It has been brought to my attention that you have fitted a security camera onto the inner communal/fire door on the ground floor of our building.
This is in breach of tenancy conditions as it has been fitted without permission.
Please arrange for the camera to be removed by Friday 25th November **2016**.
Failure to remove the camera by this date will result in the Council arranging for the removal of the camera and carrying out any necessary repairs to the structure of the building for which you will be charged, and we may take action against you for breach of your tenancy conditions.
Please contact me on or before 5.00pm on Friday 25th November **2016** to advise that the camera has been removed or we will proceed with the action as advised above.
Yours Sincerely,

Re: Mr Simon Cordell - 1 0 9 Burncroft Avenue - COM 1885.

1+ I write with reference to your letters of complaint dated 24th November **2016** copies of which were received via email on 24th November **2016**, 5th December **2016** and 8th December **2016**. I will respond to the issues you raised as follows.

2+ Anti-Social Behaviour Order We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on 4th August **2015** against your son in relation to activities that happened at locations away from Burncroft Avenue. We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.

3+ CCTV We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on 18th November **2016** giving him until 25th November **2016** to remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on 29th November **2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV. This matter

DIRECTOR - REGENERATION & ENVIRONMENT EQUALITY FRAMEWORK FOR LOCAL GOVERNMENT EXCELLENT ENFIELD COUNCIL CIVIC CENTRE, SILVER STREET ENFIELD EN1 XV **WEBSITE:** WWW.ENFIELD.GOV.UK

Page 2691,

- concerns a breach of tenancy conditions and will be addressed separately from this complaint.

4+ 3. Allegations of Anti-Social Behaviour You referred to alleged issues that your son was having with his neighbours; however, you· did not specify which neighbours and or provide a specific time frame when

these complaints were made. We have checked our records since 4th August **2015** and found two records of telephone complaints received from your son. One on 20th August **2015** and again on 26th January **2016** which related to noise and the issues he was having with a neighbour. These concerns were dealt with at the time by relevant officers. We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on 4th August **2015**. However, our records show that since your son's tenancy began on 14th August 2006, there has

5+ been at least one previous complaint against your son from another neighbour prior to the ASBO. We are aware of the alleged incident that happened on 4th October **2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations. We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission. We also note your comment regarding an alleged incident on 14th August **2016**. This was not reported to the Council and should be a matter for the police. We note your comment that your son is scared to go home due to the alleged issues with his neighbours. Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

Page 2692,

6+ in relation to the letter sent by Lemmy Nwabuisi on 29th November **2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once the SAR is received.

7+ Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation.

8+ We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond.

9+ It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

10+ Subject Access Request (SAR) The SAR that you have submitted is being responded to separately in accordance with required timescales.

Communications

11+ We are aware that you left messages for Sarah Fletcher on three occasions between 16 and 21

November **2016** and she was not available at these times.

12+ We confirm that she spoke directly with Mr Simon Cordell by telephone on 22nd November **2016**.

13+ Housing Options As a single resident living in a one-bedroom property, the Council considers that you son is suitably housed.

14+ We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a **transfer** on the housing register.

15+ He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.gov.uk. His eligibility for **transfer** will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted. Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home. Further information can be found online using the URLs below:

Dear Mr Cordell,
Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour
I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour made against you by your neighbours. The reports include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on **04th October 2016**
you banged on your ceiling, and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up. It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy. If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:
2701,
2.2.1 Anti-social behaviour, nuisance and noise disturbance. We will consider all legal remedies available to us to deal with anti-social behaviour, domestic abuse, harassment, rate crime, nuisance, gang activity and other criminal activity where this is supported by sufficient evidence.
If we take legal action, we will ask the court to give us an order against you for the legal costs we have incurred.

Condition 10. You must not act in any way which causes, or is likely to cause, a nuisance or annoyance or is anti-social.
Condition 11. You must install any radio and/or video equipment or carry out any physical measures to respond to any nuisance or anti-social behaviour which you are suffering from without first consulting us.
2.2.3 Harassment and hate crime.
Condition 16. You must not harass or threaten to harass anyone because of their age, colour, culture, disability, ethnic origin, gender, gender reassignment, HIV status, nationality, race, religion, sexual orientation or for any reason.
2.2.6 Other unacceptable behaviour
Condition 21. You must not abuse, harass, make offensive comments and/or malicious allegations, use or threaten to use violence against any of our officers or agents, or against a councillor. This applies at any time and in any place. We may report the matter to the police.
2.15 Pet(s) and animal(s)
Condition 76. You have the right to keep one pet, or animal such as a cat, a dog, small bird, fish, non-poisonous insect, spider, small snake or lizard, rabbit, hamster, guinea pig, mouse, gerbil or domestic rat as long as they do not cause damage to the property, or nuisance or annoyance to anyone in your locality.
Condition 81. If your pet(s) or animal(s) is/are causing a nuisance, annoyance or disturbance to others, or is/are being treated inappropriately or cruelly, we
2702,
will take action and give written notice asking you to remove it/them from your home.
It is very important that we meet with you to discuss these very serious allegations and give you the opportunity to respond to them. I have therefore arranged for you to meet with me at the Civic Centre, Silver Street, Enfield,
EN1 3XY at 2pm on Tuesday, 6th December **2016** to discuss this matter.
Please ask to see Mr Lemmy Nwabuisi from the ASB Team, Community Safety Unit at the reception when you get to the Civic Centre.

Dear Ms Cordell,
Re: Simon Cordell

1+ I am writing in response to your emails dated **17th** and **20th December** 18 where you have raised that you feel that some of the information provided in my letter to **Joan Ryan MP** dated **12th December 2018** is incorrect.

2+ I have therefore asked for legal clarification on the points raised.

3+ I accept that the order made by the Edmonton County Court on **9th August 2018** did not actually record that your son submits a housing **transfer** application on the condition that he engages with mental health team. However, you agreed that you would engage with the

7/ On the **05/12/2018**

8/ On the **28/12/2018**

Enfield Mental Health Unit Team, so your son could receive assistance with his mental health conditions and housing.

4+ I understand that you.

5+ Agreed to submit a housing management **transfer** to be considered by the exceptions panel on **17/08/2018.** However, following a discussion held with Ms lyavoo, one of the Council's lawyers on **16th August 2018** you were advised that the application being unsupported by medical evidence, if successful, would only result in a **transfer** of a property on a like for like basis.

6+ You explained to Ms lyavoo that your son needed support and would benefit from a larger property, so someone could come and live with him, and you were advised that this type of application must be supported by medical evidence.

7+ As your son was given an appointment to see the Enfield Mental Health Team on,**31st August 2018,** you asked that you son's application be deferred until the next panel meeting which was to take place on **29th September 2018.**

8+ This was also confirmed in an email to Ms lyavoo on the same day.

9+ Unfortunately, you did not contact Ms lyavoo until **28th September 2018** at

- 4.20pm where you asked for an update **regarding your son's management transfer application.**

10+ You were aware that the panel meeting would take place on **29th September 2018** but only contacted Ms lyavoo less than 24 hours before the meeting.

11+ You also failed to provide Ms lyavoo with an update regarding the appointment I and whether you had managed to obtain the necessary medical evidence.

12+ Ms lyavoo contacted you on **12th October 2018** and advised you that the next panel meeting was to take place on **18th October 2018** and any applications would need to be submitted by **18th October 2018.**

13+ She also asked that you clarify the basis of the application and whether you were able to provide medical evidence.

14+ Unfortunately, you did not respond to' her.

15+ ln relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on **10th August 2018** and emailed her a draft order.

16+ Ms lyavoo did not hear from Ms Kerai, so she emailed her again on **13th August 2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge.

17+ Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions.

18+ As no response was forthcoming,

19+ Ms lyavoo had to email the order to the Court on **15th August2018** and she also copied Simon's case worker to the email.

20+ Ms Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions.

21+ Ms lyavoo indicates that the order was following guidance provided by District **Judge Dias.**

22+ The Court order does not propose to be verbatim or to be a summary of all arguments exchanged in Court.

23+ I apologise for the delay in responding over the **Christmas period** and I will contact you shortly to advise you about where any future enquiries on this matter should be addressed.

1+ I am writing this email as I feel it is the only option I have left, I have written emails and complaints and I just do not get a reply to them, I have had to CC you into some of them in order to try and get a reply some I do get a reply when I CC you into emails but most of the time I get nothing.

2+ I do not feel it is correct have to do this and as far as I know when you are CC into emails, I am sure you should over see it and make sure things are getting addressed but it seems like this is failing now and I would like to know the reason why it is failing so badly.

3+ I do know there is a pending court case for my son which Enfield Council has submitted to the court, but I do not feel that is a reason why emails / letters / complaints are not followed up, from my understanding when a complaint is submitted you are on a time limited in order to make a reply yet even complaints are failing to deal or address complaint in a timely manner, I do not just write emails and letters for the fun of things I write them in order to get answer to what I am asking.

4+ I am sorry for the way in which I have had to word this email, but this is not just one letter / complaint / email which has gone a none replied to this has been ongoing now for years.

5+ The way in which my son has been treated is a disgrace by Enfield Council, not once in all these years has anyone from Enfield Council come t see my son and as his side to anything or look at all the data my son has got which will prove he has not done all the things that is being said.

