On Wednesday 20th August 2014 between 12:00 and 13:00 hours I was on duty with Pc McMillan 7594E when we attended WOODGRANGE GARDENS and spoke to residents about a rave which took place at a nearby Warehouse recently. Resident (2) - Ino informed us that the rave had a devastating effect on her and her family. This resident does not wish to give her name, however she told us that she is a shift worker and for the entire weekend she did not get any sleep, because of the loud music and people from the rave making noise outside all night. On the mornings after the rave, there were people in cars sleeping and drinking alcohol. There were people vomiting all over the road and young men urinating on the streets. She found the crowd very aggressive and intimidating and these were men peering over the walls into the houses which was quite scary.
