Dear Deon,

1. Please see the attached letter regarding no priority need.
2. Although no interim accommodation will be provided, we will still aim to work with you, in providing financial support with one months rent and deposit for securing private rented accommodation. We will also assist you to look and secure private rented accommodation, and at the point where financial assistance is required, I will liaise with landlord or agent on your behalf.
3. As discussed, I have also contacted L&Q to assist with a management supported transfer to another property, as you have raised concerns about giving up your social housing tenancy. I explained that if you ended your social housing tenancy for this property, that it is not likely that you
4. will be able to be offered another property.
5. I can also make a referral to SHPs (single person prevention team), who will not provide accommodation but have resources and connections where they are able to help you with securing private rented accommodation.
6. If you have any further queries, please do not hesitate to contact me.

7. I can see that Enfield have held deon not in priority need.
8. What I will need from you and deon is updated medical evidence as stated previously as the council are relying on the fact there is none.
9. Further do you know if the police lady provided a statement to Enfield council, do you have there email address.

Hi Lorraine,

1. I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.
2. In terms of the CCTV/crime report you will need to request that via Ask for, delete or change information | Metropolitan Police
3. <https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information> and it will be dealt with as a separate request.
4. Feel free to get Enfield Council to contact me again if anything is unclear.
5. I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.
6. As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

10. I am requesting the CCTV from the police as we have never seen it and I want to see it Deon knows what happened that day it something she cant forget.
11. And yes we are dealing with the letters regarding Deon health I am writing an email to her GP now and I am going to ask the mental health doctor to write deon a letter also.
12. Enfield Council it will seem will do anything to not help her, even on thee
13. letter they have put the date of the 26/02/2024 as getting the application wen in fact it was sent over and over again from Dec 2023, it seems they have only done this so they don't have to use your information.
14. Also there was a letter I sent showing the date Deon had to start seeing the doctor at Chase farm.
15. Enfield council are doing everything they can not to deal with Deon correctly.
16. Deon has asked if we can have a telephone meeting tomorrow about 12 o clock if this can be done can you let me know deon is not coping right now and Enfield Council are making this worse.

Dear Lorraine

Yes we can have a phone call tomorrow at 12pm.

Please provide the best number to call you on and we can discuss what the decision letter means etc.

In regards to deon matter in the review we will highlight the fact the application was indeed submitted in December.

We will ask the council to house deon whilst the review is ongoing but as

they think she is not a priority, we will need a up to date letter to argue

she should be housed whilst the review ongoing.

We will discuss in further tomorrow, I will call you at 12pm.

Dear Andre

It was a broken bottle not a knife that did the damage to Deon's hand the police was told this.

I am requesting the CCTV from the police as we have never seen it and I want

to see it Deon knows what happened that day it something she cant forget.

And yes we are dealing with the letters regarding Deon health I am writing an email to her GP now and I am going to ask the mental health doctor to write deon a letter also.

Enfield Council it will seem will do anything to not help her, even on thee letter they have put the date of the 26/02/2024 as getting the application wen in fact it was sent over and over again from Dec 2023, it seems they have only done this so they don't have to use your information.

Also there was a letter I sent showing the date Deon had to start seeing the doctor at Chase farm.

Enfield council are doing everything they can not to deal with Deon

correctly.

Deon has asked if we can have a telephone meeting tomorrow about 12 o'clock if this can be done can you let me know deon is not coping right now and Enfield Council are making this worse.

Lorraine

Hi Lorraine,

I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail

when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.

In terms of the CCTV/crime report you will need to request that via Ask for,

delete or change information | Metropolitan Police

<<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>>

and it will be dealt with as a separate request.

Feel free to get Enfield Council to contact me again if anything is unclear.

I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.

