SUBJECT: Formal Escalation – Due to No Response to Urgent Request for Confirmation of Occupation Rights (23 Byron Terrace)

Dear Ronnie, Georgina, and Housing Team,

I am formally escalating this matter due to receiving **no response for over 48 hours** to my urgent request dated **23/06/26**, concerning my lawful right to remain in occupation at **23 Byron Terrace** while my succession application is being processed.

Given the involvement of the police, the risk of unlawful exclusion, and the ongoing misinterpretation of Housing's previous email, this lack of response is unacceptable and places me at continued risk of harm.

Summary of the unresolved issue

The police have incorrectly interpreted a Housing email ("my name is not on the tenancy") as meaning I have **no right to be inside the property**. This is legally incorrect under the **Housing Act 1985, Sections 87–89**, which clearly protects my right to remain in occupation pending a succession decision.

I have already provided Housing with:

- Evidence of my long-term residence and dependency
- Evidence of my immediate succession application
- Evidence that my sister was **not resident** at the time of my mother's death
- Evidence that the police are seeking clarification from Housing

What I urgently require

I am requesting written confirmation of the following:

1. That I am lawfully entitled to remain in occupation at 23 Byron Terrace while my succession application is under consideration.
2. That the earlier Housing email to the police must not be interpreted as meaning I have "no right to be inside the property".
3. That this matter is governed solely by Housing legislation, not police powers.
4. That my sister's dispute does not alter my legal standing or occupation rights.
5. That Housing will provide clear written clarification to the police if requested.

Why this escalation is necessary

The police have already indicated they will be contacting Housing again. Without written clarification from you, I remain at risk of:

- Unlawful exclusion
- Misinterpretation of my legal rights
- Further wrongfully issued police bail conditions and possible attendance based on incorrect information!

This situation is urgent and cannot be left unresolved.

Request for immediate action

Please provide the written confirmation requested by **tomorrow**, so that I can present it to the police as required.

Thank you for your prompt attention.

Kind regards, **Simon Cordell** Care-of: 23 Byron Terrace Enfield

Subject: Urgent: Immediate Written Confirmation Required Regarding My Lawful Right to Remain at 23 Byron Terrace

Dear Georgina

I am requesting **immediate written confirmation** of my lawful right to remain in occupation at **23 Byron Terrace** while my succession application is being processed.

A previous Housing email to the police, which simply stated that my name is not on the tenancy, has been **misinterpreted** by officers as meaning that I have **no right to be inside the property**. This interpretation is **incorrect**, has caused significant harm, and is not supported by the Housing Act 1985.

To avoid further misunderstanding, I need Housing to clarify the legal position **without delay**.

Background and Legal Position

- I am my late mother's **eldest son** and have **never fully moved out** of the property due to long-term disabilities and dependency.
- I have been a **permanent member of the household**, and 23 Byron Terrace has remained my only stable base.
- I contacted the relevant departments regarding succession immediately after my mother's passing and have since **completed and submitted the formal succession application**.
- Under the **Housing Act 1985 (Sections 87–89)**, a qualifying family member residing with the tenant at the time of death has the **right to remain in occupation until a formal succession decision is made**.

Evidence Regarding My Sister's Non-Residency

My sister, who has raised a dispute with the police, **was not living at the property** at the time of my mother's death or at any point before her recent return from holiday. Her claim of residency is contradicted by clear evidence:

- She has her **own flat**, where she was living before she travelled.
- I provided police with evidence of her residence at her own address before she left the country.
- While abroad, she sent threats to me and to my friends, stating she would "set me up" on her return.
- Upon returning from holiday, she went to **her own flat first** and dropped off her belongings there.

- She then arrived at 23 Byron Terrace with **no suitcase, no clothes, and no personal belongings**, which is visible on police body-worn cameras.
- The rooms at 23 Byron Terrace show **no signs of her occupation**:
 - The bed in my mother's room remains on its side where I left it while cleaning.
 - The bed in my former room remains dismantled.
 - No one has been sleeping in the front room; friends have checked and confirmed this.

These facts demonstrate that she was **not resident** at the address and therefore her claims do not affect my legal position or my right to remain.

Police Involvement

This is a **civil housing matter**, and the police have no authority to determine succession or occupation rights. Their current position appears to be based on:

- a misunderstanding of Housing's earlier email, and
- my sister's inaccurate statements.

The officers involved have stated that they will be contacting Housing for clarification. I therefore require **urgent written confirmation** from you so that I can provide it directly to them.

My Requests (Strengthened and Legally Precise)

I respectfully request that Housing confirm **in writing**, as a matter of urgency:

1. That I am **lawfully entitled to remain in occupation at 23 Byron Terrace while my succession application is under consideration, in accordance with the Housing Act 1985.**
2. That the **earlier email to the police should not be interpreted as meaning I have "no right to be inside the property", and that such an interpretation is incorrect.**
3. That **this matter is governed solely by Housing legislation and not by police powers, and that the police cannot determine or restrict my occupation rights.**
4. That **my sister's dispute and her claim of residency do not alter my legal standing, do not constitute evidence of occupation, and do not affect my right to remain in the property.**
5. That **Housing will provide clear written clarification to the police if requested, to prevent further misunderstanding or unlawful exclusion.**

Thank you for your assistance. Given the current circumstances and the involvement of the police, I would appreciate your **prompt written confirmation**.

Kind regards,
Simon Cordell
