1+ Complaint 05/12/2018 On behalf of Mr. Simon Cordell of 109 Burncroft Ave, Enfield, EN3 7JQ.

2+ I am writing this email due to issues I have regarding a member of staff who works for Enfield Council by the name off Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator, since 2016 when Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator started working for Enfield Council he has been working on investigations relating to my son Mr. Simon Cordell.

3+ In this time not once has Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator, come to see my son's side to the alleged allegations regarding what the neighbors have put in about my son.

4+ Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator has taken one side to these said alleged allegations without no investigations,' Mr. Lemmy Nwabuisi it seem has taken one side to everything that has been said and that is the side of the neighbors, Mr. Lemmy Nwabuisi has been told many times we have information which would proof my son had not done things which have been stated by the neighbors Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator knows my son does not leave the flat he was told this, and also told that if he wanted to attend a meeting with my son he could do so with police there to have a meeting to hear my son's side, he has never got back to me regarding having a meeting at my son's home because he never wanted to, which I am sure if someone is a vulnerable person where was the duty of care where has it ever been for my son? I believe Mr. Lemmy Nwabuisi the Anti-Social Behavior Coordinator just through to himself that my son is in the wrong, he is a vulnerable person, I will put pressure on him and get him out without even thinking there is 2 side to anything.

5+ And just blamed my son without even talking to him, this is how it has been since Mr. Lemmy 1 Nwabuisi the Anti-Social Behavior Coordinator starting working for Enfield Council.

6+ I also feel Mr. Lemmy Nwabuisi has taken information and not relayed it back correctly many times regarding my son's health even to the courts.

7+ Information is being passed and obtained relating to my son which should never have been passed to 3rd parties or used, how can this be allowed.

	8+ There are many other points and failings which have been allowed to happen and this needs to stop. **9+** I will be drafting up a full complaint of failings and submitting it but this will take a while to draft up as I have got to go back some years. **10+** Mr. Lemmy Nwabuisi also had my son arrested on the 09/01/2018 and even though we asked many times, even my own son's solicitors could not understand why he was the person still investigating my son. **11+** When his case was part of the court actions being taken against my son by Enfield Council this is against the law that someone is investigating something within their own case and it beaches many other things. **12+** At this point in time, I want Mr. Lemmy Nwabuisi taken off dealing with anything to do with my son or related to him, I feel he has not done acted correctly and feel he has not investigated anything which would prove my son has done nothing wrong and only wanted to blame him for everything, I have asked this before and heard nothing back regarding this. **13+** But it has got to the point in time that this needs to happen. **14+** Could someone please get back to me as soon as possible regarding this? Regards Lorraine Cordell	
06/12/2018	**Si Note: I Received A Letter From The Court This Morning: --** **1+** I received a letter from the court this morning with the order from the judge at Edmonton lower court that got ordered on the 15/08/**2016** and to my surprise a different order to which had gotten drafted between the claimant the Enfield Council and my solicitor inclusively of my mother and it had been changed for a different document and then after sent to the court and **sealed.** **2+** The shop next to me never had the electric machine working and I had to call mother to come down and give me a hand to get to the other shop nearby. **3+** I also asked mother what was going on with my cases and getting free while getting justice against those who have illegal wronged myself. **4+** Thought the day I got a couple of little stamps that were deliberately done to me above my head to where I am working on my computer in the front room.
