ongoing for a long time. We have tried to get help from the council as if the council speaks to them maybe they will stop what they are doing.

3+ I also went to 117 but I believe they were not at home so did not speak to them about the issues.

4+ I went to Debbie at 113 to try and talk to her but she just started to shout at me through the door. I did try and say to her through the door could she let me speak but she was just screaming at me so I went back down to my son flat the banging is very bad, and you can clearly hear they are doing this is not just so1neone living their life as no1mal people would.

5+ You can even hear her following my son around in his flat banging; he does not even want to take a bath because he can hear her above him banging on the floor.

6+ Yet she still keeps coming down to my son door asking him for money to buy drinks my son has told her could she please leave him alone and stop coming to his door and to please stop following him around and banging on the floor and pipes, but this has not helped she just acts like nothing is going on.

7+ Debbie has now started to go to my other neighbors at 111 and they are drinking and now 111 is also banging.

8+ I don't know if it is due to Debbie liking my son and when hi1n and his partner ended in **Mid-2013** she was hoping something would come of this, as this is the time when she started to come to my son flat door a lot more.

9+ when my son was with his partner, she used to co1ne to his door maybe once a week for money but after they ended, she was coming down more and more she even was trying to give my son drink, he does not drink so would not accept it. She was also writing my son letters and putting them through his door, the letters are not readable.

10+ The main problem with Debbie seemed to start when she came to 1ny

son's front door and saw a girl in his flat. She saw the girl on more than once and I think this upset her. Since this time things have got worse and worse, and my son's health is really suffering.

11+ Please cam something be done as we really do not know what to do any longer, if you cannot do anything about the neighbors in the block can you please see if you can move my son as he cannot take any 1nore, he needs to be able to rest and sleep which at this time it is impossible, this is unfair what is going on to my son's health.

12+ Please can you reply to this email as you have not done to any of my other emails or calls or the calls my son has made regarding this issue, which I do not understand why.

Mother

Hi **Dolly,**
Nick and I attended while ago and spoke to the A while ago when she originally called Police.

At the time she didn't want us to speak to her neighbor as things had got better.
The lady handed us a letter about what had happened but none of it made any sense.
We believe she was suffering from mental health issues.
On another occasion we popped round to see her, and she wouldn't come and speak to us so instead she spoke through her letterbox to us.
The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police.
I know some Officers went around and spoke to him and things seemed to get better.
After that we have had no further calls from the lady
We will try and get around to see her when we're back on duty on Monday.
Kind Regards

  Dear Dawn Allen

I no longer go out of my home due to my health, that is why I cannot come to the office.
Also, why would it need to be in a neutral environment? You would have to come to my flat at some point to here for yourself what is going on as you can clearly hear it and see what the neighbor is doing.
I have also put in reports also about the repairs this has been going on for years and things still have not been done.
You are my housing officers can you please tell me what your job description is?
I am asking for help and have been for some time and you do not seem to be willing to give me any help. Is there a problem with you coming to my flat?
My Mother will be there with me, and you can bring someone with you if you feel there is a need to.
I have ongoing issues which does need to be addressed by someone and you are my housing office and I have been told you would need to address these issues.

On this day Dawn Alan Manipulated the conversation and Email CC Dolly Ogunseye as she deliberately steered the complaint, we made away from the complaint handler in charge of Debra Andres case, who was or is Dolly Ogunseye as it is said that dawn Allen never showed her the correct complaints being made

Is what Debra Andrews History should start with but on stead it starts with the **23/09/2015?**

The reason for this that on the **18/09/2021**
The doctors that look after Debra at attended her home of 113 Burncroft Avenue and she would not let them in her front door on stead she just talked to them through her letter box, and she had been acting this way for some time, so the doctors contacted Dawn Allen

