Subject: URGENT — For the Judge — New Interference, Funeral Clash, and Request for Immediate Directions

To: highburyandislingtonmc@justice.gov.uk

CC: northlondon.cps@cps.gov.uk, contactcrime@justice.gov.uk

Dear Legal Adviser,

Please urgently place the attached documents before the Presiding Judge.

Since my last communication, new events have occurred which now make it impossible for me to attend court on the listed date. My family have booked my mother's funeral for the same day as my trial, and I cannot be in two places at once. This is an unavoidable and deeply distressing clash.

In addition, my aunt, uncle, and father have again attempted to interfere with my bail address, my electronic monitoring conditions, and my access to my lawful residences. Their previous interference caused wrongful arrests and disruption to my compliance, and they have stated they intend to repeat this behaviour.

I am attaching **two separate documents**, each covering a different issue due to the first not being able to be sent due to family and Wrongful Breach of Tag Exclusion Allegations:

Attachment 1 — “For Court 27-04-26”

This document deals specifically with **third-party interference** by my aunt, uncle, and father.

It explains how they have used my bail conditions, tag, and property access to interfere with civil matters, and why I urgently need the Court to direct that no third party may contact the Court, CPS, Serco, or police on my behalf.

Attachment 2 — “For Court Tag 17-05-2025” this is the most UpToDate!

This document sets out the **procedural failures** affecting my ability to comply with bail and prepare a defence, including:

1+ Denial Of Legal Representation 2+ Refusal Of Defence Files 3+ Lack Of Disclosure 4+ Issues With The Electronic Tag 5+ Access Problems At My Properties 6+ And Now The Funeral Clash

Both documents are necessary because they address **separate but connected issues** that are now preventing me from complying with bail and participating in the proceedings.

I respectfully request that the Court urgently:

1+ Confirm that no third party may contact the Court, CPS, Serco, or police regarding my bail conditions.

2+ Direct that any such communications be disregarded.

3+ Consider the attached letters setting out the full background and the procedural failures affecting my ability to comply.

4+ Address the funeral clash and the need for adjournment or variation.

Thank you for your assistance.

Yours faithfully,

Mr. Simon Paul Cordell

FORMAL LETTER TO THE JUDGE

Request for Immediate Bail Variation, Removal of Tag, Removal of Exclusion Zone, and Judicial Intervention Due to Procedural Failures

To: The Presiding Judge

Court: Highbury & Islington Magistrates' Court / Crown Court (as applicable)

Case Reference: 01YE1267925 (02/08/2025)

Defendant: Mr. Simon Paul Cordell **Date:** 17 May 2026

To Your Honour's,

I write to you directly because I am currently unable to obtain legal representation, and I am being forced to act as a litigant in person against my will. I respectfully request the Court's urgent intervention regarding:

1. **The Removal Of My Electronic Tag**
2. **The Removal Of The Exclusion Zone**
3. **Restoration Of Access To My Home At 109 Burncroft Avenue**
4. **Restoration Of Access To 23 Byron Terrace**
5. **Correction Of Unlawful Bail Conditions**
6. **Adjournment Or Discontinuance Due To The Clash With My Mother's Funeral**
7. **Judicial Review Of Serious Procedural Failures Affecting My Right To A Fair Trial**

I set out the relevant facts below.

1. I am denied legal representation — Section 38 through the cases proceedings has wrongly been applied

Throughout these proceedings, **Section 38** was repeatedly and incorrectly applied, preventing me from:

1+ Speaking Privately With A Solicitor 2+ Receiving Legal Advice 3+ Preparing My Defence 4+ Understanding The Case Against Me 5+ Accessing Disclosure 6+ Having A Fair Trial I do **not** choose to represent myself.

I repeatedly request legal representation.

It continues to be denied to me even at the present.

I feel that this has been a breach of **Article 6 ECHR** and the **Criminal Procedure Rules** and wish for I not to be continued!

2. My defence files are refused once placed on the Common Platform

I upload my defence files repeatedly, through the correct channels.

I email all involved to resolve the issues, but the involved teams refuse to act in compliance.

I send them as my defence files directly to the CPS.

I record myself giving them to the CPS and the courts, as well as at the time the legal section 38 appointed solicitor firms.

The court and CPS and legal firms **refuse to store them and refuse to bring them into court.**

This means:

Any Judges cannot see my evidence at hearings and Trials unfairly, leaving me with inadequate Fair Arms in these proceedings as the days have continued to go past.

the CPS refuse to respond to my evidence

Therefore, my defence is never considered

I am forced to defend myself blindly

This is a fundamental procedural failure.

3. I am denied disclosure

The CPS does not disclose the requested:

1. **Identity of the OIC “PC Quick”**: The custody record lists “PC Quick”, but no officer has ever met him and Met CCC cannot locate any officer by that name or warrant number on internal police systems.
2. **Proof of any further arrest**: as required by law after the original Section 4a matter was marked No Further Action.
3. **CPS Request For Review**: by police for the allegation of threats to cause criminal damage.
4. **CPS Charging Decision**: recorded by police in the police detention logs for the substituted allegation after the Section 4A matter was discontinued.
5. **Working Links Or Copies Of Exhibits And Unused Material**: which are key evidence for the defence.
6. **Full Custody Logs**: with explanations for all entries and omissions.
7. **Body-Worn Video**: from all officers present, in a working, viewable format.
8. **Complete Interview Recording**: the first three quarters recorded so persons in attendance can be identified and the reasons for the interview is viewable as the final 2 minutes as disclosed by the prosecuting teams does not provide this information mandatory information.
9. **Signed And Verified Prosecution Witness Statements**: the versions disclosed are unsigned and relate to a previous matter that was discontinued.
10. **The CPS “Case Ratio” File And Folder Disclosed?**: shows metadata proving it was created months *after* the date of charge, even though by law such a case folder can only be created by CPS *before* charge. This raises serious concerns about the authenticity and timing of the disclosed material.

