- I said to the attending police officers that I had been lying down since contemplating on calling an ambulance until they had arrived at my home address, and this happened soon after they told me that I was getting arrested for an Armed Robbery.

Si Note:

1

- At about this point in time, I would say; that it must have slowly been coming up to the end, of the first eight years of my life, while living at Burncroft Avenue.
- These last few past chapters are to describe the first few years while I have lived in Burncroft Avenue.
- It must be about that time, for me to go into some 2nd phase of my lifetime's chapters, containing more of the finer exclusive details, of the truth.
- I got arrested on this date the 25/06/2013 and remanded to prison till the 28/06/2013
- This was the start of everything going wrong for me and I got locked up for a back-garden gazebo court case, from the date prior off Bianca Road at the private birthday party that I helped with, what got dated the 04/05/2013 as explained about in chapter 1232323
- A few more months later after the 04/05/2013
- I got placed on police stringent bail conditions, which meant, I could not leave my home, this persisted to continue to happen, because on the 25/06/2013 the police came to my home address, and they arrested me for improper allegations, related to a suspected criminal offence of burglary, to which I knew I did not commit.

- Unfairly, the police charged me, legally how, I do not know and as a continuation off this allegation
- I soon after got remanded to go to prison, as a Summary to the reasons of why this happened to me, an explanation later got then given and was; due to incorrect police intelligence that is now contained in a copy of my criminal record.
- I later on found out for it to be in error under the data protection act 1998 and therefore wrong information that got contained on the police national Computer system, about myself "PNC."
- This is easy for me to prove that I am correct, and this is still getting addressed to date, of me writing this. Gonging to prison on remand, meant to me that things just could not get any worse, I got taken to London's Centerville prison, at Her Majesties Pleasure and I still had done nothing wrong, then I got placed in the prison on fours and to any one that does not know what I mean by the fours, you will have to contemplate on the correct answer yourselves, I got kept in there for two whole nights', for me to later get released by the Judge and chambers, on bail conditions.
- The bail conditions got imposed against me, so, I could get granted bail from after being released from prison by the Judge, were because: --
 1. The amount of the surety in the sum of one thousand pounds and this must get provided from An Ms and this is to get surrendered to the nearest Police Station, — prior to Mr S Cordell is being release from Custody.
 2. Home Residence, to be @ Burncroft Road, Enfield, EN3 7JQ.
 3. Not to enter the London Borough of Southwark.
 4. Surrender my Passport to the nearest Police Station.
 5. Report daily to Edmonton Police between the hours of 1400 – 1600. 6. Curfew 8pm — 6am this is to be a (doorstep condition — I the Defendant should show myself to any officer upon their requests.)
- Gonging to prison on remand, meant to me that things just could not get any worse, I got taken to London's Pentonville prison, at Her Majesties Pleasure and I still had done nothing wrong, then I got placed in the prison on fours and to any one that does not know what I mean by the fours, you will have to contemplate on the correct answer yourselves, I got kept in there for two whole nights', for me to later get released by the Judge and chambers, on bail conditions.

Dear Annabel Jereniah

➤ I have just seen the Memorandum of Entry that the Crown Court has sent and on that it says there was a Disqualification until test passed.

➤ But when we contacted the court, we were only told about 6 points and a fine for this case and this was also on the letter from the court.

➤ If I knew a Disqualification until test passed when I filed my appeal on the **13/02/2015**

➤ I would have ticked this be suspended until appeal was heard.

➤ Can you please look into this and see if the appeal could include the suspension of the Disqualification until the appeal is heard?

➤ Please see attached document

➤ Simon_Cordell_Appeal_Willesden_Harrow_Crown_Court Found Guilty again **26-01-2015**

➤ As you will see the letter Found Guilty again **26-01-2015**

➤ does not show any disqualification and this was confirmed by the court when we called that there were 6 points added and a fine.

Regards
Lorraine Cordell

Thank you for seeing this 33-year-old Afro-Caribbean man.

- He gives a history of symptoms of anxiety and depression, which have been on-going for a few months.
- His symptoms have progressively got worse, and he has been having some suicidal thoughts, although he has not made any concrete plans to do anything.
- He says that the only reason he has not acted on these suicidal thoughts is because of his ex- patient and family.
- He is currently involved with the criminal justice system and is -currently - on probation.
- He is under curfew and there have been imposed- restrictions on his movements.
- He says he is finding it very difficult to cope with the conditions of his - sentence, mainly the confinement to his home.
- He says that his relationship with his partner appears to have broken down because of what he describes as the tough - conditions of his probation.
- He continues to feel very low and anxious when he is confined- to his home. –
- He is having difficulty sleeping.
- He has had problems with depression in the past and was referred to the psychiatric services in 2012.
- He has agreed to commence anti-depressant medication today in the form of Sertraline 50mg once daily.
- He requested some sleeping tablets and I have given him 10 tablets! of Zopiclone 3.75mg 1-2 tabs nocte to be used Infrequently.