6+ It seems all Enfield Council wants to do is court case after court case and mislead the courts as that has been done many times regarding my son, and when the court orders something Enfield Council fails to do that as well.

Page 4542

7+ This is becoming more and more serious regarding the failing towards my son and I feel it has gone far enough and therefore I would like you to address these failing.

To Whom It May Concern:

1+ I am writing this email as I feel it is the only option I have left, I have written emails and complaints and I just do not

get a reply to them, I have had to CC you into some of them in order to try and get a reply some I do get a reply when I CC you into emails but most of the time I get nothing.

2+ I do not feel it is correct have to do this and as far as I know when you are CC into emails, I am sure you should over see it and make sure things are getting addressed but it seems like this is failing now and I would like to know the reason why it is failing so badly.

3+ I do know there is a pending court case for my son which Enfield Council has submitted to the court, but I do not feel that is a reason why emails / letters / complaints are not followed up, from my understanding when a complaint is submitted you are on a time limited in order to make a reply yet even complaints are failing to deal or address complaint in a timely manner, I do not just write emails and letters for the fun of things I write them in order to get answer to what I am asking.

4+ I am sorry for the way in which I have had to word this email, but this is not just one letter / complaint / email which has gone a nonreply to this has been ongoing now for years.

5+ The way in which my son has been treated is a disgrace by Enfield Council, not once in all these years has anyone from Enfield Council come t see my son and as his side to anything or look at all the data my son has got which will prove he has not done all the things that is being said.

6+ It seems all Enfield Council wants to do is court case after court case and mislead the courts as that has been done many times regarding my son, and when the court orders something Enfield Council fails to do that as well.

7+ This is becoming more and more serious regarding the failing towards my son, and I feel it has gone far enough and therefore I would like you to address these failing.

Dear Heather, Littler

1+ Thank you for the below reply, but I fear just passing a copy of my correspondence will do very little, as I have been waiting for a reply just from one complaint since I believe the 05/12/2019, and there are multiple emails and letters going back to 2018 and the start of 2019 I have yet to have a reply from, also the SAR I put in on 25/11/2018 is still on going with really only data from 1997 included within a few documents I did get which I am writing emails for updates and getting no replies.

2+ So, you can see things are for some reason things are not being dealt with, Also I get no correspondence asking for more time, I write more emails to ask for an update but yet no replies so I think you can see that issues are not being dealt with in the correct way, and this has been like this for years not a few months, it is like I am wasting my time sitting and writing anything as it seem Enfield Council are not addressing anything I have asked.

3+ This is why I have asked the Chief Executive's Unit to get involved as I feel I am getting nowhere, and that should not be the case I should at least get a reply. There are

13/ On the **04/03/2019**

multiple issues, and it seems where my son is involved Enfield Council just pushes it under the table.

4+ As it seems you have just pushed this to the same teams that are not doing their job and have not done their job for some time, is there anyone else in Enfield Council I can take this to that is higher as it seems no one wants to do anything within Enfield Council,

5+ I also do feel that departments within Enfield Council have deleted multiple of my correspondence from Enfield Council systems so it looks like I am doing nothing, when in fact I am. Multiple beaches in data can also be proven regarding the sharing of my son's data, and multiple other beaches. I have been told to ask under what jurisdiction within law; Enfield Council is using to share data, and what security is being taken by Enfield Council when passing information over to other bodies within, yet I have had no reply to this also along with multiple other questions I have asked.

6+ I would like to know if anyone at Enfield Council is going to take anything serious?

Regards
Lorraine Cordell

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

We write to bring to your attention our concern regarding the volume of your contact, your repetitive complaints raised and the occasionally threatening tone of your telephone correspondence. Most recently, you spoke with the Chief Executive's office on 6 June and were abusive during the call.

The Council is of the view that the aspects of your correspondence are deemed as being unreasonable complainant behaviour. Unreasonable and unreasonably persistent complainants are those complainants who, because of the nature or frequency of their contacts with an organisation, hinder the organisation's consideration of their, or other people's complaints.

We have concluded your contact is vexatious for the following reasons:

This is not an exhaustive list but examples of unreasonable actions and behaviour which can be deemed as vexatious:

- You have sent frequent and overlapping correspondence on this same matter. Your contact is disproportionate and have or are likely to cause an unjustified level of disruption, irritation or distress.
- You are making excessive demands on the time and resources of staff with lengthy phone calls, emails to numerous council staff, or frequent emails / letters to staff.
- Submitting repeat contacts which have been addressed, essentially about the same issues, with additions/variations which the complainant insists make these 'new'.
- Refusing to accept the decision; repeatedly arguing points with no new evidence.

Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively. We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded

and the volume of letters becomes reasonable. This includes correspondence from other family members acting on your behalf. The Council had received contact from your mother where issues were repetitive to what you have raised. We have explained to your mother that the Council cannot continue to respond to various parties on the same matters and that going forward we will be following the arrangement put in place whereby issues are solely raised by you to your single point of contact.

In relation to the arrangements outlined here for a single point of contact, may I remind you that the Council does not tolerate offensive and inappropriate behaviour. We therefore ask that you reflect on such behaviour and stop contacting the Council officers in such a manner.

The medium of contact that you should use to correspond with the Council for future requests should be by email only and through your single of point of contact who will be Dionne Grant. These restrictions will be in place for a year and will then be reviewed accordingly. Should you wish to appeal this decision to restrict your contact, please contact Dionne Grant, Complaints and Access to Information Manager at: complaintsandinformation@enfield.gov.uk within 20 working days of this letter.

Dear Mr Cordell,

Re: Vexatious and Unreasonable Complaints

Further to the letter we sent you on the 27th June 2019 (copy attached), we are writing to confirm that we will be extending the single point of contact for another 12 months from the date of this letter.

During the past 12 months, you have failed to follow the single point of contact detailed in the original letter and on the 23rd June 2020, you phoned the council, repeating the same issues you have previously raised, despite having been told in previous correspondence these would not be dealt with.

We reaffirm the information given to you in June 2019 that Council Officers have spent copious amounts of time on your contact which detracts from the Council being able to conduct its business effectively.
We hereby conclude that the Council's Community Safety Unit will no longer respond to your repetitive correspondence. Any further contact received will be placed on file and coordinated through a single point of contact until such time as the current situation is concluded and the volume of letters becomes reasonable. Dear Karen Hale

1+ I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?

2+ If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious and Unreasonable I would be most grateful.

3+ Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

4+ I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.

5+ The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.

6+ The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.

7+ And the only other time I have had contact is due to repairs that needed doing to my sons flat.

8+ Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:

1+ I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

2+ Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**

3+ It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

4+ My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan 2017.

5+ The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our

life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

6+ There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council.

7+ If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

8+ I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

9+ On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

Page 3

- said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home.

10+ I Miss L Cordell even went around his flat as he needed some things.

In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

11+ When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

12+ On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

13+ Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no

			case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.		
		14+	My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.		
		15+	On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.		
		16+	Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.		
		17+	I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100% call me that day.		
		18+	On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows.		
		19+	In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.		
		20+	In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none.		
		21+	At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.		
		22+	I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.		
		23+	When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back.		
		24+	So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my		

Page 4

25+ son said he wants to appeal it having to be taken down.

26+ They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done.

27+ My son did not explain fully as he was really upset.

28+ Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.

29+ After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it.

30+ My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

31+ Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly.

32+ It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

33+ I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on.

34+ My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on.

35+ They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

1) I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this.
My contact number is

2) I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.

3) I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.

4) I would a full report of any police reports that have been given to Enfield Council by the police about my son.

5) I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Lorraine Cordell Mr Simon Cordell

Re: **Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.**

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

1+ I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the **29/11/2016** which was received on the **01/12/2016**.

2+ I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

3+ The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the **06/12/2016** at 14:00 hours at Enfield Civic Centre.

4+ I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/**2016**, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

5+ I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is

why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

6+ However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated **29/11/2016**. There has been complaints put into Enfield council since **2014** about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's heath yet still choose to do nothing.

7+ Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

1

Page 26

8+ Mr Simon Cordell has had his own place since **1999** and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now **2016**.

9+ You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

10+ "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours.

11+ It is also alleged that on **4th October 2016**, you banged on your ceiling, and you later started to bang and kick at your neighbour's door.

12+ It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

13+ At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order

from my subject access request it will be at this time I will address each point of concern above.

14+ You have also stated:

15+ "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

16+ Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in **1999,** he had a dog, no complaints were ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

17+ When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in **2006** he had the same dog, when she passed away in **2007** he got a new dog same bred and since **2006** there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours.

18+ Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog.

19+ So how someone can say she is left alone is beyond me.

20+ Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

21+ Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since **2006,** until now **2016.**

22+ It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in **2016** my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in **2016** causing noise disturbances to his neighbours.

23+ You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.

24+ In fact, the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them? My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon

Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

2

Page 27

25+ Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy.

26+ If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

27+ You have also stated:

1) "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block.

2) Your neighbours have alleged that this is an invasion of their privacy".

28+ I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal.

29+ I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

30+ But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked.

31+ So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself.

32+ When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

33+ It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in **2013** when it was installed? Why has it taken them until **2016** to say they feel this is an invasion of their privacy?

34+ In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy.

35+ The CCTV camera does not show any neighbours living in the block, front doors or windows.

36+ And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

37+ It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

38+ As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

39+ As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since **2014** all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

40+ Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it.