I cannot prepare a defence without fair disclosure.

4. My mother’s funeral is on the same day as the trial

I am informed by my family that the only available date for my mother’s burial is booked for the 29th May 2026, the same date as my trial.

This makes it impossible for me to attend court or participate meaningfully.
I respectfully request: **adjournment**, or
discontinuance, given the cumulative procedural failures.

5. My electronic tag and exclusion zone are unlawful

My electronic tag remains on my leg, but the tag box was **removed without my consent** after my aunt **misled Serco** and signed a false statement saying I could not stay at 280 Durants Road. Since then:

1+ **Serco Refuse To Reinstall The Tag Box**

2+ **Serco State They Cannot Act Until The OIC ("PC Quick") Confirms My Bail Conditions**

3+ **Met CCC Cannot Locate Any Officer Called "PC Quick"**, Even When Given The Warrant/Collar Number From My Custody Record 4+ **Officers Present During My Arrest Also Stated They Had Never Met Or Spoken To Him**

5+ **Custody Staff Could Not Find Him On The Internal Police System**

This leaves me:

1+ **Tagged**

2+ **Unable To Comply But Not In Breach Of My Conditions As This Was Out Of My Control!**

3+ **Unable To Charge The Tag** 4+ **Unable To Update The Tag Box** 5+ **Unable To Access My Home** 6+ **At Risk Of Breach Through No Fault Of My Own** The situation is **unsafe, unworkable, and unlawful.**

I respectfully request the immediate removal of the electronic tag and exclusion zone.

6. I need access to my home at 109 Burncroft Avenue

I have been excluded from my home for **over 10 months.**

This prevents me from:

1+ **Accessing Personal Correspondence**

2+ **Topping Up Gas And Electricity**

3+ **Securing The Property**

4+ **Maintaining Food Safety**

5+ **Retrieving Legal Documents**

6+ **Retrieving Evidence**

7+ **Retrieving Essential Belongings**

8+ **I Invest Thousands Into Rebuilding My Home.**

I Am In The Middle Of Repairs When The Allegation Is Made.

I did not commit the offence.

I respectfully request:

Immediate restoration of access to 109 Burncroft Avenue.

7. I need access to 23 Byron Terrace

I am officially **care-of 23 Byron Terrace**, my late mother's council address.

All my mail is registered there.

I am a **long-term resident** of the property.

I am in an **active succession application** with Enfield Council.

Under the **Housing Act 1985**, I am entitled to remain in occupation until the succession decision is made.

This is a **civil housing matter**, and my understanding is that nothing in these criminal proceedings affects my right to reside at the property.

I respectfully ask the Court to confirm that there is **no restriction arising from this case** that prevents me from occupying 23 Byron Terrace.

I request immediate restoration of access to the property.

5. The cumulative failures make a fair trial impossible

I am denied:

1+ Legal Representation 2+ Disclosure 3+ Access To My Home 4+ Access To Evidence

5+ Access To The Common Platform Or Far Arm While Acting Litigant!

6+ Access To The Cps Files Taking Into Account Its Own Inconsistencies

7+ Access To The OIC "Pc Quick"

8+ Access To The Tag Box

9+ Access To The Courts Fair Process

10+ I am forced to act as a litigant in person against my will.

11+ My mother's funeral is on the same day as the trial.

The proceedings surely cannot continue fairly.

REQUESTS TO THE COURT

I respectfully request the following orders:

1+ Removal of electronic tag 2+ Removal of exclusion zone

3+ Restoration of access to 109 Burncroft Avenue Enfield London EN3 7JQ

4+ Restoration of access to 23 Byron Terrace Edmonton London N9 7DG

5+ Confirmation that bail conditions are unlawful and void

6+ Adjournment or discontinuance of the trial

7+ Direction for CPS to upload and review all defence files

8+ Direction for CPS to provide full disclosure

9+ Direction for legal representation to be appointed immediately

Closing

Your Honour,

I am doing everything in my power to comply with the law, but the system is blocking me at every stage. I cannot defend myself without access to my home, my evidence, my legal files, or legal representation. I respectfully ask the Court to intervene urgently.

Yours faithfully,

Mr. Simon Paul Cordell

COURT LETTER — INTEGRATED & UPDATED To the Court,

I am writing to request that the Court formally disregard and refuse to act upon any further contact, representations, or requests made by my aunt (Sheila), my uncle (Andrew), or my father in relation to my bail address, my electronic monitoring conditions, or any aspect of my criminal proceedings.

Since my mother's passing on 7 April 2026, these individuals have repeatedly attempted to use my bail conditions and electronic tag to interfere with matters that are entirely civil in nature, including property access, inheritance issues, succession rights, and the administration of my late mother's estate. Their actions have caused significant disruption, confusion, and unnecessary police involvement, and have directly interfered with my ability to comply with my bail conditions.

BACKGROUND

On 4 August 2025, the Court initially set my bail address at my sister's home. This was not sustainable for her or for me. My late mother then submitted a bail address verification request from her iPhone, requesting that I be permitted to reside at 280 Durants Road, due to her medical needs and the fact that my room at 23 Byron Terrace was being used to support her care.

On 8 August 2025, the Court approved this request and formally set 280 Durants Road as my bail address.

This arrangement has never been revoked by my mother or by the Court.

My aunt and uncle were aware of this arrangement at the time and raised no objections until after my mother passed away.