As before, I highly recommend you get a GP/mental health professional to

provide the relevant evidence for Deon's case as the criminal investigation

was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

Dear Andre

- It was a broken bottle not a knife that did the damage to Deon's hand the police was told this.
- I am requesting the CCTV from the police as we have never seen it and I want to see it Deon knows what happened that day it something she cant forget.
- And yes we are dealing with the letters regarding Deon health I am writing an email to her GP now and I am going to ask the mental health doctor to write deon a letter also.
- Enfield Council it will seem will do anything to not help her, even on thee letter they have put the date of the 26/02/2024 as getting the application when in fact it was sent over and over again from Dec 2023, it seems they have only done this so they don't have to use your information.
- Also there was a letter I sent showing the date Deon had to start seeing the doctor at Chase farm.

- Enfield council are doing everything they can not to deal with Deon correctly.
- Deon has asked if we can have a telephone meeting tomorrow about 12 o'clock if this can be done can you let me know deon is not coping right now and Enfield Council are making this worse.

1. In regards to Deon attack, could you please remind me , was she stabbed with a knife.
2. The police officer is stating it is a wine glass which the council will
3. stick to.
4. Further the best way to help deon is for the medical evidence to state she is vulnerable and living in the property would cause serve harm to her mental health.

Hi Lorraine,

5. I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.
6. In terms of the CCTV/crime report you will need to request that via Ask for, delete or change information | Metropolitan Police
7. <<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>>
8. and it will be dealt with as a separate request.
9. Feel free to get Enfield Council to contact me again if anything is unclear.
10. I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.
11. As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the

criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

Dear Neha Chadda

12. I have just had a call from Enfield council the lady who is dealing with Deon's case. Stating you said there was no stabbing. Would it please be possible for Deon and myself to view the video of the attack on Deon as Deon was attacked and stabbed. I am unsure of also what has been sent to Enfield Council by yourself and would like the information you have sent Enfield council sent to us to be able to view it. Do you deem it still unsafe for Deon to stay at the flat also? Deon has been homeless since she was attacked.

Dear Neha Chadda

16. I am writing this email in the hope you can help Deon Benjamin regarding case ref: 5232489/22, I know you emailed the housing regarding Deon staying at her flat which you deemed she should not stay there as it was unsafe for her, But the housing messed her case up and Deon Benjamin is still homeless.
17. Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness.
18. Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked.
19. Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.
20. I am unsure if you can do anything to help Deon as it been over a year now.
21. But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing.
22. I look forward to hearing for you.

I would like to elaborate on some of her medical conditions. Miss Benjamin has recently been referred to hand therapy. Unfortunately, she was assaulted in November 2022 and sustained a hand injury which was managed with a right flexor digitorum superficialis repair. She again injured the same hand and is awaiting Orthopaedic review. While under hand therapy in 2022, she was seen by the plastic surgery psychology service. They noted that Miss Benjamin presented with significant psychological/mental health concerns. She also lost her accommodation following the assault and has since been homeless. She was subsequently referred to the local psychiatric team and was diagnosed with Emotionally Unstable Personality Disorder and Mixed Anxiety/Depressive Symptoms - part of Post- Traumatic Stress Disorder.

Miss Benjamin is currently under the care of local mental health services. She is taking regular medication for her mental health symptoms, but these are being exacerbated by the fact that she has been homeless for so long. She has been struggling to manage these symptoms and will hopefully have access to the plastic surgery psychology service again once she is seen by her Orthopaedic team.

I wonder if you can take the information above into account when managing this lady's case as suitable long-term accommodation is needed to help stabilise her mental health problems.

I hope this report has been helpful.

Many thanks,

Your^sincerely,

Dr/Ajogbe
Salaried GP

The police officer is stating it is a wine glass which the council will stick to.

Further the best way to help deon is for the medical evidence to state she in vulnerable and living in the property would cause serve harm to her mental health.

I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.

Dear Neha Chadda

I am writing this email in the hope you can help Deon Benjamin regarding case ref: 5232489/22, I know you emailed the housing regarding Deon staying at her flat which you deemed she should not stay there as it was unsafe for her, But the housing messed her case up and Deon Benjamin is still homeless.

Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness.

Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked.

Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.

I am unsure if you can do anything to help Deon as it been over a year now.

But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing.

I look forward to hearing for you.

Lorraine (Deon's Mum)

her, But the housing messed her case up and Deon Benjamin is still homeless.

Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness.

Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked.

Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.

I am unsure if you can do anything to help Deon as it been over a year now.

But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing.

I look forward to hearing for you.

65. Thank you for the updated letter, please not I have not requested the review as of yet as I wanted to make sure I had all the documents before doing so , in order for the review not to be extended.

66. Our intention is to give the council 56 days and not request for any extensions.

Dear Lorraine
Yes we can have a phone call tomorrow at 12pm.

Please provide the best number to call you on and we can discuss what the decision letter means etc.
In regards to deon matter in the review we will highlight the fact the application was indeed submitted in December.
We will ask the council to house deon whilst the review is ongoing but as they think she is not a priority, we will need a up to date letter to argue she should be housed whilst the review ongoing.
We will discuss in further tomorrow, I will call you at 12pm.

Dear Andre
It was a broken bottle not a knife that did the damage to Deon's hand the police was told this.
I am requesting the CCTV from the police as we have never seen it and I want to see it Deon knows what happened that day it something she cant forget.
And yes we are dealing with the letters regarding Deon health I am writing an email to her GP now and I am going to ask the mental health doctor to write deon a letter also.

Enfield Council it will seem will do anything to not help her, even on thee letter they have put the date of the 26/02/2024 as getting the application wen in fact it was sent over and over again from Dec 2023, it seems they have only done this so they don't have to use your information. Also there was a letter I sent showing the date Deon had to start seeing the doctor at Chase farm. Enfield council are doing everything they can not to deal with Deon correctly. Deon has asked if we can have a telephone meeting tomorrow about 12 o clock if this can be done can you let me know deon is not coping right now and

Enfield Council are making this worse.

Dear Lorraine

In regards to Deon attack, could you please remind me , was she stabbed with a knife.

The police officer is stating it is a wine glass which the council will stick to.

Further the best way to help deon is for the medical evidence to state she is vulnerable and living in the property would cause serve harm to her mental health.

Hi Lorraine,

I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.

In terms of the CCTV/crime report you will need to request that via Ask for,

delete or change information | Metropolitan Police

<<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>>

and it will be dealt with as a separate request.

Feel free to get Enfield Council to contact me again if anything is unclear.

I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.

As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

Dear Neha Chadda

I have just had a call from Enfield council the lady who is dealing with Deon's case. Stating you said there was no stabbing. Would it please be possible for Deon and myself to view the video of the attack on Deon as Deon was attacked and stabbed. I am unsure of also what has been sent to Enfield Council by yourself and would like the information you have sent Enfield council sent to us to be able to view it. Do you deem it still unsafe for Deon to stay at the flat also? Deon has been homeless since she was attacked.

Hi Lorraine,

I am off the borough but can assist where I can when Enfield Council contact me. I can resend any old correspondence and comment on the case as it was back then. In terms of how Deon is now, it may be worth approaching her GP for a better up to date review of Deon's current mental state. This should assist the council in assessing what Deon needs etc. I will await contact from the council.

Hi Lorraine,

93. I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.
94. In terms of the CCTV/crime report you will need to request that via Ask for, delete or change information | Metropolitan Police
95. <<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>>
96. and it will be dealt with as a separate request.
97. Feel free to get Enfield Council to contact me again if anything is unclear.
98. I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.
99. As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

Dear Neha Chadda

I have just had a call from Enfield council the lady who is dealing with Deon's case. Stating you said there was no stabbing. Would it please be possible for Deon and myself to view the video of the attack on Deon as Deon was attacked and stabbed. I am unsure of also what has been sent to Enfield Council by yourself and would like the information you have sent Enfield council sent to us to be able to view it. Do you deem it still unsafe for Deon to stay at the flat also? Deon has been homeless since she was attacked.

Lorraine

Hi Lorraine,

I am off the borough but can assist where I can when Enfield Council contact me. I can resend any old correspondence and comment on the case as it was back then.

In terms of how Deon is now, it may be worth approaching her GP for a better

up to date review of Deon's current mental state. This should assist the council in assessing what Deon needs etc.

I will await contact from the council.