Subject: RE: Update for Simon case

Hi Josey

- Can you let me know if when Simon case will be listed as we have not heard anything?
- Has the CPS sent anything else over if not we were thinking the pressure needs to be kept on the police and CPS for the discloser so was thinking it would have been better to have gone back to court by now so the judge can see what's going on?
- I know the CPS asked for more time and said they would have the information over to you by the end of business day on the **14/04/2014** this did not happen and again they asked for more time which has again passed, and they have not given the information over, is the judge going to be made aware of this as they had enough time already to give over the information that was asked for.
- They have now not done what the judge asked 4 times, and you have also given them 2 more extensions and still nothing.
- And I do think the judge needs to be made aware of this fact.
- Can we have an update as to what is going on, I know when I last talked to you on the **24/04/2014** you said you was going to put into the court on the **29/04/2014** so, I was thinking it should have already been listed for yesterday or today but have not heard anything.

New Assessment

Dr Jarvis (ST5),

Mr Cordell,

Mr Cordell's mother Diagnosis

➤ Adjustment reaction - predominantly anxiety

Medication:

➤ Nil

Plan:

1. If Mr Cordell would like to try medication Sertraline starting at 50 mg for one week, then increasing up to 100 mg would be a good choice.
 2. Crisis plan agreed with Mr Cordell if he feels like acting on his suicidal thoughts (call crisis team, or Samaritans or an ambulance).
 3. Discuss with team at MDT for advice around sources of support
 4. Mr Cordell to consider psychotherapy to address problems from the past.
- Thank you for referring this 33-year-old man with low mood, suicidal thoughts, and anxiety.
- He attended an appointment at the Silver Street Clinic 11.03.14 with his mother Lorraine.
- Mr Cordell explained to me that he is under a lot of stress at the moment due to a pending court case.
- He told me he is accused of burglary, but that he had been wrongly accused and the police had falsified items on his criminal record.
- He said that the record had led to the judge placing restrictive bail conditions including being at home in his flat after 8 pm.
- This has meant Mr Cordell has not been able to work for the last nine months (as he normally works as a DJ and party host with most work going on beyond that time).
- The bail conditions have just been extended for a further six months.
- Mr Cordell feels that these restrictive conditions have made him feel "a prisoner" in his own home.
- Mr Cordell describes feeling anxious most days.
- He says he has a poor appetite and has lost "3 stone" in weight over the last 9 months.
- He says he often finds his thoughts are overactive and will not give him any rest.
- Mr Cordell says he finds it difficult to get off to sleep, sometimes not until 5am, but then will stay in bed until midday.
- His mother says she has noticed him become "more aggressive" and trying to isolate himself from others. Mr Cordell says he frequently has suicidal thoughts and that he has been researching ways to kill himself "on YouTube".
- These have included "poisoning, over-dose, hanging".
- He said that he has tried to kill himself by hanging in the past.
- He says he has all the materials at home ready to act on his thoughts and has done so for the last nine months.
- He says what stops him from acting on these thoughts is a desire for justice, wanting to be proved innocent at trial.
- He says the police are very worried about him, saying "they know they have messed up and now I am on their most vulnerable list, I call 101 regularly, I had police officers out to my flat twice last week to check on my safety".

- Mr Cordell says he feels angry with the police, that he has been victimised by them because of the colour of his skin and that he will continue to be victimised by them.

Past Psychiatric History

- Mr Cordell tried to hang himself at the age of 16 when in a young offender's institution; he says he lost consciousness and needed to be resuscitated.
- He was moved to a high security hospital and kept in seclusion on several occasions, but he says he would destroy the padded cell with his teeth.
- He says he was seen regularly by a psychiatrist called Dr Caplin from "the safe project".
- He says there was a second occasion where he tried to hang himself when in a cell after he was sentenced.
- He has not had contact with mental health services for the last 15 years.

Past Medical History:

- Nil

Personal History:

- Mr Cordell was born at North Middlesex University Hospital.
- He has a younger brother and sister.
- Mr Cordell says he knows his maternal grandmother attempted suicide on several occasions and had had psychiatric hospital admissions.
- Mr Cordell's father worked as a union representative and his mother ran her own computer company.
- Mr Cordell says he did not get on well with his father who was a violent man.
- He was violent towards Mr Cordell, Mr Cordell's mother and siblings.
- Mr Cordell left home at the age of fifteen and was homeless for a while.
- He was placed in care after stealing a pint of milk.
- He was placed in a series of children's care homes around the UK but says that each time he would steal a car and drive back to London.
- Mr Cordell said he was pushed hard to achieve at school by his father and that he was "an A-star student" for most of the time.
- He says he was intelligent and would do the work at other times and as a result would often just "mess about" in class.
- He went on to college and studied engine mechanics, completing a city & guilds qualification.
- After

