STATEMENT OF WITNESS

(C.J. Act 1967, S2,9.M.C. Rules 1968 R58)

STATEMENT OF: Simon Cordell AGE OF WITNESS (if over 21): 34

OCCUPATION OF WITNESS: Unemployed ADDRESS: 109

Burncroft Avenue, Enfield, Middlesex, EN3 7JQ TELEPHONE:

This statement consisting of 7 page(s) each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

YA/450/15

I am Simon Cordell; my date of birth is 26th January 1981. My home address is as stated above. I am making this witness statement in response to members of the police and local authority's application for an anti-social behaviour order.

I am currently in the process of trying to establish my company. I have not yet incorporated it; however, I am currently working on having it registered as a company. I am aiming to have it registered as a limited company with charitable status within the articles of the memorandum of association. I have become a member at general meetings held at my local community hall In turn taking part in the daily challenges a community hall can be presented with. This has introduced me to various people who have helped me with good advice.

I have always wanted to give something back to the community. I have established my web site with a lot of help of others and have now "parked" my company, and I exhibit proof of this of this as SC/1. The company is not yet trading, but I aim to trade soon.

I was placed in the care system as a child, and I try to help vulnerable people. I know what it is like to have to fend for yourself. I exhibit letters of proof that I have helped homeless people as exhibit SC/2.

Signed …… Witnessed By

I believe that this application is an attempt by members of the police and local Authority to find me guilty of offences I have not committed in turn having an effect on my health and stopping me from developing my company, and it is not acceptable or reasonable. I am in the process of developing a business plan for a festival at Barley lands in Essex. I had planned to have this event in 2014, however, the stress of the ongoing ASBO proceedings have stopped me from putting this festival on. I exhibit a draft business plan as exhibit SC/3, and a business submission form for a community festival as exhibit SC/4.

I was once arrested by members of the police outside White Sands Nightclub on 14th November 2013 at Brixton Hill and I had my van seized. The reason given for stopping me was that I had "tools of the trade" in my van and my insurance did not cover driving a vehicle on this basis. My vehicle was seized as it was alleged that I did not have insurance. I was actually insured at the time, and there were no tools in my van. I exhibit proof of my insurance as exhibit SC/4. A police officer gave incorrect evidence in court that he had not taken my vehicle because there were tools in it; however, he had made an inconsistent statement previously saying that there were tools in the van. I exhibit proof of this incident as exhibits SC/5, a witness statement authenticating the sound recordings I have submitted, exhibit SC/6, transcripts of sound recordings of conversations with police personnel and my insurance company, and exhibit SC/7, a sound recording of a phone call from a police officer to my insurance company, and exhibit SC/8, a further sound recording of a phone call between the insurance company and the police car pound. I was convicted of driving without insurance on the basis of his evidence. I am appealing against conviction on the basis that the police officer gave incorrect evidence to court. My insurance company has provided me with a letter of indemnity and witness statement in this respect; however, I am currently banned from driving as a result of the officer's incorrect evidence. I exhibit the clerk's notes from the Magistrates Court trial verifying that the police officer told the court that my Van had not been seized because of there being tools in the Van, and a covering email from Lavender Hill Magistrates Court, as exhibit SC/9, and I exhibit proof that I am currently banned from driving as exhibit SC/10. I had a legitimate reason for being at White Sands Nightclub as I was discussing becoming entertainment manager for White Sands Nightclub; I was going to see a friend about the possibility of a job interview. My van was empty on the date in question.

I accept that I own entertainment equipment. I have acquired these for my company. I am trying to build a company, and the aim was to rent the equipment out to people. I have prepared draft terms and conditions of business that I exhibit as SC/11. I was trying to hire the equipment out to conferences, school fates, local community events, private birthday parties until the stress became too

Signed …… Witnessed By

much. I would hire the equipment out to private parties, and to people who could provide me with sufficient identification, and who could cover any damage to the equipment.

I have worked and attempted to work with charitable organizations, in particular Muswell Hill festival helping kids with cerebral palsy, as well as the local scouts Ponders End festival, Lock to Lock festival, Enfield Town Festival, Durant's Park Festival. I am a member on the committee at my local community hall, I have also been working alongside D.E.M.S event management service's in aid of Bliss who are a charity that helps premature babies. I have been building strong relationships with a view to developing a running business helping make a positive effect of today's people and society. I exhibit proof of my business relationship with D.E.M.S as exhibit SC/12. I am very concerned that this application is damaging my attempts to build a legitimate business by way of darkening my name and company brand. I had arranged a community charity children's fashion show fundraiser, and I exhibit proof of this in the form of tickets that had been printed for the event as exhibit SC/13. However, this event did not go ahead as planned as the stress of these ongoing proceedings meant I could not take part in it.

I am currently signed off from work due to problems that I am having. I exhibit proof of this in the form of my doctor's authorisation as exhibit SC/14. These proceedings have taken a large part in the deterioration of my health, by way of the stress caused.

I will now comment on the incidents that I am alleged to have been involved in and that form the substance of the complaint that has been laid against me.

I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at Canary Wharf on 12th January 2013. I accept having attended a private party on this date I had been invited to; I did not organise any event on the 12th January 2013, and I did not hire out or lend any sound equipment or encourage anybody else to do so. I arrived at the occupied building at about 10 or 11pm. I was there for about 3 hours, and then I was attacked by an occupier of the building and I was hospitalised. I was taken to hospital at about 2am. I do not know what happened after I left, but I was not involved in organising any event and I did not rent or lend out any sound equipment in respect of this. I exhibit proof that I was hospitalised as exhibit SC/15. I also dispute that I have any criminal convictions for Class A drugs or for supplying any drugs. I did not cause any Anti Social Behaviour on the 12th January 2013.

On the 7th April 2013, I was going out with my friends and I had some off road bikes in the back of my van. I was looking forward to this day, and it had been arranged for a Sunday. We were waiting

Signed …… Witnessed By

at Ellesmore Road when the police stopped my van outside my friends. Ellesmore Road is a house on a housing estate. I do not see how this is relevant to proceedings for an anti-social behaviour order; in addition, the prosecution offered no evidence in respect of the charges that were brought even though they were reliant on police witnesses. I had been wrongfully arrested for not having insurance when I was insured to drive. I did not cause any Anti-Social Behaviour on the 7th April 2013.

It is alleged that I was looking for venues in which illegal raves could be held on 24th May 2013. I dispute this. I had been contacted by a friend called Joshua who was living at 204 High Street Ponders End EN3 4EZ known as the Old Police Station at Ponders End. As I was driving towards 204 High Street I was stopped by members of the police. I consented to having my person and my car searched; however, I had not done anything wrong and nothing was found. I dispute making any comments about being able to attract people to illegal raves and illegal 3-day events. I did not cause any Anti-Social Behaviour on the 24th May 2013

In respect of evidence raised concerning an event at Hyde Park on 20th April 2014; I was hired by norml-co.uk to attend the event. I was told it was legal, and I was hired on a dry hire basis. I was doing the job on a 'no profit' basis, and this was because the person who hired me had been let down by someone else. Members of the police told me at the event that I had not been hired by the organisers of the event, and that I was not supposed to be there. I had been hired by norml- co.uk, and I had been told that this was a licensed event. I took the police at their word, and I did not use my equipment on that day. I exhibit proof that I was hired as exhibit SC/16 I did not cause any Anti-Social Behaviour on the 20th April 2014.

In respect of my presence at Unit 5 St George's Industrial Estate, White Hart Lane on 25th May 2014. I attended a commercial building that the occupiers were residing in having displayed s144 LASPO notices and in turn treating the premises as their home. There was no music played. I was not involved in the organisation of an illegal rave of any sort. I did drive there in my van VRM CX52JRZ, and I accept that I had 2 speakers in the van; however, I did not have a full sound system with me. I was using my van for storage. I had my van searched by members of the police, nothing was seized, and I went home I did not cause any anti-social behaviour on the 25th May 2014.

In respect of the 6th June 2014 at an occupied Warehouse on Progress Way in Enfield; I do not accept that I was present at this warehouse on that date. I was with a friend at my house on this date and attended my mother's house Lorraine Cordell my sister was present D Benjamin and

Signed Witnessed By

family friend Jamie Duffy who has housing difficulty's and lives' at all my family's addresses and helps out where needed due to health problems my family has.

In respect of the 7th June 2014 at a Warehouse on Progress Way in Enfield; I had been having a family drink in the pub/hall with my cousin D Edwards his leaving party went from the 07/06/2014 till the early hours on the 08/06/2014. I had arranged to drop a friend's locker keys off to him, I left the pub/hall to go and visit my friend who was residing at Progress Way. I accept that I was approached by members of the police, he asked me my name and my details, and I did not reply to him. He asked me to follow him back to where I had just come from, which was where my car was parked along the Great Cambridge Road. I did what he asked. I felt like I was being accused of organising a rave, which I had not done. I then waited in the petrol station a cross the road for my friend so that I could give him his locker keys back. I then left and went back home. I was not involved in organising any event at a Warehouse on Progress Way. At no point was any of my sound equipment used for this event or did I cause any anti-social behaviour on the 7th June 2014.

I was not present at any event on Progress Way on the 8th June 2014. I was at my mother's house with my mother, Lorraine Cordell and my Nan, Sister Deon Benjamin, and a family friend, Jamie Duffy.

On the 20th June 2014 I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at 1 Falcon Park, Neasden Lane, NW10. I had been contacted and asked if I would hire a sound system out for a gentleman's birthday party. I agreed to do so, and the sound system and a van were collected from my house. My terms and conditions were signed and a deposit was given to me. I exhibit the terms and conditions and a copy invoice in respect of the transaction as exhibit SC/18. I received a phone call at 1am in the morning by a client who said that the sound system was being seized, and that the police were in attendance. I remember getting up and attending at around 1am to 2am. It took me 1 hour and 10 minutes to attend. I remember there being lots of members of the police present when approaching the address, I had been given. I parked my car and approached the police at the doors and spoke to the police officers I explained and showed the invoice and a copy of my terms and conditions of hire. I was allowed entry to pack the sound system away, and it was explained to me that it was being confiscated. I was allowed to collect the sound system from the police at a later date. I never returned the sound system to the client as he had breached my terms and conditions. I did not knowingly supply equipment for an illegal party. I did not cause any Anti-Social Behaviour on the 20th June 2014

On 19th July 2014 I am alleged to have been involved in the organisation of and/or supplied equipment for and/or attended an illegal rave at the 198 Great Cambridge Road, Enfield Town, EN1 1UJ. This road is between my house and my mother's house, and it is the route that I usually drive when going to Mac Donald's. I was passing what is known at the old Carpet right, 198 Great Cambridge Road when I saw a man who I know to be homeless being detained by the police. As I was travelling on the opposite side of the Great Cambridge Road, travelling from Lincoln Road, I had to turn around at the closest traffic lights next to the Odeon Cinema. I noticed a car park a few premises before 198 Great Cambridge Road, a general car park opens to the general public and belonging to Magnet. I parked there as I could see that the police had blocked access to the car park belonging to 198 Great Cambridge Road. I locked my vehicle and walked up to where the police were detaining the person I knew. On doing so, a police officer approached me and told me I was under arrest for a possible breach of the peace. I was later released from police custody without any further action being taken. I was not involved in the organisation of any event on this day at 198 Great Cambridge Road, nor did I supply any equipment. I did not cause any Anti-Social Behaviour on the 19th July 2014.

On the 24th July 2014 I am alleged to have admitted to police officers that I organized illegal raves. At about 16:30 I was driving down Alma Road. I use this road to travel between my mother's house and my flat as it is the shortest route between both. My Nan also lived just off Alma Road just before her recent death. On travelling from my mum's house on the 24th July 2014 after visiting my Nan and my mother due to my Nan's illness my Nan was staying at my mum's house. I was going home to my flat.
I used Alma Road as a route to travel as I often do. I noticed an unmarked police car as it was indicating to take a right turn, the opposite way from which I was travelling. I realized it was an unmarked police car as I had seen the driver on active duty in the local area. As I drove past it changed its indication to the way I was heading. It indicated left. The car followed me and then put on its blue lights. I pulled over to the left-hand side of the road, opposite the BMW repair centre along Alma Road. On the left-hand side of the pavement leading to the back entrance of Durant's Park a male officer got out of the passenger side and approached my driver's door. I opened my window to a little and asked why I had been pulled over. The police officer said he was not sure why but his colleague had instructed him to do so. He then went back to his unmarked police car, and reproached my car window with his colleague the driver of the police car. I asked again why I had been pulled over, and the driver of the police car pulled out his truncheon and said I had to get out of my car, and that if I declined my window would be smashed. I got out of my vehicle as I did not have anything to hide, I had not committed any offence whatsoever, and I was not wanted. I was told I had been pulled over because I had driven too close to the car in-front of me. This car did not stop and had not been stopped by police. I was then accused of having drugs, and I was searched, and my vehicle

was searched and nothing was found. I was then asked by the police what I was up to. I said that I was setting up my catalogue that I had been building with a friend, and that my website was nearly completed. I said that I was trying to achieve positive effects within today's society with my business I was trying to build a brand. This was a Thursday at 16:30. Once the police had checked everything, they needed to we parted after I had shaken hands with them. I then made my way home. I did not cause any Anti-Social Behaviour on the 24th July 2014

On 27th July 2014 in respect of an alleged rave on private land with a warehouse being occupied at the rear of Millmarsh Lane, Enfield. I am said to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on this date. I attended a 20th birthday party at Millmarsh Lane, and I had dinner with people who were living there. I never knew of any event taking place on. I did not have any sound system on the premises. I understand that the sound system was moved at the request of police, the owners of the PA equipment was the occupiers, and I did not have any hand in this. I had been invited as a visitor. The occupants had placed LASPO notices on their premises. I did not own any of the sound equipment that was found there, and I did not rent or lend any sound equipment to anyone in respect of this occasion or take part in the organisation. I did not cause any Anti-Social Behaviour on the 27th July 2014.

I am further alleged to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on the 9th to 10th August 2014 at Millmarsh Lane. I dispute this. I was not involved in organising any rave, and I did not supply equipment. The police have alleged that this event was run by Every Decibel Matters. I can confirm that I am not an employee of this organisation, or a shareholder, or a director and have no controlling interest in this company. I exhibit a letter sent from Every Decibel Matters Ltd "to whom it may concern" verifying this, I exhibit this as exhibit SC/19. I had gone to have a birthday dinner, but I was not present at an illegal rave. Police came and requested that people leave and so I left. I did have a conversation with the police concerning three empty C02 gas canisters that I had in my vehicle, VRM MA57LDY. I did display knowledge of nitrous oxide, but this was just in a general conversation with the police as it is information I had to learn when carrying C02 cylinders for welding. I do remember talking to a police officer about an occupier I had met called Jena having passed her first aid test. This was general conversation. I dispute encouraging any crowd behind a gate to come in. I did not try to incite others to breach the peace, and I did not try to put anyone in danger.
I deny behaving in an anti-social manner on this date. I did not cause any Anti-Social Behaviour on the 9th 10th August 2014.

Statement of Simon Cordell Further to my statement dated 24/02/2015

In regards to Steve Elsmore Statement further to his statement Dated 11th August 2014 Amended on the 14/01/2015 Pages 26 to 30

In relation towards an application for an Anti-Social Behaviour Order regarding myself the defendant Simon Cordell.

3 Steve Elsmore States;
On the 5th November 2014 at Highbury Corner Magistrates, that I Simon Cordell made certain representations in regards to my company Too Smooth.

I Simon Cordell State;
I did explain that I was establishing my company and had become a valid member at Kemp Hal, Community Centre there for committing myself to working for my local community centre, I did also say that I had been establishing my company brand and reputation, by way of provision of hire under a pro bono agreement with companies working on behalf of them self's, in connection with Enfield Council as they were all licensed outdoor events within the borough of Enfield contained within the local parks and such land marks.

Pc Steve Elsmore States;
That he has searched the police systems in reference to my statement made in court, "that I was in fact on curfew and had not been leaving my place of residence.

I Simon Cordell State;
I do agree that I did state that I had been of police curfew during dates 28/06/2013 to 21/05/2014 during court proceedings which I was found not guilty for on the 02/07/2014. Throughout the Interim stage of the ASBO order held at the Magistrates Court, I do not understand how PC Steve Elsmore when checking the Metropolitan police databases could not find my statement to be true,
As on the date of 03/08/2015 at my trial the clerk of the *court checked* her computer system in front of the DJ and all else present in the trial proceedings and found my statements to be true. I had been on curfew from the 28/06/2013 until the 21/05/2014 along with other bail conditions.

PC Steve Elsmore States;
That he had discussed entertainment licences with the police and Council Licensing Officers and they had informed PC Steve Elsmore, I would not need to apply for licensing if premises were already in place of licensing or that I can apply for A Ten Note if on outdoor land.

Simon Cordell State;

Had been in negotiations with Lee Valley in regards to Premises and Licensing to hold an outdoor community event within my local borough which was going well until the court proceeding became too much inclusive of the conditions imposed upon myself.

With regard to Barley Land Farm, due to everything that was going on in 2013, 2014,1 had to take a step back from the event I wanted to host at Barley Land Farm, this was going to be picked up after I proved I had not done anything wrong which was the case. Barley Land Farm I did want to host this in 2014 but knew this could not happen as the case I was on lasted over a year, before I was found not guilty. I was due to pick up contract with regard to hosting this for 2015. This was stopped due to this ASBO order and the ongoing court proceedings becoming the priority over all in my life.

It was also noted by my mother due to the case in 2013 / 2014 that my PNC record was not correct and there were errors on it.

Please see emails and court file.
I was made manager of club Juice Brimsdown Enfield and trusted with the keys and all operations of the company till the police made this impossible to manage due to being continuously being pulled over outside.
It was agreed for me to be the manager of the lunch of White Sands night club once known as the Beach club Brixton Hill, till the police publicly embarrassed me and shamed my name by arresting me out side at an arranged meeting with the owner, to which I proved my case at court The police officer lied to the lower court and I was found guilty so had to take it to appeal which I won my case, please see file.
There was also a complaint put in and at this time the Serious Misconduct Investigation Unit have agreed the police officer lied my complaint is still on going.
I had committed a lot of time towards the launch of this venue prior. And walked away due to how I was being treated by the police.
The last I heard of the club was that it had turned into a chapel, the owner had spent a large amount of money doing the club up and had verbal licensing agreement with the council to reopen it, but the local people did not want to club to reopen and the council refused licensing at the last stage.

PC Steve Elsmore States;

The Licensing officer had checked in Steve Elsmore presence that I Mr Cordell has never

applied for licensing regarding entertainment I Simon Cordell State;
I had no reason at this time of my life to apply to the council as pickets Lock, Barlylands and all festivals, inclusive of Night clubs and community halls I was committing my personal time to while establishing my company and representing my brand, have or had licensing already in place, I have also listed a few more companies names I was working with and for below with correspondents.

Lock to Lock

Muswell Hill Festival is a fundraising community event for children with cerebral palsy and their families from across London.

Enfield Town Fire Works

Ponders End Festival

Durant's Park Festival

HD Festival
At the same time, I was constructing and in development of my website with help from my mother and friends, hosted at www.TooSmooth.co.uk

PC Steve Elsmore States;
That he has spoken to Enfield Council with regards to myself Simon Cordell hiring Generators to them for events also that I had only hired out a human gyroscope to Enfield Scout for the local town fireworks display dated 2013.

Simon Cordell State;
As listed above is the names of some events I was working within and for at the dates in question mainly before the interim stage and while other ongoing court proceeding progressed to which I was being accused of, to which I rightfully was found not guilty in my plea of innocence.

I had a curfew so could not stay with the equipment over night and as a company getting ready to start to trade I could not afford the higher of an experienced employee, so in turn I lost the contracts and faith in the justice system that was the main contribution towards the key elements need to cause myself to lose the contracts I and others had worked so hard to gain, due to the value of the products it was impossible to comet myself to a contract of hire any longer, at the same time the probationary conditions thought the interim stage imposed that represented the ASBO order made it once again even harder to continue forward than it already was.

PC Steve Elsmore States;

I©

Signed [redacted] Witnessed By [redacted]

A company House Check has been conducted under the name Too Smooth and Mr Cordell's post code and there is nothing registered. 1 am also asked by Steve Elsmore to provide my company number.

I Simon Cordell State;

My company name was registered on the 10/03/2015 and this was shown to the court at trial. I think there was a mistake in how I explained myself and due to this think you believe my company had been registered before this date.
However, what I was trying to explain was my domains had been registered since 2010, and 2013.
The reason my company was not registered in 2013, which it was meant to be was due to the court case and the conditions of bail I was on.
I could not do the contracts I had in 2013 so my company was put on hold until after I was found not guilty at court on the 02/07/2014.
But then as soon as I had been found not guilty for that case, I then had to deal with this ASBO order.

PC Steve Elsmore States;
On Wednesday 10th 2014, in regards to obtaining Mr Simon Cordell's role also inclusive of any more information that could be obtained relating to him at Kemp Hall Community Hall. Diana Johnson hall manager was unavailable due to being sick, PC Elsmore spoke to assistant Hailey "Football Team Manager" who stated she was not sure of Mr Cordell role and had not seen him for about Two months in advance to the last meeting to which he had attended due to being ill.

I Simon Cordell State;
Regards Kemp hall, I Simon Cordell was given a Business card by a friend of a woman name as Lavinia De-Terville.
Her business card represented a company known as Dems event management who provides licensed outdoor and indoor events, so I called the number in hope of making good relations relating to professional business possibilities, a meeting was agreed and went well.
I was later contacted by Dems Management to help with the on goings of a charity event in •'id of a charity called Bliss that helps premature babies, this event had been cancelled and was supposed to have taken place at another community hall other than Kemp Hall to which she had lost her deposit.
I arranged another meeting with her and asked her to bring all documents for the event so I could see if there was a way to rectify the problems, I took on the project to re-launch the event at a new location and Kemp Hall was chosen, a meeting was arranged at Kemp hall for 19th September 2014 with Diana hall manager and Dem, at the meeting I noticed the community halls absinth of articles of association and the down full in the maintenance of the hall, it was explained by Diana that she was having issues with managing the hall due to a lack of communication with committee members and local Authority and that the hall was absent of licensing and no constitution was in place neither funding, on taking a tour of the hall I took a list of problems I could fore see for holding an event for Dem's and that could be rectified for Diana. I prioritised the *list as I* was *going around here* is some of the problems I listed.

The list went on, I agreed to come back and help out where I could, and did do so at my own expense, I fixed most of the listed above over time and a lot more to which I still have all the notes of and information relating to the contract work. I have and provide evidence of Diana hall manager thanking me for my help and that she had not meet any one in 15 years that she could trust with the keys and management of the hall and because of this she had neglected time with her own family in the aid of keeping the hall running for the local children and community. This was because she trusted me with full management of the hall under her supervision. I can provide the information.

II also do not understand why PC Steven Elsmore would want to obtain more information as to my role at Kempe Hall and why he would speak to someone he does not know about me and any role I have at Kempe Hall. If the person who currently run Kempe hall was not there he should have asked for a number to contract her on, not gone about speaking about me to someone else he did not know what role they had in Kempe hall.

PC Steve Elsmore States;
On Sunday 23/11/2014 police stopped the following two males who were seen walking around an industrial estate Stockings Water Lane Enfield at 01:10 hours.
Both males seem to be under the influence of drugs.
On page 28 the CRIMINT reference states the other male, this has been blacked out, it also states that this person was living with myself Simon Cordell.

5 Simon Cordell State;
On the 22/11/2014 I had been at my home address with a friend named Josh who was homeless when my mobile phone rang a person claiming to be a police officer spoke to myself he called me unexpectedly it was around 23:45 hours to 00:20 hours I got the call.
This person said they had been at my flat earlier but could not get the entrance code to my front door, they had returned to the police station to call me and get the door code, to which I thought and knew to be out of place I asked for the police officers badge number to which the person speaking would not give it to me, making me not believe this was a police officer I was in fact speaking to I would not give the door code out, on putting the phone

down 1 called the police and asked if it was them asking me for my entrance code to which the reply was no.
This worried me even more because I live in a communal building that does not have an intercom system or CCTV. You must know the door entry code to the main entrance and you can get to my front door.
This made me and my friend scared and could not understand how someone had got my number and called and wanted the main door code.
I called my mother who told me and Josh to come to her house, my mother had been cooking something to eat so I turned everything off and left my flat with Josh.
We walked along Green Street, towards Brimsdown train station going towards the river lee.
I had called my sister and she agreed to pick us up in a cab at Ponders End train station as it was raining very badly.
As we were walking the police pulled us over they said they were the police care team and asked us what we were doing, I told the police what had happened about the call and was told it was them that had called me for the door code.
They said that they had been at my flat early and could not get in, so had gone back to the police station to get my number to call me to get my door code.
I asked why they wanted my door code and why they wanted to see me, they would not tell i.e.
We both got searched by the police and then let go, me and my friend Josh was not under the influence of drugs, and the police never found anything on us when they searched us both. They asked Josh why a boy from East London was in North London and he told them to see his friend.
I called my mother again and was really upset as the police was not leaving me alone, I had done nothing wrong and never went out of my flat any more, but the police kept coming to my flat when they wanted.
When we got to Ponders End my sister was waiting in a cab, which we got into and went to my mother's home, my sister then left in the cab to go home.

My mother was really upset and made a call to the police at 02:04 to find out what was going on and why the police kept turning up at my flat CAD 1129:23/11/2014.
She was told that I called the police, she asked me and Josh if we had called the police which me and Josh replied no to, I told her I had only called the police after the police had called me. She carried on talking to the police on the phone.

Calls that were made on the 23/11/2014 by my mother to police due to what happened on the 23/11/2014.

02:04 lasted
12:00 13:57
lasted 07:00
14:52 lasted

Please see print out of my mum's phone bill with times and date of the 23/11/2014 CAD numbers 1129:23/11/2014. and the email that was sent to my solicitor by my mother.

Pc Steve Elsmore States;

On Friday 19th September 2014 at approximately 14:15 AT Kemp Hail I Simon Cordell State;
This date Friday 19th September 2014,1 was at Kemp Hall with Luvinia De-Terville we were due to have a meeting with Diana hall manager in regards to the higher of the hall for the charity Bliss.

Signed [redacted] **Witnessed By** [redacted]

Yes, I agree the police did come to Kemp Hall while I and Luvinia De-Tervil! we were there in the meeting with Diana hall manager about hiring the hall for the bliss charity.
I did speak to them as they spoke to me; I told them why we were there about hiring the hall for the bliss charity the police could also see we were in a meeting. They seemed interested about the charity, and I went on to say about my goals for my company and showed the police a project I was working on, on my laptop, the police did ask some things which I told them.

I do not see how the police was utterly bemused I was not the only person who was talking and mostly it was the manageress talking to the police, as the police was there to speak to her and our meeting had run over and we were waiting for the police to leave to carry on talking to the hall manageress.

I did not tell the police I had 3 lockups, the police know where I keep my equipment and that is not in lockups.
I do not understand why PC Steve Elsmore has gone on in his statement to say about GMG members nor do I understand why gang members have been included in his statement.
Nor do I understand why he has included in his statement about issues with Kempe Hall.

I had done nothing wrong and had nothing at this time to do with Kempe Hall I was there about hiring the hall for a charity event run by Dems.
I also do not understand why the police when got the opportunity did they start to ask the manageress tactfully how long she had known me, they knew already the reason I was at the hall and that was for a meeting about hiring the hall for a charity event.

Shortly after this date the police started to publicly make a bad example of me and started to harass me by pulling me over as I was attending the hall one method was to strip searching me in there van in the front car park in front of all the children and other community members that I was there trying to help which is not mentioned and there are no Cad's relating to within the ASBO application, the police also attended the hall more than the twice mentioned by Steve Elsmore and the once I mention when I was publicly embraced by the police in relation to questions regarding myself, I gave up and walked away as I did with the night clubs, as the police were set out to destroy all myself and every one had worked so hard to gain.

PC Steven Elsmore Updated statement dated the 26/06/2015

PC Steven Elsmore again says about Kempe hall page 30B as said above I stopped going to Kempe Hall around Dec 2014 due to what the police was doing but was still getting emails from them I believe they did not take my email out of the email list. The police are aware of this as I have had more calls that the police have been there asking about me. PC Steven Elsmore states that Kempe Hall was taken back into possession of the council due to the way in which it was being run.

This is not correct it was taken back due to accounting not being completed on time that Enfield council was asking for. Please see email dated 21/01/2015 from Monica.Kaur@enfieldhomes.org

Also, please see email dated 17/02/2015 from Monica.Kaur@enfieldhomes.org and Simon.James@enfieldhomes.org

So, by 18th March 2015 Kempe Hall was already back in Enfield Councils possession when th

police did a search of the grounds and found a firearm. And I had not been at Kempe Hall since Dec 2014.

I am Lorraine Cordell; my date of birth is 03/10/1963. My home address is as stated above. I am making this witness statement in response to the police and local authority's application for an anti-social behaviour order on Mr Simon Cordell. I am the mother of Simon Cordell.

I am writing this statement due to the situation my son Simon Cordell is faced with. Due to the police saying he is the person that is setting up raves on dates within this ASBO.

My son has had many problems with the police since a young age, this has not just stopped there as when the police see my son's friends they are pulled, not due to them doing anything wrong but just to talk about Simon and what he is doing. This has had a large effect on the whole family for many years. If the police saw my son Simon Cordell they would pull him for no reason. I am not saying my son was innocent he does have a record. But the police have harnessed him since he was around 15 years old. Many complaints have been put into the police and IPCC due to the police will not leave him alone when the police see him they just have to pull him.

Signed L. Cordell Witnessed By

with the police and Simon on that call and he said he would get the police to stop going to his Flat.

The police did pull Josh and Simon that night on the 23/11/2014 which had now been added to the ASBO application, which also made Simon very scared even more.
They asked Simon and Josh what they was up to Simon told the police why they was out on the street that they was scared due to the calls they had for his main door code and said the person that called said it was the police, at this the police officers told him they was in fact the ones that had made the calls to him.
But did not still tell him the reason they wanted to see him at his Flat. I do believe the police was watching and just doing all this to intimidate him as they new he was really not well at this time.
They did a search on both Simon and Josh and did checks then let them go. Simon and josh was not on drugs the pair of them was really scared at what was going on, and Simon was really unstable. The police and inspector at Edmonton Police Station would have all the CADs from the calls that were made on the 22/11/2014 and the 23/11/2014. the way in which this day has been added to this ASBO application is beyond words as if was not for the fact the police was harassing my son still my son would have been in his home with his friend I do believe the police was doing this to make my son more unstable in his health.

The police was going so far with going round his Flat all the time for no reason, when people from the AMHP team went out to do an assessment due to how unstable he was at this time it was late, when they got there they called me and said why are the police there I said I did not know why but I was really upset due to the police was not stopping with him. Simon was going mad and the assessment team told the police to leave him alone. I was still on the phone at the time to the assessment team and they asked the police why they was there, I heard what the police told them why they was there, they said they had a call from 1st they said 112 then they said 122 then they gave a next door number, which I did not hear right they did not know what to say to the assessment team they was mixing everything up. the police left but due to the state Simon was in the assessment team felt it better to leave and not upset him any more then he was already due to what the police was doing just keep turning up at his flat for no reason. All he kept saying is why does the police not leave me alone. i have done nothing wrong.

Signed L. Cordell Witnessed By

The assessment team went to Simon flat the next day with no luck to getting to see him they spoke to him at the door but Simon would not open the door, they could clearly see he was not stable at all and did not want to push it. So, left he kept saying the police just need to leave him alone he not done anything and was not leaving his flat.

The assessment team left it around 5 days to a week I think before they tried again this time Simon did let them in and spoke to them this was on the 25/11/2015.

On Friday the 12/12/2015 the police went to Kemp hall committee centre looking for Simon again.

The police are still popping round now and then just to keep him at a low and not feel safe. This can be the only reason the police keep doing this. They know his heath is not good due to everything over the years the police has been doing to him they have not left him alone since he was a young age. I am not saying my son has done nothing wrong in his life as that is not true but the way in which the police have carried on it like nothing I have every seen, this has put the whole family in a state, this being worse over the last 2 years Simon heath has got worse over the last 2 years and this is due to what the police are doing.

There was also a complaint put in to the IPCC on the 11/11/2014 about the police and what they were doing and about the ASBO and his PNC record.

from 2013/2014 there was an issue with my son's insurance not showing up on the MID database, as the court will be aware as the police have said this in the ASBO, it was recorded on the police system and we had tried to work out what the issue was by calling the MID database people and the police and his insurance company many times. I also wrote many emails, even the police tried to work out what was wrong. But this did not stop his vehicles getting seized at the weekend when his insurance company was closed. The police was always told when he got stopped to check there systems as they would see there is an error and that showed on the police system, my son always carried his insurance documents to show police. But police still seized his vehicles they did not care what was said on the police system or my son had his insurance documents.

Signed L. Cordell ..... Witnessed By .....

Due to this my son driving licence is a mess for no fault of his own summons have not been received so dates were not known that he was due to be in court so he was found guilty, I have written many emails to courts to get cases reopened. On two cases we had to file statutory declaration with the court. One of these cases is awaiting appeal.

But on the 14/11/2013 my son was in Brixton, the police were doing stop checks but let my son pass, he was on his way to a meeting so not long after the police checks my son pulled over to the side of the road just outside where the meeting was due to take place about a job. He was with a friend Dean Read and Dean got out of the vehicle to go to a shop and buy drinks and food as they had got to the meeting around 1 hour early so needed to wait my son stayed in the vehicle, and then a police officer came to the vehicle and said he was not insured. My son got his insurance documents to show the police officer. And also made a call to his insurance company where he passed his phone to the police officer so they could talk to them. it was confirmed to the police he was in fact insured. But the police officer was not happy with this so called his insurance company again this time saying my son had tools in his vehicle. The police officer would have known by looking at my son's insurance documents this would void my son's insurance, and this was confirmed by his insurance company. For what reason the police officer did this I still do not know. My son was really upset and calls were also made to me, I spoke to one of the police officers and he did confirm there were no tools. but this did not stop the other officer from doing what he was doing. My son asked for an inspector to come which one did and the inspector went with what the police officer was saying. my son would not take the ticket the officer wanted to give him and asked to me arrested, that this was not correct what the police was doing. The vehicle was seized and my son taken to the police station. Where he was later released with no charge but they made him sign the ticket and accept it.

I made calls to the police again and put complaints in about what had gone on. but the police had gone of duty and would not be back on for 5 days. all I was told is we can take it to court and prove it. my son's insurance company was also making his insurance void. So, there were many calls made to the police on 101. it was due to this a very nice lady told me that to tell my son to go to the compound as they would have to make a list of what was in any vehicles seized due to them becoming liable. I sent emails to the compound as we only had the week end my son's insurance was due to be stopped at 12.00 on the 25/11/2013 and I was also forwarding them over to

Signed L. Cordell ……. Witnessed By

his insurance company so they got them as soon as they opened on the Monday. i called the insurance company as soon as they opened on the Monday also and they said they would try and contact the compound that they would not stop his insurance until they heard something. Later that afternoon i got an email asking if Simon could go to the compound and call Kelly Tiller at KGM and the phone number was given in the email. But due to the time if he had left then by the time he got to the compound his insurance company would have been closed so i wrote an email saying this and saying he would attend the police compound in the morning on the 26/11/2013 which he did and spoke to a manager who confirmed to Kelly Tiller on the phone there was no tools listed on the seizer notice and nothing taken out of the vehicle. if tools was in the vehicle when it came to the compound they would have been placed in safe storage and returned when the vehicle was picked up.

Each time the vehicles have been seized he had to pay to get them out of the compound.

The summons for this did come and I sent it off with a not guilty plea via email but it was what the police officer had written in his statement that shocked me, there was nothing about any tools.
I was still trying to get all the information for the insurance company for court i put in a number of subject access requests which they did not deal with.
On the 26/11/2014 my son was found guilty at Wimbledon court. For no insurance due to using the vehicle as business use. My son's insurance is trade insurance but not for odd jobs which the police officer had said. My son was banned for driving got a fine and points from the court. On that day my son's heath was not good and the fact he was doing this case himself did worry me he was not up to it. on this day we put an appeal in which the court accepted.

This appeal was heard at Kingston upon Thames Crown Court on the 05/03/2015 but this time I had got the information form my son's insurance and had the audio's of the 14/11/2013 between the police officer and KGM and what he said to them, and the audio from the police compound and Kelly Tiller the email the compound had sent to Kelly Tiller, a Letter of indemnity and a section 9 witness statement.

The judge found my son not guilty and was appalled by what the police office had done, this was the 2nd time the police office lied to a judge under oath. The judge ordered the police officer not to leave the court building. it was also noted that the

Signed L. Cordell Witnessed By

police did not have a 101 book his statement was not dated and was only a copy, and the police officer told the judge that the seizer ticket had been lost that he gaven my son. The judge ordered the real ones to be in court he wanted them. The remarks the Judge made showed he was not happy the judge also order the audio files stay on file, and told the CPS he needed to inform the right persons as to what had gone on. The judge released us from court. There is a complaint with the IPCC about this.

There is also the fact that the police know that the public order unit at Scotland Yard hold the people names that set these parties up. we have asked for this information but it has not been given. I have spoke to the public order unit a Val tanner and DS Chapman and have been told by them they took over dealing with raves from the Croydon Rave which has been said in this ASBO the fact is they only have my son's name on there system's once and that was when he was arrested at carpet right.

I know for a fact due to information I have gather since this ASBO was given to my son that the public order unit in fact knows who was the organisers are to the raves my son is said to have done.
there is facts on the 6th June the there was a party due to take place in Essex the public order unit had been in contact with the organiser of this party which was to last the 6th 7th 8th June 2014 for the weeks before it was due to take place. on the day of the 6th the police sent helicopters out in the Essex area to find the location of the private party, the police helicopters did find the location and within 10mins police was at the location. Essex police officer found the person they was looking for and handed a police dispersal order for the people that was there at the location and also an order that he could not setup within the next 24 hours.
Simon was not anywhere near Essex and was not planning on going to Essex. that day or any other day.
The private party got moved to a new location by the person and this was Progress Way, Enfield, so how police can blame my son for this party is beyond me they have it on the police systems and know it was not my son.
I believe all the dates my son is changed with in this ASBO the police all ready have on there systems at the public order unit at Scotland Yard who was the real organisers and that was not my son.
On the 19/07/2014 police at the public order unit at Scotland Yard had also contacted the person they new was the organiser.

Signed L. Cordell ..... Witnessed By

Each date in this ASBO the police say my son was the organiser the police already have the information on the police public order unit at Scotland Yard syatem as to who done this and this was not my son.

I believe this ASBO beaches Article 6 of ECHR is a person's right to a fair hearing.

If information is withheld from the court that would show my son is innocent with the intention of causing a guilty verdict to be returned, that is perverting the course of the justice/conspiracy to pervert the course of justice and, quite possibly, misconduct in public office/conspiracy to commit misconduct in public office on the part of those involved, if police officers, local government officers, civil servants, government officers.

Where a verdict or decision is made by a court as a result of pertinent information being withheld and which no court or judge would have made had that pertinent information been made available, the verdict/decision is said to be perverse. It also goes against natural justice.

Any public authority or person whose function is known to be public, like a police officer, who acts in a way that is incompatible with a persons rights under the European Convention on Human Rights, acts unlawfully according to Section 6(1), Human Rights Act 1998.

I do believe if the police disclosed the information that is held at the police public order unit at Scotland Yard this would show my son as innocent.

Signed L. Cordell ..... Witnessed By

At this time there is an outstanding complaint that they are waiting to deal with due to the police pulling him for no insurance. Then trying to void his insurance by saying there were tools in his Van when there was not this case is on appeal due to him being found guilty. I have been trying to get the records from his insurance company since this started in 2013, it has taken me to put a complaint into the financial ombudsman, I have only just managed to obtain the prove that there was no tools in his van like the police officer said for the appeal case.

There is not just this case where he had problems with the police there was around 9 cases for the time frame of 2013 to 2014 when he was insured to drive.

