Dear Trishna

I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.

I have made edited it not sure if it can be worded this way but please see attached.

The reason I do not believe they can put

"And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "

Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now. If it is ordered that I will do it and cant then I am breaking the order. so I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.

Also is there any notes from the barrister who was there for simon or any documents I have not got as Simon likes to keep all documents from all his cases.

Regards

Dear Trishna,

I write further to my email to you and Mrs Lorraine Cordell. Our allocation manager has advised us that as Mr Cordell is an existing council tenant, he is entitled to apply for a transfer of tenancy and cannot make a rehousing application.

I am advised that the application needs to be done via Mr Cordell's neighbourhood officer. I have emailed the officer and asked him to contact Mrs Cordell as soon as possible. Mrs Cordell is also encouraged to contact the Mental Health

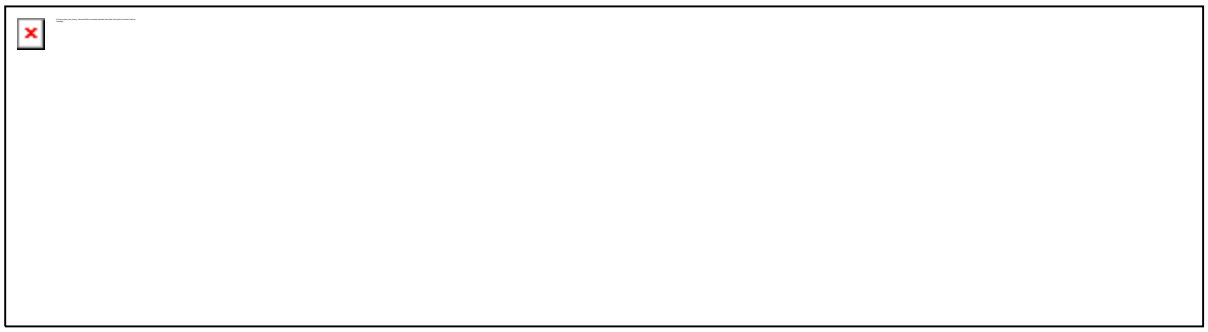

Team so they can support him with his MH issues and rehousing. I have amended the order to reflect the above and look forward to hearing from you.

I made 2 calls to Simon's mobile to try and speak with him about his health and Police case. I wanted to simply offer support. There was no answer.

t/c I spoke with Simon's mother [she is not too well with bad back] because Simon will not talk to me.

Simon believes that since he met me, I caused him to be in hospital.

Mother informed me that Simon was working at the moment; she said he was doing his own work Mother informed me that Simon's court case is on **17 Nov 2016**.

She said that Simon wants to move from current property and will require support from EIP.

He believes that if he moves, he will not have the kind of problems he is going through.

I advised mother to ask Simon to apply to Housing and I added EIP will be willing give supporting letter.

Dear Daniel Ellis

Thank you for the update email and the deadline date for my reply to the complaint.

But as you can see my son needs moving from his address as soon as possible due to the problems, his housing officer has said she will not help in doing this that he has to sign up to housing moves which can take years to be able to get a move yet said that before she knew all the facts and would not speak to me to hear all the facts as to what has been going on. She does not even know he was under the early intervention team for how this has all had such a large impact on his heath they are willing to help with this with the council to get him moved he needs moving sooner not later yet no one will talk to me or call me back to say if anything is being done or talk about anything with me about this issue and days are going by with nothing being done.

I have called and left emails to ask someone to call me back, yet no one still has so I still do not know what is going on if anything about moving my son.

A. Thank you for the update but there are 3 formal complaints to Enfield Council for the lack of doing nothing in regard to this issue

B. I have had not calls back no information if they are dealing with the main issue which at this time is to move my son and keep getting put off all the time.

C. The dates I sent the formal complaints which was also CC into Joan was

1. **24/11/2016**
2. **05/12/2016**
3. **08/12/2016**

D. All of these emails where CC to Joan Enfield Council is leaving my son not my brother in a nightmare this has been ongoing since **2014** and Enfield Council has done nothing to address any issues and also did not reply to any of the complaints that was put in around that time which I still have all the emails I just don't have the dates of all the calls that was made in **2014/2015** about this.

E. I am so upset that I have had to find the details of all the high up people in the council and CC all including Joan into the last 3 emails I should not have had to do this.

F. I am most grateful that a letter has been sent to Enfield Council from Joan but this need addressing ASAP as my Son's Heath has gone downhill so far due to what he is living with he is not being allowed to sleep and this is not helping his heath and I am very worried.

C. Once I have this, I will be in a position to email the Court with the agreed order.
D. I can't confirm the time it will take the Court to approve the order but as soon as this is done, I am sure Ms Kerai will contact you and let you know.
E. We will contact the police regarding the discharge of the injunction order; however, we would need a sealed copy of the court order to be received first before such notification takes place.

Dear Ludmilla, Lyavoo

A. Thank you for the update email, as you will see form my below email, I had already been told it would been a housing management **transfer**, my brother had a long talk with Nadine and he did try and speak to Michael Adugyamfi but he was in a meeting, Nadine kindly sent him an email with my email details for him to contract me, but the best phone number to call me on is 078.

B. Would it be possible to have a contract email for Michael Adugyamfi as you know I am on a short time scale ordered by the judge of 7 days to get this addressed. Also, would it be possible to get the time scale as to when I will get the order form the court, and has the police been informed regarding the dismissal of both the injection orders.

Dear Ms Cordell,

A. Thank you for your emails.

B. I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application.

C. This **transfer** application must to be done via Simon Cordell's neighbourhood officer. I have emailed the officer in question and will ask him to contact you as soon as possible.

D. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell?

E. I have copied Mr Cordell's solicitors to this email.

Dear Mrs Cordell,

A. I write in response to your email below and further to our telephone conversation held a few minutes ago.

B. As explained, it is not usual practice for a management transfer application to be forwarded to the applicant as this is a document which is usually completed by a housing officer and used internally.

C. So please accept my apologies if you may have been advised previously that this would be the case.

D. However, we are happy to discuss its contents with you should you wish to.

E. I enclose a copy of the Enfield Housing Allocation Scheme, which is used by the exceptions panel before considering a management transfer application.

F. I explained to you that if the application goes ahead tomorrow (this was the earliest exceptions panel meeting), Simon could only be considered for a transfer of property which is similar to the one he currently occupies (like for like transfer).

G. You explained to me that you believe that your son requires supported accommodation.

H. You also said that he has agreed to see a consultant of the Enfield Mental Health Team and was given an appointment on **31/08/2018 at 9.30am.**

I. I have explained that Simon will need to be assessed by the team in order to be considered for supported accommodation.

J. On that basis you agreed to have the management transfer application deferred to be considered at the next panel meeting which will take place on **28/09/2018**, this would allow more time for an assessment to be carried out by the Mental health team.

K. **Please confirm that this is agreed by yourself and Simon.**

L. I also confirmed that the exceptions panel meetings are attended by professionals which means that tenants or members of their family are not allowed to attend.

M. However, the meetings can be attended by mental health workers.

N. I hope this email answers your queries, please do not hesitate to contact me if you have further questions.

Dear Ludmilla, Lyavoo

A. I am not saying my son needs are of supported accommodation as I believe in Enfield Council teams that means him being place in accommodation where a person looks after people that are in supported accommodation and my son would not know this person or have any options.

B. What I am saying is what I said in court that I would like my son to have a two-bedroom accommodation so that the very supported family he has got can be with him, which the whole family has agreed to help we are a very close family and we are always there for each other when help is needed.

C. The enclosed Enfield Housing Allocation Scheme only has limited information regarding management **transfer** application and I am sure there is a more detailed management **transfer** policy within Enfield Council.

D. At this stage we do agree to have the management **transfer** application deferred I have spoken to Simon regarding this, we do not want things rushed and not done correctly with all information.

E. I believe the next panel is on the **28/09/2018** as you have stated.

F. I know an appointment has been booked on the **31/08/2018 at 9.30am** as yet that is all the information we have been given as this was told to me to over the phone yesterday, I am not sure yet who it is with, but we should get a letter regarding this shortly.

G. As stated, I am dealing with this and at this time need no help due to the ongoing complaint that is being addressed which goes into many issues.

H. I know you have asked more than once if you can contract them, at this time we do not agree with this due to issues that are being dealt with in the complaint and I do not want any more confusion then there already is with data.

Lorraine Cordell

A. I was wondering if you had time as yet to rewrite the order as it need to go to the court so that the order is sealed.

B. I have made edited it not sure if it can be worded this way but please see attached.

C. The reason I do not believe they can put

D. "And UPON the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "

E. Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now.

F. If it is ordered that I will do it and can't then I am breaking the order. so, I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.

G. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

INSTRUCTIONS

Client not present, as he is ill.

Def's mother and Uncle attend.

Mother has a large correspondence file, which proves that emails were sent by her to the Council telling them about Def's mental illness.

(Mother is of the belief that the Council already knew what is contained in the latest Report).
Probably the most helpful thing mother tells me is that the construction of the flats where Def lives means that Def hears a lot of noise from the flat above. This causes tensions. If Def were moved to a more suitable flat, the current problems are less likely to recur.
Mother does not want to be a Litigation Friend as---Def might agree to this today, but 2 days later he could be accusing mother of being in league with the Council Mother does not want this case to drive a wedge between her and Def.
Mother says that the statements that the complainants made in this case are different to the statements they made against Def in the criminal case (no charge yet), which proves that they are lying in this case, and mother wants to take them to court for lying.
Spoke to representative from Enfield B.C. They appear to have no great plan, following the Report that says Def doesn't understand the injunction, and is not fit to take part in proceedings. They will suggest that the Court should make some Directions, to protect other residents, but they cannot suggest any particular Directions, and appear to want to leave that to the Judge.
There is the possibility of the Official Solicitor acting as Litigation Friend, but this would take some time to set up.

Speaker: 03:35 yeah,
Speaker: 03:37 Can I get Michael to contact you because he's not here. He is not in the office I can take your details and ask him to contact you
Speaker: 03:43 I have already asked him to contact me and he seems to foul in doing so and he hasn't managed to do that. He's also in, in it, he's also got contact of official paperwork that is being paid a salary to deal with and he's got time and measurements that he should be meeting and level of grades to which the emergency application should be treated to and he's failing in all of these obligations towards me and towards

his job title. So, if anybody else can actually deal with his job and do it more efficiently, I'd be, I'd be a lot happier because I wouldn't be living in the same house for the last few months when a judge has ordered something. Is there any way that you can deal with this case for me and, we can go through the process?
Speaker: 04:24 I'm afraid not because we all have our own patches. I have my own area to manage. Michael has got his own area.
Speaker: 04:32 I can appreciate that.
Speaker: 04:33 what I'm going to do. You see, you say that you are 109.
Speaker: 04:37 Burncroft Avenue.
Speaker: 04:37 Burncroft Avenue.
Speaker: 04:37 and you are Mr. Cordell.
Speaker: 04:39 Yeah, that's correct.
Speaker: 04:42 If I had the contact number then I'm good to send you my email. Say he must contact you as a matter of urgency. Talk with you.
Speaker: 04:52 Okay.
Speaker: 04:53 Okay.
Speaker: 04:54 Okay, Can I have a contact number for you.
Speaker: 04:56 I will give you a fresh one now? I'll just get this new number. It may take me two seconds just to get it out of the phone if that is ok, Um
Speaker: 05:05 A fresh number to get me on is 077
Speaker: 05:08 077?
Speaker: 05:09 292
Speaker: 05:12 yes.
Speaker: 05:13 43063.
Speaker: 05:24 077-29243063
Speaker: 05:25 That's correct. And the time is 16:09 four o'clock is there, do you reckon that I will be contacted back today by any chance
Speaker: 05:35 Well he is not in the office he is not likely to return today. Likely to be tomorrow.
Speaker: 05:38 Okay. I will appreciate that.
Speaker: 05:40 Okay.
Speaker: 05:42 I am going to send him an email now. Okay.
Speaker: 05:44 Okay, do you actually have, Oh, all right. Thank you. You have a good day. So, I'll contact you. Use lot tomorrow if I don't.

