I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.<br/>Best wishes,<br/>James<br/>PC James Flesher 337YE   Dedicated Ward Officer for Enfield Highway   North Cluster NPT Team B   Enfield Borough OCU  </li></ul> |

Lorraine told me that Simon was sleeping but I could clearly hear him say that he did not wish to speak with me.</p> <p>I asked Lorraine about Simon's court case. He was due to report to court for <a href="#">sentencing</a> on 17 and Lorraine did not answer and rather asked if I could get Simon moved from his current accommodation. I said to Lorraine that Simon should contact me to discuss his housing needs. Lorraine then said that Simon agreed to call me tomorrow to discuss his housing. I did not have time and opportunity to ask about Simon's mental state and mood. Or whether or not he is taking medication.</p> |

Subject: FW: Contact phone number for Mr Stanley Curtis

Dear Jean,

We received a phone call from a Mr John Bates on behalf of his friend Mr Stanley Curtis. He explained that Mr Curtis is 83 and having to attend court to give evidence against a male named Simon Cordell who verbally abused him.

We are aware of Simon Cordell as [Steve/Pat obtained an ASBO against him](#) for illegal raves etc. I believe he is also a council tenant (I need to check)

**On 11th November 2016, my former colleague, Sarah Fletcher interviewed an elderly resident who wished to remain anonymous.** He said that the Defendant approached him as he came out of his flat and started to shout abuse, swear at him, and threatened to bum down the elderly neighbour's flat. The report continued that sometime around mid-**September 2016**, one of the Defendant's neighbours reported

that the Defendant confronted him outside his block as he was going to the local park and started to shout abuse and threats at him and said to him "I can get you over at the park, I know you go for a walk". This incident led to his arrest and to the matter being referred to the Magistrates Court. A file note of the report is exhibited on page 31 of the exhibit bundle LN1.

**Visited Christine (flat 97 Burncroft Avenue) and Karen (flat 105).**

Christine stated that she witnessed the September when Mr Cordell threatened Mr Curtis.

She stated that she was with her neighbour Karen when they heard Mr Cordell shouting and as they came out to see what was happening, she saw Mr Cordell shouting at Mr Curtis.

She alleged that he was shouting abuse and threats and that Karen told him to leave Mr Curtis alone, that he is an old man.

Mr Cordell then started shouting abuse and threats at Karen.

Christine stated that she is not prepared to give a statement and that she will not keep incident logs.

We then met with Karen outside the block.

She stated that she and Christine witnessed the incident that happened in September, she stated that Mr Cordell was shouting abuse and threats at Mr Curtis and that she told him to leave Mr Curtis alone as he is an old man and that Mr Cordell then turned against her and started threatening her. She stated that she is not afraid of him when she is on her own, that her only concern is that she is looking after 2 very vulnerable children and she will not be able to defend herself and them if Mr Cordell was to attack her when she is with them.

She is happy to make a statement and will log any further incidents.

When I got home, I showed my son the letter from Sarah Fletcher he himself was upset for some reason as me that she could take time to write this letter but not call us back. So, he then called this time he did get to speak to Sarah Fletcher and yes, he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

Sarah Fletcher from the council claims that on

**22nd November 2016**

during a telephone conversation between you, Mrs Cordell your mother and Ms.

Sarah Fletcher, neighbourhood officer, Ms. Fletcher reported that:

she overheard you threaten her by saying 'I'm going to do her over' and then I' am going to take her job just for fun'.

**This is a copy of the Council's memo of a telephone call on that day: --**

1. I received a call from Simon Cordell of 109 Burncroft Avenue at approx. 1.20pm.
2. The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move.
3. I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.
4. He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block. He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera
5. as the communal area was his.
6. I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.
7. He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases, but my position remains as per the letter I sent That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.
8. He then said that the camera was fake, so it didn't need to be removed. I responded that it did still need to be removed.
9. His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once.
10. He then said that he wanted to move on to finding out about moving to another address.
11. He proceeded to give me a full history of his experiences with the police
12. and previous housing management
13. and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong.
14. This history was very full
15. and it was difficult to get a word in because he was so worked up
16. so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.
17. He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.
18. I told him that I could not comment about the previous action taken.
19. He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden. He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and
20. was able to go home as of today.
21. He said that he wanted me to give him 'points' so that he could move.
22. I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to

|  |     | After speaking to many friends and family who have witnessed the on goings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mother's phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior. To me somebody had got themselves into trouble and for once it had not been me, I could no longer do a lot with my company, so it started to suffer a lot and I lost loads of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed, too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worse, I assume it would be fair for me to say, that at this moment in my life everything had changed in it a lot and this was at no fault of my own, it was because of them. |

## **2. Particulars of Breaches (8)**

### **Reply:**

Sarah Fletcher neighbourhood officer from the council claims that on

**22nd November 2016**

during a telephone conversation between her, myself and mother that she overheard me threaten her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

This is not true

The reason that it is not true is because what has now been stated to have occurred is more than just misinterpreted information of the so called Mid – day event.