On 25/06/2013 my son was arrested at his home address. This case had a large impact on my son Simon Cordell heath, due to this his long team girlfriend ended there relationship due to the impact the police was having on there relationship.

My son new he had done nothing wrong, but he was remanded by the court on the 26th June 2013.
On seeing my son's Simon Cordell PNC record which was sent to me on 26/06/2013 at 20:34 via email from his solicitor I was shocked to see an error on there from many years before hand of failing to surrender which I believed had been corrected years before. This was one of the reasons for refusing him bail was the failing to surrender on his PNC.
His solicitor applied the court to get him released on bail at Southwark crown court the judge did release him on the 28/06/2015 with 6 bail conditions.

- Surety £1000 from Ms Lorraine Cordell (To be surrendered to the nearest Police Station) - prior to release from Custody.
- Residence @ 109 Burncroft Road, Enfield, EN3 7JQ
- Not to enter the London Borough of Southwark
  Surrender Passport to nearest Police Station
- Report daily to Edmonton Police between 1400 - 1600
- Curfew 8pm - 6am (doorstep condition - the Defendant should show himself to any officer upon

Prosecution's reason for opposing bail:

Signed L. Cordell Witnessed By

Commit further offences whilst on bail
Failure to surrender

I do have the decision letter from the judge if needed for the bail application.
And the memorandum of conviction from the case of Simon Cordell heard on 03.03.2008 at City Of London Magistrate Court for failing to surrender, which showed the case was dismissed by the court due to my son proving he was in a bad accident and was in hospital.

I also noted there were more cases on his record that could be there in error so I contacted Highbury Corner Magistrates' Court who now deals with cases at Enfield Magistrates' Court this was on the 19 February 2014 via a phone call after speaking to someone at the court they asked me to send an email with all the dates and what was needed. I wrote the email and it was sent on the 19 February 2014 at 13:36 via email. It took until the 13/032014 to get the information I asked from by the court. I went to Enfield Magistrates' Court to collect the information and was told to be there by 16:00 to 16:30. Once I got to the court I spoke to the lady who had been gathering the information I had asked for, her name was Benedicta Odjidja. She came out of the office to speak to me and to explain to me about cases that was not in the courts register. She had a print out which I asked for a copy and she give me one to show the cases that was not in the court register I have been trying to get these cases corrected on the PNC but due to family issues I have not had a lot of time and there is still cases I would like looked into at other courts. This information was given to Woolwich Crown Court and the Judge told the CPS to look into this and address it this has not been done.

On I believe the 01 July 2014 Simon was found not guilty by the judge before the case went to trial. Due to information I had obtained. On the 02/07/2014 we made a call to the police to ask about getting my son's things back, to be told by the police officer in the case that the item they took from his home on the 25/06/2013 that the police had used to link my son to the crime, the police had damaged it when taking it from his garden so it was destroyed a few months after the case had started I still to this day cannot understand how evidence can be destroyed before a case went for trial. The police office in change told my son he could not get it back due to this. there is also the fact in this case that the police let the person who claimed the burglary get away with insurance fraud, they pined everything on to Simon but new in the Feb 2013 police allowed people to walk out with loads of things.

On the 10/04/2014 my son Tyrone Benjamin was in a bad motor bike accident which the police had to attend. My son Tyrone Benjamin was air lifted to The Royal London Hospital where he had suffered a bleed on the brain, a multiple injury to his legs and hip and ribs. When the police came to my home, they could not even tell me if he was alive or dead.

Bleed on the brain Shattered left hip.
Shattered left knee.
Left Femur was broken in 2 places.
Tibia on his left leg was broken in 2 places and had released the bone out through his left knee.
Fibula was broken in 2 places.

- Nerves are damaged in the left leg.

Right Ankle was shattered and above the Right Ankle, and bones in his right foot broken.
He also had a few ribs that were broken.

The hospital could not do the operation that was needed for his left leg due to the bleed on the brain so had to try to align his legs and keep then in place.
The hospital did the 1st 8-hour operation 3 days later as they could not wait any longer the damage to the left leg was very bad. On this operation they tried to repair the hip and Femur the rest of the left leg and knee was put into a cage and they cleaned the lower left leg as the bones had broken the skin and was a big cause for infection, they did not have time to do anything to the Right leg.

Around 5 days later they did the 2nd 8-hour operation. This was to try to fix the left knee and the lower left leg and the right leg. The doctors were and still are very worried that the bones are going to die in his left leg as it is not healing the way it should. Since the accident his left hip and knee was showing no signs of healing, around July 2014 the knee was looking better and had started to heal but the hip was still showing no signs of healing in Sep 2014 the doctors told us that if there were no signs of healing to the hip by the Nov 2014, they would have to replace the hip. on the

Signed L. Cordell Witnessed By

check-up in Nov 2014 we had a little bit of good news the left hip had showed a little bit of healing so they was going to keep a close eye on it. But since the accident his has suffered from infection to the lower left leg, so has been on tablets to try and clear it but this has not worked. The doctors said they could not remove the plates, pins, screws and rods holding his left leg together, that they had to wait until it had healed more, so the infection in the lower left leg was just left to him taking tablets. in the Dec 2014 the infection was getting worse and the doctor said they are going to have to remove the plates, pins, screws and rods to that section of his lower left leg he had the operation for this on the 15/01/2015.

So how police officers could say Tyrone Benjamin was at a rave on the 07/06/2014 is beyond me Tyrone Benjamin could not walk was in so much pain and on very strong pain killers and needed care around the clock. The accident he suffered is life changing he still may need his hip and knee replaced, his bones can still die in his left leg. He has memory problems due to the bleed on the brain, the nerves are damaged in the left leg and he has no feeling down the outside of the left leg which the doctors have said will not come back. The left leg will be shorter or longer then the right leg but the doctors can not tell us which one as of yet. He is having very bad pain still and also very bad pain to his lower back and to date he is still on very strong pain killers. His left lower leg was infected since April 2014, but the hospital could not do anything but keep him on antibiotic tablets, this lasted until the 15/01/2015 when he had an operation to remove the plates, pins, rods, to that section of the lower left leg, there is still infection to the left lower leg but it has been better since the operation on the 15/01/2015

In March of 2014 my mother started to feel unwell, and we was up and down her doctors. The doctor did think it was her gallbladder so we were waiting for a scan date from the hospital. My mother was getting worse and feeling very unwell as time went on and the whole family was really worried.
On the 07/05/2014 she had an appointment at the hospital to see her oncologist due to in 2011 my mother having

- Bilateral Breast Cancer.
- Wild Local Excision and Sentinel Lymph Node Biopsy.
- Grade 2 Invasive ductal carcinoma T2 NO.
  Right grade 1 invasive ductal carcinoma T1 NO.
- Both tumours ER positive, PR positive, HER positive.
  She suffered from history of manic depression and was on Clozapine.

Signed L. Cordell …… Witnessed By

On the 07/05/2014 again my mother was given the all clear by her oncologist.

But my mother's health was getting worse; her GP could not understand why she had not had the date from her scan. So re sent off this time to Chase Farm Hospital hoping it would come faster. during the week of the 02/06/2014 she had her 4 weekly blood test due to her being on Clozapine, on this check up Jenny hunt noticed my mothers heart was faster then it should be so gave her the form to get a heart trace done at chase farm hospital. We had booked this to be done on the 09/06/2014 after we had seen her GP. But around the 06/06/2014 we had noticed my mother had a yellowing to her skin. At this stage my mother was really not feeling very well. I did take her for around 2 hours on the 07/06/2014 to Dwayne Edwards leaving party as she did not want to miss it as she would not see him again for around a year as he was leaving to travel the world. On the 09/06/2014 we went to her GP appointment we still had not had a date for her scan, and her GP was not happy about this, I told her again about the colour of my mothers urine but tests she had done had all shown up clear for infection on her urine over the past months, and that we had also noticed yellowing to her skin and about the weigh lose. And that we were going to chase farm that afternoon to have her heart test done. She asked if we could get a full blood tests done that afternoon which I said that would not be a problem.

I took my mother to the hospital and she had the tests done, the next day I got a call from my mothers GP asking us to come to the GPs at 10:20 on the 10/06/2014 that my mothers blood tests had come back grossly abnormal, I asked what this meant and was told that after she saw the doctor she would most likely need to go to the hospital. i said i would be there the next day with my mother. on the 10/06/2014 we went to the see her GP and they wrote a letter and made a call to the North Middlesex Hospital to say we was coming there right away.

We got to A&E and they done more blood test and x-rays by the time this was all done and the test was back it was to late for them to do a CT. they wanted to keep my mother in hospital, but she really did not like hospitals so it was agreed to allow her to come home and for us to be at the hospital at 09:00 on the 11/06/2014 to have the CT done we was told we would be at the hospital all day as they wanted the results of the CT before we left the doctors was still saying it could be her gallbladder but her liver was very enlarged which could be due to the gallbladder.

Signed L. Cordell …… Witnessed By

On the 11/06/2014 we went to the hospital for 09:00 and she had the CT at around 09:30 I saw Dr steel come onto the day unit around 12:00 and went into a room, i new there was something wrong and i believe so did my mother as she said he had been in there a long time. I said maybe he had come out and we had not seen him to try and stop her worrying. at around 15;45 Dr Steel came out of the room and walked towards us and asked us to come into the room.

We was told the news that the breast cancer had metastasis, I asked how many growths and he could not say, he said that the oncologist doctor and nurse was on the way down to see us. The doctor a nurse came to see us I again asked how bad it was had many growths was in the liver the doctor told us that it was severe and it was in the spine and ribs. That they were trying to book a CT biopsy and bone scan, this would be for the next day or the Monday. I broke down at the news how could this have been missed.

My mum was put on a lot of tablets to try and bring the enlarged liver down; she did not want to stay in hospital.
When we left the hospital I went to my sisters to tell her the news she new by my face it was bad when she opened the door. That day the family was all told.

We was all up and down the hospital a great deal from this point, the doctors gave my mother 6 to 12 months without treatment and 18+ with treatment. but there was still a huge problem as they wanted to treat her with chemo, which they had not done in 2011 due to her being on Clozapine both drugs have an effect on the white blood cells. I asked how could they treat with chemo now but could not do this in 2011 they never replied to that. They said they were going try a very low dose of chemo which I would have to gave daily for 2 weeks then I would give white blood cell injections the 3rd week when she was not on the chemo tablets and at the start of each session she would have to go to the chemo day unit and have the a drip due to it being HER2.

The problem was they gave her an overdose of the chemo tablets and I did not know. so I should have been giving her 500mg X two times a day I was giving my mother 1500mg x two times a day.
My mum went down hill very fast from when the 1st session started, when she had her next appointment before the 2nd session was due to start my mother looked very ill and was not eating or drinking. The doctor even said how ill she looked but carry

on with the 2nd session of treatment but did not notices the mistake on the dose of chemo i was giving my mother. I called the hospital 2 times after the 2nd session of chemo had started and was told to just give her more tablets to start the diarrhoea, 9 days into the 2nd session I demanded my mum needed to be in hospital we was told after hours on the phone to the hospital to take her to A&E by the on call oncologist doctor. I took my mother to A&E on the 27/08/2014 where they took her in right away and done blood tests. They could see how ill she looked she could now not even walk by this time. They stopped the chemo right away as I believe this is when they saw the mistake on the drug dose. We were told they needed to get fluids into my mother and she was taken to the ward. We were not told my mother was in acute kidney failure. On the 28/08/2014 it was the Macmillan nurse who told my sister about the dose of chemo. And on the 29/08/2014 it was also the Macmillan nurse that told the family about acute kidney failure, the family asked my mothers oncologist doctor 4 times about the acute kidney failure on the 29/08/2014 and was told 4 times that it was not nothing to do with her Kidneys it was the cancer.

On the day of the 29/08/2014 a drug was put onto my mother chart of Codeine Phosphate. The family left the hospital at around 19:15 and I always went back to the hospital around 21:00 to 21:30 on returning to my mother's room I could hear there was something really wrong. The nurse asked if my mother had been like this all day I told her no she was fine when I left at 19:15. My mother went down hill very fast this night all the family came to the hospital my mother passed away 9 hours after being given the drug Codeine Phosphate. Codeine Phosphate should never have been given to someone on Clozapine there are only 2 out comes and one of them is death. We are still waiting for causes of death.

On the 07/06/2014 a member of the family Dwayne Edwards was having a going away party as he was due to travel the world for 12 months. Most of the family was there including my son Simon Cordell. The party was held in a hall I did not stay long as my mother was not well but she did want to go for a few hours due to not seeing Dwayne for many months, we stayed around 2 hours and then I took my mother to my home where she stayed with me.

On the date of 22/11/2014 Simon was at home with his friend josh, they were working on bits for the company to try and take Simon mind of things Simon at this stage was really unwell and unstable.
It would seem police was at Simon Flat outside tiring to get in this was late at night.

Signed L. Cordell ..... Witnessed By

They could not get the code to the main door and went back to the police station were they seem to have got Simon mobile number and made calls trying to get the code for his main door. They did say it was police and Simon got very scared why the police wanted his door code to get in to see him the police would not give him the reason as to why they needed the main door code or the police numbers they would not give a reason as to why they wanted to see him.

This did not just scare the life out of Simon but also Josh. and Simon just wanted to get out of the flat. Simon made a call to me and told me what had happened I told him to come to my house.

He would not even use his car as he was so scared of what was going on he did not even know for fact it was the police that had made the calls to his mobile.

Him and josh left the flat and would not even go the way he as a rule uses to get to my house.

They went down Green Street over the train station and walked down Mollison Ave then got on to the river lee and walked along to come out by Ponders End train station where they was meeting his sister Deon in a cab to get them to my house. It was really raining that night and then they got here they was very wet.

I made calls to the police in fact 3 calls as I put a complaint in at what was going on as the police for some reason at this stage kept going to his flat for unknown reasons and he was not stable enough and very scared and was not coping. I did let Josey know what was going on each time.

I do have my phone bill with all the phone calls listed to police via 101 calls via my home phone if this would be needed. This is without all the phone calls Simon made himself to police. And he has some police officers numbers.

In the end an inspector stag I think his name was called and at 1st spoke to Simon, I was still not happy with what was going on so again made a call and asked for the inspector to call me back which he did some time later that day I think, on that call it lasted around 1 hour maybe a little longer I explained everything that was going on

I am Lorraine Cordell; my date of birth is [redacted]. My home address is as stated above. I am making this Updated witness statement to my statement dated 22nd December 2015 in response an appeal to the police application for an anti-social behaviour order on Mr Simon Cordell. I am the mother of Simon Cordell.

I have been asked to write this updated statement due to calls that I made in regards to the updated Skeleton Argument bundled emailed to me on the 04/02/2016.

Please refer to page 5 within the Skeleton Argument bundled section 20

As to the particular prohibitions on the ASBO, significant effort was made by the Respondent and by the court to ensure that any legitimate business activities that the Appellant wished to undertake would in no way be inhibited by this order. For the Appellant to provide recorded music to a gathering of people he would either need to have a licence for that event or to provide the music on a licensed premise for fewer than 500 people with a general licence to play recorded music (see s. 1 and Sch.l of the Licensing Act 2003). This order specifically does not preclude him from providing regulated entertainment under the auspices of a valid licence.

I found this very hard to believe as I did from when this case started, and many times issues were raised due to the conditions but things were never addressed, not even on the trial days.

These conditions do not just have an impact on my son Simon Cordell Business, which he has been building for many years. But also, his normal everyday life, but this was never taken into account. And the ASBO was given without illegality being proven of illegal raves for the whole of the UK for 5 years.

I have since reading the Skeleton Argument made phone calls to local London boroughs in way of asking if this ASBO order and the conditions of the order would cause problems obtaining any form of Alcohol and entertainment licences, there seem to be 5 types of Alcohol and entertainment licences that any person can put an application in for these are.

1. Personal licence.
2. Premises licence.
3. Club premises certificate.
4. Temporary event notice.
5. Minor variations

The cost to apply for each application *for an* Alcohol and entertainment licence is:

Personal licence.	£37.00 each application, this is not refunded if refused.
Premises licence.	£190.00 to £800.00 each application, this is not refunded if refused
Club premises certificate.	£190.00 to £800.00 each application, this is not refunded if refused
Temporary event notice.	£21.00 each application, this is not refunded if refused
Minor variations	Was not given a price on this as this licence can change to a full one if it was to ask for later opening times for an event in an already licensed building to a full variation licence. There is so many variations this can go into. But again, this is not refunded if refused

I spoke to Kelly Hickmott (East Team) who said the ASBO and the conditions within the ASBO order would cause a problem with obtaining any of the above licences. I told her the full ASBO conditions within the ASBO Order.

That anyone applying for any type of licence would have to go the licensing process and each time the police would be contacted, the police would then conduct a background check to the person who was applying for the licence.

I was told that the process was harder for some licensing then others and for the higher the licence that was being applied for the more checks that are done.

She also emailed me the police officer name Matthew Mcgrath and his email address

www.iralfrvrmct.Dnn.polico.uk who deals with licensing within the Lewisham area who I emailed under my friend's emails address www.achaelbech I OOtfr umail.com
Please see emails as to what I asked and what he replied to me.

I spoke to Costa and he told me the same thing as Lewisham licensing team Kelly Hickmott told me, that it was be very hard to process an application for someone that had this ASBO order in place.

I was told that any order would be sent to the Pollution Team, police licensing officer and they would do

ground checks. That would bring up the ASBO order and in turn they would write a report back to the local Council with risks, there is licensing objectives that have to be followed with every application applied for.

I told him the full ASBO conditions within the ASBO Order.

Islington council licensing:

I did not get the name of the person I spoke to, I have tried to call them today when I was asked to do this updated statement but the phone line was going to voice mail.

I did get told the same as above by the other 2 councils I was told the process that was taken and how the ASBO conditions would have an impact on the report from the local police licensing officer.

Brent council licensing:

I spoke to a lady called Sonia explained everything as I did in all the above calls to the other local councils licensing teams but got told she was not part of the team as such and there was no one at that time that could take my call she asked to take my details and would get someone to call me back.

Jillian called me back a while later and I explained again what I needed advice about. I told her about the ASBO and all the conditions and again asked whether this was affect any application for an Alcohol and entertainment licence, again I was told the process that is taking and again was told there would be issues with someone applying for an Alcohol and entertainment licence with the ASBO conditions that where in place.

Croydon council licensing:

Again, I did not get the person's name she did say it but i forgot to write it down. But i am sure they note calls that are made to any council department.

Again, I told the lady the call was for advice and told her about the ASBO and all the conditions, I again was told the process that is taken when someone applies for an Alcohol and entertainment licence.

Again, I was told that the police licensing officer would do checks and a report back to the local council, I was told it would be very hard for someone to get un Alcohol and entertainment licence due to the checks that were done.
I was also told that if an application for an Alcohol and entertainment licence was refused the person could then has it heard by 3 council committee members where the person that had applied for the licence could put his case? I asked would the police be there also and was told yes, they would be.

The lady told me to get better advice would be to call the police Licensing officer I said I had tried the numbers listed on their website but I was not having no luck, she then got me the correct number to call which is listed below.

Croydon Police Station - Licensing Sergeant (Spoke to Darren)
Address Line:
Licensing Office
Metropolitan Police Service
Croydon Police Station
71 Park Lane.
Croydon,
C R 9 I B P
Telephone:
020 8649 0157 or 0167 (this is the wrong telephone numbers I was able to get the correct one from Croydon Council, Licensing Team the correct number is 020 8649 0172

After trying the 2 numbers that are on the website to speak to the Police Licensing officer and having no luck it was then I called and spoke to the Croydon Council, Licensing Team the lady I spoke to give me the correct number and l called this after and spoke to a male called Darren.

We spoke in great detail about the ASBO and the conditions and that we were told these would in no way would any person be inhibited by this ASBO order who applied for a licence.

He could not understand this and asked me more details who we have been told this by.

I explained what went on at the trial and also my son's business.

He could not understand why we were told this and asked who had applied for the ASBO order.

I told him this that it was the police who applied for the order.

He said that no one had the right to say this within an ASBO application due to the fact it would be down to each local police licensing officer to make a decision, as each licensing application is dealt with by the local area police licensing department within their area.

At this I asked him if he would be willing to confirm this in an email to me if I gave him my email address.

This reply was what I was already thinking, he could not write this without him knowing all the facts and that due this being a police matter and going to police he would not feel comfortable.

He said if he gave me his email and I wrote everything down and the full information about the application for the ASBO he would look into it.

We spoke a little more and I explained that I did not want information as to the ASBO application just advice as to if someone had this ASBO order under the conditions that I have said would they be able to get a licence.

But there will be problems he said he would have to look over everything and have meetings with my son and do a lot more checks.

Due to him being busy and the call taking longer he was due to go into a meeting and had to get off the phone I forgot to take his email due to talking about the licensing.

So I do not understand how within this whole application my son has been told that this ASBO would have no impact on his business and not be inhibited by this order.

I have just called 5 local London boroughs and clearly hearing what I am being told know there is going to be a huge impact on the business my son has been building for years. There are 33 local London boroughs. This is without this ASBO being within the whole of the UK.

It would be helpful to know if you are running any thing different from **a**

You will need to bring with your sufficient extension cables to plug into the generator.

Please note if you do not provide me with accurate information it may make it difficult to guarantee you will get the power you need.

Hi Simon,
have you forgotten our last chat today bro?
Not goanna patronise you but I did explain today my position of what I thought we had provisionally agreed.
I had in mind a budget of £200 per day and obviously that's why I was happy to see you.
was originally only for always for Monday but then we started talking about the possibility of Sunday, which you know is not my main concern as they have always been responsible for their own power provision. They expressed an interest in having a generator and as you requested that you need to understand their requirements, which they have never provided it was not something that was likely to happen.

You phoned me about 3 times today to say you were unhappy because you thought you were getting 2 days hire. So, for you I spent time and arranged that you could do tomorrow but under the understanding that they might need power for 1,2,3 or 6 **stalls,** I **do not know and their guy could not tell** me. **So not sure** what to say about that as it's a lot **of** work for 1 or 2 stalls but if you want to do it kool.

the Space Ball was always an extra component which I was happy for you to bring if it wasn't impacting on my budget as it's not something I really need but you said you wanted to give one of your guys a chance to do something, so I was up for that.
Once again today I made a 'speech' for you and got a FREE pitch tomorrow with the money being for your own pocket.
As for monday, to be honest bro, it's not something I can be paying for but once again I will take the flak and give you a free space if you want it.

I can't say fairer than that right now. I know you've invested in your setup but you must understand you can't make it back on 1 job.
At the rough rate of £250 per day (including man) I will try and probably can get you more jobs and get you recognised as a local resource but you have to work with me bro and not try and kill me on this one.

It would be helpful to know if you are running any thing different from a normal 13 amp plug.

You will need to bring with you sufficient extension cables to plug into the generator.

Please note if you do not provide me with accurate information it may make it difficult to guarantee you will get the power you need.

Please get back to me.

Thanks.
Omar.

Hi Simon,
I'm not sure if you have previously received this but attached is a layout plan for the Festival on the 26th. I hope this helps to make sense of where the power provision is needed and get an idea of the length of cabling and type of distribution required. Let me know if the electrician wants to meet up.

possible, I may be able to arrange you providing the power also for the event me day before on the 25th. Let me know if this is something you want to do. I'm not sure of what exactly the requirement is yet but we can talk.

There is also a registration form, just in case you didn't have it before. You need to let me know straightaway if you still want to have a stall.

Also, please find attached a copy of the flyer for the Festival could you please share with anyone you feel maybe interested.

Speak Soon.

Thanks Omar

Hi Omar

i will agree with the £500 for the 2 days but remember this was not the agreement that was made at the start of this. But you will need to pay for the fuel, today i used £40 in fuel and will use this again tomorrow maybe a little more as tomorrow there is a lot more but i take £80 for fuel for both days, and can you pay me in the morning as i would like to pay my friends some money and not be paying out of my own pocket for the fuel.

Many Thanks

Hi Simon,
have you forgotten our last chat today bro?
Not gonna patronise you but I did explain today my position of what I thought we had provisionally agreed.
I had in mind a budget of £200 per day and obviously that's why I was happy to use you.
It was originally only for always for Monday but then we started talking about the possibility of Sunday, which you know is not my main concern as they have always been responsible for their own power provision. They expressed an interest in having a generator and as you requested that you need to understand their requirements, which they have never provided it was not something that was likely to happen.

You phoned me about 3 times today to say you were unhappy because you thought you were getting 2 days hire. So for you I spent time and arranged that you could do tomorrow but under the understanding that they might need power for 1,2,,3 or 6 stalls, I do not know and their guy could not tell me. So not sure what to say about that as its a lot of work for 1 or 2 stalls but if you want to do it then kool.

The Space Ball was always an extra component which I was happy for you to bring if it wasn't impacting on my budget as it's not something I really need but you said you wanted to give one of your guys a chance to do something, so I was up for that.
Once again today I made a 'speech' for you and got a FREE pitch tomorrow with the money being for your own pocket.
As for monday, to be honest bro, it's not something I can be paying for but once again I will take the flak and give you a free space if you want it.

I can't say fairer than that right now. I know you've invested in your setup but you must understand you can't make it back on 1 job.
At the rough rate of £250 per day (including man) I will try and probably can get you more jobs and get you recognised as a local resource but you have to wOrk with me bro and not try
and kill me on this one.

Hope you understand where I'm coming from.

Re: Formal Complaint 08/12/12/016 To

Whom It May Concern:

I am once again writing an email to all the above in the hope something will be able to be done.

I know Formal Complaints are ongoing regarding letters written on the 24/11/2016 and 05/12/2016 but I feel I have known option but to again write a new Formal Complaints dated 08/12/2016.

The last time we spoke to someone regarding moving my son was on the 22/11/2016 after calling with no call back from Sarah Fletcher, or her manager or anyone else in her team since 16/11/2016 sometimes calling up to 3 times a day. (All their lines are set to do not disturb) this has not changed and I still am making calls to try and address this issue with no one calling me back.

My son is having a nightmare in his flat since he moved back there he does not leave his flat and has not since he returned there, once again the neighbours have started since he moved back in with the noise, the banging the intimidation, my son heath is suffering and this is not acceptable that nothing is being done he not being let alone to be able to sleep and being kept up all night and in the day due to what the neighbours are doing.

I do not see why no one is addressing this and I have not had one phone call to address this issue do not know what is going on and my son is left to suffer.

It should not matter that Formal Complaints are ongoing I should at least be able to talk to someone or get someone to call me back with an update as to if anything is going on to move my son.

When I get letters or calls or emails, I do not just do nothing I reply to the letters but it seems Enfield Council is doing nothing to address the under-laying issue of what has been ongoing since 2014 with my son's neighbours and what they are doing to him.

It does not seem to matter that my son's heath is suffering due to this and has been for some time due to not being able to sleep. It seems that Enfield Council is happy that the neighbours are doing this to my son with nothing being done.

I would like someone to email me via lorraine32@blueyonder.co.uk with what is being done to help my son, I would like an update today as so far I think I have waited long enough to get an update as to what is being done to address this issue if anything at all.

Regards

Miss Lorraine Cordell
Mr Simon Cordell
L. Cordell

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the 14/08/2016 my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the 04/10/2016 when he was due to go back to the police station to be interviewed.

On the 04/10/2016 my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the 14/08/2016 and the 04/10/2016 were dropped by the CPS this was done on the 15/11/2016 with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the 16/11/2016 I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the 16/11/2016 I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all their phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the 21/11/2016 and I was told that Sarah Fletcher would 100% call me that day.

On the 22/11/2016 I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the 14/08/2016 when the police went to my son's flat to arrest him when they noticed the CCTV camera, they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/2016 or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency, I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home I showed my son the letter from Sarah Fletcher he himself was upset for the some reason as me that she could take time to write this letter but not call us back. So he then called this time he did get to speak to Sarah Fletcher and yes he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in 2014 and 2015 about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between 2013 to 2015 this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.

- I would like to find out if Enfield Council is willing to move my son due to the reason's in this letter and the help of the early intervention team.

- I would also like full dates and times that my son's neighbours have put any complaints in and what they have said he has done and on what date.

- I would a full report of any police reports that have been given to Enfield Council by the police about my son.

- I would like information as to how to appeal about removing my CCTV camera, and be allowed not to remove it until this appeal has happened, as so far this is the only thing that has proven my son has done nothing wrong.

RE: Formal Complaint dated 24/11/2016:

To Whom It May Concern:

I am writing this letter on behalf on my son Simon Cordell of 109 Burncroft Ave, EN3 7JQ.

Over the past few years my son has been having some issues with his neighbours this started due to what the police wrote about him in the newspapers about an ASBO that was granted by the lower courts in the newspaper the truth was not printed in the newspapers or on the Met Police website, the judge did grant the ASBO order but not on the grounds the police case was for we are still trying to work on how this was done to this day, this was not related to his neighbours why the police took this action it was due to lies by the police, this case is still waiting an appeal hearing at the crown court which will be held Jan 2017.

It was after this was printed in the news paper and on the met website my son started to have issues with neighbours banging all the time and the way they were treating him and talking about him and not letting him have any rest to sleep due to the banging all the time emails were sent to Enfield Council yet very little was done yet my son has video footage of it which the council has never wanted to see or4 take any reports, this has made his heath suffer, I feel this was due to what the police have been telling Enfield Council and Enfield Council just taking the word of the police without asking my son or myself to explain as since all this started Enfield Council has not wanted to help in any way, could this be due to the colour of my son's skin as I am lost for words that Enfield Council has done nothing to help.

My son has been a tenant for many years now with no complaints about him until this all started above and things were put in the news papers for all to see when my son had done nothing wrong and will prove this at his appeal in Jan 2017.

The police do not like my son and have not for the past 21 years and there is a lot of issues that Enfield Council is not aware of about the police and my son this is getting addressed with the IPCC and police complaints, and we are now sorting out legal action as to what this has done to our life's over the years this has been ongoing the legal action is taking time due to how long this has been ongoing with the police.

There is also a subject access request attached to this email which I am asking for everything Enfield Council hold information about in regards to my son, this will also include any police reports that the police have handed to Enfield Council. If this needs to be handed to the correct department to deal with this or there is a cost pleases advice via this email, I have also included a letter of authority from my son so I can act on his behalf.

I do already know there is data being held by Enfield Council that is not correct and I want to be able to get this correct under the data protection act.

On the 14/08/2016 my son had some friends round to his home they came there at around 13:30 hours, after they left the police showed up at his address to arrest him this was due to one of the neighbours

said my son had gone out in his garden at 17:10 hours looked up at her windows and made threats to kill, this person lives 3 gardens down from my son on the 2 floor at 105 Burncroft Ave EN3 7JQ, this is imposable as my son did not go out in his garden he was with his 4 friends and there baby in his home all day and videos were taken while they were at his flat, his friends have made statements to say this as they did not leave his flat until around 18:15 hours, not long before the police came to my son's home. I Miss L Cordell even went around his flat as he needed some things. In fact, my son does not go out of his home and this has been for some time now due to how he is being treated.

When he was arrested on the 14/08/2016 my son was held in the police station sectioned under the mental health act and could not be interviewed so was put on bail until the 04/10/2016 when he was due to go back to the police station to be interviewed.

On the 04/10/2016 my son was getting ready at his home for me to pick him up for the bail to return, when I got a phone call from my son to say the police was again at his flat to arrest him this was around 1 hour before he was due to be at the police station, I went to his flat and was told by the police they wanted to arrest him I told them he was getting ready to go to the police station for a bail to return, the police again arrested my son for criminal damage due to something his neighbour said who lives above him, but he had not been out of his home he was in fact in the bath when the police came to his home.

Both cases for the 14/08/2016 and the 04/10/2016 were dropped by the CPS this was done on the 15/11/2016 with no case to answer towards my son, yet my son was victimised and had false accusations put against his name and arrested.

My son is scared to go home due to what the neighbours are doing and saying and putting false allegations into the police, it seems they really don't want him to live there and will do anything they can to get him out.

On the 16/11/2016 I tried to speak to my son's housing officer Sarah Fletcher to see what could be done and update her to what was ongoing her phone was set to do not disturb so I asked for an email to be sent over for her to call me as a matter of emergency, no one returned a call back to me.

Since the 16/11/2016 I have been calling every day to speak to Sarah Fletcher her phone is always set to do not disturb and I have asked for emails to be sent every day for her to call me back as a matter of emergency, I even asked to speak to her manager or any person in there team but it seems all there phones are set to do not disturb so I asked for emails to be sent for a call back, no one called me back. I was also told that the police had been in contact with the council and that Sarah Fletcher would talk to me about this when she called this was on the 21/11/2016 and I was told that Sarah Fletcher would 100% call me that day.

On the 22/11/2016 I went to my son's home and there was a letter from Sarah Fletcher dated the 18/11/2016 which was to do with 1 CCTV camera my son has outside his front door, this CCTV camera does not impose on any person's rights, it does not show any person's front door who lives in the block or windows. In fact, on the 14/08/2016 when the police went to my son's flat to arrest him when they noticed the CCTV camera they ripped the wire out and since this time it has not worked this is also getting address with the police. In the letter Sarah Fletcher said the CCTV camera had to be removed by the 25/11/2016 or Enfield Council would remove the CCTV camera and costs would be charged to my son for any repairs which there is none. At seeing the letter, I was upset as it seemed Sarah Fletcher could take the time to write this letter but not call me when each email that was sent said it's a matter of emergency I speak to her.

I tried to call and again like each other time I call it takes an hour or over to be able to speak to anyone, due to being busy I had to cut off to leave my son's flat and was going to call again later.

When I got home I showed my son the letter from Sarah Fletcher he himself was upset for the some reason as me that she could take time to write this letter but not call us back. So he then called this time he did get to speak to Sarah Fletcher and yes he was upset due to what has been going on and said many times he was upset that she had not called and they spoke about the CCTV camera which my

son said he wants to appeal it having to be taken down. They also spoke about my son being moved out of his flat to a new place, Sarah Fletcher replied she cannot do anything to do that and the only way for him to move was by way of housing moves and he should sign up to that and nothing else can be done. My son did not explain fully as he was really upset. Sarah Fletcher also said that there had been complaints put in about my son but said it not the right time to address this and that would be addressed at a next time, so it seems that Enfield Council does address complaints from other people but not my son or on behalf of my son, as I am still waiting for replies to complaints that were put in 2014 and 2015 about my son's neighbours.

After my son spoke to her he passed me the phone, I asked why she had not called me back and was told that it not my tenancy, which I replied there has already been sent a letter of authority sent to Enfield Council some time back I believe it was maybe between 2013 to 2015 this was sent there was more than one of them sent which I can prove as they were sent via emails which I still have, which gives me Miss Lorraine Cordell authority to deal and speak to anyone at Enfield Council on behalf of my son and it would be on their systems as it was emailed and I knew they had it. My son at this in the background also said I have authority to deal and speak to anyone at Enfield Council and it's on their systems.

Due to my son speaking in the background I went to a next room to speak; my son came into the room and was going on about writing the letter of complaint about what had been going on and that she could end up losing her job if she did not deal with this correctly. It was at this Sarah Fletcher said she could no longer talk to me that my son had made threats towards her and told me to put it in writing what I wanted to say put the phone down.

I feel at this time Enfield Council is doing nothing to help my son they don't even want to speak to me so I can explain fully what is going on. My son is under the early intervention team and they are willing to help my son get moved as they themselves have seen what is going on. They would do this by way of writing a letter to Enfield council if asked to do so by Enfield Council.

- I would like to speak to someone as this cannot be left like this and my son is suffering due to all of this. My contact number is 07807 333545.

- I would a full report of any police reports that have been given to Enfield Council by the police about my son.

Re: Formal Complaint due to letter dated 29/11/2016 this Formal Complaint is to be added to the Formal Complaint dated 24/08/2016.

Dear Lemmy Nwabuisi and any other person who is copied in this letter.

I am writing this letter on behalf of Mr Simon Cordell of 109 Burncroft Ave, EN3 7JQ regarding the letter you wrote dated the 29/11/2016 which was received on the 01/12/2016.

I am not sure if you are aware there is an ongoing formal complaint that is being addressed by Mr Daniel Ellis from Complaints & Access to Information Team which addresses some of the information you have included into your letter, but I will be covering points in this reply and also forwarding it to the people it needs to be addressed to.

The 1st point I will address is the meeting you have set up for Mr Simon Cordell on the 06/12/2016 at 14:00 hours at Enfield Civic Centre.

I do not believe that it is justified to hold this meeting before the formal complaint is dealt with as stated many points in your letter has been covered in my formal complaint dated 24/11/2016, also until I have the subject access request information dealt with and have a list of dates and times these so called complaints where meant to have taken place and the reports from police that have been sent to Enfield Council I do not think holding this meeting would be appropriate.

I have spoken to my solicitor in regards to this matter and on advice taken from him he has told me to give limited information until I have the subject access request, this is why my formal complaint did not have full information in it as my solicitor does believe we have a case to take legal action, and if any data is withheld as it was when I requested my last subject access request for all my information I will have to take this up with the ICO.

However, it does seem there is more injustice going on within the ASB unit and Enfield Council then I had proof of before you wrote your letter dated 29/11/2016. There has been complaints put into Enfield council since 2014 about Mr Simon Cordell's neighbours and what they were doing to him, Enfield Council and ASB unit took the option and done nothing, not even replied to my complaints, took no reports, and did not even looked at the video footage Mr Simon Cordell has of the noise, the banging the intimidation my son has taken from his neighbours, and the way they are doing all they can to get Mr Simon Cordell to move, the way he has been treated by Enfield Council by way of Enfield Council doing nothing to help him. You have been told many times the effect this is having on Mr Simon Cordell's heath yet still choose to do nothing.

Yet as soon as Enfield Council gets reports against Mr Simon Cordell you are willing to address these complaints. Once again I will say I feel this is due to reports the police have put in to Enfield Council about Mr Simon Cordell, Meetings that took place with the Met police and Enfield council in regards to Mr Simon Cordell which Mr Simon Cordell knew nothing about until after the fact, and the colour of Mr Simon Cordell skin, why Enfield council have done nothing to address any issue Mr Simon Cordell was having with his neighbours regarding what his neighbours was doing to him.

Mr Simon Cordell has had his own place since 1999 and was housed by Enfield Council in 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 due to a fire that happened in his flat before this address, in this time Mr Simon Cordell had no complaints put in about him until now 2016.

You have written in your letter multiple things to be addressed which Mr Simon Cordell was meant to have done.

- "Include using threatening, abusive and insulting words and language, aggressively demanding money, intimidation and making threats towards your neighbours. It is also alleged that on 4th October 2016, you banged on your ceiling and you later started to bang and kick at your neighbour's door. It is alleged that you were very aggressive and was shouting through your neighbour's door and that you then proceeded to drag his motorbike from where it was parked and started to smash it up".

At this point I will only say the above is untrue, once I have the information including all dates, times and complaints in order from my subject access request it will be at this time I will address each point of concern above.

You have also stated:

- "It is also alleged that your dogs are left by themselves all day and night barking and causing noise disturbances to your neighbours".

Mr Simon Cordell has had one dog only at his flat, when Mr Simon Cordell was housed in 1999 he had a dog, no complaints was ever put in re Mr Simon Cordell dog being left by herself all day and night barking and causing noise disturbances to neighbours and being neglected.

When Mr Simon Cordell was moved into 109 Burncroft Ave, Enfield, Middlesex, EN3 7JQ I believe in 2006 he had the same dog, when she passed away in 2007, he got a new dog same bred and since 2006 there has been no complaints by neighbours of Mr Simon Cordell leaving her alone all day and night or her barking all night and all day and him not looking after her and neglecting her, and her causing noise disturbances to his neighbours. Mr Simon Cordell does not leave his dog all day and night she is always looked after, if Mr Simon Cordell is not going to be there overnight or for a long time during the day then the family look after the dog. So how someone can say she is left alone is beyond me.

Mr Simon Cordell's dog is looked after very well she has never been left all day and all night alone, and I feel very angry any person could ever say Mr Simon Cordell has ever mistreated and neglected his dog he is an animal lover as all our family are and we would never mistreat or neglected any animal.