Subject: RE: Simon Cordell

Dear Angela Hague

A. I am writing this as I have an issue and I have been trying to resolve it with the new team my son has been put under but it seems I am having issues and therefore wondered if you could help as you were the last team to see Simon before the changeover.

B. It seems due to the change over to the new team they want do anything until they see my son, but I believe the mental health team has enough information on their system to be able to help in this matter which I will explain below.

C. As you may be aware we were at court regarding Enfield Council and the neighbours case on the 09/08/2018 and the case against Mr Cordell was dismissed forthwith, the reason for this is I believe for 1st time the judge saw what Enfield Council has been doing along with the neighbours for a long time, I believe the Mental health team are well aware what my son has been dealing with and what he states has been ongoing since **2014** and it should be of record on the systems the hell he has been living with what the neighbours have been doing since **2014**, I know the mental health team are aware what the neighbours have been doing to my son due to being there more than once when my son has shown video and audio to the mental health team.

D. I have asked more than once for the mental health team to help get my son move yet nothing has been done, and once again I am asking for help with this.

E. On the 09/08/2018 the judge ordered that Enfield Council move my son as the flat he is in is clearly not suitable, I also spoke to the judge about the need for a suitable two-bedroom property so that my son can have a spare room for his family so they could stay with him and support him.

F. the judge agreed but it is this part that Enfield council are trying to get out of without the help and input of the mental health team, saying it would be more suitable for two bedroom property so Simon can get support from his family, Enfield Council is willing to move my son and there is going to be a hearing with the panel on the 28/09/2018 regarding moving my son, but unless the mental health team does a report saying he needs a 2 bedroom Enfield Council will only move him to a 1 bedroom.

G. I do feel my son needs support and a 2 bedroom would allow family member to stay with him and help him and try and get him to understand he does need help.

H. My son has been locked away on his own in the flat he is in since **2013** living in hell due to what the neighbours are doing, he does not go out, he is not getting the contract with others, only when the family attend his home for a few hours, and due to what he is living with he

I. **4180,**

J. don't like people around there, which it has made it harder for the family to be there all the time to support him because of how and what he is living in with what the neighbours and Enfield Council has been doing.

K. Therefore, I am asking for some help for a letter to be written from the mental health team saying a 2 bedroom would be more suitable as Simon could have someone with him and still be able to have his own space, as there would be a spare room for the family to stay in.

B. I have made edited it not sure if it can be worded this way but please see attached.
C. The reason I do not believe they can put
D. **"And UPON** the Defendant's mother agreeing to engage with the Enfield Mental Health Unit team so the Defendant could receive assistance with his mental health conditions and housing. "
E. Is due to Simon rights I can give input but there is little I can do if Simon does not agree to take help and this is where I run into issues and have for a while now.
F. If it is ordered that I will do it and can't then I am breaking the order.
G. so I have just removed this from the order as I do what I can anyways I do not need the council telling me I have to do it.
H. Also are there any notes from the barrister who was there for Simon or any documents I have not got as Simon likes to keep all documents from all his cases.

A. Mr Cordell called me at 11.49am and we spoke for about 3 minutes.

B. He was mumbling and said that he has seen my pictures on google and has information about my previous works.

C. He has some recordings of my voice and is going to display the recordings and my pictures on his website.

D. He made threats that he was going to report me, he's aware I am a solicitor and alleged I was committing corruption and fraud.

E. He said that it was a shame he had to report me as I worked in the industry for a long time, I had to end the conversation as he was becoming more threatening.

F. He also called my colleague Lemmy Nwabuisi afterwards and was verbally abusive and made threats.

G. He had to end the conversation as well.

H. As you are aware the injunction is no longer in place, however this should not be a reason for Mr Cordell to call me or other officers at the council and make threats.

I. Can you please advise him that he ceases from contacting me and my officers and ceases from making threats?

J. If this carries on again, we would be left with no choice but to report him to the police.

Importance: High

Dear DJ Dias,

A. I was wondering if you can help at this time the hearing of the 09/08/2018 there is still an outstanding order to be sealed by the court.
B. I know my son's solicitor has been trying to address this with Enfield Council and as yet has had no reply from them regarding the amended order.
C. I know my son's solicitor has sent the amended order over to the court directly.
D. I have also been working with them regarding the housing move for my son, but am being told they will only move him to a like to like property; this will be going to the housing panel on the 28/09/2018 regarding the move for my son, I know in Enfield Council order that was made up they included in this regarding the order from the court my son is moved I believe this was to give my son more weight with the housing panel.
E. My son is not at all well and the and I believe he does need a two-bedroom property so he can get the support he needs from his family as I said in court on the 09/08/2018, I am not just saying this to be able to get my son a two bedroom, I am saying this so my son can have family with him all the time

4233,

F. so that I can try and get my son back to some sort of a normal life and the help he needs.
G. It is at this point that Enfield Council does not seem to want to reply to my son's solicitor's amended order that a two bedroom is looked into they have put everything else but that in their order, I am trying my hardest to work with everyone so my son gets the help that is needed and I do feel a two bedroom is needed so there can be someone for my son at all times as I feel that this is the best option for my son.

H. If you can look into the amended order attached, I would be most grateful as I believe if it is added to the order, it would give more weight when it goes to the panel on 28/09/2018.

B. This is not acceptable and I am not happy I have spoken to Edmonton Country court and it is 100% Ludmilla order that the court has sealed.

C. I would like to know what can be done about this as I know the reason why Enfield Council has done this and it is not just about the two bedroom it is about the discharged section also; the order was not discharged it was dismissed at court.

Dear Angela Hague

A. I am writing this as I have an issue and I have been trying to resolve it with the new team my son has been put under but it seems I am having issues and therefore wondered if you could help as you were the last team to see Simon before the changeover.
B. It seems due to the change over to the new team they want do anything until they see my son, but I believe the mental health team has enough information on their system to be able to help in this matter which I will explain below.
C. As you may be aware, we were at court regarding Enfield Council and the neighbour's case on the 09/08/2018 and the case against Mr Cordell was dismissed forthwith, the

reason for this is I believe for 1st time the judge saw what Enfield Council has been going along with the neighbours for a long time.

D. I believe the Mental health team are well aware what my son has been dealing with and what he states has been ongoing since **2014** and it should be of record on the systems the hell he has been living with what the neighbours have been doing since **2014**, I know the mental health team are aware what the neighbours have been doing to my son due to being there more than once when my son has shown video and audio to the mental health team.

E. I have asked more than once for the mental health team to help get my son move yet nothing has been done, and once again I am asking for help with this.

F. On the 09/08/2018 the judge ordered that Enfield Council move my son as the flat he is in is clearly not suitable, I also spoke to the judge about the need for a suitable two-bedroom property so that my son can have a spare room for his family so they could stay with him and support him.

G. the judge agreed but it is this part that Enfield council are trying to get out of without the help and input of the mental health team, saying it would be more suitable for two **4244,**

bedroom property so Simon can get support from his family, Enfield Council is willing to move my son and there is going to be a hearing with the panel on the 28/09/2018 regarding moving my son, but unless the mental health team does a report saying he needs a 2-bedroom Enfield Council will only move him to a 1 bedroom.

H. I do feel my son needs support and a 2 bedroom would allow family member to stay with him and help him and try and get him to understand he does need help.

I. My son has been locked away on his own in the flat he is in since **2013** living in hell due to what the neighbours are doing he does not go out, he is not getting the contract with others, only when the family attend his home for a few hours, and due to what he is living with he don't like people around there, which it has made it harder for the family to be there all the time to support him because of how and what he is living in with what the neighbours and Enfield Council has been doing. Therefore, I am asking for some help for a letter to be written from the mental health team saying a 2 bedroom would be more suitable as Simon could have someone with him and still be able to have his own space, as there would be a spare room for the family to stay in.

Dear Mrs Cordell,

A. I write in response to your email below and further to our telephone conversation held a few minutes ago.
B. As explained, it is not usual practice for a management **transfer** application to be forwarded to the applicant as this is a document which is usually completed by a housing officer and used internally.
C. So please accept my apologies if you may have been advised previously that this would be the case.
D. However, we are happy to discuss its contents with you should you wish to.
E. .I enclose a copy of the Enfield Housing Allocation Scheme, which is used by the exceptions panel before considering a management **transfer** application.
F. I explained to you that if the application goes ahead tomorrow (this was the earliest exceptions panel meeting), Simon could only be considered for a **transfer** of property which is similar to the one he currently occupies (like for like **transfer**).
G. You explained to me that you believe that your son requires supported accommodation.
H. You also said that he has agreed to see a consultant of the Enfield Mental Health Team and was given an appointment on 31/08/2018 at 9.30am.
I. I have explained that Simon will need to be assessed by the team in order to be considered for supported accommodation.
J. On that basis you agreed to have the management **transfer** application deferred to be considered at the next panel meeting which will take place on 28/09/2018, this would allow more time for an assessment to be carried out by the Mental health team.
K. Please confirm that this is agreed by yourself and Simon.
L. I also confirmed that the exceptions panel meetings are attended by professionals which means that tenants or members of their family are not allowed to attend.
M. However, the meetings can be attended by mental health workers.

Dear Ludmilla, Lyavoo

A. Could you please forward the housing management transfer application that Lemmy called me about last night 15/08/2018 at 16:15 hours, as I have the mental health team calling me regarding the like-to-like section in the application.

B. I have not yet seen the application that has been filled in for my son by Enfield Council, and I would like to see it before it is submitted to the broad tomorrow.

C. Also, would it be possible to get a copy of Enfield Councils guidelines and policies for the management **transfer** application, I do believe I have a copy but want to make sure I have the correct one.

D. As you are aware at court it was stated I had to fill an application in by today, but it was not stated as to what application it was, and then it was found out the application had to be done by the council so all the wrong information was told to the judge, and as you are aware what I said to the judge regarding a 2 bedroom and then what Lemmy said to the judge that my son would not get one, then what the judge said to Lemmy regarding a 2 bedroom.

E. I do not want my son placed into a new home that is not going to be appropriate, I want to get it right for him, after all his health has gone downhill due to all the court cases and what the neighbours were and are still doing to him and Enfield council took no notice of the hell my son was living in all they done was believed the neighbours, then on top Enfield Council basically telling the courts there was nothing wrong with my son's health even though I was telling Enfield Council since the start of **2015** via emails the impact this was having on my son regarding what the neighbours were doing, I want Enfield Council to take this seriously as so far where my son has been concerned you have only blamed him for everything and gone one sided and never heard what my son or I have had to say, I believe if Enfield Council had done the correct investigations they would have seen there was a lot more going on here then what the neighbours was saying, but Enfield Council only blamed without wanting to know the facts.