Since her passing, they have attempted to involve themselves in my bail conditions in ways that are improper, unauthorised, and outside their legal authority.

LEGAL STATUS OF THE PROPERTIES & INHERITANCE STRUCTURE

1. 280 Durants Road — Ownership & Rights

This property originally belonged to my nan and grandad (Jimmy & Kathy Cordell). When they passed away, the house was inherited equally by:

1+ My Mother, 2+ My Uncle Andrew, 3+ My Aunt Sheila.

Each received one-third.

My mother told me in writing:

"My share is my share, and I'm giving you, your brother and your sister my share."

This was her clear intention.

My father was never a tenant. He lived there as a guest, with no legal rights. My aunt Sheila lives in Edmonton and not Enfield.

My uncle Andrew lives elsewhere.

Neither of them live with me at 280.

I lived at 280 under a court-approved bail address, due to a request of my mother a part share homeowner and maintained the property, and with my father am the only person actually residing there.

Legal Meaning:

- 1+ I Am Lawfully Residing At 280 Under Court Order.
- 2+ I Have Beneficial Interest In My Mother's Share.
- 3+ My Aunt And Uncle Cannot Evict Me, Change Locks, Or Interfere With My Bail Address.

2. 23 Byron Terrace — Succession Rights

This is a secure council tenancy held by my mother.

I lived there long-term due to my disability and support needs.

My driving licence, passport, GP, and council tax were registered there. Under the Housing Act 1985, I qualify for succession because:

- 1+ I Lived There As My Main Home.
- 2+ I Was Part Of My Mother's Household.
- 3+ I Lived There For 12+ Months Before Her Death.
- 4+ I Was Dependent On Her Support.
- 5+ The Council Had Records Confirming My Residence.

Legal Meaning:

I have a strong legal right to succeed to 23 Byron Terrace.

3. 109 Burncroft Avenue — Secure Tenancy & Access Needs

I have been the secure tenant of 109 Burncroft since 2006.

The property is a one-bedroom flat, unsuitable for my disability needs. The Edmonton County Court ordered that I must be provided with a two- bedroom property to allow for carer support.

Enfield Council failed to comply.

I still hold the tenancy and require controlled, supervised access to:

- 1+ Secure Belongings.
- 2+ Organise Personal Effects.
- 3+ Allow Council Contractors To Carry Out Essential Works. 4+
- Prepare For A Tenancy Swap If The Council Agrees.

This includes access for:

- 1+ Front Door Replacement.
- 2+ Installation Of A Fire-Safe Internal Door.
- 3+ Gas Safety Inspections.
- 4+ Mandatory Maintenance.
- 5+ Repairs.

6+ Meter Readings, 7+
Compliance Checks, 8+
Council Inspections.

I confirm that:

- 1+ I Will **Not** Attend 109 Burncroft Alone.
- 2+ I Will Be Accompanied By **A Person Of My Choice** At All Times.
- 3+ All Access Will Be **Supervised**, Safe, And Compliant.

4. Nan & Grandad's House — Final Ownership Structure The current ownership of 280 is:

- 1+ Andrew — 1/3 2+ Sheila — 1/3
- 3+ Me, Tyrone, And Dion — 1/3 (Shared)

My aunt and uncle cannot:

- 1+ Remove My Share.
- 2+ Sell The House Without My Consent.
- 3+ Use My Bail/Tag To Interfere With Inheritance.
- 4+ Block My Access.
- 5+ Change Locks.
- 6+ Or Manipulate The Criminal Process For Civil Gain.

EXAMPLES OF INTERFERENCE

- 1 **Attempts to force me to leave my Court-approved bail address:** They repeatedly told me I "do not belong" at **280 Durants Road**, despite it being my Court-approved bail address.
2. **Blackmail relating to access to my mother's home:** They told me I would **not be allowed into my mother's home** unless I agreed to leave my bail address and give up rights connected to the property.
3. **Changing the locks at 280 Durants Road:** They arranged for the locks to be changed without my knowledge or consent, directly interfering with my ability to comply with bail.
4. **Blocking my lawful access to 23 Byron Terrace:** My cousin physically blocked the doorway, preventing me from entering my mother's home.
5. **Misrepresenting their authority to police and others:** They falsely presented themselves as having authority over my bail address and property access.
6. **Attempting to use the criminal process to influence civil matters:** They attempted to use my tag and bail conditions to gain advantage in inheritance and property disputes.
7. **Contacting Serco to interfere with my bail conditions:** They attempted to have my bail address changed without my knowledge.

8. Repeated police involvement caused by their actions: Their interference resulted in wrongful arrests, confusion, and disruption to my compliance.

In Other Words:

- 1+ They Are Trying To Drag A Civil Dispute (Inheritance, Access, Property, Belongings, Succession, Family House Issues)
- 2+ Into A Criminal Court,
- 3+ By Weaponising my Court Tag And Bail Conditions,
- 4+ To Block me From Exercising my Legal Rights,
- 5+ And To Influence Or Manipulate The Criminal Proceedings For Their Own

Benefit. This is not allowed in law.

A Criminal Court Must Not Be Used As A Tool To:

- 1+ Settle Family Disputes 2+ Influence Inheritance 3+ Block Civil Claims 4+ Interfere With Property Rights 5+ Manipulate Succession 6+ Or Control Access To Assets

My aunt and uncle are attempting to do this, so is mandatory for the court to be told clearly and formally and this is what I am doing right now to act in accordance with united kingdom's laws.

WHY I AM ASKING THE COURT TO INTERVENE So, that I Can remain fully compliant with my bail conditions.