41+ He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

3

Page 28

42+ Mr Daniel Ellis has said that my formal complaint should be addressed by the **14/12/2016** but is trying to compete this sooner, he has been told that no one within Enfield Council is addressing moving Mr Simon Cordell to a new address and this needs acting on as soon as possible as what is going on cannot be left with nothing being done as this is making Mr Simon Cordell's life hell living in fear, and so far I believe no one within Enfield Council is addressing moving Mr Simon Cordell to a new place, this is unacceptable by any means for Enfield Council not to be addressing this issue, I have made many calls and not one person has called me back to gather information or give me an update if anything is being done about addressing a move for Mr Cordell, so from what I can see once again Enfield Council is not acting in an appropriate manner.

43+ I also believe when I get the information from the subject access request which can take up to 40 days this will incur

more issues and I believe there will be data that needs to be corrected which Enfield Council holds on Mr Simon Cordell, as under the data protection act data which is held has to be 100% accurate, I also believe it will help to clear up much information that you have included in your letter.

44+ I have also asked that any letters sent to Mr Simon Cordell are also sent to Miss Lorraine Cordell this was included in my email with the attached letters dated **24/11/2016** this has not been done with your letter why?

45+ I would be most grateful if you could reply to this letter also including myself Miss Lorraine Cordell this can be done via my email lorraine32@bluevonder.co.uk or my address which is included in the letters dated **24/11/2016.**

To Whom It May Concern:

1+ I am once again writing an email to all the above in the hope something will be able to be done.

2+ I know Formal Complaints are ongoing regarding letters written on the 24/11/**2016** and 05/12/**2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

3+ The last time we spoke to someone regarding moving my son was on the 22/11/**2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/**2016** sometimes calling up to 3 times a day.

4+ (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.

5+ My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he

moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

6+ I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

7+ It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

8+ When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him.

9+ It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep.

10+ It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

11+ I would like someone to email me via lorraine32@blueyonder.co.uk

12+ with what is being done to help my son, I would like an update today as so far, I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Miss Lorraine Cordell Mr Simon Cordell

After the 25/04/2017

1+ Rob Leak, the former chief executive of Enfield Council, retired in May 2017. After leaving his position, the top job for Enfield Council was advertised for a whopping £185,000 per year1. This amount was less than the £190,000 that Mr. Leak was reportedly paid the previous year, which was nearly £50,000 more than former Prime Minister David Cameron's salary. The council justified paying high salaries to its employees, emphasizing the need to employ top-quality staff. The job description highlighted the challenges faced by the borough, describing Enfield as a "large, diverse, outer London Borough with inner London problems but big ambitions."

--

2+ After retiring as Enfield Council's chief executive in May 2017, Rob Leak's involvement in company affairs is not explicitly documented in the information available to me. However, it's common for retired executives to maintain connections or provide occasional advice to their former organizations, especially if they had a significant impact during their tenure. Without specific details, I cannot confirm whether Mr. Leak continued to assist with company affairs after leaving his position. If you have any additional context or specific inquiries, feel free to share, and I'll do my best to provide relevant information.

--

3+ I apologize, but I couldn't find specific information regarding whether Rob Leak continued to serve as a board member after retiring as Enfield Council's chief executive in May 2017. It's possible that he may have taken on other roles or remained involved in some capacity, but without further details, I cannot confirm his post-retirement activities. If you have any additional context or specific inquiries, feel free to share, and I'll do my best to provide relevant information. 😊

Q

If the council and police both have to sign certificates to create a Asbo in partnership and the asbo is for illegal raves would the Director of Environmental Protection and Regulation for the Council have anything to do with the Asbo application and if so why, with laws and regulations as well please?

A

Certainly! Let's delve into the world of **Anti-Social Behavior Orders (ASBOs)** and their application process.

1. **ASBOs and Their Purpose**:
   - ASBOs were introduced in England, Wales, and Northern Ireland as a way to address persistent antisocial behavior.
   - They have been replaced by other measures such as **Civil Injunctions**, **Community Protection Notices (CPNs)**, and **Criminal Behavior Orders (CBOs)**[1].
   - ASBOs are still used in Scotland.
2. **Who Can Apply for ASBOs?**
   - Various bodies can apply for ASBOs, including:
     - **The Council**: Local authorities play a significant role in addressing antisocial behavior. They can apply for ASBOs when they receive reports of persistent antisocial behavior.
     - **The Police**: Law enforcement agencies can also initiate ASBO applications.
     - **Registered Social Housing Providers**: These organizations can apply for ASBOs in specific cases.
3. **Director of Environmental Protection and Regulation**:
   - The Director of Environmental Protection and Regulation for the Council may indeed be involved in the ASBO application process.
   - Here's why:
     - **Environmental Impact**: Illegal raves can have adverse effects on the environment, such as noise pollution, damage to public spaces, and disruption to local communities.
     - **Regulatory Compliance**: The Director oversees environmental regulations and

compliance within the council's jurisdiction.
    - **Evidence Gathering**: The Director's team may collect evidence related to the illegal raves, which could be crucial for the ASBO application.
    - **Collaboration**: The Director collaborates with other agencies (including the police) to address antisocial behavior effectively.
    - **Public Safety**: Ensuring public safety and maintaining a healthy environment aligns with the Director's responsibilities.
4. **Laws and Regulations**:
    - The **Anti-Social Behavior Crime and Policing Act 2014** introduced new measures to replace ASBOs.
    - These include:
        - **Civil Injunctions**: Issued by the court to prevent specific behaviors.
        - **CPNs**: Issued for persistent antisocial behavior without the need for a criminal conviction.
        - **CBOs**: Similar to ASBOs but with broader applicability.
    - The Director's involvement would relate to enforcing these legal measures and ensuring compliance with environmental regulations.

Remember that the application process involves collaboration between different agencies, each contributing their expertise to address antisocial behavior effectively. If you have further questions or need additional information, feel free to ask! 😊👍

- Criminal Behavior Orders (CBOs) replaced Anti-Social Behavior Orders (ASBOs) as a measure to address anti-social behavior. CBOs provide the courts with the authority to impose restrictions and requirements on individuals convicted of criminal offenses in order to prevent further criminal behavior.

1+ Complaint 05/12/2018 On behalf of Mr. Simon Cordell of 109 Burncroft Ave, Enfield, EN3 7JQ.

2+ I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator, since 2016 when Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.

3+ In this time not once has Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator, come to see my son's side to the alleged allegations regarding what the neighbors have put in about my son.

4+ Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator has taken one side to these said alleged allegations without no investigations,' Mr. Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbors, Mr. Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbors Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's

home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son? I believe Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator just through to himself that my son is in the wrong, he is a vulnerable person, I will put pressure on him and get him out without even thinking there is 2 side to anything.

5+ And just blamed my son without even talking to him, this is how it has been since Mr. Lemmy 1 Nwabuisi the Anti-Social Behavior Coordinator starting working for Enfield Council.

6+ I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts.

7+ Information is being passed and obtained relating to my son which should never have been passed to 3rd parties or used, how can this be allowed.

8+ There are many other points and failings which have been allowed to happen and this needs to stop.

9+ I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years.

10+ Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/2018 and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son.

11+ When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case and it beaches many other things.

12+ At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this.

13+ But it has got to the point in time that this needs to happen.

14+ Could someone please get back to me as soon as possible regarding this?

Regards Lorraine Cordell

To Whom It May Concern:

1+ I am writing this email as I feel it is the only option I have left, I have written emails and complaints and I just do not get a reply to them, I have had to CC you into some of them in order to try and get a reply some I do get a reply when I CC you into emails but most of the time I get nothing.

2+ I do not feel it is correct have to do this and as far as I know when you are CC into emails, I am sure you should over see it and make sure things are getting addressed but it seems like this is failing now and I would like to know the reason why it is failing so badly.

3+ I do know there is a pending court case for my son which Enfield Council has submitted to the court, but I do not feel that is a reason why emails / letters / complaints are not followed up, from my understanding when a complaint is submitted you are on a time limited in order to make a reply yet even complaints are failing to deal or address complaint in a timely manner, I do not just write emails and letters for the fun of things I write them in order to get answer to what I am asking.

4+ I am sorry for the way in which I have had to word this email, but this is not just one letter / complaint / email which has gone a none replied to this has been ongoing now for years.

5+ the way in which my son has been treated is a disgrace by Enfield Council, not once in all these years has anyone from Enfield Council come t see my son and as his side to anything or look at all the data my son has got which will prove he has not done all the things that is being said.

6+ It seems all Enfield Council wants to do is court case after court case and mislead the courts as that has been done many times regarding my son, and when the court orders something Enfield Council fails to do that as well.

		7+ This is becoming more and more serious regarding the failing to4-+ wards my son, and I feel it has gone far enough and therefore I would like you to address these failing. Mr Simon Cordell 109 Burncroft Ave Enfield Middlesex EN3 7JQ 24/11/**2016**
RE: Formal Complaint dated 24/11/2016:
To Whom It May Concern:

1+ I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

2+ Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017.**

3+ It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet

5/ On the **24/11/2016**

very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

4+ My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan 2017.

5+ The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

6+ There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council.

7+ If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

8+ I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

9+ On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

3

10+ said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home.

11+ I Miss L Cordell even went around his flat as he needed some things.

12+ In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

13+ When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

14+ On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

15+ Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

16+ My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

17+ On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

18+ Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back.

