1 Tell us about any medical condition(s) or illness that you or any other member of your household have and how this affects your daily living.

i have mental health issue which Enfield Council is already aware of and do have documents which i will send here also. i was also attacked by 3 masked men in 2017 at my flat this is why i felt so unsafe to stay there, which has made my mental health worse, and why Enfeild council granted me the 150 points to bid.

and now i have been attacked on the 25/11/2022 where now i do not have any use of my main right hand, which i have had to have an operation to try and fix the damage which was done in the attack on me, and am under physiotherapy where they are trying to get some of the use of my hand back i been told it will be minimum of 8 months most likely a great deal longer and the damage is life changing. i have also been ref to the tramor therapy because they believe i got ptsd due to the tramor i have suffered. then 4 days later on the 29/11/2022 3 masked men entered the block of flats i live in and stabbed a young male we are still unsure if this happened due to the attack on me on the 25/11/2022
