

Is he a Transgender?

[Vintage 1986 World of Wonder Disney 26" Talking RARE Minny & Mickey Plush Toy!! | eBay](#)

I know how to use the WOW pulse so the characters can talk with any voice. I can update them using MP3 player packs without modifying the dolls at all. The original WOW pulse stays intact, and the new voice plays over it, so the character still moves and reacts exactly like it should — just with whatever voice or story I choose.

My plan is to bring a **“Minnie Mouse to live!”**