Once again it seems beyond belief Mr Simon Cordell has had his dog and no complaints has been put in by any neighbours about the way my son allegedly mistreats and neglects his dog since 2006, until now 2016.
It seems totally unbelievable my son could have his dog for so many years with not one complaint of mistreatment and neglect and now all of a sudden in 2016 my son mistreats and neglect his dog leaves her alone all day and night with the dog only now in 2016 causing noise disturbances to his neighbours. You can take that how it reads as I am so angry right now that any person could say the dog is mistreated and neglected, she is always cared for and loved and not left alone all day and night barking and making noise.

In fact the dog that lives a few rows up barks more and makes more noise than Mr Simon Cordell dog does its always barking and making a noise so does this mean they are going to have action taken against them?
My son's dog only as a rule barks when someone comes into the building to Mr Simon Cordell front door and this is only for a short time until the door is opened for them, there is also the fact Mr Simon Cordell does not have many people at his flat the main people are his family, so his dog hardly barks at all.

Mr Simon Cordell for the last 3 years does not even go out of his flat any longer due to what has been going on, he once in a while goes across to the shop but that is not often at all and only when the family cannot get what he needs as they are busy. If Mr Simon Cordell has to go out for a meeting, he always has someone with him it has become this way due to how he has been treated by the Met police.

You have also stated:

"Your neighbours have also alleged that you have installed a CCTV in the communal area with the camera pointing towards the main entrance to the block thereby making them to feel very uncomfortable when entering and leaving the block. Your neighbours have alleged that this is an invasion of their privacy".

I have already put an appeal in my formal complaint dated the 24/11/2016 in regards to the CCTV and I am awaiting a reply as to what information I need and how I address the appeal. I will say that the CCTV is for security, but so far has protected me due to malicious information that has been passed to people, but it was not installed for that reason but has helped in this the main reason it was installed was due to security.

But since the 14/08/2016 when the police themselves damaged the CCTV camera due to what they were doing to Mr Simon Cordell, it has not worked. So, at this time there is no CCTV in operation in the communal area of the block the only CCTV that is operational at this time is the ones inside Mr Simon Cordell flat itself. When Mr Simon Cordell was on a phone call to Sarah Fletcher on the 22/11/2016 she did say if the CCTV camera was facing Mr Simon Cordell's front door there would be no problem with that this is at this time being acted on.

It also seems that this complaint has come in very late as if any neighbours felt that this was an invasion of their privacy why was this not acted on in 2013 when it was installed? Why has it taken them until 2016 to say they feel this is an invasion of their privacy?

In fact I feel it has protected Mr Simon Cordell's neighbours there has been crime in the area and many break ins within the housing estate where everyone lives, yet not one person has been effected in the block Mr Simon Cordell lives in by crime and I believe this is due to the CCTV being there, and if anything happened to any of the neighbours in the block the police could obtain a copy. The CCTV camera does not show any neighbours living in the block, front doors or windows. And only showed part of the ground floor communal area leading up to Mr Simon Cordell's own front door.

It also makes us feel the only reason that the neighbours have now said about the CCTV is due to what they are trying to say about Mr Simon Cordell in these complaints, I feel that at this time the CCTV is the thing that protected Mr Simon Cordell against what the neighbours have alleged, why else would it have taken them over 3 years to say they now felt it was an invasion of their privacy?

As said in my formal complaint the police don't like Mr Simon Cordell and this has been for many years when the police go to Mr Simon Cordell flat he feels safer that the CCTV is there as it shows what the police are doing to Mr Simon Cordell so makes him feel safer, has the police put a report in about the CCTV camera also?

As stated these allegations are very serious and I would like them addressed as soon as possible but until I have the information I have asked for so know what dates and times these complaints where put in I feel that Enfield council is only taking one side to this and that is the neighbours, as since 2014 all my calls and emails and letter about my complaints re the neighbours Enfield Council has done nothing to help me or Mr Simon Cordell address this.

Mr Simon Cordell feels he has no option left to him but to move away from his home due to what has been ongoing for a long time with no one addressing it. He feels that is the only way he will feel safe again from what the neighbours are doing to him, yet Enfield Council have said they will do nothing about this to help him and while this is ongoing it is affecting his heath more and more.

HIRE TERMS & CONDITIONS

1] The contract is made between Too Smooth Entertainment and the person named of the booking confirmation form.

2] The hirer is the person named on the booking confirmation form, and declares that he/she is over eighteen years of age and is legally entitled to enter into this agreement on their own behalf. If they are entering into this agreement on behalf of a company or organization that they have full authority to do so, and that we are advised if the company or organization has limited liability, failure to do so will render the hirer personally liable for any outstanding costs, charges or fees.

3] The hire booking confirmation form will usually be sent via email, when it is received it should be carefully checked to make sure all details are correct, then it should be printed off, signed by the hirer and returned to us without delay, either via e-mail, fax, post or in person. If the booking form is not signed the equipment may not be made available for hire, although once the deposit is paid condition 6 regarding cancellation will still apply.

4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.

5] All deposits paid to us to secure a booking are non-refundable under any circumstances.

6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.

7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.

8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. The identification must be that of the person named on the hire booking confirmation form. Any other person's identification is not acceptable.

9] Unless specified, hire charges are based on a minimum period of one day, or part thereof, irrespective of whether the equipment is in use or not. The prices shown on our website are for one day's hire. If you wish to hire for a longer period please call our sales office for details. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.

10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.

11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Whether insured or not, the hirer is responsible for the full replacement cost of all the equipment on hire to them, including all cables, spares and accessories. A valuation is available on request.

12] All hired equipment remains the absolute property of Too Smooth Entertainment at all times.

13] The hirer undertakes to keep and return equipment in good order and condition. Any equipment returned in a dirty condition may incur a cleaning charge.

14] Too Smooth Entertainment reserve the right to charge for repair or replacement of any equipment damaged lost or stolen, howsoever arising, during the period of hire. The hirer's liability is for the full replacement value of the equipment and any cables.

15] Any equipment damaged, lost or stolen during the hire period will remain on hire and chargeable at our published prices until all repairs are complete and paid for in full, or the equipment has been replaced by the hirer paying for the replacement of all lost, stolen or damaged equipment and the equipment is again available for further hire.

16] Equipment will be deemed to be on hire until any invoice for repairs or replacements, relating to that equipment, have been paid for in full by the hirer.

17] All spares, including blown lamps must be returned for inspection, or they may be charged for.

18] The hirer assumes responsibility for the replacement of all lamps which fail under normal working conditions, but any dead lamps must be returned to us for inspection or they will be charged for. Spare lamps will normally be supplied by us for the purpose of replacement if required during the hire period.

19] Too Smooth Entertainment will always attempt to provide the hire equipment that has been ordered. However we do reserve the right to provide substitute equipment should the need arise. We also reserve the right to terminate this contract without liability to us if for any reason we are unable to supply the hire equipment which has been ordered. In the unlikely event of us not being able to fulfill the booking, all monies paid to us by the hirer will be refunded. If any individual items cannot be supplied a full refund for those items will be made, or suitable alternative equipment will be supplied, but this will be the limit of our liability in this regard.

20] In the event that the hired equipment is faulty, Too Smooth Entertainment shall not be liable for any consequential loss or damage whether financial or otherwise, arising there from. Should we not be able to fulfill the booking all monies paid to us by the hirer will either be refunded, or a credit issued at our sole discretion, but this will be the limit of our liability.

21] Connectors must not be removed from equipment. We reserve the right to charge for refitting, or inspecting, any connectors found to have been removed, or tampered with. No equipment must not be modified in anyway whilst on hire.

22] Failure to return any cable coiled and taped may result in a charge for doing so being made.

23] Packing supplied with equipment must be returned, or it will be charged for.

24] If the economy delivery option has been requested where no setup of equipment is provided by us (when applicable), or you have chosen to collect the equipment from us, all hired equipment should be installed by a competent person. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.

28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.

29] Too Smooth Entertainment reserves the right to inspect all hired equipment at any time during the hire period.

30] Where a Customer has Terms and Conditions covering purchasing and hiring that conflict with the Terms and Conditions of Too Smooth Entertainment then the Terms and Conditions of Too Smooth Entertainment shall take precedence unless specifically agreed in writing by a Director of Too Smooth Entertainment.

Too Smooth Entertainment

109 Burncroft Av

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.

28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.

29] Too Smooth Entertainment reserves the right to inspect all hired equipment at any time during the hire period.

30] Where a Customer has Terms and Conditions covering purchasing and hiring that conflict with the Terms and Conditions of Too Smooth Entertainment then the Terms and Conditions of Too Smooth Entertainment shall take precedence unless specifically agreed in writing by a Director of Too Smooth Entertainment.

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

HIRE TERMS & CONDITIONS

1] The contract is made between Too Smooth Entertainment and the person named of the booking confirmation form.

2] The hirer is the person named on the booking confirmation form, and declares that he/she is over eighteen years of age and is legally entitled to enter into this agreement on their own behalf. If they are entering into this agreement on behalf of a company or organization that they have full authority to do so, and that we are advised if the company or organization has limited liability, failure to do so will render the hirer personally liable for any outstanding costs, charges or fees.

3] The hire booking confirmation form will usually be sent via email, when it is received it should be carefully checked to make sure all details are correct, then it should be printed off, signed by the hirer and returned to us without delay, either via e-mail, fax, post or in person. If the booking form is not signed the equipment may not be made available for hire, although once the deposit is paid condition 6 regarding cancellation will still apply.

4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.

5] All deposits paid to us to secure a booking are non-refundable under any circumstances.

6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.

7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.

8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. The identification must be that of the person named on the hire booking confirmation form. Any other person's identification is not acceptable.

9] Unless specified, hire charges are based on a minimum period of one day, or part thereof, irrespective of whether the equipment is in use or not. The prices shown on our website are for one day's hire. If you wish to hire for a longer period please call our sales office for details. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.

10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.

11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Whether insured or not, the hirer is responsible for the full replacement cost of all the equipment on hire to them, including all cables, spares and accessories. A valuation is available on request.

12] All hired equipment remains the absolute property of Too Smooth Entertainment at all times.

13] The hirer undertakes to keep and return equipment in good order and condition. Any equipment returned in a dirty condition may incur a cleaning charge.

14] Too Smooth Entertainment reserve the right to charge for repair or replacement of any equipment damaged lost or stolen, howsoever arising, during the period of hire. The hirer's liability is for the full replacement value of the equipment and any cables.

Too Smooth Entertainment

15] Any equipment damaged, lost or stolen during the hire period will remain on hire and chargeable at our published prices until all repairs are complete and paid for in full, or the equipment has been replaced by the hirer paying for the replacement of all lost, stolen or damaged equipment and the equipment is again available for further hire.

16] Equipment will be deemed to be on hire until any invoice for repairs or replacements, relating to that equipment, have been paid for in full by the hirer.

17] All spares, including blown lamps must be returned for inspection, or they may be charged for.

18] The hirer assumes responsibility for the replacement of all lamps which fail under normal working conditions, but any dead lamps must be returned to us for inspection or they will be charged for. Spare lamps will normally be supplied by us for the purpose of replacement if required during the hire period.

19] Too Smooth Entertainment will always attempt to provide the hire equipment that has been ordered. However we do reserve the right to provide substitute equipment should the need arise. We also reserve the right to terminate this contract without liability to us if for any reason we are unable to supply the hire equipment which has been ordered. In the unlikely event of us not being able to fulfill the booking, all monies paid to us by the hirer will be refunded. If any individual items cannot be supplied a full refund for those items will be made, or suitable alternative equipment will be supplied, but this will be the limit of our liability in this regard.

20] In the event that the hired equipment is faulty, Too Smooth Entertainment shall not be liable for any consequential loss or damage whether financial or otherwise, arising there from. Should we not be able to fulfill the booking all monies paid to us by the hirer will either be refunded, or a credit issued at our sole discretion, but this will be the limit of our liability.

21] Connectors must not be removed from equipment. We reserve the right to charge for refitting, or inspecting, any connectors found to have been removed, or tampered with. No equipment must not be modified in anyway whilst on hire.

22] Failure to return any cable coiled and taped may result in a charge for doing so being made.

23] Packing supplied with equipment must be returned, or it will be charged for.

24] If the economy delivery option has been requested where no setup of equipment is provided by us (when applicable), or you have chosen to collect the equipment from us, all hired equipment should be installed by a competent person. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. 4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.

5] All deposits paid to us to secure a booking are non-refundable under any circumstances.

6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.

7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.

8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.

10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.

11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.

28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

Too Smooth Entertainment came together with an idea from a group of people all with the love of life and meeting new people bettering our ways of life for today and the further pulling together in the time of need and for the love of music and much more.

We realise at Too Smooth Entertainment there is a lot to organize and consider beyond the artistic and creative considerations, when building such events as a festival.

We hope to launch the festival at Barley lands farm which has its own camping site.

This attractive site provides an excellent base from which to visit Essex, having both easy access to the M25 A127 A12 and other B roads with excellent public transport links into the centre of Billericay Close to Barley lands farm the site is mostly level, with several bush sheltered avenues and plenty of trees throughout providing shade.

It also makes a practical contribution in terms of sustainability, providing employment, encouraging learning and inspiring people to adopt creative and active lifestyles.

The festival that we are creating is a festival that will bring a large spectrum of music and live events to all verity of people bringing people together.

We plan this by opening the doors to the camping sites on Thursday to the general public so everyone can ease into the wonderful surroundings Essex Barley lands farm Billericay and surrounding areas have to offer such as.

The site is open to the public prior to this from the Thursday at 12:00 hours mid-day from which time the majority of the public will start to arrive. Following the Too Smooth Entertainment Festival the majority of public will have left the site by the Monday by 20.00 hours.

- Prior to the arrival of the general public there will be a build-up of traffic attending the site delivering temporary structures and equipment to the event.

- Whilst the number of vehicles attending the site increases over a period of one week prior to the festival these vehicles do not cause a major problem, which requires traffic control measures. The arrival of the traders and performers on the previous Sunday will create issues, which will require some traffic measures.

- Festival visitors are encouraged to use public transport as much as possible.

•---------- The Festival bus station will be sited _____to cater for those who arrive by coaches, bus, local services.

- The level of service provided by the railways caters for the demands expected. There are links set up to encourage people to book tickets through rail companies who will be pushing our no ticket No entry message.

- The Festival will continually do studies making improvements to the loading and queuing of passengers in order to improve the flow of people at peak times.

Too Smooth Entertainment

Traffic levels and expected peaks

- Over the period of the Festival there will be different levels of traffic flow expected. We at Too Smooth entertainment festival will keep the levels of traffic relatively consistent, and the steady movement of the public attending the Festival to arrive earlier as well as the majority of visitors arriving on site by Thursday rather than by the Friday.

- In addition to the vehicles arriving on site there are trade stands, performers and suppliers vehicles arriving the peak for the trader vehicles is Thursday 00/00 /0000

one week before the start date of:

- All these vehicles arrive on site via _____Road accessing the site through Gate l
- The arrival of Performers will be from Wednesday 00/00/2014. And go through to the Sunday of the Festival. Performers will access the site through gate2 vehicles or gate 3 pedestrians.

- The performer's vehicles arriving on site will have their own staff car park marked silver or bronze to stop significant problems to the traffic plan.

- Although there is a curfew for vehicle movement on site this is not seen as a significant problem for the traffic plan as there is parking areas within the car parks to hold vehicles.
- The supplier's vehicles access the site via Gate 4 off the _____ road.

- Tire number of vehicles gradually increases over the week leading up to the Festival. Whilst the number of vehicles attending the site in the early week does not cause a problem the number of vehicles attending from Thursday before the event is significant but does not require any external traffic management.

- As part of signage specification all access roads leading from the _____ and The _____ roads towards the site have signs put up to state that access for Festival deliveries is at gates and to direct deliveries to gate 5 deliveries.

- The capacity of the car parks is_____ despite the high levels of vehicles attending of 15:00 at peak. The estimated number of vehicles in the official car parks will be
- 3,000 to 4,000 peaks. There will still be areas left available for over 1,000 cars to be parked.

- The aim is for the general public to arrive on site earlier.

- The peak flow of public vehicles is from the Thursday to the Friday
- The majority of ticket holders arriving on site are on site by midnight on Thursday 00/00/2014.

In order to cater for a possible increase of mechanical propelled vehicles trying to park other are available to the Festival marked in the site map as contingency, running of the adjacent to already running car parks with space for over 1,000 cars. These fields are kept as contingency.

The peak arrival patterns for public vehicles arriving on site are as follows.

Thursday 10am until 0000/0000 hours
Friday from Noon until 0000 hours
Saturday and Sunday no peak arrivals a steady flow of traffic all day.
The Peak exit flows are as follows:
Friday and Saturday nights there is an increase in the exit of traffic from gate 6 as staff public and performers leave Barley lands farm between 2300 hours and 01:30 hours each night.
Sunday EXIT peak flow from 2300 hours for around 2 to 3 hours

Monday the peak EXIT flow is reached by 10 am and carries on until 0000/0000 hour's dependant on road conditions and traffic accidents.

For the attendance levels proposed of 4,999 people Too Smooth Entertainment festival would expect a Vehicle count of approximately 3,000 for all types of vehicle in the car parks.

By sustaining the area of parking available we retain some flexibility to use alternative car parks labelled cooper car parks contingency should problems arise at one of the car parks.

In addition, if the weather conditions are such that the car parking areas become water logged we are able to use alternative sites.

The caravan campsite area is always under great scrutiny.

A set of check lanes for the caravan camper van area ensure that all vehicles and caravans entering the area can be searched as required and that all vehicles can be checked quickly and efficiently.

Dear Mr Cordell

RE: Letter of Indemnity - Policy Number MT3574694

We would confirm that the policy above was incepted at 00.01 AM on the 23/2/13 and was in force until Midnight on the 22/2/14 when it lapsed.

The policy is a Road Risks Motor Trade only, cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes only. Drivers under this policy were restricted to Mr Simon Cordell only.

The vehicles covered at inception of the policy were -

- Ford Zetec registration MA47LDY
- Ford Transit registration CX52JRZ

On the 8/4/13 at 11.05am the following vehicle was added to the policy -

- Renault Clio registration NA57LDY.

We understand that Mr Cordell was subjected to a number of Police stops during the policy
period whilst driving these vehicles. The stops were due to these vehicles not showing as insured on the Motor Insurers Database (MID). We would confirm that it's a requirement for Motor Insurers to upload details of all insured policies & vehicles to the MID, the targets set are 95% of policies to be on the MID within 14 days for Motor Trade policies and 95% of vehicles to be on the MID within 21 days for Motor Trade. Accordingly, we can note that whilst this database is very effective, it's not real time and not 100% accurate.

We have earned out an investigation to understand why Mr Cordell's vehicles were not on the MID leading to these Police stops. It has been established that there is a "bug" in our system when copying and pasting a registration with a space in it into the policy record, that results in an unsuccessful upload to the MID. It does not happen when we receive

data electronically or when manually inputting data and was something we were unaware of until this case. We have of course changed our processes to prevent this occurring again.

The unfortunate outcome for Mr Cordell of course was that it appeared to the Police that he was driving uninsured and was subjected to unnecessary Police stops. This was not Mr Cordell's fault in any way as he had a valid Insurance policy in force and was fully insured to drive these vehicles for the purposes permitted under this policy during the policy period.

We trust this letter meets the requirements of the Police and the Courts. Should you require any further assistance please do not hesitate to contact us.

I have become involved in this matter following receipt of a Data Subject Access request and a complaint letter from Simon and Lorraine Cordell. During the course of my investigations to establish all the facts before responding to the letter of complaint it has been necessary for me to obtain and listen to various phone calls between the client and Underwriters, the Broker and Underwriters, Underwriters and the Police compound and the original call from the officer at the roadside and Underwriters.

I feel I have now reached a good understanding of the sequence of events and as a result have provided both a Letter of Indemnity and 2 relevant call recordings to Lorraine and Simon Cordell to support their appeal.

Josephine Ward has requested that in addition to this I provide a section 9 statement and confirm the following points -

> I have been able to search and locate, I believe, all of the relevant call recordings connected to this matter. I have located in total 8 call recordings but have provided the 2 relevant calls being the call from the officer at the roadside talking to Underwriters and the call from Underwriters to the Police compound. The fact that I have been able to search for and locate these calls proves to me that our call recording equipment was functioning correctly, certainly on the days in question, on the few occasions its not working the result is that you cannot locate any call recordings.
> I would confirm that the 2 calls I have provided to Simon and Lorraine are authentic and have come from KGM call recording systems. These 2 calls specifically are -
    - The call made to Underwriters by the Police officer on the 14/11/2013
    - The call made by Kelly Tiller to the Police compound on the 26/11/2013
> I would confirm that I was searching for and located these call recordings on the 23/1/2015
> i would confirm that I e-mailed these call recordings across along with the Letter of Indemnity to Simon & Lorraine Cordell on the 30/1/2015.

Thank you for calling KGM introduction .....select correct dept from the following:
Thank you for calling KGN accounts department To
speak to an account handler please press 1

Female: Hello KGM
PC G: Hi there it is PC Geoghan from the Met Police I need to speak to someone about a policy of insurance a gentleman claims to have with you Female: Okay if you hold the line I will pass you through to our underwriting department
Carl KGM: Good afternoon Carl speaking how can I help
PC G: Hi there it's PC Geoghan from the Metropolitan Police I've got a gentleman stopped and he has produced a certificate of insurance from KGM and I just wanted to clarify some of the limitation on the use.
Carl: Okay do you have a policy number PC
G: Yeah I do it's MT3574694.
Carl: It's a Motor trade policy. Yeah I might have to forward you to another Department
PC G: Yeah sure
lessica: Hi you have been passed through to lessica from KGM how can I help PC G: I have a gentleman here who has been stopped with an insurance certificate issued by KGM. I've got a policy number and other details lessica: Okay I can see that from my screen
PC G: Basically, it says motor trade and SDWP and use motor trade purposes- Looking at vehicle its got a load of tools in and they appear to be workmen doing sort of work odd jobs here and there. Is that something motor trade would cover? lessica: No, he just covered for road trade, road risk only and SDWP and would not cover for any other occupation
PC G: Okay right, right. He's claimed he bought the vehicle today or yesterday and he's not able to produce any proof that he has done that lessica: Rights
PC G: Em does he have to notify you of any vehicles

Jessica: When a client purchases a vehicle, they have 14 days to make us aware. If they didn't within 14 days they don't make us aware then they're not covered but anything like this happened we do need proof to show that he had only had it within the 14 days otherwise it would not cover it we need to obviously we would not ask for proof normally but say if he has like pulled over now we would ask because he could just say he bought it yesterday or a week ago and we would still cover him.
PC G So it definitely does not cover him on the if he literally going around with tools in the van doing jobs that is not something he is covered for Jessica Certainly not
PC G: That's not something he is covered for Jessica: No certainly not
PC G Can I just get your name obviously for my notes

Charlton Car pound: Good afternoon James speaking
James KMG: Hello James is Kelly there please. Who's calling please?
Charlton Car pound - Car pound Metropolitan police service
James KMG: Yeah one second please. Okay I will just put you through
Kelly Tiller - Hello Kelly speaking
Gareth: Hello Kelly my name is Gareth, Manager of Charlton Car Pound Metropolitan Police Service I'm dealing with a Mr Simon Paul Cordell something about the tools in the back of his vehicle Kelly: Correct yeah
Gareth: All I can do is I've looked at the seizure notice which would be given to Paul at the time and any property left was blank so if there was any tools in the back normally that would be registered as tools in the rear of the vehicle Kelly: Right okay because we had a call from the police Gareth: Yeah
Kelly: He advised that there were tools in the vehicle Gareth: Do you want to speak to him a moment Kelly: Who Sorry

Gareth: Paul because I have got him in front of me
Kelly: Yeah that's fine
SC Hello
Kelly: Hello
SC: You alright Kelly
Kelly: Okay what have they given you there
SC: They have not given me anything but he did explain to you on the phone that there's' no tools on the vehicle on their CADs and in any case, they would write that down tools in the vehicle and so forth Kelly: Right okay and has he gives you a print out of this.
SC: No, you will have to ask him yourself
Kelly: Right can you pass me back to him
Gareth: Hello Kelly
Kelly: Hello, right okay so if there was any kind of tools in the vehicle it would be stated on there
Gareth: Well yeah what happens on the roadside a police officer will issue a seizure notice and he will say do you want to take any property out of the vehicle, normally they take sat navs , wallets, money whatever Kelly: He could have taken the tools out of the vehicle
Gareth: Well I do not know I am not going to comment on that to be perfectly frank with you all I can do is comment on the paperwork that I see in front of me Right okay
Gareth: And there was nothing left in the vehicle Kelly: At the time of when it come in but obviously Yeah
Kelly: He's had the opportunity to take items out of that vehicle Gareth: But then it would have been mentioned that he had done that and there is nothing there saying that he had and it would have also mentioned what was taken on the seizure notice yeah
Kelly: Is there any chance you can forward me a copy of this
Gareth: No we are not allowed to under the Police Act and God knows what else. All I can confirm is what I have seen on the seizure notice
Kelly: Can you confirm that in an email to me please
Gareth: Right what you do
Kelly: I have already emailed yourselves and
Right
You've replied to say you would not have anything like that on record and I just need you to pop me over an email to say that
Gareth: If you go to Charlton car Charlton documents and I can reply from there because we have firewalls and God knows what else Kelly: So you don't use the vcse one of whatever it is called
Gareth: No if you do charltondocuments@met.police.uk. What I am going to do I am going to bring up a copy of this seizure notice just double check that I have done everything right for you Kelly: Are you a police officer
Gareth: No I work at the compound I am just one of the little plebs
Kelly: I have just forwarded you over a copy of the email and the reply that I got from the vres Charlton@met.pnn.police.co.uk
Gareth: What I will do I can only go on what we have got here and I'm just bringing it up now if you bear with me. I am looking at the copy of

Kelly: Is that from a PC Geoghan
Gareth: Bear with me at the end of the day it is just a signature Kelly:
Oh, alright okay
Gareth: All I can say is property left in the vehicle there is nothing in their Property removed from driver that is blank as well but obviously he did not remove anything else as that would have been registered Kelly: Yeah
Gareth: He would have told the officer there's tools in there be careful as they're part of me trade Kelly: Yeah
Gareth: Then that would have been registered they were within there. We take them out and piut them into our property store for safe-keeping and then when he comes to collect them, they get given back then
Kelly: Right okay that fine it is just when we got a call from the officer when he has Mr Cordell at the road side, he has advised us that he is carrying tools in his vehicle
Gareth: Well I can't comment on that I can only go on the information on that seizure notice and there was nothing been entered that the gentleman removed anything or there was anything left. That's all I can say
Kelly: That's fine no worries so if you can just reply to my email there and then that will be great. Thanks for your help.

THE CLERK OF THE COURT: Are you Simon Cordell?

THE DEFENDANT: Yes, that's correct.

THE CLERK: Thanks. Take a seat.

THE RECORDER: Mr Pottinger, yes?

MR POTTINGER: My learned friend Mr Kennedy is for the appellant. Your Honour, the ~ this is a case of no insurance.

THE RECORDER: Mm.

MR POTTINGER: The defendant was stopped on Brixton Hill in a Ford Transit with a colleague. There are some disputes as to facts but according to the officer he appeared to be working at the time. There is in place a valid policy of insurance for that vehicle, the vehicle covering social, domestic, pleasure and motor trade purposes but not work.

THE RECORDER: Social, domestic...?

MR POTTINGER: Pleasure and motor trade purposes. I've been -1 was looking at Archbold with my learned friend just to see as far as what issues — who the burden is on. The prosecution have to prove that the defendant used a vehicle on a road. Once that is established, it's for the defendant to prove there was a valid policy of insurance in force at the time. There's no dispute the vehicle was being used on a road, there's no dispute there was a valid policy of insurance in force at the time. The dispute here is the nature of the use at the time and in the place. I just want to check before we start on whom that burden falls.

THE RECORDER: Right.

MR POTTINGER: Archbold is silent on the point. I was just reconsidering matters. I don't know if — I really think it should be established before we start just by looking at a court copy of Wilkinson although the difficulty being — or sometimes Blackstone is clearer than others. But I think it's something that really needs to just be checked before we start because .....

THE RECORDER: I agree. Because if you can't prove it .....

MR POTTINGER: Well, the Crown have — we have evidence that we say shows he was working at the time.

THE RECORDER: Working?

A MR POTTINGER: The defendant will say other -- but who's — who's got to prove it and to what standard.

THE RECORDER: I understand. Exactly.

MR POTTINGER: The --1 mean, it's — it's clear that the Crown say he was in work B clothes with a friend, covered in paint.

THE RECORDER: Yes.

MR POTTINGER: On a weekday afternoon. And he was -- gives some kind of explanation.

C

THE RECORDER: So if I drove home in my robes that might indicate that I was working instead of commuting?

MR POTTINGER: If — well, that's the issue. Because there -- there is no dispute that there was in policy — in force a valid policy.

D THE RECORDER: Has -- has anyone got this policy?

MR POTTINGER: There's some correspondence which has been obtained, yes. The officer at the time made enquiries with the insurance company.

THE RECORDER: Okay.

E

MR POTTINGER: But whether it covers the use -- and I --1 do also have recollections that — I just want to see if I can find a reference because I ----------

THE RECORDER: Do you? Well, I think — I think you need to find ---------

F MR POTTINGER: I think there are cases covering where there's a clause in the policy and what — what exactly offence, if anything, committed.

THE RECORDER: Yes.

MR POTTINGER: I just want to check that.

G

THE RECORDER: Yes, I think — I think you need to.

H

MR POTTINGER: I was thinking -- just looking it up before that was fine but actually, thinking again, we're not ready because we just need to check this point of law.

A

THE RECORDER: Yes, you need to clarify that. My knee-jerk reaction is that it will be on the Crown to prove that ---------

MR POTTINGER: That's my knee-jerk reaction as well.

B THE RECORDER: -—but I -------

MR POTTINGER: But I just think we should clarify it.

THE RECORDER: I agree entirely. Mr Kennedy, any views?

C MR KENNEDY: I agree with everything that's been said.

THE RECORDER: Okay.

MR KENNEDY: It's a single-issue case.

D

THE RECORDER: Yes.

MR KENNEDY: Whether he was using that vehicle for working that day.

THE RECORDER: Right.

E

MR KENNEDY: That's the issue.

THE RECORDER: Can you help me with this? Whose -- whose policy is it? Is it a work policy? Is it a domestic policy? What are we talking ----------

MR KENNEDY: It's his -- it's his policy.

F

THE RECORDER: It's his policy. And has he got a copy of it?

MR KENNEDY: Yes. We've got a copy available.

GTHE RECORDER: Could — could — could we see a copy of it ---

MR KENNEDY: Sure.

THE RECORDER: ----- whilst this is going on so that we can at least have a look at what's -- what's happening.

H

MR KENNEDY: Mm.

THE RECORDER: If you'd like to hand it to the clerk, maybe she'd be good enough to copy it for us and bring it through to us. We'll rise until you've sorted it out.

MR POTTINGER: Yes.

MR KENNEDY: I've got spare copies so .....

THE RECORDER: Oh thank you. That's even better. Good. Thank you very much. Let us know as soon as you're ready.

MR POTTINGER: Yes.

(There followed a short adjournment)

THE RECORDER: How are you doing, Mr Pottinger?

MR POTTINGER: Your Honour, I think gut-feeling is the right feeling so -- we didn't find a case directly on point but I think just looking at it very carefully and standing back, because the use has to be proved then it's the .....

THE RECORDER: Yes.

MR POTTINGER: And that's the fairest way of dealing with it in any event.

THE RECORDER: So the issue as far as the Crown is concerned is whether or not he was working at the time? Is that it?

MR POTTINGER: Yes.

THE RECORDER: Because -----

MR POTTINGER: Or whether he was -- well, whether he was using the vehicle for work purposes.

THE RECORDER: Yes. What concerns me is — is whether or not we in any event have enough information. Because this is merely the certificate of motor insurance. There should be a schedule of motor insurance. Is that available? The actual policy. Because it is the experience of those on the Bench that on occasions it is very difficult to ascertain the point that's being made here and that the policy itself may have a different specification to that set out on the certificate. In other

words, if KGM were asked "In the circumstances that we, the defence, put before you, was this man insured?" and the answer is "Yes" then how can this court adjudicate on this matter now in the absence of that information? Do you have that information? There's a nodding going on from behind you.

MR KENNEDY: The information I have comes from the appellant himself regarding his version of the facts which is that — his contention is that he was driving to go and see somebody about ----------

THE RECORDER: Yes.

MR KENNEDY: ----- the possibility of future work.

THE RECORDER: Right. I appreciate that.

MR KENNEDY: And -- and he spoke to his insurers-------

THE RECORDER: Yes.

MR KENNEDY: ----- and asked whether he would be covered if that were the

position ----

THE RECORDER: Right.

MR KENNEDY: ----- to which the answer was Yes.

THE RECORDER: All right.
MR KENNEDY: I — I don't believe he can contend that if he were using it as a tradesman for working - which is the Crown's position - that he would have been covered.

THE RECORDER: Right. So he doesn't contend that. But you're saying that in fact he has evidence of or he has hearsay evidence of -1 don't know which it is at the moment - the fact that KGM say he would have been covered for what he was doing at the time?

MR KENNEDY: He does. And I don't -- and I don't think the Crown take issue with that.

THE RECORDER: All right.
MR KENNEDY: Having discussed the matter briefly with the Crown, it really is a

question <u>(Inaudible)</u>.

THE RECORDER: Of what he was doing at the time. All right.

MR KENNEDY: Yes.

THE RECORDER: I'm jumping the gun. Thank you.

MR POTTINGER: Well, I .....

THE RECORDER: Over to you, Mr Pottinger.

MR POTTINGER: I don't - the -1 don't - I .....
THE RECORDER: If you call your evidence to show us that he was not covered and then we'll take it from there.

MR POTTINGER: Well, we — we — we simply show what he was doing at the time and what he said to the officer.

THE RECORDER: Yes. And so if you want to adduce your evidence that says that he was driving not in accordance with this policy, then we can get on with it, can't we?

MR POTTINGER: Yes. I don't know whether I'm being told I've been ~ I've made a concession which I haven't necessarily made.

THE RECORDER: All right.

MR POTTINGER: That — that's the point.

THE RECORDER: Well, listen. I think I'm — I'm -- I'm sort of jumping the gun here. We're -- we're concerned about the civil aspect of this.

MR POTTINGER: Yes.

THE RECORDER: And it may be that it will come to a position when in fact we can't carry on. But from what I've heard from the two of you at the moment, let's get on with it. And if it gets to that point and we think there's been an injustice done because it needs more input from KGM, then we'll say so. My concern is this -I'm quite frank - that I think this would be the simplest thing in the world to sort out, that somebody ought to get a letter from KGM and say "In the circumstances as told to us by Mr Cordell he is..." or "...isn't covered." If the Crown then say, "Well, what he's telling them is a load of porky pies" then you have a case.

MR POTTINGER: Yes.

THE RECORDER: But without knowing the first part ------

MR POTTINGER: Well, I've not seen anything and I — because I know the officer rang the company and said he's — he's using it for work but — but clearly the — touting for work or whatever. I don't know what the — what the position is as far as that's concerned. That's -- that's a matter for the defence to prove and at the moment they .....

MR KENNEDY: Well, I'm getting slightly lost here and it's probably my fault. My understanding of this case is this, that he has an insurance policy for that vehicle. It wouldn't cover him if he were working. The Crown say that he was working. They're — they're about to call evidence to say so. His -- he says he wasn't. He says that he was going to see somebody about future work and I don't — as I understand it, I don't think the Crown suggest that if his position is correct or cannot be disproven that they — that his insurance was invalid.

THE RECORDER: That's -- that's the point.

MR POTTINGER: Yes.

THE RECORDER: Are the — are the Crown taking that stance or not? Or are you saying, irrespective of what he says about it on that date now, and the Crown have the advantage of hearing what he said about it, presumably, at the court below, if your position is "We say, irrespective of what he said, he wasn't insured" then we need to sort that out. If you say — if you accept his version of events, "We accept he was insured" then we can bat on. Or we can bat on anyway.

MR POTTINGER: Yes.

THE RECORDER: But the point about it is all I'm trying to do is pre-empt- MR

POTTINGER: Yes.

THE RECORDER: ----- a situation where we suddenly have to start making enquiries from an insurance company. But all we're doing in fact is chewing the breeze and wasting time.

MR POTTINGER: Yes.

THE RECORDER: So let's get on with it.

MR POTTINGER: Well, let's just carry on.

THE RECORDER: Yes. Fine.

MR KENNEDY: Well, sorry. Can I establish whether the Crown -- it's set out in one-line following caution - "You don't know nothing. I was trying to get a job here. You don't understand, man." That in a nutshell is his position.

THE RECORDER: Thank you.

MR KENNEDY: That he was going to see somebody ------ THE

RECORDER: Right.

MR KENNEDY: ---- about obtaining future work. My -----
THE RECORDER: I've got it. Mr Pottinger, is that accepted? So that in other words what -- what we're asking the Crown is do you accept that if in fact he was only going to look for work, as he asserts, that he was covered?

MR POTTINGER: (After a long pause) I just (Inaudible). Not necessarily. I'm just thinking whether -- whether that — because obviously it's social, domestic, pleasure and motor trade purposes. If -- if a man is driving round in rounds touting for work with a van and cards for work ----------

THE RECORDER: Well, this is what concerned me.

MR POTTINGER: And there are cards in the van. I am concerned. I'm not sure that necessarily is .....

THE RECORDER: I have my cards in the car. It doesn't mean I'm driving round touting for work.

MR KENNEDY: Can I -- can I expand then. Not touting around looking for tradesman work or — or the like but was going to see somebody at a building that was going to be turned into a club, looking for a management role in the club.

THE RECORDER: Yes.

MR KENNEDY: That's what we would say clearly. So it's not — it's not driving around looking for handiwork. The Crown's evidence seems — they're — they're obviously not constrained by what's simply in the one witness statement but it does seem geared very much towards saying that he is a tradesman going about his daily work.

THE RECORDER: Does the Crown know what its case is?

MR POTTINGER: Well .....

THE RECORDER: I — I — I — I'm really concerned about this because I'm concerned just taking it off one piece of paper, the certificate.

MR POTTINGER: Yes.

THE RECORDER: There is a policy in existence. There must be.

MR POTTINGER: Yes.

THE RECORDER: And the policy should set out the details of this certificate. Q And the Crown should be able to look at that policy and say Yes or No to the proposition that's being put forward or "We will make enquiries". Let's say, for the sake of example, Mr Cordell had run into the back of a police car and dented it and the insurance company had said "You weren't covered because of what you were or weren't doing" then we know where we are. What we don't know at the moment is what the insurance company say about what he was doing at the time on D his version of events. And without knowing that, how can we know whether he was covered or not just on the basis of a certificate of motor insurance which is not the full policy which may say or may explain whether or not he is? That -- that's my real concern about this. I — I think this — this situation is — is

MR KENNEDY: I can't take an unfair advantage and I wouldn't seek to. The E Crown — well, they had the advantage at the lower — at the lower court ----------

THE RECORDER: Exactly, yes.

MR KENNEDY: — of knowing what the position is. But it's the Crown to -- it's p the Crown to prove the -- that the -- well, (Inaudible), I suppose.

THE RECORDER: I — I am unhappy about proceeding without input, proper input, from KGM. That's the bottom line. You need it and you need it and it should have been done.

MR KENNEDY: Well, I have the hearsay evidence. I'm not sure that I do ----------

THE RECORDER: Yes.

MR KENNEDY: — need it for — for this reason. If it's — the burden is on the A Crown. Once you've got a prima facie valid insurance document, which we have

here, then it was conceded by the Crown a moment ago that the burden lies upon them to show the driving was outwith that.

A THE RECORDER: Well, if -- if -- I -- that's as I understood it but Mr Pottinger seems to be wavering on that and that's why we're revisiting this ground for about the third time. Mr Pottinger, simply put, do you accept it or not? If the answer is not, then we're back to square one. If the answer is Yes, we can get on with this hearing.

