

Each date in this ASBO the police say my son was the organiser the police already have the information on the police public order unit at Scotland Yard system as to who done this and this was not my son.

I believe this ASBO beaches Article 6 of ECHR is a person's right to a fair hearing.

If information is withheld from the court that would show my son is innocent with the intention of causing a guilty verdict to be returned, that is perverting the course of the justice/conspiracy to pervert the course of justice and, quite possibly, misconduct in public office/conspiracy to commit misconduct in public office on the part of those involved, if police officers, local government officers, civil servants, government officers.

Where a verdict or decision is made by a court as a result of pertinent information being withheld and which no court or judge would have made had that pertinent information been made available, the verdict/decision is said to be perverse. It also goes against natural justice.

Any public authority or person whose function is known to be public, like a police officer, who acts in a way that is incompatible with a persons rights under the European Convention on Human Rights, acts unlawfully according to Section 6(1), Human Rights Act 1998.

I do believe if the police disclosed the information that is held at the police public order unit at Scotland Yard this would show my son as innocent.

Signed

*L. Cordell*