F. My son has to be re-housed and I want that to be done correctly even if more time is needed and this is not taken to the panel until next week, I do want it done as soon as possible due to what the neighbours are still doing, I don't want things rushed by Enfield Council because they know now they have done wrong and made beaches regarding

my son I want it done correctly, as stated I want the mental health input if they are willing to give it as it seems since I put the complaint in they do not seem to want to talk with me as stated to you outside the court room, but that is being addressed and I am waiting for a call back today regarding the housing issue, I have spoken with a few people over the last week regarding this, but due to a change over with the people dealing with my son and him not given a named worker yet it has been hard.

G. Also, can you tell me if I am allowed to attend the panel hearing and also maybe a mental health worker if they are willing to attend also?

H. I will await to hear from you today.

Dear Mrs Cordell,

A. I have emailed Michael Adu- Gyamfi and asked him to contact you as soon as possible, please note that he's aware of the deadline and will be in touch in due course.

B. I have emailed a draft order to Trishna Kerai of Stuart Miller solicitors and I'm currently waiting her approval.

C. Once I have this, I will be in a position to email the Court with the agreed order.

D. I can't confirm the time it will take the Court to approve the order but as soon as this is done, I am sure Ms Kerai will contact you and let you know.

E. We will contact the police regarding the discharge of the injunction order; however, we would need a sealed copy of the court order to be received first before such notification takes place.

Dear Ludmilla, Lyavoo

A. Thank you for the update email, as you will see form my below email I had already been told it would been a housing management **transfer**, my brother had a long talk with Nadine and he did try and speak to Michael Adugyamfi but he was in a meeting, Nadine kindly sent him an email with my email details for him to contract me, but the best phone number to call me on is 075.

B. Would it be possible to have a contract email for Michael Adugyamfi as you know I am on a short time scale ordered by the judge of 7 days to get this addressed.

C. Also, would it be possible to get the time scale as to when I will get the order form the court, and has the police been informed regarding the dismissal of both the injection orders.

Dear Ms Cordell,

A. Thank you for your emails.

B. I have made enquiries with our housing allocation manager and since Mr Cordell is an existing council tenant, he will need to apply for a **transfer**, so he does not need to make a new rehousing application.

C. This **transfer** application must to be done via Simon Cordell's neighbourhood officer.

D. I have emailed the officer in question and will ask him to contact you as soon as possible.

E. Can you please provide me with a preferred contact number so the officer can make an appointment with you and Mr Cordell?

I have copied Mr Cordell's solicitors to this email.

Speaker: 00:55 [inaudible] [inaudible] [inaudible] yeah.
Speaker: 01:33 [inaudible] [inaudible] [inaudible]
Speaker: 01:47 just so you know, we're getting a lot more calls.
Speaker: 01:51 Good afternoon I 'am customer services. You're speaking to Mek, how can I help?
Speaker: 01:54 Hello? How are you doing? Is it possible to speak to a personal to do with my complaint please and deal with my case load that is ongoing with inside of the Enfield civic centre?
Speaker: 02:06 Okay. Um, uh, one moment. So, this, this case has been passed on already to complaints team, complaints and information department.

Speaker: 02:17 Yes, that's correct. It's been ongoing for a long time and it's never been addressed. Also, I would like to understand what's happening with my housing in regards to a **transfer**, an emergency **transfer** that was supposed to have happened on the **16th of last month of octo**

Speaker: 02:31 Okay.

Speaker: 02:32 September,

Speaker: 02:33 Are you in temporary accommodation.

Speaker: 02:35 No, I'm in, I'm a secure tenant, but I'm being, I've been victimized and assault in my house plus the erm employees for the Enfield Council have fraudulent fraud paperwork and put possession orders in which I can prove that they've done and they're still working inside of the company, like they are still dealing with my case. This person he's attacked me for two years since he started the company. Lemmy Nwabuisi. He fraudulently frauded, all of the paperwork and went for a possession order and he used the true perpetrators that I was already in contact with, the Enfield counsel and their complaints department, showing them what they were doing to me and he used the perpetrators to attack me. Basically, he's tried to take my life and my home and him and force me into prison under fraudulent claims that he created.

Speaker: 03:22 And I can prove this from your timestamps, so I want something done about it. He is now supposed to be dealing with a **transfer** house in **transfer** for me alongside with the solicitor. That I advised; he never had a solicitor and I advised him to get a solicitor, which I've got the recordings to prove because I told him on the phone, he had defrauded all of the paperwork and I could prove it from the time since I told him. Is he an illegal adviser? He, I knew that he had passed at Westminster. He said to me on the phone that um, no he isn't. He isn't acting as a legal profession. And I advised him to get a solicitor. He did get a solicitor, Lumina, I've got records speaking to their, her bosses and for her, for her previous company and I've got recordings of me explaining to her what Lemmy's done and what she, he's allowed, she's allowed to do and she still went for possession orders and still went for custodial sentences and.

Speaker: 04:09 ok.

Speaker: 04:09 court costs against me. I want something done.

Speaker: 04:12 Ok I see and the complaint is related to your housing situation?

Speaker: 04:16 Yes, that is correct madam.

Speaker: 04:16 It did.

Speaker: 04:16 Okay. Um, I can bring up a veto from my system, but it's really because you're in front of the switch codes at the moment. Okay. So, it's really a beyond me at the moment. You will need to speak to the Enfield Council housing, regarding your housing situation because I don't have access to the system and regarding your complaint it's been passed on to complaints team. Let me just have a look at who is on duty today.

Speaker: 04:40 Thank you.

Speaker: 04:40 and I'll see if I can put you throw.

Speaker: 04:43 Thank you.

Speaker: 04:43 you are welcome

Speaker: 04:50 [inaudible]

Speaker: 04:52 okay. Just hold the line please. I will. Um, I'll see if I can put you throw but. I'll have to introduce the call. So, may I take your postcode please.

Speaker: 05:00 Echo November, three, seven Juliet Quebec

Speaker: 05:07 and your house number, sir?

Speaker: 05:08 109 Burncroft Avenue
Speaker: 05:11 109 ok, Mr. Simon Cordell.
Speaker: 05:15 Yes, that's correct.
Speaker: 05:16 Okay. Thank you.
Speaker: 05:17 Okay, thank you.
Speaker: 05:18 Just hold the line for a moment and I'll see if I can get through to the complaints team.
Speaker: 05:22 Okay. Thank you.
Speaker: 05:24 You're welcome.
Speaker: 06:09 [inaudible] [inaudible] [inaudible] [inaudible] [inaudible] yeah. [inaudible] [inaudible] [inaudible] [inaudible] [inaudible]
Speaker: 08:16 Hello Simon.
Speaker: 08:16 Hello.
Speaker: 08:16 Hi, you are throw to Mathew I am from the complaints team at Enfield Council.
Speaker: 08:16 How are you doing? Mathew.
Speaker: 08:25 Yeah I am alright how are you doing.
Speaker: 08:25 Hmm. I am Okay. Not too happy to be quite honest. I'm very concerned about things I would like to get addressed. Is he, are you the person that could help me address, um, the framework and legal policies within the Enfield Council and its employees when they're not acting responsible or acting with neglect or misconduct? Can you help me in regard to them issues?
Speaker: 08:49 Yes so I work in the complaint team. Um, so my role is stop sort of take complaints, um, Log them to the relevant services. And I also respond to complaints as well. Um, the woman you spoke with on the phone to before said that you have got an active complaint from Enfield Council.
Speaker: 09:08 I've had multiple active complaints but they've been pushed aside and now a gentleman called Lemmy while I was putting complaints in of what they were allowed, what the, what the employee ums and directors were allowing to happen to me in my house, which I've got video evidence of. Um, they pushed away about 300 emails that are logged on your computer systems and they employed a gentleman called Lemmy Nwabuisi who works for the ASB team.
Speaker: 09:36 Yep.
Speaker: 09:36 and he has actually done and I can prove is I collected the data. I've collected a free freedom of information act from the Enfield Council but asking for any claims against me.
Speaker: 09:46 Yep,
Speaker: 09:46 of my neighbours. He's basically gone to the Enfield Council. He's a woman called Sarah Fletcher, was our neighbourhood office. while I was in a hospital when I wasn't in my property, she has found the perpetrators that live above and are in my first original 400 emails or 300 emails were about and basically, she Sarah Fletcher has phoned them.
Speaker: 10:07 The Perpetrators the true perpetrators who live up above me. She has, I'm let them forge a statement. Yeah, with three claims in it. What they initially done was phoned up the Enfield Council, wrote to the Enfield Council and when the Enfield Council received a letter on the 17th of the 10th **2016** of a them and it backdated a month prior. And what it said is the, I'm a drug addict and now that is how this started,

so from a letter you lot receiving a letter which was which on the 17th 10, 16 saying that I'm a drug addict backdate in a month. Prior you use knew that I already had all these official emails in regard to these people and what they were doing and they were attempting to take my life Article 2 of my human rights and that they were, they were violating in my private and family life.

Speaker: 10:58 Article 13 and so fourth year. Now use lot new the seriousness of the original 400 complaints. Then when I'm not living in my house this Sarah Fletcher has invited the Mathiyalagan family, you lot received the first letter. Then they've made three telephone calls to use lot updated complaints. While I'm not in my house, so I'm living in my house. they have written a drug letter now three, updated telephone calls, then Sarah Fletcher, phones them up and ask them to come down to the civic centre on the 11th of the 11th **2016** she does a statement with them. They can remember the drug letter date, but they couldn't remember the three days of the phone calls that they made and update on your computer systems. So, they made a complete new three days up completely. So now that led to six days that they have made plus one more date, which was the drug letter date, seven days in total. So, but they couldn't remember the three telephones, the days that they telephoned you up on.

Speaker: 11:59 yeah.

Speaker: 11:59 when they send it.

Speaker: 11:59

Speaker: 12:00 yeah, but before you go, before you go on is it alright if I ask a couple of questions. Um, can you say that it was Sarah Fletcher's basically who sort of Um sent a letter you are saying that she shouldn't have well, was Sarah Flexure a neighbourhood officer?

Speaker: 12:14 Yes. Sarah Flexure. She's, she, she, she works under Jeffry Oman who is the neighbourhood office watcher. The Enfield council.

Speaker: 12:22 yeah.

Speaker: 12:22 have their own police force. The metropolitan police force initially did not want the neighbourhood officers' teams to be established in history in our history and our British history. And that is because they aren't part of their own force in real life what they are. Is there a council's police force? So, the neighbour team belong to yourselves and not to the metropolitan police. And that is in our history. Yeah. So, these people are responsible.

Speaker: 12:49 yeah, yeah, yeah.

Speaker: 12:49 and reliable to yourself.

Speaker: 12:51 I know this I no lee um.

Speaker: 12:51 They're responsible and reliable.

Speaker: 12:52 Yeah.

Speaker: 12:53 They're reliable and responsible to yourself and questionable to yourselves. Yeah. And two and two offers. Yeah. So now what I'm concerned about is Sarah Fletcher has done this. Yeah. This isn't even the initial problem on being held hostage in my house, but that's another, that's the beginning section.

