Please note that as an NHS patient all costs relating to your care will be paid by the NHS. Failing to attend appointments could result in you being referred back to your GP or referring clinician.

We continue to use NHS and government guidance and maintain best practice infection prevention and control measures for healthcare settings.

This Letter, along with the Registration Form and our Patient Terms and Conditions make up the entire agreement between us and you for the Hospital Services. By signing the Registration Form, you agree to be bound by our Patient Terms and Conditions. Please note that in addition to these documents, there will be separate contractual arrangements in place between you and each Consultant(s) providing their Consultant Services as part of your Care pathway.
