Speaker 1:	21:42	Hello Police. What's the reason for your call?
Speaker 4:	21:45	Hello? Can you help me send an email to an officer please? To Cressida Rosedick, please
Speaker 1:	21:54	Sandra dick. Okay. The commissioner? Yeah. Okay. You actually need to go on the internet.
New Speaker:	22:02	ok.
New Speaker:	22:02	Type in the, um obviously the Met commissioner email address and it'll come up with the address that you need to do.
Speaker 4:	22:13	What the Met commissioner's email herself.
Speaker 1:	22:16	It's not you don't get an email to her. No, it goes to her success secretary
Speaker 4:	22:21	to her secretary. can i get this straight. Yeah. She lives in Oxfordshire, is that correct? Yeah, and she's running a company called Homeless Oxfordshire limited. In her area and she's just kidnapped my brother as well, and she's had my brother transferred to Oxfordshire. They have had two withdrawal statements put in. And are they saying that they are going to for a trial just on hearsay and the person was on drugs when they was taking the statement as well. How is that? They are doing exactly the same as what they've done to me. I've got a website, my website Horrific corruption. It's gone live. Yeah. I'm going on keeping it up now. Yeah. You can go along and see all the police officers' names and a load of your names and the other people that I've been calling.
Speaker 4:	23:01	That have been telling me that I have been robbed down the phone and you can also click on the second Asbo folder and you can see if you click on the second Asbo folder in that thing, you can see that, um, on, on a scroll down, you can see in the red, writing that there was no witnesses or no evidence, no witnesses or victims in my case. And that is from Sally Gilchrist, and the Judge saying that themselves and that use lot are holding me hostage in my house and telling me that I've been robbed in. There's nothing I can do about it. Like, well, the

		company you represent is, and I'm happy for it. I would like someone to take this as an emergency situation to treat my life with respect and dignity. I have the right to life and I'm being left in here and made to feel suicidal by the company, by your company and by what it's doing to me and, and the breach of my fair process. Please.
New Speaker:	23:49	By or company our company is the Metropolitan Police
Speaker 4:	23:52	Yes, that is correct, Madam. The metropolitan police has falsified a statement, they all went to court 15 and the highest.
New Speaker:	24:01	Ok so you want to make a complaint.
New Speaker:	24:01	Yeah, a official complaint. Yeah.
New Speaker:	24:05	You made a complaint two days ago.
New Speaker:	24:05	And I was told that someone will be contacted me back and nobody has contacted me back yet. In regards to,
New Speaker:	24:11	ok let me find out what is going on.
New Speaker:	24:11	I made multiple calls in regards to this, the website's up now and the police officers are up and a load of your call centres work, workers is up. Christmas is round the corner and I can see a lot of people losing their families and going to prison for Targeted Malice which is a 12 year sentence and malice of public office if Teresa. If Cressida doesn't, do her job properly, I'm not happy that they have transferred my brother to a court in our area and the rest of it now and they're doing exactly the same to my brother without no evidence and no victims.
Speaker 4:	24:40	Yeah. You need first hand evidence in this country to hold somebody. If you go to my website, you can see, you can see what recall I'm going to upload a load more recordings and transcribes of me being called a black, black, black barstered, down the phone and stuff like that by the officers. I'm going to load up a load more of it now and I'm not happy with what's happening. I've met, I've contacted your call centre over 220 times now that it's on record and I've got the Cad numbers for the recordings too. Most of them and not once. Have you taken a statement of me or come and took my evidence.
New Speaker:	25:13	And what is your name sir.
New Speaker:	25:13	Mr. Simon Paul Cordell, C. O. R. D.

New Speaker:	25:18	Ok, double l.
New Speaker:	25:18	Yeah, D.E.L.L.
New Speaker:	25:18	do you know who was supposed to be contacting me back? exactly what.
New Speaker:	25:20	I am going to try and find out.
New Speaker:	25:20	Thank you.
Speaker 4:	25:34	They've been telling me and you can go to, you can go into, Lemmy's second in junction order on that, in that Asbo yeah, on the 25th or something it says and we go to page 258 in, that's in the, in the last PDF, but you can see the day that I was supposedly found guilty when I wasn't found guilty in the court yeah, which you can read from the first Asbo folder in in that you can see on page 258 of this of Lemmy's last index. You can see where when I left the court in 2015 Highbury Magistrates Court you can see they made threats. If you attend court again and dis us we're going to re - man and they made threats out of my bail conditions. They gave them, they gave me, they gave my solicitor a copy of the folder and now I couldn't prove when I had to go and hand collect the slip, my folders, the Asbo folders from Josie, my Solicitor, I couldn't prove whether Josie put them Threats in my folder.
Speaker 4:	26:25	I couldn't prove whether Sally Gilchrist for the metropolitan police put them in the folder. But now Sally said The Enfield Council never turned up once to any of the to the, to the um, to the trials to 30 different trial dates. Yeah. And hearing dates for the Asbo. So I know they never collected the photo after I've been. Found Guilty. that folder has now being sent by Sally Gilchrist to the Enfield Council The Enfield Council has been receiving emails asking them to protect me, because my neighbours are attacking me because of this sex scandal being made in my name. Yeah. And they have had a copy of the first Asbo, and they have got these threats now. Lemmy has emailed that to me. Sally Gilchrist never emailed it to me in the beginning yeah, So I couldn't prove that Sally done it or I could improve that.
Speaker 4:	27:13	It was either Sally or Josie. Yeah. because I had to collect it from Josie. Now's Lemmy Sally get Post emailed it or gave it to Lemmy to the Enfield Council. And Lemmy, has emailed me that and put that in an injunction order for himself. So now Lemmy also, when he, when Lemmy copied and pasted all of the

		information in that Asbo, you can go to the, to the, to the, the last one, the second or the second last Asbo in the bottom on horrific corruption. You can go to this. I'm the second book up from the bottom and you can see that, um, a copy, a, an a statement of Mathiyalagans dated the 2nd of August, 2017 yeah, and you can see next door to page 258 you can see the first time that the Mathiyalagans went to the civic centre and you can see that that what claims they made, Lemmy was phoning me trying to entrap me for the five claims that they made about me while I was in a hospital so I couldn't have done them.
Speaker 4:	28:08	Yeah, in the, in the handwritten letter next to page two five eight. Then because I wouldn't go for the meeting, Lemmy copied and pasted it 31 times. Then five claims made a possession order and went to steal my flat, he's chased me for two years round in the courts all you have to do is press, go to the, go to the set menu. Then what you've done is because I hotted him up and said that you've copied and pasted all that and made that up. Lemmy, he made his first appointment with the Mathiyalagans on the 2nd of August, 2017 nine months later and he had the pre prepared statement for everything. He put in the possession order and made the Mathiyalagans sign it Yeah. And let them, the true perpetrators who had been doing all this to me, Shannon, Heidi for two years, cover up what they had been doing and falsify and try to steal my home.
Speaker 4:	28:51	And now you can see from the council's history that none of that's in there. All you have to do is before when you press control F yeah, before the number 10 you just put a zero in it. So Ciro one's forward slash Siro one forward slash 2018, say the that I was accused of whatever. And you can check all the dates and you could see none of them are in the Council History. And you can see that, were, Lemmy falsified all of this paperwork and no, and he's still allowed to work in Enfield council and use it won't even arrest him. And I've got this evidence clear here. What is going on?
Speaker 5:	29:26	Hello Madam. Hello. She's run and put the phone down.
