			IT WOULD APPEAR THERE IS SOME SORT OF DISPUTE OVER OWNERSHIP The following persons were present at the review: Detainee present. All were given an opportunity to represent. The custody officer was not informed of the review outcome The detainee was informed of the decision.

			The detainee was not informed of the detention circumstances The outcome of the review was that continued detention was authorised on grounds : • 1 have considered the original circumstances of arrest and PACE Code G necessity grounds as communicated by the officer presenting the arrest and documented on this custody record. 1 have considered the custody officer's reasons for detention under S37 PACE at the time of arrival and enquired into the investigation plan to determine if the reasons for detention remain the same or have now changed. • The detainee was not detained under S37(9) PACE and was fit to be dealt with. • 1 conducted my review in person - at the cell. • 1 explained my role and the purpose of the review, reminded them of the original reasons for the arrest and detention, reminded them of their continuing right to; obtain free and independent legal advice, to have someone informed of their arrest and to read the codes of practice, and asked the detainee if they wished to make any representations about their detention or continued detention. • 1 have reviewed the welfare the DP has received/been offered and 1 have explained the welfare available and find that there are no known factors which cannot be properly catered for in custody. • 1 have offered the DP the opportunity to make representations. • Current investigation position - AWAITING INTERVIEW BY NA SG WHO ARE REVIEWING THE AVAILABLE EVIDENCE AND ASCERTAINING ANY RLE PRIOR TO INTERVIEW. MALE THEN DETAINED FOR BREACH OF TAG X 3 • 1 consider further detention is necessary in order to allow the detainee to be interviewed about the offences for which they have been arrested for, as well as for investigations such as victim & Witness statements, CCTV & BWV enquiries & to obtain a Case Disposal Decision from the ERO /CPS. Release of the detainee at this point would impede the ability of the MPS to investigate this allegation properly; 1 have authorised their further detention up to a maximum of 9 hours. • Legal Advice : details on record The OIC did not inform the authorising officer of any documents or materials in their possession or control which appear to undermine the need to keep the suspect in custody.