Dear Neha Chadda

I am writing this email in the hope you can help Deon Benjamin regarding case ref: 5232489/22, I know you emailed the housing regarding Deon staying

at her flat which you deemed she should not stay there as it was unsafe for her, But the housing messed her case up and Deon Benjamin is still homeless.

Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness.

Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked.

Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.

I am unsure if you can do anything to help Deon as it been over a year now.

But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing.

I look forward to hearing for you.

Regards

Lorraine (Deon's Mum)

Dear Lorraine

Yes we can have a phone call tomorrow at 12pm.

Please provide the best number to call you on and we can discuss what the decision letter means etc.

In regards to deon matter in the review we will highlight the fact the application was indeed submitted in December.

We will ask the council to house deon whilst the review is ongoing but as

they think she is not a priority, we will need a up to date letter to argue she should be housed whilst the review ongoing.

We will discuss in further tomorrow, I will call you at 12pm.

Dear Andre

It was a broken bottle not a knife that did the damage to Deon's hand the police was told this.
I am requesting the CCTV from the police as we have never seen it and I want

to see it Deon knows what happened that day it something she cant forget.

And yes we are dealing with the letters regarding Deon health I am writing an email to her GP now and I am going to ask the mental health doctor to write deon a letter also.

Enfield Council it will seem will do anything to not help her, even on thee letter they have put the date of the 26/02/2024 as getting the application wen in fact it was sent over and over again from Dec 2023, it seems they have only done this so they don't have to use your information.

Also there was a letter I sent showing the date Deon had to start seeing the doctor at Chase farm.

Enfield council are doing everything they can not to deal with Deon correctly.

Deon has asked if we can have a telephone meeting tomorrow about 12 o clock if this can be done can you let me know deon is not coping right now and Enfield Council are making this worse.

In regards to Deon attack, could you please remind me , was she stabbed with a knife.

The police officer is stating it is a wine glass which the council will stick to.

Further the best way to help deon is for the medical evidence to state she

in vulnerable and living in the property would cause serve harm to her

mental health.

Subject: RE: Deon Benjamin Case Ref: 5232489/22

Hi Lorraine,

I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in

terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.

In terms of the CCTV/crime report you will need to request that via Ask for, delete or change information | Metropolitan Police

<<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>>

and it will be dealt with as a separate request.

Feel free to get Enfield Council to contact me again if anything is unclear.

I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.

As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

Dear Neha Chadda

I have just had a call from Enfield council the lady who is dealing with Deon's case. Stating you said there was no stabbing. Would it please be possible for Deon and myself to view the video of the attack on Deon as Deon was attacked and stabbed. I am unsure of also what has been sent to Enfield

Council by yourself and would like the information you have sent Enfield council sent to us to be able to view it. Do you deem it still unsafe for Deon to stay at the flat also? Deon has been homeless since she was attacked.

Regards

Lorraine

Hi Lorraine,

I am off the borough but can assist where I can when Enfield Council contact me. I can resend any old correspondence and comment on the case as it was back then.

In terms of how Deon is now, it may be worth approaching her GP for a better up to date review of Deon's current mental state. This should assist the council in assessing what Deon needs etc.

I will await contact from the council.

Dear Neha Chadda

I am writing this email in the hope you can help Deon Benjamin regarding case ref: 5232489/22, I know you emailed the housing regarding Deon staying at her flat which you deemed she should not stay there as it was unsafe for

her, But the housing messed her case up and Deon Benjamin is still homeless.

Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness.

Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked.

Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.

I am unsure if you can do anything to help Deon as it been over a year now.

But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing.

I look forward to hearing for you.

