Subject: Simon Cordell application

to transfer legal representation Simon Further to your telephone conversation with me today during which you have accused me of not representing you correctly and not defending your case properly you leave me with little choice but to list the case at Woolwich Crown Court in order that your legal representation order can be revoked. I am cancelling your 2pm conference with me for Tuesday

04th February 2014

I am not prepared to be subjected to threats about you blackening my name over Facebook. I work very hard for all my clients and my track record as a Criminal Defence Solicitors attests to that. I have represented you since you were a juvenile to the best of my abilities, and I have never not defended a client properly or tried my best for my client. You stated that during the telephone conversation that the Judge asked you to change your solicitors at the last bail hearing on Christmas Eve. As you are aware, I was on annual leave from

23rd December 2013

I made the bail variation as requested and you were not happy as the court did not suspend your curfew. That is the simple fact of the matter here. You also stated that during a conference with Jemi, the barrister that I appointed for you that he also advised you that I was a poor solicitor and not acting in your best interests. You only raised this today and I will most certainly be taking this accusation up with Jemi and his clerks. I asked you to confirm this in writing and you have refused to do this. I again ask you to confirm this in writing as Jemi will have to respond to this allegation. I will be asking Jemi and his clerks to comment on the allegations that you have made. You will of course appreciate that if Jemi does not agree with your accusations that he will probably refuse to represent you. You are accusing him of slandering my reputation by saying that Jemi says I am not representing you properly

and that he advised you to change your solicitors. With regards to your complaint in relation to the bail variation you were asked in a number of emails to provide full details of your plans, venues etc and you did not do this instead you shouted down the phone and refused to give specific instructions. When you eventually did give the requested information, it was too late to apply to have the bail position varied. I suspect you know what the court's attitude to the requested variation would be in any event. With regards to the request for the original receipt I have to provide this to the court in an addendum to your defence case statement and the police will then make their enquiries. I am sorry that this position has arisen, but you have left me little choice in the matter. I wish you good luck with your case and I will confirm the date that your case is listed for the revocation of legal aid. I will aim from Tuesday or Wednesday of this coming week. Can you please confirm by return email the advice that Jemi gave you at your conference at Isleworth Crown Court and also please confirm why it took you so long to raise it with me? You telephoned me on a Sunday, reserved for emergency phone calls. You should have raised it back when you had the conference with Jemi. You have raised it now and I will deal with the accusations now. I await hearing from you by return email with regards to Jemi.

Lorraine

I am sorry that I am left with no choice but to apply to Woolwich Crown Court to have Simon's legal representation order revoked. I hope that this will not affect my friendship with you, Benjy, Dionne or Tyrone.

This is not a personal decision or one that I have come to lightly. My professional integrity has been called in to question and slanderous threats made and I cannot condone that.

Take care and I will chat you hopefully in the near future.

Subject: RE: Simon Cordell application to transfer legal representation

Hi Lorraine

It is 10.47pm. I do not have Simon's file at home with me. I will ask Jemi to respond to the allegations made by Simon re his conference on

13th December 2013.

At the same time, I will ask him and his clerks to respond to why the Christmas bail variation was not made on

19th December 2013.

As you are both aware, I was on annual leave until

06th January 2014.

Simon's case is listed for trial in

June 2014.

There is enough time to secure the information but there is a process. With regards to the section 8 application Jemi has been on notice that this has been required since before Christmas. A detailed defence case statement was submitted and as a result of this document and the Crown's failure to disclose the requested items that the Third-Party Disclosure arise as did the section 8 application. If the Insurance company believe Mr Patel has committed a fraud, then it is their decision whether he is prosecuted. Nikki Diamond has to confirm her unwillingness to disclose the file before I can apply for Third Party Disclosure. I cannot take a statement from her as part of her statement will require her to disclose and exhibit as part of that statement the original insurance claims and she cannot do this as client confidentiality arises. Re Simon's most recent request to vary bail he did not provide the information when requested. I have dealt with this point already as I have re the Third-Party Disclosure and the section 8 application. I am not prepared to have my professional judgement or integrity called into question. Simon threatened to blacken my name on Facebook Lorraine. I am reliant on instructions from my client re bail variations. I am reliant on Counsel drafting applications re section 8. I drafted Simon's original bail application and defence case statement well within the time limits. All other requests to vary bail I have made. Due to the number of bail variations Simon is aware of the process and trying to get the variations agreed administratively. He is also aware of the attitude of the Court to his case the issues regarding Simon's case when I am on leave, I have no control over. Simon himself caused problems in this case by

(a) his behaviour on arrest

(b) his comments to police when the police were at his house re the number of items bought as a job lot. There was no evidence of this apart from what came from Simon himself.

(c) The gazebo in his garden was easily dealt with as he had the original receipt

(d) Simon ignoring legal advice in his interviews (e) Simon's inaccurate interpretation on the law on burglary and what squatters can and cannot do whilst squatting in a building. There is a risk that Simon will be convicted in this case and this is not through the fault of **Michael Carroll & Co** or my representation but through his own conduct on his arrest and at the police station. To try to blame other people for the position he finds himself in is very wrong.

Simple questions to consider:

1. Did the police know about or have any evidence re the job lot answer No until Simon himself revealed this

2. Could Simon explain his DNA in a moveable object answer. Yes, and he would have achieved the same result as Naomi

3. Could police prove the Venice chair came from warehouse no. Information on this again came from Simon

436.

4. Is Mohammed likely to be a witness as to sale of the items?

No because he will have to be advised to obtain independent legal advice as he could incriminate himself This was better left to cross examination at trial as too late then to produce invoices, but Simon obviously does not agree. This will be an example of Simon making a further tactical mistake as he did during the comments to police at his address and

again in interview. The Judge and prosecution will be influenced in making decisions in this case based on Simon's conduct before arrest, in interview and his previous convictions. The point that Simon is missing is that a prima facie case exists, and this case will go to trial. Simon should reread his interview and his attitude in his interview where he effectively suggests it serves the owner of the premises right for having his premises burgled. If Simon had not made such foolish comments when he was arrested and instead followed sound legal advice at the police station then we could have made representations to review the case but based on his admissions at his address, coupled with his interview this was impossible. At the start of this case Simon was very much mistaken with regards to the law. Tactics and timing are important in cases. Simon does not want to allow Solicitors to make tactical decisions so the best of luck to him. Once I get an email back from Jemi re the conference and section 8 application I will be listing this case to have the legal representation order revoked. During the telephone conversation today Simon again was abusive, he questioned my professional integrity, my ability to defend my clients and he threatened to slander my name. I heard him loud and clear Lorraine. All I can say is he has a very short memory. I know exactly how many times I have represented Simon and how many of those cases have resulted in a charge or a conviction. I am duty solicitor at court tomorrow and I will email Jemi in the morning. I will request an urgent response from him, and I will then let you know when the case will be listed.

Kind regards

Josephine

Hi Josey

Simon has asked me to write this email, so I am just writing what has been asked and the facts he is saying. As you are aware Simon is not great with Emails or letters and replying to them due to his writing and spelling. Simon has said he is not treating you in anyway, yes, he did say he was going to put his papers on Facebook to ask people what they feel about his case. He would then be able to obtain feedback from the general public. He feels there have been many errors in his case, some of these errors he wants me to list below.

437,

His case was listed for the warn list for the

16/12/2013,

this could not happen due to issues with the crown not giving the information over. You at this time wanted it to go to trial and the morning the trial started wanted to list information that was needed for Simon case. When Simon went to see his Barrister on the

13/12/2013

the barrister new nothing about the case and asked Simon to explain what his case was about. While Simon was explaining his barrister told Simon not to rush, Simon showed the barrister the invoices for the case and the barrister said these invoices were hear say, can he prove the items were even in the building at the time Simon was there. The Barrister asked where the disclosure, as what we showed him was rubbish. We had most of the case files with us that you had emailed to us. The Barrister asked has a section 8- and Third-Party Disclosure been put in, we told him no he said as soon as we get back get your solicitors to put a section 8- and Third-Party Disclosure in it should have been done already don't delay get it done today. Solicitors aren't doing the job properly get onto them. The Barrister asked when is this in court we said next week, to which he said I don't even know why you've been sent to me for this meeting as I'm on another case until Tuesday, Wednesday so won't be able to represent you. The barrister also told me to get a copy of my interview tapes and go over them and mark any part that is wrong on the crown's paperwork. Simon had about a 20 min with his barrister before the barrister had to go back into court. When an application for a Section 8- and Third-Party Disclosure was put into the court on the

19/12/2013

There was a time given that Simon solicitor had till the

16/01/2014

to submit the section 8 and the Third-Party Disclosure to the court. And that then the crown had until the

16/02/2014

to give the information that had been requested. If the crown failed to give the information the case would need to be relisted in court so this could be address. As of today's, date

02/02/2014

we still do not know if the section 8 and the Third-Party Disclosure has been given to the court. The last email from you on this subject was dated the

27/01/2014

where you told us that Jemi has drafted the section 8 applications that require minor amendments before it can be served.

438.

As for the Third-Party Disclosure as of

29/01/2014

a letter to Nikki Diamond from the insurance company had just been sent over by yourself, I believe that this is the process that needs to happen before a Third Party Disclosure application can be put in as you need it in writing that the insurance company is not willing to hand over the file without the Third Party Disclosure. On the

13/12/2013

a call was made to Cunningham Lindsey where we talked to someone about the case for the insurance part of the claim, we were told that Nikki Diamond was not due back into the office until the

16/12/2013.

On the

16/12/2013

my mum called Cunningham Lindsey to talk to Nikki Diamond where we were told that Nikki Diamond was working from home that day and given Nikki Diamonds mobile number to call her. My mum then made a call to Nikki Diamond and we chatted about the case telling her what had happened in Simon case and what we believed had gone on. Nikki Diamond was concerned about what we had told her over the phone, and at this told us she needs to put this to her manager and could she take our phone number so that her or her manager could call us back. I give Nikki Diamond our contact information.

On the

17/12/2013

my mum took a call from Trevor Allaway Commercial Special Investigator for Cunningham Lindsey my mum and Trevor Allaway talked for some time over the phone about the case at which point in asked that could he have a meeting with Simon to take a statement from him, he also said he did not want to step on Simon solicitor feet and to please advise our solicitor as to what was going on and that he would like to have the meeting with Simon. After the called I Emailed you what had gone on and forwarded you a copy of the email Trevor Allaway had sent. You replied asking if the insurance company aware that Simon is awaiting trial for burglary. I replied yes; they were as I had disclosed this to them on the calls that were made. Nothing was done with this information so on the

08/01/2014

my mum made a call to Trevor Allaway to setup a meeting with him at my mum address this was set for the

13/01/2014

at 11am, when my mum spoke to Trevor Allaway, he told her that he will be being the complete file for the claim with him to the meeting. On the

13/01/2014

the meeting with Trevor Allaway went ahead. Where information was given by both parties. There was shock also on both sides about parts of information that was spoke about. Trevor Allaway even showed us pictures of which Nikki Diamond had taken on the

28/03/2014,

and was shocked to see the picture the police had taken for my case as they were the same pictures Mr Patel & D Patel had done nothing to the building and now, I was paying the price due to this. Trevor Allaway also made a call to Nikki Diamond to get dates for claims etc and to make sure he had all the facts correct. Nikki Diamond gave the dates of

439,

17/02/2013

for the 1st claim

25/03/2013

for a 2nd claim

07/06/2013

for the 3rd claim

We were shocked there was in fact a next claim we knew nothing for the

25/03/2013,

and also, the date for the last claim of the

07/06/2013

when in fact Simon case was for the

04/05/2013

We asked Trevor Allaway why the claim for

17/02/2013

and the

25/03/2013

was not paid out he said we did not believe the claim was real. He also said that when someone takes out insurance, they have to put down the condition of the property, and they also believed a lot of the damage to the building was from an earlier date. Trevor Allaway also said that to get out solicitors to go and get a statement from Nikki Diamond as she would be a creditable witness for Simon. All this was explained to you with an email that was sent to you on the

13/01/2014

by my mum and a phone call where I talked to you when you were on your way to the prison to see someone. I at this asked you also about his birthday and you said if Nikki Diamond could do a statement that said everything, I had said then there should be no problem for my birthday. My mum did get a next email from you that day asking for Nikki Diamond information as when the 1st email had been sent to you my mum had forgot to put it, my mum replied with the information for Nikki Diamond being mobile number and office address she could not at this point find Nikki Diamonds email address so this was not included. Emails was sent on the

15/01/2014

and the

18/01/2014

asking if a date had been setup for you to take the statement from Nikki Diamond and if the section 8 and the Third-Party Disclosure has been given to the court and for an update. You replied to this on the

18/01/2014.

On the

21/01/2014

my mum emailed you about the application for my curfew for my birthday, you replied to this asking for his plans for his birthday so you could put the application into the court. On the

22/01/2014

when I went to mums, she showed me the email I was upset with this due to the fact I did not see why I needed to give the locations as to where I was going. You said you had to have this to put the application in. My mum emailed you the details as to where I was going. As we had not heard anything, I believed the application had been put in and that it should have been heard on The

24/01/2014

my mum late on the

24/01/2014

emailed you and texted you to get an update as to the application. There was no reply to this from you until the

27/01/2014

where you told us, the application could not be put in due the notice you need to give the court.

440.

You also in that email explained the process needed for the Third-Party Disclosure application. In which was the 1st time I knew a letter would be needed to be sent to the insurance company and they would need to refuse to hand over the files before you could go for the Third-Party Disclosure application through the court. And also give me an update as to the section 8 application that you could confirm that Jemi has drafted the section 8 application that requires minor amendments before it can be served. But you knew this was needed when the application was put into the court on the

19/12/2014

when the application was heard for the section 8- and Third-Party Disclosure. So why was this only being address on

27/01/2014

when this then had already passed the date of the

16/01/2014

to hand the application into the court.

I feel this delay will again make my case take longer as there is still going to be a time given by the court to the crown to reply to the applications. On the

29/01/2013

a reply was made by email from my mum. Explaining parts in the letter that you attached to the email you sent on the

27/01/2014

for Nikki Diamond about the discloser of the file was not correct and needed amended. She also wrote that I still wanted a statement taken from Nikki Diamond due to this helping my case. You replied to this email on the

29/01/2014

saying that, the statement from Nikki Diamond will follow after the Insurance Company discloses the claims made by Mr Patel, whether voluntarily or by Third Party disclosure. I do feel this statement is 100% needed sooner not later as once this is shown to the crown I sure they will rethink their case on me. As I feel at this time this is an unfair trail due to how Mr Patel has used my case to be able to manipulate his insurance claim due to what has already

been discussed with Trevor Allaway. And this is a clear breach in my human rights to have a fair trial. Also, on the

19/01/2013

when the application went into the court a bail application was meant to have been done at the same time for my bail conditions over the holidays that were upcoming. For some reason the bail application was not heard so you relisted this for

23/12/2013

to be heard by the court, you sent a text to my mum after you found out the outcome of this bail application in which you said I was on an electric tag to my mum address, and that the curfew was not lifted that Serco would come to my mums address to install the tag there. I got very upset with hearing this as I for one reason I was never on an electric tag for this case from the start of it. I did try and call you and I got no reply so I called the court explained to the court the issues I had and was advised to call my solicitor and ask them to relist the case for the

24/12/2013

this would need to be done within the next 20 mins. I then called the office and explained this to someone in the office and was told I would get a call back. I did not get a call back but at around 21.47 that evening you texted my mum saying that Simon needed to be at Woolwich crown court at 09.45 on the

24/12/2013.

On the

24/12/2013

I went to court and my mum come with me, when we got there, we were told the case was not listed before 11am. So, we waited at the court at around 10.50 as a barrister had not turned up for me my mum texted for to ask the name of the barrister that would be coming that we were outside court 7 waiting,

441.

there was no reply to this text so at around 11.10 I made a call to the office and spoke to someone there that told me a barrister would not be attending, I was really upset with this but what could I say. I then saw the usher of the court and told her what was going on, she said why had the solicitors told me to come here and yet now there would not be a barrister and not tell me this beforehand, she told me she would talk to the crown who was in the court room and explain to him what was going on and then let me know what could be done. About 5 mins later she came out of the court room and told me that the crown was going to call it on and see what could be done. It was called into court and when the judge heard I did not have a barrister she asked the clerk of the court to call the office and see what was going on, which the clerk on the court did, when she got off the phone she told the judge no one was coming to the court for me. I stood up and tried to explain to the judge what had gone on. My mum at this asked the judge if she could explain it and the judge said yes to come forward, she could hear what my mum was saying. My mum explained to the judge about the

19/12/2013

and the

23/12/2013

the judge was at loss of what could be done as the rule that had been made on the

23/01/2014

she could not change as this would be dealing with a judicial review and she could not hear that. The crown then asked if he could speak to the judge and said that due to new evidence, she could hear it on them grounds. The judge at that replied yes, she would like to hear this but I did not have a barrister she then went on to ask the barristers in the court room would they be willing to represent me and told them that I had legal aid and that it would be marked

on the file. One stood up and said yes, she would stand in. the judge then said to us to go outside with the barrister and speak to her and when ready it would go back into court. We went out explained to the barrister what was going on. She told us that even from what she had heard in court that I should really think about changing solicitors. It went back into court and the judge heard the case and my bail was varied on the

01/01/2014

my mum again texted you due to an issue where I got arrested, she had tried to call the office but there was no answer of a voice mail message to give a number to call. No one got back to my mum so when she got to court, she had to ask a solicitor that was on duty that day to help me. He said he was not meant to as I had legal aid for the case already, but he would go and speak to me, he did in fact represent me in court that day. On the

03/01/2014

I asked my mum sent you an email to ask if my case was too much for you as I knew you had a lot of work on. You told me you were still on annual leave and I return to work on Monday. On the

31/01/2014

I was due to have a meeting in the office which you had to cancel as you were dealing with other cases. This was re booked for

04/01/2014

at 2pm. I have called you many times and it has just gone to voice mail and you have not called me back. I have also called the office about things I feel are wrong and told someone would call me back which has not happened. I can prove this with statements from the phones that were used. There are emails that have been sent to you and no reply to them emails and what I have asked to have been given.

442,

There was a break down before in this case as you are aware and I dropped the complaint. Josey, I have used you as a solicitor for many years and don't just look at you as a solicitor you are a friend of the families. All I want is for my case to be dealt with in a correct manner, which will lead me to have a speedy and fair trial, and I don't want to feel like I am being punished for a crime that I have not been convicted of. And I feel with the statement from Nikki Diamond that would show somewhat to Mr Patel ways in how he has dealt with his insurance case in this matter that clearly is not correct all ready. Could you please email back at the points that have been included in this email, and if you feel I am wrong on any points or the way in which I am feeling.

to transfer legal representation

Hi Josey

Simon has asked me to write this email, so I am just writing what has been asked and the facts he is saying. As you are aware Simon is not great with Emails or letters and replying to them due to his writing and spelling. Simon has said he is not treating you in anyway, yes, he did say he was going to put his papers on Facebook ton ask people what they feel about his case. He would then be able to obtain feedback from the general public. He feels there have been many errors in his case, some of these errors he wants me to list below. His case was listed for the warn list for the

16/12/2013,

this could not happen due to issues with the crown not giving the information over. You at this time wanted it to go to trial and the morning the trial started wanted to list information that was needed for Simon case. When Simon went to see his Barrister on the

13/12/2013

the barrister new nothing about the case and asked Simon to explain what his case was about. While Simon was explaining his barrister told Simon not to rush, Simon showed the barrister the invoices for the case and the barrister said these invoices were hear say, can he prove the items were even in the building at the time Simon was there. The Barrister asked where the disclosure, as what we showed him was rubbish. We had most of the case files with us that you had emailed to us. The Barrister asked has a section 8- and Third-Party Disclosure been put in, we told him no he said as soon as we get back get your solicitors to put a section 8- and Third-Party Disclosure in it should have been done already don't delay get it done today. Solicitors aren't doing the job properly get onto them. The Barrister asked when is this in court we said next week, to which he said I don't even know why you've been sent to me for this meeting as I'm on another case until Tuesday, Wednesday so won't be able to represent you. The barrister also told me to get a copy of my interview tapes and go over them and mark any part that is wrong on the crowns paperwork. Simon had about a 20 min with his barrister before the barrister had to go back into court. When an application for a Section 8- and Third-Party Disclosure was put into the court on the

19/12/2013

There was a time given that Simon solicitor had till the

16/01/2014

to submit the section 8 and the Third-Party Disclosure to the court. And that then the crown had until the

16/02/2014

to give the information that had been requested. If the crown failed to give the information the case would need to be relisted in court so this could be address. As of today's, date

02/02/2014

we still do not know if the section 8 and the Third-Party Disclosure has been given to the court. The last email from you on this subject was dated the

27/01/2014

where you told us that Jemi has drafted the section 8 applications that require minor amendments before it can be served. As for the Third-Party Disclosure as of

29/01/2014

a letter to Nikki Diamond from the insurance company had just been sent over by yourself, I believe that this is the process that needs to happen before a Third Party Disclosure application can be put in as you need it in writing that the insurance company is not willing to hand over the file without the Third Party Disclosure. On the

13/12/2013

a call was made to Cunningham Lindsey where we talked to someone about the case for the insurance part of the claim, we were told that Nikki Diamond was not due back into the office until the

16/12/2013.

On the

16/12/2013

my mum called Cunningham Lindsey to talk to Nikki Diamond where we were told that Nikki Diamond was working from home that day and given Nikki Diamonds mobile number to call her.

445.

My mum then made a call to Nikki Diamond and we chatted about the case telling her what had happened in Simon case and what we believed had gone on. Nikki Diamond was concerned about what we had told her over the phone, and at this told us she needs to put this to her manager and could she take our phone number so that her or her manager could call us back. I give Nikki Diamond our contact information. On the

17/12/2013

my mum took a call from Trevor Allaway Commercial Special Investigator for Cunningham Lindsey my mum and Trevor Allaway talked for some time over the phone about the case at which point in asked that could he have a meeting with Simon to take a statement from him, he also said he did not want to step on Simon solicitor feet and to please advise our solicitor as to what was going on and that he would like to have the meeting with Simon. After the called I Emailed you what had gone on and forwarded you a copy of the email Trevor Allaway had sent. You replied asking if the insurance company aware that Simon is awaiting trial for burglary. I replied yes; they were as I had disclosed this to them on the calls that were made. Nothing was done with this information so on the

08/01/2014

my mum made a call to Trevor Allaway to setup a meeting with him at my mum address this was set for the

13/01/2014

at 11am, when my mum spoke to Trevor Allaway, he told her that he will be being the complete file for the claim with him to the meeting. On the

13/01/2014

the meeting with Trevor Allaway went ahead. Where information was given by both parties. There was shock also on both sides about parts of information that was spoke about. Trevor Allaway even showed us pictures of which Nikki Diamond had taken on the

28/03/2014

and was shocked to see the picture the police had taken for my case as they were the same pictures Mr Patel & D Patel had done nothing to the building and now, I was paying the price due to this. Trevor Allaway also made a call to Nikki Diamond to get dates for claims etc and to make sure he had all the facts correct. Nikki Diamond gave the dates of

17/02/2013

for the 1st claim

25/03/2013

for a 2nd claim

07/06/2013

for the 3rd claim

We were shocked there was in fact a next claim we knew nothing for the

25/03/2013,

and also, the date for the last claim of the

07/06/2013

when in fact Simon case was for the

04/05/2013

We asked Trevor Allaway why the claim for

17/02/2013

and the

25/03/2013

was not paid out he said we did not believe the claim was real. He also said that when someone takes out insurance, they have to put down the condition of the property, and they also believed a lot of the damage to the building was from an earlier date. Trevor Allaway also said that to get out solicitors to go and get a statement from Nikki Diamond as she would be a creditable witness for Simon. All this was explained to you with an email that was sent to you on the

13/01/2014

by my mum and a phone call where I talked to you when you were on your way to the prison to see someone. I at this asked you also about his birthday and you said if Nikki Diamond could do a statement that said everything, I had said then there should be no problem for my birthday. My mum did get a next email from you that day asking for Nikki Diamond information as when the 1st email had been sent to you my mum had forgot to put it, my mum replied with the information for Nikki Diamond being mobile number and office address she could not at this point find Nikki Diamonds email address so this was not included. Emails was sent on the

15/01/2014

and the

18/01/2014

asking if a date had been setup for you to take the statement from Nikki Diamond and if the section 8 and the Third-Party Disclosure has been given to the court and for an update. You replied to this on the

18/01/2014.

On the

21/01/2014

my mum emailed you about the application for my curfew for my birthday, you replied to this asking for his plans for his birthday so you could put the application into the court. On the

22/01/2014

when I went to mums, she showed me the email I was upset with this due to the fact I did not see why I needed to give the locations as to where I was going. You said you had to have this to put the application in. My mum emailed you the details as to where I was going. As we had not heard anything, I believed the application had been put in and that it should have been heard on the

24/01/2014

my mum late on the

24/01/2014

emailed you and texted you to get an update as to the

446,

application. There was no reply to this from you until the

27/01/2014

where you told us, the application could not be put in due the notice you need to give the court. You also in that email explained the process needed for the Third-Party Disclosure application. In which was the 1st time I knew a letter would be needed to be sent to the insurance company and they would need to refuse to hand over the files before you could go for the Third-Party Disclosure application through the court. And also give me an update as to the section 8 application that you could confirm that Jemi has drafted the section 8 application that requires minor amendments before it can be served. But you knew this was needed when the application was put into the court on the

19/12/2014

when the application was heard for the section 8- and Third-Party Disclosure. So why was this only being address on

27/01/2014,

when this then had already passed the date of the

16/01/2014

to hand the application into the court.

