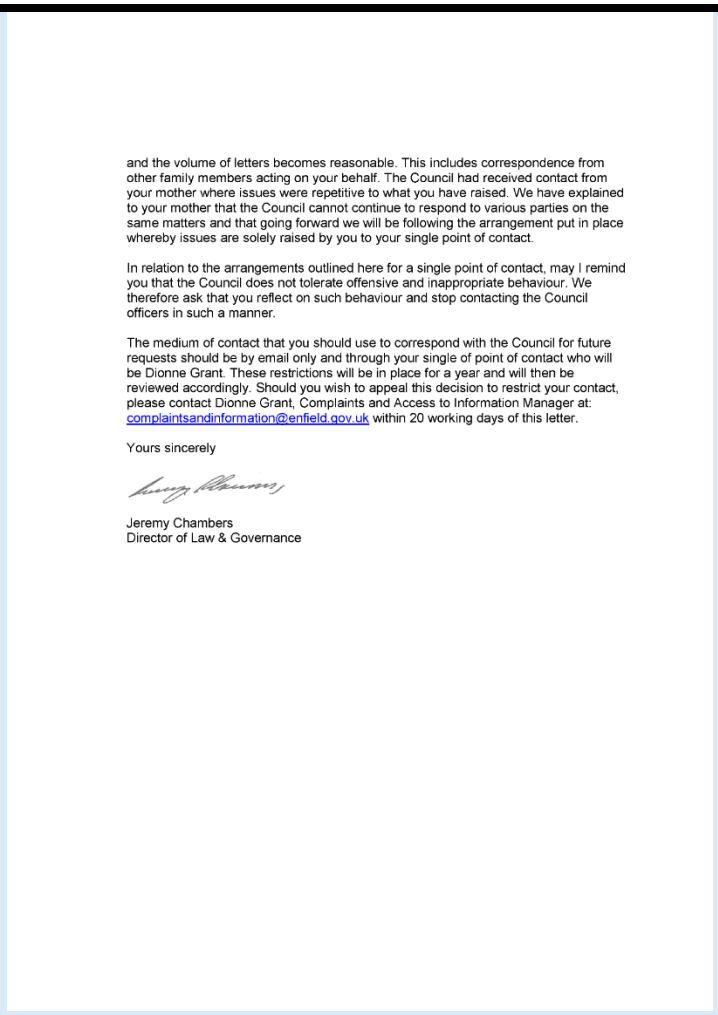

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

The medium of contact that you should use to correspond with the Council for future requests should be by email only and through your single of point of contact who will be Dionne Grant. These restrictions will be in place for a year and will then be reviewed accordingly. Should you wish to appeal this decision to restrict your contact, please contact Dionne Grant, Complaints and Access to Information Manager at: complaintsandinformation@enfield.gov.uk within 20 working days of this letter.

Dear Karen Hale

1+ I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?

2+ If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious and Unreasonable I would be most grateful.

3+ Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

4+ I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.

5+ The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.

6+ The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.

7+ And the only other time I have had contact is due to repairs that needed doing to my sons flat.

8+ Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards
Lorraine

		3+	It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.		
		4+	My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan 2017.		
		5+	The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.		
		6+	There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council.		
		7+	If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included		

a letter of authority from my son so I can act on his behalf.

8+ I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

9+ On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

Page 3

- said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home.

10+ I Miss L Cordell even went around his flat as he needed some things.
In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

11+ When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

12+ On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

		13+	Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.		
		14+	My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.		
		15+	On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.		
		16+	Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.		
		17+	I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.		
		18+	On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows.		
		19+	In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.		
		20+	In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none.		

21+ At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

22+ I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

23+ When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back.

24+ So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

Page 4

25+ son said he wants to appeal it having to be taken down.

26+ They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done.

27+ My son did not explain fully as he was really upset.

28+ Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.

29+ After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would

be on their systems as it was emailed and I knew they had it.

30+ My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

31+ Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly.

32+ It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

33+ I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on.

34+ My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on.

35+ They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

1) I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this.
My contact number is

2) I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.

3) I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.

4) I would a full report of any police reports that have been given to Enfield Council by the police about my son.

5) I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards
Miss Lorraine Cordell Mr Simon Cordell

Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

1+ I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.

2+ I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

3+ The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

4+ I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/**2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do

not think holding this meeting would be appropriate.

5+ I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

6+ However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council since **2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's heath yet still choose to do nothing.

7+ Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

1

Page 26

8+ Mr Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his

			flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now **2016**.		
		9+	You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.		
		10+	"Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours.		
		11+	It is also alleged that on **4th October 2016**, you banged on your ceiling, and you later started to bang and kick at your neighbour's door.		
		12+	It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".		
		13+	At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.		
		14+	You have also stated:		
		15+	"It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".		
		16+	Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.		
		17+	When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she passed away in **2007** he got a new dog same bred and since **2006** there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.		
		18+	Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog.		

19+ So how someone can say she is left alone is beyond me.

20+ Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

21+ Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006,** until now **2016.**

22+ It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours.

23+ You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.

24+ In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

2

Page 27

25+ Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy.

26+ If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this

way due to how he has been treated by the Met police.

27+ You have also stated:

1) "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block.

2) Your neighbours have alleged that this is an invasion of their privacy".

28+ I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal.

29+ I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

30+ But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked.

31+ So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself.