Dear Jackie Gubby
Thank you for taking the time to talk to me, on the phone today and explaining why you could not come to the meeting on the
28/09/2014
at 14:30! As said on the phone the surveyors took all the details of repairs and said they will deal with them. I am happy, you will get keep updated as too, what is going on with the repairs and keep me updated.
As also said to you on the phone we did not hear from the ASB team as yet, and today my son heard the main door keep banging so he walked out to the front and saw no one there so walked out further than he was to see if he could spot anyone else around the flats.
When he walked back to the main door Debbie, his neighbour was by the bin door and when she turned around and saw my son, she hit him with her shopping bags, there was a lady that was with her, but not standing with her and saw what was going on and run over and told Debbie to stop, my son asked for the lady's name and the lady would not give him it or who she worked for. But my son had time to talk to the lady and tell her what Debbie had been doing, Debbie
got upset, and kept shouting and telling the lady not to talk to him the lady had to tell Debbie to stop that she wanted to hear what my son was saying and told Debbie to wait.
She spoke to my son for a little while but said to my son that she was sorry, but she was busy and had to go and she left and my son goes back into his flat.
He called me and told me what had happened and asked me to call you to update you as
too, what had gone on.

On the day of Debra screaming Debras key worker was present, and she made no statement that Mr. Cordell had done anything wrong on that day in front of her for him to warrant mental health treatment and /or police Arrest as measurements for any Actions said to have occurred.

Within the council's history made in Our Clients name is Debra Andres History and within that history is that should come first but was place underneath other to manipulate any reader, the date being the 18/09/2015. 13/09/2015
It is said that on the 18/09/2015 that doctors went to Debras front door to whom they knew to have drug and drink addictions as well as serious mental health issues that warranted the conversation of her children from her own care and on this date, they noticed her deterioration of health as she spoke only in baffling, intoxicated words that made no sense, through her letter box.
It Is also said that Dawn Allen was made aware of a similar situation when his mother had to knock on the front door of Debra House And she would only chat to her through her letter box due to her committing crimes to her son by banging on the floorboards, walls and pipes deliberately victimising her son in her cruel un prevented attack and she herself as Mr. Simon Paul Cordell's Mother had done this due to having to make some form of intervention because Dawn Allen herself was not replying to emergency graded situations raised through months prior that all required immediate attention. The letter sent by his mother was sent because of Debra screaming and was also, never taken fairly into account for, dated the .
Dawn Allen had never met Mr. Simon Paul Cordell before hand as neither had any of her colleagues.
Mr. Simon Paul Cordell had never had a complaint made against him since 2006 before this date.
Dawn Allen visited Debra Andrews and the people our client had been complaining about and turned him from the victim and into a perpetrator.
Dawn Allen did not stop there as she searched his private records to see if he was suffering from ant mental heath issues and even with so many people saying the same to her about Debra.
Dawn Allen was colleagues, with developers for another frauded court case that the Enfield Council had illegally gain against him, as named the Asbo for, Mr. Simon Paul Cordell and it is said that Dawn Allen & Co aided in them Asbo Developers and Involved Employees to avoiding justice.
It is said that Dawn Allen then afterwards of working out Mr. Cordell had no Mental Health history of any relevance from Debra Morgan then on afterwards both decided to Fraudulently manipulate that intel and gain an illegal warrant to

There was a meeting arranged with dawn Allen and Mr. Simon Paul Cordell's Mother once dawn Allen had finally replied by use of the same email, she had been blanking messages from for months prior due to believing she could get one over on the situation she and her colleagues had created illegally. But instead, she manipulated the situation and contacted the Mental Health.

Which by the RIO Records that we have been provided state the date of the **01/12/2015** to be the earliest point that we can demonstrate.
01/12/2015 officially classified as private files were shared and without the providence of rules to which must mandatory be followed to which governs the sharing of classified files being followed.

On the day of the warrant being executed by way of a meeting on Shaftesbury Road Dawn Allen and Jackie Gubbie & Co did not turn up Because they knew of their own manipulative backstabbing involvement and instead sent Louise Brown. After Mr S. P. Cordell Not being detained the Now Claimants mother Contacted them about the meeting, they should have had before the assessment and while not knowing there involvement in the manipulative Backstabbing assessment they arranged and failed to turn up to. Dawn Allen tried to cancel the meeting in knowing that their would-be Recording equipment and files proving the truth.
The Claimants mother had a hospital appointment and said that she would not be available on a date 00/00/0000 and not to turn up at her son's house unless she was present.
On the day they should not tuned up Louise Brown turned up again but with two police officers and was allowed entry even aloe this was agreed as a must not happen.
Conclusion: She could give Kings, Queens Evidence, **I.e.** About Ian Davis and Co.