I feel this delay will again make my case take longer as there is still going to be a time given by the court to the crown to reply to the applications. On the

29/01/2013

a reply was made by email from my mum. Explaining parts in the letter that you attached to the email you sent on the

27/01/2014

for Nikki Diamond about the discloser of the file was not correct and needed amended. She also wrote that I still wanted a statement taken from Nikki Diamond due to this helping my case. You replied to this email on the

29/01/2014

saying that, the statement from Nikki Diamond will follow after the Insurance Company discloses the claims made by Mr Patel, whether voluntarily or by Third Party disclosure. I do feel this statement is 100% needed sooner not later as once this is shown to the crown I sure they will rethink their case on me. As I feel at this time this is an unfair trial due to how Mr Patel has used my case to be able to manipulate his insurance claim due to what has already been discussed with Trevor Allaway. And this is a clear breach in my human rights to have a fair trial. Also, on the

19/01/2013

when the application went into the court a bail application was meant to have been done at the same time for my bail conditions over the holidays that were upcoming. For some reason the bail application was not heard so you relisted this for

23/12/2013

to be heard by the court, you sent a text to my mum after you found out the outcome of this bail application in which you said I was on an electric tag to my mum address, and that the curfew was not lifted that Serco would come to my mums address to install the tag there. I got very upset with hearing this as I for one reason I was never on an electric tag for this case from the start of it. I did try and call you and I got no reply so I called the court explained to the court the issues I had and was advised to call my solicitor and ask them to relist the case for the

24/12/2013

this would need to be done within the next 20 mins. I then called the office and explained this to someone in the office and was told I would get a call back. I did not get a call back but at around 21.47 that evening you texted my mum saying that Simon needed to be at Woolwich crown court at 09.45 on the

24/12/2013.

On the

24/12/2013

I went to court and my mum come with me, when we got there, we were told the case was not listed before 11am. So we waited at the court at around 10.50 as a barrister had not turned up for me my mum texted for to ask the name of the barrister that would be coming that we were outside court 7 waiting, there was no reply to this text so at around 11.10 I made a call to the office and spoke to someone there that told me a barrister would not be attending, I was really upset with this but what could I say. I then saw the usher of the court and told her what was going on, she said why had the solicitors told me to come here and yet new there would not be a barrister and not tell me this beforehand, she told me she would talk to the crown who was in the court room and explain to him what was going on and then let me know what could be done. About 5 mins later she came out of the court room and told me that the crown was going to call it on and see what could be done. It was called into court and when the judge heard I did not have a barrister she asked the clerk of the court to call the office and see what was going on, which the clerk on the court did, when she got off the phone she told the judge no one was coming to the court for me. I stood up and tried to explain to the judge what had gone on. My mum at this asked the judge if she could explain it and the judge said yes to come forward, she could hear what my mum was saying. My mum explained to the judge about the

19/12/2013

and the

23/12.2013

the judge was at loss of what could be done as the rule that had been made on the

23/01/2014

she could not change as this would be dealing with a judicial review and she could not hear that. The crown then asked if he could speak to the judge and said that due to new evidence, she could hear it on them grounds. The judge at that replied yes, she would like to hear this, but I did not have a barrister she then went on to ask the

447,

barristers in the court room would they be willing to represent me and told them that I had legal aid and that it would be marked on the file. One stood up and said yes, she would stand in. the judge then said to us to go outside with the barrister and speak to her and when ready it would go back into court. We went out explained to the barrister what was going on. She

told us that even from what she had heard in court that I should really think about changing solicitors. It went back into court and the judge heard the case and my bail was varied on the **01/01/2014**

my mum again texted you due to an issue where I got arrested, she had tried to call the office but there was no answer of a voice mail message to give a number to call. No one got back to my mum so when she got to court, she had to ask a solicitor that was on duty that day to help me. He said he was not meant to as I had legal aid for the case already, but he would go and speak to me, he did in fact represent me in court that day. On the

03/01/2014

I asked my mum sent you an email to ask if my case was too much for you as I knew you had a lot of work on. You told me you were still on annual leave and I return to work on Monday. On the

31/01/2014

I was due to have a meeting in the office which you had to cancel as you were dealing with other cases. This was re booked for

04/01/2014

at 2pm. I have called you many times and it has just gone to voice mail and you have not called me back. I have also called the office about things I feel are wrong and told someone would call me back which has not happened. I can prove this with statements from the phones that were used. There are emails that have been sent to you and no reply to them emails and what I have asked have been given. There was a break down before in this case as you are aware and I dropped the complaint. Josey, I have used you as a solicitor for many years and don't just look at you as a solicitor you are a friend of the families. All I want is for my case to be dealt with in a correct manner, which will lead me to have a speedy and fair trial, and I don't want to feel like I am being punished for a crime that I have not been convicted of. And I feel with the statement from Nikki Diamond that would show somewhat to Mr Patel ways in how he has dealt with his insurance case in this matter that clearly is not correct all ready. Could you please email back at the points that have been included in this email, and if you feel I am wrong on any points or the way in which I am feeling.

Subject: Simon Cordell application
to transfer legal representation

Simon

Further to your telephone conversation with me today during which you have accused me of not representing you correctly and not defending your case properly you leave me with little choice but to list the case at Woolwich Crown Court in order that your legal representation order can be revoked. I am cancelling your 2pm conference with me for Tuesday

04th February 2014.

I am not prepared to be subjected to threats about you blackening my name over Facebook. I work very hard for all my clients and my track record as a Criminal Defence Solicitors attests to that.

I have represented you since you were a juvenile to the best of my abilities, and I have never not defended a client properly or tried my best for my client. You stated that during the telephone conversation that the Judge asked you to change your solicitors at

448,

the last bail hearing on Christmas Eve. As you are aware, I was on annual leave from **23rd December 2013.**

I made the bail variation as requested and you were not happy as the court did not suspend your curfew. That is the simple fact of the matter here. You also stated that during a conference with Jemi, the barrister that I appointed for you that he also advised you that I was a poor solicitor and not acting in your best interests. You only raised this today and I will most certainly be taking this accusation up with Jemi and his clerks. I asked you to confirm this in writing and you have refused to do this. I again ask you to confirm this in writing as Jemi will have to respond to this allegation. I will be asking Jemi and his clerks to comment on the allegations that you have made. You will of course appreciate that if Jemi does not agree with your accusations that he will probably refuse to represent you. You are accusing him of slandering my reputation by saying that Jemi says I am not representing you properly and that he advised you to change your solicitors. With regards to your complaint in relation to the bail variation you were asked in a number of emails to provide full details of your plans, venues etc and you did not do this instead you shouted down the phone and refused to give specific instructions. When you eventually did give the requested information, it was too late to apply to have the bail position varied. I suspect you know what the court's attitude to the requested variation would be in any event. With regards to the request for the original receipt I have to provide this to the court in an addendum to your defence case statement and the police will then make their enquiries. I am sorry that this position has arisen, but you have left me little choice in the matter. I wish you good luck with your case and I will confirm the date that your case is listed for the revocation of legal aid. I will aim from Tuesday or Wednesday of this coming week. Can you please confirm by return email the advice that Jemi gave you at your conference at Isleworth Crown Court and also please confirm why it took you so long to raise it with me?

You telephoned me on a Sunday, reserved for emergency phone calls. You should have raised it back when you had the conference with Jemi. You have raised it now and I will deal with the accusations now. I await hearing from you by return email with regards to Jemi.

Regards

Hi Josey

Lorraine as a matter of respect to you I have responded to the most recent email now that I have some time. My replies to Simon are in bold. I accept that Simon believes his comments before being arrested are not damaging to his case and he believes that his interview is well thought out and legally reasoned. Unfortunately, I do not agree with Simon's belief that his comments and interview are not damaging to the case - they are what made the difference in this case. Thank you for the reply to Simon's email, Simon has asked me to write this email for him. The section of my email that was sent to you yesterday that address Jemi and the meeting we had come from my friend Katie who did attend the meeting with Jemi with me, so new what was said and I used her words as to what she heard at the meeting as to what Jemi said to me. If needed Katie could confirm this so can my mum as she was the one writing the email for me that was sent yesterday. Could you also please send me a copy as to what you have sent over to Jemi by email and his reply to your email?

(a) Simon / Lorraine I have emailed the email I sent to Jemi and his response. This was based on the conversation and accusations made by Simon on the telephone

Sunday 2nd February 2014.

With regards to Jemi's non-availability. Jemi was booked for Simon's case and his jury was out and at risk of over running. You were advised of this fact at the time. What does happen sometimes is that once speeches are done in a case the barrister can get an alternative barrister to baby sit the case. Also, Simon's case was in the warned list, not given a fixture so there was no guarantee that the case would be listed. The case Jemi was dealing with at the time should have been a five-day case but it over ran, I agree the case is now listed for the warned list for the week commencing

30th June 2014

As you are aware on the

19/12/2013

when my mum got the email from you about my case about the application that was put to the court that day, when my mum got the email she was very worried due to the date for the listing for the new trial date, so she herself called you before she had even showed me the email. She knew the new trial date would cause a delay in my case by 6 months or more. she asked you some things on the phone on the

19/01/2014

one being if we got the information from the crown could the date of the

30/06/2014

be taken sooner. You replied once we get the information form the crown and Third-Party Disclosure it could be listed back in court and there maybe was a chance to being the date forward for the hearing, this is the information she told me.

(b) Yes, Simon I agree I did say this to your mother. I said there was a chance and I did not put it any higher than that. It is this that is upsetting me so much as the longer it takes to put the applications into the court the longer it will take to get the information that is needed in my case. As you know I am on bail conditions that have stopped me doing anything for my business that I have been setting up for many years now. In fact, I have lost a lot of business due to the bail conditions I am on. I do not think it is right that a judge to say to me that I can sub contract my business out, I am not talking here a small amount of money for my sound system or any of my equipment, if it was lost or damaged it could take a long time in which to recover the costs. This is why when my equipment is hired, I also go with it due to me being able to look after it and make sure they don't red line my equipment or it is damage or taken, I myself take care of it. And I do feel my human rights are being violated by the court and crown not allowing me to do my work. The longer it takes this case to go to court for trial is the longer my business cannot run this is why I am so upset that things are not being put in on time to the court. I have spent many years getting to where I am today

450.

within my business and due to this case, my business is has suffered.

(c) I have no control over Crown Court Judge's decisions re bail. They apply the Bail Act and the objections under this legislation in determining whether an individual should be given bail. You were originally refused bail due to fears that you would commit further offences and fail to surrender. I secured you bail, and I made this application out of office hours so you did not spend any longer in custody that what was necessary. I have made all requested bail variations with the exception of the one for your birthday as you did not feel you needed to provide me with the specifics of the variation and instead chose to argue with me about the rights of the Crown Court to require this information. Yes, I agree my case is in the warned list for the week of the

30/06/2014

but would like the information well before this date so that maybe the trial can be taken forward. I would also like it sooner than later so the facts as to how Mr Patel has done this can be shown to the crown.

(d) As stated to your mother when the information from the insurance company is disclosed whether voluntarily or by Third Party Disclosure the Crown Prosecution Service would have been invited to review the evidence. I do not have this information. I did request this information in my defence case statement as it is information in Mr Patel's possession and the prosecution could have asked him for this. Likewise, the first burglary this should have been disclosed to us under normal disclosure rules, but the court has insisted on a section 8 application for this. As for what I said at my home and at police station is not the issue here I knows what I said and was being honest as I did not think I had done anything wrong. I did buy the items from Mohammed in good faith. (I asked you for details of Mohammed with a view to taking a witness statement. I also advised you that he would have to be advised to seek independent legal representation to avoid self in crimination. Never provided) For it to have been a job lot of 5 of each or just 1 gazebo, and 1 chair which was found at my address I think the police would have taken the same said outcome to this case. They wanted someone for this case, and I was that person. This can be shown by any information we have asked for not being given they still have not even given the CAD reports for that day in truth that there was other police at the scene and let me in the building knowing I was there to hire my sound system for a private party that night as I explained this to them when I got there. Let alone how many times they attended the building on that evening even down to the council attending with the police due to noise. There is also the case as to when I turned up at the building and the police was already there, how is it when they did their checks, they did not see that a Burglary had happened on that building on the

16/02/2013

and let us enter the building knowing this as really, they would have got that report back on their checks that evening Which in my eyes does show a cover up as where are the reports as it is to do directly with my case. The DC dealing with my case also dealt with the other case on

16/02/2013

so, would also been aware of the condition of the building after the

16/02/2013

pictures where taken for the case of the

16/02/2013,

so, he would have been well aware the pictures taken for my case was the same so how could he then charge me with all the damage to the building?

Where is the information that the police should have asked Mr Patel as to him securing the building after the?

16/02/2013?

(e) This is a matter for cross examination and the officer in witness box where he does not have any room to manouvere. Yes I am upset as I do feel I have been setup by the police and they by doing this have allowed Mr Patel to use my case to make his claim to the insurance company go ahead was this planned from the start and yes I have asked this to myself many times and others I have spoken to have said the same said thing.

(f) Simon based on the forensic evidence recovered at the scene the police had reasonable grounds to arrest you for this offence. So yes, I want my trial sooner than later as I want to get on with my life and my business and yes, I do understand I could be found guilty for this case but until I do, I should be able to run my business. And I don't think I am asking too much here.

451

I believe also that it could be taken to the high court for a judicial review about my bail condition, but I was never made aware of this. Seeing as the crown court attitude in this case has never been good as you have put it. And that the court is unwilling to see that I need to work or face losing my business.

(g) The bail conditions imposed by the Court are not unreasonable. They are imposed to prevent the commission of further offences and failure to surrender. I have never tried to blame other people for the position I find myself in, what I am saying is I don't feel as if things are being done in a timely manner.

If you just look at the Third Party Disclosure, if you knew that you had to write to Nikki Diamond and get her to say in writing her unwillingness to disclose the file before you could then apply for the Third Party Disclosure, why did you not write the letter back in

Dec 2013

after the application was put into the court on the

19/12/2013

or after you come back from annual leave, due to knowing that you needed this before the **16/01/2014**

that the judge had said.

(h) The information that forms part of Third-Party Disclosure was originally requested in your defence case statement. Your trial is now scheduled for

June 2014

and yes, in an ideal world I should have sent a letter to Nikki Diamond and the insurance company. Nikki Diamond has to refuse to give the information first of all before the Court will even entertain an application for Third Party Disclosure and then the Court could direct the information to be brought to court for the trial. This is what happens in Social Services cases by way of example. We would request paper copies, failing that then a statement from Nikki Diamond. If the insurance file is served, then Nikki Diamond is not required as a witness as the insurance claims and reports can be introduced under the hearsay rules. I do understand you were waiting for Jemi to do the write up for the section 8 and that was out of your control. But the Third-Party Disclosure was not. Also why was it when we told you about getting a statement from Nikki Diamond did you not say then you had to wait until the Third-Party Disclosure was given as she would not be able to do a statement without client confidentiality arising which would have caused issues. You told me on the phone that if you got the statement from Nikki Diamond then the bail condition change, I wanted for my birthday should not be a problem.

(I) I said it was worth a try. I did not put it any higher than this. I do not recall saying it would not be a problem but words to the effect that it would be worth a try. We are covering old ground here as I was also reliant on specific information that you refused to give as you felt the court had no right to know your movements. Can you also keep me updated as to the date for court so I can attend?

(j) No problem I am hoping to resolve this matter once I speak to Michael Carroll tomorrow in the afternoon so I will be asking for a hearing on either Thursday or Friday of this week.

Hi Josey

Thank you for the reply to Simon's email, Simon has asked me to write this email for him. The section of my email that was sent to you yesterday that address Jemi and the meeting we had come from my friend Katie who did attend the meeting with Jemi with me, so new what was said and I used her words as to what she heard at the meeting as to what Jemi said to me. If needed Katie could confirm this so can my mum as she was the one writing the email for me that was sent yesterday. Could you also please send me a copy as to what you have sent over to Jemi by email and his reply to your email?

I agree the case is now listed for the warned list for the week commencing 30th June **2014**.

As you are aware on the

19/12/2013

when my mum got the email from you about my case about the application that was put to the court that day, when my mum got the email she was very worried due to the date for the listing for the new trial date, so she herself called you before she had even showed me the email. She knew the new trial date would cause a delay in my case by 6 months or more. she asked you some things on the phone on the

19/01/2014

one being if we got the information from the crown could the date of the

30/06/2014

be taken sooner. You replied once we get the information form the crown and Third-Party Disclosure it could be listed back in court and there maybe was a chance to being the date forward for the hearing, this is the information she told me. It is this that is upsetting me so much as the longer it takes to put the applications into the court the longer it will take to get the information that is needed in my case.

As you know I am on bail conditions that have stopped me doing anything for my business that I have been setting up for many years now. In fact, I have lost a lot of business due to the bail conditions I am on. I do not think it is right that a judge to say to me that I can sub contract my business out, I am not talking here a small amount of money for my sound system or any of my equipment, if it was lost or damaged it could take a long time in which to recover the costs. This is why when my equipment is hired, I also go with it due to me being able to look after it and make sure they don't red line my equipment or it is damage or taken, I myself take care of it. And I do feel my human rights are being violated by the court and crown not allowing me to do my work. The longer it takes this case to go to court for trial is the longer my business cannot run this is why I am so upset that things are not being put in on time to the court. I have spent many years getting to where I am today within my business and due to this case, my business is has suffered. Yes, I agree my case is in the warned list for the week of the

30/06/2014

but would like the information well before this date so that maybe the trial can be taken forward. I would also like it sooner than later so the facts as to how Mr Patel has done this can be shown to the crown. As for what I said at my home and at police station is not the issue here I knows what I said and was being honest as I did not think I had done anything wrong. I did buy the items from Mohammed in good faith. For it to have been a job lot of 5 of each or just 1 gazebo, and 1 chair which was found at my address I think the police would have taken the same said outcome to this case. They wanted someone for this case and I was that person. This can be shown by any information we have asked for not being given they still have not even given the CAD reports for that day in truth that there were other police at the scene and let me in the building knowing I was there to hire my sound system for a private party that night as I explained this to them when I got there. Let alone how many

times they attended the building on that evening even down to the council attending with the police due to noise. There is also the case as to when I turned up at the building and the police was already there, how is it when they did their checks, they did not see that a Burglary had happened on that building on the

16/02/2013

and let us

452.

enter the building knowing this as really, they would have got that report back on their checks that evening Which in my eyes does show a cover up as where are the reports as it is to do directly with my case. The DC dealing with my case also dealt with the other case on

16/02/2013

so, would also been aware of the condition of the building after the

16/02/2013

pictures where taken for the case of the

16/02/2013,

so, he would have been well aware the pictures taken for my case was the same so how could he then charge me with all the damage to the building?

Where is the information that the police should have asked Mr Patel as to him securing the building after the?

16/02/2013?

Yes I am upset as I do feel I have been setup by the police and they by doing this have allowed Mr Patel to use my case to make his claim to the insurance company go ahead was this planned from the start and yes I have asked this to myself many times and others I have spoken to have said the same said thing. So yes, I want my trial sooner than later as I want to get on with my life and my business and yes, I do understand I could be found guilty for this case but until I do, I should be able to run my business. And I don't think I am asking too much here. I believe also that it could be taken to the high court for a judicial review about my bail condition, but I was never be made aware of this. Seeing as the crown court attitude in this case has never been good as you have put it. And that the court is unwilling to see that I need to work or face losing my business. I have never tried to blame other people for the position I find myself in, what I am saying is I don't feel as if things are being done in a timely manner. If you just look at the Third Party Disclosure, if you knew that you had to write to Nikki Diamond and get her to say in writing her unwillingness to disclose the file before you could then apply for the Third Party Disclosure, why did you not write the letter back in

Dec 2013

after the application was put into the court on the

19/12/2013

or after you come back from annual leave, due to knowing that you needed this before the

16/01/2014

that the judge had said. I do understand you were waiting for Jemi to do the write up for the section 8 and that was out of your control. But the Third-Party Disclosure was not. Subject: RE: Simon Cordell application
to transfer legal representation

Hi Lorraine

It is 10.47pm. I do not have Simon's file at home with me. I will ask Jemi to respond to the allegations made by Simon re his conference on

13th December 2013

At the same time, I will ask him and his clerks to respond to why the Christmas bail variation was not made on

19th December 2013.

As you are both aware, I was on annual leave until

06th January 2014

Simon's case is listed for trial in

June 2014

There is enough time to secure the information but there is a process.

453.

With regards to the section 8 application Jemi has been on notice that this has been required since before Christmas. A detailed defence case statement was submitted and as a result of this document and the Crown's failure to disclose the requested items that the Third-Party Disclosure arise as did the section 8 application. If the Insurance company believe Mr Patel has committed a fraud, then it is their decision whether he is prosecuted. Nikki Diamond has to confirm her unwillingness to disclose the file before I can apply for Third Party Disclosure. I cannot take a statement from her as part of her statement will require her to disclose and exhibit as part of that statement the original insurance claims and she cannot do this as client confidentiality arises. Re Simon's most recent request to vary bail he did not provide the information when requested. I have dealt with this point already as I have re the Third-Party Disclosure and the section 8 application. I am not prepared to have my professional judgement or integrity called into question. Simon threatened to blacken my name on Facebook Lorraine. I am reliant on instructions from my client re bail variations. I am reliant on Counsel drafting applications re section 8. I drafted Simon's original bail application and defence case statement well within the time limits. All other requests to vary bail I have made. Due to the number of bail variations Simon is aware of the process and trying to get the variations agreed administratively. He is also aware of the attitude if the Court to his case the issues regarding Simon's case when I am on leave, I have no control over. Simon himself caused problems in this case by

(a) his behaviour on arrest

(b) his comments to police when the police were at his house re the number of items bought as a job lot. There was no evidence of this apart from what came from Simon himself.

(c) The gazebo in his garden was easily dealt with as he had the original receipt

(d) Simon ignoring legal advice in his interviews

(e) Simon's inaccurate interpretation on the law on burglary and what squatters can and cannot do whilst squatting in a building. There is a risk that Simon will be convicted in this case and this is not through the fault of **Michael Carroll & Co** or my representation but through his own conduct on his arrest and at the police station. To try to blame other people for the position he finds himself in is very wrong. Simple questions to consider:

1. Did the police know about or have any evidence re the job lot answer No until Simon himself revealed this

2. Could Simon explain his DNA in a moveable object answer. Yes, and he would have achieved the same result as Naomi

3. Could police prove the Venice chair came from warehouse no.

Information on this again came from Simon

4. Is Mohammed likely to be a witness as to sale of the items?

No because he will have to be advised to obtain independent legal advice as he could incriminate himself This was better left to cross examination at trial as too late then to produce invoices, but Simon obviously does not agree. This will be an example of Simon making a further tactical mistake as he did during the comments to police at his address and again in interview. The Judge and prosecution will be influenced in making decisions in this case based on Simon's conduct before arrest, in interview and his previous convictions. The point that Simon is missing is that a prima facie case exists, and this case will go to trial. Simon should reread his interview and his attitude in his interview where he effectively suggests it serves the owner of the premises right for having his premises burgled.

454.

If Simon had not made such foolish comments when he was arrested and instead followed sound legal advice at the police station then we could have made representations to review the case but based on his admissions at his address, coupled with his interview this was impossible. At the start of this case Simon was very much mistaken with regards to the law. Tactics and timing are important in cases. Simon does not want to allow Solicitors to make tactical decisions so the best of luck to him. Once I get an email back from Jemi re the conference and section 8 application I will be listing this case to have the legal representation order revoked. During the telephone conversation today Simon again was abusive, he questioned my professional integrity, my ability to defend my clients and he threatened to slander my name. I heard him loud and clear Lorraine. All I can say is he has a very short memory. I know exactly how many times I have represented Simon and how many of those cases have resulted in a charge or a conviction. I am duty solicitor at court tomorrow and I will email Jemi in the morning. I will request an urgent response from him, and I will then let you know when the case will be listed.

Kind regards

Josephine

Hi Josey

Simon has asked me to write this email, so I am just writing what has been asked and the facts he is saying. As you are aware Simon is not great with Emails or letters and replying to them due to his writing and spelling. Simon has said he is not treating you in anyway, yes, he did say he was going to put his papers on Facebook to ask people what they feel about his case. He would then be able to obtain feedback from the general public. He feels there have been many errors in his case, some of these errors he wants me to list below. His case was listed for the warn list for the

16/12/2013

this could not happen due to issues with the crown not giving the information over. You at this time wanted it to go to trial and the morning the trial started wanted to list information that was needed for Simon case. When Simon went to see his Barrister on the

13/12/2013

the barrister new nothing about the case and asked Simon to explain what his case was about. While Simon was explaining his barrister told Simon not to rush, Simon showed the barrister the invoices for the case and the barrister said these invoices were hear say, can he prove the items were even in the building at the time Simon was there. The Barrister asked where the disclosure, as what we showed him was rubbish. We had most of the case files with us that you had emailed to us. The Barrister asked has a section 8- and Third-Party Disclosure been put in, we told him no he said as soon as we get back get your solicitors to put a section 8- and Third-Party Disclosure in it should have been done already don't delay get it done today.

Solicitors aren't doing the job properly get onto them. The Barrister asked when is this in court we said next week, to which he said I don't even know why you've been sent to me for this meeting as I'm on another case until Tuesday, Wednesday so won't be able to represent you. The barrister also told me to get a copy of my interview tapes and go over them and mark any part that is wrong on the crown's paperwork. Simon had about a 20 min with his barrister before the barrister had to go back into court.

455.

When an application for a Section 8- and Third-Party Disclosure was put into the court on the **19/12/2013**

there was a time given that Simon solicitor had till the

16/01/2014

to submit the section 8 and the Third-Party Disclosure to the court. And that then the crown had until the

16/02/2014

to give the information that had been requested. If the crown failed to give the information the case would need to be relisted in court so this could be address. As of today's, date

02/02/2014

we still do not know if the section 8 and the Third-Party Disclosure has been given to the court. The last email from you on this subject was dated the

27/01/2014

where you told us that Jemi has drafted the section 8 applications that require minor amendments before it can be served. As for the Third-Party Disclosure as of

29/01/2014

a letter to Nikki Diamond from the insurance company had just been sent over by yourself, I believe that this is the process that needs to happen before a Third Party Disclosure application can be put in as you need it in writing that the insurance company is not willing to hand over the file without the Third Party Disclosure. On the

13/12/2013

a call was made to Cunningham Lindsey where we talked to someone about the case for the insurance part of the claim, we were told that Nikki Diamond was not due back into the office until the

16/12/2013.