19+ I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the

21/11/2016 and I was told that Sarah Fletcher would 100% call me that day.

20+ On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police.

21+ In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none.

22+ At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

23+ I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

24+ When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back.

25+ So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my

26+ son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done.

27+ My son did not explain fully as he was really upset.

28+ Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.

29+ After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it.

30+ My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

31+ Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly.

32+ It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

33+ I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on.

34+ My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on.

35+ They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

1+ I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is

2+ I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.

3+ I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.

4+ I would a full report of any police reports that have been given to Enfield Council by the police about my son.

5+ I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done

6+ nothing wrong.
Regards
Miss Lorraine Cordell Mr Simon Cordell

Dear Daniel Ellis
Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move,

11/On the **30/11/2016**

yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back yet no one still has so I still do not know what is going on if anything about moving my son.

Dear Simon I hope you are well.
I am sorry we have not seen or spoken to each other in some time. From talking to your mother, I understand that you haven't wanted to speak to or meet with me recently.

If you'd like to discuss this or arrange to meet please call me on the above number. Similarly, if you'd like to request discharge from the service, please let me know.
If you'd like to talk please contact me within two weeks: by the end of the working day on 16th December **2016**. Re: Formal Complaint **08/12/12/016**
To Whom It May Concern:

1+ I am once again writing an email to all the above in the hope something will be able to be done.

2+ I know Formal Complaints are ongoing regarding letters written on the 24/11/**2016** and 05/12/**2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

3+ The last time we spoke to someone regarding moving my son was on the 22/11/**2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/**2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.

4+ My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable

25/ On the **08/12/2016**

that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

5+ I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

6+ It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

7+ When I get letters or calls or emails, I do not just do nothing I reply to the letters, but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since **2014** with my son's neighbours and what they are doing to him.

8+ It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep.

9+ It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

10+ I would like someone to email me via lorraine32@bluevonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Dear Lorraine,

1+ Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint.

2+ Those teams will be working closely together after the meeting on Thursday to provide our response.

3+ Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break.

4+ If I have any further news for you, I will try and let you know.

Kind regards,

1+ Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?

2+ My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him.

3+ I think my son has already suffered enough which has caused his heath to go downhill and this cannot be allowed to go on any longer.

4+ Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there.

5+ As so far it seems everything is being blamed on my son when my son has done nothing wrong.

6+ I do know there are issue that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable.

7+ Also, I still have not heard anything from the people that are meant to be dealing with the subject access request.

8+ I am not sure if a payment will be needed to process this or if not, if the data has started to be processed so I will get all data.

Dear Daniel

1+ Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?

2+ If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said.

3+ No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made.

4+ So how in this meeting are the people going to a full understanding as since **2014** no reports have ever been taken from my son as to what has been on going and how he is suffering?

5+ I also still have not heard anything from the person dealing with the subject access request and would like an update.

6+ And I would like to know if anything is being done to move my son out of the situation he has been left in since **2014**.

7+ As I think at this point this is the most important part to get my son moved somewhere else where

he will not have to suffer any longer and hopefully this will help his heath.

8+ It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in.

9+ which has said it is affecting his heath.

10+ I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?

Page 2667,

11+ I would be most grateful for an update.

Dear Ms Cordell,

- **Re:** Mr Simon Cordell -109 Burncroft Avenue - COM 1885.

1+ I write with reference to your letters of complaint dated **24th November 2016** copies of which were received via email on **24th November 2016**, **5th December 2016** and **8th December 2016.**

2+ I will respond to the issues you raised as follows;

ANTI-SOCIAL BEHAVIOUR ORDER

3+ We are aware that the police applied for an Anti-Social Behaviour Order (ASBO) which was granted on **4th August 2015** against your son in relation to activities that cations away from Burncroft Avenue.

4+ We are aware that your son is appealing against the ASBO, and we are therefore unable to comment further.

CCTV

5+ We can confirm that a letter was sent to your son by Sarah Fletcher, Neighbourhood Officer on **18th November 2016** giving him until **25th November 2016** to remove the CCTV that he had installed on the internal communal door leading to flats 109 and 111 Burncroft Avenue and facing towards the main door of the block. We can also confirm that another letter was sent to him on **29th November 2016** by Lemmy Nwabuisi, Anti-Social Behaviour Officer in relation to complaints received from your son's neighbours concerning the CCTV.

6+ This matter

- concerns a breach of tenancy conditions and will be addressed separately from this complaint.

ALLEGATIONS OF ANTI-SOCIAL BEHAVIOUR

7+ You referred to alleged issues that your son was having with his neighbours; however, you' did not specify which neighbours and or provide a specific time frame when these complaints were made.

8+ We have checked our records since **4h August 2015** and found two records of telephone complaints received from your son.

9+ One on **20h August 2015** and again on **26h January 2016** which related to noise and the issues he was having with a neighbour.

10+ These concerns were dealt with at the time by relevant officers.

11+ We note your comment that your son has been a tenant for many years and that there have been no complaints about him until the publication of the ASBO against him on **4th August 2015**. However, our records show that since your son's tenancy began on **14th August 2006**, there has been at least one previous complaint against your son from another neighbour prior to the ASBO.

12+ We are aware of the alleged incident that happened on **4th October 2016** as this was reported to us and this will be addressed separately as part of ongoing Anti-Social Behaviour investigations.

13+ We note your comments regarding the police and must advise that you take up any issues with the Independent Police Complaints Commission.

14+ We also note your comment regarding an alleged incident on **14th August 2016**.

15+ This was not reported to the Council and should be a matter for the police.

16+ We note your comment that your son is scared to go home due to the alleged issues with his neighbours.

17+ Regarding the allegations of ASB against your son and the issues regarding his dog, we note your comment that you do not think it is justified to attend the meeting with Lemmy Nwabuisi prior to your formal complaint being addressed. We note your comment that you have been advised by a solicitor to wait for the SAR. We also note your comments

Page 29

- in relation to the letter sent by Lemmy Nwabuisi on **29th November 2016** regarding reports of anti-social behaviour made against your son by his neighbours and that you will address these once

the SAR is received. Please note that these allegations are serious breaches of tenancy conditions and will be addressed separately as part of an ongoing investigation. We have attempted to meet with your son to discuss the allegations made against him and give him the opportunity to respond. It is important that these issues are addressed, and another meeting will be arranged to facilitate this in due course.

SUBJECT ACCESS REQUEST (SAR)

18+ The SAR that you have submitted is being responded to separately in accordance with required timescales.

COMMUNICATIONS

19+ We are aware that you left messages for Sarah Fletcher on three occasions between 16 and **21 November 2016** and she was not available at these times.

20+ We confirm that she spoke directly with Mr Simon Cordell by telephone on **22nd November 2016**.

HOUSING OPTIONS

21+ As a single resident living in a one-bedroom property, the Council considers that your; son is suitably housed.

22+ We do not have sufficient evidence in relation to your son's allegations of anti-social behaviour against his neighbours to be able to refer him for a **transfer** on the housing register.

23+ He can make an online application himself to be placed on the housing register by visiting the Council Housing pages of the Enfield Council website at www.enfield.Gov.uk. His eligibility for **transfer** will then be assessed by the Housing Options team in accordance with Council policy and they will advise whether his application is accepted.

24+ Alternative options to move are available to him through the mutual exchange scheme, where tenants are able to swap their home with another tenant, and the fresh start scheme, where tenants can be supported in moving to a private rented home.

Dear Sarah Fletcher
1+ After Mr Cordell got the hand delivered letter yesterday, he called the out of hour's team.
2+ Miss Gaccey
3+ **Ref no** T1484282
4+ Who told him they were going out last night to him?

53/ On the **02/02/2017**

5+ Which they did and confirmed that the low water pressure is not coming from his flat, Mr Cordell also has low water pressure, and a full report was made up last night by the out of hours team.

6+ I will also say in the last 3-week Mr Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr Cordell's flat.

7+ I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr Cordell when the problem is not within his flat.

8+ And taking complaints from people on the 3rd floor saying the issue is within Mr Cordell's flat when it is not and they know it.

9+ This needs to stop and Enfield council needs to address what is going on here.

10+ The neighbours are not leaving Mr Cordell alone.

11+ It seems as if Enfield Council is fast enough to blame Mr Cordell for everything that is going on band, I believe this is due to a number of issues including the colour of Mr Cordell skin.

12+ I am still waiting for the Subject access request also I will also be replying to Mr Lemmy Nwabuisi letter I got today via email by tomorrow.

13+ And will also be dealing with the reply to my complaint letter once I have the subject access request.

8+ I informed him that laminate flooring can generate some noise and to be mindful of his neighbours while walking around inside his fiat I then went and knocked at flat 113 but there was no response.

Dear Lemmy Nwabuisi

1+ I am writing this email to say you have stated in your last letter the subject access request has been dealt with, but we are still waiting for the data.

2+ I have asked for the dates these complaints were put in and yet have had nothing about the dates and times.

3+ Could you please forward me a list of dates and times these complaints were put in, and list them in an order like this so we know if more complaints have been put in by one person.

a. Complaint from A on date and Time**:** Body of complaint from A.

b. Complaint from B on date and Time**:** Body of complaint from B.

c. Complaint from C on date and time**:** Body of complaint from C

57/On the **06/02/2017**

4+ And it can carry on like this until all complaints are listed. As at this time you have just listed complaints and failed to supply any other information.

