Speaker 2 (Mr Cordell):
Hello.
May I ask who I'm speaking to please?

Speaker 1 (Linda):
I'm Linda.
I'm one of the team administrators.

Speaker 2 (Mr Cordell):
How are you doing?
I'm Mr Simon Paul Cordell and I'm phoning in regard to a reference number that I have.
Is it okay if I give that to you?

Speaker 1 (Linda):
Right, do so, yep.

Speaker 2 (Mr Cordell):
4340961671.
I would like to speak to Angela Hague in regard to a line manager for her please.

Speaker 1 (Linda):
She is the manager.

Speaker 2 (Mr Cordell):
She is the manager?
She's the director to the company as well?

Speaker 1 (Linda):
Yes.

Speaker 2 (Mr Cordell):
Yeah, I understand that.
But there are six company structures that any person can be in within this country.
You can have a limited company, CIC, association and so forth.

Speaker 1 (Linda):
No, we're the Enfield and Haringey Mental Health Trust.

Speaker 2 (Mr Cordell):
Yeah, but no matter what, you still have to have a director to the company and a secretary to the company.
Then you'd have line managers.

Speaker 1 (Linda):
Well, no.
What we have is a CEO, which is a Chief Executive Officer.

I believe we also have a non-executive person.

Speaker 2 (Mr Cordell):
Who is the Chief Executive?

Speaker 1 (Linda):
At the moment it's a gentleman called Andy Graham.

Speaker 2 (Mr Cordell):
Andy Graham.
Is he available to speak to please?
I've built a website called horrificcorruption.com and I've built a full diary on it.
Every single day since 2012 I've kept a full report, problem statements, videos and everything that's happened.
There are over 256 occasions where doctors have attempted to breach my human rights and cause targeted malice.
Targeted malice is when somebody is trying to help a colleague avoid prosecution and is acting against a person they should be representing in a constructive way.
It's unfair processing and a breach of trust.
Now, there's a lady called Julia Krinich who is the head director at St Ann's Hospital, one of the directors or chief executives as you may describe it.
I have videos of her and recordings of her.

Speaker 1 (Linda):
Can I interrupt you?

Speaker 2 (Mr Cordell):
Yes.
Julia Krinich is one of the main directors at St Ann's Mental Hospital.
You just said that the gentleman I'm referring to in your department is also...

Speaker 1 (Linda):
Andy Graham.
Andy Graham is the Chief Executive Officer.
Julia, I've never heard of her.

Speaker 2 (Mr Cordell):
Yeah, Julia.
I've got photographs of her here.
She is one of the main directors at St Ann's Hospital.
Have you done a check on her?
Just type Julia Krinich into Google.

Speaker 1 (Linda):
I don't know.
I've never heard of her.

Speaker 2 (Mr Cordell):
Yeah, but I understand that.
She's a main director and I met her in the hospital.
She would come into the room with lots of other doctors.
I have them all on recordings concerning a Section 135 matter.
Anyway, what I was going to say was...

Speaker 1 (Linda):
You need to speak to Angela Hague, do you?

Speaker 2 (Mr Cordell):
Yes, that's correct.

Speaker 1 (Linda):
Can I ask her to call you back please then?

Speaker 2 (Mr Cordell):
Yeah.
Can you hold on just a moment?
Thank you.

Speaker 1 (Linda):
Right.
Can I take a phone number?

Speaker 2 (Mr Cordell):
Is it possible I can just get a contact time to call yourselves back?

Speaker 1 (Linda):
Because she's at a meeting at Chase Farm this morning.
I don't actually know what time she's going to be back.

Speaker 2 (Mr Cordell):
Well, I'll try and call her in the afternoon, just after lunch again.
If that doesn't work.

Speaker 1 (Linda):
That's okay.

Speaker 2 (Mr Cordell):
Thank you madam.
You have a good day.

Speaker 1 (Linda):
Okay.

Thank you.
Thanks.
Bye.

Speaker 2 (Mr Cordell):
Bye.