On the

16/12/2013

my mum called Cunningham Lindsey to talk to Nikki Diamond where we were told that Nikki Diamond was working from home that day and given Nikki Diamonds mobile number to call her. My mum then made a call to Nikki Diamond and we chatted about the case telling her what had happened in Simon case and what we believed had gone on. Nikki Diamond was concerned about what we had told her over the phone, and at this told us she needs to put this to her manager and could she take our phone number so that her or her manager could call us back. I give Nikki Diamond our contact information.

On the

17/12/2013

my mum took a call from Trevor Allaway Commercial Special Investigator for Cunningham Lindsey my mum and Trevor Allaway talked for some time over the phone about the case at which point in asked that could he have a meeting with Simon to take a statement from him, he also said he did not want to step on Simon solicitor feet and to please advise our solicitor as to what was going on and that he would like to have the meeting with Simon. After the called I Emailed you what had gone on and forwarded you a copy of the email Trevor Allaway had sent. You replied asking if the insurance company aware that Simon is awaiting

trial for burglary. I replied yes; they were as I had disclosed this to them on the calls that were made. Nothing was done with this information so on the

08/01/2014

my mum made a call to Trevor Allaway to setup a meeting with him at my mum address this was set for the

13/01/2014

at 11am, when my mum spoke to Trevor Allaway, he told her that he will be being the complete file for the claim with him to the meeting. On the

13/01/2014

the meeting with Trevor Allaway went ahead. Where information was given by both parties. There was shock also on both sides about parts of information that was spoke about. Trevor Allaway even showed us pictures of which Nikki Diamond had taken on the

28/03/2014

and was shocked to see the picture the police had taken for my case as they were the same pictures Mr Patel & D Patel had done nothing to the building and now, I was paying the price due to this. Trevor Allaway also made a call to Nikki Diamond to get dates for claims etc and to make sure he had all the facts correct. Nikki Diamond gave the dates of

17/02/2013

for the 1st claim

25/03/2013

for a 2nd claim

07/06/2013

for the 3rd claim

We were shocked there was in fact a next claim we knew nothing for the 25/03/2013, and also the date for the last claim of the

07/06/2013

when in fact Simon case was for the

04/05/2013

We asked Trevor Allaway why the claim for

17/02/2013

and the

25/03/2013

was not paid out he said we did not believe the claim was real.

456.

He also said that when someone takes out insurance, they have to put down the condition of the property, and they also believed a lot of the damage to the building was from an earlier date. Trevor Allaway also said that to get out solicitors to go and get a statement from Nikki Diamond as she would be a creditable witness for Simon. All this was explained to you with an email that was sent to you on the

13/01/2014

by my mum and a phone call where I talked to you when you were on your way to the prison to see someone. I at this asked you also about his birthday and you said if Nikki Diamond could do a statement that said everything, I had said then there should be no problem for my birthday. My mum did get a next email from you that day asking for Nikki Diamond information as when the 1st email had been sent to you my mum had forgot to put it, my mum replied with the information for Nikki Diamond being mobile number and office address she could not at this point find Nikki Diamonds email address so this was not included. Emails was sent on the

15/01/2014

and the

18/01/2014

asking if a date had been setup for you to take the statement from Nikki Diamond and if the section 8 and the Third-Party Disclosure has been given to the court and for an update. You replied to this on the

18/01/2014.

On the

21/01/2014

my mum emailed you about the application for my curfew for my birthday, you replied to this asking for his plans for his birthday so you could put the application into the court. On the

22/01/2014

when I went to mums, she showed me the email I was upset with this due to the fact I did not see why I needed to give the locations as to where I was going. You said you had to have this to put the application in. My mum emailed you the details as to where I was going. As we had not heard anything, I believed the application had been put in and that it should have been heard on the

24/01/2014

my mum late on the

24/01/2014

emailed you and texted you to get an update as to the application. There was no reply to this from you until the

27/01/2014

where you told us, the application could not be put in due the notice you need to give the court.

You also in that email explained the process needed for the Third-Party Disclosure application. In which was the 1st time I knew a letter would be needed to be sent to the insurance company and they would need to refuse to hand over the files before you could go for the Third-Party Disclosure application through the court. And also give me an update as to the section 8 application that you could confirm that Jemi has drafted the section 8 application that requires minor amendments before it can be served. But you knew this was needed when the application was put into the court on the

19/12/2014

when the application was heard for the section 8- and Third-Party Disclosure. So why was this only being address on

27/01/2014

when this then had already passed the date of the

16/01/2014

to hand the application into the court?

I feel this delay will again make my case take longer as there is still going to be a time given by the court to the crown to reply to the applications. On the

29/01/2013

a reply was made by email from my mum. Explaining parts in the letter that you attached to the email you sent on the

27/01/2014

for Nikki Diamond about the discloser of the file was not correct and needed amended. She also wrote that I still wanted a statement taken from Nikki Diamond due to this helping my case.

You replied to this email on the

29/01/2014

saying that, the statement from Nikki Diamond will follow after the Insurance Company discloses the claims made by Mr Patel, whether voluntarily or by Third Party disclosure. I do feel this statement is 100% needed sooner not later as once this is shown to the crown I sure they will rethink their case on me. As I feel at this time this is an unfair trial due to how Mr Patel has used my case to be able to manipulate his insurance claim due to what has already been discussed with Trevor Allaway. And this is a clear breach in my human rights to have a fair trial. Also, on the

19/01/2013

when the application went into the court a bail application was meant to have been done at the same time for my bail conditions over the holidays that were upcoming. For some reason the bail application was not heard so you relisted this for

23/12/2013

to be heard by the court, you sent a text to my mum after you found out the outcome of this bail application in which you said I was on an electric tag to my mum address, and that the curfew was not lifted that Serco would come to my mums address to install the tag there. I got very upset with hearing this as I for one reason I was never on an electric tag for this case from the start of it. I did try and call you and I got no reply so I called the court explained to the court the issues I had and was

457,

advised to call my solicitor and ask them to relist the case for the

24/12/2013

this would need to be done within the next 20 mins. I then called the office and explained this to someone in the office and was told I would get a call back. I did not get a call back but at around 21.47 that evening you texted my mum saying that Simon needed to be at Woolwich crown court at 09.45 on the

24/12/2013

On the

24/12/2013

I went to court and my mum come with me, when we got there, we were told the case was not listed before 11am. So we waited at the court at around 10.50 as a barrister had not turned up for me my mum texted for to ask the name of the barrister that would be coming that we were outside court 7 waiting, there was no reply to this text so at around 11.10 I made a call to the office and spoke to someone there that told me a barrister would not be attending, I was really upset with this but what could I say. I then saw the usher of the court and told her what was going on, she said why had the solicitors told me to come here and yet now there would not be a barrister and not tell me this beforehand, she told me she would talk to the crown who was in the court room and explain to him what was going on and then let me know what could be done. About 5 mins later she came out of the court room and told me that the crown was going to call it on and see what could be done. It was called into court and when the judge heard I did not have a barrister she asked the clerk of the court to call the office and see what was going on, which the clerk on the court did, when she got off the phone, she told the judge no one was coming to the court for me. I stood up and tried to explain to the judge what had gone on. My mum at this asked the judge if she could explain it and the judge said yes to come forward, she could hear what my mum was saying. My mum explained to the judge about the

19/12/2013

and the

23/12/2013

the judge was at loss of what could be done as the rule that had been made on the

23/01/2014

she could not change as this would be dealing with a judicial review and she could not hear that. The crown then asked if he could speak to the judge and said that due to new evidence, she could hear it on them grounds. The judge at that replied yes, she would like to hear this but I did not have a barrister she then went on to ask the barristers in the court room would they be willing to represent me and told them that I had legal aid and that it would be marked on the file. One stood up and said yes, she would stand in. the judge then said to us to go outside with the barrister and speak to her and when ready it would go back into court. We went out explained to the barrister what was going on. She told us that even from what she had heard in court that I should really think about changing solicitors. It went back into court and the judge heard the case and my bail was varied on the

01/01/2014

my mum again texted you due to an issue where I got arrested, she had tried to call the office but there was no answer of a voice mail message to give a number to call. No one got back to my mum so when she got to court, she had to ask a solicitor that was on duty that day to help me. He said he was not meant to as I had legal aid for the case already, but he would go and speak to me, he did in fact represent me in court that day. On the

03/01/2014

I asked my mum sent you an email to ask if my case was too much for you as I knew you had a lot of work on. You told me you were still on annual leave and I return to work on Monday. On the

31/01/2014

I was due to have a meeting in the office which you had to cancel as you were dealing with other cases. This was re booked for

04/01/2014

at 2pm. I have called you many times and it has just gone to voice mail and you have not called me back. I have also called the office about things I feel are wrong and told someone would call me back which has not happened. I can prove this with statements from the phones that were used. There are emails that have been sent to you and no reply to them emails and what I have asked to have been given. There was a break down before in this case as you are aware and I dropped the complaint. Josey, I have used you as a solicitor for many years and don't just look at you as a solicitor you are a friend of the families. All I want is for my case to be dealt with in a correct manner, which will lead me to have a speedy and fair trial, and I don't want to feel like I am being punished for a crime that I have not been convicted of. And I feel with the statement from Nikki Diamond that would show somewhat to Mr Patel ways in how he has dealt with his insurance case in this matter that clearly is not correct all ready. Could you please email back at the points that have been included in this email, and if you feel I am wrong on

458,

any points or the way in which I am feeling.

to transfer legal representation

Simon

Further to your telephone conversation with me today during which you have accused me of not representing you correctly and not defending your case properly you leave me with little choice but to list the case at Woolwich Crown Court in order that your legal representation order can be revoked. I am cancelling your 2pm conference with me for Tuesday

04th February 2014.

I am not prepared to be subjected to threats about you blackening my name over Facebook. I work very hard for all my clients and my track record as a Criminal Defence Solicitors attests to that. I have represented you since you were a juvenile to the best of my abilities, and I have never not defended a client properly or tried my best for my client. You stated that during the telephone conversation that the Judge asked you to change your solicitors at the last bail hearing on Christmas Eve. As you are aware, I was on annual leave from

23rd December 2013

I made the bail variation as requested and you were not happy as the court did not suspend your curfew. That is the simple fact of the matter here. You also stated that during a conference with Jemi, the barrister that I appointed for you that he also advised you that I was a poor solicitor and not acting in your best interests. You only raised this today and I will most certainly be taking this accusation up with Jemi and his clerks. I asked you to confirm this in writing and you have refused to do this. I again ask you to confirm this in writing as Jemi will have to respond to this allegation. I will be asking Jemi and his clerks to comment on the allegations that you have made. You will of course appreciate that if Jemi does not agree with your accusations that he will probably refuse to represent you. You are accusing him of slandering my reputation by saying that Jemi says I am not representing you properly and that he advised you to change your solicitors. With regards to your complaint in relation to the bail variation you were asked in a number of emails to provide full details of your plans, venues etc and you did not do this instead you shouted down the phone and refused to give specific instructions. When you eventually did give the requested information, it was too late to apply to have the bail position varied. I suspect you know what the court's attitude to the requested variation would be in any event. With regards to the request for the original receipt I have to provide this to the court in an addendum to your defence case statement and the police will then make their enquiries. I am sorry that this position has arisen, but you have left me little choice in the matter. I wish you good luck with your case and I will confirm the date that your case is listed for the revocation of legal aid. I will aim from Tuesday or Wednesday of this coming week. Can you please confirm by return email the advice that Jemi gave you at your conference at Isleworth Crown Court and also please confirm why it took you so long to raise it with me?

You telephoned me on a Sunday, reserved for emergency phone calls. You should have raised it back when you had the conference with Jemi. You have raised it now and I will deal with the

459,

accusations now. I await hearing from you by return email with regards to Jemi.

Utter nonsense, in every particular save that I could not do his case as then listed. Josie you know Simon has ADHDO and can get particularly anxious. I know that makes hard work, but I seem to be able to cooperate with him. If you wish, I'll call him and see if we can extend that cooperation and respect to all his representatives.

Hi Jemi

Mr Cordell telephoned my office and stated that he discussed his case with him on

13/12/2013

13th December 2013.

He made the following allegations:

1. You told him you could not do his case as you were dealing with a murder and you did not know

why we had instructed you or why you were having a conference

2. We had not forwarded any case papers to you

3. We should have put in the section 8 application and Third-Party Disclosure application and because we had not done this the client states that you advised him, we were not taking his case seriously and you recommended he change solicitors. I do not for one minute believe the accusations made but if you can please just confirm the position before I apply to court to revoke the legal representation order. If you can respond as a matter of urgency, I would be grateful and please forward the amended section 8 application so he can represent himself.

Thank you.

Josephine

Simon has asked me to email you and ask if his legal aid is to be revoked can it be transferred to a new solicitor rather than you revoke it. Simon has asked me to say he has stayed with **Michael Carroll & Co** since he was 14 years old and feels also that due this case being dealt with emails for the 1st time it has highlighted some of the problems that have been sent in the emails before, such as things not being put in time as said by the judge. And all he has asked is for his case to be dealt with in a timely and professional manner. At no time did he say anything about your professional integrity and made slanderous threats towards you as a person. Simon was very clear in what he said on the phone re his meeting with Jemi. I did not misinterpret or misquote what he said. He also told me I was a bad solicitor and he did make the threat to publicise how I was dealing with him on Facebook because I clearly heard you tell him "No you are not". My interpretation of you saying this is that you knew he had gone too far by the threats he had issued. "All that he wants is to be dealt with in a timely and professional manner" really Lorraine, but you state Simon is not casting aspersions on my professional integrity. Re the timely manner Simon's main complaint is that his bail was not varied again specific instructions not provided when requested and Third-Party Disclosure. The trial is in June. Both the Third-Party Disclosure and section 8 application would be dealt with at the same time. I started dealing with Simon when he was 16. I observed Michael when Simon was accused of committing a robbery in the lifts at Edmonton Green. Simon was wearing a yellow coat and you a navy and cream ski type coat. A care worker was in the interview with him also. Units I think so nothing wrong with my recollection. Identification parades took place. I recall the police sending him a birthday card shortly after that to mark the occasion of his 17th birthday so he would not require an appropriate adult. Simon has been represented by Michael Carroll & Co and me personally always to a high standard. My track record as a criminal defence solicitor attest to this. In 15 years, I have successfully defended a number of very serious cases. I know how to make correct tactical decisions for clients. I should not have to defend my reputation to either Simon or you as you both know very well from past experiences how hard I try for people I am perfectly within my rights to ask for legal representation to be revoked in this case but because of the length of time I have known both you and Simon I will suggest to the court a transfer of legal representation on the ground of breakdown in relationship and the client alleging breakdown in trust and confidence in solicitor. I am at HMP Belmarsh this morning I will try to speak to Michael Carroll on the phone so he can authorise this. Best of luck to both you and Simon. You have all the case papers already. Anything you do not have copies of email me in a list. Please

confirm details of the solicitor who you wish to transfer the case over to at your earliest convenience.

Until he gets a solicitor, I cannot give you the details. I will update you tomorrow if he can't get a solicitor, he will deal with it himself in court. Also, if Jemi has done the section 8 can you email that over and have you had a reply from Nikki Diamond as of yet. As Simon wants to get them into the court as soon as possible as it is already well past the date the judge said he will hand them in his self if needed.

If they are going to do so I will send over later today the information. Also I am contacting the City Of London Magistrates court today due to the failure to surrender for his bail, as you are aware that this should not be on Simon PNC and I have spoken to you before about this many times, and the court a long while back and they said they was going to put it right and have not done so. You have always said not to worry about this on his PNC, yet they are using this so to impose more bail conditions on this case due to failure to surrender. I am going to try and get this sorted as they are holding this

against Simon and have done so more than once so I do feel this does needs addressing and not left any longer.

I have lost all my telephone contacts as my smart phone has died. Can you please email me your telephone number and Tyrone's please?

I remember your old number 07961 833 021 but cannot remember the other one or your house number. I will hopefully list the case next week. Can you confirm the new Solicitor details at your earliest convenience? I have also asked Jemi he can still do the case, but you will probably have to tell the new solicitors that he is your preferred barrister. If you give them my contact details, I can email over all the information etc.

Errors on my PNC Record: --

On the

12/02/2014

Emails again got sent to westminster.gov@hmcts.gsi.gov.uk regarding failing to surrender on my PNC, criminal Record. Westminster sent the memorandum of conviction via an email after my request to the courthouse; I received this email on the

17/02/2014

not too long after us paying for it. When I received the email, I acknowledged that it demonstrated what I claimed all about and that it was in error. The failing to surrender got dismissed by the court a long time beforehand, so it should have never of been placed on my PNC record and this error on my criminal record is why I got sent to prison, due to no fault of my own. I know it should not be on a copy of my Police Record, stating that I got found guilty of this offence. In understanding this error and knowing that many more were on my record to which I disputed knowledge about I continued in my search for answers; Then on the

19/02/2014

more Email's got sent to another courthouse such as Highbury Corner Magistrates Court, to have all my PNC records checked, for cases that were heard by Enfield Court which Edmonton Police dealt with. This took time to address as there where a list of Records I wanted checked. While waiting for my replies from the courthouses regarding my criminal recorded being in error so I felt depressed because of all the ongoing in my life so I attend to the local doctors to explain how the police court case and bail conditions deterred, my life away from being in harmony.

Hi Lorraine

Trevor Allaway has indicated that he will view a section 35 request favourably. If he agrees that we satisfy the criteria of section 35 then we will not have to resort to Third Party Disclosure as he should disclose. We may still have to do Third Party disclosure if he redacts information that may be relevant. A decision cannot be made on this until we receive either

(a) the file from the insurance company or

(b) the insurance company is unwilling to disclose in which case Third party Disclosure kicks in again. The section 8 application was sent off today. I had asked Jemi to amend and he had not, so I amended it and sent it off. Lorraine as Simon's case is in the warned list there is no guarantee that he will get Jemi to do the trial. He is still booked to do the case, but this is dependent on other cases not over running or him being instructed in a weeklong case.

Simon's conference with Jemi in December was a classic example of this. He was dealing with a child neglect case which over ran and had Simon's case been listed then Jemi would not have been able to do the case. Jemi or his Chambers may be willing to do the case. The court can direct that legal representation stay in place for the purposes of Counsel conducting Simon's trial and possibly for a pretrial conference, but their diaries change, and this affects their availability. I hope this clarifies.

Dear Simon / Lorraine

Please note that your case is listed for mention at Woolwich Crown Court on

18th February 2014

The listing indicates that you must attend. Can you please confirm the details of your new solicitors in order that I can email the court and confirm that we do not object to the proposed transfer of legal representation?

If you cannot locate a Solicitor to take over the case then we can apply on this date to have legal representation revoked so that you can represent yourself, as you have indicated you wish to. I stress that legal representation still covers Counsel and in a case like this it is better

to at least have representation from a barrister. The majority of the work has been done on this case and the only outstanding issues are as follows:

1. Disclosure from Insurance company
2. Disclosure requests in the defence case statement
3. Bad character skeleton argument to oppose Jemi will draft this as he will be arguing to exclude the bad character. In relation to 1 and 2 above the items disclosed will assist with cross examining witnesses. I have forwarded emails sent to the CPS, Woolwich Crown Court and also to Mr Trevor Allaway. If you have any further questions, then please do not hesitate to email me. I will still assist you with the preparation of the defence until legal representation is revoked or transferred.

I am writing this email after a call that was made to the City of London Magistrate Court on the

10/02/2014

about a list that is on my PNC that is incorrect. I was told to write this email including as much information as I could to get this updated. I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done. I was told on the

10/02/2014

when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated. The Error is for a case that was heard on the

03/03/2008

at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the

25/01/08.

The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record. This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court

for. I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the **26 June 2013**

for the Woolwich case. I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record. I was told on the

10/02/2014

when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court. Please see attached file for the page in my PNC record which is there in error I have highlighted the case. If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks

Mr Simon Cordell

Hi Josey

Thank you for the update I understand now as to the section 35. Simon has just got here as he is due to have a meeting at 3pm today with a next solicitor; he has read the emails and asked me to write this to you. If you are still willing represent him then he is fine with this, as he was only upset due to him believing things was not being done in time and him believing this would impact his life for longer. As he said the other day, he is sorry for the disagreement that happened on the phone. If you could let him know how you feel about this before 14.30, he would be grateful.

Hi Lorraine

Trevor Allaway has indicated that he will view a section 35 request favourably. If he agrees that we satisfy the criteria of section 35 then we will not have to resort to Third Party Disclosure as he should disclose. We may still have to do Third Party disclosure if he redacts information that may be relevant. A decision cannot be made on this until we receive either

(a) the file from the insurance company or

(b) the insurance company is unwilling to disclose in which case Third party Disclosure kicks in again. The section 8 application was sent off today. I had asked Jemi to amend and he had not, so I amended it and sent it off.

Lorraine as Simon's case is in the warned list there is no guarantee that he will get Jemi to do the trial. He is still booked to do the case, but this is dependent on other cases not over running or him being instructed in a weeklong case. Simon's conference with Jemi in December was a classic example of this. He was dealing with a child neglect case which over ran and had Simon's case been listed then Jemi would not have been able to do the case. Jemi or his Chambers may be willing to do the case. The court can direct that legal representation stay in place for the purposes of Counsel conducting Simon's trial and possibly for a pretrial conference, but their diaries change, and this affects their availability.

I hope this clarifies.

Dear Simon / Lorraine

Please note that your case is listed for mention at Woolwich Crown Court on

18th February 2014

The listing indicates that you must attend. Can you please confirm the details of your new solicitors in order that I can email the court and confirm that we do not object to the proposed transfer of legal representation?

If you cannot locate a Solicitor to take over the case then we can apply on this date to have legal representation revoked so that you can represent yourself, as you have indicated you wish to.

I stress that legal representation still covers Counsel and in a case like this it is better to at least have representation from a barrister. The majority of the work has been done on this case and the only outstanding issues are as follows:

1. Disclosure from Insurance company
2. Disclosure requests in the defence case statement

3. Bad character skeleton argument to oppose Jemi will draft this as he will be arguing to exclude the bad character. In relation to 1 and 2 above the items disclosed will assist with cross examining witnesses. I have forwarded emails sent to the CPS, Woolwich Crown Court and also to Mr Trevor Allaway. If you have any further questions, then please do not hesitate to email me. I will still assist you with the preparation of the defence until legal representation is revoked or transferred.

Dear Mr Allaway

Thank you for your email.

This case is listed for mention at Woolwich Crown Court on

18th February 2014

It is my understanding that you have been contacted directly by Mr Simon Cordell and Miss Lorraine Cordell in relation to ongoing legal proceedings. Thank you for the indication that an application under section 35 of the Data Protection Act 1998 would be viewed favourably. We make this application under section 35 of the Data Protection Act 1998 to request details of all insurance claims submitted by Mr Rakesh Patel in relation to a burglary committed at Unit 3 Horrisons Industrial Estate. Mr Patel alleged in a section 9 statement to the Metropolitan Police that a burglary was committed between

01st May 2013

And

08th May 2013

He alleges that goods to the value of **£8220** were stolen and damage to the walls estimated to be between £8,000 £10,000. Our client disputes involvement in the burglary but states that he did hire out his sound equipment in order for a private party to place arranged by persons legally squatting at the premises. Mr Cordell was forensically linked to the premises by DNA on a can of drink. Mr Cordell gave an explanation for this in that he stated that he oversaw the persons using his equipment. Mr Cordell has stated that when he arrived damage had already been caused and he has produced Facebook pictures purporting to be of the alleged premises. It is our understanding that you are in possession of photographs from previous burglaries at the same premises and the damage cited by Mr Patel in his statement to the police actually relates to damage already caused during a previous burglary and not

May 2013

as Mr Patel alleges. We rely on paragraph section 35 (2)

(a) and

(b) which states:

Personal data are exempt from the nondisclosure provisions where the disclosure is necessary

(a) for the purposes of, or in connection with, any legal proceedings (including prospective legal proceedings), or

74.

(b) for the purpose of obtaining legal advice, or is otherwise necessary for the purposes of establishing, exercising or defending legal rights. Mr Cordell faces a trial at Woolwich Crown Court in respect of an allegation of burglary. Mr Cordell contests this and alleges that he is being singled out and blamed for offences committed on earlier dates. He also denies causing the damage and alleges that this was caused on an earlier date. It is crucial to Mr Cordell's defence that any evidence that supports the fact that previous burglaries were committed, and extensive damage caused be disclosed in order that Mr Cordell can defend his legal rights. Any claims for stolen stock and any invoices submitted are also requested as old invoices have been submitted as part of these proceedings to support the value of the goods stolen. We would be grateful if the above could be disclosed as a matter of urgency. If you cannot disclose this information, then please confirm this in order that we can apply to the Court for a Third-Party Disclosure summons. We thank you in advance for your assistance in this matter.

Yours faithfully

MICHAEL CARROLL & CO

PS: We attach a copy of the statements made by Mr Patel in these proceedings and also a copy of the indictment which confirms the charge against Mr Cordell.

Thank you for the section 8 you done for me and the understanding as to me getting very anxious about this case it has really got me more than anyone understands. I have sorted out with Josey the disagreement we had, and she is still representing me. I am hoping that you can still do my case, and I am looking forward to a meeting with you when Josey sets this up before the trial date. I am building up a list of things I would like to ask you, and I hope that we can get time to go over them all.

Many Thanks

To Whom It May Concern:

I am writing this email after a call that was made to the City of London Magistrate Court on the

10/02/2014

about a list that is on my PNC that is incorrect. I was told to write this email including as much information as I could to get this updated. I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done.

I was told on the

10/02/2014

when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated. The Error is for a case that was heard on the

03/03/2008

at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the

25/01/2008.

The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record, this has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for. I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the **26 June 2013**

for the Woolwich case. I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record. I was told on the

10/02/2014

when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court

503.

the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs for this please email me back with the cost for this to be sent to me and I will get this paid to the court. Please see attached file for the page in my PNC record which is there in error I have highlighted the case. If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks

Mr Simon Cordell

Hi Josey

I just been emailed from the court the outcome of the city of London case fail to surrender as you will see from attached copy that has been sent over to me today from the court this case was dismissed. I had to pay £5.00 to get this from the court so I will email you the copy of the receipt also and the email I sent to court to get this dealt with I will send this over so you have copies of it. So, on Simon bail for this case there should be no fail to surrender, as he has never failed to surrender to the police or the court. Also, there are some other things on the PNC that I want to look into as there are some other errors, I am sure, but I wanted to get this one dealt with 1st as this was causing a problem. Also, Simon has looked over the section 8 and there are some errors with the dates Jemi put March and not May in 2 places also he put in section 2, 21. arrested win connections I think that should have been with and not win. Not sure if you corrected this with the one you sent over to the court.