Speaker: 13:08 This is what Lemmy has done. So, after Lemmy's Sarah Fletcher's called them down. I phoned up Sarah Fletcher and I have a recording of Sarah Fletcher. And I explained to her, and I know that she frauded all of this paperwork because I wasn't living in my house at the time. Yeah. So, I was living at my mother's house. Now I've got the record in our Sarah Fletcher. Sarah Fletcher left her job yeah, because of it. So,

she's no longer employed as a neighbour team officer. But then what's happened is this Lemmy Newer Bush has been hired by yourselves. He's come straight out of West minister. So, he's done a degree in law supposedly in the house in an all the rest of it. And what he's done is he's picked up, um, Sarah Fletcher's work. Now he's over, he's overseas, he's not, he's refused to look at any of the 400 emails that all your complaints departments were dealing with all the MPs are tied in and everybody else are tied in asking, you lot to protect me.

Speaker: 14:04 And then what he's done is he said, if I don't come to the Enfield, council in regards to Sarah, and these meetings and these allegations, that thing has done, he's going to put a possession order in and now. He tried to entrap me into the civic centre, into the civic centre for meeting and I refused in the recordings to go for that meeting because I'm being held in my house already because of the Enfield, council created a frauded Asbo application with the metropolitan police in your offices, which I've got the paperwork to prove, which is a bit of another story and I'm riding a nine-year prison sentence in my house basically when I shouldn't be. Yeah, I never got arrested.

Speaker: 14:04

Speaker: 14:43 before you go on, before you go on, I'm on, I'm on. I'm don't mean to interrupt you but I'm just trying to take notes. So, when I interrupt you don't take it the wrong way

Speaker: 14:49 Yeah, we'll I won't do that. I won't do that. I won't do that. I've, I've built notes for you, I've built notes for you and I'll give you access to a website in a second if you would like and that website is going to show you all of the evidence that I've built and everything can regard on the report that I've built and that report shows my.

Speaker: 15:04 yep.

Speaker: 15:04 losses, my hours, everything that I've suffered through out and everything and I would like that taken into account.

Speaker: 15:09 yep.

Speaker: 15:09 and I

Speaker: 15:10 I'm just taking notes.

Speaker: 15:12 Yeah.

Speaker: 15:12 too log this all down.

Speaker: 15:13 I'm going to be serving,

Speaker: 15:15 Non auditable.

Speaker: 15:15 I've got a solicitor firm and my solicitor firm is just letting me finish off the last bits and I'm going to come and officially serve the Enfield Council my full report and official report of all of what I'm talking about. I've gave enough opportunities for this to be resolved. Yeah. Um, from the initial problem of what's happened. Well, I'll, I'll go for the initial problem in a second of how it all started, but we're going to continue with up to date at present, if that's okay with yourself. Is that okay? Yeah.

Speaker: 15:42 Yes, yes. So, what I am writing in here. Lemmy has taken over from set.

Speaker: 15:47 Sarah Fletcher. Yeah. Yeah. And I want, here's what it is.

Speaker: 15:52 and he has refused to look at any of the letters, is that right?

Speaker: 15:54 Yeah. Well, no. pardon well he has refused to look at any of the emails on, on the computer, which is explaining the true facts of what was ongoing in the, in the, in these, on this housing estate. So, what my mother was writing to Enfield Council and I was writing to Enfield Council and he has refused to look at them, he has picked up Sarah Fletcher's work. And there was also another case well two other cases that were ongoing with two other neighbours where I'd been set up which I have proved now. I got

arrested for the other two cases, one with Stan and one with a woman called Karen and one a boy called George three cases. They all set me up and I went to court and won all three cases. Now a woman called Jean Burton, who's the witness care protection team for Hackney. She emailed a woman called Konichiwa whose, whose Lemmy's line manage yeah.

Speaker: 16:44 No auditable

Speaker: 16:44 And she told me,

Speaker: 16:46 okay,

Speaker: 16:46 yeah, Konichiwa. She in, I've got that email in that email. She, Explained um, Jeanette, Jeanette. or whatever her name is explains to Konichiwa that I have won the cases and I'm going to be released back home. So now Konichiwa, or whatever name is up, she, she messages Lemmy and she tells Lemmy to go to Stan's house. And to George's and that and to give them diaries. So Lemmy go to their houses and he gives them diaries telling them I'm goanna be coming back home and I've won the cases. Um, there's another day. Arrange that shortly. The day after with demo. So Lemmy arranges to go back the second day in his own personal notes when he gets back to the civic centre, he writes in his notes, which I've retrieved on his personal notes, that he noticed that there was no camera in my corridor.

Speaker: 17:36 So he writes that in his own notes and he didn't ever think I was going to get them. The next day he starts forcing hand delivering letters to my front door saying I've got to remove the camera. And knowing that the camera's not there and he's still force letter saying that I've got to think about the water pressure, which is another part of what's going on. Now he knows there's no cameras. Then he knows that the water pressure has been checked six times already by Sarah Fletcher a surveyor Thames Water the private plumber and Enfield Council plumber and all of them have said that there is no problem, now their force handwriting letters trying to get into my house and break into my house. Yeah. Now why? Why they're trying to break.

Speaker: 18:16 Is this Lemmy.

Speaker: 18:16 Yeah. Lemmy is forcing hand. Yeah.

Speaker: 18:20 Non Auditable.

Speaker: 18:20 Pardon? Pardon?

Speaker: 18:23 Who is it that is trying to force letters on to you.

Speaker: 18:23 Lemmy, Lemmy, Lemmy, Lemmy and other team members.

Speaker: 18:26 Yeah. Now you've got other players and there is a reason by hand. Lemmy doing this, but we're just, I'm just going through the Lemmy part now. What Lemmy does is iPhone Lemmy up and in the recording to Lemmy. I say to Lemmy, I'm not willing to come for the meeting with, you Lemmy and the reason I'm, I'm, I've just found it. I was okay to go through this conversation with you Lemmy, Lemmy say yes, he is happy to talk with me. I said, this is the first time I've spoken to Lemmy and the reason I was speaking to you is because my mother just shown me all of the emails for the first time that I didn't know that was going on. Now you're trying to, you and all the other team members are trying to kill my mother in emails and overload her as an enterprise, knowing that she's a single person and all she's trying to do is protect her son me, which is within our human rights and the rights for us to live in this country and it's in all your equality policies.

Speaker: 19:14 Yeah, diversity, equal opportunities to found a new de. All of your, all of the talk that you use lot the company seems to give the enterprise use what represent

gives. Yeah. Now Lemmy, Lemmy, Lemmy, what he done because I'm on the phone to Lemmy, I asked, Lemmy, can you please go onto the computer and can you check the last complaint against me? Now this is on the seventh month of 2017 we're having this conversation now. Lemmy gets upset and he goes on the computer here him typing like that in the recording. And he checks the date and he go to me are the 1st of January. So now when he says the 1st of January, I know the laws that I represent. So, I say to him, Lemmy, you're out at the time limitation Act. Yeah. These cases that you're trying to put me to force me to the civic centre for meeting for are out of the time limitation act, I've already been arrested for them and I've already been fan not guilty in court.

Speaker: 20:06 Yeah. So, if you've had new information given to you, Lemmy, you're not a police officer. Give that to the police and the police do their investigations and then if you believe that there's, I'm found guilty then you as Enfield council can, you could represent Enfield council, can do whatever you believe is in the best interest for the rest of your Clow clients. Yeah. And what Lemmy does is he gets the hump and he puts the phone down now he copies all of Sarah Fletcher's work and he slams it in 31 seven times into a processional order and he slams a possession or the through my front door hand delivers it the next day and he goes to take my flat off me and steal it. Now he's copied and paste it. Now you can tell that the first statement that they'd done was we've Sarah Fletcher. Yeah, in a somehow a possession order got made in between that and all these got sent.

Speaker: 20:58 You can tell on the history there and then straight away Lemmy's already prepare the statement covering up all the information that he's put in the possession order he calls the Mathiyalagan's down again on the 2nd of August, 2017 and he makes them, they happily sign the forged paperwork that Lemmy's made and then they spend two years chasing me around in a court trying to steel my flat, making up allegations while this woman's chasing me and attacking me slamming toilet. I've got videos in every room record in every room of my house on what they've done to me in my font room and bathroom kitchen. Now the reason that they've turned evil, my neighbours have turned on me is because a sex scandal was created in my name and uh, and against me and my partner, which Enfield council played a massive role involved in. Now the way that I can prove that the council played a role in this is they put an Asbo against me and while I'd been on curfew for a year in my house, so I hadn't gone out and hadn't done nothing.

Speaker: 21:57 I was working for Enfield Council I took the keys from the local community Hall, Kemp hall and I was managing Kemp hall . I was doing kids with cellar palsy at winch mill Hill festival. I was doing lock to lock. Festival, with Enfield Council down next to Enfield lock. I was doing ponder end festival. Are you still their sir?

Speaker: 22:17 Yes I am still listening.

Speaker: 22:17 So I was a valued member to the community and I was making good commitments and ties to on relationships with people, networking and I was working alongside yourselves cause you're the red badge that use at represent this on every street post. and everything what is in all of the paperwork and the invoices that I got put through my bank account for doing these events. And so.

Speaker: 22:38 year.

Speaker: 22:38 I can prove that there was a conflict of work under the 1998 act when the Enfield council initially agreed to do this application for Asbo to be put through.

Speaker: 22:48 yep.

Speaker: 22:48 There is three different sorts of Asbo's.

Speaker: 22:51 Yeah. There's a county court order. There's a standalone Asbo. Yeah. Which is what they've put on me. A standalone Asbo which is for like kicking a football up the wall. Then there's a CBO Asbo. Now CBO Asbo is what they should have most probably tried to put on me. And what that means is after criminal conviction they can put an Asbo on you. Yeah. So, if something says the organization of illegal raves, it's illegal, means illegal. So, I should have been arrested yeah, they never arrested me for this case. Yeah. If you did get arrested for throwing a party and you did go through the proper channels, get arrested, go for the police station, go to court. The maximum sentence is six months in prison. Yeah. Six months in prison and a 20-grand fine. Somehow, they forgot to arrest me.

Speaker: 23:40 What was the Asbo filed for.

Speaker: 23:40 the organize the name.

Speaker: 23:42 The name of the application. Why we, it's called the organization of illegal raves. Yeah, that's what they're saying. Now I've got the paperwork here proven. I was never Found guilty.

Speaker: 23:50 **There all dead.**

Speaker: 23:50 I was never. found guilty in court. Yeah. Now what initially happened is if you picture this year for us, if you, okay. Cause if you, you know the area I suspect. Yeah. You've got, I'm on curfew for a year in my house for the gazebo case. I'm barred from central London. I've got a sign on eight o'clock every single day at the police station. I've got a tag on my leg and I've got bean in doors by 8 O'clock. I lost my first partner of 13 years, my first ever love yeah. And I've been with for 13 years. Diana, because she kept walking out of the door and I couldn't chase her after eight o'clock or nothing because I was like a little kid on curfew.

Speaker: 24:24 Yeah. I ended up with not I, I, while me and Diana broke up. I went out and met another partner. Yeah. I never had no problems with his partner. Me and her today have never argued. Yeah. At the same time as I met this new partner, the police served the Asbo folder outside my front door. Now that Asbo folder says it was created in your civic centre by Steven Ellis and by a Jane Johnson our commander now for an Asbo to be made. You need members of the public. Yeah. Now each police officer done a statement this hole Asbo is over people getting keep up overnight. At one place? Progress way. Yeah. Progress way is opposite. The BMW the new BMW factory on Lincoln Road? Yeah. Where they sell BMWs. You know what I'm talking about sir?

