Speaker 2 (Mr Cordell):
Hello.
Is it possible to speak to DC Razak please?

Speaker 1:
He's not in today.
Hopefully he'll be in tomorrow.
Can I take a message?

Speaker 2 (Mr Cordell):
It's Mr Cordell calling.
I'm trying to find out the progress of that case and where it currently stands.

Speaker 1:
Oh, okay.
It's probably best to call back tomorrow.
I can take your number and send him an email and ask him to call you.

Speaker 2 (Mr Cordell):
I believe he already has my contact details.

Speaker 1:
Okay.

Speaker 2 (Mr Cordell):
It's courteous of you to help me.

Speaker 1:
Well, thank you.
I'll try and get him to give you a call tomorrow.

Speaker 2 (Mr Cordell):
Okay.

Speaker 1:
Okay then.

Speaker 2 (Mr Cordell):
Well, thank you.

Speaker 1:
Alright then.
Alright, bye.

Speaker 2 (Mr Cordell):
Bye.

This one is a very clean transcript and appears to contain only two speakers throughout, so the speaker split is quite reliable.