105

- leaving school, he went on to get jobs in the construction industry.
- Mr Cordell says he has tried to build himself up a business for providing party entertainment.
- At the moment he says he is not able to earn from this due to the restrictions of his bail.
- Mr Cordell has had one long term relationship which he describes as "my first true love".
- This is with a woman called Diana who is currently studying physiotherapy.
- They were together thirteen years, but he says she has moved back out of his flat in recent months.
- Mr Cordell thinks this is secondary to the repeated involvement of the police in their lives and the stress this has caused.
- Mr Cordell lives in a one-bedroom council flat.
- He says things have been financially difficult in recent months as his benefits were stopped and he has had to borrow from friends and relatives.
- His benefits have been restarted now.
- Mr Cordell says he does not smoke tobacco and does not drink alcohol.
- He says he does occasionally smoke "skunk".

Forensic History:

- Mr Cordell was put in a Young Offender's Institution at the age of 16 after repeated driving offences (driving without a license)

- Mr Cordell says he has not been in trouble with the police for several years.
- He had stolen some trainers at a festival in 2009 and prior to that had not been in trouble since 2005.
- He denied any violent offences.
- Mr Cordell currently stands accused of burglary.
- He has a solicitor, and the case will not be heard until July at the earliest.

Mental State Examination:

- Mr Cordell presented as a tall mixed-race man with short dark hair and beard, dressed appropriately in trousers and coat.
- He sat in a relaxed manner throughout our interview making good eye contact.
- His speech was a little rapid, but normal in rhythm and tone.
- His mood was described as "anxious", objectively it was a little low with a reactive affect.
- There was no evidence of formal thought disorder; content focused around; the problems caused by his bail conditions.
- He described suicidal thoughts but said he had no plan to act on the thoughts due to wanting justice first.
- Mr Cordell denied abnormal perceptions and was not obviously responding to any.
- Cognition was not formally assessed but appeared grossly intact.
- Mr Cordell could see that most of his problems flowed from the very difficult set of circumstances he finds himself in and that he did not think he is "crazy".

Opinion:

- Mr Cordell is a 33-year-old man presenting with anxiety and suicidal thoughts over the last nine months in the context of having a pending court case with no clear date or outcome yet.
- I would agree with Mr Cordell's own assessment that he does not have a major mental disorder.
- He has symptoms of anxiety in keeping with the stressful circumstances he finds himself in.
- He also displays a number of maladaptive psychological coping mechanisms, which likely flow from his difficult childhood with a violent father.
- His suicidal thoughts and acts have been a long running feature, becoming particularly acute at times of involvement with the criminal justice system.

Management:

- We agreed a crisis plan today should Mr Cordell feel inclined to act on his suicidal thoughts.
- We agreed he would either call the Crisis Team (0208 702 5060) or the Samaritans (08457 90 90 90).
- If these sources of support did not work out, I said he could always call an ambulance in an emergency.
- We agreed that he could try an antidepressant medication if he chose to, although he remained ambivalent about this at consultation.
- Sertraline 50 mg OD increasing to 100 mg OD after one week, continuing as long as necessary would be appropriate.
- I also discussed psychotherapy with Mr Cordell today.
- He was not sure about this at present.
- If Mr Cordell would like psychotherapy the IAPT (Improving Access to Psychological Therapies) service would seem like an appropriate place to get this.
- We have not made plans to follow Mr Cordell up.
- If you have any questions or concerns, please do not hesitate to contact us.

Yours sincerely

Hi Josey

- Simon date has been moved forward to see DR Jarvis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 silver street, EN1 3EP to tomorrow morning at 9.30am.
- Also can you please give us an update to the below emails as Simon would like to fully understand what went on in court last week as to the discloser and if any more discloser has been asked for, he wants to know if you will be trying to get the discloser from the pictures to the Feb 2013 case and if you will be trying to get the information as to what inspector went to the building before the party started and more times on the night, and the invoices as to what stock was there before Feb 2013 after Feb 2013 and before May 2013.
- as he really is not 100% sure what he is being charged with as to what damage and the amount of stock he was meant to have taken. And, to know what can be done with his bail conditions if he cannot get a letter from the DR right away, he is scared as it a new Dr they may not give him a letter right away until they have had more sessions?

On the 11/03/2014; I got assessed by Dr Jarvis, who's based on Silver Street, opposite the Enfield police station and Civic Centre, of my free will I arranged the meeting.

In doing so I explained to him all and showed evidence of how this had stopped me from working, he told me in reply that he would also get upset with the police if they done the same to him, I soon after left his office.

