Of legal services, I'm either away from my desk or on another call at the That's who it has to go to. Look, the director, New Scotland Yard, Metropolitan Police says, Director of Legal, 10 Lambs Conduct Street, London. They want me to send it to Sally Gilchrist. And her team. It's an official circle. You can't win. 0207 230 7368. And Sally's used to be 0207 2307, no 3879. Altogether 0207 230 1212 999 101. That's who I was just phoning. I phoned them, I got bare recordings of them already. Telling them about all of this. It's all coming together now. I definitely want to get through to this woman now. I used to speak to them all. Telling them what they was all doing to me. And there was a devil in them.