However, Third-Party Interference Has:

- 1+ Disrupted My Compliance,
- 2+ Caused Wrongful Arrests,
- 3+ Obstructed My Access To Property,
- 4+ Interfered With Inheritance Rights, 5+ Created Risk Of Accidental Breach, 6+ And Destabilised My Living Situation.

I am simply trying to secure my mother's estate, protect my housing rights, and comply with the law.

WHAT I AM ASKING THE COURT TO ORDER

- 1+ V Removal of the electronic tag
- 2+ V Bail address to be set at 280 Durants Road
- 3+ V Permission to also reside at 23 Byron Terrace
- 4+ V Controlled, supervised access to 109 Burncroft Avenue of my choose of person.
- 5+ V A condition that I must not attend 115 Burncroft Avenue

6+ V Protection from interference by my aunt and uncle

I also confirm:

1+ V I will NOT attend Burncroft alone, unless granted by the Courts and CPS, Meaning that: -2+ V I will NOT go to 115 Burncroft Avenue 3+ V As I only want to secure my property and comply with the law 4+ V And I want to protect my mother's estate and my housing rights..

Yours faithfully,
Simon Cordell

Hi,

I'm forwarding this message to clarify the situation with the emails I sent and my case Files I

originally sent my correspondence to **two addresses at the same time**:

- contactcrime@justice.gov.uk
- highburyandislingtonmc@justice.gov.uk

Out of these, **only one address bounced back** — the Highbury & Islington mailbox — with a 550 access denied error, which suggests that the address is no longer active or accepting external messages.

The other email (contactcrime@justice.gov.uk) was successfully delivered. Also i had to add the **Case Reference Number in the email!**

So I'm also forwarding this to all so everyone is aware of the delivery issue and to confirm that my correspondence has reached the correct active mailboxes.

Thank you,

I apologise that the original attachments could not be opened.

1. Request for Adjournment - Funeral of My Mother

I respectfully renew my request for an adjournment due to the funeral of my late mother on **29/05/2026**.

I hold the **Interim Certificate of Fact of Death**, but I have not yet been provided with written confirmation of the funeral arrangements because I am not in contact with my family. I will forward confirmation as soon as I am able to obtain it.

2. Primary Request - Case to be Discontinued

After more than **10 months**, and for the reasons set out clearly in the two linked documents, I respectfully request that this case now be **disposed of as discontinued**.

The documents explain:

- the repeated third-party interference
- the wrongful arrests caused by incorrect information
- the instability created by bail conditions that were influenced by family disputes
- the impact on my housing, my mother's estate, and my ability to comply
- the fact that the case has now exceeded a reasonable timeframe

Given the full circumstances, I respectfully ask the Court to discontinue the matter.

3. If Discontinuance Is Refused - Requests for Bail Variation

If the Court is not minded to discontinue the case, then I respectfully request the following bail variations (as set out in the two documents):

(a) Removal of the electronic tag

Due to repeated third-party interference affecting compliance and causing wrongful arrests.

(b) Bail address to be set at 280 Durants Road

Previously approved by the Court and the only stable address available.

(c) Permission to also reside at 23 Byron Terrace

My late mother's secure tenancy, where I lived long-term and have succession rights.

(d) Controlled, supervised access to 109 Burncroft Avenue

To secure belongings, allow council access, and meet tenancy obligations. I confirm I will not attend alone.

(e) A condition not to attend 115 Burncroft Avenue

To prevent further conflict.

(f) Protection from third-party interference

My aunt and uncle have repeatedly attempted to use my bail conditions and electronic monitoring to influence civil matters relating to inheritance, property access, and my mother's estate. I respectfully ask the Court to note this.

Thank you for your assistance. I will provide the funeral confirmation as soon as it becomes available.

Yours faithfully, **Mr. Simon Paul Cordell**

• Urgent: Case 1 — URN: 01YE1267925

FORMAL LETTER TO THE JUDGE

Request for Immediate Bail Variation, Removal of Tag, Removal of Exclusion Zone, and Judicial Intervention Due to Procedural Failures

To: The Presiding Judge

Court: Highbury & Islington Magistrates' Court / Crown Court (as applicable)

Case Reference: 01YE1267925 (02/08/2025)

Defendant: Mr. Simon Paul Cordell **Date:** 18th May 2026

My Telephone Number is: +447864217519.

To Your Honour's,

I write to you directly because I am currently unable to obtain legal representation, and I am being forced to act as a litigant in person against my will. I respectfully request the Court's urgent intervention regarding:

1. **The Removal Of My Electronic Tag**
2. **The Removal Of The Exclusion Zone**
3. **Restoration Of Access To My Home At 109 Burncroft Avenue**
4. **Restoration Of Access To 23 Byron Terrace**
5. **Correction Of Unlawful Bail Conditions**
6. **Adjournment Or Discontinuance Due To The Clash With My Mother's Funeral**
7. **Judicial Review Of Serious Procedural Failures Affecting My Right To A Fair Trial**

I set out the relevant facts below.

1. I am denied legal representation — Section 38 through the cases proceedings has wrongly been applied

Throughout these proceedings, **Section 38** was repeatedly and incorrectly applied, preventing me from:

- 1+ Speaking Privately With A Solicitor
- 2+ Receiving Legal Advice 3+ Preparing My Defence 4+ Understanding The Case Against Me 5+ Accessing Disclosure 6+ Having A Fair Trial

I do **not** choose to represent myself.

I repeatedly request legal representation.

It continues to be denied to me even at the present.

I feel that this has been a breach of **Article 6 ECHR** and the **Criminal Procedure Rules** and wish for I not to be continued!

1. My defence files are refused once placed on the Common Platform

I upload my defence files repeatedly, through the correct channels.

I email all involved to resolve the issues, but the involved teams refuse to act in compliance.