Also is it 9.30am Simon needs to be at court tomorrow can you let me know please.

Many Thanks

Hi Lorraine

Thank you for the information. I have forwarded this to the barrister, Andy Locke who is covering the hearing tomorrow. I asked for the case to be removed from the list for two weeks as I have yet to hear back from the Insurance company and the prosecution, but the court went ahead and listed it. Simon must attend by 11am. His case is fourth on so if he arrives at court for 10.30am he will be in plenty of time. I will send a chaser email to the Trevor Allaway this evening. He is in court 7. If the insurance file and the disclosure from the police comes back favourably then coupled with the confirmation that Simon has no convictions for failing to surrender I will try again to get his bail conditions relaxed but I stress I can only do this once I am in receipt of the disclosure and this will be dependent on what the disclosure reveals. I can then compile all the case papers for the defence and assess whether we can make a request for the prosecution to review the prosecution against Simon. I think that they will proceed regardless but I will try once I am in receipt of all the information and if this information assists the defence and undermines the prosecution. I will arrange an appointment with Simon for this weekend / early next week and I hope to have some disclosure before the. Any questions please do not hesitate to come back to me.

Josephine

Dear Mr Cordell,

Further to the conversation between Mrs. Cordell and a member of staff yesterday, please specify

530,

which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around

25/06/2013

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

531,

If the information could be emailed to me, I would be grateful as I am next in court on March **2014** and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

Yours faithfully

Attachments: INSURANCE FILE.pdf

Dear Simon / Lorraine / Jemi

I refer to the above matter.

Please see attached a copy of the insurance file. I will require the police disclosure before tackling the issue of bail again and I hope to be in possession of this before the

04th March 2014

I will email a copy of the insurance file to the CPS also to further bolster the argument about disclosure of all police files in relation to the earlier two break in / burglaries. You will all not doubt note the insurance quotes and the names of the company providing the quotes, the amounts quoted and the damage being caused before

May 2013

I do not see any evidence of any money paid out to repair the wall and I will ask the insurance company if Mr Patel has provided any that this was done or the cost. It is referred to in email but no quote is attached or indeed the date the work was undertaken. The photographs provided by the insurance company do not assist as they do not show the damage to the internal walls but the police files for the first two offences may well confirm that the damage is identical. This and the links from Facebook. As you are aware of, I do not receive the police disclosure by the

04th March 2014

then I will have to make a further application for the case to be listed for lack of disclosure. Should you have any questions re the documents forwarded then please do not hesitate to contact me.

Josephine

Dear Martin

Here is the logbook for CX52JRZ please see attached. I did call DVLA after I got the letter from them which showed the spelling of the last name wrong as it was spelled Cardell and not Cordell, they told me I had to wait until the logbook come in the post and then to fill in section 6 to get it corrected. Which I will be doing. Also, I have also noticed today when the logbook came in the post and I am not sure why they have put the new keepers date as

15/02/2014

as the green slip section 10 was sent to them, so the date of the

10/11/2013

was on it so I will be writing a letter to ask why this was done, along with the section 6 to correct the last name. Could you please update us as to when this can be sorted with KGM as to the claim that is against Simon so he can sort his insurance out. Also, about the claim for

09 Dec 2013

we still have not heard from KGM as to when someone will be sent out to take a report from Simon could this be looked into?

And also, I know there was some confusion as to the number that was called to report this on the

09 Dec 2013

please see the below information from my phone bill Mon 09 Dec 13:28 SPEC SERV

Can you please give an update as to what is going on please with my insurance?

I do not think it is right that KGM are doing this with my no claims, KGM has made one phone call to me about a claim on the

14/09/2013

where I told them, I would send the invoice for the van, since this time I have not had one single letter to say they did not get the invoice, or any letters about this so-called claim for the

14/09/2013

and this is nearly 6 months old now. How can it be I have not had one single letter yet now my insurance is due to be renewed they bring up this and this is nearly 6 months down the line and I have heard nothing about this claim since I talked to someone from KGM on the phone back in

Sep 2013?

I have still not had any letters about the subject access request under the data protect act 1998, and the letter I emailed yourself to send over to KGM on the

26/11/2013

at 15.46 and will now be taking this up with the ICO. I have never had so many problems with an insurance company in my life then what I have had in the past year with KGM, and will be taking this up with the insurance ombudsman I have already spoken to them and they are very shocked at what I have told them and that is not all of it, they have asked me to write it all down and send it to them by email which I will be doing. There should be only one thing that is outstanding and that is the issue for the 09/12/2013, I have made 3 calls to the claim line to inform them what happened and yes there is a claim which was not my fault being addressed. I am at this time waiting for someone to contact me about this matter as this is what I was told the last time I made a call about it. Could this be looked into also so I know that it is being addressed in the correct way and I am not just waiting for someone to contact me and this does not happen as I would like to get this addressed as soon as possible so that KGM will see this claim was not my fault. I would like to get insured yet for the past days have not been able to do so as I am waiting for information on a quote and also to hear back about what KGM is doing with my 10 years no claims which was protected. I have been with Broadsure for a few years now and have never had any problems with you.

Found Guilty again

26-01-2015.pdf

Dear Annabel Jereniah

I have just seen the Memorandum of Entry that the Crown Court has sent and on that it says there was a Disqualification until test passed. But when we contacted the court, we were only told about 6 points and a fine for this case and this was also on the letter from the court. If I knew a Disqualification until test passed when I filed my appeal on the

13/02/2015

I would have ticked this be suspended until appeal was heard. Can you please look into this and see if the appeal could include the suspension of the Disqualification until the appeal is heard?

Please see attached document

Simon_Cordell_Appeal_Willesden_Harrow_Crown_Court Found Guilty again

26-01-2015

As you will see the letter Found Guilty again

26-01-2015

does not show any disqualification and this was confirmed by the court when we called that there were 6 points added and a fine.

Re: Mr. Simon Cordell DOB: 26-Jan., 1981 NHS No: 434 0961671

109 Burncroft Avenue, Enfield. Middlesex. EN3 7JQ Tel No: [REDACTED]

Thank you for seeing this 33-year-old Afro-Caribbean man. He gives a history of symptoms of anxiety and depression, which have been on-going for a few months. His symptoms have progressively got worse and he has been having some suicidal thoughts, although he has not made any concrete plans to do anything. He says that the only reason he has not acted on these suicidal thoughts is because of his ex- patient and family. He is currently involved with the criminal justice system and is -currently - on probation. He is under curfew and there have been imposed- restrictions on his movements. He says he is finding it very difficult to cope with the conditions of his - sentence, mainly the confinement to his home. He says that his relationship with his partner appears to have broken down because of what he describes as the tough - conditions of his probation. He continues to feel very low and anxious when he is confined- to his home. - He is having difficulty sleeping. He has had problems with depression in the past and was referred to the psychiatric services in **2012**. He has agreed to commence anti-depressant medication today in the form of Sertraline 50mg once daily. He requested some sleeping tablets and I have given him 10 tablets! of Zopiclone 3.75mg 1-2 tabs nocte to be used Infrequently.

Disrepair!

The HHSRS and the housing Act 1985 inclusive of many other rights of mine and many other people's rights mean that these problems of disrepair must not get left by the Enfield Council and the Enfield Homes teams to carry on the way it is causing me to have no enjoyment out of my flat and emotional distress!

Hi Josey

Can you let me know if when Simon case will be listed as we have not heard anything?

Has the CPS sent anything else over if not we were thinking the pressure needs to be kept on the police and CPS for the discloser so was thinking it would have been better to have gone back to court by now so the judge can see what's going on?

I know the CPS asked for more time and said they would have the information over to you by the end of business day on the

14/04/2014

this did not happen and again they asked for more time which has again passed and they have not given the information over, is the judge going to be made aware of this as they had enough time already to give over the information that was asked for. They have now not done what the judge asked 4 times, and you have also given them 2 more extensions and still nothing. And I do think the judge needs to be made aware of this fact. Can we have an update as to what is going on, I know when I last talked to you on the

24/04/2014

you said you was going to put into the court on the

29/04/2014

so, I was thinking it should have already been listed for yesterday or today but have not heard anything.

How Your Housing Benefit Has Been Worked Out for the period

From 07/04/2014 your Housing Benefit will be £90.65 each week.

The rent you are charged each week is £96.66.

Housing Benefit cannot pay for some service charges that are included in your rent. The rent you pay has to be reduced by the amount of these service charges. These amounts are shown below:

Actual amount for Ineligible Water **£6.01**

Total deductions for services £6.01

The amount of rent after deducting these charges is called your maximum eligible rent. Your rent of £96.66 must be reduced by £6.01, to £90.65 each week. This is your maximum eligible rent.

The maximum Housing Benefit you can get is £90.65 each week. This figure is used when working out 'your total weekly Housing Benefit'.

Your Total Weekly Housing Benefit

As you are receiving Income Support, I can pay the maximum Housing Benefit of £90.65 each week.

How Your Council Tax Support Has Been Worked Out

Based on your circumstances I have decided to assess your claim using the Working Age scheme.

From 01/04/2014, your council tax support is £12.60 each week.

The maximum council tax support you could get

Your council tax liability for the year is £816.28 which for this period is £15.65 each week.

The maximum council tax support you could get is therefore £15.65 each week. This figure is used when working out 'your total weekly council tax support'.

Your Total Weekly Council Tax Support

A reduction of the maximum council tax support of £15.65 that you could get each week must be reduced by £3.05, to £12.60.

As you are receiving income support, I can pay you your maximum council tax support of £12.60 each week.

Threats and intimidation (General)

Home visit to Ms Deborah Andrews flat. Attendees Dawn Allen TMO and CPN Bola Quadri

Home visit to Ms Andrews advised that her neighbour at number 109 has for the past few months harassed, intimidated, stalked her and made a life a complete misery. He continuously plays loud music, bangs on her ceiling and door alleging that she is monitoring his movements in his flat. She feels petrified by his presence and as a result refused to leave her flat for fear bumping into him on her way out. She has missed a few appointments with her social worker as a result, she has now been subjected to making home appointments pending the time this matter is resolved. She explained that they use to be acquaintances before the relationship went sour. She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred.

She believes the whole problem started when he claimed the decoration in his flat was damaged as a result of a leak coming from her flat. She confirmed that she had a leak from her overflow a few months ago which has since been repaired but, the damage alleged had occurred. Ms Andrews also recalled an incident when the perp spat in her face. It's been one issue after the other she advised the recent event which took place a week ago. She was on her way out to attend her appointment with her CPN when he apprehended her and threatened to kill her. She was pretty shaken from the incident that instead of attending her appointment, returned home immediately. She advised that she contacted the police but, wasn't

taken seriously as they assumed, she was drunk at the time of the call. She advised that she wasn't in the list drunk but, just the way she spoke due to her condition. She still wasn't taken seriously and had to abandon the call. She found this very frustrating and advised

that it was not the first time this would happen to her. Her CPN also confirmed her statement and expressed her dissatisfaction at the way she was treated. Ms Andrews felt completely let down by the police and became frightful for her safety especially, as she knows the perpetrators has shells in his flat. I observed in her flat that her floors were very creaky, I was made aware by Dawn that most of the flats in the block are like that. Unfortunately, the creakiness exacerbates the noise level in the flats and cause more problems than usual. I advised that I will contact the police to make further enquiries. I will also contact MHT to enquire if Mr Cordell is known to them. At some point the perpetrator will need to be interviewed and a warning letter issued on him. I will contact the repairs team and try to arrange a surveyor to visit her flat and see what assistance can be offered I further advised that her case will be investigated and an officer will get back to her to discuss further with her. Her CPN and TMO will be kept informed of updates Bola Quadri has already put in place a safe guard alert.

Hi Dolly,

Nick and I attended 113a while ago and spoke to the lady a while ago when she originally called Police. At the time she didn't want us to speak to her neighbour as things had got better. The lady handed us a letter about what had happened but none of it made any sense. We believe she was suffering from mental health issues. On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us. The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police. I know some Officers went around and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118.

We will try and get around to see her when were back on duty on Monday.

Kind Regards

Good afternoon Mark,

Could you kindly assist with this query please. Following reports of ASB by the above tenant, my colleague and I visited her this morning and were alarmed by the nature of her complaints. She has in the past few months being constantly harassed, intimidated, bullied, stalked and threatened to kill by her neighbour at 109.

As a result of his behaviour, she has become too scared to leave her flat for fear of what may happen to her. She is a vulnerable tenant who requires support from services.

However, the unsettling behaviour exhibited by number 109, has hindered her from attending her appointments and exacerbated her condition. At the moment, she feels very disorientated / agitated and will like the harassment to stop.

She advised that she had reported this to the police a few times but, wasn't taken seriously. I will appreciate if you could stop over at 113 to reassure her that the matter is being dealt with and also to stop by 109 and advise him that you are aware of what is going on and the repercussions should it continue.

Thank you for your support and assistance

Good afternoon Louise,

Sorry I missed your call; I was at a meeting at the time. Called and left a message on your voice mail.

Ms Andrews suffers from a history of mental health; she is currently being supported by Bola Quadri Care-coordinator / CPN / Nurse Prescriber Psychosis Service Line
Barnet, Enfield & Haringey Mental Health NHS Trust / 58-60 Silver Street, Enfield EN1 3EP

She made complains about her neighbour at number 109, harassing, verbally abusing her, intimidating, shouting threatening to kill her. The main concern here is that the perpetrator in question also suffers from mental health and is known to be very aggressive, violent and anti-police. He has on a few occasions threatened to kill her and petrified the life out of her.

It was on this basis that a decision was made to move her out immediately.

Hope the above information is useful.

Hi Louise,

Thanks for this - I'm pleased to hear you think Deborah is being properly supported and that she sounded better - she was in a right state when we spoke to her last.

Good news that it looks like she might be able to get help to move.

For the camera, we are very happy to come along for a visit. I've spoken to our Sgt and as we understand it the ideal course of action is to advise him to remove it in our presence, then if he refuses, I believe you can take it down and that should be fine so long as the camera itself is returned to Cordell. Let me know when your best days for it would be and I'll see when we can manage best.

Best wishes,

Hi James,

I spoke with Deborah Andrews this morning; the leak issue was sorted over the weekend this was from the flat above.

I do not know anything about Mr Cordell moving in two weeks' time, unless she is getting confused with his threat that he will get her in two weeks' time? Overall, I am concerned that Deborah is not managing and appears to be getting more confused the last few times I have spoken to her last week and today, she is also feeling that she needs further support by way of supported accommodation. I do agree with her as the level of support that St John of God provide is high and the dependency with other agencies is also constant and not something that housing or myself could provide long term.

Deborah was much calmer this morning and I reassured her that if she has any concerns to contact me.

With regard to the camera not he is not allowed it to be train on anything else other than his front door. Probably means I will need to visit him to get this sorted. I may request your assistance with this I don't really fancy

Hi Louise,

I hope you are well.

Since 15/01/2016 we have had further calls from Debra Andrew relating to the issues she has been having with Simon Cordell.

Given the nature of the calls, we visited Debra yesterday for a reassurance visit. She said that there has been a leak in the building causing 'flooding' in both her flat and Cordell's flat, and Cordell has been making accusations relating to it. She said that she believes Cordell is leaving his flat in two weeks, which I hadn't heard, but said I would look into it - do you know if that's true by any chance?

Debra said that if Cordell does not leave, she wants to leave her flat and move somewhere else herself.

While at the address we also noticed that Cordell has now installed a CCTV camera which is placed at the top of the internal communal door leading to flats 109 and 111, facing towards the main door of the block. I am unsure as to whether he's allowed to do this and shall look into it, but just wanted to let you know!

Best wishes,

Hi Louise, Jackie,

Mr Cordell called this afternoon requesting to speak with yourselves in regard to his case against his neighbour.

I am sure you know the details however; he did say that his neighbour is making noise when he undresses. He did go on to mention an incident that resulted in both himself and his neighbour in an awkward position when he attempted to help her move her bed.

Mr Cordell is expecting a call back this afternoon.

Kind Regards

Dear Sarah,

Thank you for your email and updated information. This incident yesterday I am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla? Please can you confirm if this was reported to the police, and if this was not why? This is harassment and can be treated and reported as a criminal offence. Yes, this is a separate incident to 15.01.2016. The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her. In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the Mental health team prior to this email (I do appreciate that Bola has

been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns. Debbie has also contacted Bola. I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all, she is looking to me for reassurance. Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation. Supported living is something Bola would need to arrange. Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?

Please can you confirm if she has expressed this to staff at St John of god? Also, please can you confirm if you feel that Deborah is not coping at present. If so, has this been reported to the mental health team?

As you are aware, Debbie has said that she is not coping and I understand that you are in the process of providing a report in order to facilitate Debbie to move. Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take?

Also given the current hours that currently allocated to Deborah if this is suitable in this situation for her need? If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater? We are requested and funded to provide 6 hours support per week (3 hours twice a week for shopping). Bola is responsible for increasing the care package if Debbie is assessed as needing more support. With regard to the Safe guarding plan I do feel that a mental health strategy meeting needs to take place as issues beyond our control will also have a direct impact on the wellbeing of Deborah. I am raising this directly with George Benyure Bolas manger. My understanding was that Bola had already raised a safeguarding alert?

Subject: Debra Andrews Importance: High Sensitivity: Confidential This message has been sent on behalf of Yvonne Stacey.

Hi Louise

I am extremely concerned about Debbie Andrewes neighbour and the increased risk to the support workers and indeed Debbie, who, as you are aware is unable to leave her own home unescorted.

Yesterday it was reported to me that the neighbour approached Barbara de Polla as she entered the communal door, he was very aggressive and began shouting at her saying, you should not be coming here, she is an alcoholic, you shouldn't take her out anywhere etc." Barbara said that she did not want to talk about it and walked away from him, luckily, he did not follow her.

In relation to Debbie is safety, I strongly feel that it is only a matter of time before something serious or even fatal happens to her. As you are aware, the neighbour has a dog, which appears to be a Staffordshire bull terrier which

Page 18 of 21

he allows to roam free in the communal area which is highly intimidating and potentially very dangerous.

Please can you clarify the interim safeguarding protection plan and timescale as to when Debbie will be moved to a place of safety.

I have completed an internal incident form and unfortunately, if another incident occurs, I will have no other option but to temporarily withdraw our service, which will put Debbie in a situation where she is even more at risk.

I look forward to hearing from you at your earliest convenience.

Regards

Dear George & Bola,

Thank you for your email, I have only copied you both as there is other information on Mr Cordell that urgently needs to be considered.

I received an email informing me that a mental health warrant had been granted for Mr Cordell. This will cause a greater issue especially if he is released back into the community. My fear is that this will indirectly cause further distress for Deborah. A plan needs to be put in place with full considerations.

Please can an urgent mental health strategy meeting be held regarding Deborah Andrews, given the above information and the urgent need for full consideration in this case due to the complex needs and issues with both clients, who are known to your services and tenants of Enfield Council.

Deborah is contacting me if not daily every other day these calls are coming through at all different days and times. She is informing me that she is not coping with everything and wants to go back into supported accommodation, she feels extremely frightened and vulnerable. I must confirm that its Deborah stating that she is not coping as I am not in a position to make these decisions. When I speak with Deborah asking if she is attending her appointments, she states that" it js a quick jab, in and out no one speaks with you.

With regards to the management transfer this is still being prepared and waiting to be heard by panel, I am waiting to hear the next available date for this. It was explained when I suggested this action may be a route forward that this is not a quick process and all elements need to be considered. It is not necessary for Ms Andrews to currently go into emergency accommodation either. This case will be assisted by moving Ms Andrews; however, this may not resolve all of the concerns or the overall future welfare of Ms Andrews.

Transferring Ms Andrews into another independent accommodation without fully assessing her current needs and the full support required should to be considered before this happens. As moving her may not solve all of Deborah Andrews concerns. She is only going out when SJOG are visiting, however they are only allocated 3 hours per week. More recommendations need to be put forward to provide a comprehensive package to support

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around

25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with

551.

the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on

March 2014

and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

Can you let me know what time court is for tomorrow as Simon wants to go?

I have told him he does not need to go till the 18th, but he is so unstable he wants to be there tomorrow; he has been to the doctors due to his health. He wants his bail address by the court. There are some parts that should be looked at for failing to surrender which should now be dropped as he has never failed to surrender to the court or police.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on

March 2014

and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

I am shocked at what the CPS has sent over. They have known all along people was arrested at the party in Feb **2013** with items from the building, saw the damage to the warehouse and still NFA these people they even had the police watching the building seeing people take lots of things out the building in Feb **2013**. Josey, they know Simon did not do this so why charge him and put this all on him, this is why they are covering up and don't want to give the information. To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013. I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.

615,

If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on March **2014** and would like this information of any errors so I can show the judge. Please see below the lists of cases I would like information on.

Subject: RE: Simon Cordell Errors on Cases.

To Whom It May Concern:

After your email dated the 21/02/2014 I was thinking that you would be searching for the data from the week of the 24/02/2014 as this is what it said in the email. As I said in my 1st email when asking for the information I have a case that is at Woolwich crown court and I am having problems with my bail due to the records on my PNC, I am due in court maybe tomorrow or this week as my solicitor is putting into court to have a hearing and I wanted to have any errors on the PNC addressed at court.

Dear Mr Cordell,

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

Mr. Simon Paul Cordell 109 Burncroft Road Enfield Middlesex EN3 7JQ 18/02/2014

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed off at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would

63.

like to check all the cases on the PNC that was heard at Enfield Magistrates.

If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

Subject: RE: Regina v. Simon Cordell for mention re disclosure issues 6th March 2014

Hi Josey

If at all possible, can you confirm what happened in court today by email. Is it the case now that no more discloser will be asked for?

Also, if no more discloser is needed can you list it for court to see if the judge will bring the trial date forward?

If the conditions of bail could be changed there would not be so much of a problem waiting till July 2014 for it to go to trial, but I don't think Simon or I can take this till July 2014 if the bail is not addressed. There are still some issues I do see one being is part of Simon bail conditions is for failing to surrender which should not be the case as there is no failing to

surrender on his record now and this has been proved. There is also the case you said before once you got all the discloser you needed from the insurance and CPS you said you would put an application in for his bail to be addressed; now it all seems to be on a letter from the doctors which was not the case before. If we take this to the high court for his bail to be addressed will they look more of the case of just what the CPS says?

I don't think Simon can take it till the 17/02/2014 to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP, nor do I think I can take any more of the worry that he will just end his life as that is what it has come to. If you just look at my phone bills and see all the 101 calls to the police over the last months with Simon telling them he wants to kill himself you would see this.

The other day I had 4 police officer in my home due to this while I am trying to stop him thinking the way he is for hours.

The stress this is having not only on Simon but me and the people around him trying to help him. The judge has got to hear what is going on here to this family due to all this and the lies by the police and the cover ups in this case. How can they call this burglary they are still hiding the information as to the inspector that was there before the party started that let the party go on, and went into the building before Simon had even gone in there and saw the damage to the building?

How can they hide that he comes along with TSG more than once?

And also, on one time came with the council due to noise how they can lose all this data. As this would prove Simon did not break into the building and in fact show that there were people living there. They also took a guy Simon knows called Martin Carl in the back of their van due to him hitting a girl which a 999 call was made. The police stayed there for around 1 hour this time as they were trying to get the guys shoes to be able to take him away. Simon is not sure if they took him to the station but if the police took him away there should be a record of this. The CPS is saying there have given all the discloser yet where are the pictures from the Feb 2013 case where are all the statements for this case. Are they hiding information as we are not asking for the information to the right address?

As if you look in the information, we got yesterday from the CPS the address is Bianca Road which as we have said before that's the road, we said the party was on. The case for Simon the police is saying Haymerle Road. Which as we showed you when you on Google maps both streets are right around the building as it is covered by 2 street names. Josey Simon cannot take no more his bail needs to be address ASAP I am scared I going to get the police here saying he has taken his life something does need to be done.

Dear Nikki Diamond

I am writing this letter to you after Trevor Allaway sent us the file for Mr Patel, due to my son Simon Cordell being charged by the police. When looking at the Pictures which were sent with the file I was wondering if you had any other pictures then the 3 that was sent to us. Maybe ones that show the damage to the wall, and maybe ones that are in colour if at all possible. From the Pictures we got from the police re the case of my son there does not seem to be any that show the damage to a wall. The problem is my Son never went into that part of the warehouse so from the picture the police have given it is not clear at all. And the 3 pictures that Trevor Allaway sent in the file he cannot see any damage to any walls. In 2 of the pictures the police have sent there is what the police have said is a concealed passageway which they think is how the warehouse was accessed. But to me there seems to be no way access could have been gotten this way. Please see IMG3853 and IMG3854 I know you have been in the warehouse yourself and noted the layout of the warehouse that was included with the file that has been sent over to us. Is there any way if you do not have any more pictures you can mark on your layout where the wall was damaged inside the warehouse? I know this is asking a lot but if you could help at all I would be most grateful.
Many Thanks
Lorraine Cordell

Hi Josey

An update to the email below. The police called here late last night I was thinking they had come to tell me Simon was dead. The police have put Simon on their vulnerable list due to how bad he has got, he is even beaching his skin because he thinks the police are doing this due to his colour, he has been doing this for the last weeks but it only come out this weekend. He has started over the last weeks locking himself away not letting anyone see him which is really not a good thing. Saturday he even told Katie not to come any more which really is the

last person he lets in. This really has to be listed for court this week as he is getting worse. I want to write a letter to the judge about what is going on would he read this at a bail application and not let it be read out in court as there will be very private things in it. Can you give me an update to the below email and this one as to what can be done I am trying to keep him as claim as I can till he has to see the psychiatrist but it is very hard and this is making things worse on my health which you know already is not good. I would also like to put a complaint in about this and how the police have handled this whole case.

Hi Josey

If at all possible, can you confirm what happened in court today by email. Is it the case now that no more discloser will be asked for?