32+ When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

33+ It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in **2013** when it was installed? Why has it taken them until **2016** to say they feel this is an invasion of their privacy?

34+ In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy.

35+ The CCTV camera does not show any neighbours living in the block, front doors or windows.

36+ And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

37+ It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

38+ As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

39+ As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since **2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

40+ Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it.

41+ He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

Page 28

42+ Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what

is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

43+ I also believe when I get the information from the subject access request which can take up to 40 days this will incur more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

44+ I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

45+ I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

Re: Formal Complaint 08/12/2016

To Whom It May Concern:

1+ I am once again writing an email to all the above in the hope something will be able to be done.

2+ I know Formal Complaints are ongoing regarding letters written on the 24/11/**2016** and 05/12/**2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

3+ The last time we spoke to someone regarding moving my son was on the 22/11/**2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/**2016** sometimes calling up to 3 times a day.

4+ (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.

5+ My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

6+ I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

7+ It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

8+ When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him.

9+ It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep.

10+ It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

11+ I would like someone to email me via lorraine32@blueyonder.co.uk

12+ with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Speaker 1: 05:38 I've took every email and every text, every government officials got sent to me and my mother. Yeah. We have sent my mother; we have sent the Council and use police. We sent the Council over a hundred emails from **2014** to 16 explaining that I was getting assaulted in my house. I took video evidence enough to go over 10 statements of witnesses in my house while this was happening. I've got over a hundred videos in my house now. Yeah. The over condemning. Yeah, 100% any

person that sees and beyond reason would that they're going to prison for what they've done to me. Yeah. Now I've been writing to Lemmy and to all the rest of his team's lit. Rob leek, the executive director, Joann Ryan, and everyone's been emailing each other in between these emails.

Speaker 4: 06:16 And who are these people, who are these people that you are supposed to have email addressed.

Speaker 1: 06:20 Rob Leak Is the executive director of Enfield Island Village of Enfield Civic Centre and now he is on £50,000 pounds more than the prime minister in there yeah, Now, if you look at his, if you write Rob leak into the Google, you'll see a picture of him pop up yeah,, Rob Leak pop up, and you see him hanging over a picture of a massive building that they building a new establishment in **2015** by **2015** in between **2015** in **2014** yeah. How initially started, yeah. With these people acting in joint circles was a woman I initially got arrested. Yeah. for burglary case.

2+ Rob Leak retires in May as Enfield Council's chief executive.

3+ He looks back on his 14 years' work in the borough and

4+ discusses the future of local government.

After the 25/04/2017

1+ Rob Leak, the former chief executive of Enfield Council, retired in May 2017. After leaving his position, the top job for Enfield Council was advertised for a whopping £185,000 per year1. This amount was less than the £190,000 that Mr. Leak was reportedly paid the previous year, which was nearly £50,000 more than former Prime Minister David Cameron's salary. The council justified paying high salaries to its employees, emphasizing the need to employ top-quality staff. The job description highlighted the challenges faced by the borough, describing Enfield as a "large, diverse, outer London Borough with inner London problems but big ambitions."

--

2+ After retiring as Enfield Council's chief executive in May 2017, Rob Leak's involvement in company affairs is not explicitly documented in the information available to me. However, it's common for retired executives to maintain connections or provide occasional advice to their former organizations, especially if they had a significant impact during their tenure. Without specific details, I cannot confirm whether Mr. Leak continued to assist with company affairs after leaving his position. If you have any additional context or specific inquiries, feel free to share, and I'll do my best to provide relevant information.

--

3+ I apologize, but I couldn't find specific information regarding whether Rob Leak continued to serve as a board member after retiring as Enfield Council's chief executive in May 2017. It's possible that he may have taken on other roles or remained involved in some capacity, but without further details, I cannot confirm his post-retirement activities. If you have any additional context or specific inquiries, feel free to share, and I'll do my best to provide relevant information. 😊

Mr. Leak has been in the post since 2003, after his role as deputy chief executive for London Borough of Lambeth. Applications for the role must be in before February 10.

- Ian joined **Enfield in 2007** as **Assistant Director Environmental Protection and Regulation** before becoming **Director in 2008.**
- In **April 2017** he was appointed as the **Chief Executive**.
- Ian is focused on working with partners to address Enfield's health inequalities, further improving

inward investment and delivering high quality, low cost services that **support local residents and businesses.**

Q

If the council and police both have to sign certificates to create a Asbo in partnership and the asbo is for illegal raves would the Director of Environmental Protection and Regulation for the Council have anything to do with the Asbo application and if so why, with laws and regulations as well please?

A

Certainly! Let's delve into the world of **Anti-Social Behavior Orders (ASBOs)** and their application process.

1. **ASBOs and Their Purpose**:
    - ASBOs were introduced in England, Wales, and Northern Ireland as a way to address persistent antisocial behavior.
    - They have been replaced by other measures such as **Civil Injunctions**, **Community Protection Notices (CPNs)**, and **Criminal Behavior Orders (CBOs)**[1].
    - ASBOs are still used in Scotland.
2. **Who Can Apply for ASBOs?**
    - Various bodies can apply for ASBOs, including:
        - **The Council**: Local authorities play a significant role in addressing antisocial behavior. They can apply for ASBOs when they receive reports of persistent antisocial behavior.
        - **The Police**: Law enforcement agencies can also initiate ASBO applications.
        - **Registered Social Housing Providers**: These organizations can apply for ASBOs in specific cases.
3. **Director of Environmental Protection and Regulation**:
    - The Director of Environmental Protection and Regulation for the Council may indeed be involved in the ASBO application process.
    - Here's why:
        - **Environmental Impact**: Illegal raves can have adverse effects on the environment, such as noise pollution, damage to public spaces, and disruption to local communities.