I send them as my defence files directly to the CPS.

I record myself giving them to the CPS and the courts, as well as at the time the legal section 38 appointed solicitor firms.

The court and CPS and legal firms **refuse to store them** and **refuse to bring them into court**.

This means:

Any Judges cannot see my evidence at hearings and Trials unfairly, leaving me with inadequate Fair Arms in these proceedings as the days have continued to go past.

the CPS refuse to respond to my evidence

Therefore, my defence is never considered

I am forced to defend myself blindly

This is a fundamental procedural failure.

2. I am denied disclosure

The CPS does not disclose the requested:

1. **Identity of the OIC “PC Quick”**: The custody record lists “PC Quick”, **but** no officer has ever met him **and** Met CCC cannot locate any officer by that name or warrant number **on internal police systems**.
2. **Proof of any further arrest**: as required by law after the original Section 4a matter was marked **No Further Action**.
3. **CPS Request For Review**: by police for the allegation of threats to cause criminal damage.
4. **CPS Charging Decision**: recorded by police in the police detention logs for the substituted allegation after the Section 4A matter was discontinued.
5. **Working Links Or Copies Of Exhibits And Unused Material**: which are key evidence for the defence.
6. **Full Custody Logs**: with explanations for all entries and omissions.
7. **Body-Worn Video**: from all officers present, in a working, viewable format.
8. **Complete Interview Recording**: the first three quarters recorded so persons in attendance can be identified and the reasons for the interview is viewable as the final 2 minutes as disclosed by the prosecuting teams does not provide this information mandatory information.
9. **Signed And Verified Prosecution Witness Statements**: the versions disclosed are unsigned and relate to a previous matter that was discontinued.
10. **The CPS “Case Ratio” File And Folder Disclosed?**: shows metadata proving it was created months *after* the date of charge, even though by law such a case folder can only be created by CPS *before* charge. This raises serious concerns about the authenticity and timing of the disclosed material.

I cannot prepare a defence without fair disclosure.

4. My mother's funeral is on the same day as the trial

I am informed by my family that the only available date for my mother's burial is booked for the **29th May 2026**, the same date as my trial.

This makes it impossible for me to attend court or participate meaningfully.

I respectfully

request:

adjournment, or

discontinuance, given the cumulative procedural failures.

5. My electronic tag and exclusion zone are unlawful

My electronic tag remains on my leg, but the tag box was **removed without my consent** after my aunt **misled Serco** and signed a false statement saying I could not stay at 280 Durants Road. Since then:

1+ Serco Refuse To Reinstall The Tag Box

2+ Serco State They Cannot Act Until The OIC ("PC Quick") Confirms My Bail Conditions

3+ Met CCC Cannot Locate Any Officer Called "PC Quick", Even When Given The Warrant/Collar Number From My Custody Record **4+ Officers Present During My Arrest Also Stated They Had Never Met Or Spoken To Him**

5+ Custody Staff Could Not Find Him On The Internal Police System

This leaves me:

1+ Tagged

2+ Unable To Comply But Not In Breach Of My Conditions As This Was Out Of My Control!

3+ Unable To Charge The Tag **4+ Unable To Update The Tag Box** **5+ Unable To Access My Home** **6+ At Risk Of Breach Through No Fault Of My Own** The situation is **unsafe, unworkable, and unlawful.**

I respectfully request the immediate removal of the electronic tag and exclusion zone.

6. I need access to my home at 109 Burncroft Avenue

I have been excluded from my home for **over 10 months.**

This prevents me from:

1+ Accessing Personal Correspondence

2+ Topping Up Gas And Electricity

3+ Securing The Property

4+ Maintaining Food Safety

5+ Retrieving Legal Documents

6+ Retrieving Evidence

7+ Retrieving Essential Belongings

8+ I Invest Thousands Into Rebuilding My Home.

I Am In The Middle Of Repairs When The Allegation Is Made.

I did not commit the offence.

I respectfully request:

Immediate restoration of access to 109 Burncroft Avenue.

7. I need access to 23 Byron Terrace

I am officially **care-of 23 Byron Terrace**, my late mother's council address.

All my mail is registered there.

I am a **long-term resident** of the property.

I am in an **active succession application** with Enfield Council.

Under the **Housing Act 1985**, I am entitled to remain in occupation until the succession decision is made.

This is a **civil housing matter**, and my understanding is that nothing in these criminal proceedings affects my right to reside at the property.

I respectfully ask the Court to confirm that there is **no restriction arising from this case** that prevents me from occupying 23 Byron Terrace.

I request immediate restoration of access to the property.

8. The cumulative failures make a fair trial impossible

I am denied:

- 1+ Legal Representation 2+ Disclosure 3+ Access To My Home 4+ Access To Evidence
- 5+ Access To The Common Platform Or Far Arm While Acting Litigant!
- 6+ Access To The Cps Files Taking Into Account Its Own Inconsistencies
- 7+ Access To The OIC "Pc Quick"
- 8+ Access To The Tag Box
- 9+ Access To The Courts Fair Process
- 10+ I am forced to act as a litigant in person against my will.
- 11+ My mother's funeral is on the same day as the trial.

The proceedings surely cannot continue fairly.

REQUESTS TO THE COURT

I respectfully request the following orders:

- 1+ Removal of electronic tag 2+ Removal of exclusion zone
- 3+ Restoration of access to 109 Burncroft Avenue Enfield London EN3 7JQ
- 4+ Restoration of access to 23 Byron Terrace Edmonton London N9 7DG
- 5+ Confirmation that bail conditions are unlawful and void
- 6+ Adjournment or discontinuance of the trial
- 7+ Direction for CPS to upload and review all defence files
- 8+ Direction for CPS to provide full disclosure
- 9+ Direction for legal representation to be appointed immediately

Closing

Your Honour,

I am doing everything in my power to comply with the law, but the system is blocking me at every stage. I cannot defend myself without access to my home, my evidence, my legal files, or legal representation. I respectfully ask the Court to intervene urgently.