B MR POTTINGER: We accept that there's -- there's no doubt that that policy was in place and the officer made an enquiry with the insurers that day saying "Does it cover this use?" He didn't make an enquiry "Does it cover....."

THE RECORDER: Well, you call your evidence. We'll see.

C MR POTTINGER: Yes.

THE RECORDER: That's enough of this.

MR POTTINGER: I'll call PC Gairigan, please.

D

PC RORY GAIRIGAN, Affirmed
Examined by MR POTTINGER

Q And, you are - is that right? - PC Rory Gairigan?
E A Yes. Police Constable Rory Gairigan of the Metropolitan Police Service attached to Cavendish Road police station.

Q And you were responsible for stopping Mr Cordell's vehicle - is that right? - on 14th November 2013? Is that right?
A Yes, that's correct.

F Q Did you make notes of your duties that day?
A Yes, I did.

Q And was your memory of events better when you made those notes than it is today?
G A Yes.

THE RECORDER: Any objection?

MR KENNEDY: No, thank you.

H THE RECORDER: Thank you, officer. Look at those notes if you need to.

A Thank you.

MR POTTINGER: It was -- (To Mr Kennedy) I can lead on the date and time? Is that right?

MR KENNEDY: Yes.

MR POTTINGER: Yes. It was 14th November. That's a Thursday? Is that right? A Yes, that's correct.

Q 1300 hours? Is that right? And you were in Brixton Hill? Is that right? A Yes, Brixton Hill.

Q And what was the nature of your duty, please? A It was a traffic operation.

Q And what -- what — were you monitoring the traffic flow and stopping various vehicles for checks? A Yes.

Q Is that right?
A Yes, there were officers up and down Brixton Hill and I believe there were also a couple of officers who were sort of spotting vehicles further up the road.

Q Right. And were you given a registration number to - to stop?
A Yes. Over the radio I received a message relating to a vehicle and that vehicle — actually I expected my colleagues to pull it over further up the road and for whatever reasons they didn't.

Q But you stopped it further down? Is that right?
A Yes. Well, Mr Cordell was pulling over anyway.

Q And so you walked up to the vehicle and -- and who was the driver, please? A Mr Cordell.

Q And was there anybody — what conversation did you have with him, please? A So I walked over and explained to him that I was obviously stopping him - granted he'd already stopped - and that I was wanting to check his driving documents, specifically obviously driving licence and insurance.

Q And what did he say to that?
A He said that he's -- "I'm busy. I'm just off to do some work" and as part of that he sort of gestured towards what — a building that used to be the South Beach nightclub or bar on Brixton Hill.

Q Just before you go any further, the vehicle itself -- what kind of vehicle was it? A It wa a white Ford transit van and the vehicle registration mark was Charlie X- ray 52 Julie Romeo Zulu.

Q So he said "I'm busy. I'm just off to do some work." What did you then say to him? A Obviously I explained to him that I needed to check his documents.

Q And what else did he say?
A "Well, I'll give you my insurance but I'm just going to be there to do some work."

Q And what was he pointing to, please?
A Towards the South Beach nightclub or bar on Brixton Hill.

Q And what did you then explain to him?
A I explained that he'd have to sort of wait with me whilst I obviously checked th documents that he was producing.

Q I think he gave you his name and date of birth, 26th January 81? Is that right?
A Yes, that's correct.

Q Was there anybody else in the vehicle?
A Yes, there was a passenger in the vehicle, in the front cab of the van, and that gentlema was a male, Dean Reid, with a date of birth of 11th February 1992.

Q And he showed you an insurance certificate? Is that right?
A Yes, that's correct.

Q And what was the cover shown on the insurance certificate, please?
A So it showed that Mr Cordell could drive any vehicle he owned or had possession of fo social, domestic, pleasure and motor trade purposes.

Q And given that, did you make any enquiries as far as the cover that was on his policy please?
A Yes, that's correct. I did so. And obviously given what he'd said to me at the time, I contacted a Jessica Kempton in the Underwriting Department at KGM Motor Insurance by telephone.

THE RECORDER: Is there a hearsay notice, please?

MR POTTINGER: No. Well, I — I was — I was not going to -- as far as you were - I don't want you to give the answers concerned, but did you — what did you tell

A the insurers as far as you were concerned was the use that the vehicle was being used for?

A I suspected the vehicle was being used for business purposes rather than any of **A** the social, domestic, pleasure or motor trade purposes and for that reason obviously I contacted them to see if it was covered, obviously suspecting that Mr Cordell wasn't actually covered to drive the vehicle on his policy that he produced.

Q Just tell us what Mr Cordell's appearance was, please, that day? What was he wearing?

B A In essence both Mr Cordell but also his -- his colleague or his partner, the passenger in the vehicle, they were both sort of wearing working clothes covered in sort of paint and dirt which again gave me sort of cause to suspect that they were out to do some work for business.

C Q What was the -- what was in the vehicle? What was the condition of the vehicle?

A It was, I suppose, what I might describe as just an average kind of builder's sort of transit van, loose sort of debris, loose items and general dirt in the footwell area and over the dashboard. In the front of the van also was quite a number of business cards and those business cards had the names Simon and Dean on there, a sort of **D** company name or a trading name of TS Enterprise and it also on that card offered a range of services including general repairs, painting and decorating, man & van, removals, cleaning and property maintenance services.

Q And so it's Simon Cordell, Dean Reid? That was the names of the two?

A Yes.

E

Q I think you then pointed -- is that right? You then took the view that they were driving without valid insurance for — for the purpose? Is that right?

A Yes. That's the view I formed. I obviously suspected it already but kind of at that point I was -- yes, I pointed out the offence of driving without insurance.

F

Q And you cautioned him? Is that right?

A Yes, I did.

Q And what did he say in reply to the caution?

A He said, "Nah, you don't know nothing. I was trying to get a job here. You **G** don't understand me."

Q What -- what had you proposed to do as far as the offence was concerned?

A Basically I would have issued a fixed penalty notice and obviously seized the vehicle also.

H

Q Without going into detail, were you — were you able to issue the ticket at the time?
A Not initially, no.

Q But were you able to establish a satisfactory address at the scene of him?
A Not at the scene, no, but subsequently we were able to issue a fixed penalty notice.

Q Again in general terms was Mr Cordell being co-operative?
A No.

Q What was his demeanour and how did that develop?
A I would say unco-operative. I personally found some of the language he was using towards me quite offensive, some of the comments he was making.

Q Did you call for assistance from — from a senior officer at one stage?
A Mr Cordell insisted at one point that — that an Inspector attend. Fortunately as it was, as I mentioned, a traffic operation, there was an Inspector within the sort of immediate area and an Inspector did come down and speak to Mr Cordell.

Q After the Inspector had left, were you still able — were you then able to issue the fixed penalty notice?
A No, I was not.

Q I think you eventually - is that right? - arrested him? Is that right?
A Yes. Unfortunately, I was inevitably having to deal with it by that way because, you know, he was so unco-operative.

Q But I think at the police station - is that right? - with the help of the custody sergeant you were then able to issue the fixed penalty notice?
A Yes, yes.

Q Is that right?
A Yes.

Q And I think you — you made a further check on the policy back at the police station to check it was social, domestic, and pleasure and -- and motor trade? Is that right?
A Yes. I contacted MIB, the Motor Insurance Bureau.

MR POTTINGER: Yes. If you'd just like to wait there.

Cross-examined by MR KENNEDY

Q Officer, you compiled your notes shortly after this incident, did you? A Yes, that's correct.

Q And they're — it's a pretty detailed note you took, isn't it, of this incident? A Sort of the standard I like to try -------

Q Yes.
A ------ and adhere to, yes.

Q Comprehensive, isn't it?
A Yes, I — as -- as best I can say, yes.
Q All the relevant details that you could remember at the time of the writing of the notes? A Yes.

Q Now my questions really are geared towards a single issue here. It's whether this man was working that day in his van. Whether Mr Cordell was working. He wasn't stopped in the initial -- what happens in these operations, isn't it, is that vehicles drive along and there's police at usually two different spots in the road and cars are stopped if you want to check their documents, cars and vehicles? Is that right?
Obviously different operations will be organised differently but, yes, in general that —that sounds about right.

Q And on this occasion Mr Cordell -- he wasn't actually stopped, he pulled up of his own accord close to where this operation was taking place? A Yes.

Q And then you went and approached him? Is that right? A Yes, that's correct.
Q And you formed the impression, you have told us in as many words, that he was working that day? A Yes.

Q Working as a — as some sort of tradesman that day?
Yes.
Q Just to cover quick points, you didn't see him working?
A No.

Q You did not speak to anyone he was working for?
A No.

Q You did not seize or view any paperwork pertaining to him working that day?
A No.

Q When he was cautioned, he said "Nah, you don't know nothing. I was trying to get a job here. You don't understand, man"? That's what you've noted?
A Yes.

Q Isn't it the case that before he made that comment following arrest that he was explaining to you that he wasn't working and that he was actually going to see someone about getting future work?
A The only comment I've made in my notes is — is that initial one which stated -- where he stated "I'll give you my insurance but I'm just going in there to do some work".

Q Forget your notes for a moment. Let's concentrate on this phrase, this agreed phrase - "Nah, you don't know nothing. I was trying to get a job here. You don't understand, man." Okay? Before he said that, isn't it the position that he was explaining "I was trying to get a job here"?
A I don't recall that. My — my recollection is that he was there to try and get some work.

Q All right — sorry?
A He was there to try and get some work. So whether it — I don't know whether you're asking me about a job or work. It's ----------

Q That was — that was what he said? "I'm there to try and get some work"?
A Yes.

Q Now we know he said that after arrest. Yes? You've noted that.
A I don't believe it was after arrest.

Q Sorry. After caution.
A Yes, after caution.

Q Yes. He'd said that earlier before that, hadn't he?
A Sorry, can I ask you just to go over that again?

Q Yes. Right. You've said how you cautioned him. And you reasonably suspected Mr Cordell was driving the vehicle for business purposes. You pointed out the offence of no insurance and then you cautioned him to which the response

A was "Nah, you don't know nothing. I was trying to get a job here. You don't understand, man." Okay?
A Yes, that's correct.

Q So after the caution he said to you that you weren't understanding him and that he was trying to get a job? B
A Yes, that's correct.

Q Okay. Now what I'm suggesting to you is before the caution there was a conversation in which he was trying to get you to understand that he was looking — he had an appointment to see someone about future work.

C A I don't recall that, unfortunately.

Q The ~ it might just be a turn of phrase but you said that he was wearing working clothes in paint — covered in paint and dirt. That caused you to suspect he was working? Yes? A Yes.

D Q The — there was a dispute by the roadside, wasn't there, about whether he was working? A Yes, yes. That is fair to say.

Q And he was saying he wasn't and you were saying he was? A Yes.

Q Right. The initial conversation with him or the initial interaction with him you have said

E that he said "I'm busy. I'm just off to do some work. I'll give you my insurance. I'm just going in there to do some work." He never said that, did he? A Well, I believe he did, yes.

Q You've just said a moment ago that he was disputing that he was working?
A Yes. He subsequently did dispute that. F
Q Right. So you're saying there was this change of tack? Is that your evidence? A Yes. My evidence is that Mr Cordell when he realised that the trader's policy wasn't going to sort of pull any wool over my eyes, he actually became -- that's what caused him to become unco-operative towards me, when he realised that actually he wasn't going to be successful in fobbing me off.

G

Q Well, I suggest to you -- I'll make it plain. His case is that you are either being untruthful or mistaken when you say that he said that he was off to do some work?
A Well, I certainly am being truthful.

Q So we've got in terms of your - obviously informing your thinking of why he — why you thought he was working, you've got — it was a -- it was a week day and it was during working hours? Yes?
A Yes.

Q That's equally consistent with going to see someone about future work? Would you agree?
A Yes, it's — in and of itself it's not enough, no.

Q You make the point about his what you say were working clothes covered in paint and dirt?
A Yes.

Q I suggest to you you're wrong about that and in fact he had on maybe scruffy jeans but he wasn't in workmen's clothing?
A (No audible reply)

Q You're wrong, aren't you? He had scruffy jeans on but he didn't have workmen's clothing?
A Well, I — I can't recall the exact clothing but he looked to me like a builder from the paint, the — the dirt on his clothes.

Q But we've got no description of the clothing really, have we?
A If I just refer to my notes. Yes. In my statement all I — all I say is that they were dressed in clothing covered with paint and other dirt.

Q Jeans, overalls, colour?
A I don't recall.

Q This was a point you raised with him by the roadside and he explained to you that these weren't his — these weren't working clothes. Do you recall that?
A No, I don't recall that, no.

Q The cards that you rely on to -- that informed your thinking. Did you seize any of these cards?
A Yes, I did seize one of those business cards.

Q Have you got it?
A No. Unfortunately I do not have it with me.

Q Why not?
A I was unable to obtain it from the property store at Kennington police station.

Q Again this was a point that you raised with Mr Cordell by the roadside and he explained how the card wasn't for him working as a tradesman, rather that he has a company which acts as a middleman for tradesmen and that's why his name was on the card. Do you remember that?
A No, I do not recall that.

Q So we've got the time of the day, you've got his clothing, you've got the cards. Anything else?
A And his initial comment of course.

Q Workmen often, tradesmen, will carry tools around in a van, won't they?
A Yes. Often.

Q Any tools?
A Not that I recall, no.

Q There's no reference to tools in your statement, is there?
A No.

Q I think you were asked about this at the Magistrates' Court. There's no secret. Thi matter has been before the Magistrates' Court. And I think it's right you gave the same answer you've just given, you don't recall there being any tools?
A Yes. I don't recall.

Q You would have noted them?
A I would like to think so.

Q If you're noting factors which suggest that he is working as a tradesman that day, there's no way you'd have left that out, is there?
A Well, never say never, I suppose. Obviously Mr Cordell was unco-operative, you know, throughout this sort of encounter from the moment he realised I was going to be looking — dealing with the offence that I had before me. But, no, I don't recall an tools.

Q Okay. I've got a -- you spoke to the insurance company when you were by the roadside, didn't you?
A Yes, I did.

MR KENNEDY: I've got the — what I suggest is the tape of -- CD recording of this call. I just want to play an excerpt of it.

THE RECORDER: Well, is this the call that the officer makes?

MR KENNEDY: Yes.

THE RECORDER: Thank you.

(An excerpt from the recording of the telephone call was played)

MR KENNEDY: That's -- that's you, yes?
A Yes, it certainly sounds like me.

(The recording continued)

Q You said to the insurance company there "Looking at the van, it's got a load of tools in"?
A Yes, yes. That does sound like that's what I said, yes.

Q And when you said that to the insurance company, you were lying, weren't you? A I don't recall lying. I'm faced with two -- obviously I've got my recollection and my notes and then I've obviously got that recording.

Q We went through that your notes were comprehensive. Yes? Didn't we? Officer?
A Yes, you asked me, yes.

Q Yes. And we went through that you had outlined the factors informing your view that these people were working? Yes?
A Yes.

Q Obviously tools in the van would be an obvious indicator of that? Yes?
A Yes.

Q No reference in your statement to tools?
A No. No reference to tools.

Q No reference to tools in the Magistrates' Court? Yes?
A No. Yes, correct.

Q On the scene there you're ringing up the insurance company saying there's a load of tools in there - "It's got a load of tools in"?
A (No audible reply)

Q You — you were dishonest in your dealings with Mr Cordell, weren't you?
A Well, I don't believe I was, no.

Q And it's not true that he said he was going to do some work. He said he was going to speak to someone about work? You had quite a conversation with him on the roadside. He was explaining to you?
A (No audible reply)

Q Yes?

A I don't recall the conversation we had, obviously the specifics of it, no.

Q You've told us about — do you remember that Mr Cordell spoke to the insurance company first?
A No, I don't recall that.

Q By the roadside what happens - see if this jogs your memory. Mr Cordell spoke to the insurance company about the insurance, yes? And then you — and then you rang subsequently. You were there when he rang them and then he was there when you rang them there? Yes?
A I — I'm sure he probably was with me when I called them.

Q Yes. And you've gone about — on about him being unco-operative and so on. What actually happened is he took affront to you ringing the insurance company and lying to them about there being a load of tools in the van? Do you remember that?
A No. Unfortunately I do not recall that, no.

Q And he was saying "Why are you lying to the insurance company? Why are you saying there's tools in the van? There isn't." Do you remember that?
A No, I — I do not recall that, no.

Q That's the exchange, I'd suggest, that you're characterising as him being uncooperative?
A (No audible reply)

Q Mm?

A Sorry, I'm -- is there a question?

Q That's the position, isn't it?
A No. I don't recall that. My -- my — I suppose my position would be that obviously on stopping the van I — I don't recall exactly when in the sequence I've -- I've contacted the insurance company. You see, I hadn't searched the van, I suppose. I — I — you know, I'd seen from a glance sort of loose items and debris in the - in the front of the van.

Q So you hadn't searched the van?

A No, I don't believe I had by the — when I was phoning the insurance company.

Q You hadn't searched the van------
A I was basing — I was basing------

Q ------but you were telling them there was a load of tools in there?
A The conversation I will have had with the insurance company - obviously we've g
the recording --------

Q Mm.
A ------will have been based on my interaction at the scene and from my notes and
my recollection it was based on that front of the cab, that front area where obviously t
driver and passenger were.

Q But what tools were in the front of the van then?
A So - so what I -1 would suggest is that the loose items I refer to in my notes - perha
some of those items were tools but I — I don't recall.

Q Have you got your handwritten notes or the typed-up statement?
A I've got my -------

Q It doesn't really matter.
A I've got my typed statement. I don't know if.....

MR KENNEDY: Is it the same as the notebook?

THE RECORDER: I'd like to see a copy. Have you got your actual notebook, officer? Have you got your actual notebook?
A Not from the time, no.

MR KENNEDY: The statement was.....

THE RECORDER: Mr Kennedy, do you have a copy of the actual notebook?

MR KENNEDY: No, I don't. Was--was there actually a notebook or is it.....
A I believe it will have been original notes on the fixed penalty notice if — if tha
what's being referred to.

MR KENNEDY: Right.

THE RECORDER: I'm slightly confused because at the outset of this officer's evidence it was put to him that he'd made notes and now it seems that we're not talking about notes, we're talking about a statement or a proforma.

MR KENNEDY: Were — were your notes actually in a statement format?

A Yes, a statement format so there --1 have a copy of that. MG11.

MR POTTINGER: The statement's dated 14th November.

A

THE RECORDER: I'd like to see a copy of it, please. Thank you. When did you make this statement?
A (No audible reply)

THE RECORDER: I can't see a time or date-stamp on it.

B

MR KENNEDY: Yes, I know. That's-well.....
A It will have been 4.30 pm in the writing room at Peckham.

THE RECORDER: How do you know that?
A It's on the rear of the — the sheet.

C

MR KENNEDY: Well, what do you have there? Oh sorry. That's the — is that

the originals?
A No, this isn't an original, no.

D

THE RECORDER: Well, let's carry on. And I'd like to see, after the short adjournment, all the documents that this officer has been referring to. I'll hand this back now. And I want to see the originals that this officer is relying upon.

MR POTTINGER: Yes, the - it's the - just ---------

E

THE RECORDER: Not now.

MR POTTINGER: No. I'll just-—

THE RECORDER: Let Mr Kennedy finish.

F

MR POTTINGER: Certainly, your Honour. What the — what the document was that he — he relied on.

THE RECORDER: Thank you. Mr Kennedy, forgive me for interrupting. We'll deal with it later on.

MR KENNEDY: So he was arrested, wasn't he?

G

A Yes.

Q The van was seized? Is that right? A
Yes, the van was seized.

H

A

Q When you seize a van, you produce a seizure notice? Is that right?
A Yes, that's correct.

Q That would note --1 haven't got it to hand. Have you got that?
A I don't have it here at the stand with me, no.

B

Q No. But in general terms a seizure notice would note what the vehicle — who — who the vehicle's been seized from? Yes?
A Yes.

Q What the vehicle is?
A Yes.

C

Q Contents of the vehicle?
A Yes.

Q And so if there were tools in the vehicle then they would be noted, wouldn't they?
A I believe that the particular interest is around the value so if it's something of value then it's recorded. So if tools are of a value to the individual then, yes, they are, they will

D

be recorded, yes.

Q Well, I mean, let's use your — let's use your phrase, "a load of tools". If you seize someone you believe to be a workman's vehicle and it's got a load of tools in it, i.e. their livelihood, part of their livelihood, a seizure notice would be obliged to cover the fact that a load of tools had been seized, wouldn't it?

E

A Again I -- again I would come back to — to what extent they're of value. Certainly if it was sort of large machinery then, yes. If it's maybe a couple of screwdrivers on the dashboard then I can see why that might get overlooked. But, yes, in general you do record what's -- what's in the vehicle, yes.

F

Q Tools of the trade from a trade — you can't just go about taking a tradesman's van with a load of tools in it without giving them a receipt telling them what you've told -- showing them what you're taking <u>(Inaudible)</u>?
A Correct.

Q I don't know if you — did you draft the seizure notice in this case?
A I do not recall.

G

Q No. There's no reference on the seizure notice in this case -- I think it will be agreed in due course. No reference to tools on the seizure notice. Are you able to explain that?
A No, I'm — I'm not able to explain. I — I don't recall whether it was myself or another colleague that completed the seizure notice.

H

Q All right. Just to make Mr Cordell's position plain, I accept you formed the impression that he was working. But he told you he wasn't. Yes?
A Yes. Ultimately over the course of that interaction he did dispute that, yes.

Q And when you say that at the outset of the conversation he told you he was working, I suggest you're being dishonest?
A No. I would reject that.

Q And the reason he was arrested and the van seized rather than a fixed penalty notice — you say it's because he was being unco-operative? Yes?
A In terms of the seizure?

Q In terms of why this wasn't dealt with by way of a fixed penalty notice, why it was dealt with in terms of him being arrested and then the van needing to be seized. A Yes. He was being unco-operative.

Q Because you say he was being unco-operative. I suggest to you he was standing his ground saying "I haven't been working here" and was saying "Why are you lying to my insurance company?"
A I don't — I don't recall him saying that I'd lied to the insurance company.

THE RECORDER: You certainly hadn't told them the truth, had you, on the face of it?
A I certainly acknowledge there's a discrepancy there, your Honour.

THE RECORDER: Yes.

MR KENNEDY: Thank you. Nothing further.

<u>Re-examined by MR POTTINGER</u>

Q Did you — you said he became unco-operative and at a later stage claimed that he was looking for work rather than working? Is that right?
A Yes.

Q Had you mentioned the insurance before he — in terms of him saying that he was actually looking for work rather than working, can you help us when that change happened?
A As soon as — for me anyway, as soon as I'd asked — as soon as I'd asked for his documents initially and he'd said "Oh, you know, I'm busy. I'm just going to go in there and do some work" for me the — the suspicion was there, "Well, I need to make sure on the insurance that it covers him for..." — "...for business" and then of

course over the process of saying "Can I see your insurance certificate?" and so on, yes, it's become clear that I'm digging into his insurance.

Q Can you actually recall seeing anything in the vehicle apart from loose items and debris?
A No. Loose items--------

Q And the cards?
A ----- the business cards and debris, yes.

MR POTTINGER: I've got no further questions. Does your Honour have any questions?

THE RECORDER: Yes. Was it a solid van or an open transit?
A My apologies, your Honour. Can you repeat---------

Q Was it a solid van or was it an open-backed----------
A It was a closed-------

Q Closed.
A ----- panel van.

Q Did you look in it?
A No, not initially, no. I don't believe I did.

Q Did you see any ladders?
A No, I don't recall any ladders.

Q Paint pots?
A No, I don't recall any paint pots.

Q Tools?
A I don't recall any tools.

Q Thank you. You rang the insurers having been given the certificate of motor insurance? Is that right?
A Yes, that's correct.

Q Where did you get the phone number from?
A <u>(No audible reply)</u>

Q I can't see it on this certificate. Perhaps it's just my eyesight but.....
A I don't recall where I got the number from.

Q Right. I think somebody knows but we can deal with that later on. You don't recall anyway?
A No.
A Q Thank you. Anything else? No. Thank you, officer. That's all. I would like you to remain at court, please, and I would like you to produce all the notes that you've relied upon this morning and hand them to Mr Pottinger. Thank you.
A Yes, your Honour. Thank you.

Q You may leave the courtroom but don't leave the building, please.
B A Yes, your Honour. Thank you.

(The witness withdrew)

C THE RECORDER: Anything else, Mr Pottinger, you wish to call?

MR POTTINGER: No.

THE RECORDER: Any other evidence?

D MR POTTINGER: No.

THE RECORDER: That's it, is it?

MR KENNEDY: There's five minutes before lunch. I've got a submission. It's a ^ very short one. I can fit it in the five minutes.

THE RECORDER: Yes. Thank you. Fire away.

MR KENNEDY: Well, the burden is on the Crown to establish beyond reasonable doubt that Mr Cordell was working that day. They've only called one witness. I p suggest to you that he was a problematic witness and that in terms of the factors that he records that would suggest that he was working, they don't reach the threshold of beyond reasonable doubt. You've got that it was a work day during working hours but that doesn't really take the case anywhere. We've got a suggestion of paint on clothing. Well, you've heard that it's been challenged. It's a matter for you how much credibility you give that witness, but it doesn't take the G case to the threshold, I suggest. The same for cards. And there is - there's an absence — aside from that there's an absence of — of the sort of thing that you might expect to be produced to prove somebody was working. Your Honour just raised a couple but the list is long, isn't it? There's ladders, paint pots, tools, any paraphernalia. Not even a search of the van and no enquiries, it appears, made with — at the scene of the person he — it's — with anybody, no — no enquiries at the ® scene to establish that he was working.

What you do have — the height of the Crown's case would be the admission that the — by Mr Cordell that he said at the start "I'm just going to work". That's the height of the Crown's case. In my submission, you cannot rely on that being an accurate and truthful note of the conversation that he -- because of the credibility issues concerning the one witness who gives that evidence.

So taking a step back, can the Crown prove beyond reasonable doubt on the evidence we've heard already that — I know that's not the test at this stage but applying the correct test at this stage, the half-time test, could a reasonable -- could a reasonable tribunal properly directed convict on the evidence that they've heard?

THE RECORDER: It's Galbraith (Inaudible), isn't it?

MR KENNEDY: Yes. I would suggest the answer is No.

THE RECORDER: Thank you. MrPottinger?

MR POTTINGER: The evidence is that the defendant was there with Dean Reid, according to the officer in clothing consistent with work in a vehicle in a condition although without tools consistent with being used for work, with a number of business cards containing the names Dean and Simon, the two persons in that van, advertising a business in provision of general repairs, painting decorating, man and van removals, cleaning, property maintenance services. So the Crown say that there's an obvious inference there. Simon and Dean were in a van together, there's a card saying Simon and Dean, general jobs - nothing to do with the motor trade because that would be covered by the use - in a van, consistent with it being used for odd jobs, in clothing consistent with being used with odd jobs and — and an admission at the start.

THE RECORDER: What do you say about the burden of proof in relation to this offence not for the half-time submission but for the end of the day?

MRPOTTINGER: (Inaudible).

THE RECORDER: On the Crown to prove beyond reasonable doubt that there was no policy in force?

MR POTTINGER: Well, no. No, it's not. It's for the defendant to prove on the balance of probabilities there was no policy in force for the use of that vehicle.

THE RECORDER: Sorry, for the defendant to prove .....

MR POTTINGER: It's for the defendant — sorry, for the defendant to prove on

the balance of probabilities. It's really a question of the use of the vehicle and the nature of the use. So the .....

THE RECORDER: It all comes down to the use, doesn't it?

MR POTTINGER: Yes.

THE RECORDER: Thank you.

MR POTTINGER: That was the -- the grey area which I was seeking just to think about briefly.

THE RECORDER: Well, I understand. But I just wanted to clarify----------

MR POTTINGER: Yes. No, you can — the -- it's an absolute offence. I think the — and the burden of proof section is at 32-179. The prosecution have to prove the vehicle — used a vehicle on the road. Once that is established it's for the defendant to prove there was a valid policy in force at the time. But the slight grey area here is the — it's the nature of the use that's being contested.

THE RECORDER: Yes. Thank you. Anything else?

MR POTTINGER: No.

THE RECORDER: Thank you. Although it's after one o'clock, we're going to rise and we're going to come back within the next five or ten minutes and deal with this submission. I apologise to all those whose luncheon it will interfere with but it may take less time in the end. Thank you very much.

(There followed a short adjournment)

THE RECORDER: We've considered this case very carefully and we're very unhappy with it. In essence, we are going to take a robust approach and we are going to dismiss this case now thereby allowing the appeal. I don't propose to give any further grounds or reasons. We are not satisfied that the Crown have shown sufficient cause that this man wasn't covered by this policy, if you'll forgive the double negatives, and in the circumstances we allow the appeal.

MR KENNEDY: I'm very grateful. Costs follow the event.

THE RECORDER: Yes, they do.

MR KENNEDY: (Inaudible) for costs.

THE RECORDER: Application for costs granted.

MR KENNEDY: Thank you.

A

THE RECORDER: I would like to see the officer's notebooks, please, Mr Pottinger, and I'd like them handed to the clerk, the original ones, so that I can view them and they will be returned in due course.

B

MR POTTINGER: What — what he gave me was — was in fact the same statement you have.

THE RECORDER: Right. He said - he referred to some — there was - as though the was a date-stamp on the back of something.

C

MR POTTINGER: There's a — that's the.....

THE RECORDER: Can I see that now? That'll be fine.

MR POTTINGER: Yes, certainly.

D

THE RECORDER: Thank you very much.

MR POTTINGER: I just mention matters outside — I think there was a -- the fixed penalty notice, the original fixed penalty notice, isn't in the file and I'm afraid that is what happens these days. In the old days --------

E

THE RECORDER: Yes.

MR POTTINGER: -----the original file would come through on appeal. The way the system works now, you don't get the-----

THE RECORDER: No, no. I — I understand. I understand.

F

MR POTTINGER: And I can only.....

THE RECORDER: No, no. It's not your fault at all.

MR POTTINGER: It may be on the back of that, the original handwritten.....

G

THE RECORDER: One of the problems with non-paper cases is that very often it's the paper that shows where things have gone wrong and---------

MR POTTINGER: Yes. No, I.....

H

A THE RECORDER: And that's the problem in this case. Well, I won't take it any further but may I tell you now that I'm very unhappy with this officer's evidence.

MR POTTINGER: I'll pass that on.

THE RECORDER: I say "I" - we.

B

MR POTTINGER: "We". Yes. No ------- THE RECORDER:

We. And I'll say no more.

MR POTTINGER: No. It's — it's obvious.

C

THE RECORDER: Mr Cordell, I hope you've heard and understood, sir, what's happened. Your disc is still in the machine. Somebody needs to recover that. But I would like it to remain as an exhibit in these papers should it be needed in due course.

D MR POTTINGER: Your Honour the --1 think there's that case of Baker which is at the end of the list.

THE RECORDER: Baker? Oh yes.

D THE CLERK: Do you want me to call him?

THE RECORDER: Yes. Thank you very much. You're free to go. Thank you very much.

MR POTTINGER: I was thinking rather than coming back for five minutes. (Inaudible).

F

THE RECORDER: I know. That's --1 don't know -- is there anything we can do about it?

MR POTTINGER: Well ------

G THE CLERK: Can I just, sorry, formally just quickly click over, sorry, for the recording.

THE RECORDER: Sorry.

THE CLERK: The case of Baker.

H

A

THE RECORDER: No need to wait. Thank you very much, Mr Cordell. You're free to go.

STATEMENT OF WITNESS

(C.J. Act 1967, S2,9. M.C. Rules 1968 R58)

STATEMENT OF: Simon Cordell

AGE OF WITNESS (if over 21): 34

OCCUPATION OF WITNESS: Unemployed

ADDRESS: 109 Burncroft Avenue, Enfield, Middlesex, EN3 7JQ TELEPHONE:

This statement consisting of 5 page(s) each signed by me, is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it anything which I know to be false or do not believe to be true.

Dated the 29 day of April 2015

Signed ……. Signature Witnessed

I am providing this statement to the Metropolitan Police Department of Professional Standards to outline my complaint regarding an incident that took place on 14th November 2013 at Brixton Hill SW2.

Throughout this statement I will refer to my vehicle which is a Ford Transit van registration CX52 JRZ. My insurance for this van is held through a broker of KGM insurance called Broadsure Direct and the following people were spoken to at some stage during this whole incident; Martin Jenkins, Jessica and Kelly Tiller along with a lot of emails to other people and calls.

My insurance policy is a Motor Trade; cover was Comprehensive with the use permitted of Social Domestic and Pleasure and for Motor Trade purposes. For clarity I would advise that Motor Trade use would allow the carriage of tools required specifically for use in connection with Motor Trade activities. I would not be insured to use my van for the carriage of goods for any company.

On the day in question I was in possession of my insurance documents.

On 14th November 2013 I was driving my van in order to attend a meeting with the owner of an up and coming night club for a prospective future job.

On driving along Brixton Hill I noticed some police on the side of the road stopping cars, I passed the 1st set of police and was not stopped, I then passed a 2nd set of police on the roadside and was not stopped, as I passed the 2nd set of police at the roadside I was around 200 yards to the place I was going to the meeting, I then pulled over parked my vehicle up just in front of them and waited in my van, while my friend got out to get something to eat and drink for us, we had got there around 13:00 hours and the meeting was set for 14:00 hours.

A police officer approached my van and said he wanted to conduct some checks on the vehicle under the Road Traffic Act. I now know this officer to be PC Geoghegan.

PC Geoghegan asked why I had stopped and I explained to him I had a meeting in the night club that we were outside, as it was due to open to the public in around 1-month time for a prospective future job as a manager of the night club. While I was there I

was also planning on asking if there were any jobs for Dean and that was the reason Dean had come with me, I explained all this to PC Geoghegan.

I knew there was an issue with the Motor Insurance Bureau and showing my vehicles as uninsured as I have encountered this problem before and this is why I carry my insurance documents with me. I passed the police officer my insurance documents for him to check.

Signed …… Witnessed By ……

I then called my insurance company as I keep their number on me as it is not shown on my insurance documents. So that PC Geoghegan could check I was insured to drive, He spoke to Martin Jerkins from Broadsure Direct and was told I was insured PC Geoghegan did not say anything about any tools in my van to Martin Jerkins from Broadsure Direct.

PC Geoghegan did not seem happy with this; it was at this point PC Geoghegan called my insurance company again directly I overheard PC Geoghegan say I had tools in my van. Which I was upset about as I knew there were no tools in the van; PC Geoghegan had not searched my van so would not have known anything that was in my van.

By this time a second officer had now joined us and I started talking to him and explaining the situation as to what was going on PC Geoghegan was still on the phone to the insurance company. I asked the second officer to check my van to see if there were tools in there, the second officer did this and saw my van had nothing in there.
I believe it was the 2nd officer that saw the business card at the front of my van but it is a very long time ago so I am not 100% sure, I know I spoke to the officer about the business card and told him they were made up for Dean to try and get him some work. The police officer I am sure put the business card into his own wallet to keep for himself.

PC Geoghegan then came back to me and told me I was not insured and due to this was going to seize my Van due to me using it for business use. PC Geoghegan also must have overheard me and the other police officer talking and made a comment about the business card, I told him they were made up for Dean to try and find him work.

I was upset and called my mother to ask her to call my insurance company, Martin Jerkins called me back and again confirmed I was insured and confirmed that with the PC Geoghegan which he took no notice of.

My mother also called me back and she asked to speak to the police officer. PC Geoghegan would not speak to her, but the other police officer there spoke to my mother. This police officer did confirm there were no tools in the van to my mother. There was more then one call my mother made that day to me and spoke with the other police officer as each time PC Geoghegan would not talk to her, each time she was told by the other police officer there were no tools in my van.

PC Geoghegan did not appear to be satisfied with the fact I was insured from the start, and wanted to use anything he could think of to say I was not insured, to made up I had tools in my van knowing this would void my insurance by saying there were tools in my van when there was not, he would have known what my insurance coved as he had my insurance documents. All PC Geoghegan was saying that I was using my van for work purposes but he new this was not the case. I told him this was not the case and I was in the location for a meeting prospective future job as a manager of the night club.

I told PC Geoghegan to look inside the van to check for any working tools which he did not do, the van was empty.

PC Geoghegan asked why I had paint on my jeans and I explained to him that I did not have the money to buy a new pair and this is why I was looking for work. I asked the officer to go into the building where I was due to have a meeting and confirm that I was not there to work but the officer refused.

I am aware that my insurance allows me to drive to a meeting as long as I am not carrying any goods for a company which I was not and this could clearly be seen as my van was empty.

PC Geoghegan did not listen to anything I had to say and I believe he was looking for any reason to either arrest me or seize my van from the start.

I asked PC Geoghegan to call an inspector to the road side as I was really not happy with what was going on.
The inspector turned up very fast and also did not listen to what I had to say and only believe what PC Geoghegan had to say. The inspector did not check the van for any tools, and told me if I did not agree with what PC Geoghegan had said then I could have my say and take it to court. I believe if the inspector had addressed the issues at the road side, he would have seen there was something clearly wrong. This is his duty to do this but he done nothing and allowed PC Geoghegan to do what he wanted knowing he did not have facts to do what he was doing, the inspector then left.

PC Geoghegan asked me to sign a ticket in order to give me 6 points on my driving licence, a £300 fine and for my van to be seized. I refused to sign the ticket as I knew I was insured so I told the officer to arrest me. I was subsequently arrested and taken to Southwark Police Station.

I was on the phone to my mother throughout this incident and the second officer, PC Smith I believe his name is, spoke to my mother and confirmed to her the van was empty.

Once at the Police Station I was told to sign the ticket or I would be taken directly to court the next morning. I told them I was willing to attend court as I had done nothing wrong. I was forced to sign the ticket and made to leave the station. I asked to speak to an Inspector as I wished to complain about the incident but the Inspector told me as the officers were from Brixton there was

Signed …… Witnessed By ……

little he could do but he would get an Inspector from Brixton to call me so I could make a formal complaint. I have not been contacted by an Inspector and I do not feel as though my situation has been taken seriously by the police.

The seizure of my van has caused me a number of problems and cost me a lot of money.

Due to PC Geoghegan informing my insurance company I had tools in my van and was doing odd jobs I received a letter to say they were cancelling my insurance policy. I was told I would need proof there were no tools in the van.

My mother and I were making a lot of calls to the police and later my mother spoke to Inspector Sally Browne, my mother was told that the police officers were now off duty until next week and I would not be able to speak to them anyway. She said that she was going to look into the matter and get back to my mother the next day which she did. It was at this point Inspector Sally Browne told my mother as we were taking the matter to court it would be for the Judge to decide on an outcome.

There were many calls to try and find the proof I needed to stop my insurance company cancelling my insurance policy. On the last call made to 101 my mother spoke to a lady that did give her some information that could help me that the police compound my van was taken to would hold a list of any items that was in my van when it was seized by the police.

Over that weekend my mother sent emails to the police compound trying to find out the information. She got read replies back but no reply to what was being asked these emails were also forwarded to my insurance company.

On the 25 November 2013 my mother called Broadsure Direct to ask for the emails to be forwarded to Kelly Tiller at KGM and ask her if she could try and get hold of the compound and get the information. My insurance was due to be cancelled at 12:00 on the 25 November 2013, again KGM had to extended my insurance as she also could not get the information from the police compound, and in am email I was asked to go to the police compound and get them to call Kelly Tiller and if they could not do this put a subject access request in for the information for my insurance company.

On 26th November 2013 I attended the police compound and the manager placed a call to Kelly Tiller at KGM confirming there were no tools in the van. He said if there had been any in the van when it arrived, they would have been locked away securely. Kelly Tiller requested a copy of the item list but the manager told her she would need to request this in the correct way.

I had to pay £190.00 to recover my van along with travel costs to and from the car police compound more than once to address this issue.

My mother was also trying to get all the information from KGM including the audio of the calls, she put subject access requests into KGM, but KGM was not getting back to her, there were a lot of emails sent back and forward.

In April 2014 I got a summons to go to court for this case I sent the plea form by email on the 22/05/2014 pleading not guilty for this case. Case number 011401009802 it said in the letter if I was pleading not guilty, I would get a letter with a date for me to go to court.