Regards

Lorraine (Deon's Mum)

Dear Jeta Ibi

215. Having seen the contents of the regulation 7 we will need time to obtain further instruction from our client .
216. Our client is still awaiting the medical evidence to support her review which she has requested over 4 weeks ago.
217. Our clients mother is of ill health and had an heart operation In which she is still hospitalised.
218. Our client is trying to assist her mother as much as possible and I'm sure the council can appreciate why taking instruction may take some time. Our client is battling with her mother's ill health , her own mental health and our client has learning difficulties
219. Based on this information we are requesting an extension.
220. We are requesting an extension to provide further representation by end of day 5/04/2023.
221. The client's position would be prejudiced if the extension request is not granted, as client has this only opportunity to put forward his case.
222. Please note I am away on annual leave from 27/03/2023 and will return back on 3/04/2023

Dear Lorraine

Thank you for the updated letter, please not I have not requested the review as of yet as I wanted to make sure I had all the documents before doing so ,

in order for the review not to be extended.

Our intention is to give the council 56 days and not request for any extensions.

Do you know is the mental health team will be able to do a similar supportive letter as they did in July.

Dear Lorraine

Yes we can have a phone call tomorrow at 12pm.

Please provide the best number to call you on and we can discuss what the decision letter means etc.

In regards to deon matter in the review we will highlight the fact the application was indeed submitted in December.

We will ask the council to house deon whilst the review is ongoing but as they think she is not a priority, we will need a up to date letter to argue she should be housed whilst the review ongoing.

We will discuss in further tomorrow, I will call you at 12pm.

Dear Lorraine

In regards to Deon attack, could you please remind me , was she stabbed with a knife.

The police officer is stating it is a wine glass which the council will stick to.

Further the best way to help deon is for the medical evidence to state she is vulnerable and living in the property would cause serve harm to her mental health.

Hi Lorraine,

I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.

In terms of the CCTV/crime report you will need to request that via Ask for, delete or change information | Metropolitan Police

<<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>>

and it will be dealt with as a separate request.

Feel free to get Enfield Council to contact me again if anything is unclear.

I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.

As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

Dear Neha Chadda

I have just had a call from Enfield council the lady who is dealing with

Deon's case. Stating you said there was no stabbing. Would it please be possible for Deon and myself to view the video of the attack on Deon as Deon was attacked and stabbed. I am unsure of also what has been sent to Enfield Council by yourself and would like the information you have sent Enfield council sent to us to be able to view it. Do you deem it still unsafe for Deon to stay at the flat also? Deon has been homeless since she was attacked.

Hi Lorraine,

I am off the borough but can assist where I can when Enfield Council contact me. I can resend any old correspondence and comment on the case as it was back then.

In terms of how Deon is now, it may be worth approaching her GP for a better

up to date review of Deon's current mental state. This should assist the council in assessing what Deon needs etc.

I will await contact from the council.

Dear Neha Chadda

I am writing this email in the hope you can help Deon Benjamin regarding case ref: 5232489/22, I know you emailed the housing regarding Deon staying

at her flat which you deemed she should not stay there as it was unsafe for her, But the housing messed her case up and Deon Benjamin is still homeless. Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness. Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked. Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.

I am unsure if you can do anything to help Deon as it been over a year now. But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing. I look forward to hearing for you.

Lorraine (Deon's Mum)

Please provide the best number to call you on and we can discuss what the decision letter means etc.

In regards to deon matter in the review we will highlight the fact the application was indeed submitted in December.

We will ask the council to house deon whilst the review is ongoing but as they think she is not a priority, we will need a up to date letter to argue she should be housed whilst the review ongoing.

We will discuss in further tomorrow, I will call you at 12pm.

Dear Andre

It was a broken bottle not a knife that did the damage to Deon's hand the police was told this.

I am requesting the CCTV from the police as we have never seen it and I want to see it Deon knows what happened that day it something she cant forget.

And yes we are dealing with the letters regarding Deon health I am writing an email to her GP now and I am going to ask the mental health doctor to write deon a letter also.

Enfield Council it will seem will do anything to not help her, even on thee letter they have put the date of the 26/02/2024 as getting the application wen in fact it was sent over and over again from Dec 2023, it seems they have only done this so they don't have to use your information.

Also there was a letter I sent showing the date Deon had to start seeing the

doctor at Chase farm.

Enfield council are doing everything they can not to deal with Deon correctly.

Deon has asked if we can have a telephone meeting tomorrow about 12 o clock if this can be done can you let me know deon is not coping right now and Enfield Council are making this worse.