Also, if no more discloser is needed can you list it for court to see if the judge will bring the trial date forward?

If the conditions of bail could be changed there would not be so much of a problem waiting till July 2014 for it to go to trial, but I don't think Simon or I can take this till July 2014 if the bail is not addressed. There are still some issues I do see one being is part of Simon bail conditions is for failing to surrender which should not be the case as there is no failing to surrender on his record now and this has been proved. There is also the case you said before once you got all the discloser you needed from the insurance and CPS you said you would put an application in for his bail to be addressed; now it all seems to be on a letter from the doctors which was not the case before. If we take this to the high court for his bail to be addressed will they look more of the case of just what the CPS says?

I don't think Simon can take it till the 17/02/2014 to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP, nor do I think I can take any more of the worry that he will just end his life as that is what it has come to. I am shocked at what the CPS has sent over. They have known all along people was arrested at the party in Feb

630,

2013 with items from the building, saw the damage to the warehouse and still NFA these people they even had the police watching the building seeing people take lots of things out the building in

Feb 2013

So really had them red-handed and still done nothing. And NFA the people they did arrest.

Josey, they know Simon did not do this so why charge him and put this all on him, this is why they are covering up and don't want to give the information. Again, they have withheld so much information like the pictures from

Feb 2013.

Again, they have not given any of the officer names that were there before the party started in **May 2013**

and let the party carry on knowing all this information. This is clearly a setup. Can Simon bail be address with this information?

After your email dated the 21/02/2014 I was thinking that you would be searching for the data from the week of the 24/02/2014 as this is what it said in the email. As I said in my 1st email when asking for the information I have a case that is at Woolwich crown court and I am having problems with my bail due to the records on my PNC, I am due in court maybe tomorrow or this week as my solicitor is putting into court to have a hearing and I wanted to have any errors on the PNC addressed at court.

Dear Mr Cordell,

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

Subject: Re: Simon Cordell Errors on Cases.

Mr. Simon Paul Cordell 109 Burncroft Road Enfield Middlesex EN3 7JQ 18/02/2014

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know

76.

some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates.

If this can be done as a matter of urgency due to the impact this is having on my life with the case that is on going at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

New Assessment

Dr Jarvis (ST5),

Mr Cordell,

Mr Cordell's mother Diagnosis

Adjustment reaction - predominantly anxiety

Medication: Nil

Plan:

1. If Mr Cordell would like to try medication Sertraline starting at 50 mg for one week then increasing up to 100 mg would be a good choice.
2. Crisis plan agreed with Mr Cordell if he feels like acting on his suicidal thoughts (call crisis team, or Samaritans or an ambulance).
3. Discuss with team at MDT for advice around sources of support
4. Mr Cordell to consider psychotherapy to address problems from the past.

Thank you for referring this 33-year-old man with low mood, suicidal thoughts and anxiety. He attended an appointment at the Silver Street Clinic 11.03.14 with his mother Lorraine. Mr Cordell explained to me that he is under a lot of stress at the moment due to a pending court case. He told me he is accused of burglary, but that he had been wrongly accused and the police had falsified items on his criminal record. He said that the record had led to the judge placing restrictive bail conditions including being at home in his flat after 8 pm. This has meant Mr Cordell has not been able to work for the last nine months (as he normally works as a DJ and party host with most work going on beyond that time). The bail conditions have just been extended for a further six months. Mr Cordell feels that these restrictive conditions have made him feel "a prisoner" in his own home. Mr Cordell describes feeling anxious most days. He says he has a poor appetite and has lost "3 stone" in weight over the last 9 months. He says he often finds his thoughts are overactive and will not give him any rest. Mr Cordell says he finds it difficult to get off to sleep, sometimes not until 5am, but then will stay in bed until midday. **His mother says she has noticed him become "more aggressive" and trying to isolate himself from others. Mr Cordell says he frequently has suicidal thoughts and that he has been researching ways to kill himself "on YouTube". These have included "poisoning, over-dose, hanging". He said that he has tried to kill himself by hanging in the past. He says he has all the materials at home ready to act on his thoughts and has done so for the last nine months. He says what stops him from acting on these thoughts is a desire for justice, wanting to be proved innocent at trial. He says the police are very worried about him, saying "they know they have messed up and now I am on their most vulnerable list, I call 101 regularly, I had police officers out to my flat twice last week to check on my safety".**

Mr Cordell says he feels angry with the police, that he has been victimised by them because of the colour of his skin and that he will continue to be victimised by them.

Past Psychiatric History

Mr Cordell tried to hang himself at the age of 16 when in a young offender's institution; he says he lost consciousness and needed to be resuscitated. He was moved to a high security hospital and kept in seclusion on a number of occasions, but he says he would destroy the padded cell with his teeth. He says he was seen regularly by a psychiatrist called Dr Caplin from "the safe project". He says there was a second occasion where he tried to hang himself when in a cell after he was sentenced. He has not had contact with mental health services for the last 15 years.

Past Medical History: Nil

Personal History:

Mr Cordell was born at North Middlesex University Hospital. He has a younger brother and sister. Mr Cordell says he knows his maternal grandmother attempted suicide on a number of occasions and had had psychiatric hospital admissions. Mr Cordell's father worked as a union representative and his mother ran her own computer company. Mr Cordell says he did not get on well with his father who was a violent man. He was violent towards Mr Cordell, Mr Cordell's mother and siblings. Mr Cordell left home at the age of fifteen and was homeless for a while. He was placed in to care after stealing a pint of milk. He was placed in a series of children's care homes around the UK but says that each time he would steal a car and drive back to London. Mr Cordell said he was pushed hard to achieve at school by his father and that he was "an A-star student" for most of the time. He says he was intelligent and would do the work at other times and as a result would often just "mess about" in class. He went on to college and studied engine mechanics, completing a city & guilds qualification. After

105

leaving school, he went on to get jobs in the construction industry. Mr Cordell says he has tried to build himself up a business for providing party entertainment. At the moment he says he is not able to earn from this due to the restrictions of his bail. Mr Cordell has had one long term relationship which he describes as "my first true love". This is with a woman called Diana who is currently studying physiotherapy. They were together thirteen years but he says she has moved back out of his flat in recent months. Mr Cordell thinks this is secondary to the repeated involvement of the police in their lives and the stress this has caused. Mr Cordell lives in a one-bedroom council flat. He says things have been financially difficult in recent months as his benefits were stopped and he has had to borrow from friends and relatives. His benefits have been restarted now. Mr Cordell says he does not smoke tobacco and does not drink alcohol. He says he does occasionally smoke "skunk".

Forensic History:

Mr Cordell was put in a Young Offender's Institution at the age of 16 after repeated driving offences (driving without a license) Mr Cordell says he has not been in trouble with the police for a number of years. He had stolen some trainers at a festival in 2009 and prior to that had not been in trouble since 2005. He denied any violent offences. Mr Cordell currently stands accused of burglary. He has a solicitor and the case will not be heard until July at the earliest.

Mental State Examination:

Mr Cordell presented as a tall mixed-race man with short dark hair and beard, dressed appropriately in trousers and coat. He sat in a relaxed manner throughout our interview making good eye contact. His speech was a little rapid, but normal in rhythm and tone. His mood was described as "anxious", objectively it was a little low with a reactive affect. There was no evidence of formal thought disorder; content focused around the problems caused by his bail conditions. He described suicidal thoughts but said he had no plan to act on the thoughts due to wanting justice first. Mr Cordell denied abnormal perceptions and was not obviously responding to any. Cognition was not formally assessed but appeared grossly

intact. Mr Cordell could see that most of his problems flowed from the very difficult set of circumstances he finds himself in and that he did not think he is "crazy".

Opinion:

Mr Cordell is a 33-year-old man presenting with anxiety and suicidal thoughts over the last nine months in the context of having a pending court case with no clear date or outcome yet. I would agree with Mr Cordell's own assessment that he does not have a major mental disorder. He has symptoms of anxiety in keeping with the stressful circumstances he finds himself in. He also displays a number of maladaptive psychological coping mechanisms, which likely flow from his difficult childhood with a violent father. His suicidal thoughts and acts have been a long running feature, becoming particularly acute at times of involvement with the criminal justice system.

Management:

We agreed a crisis plan today should Mr Cordell feel inclined to act on his suicidal thoughts. We agreed he would either call the Crisis Team (0208 702 5060) or the Samaritans (08457 90 90 90). If these sources of support did not work out, I said he could always call an ambulance in an emergency. We agreed that he could try an antidepressant medication if he chose to, although he remained ambivalent about this at consultation. Sertraline 50 mg OD increasing to 100 mg OD after one week, continuing as long as necessary would be appropriate. I also discussed psychotherapy with Mr Cordell today. He was not sure about this at present. If Mr Cordell would like psychotherapy the IAPT (Improving Access to Psychological Therapies) service would seem like an appropriate place to get this. We have not made plans to follow Mr Cordell up. If you have any questions or concerns, please do not hesitate to contact us.

Yours sincerely

Hi Josey

Simon date has been moved forward to see DR Jarvis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP to tomorrow morning at 9.30am. Also can you please give us an update to the below emails as Simon would like to fully understand what went on in court last week as to the discloser and if any more discloser has been asked for, he wants to know if you will be trying to get the discloser from the pictures to the Feb 2013 case and if you will be trying to get the information as to what inspector went to the building before the party started and more times on the night, and the invoices as to what stock was there before Feb 2013 after Feb 2013 and before May 2013. as he really is not 100% sure what he is being charged with as to what damage and the amount of stock he was meant to have taken. And also, to know what can be done with his bail conditions if he cannot get a letter from the DR right away, he is scared as it a new Dr they may not give him a letter right away until they have had more sessions?

Hi Josey

An update to the email below.

The police called here late last night I was thinking they had come to tell me Simon was dead. The police have put Simon on their vulnerable list due to how bad he has got, he is even beaching his skin because he thinks the police are doing this due to his colour, he has been doing this for the last weeks but it only come out this weekend. He has started over the last weeks locking himself away not letting anyone see him which is really not a good thing. Saturday he even told Katie not to come any more which really is the last person he lets in. This really has to be listed for court this week as he is getting worse. I want to write a letter to the judge about what is going on would he read this at a bail application and not let it be read out in court as there will be very private things in it. Can you give me an update to the below email and this one as to what can be done I am trying to keep him as claim as I can till he has to see the psychiatrist but it is very hard and this is making things worse on my health which you know already is not good. I would also like to put a complaint in about this and how the police have handled this whole case.

Hi Josey

655.

If at all possible, can you confirm what happened in court today by email. Is it the case now that no more discloser will be asked for?

Also, if no more discloser is needed can you list it for court to see if the judge will bring the trial date forward?

If the conditions of bail could be changed there would not be so much of a problem waiting till July **2014** for it to go to trial, but I don't think Simon or I can take this till July **2014** if the bail is not addressed. There are still some issues I do see one being is part of Simon bail conditions is for failing to surrender which should not be the case as there is no failing to surrender on his record now and this has been proved. There is also the case you said before once you got all the discloser you needed from the insurance and CPS you said you would put an application in for his bail to be addressed; now it all seems to be on a letter from the doctors which was not the case before. If we take this to the high court for his bail to be addressed will they look more of the case of just what the CPS says?

I don't think Simon can take it till the 17/02/2014 to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP, nor do I think I can take any more of the worry that he will just end his life as that is what it has come to. If you just look at my phone bills and see all the 101 calls to the police over the last months with Simon telling them he wants to kill himself, you would see this. The other day I had 4 police officer in my home due to this while I am trying to stop him thinking the way he is for hours. The stress this is having not only on Simon but me and the people around him trying to help him. The judge has got to hear what is going on here to this family due to all this and the lies by the police and the cover ups in this case. How can they call this burglary they are still hiding the information as to the inspector that was there before the party started that let the party go on, and went into the building before Simon had even gone in there and saw the damage to the building?

How can they hide that he comes along with TSG more than once?

And also, on one time came with the council due to noise how they can lose all this data. As this would prove Simon did not break into the building and in fact show that there were people living there. They also took a guy Simon knows called Martin Carl in the back of their van due to him hitting a girl which a 999 call was made. The police stayed there for around 1 hour this time as they were trying to get the guys shoes to be able to take him away. Simon is not sure if they took him to the station but if the police took him away there should be a record of this. The CPS is saying there have given all the discloser yet where are the pictures from the Feb 2013 case where are all the statements for this case. Are they hiding information as we are not asking for the information to the right address?

As if you look in the information, we got yesterday from the CPS the address is Bianca Road which as we have said before that's the road, we said the party was on. The case for Simon the police is saying Haymerle Road. Which as we showed you when you on Google maps both streets are right around the building as it is covered by 2 street names. Josey Simon cannot take no more his bail needs to be address ASAP I am scared I going to get the police here saying he has taken his life something does need to be done.

I am shocked at what the CPS has sent over. They have known all along people was arrested at the party in Feb 2013 with items from the building, saw the damage to the warehouse and still NFA these people they even had the police watching the building seeing people take lots of things out the building in Feb 2013. So really had them red-handed and still done nothing. And NFA the people they did arrest. Josey, they know Simon did not do this so why charge him and put this all on him, this is why they are covering up and don't want to give the information. Again, they have withheld so much information like the pictures from Feb 2013. Again, they have not given any of the officer names that were there before the party started in May 2013 and let the party carry on knowing all this information. This is clearly a setup. Can Simon bail be address with this information?

On the 11/03/2014; I got assessed by Dr Jarvis, who's based on Silver Street, opposite the Enfield police station and Civic Centre, of my free will I arranged the meeting. In doing so I explained to him all and showed evidence of how this had stopped me from working, he told me in reply that he would also get upset with the police if they done the same to him, I soon after left his office.

Dear Mr Cordell,

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

Mr. Simon Paul Cordell 109 Burncroft Road Enfield Middlesex EN3 7JQ 18/02/2014

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

There were six different records that were not in the court registry: --

The day was the

and my mother helped me at my request and did so and in return she attended to the Enfield Magistrates Court for me to pick up information about my criminal record being in error, as got requested of me by the courthouse from my previous request. When my mother arrived, she got told that there were six different records were not in the court registry and contained on my criminal record, it also got explained by the court employee that if the six dates on my record were not in the court registry, as they were not, then they were never herded before in court. The lady working in the court continued to tell my mother she had seen nothing like this before and said it got worrying, I am still trying to address this, but no one seems to be able to help. I questioned to others; how can there be six different records on my PNC, yet they have never been to court?

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013. I

would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case. I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues. If the information could be emailed to me, I would be grateful as I am next in court on March **2014** and would like this information of any errors so I can show the judge. Please see below' the lists of cases I would like information on.

Subject: Re: Simon Cordell error on record.

To Whom It May Concern:

I am writing this email after a call that was made to the City of London Magistrate Court on the 10/02/2014 about a list that is on my PNC that is incorrect.

I was told to write this email including as much information as I could to get this updated.

I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done.

I was told on the 10/02/2014 when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated.

The Error is for a case that was heard on the 03/03/2008 at the City of London Magistrate Court, for failing to surrender to custody at appointed time, on the 25/01/08.

The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record

This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for.

I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the 26 June 2013 for the Woolwich case.

I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record.

407,

I was told on the 10/02/2014 when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court

the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs

for this please email me back with the cost for this to be sent to me and I will get this paid to the court.

Please see attached file for the page in my PNC record which is there in error I have highlighted the case.

If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks Mr Simon Cordell DOB 26/01/1981

Hi Josey

Simon date has been moved forward to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP to tomorrow morning at 9.30am Also can you please give us an update to the below emails as Simon would like to fully understand what went on in court last week as to the discloser and if any more discloser has been asked for, he wants to know if you will be trying to get the discloser from the pictures to the

Feb 2013

case and if you will be trying to get the information as to what inspector went to the building before the party started and more times on the night, and the invoices as to what stock was there before

Feb 2013

After

Feb 2013

and before

May 2013

as he really is not 100% sure what he is being charged with as to what damage and the amount of stock he was meant to have taken and also to know what can be done with his bail conditions if he cannot get a letter from the DR right away, he is scared as it a new Dr they may not give him a letter right away until they have had more sessions?

Hi Josey

An update to the email below. The police called here late last night I was thinking they had come to tell me Simon was dead. The police have put Simon on their vulnerable list due to how bad he has got, he is even beaching his skin because he thinks the police are doing this due to his colour, he has been doing this for the last weeks but it only come out this weekend He has started over the last weeks locking himself away not letting anyone see him which is really not a good thing. Saturday he even told Katie not to come any more which really is the last person he lets in. This really has to be listed for court this week as he is getting worse. I want to write a letter to the judge about what is going on would he read this at a bail application and not let it be read out in court as there will be very private things in it. Can you give me an update to the below email and this one as to what can be done, I am trying to keep him as claim as I can till, he has to see the psychiatrist but it is very hard and this is making things worse on my heath

760,

which you know already is not good. I would also like to put a complaint in about this and how the police have handled this whole case.

Subject: RE: Regina v. Simon Cordell for mention re disclosure issues

06th March 2014

Hi Josey

If at all possible, can you confirm what happened in court today by email. Is it the case now that no more discloser will be asked for?

Also, if no more discloser is needed can you list it for court to see if the judge will bring the trial date forward? If the conditions of bail could be changed there would not be so much of a problem waiting till

July 2014

for it to go to trial, but I don't think Simon, or I can take this till

July 2014

if the bail is not addressed. There are still some issues I do see one being is part of Simon bail conditions is for failing to surrender which should not be the case as there is no failing to surrender on his record now and this has been proved. There is also the case you said before once you got all the discloser you needed from the insurance and CPS you said you would put an application in for his bail to be addressed; now it all seems to be on a letter from the doctors which was not the case before. If we take this to the high court for his bail to be addressed will they look more of the case of just what the CPS says?

I don't think Simon can take it till the

17/02/2014

to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP, nor do I think I can take any more of the worry that he will just end his life as that is what it has come to. If you just look at my phone bills and see all the 101 calls to the police over the last months with Simon telling them he wants to kill himself, you will see this. The other day I had 4 police officer in my home due to this while I am trying to stop him thinking the way he is for hours. The stress this is having not only on Simon but me and the people around him trying to help him. The judge has got to hear what is going on here to this family due to all this and the lies by the police and the cover ups in this case. How can they call this burglary they are still hiding the information as to the inspector that was there before the party started that let the party go on, and went into the building before Simon had even gone in there and saw the damage to the building?

How can they hide that he comes along with TSG more than once?

And also, on one time came with the council due to noise how they can lose all this data. As this would prove Simon did not break into the building and in fact show that there were people living there. They also took a guy Simon knows called Martin Carl in the back of their van due to him hitting a girl which a 999 call was made. The police stayed there for around 1 hour this time as they were trying to get the guys shoes to be able to take him away. Simon is not sure if they took him to the station but if the police took him away there should be a record of this. The CPS is saying there have given all the discloser yet where are the pictures from the

Feb 2013

case where are all the statements for this case. Are they hiding information as we are not asking for the information to the right address?

As if you look in the information, we got yesterday from the CPS the address is Bianca Road which as we have said before that's the road, we said the party was on. The case for Simon the police is saying Haymerle Road. Which as we showed you when you on Google maps both streets are right around the building as it is covered by 2 street names.

761,

Josey Simon cannot take no more his bail needs to be address ASAP I am scared I going to get the police here saying he has taken his life something does need to be done.

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

I am writing this to see if there is any news as to the data I asked for. I was hoping to have got an email yesterday with some information due to the email you sent me on the 10/02/2014 but I did not. I understand that the court is only open Tuesday to Thursday which only give till tomorrow as you are aware I am back in court on the 18/03/2014 which if I do not get anything by tomorrow I will have to go into court then with nothing as the court would be closed. Could you therefore let me know if the data I have asked for will be available by tomorrow?

Dear Mr Cordell

115,

Staff are looking for the records at Enfield Magistrates Court this week; however, we will not have them for tomorrow morning. We will endeavour to have as many as possible before Thursday. If there are specific dates you needed particularly, these could be accessed first.

After your email dated the 21/02/2014 I was thinking that you would be searching for the data from the week of the 24/02/2014 as this is what it said in the email. As I said in my 1st email when asking for the information I have a case that is at Woolwich crown court and I am having problems with my bail due to the records on my PNC, I am due in court maybe tomorrow or this week as my solicitor is putting into court to have a hearing and I wanted to have any errors on the PNC addressed at court.

Dear Mr Cordell,

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

Subject: Re: Simon Cordell Errors on Cases.

Mr. Simon Paul Cordell 109 Burncroft Road Enfield Middlesex EN3 7JQ 18/02/2014

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed off at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

To Whom It May Concern:

I am writing this to see if there is any news as to the data I asked for. I was hoping to have got an email yesterday with some information due to the email you sent me on the 10/02/2014 but I did not. I understand that the court is only open Tuesday to Thursday which only give till tomorrow as you are aware I am back in court on the 18/03/2014 which if I do not get anything by tomorrow I will have to go into court then with nothing as the court would be closed. Could you therefore let me know if the data I have asked for will be available by tomorrow?

After your email dated the 21/02/2014 I was thinking that you would be searching for the data from the week of the 24/02/2014 as this is what it said in the email. As I said in my 1st email when asking for the information I have a case that is at Woolwich crown court and I am having problems with my bail due to the records on my PNC, I am due in court maybe tomorrow or this week as my solicitor is putting into court to have a hearing and I wanted to have any errors on the PNC addressed at court.

Dear Mr Cordell,

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

Mr. Simon Paul Cordell 109 Burncroft Road Enfield Middlesex EN3 7JQ 18/02/2014

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed some errors in my PNC record which the police printed of at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see them clearly, but due to how far they go back cannot remember some of the cases. I do also know some are correct but due to some dates being wrong on some of the ones I can see errors in I would like to check all the cases on the PNC that was heard at Enfield Magistrates. If this can be done as a matter of urgency due to the impact this is having on my life with the case that is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me, I would be grateful as I am next in court on March 2014 and would like this information of any errors so I can show the judge.

Please see below the lists of cases I would like information on.

Hi Josey

Would it be possible for Simon to get an update as to what will go on in court tomorrow, and who will be attending for him will it be Jemi?

Also, will the court be hearing a bail application tomorrow and if not, can it be put in for it to be heard tomorrow?

Update to Simon cases for Enfield Court which is on his PNC I have the list from Enfield Court which has took them 3 weeks to do as there were so many cases on the PNC. I have tried to call you many times and sent a few texts since I got the list from the court last Thursday so that I could go over the records, but I have not heard from you. From looking at the list there are 5 cases that need to come off Simon record for the Enfield cases. There is also an issue I have with one case which will need looking into but I think I have to get my records from that date and see if it is the same case which I think it was as I can only remember one case that was ever at St. Alfred's Church right next to my house. When Simon, Tyrone, and me was arrested also at the church by me. If you remember you took Tyrone case away from mine and Simon due to Tyrone age and his case was heard on its own and Simon and mine was heard together Tyrone went to prison for this case and me and Simon got a not Guilty. There are also 2 other records that they missed out of the list I put in so I need to address this also. So, with the other case for City of London for failing to surrender that will be 6 cases that are not correct on his PNC record. And that is without the one I have an issue with for St. Alfred's Church by me, and the other 2 cases they forgot to check. It's not that the records are wrong it is the case that the court does not have any records at all for these cases, and the lady at the court showed me what she had to look at to get the records which is very large books with each court listing within them for every case heard at court so how is it so many cases do not have any records at the court yet they are on Simon PNC record I just do not understand. 2 are in fact Burglary's, 2 are for class B drugs, 1 is for Taking motor vehicle, Update for DR Jervis psychiatrist after him seeing Simon on the

11/03/2014

he has said he will be writing a report to Simon GP and a letter for Simon so he can give it to you, I have spoken to him today but due to a backlog the report has not gone out yet so we will not have that for tomorrow at court I do not think but Simon still wants a bail application for tomorrow if that is possible. Simon has also said he does still want the 999 calls that was made on the day of the party he hires his sound system out to; he does still want the name of the Inspector and any others police officers that attended the building on

04/05/2013

05/05/2013

The picture that the police took of the damaged wall and showed him that picture in interview. And the pictures for the

16/02/2013

that the police took. If there is any reason that you or Jemi feel that this information is not needed can you, please update us to the reason as Simon does not understand why these would not be needed for his case. Also, Simon has asked did you put the letter into the council as you said you would do for the person that attended the building on the

16/02/2013

17/02/2013

and the

04/05/2013

05/05/2013

as I said to you, I have put a freedom of information act into them, they did reply they did not have any information but I have written back to them saying there has to be a record and I am waiting a reply from them. Can you also please let us know what time Simon has to be in court tomorrow?

Hi Josey

Simon date has been moved forward to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP to tomorrow morning at 9.30am Also can you please give us an update to the below emails as Simon would like to fully understand what went on in court last week as to the discloser and if any more discloser has been asked for, he wants to know if you will be trying to get the discloser from the pictures to the

Feb 2013

case and if you will be trying to get the information as to what inspector went to the building before the party started and more times on the night, and the invoices as to what stock was there before

Feb 2013

After

Feb 2013

and before

May 2013

as he really is not 100% sure what he is being charged with as to what damage and the amount of stock he was meant to have taken and also to know what can be done with his bail conditions if he cannot get a letter from the DR right away, he is scared as it a new Dr they may not give him a letter right away until they have had more sessions?

Hi Josey

An update to the email below. The police called here late last night I was thinking they had come to tell me Simon was dead. The police have put Simon on their vulnerable list due to how bad he has got, he is even beaching his skin because he thinks the police are doing this due to his colour, he has been doing this for the last weeks but it only come out this weekend, he has started over the last weeks locking himself away not letting anyone see him which is really not a good thing. Saturday he even told Katie not to come any more which really is the last person he lets in. This really has to be listed for court this week as he is getting worse. I

want to write a letter to the judge about what is going on would he read this at a bail application and not let it be read out in court as there will be very private things in it. Can you give me an update to the below email and this one as to what can be done I am trying to keep him as claim as I can till he has to see the psychiatrist but it is very hard and this is making things worse on my health which you know already is not good. I would also like to put a complaint in about this and how the police have handled this whole case.

06th March 2014

Hi Josey

If at all possible, can you confirm what happened in court today by email. Is it the case now that no more discloser will be asked for?