- **Regulatory Compliance**: The Director oversees environmental regulations and compliance within the council's jurisdiction.
- **Evidence Gathering**: The Director's team may collect evidence related to the illegal raves, which could be crucial for the ASBO application.
- **Collaboration**: The Director collaborates with other agencies (including the police) to address antisocial behavior effectively.
- **Public Safety**: Ensuring public safety and maintaining a healthy environment aligns with the Director's responsibilities.

4. **Laws and Regulations**:
    - The **Anti-Social Behavior Crime and Policing Act 2014** introduced new measures to replace ASBOs.
    - These include:
        - **Civil Injunctions**: Issued by the court to prevent specific behaviors.
        - **CPNs**: Issued for persistent antisocial behavior without the need for a criminal conviction.
        - **CBOs**: Similar to ASBOs but with broader applicability.
    - The Director's involvement would relate to enforcing these legal measures and ensuring compliance with environmental regulations.

2+ I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator, since 2016 when Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.

3+ In this time not once has Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator, come to see my son's side to the alleged allegations regarding what the neighbors have put in about my son.

4+ Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator has taken one side to these said alleged allegations without no investigations,' Mr. Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbors, Mr. Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbors Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son? I believe Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator just through to himself that my son is in the wrong, he is a vulnerable person, I will put pressure on him and get him out without even thinking there is 2 side to anything.

5+ And just blamed my son without even talking to him, this is how it has been since Mr. Lemmy 1 Nwabuisi the Anti-Social Behavior Coordinator starting working for Enfield Council.

6+ I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts.

7+ Information is being passed and obtained relating to my son which should never have been passed to 3rd parties or used, how can this be allowed.

8+ There are many other points and failings which have been allowed to happen and this needs to stop.

9+ I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years.

10+ Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/2018 and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son.

11+ When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case and it beaches many other things.

12+ At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this.

13+ But it has got to the point in time that this needs to happen.

14+ Could someone please get back to me as soon as possible regarding this?

Regards Lorraine Cordell

To Whom It May Concern:

1+ I am writing this email as I feel it is the only option I have left, I have written emails and complaints and I just do not get a reply to them, I have had to CC you into some of them in order to try and get a reply some I do get a reply when I CC you into emails but most of the time I get nothing.

2+ I do not feel it is correct have to do this and as far as I know when you are CC into emails, I am sure you should over see it and make sure things are getting addressed but it seems like this is failing now and I would like to know the reason why it is failing so badly.

3+ I do know there is a pending court case for my son which Enfield Council has submitted to the court, but I do not feel that is a reason why emails / letters / complaints are not followed up, from my understanding when a complaint is submitted you are on a time limited in order to make a reply yet even complaints are failing to deal or address complaint in a timely manner, I do not just write emails and letters for the fun of things I write them in order to get answer to what I am asking.

4+ I am sorry for the way in which I have had to word this email, but this is not just one letter / complaint / email which has gone a none replied to this has been ongoing now for years.

5+ the way in which my son has been treated is a disgrace by Enfield Council, not once in all these years has anyone from Enfield Council come t see my son and as his side to anything or look at all the data my son has got which will prove he has not done all the things that is being said.

6+ It seems all Enfield Council wants to do is court case after court case and mislead the courts as that has been done many times regarding my son, and when the court orders something Enfield Council fails to do that as well.

Page 4542

7+ This is becoming more and more serious regarding the failing to4-+ wards my son, and I feel it has gone far enough and therefore I would like you to address these failing.

Lorraine Cordell

Dear Daniel Ellis

1+ Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back, yet no one still has so I still do not know what is going on if anything about moving my son.

To Whom It May Concern:

1+ I am once again writing an email to all the above in the hope something will be able to be done.

2+ I know Formal Complaints are ongoing regarding letters written on the 24/11/**2016** and 05/12/**2016**

but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

3+ The last time we spoke to someone regarding moving my son was on the 22/11/**2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/**2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.

4+ My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

5+ I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

6+ It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

7+ When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him.

8+ It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep.

9+ It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

10+ I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Dear Lorraine,

1+ Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with

the Community Safety Team later this week to discuss the issues in your complaint.

2+ Those teams will be working closely together after the meeting on Thursday to provide our response.

3+ Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break.

4+ If I have any further news for you, I will try and let you know.

Dear Daniel

1+ Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?

2+ If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said.

3+ No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made.

4+ So how in this meeting are the people going to a full understanding as since **2014** no reports have ever been taken from my son as to what has been on going and how he is suffering?

5+ I also still have not heard anything from the person dealing with the subject access request and would like an update.

6+ And I would like to know if anything is being done to move my son out of the situation he has been left in since **2014**.

7+ As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his heath.

8+ It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in.

9+ which has said it is affecting his heath.

10+ I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?

Page 2667,

11+ I would be most grateful for an update.

Dear Dawn Allen

1+ I do not understand why all my phone calls and emails are not getting addressed, I have really tried and so has my son, we have been making calls all the ti1ne to try and get something done and I have sent a lot of emails including a complaint email dated **01/07/2015** which I still have had no reply to.