Hi Josey

- Would it be possible for Simon to get an update as to what will go on in court tomorrow, and who will be attending for him will it be Jemi?
- Also, will the court be hearing a bail application tomorrow and if not, can it be put in for it to be heard tomorrow?
- Update to Simon cases for Enfield Court which is on his PNC I have the list from Enfield Court which has took them 3 weeks to do as there were so many cases on the PNC.
- I have tried to call you many times and sent a few texts since I got the list from the court last Thursday so that I could go over the records, but I have not heard from you.

- From looking at the list there are 5 cases that need to come off Simon record for the Enfield cases.
- There is also an issue I have with one case which will need looking into, but I think I have to get my records from that date and see if it is the same case which I think it was as I can only remember one case that was ever at St. Alfred's Church right next to my house.
- When Simon, Tyrone, and me was arrested also at the church by me.
- If you remember you took Tyrone case away from mine and Simon due to Tyrone age and his case was heard on its own and Simon and mine was heard together Tyrone went to prison for this case and me and Simon got a not Guilty.
- There are also 2 other records that they missed out of the list I put in, so I need to address this also.
- So, with the other case for City of London for failing to surrender that will be 6 cases that are not correct on his PNC record.
- And that is without the one I have an issue with for St. Alfred's Church by me, and the other 2 cases they forgot to check. It's not that the records are wrong it is the case that the court does not have any records at all for these cases, and the lady at the court showed me what she had to look at to get the records which is very large books with each court listing within them for every case heard at court so how is it so many cases do not have any records at the court, yet they are on Simon PNC record I just do not understand.
- 2 are in fact Burglary's, 2 are for class B drugs, 1 is for Taking motor vehicle, Update for DR Jervis psychiatrist after him seeing Simon on the **11/03/2014** he has said he will be writing a report to Simon GP and a letter for Simon so he can give it to you, I have spoken to him today but due to a backlog the report has not gone out yet so we will not have that for tomorrow at court I do not think but Simon still wants a bail application for tomorrow if that is possible.
- Simon has also said he does still want the 999 calls that was made on the day of the party he hires his sound system out to; he does still want the name of the Inspector and any other police officers that attended the building on **04/05/2013 05/05/2013**
- The picture that the police took of the damaged wall and showed him that picture in interview.
- And the pictures for the **16/02/2013** that the police took.
- If there is any reason that you or Jemi feel that this information is not needed, can you please update us to the reason as Simon does not understand why these would not be needed for his case.
- Also, Simon has asked did you put the letter into the council as you said you would do for the person that attended the building on the **16/02/2013 17/02/2013**
- and the **04/05/2013 05/05/2013** as I said to you, I have put a freedom of information act into them, they did reply they did not have any information, but I have written back to them saying there has to be a record and I am waiting a reply from them.
- Can you also please let us know what time Simon has to be in court tomorrow?

Plan

1. If Mr Cordell would like to try medication Sertraline starting at 50mg for one week then increasing up to 100mg would be a good choice.
 2. Crisis plan agreed with Mr Cordell if he feels like acting on his suicidal thoughts (call Crisis Team, or Samaritans or an ambulance).
 3. Discuss with team at MDT for advice around sources of support.
 4. Mr Cordell to consider psychotherapy to address problems from the past.
- Thank you for referring this 33-year-old man with low mood, suicidal thoughts, and anxiety.
 - He attended an appointment at the Silver Street Clinic 11.03.14 with his mother Lorraine.
 - Mr Cordell explained to me that he is under a lot of stress at the moment due to a pending court case.
 - He told me he is accused of burglary, but that he had been wrongly accused and the police had falsified items on his criminal record.
 - He said that the record had led to the judge placing restrictive bail conditions including being at home in his flat after 8 pm.
 - This has meant Mr Cordell has not been able to work for the last nine months (as he normally works as a DJ and party host with most work going on beyond that time).
 - The bail conditions have just been extended for a further six months.
 - Mr Cordell feels that these restrictive conditions have made him feel "a prisoner" in his own home.
 - Mr Cordell describes feeling anxious most days.
 - He says he has a poor appetite and has lost "3 stone" in weight over the last 9 months.
 - He says he often finds his thoughts are overactive and will not give him any rest.
 - Mr Cordell says he finds it difficult to get off to sleep, sometimes not until 5am, but then will stay in bed until midday.
 - His mother says she has noticed him become "more aggressive" and trying to isolate himself from others.

- He gives a history of symptoms of anxiety and depression, which have been on-going for a few months.
- His symptoms have progressively got worse, and he has been having some suicidal thoughts, although he has not made any concrete plans to do anything.
- He says that the only reason he has not acted on these suicidal thoughts is because of his ex- patient and family.
- He is currently involved with the criminal justice system and is -currently - on probation.
- He is under curfew and there have been imposed- restrictions on his movements.
- He says he is finding it very difficult to cope with the conditions of his - sentence, mainly the confinement to his home.
- He says that his relationship with his partner appears to have broken down because of what he describes as the tough - conditions of his probation.
- He continues to feel very low and anxious when he is confined- to his home. –
- He is having difficulty sleeping.
- He has had problems with depression in the past and was referred to the psychiatric services in **2012**.

