Speaker 3:	05:05	yeah, I have P.A.R.F.O.N.S.
Speaker 2:	05:10	P.A.R.F.O.N.S.
New Speaker:	05:13	Yes
New Speaker:	05:16	I'm sorry I was going to say, is there any way that you got a direct telephone number for him please?
Speaker 3:	05:20	Uh, we don't give out private numbers.

Speaker 2:	05:22	Did you have an email for him in please?
Speaker 3:	05:23	Yeah. it's his, first name, last name Colinparfons@. Enfield.gov.uk
Speaker 2:	05:29	Enfield.gov.uk. Okay. Is there any way that you can transfer me through to the ASB team department please because I have a few concerns I'm trying to resolve right now. I've been placed under an Asbo an Asbo by Enfield council and this Asbo is for the organization of illegal raves, it States illegal and I was never, I've never been arrested for something that was illegal. I looked into the case obviously that they put onto me that Enfield Council was in support of this application and basically for something that the maximum sentence is six months. do, um, do six months in prison, do, three months inside. I've seem to have got seven years for it. Yeah. I never committed the offences in the beginning, so basically I was accused of being 10 different people that I don't that um, three of them are close friends and the rest of them, I don't know.
Speaker 2:	06:14	They're younger kids to me, while I was on curfew or throwing events now these people done what they done on their own. I didn't hire them, no equipment. It wasn't nothing to do with me. Yeah. But the police somehow changed all their pictures and set me up for being these people trying to turn me into a super grass in a sense. Now what I've done is I copied all these people's Facebook profiles now from copying their Facebook profiles. I can prove that I never done it, but I've never gave the police these people's Facebook profiles cause I don't want to do their line of investigations for them. Yeah. Then I know I went, I went to court under the grounds that I, I wasn't going to be a grass and I noticed that a section was on all of these doors.
Speaker 2:	06:56	Now if a section is on somebody's front door that gives them the right to live in that building. You can't defer somebody because they're rich and own a company. You can't defer the difference. Everyone that's living in a premises in the United Kingdom is entitled to have their own parties. Now it's for the police. Once something's proved to be a private residential place, it's for the police to prove commercial gain or that someone was doing something for commercial reason and the place never proved none of this. They never went there. I never got arrested for legal, so I went to Cole and I basically won the application, proved I've got the transcripts of the court proven. I was never found guilty under the applicant's case because there was no illegal concept to it, and the police admitted that these buildings were sectioned in the beginning.

Speaker 2:	07:37	They never went to none of the landlords, none of the building owners or nothing. So, I went and I noticed all the timestamps were wrong in in the, in the case papers once I noticed that the timestamps were wrong, I noticed that there was 16 members of the public witness statements, but none of them had been signed by the police or by the witnesses themselves. Now that's been fully admitted that no, no one would sign. No one that was supposed to have got keep up overnight signed these things. Now all the timestamps were wrong. The in the case papers they're saying, because it wasn't me. I'm a mixed race male. IC3 the police call it. Yeah. Now I noticed that all of the, in the case papers when they were setting me up, these people were white people and it says, all white, when the nine, nine, nine callers phoned up for one of the events for instance, he said it's all white males and females and they went there and arrested all these white people.
Speaker 2:	08:26	They held them hostage for eight hours. Then I went there to go and see these people. I couldn't gain access to the premises or anything. It was all surrounded the police DE-arrested all the people in the building, eight hours later and arrested me and set me up for what these so called white people done as the nine, nine, nine, caller would say, now I've been trying to prove all this. Yeah. Ever since then they got my personal life and twisted my personal life around in the public view to darken my name. Yeah, and started pushing out different stories about myself so I went and got all the recordings and everything. I needed all my medical evidence of that and proving that I was of good healthy and had a full bill of health and everything throughout and I've got all the recordings of that. Like I'm recording this conversation between us now for instance.
Speaker 2:	09:07	And I've been doing that.
New Speaker:	09:08	yep.
New Speaker:	09:08	from the beginning. Yeah. And I'm just basically would like to get this resolved cause I feel that I can't walk down my own home town street right now because of what Steve Ellis has done, who's under Colin Pearson's control has been in support of, I've got loads of phone calls on me phoning up and asking the Council now I can show this evidence to yourselves. Yeah. Is there any way that you won't be in support? Cause you know, truthfully I'm an innocent person that the Council have refuse to acknowledge this from the first point of time. that I've told them and they refused to come and look at it or call me in for a meeting, but they've somehow, I'm ridding eight years for something I haven't done. Everyone knows that I am correct

		and no one would deal with everything correctly. So now I would just like to speak to anybody that may be able to help me with this problem because I understand that maybe that might not be yourself.
New Speaker:	09:55	yeah.
New Speaker:	09:55	and that you have just come in.
New Speaker:	09:56	year, year.
New Speaker:	09:56	for a simple day's work. Somebody in that building should be able to deal with my problem right now on the phone and I'm not too sure who.
Speaker 3:	10:05	Yeah. Were just a customer services and Secondly, I'm, were not placed in that building where the other, you know the staff people are placed so
Speaker 2:	10:14	Oh I see.
New Speaker:	10:14	So what I advise you to do is to put the query through email. Somebody would actually pick that up and deal with it and you should hear from them obviously hopefully before Friday.
New Speaker:	10:25	ok.
New Speaker:	10:25	um seen as it is such a big query. I don't know the ins and outs on you.
Speaker 2:	10:29	Yeah, my case. Yeah.
New Speaker:	10:30	year.
New Speaker:	10:30	I'm ready to sit there with the paperwork in front of anybody and prove to them what they've done to me. That they used, they've used my name, they've entangled, everything. I've got all the evidence I could ever want, I just don't want to cause a massive riot. All I wanted to do was hold an event in my local community and support my local community members and be a valid citizen. They turned that completely around for me, do you know like So right now I'm just trying to clean my name up and get everything straight with as minimal damage on impacting in society as possible.
New Speaker:	10:56	I understand it.

New Speaker:	10:56	So I'm trying to speak to the correct people.
Speaker 3:	10:59	Yeah. Yeah. I mean, you know, outside contact, that person, Colin, Colin persons and see whether or not he can push, push the case for you or you know, try to find out what was the best thing for you to do.
New Speaker:	11:15	Year and what the best way forward is.
New Speaker:	11:15	after you've, you've done, you know, some, some sometimes I think haven't been, you know, all shady. But yeah, just pop it through E-mail and He should be able to deal with it.
New Speaker:	11:25	Alright.
New Speaker:	11:25	If you don't hear anything by Friday, give us a call back and we'll just chase it up to here. What's going on.
Speaker 2:	11:32	Alright Thank you, sir. You have a good day here,
Speaker 3:	11:34	okay? Okay. you to
Speaker 2:	11:35	God bless. God bless him.
Speaker 3:	11:36	Okay, bye.
