DIRECTIONS ORDER

Backgrounds facts

This matter was allocated to the Claimant's Legal Services department in **August 2017,** following many complaints received from some of the Claimant's employees and residents living in the same block as the Defendant.

The Claimant's anti-social behaviour team instructed our legal services to issue an application for an injunction under the Anti- Social Behaviour, Crime and Policing Act **2014**.

An ex-parte application was made, and the Court made an interim injunction order against the Defendant on **9th August 2017.**

The matter was re-listed for a return hearing on **21st August 2017** but adjourned to **25th September 2017** where the Defendant attended with his legal representative.

The Defendant indicated that it wished to defend the claim and some directions order was made.

3. The parties were ordered to file their directions questionnaire by **23rd October 2017;** however, this deadline was overlooked by me and the Court made an order on **06th November 2017** asking the Claimant to file a completed directions questionnaire by 4pm on **17th November 2017**. A copy of the Order can be found under exhibit L11.

4. On **17th November 2017 at 11 ;59**, I sent an email to the Court on the following address: enauiries@edmonton.countvcourt.asi.Qov.uk. with a copy of the Claimant's directions questionnaire. The Defendant's solicitors were also copied into this email. A copy of this email is attached in exhibit LI2.

5. Just before filing the directions questionnaire with the Court, I contacted the Defendant's solicitors on **16th November 2017,** Mr. Emmanuel Onwusiri of VLS Solicitors, with a suggested draft directions order. However, he responded by saying that it was not necessary to agree directions in the proposed form. He was therefore fully aware of the fact that I was about to file the Claimant's directions questionnaire. A copy of my email correspondence to Mr. Onwusiri can be found in exhibit LI3.

DIRECTIONS ORDER

I then received an order from the Court dated **13th December 2017**, advising me that a judge has considered the file and having seen that the questionnaire was received on **20th November 2017,** has decided to apply the sanction as set out in the order dated **06th November 2017.**

As a result, the Claim was struck out and the interim injunction made on **09th August 2017** was discharged. A copy of the order is attached under exhibit LI4.

Upon receiving the above order, I emailed the Defendant's solicitors Mr. Onwusiri and advised him that the Court made the order in error as the Claimant had filed the directions questionnaire electronically on **17th November 2017.** Mr. Onwusiri was fully aware of this fact as he was copied in to the email. A copy of my email to Mr. Onwusiri dated **15th December 2017** can be found under exhibit LI5.

On **14th December 2017,** Ms Zena Ndereyimana on behalf of the Claimant's legal services emailed the Edmonton County Court advising that Claimant's directions questionnaire was emailed to the Court on

17th November 2017 and provided evidence in support. The email requested that the Court reconsider the order dated **13th December 2017** as the Claimant has complied with the earlier directions order made on **06th November 2017.** A copy of the email correspondence to the Court can be found in exhibit LI6.

The Claimant has received no response from the Court following the email it sent out on **14th November 2017**.

On **03rd January 2017** I received an order from the Edmonton County Court ordering the Claimant to pay the Defendant's costs of the action on a standard basis to be assessed if not agreed. Please refer to exhibit LI7. The order was made after the Defendant's representatives filed an application notice at Court on **21st December 2017.** The application was only received by the Claimant on **27 December 2017** and as I was on annual leave, the application notices only came to my attention on **03rd January 2017,** so I was not able to respond.

DIRECTIONS ORDER

6. It was inappropriate for the Defendant's representatives to have made this application as he was fully aware of the fact that our directions questionnaire was dully filed at Court on **17th November 2017.** He was copied in to all the correspondence sent to the Court. He was also advised by me that the Court must have made an error when it stated to have received the order on **20th November 2017** while clearly it received it electronically on **17th November 2017.**
I am of the view that the Defendant's representatives have taken advantage of the situation as when making this application he already knew of the fact that the Claimant's questionnaire was filed on **17th November 2017** and there could be a possibility of the Court reconsidering its decision of striking out the Claim. I find his conduct against the spirit of the Civil Procedures Rules which encourage parties to cooperate, communicate and try to resolve dispute out of Court. The Court order dated **02nd January 2018** could have been avoided had the Defendant acted with more fairness and this conduct has partly triggered the necessity to make this application notice which means that the Claimant is now incurring more costs.