- I will call you tomorrow in the afternoon to discuss.

Hi Josey

- Please see the email I got for Southwark council.

- **04/05/2013 05/05/2014**
- before it had even happened as they got information on the **01/05/2013** that a party was going to take place on the **04/05/2013** so, they went to the building on the **01/05/2013**
- and spoke to the squatters on this date which proves it was already being squatted before Simon went to the building on the **04/05/2013**.
- Simon always through the council told him that the Noise Abatement Notice was put on the building in the **Feb 2013** but as you can see it was put in place on the **03/05/2013**
- But I wonder who give the council the information on the **01/05/2013** about the party for the **04/05/2013 05/05/2014** it must have been someone that the council would have believed could it have been the police?
- It also does show the police was there but that the council did not take their IDs which does not help but it does show the police was there.
- Also is there any update from Jemi about the **18/03/2014**
- for court as to what was said, and the bail application?

CRHT:

- Mother, Lorraine: 0208
- Father, Ben: 07415
- We spoke initially with mother on phone.
- She reiterated that Simon has suffered years of harassment by the police for past offences.
- Not all true.
- She has spoken with him today and he has been extremely angry with her and the father.
- We stated to mother that we will be tactful and say only that the family were concerned.
- We attended the flat around 17.30.
- There were police outside.
- They had been attempting to enter as they had received complaints from neighbours due to Simon screaming out in distress.
- We spoke with the officers and explained that we were from the mental health services.
- They stated that they had not properly spoken with him and observed him to be holding a small gas cannister, possibly sniffing nitrous oxide for recreational purposes.
- We all jointly spoke with his mother, and she requested that CRHT do not attempt to see him following this as it will antagonise the situation.
- 19.30: Spoke with Lorraine.
- She stated that a friend is currently with him, and he is calmer.
- The coincidental timing of the police attending has caused him to blame Lorraine for calling police.
- He is convinced that she is also conspiring against her.
- he has stated to her that he is feeling persecuted, he is paranoid and suffering ideas of reference from the TV constantly.
- Lorraine explained that he has had an **ASBO** put on him due to being aggressive when in court, he has been bailed to his own address c/o a burglary accusation in June 2014.
- Lorraine spoke of her own mother who has been treated for BPAD and was prescribed clozaril with good effect.
- Mother is now deceased c/o cancer complications.
- Lorraine states that Simon has suffered sexual abuse as part of a paedophile ring when younger.
- This is the source of his anger and subsequent treatment under CAMHS.
- He has refused to talk about it for years and has declined any therapy / counselling for this so far.
- Lorraine states that she does not want him to be asked about any sexual abuse.

- I informed mother of the remit of HTT and that he may be potentially prescribed an antipsychotic for his emerging paranoid psychosis.
- She reiterates that he will most likely refuse all medicine interventions.
- He has been prescribed medicine for Crohn's disease.
- He does not take.
- **We have mutually agreed to plan:** CRHT to call mother tomorrow am to negotiate another visit to assess

- Telephone call received from Simon's Mother to say that he is really unwell.
- He is extremely paranoid towards her; he thinks the television is talking to him and is having quite a lot of trouble with the police.
- He is very paranoid towards them also.
- I have given her the number for the Hub to make a referral for her son.
- He is currently staying with his Father as he is so paranoid towards his mother.
- She said that his father would help as much as he could, but he doesn't know how Simon will react if he hears his father talking about him.

The Medical home treatment team came to set me up and get me because of Ozzie: - Clinic!

- With the whole understanding, my mother sub jested that I rearrange a meeting at the clinic and attended with my issues of concerns being raised, so I arranged the appointment for the following morning.
- When I attended the clinic for the second time I once again had to wait for what was a long time to get seen, when a acclimatizing asked me to follow her into a room, by me doing what she requested we took a seat in the room and spoke, while discussing the issues that I was trying to solve, so to be sure of the full understanding of a true and whole picture of what was going on in my life, I took a look into the folder the culmination had in her position on her desk top table, this folder related to my medical notes, on doing this and taking the best glance possible of the paperwork, I noticed the test result said it subjected that I may be a carrier of the blood, so showed my upset and requested an official company headed letter to get made to

my person so for it to state this new information of relevance and also request that of a formal apologise, the clinicians agreed for this to get completed and I left their premises to go back home.