Speaker: 25:12 Yeah.

Speaker: 25:12 Now there's another place Southbury train station at Southbury train station.

Speaker: 25:17 You've got the old man build in, which is the white building opposite the train station. Now if you, if the old man building while I was on curfew, you can check in your files cause you lot went they're enough times, I've got all of the, I've requested all of the paperwork for freedom of information acts and you sort of gave me the evidence proving that you lot went there yourselves on noise abatement teams didn't that and serve notice on them. God knows how many times. Now that you've got a group of people that are living in that building. The old man building while I 'am on curfew, I don't know now this gentleman has, there's a gentleman called Chris well let's call him Chris. He's his throwing a party in Essex's. Now the police have shut him down. A bloke, there's a police officer called Adrian Combs in Essex. Now agent Combs owns a company called big boss limited and he's in charge of every festival in the country. What

he does is all the paperwork under the polices it big boss limited and you can check your up on the internet and he does all Glastonbury the lot. So, he's a, he's a top.

Speaker: 26:15 Yeah. Before you go on Mr Cordell before, before you go in terms of your complaint as a hole who is your complaint against, is it the Asbo behaviour team and Lemmy or

Speaker: 26:26 I've got all of the directors on recording and I've been talking to them about their whistle blowing procedures and policies and I've got the full cabinet here. Yeah. And what my problem is.

Speaker: 26:37 Arr.

Speaker: 26:37 is that I've got all have a littler and recording. I've got every single one of them. I've got over 200 recordings here of me explaining to them all the different problems about the Mathiyalagan's, how they were selling another house and living upstairs as temporary accommodation and had been left to attack me. Yeah. Use lot are holding me for nine years. Yeah. See a standalone Asbo yeah. Is not supposed to be a form of punishment by any form of way of means people get released. Yeah. From prison by early release of curfew. A curfew should never have been put inside of a standalone Asbo so, I shouldn't never be on curfew if six months, if you aren't got enough for criminal conviction, at court how can you give me a nine-year curfew even if you did have enough criminal conviction and maximum is six months.

Speaker: 27:22 Now I'm phone in use I and I'm explaining to you. I've got the police Asbo folder and every police office; all this is over. People getting kept up overnight. I spoke to this big boss, limited Adrian Combs and he said to me, he, what happened, and I've got all the notes here for it. He was phoning this bloke called Chris up telling Chris not to throw a party. Chris kept putting the phone down on him, not realizing who he was, that he's a, he's a represent a good police officer to know he's in charge of all the festivals. He's given Chris a chance, but Chris was being a rude person and putting the phone down him. So, Adrian got in and helicopter. Chris tried to throw the party in Essex. Adrian got in a helicopter, I've got loads of news reporters putting them in the helicopter and he landed in the field and he shut Chris down.

Speaker: 28:05 He gave Chris Lurcher a noise abatement notice, which he's gave me all the paperwork for and he let them press all of it in the press newspapers. So, I have got all of the newspaper press saying that Chris throwed, this party. Now Chris has shut the party down because he's got kicked away and he's come to Enfield and he's gone to progress way. He never realized that the other lot were in the old man building. So, any cars from Essex have followed him to progress way the rest have got on trains and they've got at Southbury train stations seen the old man building turned on and they've walked straight into the old man building now. So, you can imagine all of the foot patrols have gone into the old man building and a couple of cars gone down to progress way. Now this is not my fault, the Adrian Combs sent the metropolitan police all of his work and sent a picture of Chris or white person in the folder.

Speaker: 28:56 Now the metropolitan police and the Enfield Council took Chris's picture out of it and put my picture in it. Yeah. Now imagine that. Yeah, put my picture in. And what made things worse was there was no phone calls to progress way or about progress way because no one really went to progress way. Everyone ended up at the old man building. So now all of the recordings say all of the nodes for the old man building are there all the nine, nine, nine. Calls. So, when I opened up the Asbo, it says crown road, crown road, crown road, the old man building. Now under oath. When I got the police

officers under oath on that day in call, we asked them, are you sure when you created this folder with the council that every one of these are progress way? He says under oath. Yeah, we're, I'm sure that all of these crowns wrote, there was no party at crown road on this day. He's a 100% sure. Now he's lied because he forgot to take the X to Y locations out of it. He blocked out all the, all of the names of the streets, but when you check the X extra Y locations, they all show crown road all of nine, nine, nine calls in that Asbo are Really? Crown road. Yeah.

Speaker: 30:01 Yeah.

Speaker: 30:02 Mr. Cordell before we're going to, we're going to have to wrap this call up, so what,

Speaker: 30:06 why would you want to wrap it up? If I'm talking about dishonour in your company, I'm going to turn my website on soon. I'm happy to do that and I'm confident that your goanna ends up with fraud departments. I'm sending it to the universal duh, duh, and to turn to the European committee, I'm going to send it to Christopher Jedit who's the queen secretary. I'm also going to send it to Teresa and I'm going to go online. I'm going to blast it everywhere. Yeah. You keep telling me to deal with this out of body. Yeah. Rather than inner body of yours.

Speaker: 30:32 I'm just, I'm just off just trying to wrap up the main details of your actual complaint.

Speaker: 30:36 Yeah. because, well, Lemmy, Lemmy, Lemmy has just tried to steel my flat and your initial workers who are.

Speaker: 30:41 yeah.

Speaker: 30:41 Pat and Steve, which you are got in your release forms, who use it or who everyone's going to, you know, to do about Mr Cordell when me and my mom are writing Pat and Steve from the ASB team put the Asbo on him. Yeah. And so Pat and Steve are your players in your team and all your mates, all of Lemmy and all of that and in all of their release forms when they're all backstabbing me when overseeing and, and every time my mother writes to them says, please help Simon. Use lot to the doctors because the doctors say, are the councils writing to us again, telling us to come to you? Yes. I've got all the, all letters, all the doc letters off. The doctors proving that every time that use lot are.

Speaker: 31:15 phoning them every time my mom sends you an official letter the day after I got the doctor's at my house trying to kill me. Yeah. And that's because you're sending them there because you're receiving official emails telling you now Lemmy went one step further. Yeah. What Lemmy done in his, you can go and check this on page 258 or 248, two five eight or four. Eight of his new indexed Asbo of his new index. I mean injunction, remember, Lemmy went for a possession order and in injunction then another injunction order. Then another injunction order against me over two years. Remember in my recording I told Lemmy that first one and I told him about the time stamps, I'm about the time limitation Act I said to Lemmy on the phone like I'm explaining to you, you go and get the first Asbo folders made in your offices and noticed that each police officer has done four statements each pretending that they're members of the public, but there's no signatures at the bottom of them.

Speaker: 32:08 They've got no members of the witness and members of public saying that anything has ever happened. This is illegal. What they're doing to me. Yeah. Even says the white people commit the crime and I never committed the crime. This is nine years of my life. Use lot are steel here. Now I asked Lemmy to go to the folder. Lemmy put the

phone down. He goes to the folder and on the third page, fourth page of the Asbo, in **2015** when I got so called found guilty, which I can prove I never in the transcripts because they couldn't prove a legality. The judge says it in the transcripts. We can't prove that nothing illegal happened. Yeah, so but now, but she still gave me an Asbo. Anyway. Yeah. Now what I told Lemmy to do was go when I got found, so-called, found guilty they made, they made my bail conditions up.

Speaker: 32:51 I'm not allowed out. I am not allowed to go to a party. I'm not allowed to go to an industrial estate. I'm not allowed to hire no sound equipment without Enfield Councils authority and all the rest of it. Yeah. Now someone went along and made threats out of it all they scribbled little bits of it and it says attend court and we'll re - man and we'll re attend court and dis us and we're re - man, that's what he says. Yeah, they made threats out on my bail conditions. Now I can never prove the person had done this because Sally Gilchrist, who is in charge of all of the cases, what she'd done was gave it to my solicitor Josephine as Josephine was walking away from the case from me. Yeah. Cause she knew how much trouble the case was. So, I fought Josephine could have done it or, or Sally Gilchrist could've done it.

Speaker: 33:34 But I've collected the folders from Josephine's office. Yeah, you with me? Yeah sir.

Speaker: 33:41 With the threats and that.

Speaker: 33:41 Yeah Mr. Cordell.

Speaker: 33:41 Now let me just explain this one. Let me just explain this to you because this is quite serious what I'm explaining to you. Yeah, please. Let me just finish this one part and I will stop. I'm not meaning to be rude, but we're talking about seven years and not nine years and me being held in this house. Yeah. Now what Lemmy went and done is I've collected the folders from Josephine Walden, Michael Carol's in hard copy, so I couldn't approve this Sally Gilchrist and put these threats in it, but then somehow Sally Gill, Chris mess gave used or copy of the folders. Now you've got all your mate. I'm Daniel Ellis and all that in order to be his emails messaging me when I'm talking to Daniel Ellis in the recordings and Daniel Ellis is saying he?

Speaker: 34:15 He don't have a copy of the first Asbo in that building. There's never been a copy of the first Asbo but now I know that's a lie. Yeah, because it's late being admitted now in paperwork. There is a copy in that in them offices. And what Lemmy went and done when I told him about the misses about the missing signatures on the time limitation, he went to the folder to check them and he took the threats out of page out of the first Asbo and put them into his in-junction order. Yeah. So, if you go to page two four, five eight or two, four, two five eight in his injunction you see the threats Yeah, from the first Asbo. that in **2015** when Sadie Gilchrist sent it to your offices. Now have you checked the emails that my mother was sending you at the same time my mum was sending you asking you lot to protect me and use lot are getting Sally Gilchrist, sending you all this forged paperwork that use lot know and you watching all the threats in it and then Lemmy, and you're watching all this happen and you're doing all of this to me and Shannon and Heidi.

Speaker: 35:14 Mr. Cordell.

Speaker: 35:14 You have caused a sex scandal, in our names, your company has to cover up all of the holding me in my house for nine years. And I told Lemmy about emergency applications.

Speaker: 35:23 Mr. Cordell, Mr. Cordell, What I am going to do is speak with Lemmy's manager after this call as soon as we go off the phone. Um, but while I've been advised is that any communication should go through your lawyer,

Speaker: 35:37 Throw my lawyer, I'm not going out to a lawyer, I'm going to go public. I'm going to go public year, and you watch the police one into your buildings and grab you lot. if you don't deal with it internally, tell whoever's advising you to, to take sensible advice and to deal with me because I don't mind. I will wipe all of the corruption away like I've said in every recording and I will not talk about it to use lot. If you lot go and call an emergency application like I taught, Lemmy how to do and he's done for the last two years wrecking my life and you get this Asbo of me trespass was never proved. You can I will turn a copy, let me turn the website on for you now and show you lot how much.

Speaker: 36:11 Mr. Cordell.

Speaker: 36:12 Have you got Google about you.

Speaker: 36:14 Mr. Cordell.

Speaker: 36:14 Have You got Google about yeah. Let me show you how I've updated this website. Let me show you the report and how much trouble will not ask your friend if he wants to advise you to. Same advice after. Do you want to see the website?