2+ My son and I have tried to talk to the neighbors which have done nothing they still keep on. My son's health is suffering due to what has been ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing.

3+ I also went to 117 but I believe they were not at home so did not speak to them about the issues.

4+ I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad, and you can clearly hear they are doing this is not just so1neone living their life as no1mal people would.

5+ You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor.

6+ Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes, but this has not helped she just acts like nothing is going on.

7+ Debbie has now started to go to my other neighbors at 111 and they are drinking and now 111 is also banging.

8+ I don't know if it is due to Debbie liking my son and when hi1n and his partner ended in **Mid-2013** she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more.

9+ when my son was with his partner, she used to co1ne to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not readable.

10+ The main problem with Debbie seemed to start when she came to 1ny son's front door and saw a girl in his flat. She saw the girl on more than once and I think this upset her. Since this time things have got worse and worse, and my son's health is really suffering.

11+ Please cam something be done as we really do not know what to do any longer, if you cannot do anything about the neighbors in the block can you please see if you can move my son as he cannot take any 1nore, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.

12+ Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue, which I do not understand why.

Regards
Mother

Hi **Dolly,**
Nick and I attended while ago and spoke to the A while ago when she originally called Police.
At the time she didn't want us to speak to her neighbor as things had got better.
The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues.
On another occasion we popped round to see her, and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police.
I know some Officers went around and spoke to him and things seemed to get better.
After that we have had no further calls from the lady
We will try and get around to see her when we're back on duty on Monday.
Kind Regards

Dear Dawn Allen
I no longer go out of my home due to my health, that is why I cannot come to the office.
Also, why would it need to be in a neutral environment? You would have to come to my flat at some point to here for yourself what is going on as you can clearly hear it and see what the neighbor is doing.
I have also put in reports also about the repairs this has been going on for years and things still have not been done.
You are my housing officers can you please tell me what your job description is?
I am asking for help and have been for some time and you do not seem to be willing to give me any help. Is there a problem with you coming to my flat?
My Mother will be there with me, and you can bring someone with you if you feel there is a need to.
I have ongoing issues which does need to be addressed by someone and you are my housing office and I have been told you would need to address these issues.

On this day Dawn Alan Manipulated the conversation and Email CC Dolly Ogunseye as she deliberately steered the complaint, we made away from the complaint handler in charge of Debra Andres case, who was or is Dolly Ogunseye as it is said that dawn Allen never showed her the correct complaints being made

Is what Debra Andrews History should start with but on stead it starts with the **23/09/2015?**

The reason for this that on the **18/09/2021** The doctors that look after Debra at attended her home of 113 Burncroft Avenue and she would not let them in her front door on stead she just talked to them through her letter box, and she had been acting this way for some time, so the doctors contacted Dawn Allen

Dear Jackie Gubby
Thank you for taking the time to talk to me, on the phone today and explaining why you could not come to the meeting on the
28/09/2014
at 14:30! As said on the phone the surveyors took all the details of repairs and said they will deal with them. I am happy, you will get keep updated as too, what is going on with the repairs and keep me updated.
As also said to you on the phone we did not hear from the ASB team as yet, and today my son heard the main door keep banging so he walked out to the front and saw no one there so walked out further than he was to see if he could spot anyone else around the flats.
When he walked back to the main door Debbie, his neighbour was by the bin door and when she turned around and saw my son, she hit him with her shopping bags, there was a lady that was with her, but not standing with her and saw what was going on and run over and told Debbie to stop, my son asked for the lady's name and the lady would not give him it or who she worked for.
But my son had time to talk to the lady and tell her what Debbie had been doing, Debbie got upset, and kept shouting and telling the lady not to talk to him the lady had to tell Debbie to stop that she wanted to hear what my son was saying and told Debbie to wait.
She spoke to my son for a little while but said to my son that she was sorry, but she was busy and had to go and she left and my son goes back into his flat.

He called me and told me what had happened and asked me to call you to update you as too, what had gone on. Regards

On the day of Debra screaming Debras key worker was present, and she made no statement that Mr. Cordell had done anything wrong on that day in front of her for him to warrant mental health treatment and /or police Arrest as measurements for any Actions said to have occurred.
Within the council's history made in Our Clients name is Debra Andres History and within that history is that should come first but was place underneath other to manipulate any reader, the date being the 18/09/2015. 13/09/2015
It is said that on the 18/09/2015 that doctors went to Debras front door to whom they knew to have drug and drink addictions as well as serious mental health issues that warranted the conversation of her children from her own care and on this date, they noticed her deterioration of health as she spoke only in baffling, intoxicated words that made no sense, through her letter box.
It Is also said that Dawn Allen was made aware of a similar situation when his mother had to knock on the front door of Debra House And she would only chat to her through her letter box due to her committing crimes to her son by banging on the floorboards, walls and pipes deliberately victimising her son in her cruel un prevented attack and she herself as Mr. Simon Paul Cordell's Mother had done this due to having to make some form of intervention because Dawn Allen herself was not replying to emergency graded situations raised through months prior that all required immediate attention. The letter sent by his mother was sent because of Debra screaming and was also, never taken fairly into account for, dated the .
Dawn Allen had never met Mr. Simon Paul Cordell before hand as neither had any of her colleagues.
Mr. Simon Paul Cordell had never had a complaint made against him since 2006 before this date.
Dawn Allen visited Debra Andrews and the people our client had been complaining about and turned him from the victim and into a perpetrator.
Dawn Allen did not stop there as she searched his private records to see if he was suffering from ant mental heath issues and even with so many people saying the same to her about Debra.
Dawn Allen was colleagues, with developers for another frauded court case that the Enfield Council had illegally gain against him, as named the Asbo for, Mr. Simon Paul Cordell