Also, if no more discloser is needed can you list it for court to see if the judge will bring the trial date forward? If the conditions of bail could be changed there would not be so much of a problem waiting till

July 2014

for it to go to trial, but I don't think Simon, or I can take this till

July 2014

if the bail is not addressed. There are still some issues I do see one being is part of Simon bail conditions is for failing to surrender which should not be the case as there is no failing to surrender on his record now and this has been proved. There is also the case you said before once you got all the discloser you needed from the insurance and CPS you said you would put an application in for his bail to be addressed; now it all seems to be on a letter from the doctors which was not the case before. If we take this to the high court for his bail to be addressed will they look more of the case of just what the CPS says?

I don't think Simon can take it till the

17/02/2014

to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP, nor do I think I can take any more of the worry that he will just end his life as that is what it has come to. If you just look at my phone bills and see all the 101 calls to the police over the last months with Simon telling them he wants to kill himself, you will see this. The other day I had 4 police officer in my home due to this while I am trying to stop him thinking the way he is for hours. The stress this is having not only on Simon but me and the people around him trying to help him. The judge has got to hear what is going on here to this family due to all this and the lies by the police and the cover ups in this case. How can they call this burglary they are still hiding the information as to the inspector that was there before the party started that let the party go on, and went into the building before Simon had even gone in there and saw the damage to the building?

How can they hide that he comes along with TSG more than once?

And also, on one time came with the council due to noise how they can lose all this data. As this would prove Simon did not break into the building and in fact show that there were people living there. They also took a guy Simon knows called Martin Carl in the back of their van due to him hitting a girl which a 999 call was made. The police stayed there for around 1 hour this time as they were trying to get the guys shoes to be able to take him away. Simon is not sure if they took him to the station but if the police took him away there should be a

record of this. The CPS is saying there have given all the discloser yet where are the pictures from the

Feb 2013

case where are all the statements for this case. Are they hiding information as we are not asking for the information to the right address?

As if you look in the information, we got yesterday from the CPS the address is Bianca Road which as we have said before that's the road, we said the party was on. The case for Simon the police is saying Haymerle Road. Which as we showed you when you on Google maps both streets are right around the building as it is covered by 2 street names. Josey Simon cannot take no more his bail needs to be address ASAP I am scared I going to get the police here saying he has taken his life something does need to be done.

Plan

1. If Mr Cordell would like to try medication Sertraline starting at 50mg for one week then increasing up to 100mg would be a good choice.
2. Crisis plan agreed with Mr Cordell if he feels like acting on his suicidal thoughts (call Crisis Team, or Samaritans or an ambulance).
3. Discuss with team at MDT for advice around sources of support.
4. Mr Cordell to consider psychotherapy to address problems from the past.

Thank you for referring this 33-year-old man with low mood, suicidal thoughts, and anxiety. He attended an appointment at the Silver Street Clinic 11.03.14 with his mother Lorraine. Mr Cordell explained to me that he is under a lot of stress at the moment due to a pending court case. He told me he is accused of burglary, but that he had been wrongly accused and the police had falsified items on his criminal record. He said that the record had led to the judge placing restrictive bail conditions including being at home in his flat after 8 pm. This has meant Mr Cordell has not been able to work for the last nine months (as he normally works as a DJ and party host with most work going on beyond that time). The bail conditions have just been extended for a further six months. Mr Cordell feels that these restrictive conditions have made him feel "a prisoner" in his own home.

Mr Cordell describes feeling anxious most days. He says he has a poor appetite and has lost "3 stone" in weight over the last 9 months. He says he often finds his thoughts are overactive and will not give him any rest. Mr Cordell says he finds it difficult to get off to sleep, sometimes not until 5am, but then will stay in bed until midday. His mother says she has noticed him become "more aggressive" and trying to isolate himself from others.

Thank you for seeing this 33-year-old Afro-Caribbean man. He gives a history of symptoms of anxiety and depression, which have been on-going for a few months. His symptoms have progressively got worse and he has been having some suicidal thoughts, although he has not made any concrete plans to do anything. He says that the only reason he has not acted on these suicidal thoughts is because of his ex-patient and family.

He is currently involved with the criminal justice system and is -currently - on probation. He is under curfew and there have been imposed- restrictions on his movements. He says he is finding it very difficult to cope with the conditions of his - sentence, mainly the confinement to his home. He says that his relationship with his partner appears to have broken down because of what he describes as the tough - conditions of his probation. He continues to feel very low and anxious when he is confined- to his home. - He is having difficulty sleeping.

He has had problems with depression in the past and was referred to the psychiatric services in 2011s. He has agreed to commence anti-depressant medication today in the form of Sertraline 50mg once daily. He requested some sleeping tablets and I have given him 10 tablets! of Zopiclone 3.75mg 1-2 tabs nocte to be used Infrequently.

To Whom It May Concern:

I am writing this email due to the below email which says you do not have any information for the dates given. I know on the

It is also fact that on the

04/05/2013

05/05/2013

Feb 2013

due to noise and that they could legally take the sound system due to this. The person that Hire there sound system for that party walked around the whole warehouse and took noise levels and said that if the noise was kept with a limited he had said the party could carry on, the police was also there the noise officer left the warehouse to go on to a next place and told the person

770,

who had hired their sound system out there was be back throughout the night to check if they had kept the sound to the limited that was set?

Therefore, I cannot understand why you do not have any information as to these dates. I there for ask if you have any information on any dates about Bianca Road, SE15.6SJ / Haymerle Road, SE15 6SD, and noise could you please forward any information as to reports, noise abatement orders, and any calls and police IDs and Noise and Nuisance Team officer attending could you please forward this information to me. I know this as fast as I have been arrested by police for the party that took place in the

May 2013

and I am the one that walked around the building with the Noise and Nuisance Team officer as I am the one that Hire my sound system for this night. If it is that you do have information and cannot give it to me can you please inform me of this, then if it would be easier, I could put a section 35 DPA request for the information.

Also, can you give us an update to the bail application that has been asked for?

And if possible, did you look over what I said about the Enfield court records, if you need the PNC, I have marked out with mistakes please let me know.

Hi Josey

Would it be possible for Simon to get an update as to what will go on in court tomorrow, and who will be attending for him will it be Jemi?

Also, will the court be hearing a bail application tomorrow and if not, can it be put in for it to be heard tomorrow?

Update to Simon cases for Enfield Court which is on his PNC I have the list from Enfield Court which has took them 3 weeks to do as there were so many cases on the PNC. I have tried to call you many times and sent a few texts since I got the list from the court last Thursday so that I could go over the records, but I have not heard from you. From looking at the list there are 5 cases that need to come off Simon record for the Enfield cases. There is also an issue I have with one case which will need looking into but I think I have to get my records for that date and see if it is the same case which I think it was as I can only remember one case that was ever at St. Alfred's Church right next to my house. When Simon, Tyrone, and me was arrested also at the church by me. If you remember you took Tyrone case away from mine and Simon due to Tyrone age and his case was heard on its own and Simon and mine was heard together Tyrone went to prison for this case and me and Simon got a not Guilty. There are also 2 other records that they missed out of the list I put in, so I need to address this also. So, with the other case for City of London for failing to surrender that will be 6 cases that are not correct on his PNC record. And that is without the one I have an issue with for St. Alfred's Church by me, and the other 2 cases they forgot to check. It's not that the records are wrong it is the case that the court does not have any records at all for these cases, and the lady at the court showed me what she had to look at to get the records which is very large books with each court listing within them for every case heard at court so how is it

so many cases do not have any records at the court yet they are on Simon PNC record I just do not understand. 2 are in fact Burglary's, 2 are for class B drugs, 1 is for Taking motor vehicle, Update for DR Jervis psychiatrist after him seeing Simon on the 11/03/2014 he has said he will be writing a report to Simon GP and a letter for Simon so he can give it to you, I have spoken to him today but due to a backlog the report has not gone out yet so we will not have that for tomorrow at court I do not think but Simon still wants a bail application for tomorrow if that is possible. Simon has also said he does still want the 999 calls that was made on the day of the party he hires his sound system out to; he does still want the name of the Inspector and any others police officers that attended the building on

04/05/2013

05/05/2013

The picture that the police took of the damaged wall and showed him that picture in interview. And the pictures for the

16/02/2013

that the police took. If there is any reason that you or Jemi feel that this information is not needed can you please update us to the reason as Simon does not understand why these would not be needed for his case.

774,

Also, Simon has asked did you put the letter into the council as you said you would do for the person that attended the building on the

16/02/2013

17/02/2013

and the

04/05/2013

05/05/2013

as I said to you, I have put a freedom of information act into them, they did reply they did not have any information but I have written back to them saying there has to be a record and I am waiting a reply from them. Can you also please let us know what time Simon has to be in court tomorrow?

Simon date has been moved forward to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP to tomorrow morning at 9.30am

Also can you please give us an update to the below emails as **Simon would like to fully understand what went on in court** last week as to the discloser and **if any more discloser**

has been asked for, he wants to know if you will be trying to get the **discloser** from the pictures to the

Feb 2013

case and if you will be trying to get the information as to what inspector went to the building before the party started and more times on the night, and the invoices as to what stock was there before

Feb 2013

After

Feb 2013

and before

May 2013

as he really is not

100% sure what he is being charged with as to what damage and the amount of stock he was meant to have taken. And also, to know what can be done with his bail conditions if he cannot get a letter from the DR right away, he is scared as it a new Dr they may not give him a letter right away until they have had more sessions?

Hi Josey

An update to the email below. The police called here late last night I was thinking they had come to tell me Simon was dead. The police have put Simon on their vulnerable list due to how bad he has got, he is even beaching his skin because he thinks the police are doing this due to his colour, he has been doing this for the last weeks but it only come out

775,

this weekend He has started over the last weeks locking himself away not letting anyone see him which is really not a good thing. Saturday he even told Katie not to come any more which really is the last person he lets in. This really has to be listed for court this week as he is getting worse. I want to write a letter to the judge about what is going on would he read this at a bail application and not let it be read out in court as there will be very private things in it. Can you give me an update to the below email and this one as to what can be done I am trying to keep him as claim as I can till he has to see the psychiatrist but it is very hard and this is making things worse on my heath which you know already is not good. I would also like to put a complaint in about this and how the police have handled this whole case.

Subject: RE: Regina v. Simon Cordell for mention re disclosure issues

06th March 2014

Hi Josey

If at all possible, can you confirm what happened in court today by email. Is it the case now that no more discloser will be asked for?

Also, if no more discloser is needed can you list it for court to see if the judge will bring the trial date forward? If the conditions of bail could be changed there would not be so much of a problem waiting till

July 2014

for it to go to trial, but I don't think Simon, or I can take this till

July 2014

if the bail is not addressed.

There are still some issues I do see one being is part of Simon bail conditions is for failing to surrender which should not be the case as there is no failing to surrender on his record now and this has been proved. There is also the case you said before once you got all the discloser you needed from the insurance and CPS you said you would put an application in for his bail to be addressed; now it all seems to be on a letter from the doctors which was not the case before. If we take this to the high court for his bail to be addressed will they look more of the case of just what the CPS says?

I don't think Simon can take it till the

17/02/2014

to see DR Jervis psychiatrist at Barnet Enfield and Haringey Mental Health Trust 58 to 60 sliver street, EN1 3EP, nor do I think I can take any more of the worry that he will just end his life as that is what it has come to.

If you just look at my phone bills and see all the 101 calls to the police over the last months with Simon telling them he wants to kill himself, you will see this. The other day I had 4 police officer in my home due to this while I am trying to stop him thinking the way he is for hours. The stress this is having not only on Simon but me and the people around him trying to help him. The judge has got to hear what is going on here to this family due to all this and the lies by the police and the cover ups in this case. How can they call this burglary they are still hiding the information as to the inspector that was there before the party started that let the party go on, and went into the building before Simon had even gone in there and saw the damage to the building?

How can they hide that he comes along with TSG more than once?

And also, on one time came with the council due to noise how they can lose all this data. As this would prove Simon did not break into the building and in fact show that there were people living there. They also took a guy Simon knows called Martin Carl in the back of their van due to him hitting a girl which a

776.

999 call was made. The police stayed there for around 1 hour this time as they were trying to get the guys shoes to be able to take him away. Simon is not sure if they took him to the station but if the police took him away there should be a record of this. The CPS is saying there have given all the discloser yet where are the pictures from the

Feb 2013

case where are all the statements for this case. Are they hiding information as we are not asking for the information to the right address?

As if you look in the information, we got yesterday from the CPS the address is Bianca Road which as we have said before that's the road, we said the party was on. The case for Simon the police is saying Haymerle Road. Which as we showed you when you on Google maps both streets are right around the building as it is covered by 2 street names. Josey Simon cannot take no more his bail needs to be address ASAP I am scared I going to get the police here saying he has taken his life something does need to be done.

Hi Josey

Please see the email I got for Southwark council. It seems they even they had problems due to the address but after I give them the updated email for my request for Bianca Road, SE15.6SJ they found the information it also seems they knew about the party for

04/05/2013

05/05/2014

before it had even happened as they got information on the

01/05/2013

that a party was going to take place on the

04/05/2013

so, they went to the building on the

01/05/2013

and spoke to the squatters on this date which proves it was already being squatted before Simon went to the building on the

04/05/2013.

Simon always through the council told him that the Noise Abatement Notice was put on the building in The

Feb 2013

but as you can see it was put in place on the

03/05/2013.

But I wonder who give the council the information on the

01/05/2013

about the party for the

04/05/2013

05/05/2014

it must have been someone that the council would have believed could it have been the police?

It also does show the police was there but that the council did not take their IDs which does not help but it does show the police was there. Also is there any update from Jemi about the

18/03/2014

for court as to what was said, and the bail application?

I know this is a fact, as I have been arrested by police for the party that took place in the

May 2013

and I am the one that walked around the building with the Noise and Nuisance Team officer as I am the one that Hire my sound system for this night. If it is that you do have information and cannot give it to me can you please inform me of this, then if it would be easier, I could put a section 35 DPA request for the information. The information that you requested is below on your original Freedom of Information request ref 375981, a search was made on the address you gave as Unit 3, 4 Horrisons Industrial Estate, Haymerle Road Se15 6SD for the dates

16 -17 February 2013.

I can confirm that no records were recorded under that particular address. This request has requested 'Bianca Road' as a search criterion, and in addition to the

16-17 February 2013,

also gives new dates of

4-5 May 2013.

All Calls (Service Requests) received

16-17 February 2013

Our records show 3 service requests were received regarding noise from 'the street' Bianca Road on the

17th February 2013

at:

05:37hrs

07:50hrs

07:53hrs

The first service request was received outside of our operational hours. With regards to the other two service requests, the officers rang the clients at 08:15hrs and 08:25hrs respectively. The first client informed the Officer that the music was no longer bothering them, however, the other client asked for the officers to visit. Two officers visited the client at 08:45hrs and assessed the level of noise received at the client's premises. No nuisance was witnessed; however, they advised the client to call back should the level rise. No further calls were received, and no Abatement Notice was served

on that date. All Calls (Service Requests) received 45

May 2013

According to our records no service requests were received regarding this premises on these dates. Noise Abatement Notice On

01 May 2013

the Noise & Nuisance Team received information regarding a potential rave which would allegedly be held on the night of the

04 May 2013.

In response officers visited the site on

01 May 2013

and established that the 'old sausage factory' in Bianca Road was being squatted. Officers spoke to the squatters who were residing there, and whilst they did not substantiate the claim,

they did not deny it either. Officers felt that should the rave go ahead it would likely cause a nuisance to nearby residents. In a proactive attempt to address this, on

03 May 2013

Officers served a section 80 abatement Notice for 'likelihood of nuisance' which effectively prohibited the nuisance from occurring or recurring. Whilst the Notice prohibited the occurrence or recurrence of nuisance from the rave, it could not prevent the rave from taking place. In addition to the above, Council Licensing officers also visited the site with Police and a warning letter was issued regarding unlicensed entertainment. Actions on the

4-5 May 2013

The Noise Team made several visits at the following times: 01:37hrs 2 officers noted that the rave had started; they contacted Southwark Police to enquire whether there were sufficient resources to shut it down (should a nuisance be witnessed), and were informed that this would be unlikely. They also spoke to the organisers of the rave and reminded them that the Notice was in place. The organisers reduced the volume to a low level. 03:50hrs The Noise team Unit Manager also visited the site along with the Police who were attached to the Council's Nighttime Economy Team. She also spoke to the organisers, who stated that they would reduce the volume further on request. No Police ID numbers were taken or recorded. 11:47hrs 2 officers visited the premises, but no nuisance witnessed. 16:53hrs Same 2 offices visited with nothing being witnessed.

Dear Martin

Here is the logbook for CX52JRZ please see attached. I did call DVLA after I got the letter from them which showed the spelling of the last name wrong as it was spelled Cardell and not Cordell, they told me I had to wait until the logbook come in the post and then to fill in section 6 to get it corrected. Which I will be doing. Also, I have also noticed today when the logbook came in the post and I am not sure why they have put the new keepers date as

15/02/2014

as the green slip section 10 was sent to them, so the date of the

10/11/2013

was on it so I will be writing a letter to ask why this was done, along with the section 6 to correct the last name. Could you please update us as to when this can be sorted with KGM as to the claim that is against Simon so he can sort his insurance out. Also, about the claim for

09 Dec 2013

we still have not heard from KGM as to when someone will be sent out to take a report from Simon could this be looked into?

And also, I know there was some confusion as to the number that was called to report this on the

09 Dec 2013

please see the below information from my phone bill Mon 09 Dec13:28 SPEC SERV
08444126412 22:00 The call was made to 08444126412 at 13:28 and lasted 22 min this is when Simon called to report what had happened on the

Dear Martin

Here is the logbook for CX52JRZ please see attached. I did call DVLA after I got the letter from them which showed the spelling of the last name wrong as it was spelled Cardell and not Cordell, they told me I had to wait until the logbook come in the post and then to fill in section 6 to get it corrected. Which I will be doing.

Also I have also noticed today when the logbook came in the post and I am not sure why they have put the new keepers date as 15/02/2014 as the green slip section 10 was sent to them, so the date of the 10/11/2013 was on it so I will be writing a letter to ask why this was done, Along with the section 6 to correct the last name.

Could you please update us as to when this can be sorted with KGM as to the claim that is against Simon so he can sort his insurance out.

Also, about the claim for 09 Dec 2013 we still have not heard from KGM as to when someone will be sent out to take a report from Simon could this be looked into?

And also, I know there was some confusion as to the number that was called to report this on the 09 Dec 2013, please see the below information from my phone bill

Mon 09 Dec 13:28 SPEC SERV 08444126412 22:00

The call was made to 08444126412 at 13:28 and lasted 22 min this is when Simon called to report what had happened on the 09/12/2013 and give all the information which the person noted. I know there is some issue as to the lady who witnessed this information being missing but it was all given on this call. If it can be possible can someone get the tape for this call and get the information to the witness so KGM can contact her about what she saw and who was at fault.

Good afternoon

Many thanks for the V5 now received, however the details therein do not tally with the insurance nor the sales and purchase receipts submitted by the policyholder as such we are at this time unable to close the file. We will however pass the evidence to hand onto the third party and request confirmation that they will redirect their claim, failing which we will insist that they obtain judgement on the driver of the vehicle at the time of the alleged incident. As the vehicle was never removed from the policy and the DVLA history does not tie in with the purchase/sales history submitted we are left with a possible involvement as the RTA Insurer which remains a contentious issue, as the V5 shows the owner from

as Adam Harris, with the inception of this insurance policy being

I got made to feel infuriated by the Enfield Councils and the Enfield Homes dissertated practice towards their Statutory Duty of conduct towards their clients, because it makes me sufferer every day and night by their staff's negligence after their intentional infliction of emotional distress that I gets inflicted upon me, in the staff understanding the urgency of me having heating in my home and not correcting the issues of the Damp, Soundproofing and one existence of the Heating!

Dear John Page

Thank you for the below email with the data I asked for in a freedom information act. I can see there is information for the request I put in but was wondering if there was any way I could get some more information to some of the data you have sent me. You say in the information that “on

01 May 2013

the Noise & Nuisance Team received information regarding a potential rave which would allegedly be held on the night of the

04 May 2013.”

Is there any way we could get the information as to the person or persons that give the information regarding a potential rave and what time this information was received?

Was it the police that informed you of this information of the potential rave which would allegedly be held on the night of the?

04 May 2013

if it was could we get the name of the police officers who passed this information to the Noise and Nuisance Team?

Can you also tell us if it was not the police that gave the above information did the Noise and Nuisance Team contact the police with the information as to a potential rave which would allegedly be held on the night of the

04 May 2013

and if so, what was the police officers’ details?

On the

01st May 2013

when Noise and Nuisance Team went and spoke to the squatters who were residing there, did the police attend at this time if so, could we have the police officers’ details?

On the

03rd May 2013

Officers served a section 80 abatement Notice for 'likelihood of nuisance' which effectively prohibited the nuisance from occurring or recurring. Whilst the Notice prohibited the occurrence or recurrence of nuisance from the rave, it could not prevent the rave from taking place. Could we please have a copy of the section 80 abatement Notice that was served, and also any police officers’ details that attended to serve the said notice? Council Licensing officers also visited the site with Police and a warning letter was issued regarding unlicensed entertainment, could we also have a copy of the warning letter that was issued regarding unlicensed entertainment, and the police officers’ details that attended to serve this letter regarding unlicensed entertainment?

If this information can be done under the same freedom information act, I would be grateful, if you would need a section 35 DPA I can forward this to you. Could you please update me as to this request?

Disrepair!

The level of service provided by the Enfield Council and the Enfield Homes teams staff is truly inadequate to the sufficient need services required, for an example when the staff are using the available granted money that comes from the community repair chest budget that gets granted for repairs they do no manage maintain and distribute the selfless cash within the relevant emergency sectors of highest priorities to a reasonable standard and in a practical time scale, as my rented council flats conditions are of the highest priorities but still continues to suffer alongside myself, once I had applied for the staff to initialize the capital and reasonable persons to rectify the repairs need, so to fix my home in a relevant time period and to a professional standard!

Hi Josey

Here is the information you asked for. Also, I noticed something funny about the CPS discloser that was sent on

18/03/2014

on the 2nd page is saying about Miss Pursey and that she was arrested for burglary in **May 2013**

and interviewed. How can this be when the DNA never come back till **mid-June 2013**

and Miss Pursey circulations papers was not complete until the **26.06/2013**

and it was pending her arrest. If you need anything else please let me know

The previous conviction discrepancies will be highlighted counsel to counsel between the prosecution and the defence. Tactically we have to withhold certain information in particular the email from the council. I have referred to the noise abatement officer attending and alluded to police also being in attendance. The CPS is the organisation that makes the decision on continuing the prosecution and if the police are failing to investigate and we provide written representations with evidence in support then the prosecution may review on the grounds that there is no realistic prospect of conviction. This is the most sensible approach. As advised earlier once my headache clears, I will be drafting detailed representations with a view to the CPS reviewing the prosecution in this case.

Dear Sir or Madam

We refer to the above matter. This case was last mentioned in court on 18th March 2014 and on that occasion the Learned Judge made a number of directions. Statements and invoices regarding the repair of the wall to be served by

21st March 2014

Not Served Statements from council to be served by

29th March 2014

Not served We attach a copy of the insurance file that we received from Mr Patel's insurance company and note will no doubt be taken of the dates of the previous break ins and the damage caused on previous dates prior to

May 2013

You will also no doubt note that there were no invoices submitted for any repairs during that period of time and also the delay in the Patel's responding to the insurance claim. It has always been our client's case that the damage caused to the wall and inside the building had already been committed before he hired out his sound system for the private party. Our client has always disputed causing the damage or having any knowledge as to how this damage was caused. We further raise that other suspects forensically linked to the earlier offences were released with no further action been taken against them. Mr Cordell has always maintained that police officers attended with the noise abatement officers but we are yet to be provided with the officer's contact details or indeed the reason for their attendance. Clearly the issue is why did the Police allow a party to go ahead if persons present were damaging a wall and removing property. Mr Cordell feels like he is being singled out and made a scapegoat in this case. He denies involvement in the burglary and this allegation is having an adverse effect not only on his business but also on his mental health. We attach a copy of a letter confirming his medical diagnosis from his GP.

805,

We respectfully request that the curfew condition be removed in its entirety as the curfew of having an adverse effect on Mr Cordell's mental wellbeing. We request that the bail variation be addressed tomorrow at the pretrial review hearing. Please confirm the listing at your earliest convenience.

Yours faithfully

Subject: RE: [1] Simon Cordell Logbook

Dear Martin

After the call I made to you today and what we spoke about please see the email that you asked me to write. As said on the phone today and as you are well aware Simon did not think any Vehicles was on the database and had to carry his policy around from the start of his policy with KGM as each time he was pulled by police nothing showed as him being insured, so as you are aware the police and Simon had to call you many times when Simon was pulled by police to confirm with the police that he was in fact insured. So as to what the claims department are saying about the Vehicle being on the database how was Simon have meant to know about this to have called to take off any Vehicles?

Simon did not know there was an error on the database due to it being inputted wrong on the database form, so it was showing up on the insurance database but not he mid database due to this error, so how was he meant to be aware of this fact. He was only made aware of this in late

November 2013

when some issues came up that Kelly Tiller of KGM was dealing with. It was at this point his car started showing up on the mid so KGM had fixed this, but no other Vehicles, was showing up on the mid database until it was corrected in

Jan 2013

by KGM. I do believe now it was something to do with a space being placed within the numbers of the reg of the Vehicles, the insurance database accepts this, but the mid database does not. But this is documented well in emails. Also why has KGM never sent me any letters of this claim being held against me?

there was a call from KGM about the

Sep 2013

but I told the person who called I did not own the Van at that time I was asked to send in the bill of sale and I did, after this I did not hear anything else about this so was thinking everything was ok until it was time for my renewal it was only at this point I was told about this claim being on my insurance, It is also well known you have my mums phone number which is on file which is 0208 245 7454 and there is always someone at home so if there was any issues why no phone calls or any letters about this?