I waiting for the letter with the date which I did not get and later found out I had been found guilty due to me not attending. Emails were sent to get the case re opened which did happen.

In this time my mother was still trying to get the information from KGM and the audio for the court hearing but was not having any luck with KGM doing what they should have done.

On the 26th November 2014 at Wimbledon magistrates court, the case was heard, PC Geoghegan was there and under oath told the court false information, even when the judge asked about tools being in the Van PC Geoghegan lied and said he could not remember, why could he not remember because he had not written this in his statement the true facts so in his statement were lies. I did not at this stage have the information from KGM that would prove that PC Geoghegan was lying and was found guilty given a ban from driving, points on my driving license and a fine. The judge did say as he knew I was going to appeal if I was found guilty, that he would wait until I filled the appeal form so I went out of court filled in the appeal then went back into court and the judge granted the appeal, The judge also give me some advice that if I did not have the information I needed by the time the appeal date came from my insurance company, to go to the crown court and ask them to do a summon on the people I needed from my insurance company.

I was very upset over the way the police officer had lied under oath to the judge and the next day my mother called Broadsure Direct and spoke to Martin Jenkins he wrote an email to KGM and got a reply back that an Andrew Austin was going to deal with this matter directly. My mother sent over to Martin Jenkins what was needed including again the subject access request from

KGM.

My mother also put a complaint into Financial Ombudsman about what had been going on and the way in which the insurance company had been dealing with this.

Signed …… ssed By ……

On the 30/01/2015 my mother got by email from KGM Peter Wood the audio files for the 14/11/2013 and the 26/11/2013, an email that was sent from the police compound to Kelly Tiller, and a Letter of Indemnity. The Letter of Indemnity had to be corrected as my mother wanted all the facts covered correctly the new Letter of Indemnity was sent on the 02/02/1015 by Peter Wood. We got the full subject access request from KGM at a later date. And on the 09/01/2015 we got a witness statement from Peter Wood.

I had to get a barrister also as this time I did not want anything to go wrong and for me to be found guilty again when I had done nothing wrong.

The appeal hearing was on the 05/03/2015 at Kingston Upon Thames Crown Court where PC Geoghegan again lied to the judge in court. But this time we had the Audio and a barrister. The judge was not happy with what PC Geoghegan did, it was also noted by the court that there was no note book, PC Geoghegan statement was not correct and was only a copy and not dated and also the seizer ticket had been lost. The judge ordered the police officer out of his court room and not to leave the court building.

I won my appeal Upon Thames Crown Court on the 05/03/2015, this case has caused me a lot of problems that took over 1 year to address and correct due to what the PC Geoghegan did that day. He should never had lied and put me under the stress this case has caused me, if KGM did not record the phone calls I could be on a ban from driving and points on my license and had a fine to deal with this should never had happened.

There are a number of issues I wish to be addressed for my complaint as follows:

• **Areas of complaint.**

PC G blatantly lied to the insurance company resulting in his van being seized with a cost of £190.00 to get it out of the police compound and having to go up and down the compound to proof to his insurance he did not have any tools in the van, his insurance company was going to cancel his insurance policy that a lot of money had been paid PC G tried to void his insurance which I believe is corrupt and improper practice of any police officer.

Unlawful seizure of van which cost £190.00 to get it out.

Unlawful arrest I should never have been arrested as I had not done anything wrong I believe this is Unlawful Imprisonment as he used false information knowing it to be false to arrest me.

Forced to sign a ticket for 6 penalty points on driving license and £300 fine, on top of this I was later found guilty in a court and banned from driving I believe over a £700.00 fine and points on his driving license all because PC G lied.

The inspector that came to road side due to my son asking did not do his job as if he did he would have seen there were in fact no tools in the van and this issue could have then been addressed. But the inspector failed in his duties to do his job, as he only wanted to hear what PC G had to say and not the real facts of the case about what his PC G did.

PC G blatantly lied in his statement he wrote about the events of that day he knew what he had told the insurance company yet failed to put this in his statement as he new he had blatantly lied this is not a thing he could have forgot to add in his statement a few hours after the fact when he was meant to have written the statement, which he later used in court knowing they were not true facts.

I have never seen PC G notebook but do believe he wrote in a book at the roadside. I would like a copy of his notebook where he recorded the name and information when he spoke to my insurance KGM.

PC G blatantly lied in the magistrate's court to the judge with the intention of gaining a conviction and perverting the Course of Justice regarding contents of the van and also Perjury, which Simon was then found guilty, banned from driving, fined and points added to his license.

PC G blatantly lied in the Crown court to the judge at the appeal hearing with the intention of keeping the conviction the magistrate's court judge had passed, and perverting the Course of Justice, and also Perjury but was found out due to us having the audio from KGM which in fact showed the judge what the police officer had done; my son won his appeal due to this.

No one recorded a formal complaint at the time of the original incident when Simon waited at the police station and filed one after he was arrested and released from the police station.

Signed …… Witnessed By

I want my complaint to be fully investigated and taken seriously and I am willing to cooperate with the police throughout this investigation.

The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. 31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

2] The hirer is the person named on the booking confirmation form, and declares that he/she is over eighteen years of age and is legally entitled to enter into this agreement on their own behalf. If they are entering into this agreement on behalf of a company or organization that they have full authority to do so, and that we are advised if the company or organization has limited liability, failure to do so will render the hirer personally liable for any outstanding costs, charges or fees.

3] The hire booking confirmation form will usually be sent via email, when it is received it should be carefully checked to make sure all details are correct, then it should be printed off, signed by the hirer and returned to us without delay, either via e-mail, fax, post or in person. If the booking form is not signed the equipment may not be made available for hire, although once the deposit is paid condition 6 regarding cancellation will still apply.

4] By providing the information required on the booking form and paying the deposit you are agreeing to all our terms & conditions of hire.

5] All deposits paid to us to secure a booking are non-refundable under any circumstances.

6] If cancellation is made less than 14 days prior to the commencement of the hire then the full hire fee is due, even if you have only paid a deposit. By paying a deposit you are giving us your permission to debit your credit/debit card with the full outstanding amount for the hire if you fail to cancel in writing less than 14 days prior to the date of the commencement of the hire. If cancellation is made more than 14 days prior to the commencement of the hire you will not receive a refund of the deposit you have paid, but that will be the limit of your liability to us. It is important that cancellation is made to us in writing, and you receive written confirmation from us that we have received your instructions. Failure to do this may result in the full hire fee becoming due as though you had not advised us of the cancellation at all.

7] All balances are payable prior to the equipment being made available for hire. Account holders see clause 32. A charge will be made if you choose to pay by credit or charge card, please ask for details when confirming your booking.

8] The hirer must provide 3 forms of personal identification, one of which should be a current UK photo driving license or British Passport. We also require 2 other forms of positive ID which can be two current utility bills, or debit/credit card statement confirming your name & address. You must also provide a debit or credit card as a security against any loss or damage to the equipment whilst it is in your care. The identification must be that of the person named on the hire booking confirmation form. Any other person's identification is not acceptable.

9] Unless specified, hire charges are based on a minimum period of one day, or part thereof, irrespective of whether the equipment is in use or not. The prices shown on our website are for one day's hire. If you wish to hire for a longer period please call our sales office for details. Additional days are usually charged at a rate of 20% per extra day, although longer term hire rates are available. If equipment is hired on a Saturday it will usually be returned, or collected on Monday, but this will only be charged at one days hire fee.

10] Any equipment returned after the booked return date, and without advising us prior to the expiry of the booked return date will be charged at a minimum of one complete day's extra hire fee as shown on our website, regardless of the original hire period. If for any reason you are unable to return the equipment on time you must advise us immediately.

11] The hirer undertakes either to insure the equipment for the full replacement value at their own expense or to accept full personal liability for the full value of any losses or damage caused to the equipment when it is in their possession & away from the premises of Too Smooth Entertainment. Whether insured or not, the hirer is responsible for the full replacement cost of all the equipment on hire to them, including all cables, spares and accessories. A valuation is available on request.

12] All hired equipment remains the absolute property of Too Smooth Entertainment at all times.

13] The hirer undertakes to keep and return equipment in good order and condition. Any equipment returned in a dirty condition may incur a cleaning charge.

14] Too Smooth Entertainment reserve the right to charge for repair or replacement of any equipment damaged lost or stolen, howsoever arising, during the period of hire. The hirer's liability is for the full replacement value of the equipment and any cables.

15] Any equipment damaged, lost or stolen during the hire period will remain on hire and chargeable at our published prices until all repairs are complete and paid for in full, or the equipment has been replaced by the hirer paying for the replacement of all lost, stolen or damaged equipment and the equipment is again available for further hire.

16] Equipment will be deemed to be on hire until any invoice for repairs or replacements, relating to that equipment, have been paid for in full by the hirer.

17] All spares, including blown lamps must be returned for inspection, or they may be charged for.

18] The hirer assumes responsibility for the replacement of all lamps which fail under normal working conditions, but any dead lamps must be returned to us for inspection or they will be charged for. Spare lamps will normally be supplied by us for the purpose of replacement if required during the hire period.

19] Too Smooth Entertainment will always attempt to provide the hire equipment that has been ordered. However we do reserve the right to provide substitute equipment should the need arise. We also reserve the right to terminate this contract without liability to us if for any reason we are unable to supply the hire equipment which has been ordered. In the unlikely event of us not being able to fulfill the booking, all monies paid to us by the hirer will be refunded. If any individual items cannot be supplied a full refund for those items will be made, or suitable alternative equipment will be supplied, but this will be the limit of our liability in this regard.

20] In the event that the hired equipment is faulty, Too Smooth Entertainment shall not be liable for any consequential loss or damage whether financial or otherwise, arising there from. Should we not be able to fulfill the booking all monies paid to us by the hirer will either be refunded, or a credit issued at our sole discretion, but this will be the limit of our liability.

21] Connectors must not be removed from equipment. We reserve the right to charge for refitting, or inspecting, any connectors found to have been removed, or tampered with. No equipment must not be modified in anyway whilst on hire.

22] Failure to return any cable coiled and taped may result in a charge for doing so being made.

23] Packing supplied with equipment must be returned, or it will be charged for.

24] If the economy delivery option has been requested where no setup of equipment is provided by us (when applicable), or you have chosen to collect the equipment from us, all hired equipment should be installed by a competent person. Too Smooth Entertainment cannot accept any responsibility for damage done to personnel, property or equipment in this regard whilst it is on hire.

25] Too Smooth Entertainment will Endeavour to meet any agreed delivery times & conditions, but cannot accept responsibility for any delay in delivery or collection howsoever caused. Normal delivery and collection times are between 10-00am & 5-00pm Monday to Saturday, although distance & geographic location may restrict these times. Deliveries & collections can be made outside these times at additional cost, but all the above are subject to availability. If TBA or TBC is recorded in the delivery/collection clause on our booking confirmation the above conditions will still apply. The hired equipment is entirely the responsibility of the hirer until it is collected by us, or returned to us.

26] The Hirer will be held liable for the loss of any equipment confiscated because of a failure to comply with any relevant laws or regulations.

27] Too Smooth Entertainment gives no warranty that goods supplied for hire are fit for the hirer's purpose or purposes, or that any fluid used in any of our snow, foam, smoke or bubble machines, whether supplied by us or not, will not damage flooring, furnishings, clothing or any other material, either during use, or through leakage. The hirer warrants that they have satisfied themselves that the goods will be fit for every purpose for which they require them, and that they do not rely on any skill or judgment of Too Smooth Entertainment in this regard.

28] All quotations are made by Too Smooth Entertainment without obligation, and we reserve the right at any time to vary any quotation or part thereof, or to refuse acceptance of any order without assigning any reason for such refusal, although once the deposit has been paid the price will be fixed.

29] Too Smooth Entertainment reserves the right to inspect all hired equipment at any time during the hire period.

30] Where a Customer has Terms and Conditions covering purchasing and hiring that conflict with the Terms and Conditions of Too Smooth Entertainment then the Terms and Conditions of Too Smooth Entertainment shall take precedence unless specifically agreed in writing by a Director of Too Smooth Entertainment.

31] All quotations and prices are subject to the addition of Value Added Tax at the rate applicable on the date of invoice.

32] We will exercise our statutory right (Late Payment of Commercial Debts Regulations 2002) to claim interest and compensation for debt recovery costs under the late payment legislation if we are not paid according to agreed credit terms, subject to clause 7 for non account holders.

33] Where a delivery or collection cannot be completed because of a lack of access to the venue the hirer shall still be liable for all agreed charges, and for any additional costs incurred in completing the delivery or collection.

34] Failure to dismantle equipment booked on the economy delivery & collection service, and have it packed ready for collection at the end of a hire period will lead to extra charges which may include extending the hire period until dismantling and packing has taken place and the goods are collected by us and returned to our stores.

35] Too Smooth Entertainment reserves the right to change these terms & conditions at any time, and without notice.

36] All hired equipment must be used for the purpose for which it was intended by the manufacturer.

37] At our discretion we may take a security/damage deposit by credit/debit card prior to the commencement of the hire, cash or cheques will not normally be accepted for the deposit. The security/damage deposit will be refunded to the same credit/debit card upon the safe return of all the hired equipment. The amount of the security/damage deposit will vary depending on what is being hired, but will be advised to the hirer either when an enquiry is being made, or when a booking is confirmed. The amount of the security/damage deposit is arbitrary and does not limit your liability, which is for the full replacement cost of any loss, or any costs incurred by us in repairing equipment that has been damaged during the hire period. If for any reason a security/damage deposit is not taken from a credit/debit card prior to the equipment being made available for hire, then any loss or damage incurred during the hire period will be debited from the same card that was used for payment of the hire fee's. If this is not possible then we may debit the card that was originally used to pay the deposit to confirm the booking. If we are unable to obtain payment from any of the debit/credit cards supplied to us for this purpose then we reserve the right to issue legal proceedings against the hirer for default. Should this be necessary a county court judgment may be obtained and registered against them which will make it far more difficult for them to obtain credit in the future.

38] The terms above, and the contract to which this document relates, shall in all respects be construed and operate in accordance with English law.

Cooling off period

If having read our terms and conditions and within 24 hours of paying the deposit you wish to cancel, you may obtain a full refund of all monies paid less a £10.00 administration fee. This condition does not apply if you make your booking within 14 days of the commencement of the hire period, where upon the full hire fee will be due.

I am Jamie Duffy; my date of birth is 07/11/1989. My home address is as stated above. I am making this witness statement in response to the police and local authority's application for an anti-social behaviour order on Mr Simon Cordell.

At this time I do not have a permanent address I am staying with the Cordell/ Benjamin family who I have known for around 1Oyears.
I was working up until 13/01/2015 and at this time I am seeking new employment.

As I said I have know the Cordell/Benjamin family for many years and the help they have given me is beyond words they are part of my real family this is how I feel and I know they feel the same way, there was so many times I did not have somewhere to stay and they always opened there doors and welcomed me from a young age.

Signed …… Witnessed By ……

Since Tyrone Benjamin accident on the 10/04/2014 I have been staying there to help care for him as he could not do many things himself.
I have also been staying at Simon Cordell address a lot, due to how he has been feeling so he has someone to talk to, as he has locked himself away a great deal over the last few years due to things that been going on in his life.

On the 06/06/2014 I was at Lorraine Cordell Home with other family members, Lorraine's Nan was not well and was most of the day in bed sleeping. Simon and his Mum were working on his website for many hours this day and other things he was doing to set his company up. It was really late when we all left Simon dropped Deon home to her house and then me and Simon went home to his house, where we stayed up talking for a while and then went to sleep.

On the 07/06/2014 a family member Dwayne Edwards was having a party due to him leaving to travel the world for 12 months the party was held in a hall at the end of Hounsfield Road in Edmonton N9 by the park. Most of the family attended and friends.

Simon's Nan and Lorraine left early due to Simon Nan not being well.

The party went in to the 08/06/2014 early hours; Simon left sometime in the early hours I am not sure what time it was I new this as he said bye to everyone.

I stayed at the party till later to enjoy myself.

I worked within this field for many years until I became too ill due to heath Problems.

When my son was served the police application for an anti-social behaviour order, due to my knowledge I used this to search for information which could help prove he had not done what the police said he did and was not involved in the organisation and conduct of illegal raves.

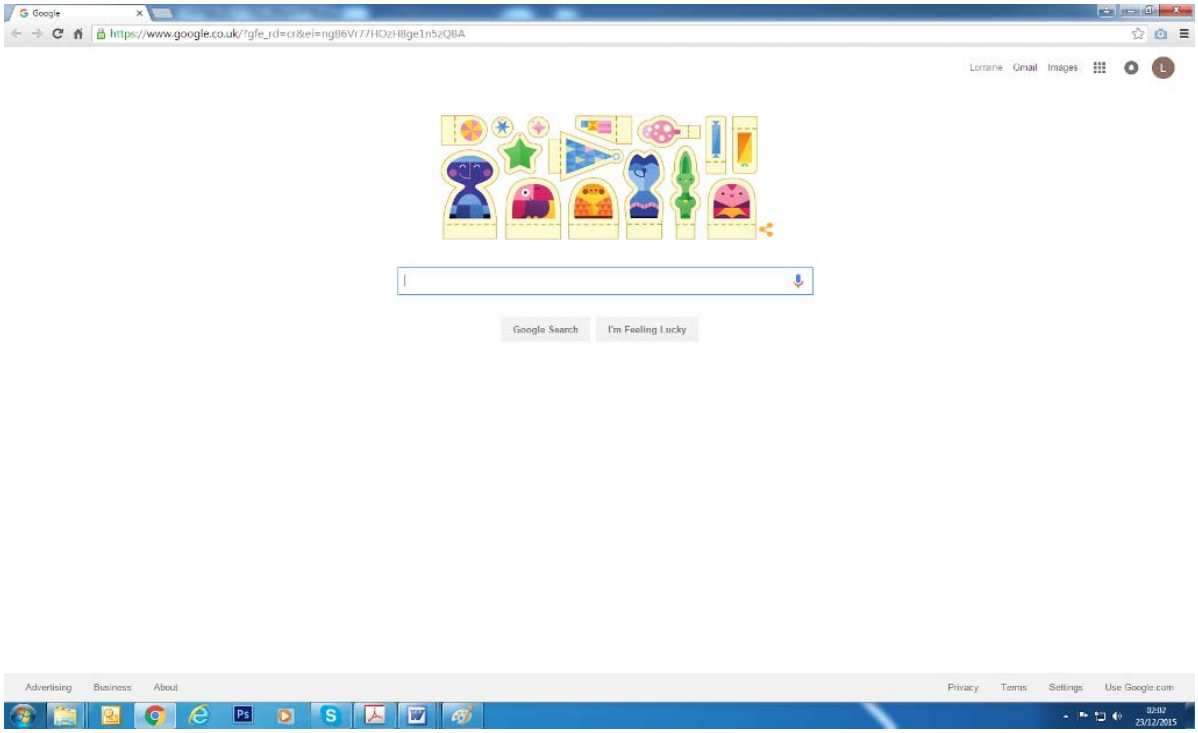
The application gave me a base line in which to start to search and the dates the police said my son Mr Simon Cordell set up these illegal raves.

I used my knowledge I had within Search engine optimization and keywords to be able to use the internet, search engines and social media to bring up a great deal of data that allowed me to find out information to the dates the police said my son organisation and conducted illegal raves within this application.

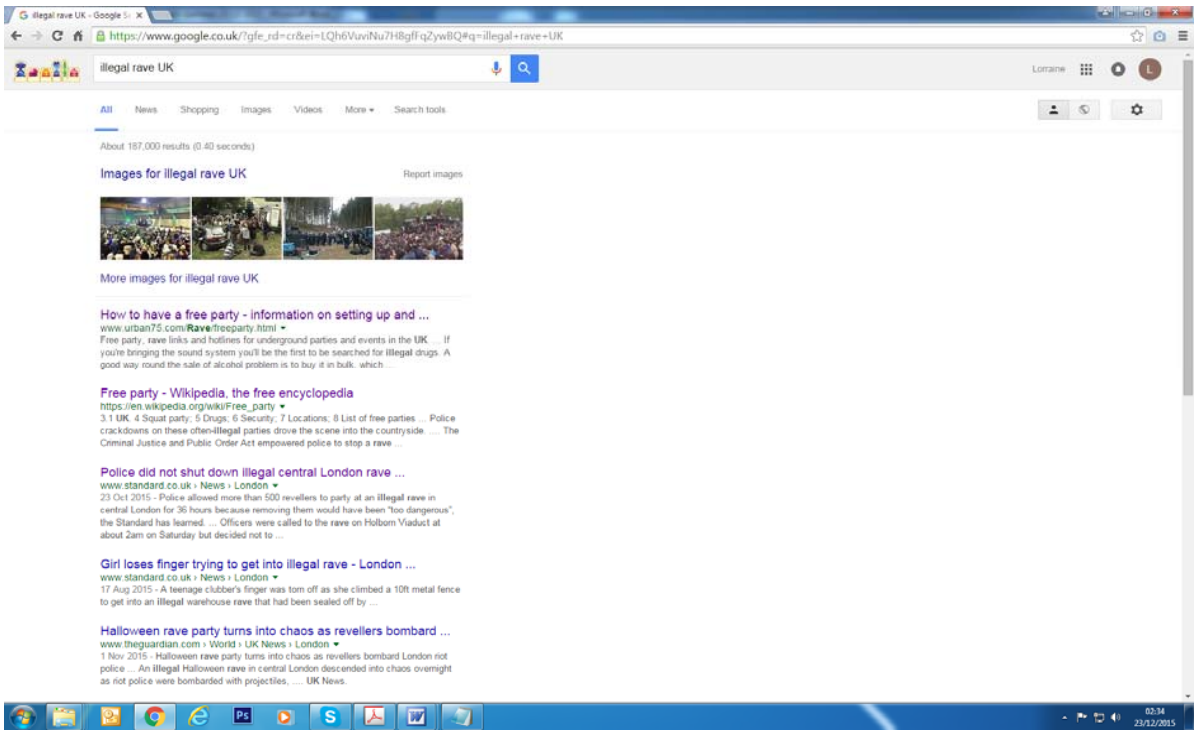
I am going to explain how this was done with keywords and the internet search engines and my knowledge.

The 1st thing I did was open chrome and went to Google search engine, as this is the biggest search engine and the Google's spiders regularly crawl the web to rebuild there index's, Google spiders crawl process is algorithmic.

Signed L. Cordell …… Witnessed By …… 2

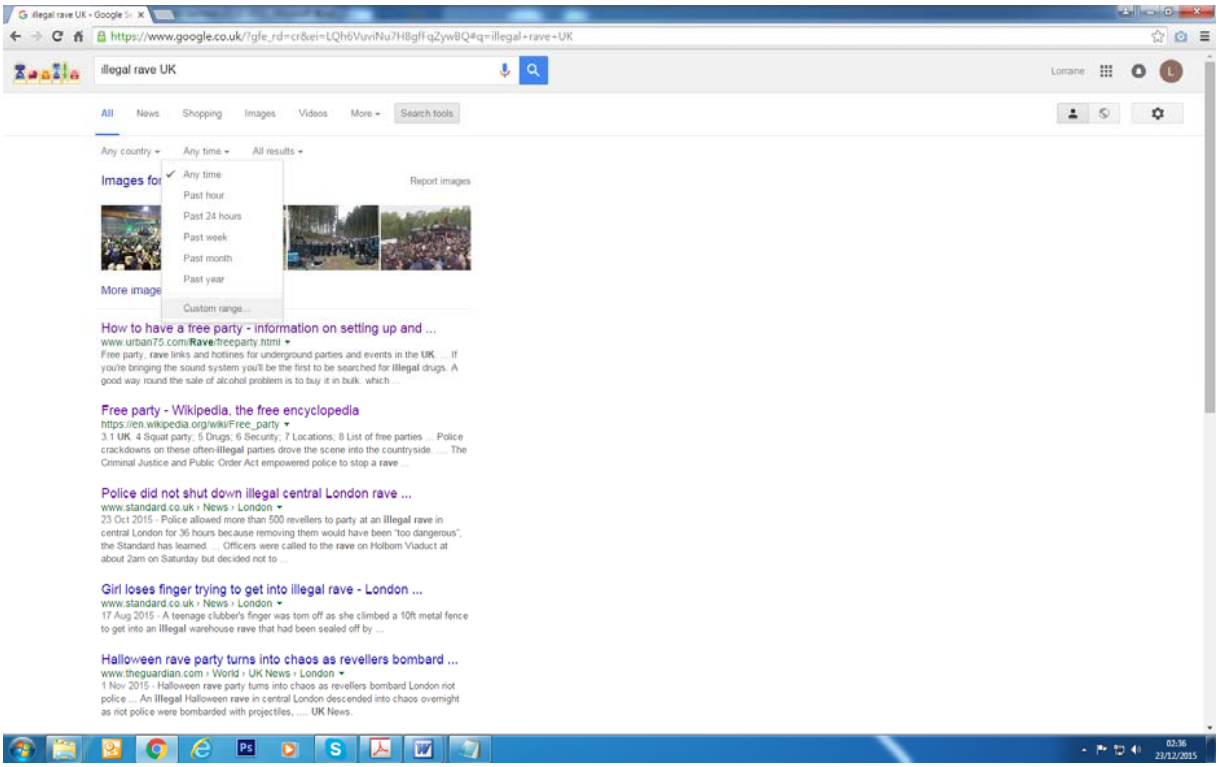


I then type in a keyword like illegal rave, UK, rave UK, it is better also to have your search tool selected in this case to Country: the UK, but it is still good to end the keyword with UK, then click search this will bring up all dates to start with.



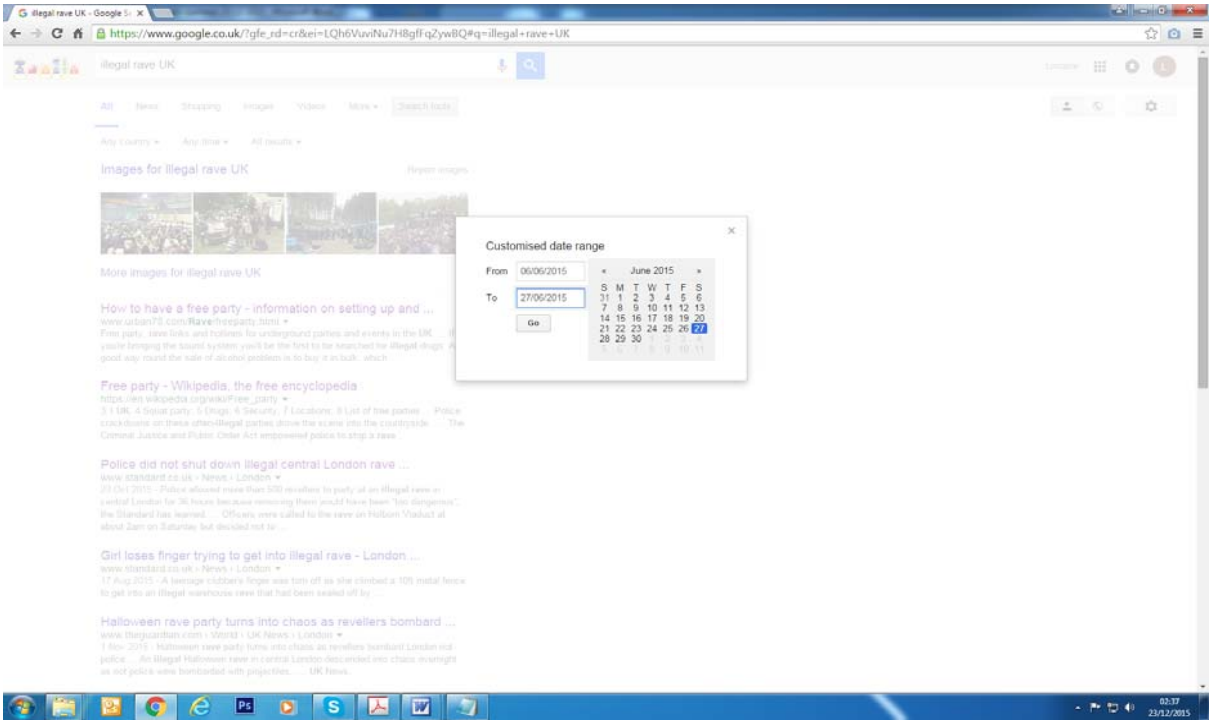
Signed L. Cordell ..... Witnessed By 3

Then I used the search tool to enter custom dates. I had the dates as they were in the application for the ASBO order.

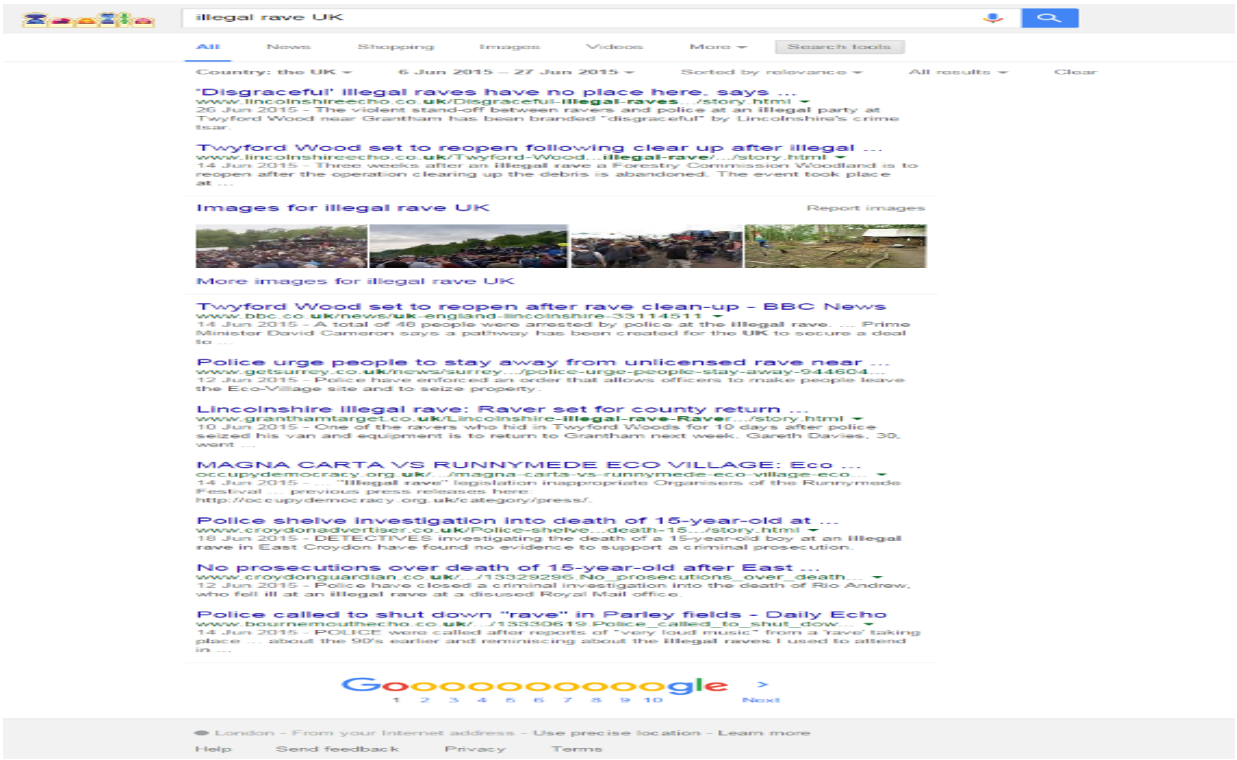


Now we add the date time line we are looking for in the custom fields, you are better to start with a wider date line then you need and see the results and you can shorten the date line as needed from the results you get back.

It is better to start to look for News data and social media URLs as in the application the police submitted they said in a statement about social media.



You start to look at the results and read all is what is said there are 10 results per page and there can be a number of pages. To look for just news within your date line you can select the tab for news data. If you want to look at all then you will have more to look at as this is a much wider search. On each search field you get a description this can show missing words within the keywords you entered.



Signed L. Cordell ..... Witnessed By .....

I have just called 5 local London boroughs and clearly hearing what I am being told know there is going to be a huge impact on the business my son has been building for years. There are 33 local London boroughs. This is without this ASBO being within the whole of the UK.

Leaving party location for Dwayne was on the 07/06/2014 and held here. It went on from the 07/06/2014 from around 18:30 hours until the 08/06/2014 until around 02:00 hours. But they had the hall earlier in the day on the 07/06/2014 so they could setup. Like lay the food out and setup the music system, lights, and decorate the hall. The hall was paid for in cash.

YOU ARE NOT INSURED!

We know one thing for sure - if you're going abroad you need to travel with adequate insurance. Did you know that an air ambulance from Australia could set you back a mere £20,000, legal representation in the US could cost in excess of $100,000 or if you break your leg in Japan you could be looking at £20,000 to get it fixed up?

- If you decide to change your flights before you leave the UK this is not covered on your Multiflex Pass and you will have to pay for the charges.

Dear Matthew Mcgrath

I was passed your email today by Lewisham Council due to a call I made to ask for some advice. I was told by the person in Lewisham Council this ASBO and the conditions would have a huge effect on obtaining any Alcohol and entertainment licence. But they told me to contact you who maybe able to give me some more advice.

The advice I need is in the event someone wanted to apply for an event Alcohol and entertainment licences one of any of the below:

- Personal licence.
- Premises licence.
- Club premises certificate.
- Temporary event notice.
- Minor variations

The advice I wanted to find out if the person had an ASBO with the below conditions

The person is prohibited from:

A. Attending a rave as defined by s.63 of the criminal Justice and Public order Act 1994;

B. Being concerned in the organization of a rave as defined by s.63 of the criminal Justice and Public order Act 1994;

C. Knowingly using or supplying property, personal or otherwise, for use in a rave as defined by s.63 of the criminal Justice and public orders Act 1994;

D. Entering or remaining in any disused or abandoned building;

E. Entering or remaining on non residential private property on an industrial estate between the hours of 10pm and 7am without written permission from the owner and / or leaseholder of the property; and

F. Engaging in any licensable activity in unlicensed premises;

Would there be an issue with obtaining an Alcohol and entertainment licence, and what would be the chance it would be granted to do a legal event within legitimate business activities.

I have been told that this would not have any effect of any legitimate business activities that any person wished to undertake and that in no way would any person be inhibited by this ASBO order. That any person could apply for a Alcohol and entertainment licence if needed, and have these ASBO conditions and this order would have no effect on any person obtaining Alcohol and entertainment licence within these ASBO conditions to run a legitimate business activities a person wished to undertake.

Regards

Rachael

Hi

Any application would be looked at on its own merits. The test for the application would ultimately be ' Is that person responsible to ensure the promotion of the licensing objectives?'.

If the ASBO relates to unlicensed events i.e raves, then this clearly demonstrates a risk to the prevention of crime and disorder licensing objective.

The MPS would make representations to the Licensing Authority due to the risk posed.

This does not mean a licence would not be granted, you would have to satisfy any Licensing Authority that you pose no risk to the licensing objectives.

Date: 11 January 2016 15:25:00

Dear Ned Johnson,

Thank you for the reply email and the update.

I have other information due to investigations I have done and due to speaking to people within the area. That it was not just the one date in April 2014 there were events at Crown Road.

The dates I have been given that events took place at Crown Road are:

12th / 13th April 2014
19th / 20th April 2014 (confirmed)
26th / 27th April 2014

03rd / 04th May 2014
17th / 18th May 2014 (confirmed)
31st / 01st May and June 2014 (confirmed)

06th 07th 08th June 2014 (confirmed)
13th / 14th June 2014 (confirmed)

Some of these dates have already been given that events took place within the FOI I requested.

Also you say you did not serve a Noise Abatement Notice on the squatters / occupiers, as it would have had no benefit to do so as you would not have been able to take anyone to court, and I do understand that the council was working with the owners of the building to deal with this problem.

But I am sure if you had served a Noise Abatement Notice to the squatters / occupiers / Building, it would have covered not just to take someone to court. It would have covered the council to have seized sound equipment and due to this stopped the events far sooner with a Noise Abatement Notice in place on the building then not having served one at all.

I believe that is the reason a Noise Abatement Notice can be served on occupiers / Buildings under Environmental Protection Act 1990 section 80

Dear Ms. Cordell,

Thank you for your email; I have rechecked our database and indeed, I did make a mistake and missed one complaint which was received by our Residential Noise Team on 20/04/14, it was the only complaint received by the Council prior to the ones listed in the FOI response sent to

you. The officer who received the complaint tried to contact the customer who made it on several occasions but was unable to do so and as such we were unable to verify the complaint. The next complaint received was then on 18/05/14 as stated in my original response.

We did not receive any further complaints after June 2014 in regard to the Man Building and therefore as far as we were aware the matter had been resolved.

A Noise Abatement Notice was not served on the squatters as we would not have been able to verify any names given, if indeed they would have given a name and it would have been unenforceable as it is extremely unlikely that we would have been able to take anybody to court who was squatting. The line taken was to pursue the owners of the building who then needed to evict the squatters and secure the premises, which they did; serving a Noise Abatement Notice would have had no effect on the owners as they were already taking the necessary steps to stop the problem.

Yours sincerely

Dear Ned Johnson

I am writing this email due to a FOI request I put in some time ago.

It has come to my attention that some of the information you have given me in incorrect and was wondering if you could comment on this.

In my FOI request you said that Crown Road information started on the 18/5/2014, but I have found news paper information that this started much earlier then this.

I have a news paper that is dated the 25/04/2014 which was printed after a 15 hour rave took place there on the 19/04/2014, which is much earlier then the 18/05/2014 as the date you gave me that this started.

http://www.enfieldindependent.co.uk/news/11172103.Residents_fume_over_15_hour__rave_/

And one that was in printed on 9 September 2014 a paper saying The MAN building, in Crown Road, on the junction with Southbury Road, Enfield, has also been used for illegal raves and parties in the last few months which these words would say the events was going on much later then June 2014 that you have given in the FOI request.

http://www.enfieldindependent.co.uk/news/11459487.Listed_building__wrecked__by_graffiti/

I still also can not understand why an abatement notice order was not put in place due to the amount of events that took place there. I do understand on the days of the events it could be classed as unsafe due to the amount of people, but this site was being squatted and there would have been far less people there during the weeks when these events were not going on. And can not understand why an abatement notice order was not put in place during the time when these events were not going on.

On the 6th 07th and 08th June 2014 the council were aware an event was ongoing at Crown Road.
On the 6th 07th and 08th June 2014 the council were aware an event was ongoing at Progress way.

On the 08th June the council attended with police to Progress Way to serve paper work this was not served to any persons within the site of Progress Way.
But if you were with police, which your team was why was paper work not tried to be served at Crown Road site also as your team was aware off an event also going on there.

Dear Ms. Cordell,

In terms of the number of events there was one further rave that took place on 25th March 2013 at Progress Way, other than this occurrence I have provided you with the dates and locations of all the illegal raves/parties that are recorded on our database as well as all other data we hold that you requested. The rave on March 25th 2013 was attended by the Out of Hours Noise Team, assistance was requested from the police but they were unable to help on that occasion.

The events at Crown Road were over a period of several weeks not months, during which time we were in regular contact with the new site owners who worked to get the site secured and the power turned off. The Out of Hours Noise Team undertook observations of the noise during

the event on May 31st/June 1st but did not visit the party as the team decided that it was unsafe to do so due to the nature and location of the event and provided information to the daytime officer who ensured the owners undertook the necessary works.

The complaints received on Sunday June 8th were all received after the council's Out of Hours Service had finished at 03:00 and therefore no response was possible.

The Out of Hours Team respond to all complaints received but will only visit a premises where it is safe for them to do so and in the case of illegal raves/parties quite often there are officer safety issues which prevent visits at night time during the event, unless police support can be gained. Following illegal raves/parties we do make every effort to get a building secured as soon as possible to prevent the same thing happening again.

Yours sincerely

Dear Ned Johnson

Thank you for the reply to the freedom of information act I put in.

I do however believe there is a lot of data that has been left out, so maybe I need to clarify the data that is being requested.