and it is said that Dawn Allen & Co aided in them Asbo Developers and Involved Employees to avoiding justice.
It is said that Dawn Allen then afterwards of working out Mr. Cordell had no Mental Health history of any relevance from Debra Morgan then on afterwards both decided to Fraudulently manipulate that intel and gain an illegal warrant to
There was a meeting arranged with dawn Allen and Mr. Simon Paul Cordell's Mother once dawn Allen had finally replied by use of the same email, she had been blanking messages from for months prior due to believing she could get one over on the situation she and her colleagues had created illegally. But instead, she manipulated the situation and contacted the Mental Health.

Which by the RIO Records that we have been provided state the date of the **01/12/2015** to be the earliest point that we can demonstrate.
01/12/2015 officially classified as private files were shared and without the providence of rules to which must mandatory be followed to which governs the sharing of classified files being followed.

On the day of the warrant being executed by way of a meeting on Shaftesbury Road Dawn Allen and Jackie Gubbie & Co did not turn up Because they knew of their own manipulative backstabbing involvement and instead sent Louise Brown. After Mr S. P. Cordell Not being detained the Now Claimants mother Contacted them about the meeting, they should have had before the assessment and while not knowing there involvement in the manipulative Backstabbing assessment they arranged and failed to turn up to.
Dawn Allen tried to cancel the meeting in knowing that their would-be Recording equipment and files proving the truth.
The Claimants mother had a hospital appointment and said that she would not be available on a date 00/00/0000 and not to turn up at her son's house unless she was present.
On the day they should not tuned up Louise Brown turned up again but with two police officers and was allowed entry even aloe this was agreed as a must not happen.

Boris Johnson's

Boris Johnson report today in full: Read all 30,000 words of privileges committee inquiry | The Independent

Boris Johnson's official email address is **boris.johnson.mp@parliament.uk**[1]. If you need to contact the Prime Minister directly, you can also write to the Prime Minister's Office at 10 Downing Street in London. However, please note that responses to emails sent to the Prime Minister's Office cannot be guaranteed due to the volume received[2].

Feel free to reach out if you have any other questions! 😊

Certainly! The **Partygate** scandal in the United Kingdom involved gatherings of government and Conservative Party staff during the COVID-19 pandemic in 2020 and 2021, when public health restrictions prohibited most gatherings[1]. Here are some key points related to Partygate:

1. **Timeline of Events**:
   - **May 2020**: A photo from May 2020 showed then-Prime Minister Boris Johnson and his staff with bottles of wine and a cheeseboard in the Downing Street garden. Johnson claimed they were discussing work[2].
   - **May 2020**: About 100 people were invited to "socially distanced drinks" in the No. 10 garden. Johnson apologized for attending this event, which breached the rules in place at the time[2].
   - **June 2020**: A farewell gathering took place in the Cabinet Office, violating restrictions in place at the time[2].
   - **June 2020**: On Boris Johnson's birthday, up to 30 people gathered in the Cabinet Room at No. 10 to present him with a birthday cake. Attendees received fines from the police[2].
   - **November 2020**: Gatherings occurred in Downing Street to mark the departure of a special adviser and in the Downing Street flat to celebrate Dominic Cummings' departure. Johnson was found to have misled lawmakers about these events[3].
2. **Police Investigation**:
   - A team of 12 detectives conducted a thorough investigation, examining documents, emails, witness statements, and more. They issued 126 fines in connection with Partygate[4].
3. **Boris Johnson's Resignation**:
   - The scandal contributed to Boris Johnson's downfall as Prime Minister, and he eventually resigned as an MP[1].

For more detailed information, you can refer to the BBC News timeline and the Wikipedia page on Partygate[21]. These sources provide comprehensive coverage of the events and investigations related to Partygate. If you need further details, feel free to explore those links! 😊

Certainly! The **Partygate** scandal involving Boris Johnson and Downing Street events during the COVID-19 pandemic led to investigations and revelations about text messages and WhatsApp conversations. Here are some key details:

1. **WhatsApp Messages in the Report**:
   - The House of Commons Committee on Privileges released a 24-page dossier investigating whether Boris Johnson misled Parliament about his attendance at lockdown parties. The report contains WhatsApp messages supplied by Mr. Johnson's solicitors, detailing private conversations between him and five other individuals.
   - Downing Street officials expressed concern about the media storm developing over Partygate and admitted they were "struggling" to formulate credible defensive lines. In one exchange, Mr. Johnson's communications chief acknowledged a "great gaping hole in the PM's account" of the controversy[1].
   - Here are some excerpts from the WhatsApp messages included in the report:

- **28 April 2021**:
  - Unnamed No. 10 official (16:47:12): "[Redacted name]'s worried about leaks of PM having a p*** up, and to be fair, I don't think it's unwarranted."
- **30 November 2021**:
  - Director of communications (16:13:16): "Can you pull together our best possible defense on this one? I don't know what we say about the flat."
  - Unnamed No. 10 official (16:13:47): "Don't we just do a generic line and not get into whether there was a drinks thing or not."
  - Unnamed No. 10 official (16:14:16): "'Covid rules have been followed at all times' or something."
  - Director of communications (16:14:18): "I think we have to say something as robust as we can manage but see what you think."
- **25 January 2022**:
  - Director of Communications (06:54:30): "Have we had any legal advice on the birthday one?"
  - Director of Communications (06:55:06): "Haven't heard any explanation of how it's in the rules."
  - Unnamed No. 10 official (08:04:46): "I'm trying to do some Q&A; it's not going well."
  - Director of Communications (08:05:12): "I'm struggling to come up with a way this one is in the rules in my head."