Speaker: 36:27 Mr. Cordell like I said I have been advised that all communication must go through your lawyer.

Speaker: 36:29 No, it mustn't. listen to this If you get this right, there's a word called. There's a word, there's a word there which is called, I'm allowed to act for myself here. I don't need a solicitor to act for me. Yeah, I don't need a solicitor in a court. You don't need a solicitor to act for you. I am acting for you. You are my, you take money off me. I am your client under the landlord and reforms act alone. You are in breach of what? Of your agreement. You are signed into a mutual contract with me and you're refusing to talk to me about breaches within your company and within my contract that you've signed with me. We're in contract. So how are you not obliged into your part of the contract and acting with fairness and fair processing in regard to the issues that I'm bringing to you. I'll in a higher standard of evidence that is more relevant and beyond the reasons that I can use your own timestamps to prove what your employee's done when they were acting with neglect and misconduct towards my life and try and steal my property while in trapping me in my home. And you're telling me that you are not prepared to talk to me and to talk to her as Lisa in regard to my contract, but you still want to take money off me.

Speaker: 37:41 Hello?

Dear Mrs Cordell,
Re: Simon Cordell- 109 Burncroft Avenue, Enfield, EN3 7JQ

A. We write further to your emails, enquiring about the progress of your son's management **transfer** application.
B. We advised you by email on 16/08/2018 that Simon could make a management **transfer** application and if successful, the **transfer** will be made on a like for like basis.
C. We explained that as Simon lives in a one-bedroom flat, he will be transferred to another property like the one he currently has, if his application is successful.
D. You explained to us that in view of his mental health problems you did not feel that a like for like **transfer** was appropriate and asked that he be **transfer**red to a supported accommodation or to a larger property.
E. We explained to you that for the Community Safety Unit to consider such an application they would need to have the Mental Health Team involved.

F. You then explained that Simon was given an appointment to see Dr Benyure from the Enfield Community Mental Health Services on 31/08/2018, and it was agreed that the management **transfer** application will be put on hold until the next Panel meeting on 28/09/2018, to allow time for the Mental Health assessment to be carried out. We have since been advised that Simon failed to attend the scheduled appointment and did not engage with the Mental Health team.

G. As this meant there was no report to support a management **transfer** application the Community Safety Unit was unable to submit an application on his behalf.

H. The Panel would require medical evidence in support of an application for a supported accommodation or for a larger property and we did not have one by the date of the last Panel meeting on 28/09/2018.

Mrs Lorraine Cordell

Dear Mrs Cordell,

Re: Simon Cordell- 109 Burncroft Avenue, Enfield, EN3 7JQ

We write further to your emails, enquiring about the progress of your son's management transfer application.

We advised you by email on 16/08/2018 that Simon could make a management transfer application and if successful, the transfer will be made on a like for like basis. We explained that as Simon lives in a one bedroom flat he will be transferred to another property like the one he currently has, if his application is successful.

You explained to us that in view of his mental health problems you did not feel that a like for like transfer was appropriate and asked that he be transferred to a supported accommodation or to a larger property. We explained to you that for the Community Safety Unit to consider such an application they would need to have the Mental Health Team involved. You then explained that Simon was given an appointment to see Dr Benyure from the Enfield Community Mental Health Services on 31/08/2018, and it was agreed that the management transfer application will be put on hold until the next Panel meeting on 28/09/2018, to allow time for the Mental Health assessment to be carried out.

We have since been advised that Simon failed to attend the scheduled appointment and did not engage with the Mental Health team. As this meant there was no report to support a management transfer application the Community Safety Unit was unable to submit an application on his behalf. The Panel would require medical evidence in support of an application for a supported accommodation or for a larger property and we did not have one by the date of the last Panel meeting on 28/09/2018.

Speaker : 00:01 How are you doing Paul? It's Mr. Simon Cordell calling here.

Speaker : 00:04 Hi.

Speaker : 00:05 I'm quite concerned Paul we've everything that's been going on, I've been going through our conversations that I've recorded recently and I've took a copy of the actual court order, which is just all of the court orders. I've made a new Transition a new, I've made a new menu for it all, so I've got everything that's happened in that courthouse and when I'm actually going through it use lot are trying to kill me in that courthouse and when I'm going through the tape recordings and what I'm informing you of. I'm concerned that you're still working in your position, Paul and I'm suffering the way that I am inside of my house and the recordings that I've got from beforehand of all the other employees like Lemmy and that use lot are letting Lemmy and that run in that courthouse with that company credit card and spend money on it and make lies and not once since **2016** have I been allowed to speak.

Speaker : 00:50 Yeah, and explain myself, but you've let, Lemmy run in there doing X part A's asking him to put 300 pound and no one would tell me whether I needed a criminal solicitor or a civil solicitor. So, I'm not being allowed to solicitor all of the way through this. Yeah. Now I've been told I've got to get a criminal solicitor. I don't even know if the applications on me I, there's over 300 there's over 400 Lemmy just serve me a brand-new application with over 315 pages I have teared it apart and checked every single page for what is in it.

Speaker : 01:18 Every page is to do with the old claim number and he's just made up is he made up a load of lies on the phone like I explained to you the other day to set off the application. He, he, he says, he said that I've threatened him when I've got the recording of him telling me, Down, the phone is going to kill me and my mother.

Speaker : 01:33 Then he sent the police to my address while I'm in the police station. He's coming to your court again, use lot have let him get the same application again and refile it how, Lemmy started it like I explained to you. Yeah. I've got all the recordings of all the directors Sally Gilchrist who set me up for the first Asbo and I'm explaining to them on the phone calls like, I'm talking to you going through the case saying look I am not a white person and, in this case, says that I'm a white person, so how am I getting sat for nine years? Sally Gilchrist, the legal executives breaking down on the phone to me. Yeah. So, I continue with you've got. No signatures I break her to pieces like I'm breaking, you now. Yeah. You should listen to yourself. When I played back these conversations, Paul that we have had. Yeah, you are. They're all in my report and they're all online now. ready to go public Paul, Paul I do not think, you're going to have your job for much longer after this. Yeah. And use lot are all running to the judges and telling the judges. You're concerned about our conversations. Our compensations are official. Your paid money to deal with me. Are you paid a wage Paul?

Speaker : 02:35 Hello?

Speaker : 02:35 Hello I am here I am here.

Speaker : 02:35 Yeah. You are paid a wage to deal with the public are you not, so why are you scared and telling the judges that you're scared to talk to me, to deal with me when I'm telling you things that make sense and why are you lot forge. the Magistrate's court. Yeah, at Highbury they called the doctors and the doctors said there was nothing wrong with me. When I started showing them corruption withinside of their court, I went to Wood Green, I showed Wood green corruption within it and they called the doctors and set me up. The first time I attended your lower court, that judge dealt with it and I showed her all the evidence that I had of Lemmy. Cause what Lemmy done is he made a procession. He was trying to threaten me and my mother. Yeah. To go to court to go to the civic centre for a meeting the reason he was trying to threaten me and my mother to go for a meeting is, me and my mother had put to over 500 emails into the MPS and the councils explaining what my neighbours, the Mathiyalagan's were doing to me.

Speaker : 03:27 The people that are now supposed to supposedly the victims in your case load that use lot have got against me now. They were attacking me now I've got loads of videos. I showed the doctors, some of them, the other day in my flat and they run out of my flat. Yeh when I showed them the videos of what I've been telling you that I had already and asking you if I can bring them back to the court and you've refused, you use lot told me to put them through in a post box. You're outside the court. Yeah. I don't think that's fair. Yeah. And I'm suffering an injunction order cause use lot have accepted. God knows how much money off for Lemmy. You've not once, let me speak in that

courthouse and explain myself or show one bit of evidence and you're making me suffer in mind. Now you're letting this one the upstairs try and sit me up

Speaker : 04:06 I can't even walk out to go to the shops cause I go to the shops. They follow me to the shops. Then start saying that I'm setting them up and try and activate this injunction order. Lemmy, yeah, Lemmy after the 500 emails to the MPS and the councils and all to the police and to everyone else, I've got them all in a diary and I've got all the, I've made special pub books, brand new digital books for them all. Yeah. Now I've got all the emails to 500 emails to the council. Then what Lemmy does is he says to me, I arrested for stan case in **2016** supposedly threatening Stan. What I was supposed to have said to Stan is, if you keep doing this to me and Shannon and banging on them walls with pots and pans at me, I'm going to get you in the park now because I said that to Stan in **2016** if you keep in danger mine and Shannon and Heidy's life.

Speaker : 04:52 I got, Stan got me arrested by the police for criminal investigation while that case was ongoing. I've got, I've got, I've got refused bail and take them to court the next day the court heard the case and he let me play a couple of video tapes to him of what Stan was doing to me. The judge threw the case straight out of the court. Now once the judge threw the case out of court, I come back home to my flat. But Lemmy got a message off the witness care team in Angel Islington saying that stan had lost the case. So now what's what Stan what, what, what's the, what's the what? Lemmy never gotten the message directly. Lemmy's line manager got it because I've got a copy of it, I strip their computers and got the copies of it. Yeah. And now so, the witness care message team message Lemmy Kenitchwa his line manager and said the case is over.

Speaker : 05:39 Then Lemmy started messaging me and my mum and started saying if we don't go from meetings at that civic centre about this dead case that I've already won at court, he's going to put a possession order in. I said to Lemmy that, that is entrapment. I've got all the recordings. That's entrapment. Lemmy please can you go to the first Asbo folder that is in your offices that you made and realize that there's no, no signatures. Now what Lemmy does is he goes to the first Asbo folder in the offices and he notices that there's a page on there that I could never prove before. This is like another part of the story. But in my first Asbo when I was going for trial, every time I went for trial, solicitor firm would try and run and leave the case because they didn't want to do corruption.

Speaker : 06:17 Talk about corruption. Yeah. So, what happened is on one of the occasions before the trial, the solicitor my solicitor tried to do this and that, the judge said if, my solicitor, my solicitor can't leave without Michael Carroll the main director come in to court. They can't leave the case. Yeah. So now.

Speaker : 06:32 [inaudible].

Speaker : 06:32 now I had to wait another six months for another trial because this was the day before the trial. The day before trial again, solicitor done the same thing again. Try to scream and run out at a court case. Now this time the judge went back on his words, which I've got writing and what he'd done is he said,

Speaker : 06:49 inaudible.

Speaker : 06:49 are you're listening to this because this is important this part? Yeah.

Speaker : 06:52 Yep.

Speaker : 06:52 What? Lemmy has done what he has done. What, what? what the solicitor done. The second time she tried to run away from the case.

Speaker : 06:57 The judge let her do it before I got to the court. Now I went into the court and I had to go at the judge. I've got the paperwork; you said that the solicitors are not allowed to leave me. Yeah. And that they have been paid too much money. already? Yeah, but you've now let them go before I even got to court on the day of my trial for the second time now the judge said there's nothing he can do. He's going against his word, but I need to go to the solicitor firm, collect the folders, the Abo folders. So now I went to the solicitor firm and I collected the, Asbo folders later that evening for court the next day for trial. When I collected the folders, my solicitor had given them all of my paperwork, my defence paperwork for the first Asbo.