- To information is regarding Disused or abandoned buildings or any industrial estates buildings or open air land. For the dates all of 2013 to date.

- This would include all data if there were occupiers/squatters in said building/parties/raves. This would include the dates these buildings/Disused or abandoned buildings/ or any industrial estates was first known to the Environment & Street Scene Department.

- All information would cover all wards boundaries for Enfield Council.

Information is also needed for some areas within the Enfield Council borough.

The information would cover if police were in attendance, if calls were made to the Environment & Street Scene Department by police, and any police officer information that the Environment & Street Scene Department holds about any police officer.

This information would also include any calls that were made from the Environment & Street Scene Department to police in relation to any Disused or abandoned buildings or any industrial estates buildings or open air land that the Environment & Street Scene Department felt could have a problem with.

There is also an issue with the information in your email

- 18/5/14: 3 calls after event
- 19/5/14: 6 calls after event
- 21/5/14: 1 call after event

But have not given the date of the event itself, are the below layout ones was when events have taken place as it just has calls at the end of the dates could you please clarify

- 31/5/14: 2 calls
- 1/6/14: 6 calls

Also in your email it seems that there was more of a problem with crown road over some months but from how I am reading your email it seems no one ever attended from the Environment & Street Scene Department on any of the dates in your list can this also be clarified in more detail.

I know you have until the 10/03/2015 to supply the information I have asked for. But I do feel your email was very incomplete, I do hope that I have not got to wait 20 more days now as I need all the data by 10/03/2015 and I did ask for all information and I feel that has not been given.

Could you get back to me via email as to the time it will take to get all the information I have asked for within my request?

Regards

According to residents in Anglesey Road, adjacent to crown road, the loud noise and disturbance continued until 3pm the next day.

One resident, who wanted to remain anonymous, said that the 15-hour rave was "ridiculously loud/'

He said: "It was so loud the whole house was shaking like an earthquake was happening. There are no clubs or bars near us so this was quite a shock. We understand that sometimes it could be loud late at night but for it to continue until 3pm the next day Is not right. "I walked along to check out what was going on, it was ridiculously loud. Things were getting smashed up in the building and people were spray painting everywhere." Police say they attended late on Saturday evening and returned the following day and music was still being played.

Vandals have “completely wrecked” an abandoned building by painting graffiti on the front and squatting inside.

The NAN building, in Crown Road, on the junction with Southbury Road, Enfield, has also been used for illegal raves and parties in the last few months.

Formerly used as a car factory, the Grade II listed building closed down more than a year ago and Enfield Borough Council is now looking for a new owner.

David Cockle, the chairman of the Enfield Society, has been left concerned by the way the way the building has fallen into disrepair.

He said: ‘It once had a very nice, manicured garden - but now it’s just been completely wrecked. It’s a huge shame.

“I recently discovered that squatters have been on site and It’s generally in a deplorable state, ft doesn’t give a good impression to people visiting the area for the first time.

“It’s such a high-profile site and one we should be proud of, but now it just looks awful.[1]’’

Earlier this year, people in nearby Anglesey Road, said their houses were “shaking like an

The party included loud music and continued until 3pm the next afternoon - a total of 15 hours.

Graffiti tags have now been emblazoned on the front of the building, which has been boarded up.

Mr Cockle, 62, added: “For a listed building to be left like that, it's terrible.

“The plants and shrubs are overgrown too - it’s sad to see it so run down.

“ft used to be such an attractive building.[1M]

The above CAD is missing but very important it is I believe a report from the public order unit at Scotland yard, who are the one that hold all the information to a lot of the dates in this ASBP application as the real person who setup these parties.

Jason Ames Statement dated the 15/08/2014 page 39 in bundle

On Saturday 09th August 2014 I was on duty in full Police uniform driving a marked police vehicle in the company of A/Insp King when at 2221 hours we were informed of CAD 9717 which related to some Intelligence received that stated there was likely to an illegal open air rave in the region of Millmarsh Lane, Enfield, EN3. As this was very new information we attended the location as quickly as possible so that we could assess whether there was a possibility of ending the rave before it began.

Aaron KING statement dated 15-08-2014 page 41 in bundle

On Saturday 9th August 2014 I was on duty in full uniform posted as Acting Inspector. Shortly before 2230hrs I. was informed via our GPC that Intel had been received via social media that there was going to be a large illegal rave somewhere in the region of Millmarsh Lane, Enfield, EN3.1 was advised that this was being advertised on Face book by "Every Decibel Matters" who run unlicensed events

Hi Monica,

Realty sorry to bother you, i forgot to ask about personal liability insurance, is that a recommendation or a must for people who hire the hall? have you got a form that needs to be filled in, price for this and where to get it?

is it down to you now, if the door fobs are not working?

Do you have someone that does the PAT testing on the equipment in the hall?

hank you for your email. In terms of polices there are quite a few required e.g. Health & Safety Polices, Equity Diversity Policy, Safeguarding Polices, Data protection Polices, Financial polices etc.

349

Pricing of the hall needs to be consistent, there is no difference if you are a member or a none member, The current pricing of the hall is £13 per Hour for voluntary groups and £23 per hour for commercial/private companies to use. For or parties from 11Am to 11Pm the rate is £230. When you provide the booking to your hirers you should be getting the to sign a hire agreement so that they have something showing them their responsibilities and also, that this is there receipt of payment. We can build on this as part of the training with the committee.

Once you have confirmed if 13th October is good for you all, at this meeting, could you provide me with a copy of the minutes of your AGM and your accounts please.
Any questions then let me know.

Hi patsy hope you are feeling better. Just to let you know if the 10th of November is good for everybody involved in regards to the Session on Committee Skills, it will be fine for me. please can you
liaise with the group members and let me know as soon as possible if this date is acceptable.

You will recall that Monica was keen that you also undertake the longer course dealing with all aspects of Managing Community Buildings. The contract for this has yet to be finalised but I wonder if we can provisionally pencil in the 4 Monday evenings from 24th November onwards to get the bulk of the work completed before Christmas. Again, Patsy, please let me know if this is a possibility.

Best regards,

Grace

Hi, Patsy,

I refer to my meeting with the management committee on 13th October and to my email, although I do not think your email address was included with those sent to me by Monica. I suggested 10th November as the date for the first training session on Committee Skills.

Please would you let me know if the training can take place on this date and how many will be attending so that I can arrange for the necessary handouts to be prepared.

The committee also agreed to a further 4 sessions on managing community buildings and I suggested the 4 consecutive Monday evenings starting on 24th November. Again, I would be grateful if you can confirm these dates. Please call me if you have any queries.

I look forward to hearing from you.

Hi Patsy/Grace

I received a text from Diane Williams, one of the Management Committee members at Kempe Hall, asking if we could look for another venue for yourselves for 10th November for your training, as you have a funeral booked into Kempe on this date. I did ask for Diane to give me a call and to date she has not.

Unfortunately, I am unable to find another venue as the other halls have bookings.

I am not sure if you want to move this to another day in the week?

Please can you advise.

Thank you

Dear Kempe Residents Association

I have now received information in relation to the receipts and various other information from yourselves, thank you for this.

However, what is of concern is that this information does not include any audited accounts. From the information provided we can see that you paid Bracey Accountant in March 2012, was this to audit your accounts? If so you need to provide copies of this. Also, we have no financial information from April 2013 to March 2014.

Unfortunately, due to the lack of information provided and the number of requests for this information I will now have to speak with me Executive Management Team as to how we proceed with this matter.

Dear Committee Member,

I write further to our meeting on Monday 16th February 2015 in which we discussed the situation regarding the management of Kempe Hall.

In it we agreed that it would be in the best interests of Committee Members to hand back the management of the hall by Friday 20th February 2015.

It would have been reasonable therefore to expect the Chair of the Committee to communicate a response by that date. Instead, I received an email from a Tracey Woodward which stated that "I am now part of the Kempe Hall Management Committee".

With respect, Enfield Homes cannot enter into a dialogue with somebody who is not nominated by the Committee and indeed is possibly not even a properly constituted member.

On Monday 23rd February Enfield Homes proceeded to re-possess the hall only to be prevented by the Chair and a number of other 'members' whose behaviour towards a female staff member was threatening and unacceptable. I do recognise that these behaviours do not necessarily represent the views of all Committee Members.

However, I should warn you that this action leaves Committee Members jointly and personally liable to action on several fronts;

- **The lease of Kempe Hall was made by the Council to Kempe Hail Community Association Ltd. That company has been dissolved so under clause 5 of the lease the Council is therefore entitled to repossess the premises immediately without further formality.**
- **As the company no longer exists whoever is running Kempe Hail on a day to day basis is doing so unofficially. The Council cannot allow this situation to continue, not least because of the potential for claims to be made against the Council in the event of any incident which might take place on the premises.**

Under the lease the company was required to provide the Council each year with either independently examined or professionally audited accounts so that Hall monies could be reconciled, it is of particular concern therefore that the company last provided accounts on 31st March 2012. The Council's Internal Audit Team have been informed of this and are likely to investigate the matter further.

It is likely that some or all of the following provisions of the lease have been breached: -

o **Clause 3.3**	**Promotion of hall and use of it for public benefit**
o **Clause 3.4.1**	**Bar operating outside permitted hours**
o **Clause 3.5**	**Prevention of access to the Council for the**
o	**purpose of evaluating and monitoring the hall's use**
o **Clause 3.6**	**Repairs and redecoration**
o **Clause 3.11**	**Licencing**
o **Clause 3.12**	**Community benefit**
o **Clause 3.20**	**Insurance against public liability claims**
o **Clause 3.29**	**Provision of Accounts**

I stated at the meeting that it was the Enfield Homes and the Council's preference to take back the hall and work with a re-constituted resident group to put the facility back on a firm footing and retain the positive services that are running, i once again offer you that opportunity to work with us.

However, should the Committee decide to resist this, Enfield Homes will hold members' liable for continuing the unauthorised occupation of this building.

I am available to discuss this matter further.

Yours sincerely,

Simon James

Hi Simon,

At the moment you have all the paper work relating to the Hall. We have a meeting with Monica on Monday about training. And not sure what else. You would know from going through the paper work, what we are missing? It's a matter I think of let's see what happens then.

In the paper work is there minutes or notes from the last AGM as she would like a copy.

We as the committee have got to put together a Asset Register for the hall.

Did you call Mark at F.E.C.A about our paper work down there?

Thanks

Patsy

I am writing this to see if there is any news as to the data I asked for. I was hoping to have got an email yesterday with some information due to the email you sent me on the 10/02/2014 but I did not. I understand that the court is only open Tuesday to Thursday which only give till tomorrow as you are aware I am back in court on the 18/03/2014 which if I do not get anything by tomorrow I will have to go into court then with nothing as the court would be closed. Could you therefore let me know if the data I have asked for will be available by tomorrow?

After your email dated the 21/02/2014 I was thinking that you would be searching for the data from the week of the 24/02/2014 as this is what it said in the email. As I said in my 1st email when asking for the information I have a case that is at Woolwich crown court and I am having problems with my bail due to the records on my PNC, I am due in court maybe tomorrow or this week as my solicitor is putting into court to have a hearing and I wanted to have any errors on the PNC addressed at court.

Dear Mr Cordell,

Further to the conversation between Mrs Cordell and a member of staff yesterday, please specify which dates and offences you wish us to check. Almost all the offences are archived and not immediately accessible using the computer; specific dates and offences would help reduce the delay in providing this information.

Mr. Simon Paul Cordell

18/02/2014

To Whom It May Concern:

I am writing this email as I have an ongoing case at Woolwich Crown Court, and I have noticed
some errors in my PNC record which the police printed of at around 25/06/2013.

I would be very grateful if you can pull up the following records so I can check them with the PNC the police printed off for the case that is ongoing at Woolwich Crown Court, I have
been told I will need a Memorandum of conviction or the transcript for the case.

I do know there are some errors on the cases that was heard at Enfield Magistrates and can see
them clearly, but due to how far they go back cannot remember some of the cases. I do also know
some are correct but due to some dates being wrong on some of the ones I can see errors in I would
like to check all the cases on the PNC that was heard at Enfield Magistrates.

If this can be done as a matter of urgency due to the impact this is having on my life with the case that
is ongoing at Woolwich Crown Court and my bail and other issues.

If the information could be emailed to me I would be grateful as I am next in court on March 2014 and
would like this information of any errors so I can show the judge.

Please see below' the lists of cases I would like information on.

To Whom It May Concern:

I am writing this email after a call that was made to the City Of London Magistrate Court on the 10/02/2014 about a list that is on my PNC that is incorrect.
I was told to write this email including as much information as I could to get this updated.

I have contacted you a few times before about this Error on my PCN and was told that you would get it updated but as of now this has never been done.

I was told on the 10/02/2014 when I called due to the date that it would be down to the police to update this. You would have only forwarded the information to the police to get this updated.

The Error is for a case that was heard on the 03/03/2008 at the City Of London Magistrate Court, for failing to surrender to custody at appointed time, on the 25/01/08.

The error is that I did not go to go but my mum called the court and a sick note was handed to the court and the case was dismissed, so should not be on my record

This has caused me problems with bail on a few times and this is why calls have been made before to the court, at this time it has been causing me problems again with a case I am at Woolwich Crown court for.

I have attached the page for the PNC print out the police did for the case at Woolwich crown court that I am on bail now for. This print out was done by the police on or around the 26 June 2013 for the Woolwich case.

I do feel this is causing me problems with my bail and I am therefore asking for this to be dealt with as fast as possible in order that I can show the court this should in fact not be on my record.

I was told on the 10/02/2014 when I called that if I ask for a court transcript that this could be done faster than updating the PNC records and I would be able to show the Judge at Woolwich crown court
the court transcript for the case that is on my file in error and that should be enough to prove that it should not be on my record. I am there for asking for the court transcript to be sent to me if there are costs
for this please email me back with the cost for this to be sent to me and I will get this paid to the court.

Please see attached file for the page in my PNC record which is there in error I have highlighted the case.

If this can be done as a matter of urgency due to the impact this is having on my life.

Many Thanks

Mr Simon Cordell

RESPONSE TO HHJ PAWLAK'S LETTER DATED 22ND FEBRUARY 2016

(1) WHAT INVOLVEMENT IN EACH EVENT (RAVE) RELIED ON BY THE RESPONDENT, THE APPELLANT ADMITS TO HAVING HAD ANY INVOVMENT!

(A) 25.05.2014 – 5 ST GEORGES INDUSTRIAL ESTATE, WHITE HART LANE

The Appellant relies on his previous statement served.

The Appellant will state that he was delivering food to some homeless people.

The Appellant will state that there was no rave, no sound equipment, lights, generators etc in his van.

The Appellant will state that there was no rave in progress and no intention for any event to take place.

The Appellant will state that there was a section 144 LAPSO notice clearly displayed by the occupants who were treating the premises as their home.

The Appellant will state that he had empty speaker cases in his van which would not have been able to play any sound as they never had any drivers in the speaker boxes. The van was used to store the speakers. The Appellant will state that he specifically requested that the officers who attended note down the fact that he had only non-working speakers inside his van and no other component parts for a sound system.

The Appellant will state that he did not commit any criminal offences on 25th May 2014. The Appellant will state that the premises were not broken into as alleged but were being legally used as a home. The Appellant will state that the occupation was legal by virtue of section 144 LAPSO notice being clearly displayed and this is within the law.

The Appellant will state that no Licensing authorisation was required as there was no music being played or intended to be played.

The Appellant will state that he did not engage in any acts of Anti-social behaviour as defined by section 1 of the Act.

The Appellant requests disclosure of the CCTV of the persons breaking in to the premises, the CRIS and details of any persons arrested for criminal damage / burglary.

The Appellant will state that he did not break any laws on 25th May 2014 nor did he engage in any acts of anti-social behaviour.

The Appellant will state that the description of events on this day has been altered and recorded in a biased way towards him.

The Appellant requests full details of the original intelligence report inputted on 25th May 2014 and also reasons why there was a need to update this report on 19th June 2014. The Intelligence report should not be allowed in evidence under the hearsay rules as it is prejudicial to him. The report has been amended.

(A) PROGRESS WAY 6TH, 7TH AND 8TH JUNE 2014

The Appellant disputes any involvement whatsoever in the event at Progress Way.

The Appellant accepts that he approached the gates on the 08th June 2014 with a view to dropping off house keys to a friend that had been left at his house on an earlier date. The Appellant did not enter the premises / venue at Progress Way.

The Appellant did not provide any sound equipment, speakers, generators to any person inside Progress Way.

The Appellant will state that he is being wrongly accused of organising this rave / event. The Appellant will state his brother is also wrongly named as being involved. The Appellant will state that his brother was severely disabled at the time and in a wheelchair following a very serious road traffic accident which the police are aware off.

The Appellant questions the accuracy and truthfulness of the statements, CADS etc served in support of the above. The Appellant questions why some of the CAD reports have been redacted. The Appellant believes that the CAD's may well confirm the names of the real organisers, vehicle registrations etc that will confirm no vehicle belonging to the Appellant being inside the venue. The Appellant also questions the chronological sequence of the CAD reports due to the time stamps.

CAD	Num	Date	Time	Page
CAD	2637	07/06/2014	08:18	Page 191 to 195
CAD	2672	07/06/2014	08:16	Page 196 to 198
CAD	3005	07/06/2014	09:22	Page 203 to 205
CAD	3037	07/06/2014	09:20	Page 179 to 183
CAD	10481	07/06/2014	22:47	Page 233 to 237
CAD	10506	07/06/2014	22:44	Page 238 to 241

The Appellant believes that some of the complainants are police officers and no civilians. The Appellant believes that some of the Cads' may relate to completely different areas but are being added incorrectly and linked to Progress Way.

In the interests of a fair hearing the Appellant requests all Cad's cross linked and referred to should be served in an unedited format. All Cad's that do refer to a different location should be removed from the Respondent's bundle as they are too prejudicial.

The Appellant will state that this is yet another example of the police manipulating the evidence to paint him in a bad light. The Appellant strongly believes that the police are presenting their evidence to persuade the court that he was an organiser of this event.

The statements presented are unreliable and prejudicial. The Appellant will state that he cannot possibly have a fair hearing as a result to a breach of regulations inclusive of his Human Rights one of which is article six his right to having a fair hearing will be violated due to the way the Respondent is selecting editing and presenting Cad's. The Appellant specifically requests that the redacted CADS be served unedited or excluded from the Respondent's bundle.

The Appellant will state that he is being deliberately targeted by the police as was his younger brother. Neither organised any event at Progress Way.

The Appellant specifically asks the Respondent to confirm why the event was not closed down or proof of trespass or evidence of profit being made as required under the licensing act 2003 and section 63 of the CJPOA, if it was in fact a rave. The Appellant also asks why went the sound system's not seized under section 63 of the CJPOA.

The Appellant seeks clarification as whether a section 144 LAPSO notice was on display or tress pass had taken place.

The Appellant also questions why the Respondent has not supplied any Cads from 6th June 2014; which is in fact the date when this event started and why so many Cads' are missing from the 07th and the 08th June 2014.

For the purposes of clarity the Appellant denies being an organiser. He denies providing any sound system equipment to the organisers of this event. He denies entering the venue but accepts that he approached to deliver keys. The Appellant did not commit any criminal offences. The Appellant did not engage in any anti-social behaviour.

(c) FALCON PARK 20TH JUNE 2014

The Appellant was not present at this event.

The Appellant accepts that he hired out his sound equipment in good faith for what he believed to be a house party.

The Appellant will state that he was at home when he was contacted by the hirer to come to collect his equipment which was then seized by police. The Appellant will state that his equipment was restored to him by the police.

The Appellant will state that he did not commit any criminal offences nor did he engage in any acts of anti-social behaviour.

The Appellant will state that he was not an organiser and merely hired out his equipment in good faith.

The Appellant did not commit any criminal offences. The Appellant did not engage in any anti-social behaviour.

(d) CARPET RIGHT 19TH JULY 2014

The Appellant denies organising or supplying equipment for the above event.

The Appellant never entered the premises Carpet Right. The Appellant will state that the true organisers were inside the premises and the police ought to be in possession of their details. This has never been disclosed to the Appellant.

The Appellant will state that none of his vehicles were inside the premises.

The Appellant notes from the Respondent's bundle there was no rave /event, no sound recording equipment inside the premises and therefore no rave was taking place.

The Appellant did not commit any criminal offences. The Appellant did not engage in any anti-social behaviour.

(e) ALMA ROAD – 24TH JULY 2014

The Appellant disputes the conversation with PC Edgoose regarding raves.

The Appellant will state that he did discuss with PC Edgoose his entertainment company and his dream of hosting a local festival at Pickets Lock for the benefit of the community. He will also say that he discussed other charitable events that he had participated in and events in the pipeline.

The Appellant will state that this date should be struck from the Respondent's bundle as there was no rave / Event. The Appellant did not supply any sound recording equipment.

The admission of this disputed conversation is extremely prejudicial to the Appellant. The Appellant finds it bizarre that he was not arrested for any criminal offences bearing in mind the manner of driving described. The Appellant will state that he did not engage in any anti-social behaviour on this date. The Appellant will also state that he was in his private motor vehicle.

(f) MILLMARSH LANE- 9th AUGUST 2014

The Appellant will state that he was invited to a private birthday party by one of the persons occupying the premises at Millmarsh Lane, and that they had been occupying these premises since before the 27/07/2014 which the police were aware off.

The Appellant will state that there was a section 144 LAPSO notice displayed and the building was being treated as a home. The Appellant will state that he was an invited guest and not a trespasser.

The Appellant will state that there was no rave as the location was not open air and by virtue of him being invited by one of the occupiers who had established a section 144 LAPSO notice he was not a trespasser so the legal definition of a rave could not be made out.

The Appellant was a guest at the location and not an organiser. He attended the location in his private motor vehicle. He did not provide any audio or sound equipment.

The Appellant did not commit any criminal offences. The Appellant did not engage in any anti-social behaviour.

The second event at Millmarsh Lane on the 27/07/2014 the Appellant disputes that he was an organiser. He disputes that he was operating the gate as stated by police.

The Appellant will state that this was not an illegal rave but a private birthday party for a girl who lived there, that he attended as a guest and not as an organiser.

The Appellant did not commit any criminal offences. The Appellant did not engage in any anti-social behaviour.

(2) WHETHER THE APPLICANT CONTENDS THAT THE INVOLVEMENT HE ADMITS,WAS IN FACT WITHIN THE LAW, IF SO WHY

Please see above.

(3) WHETHER THE APPELLANT AGREES THAT ANY OF THE RAVES DID OR COULD HAVE CAUSED DISTRESS TO LOCAL RESIDENTS BY WAY OF NOISE OR MOVEMENT OF PERSONS PARTICIPATING IN RAVES

The Appellant can only comment on his own behaviour and he refers the court to the fact that he himself has not acted in an anti-social manner. He has not been arrested for any criminal offences.

The Appellant accepts that such events could cause noise nuisance but he is adamant that he did not organise or supply equipment for any of the events cited in the Respondent's application.

(4) WHETHER THE APPELLANT AGREES THAT A PREMISES LICENCE WAS REQUIRED FOR EACH RAVE

The Appellant will state that he believes that no licence was required for Millmarsh Lane as the premises were being occupied and treated as a home due to a section 144 LAPSO notice being displayed. The building was being used as a home and not as a commercial building.

The Appellant will also state that as the building was being occupied as a home then no licence was required for a private house party.

(5) WHETHER THE APPELLANT CONCEDES THAT FOR ANY OF THE RAVES IN WHICH HE WAS INVOLVED, WHETHERBY HELPING TO ARRANGE OR BY PROVIDING SOUND EQUIPMENT HE BELIEVED THE EVENT TO BE A LICENSED EVENT AND THEREFORE WAS AN INNOCENT SUPPLIER OF EQUIPMENT,AND IF SO FOR WHICH RAVE OR RAVES IN PARTICULAR.

The Appellant will state that he supplied equipment on one occasion only, in good faith to what he believed to be a private party. He did not attend the premises beforehand and therefore did not know the equipment would be used at a different place. The Appellant will state that his equipment was restored to him by police after they concluded he had no part in the event and had innocently hired out his equipment. The event the Appellant is referring to is Falcon Road.

The Appellant on no occasions cited in the Respondent's bundle hired out any sound equipment, audio equipment or organised any rave in the London Borough of Enfield on the dates cited in the original application.

PROPORTIONALITY:

The Appellant will state that the current ASBO was imposed by the District Judge after the police had failed to establish that the Appellant had engaged in any acts of anti-social behaviour.

The Appellant will also argue that the Respondent could not establish that the Appellant engaged in any illegal acts. The Appellant will state that the Respondent could not establish that any of the events cited came within the definition of an illegal rave as defined under section 63 of the CJPOA 1994.

The Appellant will state that the ASBO has significantly impacted his ability to run his Entertainment Company and also his future plans to hold an open air festival. The ASBO would significantly prevent his ability to apply for licences to run out-door festival events. No other entertainments company is subject to the same due diligence when hiring out equipment.

The Appellant will argue that the terms of the ASBO are too restrictive and the geographical restriction too broad, being that the ASBO was put in place for the whole of the UK. Also that the ASBO conditions have never been defined, and due to this does not know what he is allowed to do and what he is not, due to how broad the conditions have been set.

The Court did not take into consideration the fact that the Appellant was made subject an interim ASBO and the duration was not reduced accordingly.

The Appellant will argue that the court was wrong in principle in granting the original ASBO application as the Respondent made the original application based on the Applicant being involved in illegal raves. The Respondent did not establish this at the initial hearing and the District Judge erred in granting this ASBO.

The Appellant questions the facts of their being so many inconsistencies contained within the police statements, as can be recognized by so many irregularities that he knows that he has not committed nor has he had the right to challenge under the criminal justice acts.

The Appellant feels the need to defend his legal rights against such allegations of illegal statements and so many irregularities within the case put against him, made by police officers against himself the same as he would if the allegations were made by any member(s) off the public such as offences off (organizing illegal raves) In the understanding of civil and criminal law.

The Appellant has learnt in the understanding off all criminal cases were some think is alleged to have taken place that is said to have been illegal the correct Police procedure in them circumstances is that a crime will be created under the crime and disorder act 1998 by way of a victim or witness making a report then members of the police will be allocated to the incident and start investigations depending on the matter of relevance to the initial report to the resources available at the time.

The investigations may lead to an arrest what will lead the detainee to his or her statuary legal rights.

If charged any persons rights are gained under section 24 and 25 which does relate to the rights of any person charged and the minimum standards of criminal procedure. But my case seems to sit in it civil capacity at court with none of the above regulations and my rights being carried out in accordance of the United Kingdom laws; please can you explain this to me?

It has been noted and said by PC. Parcel that the Applicants is known for class A drugs and or supplying drugs this was proved not to be true as can be read in a copy of the magistrates court transcripts and that of the district judge agreeing to take no weight in such statements, why has this not yet been deducted?

The Appellant feels as if he is now left with not understanding, with what has been proven against him and what he needs to prove for his appeal. As the conditions he is prohibited from doing is all for illegal raves and illegal raves were not proven.

It is unjustified also that The Appellant's name has been slandered in the metropolitan police website, stating that he was given an ASBO for organizing illegal raves, when the case for the ASBO was not proven for organizing illegal raves.

The Appellant understands that it was proven, that he had acted in an Anti-social manner, to which if justice profiles he intends to prove his innocence at his appeal.

The Appellant address was put into the metropolitan police website stating that illegality had been proven in the case of illegal raves, which the prosecution rest there case upon. It has also been stated that The Appellant is well known for organizing illegal raves in Enfield and across London, to which he has never been arrested for any think of that nature or been found guilty off.

- http://content.met.police.uk/News/Man-given-a-five-year-ASBO/1400033211719/1257246745756

This has led him to having his life turned upside down. He has had his name put into all the local newspapers, stating that he has been found guilty for illegal raves when the judge clearly stated that no illegality had been proved.

This has led The Appellant health, to being effected in a negative manner. He was already ill before this case started due to other allegations made by members of the police, and what the police have done over many years, not only to The Appellant but his whole family, there has been many complaints put into the police, due to the way they treated and intimidate him and his family over many years, there is only so much a person can take and The Appellant has taken so much over the past 20 years from the police. He is not coping any longer and he thinks the police wanted this, they knew he had hopes with what he wanted to do with his life and the way the police could hurt him was by taking his dreams away, of ever doing anything that he had dreamed of doing.

The Appellant will state that he has attempted to engage in legitimate business activities and he has been spurned at all attempts by the Police.

The Appellant has designed a business plan, created a website, researched and developed a proposal for an open air licensed festival.

The Appellant feels that there is so many irregularities within the case bundle that this should be invested and feels without this being done he will not stand a fair trial.

APPEAL AGAINST THE IMPOSITION OF AN ASBO - 26TH SEPTEMBER 2016 AT 10:00 AM

To whom it may concern

I am writing this letter due to concerns of non-disclosure: -

The reasons of concern are as follows:

1. Since the start of the Asbo dated 12th September 20141 have been explaining that the respondents application of an Asbo order should not rely quote "That a case should not rely solely on hearsay" as mine seems to do by police officer's with no witness present in court as I request to be, so that my barrister can question the truth of their statements and even further to the matter of witnesses I raise the concern of Most of the 999 intelligence calls being hearsay any case, reported by third party person and therefore does carry less weight in any sense.

2. I also want to show the true facts of the case as for I am the one who is suffering because of un true cut and paste facts that represent the basics of the respondent case and that singed evidence being amongst other fabricated statement such as police statements with different annually incident dates but numeric order URN numbers,

3. I understand that a lot of the matters that should be dealt with at court will be but only if the disclosure that the judge ordered is served in time for appeal.

4. I still urge for a speedy and fair trial: and feel that when a judge asks the respondent to reply by a set date such as the 1/08/2016 as the judge has ordered to happen it should.

5. The respondent should do so within the time duration as dated 01/09/2016 and agreed by the judge and then received with the correct response, as has not happened.

6. I have been awaiting the reply since 24/02/2016 from an ongoing civil application that is dated 13th August 2014 so to be able to have a fair trial up and till date.

7. After waiting on the 01/-9-2016 with no response I waited till the 2/09/2016 and telephoned the respondent I spoke with a lady called sally gill Hurst, she states that she has served some paper work to my solicitors at the beginning of august a month prior, after finishing our conversation I contacted my solicitor she explained to me that she was away on holiday and that I must wait till she gets back on the 6th September 2016.

8. I again put the phone down and called my solicitor firms office to see if any paper work had been served to be told no.

9. On the 8TH August I spoke with my mother who explained to me that she had been in contact with my solicitor and that I would be reviving a letter to sign to be sent to Sally Guilchurst.

On receiving this letter, it raised the following concerns.

1. The paper work has not been served in time.

2. In a preliminary hearing so to be ready for the appeal the judge ordered this to be achieved.

3. The respondent has had another 6 months sine 22/02/2016 from the start of the on goings as dated 13/08/2014

4. We are now in 08/09/2016 the appeal is on the 26/09/2016 this leads me to the concerns of once again the case being postponed, as it has already been ten times before.

5. I have handed in two articles Six regarding mine and every person's rights to a speedy and fair trial, with issues of my concerns referring towards a multitude of my human rights being breached, because of the on goings in the ASBO proceedings that do draft clear corruption and fabricated evidence, with myself asking for the case to be investigated and the correct paper work to be served in accordance to my response to HHJ Pakared.

6. Yes, my instructions are clear I did not organise any illegal raves or provide any equipment with an intention of holding an illegal rave and surely did not cause any Anti-Social behaviour on the dates sighted, this is also to include Mill Marsh Lane with no exception.

7. Yes, in some I am visiting my friends who are or where homeless at the time.

8. The legal technicality, to i.e. absence of trespass that does not prevent parties from being held in accordance of the law, I do agree may lead to a standalone anti-social behaviour order being granted if a person commits a public order offence, to which I did not cause as I was not organiser neither did I take part in the organisation of the party or did I commit any civil or criminal offence.

9. In any one un-regular occasion over the duration of the weekend I can; A. understand the noise nuisance and distress to neighbours this can cause if the allegations were to be true and not fabricated by police as I can prove. I was not the organiser of the event.

The case is based on what the respondent based it upon and in my case, this is the Organisation of Illegal Raves not the organisation of raves: -

1. So, I proved that indoor parties are not illegal unless there is a breach of the licensing act 2003 as this is the law for entertainment.

2. That the word rave cannot be used by law in a building; such as it has within my case as for sure section 63 requires key elements, one being of the nature that "tress pass must have taken place in private Air" as clearly is not the situations in None of the incidents that I have been found guilty of and now the conditions being imposed upon my statue.

3. I proved that I was not the organiser to the events as I was not.

4. That I never took part in any anti-social behaviour or intended or encouraged any other person to neither.

5. Anti-social behaviour was not clearly caused as a result of the Progress Way by myself or my actions as I was only a visitor who never cased any offence.

I feel any legal professional should have the truth and my best interest at heart
and if any person Knows a police officer to be caught for being corrupt for the evidence that they have supported so that a human being faced a wrongful convection of any sort that they should encourage them to stand up for what is correct and right.

The response I made was already served on the 22/02/2016 and the Judge ask for the respondent to answer them questions by the 01/02/2016 and the respondent refuse to do so.

I do insist for the challenges to be answered as it is my life that has been tarnished for wrongful civil proceedings.

I feel that the meeting with my barrister has been left to the last minute to no fault of my own I have been requesting this to be accomplished in a multitude of emails well in advance to the date that has now been made a few days before appeal.

I do not see how the case will not get re listed due to lack of late disclosure to be quite frank due to no fault of my own but still at my life's expense.

I do not feel that it is right or fair that I am being encouraged to go to appeal and my requests to the respondent not being replied to in time, that I believe will prove my innocents and will also clearly draft out the police corruption and wrongful conditions that I know have been imposed on myself.

All Legal professionals should work in Co Hurst towards the understanding of noun precedent in relation to the weight of any evidence put towards a client.
I am concerned about the case relying sole on hearsay by police. Is this correct in procedure?

I do also understand and take note from the respondent's bundle that all resident parties contained within, were held on single occasions and in places of residence and where not held as a running commercial business by the occupiers or by myself to my knowledge. This has leaded me to read that any person is entitled to have **a house or resident party in private air under** the **licensing act 2003 or where** they reside. To my understanding each accused incident in the respondents bundle **is** a place of residence and was in fact different people holding their own private parties at their places of residence.

Aloe there may have been complaints in regards to issues of concern about them house parties I was not the occupier to any of the accused locations; neither was I the hirer of equipment and surely not the organiser.

I was establishing a hire company around the dates of the accused events and have provided evidence of the work I had been committing myself to. I was not trading at the time and whenever hiring out equipment I do with due care and responsibility, however I do not accept responsibility for other people's actions when hiring out such equipment in good faith. I do take legal action for any persons when breaking my terms and conditions. I do not hire out equipment to any person without being in the constraints of the law and in good business practice or without the correct ID.

On one occasion I did hire out a sound system in good faith on a pro bono basis, this being of the understanding that no laws were being broken and as an Ltd

company acting responsible. I know that I should not be liable for them persons actions when hiring out equipment and having the correct protocols in place as I clearly do.

I do not feel that it is right for the respondent to obtain criminal punishments such as section 63 of the Crime and Disorder act 1994 and for that section to be then imposed against my freedom of movement & other Human Right

that have been breached by being pro-claimed under wrongful civil proceedings, as I have now suffered to a multitude of incorrect procedures, legalisation and wrongful claims that I have occurred, for instance I have no previous nurtured offences of a similar sort as required by law when applying a standalone Asbo on a person's statue, as I do feel I should have. Also, the case has made me feel that I have not had the right to challenge the allegations under a true Criminal investigation, especially when referring to the Organisation of Illegal Raves as the respondent has clearly headlined the offence to be.

I also have the listed concerns of: -

1. I understand that the correct protocols for the offences I am being accused of should be carried out in a manner to be of a high professional standard as required by law, so for me to be able to defended myself.
2. I am therefore not happy with the issues of police corruption not being addressed, by all legal persons, as I know I cannot stand a fair trial or appeal without them issues being rectified first.
3. I have suffered since 2014 for conditions that have been wrongful imposed upon myself and still awaiting an appeal.

1.1 Me and my acting solicitor drafted a letter requesting the respondent to remove any CADS that have been placed in the Asbo bundle, as I understand that the cads are already inputted incorrectly, leading to the further understanding that I could not have and did not commit the alleged offices that I have been accused of as a fast majority of the other CADS contained within the application are incorrect and them cads do have some blocked out context; such as the Att Locations that are redacted and the intelligence reports grid references do state Crown road and other locations such as Hardy Way, on the same day as progress way so I could not have committed as I could not be in two places at once.

1.1.1 However, I am even further worried about CADS such as all the listed and any in the format such as fully retracted where know person can or is able to see the true CAD intelligence in regards to the wrongful fabricated claims being held against my person, so for all to be able to see the truth.

1.1.2 I do believe when all CADS do get retracted and un blocked then that will help any barrister and put them in a better position to defend me, so for all Cads and pages in the Asbo application being served in an un edited format and

so, for myself to understand the truth, to why the conditions have been imposed upon myself since the Asbo's on goings.

2. I am also seriously worried about the reasons why the case has taken so long with all the evidence I have supported towards my innocent plea, such as: -

2.1. The incorrect time stamps.

2.2. The facts of the conditions of law relating to a section 63 of the crime and disorder act being imposed upon myself for wrongful claims of myself holding indoor house parties without tress pass taking place and no truth or evidence of myself causing anti-social behaviour.

2.3. The Events that I am being accused of no police officers have gone and spoken to any land lord's or owners.

2.4. There has been no evidence of a breach under the Licensing act 2003.

2.5. No proof of organisation being present against myself.

2.6. There is also the matter being of; all incident that are in the Asbo application with particulars to them members of the police involved, not having 101 books that are time stamped for them incidents and I once again would like to request them.

3. In relation to all cads that do have a grid number of 53491,196790 and or Att location of Crown road I request that the police officers involved in attending that incident attended court so to be able to prove that what Pc Elesmore stated to the Judge at the magistrates court on the date of trial to obtain a guilty plea against my person, not to be creditable in any weight, that being of all the statements that he made that are contained in a copy of the magistrates court transcripts on the day of trial, which does quote him saying that: When making the Asbo application and redacting any intelligence he was sure that all event on the 7th 8th June 2014 was in fact 100% progress way and that he was sure that there was no other parties / events in the borough on them dates.
I intended for my acting barrister to be able to use a copy of the magistrate's court trial transcripts on the date of the appeal.

I also request the incorrect statement regarding that I am knowing for class A drugs to be removed as it is also incorrect.

Kind regards
Simon Cordell

26/09/20 16

Your Honour

As you were made aware at the mention hearing on the 22/09/2016 there is inaccurate data being held in my sons Simon Cordell PNC record, there are also errors in police officer's statements regarding my character within the Respondent case.

I was very concerned that a court has once again been able to see this inaccurate information and when made aware of the errors did nothing to rectify them.

I called a helpline on the 23/09/2016 and explained about the inconsistencies on my PNC and the errors in the police officers statements I was informed the ICO could address this matter while the case was still being heard and was told to put a form of concern into the ICO. I have now done this and believe you needed to be made aware.

I believe my son's reputation has been diminished in this court and previously in the magistrate's court and am under the assumption this is a beach of my son's human rights, am I correct in my assumption?

My son when this case started was refused legal aid; this was overturned by a judge sitting at the lower court due to these facts. The importance of what is at stake, the complexity of the case, the capacity to represent himself effectively. On the 21/09/2016 when you removed my son's solicitor from record the protection above was removed, you are aware my son cannot read and write effectively to deal with this trial.

At this stage I would also like to draw your attention to your letter that was dated 22/02/2016 and section 4

> **"4/ The Court will not and does not accede to any application for the Appellants Solicitors to come off the record or to cease acting for the Appellant Such an application was dismissed by His Honour Judge Morrison on the** 19th **February** 2016. **If any attempt is made to repeat this application the Court will require it to be made in person by the Senior Partner of Michael Carroll & Co"**

On dismissing the solicitors who was acting for my son and not allowing them to be replaced I believe his rights to a fair trial were removed at this stage.