Yours faithfully,

Mr. Simon Paul Cordell

COURT LETTER — INTEGRATED & UPDATED To the Court,

I am writing to request that the Court formally disregard and refuse to act upon any further contact, representations, or requests made by my aunt (Sheila), my uncle (Andrew), or my father in relation to my bail address, my electronic monitoring conditions, or any aspect of my criminal proceedings.

Since my mother's passing on 7 April 2026, these individuals have repeatedly attempted to use my bail conditions and electronic tag to interfere with matters that are entirely civil in nature, including property access, inheritance issues, succession rights, and the administration of my late mother's estate. Their actions have caused significant disruption, confusion, and unnecessary police involvement, and have directly interfered with my ability to comply with my bail conditions.

BACKGROUND

On 4 August 2025, the Court initially set my bail address at my sister's home. This was not sustainable for her or for me. My late mother then submitted a bail address verification request from **her iPhone**, requesting that I be permitted to reside at **280 Durants Road**, due to her medical needs and the fact that my room at **23 Byron Terrace** was being used to support her care.

On **8 August 2025**, the Court approved this request and formally set **280 Durants Road** as my bail address.

This arrangement has **never been revoked** by my mother or by the Court.

My aunt and uncle were aware of this arrangement at the time and raised no objections until after my mother passed away.

Since her passing, they have attempted to involve themselves in my bail conditions in ways that are improper, unauthorised, and outside their legal authority.

LEGAL STATUS OF THE PROPERTIES & INHERITANCE STRUCTURE

1. 280 Durants Road — Ownership & Rights

This property originally belonged to my **nan and grandad (Jimmy & Kathy Cordell)**. When they passed away, the house was inherited **equally** by:

1+ My Mother, 2+ My Uncle Andrew, 3+ My Aunt Sheila.

Each received **one-third**.

My mother told me in writing:

"My share is my share, and I'm giving you, your brother and your sister my share."

This was her clear intention.

My father was **never a tenant**. He lived there as a **guest**, with **no legal rights**. My aunt Sheila lives in Edmonton and not Enfield.

My uncle Andrew lives elsewhere.

Neither of them live with me at 280.

I lived at 280 under a **court-approved bail address**, due to a request of my mother a part share homeowner and maintained the property, and with my father am the only person actually residing there.

Legal Meaning:

- 1+ I Am Lawfully Residing At 280 Under Court Order.
- 2+ I Have Beneficial Interest In My Mother's Share.
- 3+ My Aunt And Uncle Cannot Evict Me, Change Locks, Or Interfere With My Bail Address.

2. **23 Byron Terrace — Succession Rights**

This is a **secure council tenancy** held by my mother.

I lived there long-term due to my disability and support needs.

My **driving licence, passport, GP, and council tax** were registered there. Under the Housing Act 1985, I qualify for **succession** because:

- 1+ I Lived There As My **Main Home**.
- 2+ I Was Part Of My Mother's **Household**.
- 3+ I Lived There For **12+ Months Before Her Death**.
- 4+ I Was Dependent On Her Support.
- 5+ The Council Had Records Confirming My Residence.

Legal Meaning:

I have a **strong legal right to succeed** to 23 Byron Terrace.

3. **109 Burncroft Avenue — Secure Tenancy & Access Needs**

I have been the secure tenant of 109 Burncroft since 2006.

The property is a **one-bedroom flat**, unsuitable for my disability needs. The **Edmonton County Court ordered** that I must be provided with a **two- bedroom property** to allow for carer support.

Enfield Council failed to comply.

I still hold the tenancy and require **controlled, supervised access** to:

- 1+ Secure Belongings.
- 2+ Organise Personal Effects.
- 3+ Allow Council Contractors To Carry Out Essential Works. 4+ Prepare For A Tenancy Swap If The Council Agrees.

This includes access for:

- 1+ Front Door Replacement.
- 2+ Installation Of A Fire-Safe Internal Door.
- 3+ Gas Safety Inspections.
- 4+ Mandatory Maintenance.
- 5+ Repairs.

6+ Meter Readings, 7+ Compliance Checks, 8+ Council Inspections.

I confirm that:

- 1+ I Will Not Attend 109 Burncroft Alone.
- 2+ I Will Be Accompanied By A Person Of My Choice At All Times.
- 3+ All Access Will Be Supervised, Safe, And Compliant.

4. Nan & Grandad's House — Final Ownership Structure The current ownership of 280 is:

- 1+ Andrew — 1/3 2+ Sheila — 1/3
- 3+ Me, Tyrone, And Dion — 1/3 (Shared)

My aunt and uncle cannot:

- 1+ Remove My Share,
- 2+ Sell The House Without My Consent,
- 3+ Use My Bail/Tag To Interfere With Inheritance,
- 4+ Block My Access,
- 5+ Change Locks,
- 6+ Or Manipulate The Criminal Process For Civil Gain.

