Police 101 service. If you wish to report a crime that is happening now or someone is injured and in need of urgent medical attention or in immediate danger please hang up and dial 999 now. You can report a non-emergency crime via our website at www.met.police.uk For custody related inquiries, please press 1. To report a new crime or antisocial behaviour, press 2. To provide or receive an update on an existing crime report, press 3. For road traffic incidents, press 4. To contact an officer or individual, press 5. To hear these options again, press 0 or to speak with an operator, press 9. There will be a significant wait to speak to an operator as we are busy dealing with emergencies. If you are reporting antisocial behaviour, please stay on the line. If you are calling to report a crime or a road traffic incident, you may find it quicker and more convenient to use our website. Simply go to www.met.police.gov. There will be a significant wait to speak to an operator as we are busy dealing with emergencies. If you are reporting antisocial behaviour, please stay on the line. If you are calling to report a crime or a road traffic accident, www.met.police.gov Hello, police, what's the reason for your call?

Hello, I was just wanting to make an enquiry. I was wondering if you could help me? Yeah, if I can. Erm, I was basically wondering, is there a police officer called a devil in me that works for the Metropolitan Police? What's the surname? A Devil, D-E-V-I-E-L-I-N-M-E. A Devil in me. It's an unusual name, isn't it?

Yeah, yeah, a very unusual name. I doubt that very much.

You doubt that very much? Can you just check on the computer by any chance?

Okay, thank you. Is it possible that I could take a reference for this call and a time for it, please?

Well, there isn't a reference, but you can have a time of 10.25. And the day's date is the 26th of 10th, 2019?

Yes. And you just checked the Metropolitan Police's national computer and you couldn't find that person?

Well, not national, no. The London computer. London computer.

I appreciate your help today, sir.

No problem, thank you. Have a good day. Goodbye.