5+ If I can get this back today, I would be most grateful, as it has been asked for before.

6+ Also we have said this before more than once on calls and emails, the person's living at 113 and 117 I believe which is the 2 people living on top of my son, 113 has since he moved in no carpet put down and also his floor broads needs fixing, 117 which is the top floor has laid wooden flooring, due to the way these flats have no sound proofing in between floors and only wooden flooring due to how they were built, we were thinking this would have already been addressed and has not and the neighbours have been allowed to keep the flooring the way it is, my son can hear everything and only feels nothing has been done as Enfield Council wants my son health to get worse and also to make him suffer.

7+ As for the date of the 09/02/**2017** as stated before until we have had all dates and times and body of complaints and the subject access request, I still do not feel it is justified my son has a meeting as he will be walking into a meeting only with very limited information, and due to his health which is being caused by his neighbours and Enfield Council doing nothing I feel my son is only being setup due to issues and the colour of my son's skin.

8+ And this is why no one from Enfield council has ever taken a report from him about what has been ongoing form a long time ago.

9+ We want to clear this up as much as you do, but it seems Enfield Council is not fulfilling what we have asked for in order to be able to do this.

Regards
Lorraine Cordell

Dear Sarah Fletcher

1+ I am writing this email as I had no reply to the below email.

2+ Today I have made a call to repairs to check what is going on with this low water pressure which 117 has put a complaint in regarding my son Mr Cordell causing this.

3+ Ticket number for today's call is 1775790/1 I spoke to a lady called Linda.

4+ Who confirmed this is not down to Mr Cordell Flat that is causing the low water pressure?

5+ It seems Enfield Council are fully aware the low water pressure has nothing to do with my son or his flat.

6+ Yet you fail to notify us of this and it seems my son is still getting the blame.

7+ It also seems that Enfield Council sent M&N out to 117 to try and sort the low water pressure out and 117 refused access on the 03/02/**2017** and now M&N has closed down the job for Enfield Council.

8+ After getting an email today from Lemmy Nwabuisi it seems he is not being updated, and the blame is still going toward my son.

9+ Why is Enfield Council not doing anything about this?

10+ Why does Enfield Council seem to be hiding the fact and not dealing with the issue?

Dear Sarah Fletcher

1+ After Mr Cordell got the hand delivered letter yesterday, he called the out of hour's team.

2+ Miss Gaccey Ref no T1484282 Who told him they were going out last night to him.

3+ Which they did and confirmed that the low water pressure is not coming from his flat, Mr Cordell also has low water pressure, and a full report was made up last night by the out of hours team.

4+ I will also say in the last 3-week Mr Cordell has allowed Thames Water into check his flat who told him the problem was not in his flat and he also had low water pressure, and then Mr Cordell also allowed 2 males that the landlord sent out from the 3rd floor to enter his flat and also check and nothing was found to be wrong in Mr Cordell's flat.

5+ I do not understand why the council is not aware of this already as it seems that Enfield Council is putting the blame solely on Mr Cordell when the problem is not within his flat.

6+ And taking complaints from people on the 3rd floor saying the issue is within Mr Cordell's flat when it is not and they know it.

7+ This needs to stop and Enfield council needs to address what is going on here.

8+ The neighbours are not leaving Mr Cordell alone.

9+ It seems as if Enfield Council is fast enough to blame Mr Cordell for everything that is going on and I believe this is due to a number of issues including the colour of Mr Cordell skin.

10+ I am still waiting for the Subject access request also I will also be replying to Mr Lemmy Nwabuisi letter I got

1+ Thank you for the reply to my email and I look forward to getting the information by the 10/02/**2017**, I know that **Dionne Grant** is now dealing with the subject access request as Concetta who was dealing with it has had to take some leave.

2+ Mr Cordell has not been up to his neighbours at 117 in fact he has only tried to help in the last few weeks by allowing people into his home due to the low water pressure.

3+ (Which I will state has nothing to do with my son flat) The other day also another neighbour got around 7 of his friends to come and intimidate and harass my son for no apparent reason.

4+ We will be asking for evidence which substantiates your allegations as to what the neighbours are stating in their complaints.

5+ As clearly it seems from your below email as if you in fact believe what 117 is saying before even having addressed the issues. Does this mean you have seen evidence which substantiates 117 complaints? Due to the complaints and how they have been set out this should be a matter for the police and my son should have been arrested.

6+ Mr Cordell has been arrested and dismissed for some of accusation that you have wrote in your letters, So I hope there is evidence which substantiates these allegations.

7+ We just need to see if any of the other complaint has been addressed by the police.

8+ In fact, my son has put a lot of complaints about his neighbours into the police himself, which also seem to never get addressed by police just like they never get addressed by Enfield Council, yet the neighbours' complaints always get followed up instantly, I wonder why? You have not again said what you will be doing about no flooring on the 2 flats above my son.

9+ Is anything ever going to be done or does he need to live being tormented, intimidate and harassed by the neighbours with nothing being done by Enfield Council every day he lives there?

10+ It is not Mr Cordell harassing his neighbours it is the neighbours tormenting, intimidate and harassing him and Enfield Council is doing nothing about, it is starting to seem like a witch hunt until they and Enfield Council get him out of his flat.

Lorraine Cordell

you approached the leaseholder of 117 Burncroft Avenue and his plumber outside the block as they were attempting to resolve the problem causing low water pressure in the flat. You said to the leaseholder that there were problems between you and his tenants but gave no specific details. The leaseholder explained to you that his tenants were experiencing low water pressure in the flat and you said to him 'you will not solve the problem as I am restricting their water supply, the leaseholder later knocked on your door and asked whether you would increase the water pressure and you stated 'I cannot do anything at the moment, I will sort it out later and that I said that I am experiencing problems with you tenants and restricted their water,
the leaseholder then claims to have knocked on my front door latter on in the day and asked can I increase the water pressure and I said that I can do nothing about it and will fix it latter.

Dear Lemmy Nwabuisi

1+ Just an update email that I wanted to put to you today as it is very worrying, this morning at around 08:00 my son Mr Cordell's door knocked he was not expecting anyone, but went and shouted who was it without opening his door the male replied I am from the council about the water, my son was not expecting anyone from the council and something did not feel right to my son and he asked the person to wait, he then made a call to the council to be told no one had been sent to his address by them, after the call to the council the male was not at his door, but my son heard people talking, one was his neighbour, just after this the male who came to my son's door went out of the block and got into a car which my son has got the registration for.

2+ He does know which neighbour the person was talking to as I do.

3+ But at this time, he feels too unsafe to give the person's door number.

4+ Why should my son be made to feel so unsafe in his own home, please tell me why someone would come to me?

5+ son's door and say they were the council?

6+ This is getting way too much now, and Enfield Council needs to do something about it before my son gets hurt.

7+ My son is lucky he does not open the door to people and calls before opening his door to see who it is,

Dear Ms Cordell,

72/ On the **08/02/2017**

1+ The allegations are from at least three residents of Burncroft Avenue.

2+ They have alleged that he is coming up to their front door to shout abuse and threats and they have provided evidence to back up their allegations. Some of them have also alleged that he has confronted them outside the block and on different occasion have followed them up the communal staircase shouting abuse and threats and on at least one occasion have tried to prevent them from going up to their flat.

3+ They have also provided evidence to back up the allegations.

4+ I am aware that some of these incidents have been reported to the police and it is up to the police to deal with them as they see fit.

5+ However irrespective of whether the accusations were dismissed by the police or not, they are very serious allegations and if true, constitutes a breach of tenancy conditions and they need to be addressed by the council.

6+ It is therefore very important that we meet with Mr Cordell to discuss the allegations made against him and give him the opportunity to respond to them. We

are not aware that Mr Cordell's neighbour allegedly "got around 7 of his friends" to intimidate and harass him for no apparent reason.

7+ Mr Cordell did not report the incident to the council, and I will advise him to report it through the appropriate channel and provide the name and address of the neighbour to enable us to investigate and take appropriate action.

8+ He should also report the matter to the police.

9+ With regards to your concerns regarding the nature of the flooring in the two flats above your son's.

10+ We have inspected one of the flats and we have made an appointment to inspect the second flat.

11+ I will arrange for a noise impact assessment to be carried out as soon as we complete our initial investigations to determine the level of noise transmission and make appropriate recommendations if necessary.

12+ We will need access to Mr Cordell's flat to enable us to investigate this matter and we will contact him in due course to arrange access.

13+ You have stated that it is not Mr Cordell that is harassing his neighbours and that it is his neighbours that is harassing him.

14+ Could you please ask Mr Cordell to provide evidence of this to enable us to investigate and take appropriate action if necessary.

Kind Regards

[SEC=OFFICIAL]
Dear Lemmy Nwabuisi

1+ I was wondering if you will still be sending the information I have asked for re the dates and times and body of complaint today as you said you would. I do need this as I have had the subject access request today, I am going over this in detail, but the dates and times of each complaint is not clearly marked and it seems there is some really incorrect information that does need addressing.

2+ I am also having some problems so it may take me a while to go over some of this and get back to you as I am using my mobile, as today I was meant to have been having my ceiling replaced and when they started to take my old ceiling down, it seems it could be asbestos so they have had to shut off the whole of my down stairs off so, I won't have access to my main computer with all my files on, until they come and confirm or not, they are due around today just not sure what time and if it is confirmed not sure what I will be able to do as it is the weekend now and I will not access to downstairs which could be a problem as that's where my bathroom and kitchen is.