In regards to Deon attack, could you please remind me , was she stabbed with a knife.

The police officer is stating it is a wine glass which the council will stick to.

Further the best way to help deon is for the medical evidence to state she in vulnerable and living in the property would cause serve harm to her mental health.

Hi Lorraine,

I informed Enfield Council that Deon had a wine glass in her hand and that is what broke in the Affray. There is an ongoing fight between all parties outside the pub, no knives/stabbing seen and a lot of back and forth in terms of punches etc. I believe we discussed this over the phone in detail when the case was closed. I informed the council that although that was the case, Deon's mental health had clearly deteriorated because of the incident and that I did not recommend she stay in the same area as the other individuals.

In terms of the CCTV/crime report you will need to request that via Ask for, delete or change information | Metropolitan Police
<<https://www.met.police.uk/rqo/request/ri/request-information/ir/ask-for-delete-change-information>> and it will be dealt with as a separate request.

Feel free to get Enfield Council to contact me again if anything is unclear.

I re-sent all my communication to Enfield Council that I had originally sent. Please ask them for the information.

As before, I highly recommend you get a GP/mental health professional to provide the relevant evidence for Deon's case as the criminal investigation was more a year ago. If Deon's mental health is suffering due to living in that area then they are in a better position to evidence this.

I am unsure of also what has been sent to Enfield Council by yourself and would like the information you have sent Enfield council sent to us to be able to view it. I am writing this email in the hope you can help Deon Benjamin regarding case ref: 5232489/22, I know you emailed the housing regarding Deon staying at her flat which you deemed she should not stay there as it was unsafe for her, But the housing messed her case up and Deon Benjamin is still homeless.

Enfield Council will be contacting you again as Deon housing case has had to start all over again regarding her homelessness.

Enfield Council will be asking you again if it is safe for Deon to stay at her flat which it is still not, her mental health has got worse due to everything that's gone on, and Deon still can't use her hand correctly since she got attacked.

Deon has had a terrifying Time the past year with nowhere to stay, she does not feel safe at all and has had no help at all to get housed.

I am unsure if you can do anything to help Deon as it been over a year now.

But would be grateful if you can confirm it is still not safe for her to stay at the flat. I think it's unfair on Deon she has had to suffer so badly due to all the mess-up with the housing.

I look forward to hearing for you.

Regards

Lorraine (Deon's Mum)

I acknowledge receipt of your review and accommodation pending request.

I have looked at the decision issued to Ms Benjamin and decided to withdraw it on the basis that further enquiries into her physical and mental health need to be completed.

Your client's application has now been returned to Ms Yusuf for further consideration. If Ms Benjamin is in receipt of any current medical evidence regarding her hand injury and recent assessment by Mental Health Services, please could you provide copies.

This letter was requested by Miss DB and her mother, Lorraine. Miss Deon reports that she is currently sofa-surfing or sleeping rough because she is unable to return to her home address, following the advice from police.

Miss DB is currently being assessed by mental health services in Enfield and has reported that her mental health has further deteriorated since a trauma incident that took place in her flat. She has been advised by the police not to return to the flat and reports she has a letter stating this.

Please could you consider this letter as an urgent request to consider this matter, as it is more difficult to ascertain and provide for her mental health and social care needs whilst she has no stable accommodation.

(Please write clearly and complete all questions indicating n/c if you are unable to comment)

Name: D.O.B: Deon Benjamin Ref No.

Patient is currently under assessment within the Enfield Integrated Core Mental Health Team. She has given permission to provide information about her condition as reported by herself And her mother during the assessment process.

I, Kuntal Mehta, have been asked to complete this form for the patient named above, by her allocated Housing Case worker.

I am not a doctor but I am the allocated health professional for this patient. I do not have records of all her health conditions. I can only report my discussion with the patient and her mother. Please contact the GP for further information.

