Speaker 1:	01:09	Hello, CID.
New Speaker:	01:11	Hello, how are you doing?
New Speaker:	01:11	I am good thank you?
New Speaker:	01:11	Is it possible to speak to DC Rakesh please?
New Speaker:	01:17	Who Sorry,
New Speaker:	01:17	I think it's DC Rakesh.
New Speaker:	01:22	Oh right who is calling.
New Speaker:	01:22	Mr.
New Speaker:	01:22	He is not at his desk right now. I will see if he's in the office.
New Speaker:	01:24	Mr. Cordell.
New Speaker:	01:25	Oh alright hold on one second.
New Speaker:	01:25	Or even if it is possible to speak to his line manager. Who is, his Line Manager.
New Speaker:	01:30	Hold on for a second and let me find out for you.
New Speaker:	01:33	Thank you.
Speaker 3:	03:42	[inaudible] [inaudible] [inaudible]
Speaker 1:	04:08	Hello, DS Sharp speaking.
New Speaker:	04:08	Hello how are you doing DS Sharp. It's Mr Cordell speaking.
New Speaker:	04:11	How can I help you.
New Speaker:	04:11	may I ask if you have any involvement in my caseload load at present that is in Wood Green Police station.
New Speaker:	04:19	I am the supervisor for the case?

New Speaker:	04:20	You’re the supervisor for the case. Hello how are you doing?
New Speaker:	04:21	yep, How can I help you.
New Speaker:	04:22	I've put a few concerns about this case. Yeah. The case is that right now you're trying to put an application, you're trying to, um, someone's put a CFS, a call for service, which is Lemmy a council official while he was at work is accusing me of threats to kill yeah. I understand that Threats to kill is a noncustodial sentence.
New Speaker:	04:39	That's not the case.
New Speaker:	04:39	and that its, Threats to kill unless. Threats to kill is a non-custodial sentence unless an offensive.
New Speaker:	04:45	That's not correct.
New Speaker:	04:45	weapon, unless an offense,
New Speaker:	04:47	That's not correct.
New Speaker:	04:47	unless an offensive weapon is used in it.
New Speaker:	04:49	Do you want me to repeat to you that that is not correct.
New Speaker:	04:49	Ok may i say something to you sir.
New Speaker:	04:52	ok.
New Speaker:	04:52	A couple of weeks ago, I was arrested for the same accusations in your police station.
New Speaker:	04:58	Si Note: [It's a 10 year sentence with an offensive weapon and without it is recommended that you get 6 months’ probation or everyone would be ridding 10 years = Common sense]
Speaker 1:	04:58	I went to the courts and I won the case in the courts and I got all the case.
New Speaker:	05:03	Mr. Cordell how can I help.
New Speaker:	05:03	I've got the case papers here for threats to kill. Yeah. In that police station.
New Speaker:	05:07	What can I do for you today.

New Speaker:	05:07	and the Maximum sentence, what I'm concerned, this is what I'm trying to explain to you. I'm just trying to, cause you grade your priorities as a police officer, you grade E the grade D so and so. And you're a DC, so you would understand how, how you prioritize your caseload.
New Speaker:	05:20	No I am a DS.
New Speaker:	05:20	AR, DS. yes. Yes. So, so now what I'm trying to explain to you, sir yeah. Is, yeah, is that a little while ago before this case here happened. It's the same case. Yeah. It's just a continuation. This is the backlash of what's going on that you're dealing with. Yeah. So now I've been writing a diary since 2006 every day I've done this diary.
Speaker 1:	05:38	I've took every email and every text, every government officials got sent to me and my mother. Yeah. We have sent my mother, we have sent the Council and use police. We sent the Council over a hundred emails from 2014 to 16 explaining that I was getting assaulted in my house. I took video evidence enough to go over 10 statements of witnesses in my house while this was happening. I've got over a hundred videos in my house now. Yeah. The over condemning. Yeah, 100% any person that sees and beyond reason would that they're going to prison for what they've done to me. Yeah. Now I've been writing to Lemmy and to all the rest of his team's lit. Rob leek, the executive director, Joann Ryan, and everyone's been emailing each other in between these emails.
Speaker 4:	06:16	And who are these people, who are these people that you are supposed to have email addressed.
Speaker 1:	06:20	Rob Leak Is the executive director of Enfield Island Village of Enfield Civic Centre and now he is on £50,000 pounds more than the prime minister in there yeah. Now, if you look at his, if you write Rob leak into the Google, you'll see a picture of him pop up yeah, Rob Leak pop up, and you see him hanging over a picture of a massive building that they building a new establishment in 2015 by 2015 in between 2015 in 2014 yeah. How initially started, yeah. With these people acting in joint circles was a woman I initially got arrested. Yeah. for burglary case.
Speaker 4:	06:55	Right Mr. Cordell I'm just going to interrupt you there because I'm extremely busy.