The Medical home treatment team came to set me up and get me because of Ozzie: -

Update: 19/11/2014

- Not being able to bear the sound problems with my flat anymore; I thought what gets done to me, is; “wrong.”
- This was when I was to realise how inadequate the sound proofing in my flat really, was. Because Ozzie had wanted his friend to live with him, he kept pretence that he could not hear me and my first partner over the first five years.
- I was to find out how much this was a lie.
- I was angry with Ozzie because he caused a lot of unneeded stress on my relationship, for so many years prior and he kept breaking promises to fix the problem.
- So, when the police arrested me in the burglary case and I got put on the bail conditions I had gone to Ozzie house and spoke to him, I took a seat in his flat with him, so to sort out the problems in mine and my partner’s life’s, I did this so to address Ozzie with the issue.
- I explained myself in full and how this was having an effect on us.
- After coming home, I had been upset due to what had got explained to me, by my new partner at that point in time.
- What I was to find out later was that Ozzie had been listening through the walls of my upset.
- I still to date cannot believe what he has done to me, and my loved ones, he had made an emergency 999 phone call to the police about overhearing me in my own home and then the police called the doctors to arrive for the first time in my life and this was not the only time the doctors would visit me.
- Allegations state that I became paranoid about my mother to whom I and my mother disputed, the home treatment team attended my home address on this date and made a call to my mother.
- When the home treatment team turned up to my flat the police was already there, the home treatment team phoned and spoke to my mother asking her, if she understood why the police was there, which she replied to them no, she also explained to the home treatment team that the police kept coming into my flat for no reason.
- The Home treatment team then talked to the police and left my mother on hold.
- My mother heard what got said by the police to the home treatment team as too why they were at my address again.
- The police said they got a phone call: stating that I was shouting, they gave the home treatment team 3 different door numbers to my entrance door, which were all wrong. Not one person admitted that they understood who made the 999 calls to the police.
- The Home treatment team told the police to leave.
- On this day I was fine until the police turned up at my flat once again.
- I was not shouting or upset, so do not really, believe someone called the police, worried about me or if they did, they were setting me up.
- Due to how the police are with me, I got upset and would not open the door, so I sometimes shout to the police in these situations, through the door, as I feel safer, the police do not leave me alone, so why would I open my door when I am on my own, I always feel safer waiting until someone I have contacted gets to my flat, so they can see what is going on.
- Home treatment team told my mother I seemed to upset for them to talk to and she told them it was no wonder the police are going to his flat all the time when he has done nothing wrong.

- T/C was made to Simon's mother this morning to inform her that we were planning to come and Ax Simon this morning.

- She informed me that Simon remains very paranoid, guarded, and abusive to individuals.
- Currently she said his father is with him.
- Having arrived at Simons property I called Simon's father on the phone.
- I asked him whether we could Axe Simon.
- He said at present was not good, we would aggravate Simon further.
- I tried to ask him how Simon has been however he was reluctant to answer fearing Simon may know who he is talking too.
- Simon was heard shouting in the background.
- 'Who the fuck is you talking to?
- what do they want?
- Get the fuck out of my house et out I don't want anything.
- 'Simon continued to shout abuse at his father.
- He was heard to have been very paranoid and abusive.
- Simon's father then said we would not come back and that we should leave Simon alone.
- He was heard trying to calm Simon down in the background.
- We were unbale to Ax Simon.
- Given the risks posed by Simon and the concerns from his family **and neighbour**, Simon is not willing to engage with the HTT or be Ax.
- I feel that this needs to be discussed with the team consultant for possible MHAA??

PLAN

- Discuss with team consultant for possible MHAA??
- If Simon is to have a MHAA then a warrant will be required **as Simon has an extensive forensic history** an also **at present will not allow anyone to see him.**

Dear Rachel and Martin

- I am writing this email as I said on the phone the other day to you there is big problems with Simon Licence due to KGM I do not have counterpart issue 21 Simon lost it ages ago.
- Due to KGM and all the time Simon vehicles was sized due to then showing as not insured Simon cannot even drive as his licence has been revoked for no insurance.
- Which as you are aware, he was in fact insured.
- As I said, no summons came for 2 of the seizers so we did not know about them going to court and they found him guilty of no insurance when in fact he was insured the reason we found out was DVLA wrote to us asking for Simon Licence to be sent to them to add the points, these 2 cases I am asking the court to set them aside and reopen the cases in the email to the court I have sent a copy of Simon insurance.
- But the 2 courts are taking their time about it to do anything or set a new date.
- We got one summons out of the 3 cases that I am trying to deal with and sent that off saying not guilty I done this by email also and sent a copy of insurance but this is the case where the police officer spoke to KGM and Martin to which both said he was in fact insured then the police officer said Simon had tools in his van which he did not and KGM was going to void his insurance due to this Martin is well aware of this

one and so is Kelly Tiller at KGM I have asked both KGM do data about this and also Martin to write an email about this but none has done this as I have had not repose to what I asked.