7. I am also instructed that since the Court made the interim injunction order on **09th August 2017,** the Defendant's anti-social behaviour has ceased towards the neighbours and no complaints have been received from them. I am therefore of the view that the residents and employees of the Claimant could be prejudice if the Claim and interim injunction order were not reinstated.

8. As a result of the above, we would like the Court to set aside the orders made on **13th December 2017** and **02nd December 2018.** The Claimant would also like the Claim and interim injunction to be reinstated and an order that the Defendant pays the Claimant's costs as his conduct has led to the necessity to make the present application.

Lorraine Cordell _Re_ Simon Cordell Reply to email **/ Page Numbers:** 2563,2564,2565,2566, **From:** Lorraine Cordell [lorraine32@blueyonder.co.uk] **Sent:** 23 November **2018** 19:07 **To:** 'alev.cazimoglu@parliament.uk' **Subject: RE:** Simon Cordell Reply to email Dear Alev Cazimoglu Thank you for the updated email, there does seem to be some misleading information within it. My son wanted to stay voluntarily in hospital and he was willing to do this, but due to the doctors not getting the section 3 they wanted, they then discharged my son the following day with no support in place because they needed the bed. Yes, my son does have a care coordinator (Soohah Appadoo, North Locality Team) when my son was discharged Soohah Appadoo did not know he was not on duty that day so therefore knew nothing about it, the next day I called him and he said for me to try to get my son to see him which I am doing, but at this time with my son left in that flat it is not helping at all due to what the neighbours are doing, it also seems every time I send any emails they are not replying to them. I have never said my son needed supported accommodation not even in court due to the fact I know my son would not accept it. What I did say to the Judge was that I feel due to my son health a 2 bedroom would be better that way family can stay with him and help him. So, I do not know where Enfield Council is getting, I have asked for supported accommodation as I never have and I have also never said I was his career. I also have emails I have sent to Enfield council stating this. As I have said I have written to the Judge and I am addressing things as Enfield Council is misleading people, and this needs to stop. I have all the emails and reports and letters to prove what I am stating. Enfield Council has had since the **09/08/2018** to move my son yet they have not there was no reason why Mr Cordell not to have been moved. And I see by the replies there does