2. **Police Investigation**:
   - The Metropolitan Police investigated twelve gatherings related to Partygate, including those attended by Johnson. They issued 126 fixed penalty notices to 83 individuals, including Johnson, his wife Carrie, and Rishi Sunak (then Chancellor of the Exchequer), who all apologized and paid the penalties[2].

For more in-depth information, you can explore the full report and the BBC's coverage[13]. If you have any further questions, feel free to ask! 😊

Certainly! You can view the **WhatsApp messages** related to the **Partygate** scandal in the United Kingdom. These messages were part of the evidence released during the investigation into whether former Prime Minister Boris Johnson knowingly misled Members of Parliament (MPs) regarding the gatherings that took place in Downing Street and Whitehall during the COVID-19 pandemic[12].

Here are some key points and resources where you can find the complete messages:

1. **Independent News UK**:
   - The Independent published a detailed article with key points from the new evidence, including WhatsApp messages exchanged between Boris Johnson's former aides. These messages shed light on the events that partly led to Johnson's downfall as Prime Minister and the potential suspension from the Commons[1].
   - You can read the complete messages included in the report on The Independent's website, arranged in chronological order, along with the precise time each text was sent[2].
2. **BBC News**:
   - The BBC also covered the Partygate inquiry and shared evidence ahead of Boris Johnson's TV grilling.
   - The evidence amassed by the committee, including written statements from 23 witnesses, official diaries, and emails between officials, has already been handed over to Mr. Johnson's legal team. His lawyers provided 46 WhatsApp messages between the former Prime Minister and five unnamed people[34].

  - **04/12/2014. Si Bit** "By the United Kingdom laws it must be forbidden that any person gets held Without Correct Law and judgement being passed as a rule of the land in any instance were an error has got passed as a judgment ruling the justice system equals to an error or errors of shambles as has happened in my case load so far over the years, a mutable amount of noticeable critical errors have been passed as legal law towards my dissatisfaction and suffering as throughout the proceedings of my case of the anti-social behaviour order the fundamental legal guidance towards such an application has gotten breached with disregard for the truth and correct legal principles getting accomplished I am the person that gets left to suffer with emotional distress and disheartened belief in a fair and legal justice system because off the corruption that I hire light to the relevant official persons who do not act as reasonable official person within the legal guidance provided for them I can prove beyond reasonable doubt that the context of the application is forged within the time stamps of the 999 calls also there is no audio recordings of the 999 calls as Sally Gilchrist has explained they have been destroyed this is also an error of the law because once the recordings are used within a case they must not get destroyed and even when not used in a case they must get set aside and archived safely for a period of 50 years as has no of the X to

Y reference location Coordinates not having any reference towards the incidents that I am being accused of when checked most of the XY locations out of Crown Road and not progress way I'm also concerned in regards to the police notebooks being in non-existent as I understand if they were provided when requested as I have in Disclosure they would prove my innocence Another major critical error of my concerns is the facts of there being no first-hand material evidence a clear lack of victims when I request for them to attend court."

- **06/12/2014. Si Bit** After providing the executive legal director Sally Gilchrist with the correct correspondence regarding my Innocence in the proceedings that she decides to participate in against me and her taking the disregard to the evidence contained within the official documents I put her in receipt of she dehumanised mean with her reckless actions!

- This was a case were another person got moved into the same flat that Debra Andres Used to live inside of and was used by the Enfield Council and Police with the Neighbourhood watch teams and NHS and Private Mental Health Teams in knowing her mental health circumstances and addiction needs to hurt our client, George Case, was latter moved in a become a copy cat and attacked Mr. Simon Cordell alongside with other who were not moved nor prior stopped. It was said that a motor bike was damaged through this period by our client, and he was arrested charged and found not guilty at court. Our client suffered harsh conditions where he was not allowed to reside inside of his own home through this period of time. Due to the Asbo being complained about and the Enfield Council hiding out of those Courtrooms proceedings they used this case as his mother had requested his personal data to dirty his name.
- It is said that Lemmy Nwabuisi Never Met George Quinton until **11-11-2016** before the Company he works for who is the Enfield Council had to produce to our clients mother, his personal data held by themselves due to a summited FOI that was received on the **24-01-2016,** with his personal data inside and this in part is why they sent Lemmy after the case was one to met George to try and build a negative caseload against him. But George clearly states he had no more the Council then forged the council history around this time as a cover up.

You
Whose police warrant number P206372 UK?

Copilot
Using the web
The **Metropolitan Police** in the UK assigns warrant numbers to officers for various purposes. These warrant numbers help identify officers and track their activities. Unfortunately, I couldn't find specific information about **warrant number P206372**. However, I can provide some general information about police warrant numbers.