- There is also the fact no letter come from the court with a date this was going to be heard, this case is listed to be heard at court on the **26/11/2014**
- Therefore, as you can see due to KGM and Simon insurance not showing on the MID database this has had a huge impact on Simon if I could apply for a new Licence I would but due to it being revoked I cannot get this.
- Therefore, the counterpart you need cannot be dealt with until all of this goes to court and is sorted, and this is no fault of Simon's.
- Simon licence at this time due to the no insurance will have points on it due to the no insurance this is a mess due to what KGM done with Simon insurance, I have kept asking for things to send the court but have had nothing, so ATM Simon has insurance and cannot even drive.
- Which in itself is totally wrong.
- I am also at this time writing a letter to the insurance ombudsman as it has gone too far Simon losing his licence when in fact he did have insurance and it did not matter how many times we called Martin and KGM the MID database was not corrected, until the compound noticed what was wrong and then we forwarded this information over to Martin and KGM, at this point KGM did in fact sort his car out on the database but not his van this did not happen for some months after due to us keeping on about it to KGM.
- And it was all due to a space being placed in the database within the reg of the vehicles.
- Simon ATN is out of packet by a lot of money due to the sizers and due to paying for insurance that he cannot even use now due to this mess which is not right.
- I do not know how this is going to be dealt with as I cannot send you the document you are asking for Broadsure knows my son has a licence as Simon has been using Broadsure for the past 3 or 4 years can you please get back to me about this matter as you said you would talk to Martin after our last call, and I have heard nothing.

- A long time has passed by and I am still being victimised by the already mentioned.
- Stan and Debra inclusive of the Mathiyalagan family members and they have now breached my human rights on a day to day and night to night basis this is while Stain and Debra are always both drunk and fuelled on alcoholic drinks when they are both together, this tortures behaviour of theirs towards me gets done to an extent off an attempted manslaughter charge that would be in accordance to section 18 of that Act and would also include proof of clear intent for the reasons such as sport “Cruel inhuman treatment is what they force upon me to suffer with.
- I know this as I rapidly, told them all that are definitely involved in the unhuman act of torture that I personally, had not gotten in a sense, tricked by their evil banging on the floorboards and walls at me, even with or without foreign objects being used at different times by them, on numerous instances this evil behaviour of theirs contains the use of their feet and hands inclusive of the objects and fixtures they use against me that I did past mention about.
- Together they work in collaboration to maintain a 24-hour assault on myself to get overseen and managed in their wrongful self-gains.

Harassed by the doctors

Again, for the second time!

- I got again harassed by the doctors on the 25/11/2014 yet again and this had not got done of any wrong doings of my own.
- The doctors came to my home address with no prior warning.
- I found out that their intentions were to do a MHA assessment on my person, even low there clearly found nothing wrong with me in the past, but I still allowed this assessment to take place, so for it to happen to me, and once the doctors finished doing their further checks on me, they all together stated, after they finished testing me out, that I seemed to be acting much calmer than the last time that they attempted to visit my home, after we all spoke to each other I knew that something did not seem official about why they kept doing too me, when the kept attending unannounced at my home and then intimidating me with their mental health acts, I remember closing the door on them as they left and feeling like I could tell that they would be back again.

Summary of assessment

Patient’s name

➤ Simon Cordell

Date of assessment

➤ [25/11/2014](#)

1. Referral details and any other precipitating factors

➤ Mr Cordell was referred to the Enfield CRHT by his mother on **19/11/2014** as she was concerned that he was mentally distressed, paranoid towards her and thinking that the television was talking to him. According to his mother, he has had several incidents with the police recently and they were also worried about his well-being.

- Mr Cordell's mother was concerned that he was not willing to accept any help from the family.
- Mr Cordell's father had tried to help him on **19/11/2014** and went to his flat but Mr Cordell had asked his father to leave his house after seen his father talking to professionals from the mental health service (HUB).
- According to his mother, Mr Cordell had suffered years of harassment from the police due to his past offences.
- The police had attended the property as Mr Cordell's neighbour had complained that Mr Cordell was screaming in distress.
- The police had observed him holding a gas canister, which is usually used for recreation purpose and spoke with the CRHT colleague about his current situation.
- Mr Cordell's mother had requested the ECRHT colleagues not to see him on that day as she had feared that it might antagonise him.
- When the ECRHT colleague went to see Mr Cordell on **20/11/2014**, they observed him being abusive towards his father and did not want to meet with the CRHT colleagues.
- Mr Cordell was subsequently referred for an MHA as he had refused to engage with the ECRHT.