EXAMPLES OF INTERFERENCE

- 1 Attempts to force me to leave my Court-approved bail address: They repeatedly told me I "do not belong" at 280 Durants Road, despite it being my Court-approved bail address.
- 2. Blackmail relating to access to my mother's home: They told me I would not be allowed into my mother's home unless I agreed to leave my bail address and give up rights connected to the property.
- 3. Changing the locks at 280 Durants Road: They arranged for the locks to be changed without my knowledge or consent, directly interfering with my ability to comply with bail.
- 4. Blocking my lawful access to 23 Byron Terrace: My cousin physically blocked the doorway, preventing me from entering my mother's home.
- 5. Misrepresenting their authority to police and others: They falsely presented themselves as having authority over my bail address and property access.
- 6. Attempting to use the criminal process to influence civil matters: They attempted to use my tag and bail conditions to gain advantage in inheritance and property disputes.
- 7. Contacting Serco to interfere with my bail conditions: They attempted to have my bail address changed without my knowledge.

8. **Repeated police involvement caused by their actions:** Their interference resulted in wrongful arrests, confusion, and disruption to my compliance.

In Other Words:

- 1+ They Are Trying To Drag A **Civil Dispute** (Inheritance, Access, Property, Belongings, Succession, Family House Issues)
- 2+ Into A **Criminal Court**,
- 3+ By Weaponising my Court **Tag** And **Bail Conditions**,
- 4+ To Block me From Exercising my **Legal Rights**,
- 5+ And To Influence Or Manipulate The Criminal Proceedings For Their Own Benefit.

This is **not allowed** in law.

A Criminal Court Must Not Be Used As A Tool To:

- 1+ Settle Family Disputes
- 2+ Influence Inheritance
- 3+ Block Civil Claims
- 4+ Interfere With Property Rights
- 5+ Manipulate Succession
- 6+ Or Control Access To Assets

My aunt and uncle are attempting to do this, so is mandatory for the court to be told **clearly and formally** and this is what I am doing right now to act in accordance with united kingdom's laws.

WHY I AM ASKING THE COURT TO INTERVENE So, that I Can remain fully compliant with my bail conditions.

However, Third-Party Interference Has:

- 1+ Disrupted My Compliance,
- 2+ Caused Wrongful Arrests,
- 3+ Obstructed My Access To Property,
- 4+ Interfered With Inheritance Rights,
- 5+ Created Risk Of Accidental Breach,
- 6+ And Destabilised My Living Situation.

I am simply trying to secure my mother's estate, protect my housing rights, and comply with the law.

WHAT I AM ASKING THE COURT TO ORDER

- 1+ **V** Removal of the electronic tag
- 2+ **V** Bail address to be set at 280 Durants Road
- 3+ **V** Permission to also reside at 23 Byron Terrace
- 4+ **V** Controlled, supervised access to 109 Burncroft Avenue of my choose of person.
- 5+ **V** A condition that I must not attend 115 Burncroft Avenue

6+ V Protection from interference by my aunt and uncle

I also confirm:

I apologise that the original attachments could not be opened.

1. Request for Adjournment - Funeral of My Mother

I respectfully renew my request for an adjournment due to the funeral of my late mother on **29/05/2026**.

I hold the **Interim Certificate of Fact of Death**, but I have not yet been provided with written confirmation of the funeral arrangements because I am not in contact with my family. I will forward confirmation as soon as I am able to obtain it.

2. Primary Request - Case to be Discontinued

After more than **10 months**, and for the reasons set out clearly in the two linked documents, I respectfully request that this case now be **disposed of as discontinued**.

The documents explain:

- the repeated third-party interference
- the wrongful arrests caused by incorrect information
- the instability created by bail conditions that were influenced by family disputes
- the impact on my housing, my mother's estate, and my ability to comply
- the fact that the case has now exceeded a reasonable timeframe

Given the full circumstances, I respectfully ask the Court to discontinue the matter.

3. If Discontinuance Is Refused - Requests for Bail Variation

If the Court is not minded to discontinue the case, then I respectfully request the following bail variations (as set out in the two documents):

(a) Removal of the electronic tag

Due to repeated third-party interference affecting compliance and causing wrongful arrests.

(b) Bail address to be set at 280 Durants Road

Previously approved by the Court and the only stable address available.

(c) Permission to also reside at 23 Byron Terrace

My late mother's secure tenancy, where I lived long-term and have succession rights.

(d) Controlled, supervised access to 109 Burncroft Avenue

To secure belongings, allow council access, and meet tenancy obligations. I confirm I will not attend alone.

(e) **A condition not to attend 115 Burncroft Avenue**
To prevent further conflict.

(f) **Protection from third-party interference**

My aunt and uncle have repeatedly attempted to use my bail conditions and electronic monitoring to influence civil matters relating to inheritance, property access, and my mother's estate. I respectfully ask the Court to note this.

Thank you for your assistance. I will provide the funeral confirmation as soon as it becomes available.

Yours faithfully, **Mr. Simon Paul Cordell**

Subject: Re: Funeral Time Confirmation - Case 01YE1267925

Dear Mr Cooper,

Thank you for your message. I've been busy with friends sorting things for mothers funeral!

I had no involvement in organising my mother's funeral other than costs and have not been included in any of the arrangements made by my brother, sister, uncle or aunt. Due to a complete breakdown in the family, I am no longer part of their group and cannot rely on them for information.

The order of service was created by my family without me. I edited the time on the copy I am using because I am organising my own arrangements separately from them. I have my own group of people attending — individuals who were close to my mother through me — and I need time earlier in the day to prepare for them. I am not attending as a guest; I am responsible for my own section of the day, which is separate from the main family's plans.

I understand from your email that the service itself is at **5.00pm**, and I will attend the church at that time. The earlier time on my version reflects the preparation I need to do beforehand for my own arrangements, as I have been excluded from the main family planning.

I would be grateful if the Court could accept that I am acting in good faith based on the limited and conflicting information available to me. My intention is simply to attend my mother's funeral respectfully and manage my own responsibilities on the day.

If I receive any updated confirmation, I will forward it immediately.