- Warrant numbers are unique identifiers assigned to police officers.
- The prefix of the warrant number often indicates the approximate start date of an officer's service.
- For example, if an officer had a warrant number of **160000** and their start date was **January 1, 1970**, then the answer would be **January 1970** for **16XXXX** (where **XXXX** represents the lowest warrant number within that range).

Here are some examples of warrant numbers and their associated start dates:

- **170XXX**: March 1977
- **180XXX**: May 1983
- **190XXX**: August 1989
- **200XXX**: October 1998
- **210XXX**: March 2003
- **220XXX**: January 2005
- **230XXX**: November 2009
- **240XXX**: April 2017
- **250XXX**: January 2018
- **260XXX**: May 2021

If you have any specific questions or need further assistance, feel free to ask! 😊

2. **Metropolitan Police Warrant Numbers**: The Metropolitan Police in the UK has been assigning warrant numbers for many years. Each range of warrant numbers corresponds to a specific time period. For example:
    - **170XXX**: March 1977
    - **180XXX**: May 1983
    - **190XXX**: August 1989
    - **200XXX**: October 1998

3. **Approximate Year**: If we assume that the warrant number follows a similar pattern, we can estimate the approximate year. For example, if the warrant number starts with **206**, it might fall within the range of the early 2000s. However, this is purely speculative without more specific information.
4. **Contact the Metropolitan Police**: If you need precise details related to a specific warrant number, I recommend reaching out to the **Metropolitan Police** directly. They can provide accurate information based on their records.

Remember that warrant numbers are unique identifiers for officers, and the exact year associated with a specific number may not always be straightforward to determine. If you have any further questions or need assistance, feel free to ask! 😊

I've provided general information about police warrant numbers, but unfortunately, I couldn't find the exact year associated with **P206372**. For precise details, consider contacting the Metropolitan Police directly. 🚓🔍

The **warrant number P221670** corresponds to an approximate start date within the early 2000s. Let's break it down:

- The **prefix** of the warrant number indicates the approximate start date of an officer's service.
- Based on the information available, here are some relevant warrant numbers and their associated start dates:
    - **220XXX**: January 2005
    - **221XXX**: January 2006
    - **222XXX**: May 2005

Given this pattern, it's likely that **P221670** falls within the range of **January 2006** or thereabouts. However, without more specific data, we can't pinpoint the exact year.

For precise details related to this specific warrant number, I recommend reaching out to the **Metropolitan Police** directly. They can provide accurate information based on their records.

Remember that warrant numbers serve as unique identifiers for officers, and determining the exact year associated with a specific number can sometimes be challenging. If you have any further questions or need assistance, feel free to ask! 😊

I've provided an estimate based on the available data, but for precise details, consider contacting the Metropolitan Police directly. [1]

Q
Can you please tell me about this METCCC Printout terminology and what is means: "Entered By: CHS (C717560)" and break down each section i.e. "Entered By" & "CHS" & "(c717560)"
A

let's break down the specific phrase you mentioned:

- **"ENTERED BY"**: This section indicates who entered the information into the system. In your example, it says "CHS." We'll discuss that next.
- **"CHS"**: This is an abbreviation or code representing an individual or entity. Without additional context, it's challenging to determine precisely what "CHS" stands for. It could be an officer's initials, a department, or some other identifier.
- **"(C717560)"**: The parentheses contain a numeric code, which could be a unique reference number. Again, without further context, it's challenging to pinpoint its exact meaning. It might correspond to a case number, incident ID, or another type of record identifier.

In summary, the phrase “ENTERED BY: CHS (C717560)” likely indicates that someone with the initials “CHS” entered information into the METCCC system, and the associated numeric code (C717560) serves as a reference. For more specific details, you may need to consult the relevant authorities or documentation[2]. If you have additional context or need further clarification, feel free to provide it, and I’ll do my best to assist! 😊

- An email to Dolly Ogunseye, explaining that Debra was seen by them and was acting mentally unwell. These concerns were then ignored and turned around to make our client look as if he was the perpetrator.

- On Friday 12th September 2014 I attended the address of Simon Cordell in Bumcroft Avenue EN3 with A/PS 556YE PETRUCCI, PCSO NASSEER and PCSO TILLEY. Statement of: Sophie THEODOULOU PC 577Y who lied and said she served the Asbo. They made this statement up to cover up the truth and served in in the appeal stage for the first time in Asbo proceedings. They backdated it to Date the: 12/09/**2014** and this is why it is only in the Appel Sage.
- We asked for a investigation to take place when we handed the 1st Asbo Folder back to the Edmonton Police Station into the lost property room to where it went missing from afterwards so why was this police officer allowed to act in Debra Andrews Case against me again.
- **The 19/02/2016** was the first Appeal date held at the Woodgreen Crown Court for the Asbo and when the statement backdated to the **12/09/2014** was submitted by the police involved and this was even aloe we all complained as the defending team with our solicitors about not being served from the start.

Whose police warrant number P206372 UK?

Copilot
Using the web

The **Metropolitan Police** in the UK assigns warrant numbers to officers for various purposes. These warrant numbers help identify officers and track their activities. Unfortunately, I couldn't find specific information about **warrant number**

P206372. However, I can provide some general information about police warrant numbers.

