Message received to call Simon.

Called Simon on his mobile. Asks after my
welfare. He went on to say that a

PC Steve E

And

Steve from the civic are in collaboration. He has
had a call from

Louise Brown

(he asked me write down her name) making
threats to get the MH team out to see him. Says
his neighbour is victimizing him. Doesn't want
the police or MH team visiting him to say he

has anxiety. The spoke of writing constitutions; he has incriminating evidence. He has things in black and white that are being used against him. He was pressured, thought disordered and difficult to follow. He again mentioned HIV

but could I not make any sense of what he was saying as it was rambles. I have spoken with the AMHP office, and I understand a warrant has been granted and a police risk assessment has been forwarded to the police along with the warrant and a date is now being awaited. I shall email AMHP office to alert them to my conversation today.

Hi Louise, Jackie,

Mr Cordell called this afternoon requesting to speak with yourselves in regard to his case against his neighbour.

I am sure you know the details; however, he did say that his neighbour is making noise when he undresses. He did go on to mention an incident that resulted in both himself and his neighbour in an awkward position when he attempted to help her move her bed.

Mr Cordell is expecting a call back this afternoon.

Kind Regards
