New Speaker:	07:37	There dead.
New Speaker:	07:37	my house and I keep phoning yourselves.
New Speaker:	07:38	They are all dead.
New Speaker:	07:38	Were dead.
New Speaker:	07:38	There dead.
New Speaker:	07:38	yeah
New Speaker:	07:38	or somebody to come and take a statement off me.
New Speaker:	07:40	Uh,
New Speaker:	07:40	is that, is that so serious enough incident to be able to call yourselves?
Speaker 2:	07:47	Well yeah, if an event has taken place or your life is in danger, yeah,
Speaker 3:	07:50	yeah. I keep getting attacked in my house. I'll keep getting attacked. Yeah, I've got loads of videos of it I've been recording it. I've been asking the police to take statements. They keep covering it up I've had the police recently come to my house

		and I recorded that conversation as well. I was just speaking to somebody like yourself. I showed the police officer some of the video evidence and that of what they're doing to me and my house and it's making me have, it's having a bad effect on my health today. Again, not being attacked at 11 seven, 11 minutes past seven and I've got that on recording again. I would like someone to come and take a statement of me and to take the video evidence that I've got and to arrest these people. And is that something that we can arrange to happen, please?
Speaker 2:	08:29	If you hold on for a minute; he was attacked today at 07:11 or 12
Speaker 3:	08:35	11 minutes past seven.
Speaker 2:	08:37	Okay.
Speaker 3:	08:39	No, 11 minutes past six sorry 11 minutes past six. Sorry.
New Speaker:	08:41	Ok
Speaker 2:	08:53	So you see these people, how they actually get into your house.
Speaker 3:	08:56	What they actually do is they live above me.
New Speaker:	08:58	Hmm.
New Speaker:	08:58	and say like their toilets above my toilet. If I'm, if I'm being like recently I've been being sick in my toilet for other reasons to do with the police.
New Speaker:	09:06	Um.
New Speaker:	09:06	And I keep being sick every morning, in my toilet and whenever I ‘am being sick in my toilet, there above my head, flushing their toilet stamping above my head. Whenever I sleep in my front room, if I wake up, they're bagging above.
New Speaker:	09:16	Hmm.
New Speaker:	09:16	my head. I can't even sleep in my bedroom in case somebody throws a petrol bomb through my window and it lands on, onto my bed onto me. because they've put, they've let my block be that vulnerable and what they're doing, they're adults attacking me. A younger generation.
New Speaker:	09:30	ok

Speaker 2:	09:37	Have you ever spoken to these people
Speaker 3:	09:52	I have tried to communicate with them and I have knocked on their front door as a responsible person and I've got the video evidence of that. But what, what happened is, um, basically the police threw a load, police the police, the police allowed people to attack me to cover up a load or missing signatures. They didn't have victims. They're holding me in my house for seven years for a case that I never done I copied the Facebook profile proven I never done it. I'm basically to allow to cover up. They've allowed members of my neighbours to attack me started, they put a sex scandal out in mine and my partner's name and now all these members of the neighbour's and started to attack me. Me and my partner have never argued. We've never had a problem together. And now basically these people have been left to attack me.
Speaker 3:	10:33	I keep reporting it to yourselves when I've knocked on their front door. I'm like, I was knocking and speaking to them and recording it and asking them that, why would you do this to me? I have helped you in the past. I've been a good person to use lot, you're adults to me please can you respect me? Sort of being in my own home. You're not even secure tenants. I'm a secure tenant. Yeah. You're just living in temporary accommodation. That's another man's flat that you're living in, that you're damaging and your adults. Yeah, and basically they kept attacking me and that and now all of a sudden they've, they've lied and they've went i built, basically. because I had one. Basically. basically what happened is I won. I got arrested for Three. They four different neighbours attacking me. I've got arrested for three of them and basically I've got taken to court and I won all the Three cases while I won all the three cases.
Speaker 3:	11:15	The crown prosecution told the Council that I had won the case, that I'd won all the Three cases. They sent a gentleman out called, Lemmy to my address and he kept threatening me saying to me, well I don't have a meeting with him in regards to the three cases that got NFA'd. He's going to put a possession Order into my flat. Now. He because I'm cause I am refused to go and get entrapped into something that he's not police officer. He, they're not criminal there civil cases. They're criminal allegations that I got arrested for. He basically put a purse. He said,
New Speaker:	11:45	[inaudible].

New Speaker:	11:45	Because I wouldn't go to the civic centre. He forced um. a possession order out of them first statements and when I went to court,
Speaker 2:	11:53	can I get, can I get someone to come and see you on Monday?
Speaker 3:	11:56	On Monday my life is a bit more important than Monday. I respect that. You even gave me a day. I'm, I'm grateful that you have even gave me a date
Speaker 2:	12:03	Alright that is the closest I have got on that call. Let me see if there's anything on the other car,
New Speaker:	12:07	Just to get someone to, I've got good evidence here, its 100% they are 100% goanna get arrested. I've got a report, I have documented a diary every day and I'm not
Speaker 2:	12:16	okay. can get someone to come and see you this evening at either eight or nine.
New Speaker:	12:18	Yeah, that'd be perfect for somebody to do that.