Speaker 1:	06:58	Yes, I am. I'm explaining it to you, sir. So I'm recording this conversation and you're a DS.
New Speaker:	07:01	and I'm being held,
New Speaker:	07:02	What's 2014 got to do with me.
New Speaker:	07:02	I'm being held hostage in my house right now by, by the police officers. Fraudulent activities. Yeah. Now these, these, these, it takes the council and the police to make an application. Yeah, to make an Asbo Order. They both went to the civic centre. On the third page it says that they had to do this under the criminal evidence Act. Now they forged that Asbo because all the timestamps in the call centre go backwards. CAD 500 happens at two o'clock then CAD 565 happens at one o'clock now this happens throughout the paperwork in order to CAD numbers. They, when they copy them out the paperwork, it says our white people committed this crime. White males and females. I'm not white male so I couldn't have done these crimes yeah, on every building they accept that section was on these buildings yeah, that section, the police officers in their own personal statements say that there's sections on all the doors and that's why they never arrested nobody.
Speaker 1:	07:52	Now what initially happened is someone from our hierarchy has pushed an order an told Jane Johnson, the borough commander to tell someone to initiate this. Now I've got Jane Johnson, and all these recordings on phone call and I'm saying we're putting Jane Johnson, into protection because of you "pur" spiting down the phone, you want our commanding office. I've got all the recordings all transcribed up and I don't have them just on my computer here. I passed to move to my family and my family's passed them over to other people. We're dealing with a lot of ex coppers online in a forum who were being showing all this paperwork to bear of them and they're disgraced by what's going on here.
New Speaker:	08:26	Mr. Cordell can I speak for a moment here.
New Speaker:	08:26	Yes, of course you can sir.
Speaker 4:	08:28	My understanding is that I appreciate that there is a lot of history to all of this and there's a lot of matters that you er, you know, you've had involvement with council officials and this that and the other but, Okay. our job here is only to investigate what the allegation is against yourself, which you are aware of because you've been, in custody for it

Speaker 1:	08:44	May I say something under the police reforms Act. 200, 1963 which you initially signed set up the first police officer Bill, you do a constitution. Yeah. that constitution there is only six limited companies in this country. You can have CIC association and a limited.
New Speaker:	08:57	Mr. Cordell.
New Speaker:	08:57	You are under limited company. Your constitution says that you will protect anybody yer what you are there under that police reforms to protect any CFS caller, any person asking for your services, Now if I give you a grade listed high priority and I say to somebody is getting raped over there and it's more important than what way do you have to grade your priorities and you have to do what you've got to do. Yeah, now I'm telling you are being raped by these people and I'll put the evidence. I'll be in your police station since 2014 and no one, i have recorded about hundred phone calls and no one went to come to taking a statement of me until up an till 2016 yeah,
New Speaker:	09:35	Mr. Cordell
New Speaker:	09:35	I got seven years. Listen to this yeah. Section 63 is for? Outdoor events only. Yeah. For the organization of illegal Raves yeah, unless trespass takes place. Yeah. I went to court and I have got the transcripts here and in the court they couldn't prove the legality. My barrister, the through.
New Speaker:	09:50	Mr. Cordell.
New Speaker:	09:50	Wrote his submissions on his own now, Now, I am ridding seven years now, I am ridding seven years.
New Speaker:	09:56	If you don't stop shouting at me I am going to put the phone down
New Speaker:	09:56	I'm not showing, I'm tongue tied, I'm tongue tide, I'm tongue tied and I got pressured speech. it’s my disability, it's my disability.
New Speaker:	10:02	I need you to calm down.
New Speaker:	10:02	I'm not calm, I'm, I'm just tongue tied.
New Speaker:	10:06	what do you need. Can I ask you a question, What do you mean by they raped you

Speaker 1:	10:10	What they've done is physical under, under, under Article 3 of my human rights, the right not to be treated or to be degraded by any other state, official or any other person, any physical or mental, mental sufferings would amount to torture. now torture is of your highest degrees in your states of laws that you represent is the highest priority of all it's next to perjury? Yeah. Now I'm showing you that these people are sitting in my house. They're using, they're using fixtures from their house floors to bang at me on the floor with intent yeah, There coming back and using them over and over again the day I got released from your police station the other day. I come back home and they were chasing me, in my house bang, bang. If I played the video to now you're coming. They're all going into prison for life. Yeah. It isn't a joke. What they're doing to me, in this house and what you're trying to do yeah.
New Speaker:	10:52	When you are saying that you are bagging on the floors
Speaker 1:	10:55	And the council have let them do this because they have pushed a sex scandal out in mine and Shannon's name a sex scandal to cover up that use lot never had all the timestamps in that call centre that all your time stamps were wrong in that call centre. And all your signatures so you done a sex scandal in mine and Shannon's name.
New Speaker:	11:08	and now, if you look online yeah.
New Speaker:	11:12	Mr. Cordell.
New Speaker:	11:12	No, listen, listen to this, sir.
New Speaker:	11:13	Mr. Cordell if you will not listen to me.
New Speaker:	11:13	Write this one thing down,
New Speaker:	11:15	Mr. Cordell you either listen to me or I am going to put the phone down.
New Speaker:	11:15	Write this one thing down with a pen and paper and you're going to understanding how much trouble you on check. Check this online.