But also, I am sure there should have been a letter sent about this claim and there have never been any letters sent. There are some more issues and that is the claim for

Dec 2013

when Simon was taking my car to service it. As you are aware KGM even said Simon was not covered by his trade policy and you had to call them and sort this issue out. But that still does not cover the fact Simon has made many calls and also sent emails about this claim. Which we still have not heard anything back about also there has been no letters sent about this claim also. The last time he called he was told that someone would be sent out to take a report for this claim yet again there have been no phone calls or letters to set this up so a report can be taken. There is also a problem that on the

09/12/2013

when he called to report this, he gave over a witness information IE Name and her phone number which on the last call that was made they did not seem to have any information as to the witness information I have checked my phone bill and the call was made please see below.

812,

Mon 09 Dec 13:28 SPEC SERV 08444126412 22:00

The call was made to 08444126412 at 13:28 and lasted 22 min this is when Simon called to report what had happened on the

09/12/2013

and give all the information which the person noted. I have asked for the recoding of the phone call be pulled out and heard so that the information as to the witness can be put on this claim and contacted yet I have heard nothing also. I have asked and emailed many times about this claim and it seems nothing has been done but yet KGM wants to hold this claim also against my insurance. There is also the fact on the

26/11/2013

an email was sent to Kelly Tiller at KGM about a subject access request under the data protection act 1998 again I have heard nothing about this, and more emails have been sent over about this. Please can these issued be addressed I paid for my insurance and it seems that nothing gets done it does not matter how many times calls are made or emails are sent KGM are just leaving everything. How long should it take to sort out a claim? Should I have had at least a letter?

Why has nothing been addressed?

As at this time due to these claims I cannot work and this is costing me money every day I am not insured.

Good afternoon

Many thanks for the V5 now received, however the details therein do not tally with the insurance nor the sales and purchase receipts submitted by the policyholder as such we are at this time unable to close the file. We will however pass the evidence to hand onto the third party and request confirmation that they will redirect their claim, failing which we will insist that they obtain judgement on the driver of the vehicle at the time of the alleged incident. As the vehicle was never removed from the policy and the DVLA history does not tie in with the purchase/sales history submitted we are left with a possible involvement as the RTA Insurer which remains a contentious issue, as the V5 shows the owner from

06/02/2012

To

15/02/2014

as Adam Harris, with the inception of this insurance policy being

23/02/2013

for the vehicle and our mutual client/policyholder.

I have flagged up all the issues that are relevant. I will wait for a response from the insurance company. The invoices do look dodgy, but the insurance company can put pressure on Mr Patel. I am trying tactically to flag up the issues. Once Mr Allaway confirms never received the invoices he will undoubtedly dig further and hopefully this will bear fruit. The point you raise about paying invoices is not relevant and does not take us any further. The point to be made is

(a) how many estimates obtained

(b) when were they submitted. The missing invoice number will also be picked up by the insurance company but the main point we have to establish is when submitted. They appear to be backdated as not in original insurance file but I need insurance company to verify this before taking the matter any further. You know the old saying about giving a person enough rope. You have to wait, bide your time. I aim to do representations to CPS hopefully before weekend. As stated previously if no statement from noise abatement officer then I will get the case listed again with DC Mayhew to attend. He can explain why all statements with Mr Patel telephone statements. I am also going to ask for statement from manager of warehouse as to damage and also the so-called missing crime report.

Hi Josey

I have noted things also can you also ask how Mr Patel paid these invoices?

Not sure if that can be done and when I last spoke with Mr Allaway, he had been trying to get a face to face meeting with Mr Patel each time he called to try and sort it someone picked the phone up and said Mr Patel was on holiday. He also did not believe this and also and also said that the invoiced that had been sent in was not real ones he knew they were fishy. Also due to the x3 claims Nikki went to the warehouse on the

28/03/2013

after the 2nd breaking on the

25/03/2013

and from the file Mr Patel did not even tell her that he had fixed the wall and paid for it on the

21/03/2014

and he must have known already that on the

29/03/2013

the same company was coming to fix the wall again. Nikki was there on the

28/03/2013

taking pictures. So why did he not tell her this then?

Also, he said he had to leave the warehouse as the insurance company wanted to take pictures. Yet Nikki I am sure only went to the warehouse once and that was after the 2nd breaking on the

25/03/2013

Also looking at the invoices they don't even have an invoice number. There no costing for anything on them. I would like the invoices checked and I mean really checked the right person could tell when these invoices were printed. It's also very funny that the same said part of the wall was damaged 3 times if they had fixed it correctly it would have been much harder as it was new why was the same said part of the wall now done 3 times. And yet also in the file for the March claim Mr Patel only told the insurance company about the alarm there was no wall said about in the March claim. I have not had time yet to look at all the statements, but I will most likely have more to say and so will Simon. Also £600.00 to fix the said wall and yet he is saying to the police £8000 to £10,000 for the damage to the building?

816.

And Mr Patel did not do stock take from

Feb 2013

case none was also done in

March 2013

nor

May 2013

yet for the

May 2013

case he can come up with a cost of around £8220.

I will read over the rest of this later I only just really looked at it a very little did not even read Mr Patel statement fully and I have seen this.

Dear Simon / Lorraine

I refer to the above matter. I can confirm that Counsel has written on his court note that Simon is now subject to a condition of residence only. I will still request the bail sheet and forward it to you from the Crown Court to avoid any confusion. I attach a copy of a Notice of Additional Evidence dated

08th April 2014

You will no doubt note the discrepancies in the statement of DC Mayhew dated

03rd April 2014

For clarification if there is no statement from the noise abatement officer by

10th April 2014

I will be listing the case for mention. The statement of DC Mayhew referring to the Inspector who attended on the date of the scene the day of the illegal rave is inaccurate. Inspector Mc Millen's statement refers to attending the scene of a reported burglary and he notes that there were no squatters signs up. I will therefore need Simon to deal with this in his proof exhibiting extracts of his Facebook page which shows the notices etc. I will be asking for the statements of the officers who attended with the noise abatement officers and all updates on the CAD system. I am asking for a copy of the CD of photographs from the SOCO from February 2013 referred to in the statement of Paul Whittaker.

In relation to the invoices served also dated

01st March 2013

And

29th March 2013

these were absent from the insurer's file of papers and reference was made to the second break in, in the report of Nikki Diamond. I will email Trevor Allaway to request confirmation as to whether the two invoices were ever sent to the insurance company and if so when. The bottom of the invoice also refers to an optional extra and there is no proof that Mr Patel ever paid for the damage to be repaired. The other point is that it seems a very long way for a West London builder to travel for £500 worth of work. I am going to ask whether the Patel's from Hounslow are related whether by family or business or whether Rakesh Patel or Deven Patel have any interests in this company. I will ask the insurance company if they have any knowledge of any connection between the Patel insurance clients and Patel the builders. I will also ask the CPS to ask Mr Patel for copies of any alternative quotes and a similar question will be posed to the insurance company. If you have any questions re the above can you please email me as I am in and out of the office quite a lot this week.

Dear Mr Allaway

I refer to my previous emails. I am attaching copies of two invoices received from the CPS in relation to the case against our client. You kindly provided me with a copy of your insurance file pursuant to a section 35 application and in that disclosure, there were no invoices dated

01st March 2013

or

29th March 2013.

Can you please confirm by return email whether you were provided with a copy of the invoices in?

2013

and if so on what date. Please also confirm whether you were provided with alternative quotations from any other companies in relation to the damage in

February 2013

and

March 2013

If you were not then please confirming this also. If no invoices were provided last year can you, please confirm whether you know of any connection between your client and the Building Company Patel Construction. The invoices refer to optional extras amounting to £4500 plus VAT but no invoice has been provided to confirm that this work was ever carried out which begs the question as to whether the premises were ever actually secured and whether the damage was ever remedied as claimed. We are very concerned as to how did the damage jumped from £600 with an optional extra to £4,500 plus VAT and finally to a claim in the region of £40,000 from an estimate sent to the insurance company in

September 2013

Mr Rakesh Patel in his statement dated

10th March 2014

(telephone statement) refers to his Manager reporting the second break into police but not having a crime reference number. We will be asking for a statement from the manager to be obtained via the police as this would undoubtedly list the damage caused etc We would be

grateful if the above could be confirmed. Our client is facing a charge of burglary based on damage caused. The case is listed in the warned list for trial in

June 2014

We thank you in advance for your assistance in this matter.

I went to the police station and got a copy as to what was sent over to them please see attached. Also, I spoke to Woolwich myself on phone and they said 3 things were listed. They also said really the judge should have read all bail conditions out, and not just said your bail conditions are now to reside at address known to court. So, can this be addressed and ask them to hear the recorded tape of what was in fact said or even ask the judge

If no invoices were provided last year can you, please confirm whether you know of any connection between your client and the Building Company Patel Construction. The invoices refer to optional extras amounting to £4500 plus VAT but no invoice has been provided to confirm that this work we ever carried out which begs the question as to whether the premises were ever actually secured and whether the damage was ever remedied as claimed. We are very concerned as to how did the damage jumped from £600 with an optional extra to £4,500 plus VAT and finally to a claim in the region of £40,000 from an estimate sent to the insurance company in

Dear Mr Allaway

I refer to my previous emails. I am attaching copies of two invoices received from the CPS in relation to the case against our client. You kindly provided me with a copy of your insurance file pursuant to a section 35 application and in that disclosure, there were no invoices dated

01st March 2013

Or

29th

827,

March 2013.

Can you please confirm by return email whether you were provided with a copy of the invoices in?

2013

and if so on what date. Please also confirm whether you were provided with alternative quotations from any other companies in relation to the damage in

February 2013

And

March 2013

If you were not, then please confirming this also. If no invoices were provided last year can you, please confirm whether you know of any connection between your client and the Building Company Patel Construction. The invoices refer to optional extras amounting to £4500 plus VAT but no invoice has been provided to confirm that this work was ever carried out which begs the question as to whether the premises were ever actually secured and whether the damage was ever remedied as claimed. We are very concerned as to how did the damage jumped from £600 with an optional extra to £4,500 plus VAT and finally to a claim in the region of £40,000 from an estimate sent to the insurance company in

September 2013

Mr Rakesh Patel in his statement dated

10th March 2014

(telephone statement) refers to his Manager reporting the second break into police but not having a crime reference number. We will be asking for a statement from the manager to be obtained via the police as this would undoubtedly list the damage caused etc We would be grateful if the above could be confirmed. Our client is facing a charge of burglary based on damage caused. The case is listed in the warned list for trial in

June 2014

We thank you in advance for your assistance in this matter.

Yours sincerely

Josephine Ward

Re: Your request for information: 385573

Thank you for your request for information that was received on

in which you requested: Thank you for the below email with the data I asked for in a freedom information act. I can see there is information for the request I put in but was wondering if there was any way I could get some more information to some of the data you have sent me. You say in the information that "on

Is there any way we could get the information as to the person or persons that give the information regarding a potential rave and what time this information was received?

831,

Can you also tell us if it was not the police that gave the above information did the Noise and Nuisance Team contact the police with the information as to a potential rave which would allegedly be held on the night of the

and if so, what was the police officers' details?

On the

01st May 2013

when Noise and Nuisance Team went and spoke to the squatters who were residing there, did the police attend at this time if so, could we have the police officers' details?

On the

03rd May 2013

Officers served a section 80 abatement Notice for 'likelihood of nuisance' which effectively prohibited the nuisance from occurring or recurring. Whilst the Notice prohibited the occurrence or recurrence of nuisance from the rave, it could not prevent the rave from taking place. Could we please have a copy of the section 80 abatement Notice that was served, and also any police officers' details that attended to serve the said notice? Council Licensing officers also visited the site with Police and a warning letter was issued regarding unlicensed entertainment, could we also have a copy of the warning letter that was issued regarding unlicensed entertainment, and the police officers' details that attended to serve this letter regarding unlicensed entertainment?

If this information can be done under the same freedom information act, I would be grateful, if you would need a section 35 DPA I can forward this to you. Could you please update me as to this request?

Dear Mr Cordell

Re: Your request for information: 380680

Thank you for your request for information that was received on

13 March 2014

in which you requested: I am writing this email due to the below email which says you do not have any information for the dates given. I know on the

It is also fact that on the

a next party took place in the same warehouse again I know as fact that a Noise and Nuisance Team attended on this party and walked fully around the building with a person that had hire there sound system out for this party the Noise and Nuisance Team told him that a noise abatement order was put in place in the

Feb 2013

due to noise and that they could legally take the sound system due to this. The person that Hire there sound system for that party walked around the whole warehouse and took noise levels and said that if the noise was kept with a limited he had said the party could carry on, the police was also there the noise officer left the warehouse to go on to a next place and told the person who had hire there sound system out there was be back throughout the night to check if they had kept the sound to the limited that was set. Therefore, I cannot understand why you do not have any information as to these dates. I there for ask if you have any information on any dates about Bianca Road, SE15.6SJ / Haymerle Road, SE15 6SD, and noise could you please forward any information as to reports, noise abatement orders, and any calls and police IDs and Noise and Nuisance Team officer attending could you please forward this information to me. I know this is a fact, as I have been arrested by police for the party that took place in the

May 2013

and I am the one that walked around the building with the Noise and Nuisance Team officer as I am the one that Hire my sound system for this night.

839,

If it is that you do have information and cannot give it to me can you please inform me of this, then if it would be easier, I could put a section 35 DPA request for the information. The information that you requested is below on your original Freedom of Information request ref 375981, a search was made on the address you gave as Unit 3, 4 Horrisons Industrial Estate, Haymerle Road Se15 6SD for the dates

16 - 17 /02/2013

I can confirm that no records were recorded under that particular address. This request has requested 'Bianca Road' as a search criterion, and in addition to the

16 - 17/02/2013

also gives new dates of

04 - 05/05/2013

All Calls (Service Requests) received

16-17/02/2013

Our records show 3 service requests were received regarding noise from 'the street' Bianca Road on the

17/02/2013

at:

05:37hrs

07:50hrs

07:53hrs

The first service request was received outside of our operational hours. With regards to the other two service requests, the officers rang the clients at 08:15hrs and 08:25hrs respectively. The first client informed the Officer that the music was no longer bothering them, however, the other client asked for the officers to visit. Two officers visited the client at 08:45hrs and assessed the level of noise received at the client's premises. No nuisance was witnessed; however, they advised the client to call back should the level rise. No further calls were received, and no Abatement Notice was served on that date. All Calls (Service Requests) received

and established that the 'old sausage factory' in Bianca Road was being squatted. Officers spoke to the squatters who were residing there, and whilst they did not substantiate the claim, they did not deny it either. Officers felt that should the rave go ahead it would likely cause a nuisance to nearby residents. In a proactive attempt to address this, on

03 May 2013

Officers served a section 80 abatement Notice for 'likelihood of nuisance' which effectively prohibited the nuisance from occurring or recurring. Whilst the Notice prohibited the occurrence or recurrence of nuisance from the rave, it could not prevent the rave from taking

The Noise Team made several visits at the following times: 01:37hrs 2 officers noted that the rave had started; they contacted Southwark Police to enquire whether there were sufficient resources to shut it down (should a nuisance be witnessed), and were informed that this would be unlikely. They also spoke to the organisers of the rave and reminded them that the Notice was in place. The organisers reduced the volume to a low level. 03:50hrs The Noise team Unit Manager also visited the site along with the Police who were attached to the Council's Night-time Economy Team. She also spoke to the organisers, who stated that they would reduce the volume further on request. No Police ID numbers were taken or recorded. 11:47hrs 2 officers visited the premises, but no nuisance witnessed. 16:53hrs Same 2 offices visited with nothing being witnessed. I met a new partner: --

After I headed back out and met a new partner who already has a younger sibling, this young child was with another man and for that time we were together, we were very much happy I believe. We knew each other for some time, but never got to know each other better. The day got panned by me so I would work; the date was the

20/04/2014

and I was to be supplying power and a sound system equipment to an event which got known as Cannabis 420 days. Police said that I was not due to attend at the event with equipment, when I drove up to the entrance, which I understood not to be true, as I got asked to power the event and sound by a company who messaged me a few weeks in advance of the date. I still have the emails to prove this, from people who managed the event; I left the site after what transpired to happen after the police officers said what they said. After leaving, I got a phone call explaining that I let the person down who hired me for the event, as a consequence, I drove back home and put the equipment away, I later got a phone call from a friend who said that he had a party going on and asked if I would like to attend. I did this and with no equipment while there I was having a good time when I came across a beautiful lady. She came up to me after her friend ended up banging her head after dropping from taking a balloon and together, we looked after her. While looking after this lady with a saw head, I and the beautiful lady had been trying to find cold drink but there seemed to have none left. I can remember the room being hot and this being the first time that I went out to have fun as for the bail conditions that I got placed on since breaking up with my first partner. Thought the night I continued to chat with this lady, and we got along well. She made me smile when she popped up with a few cold bottles of fizzy Lucozade for us all and I asked her was where she had managed to get them from. When she replied to me, from the shop; I tried to think of where the closest shops were to where we were and knew them to be far away. Me, being me, I never would expect a woman to put her hands into her own pockets, to pull out her money, so to pay for something, but on this occasion she in fact made me feel welcome, to take the drink from her. It got explained by her that she saw the police on her way back in, and she thought that it would be best to take her back home so that we were both safe and that is what I did I found my new partner.

Here is the email that has been sent to me today from the council. Please also see the attached files that were served on the occupiers of the building before Simon went there on the **04/05/2013,**

as you will see the council are saying that the police did not give them the information on the **01/05/2013**

and cannot give us the details of the person or persons that did give them the information. But you will also note that the council did pass the information onto the police. Also, could we get an update on as to what has been going on have the CPS sent the pictures yet of **Feb 2013,**

also have they sent anything over from the council. Also, when is this going to be listed for court if you have not had any information from the CPS, and just an update to anything else that has gone on with Simon Case.

Enfield Neighbours' anger over 15-hour rave in Southbury Road

Charlie Peat / Friday 25 April 2014 / News

Follow @ Enfield Andy Chaz

Ravers took over abandoned business building for more than 15 hours,

The former HAN building in Crown Road, on the junction with Southbury Road, was the venue for an illegal party that began on Saturday night.

According to residents in Anglesey Road, adjacent to crown road, the loud noise and disturbance continued until 3pm the next day.

One resident, who wanted to remain anonymous, said that the 15-hour rave was "ridiculously loud/"

He said: "It was so loud the whole house was shaking like an earthquake was happening.

There are no clubs or bars near us so this was quite a shock. We understand that sometimes it could be loud late at night but for it to continue until 3pm the next day Is not right. "I walked along to check out what was going on, it was ridiculously loud. Things were getting smashed up in the building and people were spray painting everywhere." Police say they attended late on Saturday evening and returned the following day and music was still being played.

Listed building 'wrecked' by graffiti (From Enfield Independent)

Vandals have "completely wrecked" an abandoned building by painting graffiti on the front and squatting inside.

The NAN building, in Crown Road, on the junction with Southbury Road, Enfield, has also been used for illegal raves and parties in the last few months.

Formerly used as a car factory, the Grade II listed building closed down more than a year ago and **Enfield Borough Council is now looking for a new owner.**

David Cockle, the chairman of the Enfield Society, has been left concerned by the way the way the building has fallen into disrepair.

He said: 'It once had a very nice, manicured garden - but now it's just been completely wrecked. It's a huge shame.

"I recently discovered that squatters have been on site and It's generally in a deplorable state, it doesn't give a good impression to people visiting the area for the first time.

"It's such a high-profile site and one we should be proud of, but now it just looks awful.1'

Earlier this year, people in nearby Anglesey Road, said their houses were "shaking like an The party included loud music and continued until 3pm the next afternoon - a total of 15 hours.

Graffiti tags have now been emblazoned on the front of the building, which has been boarded up.

Mr. [REDACTED] added: "For a listed building to be left like that, it's terrible

"The plants and shrubs are overgrown too - it's sad to see it so run down.

"It used to be such an attractive building. 1M

Disrepair!

The Enfield Council and Enfield home should always stay open-minded towards their mandatory duties of care towards their client such as myself rather than members of the staff avoiding to deal with emergency problems of disrepair, as keeps happening every day that goes past without the correct follow ups getting insulated so for the needed work that must get completed within my rented home finally taking place and then getting finished!

Time Spent Building.

In the background of everything going on I finished working on Creating a new up to date INCIDENT MANAGEMENT PLAN and I continued to Study and finish at the Time Start: 07:00 Am and Time End: 03:30 Pm!

My mother also continues to work on building my company website for me with others at the Time Start: 09:00 and Time End: 14:00!

I spent time and resources costing expenditure with my mother also building my defence case, against the allegations getting put against me at the Time Start: 12:00 Am and Time End: 06:00 Am!

Hi Josey

Simon has asked can his case be listed for court this week about the non-discloser he said the CPS has had long enough and still have not given over what they were meant to. This was last in court on the

08/04/2014

and the judge give until the

11/04/2014

for the CPS to give the discloser over which still has not happened the Judge said that if the discloser was not given it was meant to be re listed back in court. The CPS asked for more time which you gave them and they still have done nothing, so Simon wants it listed in court so this can be told to the judge.

Disrepair!

Living in such dreadful conditions is not humane and my flat would be nice if it was veridical and kept up to the right ISO standards but this simple upkeep gets pushed aside by the Enfield Council and the Enfield homes pertinent departments of concern in reference towards the damp heating air ventilation and also the sound issues of disrepair that are unreasonable!

Disrepair!

The HHSRS and the housing Act 1985 inclusive of many other rights of mine and many other people's rights designate that these quandaries of disrepair must not get left by the Enfield Council and the Enfield Homes teams to carry on the way they do, as it is causing me to have no delectation out of my flat and causes me a negative emotional distress!

Hi Josey

Simon has asked can his case be listed for court this week about the non-discloser he said the CPS has had long enough and still have not given over what they were meant to. This was last in court on the

08/04/2014

and the judge give until the

11/04/2014

for the CPS to give the discloser over which still has not happened the Judge said that if the discloser was not given it was meant to be re listed back in court. The CPS asked for more time which you gave them, and they still have done nothing, so Simon wants it listed in court so this can be told to the judge.

The Enfield Homes and the Enfield Council have got lots of early resolution to fine-tune the disrepair issues contained within my flat and concur to act with rehabilitating the quandaries but their staff do not follow the company's stationery obligations of care towards my person and this neglect leaves me in a worse condition of health than just the damp!

Subject: Regina v. Simon Cordell for mention at Woolwich Crown Court on Wednesday
21st May 2014
Dear Sir or Madam
We continue to act on behalf of Mr Simon Cordell in relation to an allegation of burglary. As
you are aware this case was in court on
08th April 2014

for a mention hearing before his Honour Judge Shorrocks. On that occasion the Learned Judge made directions as to the service of crime scene photographs from

February 2014

(as referred to in the statement of Paul Michael Whittaker dated

25th March 2014).

There are 14 photographs referred to in the statement, but we have not been provided with an album containing the pictures of indeed a photograph. In addition, we have not been served with the statement from the Council regarding the noise abatement. We will forward under separate cover copies of a section 80 noise abatement notice and a notice prohibiting the sale of alcohol at the planned party in Bianca Road that Mr Cordell's mother secured from the Council under a section 35 application. It appears as though there is confusion as to the venue address and indeed the venue referred to in the noise abatement notice (Bianca Road) and the alleged burgled premises appear to be one and the same albeit the burglary is charged under the address of Unit 34 Haymerle Road, Peckham, London, SE15 6SA as opposed to Bianca Road. We also request that the prosecution clarify specifically what the particulars of the charge is against Mr Cordell as in the advance information he was charged with loss of stock to the value of £8220. Mr Patel in his statement dated

08th May 2013

refers to loss and also damage. The damage is estimated at £8,000 £10,000. In the case papers there is reference to a burglary and the items being stolen being a gazebo and also a chair. With regards to the gazebo Mr Cordell will bring to court a copy of an invoice that he has confirming that he purchased this item and therefore this could not have come from any burglary. In addition, the invoices provided in the case papers do not have listed the chair seized from Mr Cordell's home address. The chair listed on the invoices provided by Mr Patel refer to Monaco multi position chairs whereas the chair removed from Mr Cordell's address is a Venice chair. The photograph provided is of a Venice chair and not a Monaco chair. We seek clarification as to the particulars of the burglary charge as if the charge is to be amended to damage caused. There have to date been three burglaries at the premises, one in **February 2013,**

one in

March 2013

and one in

May 2013.

We know from the insurance documents that Nikki Diamond visited the site on

28th February 2013

and updated the broker on

02nd April 2013

damage being described as access holes being knocked through in the walls to gain access and an additional two access points were discovered. reference is made to damage to the rook also. There is also a comment made that there is no way to differentiate which damage was caused when. We know that there are crime scene photographs in relation to the

February 2013

offence and these need to be compared to the crime scene photograph's in relation to the

May 2013

offence. We also request that the officer in the case clarify the position with regards to the invoices and the date when they were obtained from Mr Patel. The invoices that we are specifically making reference to are the ones dated 1st **March 2013**

and

29th March 2013

which itemise identical damage. The optional extras recommended are identical also. Mr Trevor Allaway from the Insurance company confirmed that he never received the invoices / estimates from Mr Patel and he checked with Nikki Diamond whether she had seen the invoices and she stated that they had not been provided to the insurance company. Indeed, from the insurance file there is an email from Simone Sail man requesting repair quotations from Deven Patel

(dated 24th April 2013)

but the invoices provided by Mr Patel to the police are clearly dated

01st March 2013

And

29th March 2013

Our query is why were these not

859.

provided to the insurance company?

We request the date that these invoices were provided to the police. The estimate itemising the damage dated

05th September 2013

appears to correspond to damage itemised in a telephone call to the insurance broker by Nicola Diamond on

02nd April 2013

at 15:04:00 with additions. The estimate for this damage is **£39420.00**. Mr Patel in his statement dated

08th May 2013

estimates the damage as being between **£8,000 £ 10,000**. Yet the invoice dated

05th September 2013

substantially increases the estimate by some **£30,000**. The invoices dated in March only refer to rebricking one wall at a cost of £600 yet Nicola Diamond refers to at least three entry points. The statement of Mr Rakesh Patel dated

10th March 2014

gives us cause for concern as he has produced two invoices that never appear to have been provided to his insurance company. He also makes reference to his manager reporting the burglary but not been given a crime reference. We request that a statement be taken from this Manager and in particular that the Manager confirms the damage that was caused and the value of the stock stolen and how this amount was reconciled to stock in the warehouse. We are also concerned as police attended on the night of the raves in

May 2013

and the damage to the wall would have been apparent to the police. In addition, we find it bizarre that there were no additional police patrols in the area on the night of a rave. Our client is adamant that police officers attended on the night in question and were powerless to stop the rave / private party from taking place because there were people squatting inside the premises and notices on the walls clearly stating that the premises were being used as legal squats. The police officers who attended on the night of the rave / private party can confirm that there was damage already in existence and also that the premises were a legal squat. This would contradict the statement of Inspector Mc Millan dated

31st March 2014

who stated that there were no obvious notices / signs indicating squatters' rights?