Guide on Article 6 of the European Convention on Human Rights

Effectiveness of the legal aid granted:

66. The State is not accountable for the actions of an officially appointed lawyer. It follows from the independence of the legal profession from the State *(Staroszczyk* v. *Poland*, **§ 133), that the conduct of the defence is essentially a matter between the defendant and his counsel, whether counsel is appointed under a legal aid scheme or is privately financed. The conduct of the defence as such cannot, other than in special circumstances, incur the State's liability under the Convention** ***(Tuzinski*** v. *Poland* **(dec.)).**

67. However, assigning a lawyer to represent a party does not in itself guarantee effective assistance *(Sialkowska* v. *Poland,* **§§ 110 and 116). The lawyer appointed for legal aid purposes may be prevented for a protracted period from acting or may shirk his duties. If they are notified of the situation, the competent national authorities must replace him; should they fail to do so, the litigant would be deprived of effective assistance in practice despite the provision of free legal aid** ***(Bertuzzf*** v. *France,* **§ 30).**

68. It is above all the responsibility of the State to ensure the requisite balance between the effective enjoyment of access to justice on the one hand and the independence of the legal profession on the other. The Court has clearly stressed that any refusal by a legal aid lawyer to act must meet certain quality requirements. Those requirements will not be met where the shortcomings in the legal aid system deprive individuals of the "practical and effective" access to a court to which they are entitled *(Staroszczyk v. Poland,* **§ 135;** *Sialkowska v. Poland,*

/

§ 114 - violation).

I am no lawyer myself and I am trying to go through the human rights act which is a very long document and extremely difficult to understand.

You were also aware my son and I have been working from older bundles and ordered the solicitors who were acting for my son before they were removed from record on the 21/09/2016 by your honour to pass the correct bundles to us. Upon seeing these bundles, it has come to light that there are statements we have never seen before this date and never have seen them before the trial of the lower court. I am not sure if these statements have been added after the last trial when the appeal was applied for or if my son's last solicitor has had these statements and they were not given to us. I do know they are dated before the last trial took place. How was my son ever meant to have a fair trial without having and seeing all the documents within the case against him?

Upon also looking at my son's own bundle the barristers were using for this Appeal there were many documents missing from this bundle that I have had to take time to update this bundle to the correct version with all statements included as there were no statements in there and other documents, it was not even indexed, How was the barrister even meant to have dealt with this Appeal with so many documents missing.

The police have targeted my son and family for many years mostly being Simon Cordell, and I believe they have pursued a malicious prosecution against him also trying to include his brother's name in this case, this can be proven.

The Magistrates court hearsay rules 1999 do not apply to the crown court.

The defence do not accept that the Respondent has relied on the correct legislation to apply under the hearsay rules. In any event the Appellant requests that the Respondent call the witnesses who made CAD entries for cross examination.

It is neither professionally appropriate nor suitable for the Appellant to call police officers and question their credibility, as proposed by the Respondent through their application under the Magistrates Court Hearsay Rules.

The Appellant submits that questioning the credibility of one's own witnesses would not be permitted by the court. The Respondent has put forward no good reason for why these witnesses cannot be called. As to say it is not in the interests of justice to do so.

Burden of proof and standard of proof are set high in this appeal case and you must find to be satisfied beyond reasonable doubt that the respondent case can be proven to the criminal standard in every aspect of the prosecution.

I do not feel the Respondent application bundles could ever prove beyond reasonable doubt that the Appellant my son was concerned in the organisation of illegal raves / provided sound equipment for illegal raves.

The Appellant my son and I is still not even sure what he is meant to be defending in this case and this has been asked many times for this to be explained. Even the Respondent skeleton argument bundle has had the word illegal removed from it case, but the definition of the word rave does make this illegal and this can clearly be seen from the Respondent original application bundle.

The inaccurate data that is within the Respondent original application namely my son's PNC and statements of police which is relied on in the Respondent original application bundle, the large concern that the Respondent has refused to unedited the CAD's and intelligence reports they rely on in their original application bundle, why there was a need to update original intelligence reports, why no CAD reports was included for the 6th June 2014 in the original application, why there are so many missing CAD's, why the police refuse to admit in the lower court that CAD's they had in their original application bundle clearly relates to an illegal rave in Crown Road and CAD's from that have been placed in the Respondent original application bundle. (Please see freedom of information request to Enfield council in the Appellants bundle page 274 to 284 which clearly shows this) why they refuse to disclose information held on the police public order unit Scotland Yard systems and why Steven Elsmore did not ask DS Val Tanner from the police public order unit in Scotland Yard to write a statement after he spoke to her

why Steven Elsmore deleted emails that was sent to DS Val Tanner and received from DS Yal Tanner and he only felt the need to do an updated statement dated 26/06/2015 in regards to this what did he ask DS Val Tanner and what was he told?
Why a statement was never asked from, from DS Chapman of the public order unit Scotland Yard who when he spoke to Miss Lorraine Cordell on the phone checked their system and told Miss Lorraine Cordell that Mr Simon Cordell name was only listed on their systems once and that was the day he was arrested on the 19th July 2014, so how Steve Elsmore can put in his updated statement that the public Order Unit hold no information about Mr Simon Cordell and Enfield is beyond me.

Why there are no pocket books of any police officers in the Respondent original application bundle.

Why the Respondent original application that we collected on the 23/09/2016 from the solicitor's officer that was served by the Respondent in January 2016 to the court and the solicitors office, that we kept asking for from the solicitors and never got, has updated statements we have never seen dating back before the trial in the lower court.

In a letter you wrote on the 22/02/2016 you asked the Respondent in section 5 (Please see below) this has never been done and we have never received this information by the Respondent.

> **"*51* The Respondent is to serve by the 4th April 2016 a hearsay notice identifying by reference to pages of Bundle R what hearsay it wishes to rely on and why it should be admitted in evidence"**

The abuse of process is a great concern in regarding the Appellant's right to a fair trial.
The evidences brought against the Appellant are not credible enough to prove the Respondent's application beyond reasonable doubt

Prosecution's failure to prove the Respondent's application will entitle him an acquittal from Respondent's application.

At this stage I ask Your Honour to discharge acquit this Appeal case for an anti-social behaviour order (ASBO) in favour of the Appellant Mr Simon Cordell, and if this cannot be done the case be adjourned until matters in this letter are addressed and the Appellant Mr Simon Cordell can have a fair trial, but the conditions he is on for this ASBO removed.

Yours Sincerely

Miss Lorraine Cordell

To whom it may concern

Issues of concern:

Local Authorities and Metropolitan Police Consultation that was in Regards to the Applicant

On the 13th of August 2014 the local authority and the police held a consultation meeting in regards to the Appellant and reached a decision to be taken in the matter of a stand alone Antisocial Behaviour Order (ASBO) order to be placed upon the Appellant Statue of Liberties.

An anti social behaviour order (ASBO) (2003) is / was a civil order made in the United Kingdom against a person who has been shown, on the balance of evidence, to have engaged in anti social behaviour.

The order was introduced by Tony Blair in 1998 with the legal frame work and protocols to create a successful Antisocial Behaviour Order (ASBO) application. Within the Antisocial Behaviour Order (ASBO) guidance it states Voluntary solutions and other remedies should be considered by the pursuant, prior to the multi agency working together in Co-Hurst at a statutory conference, regarding any application.

Any of the following voluntary solutions and alternative remedies should have been considered and then implemented, prior to an application for an Antisocial Behaviour Order (ASBO) being considered but was not;

1. Mediation: -
2. Verbal and written warnings from the relevant authorities including Police: -
3. Support Packages: -
4. Diversionary schemes and activities: -
5. Rehabilitation programs: -
6. Criminal investigation: -

The above list is not exhausted to its limits.

At no point of time has the applicant been given any of the above listed opportunities, neither has he been asked to attended any official meetings prior to this Antisocial Behaviour Order (ASBO) application and this should have been the opportunity to talk to him about a pre-warning or other actions that could have been taken.

Please also take note to page number 15 (taking a strategic approach) which clearly states: “The more serious the behaviour, the greater the likelihood that the court will grant a geographically wide order, order’s that seek to operate in the whole of England and Wales will not be granted without evidence to the actual or potential geographical extent of the problem. Further detail about further effective prohibitions is given in Chapter 7.”

For the applicant legally to have any conditions imposed, of such a wide scale of areas with out correct proof to that extent, is another breach of applicant’s human right’s. The Antisocial Behaviour Order (ASBO) that was granted in the lower court upon the applicant is wrongly executed for the whole of the UK.

Section 63 of the Criminal Justice (Raves) Bill and related Act: -

The Criminal Justice and Public Order Act 1994 is an amendment to the Raves Bill and states the following: -

Section 63 Powers to remove persons attending or preparing for a rave.

(1) This section applies to a gathering on land in the open air of 20 or more persons (whether or not trespassers) at which amplified music is played during the night (with or without intermissions) and is such as, by reason of

its loudness and duration and the time at which it is played, is likely to cause serious distress to the inhabitants of the locality; and for this purpose: -

(a) Such a gathering continues during intermissions in the music and, where the gathering extends over several days, throughout the period during which amplified music is played at night (with or without intermissions); and

(b) "Music" includes sounds wholly or predominantly characterised by the emission of a succession of repetitive beats.

(1A) this section also applies to a gathering if: -

(a) It is a gathering on land of 20 or more persons who are trespassing on the land; and

(b) It would be a gathering of a kind mentioned in subsection (1) above if it took place on land in the open air.

In Reference to Section 63: -

As noted in the highlighted copy of a Section 63 above and then in reference to take the correct notes about the fundamental basics of the building blocks of the Antisocial Behaviour Order (ASBO) application that has now been brought against the Appellant, will in fact reveal that all incidents that are sighted within the case bundle are of incidents when a person(s) personal living quarters, was or is contained in a building otherwise known as a place of residence, this key element mentioned and noted does play a vital factor in the on goings of the case at present, as for sure trespass must be present for a gathering to amerce in a building this must also be inclusive of 20 or more persons, so for any officer or official person(s) to be confident of there evidence supporting the incident's in question, so for them incidents to constitutes to the word rave.

Within the respondent's bundle, that is representing an Antisocial Behaviour Order (ASBO) order, no police officers chose to follow the true lines of investigation that is needed to fulfil the key elements to obtain such an act, against the Appellants statue of liberties when using section 63 of the criminal and justice act 1994 and therefore the word rave cannot and should not be met to the criminal standards needed to obtain a Proven verdict.

The investigating police officers had ample opportunity to achieve such goals, but never did and therefore it must be agreed to the quoted, this case does not meet the criteria for the incidents accused within its context and supported evidence.

This clearly leads to the Fraud Act 2006 by abuse of position: -

(1) A person is in breach of this section if he—
(a) Occupies a position, in which he is expected to safeguard, or not to act against, the financial interests of another person,
(b) Dishonestly abuses that position, and
(c) Intends, by means of the abuse of that position—
(I) To make a gain for himself or another, or
(ii) To cause loss to another or to expose another to a risk of loss.

(2) A person may be regarded as having abused his position even though his conduct consisted of an omission rather than an act.

Issue of the Word "Illegal being Used: -

The second issue is the terminology regarding the word "illegal" the word Illegal also raises concerns of issues relating towards what the respondent's case has been brought in motion for, all of the accused incidents that the respondent has alleged I took an organisation (role / or supplied equipment in, do in fact relate to the entertainment industry, what is governed under the licensing act 2003.

As previously stated in this letter of concern, all incidents sighted in the Antisocial Behaviour Order (ASBO) application do in fact relate to indoor private events and trespass has not been investigated under any police

officer's codes of conduct, neither does the CPS challenge or dispute this fact, so there is no argument to the issue of illegality under the trespass grounds.

This only leaves the licensing act 2003 having to be found in breach to prove the word illegal in the entertainment industry when a police officer is in pursuit of a case relating to the investigation of the organisation of illegal raves, as the respondent and officers have pro claimed it to be.

When reading a copy of the licensing act 2003 as amended on the 7th January 2013 for the processes of creation of an investigation or defence towards a persons rights, any person doing so will have to take note to appendix four of that Act, which clearly states it is not illegal to provide any entertainment within a back garden or place of residence, in fact the only clause relating to in private air is that no person shall have the right to charge for money with a few of making a profit and if a profit is made without true intention then the licensing act 2003 has no breach, with this full and whole understanding I believe that any person will agree that the respondent does not have the right to base there case on the fact of organising an illegal rave as no illegal concept has been adduced to be proven.

Issue's of the Word "Illegal being Used: -

As a third concern regarding the issue of the word "illegal being used does also make me take reference to the following:

From the early stages of the application the Appellant felt the need to defend his legal right's, as any other member of united kingdom and associated treaties should also do, this being said to be leading towards the wrongful accusations against any illegal allegations off criminal nature that any person(s) find themselves in defence towards, that any person(s) know they have not committed, neither am I in the wrong for just simply not understanding the crime I am being accused of but still playing a role in such criminal activities in turn as a figure of speech being blind towards my own actions and there consequences, such as the incident that have clearly been contained within the Antisocial Behaviour Order (ASBO) application.

I know it would be morally wrong for me not to stand up and quire this matter myself as for I know the true facts, as I know this case should not be sitting in its civil capacity, when it clearly states an offence of an illegal natured concept this is a breach of a multitude of my human rights and should be managed under criminal legalisation and regulations in a criminal court, especially with out no previous history of similar natured offences being present and this is also inclusive of no pre remand warnings ever being issued. In the understanding of civil and criminal law, were some think is alleged to have taken place that is said to have been illegal the correct Police procedure in them circumstances is that a crime will be created under the crime and disorder act 1998, in pursuit from the police reforms act 1964, by way of a victim or witness making a report to police and then for members of the police to be allocated the incident in hand so for them to be able to start any needed investigations, this does also depend on the matter of relevance to the initial report and will be risk assessed and graded apriority to the listing to the resources available at the time.

The investigations may lead to an arrest what will lead the detainee to his or her statuary legal rights. In the early 1980's the police did have the power to take cases to court without the decision of any other governing body, but now in 2016 the burden relays solely on the CPS who are in collaboration with Revenue and Customs Prosecution Office and is headed by the Director of Public Prosecutions (DPP) who is independent but subject to the superintendence of the Attorney General that is accountable to members of Parliament that do work for the prosecution services. If charged any person's rights are gained under section 24 and 25 which does relate to the rights of any person charged and the minimum standards of criminal procedure.

An issue I raise is my case seems to sit in it civil capacity at court with none of the above regulations and my rights being carried out with accordance of the United Kingdom laws; as it clearly is stated as an illegal offence, I ask please can any person explain this to me? As I have no previous convictions of similar nature offence, neither was the Antisocial Behaviour Order (ASBO) application a CBO, Antisocial Behaviour Order (ASBO) on conviction, it is in fact a stand alone Antisocial Behaviour Order (ASBO) and the legal guidance is for the application not to be based upon criminal natured activities.

Before I continue with the principles of the respondent's case which has been educed with the title of "the organisation of illegal raves, so to highlight the true aspects of the legal definition needed to be met in reference

towards "the role need to be proved to the criminal standards so for a judge to impose a Proven verdict in relation to organising"

National Standards Incident Recording Regulations: -

I would first like any reader to have a full understanding of the knowledge needed to be addressed at this point of this complaint in reference to the "NSIR" what is the national standards incident recording regulations that are governed under the Regulation of Investigatory Powers Act 2000.

The NSIR does quote the following, when any state official is recording police information them procedures must comply in accordance with the national standards incident recording polices and them person(s) are to:

- Ensure that all police information is held in accordance with the law
- Support all correct decisions that are made through the intelligence process with utmost respect for "Vision and Purpose Statements for Crime Recording (NCRS & HOCR)" what are in respect to the Home Office Counting Rules for Recorded Crime.
- Provide a fair an auditable decision-making process.
- Corroborate all related and interlinked information.
- Allow all information to be shared in compliance with the data protection Act 1998 and Regulation of Investigatory Powers Act 2000.

Policing Values:

The College of Policing "Code of Ethics" set out nine explicit values that are intended to ensure standards of professional behaviour for both police officers and police staff:

1.	*2.*	*3.*	*4.*	*5.*
Due responsibility with issues of Openness	***Due responsibility with issues of Integrity***	***Due responsibility with issues of Accountability***	***Due responsibility with issues of Respect***	***Due responsibility with issues of Leadership***
6.	7.	8.	9.	
Due responsibility with issues of Fairness	Due responsibility with issues of **Selflessness**	Due responsibility with issues of **Objectivity**	Due responsibility with issues of **Honesty**	

CPS REVIEWING OF CASE FILES: -

Duty Prosecutors must apply the Code for Crown Prosecutors when reviewing any case received from the police, and continue to do so during the life of a case, to be satisfied that there is sufficient evidence to provide a realistic prospect of conviction against each defendant for each offence and that it is in the public interest to proceed.

Crown Prosecutors must also consider any human rights issues that arise.

The Joint Performance Standards: -

Standard 1 – Police will undertake an effective, early investigation to reduce use of pre-charge bail: -

Standard 2 – Police will obtain 'key evidence' before referral to a prosecutor for a charging decision: -

Standard 3 – Police will themselves charge or NFA cases in accordance with the DPP's Guidance on Charging: -

Standard 4 – CPS will provide an immediately accessible service for the telephone referral of cases: -

Standard 5 – CPS will ensure early face-to-face consultations are provided for serious, sensitive and complex cases: -

Standard 6 – CPS will ensure that charging decisions are consistent and in accordance with the Code for Crown Prosecutors and appropriate legal and policy guidance.

Police Personal Conduct: -

These values underpin all policing functions and in respect of police personal conduct and require all person(s) working for the police service to "behave in a manner, whether on or off duty, which does not bring discredit on the police service or undermine public confidence in policing" (See Standard 9 – Conduct). The Code explicitly states that complying with the National Crime Recording Standard (NCRS), which is the central rules from the Home Office that do comply with the Counting Rules for Recorded Crime (HOCR), is an example of meeting the standards.

Regards to NSIR Standards: -

With further regards to NSIR standards that do define any communication from any person to be otherwise known as a "CFS a caller for services" a CFS is any person(s) by whatever means of contact, about a matter that comes to police attention and which is required by the NSIR to be recorded. There are a number of minimum data standards to be complied with when recording information on an incident record:

- An incident unique reference number **(URN)**
- The time and date the report was received.
- The method of reporting.
- A clear and accurate time and date the report was recorded.
- Details of the person making the report (name, address and telephone number)
- Sufficient information to describe the location and nature of the report.
- The opening and closing category.
- Also, the Time and date of initial and closing classification.

Contained within the respondent Antisocial Behaviour Order (ASBO) application I take a problem with there being no URN numbers to a vast amount of the official documents contained within the respondent's bundle.

The Prosecution Team Manual of Guidance For the preparation, processing and submission of prosecution files 2011 (Incorporating National File Standard 2015) also states the importance to case files URN numbers and continues to quote the following: -

UNIQUE REFERENCE NUMBER ("URN")

1.3.1

A URN must be allocated to a case file at the earliest opportunity to allow tracking and monitoring of the case where possible. This process should start at the CPS pre-charge advice stage where the URN will be recorded on the MG3/3A.

1.3.2

When completing a case file, the URN must be entered on all MG forms. The endorsement of the URN on each page of each form ensures that if material becomes separated from the file, it can be easily identified and maintains continuity.

1.3.4

Allocating a URN for case files involving multiple offences and/or offenders will need to be closely monitored to avoid duplication. Specific guidance on when and how these case files should be numbered is contained at 2.4 of Section 2. This includes obtaining guidance from the CPS regarding the splitting or merging of case files.

2.4.2

General Principles Charges for any offences may be included in the same file with the same Unique Reference Number (URN) if those charges:

(i) Are founded on the same facts, or: -

(ii) Form, or are a part of a series of, offences of the same or a similar character. As a result, case files containing charges which are not linked in either of the ways mentioned above will need to be split into separate files, each with a different URN.

Organisation: -

In dispute to the Organisation role in the respondent's pursuit for a convection for organising illegal raves, the applicant has not adduced no evidence in support of such a claim, I submitted a plea of innocents as for sure I know that I am innocent and because of that reason, there is no truthful evidence relating to the wrongful accusations that I find my self defending my character towards, this case leaves me every day of my life knowing that I never organised any event sighted in the respondent bundle leaving me suffering the consequences and if the allegations were true I believe the police intelligence would be able to prove some of the following as they have not got the following:

- No evidence of flyers,
- No evidence of breaches of the licensing act.
- No evidence of promotion on Social Networking Sites
- No evidence of Sound equipment sited within the Antisocial Behaviour Order (ASBO) event dates being used for private reasons, neither seized under self commercial gain.
- No evidence of Video footage proving any origination or delegation roles.
- No evidence of forensics.
- No evidence of trespass.
- No evidence of Voice recordings.
- No evidence of a past duration of time, relating to any arrest of my person of a similar natured offence.
- No evidence of and therefore a complete absinth of first hand oral evidence of victims.
- This complete absinth also includes no police PNB note books, for all dates wrongfully accused and sited within the Antisocial Behaviour Order (ASBO) application.
- Not to forget the complete disappearance of all CAD related emergency 999 / 101 calls, that I am in pursuit of disclosure towards, that do relate to the audio voice recordings that have been said to have been destroyed by police, them emergency 999 / 101 call voice recordings are governed by United Kingdom and continental legalisation and Standard Functional Specifications for Law Enforcement Computer Aided Dispatch (CAD) Systems standards protected by communication standard operating procedures "SOP" and in all incidents should not be destroyed when they are part of an ongoing trial or appeal and this is to include, the commence of a Proven verdict otherwise known as a convection as them files should remain intact for up to 50 years after.

Hearsay I challenge the following points of concern: -

The respondent when seeking pursuit of the Asbo application that was applied at the lower court in conjunction to their powers, so for the respondent to educe an application notice of (Hearsay Evidence under Civil Proceeding) Rule 1999.
The applicant took dispute to the legal factors of such a hearsay notice and declined the application.
The reason for the dispute was and is that the respondent is relying on the whole presedent of their case solely being based on hearsay evidence, with no substance of first hand evidence and a complete disappearance of civil person(s) under oath supplying oral evidence, in turn no VPS witness, this does also include any other support of key materials that would aid in any convection as evidence.
The notice to rely solely on hearsay was put before the judge on the 11/09/2014 and 30/10/2014 to Highbury Corner Magistrates Court this was challenged but was allowed by the judge sitting at the lower court. How can anyone stand a fair trial when no witnesses can be called? And all of the civil witness statements, not being signed by the witness themselves.

Hearsay applications under the Magistrates Courts (Hearsay Evidence in Civil Proceeding) Rule 1999 to reply solely on hearsay within the Antisocial Behaviour Order (ASBO) application have been put in on the 23/02/2016, 17/08/2016 to Wood Green Crown Court for the appeal hearing, this was challenged, this also has been allowed by the Judge hearing the appeal case. How can anyone stand a fair trial when no witnesses can be called?

1. The truthiness and accuracy of the witness statements that are contained in the format of an MG11 witness statement form.
2. Also, the capacity the court sits in as for the Antisocial Behaviour Order (ASBO) proceeding sit in their civil capacity, but the respondent's application states an offence of a criminal nature such as the organisation of illegal rave, so for any person to understand what rules the case should really be imposed to so that the Appellant could stand a legal and justified fair trail cannot clearly be established, this is for the reasons as listed below.: -

Magistrates and Crown Courts have different regulations when the court houses are sitting in a true and fair civil capacity when at trial and appeal.

A criminal case as the respondent application clearly states it is, has a different views towards the rules of hearsay, than a civil case does and requires a section 9 or 10 to be educed into the case proceedings, if the section 9 or 10 requirements are not agreed by the Judge, or challenged by any applicant, due to a witness not given oral evidence in court, then the context of there statement holds less weight and may not be read out in court verbally aloud that is to say on its own, by any members of the prosecution and in turn becomes inadmissible in criminal cases, but under civil proceeding were there is no criminal element, then them hearsay rule do not comply and the Civil Evidence Act 1995 will in fact apply, in any ongoing proceedings that are in pursuit of an Anti-social Behaviour Order, the Civil Evidence Act 1995 rules should come into force and will allow the admissibility of hearsay without an exception other than a hearsay notice, because of the clear difference that is allowed in the proceeding of criminal and civil law relating to hearsay and the respondent's case being of a mixture of both laws, this leads me to the understanding that I could not stand, what must be a speedy and fair trial in respect to, The Universal Declaration of Human Rights (UDHR) 1948, the Human Rights Act 1998 (the Act or the HRA) and the European Convention on Human Rights (ECHR) 1953.

MG5: Police report

MG5 – CASE SUMMARY GUIDANCE NOTES
Any person being accused of an offence under the criminal justice public order act 1994 should be arrested and an mg5 case summery form should be filled out in accordance to code A of the pace codes of conduct.

The prosecutor, defence and court will then need to be informed about what happened when the defendant was interviewed and the guidance contained in the header to section 2 of the MG5 should be followed.

Where the suspect refuses to answer certain questions or to answer satisfactorily, after due warning, a court or jury may draw such inferences as appear proper under the Criminal Justice and Public Order Act 1994 sections 36 and 37.

In such circumstances section 2 on the MG5 should record that a no comment interview took place, special warnings were given (as set out in a - e below) and also record the questions that were asked following the warning. The exact words used should be recorded rather than paraphrasing.

For an inference to be drawn the suspect must be told, in ordinary language:
a) What offence is being investigated?
b) What fact they are being asked to account for;
c) This fact may be due to them taking part in the commission of the offence;
d) A court may draw a proper inference if they fail or refuse to account for this fact;
e) A record is being made of the interview and it may be given in evidence if they are brought to trial.

Orders on Conviction: -

An order comes into effect on the day it is made.
Will be of a CBO nature the provisions relating to the CBO are in Part 2 of the Anti-Social Behaviour, Crime and Policing Act 2014 (the "Act"). The provisions come into force on 20 October 2014.

The dates of the on goings of the Antisocial Behaviour Order (ASBO) **proceedings are listed below: -**

12/09/2014	A bundle is said too have been served by police on the Appellant at 109 Burncroft Avenue, to which he disputes. This Bundle is said to be for the Antisocial Behaviour Order (ASBO) Case, a letter of complaint was made and served to the police in regards to not being served with the full true details and the bundle still remains in Edmonton police stations lost property the receipt is in my mother's name as she found it out side my front door.
06/10/2014	The Appellant was meant to have a hearing for an interim Order but legal aid had not been granted. Michael Carroll acting solicitor came to court the judge overturned and granted legal aid. The application for the Interim hearing the judge would not hear due to my solicitors not having time to go over the case papers as legal aid was not granted at this point. The CPS and police were not happy about this. Hearing was put off until the 22/10/2014
22/10/2014	22/10/2014 Interim hearing could not go ahead due to Andy Locke Acting Barrister had a flood at his home address. CPS and Police were not happy about this and wanted it to go ahead. Judge told them it is not down to the Appellant he has attended court and rightfully he should have a barrister. Interim hearing was put off until the 05/11/2014

As can be seen from the details above the Antisocial Behaviour Order (ASBO) was not put before a Judge until the 22/10/2014 due to no fault of the Appellant and should still fall within the commence date of the CBO being legal jurisdiction.

Where an order on conviction is sought, police must supply sufficient details to the Prosecutor to justify application for the order sought and any documentation must be attached to the file. Such orders include:
- An exclusion order, such as being banned from licensed premises or sporting grounds.
- Anti-Social Behaviour Order.
- Protection from Harassment Act restraining order.
- Compensation order – may be made on conviction, where there has been some personal injury, loss or damage to any person, for the offence charged or taken into consideration.

Courts often award compensation at the first hearing so it is important that, where known, an estimate of the cost of loss or damage is included on the MG5 form. Additionally, full details of any victim likely to be awarded compensation should be shown on an MG6 form.

Issues with the Independent Members of the Public's Witness Statements: -

I continue to raise even larger concerns of issue with regards towards the Independent members of the public's witness statements, not being signed by the witness them self but by active police officers on duty. I am also further concerned and raise issue with there being no statement of truth attached to all of the mg11 witness statement forms, both issues are a criminal offence of the Fraud Act 2006 as follows: -
1. Fraud
(1) A person is guilty of fraud if he is in breach of any of the sections listed in subsection

(2) (Which provide for different ways of committing the offence).

(2) The sections are: -
(a) Section 2 (fraud by false representation): -
(b) Section 3 (fraud by failing to disclose information), and: -
(c) Section 4 (fraud by abuse of position).

(3) A person who is guilty of fraud is liable: -

(a) on summary conviction, to imprisonment for a term not exceeding 12 months or to a fine not exceeding the statutory maximum (or to both);

(b) On conviction on indictment, to imprisonment for a term not exceeding 10 years or to a fine (or to both).

All MG Forms are Managed under Guidance From: -

All mg forms are managed under guidance from the home office, so for the evidential and authenticity standards to be complied with, so for all associated tools required to create, transport and store a Digital Witness Statement (DWS) is completed with sufficient evidential authenticity and integrity.

The Key Requirements of Digital Witness Statements are: -

1. The witness must be fully aware of the implications of signing.
2. The mechanism for proving a document must be agreed by the National Prosecution Team.
3. Where vector representations of signatures are used, these shall use open standards and must also include a simple image of the signature.

Criminal Procedure and Investigations Act 1996, places a duty on investigators to pursue all reasonable lines of enquiry and to record and retain all relevant material.

Supervisors must check that the file complies with the National File Standard content as per the Director's Guidance.

All cases charged by police will be notified to the CPS through an amended MG5, to be known as the 'Police Report'. It is crucial that the content of the MG5, including the case and interview summaries, are objective, fair and balanced and are of the highest quality. This is because all the stakeholders (e.g. prosecutors, court and defence) rely upon its contents. A poor quality MG5 is likely to lead to wasted time, increased costs and delayed proceedings. In all cases the supervisor must complete the 'Supervisor's Certification'. This certifies that the information in parts 1 to 7 of the Police Report is an accurate summary of the available evidence in the case. It also ensures that the file has been built to the required standard. If it has not been possible to obtain all necessary information to ensure the file has reached the required standard, an MG6 must be completed to indicate why and when missing information/evidence will be available.

The MG6 should also record the information necessary for common law disclosure in accordance with R v DPP, ex parte LEE. It should also take account of all reasonable lines of enquiry and confirm that relevant agreed targets for the capture/submission of evidence have been identified correctly.

R v DPP, ex parte LEE (1999) 2 Cr App. R 304, DC 2.2.11
Following the decision in LEE, the prosecutor should consider disclosing the following, at pre-committal stage, in the interests of justice:

- **(i)** Previous convictions of the victim, or any material that might assist an application for bail;
- **(ii)** Anything that may assist the defence to argue that there should be no committal at all, or committal on a lesser charge;
- **(iii)** Anything that may assist an argument for abuse of process;
- **(iv)** Information that may assist the defence to prepare for trial where delay may affect such preparation (i.e. witnesses police officers have spoken to that they do not intend to rely upon).
- **(v)** This information is not always going to be disclosed to the defence since Justice Kennedy said this would depend very much on what the defendant chose to reveal about the nature of his case.

These are only examples and must not be construed as a definitive list of categories.

In all cases the prosecutor must consider disclosing in the interests of justice any material that is relevant to sentence (e.g. information that might mitigate the seriousness of the offence or assist the accused to lay blame in whole or in part upon a co-accused or another person).

There are Three Types of Witness Statement: -

Narrative statements: -

- Made by the people who have played a part in the event at issue?

Production statements: -

- made by people who are employees, who have access to computer systems or documents, but: -
- Cannot testify as to how the information was entered on to the systems, as it may have been done by other people in the organisation.

Statements by expert witnesses:

- Include analysis and comment and can include personal opinion within their professional remit.

What is a VPS Witness Statement?

This is a statement made by the victim of a criminal offence. It is recorded on form MG11 and the content relates to the effect the offence has on them.
The Purpose of VPS forms are: -
These statements provide the victim with an opportunity to state how the offence has affected them:

- Physically
- Emotionally
- Psychologically
- financially, or
- in any other way victim an opportunity to say if they require further support, or wish to claim compensation.
- To provide the Home Office and the courts with information on these matters and allow them to take an account of the consequences of the offence on the victim. These statements are voluntary and are separate to other statements. They are disclosed to the defence.

Victim Personal Statements: -
When a VPS is used in court the VPS is put before the court after conviction in the sentencing bundle. **(Impact Statement)**

If a police officer takes a witness statement in England, Wales or Northern Ireland, they must record it on an MG11 form.

All investigating police officer's must keep the original copies of all witness statements in the case file and send copies to the Crown Prosecution Service.

Before a witness signs a witness statement the investigating police officer's must always explain to whom ever is filling out the form: the perjury clause before they make the statement.

- A statement taken in this form meets the legal requirements, and so they may not have needed to attend court:
- But you must make it clear the Home Office cannot guarantee they will not have to attend the court because the court and the defendant have the right to call any witness to attend and give oral evidence.

When any police officer questions the witness they must make sure of the following: ask all relevant questions to satisfy their duty under the Criminal Procedure and Investigations Act 1996, so to be able to pursue all reasonable lines of enquiry whether they point towards or away from the suspect.

The Antisocial Behaviour Order (ASBO) Witness Statements Do Not Contain Signature of Truth: -

PRACTICE DIRECTION 22 – STATEMENTS OF TRUTH

Documents to be verified by a Statement of Truth are: -

If an applicant wishes to rely on matters set out in his application notice as evidence, the application notice must be verified by a statement of truth.

1.5
The statement of truth may be contained in the document it verifies or it may be in a separate document served subsequently, in which case it must identify the document to which it relates.

Form of the Statement of Truth: -
2.1

'[I believe] [the (claimant or as may be) believes] that the facts stated in this [name document being verified] are true.'

2.2
The form of the statement of truth verifying a witness statement should be as follows:

However, a person who is not a solicitor, barrister or other authorised litigator, but who is employed by the company and is managed by such a person is not employed by that person and so cannot sign a statement of truth. (This is unlike the employee of a solicitor in private practice that would come within the definition of legal representative.)
However, such a person, may be a manager and able to sign the statement on behalf of the company in that capacity.

Inability to persons to read or sign documents to be verified by a statement of truth: -

3A.1
Where a document containing a statement of truth is to be signed by a person who is unable to read or sign the document, it must contain a certificate made by an authorised person.

Consequences of failure to verify: -

4.1

4.2
Any party may apply to the court for an order that unless within such period as the court may specify the statement of case is verified by the service of a statement of truth, the statement of case will be struck out.

4.3
The usual order for the costs of an application referred to in paragraph 4.2 will be that the costs be paid by the party who had failed to verify in any event and forthwith.

Penalty: -

5
Attention is drawn to rule 32.14 which sets out the consequences of verifying a statement of case containing a false statement without an honest belief in its truth, and to the procedures set out in rule 81.18 and paragraphs 5.1 to 5.7 of Practice Direction 81 – Applications and proceedings in relation to contempt of court.

All Impact statements are also singed by police, but second third hand information

PNBs are requested as disclosure: -

The official pocket book is a most important document which, when properly used, provides the greatest support in court, and constitutes protection against false or mistaken attack upon the character of an officer or a member of staff.

It is a basic principle of police procedure that police officers and appropriate police staff will keep notes of their day to day duties to which they may later refer.

Every operational Police Officer, including Police Community Support Officers (PCSOs), members of the Special Constabulary, & Firearms Enquiry Officers shall carry an official PNB when on duty, and will ensure that is maintained.

It is fundamental that these notes should be made at the time of the incident which is being recorded or, where circumstances prevent this, as soon as practicable after the event.

The pocket notebook must always be carried by officers and staff engaged on operational patrol, response and beat duties. Staff engaged in all other types of duty will carry their pocket notebook when performing duties where they are likely to encounter a scenario where a pocket notebook record is required.

The PNB is an official document, which is subject to disclosure in connection with any criminal investigation. The PNB is maintained by an individual, but ultimately belongs to the Metropolitan Constabulary.

Pocket Notebook records will be made in the following circumstances: -

a. Where the Police and Criminal Evidence Act 1984 require a record and none exists.
b. Details of audio recording interviews as highlighted in paragraph 5.1 of Code E.
c. Unsolicited comments made by a suspect outside the context of a formal interview, which may be relevant to an offence.
d. Evidential matters, civil and criminal where not recorded in another original document.
e. PNC and other police information database checks.
f. Critical, domestic and hate crime incidents.
g. Property found or handed to officers.
h. Under Section 170 of the Road Traffic Act 1988, where any party insists that the accident is recorded.
I. Arrests and incidents which may give rise to evidence in a criminal offence.
j. Incidents where the officer thinks a complaint will be made (bring to a supervisor notice as soon as possible.)
k. Observations / surveillance where no official log exists.
l. Any information that an officer regards as relevant to any aspect of police work should be recorded. If in doubt, record everything.

The information, which should be recorded at any scene, will vary. The following is a guide to the minimum information required: -
a. Time.
b. Exact location.
c. Occurrence or offence.
d. Name, age (DOB), occupation, address, self defined ethnicity and telephone number of person involved.
e. Name, age (DOB), occupation, address, self defined ethnicity and telephone number of witness/informant.
f. Details of action by police officers and others. 'Direct speech' should be recorded in the pocket book.

Where a suspect makes any comment, which might be relevant to an offence, (including a reply after caution) the comments must be recorded in the PNB, and where practicable the person shall be given the opportunity to read the record and to certify and sign it as accurate, or indicate the respects in which that person considers it inaccurate. Any refusal to sign should be recorded.

Even when there is collaboration, unless the circumstances are for some reason exceptional, each officer should make a note in their own book and not rely on a note in another officer's book. If one officer has no recollection of a point observed or of a remark remembered by a colleague, they should not incorporate such a matter into their book. An entry, whether made in consultation with a colleague or otherwise, must reflect only genuine personal observation and recollection.

It is the responsibility of all officers to keep their PNBs updated. Supervisors are to ensure compliance by inspecting officers' PNBs on a regular basis, and endorsing the PNB accordingly.

Officers will retain their current and last two completed PNBs (if less than two years old). All other PNBs should be submitted to District Administration, where they will be stored until two years old. PNBs that are over two years old will be stored in alphabetical order at the Central Archive Facility. Once the PNBs are over seven years old, they will be destroyed as confidential waste.

Overview of the role of CCC: -

1. CCC was formed in January 2008 upon completion of the C3i programme. This saw public telephone contact and control of the deployment of MPS uniform policing assets move from a central Information Room (IR) located at New Scotland Yard; 32 local control rooms (known within the MPS as CAD (Computer Aided Despatch) Rooms); and three independent Telephone Operator Centres (TOC), to three purpose-built contact and deployment centres located at Lambeth, Hendon and Bow.

2. CCC now operates within the Public Contact Portfolio of Territorial Policing (TP) as a single Operational Command Unit (OCU). CCC handles all emergency and non-emergency telephony for the MPS, co-ordinates the despatch of initial response to incidents for Borough Operational Command Units (BOCUs), provides command and control infrastructure for major incident and event policing through the Special Operations Room (SOR) and command and control for critical incidents.

On 6 October 1998, BT introduced a new system whereby all the information about the location of the calling telephone was transmitted electronically to the relevant service rather than having to read it out (with the possibility of errors). This system is called EISEC (Enhanced Information Service for Emergency Calls).

"The Communications Provider shall, to the extent technically feasible, make accurate and reliable Caller Location Information available for all calls to the emergency call numbers '112' and '999', at no charge to the Emergency Organisations handling those calls, until the time the call is answered by those organisations."

When a person(s), provide Open reach with a customer's name and address they pass it to BT's 999 Call Handling Service. BT in turn uses that information to route 999 calls and passes the location on to the Emergency Authority (EA). Then the emergency services allocate the order of importance, the information they need is:

- Postcode - this route the call to the EA serving that geography and is used by the EA to locate the caller.
- End User Name for: Consumer -the person most likely to make the call (not always the bill payer).

The End User Name recorded and listed on the Emergency Services Database may be different to the Directory Listing and the two details are separate entries on the input xml provided by a CP when placing an order with Openreach.

The separate End User Name provided is only used to populate the details held on the Emergency Services Database and assist the emergency services with handling 112 and 999 calls effectively.