3+ But I really want to get this all listed and need the information from you to be able to do this a friend said they can loan me a laptop if it is confirmed as asbestos or maybe there will be a way to get my computer out as not sure if I will be able to stay here.

4+ If you can get back to me as soon as possible with the information I would be most grateful.

Regards
Lorraine Cordell

Dear Mr Cordell,
Re: The London Borough of Enfield v Cordell
Claim number: **E00ED049**

1+ We have been advised by one of your neighbours that you attempted to harass and intimidate him and his family, yesterday around 11,30pm by standing right by his door and interfering with his letter box.

2+ We have been advised that as he opened the door and saw you at his doorstep, you ran down the stairs.

3+ This behaviour is not acceptable and represents a breach of the interim injunction order dated **09th January 2018,** which specifically prevents you from harassing and intimidating your neighbours.

4+ We have to inform you that as a result of your conduct, we will be contacting the police and will advise them of the incident.

5+ We would also like to warn you that should further incidents of this nature were to occur again; we will be making an urgent application for your committal at the County Court without notice.

6+ However, we hope that such measures will not be necessary and that you will continue to comply with the terms of the interim injunction order.

Yours sincerely,

Dear Mrs Cordell,
Re: Simon Cordell- 109 Burncroft Avenue, Enfield, EN3 7JQ

1+ We write further to your emails, enquiring about the progress of your son's management **transfer** application.

2+ We advised you by email on 16/08/2018 that Simon could make a management **transfer** application **and if successful,** the **transfer** will be made on a like for like basis.

3+ **We explained that as Simon lives in a one-bedroom flat, he will be transferred to another property like the one he currently has, if his application is successful.**

4+ You explained to us that in view of his mental health problems you did not feel that a like for like **transfer** was appropriate and asked that he be **transfer**red to a supported accommodation or to a larger property.

5+ We explained to you that for the Community Safety Unit to consider such an application **they would need to have the Mental Health Team involved.** You then explained that Simon was given an appointment to see Dr Benyure from the Enfield Community Mental Health Services on **31/08/2018,** and it was agreed that the management **transfer** application **will be put on hold until the next Panel meeting on 28/09/2018,** to allow time for the Mental Health assessment to be carried out.

6+ We have since been advised that Simon failed to attend the scheduled appointment and did not engage with the Mental Health team.

7+ As this meant there was no report to support a management **transfer** application the Community Safety Unit was unable to submit an application on his behalf.

8+ **The Panel would require medical evidence** in support of an application for a supported accommodation or for a larger property and we did not have one by the date of the last Panel meeting on 28/09/2018.

ENFIELD ADULT NORTH LOCALITY TEAM

1+ On the 5th of Oct I attended a meeting with Lemmy Nwabuisi (Anti-Social Behaviour Coordinator, Community Safety Unit, Environmental & Community Safety, Enfield Council) and Alan Dinala, Forensic CPN.
2+ This meeting was part of the safeguarding process for Alan's client.
3+ **Si Note: Ambrose**
4+ SC has allegedly been aggressive on more than one occasion towards **Alan's client.**
5+ Lemy informed me that SC has a past and current history of physical and verbal aggression towards residents in the building.
6+ Lemy informed me that the council has tried to work with him but to no avail. Lemy informed me that SC is getting easily irritated even by the sound of a flushing toilet cistern; this happened very recently, and he threatened Alan's client.

10/On the **12/10/2018**

7+ Lemy thinks these are signs of mental illness and that BEH should proceed with an MHA.

8+ Lemy argued that this is for the protection of others as well as SC's own safety.

9+ I have asked Lemy to email me a list of incidents in chronological order. Lemy stated that he would need information from our team to confirm if SC is engaging or not with our service.

10+ I have advised Lemy to email his request to the Team Manager, George Benyure.

11+ Enfield Council will be seeking possession of SC's flat via the courts.

12+ Lemy stated that in a recent court case the judge recommended that Enfield Council re-house SC on the proviso that he engages with the MH Team.

Plan:
Discuss in MDT Lemy to email a risk log

51+ It is reported that you continue to harass and intimidate other residents on a regular basis.

Complaint 05/12/**2018**

On behalf of Mr Simon Cordell of

109 Burncroft Ave,

Enfield,

EN3 7JQ

1+ I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, since **2016** when Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.

2+ In this time not once has Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator, come to see my son's side to the alleged allegations regarding what the neighbours have put in about my son.

3+ Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator has taken one side to these said alleged allegations without no investigations,' Mr Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbours, Mr Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbours Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son?

4+ I believe Mr Lemmy Nwabuisi the Anti-Social Behaviour Coordinator just through to himself that my son is in the wrong he is a vulnerable person I will put pressure on him and get him out without even thinking there is 2 side to anything.

5+ And just blamed my son without even talking to him this is how it has been since Mr Lemmy

Page 4386,

- Nwabuisi the Anti-Social Behaviour Coordinator starting working for Enfield Council.

6+ I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts. Information is being passed and obtained relating to my son which should never have been passed to 3 parties or used, how can this be allowed.

7+ There are many other points and failings which have been allowed to happen and this needs to stop.

8+ I will be drafting up a full complaint of failings and submitting it, but this will take a while to draft up as I have got to go back some years.

9+ Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/**2018** and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son.

10+ When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case, and it beaches many other things.

11+ At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this.

12+ But it has got to the point in time that this needs to happen.

13+ Could someone please get back to me as soon as possible regarding this?

Regards
Lorraine Cordell

I Received a Letter

From the court this morning: --

I received a letter from the court this morning with the order from the judge at Edmonton lower court that got ordered on the 15/08/**2016** and to my surprise a different order to which had gotten drafted between the claimant the Enfield Council and my solicitor inclusively of my mother and I had been changed for a different document and then after sent to the court and **sealed.** The shop next to me never had the electric machine working and I had to call mother to come down and give me a hand to get to the other shop nearby. I also asked mother what was going on with my cases and getting free while getting justice against those who have illegal wronged myself. Thought the day I got a couple of little stamps that were deliberately done to me above my head to where I am working on my computer in the front room.

Dear Andrea Clemons
1+ I was wondering if you were going to reply to the below email as it has been a few days since I sent it and I feel this is very important due to the action going to be taken from Enfield Council, and I did not have a reply to my last email to you. I would like the incorrect information corrected that is being used, and without a reply I cannot do this, I have attached a copy of your letter sent to the MP dated 12/12/**2018**.

Subject: RE: Mr Simon Cordell.
109 Burncroft Avenue, EN3 7JQ
Dear Andrea Clemons
1+ Today the MP's aid for Joan Ryan, Alev Cazimoglu sent me a copy of your letter dated the 12/12/**2018**, I am shocked to see what is

written within it and the misleading information being passed over to the MP Joan Ryan.

2+ It was not agreed on the condition that Mr Cordell should engage with mental health services and provide medical evidence to support the housing management **transfer** application.

3+ The court did not state this, so I do not know where this is coming from.

4+ I also do not understand where it is coming from that Mr Cordell had to provided supporting letter from the mental health services to support his management **transfer** application, and he has not done this, he was never meant to have done this and the management **transfer** application was completed by Enfield Council to go to the panel on the 17/08/**2018** and it was ready to go to the panel on this date, but this was deferred to be considered at the next panel meeting which would have taken place on 28/09/**2018**, which never happened.

5+ The reason for it being deferred was so that I Miss Lorraine Cordell could try and get a letter from the mental health team, which I could not so it therefore should have gone ahead to the panel on the 28/09/**2018**, **which I do have the emails to prove this.**

6+ **I also do not understand why Enfield Council is stating supported accommodation** was being asked for as this was never asked for.

7+ I did however state in court that a 2 bedroom would be better as my son could have family live with him so he could get support from his family. I have never said I am his carer I have never said a lot of things that Enfield Council is stating I have said.

8+ It was stated in the court order.

9+ UPON the Defendant's mother Mrs Lorraine Cordell, confirming that she will engage with the Claimant and assist the Defendant's neighbourhood officer in making a housing management **transfer** application on or before 16 August **2018**.

10+ UPON the Claimant agreeing that it will deal with the housing management **transfer** application as quickly as possible after being made.

11+ AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing.

12+ The order was to be agreed with my son's solicitor upon being drafted by Enfield Council, but my son's solicitor was on annual leave and therefore did not reply to Enfield Council order until she came back of leave, but when you emailed her, it came back that she was on annual leave so Enfield Council was well aware of this.

13+ Upon her return from annual leave her amended order was sent over to Ludmilla Lyavoo, which my son's solicitor never had a reply back from Ludmilla Lyavoo regarding her amended order, but some days after the amended order was sent over to Ludmilla Lyavoo, it seems an order was sealed at Edmonton Country Court which was not agreed on which was Enfield

Council drafted order, which we never agreed to and feel it is misleading as to what was said in court.

14+ I believe a lot of what was said in court is not being told and misleading information is being said, maybe someone should ask Ludmilla Lyavoo what the judge said when Ludmilla Lyavoo said she would go for a possession order to the judge because she did not get what she wanted.

