To whom this may concern,

I have know Mr. Simon Cordell, for a number of years
which I have only had positive working ethics from him
We are both working together with our local Community Centre
Kempes Hall in Enfield. As committee Members we will be
attending training sessions to enable us to work alongside
the children + Young People that attend our weekly youth club.
As committee members ~~will~~ ^{we} will be working along side Enfield
Homes, Enfield Council as well as the local Community.
MR. S. Cordell is a paramount part of our business
Partnership, we organise social/community events as
well as fundraising events. Our next fundraising event
is a Community Charity Childrens Fashion Show fundraiser
for Bliss.org.uk. A charity that helps over 80,000
Prendure babies that are born in the UK each
year.