- For WLR3, Openreach takes responsibility only for passing the address information to the Emergency Services Database.
- For MPF, it is the CP's responsibility to pass the address information to the Emergency Services Database.

In a short summery the first CFS caller for services, person that calls any emergency 999 handler will speak to is a Bcom operator, Bcom accept responsibility for passing the callers location and telephone number on to British Telecom who, then route the incident with the same intelligence all ready gained to the emergency services desired.

Another issue of concern that I raise within this letter, is in regards to a vast majority of incidents, otherwise known as Cads that have been inter Linked with unrelated incidents and information, that is to say from what I am being accused of at court and that information being supported as hearsay evidence, which has a true outcome of containing incorrect geological address information relating to the Antisocial Behaviour Order (ASBO) application, where on the dates that I do take reference towards, was on the 08th June 2014 at Progress Way Enfield London, where in any sense it would have been impossible for the incident the applicant has been accused of to have played a role that had a negative effect on any other persons way of life. Due to them locations distance being so far apart from one another, as can been seen by the Distance as the Crow Flies and Distance by Land Transport, which does in fact show that the distance between progress way and the initial location of the CFS emergency 999 callers, are to far apart for the respondent accusations for truth to be found upon, so because of this reason they have now been calculated into miles of distance as detailed below and them places are as follows, with geological markers supplied from:-
https://www.freemaptools.com/how-far-is-it-between.htm

Num	Name of 999 CFS Location Grid X to Y	Accused Location of Event Grid X to Y	Distance Between Both Locations in Miles

The above table lists some of the locations from the CADs giving mileage,

There are CADs that have all of the MAP ref blocked out, so these can not be researched and them Cads incident numbers are as follows: -

1. 1722:7JUN14: -
2. 5206:7JUN14: -
3. 340:8JUN14: -
4. 793:8JUN14: -
5. 2410JUN14.

The appellant requests, the reply to why would there be a need to block out any cad/ Map data? And for such redactions to be fully disclosed served in a non-edited format.

I find it hard to understand with reason, with reference to why police officer(s) would be sent to a location that the person was not at, as it seems PC Steve Elsmore is trying to imply in his statement dated the 24/09/2016 pages 327 to 332.

Also, there is the matter regarding data blocked out in a multitude of CFS Emergency calls relating to: -

1. CAD 3151
2. 2410 to list a few more, I can understand some Names and some Addresses but clearly not what I request as disclosure so that I can read what is needed to stand a fair defence, there is clearly a lot more data being blocked out that is vital to the on goings of this case.

There is a problem with Cads missing like linked CAD 2456 /7 shown on many pages as shown on page 290.

The reason given by the respondent in court about explicitly linked to and implicitly linked to CADs seems very unreliable, and could easy be proved by showing the judge these missing CADs are not linked in any way.

In statement of PC Jason Ames dated the 15/08/2014 it states CAD 9717 which related to intelligence, why has this been withheld also?

Using the jurisdictional GIS information and the law enforcement map layers, the dispatcher has a tactical view of the city and/or dispatch area. The map can be controlled by specific CAD commands, such as zoom-and-pan, or preset commands, such as zooming to the address of a selected call for service.

The dispatcher can map/view all units and open calls for service for an area or the city. Units and calls are labelled on the map.

Locational Systems Interfaces Locational systems provide automated access to address, geographic, and mapping information for law enforcements. The primary locational systems include AVL, GIS, and Mobile and Real-Time Mapping:

Geofile Maintenance: -

The creation of a comprehensive Geofile is a significant undertaking. The system should support the creation and maintenance of the Geofile using an available mapping/GIS

The Geofile contains the geographic information that is the basis for many decisions in a communications centre. The system needs to provide the ability for an agency to enter and update all Geofile data, including the physical address and the X/Y/Z coordinates.

The Geofile is used to validate and standardize location and address information. It is also used to cross-reference addresses and locations with law enforcement-defined reporting areas, X/Y/Z coordinates, ZIP codes, and other identifiers. The Geofile contains sufficient information to ensure that an address is valid. Furthermore, it provides cross-references to addresses and locations using common place names (e.g., business names, parks, hospitals, and schools) and street aliases.
It includes information such as direction of travel on particular streets and can identify the side of a street for a specific address. It is assumed that all addresses in the RMS are validated using the system Geofile.

The Time stamps are inaccurate relating to police CAD's Information: -

Inaccuracy's leading to incorrect time stamps contained within the applicant's bundle created by Steve Elsmore on the 13/8/2014.

Clock Synchronization Interface and synchronize all servers and CAD workstations work in Co-Hurst with the Master Time Clock (Net clock). This ensures that each workstation and server provide an accurate time stamp.

Time Protocol (NTP): -
A Network Time Protocol (NTP) server is a reference time server used in a network for the management of precise time to various system devices. The server recognizes all Ethernet devices that request a time source and ensures that the time is distributed properly from machine to machine. In this way every piece of equipment over the network infrastructure with a time display and Ethernet connection will remain uniform and match each other. These servers are internal to a facility and require no breach of a firewall to receive time. When used alone without a master clock, an NTP server solely conveys time to Ethernet devices.

A Master Clock: -

A master clock, on the other hand, does more than convey time to Ethernet devices. It also has the ability to distribute time to multiple different clock systems or retrofit with existing clocks systems through its programmable relays. In addition, a master clock is capable of scheduling various incorporated systems to shut on and off at desired times automatically. All settings of the master clock can easily be configured through an easy-to-use web interface via an internet capable device. Additional functions not present in an NTP server include Daylight Saving Time changes, 12 or 24-hour formats, and the possibility of adding a countdown feature.
When you put them together?
Aside from their differences, a master clock and NTP server actually have the ability to work with each other to provide an even better timing solution for a given facility. When the two are paired together, the master clock will receive accurate time from the NTP server to distribute to all clocks in its system, while the NTP server will sync all networked devices to the same time it provides for the master clock. Combining both the capabilities of a master clock and an NTP server ensures that every clock, computer, printer, and any other device with an Ethernet connection will display the exact same time, all while having the added features of a master clock.

Real-Time Mapping: -

All aspects of a CAD system must be optimized for rapid response time and system reliability. Since time is of the essence, the CAD system must accurately provide a data and time stamp for every activity. CAD systems collect the initial information for an incident and then provide the information to one or more RMS systems.

Logging: -

CAD will log all actions including security violations and attempted breeches, errors, changes, and updates. Logs should be viewable and searchable by the system administrator.

No CAD voice recordings of the original 999 / 101 calls being made: -

Communications Data Standard Operating Procedure: -

In this document the definition of (CD) will mean Communications Data: -
This Standard Operating Procedure (SOP) establishes procedures that ensures the Police Service of (hereinafter 'Police') manages its acquisition and use of communications data (CD) in accordance with legislation, and the Home Office 'Acquisition and Disclosure of Communications Data' Codes of Practice.

The procedures described in this SOP are founded on the provisions of the Regulation of Investigatory Powers Act 2000, (RIPA) Part 1, Chapter 2 (the Act) which provides a legal basis for the lawful access to CD by public authorities including police forces.
The main purpose of the Act is to ensure that the relevant investigatory powers are used in accordance with ECHR.

The Act requires that human rights principles are followed. Officers must ask themselves the following questions before utilising any of the powers under this Act:

- Is the proposed action lawful?
- Is the proposed action necessary (for a legitimate aim)?
- Is the proposed action proportionate to the crime or incident being investigated (not a sledgehammer to crack a nut)?
- Is the proposed action non-discriminatory?

In 2014, the Data Retention and Investigatory Powers Act 2014 (DRIPA) was introduced. This was in response to the European Court of Justice (ECJ) judgment of 8th April 2014 which declared a previous Data Retention Directive (2006/24/EC) invalid. DRIPA makes clear that anyone providing a communications service to customers in the UK, regardless of where that service is provided from, should comply with lawful requests made under the Act and requires relevant companies to retain certain types of CD for up to 12 months, so this may later be acquired by law enforcement and used in evidence.

The Acquisition and Disclosure of Communications Data Code of Practice (CoP) was issued by the Home Office and approved by Parliament on 1 October 2007 and subsequently amended on 25 March 2015. The CoP provides guidance to public authorities on the correct procedures for accessing CD under the provision of the Act. The CoP is deemed admissible in evidence in both criminal and civil proceedings.

Part 1, Chapter 2 Regulation of Investigatory Powers Act 2000 (RIPA) (the Act) defines communication data into three separate types. Number three of three being:

Traffic Data (section 21(4)(a)) – data comprised in or attached to a communication for the purpose of the postal or communication service – incoming call data, cell site / location information, call line identity, and other records. Authorisation

CD may only be sought if a DP believes it is necessary for one or more of the following statutory purposes to which I do ob-claim disclosure towards:

- For the purpose of preventing or detecting crime or of preventing disorder (S22(2) b);
- For the purpose, in an emergency, of preventing death or injury or any damage to a person's physical or mental health, or of mitigating any injury or damage to a person's physical or mental health (S22(2) g);
- To assist investigations into alleged miscarriages of justice (Article 2(a));

Repeat CFS Caller's: -

There is a clear issue contained within the respondent's application for an Antisocial Behaviour Order (ASBO) order in regards to repeat callers CFS, there is a huge number of instances where a duplicate call in the Antisocial Behaviour Order (ASBO) can be identified, the call handler on the dates of the incidents in question must cross-reference the CAD to the original CFS. The calls must be correctly linked for future retrievability but are not and have still been added to the case file by the developing and investigating police officer in such a way that it is hard for any person to be able to clearly define the difference from each suspected victim and I do not understand how this is fair or correct to display evidence in such away to gain a Proven plea against any citizen of the state.

Disclosure with Regards to the Communications Data Bill: -

Communications Data Bill is the Bill that provides an updated framework for ensuring the availability of communications data and its obtaining by public authorities. It contains standard provisions in respect of, amongst other things, orders and regulations, commencement and extent. The new regime replaces Part 1 Chapter 2 of the Regulation of Investigatory Powers Act 2000 ("RIPA") and Part 11 of the Anti-Terrorism Crime and Security Act 2001 ("ACTSA") and sits alongside the Data Retention (EC Directive) Regulations 2009. The Bill is in three Parts.

Under the Data Protection Act 1988 the Met police are to also obliged to release to the any person information it holds about them or their address on any system including the CAD system and Therefore I request all information requested within this official document of complaint.

All Cads and any Missing Cads, in Unedited Format: -

The Appellant requests copies from the local council authority environmental teams under the environmental act 1990 this is to disclose any CD relating to a section 80 abatement notice of noise nuisance from amplified music, sighted within the Antisocial Behaviour Order (ASBO) application in pursuit of the respondent.

In regards to MG9: we request the following Witness to attended court
1. The applicant Needs a Solicitor to help
2.
3.
4.

In regards to MG10: Witness non-availability the applicant requests full disclosure.

We request full disclosure of the police PNB books to all officers sited in events contained in the incidents within the Antisocial Behaviour Order (ASBO) application inclusive of all officers who attended Crown Road and other sited CFS location's addresses.

The Disclosure Process: -

For the purposes of disclosure, "document" means anything on which information of any description is recorded. This includes written material as well as photographs, plans, drawings, and video and sound recordings. Importantly, it also includes any electronic records such as e-mails.

The disclosure process is a statutory duty under the Criminal Procedure and Investigations Act 1996 including Codes of Practice (CPIA). The general rule in English litigation is that the parties should have access to all relevant documents, including those of their adversary. This "cards on the table" approach is also enshrined in the Civil Procedure Rules relating to disclosure.

There is also a Common Law duty on the prosecutor to disclose material before the duty arises under the Act, where it is significant, e.g. a victim's previous convictions or information that might affect a bail decision.

There is also a duty on the police to provide the CPS with information that may mitigate the seriousness of an offence. The investigator must inform the prosecutor as early as possible whether any material weakens the case against the accused.

A party must disclose documents that are, or were in the past, in its control. This means that in addition to having to disclose any documents that are in the actual physical possession of a party, a party must also disclose documents that have been lost or have been disposed prior to litigation. Those documents must be described and an explanation given of the circumstances in which they were lost or disposed of.

In practical terms, a reasonable search will often involve the retrieval of any relevant files held in a central filing system, by individual staff or from archives or storage, the retrieval of any relevant electronic records and the retrieval of diaries if they are likely to be relevant to any of the issues. The extent of the search which must be made will depend on the circumstances of the case and has to be proportionate to the value of the claim.

When Does the Duty to Disclosure Arise?

Giving disclosure is normally done by each party preparing a list of the documents it is disclosing and serving it on the opposing party. The list of documents must be in a prescribed form and will include the disclosure statement (see below). The list is in three parts:
1. Documents presently in the disclosing party's control which that party does not object to being inspected.
2. Documents presently in the disclosing party's control which that party objects to being inspected.
3. Documents that have been in the disclosing party's control but are no longer the list will give each document a reference number, will specify its date and will give a concise description.

Not everything that is revealed to the CPS will be disclosed to the defence. Generally, a Prosecutor's duty to disclose unused material to the defence is triggered by: A not guilty plea in the magistrates' court, or: -
- A committal, i.e. the service of evidence in an indictable only case sent to the Crown Court under section 51(1) Crime and Disorder Act 1998 or on transfer of a case for trial to the Crown Court.

A person making a false disclosure statement without an honest belief in its truth faces the prospect of contempt of court proceedings. Therefore, it is important that the duty of disclosure is fully understood and complied with.

1.14.4
The duty of disclosure continues as long as proceedings remain, whether at first instance or on appeal.

1.14.5
All of the unused material is revealed to the prosecutor by way of schedules on forms MG6B, C, D, and E

There is an agreement between the CPS and ACPO that crime reports and incident logs will be revealed to the CPS as a matter of routine.

Information must be recorded at the time it is obtained / seized, or as soon as is practicable after that, material must be recorded in a durable or retrievable form.
If it is not practicable to retain the original record, e.g. because it forms part of a larger record which is to be destroyed, the information must be transferred accurately to a durable and easily retrievable form. Photocopies are acceptable. Details of relevant phone calls concerning a case must also be recorded.

Continuing Duty: -

The duty of disclosure continues until the proceedings are concluded. If after serving its list a party becomes aware of further documents that should have been disclosed, it must notify the opposing party by preparing and serving a supplemental list of those documents.

Disclosure Forms: -

1.14.8
There are four different types of disclosure forms as follows: -

1. MG6B – This gives details of the discipline record and convictions (if any) of any police officer/member of police staff that is involved in the case. It also includes Penalty Notices for disorder. If no officer/member of police staff has a disciplinary consideration (or conviction) there is no need to put the form on the file, an entry on the MG6 to this effect will suffice. This form can also be used to declare the convictions/disciplinary matters of employees of other investigative agencies on behalf of whom the CPS prosecutes e.g. UK Border Agency.

2. MG6C – The schedule of relevant non-sensitive material will be disclosed to the defence and any material described on it may also be disclosed to the defence on instruction from the CPS. Material that must be listed on the schedule covers all relevant unused non-sensitive material recorded, retained or generated during the course of an investigation. The exception to this is material seized during the course of a major investigation which has not been examined due to its lack of immediate and apparent relevance to the investigation. This falls outside the CPIA and is not 'unused material' but its existence must be recorded on form MG11 with the appropriate caption, i.e. 'the following material has not been examined by the investigator or disclosure officer and is considered not to fall within the CPIA definition of prosecution material'. If an item of unused material contains both sensitive and non-sensitive material, it must be listed on the MG6C as being an 'edited version' or 'edited' e.g. a pocket notebook entry containing both the personal details of a witness and the circumstances of the arrest. Block out the sensitive part (witness details) on a copy of the original with a dark marker pen (never white correcting fluid). The original must never be marked. Do not list the unedited version on the MG6D.

3. MG6D – The schedule of relevant sensitive material will not be disclosed to the defence because it is not in the public interest to do so. You must state the reason why the item should not be disclosed to the defence. For example, details that identify an observation post must not be disclosed to the defence. If there is no sensitive material in a case, endorse form MG6D to that effect and submit it with the MG6C and MG6E. Where you think you have material that is very sensitive, such as information from a covert human intelligence source (CHIS), make contact with the prosecutor who will refer you, as necessary, to the appropriate person for advice.

4. MG6E – Disclosure Officer's Report. On the MG6E the following information must be brought to the attention of the CPS: Material which contains a first description of an offender (Para 7.3 CPIA Code of Practice); or Material which might undermine the prosecution case or assist the defence. The disclosure officer must record on the form the following: Whether the undermining or descriptive information was originally listed on the MG6C or MG6D the original item number from the MG6C or D. Briefly, the reason for it being recorded on the MG6E, e.g. 'Contains first description of suspect', or 'May cast doubt on reliability of witness'.

The prosecutor must always inspect, view or listen to any material that could reasonably be considered capable of undermining the prosecution case against the accused or of assisting the case for the accused. The Disclosure officer may need to consult with and allow the prosecutor to inspect the retained material.

Failure to Disclose: -

Any party's disclosure obligations are governed under the Civil Procedure Rules require it to disclose documents which could be very detrimental to its chances of success, but which the opponent may not know exists until disclosure. This is an onerous obligation, much stricter than that in many other jurisdictions and the extent of these obligations often takes litigants by surprise. In order to ensure that parties comply fully and honestly with their disclosure obligations, the rules provide for very serious consequences where a party fails to comply with those obligations.

Firstly, making a false disclosure statement can potentially put the person making the statement in contempt of court. Secondly, a party's credibility will be seriously weakened if it transpires that it has destroyed or failed to disclose a relevant document, whether or not this omission was deliberate. Thirdly, where a party fails to disclose a document which is damaging to its case and a fair trial is no longer possible, its case may be struck out altogether. Fourthly, deliberate destruction of relevant documents is likely to be a contempt of court and may constitute the offence of attempting to pervert the course of justice. Documents damaging a

party's case should not be withheld or destroyed under any circumstances. Finally, where a document was not disclosed, it cannot later be relied on in court except with the court's permission.

It has all ready been proven and concluded that Steven Elsmore has deleted emails sent to Val Tanner, asking for information as this was stated in the lower court at trial. The applicant knows that for a fact discloser is being held and that disclosure would give credibility to the Appellant innocent.

Preservation of Documents: -

Because of the potential sanctions outlined above, it is important to preserve intact all relevant documents from the time litigation is contemplated. If a party has a routine procedure for destruction of documents, such as the deletion of computer backup files or e-mail, this should be stopped until the documents have been examined by lawyers and confirmed not to be potentially disclosable.

Documents of possible relevance to the pending action must not be destroyed. All persons within an organisation who have responsibility for documents should be made aware of these obligations.

Fraud Act 2006: -

Fraud by failing to disclose information a person is in breach of this section if he: -
(a) Dishonestly fails to disclose to another person the information which he is under a legal duty to disclose, and: -
(b) Intends, by failing to disclose the information: -
(I) To make a gain for himself or another, or: -
(ii) To cause loss to another or to expose another to a risk of loss

The right to Fair Trial: -

Appellant is asking for a Former Judge to examine the role of police officers, who present the applicant cases of an Antisocial Behaviour Order (ASBO) against him self.

The Appellant is asking for this case to be terminated or dismissed under the grounds of Article 6 of the European Convention of Human Rights, with regards to the Right to a Fair Trial Act 1998.

Which in legal terms, should be the best means of separating the guilty from the innocent and protecting against injustice. Without this right, the rule of law and public faith in the justice system collapse. The Right to a Fair Trial is one of the cornerstones of a just society.

Article 6 the Right to a Speedy and Fair Hearing: -

The applicant declares the right to a speedy a fair trial what is fundamental to the rule of law and to democracy itself.

The right applies to both criminal and civil cases, although certain specific minimum rights that are set out in Article 6 applies only in criminal cases.

The right to a fair trial is absolute and cannot be limited. It requires a fair and public hearing within a reasonable time by an independent and impartial tribunal established by law. The procedural requirements of a fair hearing might differ according to the circumstances of the accused.

The right to a fair hearing, which applies to any criminal charge as well as to the determination of civil rights and obligations, contains a number of requirements and I believe the causes below full within them requirements.

The concept of a fair trial involves fairness to the prosecution and to the public as well as to the defendant: DPP v Makin [2006] EWHC 1067.

Data protection Act 1998: -

http://www.legislation.gov.uk/ukpga/1998/29/data.pdf

The Information contained and held on the police Nation computers is not accurate to its information.

Statements of police in the Antisocial Behaviour Order (ASBO) have incorrect information that is being held on the police systems.

Regarding Previous Convictions that should be in respect of the Data Protection Act 1998: -

MG16: Bad character: -

As has: as if to say in a past occurrence of an duration of time and can still: as if in to be explaining to day as present in accordance to the date at the top of this official letter, any person(s) of interest can look inside the case files and openly read a copy of the applicants criminal record otherwise known and named as a "PNC" record, this conferential and official document, Should not be available and is an Abuse of Process as no official MG16 form supporting a Bad character reference has been abused into the Asbo case files.

For this reason, the applicant also reverses his rights of the Rehabilitation of Offenders Act 1974 and states time spent to any convection's.
Any pervious offences contained within do not relate to a similar natured offence such as the respondent has based their case upon.

There is all so an ongoing investigation in relation to errors on his PNC record which are slowly being rectified, there is evidence supplied from the court house in response to the stated ad this will be supplied on request to the relevant persons of interest and there for the applicant does not agree with any records of his criminal record.

MG16: Bad character: -

As has and can also still be seen, is a copy of the applicant's criminal record otherwise known and named as a "PNC" record, this conferential and official document being openly present for any person to read in the Asbo case files is an Abuse of Process as no official MG16 form regarding Bad character supporting a bad character reference has been abused into the case files.

Abuse of Process: -

Abuse of process is defined as something that is so unfair and wrong with the prosecution that the court should not allow a prosecutor to proceed with what is, in all other respects, a perfectly supportable case (Hui Chi-Ming v R [1992] 1 A.C. 34, PC). 'Unfair and wrong' is for the court to determine on the individual facts of each case.

The inherent jurisdiction for the correct to agree to so for them to stop a prosecution to prevent an abuse of process is to be exercised only in exceptional circumstances: Attorney General's Reference (No 1 of 1990) [1992] Q.B. 630, CA; Attorney General's Reference (No 2 of 2001) [2004] 2 A.C. 72, HL.
The essential focus of the doctrine is on preventing unfairness at trial through which applicant is prejudiced in the presentation of his or her case.

As contained in a copy of the lower court transcripts on the day of trial, while under oath PC Steve Elsmore stated to the district Judge that "Intel would be by open source and checked by an officer but was not done by him." When in fact it is his login that created and printed the applicants bundle, this can be proved by his signature and also by the computer ID log that must be used to print the data and use the (CD) that is contained within the Police National Computer and now has been submitted and is contained with the applicants bundle and is verified at the top of most of the pages or within the Antisocial Behaviour Order (ASBO) application.

PC Elsmore continued to state under oath that he did not carry out any further investigations in regards to speaking to the owners of any premises to fix that of a notice of trespass or conviction or of two as the codes of practice say the main investigating officer must. He stated "I have not personal spoken to the owners of the venue"

PC Elsmore states under oath "There was a rave on an adjourning Road but not on that day." (Please Take Note Here of inspector Hamill stating under oath that he was sure all locations were to do with progress way on this date.)
"Phone calls received were not relating to Crown Rd Rave on that day.
On the day in question phone calls related to this particular rave. (Progress Way)"

Witness 1 – Inspector Hamill –R. O – 11.15 Am
Statement contained in tab 9-lead
DEF XEX
Intel would be by open source, checked by an officer but was not done by me.
The rave was taking place indoors.
I have not personal spoken to the owners of the venue. (No true line of investigation to prove trespass)
I only see the D on the Saturday on the evening of the 7th Saturday. (This was in fact early Hours of the 8th at around 1:00am.)
I did not go inside; the gates were closed.
I did not see any vehicles.
D'S Van registration is known to the police but I would not personally know.
There were vehicles parked but I did not notice whether defendants van was there.
He was not aware of people squatting in that building at that time.
(Hearsay of officers continues D @ venue but (unreadable text)
Officer (unreadable text) but is Not present here today.)
There was a rave on an adjourning RD but not on that day. (Please Take Note Here of inspector Hamill stating under oath that he was sure all locations were to do with progress way on this date I believe a copy of his PNB book will prove he attended Crown Road on the same date.)
Phone calls received were not relating to Crown Rd Rave on that day. (But are contained within the respondent's bundle)
On the day in question phone calls related to this particular rave. (Progress Way) (A clear example of abuse of power)

A vast number of CADS that are contained within the respondent bundle representing an Asbo application are printed in Pc Steve Elsmore name and as the leading investigator he would known the truth to what has been concealed and how he complied such intelligence to present any case files.

Contained within them cads printed out by Pc Steve Elsmore is a huge majority of the locations that are retracted in other words (blocked out so no person can see the true locations) This leads to concerns regarding important and relevant aspects of disclosure so for the applicant to be represented at appeal with a fair hearing?)

In fact, crown road is 2 miles away, so quite a far distance from progress way.
Also from research that was gained, from news paper articles and freedom of information requests made to the local council, that where put in pursuit of a search for the truth, about the true on goings for the dates that the applicant stands wrongfully accused of by way of incidents that are complied in the respondents bundle and that surely do relate to Crown Road and not progress way, determines the right truth by explaining that there was a completely different incidents reported by CFS callers to a house / ware house party or maybe even a rave that took place and police attendance was requested by them members of the public. The freedom of information request applied to and in receipt from the local council, inclusive of additional evidence such as the local news paper report/ articles have since been adduced into the applicant's defence bundle and served on the prosecution.

to the on goings another house party a five-minute drive from progress way and if not for the grid numbers being not blocked out inclusive of other landmarks such as A&J cars based in Enfield I would not have been able to prove my innocents in the on-going application leading to an un fair trial.

CAD number 2410 date 08th June 2014 Page number **288** states different CFS callers reporting incidents with the attached land mark of a well-known building next doors to the initial reason for the emergency CFS call, that land mark produces a running company what is named A& J cars Crown Road, Enfield what is a taxi services and is next doors to the crown road party. "The applicants would not have been able to prove his innocence in this case, cad if it was not for A & J cars being left in the context of the emergency 999 / 101 call, CAD, as for sure the developers of the Antisocial Behaviour Order (ASBO) application, when using such information

retracted the true location, giving the intelligence in the cad a fake pretence to be progress way, this is the same for many of the other Cads retracted and contained within the ASBO application.

Termination and a Stay of Proceedings: -

The applicant requests termination of proceedings or a stay of proceedings to be ruled by the court in the ongoing civil proceeding, with immediate effect and in turn terminating or halting further legal process in the Antisocial Behaviour Order (ASBO) appeal. I again ask for the court to subsequently terminate the case or apply a stay and resume proceedings based on events taking place after the stay is ordered.

The Harassment Act 1997: -

The Protection from Harassment Act 1997

The Act was originally introduced to deal with stalking. However, since 1997 it also covers the aspects of conduct, including:

- Harassment motivated by race or religion: -
- Some types of anti-social behaviour: -
- Some forms of protest.

The Act gives both criminal and civil remedies such as two different criminal offences: -

- Pursuing a course of conduct amounting to harassment: -
- A more serious offence where the conduct puts the victim in fear of violence.

Harassing any person(s) includes any of the following: -

- Alarming a person(s) or: -
- Causing a person(s) distress.

The key element to be contained within an incident is a negative "course of conduct", which can include speech, should normally involve conduct on at least two occasions, although there are exceptions to this.

In addition to the criminal offences, a civil court can impose civil injunctions in harassment cases as well as awarding damages to the victim for the harassment.

Section 1 of the 1997 Act states: - that a person must not pursue a course of conduct which "amounts to harassment of another" and which "he knows or ought to know" amounts to such harassment. Such conduct should lead to a criminal penalty (under section 2).

Section 7(2) of the Harassment Act 1997 states, that, "harassing a person includes alarming the person or causing the person distress". A "course of conduct" is defined in section 7(3) creating an understanding that conduct should be made on at least two occasions.

The definition of a "course of conduct"
Is defined in section 7 of the 1997 harassment Act and makes it clear that the Act protects an individual from collective harassment by two or more people.

The Act provides three possible defences to a charge or allegation of harassment. Where harassment has been proved, the defendant would have to show one of the following: -
1. That the conduct was for the purposes of preventing or detecting crime: -
2. It was pursued under an enactment or rule of law; or: -
3. In the particular circumstances the conduct was reasonable; it is for the courts to decide whether the conduct was in fact reasonable in the circumstances.

Section 2 of the 1997 Act states the following: -
"A person who pursues a course of conduct that is in breach of section 1 is guilty of an offence".
The offence is subject to a maximum penalty of six months' imprisonment, or a fine of up to £5,000, or both, and is arrestable. Conduct includes Speech relating towards verbal harassment.
There are three elements of the offence:

i. There must be a "course of conduct", not just a single act
ii. It has to amount to harassment.
iii. The person must know, or ought to know, that the conduct amounts to harassment.

For the last point, section 1(2) makes it clear that the person should know that the conduct amounts to harassment "if a reasonable person(s) in possession of the same information" would think that it did as well.

Harassment Civil Provisions Section 3 of the 1997 Act: -

Permit's for a person(s) to take civil proceedings in respect of any on goings of harassment. This includes "apprehended" harassment as well as actual harassment.

In such civil proceedings the applicant can or should seek a "non-harassment" order, and/or damages.

Section 3(2) of the Harassment Act provides for damages to be available for (among other things) 'any anxiety caused by the harassment and any financial loss resulting from the harassment'.

Section 3(3) makes the breach of a non-harassment order a criminal offence, punishable in the magistrates' court with up to 6 months' imprisonment, and/or a £5000 fine, or in the crown court with up to 5 years' imprisonment and an unlimited fine.

Noise Abetment Notice Section 80: -

The Councils Environmental Protection Team (EPT) are there to investigate complaints about noise made from certain commercial and licensed premises and events within the Councils boroughs, such as some of the following

- Noise from factories: -
- Industrial units: -
- Construction sites: -
- Shops: -
- Pubs: -
- Clubs: -
- Restaurants and takeaways: -
- Noise from residential student blocks/halls of residence, would generally be referred to the university who own the property: -
- Low level/minor noise problems and/or a one off/isolated report suggesting there is not a persistent problem emanating from Housing or social landlord providers property may be referred to Housing or the appropriate landlord for investigation as a possible tenancy breach.

This includes noise from businesses carrying out construction work on domestic property i.e. Noise from businesses carrying out sandblasting on a domestic property.

Where a reporting person(s) or victim submits a noise report for the first time, the noise and nuisance team will endeavour to contact them to acknowledge their report and provide advice to prevent further nuisance. A noise information pack will be sent to them together with a noise nuisance diary. If consent has been provided by the reporting person or victim a letter will be sent to the accused to advise them an allegation has been received. Highlighting to the accused, a problem they may not have been aware they were causing, may be sufficient to resolve the issue at an early stage.

The noise report will be logged as an enquiry within the services customer relations management system (Siebel) if not already done so, updated and closed until either the noise diary is returned, or further reports/evidence are received. Copies of any correspondence sent/received will be uploaded on to the enquiry.

Where noise has been witnessed and deemed unreasonable by an Out of Hours team response officer, for the first time, the noise and nuisance team will endeavour to contact the reporting person or victim to discuss the issue and offer advice. (If not previously provided) and consent sought to send a warning letter to the occupier/s at the address where the noise was witnessed.

Reports where noise has been witnessed are always considered on their merits, and a case may be opened and further enforcement action taken as appropriate.

Cases will be opened where noise is deemed a statutory nuisance that could warrant a Section 80 Noise Abatement Notice being served or where noise is witnessed on a second occasion and is deemed a potentially persistent problem.

The following evidence may be used to support a noise nuisance investigation, however, does not solely determine what constitutes a statutory noise nuisance. Professional judgement is necessary to decide if the complaint can be considered a statutory nuisance. Evidence, which may be used to support an investigation, includes;

- Noise diaries: -
- Calls to the Council and the Out of Hours service to report that the noise is Ongoing: -
- Visits by officers and Out of Hours service to witness the noise: -
- Witness statements from officers/Out of Hours officers and the reporting Person/victim: -
- Evidence from noise monitoring equipment.

Noise Diaries: -

Noise diaries completed by the reporting person or victim(s) can assist the noise and nuisance team in deciding whether the problem is actionable or reasonable by providing details of;

- The nature of the problem: -
- The frequency, time of day and nature of the noise.

Where an abatement notice is to be served, this should be drafted and served within 7 days, starting with the day on which the relevant officer was first satisfied that the nuisance existed, or was likely to occur or recur.

Where an abatement notice is to be served, this should be drafted and served within 7 days, starting with the day on which the relevant officer was first satisfied that the nuisance existed, or was likely to occur or recur.

MOTIVE – deliberately using noise to cause annoyance or distress, the noise and nuisance team will consider the circumstances under which the noise was witnessed.

- Is the behaviour reasonable?
- Is it intentional?
- Can it be controlled?
- Has the accused failed to comply with a previous request to abate the nuisance?

THE NOISE AND NUISANCE TEAM recognises that there is no set decibel limit that needs to be exceeded for noise to be categorised as a ‘statutory nuisance’. Noise that could potentially be a statutory nuisance includes;

- Loud music: -
- Loud TV: -
- Loud parties: -
- Playing musical instruments: -
- D.I.Y at unreasonable hours: -
- Dogs barking for prolonged periods: -
- Cockerels crowing: -
- Alarms: -

By way of example, loud music which occurs every other day for a few hours after midnight is likely to be a nuisance, a cockerel crowing in an urban garden at 5am most summer mornings could be a nuisance and deliberate banging which occurs solely to cause irritation could also be a nuisance.

If the noise and nuisance team need to gain entry to a property to carry out a seizure of noise making equipment or for the silencing of an internal alarm, an application will be made to the Magistrates Court for a warrant to do so.

Where an internal alarm is sounding and a breach of the notice has been witnessed a warrant is required to gain access to the property in order to silence the alarm and abate the nuisance.

Where it is intended that the noise and nuisance team will be undertaking a seizure of noise making equipment from a property, it is likely that entry would be refused if attending at the property without a warrant. Such action would then make the occupiers aware of the intention to seize noise making equipment, with the potential for items to be removed from the property before officers are able to return with a warrant.

The officer should attend at the court number given or if not given a court number go to the listings office to find the relevant court number. Once in court the officer should present only the application and the 3 warrants to the court clerk. The officer should have the abatement notice, OOH reports, witness statements and any other relevant information in case they are requested by the court. Proceedings will be as follows;
The officer will be sworn in and will then present the application.

- The magistrate will then ask any questions they feel are relevant.
- If the warrant is granted all 3 copies of the warrant will be signed.
- The noise and nuisance team keep the applicant's copy.
- The occupier's copy is left at the seizure/alarm address once the works have been carried out.

The court's copy is returned to the court after the seizure/alarm silencing has taken place with the second page of the warrant completed.

Seizing Noise Equipment (Seizures): -

The Council's principal power to seize noise equipment is contained in section 81(3) of the Environmental Protection Act 1990. The Act states: 'Where an abatement notice has not been complied with the local authority may, whether or not they take proceedings for an offence under section 80(4), abate the nuisance and do whatever may be necessary in execution of the notice'

Following a breach of an Abatement Notice the case officer will discuss with the noise and nuisance team Supervisors/Managers as to whether it is appropriate to send a PACE letter (refer to section 10.0) to the person on whom the notice was served or a letter of intention to prosecute advising that legal proceedings are being considered.

The applicant is now left with the understanding that the Antisocial Behaviour Order (ASBO) application was created in the understanding that by pc Steve Elsmore and other officers acting in such a manner of the claims listed within this document and or by allowing other officers to use his id logging to gain such wrongful and illegal convections they did do so upon oath to the legal services, new Scotland yard London sw1h bog Reference number L/107087/sag and stated that they was sure that the defendant was responsible for the acts to which particulars had been given, in respect to the complaints made and developed by them self's which are all concealed within the Antisocial Behaviour Order (ASBO) application, in turn knowingly and deliberately while intentionally misusing his or hers and their powers of conduct, while and with complete disregard for law and associated regulations, to aid in a manner to which was reckless and caused extreme disregard for the applicants and other human life's, creating a breach of many human rights as some are listed within this document in accordance towards the relevant issues of concern in regards to accountably breaches. The rights to respect for each person(s) Human rights "Articles" are of fundamental importance. Any invasion of the rights must be strongly justified.

All "public authorities" for the purposes of the Human Rights Act 1998, are directly subject to the legal obligation imposed by section 6 of that Act to act compatibly with Convention rights, the state can not discharge its obligations under ECHR Article 8 in relation to the retention and storage of data.

ASBO is disproportionate: -

The applicant states that the Antisocial Behaviour Order (ASBO) is disproportionate and it prevents him from engaging in lawful business. The Antisocial Behaviour Order (ASBO) prevents the applicant from applying for licences to hold events within each local council's boroughs, without alerting each individual council of the

offence imposed upon him self, named "The organising of illegal raves" being present as a convection, as this is relevant to the information required by the local councils as for the nature of the offence.

Any other person(s) would be treated different and would not have to sit on an official special committee at a board room meeting in relation to each different ward licensing that is being applied for due to this convection, as the applicant now has to do because of the similarity of the offence that is being put towards the application for event licensing.

An Antisocial Behaviour Order (ASBO) order must not be classed as a criminal record as procedure rules and the guidance applied states, but due to the description of the respondent's accusations all rules do not legally comply.
And due to this the applicant has emailed each individual council; ward and was put in receipt information by each relevant department, them official documents raise the issue of concern regarding a statement dated 10/02/2016 what was written by Miss Lorraine Cordell, which a no fault of the applicants own, does not seem to be in the Appellant's Bundle and clearly should have been, which proves the fact that a mutable amount of calls was made by Miss Lorraine Cordell in seeking a response from Local councils and police forces licensing teams, so to obtain information stating weather the Appellant would be able to get licensing for events he wanted to manage, the reply back (please read enclosed statement as exhibit sc1)

The Appellant who is in receipt of the official documents received will state that it has been explained by all councils that whilst he is subject to an ASBO order relating to the entertainment industry he will be prohibited from applying for any entertainment licence and any licence application will automatically fail and therefore this is disproportionate.

The applicants mother did an updated statement that is dated 10/02/2016 the reason being due to what was written within the **Skeleton Argument for the Respondent: Page 5 section 20:**

"As to the particular prohibitions endorsed upon the applicant and the respondent stating; significant effort was made by the Respondent and by the court to ensure that any legitimate business activities that the Appellant wished to undertake would in no way be inhibited by this order. For the Appellant to provide recorded music to a gathering of people he would either need to have a licence for that event or to provide the music on a licensed premise for fewer than 500 people with a general licence to play recorded music (sec s.1 and Sch. l of the Licensing Act 2003). This order specifically does not preclude him from providing regulated entertainment under the auspices of a valid licence."

This is a breach of the applicant's human right as he should not need a licence to play music in private air unless he is charging money with a view of making a profit.

Corruption is an enormous obstacle to the realization of all human rights — civil, political, economic, social and cultural, as well as the right to development.

The core human rights principles of transparency, accountability, non-discrimination and meaningful participation, when upheld and implemented, are the most effective means to fight corruption.

In 2013, the Human Rights Council requested its expert Advisory Committee to submit a research-based report to the Council at its twenty-sixth session in June 2014 on the issue of the negative impact of corruption on the enjoyment of human rights, and to make recommendations on how the Council and its subsidiary bodies should consider this issue (resolution 23/9). The Advisory Committee submitted its final report on the issue of the negative impact of corruption on the enjoyment of human rights in 2015 (A/HRC/28/73).

The applicant has designed a business plan, this creates community events leading to an international festival and that sets out clearly the plans for events including marketing, safety, stalls etc and also specifically refers to co-operating with the police. The ASBO prevents such applications from being successful.

The applicant will state that he was never involved in the organisation of any illegal raves as sighted in the respondent's bundle and as defined under section 63 of the CJPOA 1994.

The applicant will state "that he was not rude to police but does feel like he can not even go out for the day, with some of his friends, without getting stopped and searched by members of the police.