Yours faithfully,
Mr Simon Paul Cordell

Subject: Case 01YE1267925 - Urgent: In-Person Attendance Not Possible

Dear Mr Cooper,
Thank you for your email.

I need to make the Court aware that I am not able to attend in person tomorrow morning. My mother is being buried tomorrow, and I am responsible for organising my own arrangements for the day. I am also managing PTSD and have no one available to accompany me on the long journey to Highbury Corner. The stress and circumstances mean I am not mentally or physically able to travel to court on the day of her funeral.

I am not refusing to cooperate with the Court. I have been trying for months to obtain legal representation and have repeatedly contacted the Court for assistance. I am simply unable to attend in person tomorrow due to bereavement, distance, health, and the funeral itself.

I respectfully ask that the Court consider my adjournment request on compassionate grounds, or alternatively provide guidance on how I can make the application without being required to travel on the day of my mother's burial.

Yours faithfully, **Mr Simon Paul Cordell**

I am not attending as a guest; I am responsible for my own section of the day, which is separate from the main family's plans.

I understand from your email that the service itself is at **5.00pm**, and I will attend the church at that time. The earlier time on my version reflects the preparation I need to do beforehand for my own arrangements, as I have been excluded from the main family planning.

I would be grateful if the Court could accept that I am acting in good faith based on the limited and conflicting information available to me. My intention is simply to attend my mother's funeral respectfully and manage my own responsibilities on the day.

If I receive any updated confirmation, I will forward it immediately.

Yours faithfully,
Mr Simon Paul Cordell

I apologise that the original attachments could not be opened.

1. Request for Adjournment - Funeral of My Mother

I respectfully renew my request for an adjournment due to the funeral of my late mother on **29/05/2026**.

I hold the **Interim Certificate of Fact of Death**, but I have not yet been provided with written confirmation of the funeral arrangements because I am not in contact with my family. I will forward confirmation as soon as I am able to obtain it.

2. Primary Request - Case to be Discontinued

After more than **10 months**, and for the reasons set out clearly in the two linked documents, I respectfully request that this case now be **disposed of as discontinued**.

The documents explain:

- the repeated third-party interference
- the wrongful arrests caused by incorrect information
- the instability created by bail conditions that were influenced by family disputes
- the impact on my housing, my mother's estate, and my ability to comply

- the fact that the case has now exceeded a reasonable timeframe

Given the full circumstances, I respectfully ask the Court to discontinue the matter.

3. If Discontinuance Is Refused - Requests for Bail Variation

If the Court is not minded to discontinue the case, then I respectfully request the following bail variations (as set out in the two documents):

(a) Removal of the electronic tag

Due to repeated third-party interference affecting compliance and causing wrongful arrests.

(b) Bail address to be set at 280 Durants Road

Previously approved by the Court and the only stable address available.

(c) Permission to also reside at 23 Byron Terrace

My late mother's secure tenancy, where I lived long-term and have succession rights.

(d) Controlled, supervised access to 109 Burncroft Avenue

To secure belongings, allow council access, and meet tenancy obligations.

I confirm I will not attend alone.

(e) A condition not to attend 115 Burncroft Avenue

To prevent further conflict.

(f) Protection from third-party interference

My aunt and uncle have repeatedly attempted to use my bail conditions and electronic monitoring to influence civil matters relating to inheritance, property access, and my mother's estate. I respectfully ask the Court to note this.

Thank you for your assistance. I will provide the funeral confirmation as soon as it becomes available.

Yours faithfully, **Mr. Simon Paul Cordell**

Subject: Case 01YE1267925 - Urgent: In-Person Attendance Not Possible Dear Mr Cooper,
Thank you for your email.

I need to make the Court aware that I am not able to attend in person tomorrow morning. My mother is being buried tomorrow, and I am responsible for organising my own arrangements for the day. I am also managing PTSD and have no one available to accompany me on the long journey to Highbury Corner. The stress and circumstances mean I am not mentally or physically able to travel to court on the day of her funeral.

I am not refusing to cooperate with the Court. I have been trying for months to obtain legal representation and have repeatedly contacted the Court for assistance. I am simply unable to attend in person tomorrow due to bereavement, distance, health, and the funeral itself.

I respectfully ask that the Court consider my adjournment request on compassionate grounds, or alternatively provide guidance on how I can make the application without being required to travel on the day of my mother's burial.

Yours faithfully, **Mr Simon Paul Cordell**

Dear Sir

You have admitted altering the time on a document and then submitting it to the court to support an application to adjourn your trial. As such I cannot consider the matter any further. Any application to adjourn must be made in-person at the court tomorrow morning.

Therefore, you must attend court 9, Highbury Corner Magistrates Court at 9:30am tomorrow morning and present yourself to the list caller in readiness for when the court starts at 10:00am. If you fail to attend the trial will proceed in your absence.

Subject: Re: Funeral Time Confirmation - Case 01YE1267925 Dear Mr Cooper,

Thank you for your message. I've been busy with friends sorting things for mothers funeral!

I had no involvement in organising my mother's funeral other than costs and have not been included in any of the arrangements made by my brother, sister, uncle or aunt. Due to a complete breakdown in the family, I am no longer part of their group and cannot rely on them for information.

The order of service was created by my family without me. I edited the time on the copy I am using because I am organising my own arrangements separately from them. I have my own group of people attending — individuals who were close to my mother through me — and I need time earlier in the day to prepare for them. I am not attending as a guest; I am responsible for my own section of the day, which is separate from the main family's plans.

I understand from your email that the service itself is at **5.00pm**, and I will attend the church at that time. The earlier time on my version reflects the preparation I need to do beforehand for my own arrangements, as I have been excluded from the main family planning.