The Council's memo of a telephone call on that day:

Is forged and therefore incorrect and is not supported by self and mother to be true facts that have been documented with a fair process by the statement maker. The context contained within side the statement had been fabricated so to support the claimants claim.

While also set out to avoid disciplinary action for the statement makers and hardworking colleague's incompetence leading to negligence and gross misconduct, set out against myself and then on afterwards having a negative effect also within my loved one's life's.

All what has been achieved by the Enfield Council since the start of my official complaint to themselves has gotten managed with criminal intention to put I in harm's way

From the of start of themselves handling my case load of an official workload. Sarah Fletcher as mentioned whom once was a neighbourhood officer who did work in collaboration with the Enfield Council, states that she received a call from Mr. Simon Paul Cordell

Whom is an Enfield secure resident within his housing tenancy that is attached to the address of 109 Burncroft Avenue at around the time of Mid – Day: 01:20Pm?

The time that Sarah Fletcher states she received the phone call is incorrect but not by far even low it is still 100% incorrect. I and my Mother am sure of this as we cared very much so when deciding to make the phone call to my housing officer that we both documented down all relevant information accurately.

When doing so we noted down the precise time of 01:04Pm

I did get transferred by customer services when making the phone call to my housing officer about the way I was getting victimised, this did not take too long.

Once on the phone to Sarah Fletcher I started to explain to her a shorted down list of emergency issues that I was having while renting my home.

1. That my mother had been contacting her and her team, while also contacting other official persons with relevance since the date of 00/00/**2015**

And this had continued up a till date and without any fair follow up's as company protocol states is mandatory.

And due to this lack of concern I had continued to suffer for a much further time frame than ever would have been if her and other persons jobs were followed correctly.

|  | <p>The call was transferred by the customer services team informing me that Mr. Cordell wished to discuss his housing option show to move.</p> <p>I took the call- he sounded agitated and said that he had a few things that he wished to discuss with me.</p> <p>He said he was calling in response to a letter that I had sent him requesting the removal of a CCTV camera that he had installed on the inner communal/fire door on the ground floor of the block.</p> <p>He informed me that he would not be removing the camera as he believed he was legally allowed to have the camera as the communal area was his.</p> <p>I explained that he was in breach of his tenancy conditions as permission had not been sought or granted for the installation and he could not install anything in the communal area as these belonged to the Council.</p> <p>He maintained that his neighbour in another block had a camera and had taken the Council to court about it and won the case, I responded that I could not comment on other cases,</p> <p>but my position remains as per the letter I sent: That the camera was in breach of tenancy conditions, was invasive of the privacy of other residents in the block as it points at the outer communal door and should be removed by Friday 25th November or the Council will remove it and charge him for the cost of doing so.</p> <p>He then said that the camera was fake, so it didn't need to be removed.</p> <p>I responded that it did still need to be removed.</p> <p>His voice was raised throughout the exchange and I had to ask him to calm down and lower his voice more than once.</p> <p>He then said that he wanted to move on to finding out about moving to another address.</p> <p>He proceeded to give me a full history of his experiences with the police and previous housing management and alleged that 'Jackie', who had previously lived above him and 'Stan', his immediate neighbour on the ground floor, had victimised him over a long period of time and that he had done nothing wrong. This history was very full and it was difficult to get a word in because he was so worked up so, I let him relay the information to me as it seemed like he wanted to get it off of his chest.</p> <p>He was very derogatory about the police and previous housing staff who had signed a request for an Asbo application against him.</p> <p>I told him that I could not comment about the previous action taken.</p> <p>He then came on to more recent events and stated that there had been an incident between him and another resident where she had shouted at him out of her window because of him starting up a scrambler bike in his garden.</p> <p>He maintained that he was courteous during the exchange, but the police came and arrested him because she told them that he had threatened to kill her and that he had been put in the mental hospital, had won his case in court and was able to go home as of today.</p> <p>He said that he wanted me to give him 'points' so that he could move.</p> <p>I explained that his best means of moving would be through a mutual exchange, but he was adamant that he did not want to do this and wanted to be moved in the same way that he moved into this property 1 l yrs. ago by being given points.</p> <p>I explained that a <a href="#">transfer</a> was unlikely based on what he had told me so far but that I could look into the position for him.</p> <p>He said a lot about his perceived victimisation by his neighbours and expressed that he felt that I should I have a duty to protect him.</p> <p>I explained that I had a responsibility to all residents living at Burncroft Avenue and took the opportunity to mention that I had received some reports</p> |  |

about antisocial behaviour by him that I would need to discuss with him but suggested that we leave that for today.