We therefore request that the officer in the case make enquiries in relation to the Bianca Road address as referred to in the section 80 notices. We request that this case be listed for mention on Wednesday

21st May 2014

in order that the above can be clarified and also that our client's bail conditions are clarified, in particular our client seeks the return of his passport. We await the confirmation of the listing in due course.

Yours faithfully

MICHAEL CARROLL & CO.

Dear martin

For the last 3 days Simon and myself have been trying to sort these 2 claims out with KGM. Many phone calls have been made and all sorts of things said. Claim dated

14/09/2014

information below Today I got a call back for the claim dated

14/09/2013

where I asked the lady, I spoke to for the information for the insurance company that were making the claim, I was also shocked to hear that they had only today again sent an email to Accident exchange to get them to redirect the claim, the information is below.

Company: Accident exchange

Ref: LR4030501

Phone Number: 08700116720

Simon called and spoke to a Mr. Chris Garvin at around 11.50am on the

22/05/2014

Simon was told that they were no longer looking at his insurance and had not been for some time. That they had redirect there claim to Mr. Harris and all they were waiting for was for proof of the sale of the index incident vehicle, CX52 JRZ from KGM and had been waiting for this for some months to close that part of the claim down for Simon. Simon asked Mr.

Chris Garvin if he could email himself this and also email this again to KGM I will attach the email from Mr. Chris Garvin with this email for you to see Again it does seem as if KGM are not doing their job as from what I heard today this claim should have been taken of my insurance from months ago. Simon again called KGM about this and getting KGM to send Mr. Chris Garvin the proof of sale and was shocked to hear it would take KGM 5 days to send this over so that this claim can be closed down. I at this time think KGM has had long enough already to deal with this matter and due to how long this has taken has messed Simon insurance up enough already due to KGM not doing their job. This should have been cleared up months ago but KGM is just holding on to it. Claim dated the

09/12/2013

information below Also today we have been trying again to sort the claim dated

09/12/2013,

where Simon was driving my car to service it the Rover Reg Y311 FVV. We have been told that the last few weeks they would send us a form out to fill in to Simon email address

re_wired@ymail.com

which should be on file when he took the insurance policy out with KGM. But not getting the form again we called and asked why. They seemed to have had the wrong email so re took it and said they would send they out yesterday still not having got the email by today we asked them why we had not got this again they had the wrong email so again they had to take it. We do now have the form which is a joke in itself to fill in so I made a call to KGM to get some help as most of the information also KGM already have, but within the call I was not happy with what Mr. C Clancy said to me on the phone. They do seem to have the witness information now to the claim which was given on the phone to KGM on the

09/12/2013

which they in the pass told me they did not have. Mr. C Clancy had to in the end go and get the file out as there was so much mess on their system, he needed to see what had been done in the file. They did call Miss Hue who is the witness and got her email address and they sent her an email on the

05/02/2014,

but since this time, they have not heard from her. I said to Mr. C Clancy with the mess up with Simon email address and not taking down the correct email does it not seem something is wrong if Miss Hue was willing to give you her email then why would she not have filled in the information to ask her for. Why has nothing been following up by calling Miss Hue and asking. He could not understand why this had not been done. He then went on to try and help me with the form they had sent over and when he heard I was insured on Y311 FVV he said could I give him a while for him to read the full file.

866.

He came back on the phone and said but why is this claim not going through my insurance I said why should it as I was not driving it on the

09/12/2013

it was covered under Simon Trade insurance as he was taking it to be serviced. At this he said that Simon was not covered to drive my car to service it under his trade insurance, I told him what the reason was for having this trade insurance if Simon was not insured. I then went on to say about some months back when I myself talked to the claim hander Miss Alana Foster and she said this also. And that you had contracted the underwriters and sorted this out and Simon was in fact insured. He said he was going to have to contract the underwriters and conform this. At this I was really not happy and told him does your teams do their work correctly as to me there is no communication between KGM departments. I told him on the phone I was going to again contract you and again sort this mess out as if there still saying Simon was not insured then they sold him the wrong insurance policy. At this he said to me

don't do that just wait till I get back to you today or tomorrow. There is a lot more that has been said but this is just a little outline. Sorry Martin there is such a mess with KGM they don't seem to know what they are doing and this is having a great effect on Simon life and more costs due to his insurance costs, and the fact now he has to go to court around 6 times for no insurance when he was in fact insurance and his insurance was paid for. Can you please try to deal with this mess?

And take a look at the email that I have attached for the claim of

14/09/2014

I don't see why Simon no claims are being withheld due to KGM not doing their job and also having the new insurance closed due to this fact and you having to open a new one this is really looking bad on Simon and he has done nothing wrong here. Also, can I ask something about Simon New insurance does it cover him for his window screen on his car?

Can you please give us an update for all this and sorry for the long email?

Regards

Lorraine

With regards to the bail conditions I am awaiting on the barrister's back sheet to clarify the above. I will send a chaser email to Chambers now.

Hi Simon / Lorraine

I am forwarding Counsel's back sheet from the mention hearing. The bail position is wrong as it would be as per the conditions imposed by the Judge on the last occasion when Simon appeared, and he lifted the curfew. I will seek clarification of this point. I will email Woolwich Crown Court to request clarification of the bail conditions imposed in April 2014. The statement from the noise abatement officer has still not yet arrived, nor has the colour photographs I asked for them to be sent in the DX yesterday so Tuesday will be the next day that I can check. Any queries between now and then please do not hesitate to contact me at my office by email or text.

Hi Simon / Lorraine

I am forwarding Counsel's back sheet from the mention hearing. The bail position is wrong as it would be as per the conditions imposed by the Judge on the last occasion when Simon appeared, and he lifted the curfew. I will seek clarification of this point. I will email Woolwich Crown Court to request clarification of the bail conditions imposed in April 2014. The statement from the noise abatement officer has still not yet arrived, nor has the colour photographs I asked for them to be sent in the DX yesterday so Tuesday will be the next day that I can check. Any queries between now and then please do not hesitate to contact me at my office by email or text.

Kind regards

Josephine

A Friend's Place: --

I got asked to attend a friend's place of residence, to say hello and to drop off money for food: --

On the

25/05/2014,

some friends called me and said they were living at Unit 5 Georges Industrial Estate White Hart Lane Tottenham, London, N17, I understood that this was their home as they were homeless and if it were not for this place for residents. I got asked to attend to say hello and

so to drop off money for food and other living essentials to them. In the end, I drove in my van and when I arrived at the area's location; I pulled over and stop on the way to my friends. The place I stopped at was a local pizza shop and I ordered food for us all, I asked for the food to get delivered to the same address to where I would be. I arrived at my destination I noticed that there were no police present. The occupiers allowed me entry into their legal home, and I drove my van inside. We took a seat together after they showed me around. Once we sat down, we started the normal general chat about what each other's, lives had gotten up to, since we last saw each other. The pizzas soon, therefore after arrived as I ordered them to and we all indulged in eating the food and after some time, while me and my friends lengthened our conversations. I got startled; I could make out the sound of an alarm bell going off inside of the building, I noticed a lot of activity from within the premises and overheard a person shouting at another person. On listening even closer, to what they were shouting about, I can remember their discussion being that of: somebody else had got into a section of the premises and opened a fire door that did never got opened before, soon after, the door had got sealed and opened the alarm went straight back off to how it originally was before hand: silent! In the cool down period of what just posited to proceed; what I would claim to be about minute the police arrived and as a regular event they chose to talk to me once they realised my presence. The police done their cheeks and asked to look inside of my van on doing so; I granted them permission to do so after the police officers checks they were happy that I had no true sound equipment on me other than two old speaker boxes without speaker drivers in them, that I left in the van due to not being able to move them into my storage room due to space. The police said it would be OK for me to leave and go so this is what I did. A few months later the police added this day into the ASBO Proceedings. On the day I never got arrested for any criminal offences. When I arrived to the premises in my van, the building already got occupied under a section 144 LASPO notice and I merely attended, just to bring food to some friends and spend time with them all. I had empty speaker boxes in my van, but they did not contain the drivers that would have got required to make sound neither did I have any other equipment that would constituent towards a full sound system. I also did not have any, intentions of setting up a rave as is being stated by PC Steve Hoodless. What did in fact happen is that after the incident the attending police officers add this inelegance into the police National computer system and months letter a Steve Elsmore got told to create an ASBO, so he and other official people edited them police cad's and this can get seen in the official Anti-Social Behaviour paperwork and then them officers of the law adduced the information into the application for their own self gain in victimising me?

On 25/05/2014 at 23:21 hrs Police were called to UNIT 5 ST GEORGE'S INDUSTRIAL ESTATE WHITE HART LANE N17 by the security guard at the venue stating suspects; were on premises. Police attended the venue and a large group of approx. 20 young males and females, between 18-35 years of age and of mixed origins ran out the rear of the industrial estate through an alleyway leading to THETFORD CLOSE N13. Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and stated that the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon entering the premises. After several minutes and upon hearing Police organising entry to the premises in order to search for the suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a WHITE FORD TRANSIT VEHICLE VRM CX52JPZ attempted to exit the premises. The driver an IC3 Male gave the particulars of Simon CORDELL DOB 26/01/1981 of 109 BURNCROFT AVENUE EN3. PNCID 97/99378V. CORDELL stated he had just attended the venue to give his friends some food as they were squatting. The rear of the TRANSIT VAN contained a set of large speakers and music equipment, but CORDELL insisted he used the equipment for festival work and was not setting up for a 'Rave'. CORDELL produced insurance documents but due to the day/hour officers were unable to verify details. CORDELL did not match the description of the IC1 Male suspects and was advised to leave the venue. Security guards remained at the premises in order to secure them. Several young males and females continued to arrive at the venue dressed in 'suitable evening attire' for a: Rave and then promptly left upon seeing Police.

On 25/05/2014 at 23:21 hrs Police were called to UNIT 5 ST GEORGE'S INDUSTRIAL ESTATE WHITE HART LANE N17 by the security guard at the venue stating 'suspects were on premises'. Police attended the venue and a large group of approx. 20 young males and females, between 18-35 years of age and of mixed origins ran out the rear of the industrial estate through an alleyway leading to THETFORD CLOSE N13. Several males were still inside the premises claiming to be squatters. The remote I am viewing CCTV at the venue was contacted and stated that the alarms had just been 'activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon entering the premises. After several minutes and upon hearing Police organising entry to the premises in order 1 to search for the suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a WHITE FORD TRANSIT VEHICLE VRM CX52JPZ attempted to exit the premises. The driver an IC3 M gave the particulars of Simon CORDELL DOB 26/01/1981 of 109 BURNCROFT AVENUE EN3. PNCID 97/99378V. CORDELL stated he had just attended the venue to give his friends some food as they were squatting. The rear of the TRANSIT VAN contained a set of large speakers and music equipment, but CORDELL insisted he used the equipment for festival work and was not setting up for a 'Rave'. CORDELL produced insurance documents but due to the day/hour officers were unable to verify details. CORDELL did not match the description of the IC1 Male suspects and was advised to I leave the venue. Security guards remained at the premises in order to secure them. Several young males, and females continued to arrive at the venue dressed in 'suitable evening attire' for a Rave and then promptly left upon seeing Police.

Hi Josey

I called the OIC today and told him where Simon Passport was, so he sent an email over to them to release the passport. Simon has collected it now, so he has it back. So, it's now just to confirm the signing on each Sunday and not to go into Southwark council left to confirm which as far as the judge said he is not meant to be doing this. Can you also give me an update as to if you had anything from the DX yet?

As the OIC also said there is a statement from Nikki Diamond that was handed over at court last week, on the phone today. But I sure Nikki Diamond was meant to be Simon witness along with Trevor Allaway.

Hi Simon / Lorraine

I am forwarding Counsel's back sheet from the mention hearing. The bail position is wrong as it would be as per the conditions imposed by the Judge on the last occasion when Simon appeared, and he lifted the curfew. I will seek clarification of this point. I will email Woolwich Crown Court to request clarification of the bail conditions imposed in

April 2014.

876,

The statement from the noise abatement officer has still not yet arrived, nor has the colour photographs I asked for them to be sent in the DX yesterday so Tuesday will be the next day that I can check. Any queries between now and then please do not hesitate to contact me at my office by email or text.

Kind regards

4. Is Simon available to attend office week commencing 9th June 2014 as I am now on annual leave (but still contactable by email / text)

Disrepair!

I get frustrated when I optically discern my property getting damaged beyond disrepair because of the damp and mould in my rented home I perpetuate to repine in the hope that the correct decisions get made by the Enfield Homes and the Enfield Council's teams but without any transmutation in my living circumstances, I perpetuate to take photo pitches of the damage cause to the property and make this report as authoritatively mandated to do so by the Councils staff!

Time Spent Building.

In the background of everything going on I finished working on Creating a new up to date Protective Security policy and statements for the Too Smooth Entertainments mini fest and then on managed and I continued to Study and finish at the Time Start: 07:00 Am and Time End: 03:30 Pm!

Hi Martin

Can you tell me if the claim for the?

14/09/2013

has been taken off by KGM they have had notice to do this and it was due to be done last week. If it has does Simon no claims come into force now?

Also, can you tell me the payments for his new insurance as Simon has not had anything from them yet in the post or from yourselves?

Also, what date the next payment is due to be paid. The total cost of the insurance and the monthly instalment costs please. And if KMG has closed down the claim for the

14/09/2013

and Simon no claims come back into force what is the total payment for the new insurance.

Also, as I said on the phone before |Simon has to go to court for no insurance for

Nov 2013

when the police said Simon had tools in his van would it please be possible to get an email which shows fully what happened as to Simon insurance going to be closed down due to what the police said and that the only reason it was not was due to Simon having to go to the compound and speak to the manager who then called Kelly Tiller at KGM and told her there was no tools when the police took the Van into the compound therefore KGM said he was in fact insurance the day he was stopped by the police and that the van should not have been sized, also explained that you yourself talked to the police by phone on that day and told them he was insured. This would really help so it can be shown to the judge.

Hi Josey

I know you are annual leave and not in a position to check the DX. But I was thinking that the office would keep you updated on your cases as to if anything did come in the DX. I will call the office tomorrow and ask if anything has come in and if not could an email be sent to the barrister as it been 13 days since this went to court and she has had the information, If the barrister had sent the DX you asked for you should have had it the next day.

Regards

Hi Martin

Can you tell me if the claim for the?

14/09/2013

has been taken off by KGM they have had notice to do this and it was due to be done last week. If it has does Simon no claims come into force now?

Also, can you tell me the payments for his new insurance as Simon has not had anything from them yet in the post or from yourselves?

Also, what date the next payment is due to be paid. The total cost of the insurance and the monthly instalment costs please. And if KMG has closed down the claim for the

14/09/2013

and Simon no claims come back into force what is the total payment for the new insurance.

Also, as I said on the phone before |Simon has to go to court for no insurance for

Nov 2013

when the police said Simon had tools in his van would it please be possible to get an email which shows fully what happened as to Simon insurance going to be closed down due to what the police said and that the only reason it was not was due to Simon having to go to the compound and speak to the manager who then called Kelly Tiller at KGM and told her there was no tools when the police took the Van into the compound therefore KGM said he was in fact insurance the day he was stopped by the police and that the van should not have been sized, also explained that you yourself talked to the police by phone on that day and told them he was insured. This would really help so it can be shown to the judge.

Disrepair!

Every morning I arouse and stay incentivized I'm endeavouring my best to keep the flat to a fair level of upkeep but the damped perpetuates to establish itself to integrate to the disrepair the main floor in the bedroom as you enter the door has a 2 by 2 foot aperture in it were the floor got so rotted from the damp, this is more than perils, it's a hazarded to my safety, I have called the complaints department at Enfield Council and Enfield home and another date has got set for it to optically canvassed by a survivor!

Asbo Case Progress Way: --

Progress Way: A month passed, and the date turned into the **06/06/2014.**

my mother had been looking after my Nan as she was not too well at all, so my mother took my Nan from her own home to hers. My Nan stayed at my mums and lay in her bed and this seemed like it was to be her last days with us all, so regarding the

6th June 2014,

I did not attend at an occupied Warehouse at Progress Way, Enfield, as the police claim I did; I do not accept that I was present at this warehouse on that date. I prior stayed with friends in between my house and my mother's. In the following day off the.

07/06/2014

well after my Nan arrived at my mother's house, for her to live for a little while. I remember that the day had got arranged to be my cousin's leaving party, as he planned a worldwide holiday to go on. The leavening party got planned to take place at a Club and the day started with me in doors as normal, because of the threat of more police reapers ails, of the brutality that I get faced with. I had not been in contact with many of my friends for months prior to this date, due to the police and court bail conditions that I got placed under. Later in the day I travelled to my cousins leaving party when I received a phone call from a friend who said there was to be a party on and it got cancelled by police from taking place in Essex outside in open air. In continuing to speak to my friend; he explained that the private party got moved to a prior squatted building in Progress Way next to where I live. He asked me if I would attend and I said yes to his invitation, so regarding the

07th June 2014

at a Warehouse on Progress Way in Enfield; I had been having a family drink in the pub/hall with my cousin Dwayne Edwards his leaving party continued on from the

07/06/2014,

till the early hours on the

08/06/2014,

I also while on the phone to my friend agreed to drop a set of keys of, as this friend would be at the same location, I left the pub/hall to visit my friend who was living at Progress Way. Straight after I parked my van that I travelled in, along the Great Cambridge Road, in the petrol station. I crossed the Road and directly in front of me, was a fair amount of people, entering an alleyway. I accept that I also entered the alleyway with them leading me and found that this lead up to the gates of Progress Way as soon as I done this I got approached by members of the police and local council. A policeman asked me my name and my personal details, and I did not reply to him, the reason I did not answer his question is that I felt like I was getting entrapped by his line of questioning. He asked me to follow him back to where I had just come from, which was where my car got parked along the Great Cambridge Road, so I did what he asked of me to do, I felt straight away like the police officer, had made his mind up and therefore accused me of organising a so called rave to him, or to other people "a private party," to which I had not done, as soon as I finished being addressed by the governing officials, I then left them and waited in the petrol station across the road for my friend, this was so that I could give him his keys back. When speaking to my mate in the petrol station while waiting in my van I describe what had just developed. We continued chatting, and he asked me to hire out a power generator to the occupation, so I asked for my terms of hire to get signed and this happened. I then left and headed back home and waited for him to collect the equipment as agreed. The private party started on the

06th June 2013

and had got prior arranged months in advance, while I was being detained under police house arrest, I never got to the first location and I now understand other information that I did not think, for instance; A police dispersal notice got issued to other persons in Essex when an inspector landed in his police helicopter; he also had news reporters with him. In checking for the newspaper articles, you can see another; person identifications and those people are not me. I never attended until the early hours of the

08th June 2013,

so, I did not get involved in organising any event at a Warehouse on Progress Way and for truth at no point did I cause any anti-social behaviour, as seems to get started by the police officers and not by any members of the public. Soon after I left and headed back home for this day to get added into the Anti-Social Behaviour Order, there is more about this case latter.

Hi Martin

Please can you let me know about Simon insurance it's not showing on the mid database and I really need to know about the payments and also the below emails. I did call today to talk to you and left my number for you to call me back but did not get any calls. I need to know if Simon is insured. The last time I spoke to you said you would get back to me about the payments and I have not heard anything yet from you and no paperwork has come to Simon address.

Regards

Hi Martin

Can you tell me if the claim for the?

Also, can you tell me the payments for his new insurance as Simon has not had anything from them yet in the post or from yourselves?

Also, what date the next payment is due to be paid. The total cost of the insurance and the monthly instalment costs please. And if KMG has closed down the claim for the

Also, as I said on the phone before |Simon has to go to court for no insurance for

Nov 2013

when the police said Simon had tools in his van would it please be possible to get an email which shows fully what happened as to Simon insurance going to be closed down due to what the police said and that the only reason it was not was due to Simon having to go to the compound and speak to the manager who then called Kelly Tiller at KGM and told her there was no tools when the police took the Van into the compound therefore KGM said he was in fact insurance the day he was stopped by the police and that the van should not have been sized, also explained that you yourself talked to the police by phone on that day and told them he was insured. This would really help so it can be shown to the judge.

I do not have a car at the moment as I had an accident in May so my ability to do late visits is significantly impacted. Is Simon likely to be available Friday afternoon. Hi Lorraine

I am now in possession of the crime scene photographs which appear to show a much tidier warehouse. The CPS have still not confirmed whether the burglary is based on damage or loss. If loss, then Simon is covered in terms of the receipts. If damage then Mr Patel, Nikki Diamond etc will all have to attend court as will the warehouse manager. I do not have a car at the moment as I had an accident in May so my ability to do late visits is significantly impacted. Is Simon likely to be available Friday afternoon. I am at Milton Keynes in the morning and should be back in London for 2pm or alternatively what about Saturday. Please let me know which is the more convenient.

Josephine

Could you please give us an update to the below emails please?

I did call you the other day and asked for a call back as you were busy and left my mobile number which is 07961 833021. I have not had any calls and I am getting more worried as Simon still has not had any paper work and also you said you would get back to me about payments, I am sure something should be due and would like to know if Simon is still insured,

901,

Hi Martin

Can you tell me if the claim for the?

14/09/2013

has been taken off by KGM they have had notice to do this and it was due to be done last week. If it has does Simon no claims come into force now?

Also, can you tell me the payments for his new insurance as Simon has not had anything from them yet in the post or from yourselves?

Also, what date the next payment is due to be paid. The total cost of the insurance and the monthly instalment costs please. And if KMG has closed down the claim for the

14/09/2013

and Simon no claims come back into force what is the total payment for the new insurance.

Also, as I said on the phone before |Simon has to go to court for no insurance for

Nov 2013

when the police said Simon had tools in his van would it please be possible to get an email which shows fully what happened as to Simon insurance going to be closed down due to what the police said and that the only reason it was not was due to Simon having to go to the compound and speak to the manager who then called Kelly Tiller at KGM and told her there was no tools when the police took the Van into the compound therefore KGM said he was in fact insurance the day he was stopped by the police and that the van should not have been sized, also explained that you yourself talked to the police by phone on that day and told them he was insured. This would really help so it can be shown to the judge.

Regards

Lorraine

Information On 25/05/2014 at 23:21 hrs. Police were called to UNIT 5 ST GEORGE'S INDUSTRIAL ESTATE WHITE HART LANE N17 by the security guard at the venue stating suspects; were on premises. Police attended the venue and a large group of approx. 20 young males and females, between 18-35 years of age and of mixed origins ran out the rear of the industrial estate through an alleyway leading to THETFORD CLOSE N13. Several males were still inside the premises claiming to be squatters. The remote viewing CCTV at the venue was contacted and stated that the alarms had just been activated and it had footage of several suspects causing damage to the security cameras and door locks at the venue upon entering the premises. After several minutes and upon hearing Police organising entry to the premises in order to search for the suspects concerned in Criminal Damage the remaining occupants ran out of the rear doors to the venue. The front shutter then opened and a WHITE FORD TRANSIT VEHICLE VRM CX52JPZ attempted to exit the premises. The driver an IC3 Male gave the particulars of Simon CORDELL DOB 26/01/1981 of 109 BURNCROFT AVENUE EN3. PNCID 97/99378V. CORDELL stated he had just attended the venue to give his friends some food as they were squatting. The rear of the TRANSIT VAN contained a set of large speakers and music equipment, but CORDELL insisted he used the equipment for festival work and was not setting up for a 'Rave'. CORDELL produced insurance documents but due to the day/hour officers were unable to verify details. CORDELL did not match the description of the IC1 Male suspects and was advised to leave the venue. Security guards remained at the premises in order to secure them. Several young males and females continued to arrive at the venue dressed in 'suitable evening attire' for a: Rave and then promptly left upon seeing Police.

1 Falcon Park, Neasden Lane; NW10: --

On the

20th June 2014

it got alleged by members of the police that I got involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at 1 Falcon Park, Neasden Lane, NW10. This is not accurate information as the truth is that I had got contacted by way of mobile phone by a client, and he asked me if I would hire a sound system out for a gentleman's, birthday party. After our conversation I agreed to do so, and a sound system and a van got hired out to that person and then later collected from outside of my home address. My terms and conditions got signed, and a deposit got given to me, by the client. Once the client left me, I continued with my day and then went back to my home. When at my home, I ended up receiving a phone call at 1:00 hours in the morning by the same client who said that the police were in attendance, and they were seizing the sound system. I remember getting up from what I had prior gotten occupied with and leaving my home address at around 1am hours, so to attend to the private party location, which took place indoors. Then soon after I arrived at the client's destination, at around the time of; 2:00 hours, I would claim that I took one hour and ten minutes to attend to, as I drove outside of the address that I had to be at so to park my car I can remember there being lots of different members of the police who were already present. When I approached to the address front door on my two feet, to which address I got given by the client, the police were there blocking any persons entrance, so I spoke to the police officers and explained to them by circumstances, this meant that I showed them a copy of the higher invoice and a copy of my terms and conditions of hire, I got allowed entry by the police officers who were present to pack the sound system away and once I finished doing this, I asked to get released with the equipment, it then got explained that the equipment was to get confiscated. After a lengthy, debate, I had no option but to allow the police officers to seize the equipment, I got allowed to collect the sound system from the police at a later date, without being arrested or any charges being brought into motion. This meant; that I never returned the sound system to the same client ever again as he

breached my terms and conditions and at no time did, I knowingly supply equipment for an illegal party.

A few months' later this date got added to the Anti-Social Behaviour Order against me, even though I caused no problems.
