I am Lorraine Cordell; my date of birth is [REDACTED]. My home address is as stated above. I am making this Updated witness statement to my statement dated 22nd December 2015 in response an appeal to the police application for an anti-social behaviour order on Mr Simon Cordell. I am the mother of Simon Cordell.

I have been asked to write this updated statement due to calls that I made in regards to the updated Skeleton Argument bundled emailed to me on the 04/02/2016.

Please refer to page 5 within the Skeleton Argument bundled section 20

As to the particular prohibitions on the ASBO, significant effort was made by the Respondent and by the court to ensure that any legitimate business activities that the Appellant wished to undertake would in no way be inhibited by this order. For the Appellant to provide recorded music to a gathering of people he would either need to have a licence for that event or to provide the music on a licensed premise for fewer than 500 people with a general licence to play recorded music (see s. 1 and Sch.1 of the Licensing Act 2003). This order specifically does not preclude him from providing regulated entertainment under the auspices of a valid licence.

I found this very hard to believe as I did from when this case started, and many times issues were raised due to the conditions but things were never addressed, not even on the trial days.