He then put his mother on the line (she had been trying to interject throughout the conversation) who said she wanted to know why I had not responded to her messages to call her.

I apologised for this and explained that I have been very busy, but that I needed to know whether we had written permission from Mr. Cordell for us to speak to her - she said that there was a written note recorded on our files in **2015**

Mr. Cordell asked her what I was asking her and when she replied that I was querying permission I clearly heard Mr. Cordell say angrily and aggressively "I am goanna do her over" and then "I am goanna take her job just for fun".

I informed Mrs Cordell that I had overheard these remarks and that I was ending the call.

She said that her son had now left the room and she was talking to me.

I repeated that I would be ending the call and that she should put what she wanted to say in writing to me.

Sarah Fletcher Neighbourhood Officer.

Re: Formal Complaint due to letter dated 29/11/**2016** this Formal Complaint is to be added to the Formal Complaint dated 24/08/**2016**.

You have also stated:

- "Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".

I have already put an appeal in my formal complaint dated the **24/11/2016** in regard to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the **14/08/2016** when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the **22/11/2016** she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted **on in 2013** when it was installed? Why has it taken them **until 2016** to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I

|                            | <p>believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.</p> <p>It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?</p> <p>As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?</p> <p>As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints were put in I feel that Enfield council is only taking one side to this and that is the neighbours, as <b>since 2014</b> all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.</p> <p>Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his health more and more.</p> |

Dear Mr Cordell,

**Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour**

I write with regards to reports of anti-social behaviour, intimidation, harassment, and threatening behaviour made against you by your neighbours.

The reports include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.

It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

Dear Daniel Ellis

Thank you for the update email and the deadline date for my reply to the complaint. But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move, yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his health they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done. I have called and left emails to ask someone to call me back yet no one still has so I still do not know what is going on if anything about moving my son.

Regards

Lorraine Cordell

Re: Formal Complaint **08/12/12/016**

To Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the **24/11/2016** and **05/12/2016** but I feel I have known option but to again write a new Formal Complaints dated 08/12/**2016**.

The last time we spoke to someone regarding moving my son was on the **22/11/2016** after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since **16/11/2016** sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed, and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer. It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing **since 2014** with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via [lorraine32@bluevonder.co.uk](mailto:lorraine32@bluevonder.co.uk) with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Dear Mr Cordell,

Re: Reports of Anti-Social Behaviour, Harassment, Intimidation and Threatening Behaviour

I write with regards to reports of anti-social behaviour, intimidation, harassment and threatening behaviour **made against you by your neighbours.**

**The reports include using threatening, abusive, and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th November 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged, that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up.**

**It is also alleged that your dogs are left** by themselves all day and night barking and causing noise disturbances to your neighbours. Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy.

If these allegations are true, they are in breach of the following terms and conditions of your Tenancy Agreement:

It is also alleged that you later went downstairs, dragged your neighbour's motorbike from where it was parked and started to hit it with a piece of wood.

**8)** On **22nd November 2016** during a telephone conversation between you, Mrs Cordell your mother and Ms Sarah Fletcher, neighbourhood officer, Ms Fletcher reported that she overheard you threatened her by saying 'I'm going to do her over' and then 'I'm going to take her job just for fun'.

Concerns: Psychological / Emotional

The neighbours are on the top floor are doing work. They are hammering and causing noise. This caused a dispute between the subject and the builders.

have attended the subject's address to try and mediate between them to prevent further disputes. The subject went into a 15-minute rant about how he was under constant attack by everyone, and how he perceived the banging by the builder to be an assault against him.

The neighbour tried to come down and talk about when the work would finish but the subject started to shout at him. The subject stated that he has cameras set up all over his house and that he wanted the neighbour to come in and watch the footage of the aggressive hammering, when the neighbour declined, the subject started to shout about being mugged off.

The subject would benefit from a visit from social services. He appeared to be having issues with his mental health. There was nothing to suggest that he was in immediate danger, and he was within his dwelling.