not seem to be anything regarding moving my son still if Enfield Council was going to move my son why have they not said this in any of their replies to you?
It seems to also state that there were not possession proceedings to be commenced regarding Mr Cordell by Enfield Council, so why do I have the emails from Ludmilla Lyavoo, Solicitor Corporate Team, Legal Services, Enfield Council, Silver Street, Enfield, EN1 3XY stating "Finally I would refer to the letter before claim/warning letter which was sent to you on Monday **15th October 2018** Mr Cordell has clearly breached the warning. We are now instructed to commence possession proceedings." Dated **18/10/2018** Maybe Enfield Council is not aware of the emails I have but there is misleading information coming from somewhere. Even in court Enfield Council was misleading the judges regarding my son's health, and since the court case of the **09/08/2018** not once has Enfield Council been bothered to see if my son is ok, why is it because they never wanted to help? Not once since **2015** has Enfield council asked my son's side to anything regarding what the neighbours are doing, they have just done what they wanted and time after time said there was no contract from us to the courts and my son did not have any health problems, well I do have every email and letter and on the **09/08/2018** the judge saw this and told me to keep everything.
2564,
Where has Enfield duty of care been since **2014** as there has been none, Enfield Council just done what they wanted went one sided and never wanted to hear anything we had to say. Is this the way duty of care is meant to be to a valuable person?
As for my son believing that Enfield Council is against him and the police are also this is not a lie. show me anything Enfield Council has done to help my son I don't think Enfield Council would be able to show anything as all they have done is believed what they wanted without once looking at anything my son has to say or the evidence my son has got Enfield Council has been told time and time again, we have got evidence yet what have they done nothing. Enfield Council even called me a lair regarding what I said I have sent them. Called me a lair about my son's health. Seems we are lairs to Enfield Council and that is what Enfield Council wants to think.
Show me out of the around 280 calls made to the police by my son regarding the neighbours and what they were doing begging for help how many times did the police come out to my son to even try and help let me see 3 or 4, yet wow when the neighbours call the police are out in force, if it was not for the CCTV in my son's flat and being able to show the police my son had not left his flat my son would be in prison now, and when we ask the police to do anything regarding the proved calls from the neighbours where false they done nothing. My son was meant to have had a neighbourhood police officer setup for him more than once yet nothing come of that, even the call I had with Borough Commander Chief Superintendent Helen Millichap and she said she would sort it and get one it has never happened she was even meant to have got back to me but never has, that was in **July 2018** but I have heard nothing since. Enfield Council sending so much information over to the Mental health team, why please tell me why as it was all to keep my son in hospital so they did not need to do anything to help. Enfield Council has the power to ask Adult social service to get involved yet they failed to even do that. Why has my son not gotten a social worker yet my son is meant to be this bad person?
Where has all the help been because as far as I see every government, body has just turned their backs on us, it did not matter how much we asked for help nothing was done yet there was this valuable person living in hell yet nothing was done. I have tried so hard and begged for help yet I am still sitting here without any help writing to everyone to try and get some help. As the judge said to Enfield Council on the 09/08/**2018** take responsibility, more than once, but even that is too hard for Enfield Council to do. I would also like Lemmy Nwabuisi taken off dealing with anything related to my son and have nothing do with my son again, as he has failed in his job to investigate anything my son or I had to say regarding anything. When is my son going to be moved from the hell, he is living in can Enfield Council reply to that?

And in the meantime, I will be working with the court to get the information and maybe some help of advice on what to do next. Please do not show this email to Enfield Council or anyone that will pass it over to Enfield Council.
Regards
2565,
Lorraine

Hi Alev
Further to your enquiry regarding Simon Cordell. Please see the update below from Debbie Morgan. SC was discharged from hospital on **15/11/2018** having been detained under the Mental Health Act for the purpose of assessment of his mental health. SC did not believe he required to be in hospital or wish to accept the proposed treatment that was offered. As there is insufficient grounds or risk for further detention or to take any further intrusive measures against his will, he has been discharged. SC does not believe he has a mental illness that requires him to take treatment or to maintain on-going engagement with mental health services. He appears disappointed with services in which he perceives to have received from both housing and metropolitan police believing he is being targeted for things he has not done. His assessment has not elicited he has care needs warranting supported accommodation or a package of care to sustain independent living as he can be adequately supported through universal services. He

	presents with adequate daily living skills and can live in general needs housing. He appears to be young man who has **2566,** particular beliefs, which may lead to him having differences in opinion with others, which may impact on relationships with others; particularly those in positions of authority. His mental health/psychological state therefore remains fragile; however, the risk is not such that he can be forced to engage with services. He was offered follow-up by mental health services in the community to which he declined, although agreed the he can be contacted by nurses from the ward to check on progress following discharge. He has been allocated a care coordinator (Soohah Appadoo, North Locality Team - 0208 379 4142) who will continue to try to engage him to build a relationship? **SC** describes his main presenting need to be that of his relationship with particular neighbours within his block, whom he believes to be intentionally causing him a nuisance by way of making noise, and reports feeling disbelieved and unfairly treated by the housing department and police. He therefore wants to be moved from his current accommodation. His mother approached the ward Consultant for a supporting letter to provide to housing for a 2-bedroom property citing she is his main carer. As there is no evidence to suggest SC requires to be looked after due to having care needs requiring a live-in carer her request was declined, she was advised to suggest housing put their request in writing should this be housing's request. Mental Health would support relocation to alternative accommodation to reduce further tensions between the residents within the block. Hi mother advised that SC has/or is in the possess of eviction, and that he was discharged from hospital with no support which does not seem to be the case. Support has been offered which has been declined, and will continue to be offered to assist in managing the current situation or avoid and/or mitigation a situation of eviction.