2. Relevant social and medical history

- Mr Cordell is living in a council flat on his own.
- He was in a long-term relationship, but his girlfriend had broken up with him 2 years ago.
- He was a victim of a large paedophile gang as a young child and was seen by CAMH and has a history of violent suicide attempts in the past.
- He has had many incidents from the police since in his late teens.
- According to his medical records, he was put in a Young Offender's Institution at the age of 16 for repeated driving offences, mainly driving without a license.
- Mr Cordell has an ASBO put on him due to him being aggressive when he was in the court for burglary in June **2014**.
- The case at that time was dismissed.
- He has reported his ASBO is affecting his ability to do anything constructive in his life.
- He said that has tried to set up a business for providing party entertainment, but he has not been able to do anything due to the restrictions of his bail.
- He was attending a youth centre in Enfield up and fought hard to keep it open with petitions etc.
- He is suffering from Crohn's disease and according to his mother, he has not been taking medication for this disease.

3. Record of interview with patient (Include where it was conducted who was present and use of police if required during process)

- The interview took place at Mr Cordell's home address.
- Those attended - M G, AMHP, I A, AMHP trainee, Dr M and Dr a S12 doctor. Mr Cordell put his dog in the back yard.
- The reason for the visit was explained to Mr Cordell and he was interviewed appropriately.
- He was very calm throughout the interview.
- He said he has been stressed with the fact that he had not been able to do anything in his life due to the previous bail conditions.
- The ASBO is affecting his business opportunities.

- He said he would like to build up his business and get on with his life, but he is not being able to do this.
- He said he is spending most of the time indoors and occasionally taking his dog for a walk.
- He said he is working on his computer, trying to fix his website.
- He stated that he is getting sleep but found it being difficult for few days as he was working on his computer late at night.
- He denied drinking alcohol or taking any illicit drugs recently.
- When asked about the support he would require from the mental health service, he said that he would like to get some advice and move on with his life.
- He said he has not thought of harming himself or others.
- He was optimistic that he would go through this difficult situation and recognised that his grandmother's recent death had also contributed to his problems.
- He has agreed that he would contact the mental health crisis service if he needed help, or he would go to the North Middx A&E if he felt bad in the future.
- He said that he had contacted the crisis service in the past and he knows how to access services.

4. Assessment of risk to patient and/or to others

- [Mr Cordell had told the mental health professional in March 2014 that he had suicidal thoughts and he had been E-searching the ways to kill himself on YouTube.](#)
- [However, he said today that he is a strong person, and he has no intention of harming himself or others.](#)
- As he has not had any thought of harming himself recently, the risk remains low at present.
- He said that he knows how to get help if he needs any support in the future and he was given contact information about the ECRHT.
- Risk of social isolation: He has stopped attending youth centre and not going out as he used to do in the past.
- He was advised to go out at least for a walk with his dog daily and he has agreed for this plan.

5. Consultation with Nearest Relative and process of identifying the Nearest Relative

- Mr Cordell is not married and living on his own.
- He has no children aged over 18 years of age.
- His parents are ordinarily residents in the UK.
- His father is the eldest of the two.
- However, his mother is providing significant and substantial care for him on daily basis.

- His father does not see him regularly and or provide any substantial care for him as his mother.
- Therefore, his mother is the Nearest Relative according to S26 (4) of the MHA.
- She described a complicated relationship with the police since he was 14 and guilty of driving stolen and other cars without a licence.
- More recently he has grown up and she still feels he is repeatedly targeted by the police.
- They often stop him to ask about his welfare and then use this to search him.
- She denies that he used any street drugs but then admitted he used to do this, and the last assessment had been after he had attended a festival and gave in to peer pressure taking lots of drugs.
- She claimed he is not using drugs now but then admitted he does use (laughing gas) from time to time

6. Consultation with Assessing Doctors

- Both the assessing doctors had agreed that his problems are mostly related to his early history and losses of significant others over the past 2 years.
- **Dr Moorey** was of the opinion that counselling could make matters worse and that he should be encouraged to continue to work towards his long-term goals.
- The doctors felt that Mr Cordell is managing his difficult situation well and said that he can call crisis service if he requires support in the future.

7. Views of others consulted

- Mr Cordell is reported to saying that he did his best to help but, on the whole, left the caring to Simon's mother his ex-partner who is heavily involved.

8. Mental Capacity Act 2005

- Mr Cordell has capacity to decide on his present crisis situation.
- He has agreed to call the mental health service if he requires support in the future.

9. Reason for the decision to make the Application (including choice of section

- It was decided there were no grounds to admit him to hospital as the doctors who attended the Mental Health Act assessment agreed that Mr Cordell is not suffering from a mental disorder that would require a hospital admission either voluntary or compulsory.

	1 • The Brixton case: --	26/11/2014							

	The 26/11/2014 on this date I had a court case at Wimbledon magistrates court that I had got orders to attend the Brixton courthouse in reference towards, an incident that did get related too, where I got accused of using my vehicle insurance policy for other business reasons than the policy got taken out by me for. I got found guilty and attended home in anger with a driving ban, the case latter got overturned in my favour. 2 • My 1st Asbo Response Bundle/ pub Book Issue: 1!