- Warrant numbers are unique identifiers assigned to police officers.
- The prefix of the warrant number often indicates the approximate start date of an officer's service.
- For example, if an officer had a warrant number of **160000** and their start date was **January 1, 1970**, then the answer would be **January 1970** for **16XXXX** (where **XXXX** represents the lowest warrant number within that range).

Here are some examples of warrant numbers and their associated start dates:

- **170XXX**: March 1977
- **180XXX**: May 1983
- **190XXX**: August 1989
- **200XXX**: October 1998
- **210XXX**: March 2003
- **220XXX**: January 2005
- **230XXX**: November 2009
- **240XXX**: April 2017
- **250XXX**: January 2018
- **260XXX**: May 2021

If you have any specific questions or need further assistance, feel free to ask! 😊

For more information, you can visit the Metropolitan Police's page on warrant numbers.[1]

So what year is this P206372?

Copilot

Using the web

The **warrant number P206372** does not directly correspond to a specific year. However, I can provide some context based on the information I have:

5. **Warrant Prefix**: The prefix of a warrant number often indicates the approximate start date of an officer's service. Unfortunately, without additional information, it's challenging to pinpoint the exact year associated with this specific warrant number.
6. **Metropolitan Police Warrant Numbers**: The Metropolitan Police in the UK has been assigning warrant numbers for many years. Each range of warrant numbers corresponds to a specific time period. For example:

- **170XXX**: March 1977
- **180XXX**: May 1983
- **190XXX**: August 1989
- **200XXX**: October 1998
- **210XXX**: March 2003
- **220XXX**: January 2005
- **230XXX**: November 2009
- **240XXX**: April 2017
- **250XXX**: January 2018
- **260XXX**: May 2021

7. **Approximate Year**: If we assume that the warrant number follows a similar pattern, we can estimate the approximate year. For example, if the warrant number starts with **206**, it might fall within the range of the early 2000s. However, this is purely speculative without more specific information.
8. **Contact the Metropolitan Police**: If you need precise details related to a specific warrant number, I recommend reaching out to the **Metropolitan Police** directly. They can provide accurate information based on their records.

Remember that warrant numbers are unique identifiers for officers, and the exact year associated with a specific number may not always be straightforward to determine. If you have any further questions or need assistance, feel free to ask! 😊

I've provided general information about police warrant numbers, but unfortunately, I couldn't find the exact year associated with **P206372**. For precise details, consider contacting the Metropolitan Police directly. 🚓🔍

Copilot

Using the web

The **warrant number P221670** corresponds to an approximate start date within the early 2000s. Let's break it down:

		• The **prefix** of the warrant number indicates the approximate start date of an officer's service.
		• Based on the information available, here are some relevant warrant numbers and their associated start dates:
		  ○ **220XXX**: January 2005
		  ○ **221XXX**: January 2006
		  ○ **222XXX**: May 2005
		Given this pattern, it's likely that **P221670** falls within the range of **January 2006** or thereabouts. However, without more specific data, we can't pinpoint the exact year.
		For precise details related to this specific warrant number, I recommend reaching out to the **Metropolitan Police** directly. They can provide accurate information based on their records.

		Q Can you please tell me about this METCCC Printout terminology and what is means: "Entered By: CHS (C717560)" and break down each section i.e. "Entered By" & "CHS" & "(c717560)" **A** let's break down the specific phrase you mentioned: • **"ENTERED BY"**: This section indicates who entered the information into the system. In your example, it says "CHS." We'll discuss that next. • **"CHS"**: This is an abbreviation or code representing an individual or entity. Without additional context, it's challenging to determine precisely what "CHS" stands for. It could be an officer's initials, a department, or some other identifier. • **"(C717560)"**: The parentheses contain a numeric code, which could be a unique reference number. Again, without further context, it's challenging to pinpoint its exact meaning. It might correspond to a case number, incident ID, or another type of record identifier. In summary, the phrase **"ENTERED BY: CHS (C717560)"** likely indicates that someone with the initials **"CHS"** entered information into the METCCC system, and the associated numeric code **(C717560)** serves as a reference. For more specific details, you may need to consult the relevant authorities or documentation[2]. If you have additional context or need further clarification, feel free to provide it, and I'll do my best to assist! ☺

These concerns were then ignored and turned around to make our client look as if he was the perpetrator. ▪ On **Friday 12th September 2014** I attended the address of Simon Cordell in Bumcroft Avenue EN3 with **a)** **A/PS 556YE PETRUCCI**, **b)** **PCSO NASSEER** and **c)** **PCSO TILLEY**. - Statement of: **Sophie THEODOULOU PC 577Y** who lied and said she served the Asbo. They made this statement up to cover up the truth and served in the appeal stage for the first time in Asbo proceedings. They backdated it to Date the: 12/09/**2014** and this is why it is only in the Appel Sage. ▪ We asked for an investigation to take place when we handed the 1st Asbo Folder back to the Edmonton Police Station into the lost property room to where it went missing from afterwards so why this police officer was allowed to act in Debra Andrews Case against me again. ▪ **The 19/02/2016** was the first Appeal date held at the Wood green Crown Court for the Asbo and when the statement backdated to the **12/09/2014** was submitted by the police involved and this was even aloe we all complained as the defending team with our solicitors about not being served from the start. ▪ **+.**
