Speaker 1:	00:05	"The doctors were supposed to do an Mental health assessment on me as the Judge ordered for this to take place from Edmonton lower court. The doctors had phoned my mother and told her that they were outside of my flats and could not gain access, so I went outside looking for them I walked out of my front door and waited outside for the doctors to arrive, as they were late; While on the mobile phone to my mother this is what took place."
New Speaker:	00:05	I am outside of the front and I cannot see no person outside of the block of flats. while it is nine minutes past and
New Speaker:	00:05	minutes past and it not hard to get the code is it and there is no reason for the to rush of in five minutes is there or for them to disappear. I don't believe that. I don't believe that they've came here. I believe that they know that they can get in trouble and they just saying that they've come to my front door. It's nine minutes past. Can you find that direct number for these people and their names, who they are, who you are actually dealing with, yeah well can you get their full names please as well, thank you.
New Speaker:	00:05	
New Speaker:	02:19	they never had problems getting access before
New Speaker:	05:14	Hello.
New Speaker:	05:36	Well, I am outside of this front door here now and no person is here outside of it and I can see the blocks in the line and there is no person standing outside of the rest, So, if somebody was going to be attended, pardon? that would be very unusual for them to be there. I've never known another person to make such a mistake.
New Speaker:	06:24	She is here, she was just around the corner. I will phone you back in a minute.
New Speaker:	06:24	Hi, sorry to keep you waiting.
Speaker 2:	06:26	Hello, How are you doing?
New Speaker:	06:26	I'm good. Sorry. I was in a hurry. Mr Crompton?
New Speaker:	06:29	Mr. Cordell. Cordell.
New Speaker:	06:31	Okay, please go ahead.

New Speaker:	06:32	I was just wanting to understand what laws are you actually wanting to hold this meeting with me under.
New Speaker:	06:37	Well your Solicitor, wanted to do.
New Speaker:	06:39	Not my solicitor.
New Speaker:	06:39	The judge.
New Speaker:	06:43	The Judge but your solicitor has instructed me so I'm not.
New Speaker:	06:45	Not my solicitor has instructed. my solicitor what's has been instructed is a judge has ordered for you to come into my house. I've had the doctors come on 73 other occasions to my address in the last, in the last three years I won't. I've been on a curfew for, I'm on a nine year curfew. The nine year curfew, illegally got obtained against me. They falsified all the paperwork and missing the signatures. At the bottom of the folder, I started phoning the police and asking the police, please can, you're holding me for nine years. I never got arrested for this offense. The Organization of a legal Raves, you're setting me up.
Speaker 2:	07:17	I copied the Facebook profiles of the people that actually done the events and I have the Facebook profiles, but I'm not going to give them to you the police because I'm not getting paid your salary to be a, to be a grass or an informant. I never done any events, so I have the Facebook profiles. Now the maximum sentence. If they did arrest you for, for throwing parties is six months in prison. Yeah. So you do three months in prison, three months out. I never even got arrested and they have legally gave me nine years. I've looked at the victim statements. This is over four people being kept up over night because they heard music from the party and all that. Each police officer has done four statements and they're all missing their signatures now because they're holding me for nine years in my house on curfew.
Speaker 2:	07:57	I'm not allowed to leave and because I've noticed the signatures, I can't leave my house before nine o'clock because the police are trying to grab me outside. Then they've sent you doctors here 74 times. They start spreading personal data about me, pretending that I had the disease and stuff like that is in the public when there was nothing wrong with me and I've got all of the medical notes inside all the clinical notes. I've got hundreds of recordings of me calling there call centres explaining it.

New Speaker:	08:19	You are recording this conversation right now then.
New Speaker:	08:19	yes, because this is the minutes of are meeting and you are being paid right now as a civil servant to interact with me. So I'm allowed to take minutes in a digital format. I'm allowed to take minutes in, in by writing of our conversation you are being paid to have this conversation with me so I'd like to record this conversation.
Speaker 2:	08:36	I've made a full official report and every person that has met me, I've took and I have transcribed up and I put them into a full report online, online with a website that I haven't published yet and now I've been doing this since 2012 making an official.
New Speaker:	08:51	So, who is your solicitor?
New Speaker:	08:51	I've just took a solicitor on just recently!
New Speaker:	08:53	What's the agency?
New Speaker:	08:53	The agency you just called the agency I believe or one your workers.
New Speaker:	08:58	So I have spoken to your solicitor this morning. So the council approached me because the judge said that you need a mental capacity assessment to see if you understand.
New Speaker:	09:08	Whether I have been served a services.
New Speaker:	09:08	Can you let me finish first.
New Speaker:	09:13	Yeah.
New Speaker:	09:13	The conditions.
New Speaker:	09:13	of the injunction.
New Speaker:	09:13	Whether I understand the conditions of the injunction.
New Speaker:	09:13	And if you can undergo court.
New Speaker:	09:16	I understand that I have video evidence inside now,.
New Speaker:	09:19	you.

New Speaker:	09:25	May I just explain something.
New Speaker:	09:25	So, I'm going to explain to you where the judge is wrong. Yeah, so.
New Speaker:	09:28	I can't have a conversation in the middle of the street and do an assessment.
Speaker 2:	09:34	I understand that but you're trying to gain access to my house and legally, yeah,.
New Speaker:	09:38	illegally, no, no, no.
New Speaker:	09:38	Yes, because it's abuse of position and unfair process. It's unfair.
New Speaker:	09:43	We asked you to agree?
New Speaker:	09:44	No, no, I'm being forced to have this appointment.
New Speaker:	09:46	If you don't want the appointment I can leave.
New Speaker:	09:46	I'm being forced,.
New Speaker:	09:47	I can leave, I don't have to be here.
New Speaker:	09:47	I'm being forced to have a meeting with you and if I don't have a meeting with you, I'm not allowed to have a trial and defend myself and that's what the judges have done in the, in the first case, they have also done this in the second case. Now this is a third court and they have used exactly the same tactics to avoid disciplinary action.
New Speaker:	10:02	I want.
New Speaker:	10:02	I will invite you into my house and I'm going to show you the evidence.

New Speaker:	10:04	I've made you aware.
New Speaker:	10:05	I do not need to see any evidence.
