they were aware as other people had already called to report this. At approximately 2pm the music stopped for 15 minutes, and then started again through to the morning. I contacted the police again shortly after the music started and they referred me to the noise nuisance team. Unfortunately there was no one there to answer the call. The music carried on all night and into the next day. It totally wrecked my weekend. At 1000hrs Saturday morning, we left our home to go a family gathering and returned back in the early hours of Sunday 8<sup>th</sup> June 2014 at around 0100hrs. On our return I could not believe that the music was still playing! I could not believe that I may have to suffer another night of no sleep, I felt miserable and cranky, this effected my family due to the fact I had no sleep. The music continued until the early hours of Sunday morning, causing me to get no sleep. I contacted the police again and also spoke to a member of the noise nuisance team at the council who told me there was very little they could do due to the vast numbers of people in attendance at this illegal rave. This type of illegal rave is not the first time it has been held at Progress Way, one took place over Christmas 2013 which kept us up as well! I really hope the person organising this type of event stops as he is causing so many problems for me and residents of Enfield.

On Wednesday 11<sup>th</sup> June 2014 I had occasion to attend
