

**Coroner ME Hassell  
HM Senior Coroner  
Inner North London**

Case ref: 24573854  
Date: 11 June 2026

Dear Andrew Cordell

### **NOTICE OF DISCONTINUANCE**

I confirm that I have decided to discontinue the investigation into the death of Lorraine Caroline Cordell. I do so exercising my powers under section 4 of the Coroners and Justice Act 2009.

My reason for discontinuance is that the cause of death has been revealed as:

- 1(a) Infective exacerbation of chronic obstructive pulmonary disease (COPD)
- (b)
- (c)
- (d)
- 2 Frailty, end stage renal disease

As the cause of death is natural, I am concluding the investigation without holding an inquest.

You must now make arrangements to register the death and obtain the death certificate. An appointment to register can be made by Camden Town Hall and Registry Office. If you have any questions about this, please do not hesitate to contact Camden Town Hall and Registry Office.

I extend my condolences on your loss.

Yours sincerely

Coroner S Bourke  
HM Assistant Coroner