Speaker : 07:34 And because I had done all the page numbers on it, she gave that to Sally Gilchrist. So, Sally Gilchrist made a brand new Asbo application and changed all the page numbers when she'd done this on the third page, she used my bail conditions and my conditions and she made a threat, attend court and dis us and were re - man scribbling out words on it. Now I collected that of, my Solicitor Josie and I could never prove it because I never had it digitally given to me. No one sent it by email. So, my Josie could have done it to me or, or the legal firm; Sally Gilchrist and that could have done it. Made the threats in the folder. Now Lemmy on the phone. to Lemmy the other day after he forged the possession order what he done was he was forcing me for a meeting at the civic centre on the dead case with Stan, what he'd done is I told him on the phone, can you tell me the last complaint that you've ever had from me about me now this was on the seventh of 2017 yeah, he said each went on the computer like you hear him typing and he goes are the 1st of January is the first complaint.

Speaker : 07:34

Speaker : 07:34

Speaker : 07:34

Speaker : 07:34

Speaker : 07:34

Speaker : 07:34

Speaker : 08:34 So I laughed at him. I said, I, the time limitation act is out Lemmy all of your cases are out of date and I've been arrested for them already. Now he got the hump and what he'd done is he copied and pasted all of the dates and slammed them all over. So now everything that's happen in this happened three times and he served me a possession order. Now I've got all the council's history, what he done was, he made a big mistake and put all of the council's history for each claimant inside of the folder as well. So now I've took all the claimants' histories and the dates that they went to the civic centre and they made a phone call and you can see all the extra dates that Lemmy

copied and pasted. Now I also went to the council and got a freedom of information act just prior to Lemmy and I've got all of the counsel's information.

Speaker : 09:17 Any way that is on their computers. So now all these dates you can prove that Lemmy copied and pasted them, which is under the fraud company at 2006 and tried to Nick my flat off me at the same time. All of the letters he sending me, he is sending me like 15 letters saying if he can't get back into my flat to turn the water back on for the Mathiyalagan family to keep on assaulting me. He's taking my flat. That's what this was over. He wants to turn the water back on to let them, so that they can attack me. I've got loads of videos of what they were doing when the water was on. Yeah. No one's let me play them to them yet. Lemmy. I made 220 phone calls to the nine, nine, nine call centres in regard to them protecting me and I've requested all of them recordings.

Speaker : 09:55 It took a year to get them. The cops didn't want to give it to me, but then it gave me the recordings of me phoning about the Mathiyalagan's and that. Yeah, so now I'd like to bring that in. Now Lemmy forged the possession order, which I can prove. Then he also, he also copied and pasted because of the dates. Then he also, when he went to the Asbo folder the first Asbo folder and he took the threats out of the Asbo folder and he forgot to turn he forgot to notice the signatures that were missing and he put the threats inside of the injunction order and he served it to me through email. Now I've got the email here because Josie never served it to me by email. Neither did, neither did the other firm with all the threats attend court and re - man and were re - man and do your basically now Lemmy didn't know that.

Speaker : 10:41 They didn't send that to me digitally and I couldn't prove that he sent that digitally and he sent it in the latest folder, which means that the writing and the threats come from inside the civic centre because it's in their folders as well. Yeah. Now I want them arrested for this and I don't want your court to keep playing with me and I don't want your court to accept no more money off for Lemmy yeah, in regard to applications or ex - party applications. And not, especially when they're not telling me whether I need a civil solicitor or a criminal solicitor, yeah, now, I'm telling you I'm going to go public unless, you can organize this inside of your court. Paul, I'm telling you I'm going to go public and I believe I'm, I'm, I'm, I'm 1000% sure use lot are all going to get spun by special operation in your goanna buy a IPOC all over you and you're going to have all the public at you as well.

Speaker : 11:27 Wanting to throw eggs and tomatoes at use lot. Yeah, because what I've got here, yeah. What, I've built what I've done an investigation on use lot. I knew your court, couldn't touch me the same as the magistrates on the upper courts, because I've got the recordings to prove my innocence. Every time I've knocked on their front door, I phoned the police first before I go upstairs. I go upstairs after the police tell me they're not going to protect me and you can hear me knocking on their door like that normally. But you can watch me in my front room for an hour before I go upstairs and call the police and you can watch them attacking me. Bang, bang, bang, bang. For an hour

beforehand. I called the police. Like a reasonable person. The police say they're not goanna do nothing. I'll knock on that door like a reasonable person.

Speaker : 12:06 The Lemmy's copied and pasted, aggressively banging and aggressively banging. This isn't fair. Now you've got Lemmy because Lemmy lost all of the cases. He's gone and said he lied. I've got a record and he said that I frightened him on the 9th on the 10th of January. That I frightened him down the phone when really in the conversation I'm saying you've been defrauding all this paperwork. Lemmy, how can you do that? I'm phoning all the executive directors. Lemmy's boss main bosses above Konnichiwa on this and I am recording all of them as well. I've got loads of recordings of heavy littler and all the emails to her that my mum sent in from 14 to 16. Every email my mum sent from 14 to 16 to all the MPS I have took all the names and I phoned them all up like I phoned you up Paul. And I've recorded every single one of them. Now I've recorded all of them.

Speaker : 12:52 Now everyone that avoided all the them FOI's all of the official complaints. Yeah, I've got them all on recording every everyone. Yeah. I'm telling you; you aren't ready for more case when it comes to that court. Yeah. And half of you is going to get arrested. I'm not joking. I don't need to destroy no lives. I don't need to do that. What I wanted was the keys to the park.

Speaker : 13:14 Um, obviously we know one would want anyone's to destroy anyone's life's we are a court.

Speaker : 13:19 No you lot do and you're lying.

Speaker : 13:21 I am a saint.

Speaker : 13:21 at first. At first you didn't, but that you fought, you fought yet. You know what? At first you didn't use lot, use lot, while I was watching the court and recording it and use it. We're acting reasonably. Then Lemmy started. forging you, you throw. You struck the first Asbo folder out the first injunction order out, which the judge done, which was right that that judge did. Yeah. Then judge Cohn's, wherever his name is, John Cohn's.

Speaker : 13:41 non auditable.

Speaker : 13:41 he sat there and he started going against what every other judge has done, reinstate it all, shyness. If you look at the right and the history behind this case and what they've done to me do you know how many times use lot have broken the laws. Yeah, use lot, use lot more than criminals in there more than criminals. I've done nothing wrong.

Speaker : 14:00 You've not let me speak once. Lemmy is writing his own caseload, this is Lemmy got me arrested for threats to kill, after forging all of this, after me record in all of the directors saying, Lemmy has forged all the possession order. I can prove it. All that has set me up to cover up the FOI's, he has stopped me from getting these people arrested. Then he's gone to the true perpetrator perpetrators. He's picked them and made them look like victims and made me look like the perpetrator when there's 500 emails and videos proving that these are the ones attacking me and Shannon and Heidi. Yeah, and they're going against you what your constitution says, they'd been let, let, let

to do political persuasion and pinpointing me out for like HIV and AIDS and treating me worse than a person that's ever supposed to be treated.

Speaker : 14:43 Yeah. And I don't think this is fair. My personal date, it's been spread and I've got all the recordings and the clinics, the hospitals, everyone saying that there's never been nothing wrong with me. Yeah. In real life they banged throw my nans death. I was in my house, they banged throw my nans death yeah, none stop, you watched the videos of what they'd done to me, throw my nans death, I had to put headphones on and listen to audio books on and rock in my front room, while stain and the Mathiyalagan family are banging, banging, banging, bang. I've got another woman after that, met another woman. We had a baby and they bang so much. When you have a woman come into my house that she lost the baby as well and I've got the paper, I've lost the child here. I'm locked in my house on conditions since **2016** because of your court and I've been all conditions from 16 all the way up till now and I and, and I'm not even done. Nothing wrong. Yeah. I'm not even allowed to be an explained myself or give use lot evidence once you, every time I go to your court, you shut me down. The only people that I can speak to, Paul is you lot and I'm telling you the truth. Recording you lot, and you lot are all planning on avoiding it all and putting the phone down and nothing's happening about it. What do you get paid for in there?

Speaker : 15:48 How can I help you on the phone right now?

Speaker : 15:50 I've asked you loads of times to call this back to court and stop it before these conversations wouldn't be happening if you had listened to me in the beginning and called it back before court and done the next part. I done, done a declaration of notice. I told you I had evidence to prove that I was innocent and I had videos to prove that I wasn't served. I've told you I had evidence of everything all the way through since 16 on the phone and so was my mother had been telling you and you've allowed it to continue and every time all you say is how can I help you on the phone? I'm suffering in my house. With conditions and this family upstairs are the family that done this to me Shannon and Heidi and made the whole wide world know all this shit about my personal data. That isn't true. Yeah. And now use lot are protecting them in that court and trying to get me five years in prison and I never done nothing. Apart from build a community event in my front room and work hard every day. How are you lot letting this happen. You look court of Law; this is supposed to be the UK. We're supposed to have the best Judicial systems in the whole of the world, in this country. So why are you lot acting so, with so much neglect and misconduct towards me.

Speaker : 16:50 Do you have your case number on you?

Speaker : 16:52 I've gotten this two case numbers. Yeah, I do. E my electrics just gone off on my house. I'd have to tell you; I'm going to go to the shop and get some more electric. I'm going to let you let go. I'm going to come with my solicitor and sort this out with use lot.

Speaker : 17:02 ok.

Speaker : 17:02 Have a good day, Paul. Man,

Speaker : 17:05 you to, bye.
Speaker : 17:05 To bye.

Speaker: 02:09 Okay. I'd appreciate that.
Speaker: 02:09
Speaker: 02:09
Speaker: 02:09
Speaker: 02:09
Speaker: 02:11 Right, let's have a look so, that is Burn - Croft [inaudible] [inaudible] Oh yeah. Michael Had you Jeremy Free, will he know what it's regarding.
Speaker: 02:36 He should do in the back of his head that he isn't managing these caseloads, very um, correctly with fair process and he's on the eighth is okay. Just to go through it with you on the eight on the 15th of the eight, I won three cases against the Enfield County Court um, against the Enfield Council. The judge ordered that I get a like for like two-bedroom house and um, with back garden front garden and everything the paperwork went over to the Enfield Council solicitor firm. They've signed it and sent it over to my Solicitor firm. We've all agreed and sending over to them on eight for the 15th.
Speaker: 03:08 Hm, hm.
Speaker: 03:08 So this was an emergency **transfer**. Now somehow, they started to boycott the situation and they've said, okay, the next annual general meeting is on the 28th 8 they said that'd be 15 days in time. They, they, they, it's going to take them a bit longer to sort things out.
Speaker: 03:24 So the next annual general meeting will be on the ninth the ninth the end of the ninth so I must wait till the end of the ninth I said, this is an emergency **transfer** judges ordered it and it's for my safety and they've [inaudible] you shouldn't be treating it as an annual general meeting. You should treat it as such as what?
Speaker: 03:40 hmm.

Speaker: 03:40 It's classed as they've, they pushed it over, to the turn ninth. Anyway, I allowed for that to happen in the end because I didn't have many options. They've, they've held a S they've held a secret meeting which I'm not allowed to attend in the civic centre, [inaudible]. I found that the, and to try and get them to go to the boardroom, meeting and I wasn't allowed to go on the ninth on in the end of the ninth month. Now, no one has contacted me back since then.

Speaker: 04:03 I'm now in the 17th of the 10th and this was all detached.

