### Explaining the working functions of this reports, Interlinking ID System.

In this reports ID format in the table below: Shows the accounts for any days that the Council and or Met-Police-Forces reasonable persons and or any other person's problems had a negative effect in my life, this also includes all of the disrepair problems, such as, the broken heating system and damp issue within my flat.

Some of the ID formats are also inclusive of additional questionnaires with questions, facts and or assumptions of relevance that are made towards the incidents of relevance.

The added additional mentioned questionnaires are contained with Problem Statements, that have gotten marked with a \*7 and are as follows:

| <b>ID:</b> | <b>Date</b>                                                        | <b>Note</b>                                                                                                                                                                                                                                      |

### Explaining the working functions of this reports, Interlinking ID System.

In this reports ID format in the table below: Shows the accounts for any days that the Council and or Met-Police-Forces reasonable persons and or any other person's problems had a negative effect in my life, this also includes all of the disrepair problems, such as, the broken heating system and damp issue within my flat.

Some of the ID formats are also inclusive of additional questionnaires with questions, facts and or assumptions of relevance that are made towards the incident of relevance.

The added additional mentioned questionnaires are contained with Problem Statements, that have gotten marked with a \*7 and are as follows:

| ID<br>:   | Date                       | Note                                                                                                                                                                               |

He had about 2 x paper LSD last Saturday and? 5mcg liquid LSD on Sunday, also had about 1 bottle of rum yesterday. Had been partying over the weekend at a festival. Was under care of medics (? had first aid) at the festival. Was agitated on arrival, but calm down later? hallucinating, seeing different colours. No other risk or symptoms identified. Dr Smith reported that these LSD effects might last for about 48hours. Referral triaged and advised that he did not need an emergency mental health assessment at present. Advised for him to see his GP. Likely would be arrested by police.</p> <p><b><u>Time Spent Building.</u></b></p> <p>My Company: --</p> |
