Hello, is it possible to speak to Jeremy Chambers please? Erm, who's calling? Mr Cordell? Mr...? Simon Cordell. Cordell. Erm, Jeremy's in legal at the moment, he's going to be in legal all day. Erm, if you give me a number, I'll get him to call you back. Erm, I'll contact him again if it's possible, but tomorrow then, er, Monday morning then. Again Monday, yeah. Because today, all day, he'll be in legal, so...

Are you his, erm, secretary? Is there anybody else that can deal with any other matters in regards to employees and misconduct available? Or corruption inside of the Civic Centre? I think Jeremy is the best person to speak to about that. I know Jane might.

Is there a woman called Lamindia that still works for the Civic Centre for the Legal Services Department?

Lamindia Levu. How do you spell it? Give me two seconds and I will just get that out.

An issue? Well, it's more than just an issue that I'm trying to get resolved. I'm trying to deal with a quite a bit complicated situation. Laminia Lamu is, give me one second, is spelled, or Kaniichiwa, Kaniichiwa Manhab? C-A... No, Kaniichiwa is, just give me one second, Kaniichiwa is K-A-U-N. K-A-U-N C-H-I-T-A yeah she is in she works there she still works and Lemmy's left and Lemmy Neuerbush has left the company is that correct Lemmy Nui-Basai and Lemidia Lelou who is actually for the legal department who was dealing with my caseload who I informed quite well quite a few specific times and she committed corruption inside of the company is she still a solicitor for the legal department? I wouldn't know you wouldn't know is there any way you can just check and see if she's employed for the company for me please? no I can't give you information so she most probably still is I think To Jeremy. Okay. Yeah. Okay. Is there a time, a best time on Monday to actually contact him? Pardon? Jeremy's just put other people before, Jeremy's just in charge of everybody else, so they're supposed to be dealing with it, and they're all signing his name, Jeremy Chambers, at the bottom of every letter. I'm phoning the whistle department and speaking to people like Heather Litter, and I'm informing them of what the employees are doing and what I can prove. And they've just continued to show me neglect. Are you a solicitor? Me? No, I'm not a solicitor. I'm acting litigant for myself at the present. But the people, when I'm phoning up Heather Littler and the rest of it, they're acting with neglect and misconduct, gross misconduct and criminal intentions. So I'm quite concerned that they're left still to deal with people's personal data and that there's not an investigation going on at the moment in regards to these employees. Do you work in a council? Who, me? Yeah. No, I'm a member of the public. I'm a tenant, and this is my local council, Enfield, and they are also my landlords, and they forged a load of paperwork, and they're holding me in my house for a nine-year curfew. I'm not going to continue to go in-depth about the situation at the present, but I can prove what they're doing to me, and I just want to get the things rectified in the quickest time possible. Right, okay. Yeah, more than one on the offices. More than one. Okay, then you would definitely speak to Jeremy. Have you sent him an email or anything like that?

Jeremy's been forwarding... He's not really been pushed too much. I was looking at Jeremy's past history in his previous companies and about what he was accused of and the misconduct charges. And basically, I've watched through all the emails and I made a complete diary of what he's allowed to happen and Kenichi Wahoo's Lemmy's line manager, what they've allowed to happen. Lemmy started the company on the 10th. Of 2016. Within three months of

him being at the company, he was continuously forging paperwork, which I can prove. And Jeremy Chuck Lemme Knew a Bus Eye for the ASAB team and Laminia Lallou for the thing. I've got Ian Davis paying to write as well, and Rob Leak, who was the past directors, because they were involved in the emails from the beginning to the... I'd like to just go through my case with somebody, and I'm happy to... If somebody was happy to have a meeting with me on TeamViewer... Yeah. On TeamViewer... You need to have a meeting with, I think, Jane. With Jane.

Okay, I'll speak to Jeremy, and I'll let him know that you've called. I'll appreciate your time. And if you call on Monday, he's free all day. As in, like, not free all day, but he's in a job there.

Who is Jane, may I ask?

Jane is another person that's involved in legal...

Yeah. And do you know what her surname is?

No, I think I might have the information available to me already.

Well, thank you for your time anyway today.

Okay, have a good day. Okay, have a good day. See you on Monday. I will do. I'll attempt to. Bye-bye.