Page 4447,

15+ There is also the fact that my son was willing to stay in Hospital when he was sectioned on the 25/10/**2018**, it was the hospital that discharged him on the 15/11/**2018** due to not getting the section 3 on my son they wanted, that was heard on the 14/11/**2018**, my son said as soon as he knew they was not allowing the section 3 on the 14/11/**2018** that they would kick him out of the hospital, as this is what they did in **2016**, and the next day the 15/11/**2018** that is what the doctors did kicked him out the hospital, yet my son was willing to stay and build trust up with the doctors and the mental health team, which had broken down due to what has been ongoing for some time.

16+ Which in fact would have been a lot better as if he had been allowed to stay in hospital like he wanted maybe by now they would have been trust built up with the doctors and teams, this is what Soohah Appadoo wanted to do as he saw that there was a real problem with trust and stated this at the appeal on the section 2 at the hearing.

17+ On the 16/11/**2018** I myself spoke to Soohah Appadoo on the phone, but since that we have heard nothing from him is this what is being called support put in place when

18+ my son was discharged from hospital.

19+ This misleading information needs to stop as it is a beach of the data protection act. I look forward to hearing from you regarding this, please can you reply as I did not get a reply from you to my last email, I sent to you.

Regards

Lorraine Cordell

Dear Trishna Kerai
I have sent some emails to you and I have had no replies regarding issues I am having regarding the court order
that was made on the 09/08/**2018**. Today I got a letter from Enfield Council which stated that you agreed with Enfield Council draft order on the 13/08/**2018**, but was waiting instructions from me. Please see below
"In relation to the allegations made in regard to the draft Order submitted to the Court. Ms lyavoo explains that she contacted Ms Trishna Kerai, of Stuart Miller Solicitors; the caseworker instructed on behalf of Simon Cordell on 10th August **2018** and emailed her a draft order. Ms lyavoo did not hear from Ms Kerai, so she emailed her again on 13th August **2018** and asked that she provides her agreement as soon as possible and if no response was made by 4pm on the same day she will have to email the draft to the Judge. Ms lyavoo states that she received a response from Ms Kerai on the same day stating that she was in agreement with the order, but she was waiting for your instructions. As no response was forthcoming, Ms lyavoo had to email the order to the Court on 15th. August **2018** and she also copied Simon's caseworker to the email. Ms. Kerai has never indicated that she was on annual leave during the time of the correspondence but confirmed that the delay was due to the receipt of your instructions." I am very upset as you was well aware when you sent me the draft order on the 13th August **2018** to me, I did not agree to it and you said you was going to try and rewrite it that day, which was not done until after you came back from leave. So how is Enfield Council blaming that on me saying you stated the delay was due to me not getting back to you with instructions? I am having a great deal of issues with Enfield Council they are not moving Simon and are going to take him back to court to try and get his flat. They have not put the management **transfer** application in front of the panel and are saying they will not do this. It seems due to the way the court order was worded this is being put down to me, due to this section in the order please see below. AND UPON the Defendants mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. I know you feel that this was dealt with and you should not need to do any other work regarding this, but this is a

mess and I need some help as my son is suffering due to the on goings of Enfield Council. I await your reply

They gave me an eating disorder by this stage: --

After speaking to many friends and family who have witnessed the on goings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother's phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them.

Statement Exhibit 7 / 22/11/2016; **"Housing Transfer Information."**

1. Particulars of Breaches (8)

Reply:

A. Sarah Fletcher neighbourhood officer from the council claims that on **22nd November 2016** during a telephone conversation between her, myself and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

B. This is not true.

C. The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.

D. The Council's Memo of a Telephone Call on This Day are forged and therefore incorrect and are not supported to be correct articles of factual evidence and is not supported by self and mother to be true facts that have been documented with a fair prosses by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim.

E. While also set out to avoid disciplinary actions for the statement makers who are her and her working colleague's.

F. The reason being a large part in their incompetence has caused negligence and gross misconduct, set out against myself

G. This incompetence behaviour of staff then on afterwards has caused negative effects within my loved one's life's.

H. All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm's way.

I. From the of start of themselves handling my case load of an official workload.

J. Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell

K. Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm?

L. The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.

M. When doing so we noted down the precise time of 01:04Pm

N. I did get transferred by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.

O. Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having while renting my home.

P. And that my mother had also, been contacting her and her team, without any fair acknowledgment.

Q. And this has continued up a till date and without any fair follow ups as company protocol states is mandatory.

R. Due to this lack of concern of staff I have continued to suffer for a much further time frame than ever would have been necessary if her and other persons jobs were followed correctly.

A. I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated **24/11/2016,** also until I have the subject access request information dealt with and have a list of dates and times these so-called complaints were meant to have taken place and the reports from police that have been sent to Enfield Council, I do not think holding this meeting would be appropriate.

RE: Formal Complaint dated **24/11/2016**

To Whom It May Concern:

A. I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7 JQ.

B. Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held **Jan 2017**

C. It was after this was printed in the newspaper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

D. My son has been a tenant for many years now with no complaints about him until this all started above, and things were put in the newspapers for all to see when my son had done nothing wrong and will prove this at his appeal in **Jan 2017**

E. The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the I PCC and police complaints, and we are now sorting out legal action as to what this has done to our lives over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

F. There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regard to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this

email, I have also included a letter of authority from my son so I can act on his behalf.

G. I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

H. On the **14/08/2016** my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7 JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home, and this has been for some time now due to how he is being treated.

I. When he was arrested on the **14/08/2016** my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the **04/10/2016** when he was due to go back to the police station to be interviewed.

J. On the **04/10/2016** my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

K. Both cases for the **14/08/2016** and the **04/10/2016** were dropped by the CPS this was done on the

L. **15/11/2016** with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

M. My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

N. On the **16/11/2016** I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

O. Since the **16/11/2016** I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in their team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the **21/11/2016** and I was told that Sarah Fletcher would 100°/o call me that day.

P. On the **22/11/2016** I went to my son's home and there was a letter from Sarah Fletcher dated the

Q. **18/11/2016** which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the **14/08/2016** when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the **25/11/2016** or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

R. I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

S. When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called, and they spoke about the CCTV camera which my son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in **2014** and **2015** about my son's neighbours.

T. After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between **2013** to **2015** this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Mother authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

U. Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

V. I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team, and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

W. I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 000

X. I would like to find out if Enfield Council is willing to move my son due to the reasons in this letter and the help of the early intervention team.

Y. I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.

Z. I would a full report of any police reports that have been given to Enfield Council by the police about my son.

AA. I would like information as to how to appeal about removing my CCTV camera and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

Regards

Miss Mother Mr Simon Cordell

Dear Daniel Ellis

Thank you for the update email and the deadline date for my reply to the complaint.

But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done.

I have called and left emails to ask someone to call me back, yet no one still has so I still do not know what is going on if anything about moving my son.

Regards

Mother

Dear Alev

A. Thank you for the update but there are 3 formal complaints to Enfield Council for the lack of doing nothing in regard to this issue

B. I have had not calls back no information if they are dealing with the main issue which at this time is to move my son and keep getting put off all the time.

C. The dates I sent the formal complaints which was also CC into Joan was

1. **24/11/2016**
2. **05/12/2016**
3. **08/12/2016**

D. All of these emails where CC to Joan Enfield Council is leaving my son not my brother in a nightmare this has been ongoing since **2014** and Enfield Council has done nothing to address any issues and also did not reply to any of the complaints that was put in around that time which I still have all the emails I just don't have the dates of all the calls that was made in **2014/2015** about this.

E. I am so upset that I have had to find the details of all the high up people in the council and CC all including Joan into the last 3 emails I should not have had to do this.

F. I am most grateful that a letter has been sent to Enfield Council from Joan but this need addressing ASAP as my Son's Heath has gone downhill so far due to what he is living with he is not being allowed to sleep and this is not helping his heath and I am very worried.

Dear Lorraine,

A. Just to keep you updated on your complaint, I wanted to let you know that a senior Manager within the Housing Neighbourhood Team will be meeting with the Community Safety Team later this week to discuss the issues in your complaint.

B. Those teams will be working closely together after the meeting on Thursday to provide our response.

C. Due to the complexity of the case, we are likely to need some more time to supply you with the response, although we will try and provide it to you as soon as we can - hopefully before the Christmas break.

D. If I have any further news for you, I will try and let you know.

Kind regards,

Daniel Ellis

Dear Daniel

A. Thank you for the update but why has this taken so long to arrange? if you knew the senior Manager within the Housing Neighbourhood Team was going to be needed to address this then why was this not already started?

B. My son is being left in a situation he should not be with no update as to if the housing is doing anything at all to address moving him. I think my son has already suffered enough which has caused his heath to go downhill and this cannot be allowed to go on any longer.

C. Will I also be invited to go to this meeting to see what is being said about my son and what will be done after all this meeting is about my son so feel someone with my son's interest should be there. As so far it seems everything is being blamed on my son when my son has done nothing wrong.

D. I do know there are issue that do need to be addressed but leaving my son in a place he does not feel safe in and has suffered since **2014** is not acceptable.

E. Also, I still have not heard anything from the people that are meant to be dealing with the subject access request. I am not sure if a payment will be needed to process this or if not if the data has started to be processed so I will get all data. Could you please update to this?

Dear Daniel

A. Is there any update to the below email as from what you updated me with the meeting is due to take place tomorrow and I would like a reply to know if I will be invited to this meeting seeing as you will be talking about my son?

