Hmmmm God afton, han kastar meg service.

Hello, I'm speaking to Justine, it's Mr. Cordell speaking, and I'm phoning because I found a whistleblowing policy procedure that's of Enfield Council, and it has told me to phone and this is the fraud line, and that you will be able to handle any fraud that is outside or dealing with an employee for the company. I have proof beyond reasonable doubt that an employee has acted beyond what the company's procedures and that he has breached his contract that he has signed into with yourselves. He's invaded my privacy and breached my right to life, and he has put me in threat of my life. He's not acted within fair process and acted in a biased manner towards me. I've had to make a website, and I've actually put his voice recordings on and the evidence up on the website, and I'd like to be able to go through this with a person. Is that possible, please? I can translate to HR department. To what department may I ask? HR. HR. Human resources, is that what you're in regards to?

Human resources, yes. Who is it that I'll be speaking to? That is general line for human resources. I can translate to HR department.

What about, ok, ok, ok, Human Resources is normally at Julian Manganaga, is that correct?

Resources Operations, Julian Manganaga, 0208 8379 3970?

No, no, no, they've got a, let me just check this quickly, sir.

Julian Manganaga. It's Julie Miminaga. M-I-M-N-A-G-H. Is it possible to speak?

Yes, she is there, but she's in a conference call at the moment. She's on the other line.

Ok, well I'm happy to wait for her.

Is it possible to speak to someone else in the meantime then, like James Rolfe?

James Rolfe, the director of resources, or Ian Davis is even better, the chief executive. I've been speaking to Heather Littler, and I have recordings of her, and she has completely fouled the whistleblowing policies when I've informed her of what her employees below her are doing. I'm very concerned, she's putting me in fear of my life, and I would like her also investigated at the same time. What's wrong? Heather Littler er den kjøpende eksekutiven admin, og hun er sekretær, jeg tror du er, men hun er på kjøpende eksekutiven nivå. Jeg har kjøpt til henne så jeg kan kjøpe til Ian Davis, for han er direkteur av kompani, og rekordene om det hun har promisert meg er bare utenfor de utfri promisene.

Ok. I feel that I've been let down completely. I'd like to speak to Ian Davis himself or somebody, a director if that is possible. Christine Webster, the risk assessment management for the company, because the company should be risk assessed and all procedures should be risk assessed. I don't feel that my case has been treated within them procedures neither. So even speaking to Christine Webster, head of internal audit and risk management, would do me fine at the present.

Yeah. Vi tjastek if you will Jeg er veldig nødvendig til å komme ned til Civic Centre, og gjøre dette mye mer formelt enn vi har. Jeg tror at dette kommer til å skade mye problemer for folk rundt kristneperioden, om jeg gjør det. Så om vi kan forhandle dette bak klåte døra i en mer informativ måte, og sikre at begge partiene, deg selv og dine jobbere, er glad, og at jeg er glad, så er jeg glad i å gjøre en samarbeid på en måte.

You seem to have solicitor firms in place, and I'm concerned about them. I'm at a stage where I would like Pacific members that are acting as subcontractors for the Enfield Civic Centre, as their legal departments, such as Lavinia Levoux. I believe that she's corrupt and acted in misconduct as well, and with Val Playa, and when she's been informed, she's not acted under the whistle-blind procedures or any other, and in accordance to the company's memorandum or statute of articles. I'm sorry that I'm going through this with you, so I know that it's not something you'd like... I've not even started, if I had to explain.

Do you have Google available to yourself? If you could go to a website called horrificcorruption.com, and I'm just going to turn that on, it'll take me less than six seconds for you, and I can show you the corruption and the audio of some of it which I've put up, and the videos of what I'm suffering through. And... Videos, audio evidence, I've actually made a full report, an official report of every day of my sufferings, and the neglect that I have suffered because the reasonable persons that represent Enfield Council and Enfield Homes have vowed in their obligations towards me. I'm very concerned about this, and I'm very concerned that the way that I'm still being treated at present, and that the employees are still working inside of the company and dealing with people's personal data rather than mine. I'm just turning on this. If you have Google available, it's going to take me two seconds. You don't have to view the videos. You can just have a brief look over the actual website itself. I'm turning it on right now. It's going to be on in less than six seconds.

Horrificcorruption.com Dette er mine bekymringer, og de er offisielle, og de er i stedet uten å ha vært beskattet, til en måte der jeg føler meg satisfakt. Jeg er på et sted der jeg kan ha å promote dette in i det generelle offentlige, og jeg er bekymret at dette kan skade enda mer problemer og utrygg. Og jeg vil ha det beskattet så konstruktivt og positivt, i en kort og informativ tid som mulig. I'm trying to check who I can transfer you to, who can deal with the matter. The Ian baby, he's been away for two hours, but he's going to be free at four o'clock. Is it possible that, do you actually have control of his diary? Is it possible that we can arrange a time that I can actually call? No, we're not doing this. Now, if you could call us back, then we can try and transfer you. Let me just check the other people. You said about Christine Webster as well, yes?

Yes, that's correct. Christine Webster. She's still in a meeting. Bob Chundick. B-O-B-C-U-N-D-I-C-K. I'll check this name. Yes, B-O-B, Bob, and then C-U-N, and then D-I-C-K, Chandik. Yes, I can see this person. He's been away for 25 minutes. Counter-fraud manager. Ian Davis sounds just like the sort of person that I really do need to be speaking to in regards to these issues. So, if I do try again at 4 o'clock, would it be possible for you to explain to him that I will be calling at 4 o'clock?

Ja, jeg er glad å forklare det, men er det en måte at vi kan få en messager på hans desk, eller en messager til ham, at "jeg kommer til å kalle om 16:00" og for ham, kanskje, om han kan fylgjøre meg innen hans horisont, for ham til å bli...

Ja, vi gjør ingenting av dette her, for vi er kjøpingsservis, så vi ikke sender messager gjennom systemet, så du må kalle oss tilbake, og så kan vi tilbyde deg med denne metoden, ja?

Ok. Erkandik. He's been away, but maybe he will pick up the phone.

Let me check, unless you want to call us back. I will attempt to call you back about 4 o'clock and speak to Ian Davis directly and see how we can get along in resolving these issues as discreetly as possible.

Yes, solve the issue.

Okay, well, I've left the website on for half an hour. If you have some time to be able to go through at horrificcorruption.com.

Okay, well, thank you. Have a good day, madam. You too.

Thank you, sir.

Okay, bye.
