

was searched and nothing was found. I was then asked by the police what I was up to. I said that I was setting up my catalogue that I had been building with a friend, and that my website was nearly completed. I said that I was trying to achieve positive effects within today's society with my business I was trying to build a brand. This was a Thursday at 16:30. Once the police had checked everything, they needed to we parted after I had shaken hands with them. I then made my way home. I did not cause any Anti-Social Behaviour on the 24th July 2014

On 27th July 2014 in respect of an alleged rave on private land with a warehouse being occupied at the rear of Millmarsh Lane, Enfield. I am said to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on this date. I attended a 20th birthday party at Millmarsh Lane, and I had dinner with people who were living there. I never knew of any event taking place on. I did not have any sound system on the premises. I understand that the sound system was moved at the request of police, the owners of the PA equipment was the occupiers, and I did not have any hand in this. I had been invited as a visitor. The occupants had placed LASPO notices on their premises. I did not own any of the sound equipment that was found there, and I did not rent or lend any sound equipment to anyone in respect of this occasion or take part in the organisation. I did not cause any Anti-Social Behaviour on the 27th July 2014.

I am further alleged to have been involved in the organisation of and/or supplied equipment for and or attended an illegal rave on the 9th to 10th August 2014 at Millmarsh Lane. I dispute this. I was not involved in organising any rave, and I did not supply equipment. The police have alleged that this event was run by Every Decibel Matters. I can confirm that I am not an employee of this organisation, or a shareholder, or a director and have no controlling interest in this company. I exhibit a letter sent from Every Decibel Matters Ltd "to whom it may concern" verifying this, I exhibit this as exhibit SC/19. I had gone to have a birthday dinner, but I was not present at an illegal rave. Police came and requested that people leave and so I left. I did have a conversation with the police concerning three empty CO2 gas canisters that I had in my vehicle, VRM MA57LDY. I did display knowledge of nitrous oxide, but this was just in a general conversation with the police as it is information I had to learn when carrying CO2 cylinders for welding. I do remember talking to a police officer about an occupier I had met called Jena having passed her first aid test. This was general conversation. I dispute encouraging any crowd behind a gate to come in. I did not try to incite others to breach the peace, and I did not try to put anyone in danger.

I deny behaving in an anti-social manner on this date. I did not cause any Anti-Social Behaviour on the 9th 10th August 2014.