Speaker: 04:07 Hm.

Speaker: 04:07 from the **transfer** to happen on the eight feet and 15th of the eighth. And I feel that negligence is taking part now on his role because he understands my case load and I've won the cases, I'm in the right and they have no reason to treat me the way that I'm being treated by them. I've had to build a website which shows all the past workers. I just refer to, um, which,

Speaker: 04:26 um.

Speaker: 04:26 which is called horrific corruption. And I've, I can show, do you have Google available to you by any chance?

Speaker: 04:34 No, not at the moment.

Speaker: 04:34 But, do none of you lot in the office, because I don't turn it on otherwise cause otherwise the damage it can cause to.

Speaker: 04:38 [inaudible]

Speaker: 04:38 everyone's lives. I can turn it on and just let use, lot see into it for half an hour. So, you can have a look at what's actually going on here. They farcified a possession order, which can be proved because of the time stamps that the council did. Then they falsified another injunction order, another injunction order, which I've won. They also farcified an Asbo on me, um, before anything started and the, Asbo is missing all of the signatures of the people, that um, through that through the police officer, the victims, sorry, it says that white people commit the crime on not even white at the time the parties were going on. I never throw them. I, so I copied the Facebook profiles of the people that throw the parties, which proves that, and I'm not the organizer of these events.

Speaker: 05:19 Plus there's the timestamps to the. The police are call centre and go backwards. They made up the paperwork and set me up and they keep kept setting me up. So, I've made all brand-new PDF books and made all new websites of all the emails, that was 500 emails that went to your departments in the MP'S before anything happened. And they caught a sex scandal as a smokescreen in my name. When me and my partner have never argued, I never hurt my partner and they have endangered my life and endangered her life. And endangered the young sibling's life and none of us are happy about what they've done. We've got all the clinics, recordings at the time on our phone on up on the website. We've got everything to protect ourselves to prove the truth of what's really happened here and we just want someone to pay attention.

Speaker: 05:59 They're trying to let, they're just saying that the last case the judge, judge, judge knew he was in trouble and I could prove that the timestamps are wrong for the council on that. Lemmy Nwabuisi is a new person who started the company had copied and pasted all of the stuff because I told him about the time limitation Act 1980 on the phone. I asked him, can you go into the computer please in the recording I was recording and he said yeah, I'll go into the computer and check that the day of the last claim. And they said anything about me and he checked in, he goes on at six months ago. So, I said at the time limitation Act is out and he was trying to force me for a meeting at the civic centre. And I was saying that you can't force me for a meeting you're not a police officer. He's saying well if you don't come for this meeting. I'm going to possession order in. So, he copied and pasted like three claimant's claims and he'd made 31 claims, then went for injunction orders possession orders. He was gone. He's lived in the court with the company credit card trying to kill me like he's an assassin since he started the company and I've proved I can prove that. So easy do use lot have not got Google available.

Speaker: 06:57 No, not at the moment, but what I will do is it says that his line is busy so I'm going to send him an email to ask him to call you.

Speaker: 07:05 He had an email yesterday and he had an email about two days ago and I've had all employees sending him emails already and he's not contacting me back now and it's the 17th and I'm left suffering because of him not following protocol to what a judge has ordered and what has been signed by solicitors and what's under his company Mandate. Under his company reference alone, it says that he must deal with things efficiently and in a timely manner. With fair processing,

Speaker: 07:28 Hmm.

Speaker: 07:28 he isn't doing so as you can see by the dates. Now that I am phone in the 17th of the 10th but, I'm going to leave it to yourself, Madam, to make another call and another email to him and I might try again a bit later on this afternoon about two o'clock just after lunch, if that's okay with yourselves.

Speaker: 07:43 Yeah. that's fine that's fine.

Speaker: 07:44 And then if not I'm going to continue tomorrow.

Speaker: 07:47 Okay.

Speaker: 07:48 And in mean time, I'll send an email to him.

Speaker: 07:49 Alright I will appreciate that you lot have a good day.

Speaker: 07:52 You're welcome. Thank you for calling ok I hope you kill yourself thank you. bye, bye [inaudible].

Dear Sir / Madam,

Re: LB Enfield v Simon Cordell Claim NO: F00ED222 Hearing: 12 December 2019 at 2pm t/e 20 mins at Edmonton County Court

We write further in this case. We would be grateful if you could advise us on whether you are still instructed by Mr Cordell.

The possession claim is listed for a direction's hearing on 12 December 2019.

We write to advise you that we are instructed to discontinue the claim on the basis that each party bears their own costs as there have been no recent incidents of antisocial behaviour. The situation will be monitored but for the time being it is not this authority's intention to proceed with the possession claim.

We request that you seek instructions and revert to us as soon as possible so that a suitable worded consent order maybe agreed.

Importance: High

Dear Karen Hale

I was wondering if you sent a copy of this to my son via his home address and if so on what date? Or has it just been sent to me?

If you could also, please send me a list of all dates and times my son has called and for what reason he has called for the past year, highlighting dates where you state he has been Vexatious, and Unreasonable I would be most grateful.

Also, I am sorry for the updated email the reason is due to me reading the letter fully what you have written, can you also please supply me with dates in the last year I have contracted the council for my son regarding the issues listed in the letter dated the 23/06/2020, again highlighting all dates and times you state I have been Vexatious and Unreasonable.

- I believe I contracted the council named officer once after the letter dated 27/06/2020 which I had no reply to.
- The other contract I had was due to an ongoing court case, which most of the time my son's solicitors was contracting the council towards the end of the case, I had to address the council directly as my son no longer had a solicitor acting for him.
- The only other time I had contract was when the MP was addressing issues regarding a court order which the court made which the council did not comply with.
- And the only other time I have had contact is due to repairs that needed doing to my sons flat.

Could you therefore supply me with the above information as soon as possible so this can be addressed in a timely manner?

Regards

Lorraine

THE LONDON BOROUGH OF ENFIELD
VS
MR SIMON CORDELL

Dear District Judge Dias

It is with concern that I must now bring this matter to your attention regarding the hearing of the 09th August 2018 case reference E00ED049 for which you was the presiding judge

Whereby You asked Enfield Council to draft the order and to be submitted to the court for it to be sealed, Enfield Council contacted Mr Cordell's solicitor regarding amendments that were made, Mr Cordell's solicitor was away on annual leave, when Mr Cordell solicitor came back from annual leave she made amendments to Enfield Council's draft order but has never heard back regarding the amendments she made.

Enfield Council's draft order was somehow then sealed by the court a few days after Mr Cordell's solicitor sent the draft order she had made to Enfield Council and the

courts. At this time the 22 November 2018 we still have not had a copy of the courts sealed order.

I believe there is errors within Enfield Council's draft order to what was actually said in court, and I do not know how to address this, but Enfield Council is stating things to people that was not even stated in court.

At this time I am trying to put in an application to obtain the transcripts of the court hearing, but I am waiting for some information from the court in order to be able to do this.

Mr Cordell has not long been released from hospital where he was under section, Enfield Council have still not moved him and he still living in hell regarding what the neighbours are doing to him.

It would seem Enfield Council has been relaying incorrect information to the mental health team regarding the court hearings, and I believe they are being able to get away with this due to how they drafted the court order of the 09th August 2018 hearing.

It seems Enfield Council is doing everything they can not to move my son, they have even stated they are going for a possession order of his flat, in fact they told the mental health team:

> *"Enfield Council has decided to seek possession of Mr Cordell's flat via the courts. In a recent court case the judge recommended that Enfield Council re-house Mr Cordell on the proviso that he engages with the mental health team which is failed to do."*

This was not said in court in fact when Enfield Council tried to put this in place you told them no you would not allow this.

It seems as if Enfield Council will stop at nothing to not move my son, I have been trying to liaison with Enfield Council and the mental health team regarding moving my son, it would seem shortly after the court hearing my son was moved over to a

new mental health team who I was in contact with asking for help in regards to them writing a letter regarding my son's housing which they refused to do until they had met him, this in itself was going to cause a problem because as you are aware my son does not feel as if he has a mental health problem, I even emailed Angela Hague as she was the last person to have assessed my son in June 2018 which the court had a report of and was read before the court on the 26 June 2018 at the hearing.

The issue seems to be with the like to like property, which I do not believe is appropriate as I believe my son needs family support and someone staying with him in order for us to try and make him understand that he needs support from the mental health team, I know this was spoken about in court on 9 August 2018 where I believe Enfield Council is stating you told them to consider this, but Enfield Council will not consider this unless I get a letter from the mental health team, Enfield Council is also under the assumption I stated my son needed supported accommodation, I did not state this in court, I said I did not want my son in supported accommodation that if my son had a two-bedroom property his family would support him which I believe in the correct things to do for my son.

It seems as if Enfield Council is continuously passing information that is incorrect to the mental health team, and the only reason I can see for this is that they are trying to keep him in hospital.

From the point my son was hospitalised and taken out of that flat his health started to improve greatly in hospital, even the doctors and nurses noticed this, they tried to put in place a section 3 due to what Enfield Council has said to them, the section 3 was not granted due to laws within section 3 and my son not being detain-able under section 3, my son stated he was willing to stay voluntarily in hospital and he was willing to do this, but due to the doctors not getting the section 3 they wanted, they then discharged my son the following day with no support in place because they needed the beds.

Since my son has gone back to the flat his health has started to decline again, due to what the neighbours are doing. When my son was in hospital his cousin was staying at the flat to look after my son's dog, the first day he stayed there he himself was going

to go up to the neighbours regarding the constant banging, the next day the neighbours saw my son's cousin from their window and I believe at that point they knew my son was not there, so the banging stopped.

Since my son was getting no help from Enfield Council I took it upon myself to make an appointment to see his MP, his MP is in contact with Enfield Council, but the longer my son is left in that flat the worst his health is going to get due to what the neighbours are doing. I believe the MP has now also caught adult social services involved in at this time we are waiting for a letter from Enfield Council regarding moving my son, but I am scared due to Enfield Council knowing my son has been released from hospital they are going to start court proceedings for a possession order, although the MP has told me not to worry about my son being evicted I cannot help but worry, I have tried to get hold of my sons solicitor who acted for him but due to them being more involved in criminal law I do not believe as was stated in court on 9 August 2018 they understand civil in the way it should be, a belief they feel that the case was concluded on 9 August 2018, and therefore have little involvement thereafter.

When I called the court and explained the situation the court bought up the order of 9 August 2018, and stated there is not an order that my son is moved by Enfield Council, I was under the belief that this is what the court did order, therefore I fail to understand why it is not included as part of the court order Enfield Council drafted.

Any help would be greatly appreciated as at this point in time I am not sure what to do or where I stand to help my son, it seems Enfield Council can do what they want to leave my son in the flat which is affecting his health due to what the neighbours are doing, mislead the mental health service in what Enfield Council is saying to them, not once since this order was made has Enfield Council bothered to even want to see my son to see how he is coping, I'm sure there should be some duty of care towards my son yet Enfield Council don't seem to believe they need to follow that.

It just like the way throughout all the court hearings Enfield Council was at, where they misled the court regarding to my son's health, I am asking for help as at this point I don't know where to turn and what to do.

I look forward to hearing from you with your views and recommendations in regards to this.

Yours Sincerely

Miss Lorraine Cordell (Mother of Simon Cordell0