B. If I am not allowed to go to this meeting, I would like full minutes taken so when I get the subject access request, I will know what has been said.

C. No one has also yet even spoken to me or my son the only thing you have is all the letters, emails and calls that have been made. So how in this meeting are the people going to a full understanding as **since 2014** no reports have ever been taken from my son as to what has been on going and how he is suffering?

D. I also still have not heard anything from the person dealing with the subject access request and would like an update.

E. And I would like to know if anything is being done to move my son out of the situation he has been left in **since 2014**? As I think at this point this is the most important part to get my son moved somewhere else where he will not have to suffer any longer and hopefully this will help his heath.

F. It does seem Enfield Council is more worried over the formal complaints then removing the situation my son has been left in. which has said it is affecting his heath. I cannot understand why nothing is being done and more time is being asked for, yet no updates given to the situation my son is being left in. Or is it the case nothing is going to be done to move my son and he is just going to be left where he is to suffer even more?

G. I would be most grateful for an update.

Lorraine

Our client contacted the Enfield Council's Whistleblowing Line, expecting to reach help but instead spoke to a Heather Littler. He had

telephoned the provided number that he gained from the Enfield Councils Whistle Blowing Line that he found within Google, the staff was of no help at all. copies of all the made telephone call recording is educed as attached whin these proceedings.
By our client telephoning the Enfield Councils Whistle Blowing ling he was really telephoning Ian Davis Whistle Blowing Line / Direct Number in the Policy as follows: --

Ian Davis
Chief Executive
ian.davis@enfield.gov.uk

And without realizing the following: --
it appears that the contact information provided led to Ian Davis, the Chief Executive of Enfield Council, who is responsible for various roles, including **"Assistant Director for Environmental Protection and Regulations"** since 2008. Meaning that this individual would have been involved in the alleged fraudulent ASBO application that our client is complaining about, as well as other wrongful civil and criminal actions that have occurred since.

It is also important to note that since Ian Davis become the **"Assistant Director for Environmental Protection and Regulations"** in **2008,** he has also since been re promoted to the Chief Executive for the entire Enfield Civic Center and its affiliated companies from the date of **April 2017.** Meaning he took a role in the hiring of Jeremy Chambers as the Enfield Councils Director of Legal Services.
However, Ian Davis, also, designated to Jeremy Chambers the management of the use of the Enfield Councils Whistle Bowing Contact Line as detailed in their released policy dated

3+ I also went to 117 but I believe they were not at home so did not speak to them about the issues.

4+ I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad, and you can clearly hear they are doing this is not just so1neone living their life as no1mal people would.

5+ You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor.

6+ Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes, but this has not helped she just acts like nothing is going on.

7+ Debbie has now started to go to my other neighbors at 111 and they are drinking and now 111 is also banging.

8+ I don't know if it is due to Debbie liking my son and when hi1n and his partner ended in **Mid-2013** she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more.

9+ when my son was with his partner, she used to co1ne to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not readable.

10+ The main problem with Debbie seemed to start when she came to 1ny son's front door and saw a girl in his flat. She saw the girl on more than once and I think this upset her. Since this time things have got worse and

worse, and my son's health is really suffering.

11+ Please cam something be done as we really do not know what to do any longer, if you cannot do anything about the neighbors in the block can you please see if you can move my son as he cannot take any 1nore, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.

12+ Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue, which I do not understand why.

Regards
Mother

Hi **Dolly,**
Nick and I attended while ago and spoke to the A while ago when she originally called Police.
At the time she didn't want us to speak to her neighbor as things had got better.
The lady handed us a letter about what had happened but none of it made any sense.

We believe she was suffering from mental health issues.
On another occasion we popped round to see her, and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police.
I know some Officers went around and spoke to him and things seemed to get better.
After that we have had no further calls from the lady
We will try and get around to see her when we're back on duty on Monday.
Kind Regards

But she went to Debra Andrews house.

The meeting was arranged this day!

  Dear Dawn Allen
  I no longer go out of my home due to my health, that is why I cannot come to the office.
  Also, why would it need to be in a neutral environment? You would have to come to my

flat at some point to here for yourself what is going on as you can clearly hear it and see what the neighbor is doing.
I have also put in reports also about the repairs this has been going on for years and things still have not been done.
You are my housing officers can you please tell me what your job description is?
I am asking for help and have been for some time and you do not seem to be willing to give me any help. Is there a problem with you coming to my flat?
My Mother will be there with me, and you can bring someone with you if you feel there is a need to.
I have ongoing issues which does need to be addressed by someone and you are my housing office and I have been told you would need to address these issues.

On this day Dawn Alan Manipulated the conversation and Email CC Dolly Ogunseye as she deliberately steered the complaint, we made away from the complaint handler in charge of Debra Andres case, who was or is Dolly Ogunseye as it is said that dawn Allen never showed her the correct complaints being made

The reason for this that on the **18/09/2021**

at 14:30! As said on the phone the surveyors took all the details of repairs and said they will deal with them. I am happy, you will get keep updated as too, what is going on with the repairs and keep me updated.
As also said to you on the phone we did not hear from the ASB team as yet, and today my son heard the main door keep banging so he walked out to the front and saw no one there so walked out further than he was to see if he could spot anyone else around the flats.
When he walked back to the main door Debbie, his neighbour was by the bin door and when she turned around and saw my son, she hit him with her shopping bags, there was a lady that was with her, but not standing with her and saw what was going on and run over and told Debbie to stop, my son asked for the lady's name and the lady would not give him it or who she worked for. But my son had time to talk to the lady and tell her what Debbie had been doing, Debbie got upset, and kept shouting and telling the lady not to talk to him the lady had to tell Debbie to stop that she wanted to hear what my son was saying and told Debbie to wait.
She spoke to my son for a little while but said to my son that she was sorry, but she was busy and had to go and she left and my son goes back into his flat.
He called me and told me what had happened and asked me to call you to update you as too, what had gone on.

On the day of Debra screaming Debras key worker was present, and she made no statement that Mr. Cordell had done anything wrong on that day in front of her for him to warrant mental health treatment and /or police Arrest as measurements for any Actions said to have occurred.
Within the council's history made in Our Clients name is Debra Andres History and within that history is that should come first but was place underneath other to manipulate any reader, the date being the 18/09/2015. 13/09/2015

It is said that on the 18/09/2015 that doctors went to Debras front door to whom they knew to have drug and drink addictions as well as serious mental health issues that warranted the conversation of her children from her own care and on this date, they noticed her deterioration of health as she spoke only in baffling, intoxicated words that made no sense, through her letter box.
It Is also said that Dawn Allen was made aware of a similar situation when his mother had to knock on the front door of Debra House And she would only chat to her through her letter box due to her committing crimes to her son by banging on the floorboards, walls and pipes deliberately victimising her son in her cruel un prevented attack and she herself as Mr. Simon Paul Cordell's Mother had done this due to having to make some form of intervention because Dawn Allen herself was not replying to emergency graded situations raised through months prior that all required immediate attention. The letter sent by his mother was sent because of Debra screaming and was also, never taken fairly into account for, dated the .
Dawn Allen had never met Mr. Simon Paul Cordell before hand as neither had any of her colleagues.
Mr. Simon Paul Cordell had never had a complaint made against him since 2006 before this date.
Dawn Allen visited Debra Andrews and the people our client had been complaining about and turned him from the victim and into a perpetrator.
Dawn Allen did not stop there as she searched his private records to see if he was suffering from ant mental heath issues and even with so many people saying the same to her about Debra.
Dawn Allen was colleagues, with developers for another frauded court case that the Enfield Council had illegally gain against him, as named the Asbo for, Mr. Simon Paul Cordell and it is said that Dawn Allen & Co aided in them Asbo Developers and Involved Employees to avoiding justice.
It is said that Dawn Allen then afterwards of working out Mr. Cordell had no Mental Health history of any relevance from Debra Morgan then on afterwards both decided to Fraudulently manipulate that intel and gain an illegal warrant to
There was a meeting arranged with dawn Allen and Mr. Simon Paul Cordell's Mother once dawn Allen had finally replied by use of the same email, she had been blanking messages from for months prior due to believing she could get one over on the situation she and her colleagues had created

illegally. But instead, she manipulated the situation and contacted the Mental Health.

Which by the RIO Records that we have been provided state the date of the **01/12/2015** to be the earliest point that we can demonstrate.
01/12/2015 officially classified as private files were shared and without the providence of rules to which must mandatory be followed to which governs the sharing of classified files being followed.

On the day of the warrant being executed by way of a meeting on Shaftesbury Road Dawn Allen and Jackie Gubbie & Co did not turn up Because they knew of their own manipulative backstabbing involvement and instead sent Louise Brown. After Mr S. P. Cordell Not being detained the Now Claimants mother Contacted them about the meeting, they should have had before the assessment and while not knowing there involvement in the manipulative Backstabbing assessment they arranged and failed to turn up to. Dawn Allen tried to cancel the meeting in knowing that their would-be Recording equipment and files proving the truth.
The Claimants mother had a hospital appointment and said that she would not be available on a date 00/00/0000 and not to turn up at her son's house unless she was present.
On the day they should not tuned up Louise Brown turned up again but with two police officers and was allowed entry even aloe this was agreed as a must not happen.