303. **How long have you been treating patient?** _she is currently completed an assessment and _as yet to be discussed with the wider team

304. **Date last seen:** 21st June 2024

305. **Diagnosis** - please give full details of **ALL** conditions: *(Please use another sheet if necessary)* (e.g. Details of disabilities/symptoms affecting daily functioning)

We don't provide a diagnosis. However the difficulties Deon experiences include

Mental Health:

- 306. Constant anxiety and has described panic attacks
- 307. Sleep difficulties
- 308. Emotional dysregulation - mood can change throughout the day.
- 309. Memory difficulties - difficulty recalling childhood memories and some more recent memories, but can when prompted.
- 310. Relationship difficulties - spoke of arguments since a young age
- 311. Sensitivity to others non-verbal and verbal behaviours - easily interpreted as persecutory
- 312. History of self-harm and occasional self-harm
- 313. Inappropriate and intense anger, often in relation to beliefs that others are "out to get her" or she has misunderstood another's intentions
- 314. The symptoms 3,5,6,7, 8 indicate difficulties related to Emotionally Unstable Personality Disorder but this needs be discussed with the team.
- 315. Screening tool for ADHD indicates a referral to their team, but to still discuss with the PD team.
- 316. Confirmed diagnosis of dyslexia - reports difficulty with reading and writing.

Other difficulties

- 321. Reports has asthma
- 322. Dyslexia -diagnosed as an adult
- 323. Trauma to right hand (dominant hand) following an unprovoked attack in her flat.

This has left Deon, being unable to return to her current accommodation due to fear and anxiety.

Historic difficulties

- 324. Difficulty in engaging in school - due to difficulties with academia as well as long spells in hospital due to physical health when young. Experienced bullying at school.
- 325. Dependency on mother for all aspects of ADLs. Lorraine has reported Deon's low mood and concerns regarding her ability to multi-task and her inability to get out of bed, particularly when she is in her menstrual cycle. These issues have resulted in her mother supporting her in all aspects of ADLs compounded by her recent disability to her hand.
- 326. Recalling information - needs prompts and reminders sometimes.

327. Current treatment (include dosage/hospital care/community support):

Medication: Yes, taking regular psychotropic medication but would need to check with client.

328. Prognosis - will condition(s) improve and to what extent, OR is complete recovery likely or unlikely?

Would require further assessment and treatment - due to extent of historical difficulties eg dyslexia, trauma to right hand, long standing mental health difficulties - it is difficult to comment on the likelihood that she will fully recover.

329. Details of Mental State: __ Spoke of anxiety, low mood, ADHD difficulties, paranoid thinking. __ Struggles to be motivated to carry out ADL activities and is dependant on mother for most tasks.

Assessment of risk of self-harm/harm to others: __ Has a history of self-harm by cutting. Deon's mother reported she has been cutting regularly up until a year ago but due to Lorraine's vigilance she has not been self-harming recently. _____

6. Mobility: Can your patient (please tick):

Walk independently without aids: yes ☒X How far: _____ no ☐ Reason: _____

Manage steps: yes ☒X How many: _____ Flights: _____ Steps: _____

no ☐ Reason: _____

Use a lift: yes ☐ no ☐ If no, give reasons: _____

Does your patient use a wheelchair:

never ☒X indoors ☐ outdoors ☐ occasionally ☐ all the time ☐

7. Daily Living: (a) Does your patient need overnight care: yes ☐ no ☒X If yes please state what care.

Deon has not reported that she needs overnight care. However, she has reported symptoms of nightmares and hypervigilance and anxiety at night. _____

(b) Does she/he need help with activities of daily living: yes ☒X no ☐

If yes, please state in detail why and what help is required: _____

_Deon reports she lacks motivation, experiences anxiety in carrying out most ADLs on her own. Her mother currently cooks her meals, orders her food online and does her laundry and she also prompts Deon to wash and dress. Deon does not go out by public transport due to anxiety and paranoid ideation. Lorraine manages Deon's paperwork and finances. This information has been understood by discussions with both Deon and her mother. _____

What level of support may be needed from other services to maintain independent living?

She is dependant on her mother currently and hence wishes to continue to live in Enfield.

Is there evidence that the current accommodation is affecting your patient's health? Please summarise and advise if any family members are affected by your patient's disability? If so, how:
